

364th Sustainment Command (Expeditionary)

SUSTAINER 2019

LEADERSHIP

Brigadier General Vincent E. Buggs

Brigadier General Vincent E. Buggs was commissioned in 1990 after graduating from Georgia Southern University in Statesboro, Georgia with a Bachelor of Arts in History and a minor in German. He also holds a Master's Degree in Global History from American Military University and is a graduate of the U.S. Air Force Air War College where he earned a Master's degree in Strategic Studies.

He has served in a variety of command and staff positions as a logistics officer in Germany, Georgia, Wisconsin, Arkansas, Florida, and Washington. His joint assignments include service as a plans officer for Multi-National Corps-Iraq, a logistical plans officer for U.S. Central Command, and as the CENTCOM liaison officer to U.S. Africa Command and U.S. European Command. He deployed twice in support of Operation Iraqi Freedom.

His military education includes the Quartermaster Officer Basic and Advanced courses; the Infantry Officer Advanced course Phase One; the Logistics Executive Development Course; the U.S. Army Command and General Staff College; and the Air War College.

Command Sergeant Major Michael E. Masters

Command Sergeant Major Michael E. Masters, a native of Florence, Arizona, enlisted in the Army in 1989. He attended basic training in Fort Benning, Georgia in 1989. His first duty assignment was at Schofield Barracks, Hawaii, where he was assigned to Alpha Company 1st of the 14th. While assigned he trained in his MOS as an Infantryman.

In 2004, CSM Masters transferred from the National Guard to the Army Reserves. In 2010, CSM Master stood up and deployed the 402nd SAPPER Company to Afghanistan as their first sergeant. In 2014, he assumed duties as the battalion CSM for the 2nd of the 389th Regiment in Ithaca, New York responsible for training Drill Sergeants. In September 2016, he was assigned to the 518th Sustainment Brigade located at Knightdale, North Carolina. During his tenure he was responsible for two Combat Sustainment Support Battalions, a Transportation Battalion, an STB and all Reserve Rigger units, totaling 3,100 Soldiers.;

364th Expeditionary Sustainment Command continues to provide trained, equipped, ready leaders, Soldiers, and cohesive units to meet global requirements across the full range of operations. Supports Soldiers, civilian employees and Families; ensures stewardship of resources; engages our communities with local events,

SUSTAIN THE FIGHT UNTIL THE END!

July 12, 2019
Bothell, Washington

The 909th Human Resources Company, A2 Platoon held a farewell Warrior Ceremony where leaders and families gathered to support these Army Reserve Soldiers deploy in support of Operation Spartan Shield.

July. 22, 2019

Marysville, Washington

Staff members of the 364th ESC conducted a Video Teleconference (VTC) session with Gen. (Ret.) David H. Petraeus and discussed his insights on leadership and experience with the U.S. Army Reserve.

The 364th ESC has command and control of more than 40 Army Reserve units located in six states that provide combat support and combat service support. As a Ready Force X unit, the 364th ESC is part of the ever growing need of the U.S. Army Reserve to deploy quickly to support active duty and other units in theater. As the threat around the world continues to evolve and the U.S. Army Reserve is focused on being an integral part of the total force., Gen. (Ret.) Petraeus' words of wisdom and experience were more valuable than ever.
