

Ticket Sale Aim Set for One Per Man To Reap \$\$ Returns for Navy Relief

The ticket goal for the Windward Navy Relief Rodeo is one ticket to every Marine and Navy man here at Kaneohe Bay, it was announced this week by Lt. Col. F. C. Dodson, ticket committee head. With the Navy Relief Society's Kaneohe branch dispensing aid to K-Bay based personnel at the rate of \$5,000 a month, if every person stationed here buys a ticket the contribution would amount to only about 20 per cent of the local branch's outlay.

Cost of the tickets is very nominal. Adults are \$.90; children five through 12, \$.50; and children four and under will be admitted free. In addition to contributing to the benefit of Navy Relief, each ticket holder will receive more than a fair return in three hours of top-brand rodeo action.

Tickets have been distributed to units throughout the Air Station and the 1st Marine Brigade.

Cowboys on Oahu, both local and imported, are starting to bring their Stetsons and Levis out of mothballs for the forthcoming giant rodeo here. The event—one of the biggest this side of Texas—will be held Saturday and Sunday, May 31 and June 1st at the Truan Arena on the Air Station.

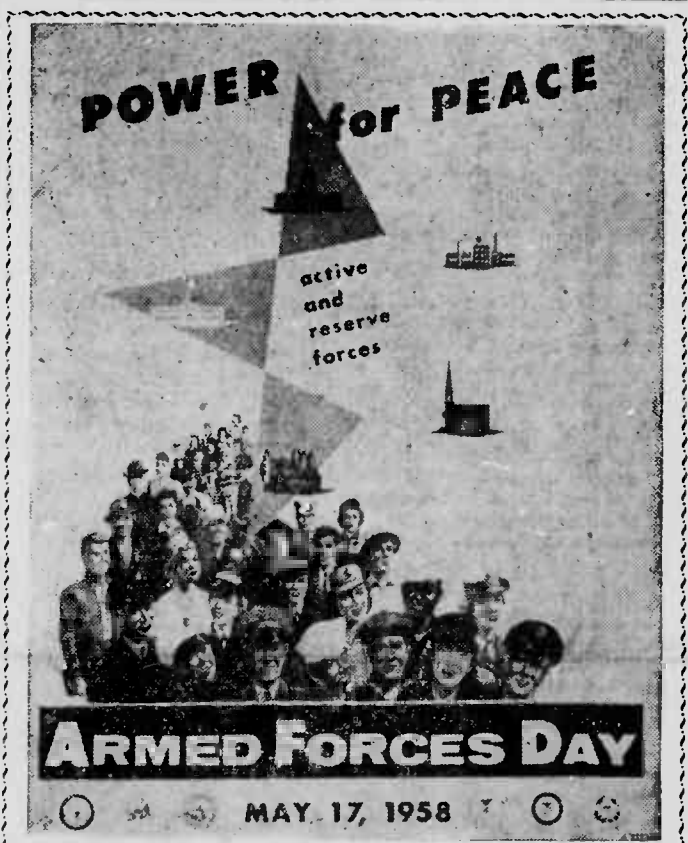

Officially labeled the "Windward Navy Relief Rodeo," the affair is open to the public. All proceeds will go to the Navy Relief Society, an organization which aids Marines, Navy personnel and their families in time of need.

The public is invited to join the Marines for the weekend of western fun. Tickets are already on sale at Special Services Offices at Pearl Harbor, Barber's Point Naval Air

Station, as well as the Kaneohe Marine Corps Air Station.

Marine officials promise three hours of fast-paced action for the spectators. The committees have lined up an array of cowboy talent and rodeo stock to guarantee a top show. The carnival midway will feature games and rides for the small fry, along with clowns and Indians. The latter will be complete with feathers, tomahawk and peace pipe.

Anyone wishing to enter the rodeo events, from bronc bustin' to cattle roping, must do so before May 22 when applications will close. Entry forms and information may be obtained by calling TSgt. Pat Donohue See **RODEO P-4**

NAVY RELIEF SOCIETY OPENS DIRECT CONTRIBUTION DRIVE

The direct contribution fund drive for the Navy Relief Society officially kicked-off here yesterday, according to Division Chairman Lt. Col. R. F. Garraty Jr., MCAS legal officer.

Goal for the drive, including direct contributions from the 1st Marine Brigade and MCAS military personnel, is \$15,000.

The direct contribution drive will be conducted using the keyman system of solicitation. Each keyman will contact approximately 25 potential

contributors seeking a donation.

To fulfill the goal requires a minimum contribution of \$1.50 per man progressing to \$3 in the higher ranks and grades. The usual type of envelopes will be used.

Lt. Col. Garraty emphasized that this is an opportunity for each individual to personally and directly support the Navy Relief Society. The Windward Navy Relief Rodeo is a separate part of the current fund drive.

During the past year the Navy Relief Society loaned more than \$4,500,000 to over 74,000 Marines and Navy personnel and has given over \$710,000 in grants and gifts to some 11,159 men.

Grants, given in unusual emergency conditions, cover a wide range of activities typical of which is financial assistance to Marine or Navy families who lose all their possessions in fires.

Although the Navy Relief Society reaches into every corner of the globe and into almost every Navy and Marine Corps base, there are only 112 paid full time workers in the organization.

Workers are, for the most part, women dependents of military men. Over 3,600 serve in various capacities, donating their time, which in turn, saves funds for future use by the Society.

The current drive ends June 6.

Bar Further Sales Of Car Insurance 'On Base' Coverage

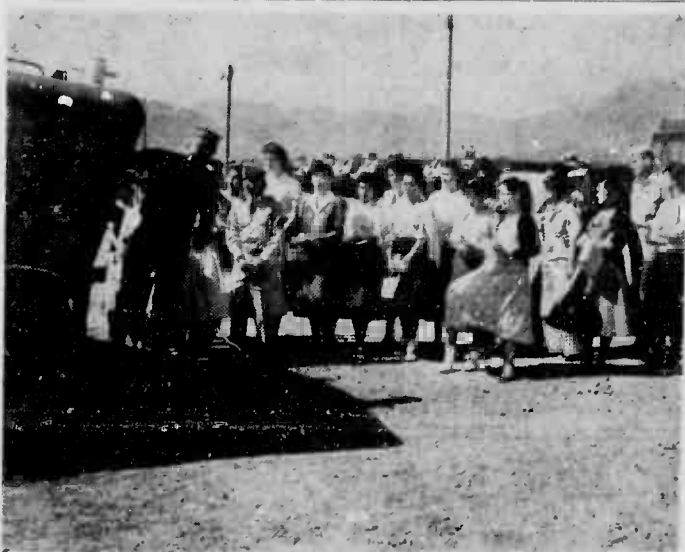

It was announced by the Territory of Hawaii Insurance Bureau that, after May 1, 1958, the sale of "on base" insurance will no longer be authorized. "On base" insurance is that type which covers vehicles only while they are in the confines of a military base.

Individuals who have "on base" insurance that was in force before May 1 may keep such policies until the expiration date. Upon expiration they are to be changed to "full coverage."

Full coverage is defined as insurance which covers the vehicle on both a military installation and on public highways with a minimum coverage of \$5,000 - \$10,000 public liability and \$5,000 property damage.

Anyone with an insurance policy should make a check to be sure that they have the minimum coverage.

All vehicle owners should change to "full coverage" as soon as possible and in no case later than May 1, 1959.

EMBRYO JOURNALISTS—A group of 23 Oahu high school newspaper editors were guests of the 1st Marine Brigade and the Air Station Tuesday. The visitors to Kaneohe were part of 125 editors who visited island military installations as a preliminary to Armed Forces Day, May 17. The junior editors are shown taking notes on the LVT-5 of "A" Co., 1st Amphibian Tractor Bn. In addition, the journalists visited airfield operations, VMA-212, HMR-161, had lunch at Mess Hall One and visited Kansas Tower.—PHOTO BY SGT. A. J. WALSTEN.

1st Brigade Units Set to March In Armed Forces Day Parade

The most powerful peacetime military force in the history of the United States will parade its formidable weapons for millions of free world citizens during the week of May 10 to 18. With the singular purpose of displaying the nation's "Power for Peace," Armed Forces Day observances on ships and bases will be open to the public in hundreds of U.S. communities and more than 70 countries where American servicemen are stationed. Major Oahu activity will be concentrated in the

begin at 9 a.m. on Armed Forces Day. Lt. Col. Milton A. Hull, commanding officer of the 3rd Bn., 4th Marines and commanding officer of Marine troops for the parade, will lead his battalion, a battery of 105mm towed howitzers and a battery of 4.2 mortars mounted in trailers from the 3rd Bn., 12 Marines, in the colorful march. A platoon of Women Marines from Camp Smith is also included in the regular contingent.

The 1st Marine Brigade Band and Drum and Bugle team is also slated to take part in the parade which ends at Ala Moana Park.

In the park, the Brigade will have

an extensive static display portraying a simulated air-ground assault. Although confined to a concentrated area, the static display will attempt to give the public a "birds-eye" view of the many types of equipment and the manner in which both equipment and man-power is used in the Marine Corps air-ground team.

Plans include the display of an FJ-4 Fury jet, an Ontos, an LVT and a helicopter among many other items generally associated with a static display.

Pilots, operators, gun-crewmembers and infantrymen will be on hand to explain the use of equipment and their particular roll in the amphibious assault.

MAY 19-21 SET AS 'ORI' DATE FOR STATION

The Operational Readiness Inspection (ORI) of the Marine Corps Air Station, slated for May 21, is to be headed by Rear Adm. B. E. Moore, commander, Naval Air Bases, 14th Naval District.

All station operated activities will be closed with five exceptions. They are: (1) messhalls; (2) dispensary, which will be staffed for medical and dental emergencies only; (3) concessions of the Marine Exchange; (4) Officer's Mess (closed); and (5) Post Office. Activities not listed will remain closed until 11 a.m. on Wednesday, May 21.

In preparation for the ORI there was a Command Post Exercise (CPX) beginning at 8 a.m., May 8.

This was for the training of personnel assigned to command centers and ground defense organizations.

Also in preparation for the ORI, all military members of passive defense teams will assemble at their respective meeting places on May 14 at 8 a.m. All team members will be notified of their meeting place by their respective units.

Prior to the ORI, on Monday and Tuesday, the Station will receive its annual administrative and materiel inspection by the same inspecting group.

Stray Dog Drive Starts Tomorrow

Tomorrow will mark the start of an intensive drive aimed at ridding K-Bay of all stray dogs.

The station Conservation and Game Control Officer will be in charge of the "round-up." He will be assisted by Deputy Game Wardens, Military Police and the Hawaiian Humane Society.

All dog owners are warned that they are to keep their dogs under physical restraint any time that the animal is out-of-doors during the period of the drive, May 10-16.

Baited traps will be placed about the station to obtain the necessary results. Only authorized personnel will tamper with, or touch these traps in any manner.

Persons sighting stray dogs may call the Cpl. of the Guard, telephone 72073 to have the canines picked up.

All privileges concerning pet dogs are waived during the period of the drive. The Provost Marshal may turn any stray dog over to the Humane Society as he deems necessary.

Further information may be gained from Station Bulletin 5800.

Washington, D.C. Contract Closing Next Step for Capehart Units Here

Construction of the 650 unit Capehart housing project here near Ulupau Head will progress this month with the closing of contracts in Washington, D. C., and the opening of bids at the 14th Naval District for related "off-site" projects.

The Barry Richards Construction Co. of Studio City, Calif. has been awarded the contract now in final negotiation. The total bid was \$9,160,085 which included six additive items as well as the basic bid.

Attorney Roger Peed will represent the Richards Construction Co. in contract closing proceedings slated for May 20-22 in Washington.

On May 28, bids for "off site" construction of the electrical distribution system, water supply system, access road and storm drainage for the new housing area will be opened at the 14th Naval District.

Construction equipment and supplies could begin moving into the

area early next month. Public Works construction spokesmen here at Kaneohe and at the 14th Naval District view a September opening of first units as most optimistic.

A.R.C. Fund Drive Final Totals Stated

The final report of the 1958 American National Red Cross Fund campaign conducted at MCAS has been completed.

1st Marine Brigade, FMF personnel contributed \$1,616.00 and MCAS personnel, military and civilians, donated \$492.00.

Leo P. Henning, Red Cross Field Director at the station, wishes on behalf of the National Organization and the Red Cross here at MCAS to sincerely thank the military and civilian personnel who contributed during the recent fund campaign.

GOT A PROBLEM?

Free legal assistance is available to servicemen at every military base in the world. According to military regulation, a qualified legal officer is always ready and willing to advise you.

All too often a person with a legal puzzle will try to solve it with bit or miss information from random sources. The complexities of the law (which mystify servicemen and civilian alike) can't be clarified by one or a battery of amateur, or "guardhouse," barristers. This kind of person merely confuses the issue, despite a surface air of assuredness.

Important documents, such as wills, power of attorney, or affidavits can best be drawn up by competent lawyers.

Before you seek help elsewhere, ignore your legal problems or take doubtful action, check with your legal officer. He knows his stuff and you can't beat the fee. (AFPS)

Backing Is a Major Driving Hazard

In one of our Fourteenth Naval District activities in one year, 55 per cent of the total number of accidents were backing mishaps; in another activity the percentage was 43.5.

Backing accidents are of primary concern to transportation activities all over the nation. In our district (according to the District Legal Office) backing accidents constitute one of the principal sources of property damage claims against the Navy.

We drivers can do much to reduce this problem—if we keep in mind two basic rules:

(1) Look first: And continue to look until stopped. We can't back safely any other way.

(2) Be careful! A wise driver takes every precaution.

These two rules should do the trick, but if a driver is really conscientious, here is a better plan: If it can possibly be avoided, **DON'T BACK!**

TRUE VALUE

A local sage recently remarked, "I would rather have the moon to myself than half of the sun." Perhaps in a moment given to romance on a balmy evening, a person might be entranced with the view of a moon-lit landscape and be moved to agree quite willingly with this statement. Yet, deeper reflection prompts a reminder that the moon, actually, is a lifeless body, an after-glow... a giant reflector of the energizing rays of the sun. Such a choice, then, would indicate a rather false sense of values.

As decisive creatures we are compelled to make decisions every day. Many of these decisions are not really important while others are apt to change the entire course of our lives. But one thing we may be certain of: these decisions are closely governed by our sense of values.

What prompts a man to read trashy magazines when good books are readily available? Why does a man think that obscene and profane words flavor his language when common sense and decency tell him there is a much superior way to speak? Why do lonely men seek a friend in the bottom of the bottle instead of with one another and with God?

The answers which we give to these questions reveal much about our thoughts, desires, and goals in life. Indeed, these answers are a mirror for the things which we value most in life. The Holy Scriptures admonish us to "Seek... first the Kingdom of God and His righteousness." This advice is enjoined with the promise that "all other things shall be added unto us."

NCO Wives Club

The monthly tour for the Staff NCO Wives for May should be an exciting and interesting outing. Plans have been made for a sight-seeing tour of the shores of Waikiki Beach on a catamaran ride. The ride lasts approximately one hour. Special rates have been offered to our club if we can procure enough interested persons. Instead of the usual \$4.50 per person charge, our price will be \$2.00.

The group will meet at the Hawaiian Village on Friday, May 23, at 10:30 a.m. This tour is open to all Staff NCO Wives and their guests. You need not be a member of the Staff NCO Wives Club to attend. Reservations will be taken through May 16. For additional information about this and to make reservations call Mrs. George Economy, phone 255-857; or Mrs. Jerome C. Foley, phone 264-143.

Twenty-five Staff NCO Wives attended the second league bowling luncheon this past week at the Willows. Trophies were awarded to the winning team composed of Mrs. Charles O. Saunders, Mrs. Elmer Arnold, Mrs. Frederick Catching, and Mrs. John Woods. Mrs. Robert C. Clapsaddle, Mrs. John Searcy, Mrs. Robert Denson, Mrs. R. K. Jones were awarded trophies for the second place team.

Highest individual series award went to Mrs. Michael Coretti; highest individual game to Mrs. E. T. Kelman; highest average to Mrs. P. O. Saunders; most improved to Mrs. Daniel Fraser. Last place team was presented with certificates and badges. The old executive board turned over their books to newly elected officers: President, Mrs. E. T. Kelman; Vice President, Mrs. Elmer Arnold; Secretary, Mrs. Lee Baronet; Treasurer, Mrs. George Economy; Sgt. of Arms, Mrs. Ervin Chelsey.

The Inquiring Photographer

By SGT. SAM ZAGARELLA

With the introduction of the "Inquiring Photographer" column the first question asked was, "What do you think of the duty here and why?"

SGT. NICK DE SOCIO, H&MS-13, MAG-13—! think that liberty is a big point as to whether a duty can be classified as good or bad. Here it is too expensive for me so I'm not entirely satisfied. As far as the duty itself goes I don't think it's bad at all.

CPL. CARL THORSNESS, VMA—212—I just plain don't like it here. The duty is fair and so is the liberty but I still don't like it. I can't give a definite reason but I just don't like it. I know of no other way to express myself. That is the simplest way possible.

POC. J. R. WOLLERY, MCAS, Hq. & Hq. Sq. Office—I've been here since September, 1957 and I think the duty is fair and the liberty isn't too bad either but I still want to return to the States as soon as possible. I don't have any specific reason for wanting to return, I just want to go back.

MISS JUDY DE MELLO, Exchange Employee—I've been here for over 18 years and I'm not the least bit tired of the place! The people are congenial and quite easy to get along with. I'd like a transfer to the Mainland just to see what it is like. (I may have a biased opinion because I was born here.)

1st LT. MILTON G. THOMPSON, Assistant Exchange Officer—I haven't been here very long but so far I am enjoying my tour. I like my job which keeps me busy and to me that is a very important point: enjoying your job, that is. I'm married and my wife and I find the Islands very interesting with a multitude of things to see and do. This, I might add, is one of the better air stations I've been at.

SGT. AL KALUA, Disbursing Office—I'm from Nuuanu and being stationed here places me in my back yard so to speak. No one can complain about a situation like that. I've been here over a year and it is only logical that I'll never ask for a transfer.

MarCor Officer Requests Sought For Supply Duty

WASHINGTON, D. C.—Applications are being sought from permanently commissioned unrestricted officers desiring designation as Supply Duty Officers, Headquarters Marine Corps announced recently.

Permanent unrestricted captains, majors and lieutenant colonels whose numbers in grade fall in the following zones will be eligible for selection: Lieutenant Colonel, junior to 582, including all Majors on the promotion list, Major, junior to 1002 and senior to 1802, and Captain, those on Fiscal Year 1958 promotion list junior to 419 and senior to 613, and those junior to 1177, including all Lieutenants on the promotion list. (All references to lineal position are as of the January, 1957 list.)

The selection board will convene at Headquarters Marine Corps about June 10, 1958.

Temporary commissioned officers with permanent status as chief warrant officer, warrant officer or enlisted are not eligible.

All applications must reach the Commandant of the Marine Corps (Code DF) by June 1, 1958. Applications received after that date will be considered by the board scheduled to convene in December, 1958.

Bar Insurance Sales By Service Personnel

Military or civilian personnel employed by the Department of the Navy are reminded of the danger involved in receiving pay or gifts of any nature from a commercial insurance agent.

It is illegal for an agent to offer, or personnel to accept, any gift to facilitate an insurance transaction. Rebates, or elimination of full competition will not be permitted.

Military personnel on active duty are prohibited from representing any insurance company for solicitation and sale of commercial life insurance on any installation with or without compensation.

Further information is contained in Station Bulletin 1741.

THREE CANNONEERS FINISH OFF DUTY STUDY COURSES

Three men of the 3rd Battalion, 12th Marines have completed off duty education courses this week.

LT. GEN. MEGEE IS SPEAKER AT NCO CLASS EXERCISES

Lt. Gen. Vernon E. Megee, commanding general of Fleet Marine Force, Pacific, was the guest speaker at graduation ceremonies of the 1st Marine Brigade NCO School here last Friday.

Top honors in the 26-man class went to Sgt. Robert A. Wiseman, 1st Land Supt Co., Serv. Bn., while second and third standings went to Sgt. Bobbie Johnson, Hq. Co., 4th Marines, and Cpl. James Pappas, VMA-214, MAG-13, respectively.

Sgt. Wiseman was also awarded the American Legion Leadership Award. Lt. Cdr. H. George Abbas, USN (Ret.), past senior vice commander, American Legion, Dept. of Hawaii, made the presentation. He also presented the Legion's Meritorious Service Award to the NCO School faculty.

In his speech, Gen. Megee congratulated the students for having successfully completed the course and told them to put into effect what they had learned upon returning to their units.

MAJ. GEN. McALISTER SLATED TO ARRIVE AT FMFPAC MAY 15

Maj. Gen. Francis M. McAlister, veteran of the Korean fighting and seven World War II campaigns, is scheduled to arrive on Oahu aboard the USS Gaffey on May 15 to assume his new post as Deputy Commander, Fleet Marine Force, Pacific. His position will place him as Deputy Commander of the 65,000 Marines

as Chief of Staff, Fleet Marine Force, Pacific. Born in 1905 in Houck, Ariz., he attended Mississippi State College, then entered the U.S. Naval Academy at Annapolis, Md., before being commissioned a Marine second lieutenant in June, 1927. He was promoted to his present rank in January, 1956.

His last assignment was as Assistant Chief of Staff, G-4, (Logistics) at Headquarters Marine Corps in Washington, D. C. Gen. McAlister is married to the former Miss Bernice Wilkins of Portsmouth, Va.

He was awarded a Gold Star in lieu of his third Legion of Merit with Combat "V" for outstanding services as Assistant Chief of Staff, G-4, from September to November, 1950.

During World War II, he was awarded the Bronze Star Medal during the Okinawa campaign. He commanded the Marine Barracks at the Naval Ammunition Depot, Oahu, during the Japanese attack on Pearl Harbor. He also served at Pearl Har-

to the NCOs," the general said. "You can't teach a man how to drill, shoot or improve his personal appearance, unless you are better than he is in these respects."

Gen. Megee also pointed out that NCO Schools came in to being shortly after World War II when it was ascertained that many noncommissioned officers lacked experience. The schools, through academic and field courses, helped fill this void. In posts and stations throughout the Corps, the NCO Schools have proven their value, the general concluded.

Capt. Jack F. Ingalls, director of Brigade Schools, noted that this graduating class was the only one that finished with all the originally enrolled students.

KANEOHE OUTDOOR CIRCLE PLANS FLOWER FETE MAY 24

The Kaneohe Outdoor Circle will stage an International Flower Fete on Saturday, May 24 from 2 to 8:30 p.m. at the Benjamin Parker School.

Proceeds from the colorful event will be used to beautify and maintain planting in the Kaneohe area. Tickets are on sale through members and some commercial establishments.

Believe Range Record Set By Third Bn., 12th Marines

By TSGT. JOHN McCONNELL

"Record Day" at the Kaneohe Bay rifle range was just that last Friday when 3rd Bn., 12th Marines, fired the "A" course with the M-1 and ended with a 96.2 per cent requalification total.

1st Lt. William N. Frengel, OIC of the rifle range noted it was the highest percentage of requalification for a battalion since he took charge of the range a year ago. He further stated that available records indicate it to be the top record since the Marines began running the rifle range.

A total of 236 3rd Bn. personnel fired the course Friday. In this group were 40 experts, 95 sharpshooters and 92 marksmen. Only nine members failed to break the 190 qualification mark.

It was an especially happy day

for Capt. Charles B. Sturgell, CO of "G" Btry. He was high shooter with the .45 pistol in the battalion while Pfc George Knorr, a radio man in the captain's battery, walked off with top honors in the M-1 shooting.

Capt. Sturgell fired a 360 with the pistol while Pfc Knorr hit the 30-caliber targets for high score of 233.

Two senior NCOs of Hdq. Bty. captured second place honors in both the rifle and pistol firing. MSgt. S. H. Bailey, trailed Capt. Sturgell on the pistol course with a 359, while TSGT. D. R. Bettis missed tieing Pfc Knorr's score by only two points. Bettis' M-1 total was 231.

Here's how Capt. got that 360 on his .45 scorebook: 25 yd. (slow), 88; 25 yd. (timed), 83; 15 yd. (rapid), 89 and 25 yd. (quick), 100.

Pfc Knorr's M-1 score added up as follows: 200 yd. (slow), 45; 200 yd. (rapid), 50; 300 yd. (slow), 45; 300 yd. (rapid), 49, and 500 yd. (slow), 44.

PFC E. BOUTIN LAUDED BY CO

Private First Class Edward D. Boutin was named MACS-2, MAG-13, "Marine of the Month" for April. He received a meritorious mast last Friday in the office of Maj. E. E. Bagnall, squadron commander.

Nominated by his department head, the GCI squadron heavy equipment operator was cited for his initiative and outstanding performance of duties. The nomination also noted his willingness to improve his proficiency through off-duty hours of study.

The citation stated . . . "during the past six weeks Boutin was cited twice for his outstanding work. Once by Station and once by the 7th Engineers." While on temporary duty with the Air Station, the MACS-2 Leatherneck received a meritorious mast before Col. J. R. Cram, MCAS commanding officer.

Brigade and Station members interested in fulfilling these invitations may contact Chaplain D. A. Sharp at 72006 or 73189 for details.

A massed military band concert is scheduled for 7:30 p.m., May 15, at the Walkiki Band Shell. A part of Armed Forces Week, the concert is free of charge. The 1st Marine Brigade Band is scheduled to take part.

Other plans include a civilian-military all-star baseball game at Honolulu Stadium at 8 p.m. on May 16 and a special dance at Ft. DeRussy for enlisted men on the same evening.

Hardware Hawaii in the Kailua shopping center will carry a Brigade display consisting of aviator and infantryman mannequins wearing typical flight and combat clothing. Related equipment and aircraft models will complete the window display.

Holiday Observance For Memorial Day

Memorial Day, Friday, May 30, will be observed as a National Holiday here, according to Station Bulletin 5330.

At 12 p.m., May 30 a 21 gun salute will be fired.

Due to the holiday routine the deadline for all Windward Marine news copy has been moved up to 12 noon Tuesday, May 27. Contributors please note.

ingly approved, carried FY 1959 costs of 683 million dollars. The DOD revisions scaled the House rates downward in most officer and enlisted grades, bringing the total to about \$512 million.

The Senate raised the figure again to \$577 million, by modest changes in the pay schedules and by introducing a new provision—a "responsibility" incentive for officers estimated to cost \$12 million the first year.

Passed in unanimous action by the Senate April 29 on a roll call vote of 87-0, the legislation is in conference between the two Armed Services groups to work out a final compromise.

It is expected that the basic scales decided in conference may come even closer to the House version of the measure. There is a possibility, however, that incentive pay for officers could be dropped from a compromise bill.

The Stennis group has recommended that "responsibility" pay be \$50 a month for grades O-3 and O-4; \$100 for O-5 and \$150 for O-6.

The number to receive this differential, based on the importance of duty assignments, would be 10 per cent in O-4, O-5 and O-6, and five per cent in O-3.

No change was made in the DOD schedule for the lowest four enlisted ranks, but the Senate did increase rates as little as one dollar in grades E-5, E-6 and E-7, leaving E-8 and E-9 unchanged.

While these differences are relatively minor, both houses of Congress must be in accord. Once they are resolved in conference session, floor re-votes on the bill are formalities which take only minutes. Legislation could be ready for White House approval at an early date.

The Senate did not strike out the House provision that the new pay rates would become effective on the first day of the month after passage of the measure. Thus, if the President receives the legislation before May 20 it would mean a raise for military personnel on June 1—unless Mr. Eisenhower vetoes the bill, which is not likely.

In any event, he must act one way or another within 10 days or the legislation automatically becomes law. (APPS)

MOKAPU SCHOOL GALA MAY DAY FESTIVITIES ENTERTAIN BOTH MALIHINIS AND KAMAAINAS

BY SGT. JIM WOOTEN

Last Thursday marked a day familiar to most K-Bayites, particularly to the students of Mokapu school. Mainlanders and newcomers to Hawaii (malihinis) call May 1st "May Day" while kamaainas (old timers) say "Lei Day." Honoring an enchanting Hawaiian custom of hospitality, Lei Day officially got underway here at 10 a.m. in colorful ceremonies at Mokapu school lanai.

Over 500 parents, attired in lei-decked muumuu, holokus, aloha shirts and tropical worsted Marine uniforms, watched the coronation of pretty Jane Wellman. The sixth grader reigned as "Lei Day" Queen during local festivities.

Col. Jack R. Cram, MCAS commanding officer, placed a crown of fragrant flowers upon Queen Jane's head to highlight the event.

In the tradition of old Hawaii, the students featured the "Hookupu," a ceremony of gift-giving. Princesses of the eight islands in the scenic mid-Pacific chain presented their queen with best products from their lands.

Sara Sharp, Princess of Hawaii, opened the Hookupu by presenting a lei made from the brilliant red Lehua, a tuft of delicate, feathery stamens. One island superstition is that when one picks the lehua, the gods are angered and rain will come. The "Big Isle" offered their queen the Waipio taro from which the Hawaiian staff of life (poi) is made.

The Princess of Maui, Marty McGraw, gave the Alii or royalty a pink rose lei. Called the lokelani by Hawaiians, the pink rose symbolizes the "Rose of Heaven." Although it is not native to the Isle the rose was so popular it became the flower of Hawaii. Natives of the "Valley Isle" presented another food staple, the coconut.

From the "Gathering Place," Princess Leidi Hanson of Oahu offered the Alii a priceless lei of orange ilimas. Seldom seen, the soft ilima blossoms are difficult to collect since hundreds of flowers are necessary to make the lei. Oahu gave one of her leading products, the sugar cane.

Attired in purple and grey holokus, Kathy Gleason and Jane Plekutowski, princesses from Kauai and Niihau, presented leis made of moki-hana berries, which resemble a string of beads, and pupu (small like seashore animals) shells. Kauai and her neighbor, Niihau, brought bananas and the delicious breadfruit, Ulu.

Presenting a white flowery lei, interlaced with silvery green leaves of the Kukui tree, Princess Janet Haviland of the "Friendly Isle," Molokai, also offered her queen a calabash of choicest papayas.

Patricia Cochran, princess from Lanai, gave one of Hawaii's most famous fruits, the Pineapple, along with orange-yellowish colored leis made from the Kaunoa plant.

Offering the ali'i or royalty a grey colored Hinahina vine lei, petit Princess Nella Manuwai of Kahoolawe

closed the Hookupu ceremony with her gift of sweet, rip Guavas (fruit).

In honoring the newly crowned Lei Day queen, each class presented dances from all corners of the globe. The program noted the cosmopolitan way of life and hospitable spirit of the islands.

The kindergarten class presented the "Singing Bamboo" featuring Keiki-kanes (boys) on rhythm instruments and keiki-wahines (girls) dancing the hula.

From Switzerland came a popular routine offered by Mokapu fifth graders called the "Weggis Dance."

Combining all phases of American dance, the first grade students rendered a rhythmic, bouncy number named the "Hokey Pokey."

The third grade class presented a well-known German folk dance from the opera, "Hansel and Gretel."

Second graders brought memories to many Leathernecks who served in the Far East with the famed Japanese Coal Miner's Dance "Tanko Bushi."

Sixth grade pupils featured the square dance and fourth graders, the "Patti Cake" polka from Poland. Lei Day spirit prevailed throughout K-Bay as many local military personnel and dependents followed the Hawaiian custom of Lei-wearing on civilian attire.

RODEO

(ext. 73192) or Mrs. Ann Clark at Wheeler Air Force Base (ext. 7315). A meeting of all rodeo contestants will be held at 8 p.m., May 22, at Bloch Arena near the Pearl Harbor Main Gate. Rodeo contestants may be either civilian or military personnel.

A highlight of the rodeo will be the judging of pretty wahines who will compete for the title of "Rodeo Queen." The candidates will ride in the grand entry slated for 1 p.m., both Saturday and Sunday. Judging will take place on the first day with crowning ceremonies on the Sunday agenda.

The committee is still seeking members of the fair sex, between the ages of 14 and 30, having some western-type ability for entries in the contest. The competition is open to all young ladies, married or single, military dependents and civilians alike.

Primary requisite for contestants in the "Rodeo Queen" competition will be horsemanship. It is preferred that entrants have their own horses.

The contestants not having their own mounts, will be allowed to use one from the MCAS Stables, provided a waiver is signed. Interested young ladies should call or write the MCAS Informational Services Office (ext. 72535) for additional information.

THE HOKEY POKEY DANCE, a contortionist nightmare of arm-flinging, leg-kicking, body twisting movements, is performed in Hawaiian dress with a touch of the mainland's western style by six-year-olds in the first grade of Mokapu School. Five other classes entertained some 500 receptive parents and spectators with dances from Hawaii, Switzerland, Germany, Poland and Japan.—PHOTO BY SGT. BRUCE HAMPER.

Civil Service News

LIFE INSURANCE BENEFICIARY
The U. S. Civil Service Commission has made an important revision to Section 37.10(f) of the Federal Employees' Life Insurance Regulations, effective March 15, 1958. Employees retiring on or after that date, or employees entitled to free insurance coverage while in receipt of employees' compensation need not file a new designation of benefici-

ary with the Civil Service Commission. Under the former regulation an employee's designation of beneficiary was automatically cancelled under either of the above conditions. The revised regulation provides for the automatic cancellation of a designation only on the following conditions: (1) on the day the employee transfers to another agency,

or (2) 31 days after the employee ceases to be insured.

However, this revision does not deny the employees' right to change or cancel his designation whenever he so desires.

NO HELP!

Occasionally one still hears the unfounded comment that political considerations play a large part in the appointment of applicants to Federal positions. This is hardly possible with over 86 per cent of all Federal jobs under the Civil Service merit system and the majority of the remaining positions under merit systems of their own. This political neutrality of the merit system has never been more strongly emphasized than it was by Theodore Roosevelt while serving as Civil Service Commissioner.

In an exchange of letters with the political supporter of an applicant for Federal employment, Commissioner Roosevelt advised that she was seeking a position for which she had placed relatively low on the register and suggested that she apply for a position more suitable to her qualifications. Several years later, in what possibly was a final reply to the applicant, Theodore Roosevelt spoke directly to the issue of political intervention when he wrote: "I wish I could hold out more hope of appointment for you. But the facts are that in Washington they appoint by preference people of high-grade, technical qualifications. No political influence will help you in the least. Not both your Senators and all your Representatives in Congress together could avail to have you certified from our registers. Pray let me know if there is any further information you desire. Faithfully yours, (s) THEODORE ROOSEVELT."

The above letter and others are contained in a booklet titled "Letters of Theodore Roosevelt" published by the U. S. Civil Service Commission in commemoration of the 75th Anniversary of the Civil Service Act of 1883.

ANGELA MITCHELL HAS 11 LB. 4 OZ. GIRL

The BIG news in the Public Works Department last week was the arrival of a 11 lb. 4 oz. girl, born to Mrs. Angela Mitchell at Queen's Hospital on April 30. The baby's name is Lauren Ann Mitchell, and she has a brother, Stephen, age 4. Congratulations to the Mitchells!

Also in Public Works, it's good to see Andrew Stanley's smiling face again. He's back to work this week, after a two week illness at home. And Doris Faust is recuperating at home after a return visit to the hospital.

In Supply, the "Welcome Back" mat was out for Mrs. Cecilia Koster, who reported back from maternity leave on Monday, bright and cheery with a new hair-do and the chemise look.

Cecilia Hasegawa personnel clerk in the Industrial Relations Department, left by plane last Friday night for a month's emergency leave in Seattle, Wash. "Cissy" has returned to be with her mother, who is undergoing a serious operation.

NOTE TO SUPERVISORS

Do you POP other people's ideas? When one of your employees is describing an idea to you, are you trying to think up things wrong with it, even while he's still talking? If so, it's quite probable that you're helping stifle ideas in your shop or office and therefore impeding progress.

Or do your employees preface explanations of new ideas with such apologies as, "Now I know this sounds silly" . . . If so, the climate is not right for developing improvement ideas in your areas. A man should not feel that he must apologize for any ideas, regardless of how silly it might sound at first.

Supervisors, stop a moment, ask yourself—"How DO I react, when suggestions come in? Do I have a negative attitude which tends to squelch ideas—some of which could mean important improvements?"

GI Home Loan Law Changes Benefit World War II and Korean Veterans

Veterans of World War II and the Korean conflict should find it easier to buy GI homes because of a recent law which brought about several important changes in the GI loan program.

George W. Bicknell, manager of the Veterans Administration regional office in Honolulu, today listed some of the changes as:

- (1) Extension of the application deadline for World War II veterans to July 25, 1960;
- (2) Abolishment of the 2 per cent down payment requirement;
- (3) An increase in the interest rate on new GI loans to 4.75 per cent from 4.50 per cent;
- (4) Elimination of controls on discounts charged home builders or sellers in obtaining GI construction financing.

Mr. Bicknell said that the old interest rate, coupled with discount controls, had caused GI loan activity to slow to a trickle, since lenders could obtain higher interest returns on other investments.

But, he added, the recent changes should make GI loans considerably more attractive to investors. VA offices on the mainland are already reporting increases in loan guaranty activities because of the new law.

The interest rate increase, Mr. Bicknell said, does not affect GI loans which were already made or for which VA had issued a commitment of guaranty to a lender before April 1, 1958.

Although Veterans Administration no longer requires a down payment in the purchase of a GI home, lend-

ers may require that a veteran make a down payment as a condition to getting a GI home loan.

Closing expenses involved in GI home loans must be paid in cash by the veteran at the time of closing the loan, whether or not any additional down payment is required. These costs cannot be included in the loan itself, Mr. Bicknell added.

The new law gives World War II veterans two more years—until July 25, 1960—to apply for GI loans under the Veterans Administration guaranty program.

Mr. Bicknell explained the July 25, 1960, deadline for guaranteed loans means that VA must receive the lender's loan guaranty application by that date.

VA has up to one year after July 25, 1960, for processing GI loan applications received before that date, he said.

The 1960 deadline does not apply to VA-guaranteed loans to Korean conflict veterans, who have until January 31, 1965 to use that benefit, Mr. Bicknell pointed out.

Formal Dedication Ceremonies Set For MCAAS, Beaufort, S.C., June 4

Formal ceremonies will mark dedication of the Beaufort, S.C., Marine Corps Auxiliary Air Station on June 4, Headquarters Marine Corps announced recently.

Congressman L. Mendel Rivers, First Congressional District of South Carolina, will be the principal speaker, and Commandant of the Marine Corps, General Randolph McC. Pate, and other high-ranking Marine and Navy officers will participate.

As a Naval Air Station during World War II, the Beaufort station was home port for Navy coastal and over-water patrol activities. It was deactivated in 1946.

Development of the station as a major satellite of the Marine Corps Air Base at Cherry Point, N. C., began in 1956. Construction of hangars, extension of runways, and an 1100-unit Capehart family housing project are still in progress.

Colonel H. C. Freuler is commanding officer of the 4876-acre station which is currently home for Marine Aircraft Group 32, commanded by Colonel H. M. Elwood. This unit moved to Beaufort from Cherry Point last year. Marine fighter squadrons 122, 312, and 235 now constitute the group, while Marine fighter squadron 333 will move to Beaufort from the Marine Corps Air Station in Miami during June. These squadrons fly the F8U Crusader and FJ3 Fury jet aircraft. Marine Air Control Squadron 8, now based at Miami,

will report to Beaufort in August. The Beaufort station is near the Marine Corps Recruit Depot, at Parris Island, S. C.

Naval Base Police Stage Benefit Ball

The civilian Pearl Harbor Naval Base Police are holding a Benefit Ball at the American Chinese Club, 2333 Kapiolani Blvd., on May 23, it was announced this week.

Dancing from 8 p.m. to 1 a.m. will be interrupted at 10 p.m. for a one hour floor show that will feature both island and stateside entertainers.

Tickets at \$1.10 each are available in the Industrial Relations Office here at K-Bay MCAS, Bldg. 267. All Marines and civilian employees are welcome, according to Mr. Bill Turner.

All proceeds from the Ball will be provided the Naval Base Police Department Benefit Fund.

MOKAPU OPEN HOUSE, PTA MEETING, MAY 22

Mokapu Elementary School will hold open house at 7 p.m., Thursday, May 22. The regular business meeting of the Mokapu PTA will begin at 8 p.m.

Mr. Nolan Kramer will install new PTA officers. A guest speaker is expected.

NO HIT HURLER — Reid Carlock, pitcher for the Brigade Giants Little League baseball team, demonstrates the delivery which he used in setting down MCAS Flyer stickmen without a hit as he hurled his team to a 7-0 victory last week.

Carlock No Hitter Holds Spotlight In Little League Baseball Action

K-Bay Little League baseball play maintained its fast pace last week with Ray Shivehood of the 4th Marine Dragons blasting two home runs and Reid Carlock of the Brigade Giants hurling a superlative no-hitter against the MCAS Flyers, to highlight the action.

In the most recent game, played Wednesday, the MAG-13 Skyraiders defeated the MCAS Flyers by a 7-2 count with Robert Hohl the winning pitcher.

Carlock's no-hitter was the high point of Saturday's games as he struck out seven and walked only three in leading his Giant team to a 7-0 win over the Flyers. No batter got past second base during Carlock's stint on the mound.

In the second game the league-leading 4th Marine Dragons whipped the MAG-13 Skyraiders by a decisive 12-1 margin. Ray Shivehood and Fred McKonly homered for the Dragons and Mike Young hurled the victory.

Fred McKonly pitched the Dragons to a 7-4 conquest of the Flyers

last Thursday as Ray Shivehood homered again.

On Thursday, April 24, the 4th Marines Dragons received their first setback of the season, at the hands of the 1st Marine Brigade Giants and Reid Carlock. The final score read 8-7 in favor of the Giants.

Rod Nicol of the Dragons was touched for nine safeties by the Giants big sticks, one of which was a home run by Carlock. Nicol was the third man to face Carlock in the first inning and he belted his second home run of the season to give his team an early lead.

In the bottom of the third the Giants came alive and went ahead by a 3-1 count. The Dragons came back in the top of the fourth with six more runs but the Giants kept pounding away and scored in every inning to push ahead to their winning margin.

Lynn Farley was the big hero in the bottom of the sixth when he brought Carlock around with a booming double, to score the winning run.

The loss left the Dragons with a 7-1 slate, still atop the circuit.

On Tuesday, April 29, the Giants won their second straight with a 2-1 conquest of the MAG-13 Skyraiders. The winning pitcher was Gerry Cody.

The game went eight innings for the longest tilt of the season. First blood was drawn by the Skyraiders as they tallied in the first.

Rebounding in the bottom of the third, Reid Carlock scored on a long three-bagger by Lynn Farley. Gerry Cody scored the winning run in the bottom of the eighth on Tyler Crew's base knock.

The 4th Marine Dragons are still holding on to a good lead in league play with a 9-1 record, two full games up on the second place Brigade Giants. Far back in third spot is the MAG-13 Skyraiders, sporting a won lost record of 3-8, with the fourth place MCAS Flyers close behind at 2-9.

TSGT. RILEY NEAL, MCAS, WINS PACIFIC RIFLE SHOOT

Firing competitively for the first time in nine years TSGT. Riley B. Neal of Hq&HqSq, MCAS, K-Bay, broke the course record of 571 by one point and copped first place in the 2nd Pacific Area Marine Division Rifle match held this week.

He topped 159 other shooters in winning his first major marksmanship award with scores of 287 and 285 in compiling his 572 aggregate.

It was also learned at press time that TSGT. Guy C. Graves, Hq. Co., 1st Marine Brigade, won first Silver badge in the rifle competition. Gold, silver and bronze badges are awarded annually to the non-distinguished competitors making the highest scores.

Softballers Score Over Hickam AFB In Interservice Tilt

The varsity softballers won their third ball game of the young season last Friday when they downed Hickam AFB by 4-0.

Collecting only three hits but aided by the poor fielding of opposing glovemen and their own heads-up base running, the Necks forged to the easy victory.

Catcher, 2nd Lt. Jack Lennon had two of the three hits. One was a bases empty home run in the sixth inning. Pfc Ernie Banks connected for the other Neck safety.

Hickam was held to two hits and only one man managed to reach third base. The winning pitcher was 1st Lt. Dave Kline.

In a close game Monday night between ServPac's All Navy Champs and the Marines, at Pollock Field, Stan Sparks bested Pfc Tex Hinojosa in a pitchers duel as the sailors downed the Leathernecks 2-0.

Tex hurled a three hitter but couldn't quite match Sparks who set down the Marine stickmen with only one hit.

Catcher Jack Lennon lashed a clean single off one of Spark's fast ball serves in the second for the only hit.

ServPac scored all their runs in a first inning outburst, on three hits and two Marine errors.

Hinojosa and his mates then settled down to business, with the Marine pitcher fanning fourteen and not issuing a single hit the rest of the route.

Sparks struck out 16 Marines.

PISTOL TOURNAMENT SLATED MAY 24

Registration will begin at 7:30 a.m. and the first match will begin at 8 a.m.

Duliba Hurls 4 to 1 Victory Over Asahis In HMBL Game

Fast-balling right hander, Cpl. Bob Duliba of the Hawaii Marine baseball team tossed a five hitter at the favored Asahis and struck out nine batters to lead the Necks to a 4-1 victory in an HMBL game at the Honolulu Stadium last Sunday afternoon.

Duliba blazed his fast one across the plate with huge success in the first seven innings and had a shut out until an error, a hit and a fielder's choice gave the Asahis their only tally in the eighth.

Pfc. Jim Smith, hard-hitting Leatherneck second baseman, and the only returnee from last year's championship Marine squad, banged a two run homer in the fifth and an inside-the-park, circuit clout in the ninth.

The Marines were the only Service team to win in HMBL play as the civilian teams ran rampant over their opposition.

In the league opener for the Marines at K-Bay's Riseley field on Saturday afternoon, they bowed to the Braves by a score of 4 to 3. A Schofield based soldier, Dean Bushaw, handled the mound chores for the Braves, scattering seven hits, two of which were home runs.

The Braves played errorless ball afield and got to Leatherneck hurlers Bob Blaylock and HN2 Bob Randolph for ten hits. They scored all their runs in the first frame.

Bushaw gave up a homer to Marine belter, 2nd Lt. Don Furth in the second inning and then pitched shutout ball till the bottom of the ninth when the Marines struck

Hawaii Marine Track Team Wins Fifth Straight at Schofield Invitational Meet

The Hawaii Marine track and field squad racked up its fifth triumph in as many starts last Saturday at Schofield's Stoneman field, scoring an 81 point total to easily make off with the Schofield Invitational team title as runner-up Army, the host team, tallied only 45½ points. Third in the team battle was the Uni-

versity of Hawaii with 27, followed by Hickam AFB with 15, the Honolulu Spikesters with 10 and the Church College of Hawaii with 7½.

Pfc Joe Hendrix was the only double winner for the Necks as he took top spot in the running broad jump with a 22 foot 1 inch effort and first in the hop-step-jump with a distance of 43 feet ½ inch. These efforts are outstanding for the Stoneman field sanddust pits which are not the best around locally.

Taking the lead in the last 440 yards of the two mile run, Pfc Charles Newton of the Marines opened up his long stride and moved easily ahead of Hickam's Skutka, who had led up to that point, for a pull-away thirty yard victory in the stretch. His time was 10 min. 24.4 seconds. Pfc. Oscar Keller of the Marine's took third place, wearing only one shoe as he had lost the other during the race.

Pfc Willie Brown continued his winning ways in the 440 yard run as he led all the way for a five yard victory in 50.2 seconds. Cpl. Don Cherry of the Marines dogged Brown's footsteps most of the way but faltered slightly in the stretch and was nipped at the tape for second place by Jim Sanders of the University.

Hawaii Marine track coach, 1st Lt. Vince Jazwinski, led the Necks on as well as off the field, winning the javelin throw with a heave of 199 feet 5 inches for the best effort in the Islands thus far this season. Cpl. Dave Welant of the Marines placed third in the event.

Pfc Eddie Parker of the Marines won the 200 yard dash in 22.8 seconds, followed by teammates, Pfc's Leroy Daris and Dave Graham in second and fourth place respectively. Parker suffered his first sprint loss

of the season in the open century as Bertel Borris of the host team broke fast and held the lead all the way to win in 10 seconds flat.

The Marine high hurdle duet of Pfc's Harold Collins and Harold McCoy copped second and third in the 120 yard event behind Hickam's Lucius Cotton who broke the meet mark by three tenths of a second. His winning time was 15.3 seconds.

Cpl. Ralph Abrego scored two second place finishes. He ran a close race with Cotton in the 220 yard low hurdles, losing by two yards as the Flyer posted a 25.7 clocking, then leaped 5 foot 10 inches easily in the high jump to cop second place. The Marine almost cleared six feet but brushed the bar with his dragging leg and it wobbled off the standards.

Cpls. Harold Devestern and Charles Johnson copped second and third in the one mile run behind Harold Cole of the University of Hawaii who won in 4:35.5.

Runner-up slots were captured by 1st Lt. Robert Cook in the 16 pound shot and Pfc Jere Cochran in the discus.

Cpl. Howard Branson placed third for the Necks in the half mile run.

The Marines one mile relay team of Cpl. Don Cherry, Cpl. Carl Hudson, Pvt. Jerry Harris and Pfc Willie Brown won their event with a clocking of 3:24 seconds.

Next outing for the undefeated Leathernecks is the Hawaii Interservice championship which will be held this afternoon at the University of Hawaii's Cooke Field at 2 p.m.

Mittmen Win Five Oahu Prison Tiffs

Journeying to the Oahu Prison last Wednesday evening, the Hawaii Marine boxing squad participated in a prison smoker and won five bouts while losing only one. Inmates of the prison, one Army fighter from Schofield's 25th Division team and the Marines, made up the entire card.

Pfc Carl Jordan, All Marine runner-up in the flyweight class, decked Stanley Gonsalves twice in the first stanza and staggered his opponent throughout the battle to gain a unanimous decision. It was the first victory of the night for the Necks.

Pfc Glenn Nakai of the Leathernecks made it two straight in the fourth bout on the card, at 130 pounds with a knock-out win over Solomon Chock. The ending came at one minute and thirty seconds of the second round.

The Marines were credited with their third win in the very next encounter as Pfc Jessie Rodriguez uncorked a lethal left hook which sent Layne Utaga down for the count after one minute and ten seconds of the first round.

Army slugger Willie Jones who lost to Marine Percy Price in the 1958 Hawaii Inter-Service heavy-weight clash, won by a knockout over Reid Leota in a tussle at 180 pounds.

Cpl. Richard Ford scored a split decision win over Wally Kuewa in a 168 pound bout for the fourth Marine win of the night.

Pfc Raymond Cyrus of the Necks scored the final victory of the evening for the K-Bay stalwarts when he staggered Larry Sadaba throughout their 139 pound test to take a unanimous decision.

Pfc Pierre Austin lost a unanimous decision to Stanley Santos in a 150 pound fight.

Baseball Players!

Word has been received that men with professional baseball experience have arrived in Hawaii with the latest draft. Anyone with such experience or a comparable background, interested in playing for the Hawaii Marines, is requested to contact Lt. Col. K. Spuhler, Force Special Services officer ext: 39-433.

Mihalke Winner In Singles Game Of B-S Handball

Results have been received on the Brigade-Station handball tournament conducted here at MCAS, Kaneohe Bay last week.

First place in the singles competition went to 2nd Lt. J. M. Mihalke of the MAG-13 Champions. Another performer from the Champions, Capt. William Wamel, garnered the runner-up place behind him, and third place went to Maj. W. T. Walker of Service Bn.

Maj. Jay Lembeck and 1st Lt. Paul Wilson of 1st Bn., 4th Marines, teamed up to win the doubles competition over Cpl. R. Morales and SSgt. R. Contraras of the MAG-13 Champions.

Flag Football Closes Season

Two Brigade flag football games were played last week, closing out the season. The pennant had already been wrapped up by H&S Co., 2nd Bn., 4th Marines.

Charlie Co., 3rd Motor Transport Bn. beat "H" Battery, 3rd Bn., 12th Marines by a 26-17 margin after leading 13-0 at the half. Pfc Glen Cope threw frequently into the end zone for the scores and also set up long gains with accurate flat passes. The game was a re-play, slated after a protest lodged following an earlier clash which "H" Battery had won.

"E" Co., 2nd Bn., 4th Marines trounced "M" Co., 3rd Bn., 4th Marines in the other game by a score of 40-13. Half time tally was very close with the winners holding a one point advantage at 14-13.

BRIGADE LEVEL SOCCER PLAY SLATED FOR MAY 14 KICK-OFF

Brigade level intramural Soccer is slated to begin on May 14. The league will be composed of the best company, battery and squadron teams within the Brigade and the league winner will be named 1st Marine Brigade Soccer Champion. Winning unit will receive an addition of \$100 to its recreational fund.

Organizational commanders may enter as many unit teams as desired, however as a general rule the following numbers should not be exceeded: 4th Marines, 3; MAG-13, 2; 3rd Bn., 12th Marines, 2; Service Bn., 2; and Brigade Headquarters Co., 1.

The teams entered must remain intact from company, battery or squadron competitions and will not be a composite of the best players in the parent command. A unit team may carry an unlimited number of players.

Winner of a game receives 10 points, tie game nets 5 points for each team, loser of a game receives no points and loser by forfeit receives a minus 5 points.

Two playing fields will be used, field No. 1 north of Bldg. 262, and field No. 2 just north of the Enlisted swimming pool.

Protests resulting from disagreement with an official's decision involving his judgement will not be considered. Only protests involving eligibility of players, errors in scoring, illegal equipment and errors based on incorrect interpretation of rules will be acted upon.

An official protest, to have standing, must be made orally on the spot to the referee and the coach of the opposing team, and will be formally filed in writing by the unit commanding officer, via the chain of command to the Commanding General. Such written protests must be submitted not later than two working days after the completion of the game under protest.

A team will lose by forfeit if it is not on the field and ready to play within fifteen minutes of scheduled game time.

The game will be played in 48 minutes of clock-running time with 1 minute intermissions between the quarters to change goals and a 10 minute period between halves.

Periods may be shortened in any emergency by agreement of the field captains or by order of the referee, provided it is done before a half begins and so that all remaining periods are of the same length.

Time out occurs and the clock will be stopped when a goal is

scored, a substitute is beckoned, a penalty kick is declared, time for a quarter expires or the referee ordered it stopped for a serious injury.

Jerseys of opposing teams must be of contrasting colors with the uniform of a goalie distinctly different from the uniform of his team and opponents.

Illegal equipment, dangerous or confusing in the opinion of the referee, is prohibited. Also banned: (1) Projecting metal or other hard plates or projections on clothes or person, (2) Knee-guards or head guards made of sole even though covered with soft padding, (3) Shin guards which have exposed sharp edges or projections, (4) Shoe cleats or bars which are more than 1/2-inch high or less than 1/4 inch wide at the narrowest part or are made of any material or plastic which may tend to chip or develop a cutting edge or which do not have an effective locking device to prevent exposure of metal posts, or bars which are in transverse.

PENALTY: For illegal equipment—Suspend until corrected.

By TSGT. R. J. LAURIE

Last week this reporter gave out only partially correct information. The elections scheduled, have already been held. The reason for the nominations and elections at the same meeting was due to the large turnout of members and also due to the transfer to the mainland of our vice president, Cpl. Seiple, prior to the expiration date of his term of office.

The newly elected officers are: Cpl. Johnnie Patiela, president; Lt. Skehan, vice president; Mrs. Blalack, secretary; and SSgt. Walter, master-at-arms.

Next week at the regular meeting we are going to have Mr. Cross, a lecturer, writer and diver from the Mainland, who is going to show us movies and tell us of his adventures.

This meeting should be a good one and all members are requested to be present.

LEAGUE LEADERS—Members of the 3rd Bn., 4th Marines' intramural softball squad which is presently leading the Brigade-Station league with an unblemished 6-0 slate are, left to right front row, Sgt. Willie Williams, Pfc Paul Price, Pfc Thomas Milsap, Pfc Cereda Wooten, Cpl. Sotero Tapia, 2nd Lt. Lowell Hummel, coach, Pfc Ralph Wilson, Pfc Eugene Mandzig, Pfc David Trimble, and Pfc Joe Slaughter. Left to right in the back row are, Pfc Lloyd Trotter, Pfc Bobby Reese, Cpl. Bob Murray, gear manager, Sgt. John Norris, Lt. Col. M. A. Hull, battalion commander, Pfc Robert Jones, Cpl. Nelson Armstrong, Pfc Sam McEachern and Pfc John Richey.

MCAS WHIPS ALL STARS 21-11 IN HIGHEST SOFTBALL CLASH

Battered and bruised by the power-houses of the Brigade Station softball league throughout first round play, a fired up MCAS aggregation erupted suddenly last Tuesday night and scored a total of 21 runs to clobber the MAG-13 All Stars who ran up an 11 run tally.

Each team scored two runs in the first inning. The MCAS team took a two run lead at 6-4 in the second as the Stars could only manage to put together a string of two. The winners scored twice in the fourth frame and nine times in the fifth to run up an insurmountable lead. Cpl. Paul Hadley's grand slam home run featured the high scoring fifth. MCAS added four more runs in the seventh to cap the win.

The Stars had 11 runs on 4 hits and eight errors while the MCAS team had 21 runs on 10 hits and four miscues.

1st Bn., 4th Marines whipped the Cannoneers of 3rd Bn., 12th Marines by a score of 6-4 in another game last week. The winners pushed across four tallies in the first and two in the second to account for all of their runs while the Cannoneers scored three in the third and one in the fifth.

Sgt. John Carney was the winning pitcher and limited the Cannoneers to four hits. His mates furnished five hits in the winning attack.

1st Bn., 4th also downed the MAG-13 Champions in a tilt last Friday, by a 4-3 margin. Striking

fast again, the winners tallied three times in the top of the first and added the winning run in the top of the seventh after the Champs knotted the count in the bottom of the sixth.

Serv Bn., behind the two hit hurling of Sgt. Jim Brown, defeated the MAG-13 All Stars 9-0 last Tuesday.

The winners scored three runs in the second, one in the fourth and five in the sixth. They had five hits in the game.

Brown struck out fourteen batters to continue his high output of whiffed stickmen.

In a tilt with MCAS last Wednesday afternoon, Brown hurled his Service Bn. team to victory with a relief stint that stopped MCAS cold. He came on in the second inning after the station nine had pushed across three scores and shut them out the rest of the way, striking out nine batters.

The Service Bn. offense tied the score on single runs in the first second and fourth frames and then exploded for four in the sixth to push ahead to the final tally of 7-3.

The Cannoneers of 3rd Bn., 12th Marines fought 2nd Bn., 4th Marines to a ten inning deadlock which will be rescheduled at a later date. The score read four apiece when the game was finally called.

3rd Bn., 4th Marines has won the first round of the double round robin circuit and stands alone atop the heap with an unblemished 6-0 slate.

Swimmers First In Triangular Meet at K-Bay

Displaying marked improvement over previous showings, the Hawaii Marine swimming and diving team scored a total of 173 points to win the informal triangular meet held at K-Bay's Enlisted Pool last Friday afternoon with Hickam AFB and Army's 25th Division from Schofield.

Standouts in the meet were Pfc Roger Schildroth who took first in the 100 meter backstroke and first in the 200 meter individual medley; Pfc Errol Helenihl, first in the 100 meter freestyle; Cpl. Kieth Renner, first in the 200 meter backstroke; Cpl. Charles Dreyer, first in the 400 meter freestyle and both of the relays, 200 meter medley and 400 meter freestyle, which turned in fast clockings.

Trials for the Hawaiian Outdoor AAU Swimming and Diving Championship were slated to begin yesterday and run through Saturday at Farrington High School. Finals are scheduled for Farrington on May 15, 16, and 17.

14th Naval District Schedules High Power Rifle-Pistol Shoots

Word has been received from the Commandant, 14th Naval District, that high power NRA approved rifle and pistol tournaments will be held for members of the Armed Forces on active duty, their reserve components, National Guard, retired military personnel, members of law enforcement agencies and civilians who are members in good standing of an NRA affiliated club.

Rifle competition will be held at the Puuloa Point rifle range, Ewa Beach, and pistol tournaments at the Hawaii National Guard pistol range, Diamond Head crater, Ft. Ruger.

Dates of the competition will be announced in the future.

An entry fee of \$1.50 per rifleman and \$3.00 per pistol shooter will be charged to help defray the cost of awards. The fee may be paid by the Special Services organization to which the individual shooter is attached, or by the individual himself. Payment can be made to the Command Recreation Fund, Commandant 14th ND, prior to the date of the match or at the Statistical Office at the range on the date of the match.

Competitors who do not hold a current NRA Outdoor Pistol Classification will compete in the unclassified category until after firing 90

rounds. Those receiving an unclassified award may not fire in subsequent tourney as an unclassified competitor regardless of the number of rounds fired.

NRA rules will also apply in the rifle shooting with an unclassified shooter competing in the expert class until classified after firing 50 rounds.

The rifle tourney will consist of once over the National Match Course including 20 rounds slow fire at 600 yards. Individual and team awards will be made for the same firing. Team captains will submit team member names before the match starts and will name alternates in case of rifle failure. The match will be in three relays and all hands will have turns at pulling butts and scoring. Only the M1 rifle and service issue ammunition may be used.

Pistol competition will be conducted in the .22 caliber National Match Course, Centerfire National Match Course, .45 Caliber National Match Course, Aggregate of Matches 1, 2, and 3, and the .45 Caliber National Match Course Team Match.

Further information on the matches may be obtained by calling the 14th Naval District Small Arms Instructor at 56195 or 56109.

HIGH SHOOTERS—Capt. Charles B. Sturgell, left, commanding officer of "G" Battery, 3rd Bn., 12th Marines, compares notes with Pfc George Knorr, a radioman in his command, after the two copped high shooter honors in annual rifle and pistol requalifications at the MCAS range last week. Capt. Sturgell posted a 360 score with the .45 cal. pistol while Knorr fired 233 with the M1 rifle. The Cannoneer battalion qualified a phenomenal 96.2 per cent to establish a new MCAS range record.—PHOTO BY SGT. BRUCE HAMPER.

Going Places

Theater Schedule

By SGT. SAM ZAGARELLA

Two shows daily—6:05 p.m. and 8:20 p.m. at both Main Theater and 4th Marines. Movies at 4th Marines Theater are one day later than scheduled below. Matinees on Saturdays, Sundays and holidays at the Main Theater at 1 p.m. only.

TONIGHT

GUNSIGHT RIDGE—Joel McCrea portrays a special agent in the Arizona territory investigating a wave of holdups. He finally catches up with the community's arch rogue. After becoming a hero he takes the sheriff's badge and his daughter.

SATURDAY MATINEE

LAST OF THE BAD MEN (It's about time) — This one is real wierd. A gang of robbers who take on partners and then kill them for the ransom money. (Cute trick eh?) George Montgomery is the hero with other unknowns aiding him through the rough spots. A detective agency foils the scheme, by the way.

A special feature after the matinee will be the showing of the Hula Bowi game at 2:45 p.m. 1st Lt. Vincent Jazwinski will narrate the film.

SATURDAY

GIRL IN BLACK STOCKINGS—A mystery—a spine tingling, blood chilling mystery. This is a modern type thing that takes place on a western ranch. Involves this lawyer fella who goes to this here resort for a rest and gets involved with this homicidal maniac type fella, who isn't the least bit friendly. Lex Barker, Anne Bancroft and Mamie Van Doren are the leading stars. Keep awake to catch the surprise ending.

SUNDAY MATINEE

SAVAGE FURY—Your guess is as good as mine on this flicker. This could be a jungle epic but then again it could pertain to someone who gets real mad. The stars aren't well known, Dorothy Short, Noah Berry Jr., and Judy McCormack.

SUNDAY

SATCHMO THE GREAT — You know that this is the biography of probably the most famous jazz musician of this era, yea . . . Louis Armstrong—who else? This is a documentary affair of Louis and his band on their widely acclaimed goodwill world tour and his great triumph of New York's Lewisohn Stadium with the Philharmonic Orchestra.

MONDAY

COUNT FIVE AND DIE—Now this is a novel way to end it all. The column should end here also because there isn't a thing to be said about this movie. There have been a number of good reports on it, nevertheless.

TUESDAY

WORLD WAS HIS JURY—This guy must have really fouled up. How did they ever come to a decision is what we'd like to know. Don't know who is starring in it nor what it's about. It does sound interesting though.

WEDNESDAY

TIN STAR—Henry Fonda as an ex-sheriff turned bounty hunter with dead outlaws as his way of life. Being a nice guy way down deep he helps the greenhorn sheriff and "educates" him when the youngster gets into trouble with the town hoodlum. (Howcum we always get the scoop on flickers like this?)

THURSDAY

DINO—Hawlewood soft pedals the story of a juvenile delinquent. Sal Mineo is the "J. D." involved. They show how both his case or social worker and a settlement house girl rehabilitate him.

Staff NCO Club

TONIGHT 4-6 p.m.—Happy Hour; Requests played by "Oliver" on his accordin.

SATURDAY 9 p.m. to 1 a.m.—The "Stardusters."

SUNDAY Swiss Steak, potatoes, mushroom gravy, veg. salad and drink for \$1.30.

MONDAY Bar Open, Dining Room Closed.

TUESDAY Bar Open, Dining Room Closed.

WEDNESDAY B-B-Q Chicken, baked potato, veg. salad, drink, ice cream all for \$1.25. "Penthouse Trio" and floor show, 8:30 p.m.

THURSDAY Movie, "Escape to Burma" with Robert Ryan and Barbara Stanwyck at the Stag Bar; Ballroom Dance Instructions at the main club.

TONIGHT 6:30 p.m.—Hula lessons; Free handwriting analysis by Sarah Wong at 8 p.m.

SATURDAY 8 p.m.—Dance with lovely hostesses to the music of the Saltones.

SUNDAY 6:30 p.m.—Television.

MONDAY Free game night begins at 7:30 p.m.

TUESDAY 7:30 p.m.—Free dance class with professional instructors; Bridge club at 7:30 also.

WEDNESDAY 8 p.m.—Dance to the music of the 25th Division Band.

THURSDAY 8 p.m.—Square dance, Cousin Joe and His Cotton Pickers.

Enlisted Club

TONIGHT 7 p.m.—Movie, "Behave Yourself" with Shelly Winters.

SATURDAY 6-7 p.m.—New York Cut Steak Dinners \$1.25.

SUNDAY 6-7 p.m.—Special Beer Night, 40 cents per quart can.

MONDAY 6-7 p.m.—Special Beer Night, 40 cents per quart can.

TUESDAY 6-7 p.m.—Special Drink Night, 25 cents per shot.

WEDNESDAY 7 p.m.—Movie, "Escape To Burma" with Barbara Stanwyck.

THURSDAY 6-7 p.m.—Special Beer Night, 40 cents per quart can.

THE EMBERS in Waikiki for atmosphere. Paul Martin plays the piano to stage the mood for the "candlelight set."

TAHITIAN LANAI on Ala Moana also proves an interesting place to visit if you are looking for the relaxing and easy going type of liberty. Miss Betty Loo does the serenading on the "88." As versatile and friendly a person will be difficult to find on Oahu.

AQUACADE at the Hawaiian Village Hotel on Friday evening is great as the "little bit different" type of entertainment. Tickets are sold at the gate.

ERNIE FREEMAN will be the next big attraction at the Civic. He is scheduled to raise the roof May 16 and 17.

MERLE TRAVIS who wrote "16 Tons" is slated to do a week of shows at various military installations here on Oahu. It hasn't been published yet whether he will be at K-Bay.

WONDERFUL TOWN at the Ruler Theatre is in its last two weeks. This will be your final chance to see one of the finest musical comedies to hit the Islands. If you do visit, pay close attention to Ann McCormack who is the refreshing star of the show.

BARBER SHOP HARMONY will take over the Kaiser Dome, May 10 at 8:30 p.m. If you enjoy this type of music it will be well worth the \$1.50 entrance tab.

SANDRA BARTON who opened at the Clouds with only a few minutes notice had the crowds in her favor with little effort. She is a singing comedienne and really does her job.

MUSEUM OF ART across from Thomas Square is displaying the Kress collection of Italian Paintings of the Renaissance. NOTE: The "HI-Lo's" are due here shortly for their Island appearance. Watch for their opening.
