### Waivers May Be Recommended

## TIS Requirements for WOs Reduced

New time-in-service requirements for appointment to WO grade in the regular Marine Corps, and a helicopter pilot training program for WOs have been announced by HQMC.

To be eligible for WO a minimum of six years in

service is required. The maximum time in service is 12 years. Waiver of the maximum may be recommended by COs only in cases of preeminently qualified Marines who are outstanding and unquestionably su-

perior to the best of their contemporaries.

Selected candidates will attend a six-week WO Screening Course at Quantico, followed by appointment and assignment to the WO Basic Course for approximately 10 weeks.

The determination of whether or not selectees with over 12 years service will attend the WO Screening and Basic Course will be made by HQMC.

Requirements for appointment to the WO flight training program are the same as those for the basic program, with the exception that an aptitude area test score of 120, instead of 110, is necessary to be eligible.

Upon successful completion of the screening and basic courses, qualified applicants will be ordered to NAS, Pensacola, for training leading to an appointment as a Marine aviator.

Requirements for appointment to WO grade in the Marine Corps Reserve and for Women Marines applying for warrant remain basically unchanged.

HQMC said that 62 previously selected Marines will be promoted during April. All will receive an Apr. 1 date of rank. Included are six each to sergeant major and master gunnery sergeant and 50 to gunnery sergeant.

It is expected that the E-9 selections will be announced sometime in May while the board will complete its E-8 consideration in June.

Promotion prospects of gunnery sergeants are looking bright.

According to HQMC, a selection board scheduled to convene Monday, will be authorized to select approximately 700 gunnery sergeants for promotion to first sergeant and master sergeant.

The board will also have authority to pick about 105 new sergeants major and master gunnery sergeants.

## Col. Johnston Opens First Of 150 New K-Bay Homes

Col. P. T. Johnston, Station CO, officially opened the first of 150 new Station family quarters Wednesday when he accepted a symbolic gold key from Capt. H. N. Wallin, OIC of Construction, 14th Naval District, and presented it to Cpl. and Mrs. Eddie C. Lisi.

The Colonel assisted Mrs. Lisi in cutting a red carnation lei, provided by Mrs.

Ann Peseia of the Housing Office, strung across the door of the three-bedroom unit at 2294A Irwin.

Cpl. Lisi, Station MT, began moving in after the presentation. The Lisis, with their four children, arrived at K-Bay in May 1962.

Capt. Wallin pronounced the family housing project useably complete. He noted that Reed & Martin, Inc., prime contractors for the \$2½ million project, completed the contract more than two months earlier than scheduled. He said landscaping will continue into June.

All 120 enlisted units have been completed and will be assigned as rapidly as possible, according to Cdr. R. L. Hall, K-Bay Public Works Officer.

Cdr. Hall expects from 20-25 families to move in each week.

The 30 units to be assigned to officers should be available early next month, he said.

Guests at the opening included BrigGen. M. E. Carl, Brigade CG; Lloyd Martin, president of Reed & Martin, Inc.; and Donald Wolbrink, representative of Harland Bartholomew & Associates.

## MAG-13 Pilot College Pick

Captain Charles D. Hatfield, Assistant Administrative Officer VMF-232, is one of 13 officers selected to attend Oklahoma State University in September under the Marine Corps' College Degree Program.

The Captain, who arrived at K-Bay in September 1962 from ANGLICO on the leeward side of Oahu, was one of 13 officers selected by HQMC.

The College Degree Program provides Marine Corps officers who have sufficient credits to attain a degree in one year, an opportunity to attend school while on active duty.

Captain Hatfield was granted the school of his choice which is in his native Oklahoma. He hails from Fredrick, Okla.

## 1-4 Is Home

Some 1300 Marines of Battalion Landing Team 1/4 received a rousing welcome Monday morning when the USS Okanogan and USS Point Defiance tied up at Pearl Harbor's Piers V-2 and 3.

The Point Defiance docked shortly after 9 a.m. and the Okanogan tied up about 10:15.

Foot high letters on a high flying sign read, "Welcome Back 1/4 . . . ALOHA."

At pier side the 1st Marine Brigade Band played a medley of tunes to welcome the returning Marines.

Traditional Hawaiian entertainment greeted the homecoming Marines as about 250 dependents waited on the piers.

When LtCol. A. I. Thomas, BLT commander, came ashore, he was greeted by LtGen. V. H. Krulak, CG, FMFPac; BrigGen. M. E. Carl, Brigade CG; and Col. J. M. Rouse, Regimental CO.

# WWII Novel by David Westheimer, 'Von Ryan's Express,' K-Bay Choice for April

By Maccine Titus

Chief Librarian

"Von Ryan's Express," a novel by David Westheimer, is K-Bay's Book-of-the-Month for April.

Col. Joseph Ryan is a good soldier, with a ramrod for his spine.

Two weeks after his arrival in an Italian POW camp, he has welded a lethargic, sloppy bunch of prisoners into a clean-shaven, close-order regiment — men united by their hatred for the Prussian-type efficiency of the man they call "Von" Ryan.

Then the Colonel uncorks the wildest escape plan in history. He starts 24 sealed box-cars of "Von Ryan's Express" on an agonizing, almost impossible race along hundreds of miles of railroad track to Switzerland — and freedom.

One of the most enjoyable action-escape-suspense stories to have come out of WWII, it is recommended as top-notch entertainment . . . hard to put down.

## Positive Attitude Can Help

By Chaplain G. S. Thilking

One of the values of the Easter Season we've just observed is the offer to mankind of a new lease on life. This is generally understood to refer to the assurance of eternal life in the world to come.

And it does. But the meaning of Easter should not be limited to its other-worldly aspect.

From time to time each of us needs a new lease on life in this world. Taking a need-

ed leave may be the answer. Sometimes a new assignment within a unit, or even a new duty station may help us to turn-to with new enthusiasm.

Many people look to their rotation date as if this will magically solve all their personal problems.

My contention is that what we need more than a new location is a new attitude. Anyone can be dissatisfied any place if he tries just a little. Some folk will undoubtedly be grippers in heaven itself, if they get there.

A positive attitude and a little effort to contribute to the over-all purpose of our military unit will go a long way in helping each of us achieve satisfaction and happiness in the present here and now.

Military dependents, also, ought to take seriously their responsibility of being part of the solution rather than a part of the problem.

**Mondays Are Blue for K-Bayites, Too** — According to the latest statistics from PMO, Mondays are truly "Blue" aboard the Air Station.

During 1963, the largest number of accidents occurring on any one day of the week was recorded on Mondays. The most critical hours were from 10 a.m. 'til noon. Ranking next as an accident-prone day was Friday. The danger area was between noon and 2 p.m.

PMO officials have no explanation for these mild phenomena, but do offer a little advice. K-Bayites should exercise a little more caution than usual on these days. Statistics don't lie.

**Alarm No Harm** — When the K-Bay bank alarm sounds, it touches off a series of automatic responses by security forces, including "closing" the gate.

Last Thursday evening's alarm was caused by a safeguard within the alarm itself, not by any sort of attempt to enter the bank. Until the cause was determined, however, security reactions were instant and complete.

Bank Manager Bob Bosworth has asked the WM to express to K-Bayites his apologies for any inconveniences caused by the alarm, especially at the gate. At the same time, he has nothing but praise for the response by PMO security people.

**Corps Recognizes League** — Gen. Wallace M. Greene Jr., CMC, reaffirmed the Marine Corps' close relationship with the Marine Corps League during a recent visit to League Headquarters in Arlington, Va.

During the visit, the General presented Mr. Raymond Eutts, Marine Corps League Commandant, with a copy of a recent order outlining Marine Corps recognition of the League.

The directive authorizes and encourages commanding officers to cooperate with and assist Marine Corps League Detachments, provided such Detachments adhere to established criteria.

Gen. Greene also urges all Marines, regular, reserve, and retired to join the League and help promote its purposes.

**Cancer Is Topic** — Mokapu School's PTA will hold a meeting Monday evening at 7 in the School's cafeteria.

PTA members will hear a talk by guest speaker Levern Peterson of Honolulu on smoking and lung cancer.

Mr. Peterson will also present a film on the subject entitled "One in 20,000."

Refreshments will be served and baby sitting will be available for children of walking age.

**Bargain Hunter Reminder** — The Main Exchange cost sale which began Wednesday will end tomorrow afternoon.

K-Bayites have today and tomorrow to take advantage of the many bargains offered in every department.

## Red Cross Drive Goes Over \$2700 During 2nd Week

More than \$2700 has been received in the second week of K-Bay's 1964 Red Cross fund drive, according to Cliff Hadley, Field Director.

Mr. Hadley expressed his appreciation for the way K-Bayites are responding to the local drive and surpassing last year's donations.

The Red Cross has already sent 27 workers to Alaska to assist local authorities in re-establishing their communities after last week's earthquake.

Health and comfort services will be provided by the Red Cross in the name of all Americans.

When feasible the Red Cross will purchase the items essential in giving families a new start.

"Remember that people come to the Red Cross every day for help — once a year, the Red Cross comes to you for help," Mr. Hadley said.

**TWO OF A KIND** — Brownies Francine Gibson, Troop 89 (l), and Kelley Johnston, Troop 174 (r), get the jump on K-Bay's annual Macadamia nut sale by cornering the Station CO, Col. P. T. Johnston. ## Drop 'Badmen' Roles

# BLT 1-4 Passes the Helmet To Aid Injured Taiwan Boy

Aggressors of BLT 1/4 shook off their "badmen" roles during Operation "Back Pack" and donated more than \$300 to aid a 14-year old Taiwan youth.

Three days prior to "D"

Day, SgtMaj. K. E. MacPhail, 1/4 Sergeant Major, passed through the city of Heng-Ch'un. He noticed a youth with an injured hand. With the aid of SgtMaj. C. L. Yuan of the Chinese Military Police, SgtMaj. MacPhail learned that the boy had caught his hand in a noodle slicer and had received only elementary first aid.

The boy, CHEN Pi-Kwang was taken to the Base Camp Dispensary and examined by the battalion's doctor, Lt. (MC) A. R. Prizzi. It was determined that blood poisoning had set in and if the boy did not receive immediate medical attention he might lose his hand. It was recommended that he be taken to the civic hospital in Kaohsiung, 70 miles north of Base Camp.

SgtMaj. MacPhail arranged transportation to the hospital where the boy is undergoing several weeks of medical treatment.

When Marines of K-Bay's aggressor force learned of the boy's condition they 'passed the hat'. LtCol. A. I. Thomas, BLT 1/4 CO, presented 12,000 Taiwan dollars to the boy's parents.
