K-Bay To Test Sirens Monday

K-Bay sirens will be tested Monday at 30 seconds before 11 a.m., in connection with Oahu's monthly Civil Defense check to ensure that each siren is operative.

The test will consist of a steady blast for one minute, followed by one minute of silence and then one minute of the wailing "Take Cover" signal.

The tidal wave warning system will be tested one minute after the wailing tone ends. This test will be a one minute steady blast

on the coastal sirens only. K-Bay's public address system will announce the Civil Defense test prior to the sounding of the sirens. To Celebrate 189th Birthday

K-Bay Readies for 'Really Big Show' November 10

Preparations for K-Bay's observances of the Marine Corps' 189th Birthday are in full swing today with just 10 days remaining before Nov.

The Enlisted, Staff NCO and Officers' Clubs will each sponsor a Birthday Ball.

E-Club festivities will kick off with a free buffet from 7 to 9 p.m. in Hangar 105

SSgt. E.A. DeCola, Station ISO, will then narrate a pageant depicting the history of the Marine Corps since 1775. Members of the 4th Marines will wear period uniforms in the pageant.

K-Bay Chest Drive Nets More Than \$6653

The K-Bay Fiscal Year 1965 Community Chest Fund Drive ended Monday with more than \$6653 being donated by K-Bay Marines, Navymen and Civil Service employees.

According to 1stl.t. F.W. Milling, Brigade Chairman, the Brigade contributed \$3918.15 with 1/4, 3/4, 3/12, MACS-2, and VMF(AW)-212 attaining the 100 per cent participation goal.

Maj. W.E. Rudolph, Station

Chairman stated that the Station campaign, which ended Friday netted a total of \$2735. Maj. Rudolph added that PMR and numerous sections reached their goals, and that the Station's overall participation was 99 per cent.

The donations will be turned over to the Honolulu Community Chest to aid the 30 recreational, welfare, and community agencies which serve both military and

civilian residents of Oahu.
The Honolulu Community Chest sponsors only agencies that have been carefully screened to insure that they effectively meet specific social welfare requirements of

the community and otherwise conform with high standards of public service.

Such screening assures the public that Chest sponsored agencies are bona fide organizations effectively engaged in improving conditions of life in this commu-

513 Relieves 314 In Japan

Six F-4B "Phantom" jet fighter-bombers took-off from K-Bay Tuesday morning, on the second leg of a trans-Pa-cific flight from El Toro, Calif., to Japan.

The aircraft from VMFA-513, commanded by LtCoi. Walter C. Stewart Jr., arrived in Hawaii Monday aft-

In Japan the squadron was scheduled to relieve VMFA 314, commanded by LtCol. Robert J. Barbour.

VMFA-314 will then become the first Marine F-4B "Phaatom" squadron to

make a return trans-Pacific flight from Japan to the United States.

The second increment of five VMFA-513 aircraft, led by Maj. William J. Geiger, Squadron ExO, arrived at the Station Tuesday and departed Wed-

The squadron aircraft were slated to be refueled near Midway Island prior to landing at Vake Island. After a third aerial refuel-

ing between Wake Island and Japan, the trans-Pacific flight was to end at NAS, Atsugi, Japan.

Marines Will Get Opportunity Tuesday To Improve Their Records as Voters

Marines will have an opportunity to improve their record as "outstanding voters" Tues-

day when the nation goes to the polls to elect the next President of the United States.

ABSENTEE BALLOTS-Cpl. C. F. Mooney, tool room and embarkation NCO (1), and LCpl. J. H. Barth, motor transportation mechanic, MABS-13 Marines, fill out their absentee ballots.

According to DOD, the Marine Corps led all branches of the military services in the United States with a 68 per cent turnout in the 1960 Presidential election.

The Navy followed with a 44.2 per cent; the Air Force, 38.9 per cent; and the Army trailed with 32.36 per cent.

During the 1962 election, there were 1,986,664 service-men eligible to vote. Of this number, 398,634 or 20.1 per cent voted.

The Marine Corps again led all other services with a 41 per cent participation.

The American serviceman, in order to vote, must utilize the absentee ballot if he is absent from his home state.

Secretary of Navy, Paul Nitze, reports that President Lyndon B. Johnson, wishes that all Federal Employees be urged to exercise their right and responsibility as citizens to vote in the forthcoming General Election, Tuesday,

Safe Driving School for Violators-A Safe Driving School will be conducted two Saturdays each month for personnel who have accrued six or more driving violation 'points' in a two-year period.

The points can be those acquired while driving on or off

of any military establishment.

Cpl. K. R. Martin, station license examiner, will conduct sessions from 10 a.m. until 1 p.m.

Maurice Chevalier To End Honolulu Stand Tomorrow-"An Evening With Maurice Chevalier" will be presented for a 'hold-over performance' tomorrow at 8 p.m., at the Honolulu Concert-Theater

Reduced rate passes for the one-man show are available from unit special services and must be exchanged for tickets at the Concert-Theater Box Office, 999 S. King St., not later than 7:30 p.m. tomorrow. Cost of the exchange is \$1.

Trick-Or-Treat-Tomorrow is Halloween and K-Bay keikis of all ages will be making their yearly rounds of the various housing areas begging for pupus.
"In the excitement children are apt to become careless, so

drivers should be especially alert tonight, for little ghosts and goblins darting in front of their vehicles," said Station Safety NCO, Sgt. R. H. Harbin.

Parents can help make trick-or-treating safer by avoiding the use of dark colored costumes for their children, he added.

"Why Did God Make Me?" Answer Brings Happiness

By Chaplain P.W. Power
"Why did God make me?" is a familiar question to us. Its answer can bring not only direction to our life, but also mental peace and happiness.

God made me to love and to serve Him in this world and by happy with Him in the next. Thus it means that we worship

Him on Sundays, expressing our dependence on Him by attending the Church our choice.

But that only half _nswers the question of our life. That is only half of religion: religion under the steeple. The other half is the harder half: religion out there among the people.

Simply, it means that we love our fellow men. To respect them, to be thoughtful of their needs, to express kindness and charity is also to love God. This is the difficult part of everyday living, to recognize God behind the masks of

Although these dates are the deadline, Mr. Wilsmann states that gifts should be mailed well in advance of these dates to be on the safe side.

He also pointed out that in Hawaii, all parcels addressed to the Mainland are subject to agricultural inspection.

To insure that items are not damaged in transit, postal officials encourage mailers to pack items in metal, wooden, or corrugated cardboard boxes. These boxes should be tied with

If cardboard boxes are used they should be covered with heavy wrapping paper and bound with cord.

All packages should be packed tightly with cushioning

material such as shredded paper.

Valuable packages should be insured and letters containing money orders or checks should be sent via registered mail.

Packages or letters containing hard or fragile objects should be marked "Hand Stamp." This will help insure that neither the contents nor the machines used to stamp mail, are

Postal officials also stress the importance of addressing packages and letters properly, using only accepted abbrevia-tions, and insuring that the addresses are readable.

All sealed packages sent parcel prepaid at the First Class postage rate or by air mail parcel post should bear the in-scription "Contents Merchandise — May Be Opened For Postal Inspection." Without these words, the package may be returned to the sender.

Air mail letters and parcels travel by MATS and commercial circraft. Parcel post packages are sent on the first available surface transportation.

Mr. Wilsmann also urges the use of Zip Codes especially during the holiday mailing period. The Zip Code for K-Bay residents is 96641. Kaneohe and Kailua codes are 96744 and 96734 respectively.

than 300 Navy officers and men stationed at K-Bay celebrate.

Col. P.T. Johnston, Station CO, assisted by Navy Capt. H. L. Teitel, Station Senior Dental Officer, cut one of the cakes in a brief ceremony at Messhall #1.

Col. Johnston, said to K-Bay Navymen Tuesday:

"On the occasion of Navy Day I wish to express my personal appreciation to our naval personnel who, as members of the MCAS team, contributed so significantly to the accomplishment of our mission during the past year. Best wished for a Happy 189th Birthday."

The cakes were served in both messhalls during the evening meal.

Navy Day was first pro-

claimed by the Navy League Oct. 27, 1902, according to Paul M. Fischley, Secretary of the Honolulu Council.

He said that the Navy League picked the date Oct. 27 for two reasons—the U.S. Navy was officially launched on Oct. 27, 1775, with four warships at \$100,000 in funds. It is also the birth date of Teddy Roosevelt, the father of the modern Navy.

Saturday, Oct. 24, the Navy League held its annual Navy League Ball at the Pearl Harbor Officer's Club, honoring seven junior Naval officers and Marine 1stLt. Roy E. DeForest from the Brigade.

In honoring the officers, the Navy League hopes to encourage other outstanding young men to remain in the Armed Services of their country.

Cake sales will also be conducted beginning at 10 a.m., at the main entrance to the Main Exchange.

"Prices for the pastries will be set at \$1.50 for cakes, and 10 cents each or \$1 a dozen for cup cakes and brownies," Sgt. Meadows added.

The bake goods are being do-nated to the Association by the mothers of more than 50 team members.

The Association will end the football season Nov. 28 when the Termite Devil Dogs play the Hickam Wildcats at K-Bay's Pollock Field.

Lack of Proper Documents Hampers Families During Sponsor's Absences

According to Cdr. H. E.

In Discussion at El Toro

Gen. Simpson Seeks Pro Pay Change

The end of monthly pro pay for Marines in critical skill jobs was proposed by BrigGen. O. R. Simpson, Assistant Chief of Staff, G-1, HQMC, during an Oct. 16 discussion of per-sonnel problems at MCAS, El

In its place, there is a possibility of a variable reenlist-ment bonus system whereby personnel in highly trained technical skills would receive reenlistment bonuses over and above current bonuses allowed, which could, in some cases, amount to as much as \$7,500, LtCol. L. Miller, El Toro Air Station G-1 said.

Under this proposal, the present reenlistment bonus would remain unchanged, LtCol. Miller said, but an additional variable bonus would be paid to certain selected skills upon reenlisting.

Gen. Simpson, in discussing enlisted promotions, said emphasis must be placed on promoting lance corporals and corporals on a basis of true eligibility in every respect tage of vacancies and quotas.

He further stated that an additional quota is expected from HQMC in these grades next month, to be on a non-restricted use basis without regard to occupational fields.

In addition, Gen. Simpson said, the routine enlisted promotion board cycle will be established next spring.
Under the promotion discus-

sions, the NCO ratio will jump to 42.5 per cent in FY65, an in-crease of 2.5 per cent.

In other enlisted matters, system is being considered whereby Marines with Basic MOSs who are being retrained in a given occupational field will be assigned a specific MOS, Gen. Simpson said.

The proposal would alleviate problems at HQMC in determining the status of each field with regard to projected strengths of qualified personnel by MOS within each respective occupational field

On officer promotions, Gen. Simpson said promotions from colonel to brigadier general will be at eight percent. Lieu-tenant colonel to colonel promotions will stabilize at about 59 per cent of eligible in FY65 based on 22 years service. It level due to current Hump legislation, he said.

Other officer promotion centages of those eligible which will stabilize include: major to lieutenant colonel at 75 per cent and captain to major, 85 per cent based on 12 years service.

Lieutenants can look for earlier promotions to captain, General Simpson said, due to the current Corps' captain

For the next three years at least, he said, lieutenants will be promoted to captain in fourth year of commissioned service. Previously, they were promoted in fifth year of commissioned serv-

He said the Limited Duty Officer program is also being pushed in order to "establish competent specialists throughout the future.

The total LDO strength is proposed at 2,000, an increase of 375 over the current level.

The new LDOs will come primarily from warrant officer ranks, Gen. Simpson said. The move is being made with an evaluation of growth potential of the LDOs toward a terminal LtCol. rank after rating as officers for several years

He said the new rate can be adopted without unduly increasing driving hazards and is in the interest of equity with the rates es-tablished by executive orders for other categories of DOD

The new rate applies to travel both overseas and in the United States.

Under the change, the official distance between duty stations, or duty station and aerial or water pors of embarkation, or debarkation, will be divided by 300.

The resulting figure will be the authorized travel time.

A fraction of 300 miles, 150 miles or more, will be one day's travel time. Less than 150 miles will be dropped.

PRACTICE SESSION—Members of the K-Bay Swim Club get in a practice session in preparation for tomorrow's Invitational Swim Meet to be held at the Station Pool. The one-day meet is open to all Swim Clubs on the Island. This is the first in a series of annual invitational meets to be hosted by military clubs throughout the Island.

K-Bay Swim Club To Host Invitational Meet Saturday

K-Bay's Swim Club will host a one-day Invitational Swim Meet at the Station Pool tomorrow.

The meet will commence at 9 a.m. with seven teams participating. The meet consists of 36 events ranging from 50-meters to 400-meters, including both individual medleys and team relays.

Clubs participating in the meet are the K-Bay Swim Club, Dolphin Swim Club, Hickam Swim Club, Naval Air Aquatics Club, Pearl Harbor Swim Club, Schofield Sharks Swim Club and Wheeler Swim Club

The meet is the first in a series of annual invitational meets to be hosted by the military clubs throughout the Island.

"Even though we lost quite a few swimmers during the summer, we should make a fine showing in the meet," states LtCol. Jean P. Doerr, K-Bay Swim Club President.

The meet will be run over the long course which is 50-meters.

All K-Bayites are cordially invited to attend the meet. There are ample parking facilities available and refreshments will be available at pool side.

Neck Footballers Beat Hickam 35-14; Need One More Victory To Clinch Title

Camp Smith's gridiron squad handed the Hickam Flyers their second defeat of the season Friday evening when they topped them 35-14.

The win was the sixth straight victory for the Marines. They are currently posting a 6-0-1 record. Their only tie came in the first game of the season when the Hickam Flyers held them 12-12.

Harvey Tomaselli started things off for the Marines when he recovered a fumble on the Flyers' 25-yard line. Three plays later 'Neck quarterback Tom Vogel passed to Ed O'Neal for the first touchdown. Ron Houseman kicked the extra point.

In the closing minutes of the first quarter, Hickam gave up the football to the Marines on the 'Necks 25-yard line. After a series of plays that carried

to the Hickam 20-yard line setback Henry Williams crashed off right guard for the second Marine score. Houseman's kick made the score 14-0.

With 7:55 remaining in the second quarter, 'Neck quarterback Tom Vogel threw a 35-yard touchdown pass to O'Neal. Houseman again booted the extra point.

In the closing minutes of the first half, Hickam recovered a fumble on their 35-yard line. Three passes and two running plays later Stan Nagotona threw a 35-yard pass to Bob Greene to make the score 21-6 in favor of the Marines.

The Marines kicked off to the Flyers to open the second half. While traveling down field, a clipping penalty was called against the Flyers.

The ball was given to the Marines at the point of infraction and this set up the fourth touchdown play. Ron Everett broke into the clear around right end and raced 11 yards for the 'Neck score. Vogel threw a pass to Houseman for two extra points.

Late in the third quarter, the Flyers took over the ball on their own 39-yard line. Four plays later Nagotona threw an eight yard pass to Charlie Walton for the second Flyer score. Nagotona then hit Greene with a pass for two extra points

The final Marine score came when Bill McClure found a hole over right guard and romped eight yards to cross the goal line.

2 Marine Olympians Earn Medals in Tokyo Games

1964 Olympics accounted for two of the 90 medals won by the United States in Tokyo.

One of the biggest upsets of the Olympics was 1stLt. Billy Mills' Gold Medal win

the 10,000-meter run.

Sgt. Charles Brown received a Bronze Medal for his fourth place finish in the boxing feath-

erweight division.
The United States won 36 Gold Medals in the Olympics. The final medals came on the United States Basketball Team's 73-59 win over Russia and heavyweight boxer Joe Fra-zier's win over Hans Huber of Germany.

The United States led all countries in Gold Medals but trailed Russia in overall medals won, 96-90.

Lt. Mills set a new Olympic record when he covered the 10,000 meters in 28:24.4. He shaved 5.8 seconds off the old record.

Following his upset victory, Lt. Mills began receiving congratulatory messages from Americans. Among the messages Mills received were the
