## NMCPHC News

### DRSi Newsletter: The Reporter

The Reporter is a monthly newsletter for military treatment facility (MTF) and shipboard public health staff, including users of the Disease Reporting System internet (DRSi). Each issue highlights monthly trainings, department updates, guidance and news to ensure timely recognition and control of infectious diseases. [Click here to learn more >>](#)

### Health Promotion and Wellness September Newsletter

The NMCPHC health promotion and wellness (HPW) department has released their September 2019 edition of the HPW newsletter. This month's edition features the following articles:

- September is Mental Health and Suicide Prevention Month
- Be Cautious About Dietary Supplements
- Surgeons General Joint Tobacco Letter
- Fresh, Frozen or Canned - Just Eat Them!
- ... and more! [Click here to learn more >>](#)

### NMCPHC Update - Summer 2019 Newsletter

This edition of the NMCPHC newsletter addresses a variety of public health topics and programs. Included articles:

- WaR - What is it Good for?!
- NMCPHC Epidemiologists Provide Insight into Sailor and Marine Motorcycle Fatalities
- OEM Holds Second Annual Occupational Health Nurse Fundamentals Course
- ...and more public health news! [Click here to learn more >>](#)

### Quick Hit - The More You Know - Preventing Suicide

Military life can present many stressors and challenges for Sailors, Marines and their loved ones such as deployments, separation from family and even everyday duties. Learning how to positively cope with these stressors can improve your psychological health and reduce the risk of suicide, which is often associated with relationship and work problems.
