VOL. X No. 13 U.S. Marine Corps Air Station, Kaneohe Bay, Hawaii March 31, 1961

Lt. Gen. Shapley

Lt. Gen. Wornham

Relieves Lt. Gen. Wornham

Lt. Gen. Shapley Assigned As FMFPac Commander

Marine Major General Alan Shapley, Commanding General, Marine Corps Base Camp Pendleton Calif., has been named by the President to succeed Lieutenant General Thomas A. Wornham as Commanding General, Fleet Marine Force, Pacific, tomorrow.

General Wornham will retire, effective April 1. General Shapley also has been chosen for promotion to three-star rank which goes with his new post.

Brigadier General Raymond L. Murray, Assistant Commander, Marine Corps Base, Camp Pendleton, relieved General Shapley as commanding general of MCB Camp Pendleton.

In other general officer reassignments, Headquarters Marine Corps announced that Brigadier General Thomas F.

Riley will report to Marine Headquarters. He will be succeeded as Assistant Division Commander of the Third Marine Division in the Far East by Brigadier General Robert E. Cushman, Jr. Colonel Lewis W. Walt, selected for one-star rank, will become Assistant Division Commander of the Second Marine Division, Camp Lejeune, N. C.

General Cushman, now en route to the Far East, was on duty in Washington, D. C. Colonel Walt is currently on the Joint Staff. The reassignments are effective in May.

Off-Reservation Traffic Incidents Show Decrease

According to figures just released by the Commandant, 14th Naval District, traffic violations committed off military reservations by Naval personnel during the month of February showed a decrease.

During the month of February, Marines in the Hawaiian Islands were involved in 89 accidents which was 17 less than for the month of January.

For the month of February Naval Personnel paid \$4,014.00 to the State of Hawaii for traffic violations, Marine Corps Personnel paid \$1,443.00 during the same period.

'Sunrise' Ministers, Soloists Announced

Officiating ministers at the Sunrise Services are: Rev. Rudy Ulrich, 1st Baptist Church, Kailua; the Rev. Richard Peterson, Parker Memorial Methodist Church, Kaneohe; and the Rev. Roy Ishihara, Kailua Christian Church (Congregation).

The Scripture will be read by Col. W. R. Campbell, Station CO, and the Rev. Rhodes B. Martin of the Kailua Community Methodist Church, will give the Benediction.

Soloists include Mr. Edward Roach who formerly sang with the Cincinnati Symphony Orchestra and Mrs. Nancy Burnett, wife of Maj. R. H. Burnett, ExO MABS-13.

Sunrise Rites Set At Pyramid Rock

While the world situation rests in a state of uneasiness this Easter — Protestant worshippers of Windward Oahu will gather together in prayer at traditional Sunrise Services being held at 6:30 a.m. at K-Bay's Pyramid Rock.

Uniquely situated, the location is not far from the site of what used to be a nature heiau on historic Mokapu peninsula. Three crosses have been erected on the site, representing the trio on Calvary 2,000 years ago.

A public-invited observance it is sponsored annually by the Protestant Churches of Windward Oahu and the Protestant Chapel of the Marine Corps Air Station. This year's services will be conducted by ministers of Kailua, Kaneohe and Navy Chaplain P. I. Ota of the Air Station.

Featured as guest speaker is the Rev. Dr. William E. Phifer, minister of the First Presbyterian Church of Honolulu. Dr. Phifer is a graduate of Davidson College in North Carolina and received his seminary degree from Princeton Theological Seminary.

Among his honorary doctorates are a D.D. from Southwestern University, LLD from Missouri Valley College and LittD from Park College.

His writings include extensive contributions to denominational publications and he has written two books for publication, "The Cross and Great Living" and the "Creed of Christendom."

The Pearl Harbor Marine Barracks Band will be on hand to play special music renditions and provide accompaniment for the service.

Military personnel of the Air Station have been urged to attend the Sunrise Services and to invite their civilian friends and neighbors.

The Air Station main gate will be open to the public. Motorists will be directed to the runway parking area by military police-

Dr. William E. Phifer

men and directional signs. From the runway area, shuttle buses will carry them to the worship site near Pyramid Rock and return them to the parking area upon conclusion of the services.

All personnel are warned that smoking is not allowed at anytime in the Pyramid Rock Area. More than 1,200 worshippers attended the Resurrection observance last year.

Easter Services Are Planned For K-Bay Catholics

Catholic Masses on Easter Sunday at St. Michael's Chapel will be at 8, 9:30 and 11 a.m.

Tomorrow night Catholic Marines and their families will also celebrate the Liturgy and Mass of the Easter Vigil at 7 p.m. Confessions will be heard earlier Saturday; from 10 to 11:30 a.m. and from 3 to 4 p.m.

Included in the Liturgy of the Easter Vigil will be Catholic rituals which date back to the early years of the Christian era.

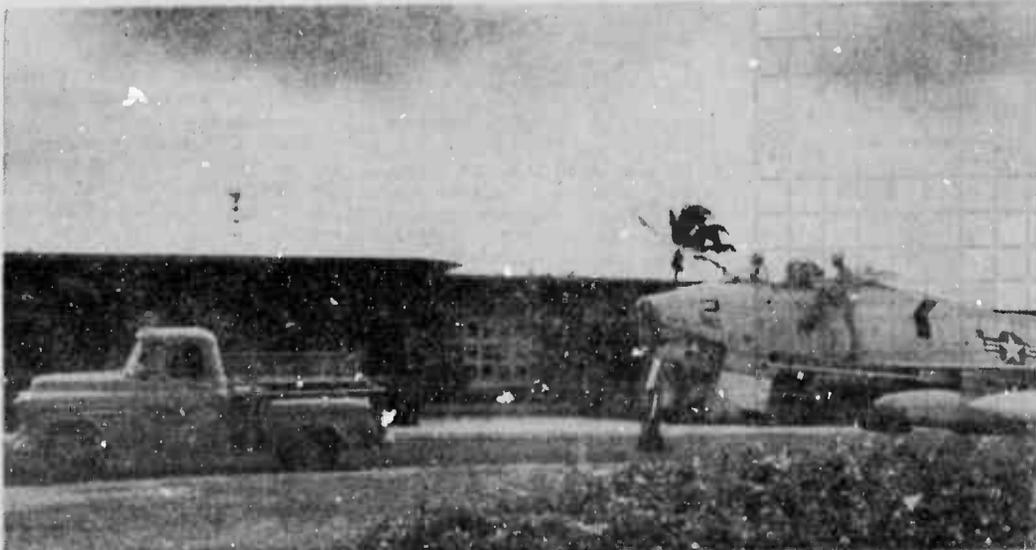

These ceremonials include the Blessing of the New Fire, the Pascal Candle and Baptismal Water by the priest. Climaxing the service will be the renewal of Baptismal promises by the faithful.

Observances Planned For Good Friday

K-Bay personnel and their dependents are reminded that observance of Good Friday will be marked today at both Trinity and St. Michael's Chapels here.

Protestant services will be held at 2 p.m. in Trinity Chapel. Catholic observance at St. Michael's Chapel will consist of the Liturgy at 3 p.m. and Stations of the Cross at 7 p.m.

Good Friday is also a day of fast and abstinence for Catholics.

ILLEGAL PARKING — MP Pvt. Clay McClain writes up a parking ticket on 1st Lt. E. R. Allen, pilot of a jet parked in front of the K-Bay Officers Club. Patrons have complained of the practice of pilots parking their jets in front of the Club. Officials state that there is plenty of room for the aircraft in the Club parking lot. A Provost Marshal Office spokesman said that, beginning tomorrow, all jets found parked in front of the 'O' Club will be impounded. The same spokesman also pointed out that tomorrow, April 1, is April Fools Day. (Photo by LCpl. R. W. Ergen)

POISONINGS THIS WEEK

In an effort to halt the increasing number of home poisonings of children, the WINDWARD MARINE recently, in cooperation with the Station Dispensary, began offering a "box score." In each issue we will report the type, number and total.

This week we report the following:

Poison	Number
Mosquito Repellent	1
Roach Powder	1
Pine Oil Dis.	1
Iosone	1
Total	4

Easter - - Spirit Of Spring

Easter is many things, and all of them are good and welcome. It is the moving story of the Resurrection — in Heywood Brown's words "the story of the fundamental fight between life and death, between hope and despair."

Easter is also the happy time of bunnies and brightly dyed eggs and fashion parades down the nation's avenues when people blossom forth in their new spring finery. Above all, Easter is spring. The season may have officially begun March 21, but it takes Easter to really usher it in.

In winter those of us who live and work in cold climates do a lot of wishful talking about how agreeable it would be to spend the year-round on a tropical island. It might, perhaps, but on that island we'd be missing the seasonal rebirth that is one of nature's great miracles — the greening grass, the budding trees, the spring flowers, the return of the birds, the warming sun in skies of fresh clear blue.

Few of us can be witness to this transformation without feeling an infusion of new vitality, a lifting of spirit that influences everything we do. Tasks that seemed onerous when the snow was coming down and the winds were howling suddenly become less drab and burdensome. Yesterday's chore is today's challenge. You have to be a sourpuss indeed to resist the chemistry of spring's optimism.

The services can benefit from this new drive of energy the season gives us. We can apply it to our jobs, make it productive of a superior performance that will do us credit. It isn't likely to go unnoticed by the people above us. They too feel the springtime tonic. (AFPS)

Chaplain's Corner

THE SIGNIFICANCE OF EASTER

By Chaplain A. R. Anderson

Easter has a far greater relevance than eggs, bunnies, new clothes and the coming of spring. This day of days guarantees to us some of the greatest values of life.

TRIUMPH is its message. As darkness engulfed Golgotha during the crucifixion of Christ, the words of doom and failure appeared to have been spelled out on the superscription affixed to the cross above the head of Jesus. This placard carried the following words in three languages: "This is Jesus the King of the Jews." The Hebrew indicated organized religion had disowned Him; the Greek indicated that world culture had ignored Him; the Latin indicated that human government had murdered Him. That was man's response to God's offer of a King. There hung the King, discredited and destroyed. But, Easter proved otherwise — in this apparent defeat the King won the greatest triumph of all time, a victory that could not have been accomplished by all the armed might of history. Christ was vindicated. Truth had defeated falsehood; life had overcome death; God had vanquished satan. Our bitterest foes lay broken and defeated when the Victor burst the bonds of death.

JOY is its message. The message that Jesus was risen overwhelmed His followers with joy. His Resurrection assures us that tears and sorrow will have their end and that God shall provide a quality of life beyond the destructive reach of this world's sadness, sorrow and despair.

HOPE is its message. Those who put their trust in Christ need have no fear about their destiny. The ages long question of humanity, "If a man die, shall he live again?" was answered by God. The One who overcame death assures us, "Because I live ye shall live also." Because Christ arose we have hope to live, to see and to know beyond the grave.

BEAUTY is its message. Many centuries before Christ's incarnation God promised beauty for ashes. Ashes tell us of hopes that are blasted and values that have been destroyed. Death is the ugliest thing in all the world. But, God offers us the beauty of unfading, unending and unexcelled immortality.

Go to church this Sunday and let Easter bring its supreme message to your heart!

Editorializing At Random — As you may have gathered from a story elsewhere in today's WINDWARD MARINE, the Red Cross needs help. Last year more than \$3,000 was collected. As it now stands, K-Bay will be lucky to garner \$2,500. We realize that money is pretty "light" these days but consider, for a moment, the good that the Red Cross does each year. If every K-Bay Marine had contributed one buck, this outfit would garner nearly \$10,000. How about a hand, people?

Well-Publicized Outfit — JO1 Joe Goode, Pacific Missile Range journalist, reports that more than 1800 school children have become better acquainted with the space-age thanks to two movies his outfit has been showing at various schools. Joe says that "Man In Space" and "Eyes in Outer Space" are highly popular with the school-age set.

Speaking Of Fluffs — Seems one of our reporters got a little carried away last week and, in the Page Three story dealing with 27 Hawaiian Marines seeing the Mainland for the first time, listed Sgt. Frank R. Detzer as one of the group. Seems Detzer just can't possibly qualify as being Hawaiian. He was born in Germany!

Proof Positive — Speaking of pictures, the Page One shot last week of Gysgt. Jack Sheehan showing what was left of the newly arrived E-6 list nearly caused a few heart attacks. More than one "hopeful" charged into the ISO office wanting to go through the "pictured shreds." Their snarls turned to sheepish smiles when it was explained that the picture was faked using an old E-8, E-9 listing. Dirty trick? Yup... but it drew attention, didn't it?

A Tickler For Your Funnybone — A Marine appeared at the WINDWARD MARINE office recently to place an ad offering \$100 for the return of his wife's pet cat. "That's an awfully high price for a cat," a WM staffer ventured. "Not for this one," said the Marine, "I drowned it!"

No Record, But Quite An Accomplishment — MSgt. D. E. Freeborough, Management Engineer's Office, reports that his parents recently celebrated their 59th wedding anniversary. Probably one of the best acknowledgements they received was the "tops" floral display from the Big Island. In talking about their many years of wedded bliss, Freeborough commented: "My gosh, they've been married as long as I can remember!" It figures!

Going Native, Perhaps — Our six-year-old came home from Kailua Elementary several Fridays ago complaining that he'd been given raw fish for lunch. While we have always encouraged him to try anything once, he had balked at this fare. We agreed that this type of "native" food was not for him. We almost called the teacher to complain—but didn't. Last Friday he again mentioned the fact that the same raw fish had been served. His mother had managed to save the weekly menu so we checked to see if he had been eating raw squid, raw mahimahi, or raw what. The "raw fish" turned out to be tuna fish salad! A real haole, that one!

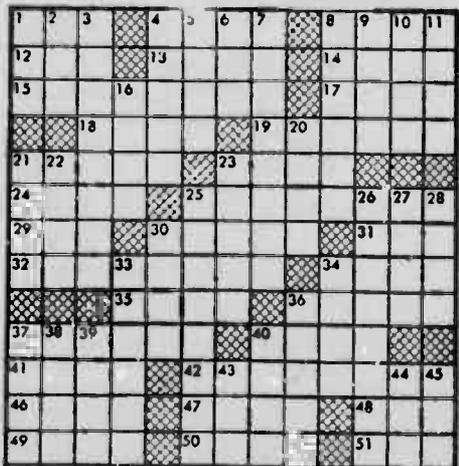

Red Cross Progress Report — Perhaps it's noteworthy that, in an otherwise drab Red Cross Drive, Air Operations personnel have contributed \$87.28 as of Wednesday of this week. Not much, you say? Considering that this section only has 78 people the total represents over a dollar per man. How's your outfit doing?

Jackson College Courses — In case you missed it last week, a full college program is being offered in the coming evening sessions of Jackson College. Military can register at the Station Education Office, Bldg. 221, April 3 between 10 a.m. and noon. Naturally, tuition assistance is authorized for this program. Need more info? Call 73572.

A Case Of Look-a-likes — Gysgt. C. D. (Cyril??) Stevens swears this is true: "Help! Help! An alligator has just bitten off my leg!" yelled the swimmer. "Which one?" inquired a friend on the bank. "How the #&\$½/—! do I know which one? All alligators look alike." Aw, c'mon, Steve!

Officers Wives

By Jess Roble

It may not be as gala an event as sailing on the Lurline but you can bet your "ditty bag" there'll be a lot of excitement when the "O" Wives board the boats for COCONUT ISLAND. This featured event is scheduled to take place on April 11, which is a week later than our usual luncheon date. There will be four trips, with boats leaving every half hour from 9:30 a.m. until 11:00 a.m. and returning on the same half hour schedule from 1:30 p.m. until 3:00 p.m. so plan now for that baby sitter!

A buffet luncheon consisting of ham, turkey and potato salad will be served at 12 noon and we'll all get a chance to see our new candidates for next year's O.W.C. board.

So let's all grab our ukuleles and head for the Kaneohe Air Station boat house on Tuesday, April 11! I understand there'll be all sorts of activities going on, ranging from swimming (don't forget your bathing suit and towel) to card playing and "all hands" are sure to come home with a brand new outlook on life.

EMBARKATION — First Marine Brigade Marines boarded transports at Pearl Harbor last Wednesday for "Operation Green Light." The Leathernecks were scheduled for a three-month training exercise on the West Coast.

Payday Shot Eyed In Red Cross Drive

Looking for a dual pay day "booster shot," Kaneohe Bay keymen began the last leg of the 1961 American Red Cross campaign today determined to leave no stone unturned in their quest for all-out 100 per cent unit contributions.

At WINDWARD MARINE presstime on Wednesday, the Station Fund Drive Coordinator's office stated that a total of \$746.03 had been turned in by various keymen representing 10 Station units.

With Marine Corps pay call yesterday and civilian pay day today, officials of the 1961 campaign are hopeful that this total will be increased by several hundred dollars.

As was mentioned in last week's WINDWARD MARINE, Brigade elements held their drive during the first two weeks of the month and collected approximately \$1,376.

Last year, at approximately this same time, both Station and Brigade factions were nearing the \$3,000 mark. At drive's end they had amassed more than \$3,636.

Here are the Station totals, by unit, as reported to the WM at presstime Wednesday:

Comptroller (& IRO)	\$100.00
Public Works	76.00
Air Operations	87.28
Supply Department	222.80
Ordnance	15.28
Personnel (MX-SpiSer)	41.00
Medical-Dental	8.00
Inspection Department	17.00
Communications Trng.	22.82
Hq. & Hq. Squadron	155.85

TOTALS \$746.03
The 1961 American Red Cross drive will end at Kaneohe Bay on April 6, officials indicated.

Siren Test

K-Bay personnel have been notified that MCAS Emergency Warning Signals will be tested at noon Monday. The monthly tests will consist of a steady blast of 15 seconds duration.

Rear Admiral Solomons Ends Long Naval Career

Hawaii gained a citizen and the Navy lost one of its top commanders last week when Rear Admiral Edward A. Solomons turned the helm of his triple command over to RAdm. Robert L. Campbell.

Admiral Solomons, who officially retires today, becomes the Pacific area director of public relations for American Life Insurance Co., Dallas, Texas, and Birmingham, Ala., and for Legal Reserve Insurance Company of California.

He and Mrs. Solomons will live at 1069 Koloa St., Waiialae-Kahala.

The successor to Adm. Solomons' "three hats" as 14th Naval District Commandant, Hawaiian Sea Frontier Commander and Pearl Harbor Naval Base Commander is no stranger to Hawaii.

Adm. Campbell was recently relieved as Commander of the Pacific Fleet Service Force with headquarters at Pearl Harbor.

In commenting on his retirement, Adm. Solomons said, "I approach my retirement . . . with

mixed emotions. We like it here . . . the people, the climate, and all the attractions of Hawaii make this a nice place to live."

Staff Symposium

The Marine Corps Staff Noncommissioned Officers Symposium, held annually since 1955, will now be held biennially, Headquarters Marine Corps announced today.

This action, taken by Marine Corps Headquarters in the interests of conserving travel funds, means that the next symposium will be held in fiscal year 1963. Place and date of the meeting in 1963 will be established by Headquarters Marine Corps at a later date.

AIR "OPPS" PROMOTIONS — LtCol. P. G. Dyer, left, Air Operations Officer, congratulates four newly promoted sergeant E-5's. They are (L-R) Sgt's T. A. Hartman, L. C. Young, D. O. Call and C. V. Letreta. (Photo by SSgt. G. L. Gill)

'60 Hawaii Plates Pau At Midnight; 'Red' Tags Kapu

K-Bayites are reminded that 1960 Hawaii motor vehicle registrations expire at midnight tonight. The Station Provost Marshal's Office announced that Military Police will start checking plates and will refuse admission to the Station to those vehicles carrying outdated plates.

PM officials noted that owners of vehicles with Station passes are also required to notify the Pass And Tag Office of their change in registration. This may be done either in person (Bldg. 221) or by phoning 72967. The Pass and Tag Office is open week days 7:30 to 10:30 a.m. and from 11:30 to 4 p.m., except Thursdays when it is open only during the morning hours.

(ED. NOTE: No "word" or "grace period" had been received at WM press time.

Jewish Passover To Begin Today At Hickam, Pearl

The Jewish Passover begins at sunset today and will be commemorated until sunset Saturday, April 8.

For persons of the Jewish faith, April 1, 2, 7 and 8 are days of religious obligation.

Services for military personnel and their dependents will be held at Pearl Harbor's Aloha Chapel tomorrow and Sunday at 10:30 a.m. Services will also be held at Aloha Chapel April 7 at 8 p.m., and April 8 at 10:30 a.m.

The Feast of the Passover (Passover Seder) will be held this evening at the Hickam NCO Club. Reservations are necessary for the Passover Seder. For information, call 24224 or 24176.

A very sacred occasion to the Jewish people, the Passover is sometimes referred to as the Festival of the Unleavened Bread. During the duration of this festival no ordinary or leavened bread is eaten, only unleavened bread.

CPL. TO ATTEND JAPANESE COLLEGE

IWAKUNI, JAPAN — LCpl. Gregory S. Campbell, an Iwakuni Far East Network Marine, successfully completed the entrance examinations for the International Christian University of Tokyo. He begins studies in September after his discharge. He competed with 1,800 Japanese and other foreign applicants, and was among the few selected. Since his arrival in Japan in 1959, he has taught English to school children during his off-duty hours.

3RD FORCE SERVICE REGIMENT MOVES

OKINAWA — Early this month, elements of the 3rd Force Service Regiment started moving from Camp Courtney to new facilities at Sukiran area "H", near the junction of routes 1 and 30 at Isahama. The new Industrial complex, recently completed by Navy Mobile Construction B. 5, provides permanent warehousing and maintenance facilities to support Marine activities on Okinawa.

PARRIS ISLAND RECRUIT TRAINING ON TV

PARRIS ISLAND, S. C. — ABC-TV cameraman and technicians recorded various phases of recruit physical training for a documentary on the physical fitness of American youth. The show, entitled "Close-Up," is tentatively scheduled for mid-April viewing on the mainland.

COLDEST DAY OF YEAR AT QUANTICO

A record-breaking low of five degrees below zero caused double trouble at MCS, Quantico recently. Not content with making all outside activities extremely uncomfortable, the minus five has been directly blamed for power and heat failure throughout the post. Quantico officials indicated that the sub zero temperature was the lowest recorded at that installation in the past 33 years. Power was out throughout the Schools for a four-hour period in the morning and, at Thomsen Park, one of the main housing areas, electricity was not restored until late in the afternoon.

Dispensary's Out-Patient Service Still Very Critical

Station medical officials this week reminded K-Bayites that many of the personnel previously "on-loan" from the Brigade are now participating with that unit and that there has been a curtailment in out-patient care.

Previously, the local Dispensary has handled as many as 3,500 dependents per month—above and beyond the primary mission of caring for active duty military personnel.

Now, with the on-loan personnel not available, officials are asking prospective patients for help. The following guidelines should be used:

- When calling for an appointment for three children, for example, state the fact that you have three children needing attention. Don't merely say that you want one appointment.

- Don't stop by the Dispensary just because you are in the area and feel that you "might as well" take this opportunity to have your child checked over."

- Be familiar with the regular clinic hours.

- Make sure that you have an actual emergency when visiting the Dispensary after normal sick call hours.

- Remember that 72259 or 72768 are the numbers to call when you desire an appointment to see a doctor.

Theater Patrons Can Get Refunds

Station Special Services officials offered a cash refund to patrons who attended Theater No. 1 Monday evening expecting to see "Sons And Lovers."

According to the announcement, a power failure forced a cancellation of the movie.

Officials announced that refunds could be obtained by visiting the Station Special Services Office adjacent to the Enlisted Men's Club.

Fast Service Red Cross Praised By Woman Visiting Spouse In Red Prison

An outstanding testimonial as to the value of the American National Red Cross came to light this week when the wife of an American imprisoned by Communist Chinese arrived in Tokyo on the last leg of her trip to his bedside behind the Iron Curtain.

According to Mrs. Robert E. McCann, whose husband is reported to be dying of lung cancer in a Red China prison, "I have just been notified by the Pasadena Chapter of the American National Red Cross that through the Red Cross Society of China, the authorities of Communist China have granted me permission on humanitarian grounds to visit my husband

in the hospital there. "The Red Cross Society of China conveyed this information to the American National Red Cross Headquarters in Washington and, within the hour, the Pasadena Chapter had notified me and were getting operations underway to expedite my trip.

"As I have been packing my bags to leave, they have arranged for air transportation to Hong Kong. They have also arranged with the State Department for necessary visas and have notified field directors to meet me at each stop on my journey and help make plane connections.

"They have ordered the Red Cross Field Director (a Mr. Donald R. Gilkison) in Hong Kong to assist me in obtaining visas required for me to enter Communist China and escort me to and from the border.

"When I have seen my husband and, after determination of his condition and other matters, I shall consider requesting the authorities to release him and permit him to return home with me. If I do, I'm sure the Red Cross will assist me in making our arrangements."

Duplicate Bridge Featured On Officer Club Schedule

By Anne House
Mrs. John Obye has organized a duplicate bridge group, and they play every Wednesday morning at 9:30 at the Club. If you'd like to get more information, call Mrs. Obye at 252-688.

Please remember that the Club began new hours of operation yesterday. If you don't get a calendar this week, stop by the office and pick one up. We will send one to all the home addresses that we have. If you would like to get all Club news and bills at home while your husband is away, call the office and give us your home address. We want you to know what's going on.

So many people call the office to get information about the hula and ukulele lessons. Mrs. Caroline Tuck is the instructor here, and she has all the information. Her home telephone number is 267-472.

As a reminder, an officer's wife must have her own membership card to make charge purchases. If you plan to use the Club facilities while your husband is away, we suggest you come in and get your card. If you will give me a call at 72-596, I can have the card ready for you when you come in.

ADMIRAL GREETED — RADM. L. C. Newman, Inspector General of the Navy Medical Corps, left, talks with Capt. E. K. Allis, Senior K-Bay Medical Officer, prior to his inspection of MCAS Dispensary last Friday.

CIVIL SERVICE NOTES

PHYSICAL HANDICAP — YES JOB HANDICAP — NO

The Department of the Navy is one of the largest employers of the physically handicapped in the nation and implements the policy of the President's Committee on Employment of the Physically Handicapped by extending the same employment opportunities to the physically handicapped that are extended to the able-bodied.

Each activity employing 50 or more civilians is required to designate a Coordinator for employment of the physically handicapped whose duties include responsibility for coordinating the program for employment of these persons and of maintaining liaison with other agencies in the field of placement and rehabilitation. Mrs. B. H. Burum, Deputy Industrial Relations Officer, is this activity's Coordinator for employment of the physically handicapped.

During the past year, five new employees were hired who are considered physically handicapped. This makes a total of 14 employees on board who are successfully performing their job requirements despite some limit of physical capacity.

TO HAVE AND TO HOLD

How often have you heard the statement, "Everybody cashes in their bonds as soon as they receive them." Do they? Let's look at the record —

Last year nearly 3½ billion dollars of Series E, U. S. Savings Bonds were purchased. Over 76% of the amount purchased was drawing interest on Dec. 31, 1960.

No, everybody does not cash in

their bonds as soon as they receive them. Although an important feature is that you can cash a bond 60 days from issue date, many bond purchasers are bond savers; saving for the future while earning 3½% interest.

Having viewed IRD's presentation last week on "Sea Power" and "24 Hours in Tyrantland," every employee should realize **THERE'S MORE TO BE SAVED THAN MONEY THESE DAYS.** Life, liberty and the pursuit of happiness in our American way all depend on how well we meet the great challenges of today's world.

When each of us buys Savings Bonds, we are helping in a patriotic way to keep our country strong and free, for our democratic system rests upon the individual and the strength of our country is only as good as the strength of the individuals that go to make up our country.

In his inspiring inaugural message, President Kennedy said . . . "AND SO, MY FELLOW AMERICANS: ASK NOT WHAT YOUR COUNTRY CAN DO FOR YOU — ASK WHAT YOU CAN DO FOR YOUR COUNTRY."

One of the important things you CAN do is to continue purchasing savings bonds, for the amount you have deducted each pay day is not as important as the fact that EVERYONE should be a savings bond purchaser. If you are not yet a bond saver, there is no better time to start than right now with the ungraded pay raise soon to take effect. As little as \$3.75 can be deducted from your pay check. A bond pledge card will be personally delivered to you by calling the Employee Relations Division, 72851.

'O' Toastmasters Elect New Slate

A new slate of officials was elected to head the K-Bay Officers Toastmasters Club during a recent meeting of the public speaking group.

New president for the coming six-month term is James J. Wiese. Others are Bob Ho, educational vice president; Willard Gray, administrative vice president; Chuck Davis, treasurer; Bernie Johnson, secretary, and Don Bowman, sergeant-at-arms.

The group will be installed during a meeting in April.

Membership in the Club is open to all K-Bay officers. The purpose of the group is to teach members the art of public speaking, both in prepared and impromptu forms, through practice.

Additional information on the Officers TM Club may be obtained by calling President Wiese at 72270 or 253375.

In keeping with the solemnity of this Good Friday, the news herein will be rather brief.

Sunday is the Children's Easter Party and family picnic at Koko-kahi with swimming going from 12:30 to 1:30 p.m. an hour later than originally scheduled.

The new beginners class for hula will begin April 5 at 6:30 p.m. at room 108 of the OLD Moku School. The classes will be taught by Pearl Keawe, so if you are interested in learning hula please be sure and be there Wednesday night. The cost is only \$3.00 per month. The intermediate class — those who just completed their beginners series — will meet at 7:30 p.m. For further information on this and any other news in this column call 72376.

Rounding out the schedule of events for a busy week will be the tour on April 6. This will be a visit to the Kodak Hula Show in Waikiki with a fried chicken picnic afterwards. Deadline for reservations is April 4 with the cost being \$1.00. For further information and for placing those reservations call Marilyn Allen at 252-872. This should prove to be a fun-filled tour and with plenty of subjects for you photo enthusiasts.

That's it for today, do come to the picnic Sunday, and make plans now to register for the new hula class and then on Thursday plan on a fun-filled Waikiki excursion.

At 2:30 p.m. on Sunday, Dec. 24, 1950, Able and Baker Companies of the Marine Corps' 1st Amphibious Tractor Battalion completed their task of covering the withdrawal of 105,000 military personnel, 91,000 civilians, 17,500 vehicles, and 350,000 tons of cargo from Hungnam, Korea.

Marine Cagers Are Dropped In AAU

GLOOM — The Marine bench tells the story in the, 93-85, defeat at the hands of the Dayton, Ohio, Paul's Merchandise team, in the 1961 54th annual AAU Basketball Championship Tournament held last week in Denver, Colo. Dayton Club Wins, 93-85

Paul's Merchandise of Dayton, Ohio, eliminated the Marine All-Stars from the 1961 AAU Basketball Championship Tournament with a, 93-85, triumph in Denver, Colo., last week.

Trailing, 20-6, after seven minutes of play, the crimson and gold were never able to catch up after this point.

Harrassed by cold shooting and the short end at the free throw line, the Leathernecks ended the half trailing by 16 points, 48-32.

Led by some brilliant sharp-shooting and backboard work by Lou Gibbs, Cozel Walker and Jack Sullivan, the Marines came from out of left field to catch and pass the Dayton club, 69-68, with nine minutes of play left in the second period.

Lou Gibbs had the spectators giving out with ah's and ah's as he started off the second half by sinking eight 2-pointers in his first eight attempts, to lead the comeback surge.

However, the second half flurry fell short of requirements and the Marines lost the lead for keeps. Roger Brown, 6'4" and Bill Chmielewski, 6'10", sparked the Ohio five by tallying 25 and 22 points, respectively.

In the field goal department the Marines led Dayton, 34-31, and held their own on the backboards by capturing 52 rebounds to the Merchandiser's 54.

The statistical story was told at the free throw line where Dayton made 31 of 42 attempts to 17 of 24 for the Leathernecks.

Marine High shooters were Lou Gibbs, 20; Jack Sullivan, 18; Cozel Walker, 16; and Ron Johnston, 11.

The annual meeting of the Globe & Anchor Water Ski Club was held last Wednesday evening at the 19th Hole.

Among the highlights of the meeting was the election of officers for the next year.

Taking the helm as President this year will be Dave Solomon assisted by Dave Packer as Vice President, with Cecile Campbell undertaking the job of Secretary-Treasurer.

Members of the Globe & Anchor Club are looking forward to another full and prosperous year of Tournament and Show skiing.

Personnel interested in joining the club may contact Dave Solomon or Dave Packer, ext. 72922.

Bloch Arena To Host AAU Junior Wrestling

Bloch Arena, Pearl Harbor, will host the 1961 Region 8, National Junior Wrestling Championships, the weekend of April 14-15.

Eligibility is open to any bona fide amateur. Military personnel must have a letter certification of amateur standing from an authorized officer.

Non-military personnel must have AAU or YMCA cards and number must be on entry blank. Sanction of the Dean will be required for college personnel.

Weigh-in is to be conducted from 8 a.m. 'til 12 o'clock noon, Friday and Saturday, April 14 and 15.

Bouts will begin at 1 p.m. each day of the tournament with the evening sessions starting at 7 p.m.

Entries will be limited to amateur wrestlers who qualify as a Junior. Individuals may enter up to weigh-in time on Friday, April 14.

Age has nothing to do with eligibility as a Junior.

Junior competition is open to all registered amateurs who

have not won a first place in a National Junior or Senior Wrestling Championship of the AAU, nor a first place in the National Collegiate Athletic Ass'n., the Inter-collegiate Ass'n. of Amateur Athletes of America, nor of any foreign country.

Members of an Olympic Wrestling Team shall be ineligible for participation in the Junior Class.

AAU wrestling rules will prevail with competition in the following classes; 114½ lbs., 125½ lbs., 136½ lbs., 147½ lbs., 160½ lbs., 174 lbs., 191 lbs., and Heavy-weight over 191 lbs.

Medals will be awarded to first, second and third place winners in each class.

Team trophy will be awarded on a 10-7-4-2 basis.

A trophy will be awarded to the outstanding wrestler of the tournament.

Sanctioned by the National AAU and the Hawaiian Ass'n of the AAU the public is cordially invited to attend the two-day event.

ATTEMPT BLOCKED — Lou Gibbs has a left-handed hook shot blocked by high jumping Robert Brown of Paul's Merchandise. The free ball was grasped by Dave Smalley (4) who made the shot. But it was all for naught as the referee signaled a foul against Gibbs.

CG FMFPAC Welcomes Shooters To Pacific Rifle-Pistol Matches

Lieutenant General Thomas A. Wornham, Commanding General, FMF, Pacific, last week welcomed 82 Marine competitors who began training for the 1961 Pacific Division Rifle and Pistol Matches commencing April 17 at Oahu's Puuloa Rifle Range.

He was introduced to the shooters by Colonel Douglas Reeve, Commanding Officer, Marine Barracks, Pearl Harbor.

"I realize the hard work involved, and for some of you this is the beginning of a long summer", the General said. "There will be no time to play and relax to make the "big team" at Camp Perry."

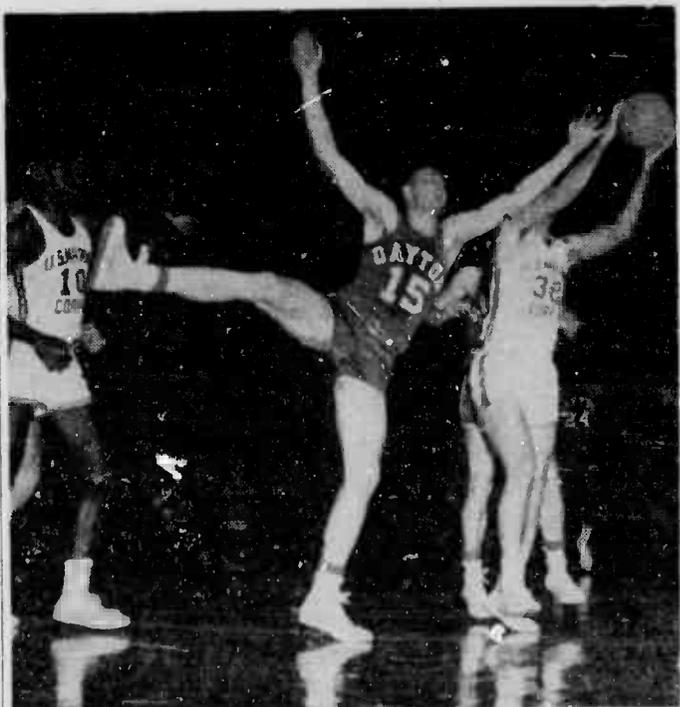

General Wornham referred to the weeks of firing and training preparatory to the Pacific Division Matches and to the further competition required to represent the Marine Corps at the famed

Camp Perry, Ohio, matches.

Representing Marine commands from Oahu, the shooters are currently under advanced instruction by the Marksmanship Training Unit, from the Marine Corps Recruit Depot, San Diego.

At the conclusion of the Pacific Division Matches, the "top guns" will depart for Camp Lejeune, N.C., where they will compete against the Western and Eastern Division champions for assignment to the Marine Corps Rifle and Pistol Team. This team will represent the Marine Corps' finest in inter-service shooting competition at Camp Perry this summer.

General Wornham said, in conclusion, "Everybody can't win, but remember, you are bettering yourself and the Marine Corps keep concentrating and the best of luck."

GYMNASTICS — Jack Sullivan (32) prepares to pass off the ball during hotly contested second half of AAU game while being harrassed by Charles Izor (15) of Paul's Merchandise team. Sullivan scored 18 points in the losing battle.

H-M Nine Boasts Power Hitting

Winning two of their three scheduled exhibition tilts this past week the Hawaii Marines Baseball squad pointed to a decisive weakness in the pitching department as the biggest gap to fill before a winning season can be achieved.

Battling Hickam on Friday evening at Hickam AFB, the long ball was the story of the game which went 11 innings before the locals were victors, 12-11.

Journeying to the "Big Island" to take on the Hilo All-Stars in a single affair over the weekend the Leathernecks took the measure of their hosts, 7-1, in a seven-

inning, rain-shortened game. On Tuesday afternoon at Riseley Field the talent-laden SubPac nine invaded the windward side and blasted the Marines with an embarrassing, 20-11, triumph.

Marines, 12, Hickam, 11

Down eight runs, 11-3, after four innings the Hawaii Marines steadily fought back to win a 12-11, 11 inning, slugfest against the Hickam Flyers Wednesday evening in an exhibition baseball tilt played at Hickam.

Five markers were counted in the third for the Flyers on a pair of free passes, a single, double and three-run homer by Hickam

second-baseman, Bruce Gillispie. Final scoring for Hickam came in the fourth on two walks, single, triple and another four-bagger to run their count to 11 runs on seven hits. They were able to connect for only one more hit the remainder of the game.

Bill Childress led off the third with a triple and crossed the plate on Bob Lane's single.

The fourth inning saw two more runs score for the locals. Jim Williams reached base on a fielder's choice and John Davis hit for the circuit.

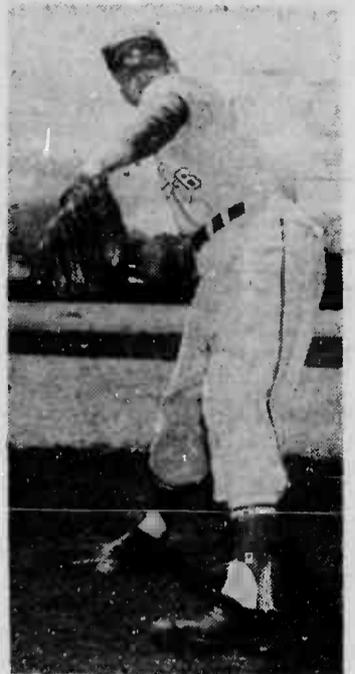

Dick Lash drove in Denny Roth,

who had drawn a walk, from second, in the fifth to make the score, 11-4, Hickam.

Three Marines found their way home in the seventh. Hy Rushing walked and then back-to-back doubles by Denny Roth, Dick Lash, and Bill Garrett, and a single by Jim Williams narrowed the gap to, 11-7, Hickam.

During the eighth frame the barage continued with four runs crossing the plate.

Catcher Dick Adams reached base on an error, Roth was on with a fielder's choice, Lane, Lash and Garrett saw singles fall

Bob Wolfenden

in the outer pastures and Jim Williams' double cleared the bases to tie the count and send the game into extra innings.

Williams screamed a single to open the 11th frame. John Davis, Bob Wolfenden, and Denny Roth were issued free passes to push Williams in with the winning tally.

Jerry Plunkett and Bob Wolfenden combined to handcuff the Flyers from the fifth inning. The Flyers were able to garner only one hit, this a double, off Plunkett in the sixth.

Wolfenden whiffed 10 of the 15 men he faced in the five frames he toiled.

Marines, 7, Hilo All-Stars, 1

Last weekend the Hawaii Marines travelled to the "Big Island" to meet the Hilo All-Stars and banged out a rain-shortened, seven-inning 7-1, decision.

Combining to limit the Hilo-ans to four hits were, Tom Mazzolini and Dave Alleman, while the locals were collecting a dozen safeties from the offerings of the All-Star moundsmen.

Three runs crossed the plate in the third when Dick Lash and Bill Garrett singled, followed by doubles from the bats of Jim Williams and John Davis to send the Marines out front, 3-0.

In the fourth frame, four tallies were counted when Denny Roth was safe on an error, Bob Loughlin singled, Jerry Henry doubled to left-center and "Big Jim" Williams hit for the circuit to push the Leathernecks to a, 7-0, advantage.

The lone run for the host Hilo squad came in the fourth inning when Carvalho was issued a free pass, Medeiros was safe on an error and Peters' single sent Carvalho home with the marker.

SubPac, 20, Marines, 11

SubPac slaughtered the Hawaii Marines, 20-11, Tuesday afternoon at Riseley Field in one of the wildest games local fans will see all season.

In the first frame, SubPac, tallied six times and struck like lightning in the second with four more, to take an early, 10-0, lead.

Striking back in the home-half of the second the Leathernecks scored seven runs to make the slugfest more interesting.

Continuing to slam the ball, the submariners counted a total of five runs in the third to again lengthen their lead, 15-7.

The last scoring for the visitors came in the fifth when they pushed across another five-run total to take a, 20-7, advantage.

Trying to get back into the ball game, the Marines scored four times in the seventh to make the final score read, 20-11.

1961 HAWAII MARINES BASEBALL TEAM — Front row, to right, Tom Mazzolini, Dick Adams, Hy Rushing, John Davis, Bill Garrett, and Bob Lane. Second row, left to right, ass't manager, Jerry Plunkett, Bob Wolfenden, John McCoy, Dick Lash, Bill Childress, Dave Alleman, Jerry Henry, and manager Denny Roth. Back row left to right, Charlie Mayer, Bill Weggoner, Jim Williams, Bob Loughlin, Bill Lee, Steve Stevenson, and Lon Chaney.

Speedy Hawaii Payment Of GI Insurance Forecast

The distribution of over \$616,700 to 12,092 veterans in Hawaii will be completed within the next few weeks, according to George W. Bicknell, manager of the Honolulu VA Regional Office.

This speed up of regular dividend payments which totaled a national figure of over a quarter

of a billion dollars was in response to instructions recently issued by President John F. Kennedy.

In applying this boost to the Hawaii economy, Bicknell stated these dividends represented a refund to veteran policyholders of a part of their premium payments. This is based on the fact that the death rate among veterans in specific age groups continues to be lower than the death rate upon which the premiums were established by law. These payments represent a return of the veterans' own money, Bicknell said.

So that the dividend checks may be sent to the correct address, Bicknell urged policyholders to make sure that their VA insurance office has their current address. This is especially important for service personnel. Accounts of active duty personnel who are paying premiums by allotment deductions are located in the VA District Office, P.O. Box 8079, Philadelphia 1, Pa.

Lowered Rates Insurance Bill Passed By House

Relief from the soaring cost of term insurance premiums for holders of National Service Life Insurance (NSLI) is promised in a bill which passed the House of Representatives.

The bill, authorizes a new level-payment modified life plan, passed by a voice vote and was sent to the Senate. The Veterans Committee had cited one case where a 78-year-old WWI veteran was paying \$1200 in yearly premiums on a \$10,000 term policy.

Gala Easter Sunday Events Slated At Staff NCO Club

Officials of the Kaneohe Bay Staff NCO Club released a gala slate of events for Easter Sunday and, at the same time, listed the weekday noon menu for the coming week.

The day's events kickoff with a "coffee" on the patio of the Club from 7:30 to 9 a.m. At 9 a.m., Chef Lou Oakes will begin serving breakfast in the Revere Room. Breakfast will cost patrons 75 cents.

At noon the Club will sponsor a free Easter egg hunt on the lawn adjoining the Club. Various prizes will be awarded children finding golden-colored eggs at 1:30 p.m.

While officials realize that the Easter Bunny will be leading an action-packed schedule this day, they have assured Staff NCO children that he will make a brief appearance.

Between the hours of 2 and 6 p.m. a special Easter dinner will be served in the Revere Room. According to Oakes, this repast will feature baked ham with raisin sauce or roast beef au jus accompanied by candied sweet or mashed potatoes, buttered vegetable, salad with choice of dressing, rolls, beverage and dessert for \$1.35.

Cakes also indicated that the Revere Room would feature the

regular menu between the hours of 6 and 9 p.m.

Club officials emphasized the fact that reservations can be made for the Easter special dinner by calling 72592.

CLUB SCHEDULE

Tonight — Happy Hour from 4 to 6 p.m.

Saturday — Easter Dance, 9-12. Music by The Commodors.

Sunday — Easter events.

Monday — Club closed.

Tuesday — Noon lunch: Hamburger steak, 65 cents; Staff NCO Wives business meeting at 7:30 p.m.

THEATER SCHEDULE

NOTE — Station Theater No. 2 is closed. All titles listed in this column, unless otherwise noted, refer to the 8:20 p.m. showing at Theater No. 1. The earlier movie, 6:05 p.m., is the same selection as the final movie the previous night.

FRIDAY

I Aim At The Stars — Film version of the life of rocketeer Wernher von Braun. From childhood, Curt Jergens elevated his every thought and activity to rocketry and the thought that someday it would provide the means for man's conquering of outer space. Becoming an eminent scientist, he is recruited by the German army — and made to join the Nazi party — to perfect the V-2 bomb. His confidential secretary, Gia Scala (in reality an American spy) and one of his assistants, Herbert Lom, are in love with each other, which deters Herbert from exposing Gia when he discovers her espionage activities. Rated excellent for adults and youths and runs for 106 minutes.

SATURDAY MATINEE

Don't Give Up The Ship — No info other than this is comedy fare from start to finish.

SATURDAY

Sundowners — Stars Robert Mitchum, Deborah Kerr and deals with Australia. Rated very good for adults and youths and runs for 133 minutes.

SUNDAY MATINEE

Escort West — Action-packed western.

SUNDAY

Go Naked In The World — Anthony Franciosa returns to San Francisco after army duty and, before seeing his wealthy Greek family, he is attracted to Gina Lollobrigida in a bar without realizing she is a high-priced lady of easy virtue. When his father, Ernest Borgnine, seeks him out and arranges a welcome home party, there is the inevitable argument about Franciosa going into the construction business and the son storms out to see Gina with whom he soon falls in love. But when he brings Gina to his parents' 30th anniversary, she is recognized by both Borgnine and the male guests and Franciosa learns the bitter truth. Rated good for adults only. Runs for 103 minutes.

MONDAY

The Adventures Of Tom Sawyer — Stars Victory Jory and is adapted from the book by the same

name. Rated outstanding and thoroughly recommended for the entire family. Runs for 97 minutes.

TUESDAY

The Alamo — In the abandoned Franciscan Mission in San Antonio de Bexar in 1836, 185 volunteers, a strangely assorted crew brought together by one common will — to fight and, if need be, to die defending their rights to live as free men — prepare to do battle against a formidable enemy, a disciplined army of 7,000 men, sworn to give no quarter, under the dictator Santa Ana. The citizen soldiers, under the leadership of Col. Travis (Laurence Harvey), Col. Bowie (Richard Widmark) and Col. Crockett (John Wayne) fought fatigue and exhaustion until, after 13 days, they were finally annihilated to the last man. Thus the independence of Texas was won — the men had lost a battle but won a war, because, after the slaughter at the Alamo, Gen. Sam Houston (Richard Boone) took Santa Ana prisoner and later became the first president of Texas. Rated superior for the entire family. Runs for 161 minutes.

WEDNESDAY

Under Ten Flags — During World War II, Van Heflin, captain of the German surface raider, Atlantis, creates havoc with British shipping by hoisting whatever flag is convenient and thus approaching enemy ships and firing at close range. However, Heflin is a humane commander who always rescues the passengers and crew. In London, Charles Laughton of the British Security Command, remains puzzled over the type of ship causing the damage. Finally, the British send Alex Nichol, an American spy who resembles a German officer, to Paris to steal the secret code used by the Atlantis to send messages. Rated very good for the entire family. Runs for 103 minutes.

THURSDAY

Happy Anniversary — Stars David Niven, is rated very good for adults and runs for 93 minutes.

Staff Wives

By Oneita Stacks

Our Business Meeting April 4 is a must—ELECTION NIGHT.

Here are the girls who want your vote and the offices for which they are running:

President — Hazel Sargenti and Bunny Thompson.

Vice President — Lucille Godwin and Millie Schoedler.

Corresponding Secretary — Yvonne Butler and Carol Griswold.

Treasurer — Carol Selwitchka and Tiny Ledbetter.

Recording Secretary — Pearl De Muzio and Beverly Sheets.

Sergeant-at-Arms — Betty Strote and Peg Becktel.

Thelma wants to remind everyone to begin sewing a dress for the installation and part of the entertainment will be modeling your own creation. There should be a good response as so many of you are fine seamstresses.

The Staff Club has asked for our help in dyeing eggs at the Club April 1, 2 p.m., also in hiding them Sunday for the annual Easter Hunt. Remember it's for our children so give a hand. For further information call Pearl Christenson 252-489.

Brandeis University Honors Gen. Barron

Brandeis University, Waltham, Mass., has dedicated Barron Legislative Hall in its new American Civilization Center in memory of the late Gen. Bernard S. Barron of the Marine Corps.

Gen. Barron, who enlisted as a leatherneck private in WWI, was a legal authority during his service career. He died on Armed Forces Day, May 16, 1959.

In 1935 the general established the first sea, land and air maneuvers in the United States, simulating a national emergency. In 1931 he brought before the higher courts for the first time in seven centuries, the duty of a sailor to save the life and limb of the shipwrecked.

He was also widely known in the legal branches of the service for his treatise, "Summary Courts Martial," and in the popular music field for his lyrics to "Tell that to the Marines."
