

Get moving!

**Got orders? Get to your
local transportation office**

As soon you get orders, contact your local transportation office. It's a good idea to bring your spouse along to appointments! Your transportation office can help you plan a smart move.

Visit <https://move.mil> and set up your Defense Personal Property System (DPS) account. DPS streamlines move management and provides a communication system between you and the Transportation Service Provider (TSP), also known as your mover. DPS will allow you to:

- Submit your move paperwork
- Create and Track shipments
- Complete the Customer Satisfaction Survey (CSS)
- File a claim online and settle directly with your mover

Get information on Move.mil

Questions? <https://move.mil> has a list of frequently asked questions. You can find telephone numbers and email addresses for your Service, plus tips on planning a smart move.

**Call or visit your local transportation office –
they have answers!**

Need to talk to someone? Always start with your local transportation office! They can answer your questions. They can even help you log on to <https://move.mil> and get your move started, or point you to additional information and resources.
