

FRONT & CENTER

A celebration of service....

I recently had the honor, along with Congressman Steven Palazzo (R-Miss. District 4), to celebrate the service of Cpl. Maybert Weir Titus Polk, a 90-year-old World War II veteran who served as a member of the Women's Army Corp from 1943-1945.

All veterans are unique in their service and it is always a special time to pay tribute to those who paved the way for future successes of our service men and women today.

Cpl. Polk did just that. Her strength and character assisted in the evolution of change in our military armed forces and her contributions helped to open doors of opportunity for women

in the military.

Thank you, Cpl. Polk, for your service and dedication to the continuing efforts of our men and women in uniform.

Team, we continue the task of preparing service members for their mobilization missions as we welcome the 1/294th Infantry Battalion, Guam Army National Guard; the 3/116th Field Artillery Battalion, Florida Army National Guard; 222nd Military Police Company, New York Army National Guard; 1/214th Infantry Battalion, Georgia Army National Guard and the 1/214th Field Artillery Battalion, Georgia Army National Guard.

This month we welcome home members of the 508th Military

Police Company, New Jersey Army National Guard. Thank you, ladies and gentlemen for your continued support and sacrifice to a grateful nation during your deployment.

These are just a few of the units that will be passing through our gates as they train and prepare for their upcoming missions supporting Overseas Contingency Operations.

During the month of March, we are observing Women's History Month with the theme, "Women Inspiring Innovation Through Imagination: Celebrating Women in Science, Technology, Engineering and Mathematics." A special observance hosted by the 158th Infantry Brigade and the 177th

Armored Brigade will be held at 11 a.m. today at the Post Theater.

As we embark on new challenges and opportunities, always remember safety and mission preparedness. It is important to keep an emergency kit available at home for the unexpected inclement weather that can present itself rapidly in the Pine Belt. Always ensure you have your team's alert roster readily available at work and at home in the event of an emergency.

Thanks team, for your continued hard work and steadfast attitude for success. God Bless you, your Families and the United States of America!

SOLDIERS FIRST!

Col. Brad Smith
