The Soldiers of the Wyoming Army National Guard's 133rd Engineer Company conducted mobilization training exercises at Camp Shelby Joint Forces Training Center May 7, in preparation for their deployment in support of overseas contingency operations.

At left, Sgt. Bill Spaulding, foreground, and Spc. Luke Frauendienst react to simulated indirect fire as they provide security for an entry control point during mobilization training at CSJFTC.

Above, Entry Control Point NCO-in-Charge Sgt. Shawn Kautsch, right, calls in a medevac request for two simulated casualties as part of a casualty evacuation scenario during mobilization training at CSJFTC. At right, Kautsch, right, conducts an After Action Review with the Soldiers of his entry control point.
