

Combat Camera Weekly

Regional Command-East Afghanistan

11 – 17 August 2012

Saji Thomas, a force protection field service representative welder, repairs a door hinge on a mine-resistant, ambush-protected vehicle on Forward Operating Base Salerno, Khost province, Afghanistan, Aug. 10, 2012. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

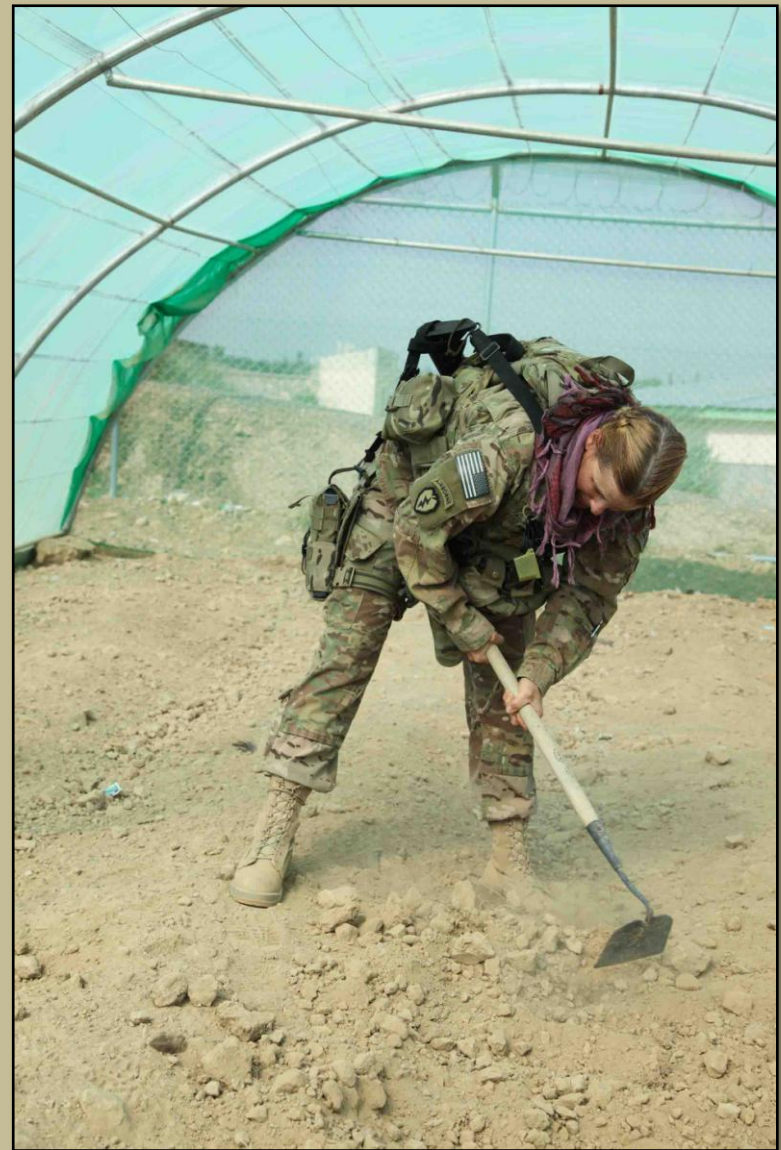

U.S. Navy Construction Mechanic 1st Class William Cook, attached to Provincial Reconstruction Team Khost, from Construction Battalion Maintenance Unit 202 Detachment Jacksonville, Fla., unbolts the windshield from a Cougar H 6x6 mine-resistant, ambush-protected vehicle on Forward Operating Base Salerno, Khost province, Afghanistan, Aug. 11, 2012. The windows periodically need replacing due to fogging between panes or cracks. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

U.S. Navy Construction Mechanic 1st Class William Cook, attached to Provincial Reconstruction Team Khost, from Construction Battalion Maintenance Unit 202 Detachment Jacksonville, Fla., and Brian Coll, a force protection Cougar field service representative, use a forklift to remove the windshield of a Cougar H 6x6 mine-resistant, ambush-protected vehicle for replacement on Forward Operating Base Salerno, Khost province, Afghanistan, Aug. 11, 2012. The windows periodically need replacing due to fogging between panes or cracks. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

U.S. Soldiers, all combat infantryman with 1st Platoon, Delta Company, 1st Battalion (Airborne), 143rd Infantry Regiment, Task Force 4-25, lower a tow-bar to remove it from a mine-resistant, ambush-protected vehicle on Forward Operating Base Salerno, Khost province, Afghanistan, Aug. 10, 2012. U.S. Soldiers perform weekly maintenance on their vehicles to ensure mission readiness. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

U.S. Army Sgt. 1st Class Diana Wellborne, assigned to the 5-19th Agribusiness Development Team, Indiana National Guard, attached to the Provincial Reconstruction Team Khost, Task Force 4-25, prepares a section of dirt for greenhouse training at a high school near the Gorbuz district center, Khost province, Afghanistan, Aug. 13, 2012. Wellborne gave a class to local Future Farmers of Afghanistan on caring for crops in a greenhouse. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

U.S. Army Sgt. 1st Class Diana Wellborne, assigned to the 5-19th Agribusiness Development Team, Indiana National Guard, attached to the Provincial Reconstruction Team Khost, Task Force 4-25, discusses the difference between treated and untreated seeds at a high school near the Gorbuz District Center, Khost province, Afghanistan, Aug. 13, 2012. Wellborne gave a class to local Future Farmers of Afghanistan on caring for crops in a greenhouse. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

U.S. Army Sgt. 1st Class Diana Wellborne, assigned to the 5-19th Agribusiness Development Team, Indiana National Guard, attached to the Provincial Reconstruction Team Khost, Task Force 4-25, shows students how to properly cover seeds at a high school near the Gorbuz District Center, Khost province, Afghanistan, Aug. 13, 2012. Wellborne gave a class to local Future Farmers of Afghanistan on caring for crops in a greenhouse. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

U.S. Soldiers with 1st Platoon, Delta Company, 1st Battalion (Airborne), 143rd Infantry Regiment, Task Force, 4-25, set up security for a meeting in the United Nations Assistance Mission in Afghanistan (UNAMA) compound, Khost province, Afghanistan, Aug. 14, 2012. Provincial Reconstruction Team Khost, UNAMA and local officials conducted the regularly scheduled meeting to exchange information on governance and development initiatives in Khost. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

The Khost district governor describes a dam project that he would like Provincial Reconstruction Team (PRT) Khost to help with during a meeting in the governor's office at the Gorbuz District Center, Khost province, Afghanistan, Aug. 13, 2012. The meeting was to discuss possible PRT Khost assistance to upcoming projects. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

Ernest Herzig, right, speaks during a meeting between Provincial Reconstruction Team Khost, local officials and United Nations Assistance Mission in Afghanistan (UNAMA) members at the UNAMA compound, Khost province, Afghanistan, Aug. 14, 2012. The regularly scheduled meeting was conducted to exchange information on governance and development initiatives in Khost. (U.S. Army photo by Sgt. Kimberly Trumbull/Released)

Afghan shopkeepers rummage through what is left of their businesses after a vehicle-borne improvised explosive device damaged the bazaar days earlier at Forward Operating Base Shank Aug. 15, 2012, in Logar province, Afghanistan. The VBIED caused the deaths of many Afghans. (U.S. Army photo by Spc. Alexandra Campo/Released)

An Afghan shopkeeper looks through the debris of what is left of his business after a vehicle-borne improvised explosive device damaged the bazaar days earlier on Forward Operating Base Shank Aug. 15, 2012, in Logar province, Afghanistan. The VBIED caused the deaths of several Afghans. (U.S. Army photo by Spc. Alexandra Campo/Released)

Local Afghan shopkeepers rummage through what is left of their business after a vehicle-borne improvised explosive device damaged the bazaar days earlier at Forward Operating Base Shank, Logar province, Afghanistan, Aug. 15, 2012. The Afghans have a two day period to collect what they can before the rubble is bulldozed. (U.S. Army photo by Spc. Alexandra Campo/Released)

Local Afghan shopkeepers rest after searching through the rubble for anything salvageable after a vehicle-borne improvised explosive device destroyed the bazaar days earlier at Forward Operating Base Shank, Logar province, Afghanistan, Aug. 15, 2012. The Afghans have a two day period to collect what they can before the rubble is bulldozed. (U.S. Army photo by Spc. Alexandra Campo/Released)

A local afghan shopkeeper poses for a photo in a meeting on Forward Operating Base Shank on Aug. 15, 2012 in Logar province, Afghanistan.

The meeting was assembled to discuss the matters of the workers affected by a vehicle-borne improvised explosive device that ravaged a bazaar days earlier. (U.S. Army photo by Spc. Alexandra Campo/Released)

A local Afghan shopkeeper affected by a vehicle-borne improvised explosive device that occurred earlier that week attends a meeting on Forward Operating Base Shank, Logar province, Afghanistan, Aug. 15, 2012. The meeting covered topics such as the financial future of those who lost their entire businesses due to the VBIED. (U.S. Army photo by Spc. Alexandra Campo/Released)

U.S. Army Sgt. 1st Class Norman Mayers discusses financial matters to local Afghan shopkeepers affected by a vehicle-borne improvised explosive device that occurred earlier that week on Forward Operating Base Shank Aug. 15, 2012, in Logar province, Afghanistan. The VBIED destroyed entire businesses and left many unemployed. (U.S. Army photo by Spc. Alexandra Campo/Released)

A clerk checks the visitor badges of Afghan shopkeepers at a meeting on Forward Operating Base Shank Aug. 15, 2012, in Logar province, Afghanistan. The visitor badges are mandatory for entry into FOB Shank. (U.S. Army photo by Spc. Alexandra Campo/Released)

Local afghan shopkeepers smile at a meeting to discuss their financial future on Forward Operating Base Shank Aug. 15, 2012, in Logar province, Afghanistan. The meeting took place after a vehicle-borne improvised explosive device destroyed businesses and took several lives. (U.S. Army photo by Spc. Alexandra Campo/Released)

U.S. Army Sgt. 1st Class Norman Mayers consoles a local Afghan shopkeeper affected by a vehicle-borne improvised explosive device that occurred earlier that week at a meeting on Forward Operating Base Shank Aug. 15, 2012, in Logar province, Afghanistan. The VBIED destroyed entire businesses and caused the deaths of several Afghans. (U.S. Army photo by Spc. Alexandra Campo/Released)
