K-Bay's NRS Asking 100% Participation

K-Bay's Navy Relief Society fund-raising chairmen are hopeful of achieving 100 per cent participation by the end of next week.

K-Bayites have slightly more than a week left to make their contributions to the 1964 NRS fund drive.

All individuals are reminded that they must make a personal contribution if K-Bay is to achieve 100 per cent participation.

Payday, Monday, will be an excellent chance to make K-Bay's expectations a reality—so dig deep and encourage others to give.

"Although the Station's drive this year is progressing satisfactorily we still have not reached our goal of 100 per cent participation. I am confident that we will do so during the coming week," said Maj. C. B. Garrett, Station Chairman.

"Brigade has been doing well so far but training commitments have hampered keymen in their efforts to make personal contacts. I am confident that everyone will be contacted before the drive ends," 1stLt. F. W. Milling, Brigade Chairman, said.

Navy Relief reaped more than \$86 from the proceeds of the last three Saturdays' matinees at Theatre #1 to add to this year's fund.

You can increase the final tally of this year's drive with your donation.

The organization that "helps its own" needs your help. Please give it Monday.

PRAYER FOR PEACE, MEMORIAL DAY, 1964
BY THE PRESIDENT OF THE UNITED STATES OF AMERICA

A PROCLAMATION

WHEREAS on Memorial Day of each year it has long been the custom of this Nation to honor its forefathers and patriots who have laid down their lives that we might live in freedom; and

WHEREAS we are eternally grateful to them for their supreme and selfless sacrifice on the field of battle; and

WHEREAS the same revolutionary beliefs and ideals for which our forebears fought and died are still at issue in the world and the challenge against them can be met only through the same qualities of bravery, fortitude, and unyielding determination shown by our noble dead; and

WHEREAS Memorial Day each year provides a fitting occasion upon which our citizens may commemorate departed loved ones and offer prayers for the preservation of liberty and peace free from the threat of war; and

WHEREAS for this purpose the Congress, in a joint resolution approved May 11, 1950 (64 Stat. 158), requested the President to issue a proclamation calling upon the people of the United States to observe each Memorial Day as a day of prayer for permanent peace;

NOW, THEREFORE, I, LYNDON B. JOHNSON, President of the United States of America, do hereby designate Memorial Day, Saturday, May 30, 1964, as a day of prayer for permanent peace, and I call upon all the people of the Nation to invoke God's blessing on those who have died in defense of our country and to pray for a world of law and order. I designate the hour beginning in each locality at eleven o'clock in the morning of that day as the time to unite in such prayer.

I also urge the press, radio, television, and all other information media to cooperate in this observance.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the United States of America to be affixed.

DONE at the City of Washington this twenty-third day of April in the year of our Lord nineteen hundred and sixty-four, and of the Independence of the United States of America the one hundred and eighty-eighth.

LYNDON B. JOHNSON

Station, Brigade To Honor Fallen Comrades Saturday

Station and Brigade Marines will honor their fallen comrades Saturday, May 30, during Memorial Day ceremonies both on, and off Station.

In memory of these men who served their country with honor, Station ordnancemen will fire a 21-gun salute (at one minute intervals) beginning at noon on Memorial Day from the Station's saluting battery.

While K-Bay's guns are firing, a ceremonial firing squad, made up of both Station and Brigade Marines, will fire the salute to the dead at Memorial Day ceremonies at the National Memorial Cemetery Of The Pacific at Punchbowl.

Squad Leader for the firing squad will be Sgt. R. J. Kane. The squad will be composed of Cpls. R. T. James, D. R. Killisheck, R. G. Van Neel, and T. F. O'Neill, LCpls W. L. Manigault, L. H. Groh, and G. R. Grothe; and PFCs R. R. Sanchez, W. L. Dunn, R. C. Umphrey and J. H. Stafford.

The Punchbowl activities will include a massing of the Colors from each of the five Services and will include the Colors of various veterans organizations. Sgt. C. A. Rix will be the Marine Corps Color Bearer.

The program will also include the traditional playing of echo taps by buglers Cpl. J. W. Harryman, and PFC. H. G. Bachman, of the 1st Brigade Band.

The 21-gun artillery salute for the ceremonies will be rendered by Schofield's "A" Battery, 7th Battalion, 11th Artillery.

Although known to many as Decoration Day, the official designation for May 30 is Memorial Day.

It was first ordered by General John Logan, Commander in Chief of the Grand Army of the Republic, who issued the order designating the day as one in which the graves of soldiers would be decorated.

Memorial Day, which is a legal holiday in most states, was originally devoted to honoring the memory of those who fell in the Civil War, but is now dedicated to the memory of the dead of all wars.

'Thing' Has More Zing Brigade Receives Six Modified Ontos

The latest "Thing" in anti-tank weapons has arrived at K-Bay.

Field Maintenance, Serv-

Bn. received six of the new M50A1 modified Ontos last week. Other shipments enroute to Hawaii will bring the Brigade's Anti-Tank strength to 15 vehicles with one additional vehicle in mount out.

According to Capt. D. J. Murphy, Anti-Tanks CO, the new vehicles are expected to be operational in the company by July 1.

The vehicles, which replace the M50 that has been in service since 1955, are presently undergoing deprocessing by Field Maintenance and a Maintenance Service Team from HQMC.

Improved features on the new Ontos include a V-8 engine in lieu of the 6-cylinder previously used. The greater horsepower delivered by the new V-8 engine will enable the Ontos to be even more mobile, and allow for faster operation over more rugged terrain.

Other modifications include night firing capabilities which utilize a left and right azimuth scale, elevation quadrant and range card procedures. The

new Ontos also features an improved, longer-life track.

According to HQMC, all Marine Corps and Marine Corps Reserve Antitank Battalions will be equipped with the modernized M50A1 Ontos. The Tracked Vehicle School at Camp Pendleton, and Marine Corps Schools, Quantico, will use the new tracked vehicle for instructional purposes.

K-Bay Sirens Wail Monday

K-Bay's air raid and tidal wave warning sirens will be tested Monday at 30 seconds prior to 11 a.m.

Military sirens at shore installations on Oahu are sounded monthly with Civil Defense sirens to ensure that the sirens are operative.

The air raid test will consist of a steady blast of one minute duration followed by one minute of silence and then one minute of the wailing "TAKE COVER" signal.

The tidal wave warning system will be tested one minute after the wailing tone. This test will be a one minute blast on the coastal sirens only.

An announcement will be made over the Station Public Address System prior to the tests at K-Bay.

NEW ONTOS — Capt. D. J. Murphy, Anti-Tanks CO (I), receives a briefing on the operation of the new V-8 engine in the M50A1 Ontos, from Andrew Kruecher, Key Inspector, Army Tank Automotive Center, Detroit, Mich. (c), and John L. Miller, Technical Representative, Allis-Chalmers, LaPorte, Ind. Six of the modified Ontos are presently undergoing deprocessing at Service Battalion's Field Maintenance.

Social Security Offers Many Important Benefits To Aid You and Your Family

By GySgt. T. W. McCarty
Brigade Career Advisory NCO

All persons entering active duty in the Marine Corps are required by law to contribute a small portion of their pay to the Social Security program.

Many of these people tend to associate Social Security benefits with old age, a mediocre monthly pay check or other fringe benefits that old age accrues. This is not so.

Social Security benefits can play an important part in our lives. Looking into a few of them you will find:

Total Disability Payments—If a person becomes unable to work due to disability, Social Security will pay him monthly benefits based upon his earnings before disability occurred. Social Security will also supplement the disability payments for children and the wife if she is providing for a child eligible for the payments, and for the wife (without children) if she is 62 or over.

Eligibility—A person must work under Social Security for at least five years, or, since credits are counted in units of calendar quarters, at least 20 calendar quarters.

An exception to the five-year or 20-calendar quarter requirement are the free-wage credits granted to servicemen who served on active duty between 16 September 1940 and 31 December 1956.

These free credits count the same as actual earnings of \$160 per month in determining whether you have enough credits for a Social Security benefit and in figuring the amount you or your family can receive.

Amount of Disability—A person need not be totally helpless. He must have a disability that is so severe, that in the words of the law, renders a person "unable to engage in any substantial gainful activity." The disability must be a physical or mental condition that is expected to continue indefinitely or to eventually result in death. These conditions must show up in medical examinations and tests.

Survivor Payments—In the case of death, certain members of a Marine's family can receive monthly

payments if the deceased Marine worked long enough under the Social Security law. In addition, a single lump-sum death payment can be made to the widow/widower if she or he was living in the same household. This lump-sum is intended to help towards burial expenses. The payment is figured on three times the monthly retirement benefit, not to exceed \$225. Those eligible for survivor benefits are: unmarried children under 18, children 18 or over provided they were disabled before reaching 18 and have remained so since, and widows, provided she is caring for a child who is entitled to payments. Also dependent widowers 62 and over, dependent parents 62 or over,

and a divorced wife, if, prior to the death of the husband, was dependent upon the deceased husband pursuant to a court order or agreement and has in her care the child who is also entitled to payments. The above mentioned Social Security benefits are but a few of the many available to you and your family. If you have further questions or desire additional information contact your unit career advisory NCO—he's there to help you.

On New Auto Loans

Credit Union Lowers Rate

A reduction in interest rates charged for new automobile loans has been announced by the MCAS Federal Credit Union.

The new interest rate is 3/4's of one per cent per month on the unpaid balance, a reduction from a full one per cent, according to Capt. V. D. Caracio, 1st vice-president in charge of Education.

Capt. Caracio gave the fol-

lowing example of the new rates: A new automobile costing \$3200 purchased with a \$500 down payment and financed for 36 months through the Credit Union will cost \$85.86 per month with total interest charges of only \$390.96.

For further information concerning interest rates for new automobile purchases, call the MCAS Federal Credit Union, extension 73593.

America Honors Her Sons Who Fell To Keep Freedom

By Chaplain C. J. Griffin

It is indeed surprising how quickly the grass grows over the battlefield. But then, we can be grateful to the All Provident God that it does.

For which of us who have been rendered in the crucible of combat would wish constantly before our eyes the total physical evidences of the awesome price America has paid for her freedom.

Today even the verdant beauty of Springtime splendor is made more radiant with the scintillation of three ever beautiful colors; Red, White, and Blue.

It is at this time that the weft and warp of the beautiful tapestry which is America can be viewed with more clear perspective as new flags are reverently placed over the graves

of Her many sons who served Her in uniform.

It is at this time when the last vestiges of a year's overgrowth are removed from our cemeteries, when the moss is scraped away from the headstones and those consecrated vaults of America's glory release to her again their silent song of praise.

If we will fully sense the sacred meaning of this day however, more will be required than merely cleaning up the cemeteries and gracing them with our nation's flag.

We truly have to pull away the moss from our own eyes and hearts.

While the headstones of 1776 may now be dimmed from the erosion of years their meaning and purpose must yet enkindle within our hearts the fire of love of America.

We can, if we tune our ears and pull the moss from our eyes, recognize that new stones are being cut this very day over the heads of young Americans who are making the Supreme Sacrifice in southeastern Asia.

Freedom always demands a struggle. In the words of the soldier poet Kipling: "Be with us Lord, be with us yet; Lest we forget, lest we forget!!"

Times Center Offers Reports for Retirees — The Navy Times Service Center has a packet of reports especially designed for military personnel who plan to retire soon.

The reports spell out all the facts on disability retirement, benefits for retirees, government jobs for retirees, survivor benefits and listings of stateside military commissary and hospital facilities.

The set of six reports is available from the Navy Times Service Center, 2201 M St. N. W., Washington, D.C. 20037, for 50 cents postpaid. (Navy Times)

Falcons Feted Between Flights — One hundred-seventy Air Force Academy cadets will stop-over at Hickam AFB, next weekend enroute to Australia and the Far East to fulfill requirements needed for their Field Study of Overseas course.

Hickam has planned a social event, including reception, floor show and dance from 6:30 to 11 p.m. June 5 at the Hickam Officers Club.

Young ladies and lady-guests, 17 or older, of K-Bay military families are invited to attend the event. Reservations must be made to attend.

Mrs. J. Niemi will accept reservations and supply additional information at telephone 442-490 at Hickam.

Council Fire — K-Bay's CampFire Girls are scheduled to host the Windward Area Bluebirds and CampFire Girls at a Council Fire at Pyramid Rock tonight at 7 p.m.

The girls' leaders, sponsors and parents will also attend. Nine Bluebirds are scheduled to "fly up" to CampFire Girls during the ceremony. Awards will also be presented to six CampFire Girls.

Summer Fun Program — K-Bay's Youth Activities Association has extended registration for the Summer Fun Program until Tuesday.

Registrations will be held at Mokapu School from 10 a.m. until noon, tomorrow, Monday and Tuesday.

There is also a need for Red Cross Qualified Swimming instructors. Interested personnel call 72404. Instructors will be provided with child care service during their working hours.

Only You Can Make It 100 Per Cent — Station and Brigade are seeking 100 per cent participation in this year's Navy Relief fund drive. Without your personal contribution the result cannot be a 100 per cent showing.

When your unit chairman or keyman contacts you, dig in and make your donation. You'll be helping an organization that helps Marines and Navymen throughout the year.

Infantry Tale Could Mean Cash to You

The professional Army military magazine INFANTRY has announced its third annual short story contest.

Stories should not exceed 3000 words and can be humor or fiction, or both, but must be infantry related. They must be typed, double-spaced, using only one side of the paper.

Authors must identify themselves with their rank and military address. A short biographical sketch must accompany each manuscript.

Entries must be postmarked not later than Aug. 20. Mail all stories to: Writing Contest, INFANTRY Magazine, Box 2005, Fort Benning, Ga., 31905.

First and second place winners will receive \$100 and \$75 Savings Bonds respectively. The winner's story will be published in the November-December issue of the magazine. The second-place story will appear in the January-February 1965 issue.

All entries will be acknowledged upon receipt. A self-addressed envelope and postage must accompany each entry if the contestant wants his manuscript returned.

Station Communicators Studious Lot; Awarded 58 Diplomas in Past Year

The presentation of four correspondence course completion certificates to three Marines from the Station Communications Department last week brought the Department's total course completions for the past year to 58.

The figure more than doubled the number completed during the previous year. In addition, five courses are pending the arrival of the final examinations and 26 courses are now being worked on.

According to GySgt. Harmon Hunt, Education NCO for the communicators, the desire of a few Marines to improve their knowledge has kindled the interest of many of the others to do the same.

Leading the communicators with courses completed during this period is Sgt. W. K. Robertson who has completed seven and is awaiting certificates on two. He is working on another.

WELCOME BACK . . . SIR — 2dLt. John F. Bates, OIC, Rear Echelon Unit, 2/4 (I), welcomes his CO, LtCol. D. T. Doxey back to K-Bay. Col. Doxey and his "Second to None" Marines returned from a three-week training period on Pohakuloa Saturday.

Increase Your Security

Savings Bond Campaign Is Underway

K-Bay's "Operation Security," an all-out drive for the 1964 Savings Bond campaign is underway.

The local drive which began May 1 will end July 4. Representatives will conduct a person-to-person canvass of K-Bayites starting June 22 through July 3.

U. S. Savings Bonds, since the origin of the program in 1941, have played two highly important roles in the development of American ideals.

They first provide for the

investor a means of saving, safe and profitable. And secondly, the purchase of Savings Bonds, by spreading the national debt among the investors, gives every man the opportunity to share in the obligation of democratic government.

There are two varieties of Savings Bonds available. The differences between the two are the ways in which savings and interest accrue and are paid.

Series "E" bonds are the type most often purchased because their purchase price is within the range of most incomes and they mature in only seven years and nine months.

These bonds accrue an interest of three and three-quarters per cent compounded semi-annually and are purchased at three-quarters of face value.

A \$100 Savings Bond costs \$75 when purchased. Seven years and nine months later it can be redeemed at its face value of \$100. These bonds can be bought in denominations of \$25, \$50, \$75, \$100 and up.

Series "H" bonds are pur-

chased primarily by those desiring sound investments with constant interest payments.

They are bought at par face value (\$500, \$1000, \$5000 or \$10,000). An interest check is received every six months at an average of three and three-quarters per cent interest over a 10-year period.

The beauty of Series "H" Savings Bonds is their use in conjunction with Series "E" bonds. Income tax savings and a constant income in later years can be gained by the exchange of Series "E" Savings Bonds for Series "H".

Buying and holding U. S. Savings Bonds is a patriotic, practical way to increase security — for yourself and your nation.

See your unit Savings Bond Officer for additional information.

Effective June 7

Some CS Workers To Get Pay Lift

The Station's 325 blue collar Civil Service workers will receive pay raises averaging 12 cents per hour effective June 7.

The raise is the result of a recent full scale wage survey in which current wages were compared with those in private industry in Hawaii.

After reviewing the data collected, the Navy Department in Washington approved a new Schedule of Wages for the Honolulu area.

Army and Air Force employees will get similar pay increases.

The increased per-hour rates are 2d Step Laborers (Pay Level 2), \$2.13; Warehousemen and Helpers (Pay Level 5), \$2.32; Automotive Mechanics, Carpenters, Painters (Pay Level 10),

scheduled to return to the Air Station June 6.

Some 675 Marines of the 2d Battalion, commanded by LtCol. D. T. Doxey, began arriving at the Station at approximately 9:20 a.m. Saturday.

The battalion completed their live firing and underwent a BLT Tactical Test last week to climax a three-week stay at Pohakuloa.

The battalion's "F" Company remained at the training site to act as aggressors for both 3/4 and 1/4.

Headquarters and "G" Batteries, 3/12 returned to K-Bay last Friday by LST. "H" and Mortar Batteries are scheduled to arrive Tuesday also by LST.

Of the 15 days available to 3/12 for training at Pohakuloa, the battalion spent 12 days and eight nights in the field.

Detachments from Service Battalion's 1stLdgSptCo., 1stLt-SptCo., B-Med, and Headquarters Company departed K-Bay by LST last Friday to replace their counter-parts in Pohakuloa.

K-BAY YOUTH SUMMER BULLETIN BOARD

Kaneohe Bay's Air Station youth can enjoy a variety of activities this summer and throughout the year, thanks to the annual K-Bay Water Carnival.

The proceeds from the the Water Carnival are the only source of income of the Kaneohe Bay Youth Activities Association (KBYAA).

Established on Feb. 20, 1963, the Association is composed of the senior member from each of the member activities.

All member activities are encouraged to operate independently and to finance themselves to the maximum extent possible since current proceeds from the Water Carnival

do not permit full subsidization of all the various youth activities.

Each member activity submits an annual budget request which is reviewed by the Association.

Depending upon the needs, the number of children served, uniform requirement and other operational expenses, the KBYAA then augments the funds of each member activity in accordance with the budget request insofar as possible.

Expenditures to date have been made for Boy Scout tentage, literature, badges, sweat shirts for the Swim Club, football uniforms, baseballs, bats,

craft supplies, officials' fees, league entry fees and have provided for all children the Hamson Puppet Show and the annual Christmas Party aboard the Station.

Transportation requirements for member youth activities are also funded by the Association.

The money expended by the KBYAA substitutes for Station fund drives and any required annual charge per child that might otherwise have to be made to support the youth program.

In programs such as the Swim Club, Little League, etc., where expenses are high, it is necessary for parents to help defray some costs.

Softballers Lose to Barber's Point 5-3; Defeat FOCCPAC 12-3, Constellation 3-1

The K-Bay Softball Team was defeated for the first time Saturday when they suffered a 5-3 setback at the hands of Barber's Point.

In the second game played at Pollock Field Saturday the 'Necks defeated the USS Constellation 3-1, in an exhibition game. Last Thursday they walked away from FOCCPAC 12-3.

Gerald Burton earned his third victory of the season when he limited FOCCPAC to three hits. The 'Necks had 11 hits.

Burton struck out 17 batters in going the distance. He issued two walks and scored

twice against the FOCCPAC squad.

The Marines scored two runs in the third and fourth innings. They came back with five in the sixth and three more in the seventh.

In Saturday's defeat the K-Bay squad committed 11 errors to allow Barber's Point to score five unearned runs.

Bob Kendrick struck out three and walked two in losing his first game of the season. He currently holds a 3-1 record.

The K-Bayites scored three runs in the second inning to jump off to an early lead. A walk, two singles and a fielder's choice gave the Marines their runs.

Barber's Point took advan-

tage of two errors in the fourth inning to score two runs. Four more errors in the fifth inning gave them their other three runs.

In the exhibition game against the USS Constellation Saturday, Gerald Burton limited the Sailors to five hits. He struck out eight.

The 'Necks scored two runs in the second inning. Willard Kittrell led off with a single and stole second. He came home on an error. Ed Butler got on due to an error and came home on a fielder's choice.

The final run came in the fourth inning when Kittrell doubled. He was singled home by Ken Pelletier.

Hawaiian AAU Meet Postponed By Rains

Heavy rains and a soggy track forced the postponement of the Hawaiian AAU Track and Field Championship last Saturday.

The AAU Championship will be run Saturday at Punahou's Alexander Field with events getting underway at 1 p.m.

HASAC tournament will be made at a later date.

Maj. Earl W. Whitten, Station Provost Marshal, has been designated tournament director.

Awards will be presented to the champions, low net, low gross scorers of each flight. The overall champion and runner-up and anyone scoring a hole-in-one will also receive trophies.

Participants will be limited to one trophy. All players must provide their own equipment.

Marine To Coach

Two Marine Boxers on Olympic Squad

Two Marine Corps Boxers from Camp Pendleton and their coach have been named to the Olympic Boxing team.

K-Bay's Olympic hopeful Willie Johnson was eliminated in the three-day tournament held in New York May 18-20.

Featherweight Charlie Brown and welterweight Maurice Fritlot both fought their way to the Olympics through the Inter-Service matches.

Camp Pendleton's head boxing coach, MSgt. Fred Lenn has been appointed head coach for the U. S. squad. He was coach of the 1957 Hawaii Marine Boxing Team.

Sgt. Lenn's coaching career began during WWII in the Pacific Islands. During lulls in action he organized smokers to entertain the troops.

Since that time he has

To Play Olympic Squad

Two HM Basketball Players Named To Hawaiian Service All-Star Team

Two Hawaii Marine Basketball players have been named to the 1963-64 Hawaiian Armed Forces Senior Invitational Basketball League All-Stars team.

Ten players from the league were selected to the team. Three were from SubPac, two from Hickam, and one each from Army, Pearl Harbor and Naval Air.

The all-stars are: Marines — Dick Markowitz,

piled a ring record of 170 wins, 6 losses and 2 draws fighting both amateur and professional.

Two Army, two Air Force, one Navy and three civilian fighters completed the 10-man Olympic squad.

Bill Connolly. SubPac—Leroy Jackson, Maltrus Neely, Chuck Johnson. Hickam—Ken Pichette, Bert Rickner.

Army — Gil Upchurch. Pearl Harbor —Oscar Davis. Naval Air—Jim Clinkscales.

The All-Stars are scheduled to play two games against the United States Olympic team which will train in Hawaii from Sept. 1-20 at Bloch Arena.

Leatherneck Nine Takes Four Straight; Streak Snapped by Hickam's 11-1 Win

The Hawaii Marine Nine's four game winning streak was broken by a 11-1 defeat at the hands of the Hickam Flyers Sunday.

Before playing the Flyers, the 'Necks had defeated Army 9-2, NavAir 13-2, Hickam 6-3, and SubPac 4-3.

Currently holding a 12-10 record for the season, the HMs are scheduled to return to Riseley Field June 9.

At the start of their winning streak, the 'Necks handed the Army nine their 11th loss of the season May 17.

The HMs jumped on NavAir's pitcher Tom Strickler for 13 runs May 19 to win their 10th game of the season.

Bob Vostry drove in eight runs with a home run and two singles in leading the Marines to their victory. Vostry's homer came with two mates aboard. An opposite field single accounted for three more runs.

Frank Slapikas drove in three runs with a solo homer, a sacrifice fly and a walk with the bases loaded. Marine pitcher Jim Helms

collected two hits along with NavAir pitcher Tom Strickler.

The steady seven-hit pitching of Len Cather enabled the Hawaii Marines to trip Hickam 6-3, in a makeup game at Quick Field May 21.

Back-to-back home runs by Frank Slapikas and Ted Johnson in the fourth inning clinched the victory for the 'Necks.

Cather fanned eight and

Highline Program Designed To Help Retired Personnel

Many Marine Corps retirees are familiar with the Navy League's "Operation Highline."

Operation Highline aids retired Naval Service personnel in making the transition from military to civilian employment.

Though not a job placement agency, Operation Highline is designed to aid the uninitiated in preparing resumes, avoiding interview errors with prospective employers, and acquiring general knowledge of the civilian employment field.

The League conducts Operation Highline at no expense to the retiree. It cooperates with the U. S. Employment Services.

For further information write to: Chairman, Operation Highline Navy League of the United States Mills Building, Washington, D.C.

The office of the Secretary of Defense has also announced a program to assist retirees in planning a post military career.

The program, to begin in July, will cover employment opportunities and problems.
