

GUAM

PORT CALL

HÅFA ADAI is a local greeting, it means hello. (Pronounced, *half-a-day*)

Although Guam is a very diverse island, the indigenous people are known as **CHAMORROS**

1898 The U.S. acquired Guam along with Puerto Rico, Philippines, and Cuba following the Spanish-American War.

TODAY Guam is the westernmost point and territory of the U.S. making it extremely vital to our military.

85° Get your warm weather clothes. The average temperatures in February are between 75°-85°.
