

Navy League Will Honor Outstanding K-Bay Officer

1st Lt. Roy E. DeForest, Deputy Director of Brigade Schools, has been selected to receive the Navy League's honors as the Brigade's "Outstanding Junior Career Officer."

In addition to Lt. DeForest, seven island-based Navy officers will be honored by the Honolulu Council of the Navy League tomorrow at the Annual Navy Day Ball to be held at Pearl Harbor's Commissioned Officers Mess (Open). The Navy League honors a group of "Outstanding Junior Career Officers" annually as a means of encouraging capable young men to select a career in the Armed Forces of their country.

According to Paul M. Bischoy, Secretary of the League's Honolulu Council the Navy League's purpose is to inform the American people of the need for well-balanced Armed Forces with a strong Navy and Marine Corps.

Lt. DeForest, who placed first in his class at the Brigade's Air Observer School in March, was cited for his participation in Vietnam as an Air Observer while TAD for three months with a helicopter unit.

While there he flew 60 missions in 62 days for a total of 175 flight hours in support of counter-insurgency operations over the Republic of Vietnam.

He was awarded the Armed Forces Expeditionary Medal and is awaiting presentation of three Air Medals.

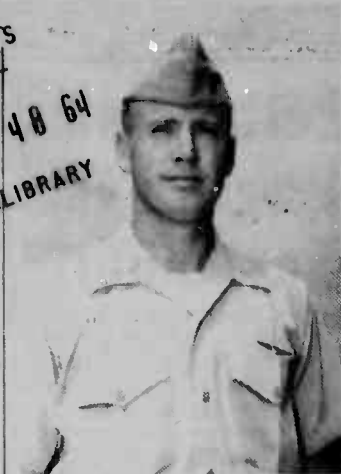

Upon his return from Vietnam, he became Deputy Director, Brigade Schools. In this capacity, he is directly responsible for the administration, property control, and coordination of more than 28 of the Schools' courses.

According to Maj. B. B. Smith Jr., HqCo—Brigade CO, Lt. DeForest is an exceptionally well qualified and capable Marine officer.

He was awarded the Major General Merritt A. Edson Marksmanship Trophy for exceptional achievement in rifle and pistol marksmanship in March 1963, while at-

tending Basic School at Quantico, Va.

At the reception Lt. DeForest and his wife, Angalee, will be called forward by Vern Brye, Acting President of the Navy League's Honolulu Council. tinue the drive for contributions through Monday.

According to Maj. W. E. Rudolph, Station Chairman, final figures are not yet available, but most units are "over the top" with 100 per cent participation.

1st Lt. F. W. Milling, Brigade Chairman, reported that 3/12 has reached the 100 per cent participation mark, and 1/4 presently lists 95 per cent with more contributions coming in.

He added that most Brigade units are near the 100 per cent mark, but because some units are presently operating in the field, final results will not be known until next week or later.

The Community Chest is a non-profit organization of representative citizens who strive to strengthen social welfare services on Oahu.

K-Bayites are reminded that the Community Chest contributes to the support of 30 agencies which serve military as well as the civilian residents.

Included in the organizations most often utilized by military personnel and their dependents are the Boy Scouts, Girl Scouts, YMCA, and the YWCA. The Chest also aids the Volunteer Service Bureau, which supports the Marine Corps' annual Toys For Tots campaign.

Picturesque Cultural Center Recaptures Old Polynesia

Upon entering the gates, visitors can follow a route through villages of American Samoa, New Zealand, Fiji, Tahiti, Hawaii and Tonga.

Each village includes the people of Polynesia—families, small children, and elders; fishermen and wood carvers.

The Center is open six days a week. On Monday, Tuesday and Thursday, the hours are from 10 a.m. to 5 p.m. Wednesday, Friday and Saturday, the hours are from 10 a.m. until 9:45 p.m.

Letter Award Program Ends November 1

Less than two weeks remain for K-Bay's military personnel on active duty to enter the 1964 Freedoms Foundation Letter Awards Program.

The subject of the contest is "My Vote: Freedom's Privilege." Entries should be 100-500 words and be mailed to Freedoms Foundation, Valley Forge, Pa., before Nov. 1. Military identification and address are required. There is no entry fee.

The Freedoms Foundation at Valley Forge, offers 101 cash awards totaling \$8500 and George Washington Honor Medals to winners in the program.

The top award is \$1,000. An additional fifty awards of \$100, and fifty of \$50 are given.

The principal award winners will participate in the presidential Inauguration Parade Jan. 20, 1965 in Washington, D. C.

While in Washington the winners will receive their cash and medal awards, and meet their service chiefs and the Senators from their home states.

The contest, which began Apr. 1, asks members of the Armed Forces to express their views on the obligation of all American citizens to participate in their government by exercising their privilege to vote in national, state and local elections.

Please Let Them Make Their Appointed Rounds—Despite rain, sleet, snow, flood, hurricane and tidal wave, United States Post Office carriers have managed to deliver the mail.

In order to keep their unblemished record clean and their sparkling image shiny they need help from the residents of Rainbow Housing.

The front door screen which has been keeping the mosquitoes out of the house has also kept the mail from reaching the mail box.

"If Rainbow Housing occupants would leave their screen doors unlatched during the day they would receive better mail service, because the mailman is required to place the mail in a proper receptacle or return it to the Post Office," Thomas Branham, Housing Manager, said.

Aviation Efficiency Trophy—The Commandant of the Marine Corps has sent the following message to the members of HMM-161:

"While VMCJ-1 has won the Commandant's Aviation Efficiency Trophy for FY 1964, the exemplary achievements and efficiency which resulted in the nomination of HMM-161 for the trophy compels me to extend a hearty well done to the officers and men responsible for such an admirable record.

"Selecting a winner was most difficult since the margin of difference between the units nominated was extremely small. There was no margin of difference in evident leadership, teamwork or esprit de corps and I share your obvious pride in your unit of the United States Marine Corps."
