

## Tri-Command Changes Key Billets

Adjutant General John E. Williams, commanding general, Force Troops, has been ordered to duty with the 1st Marine Division in the Republic of Vietnam where he will serve as an Assistant Division Commander.

Colonel B. W. McLean, Chief of Staff, will relieve General Williams as the commanding officer of Force Troops during a change of command ceremony next Wednesday at the W. P. T. Hill Parade Field.

The 48-year-old general, commanding Force Troops since February 1967, will report to his post later this month.

The changes within the Marine Corps Base staff sections were announced recently.

The changes include the assignment of a new base commander's billet, the chief of staff position and the assistant chief of staff for operations position.

Colonel W. W. Stegemerten, newly assigned chief of staff for the base, will assume duties as the assistant base commander, a billet which has been vacant since last December.

The colonel, a U.S. Naval Academy graduate, came to Camp

BrigGen Williams

Lejeune in 1965 and since that time has held positions as assistant chief of staff, G-4, and assistant chief of staff, comptroller.

Colonel Stegemerten will be relieved by Colonel John W. Mentzer, a graduate of Pratt Institute in Brooklyn, New York. He served as division inspector with the 3d Marine Division (Rein) in Vietnam, prior to coming to Camp Lejeune.

The position currently held by Col. Mentzer will be filled by

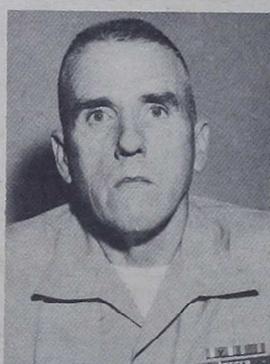

Col Stegemerten

Lieutenant Colonel Frederic O. Olson.

A former Marine Corps top enlisted man will become the Sergeant Major of Force Troops, Fleet Marine Force Atlantic based here.

Sergeant Major Thomas J. McHugh, third Sergeant Major of the Marine Corps-June 1962 to July 1965-relieves Sergeant Major Kenneth J. Postlewait during for-

mal ceremonies to be held at 10 a.m. today at W. P. T. Hill Parade Field.

Sergeant Major Postlewait has served as Force Troops Sergeant Major since February 21, 1967. He will report to the Marine Air Detachment, Pensacola, Fla., for duty. Sergeant Major McHugh was Sergeant Major for the Marine Corps Development and Educational Command, Quantico,

Va., prior to reporting here.

Sergeant Major McHugh was born December 23, 1919 in New York City and grew up in Philadelphia. He enlisted in the Marine Corps Reserve in 1938 and entered active duty on November 7, 1940.

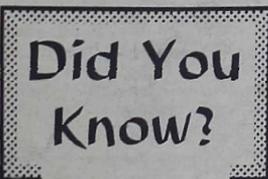

As a Sergeant in World War II, he saw combat with the 1st Battalion, 1st Marines, on Guadalcanal, Cape Gloucester, and Peleliu, earning the Purple Heart for wounds received in the latter campaign.

Following the war, he served as a company first sergeant at Cherry Point and Camp Lejeune, N.C. He was transferred to Guam in 1948 with the 1st Provisional Marine Brigade, and was serving there at the outbreak of the Korean Conflict. Ordered to Korea, he saw combat with the 1st Marine Brigade and, later the 1st Marine Division as First Sergeant, "H" Company, 3rd Battalion, 5th Marines during the Pusan Perimeter, Inchon-Seoul and Chosin Reservoir campaigns. ## Mike Douglas Show To Feature Marine Film

May 15 will be Marine Corps Day on television's popular Mike Douglas show.

Coming during Armed Forces Week and aired by Channel 7, WITN-TV, the Douglas show will feature a film narrated by a Camp Lejeune Marine, in which the famed TV personality "hits the beach" as a squad member of a Second Marine Division unit.

The film, narrated by Sergeant Charles L. Styron, was produced at Camp Lejeune and includes scenes in which Douglas goes through an amphibious landing at Camp Lejeune's Onslow Beach training area.

The show, co-hosted by Marine Reserve Colonel Edward L. McMahon, M.C. on the Johnny Carson Show and host of his own show, Snap Judgement, will be aired from 5 p.m. to 6 p.m.

During the one hour show, Lieutenant General Lewis W. Walt, assistant commandant of the Marine Corps, will discuss the Marine Corps and Vietnam.

Major Stephen W. Pless, Marine Aviation Detachment, Naval Air Station, Pensacola, Fla., and Gunnery Sergeant Leroy N. Poulson, Marine Air Reserve Training Detachment, Naval Air Station, New Orleans, will relate a hazardous rescue mission performed by them while they were serving in Vietnam as a helicopter pilot and gunner.

Sergeant Suzanne David, Marine Corps Air Station, El Toro, California, a Karate expert, will demonstrate Karate exercises with Colonel McMahon and Mr. Douglas.

Also included in the program is an exhibition of Marine combat art and a Marine Jazz Combo comprised of members of the U.S. Marine Band.

Douglas, his filming crew and producers, visited Camp Lejeune March 9, to film the portion of the show in which he goes through Marine training.

Mr. Douglas was part of "D" Company, First Battalion, Second Marines and was portrayed as a member of Sergeant Styron's squad.

Grand Ole Opry star Minnie Pearl and TV personality Ed McMahon, a colonel in the Marine Corps Reserve, show their approval of a film narrated by Sergeant Charles L. Styron of Camp Lejeune, in which Mr. Douglas participated in an amphibious landing at Camp Lejeune's Onslow Beach, as a member of Sergeant Styron's squad. The film was part of "Marine Corps Day" during Mr. Douglas' salute to the armed forces during Armed Forces Week.

ADJUTANT GENERAL FOSTER LA HUE will assume as the assistant division commander, 2d Marine Division during the month according to Headquarters Marine Corps. Gen. La Hue comes to Camp Lejeune Vietnam where he served as assistant division commander of the 1st Marine Di-

# Warm Weather Warning

All of us have plans for a summer vacation. And nine times out of 10 an automobile figures in these plans.

For the majority, vacations will be remembered as pleasant ones. But for some, grief, pain and even death beckons.

Warm weather, bright sun and dry roads all combine to make good drivers relax after the rigors of winter. The tendency of the average driver is to think summer roads are

safe. This is, of course, an inaccurate impression - an impression that often leads to trouble.

Many circumstances contribute to a single traffic accident, but improper driving is involved in nearly every accident.

The National Safety Council says speed too fast for road conditions is most often a factor in fatal accidents. In some accidents speed and failure to yield the right-of-way cause accidents as well as driver error and inattention to conditions.

These factors, along with drinking-and-driving, contribute to nearly three-fourths of all fatal accidents and to half of injury accidents, the Safety Council points out.

Statistics can be boring. But statistics don't lie. So this summer stay with the majority - the living and healthy ones who had a happy vacation - and a safe one - by using their heads for intelligent driving instead of a windshield ramrod.

Pillar Of Freedom

## Don't Lose Sight of Voting Right

We're only a few weeks into the year and the 1968 elections are already a major topic of conversation.

Your right to vote is one of the strongest pillars of our free

society. Throughout the course of history, men have given their lives in order that they might have a voice in the affairs of their government.

Unfortunately, many of our citizens fail to realize the im-

portance of voting. They neglect this all-important privilege and obligation, and attempt to justify their neglect by saying, "My one vote wouldn't make a difference anyway."

When one uncast ballot is multiplied by the hundreds, or even thousands, of eligible voters who stay at home, the total reaches staggering proportions and could make the difference in the outcome of an election. It's obvious then, that every vote does count.

Remember that the time factor is extremely important in registration and voting. Requirements vary from state to state regarding when to apply for registration, when to request your ballot and when you must return your ballot.

Don't let time slip by so that you will not be able to exercise one of your most valuable and important privileges and responsibilities as an American citizen.

Those states which have scheduled primaries in May are: Nebraska and West Virginia, May 14, and Kentucky and Oregon on May 28. Legal voting age in all these states is 21 except in Kentucky where it is 18.

For further information contact your voting officer.

## Operation Napoleon-Saline

### BLT 2/4 Kills 474 NVA

Cua Viet, -- In an almost continuous series of sharp clashes Battalion Landing Team 2-4 killed 474 North Vietnamese Army soldiers and Viet Cong last month in northeastern Quang Tri province. The battalion was in contact with enemy forces for 26 of the 30-day period ending April 4.

The battalion, commanded by LtCol. William Weise, won the personal congratulations of General William C. Westmoreland for the continuing operation known as Napoleon-Saline.

First major contact was on March 7 when "G" and "F" companies ran into a reinforced NVA company in a fierce seven-hour battle six miles south of Dong Ha.

Four days later, "F" Co., engaged 15 enemy near Lam Xuan village just south of the demilitarized zone. During the firefight the Marines were attacked by a large enemy force using rockets and mortars. The company beat off repeated attacks and disengaged after nightfall.

Elements of the battalion moved back into Lam Xuan village on March 12 and ran headlong into an entrenched enemy force estimated to be a reinforced battalion. A five-hour battle followed with Marines calling in air, artillery and naval gunfire. By nightfall the Marines counted 31 enemy dead suffering only moderate casualties themselves.

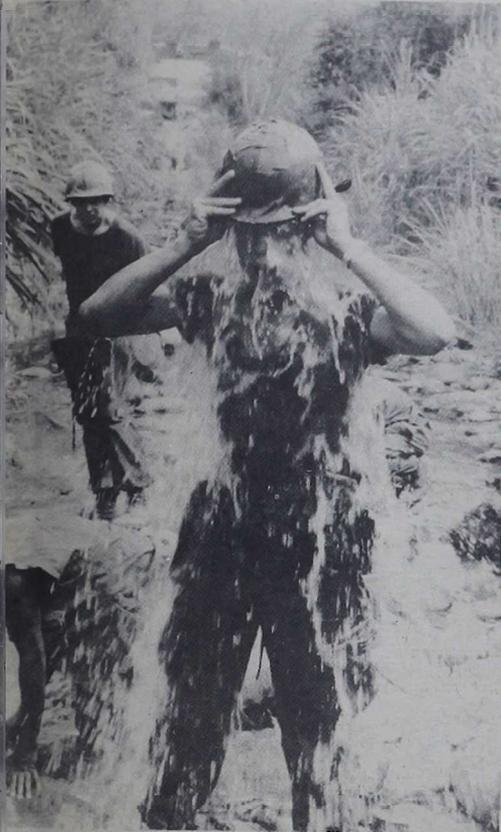

Weise said after the fight: "These men fought with com-

plete determination for victory and won out. I am very proud of the combat Marines in my battalion."

Continuing offensive maneuvers, 2-4 set out in pursuit of the enemy on March 18. Near the same village, three companies came upon elements of

three NVA battalions. There "E" Co. alone accounted for 27 enemy dead. The Marines cleared the NVA from the village and after mopping up the

area counted a total of 127 enemy dead, four detainees and a large quantity of weapons and equipment.

## Birthday With A Bang

DO NANG -- Hospitalman 3d Class Francis Auger a corpsman with "K" Co., 3d Battalion, 27th Marine Brigade, is likely to forget his 21st birthday. He spent it caring for wounded Marines after an enemy mortar attack.

Auger moved from one Marine to another, completely disregarding his own safety and need for medical aid. In the process, he was hit again, this time in the hand and wrist.

"I almost didn't hear what was going on around me," he said. "With all the training we've had, everything came like second nature."

It wasn't until five hours later, after all the wounded had been treated and evacuated, that the corpsman finally patched himself up and was evacuated.

As for his birthday "celebration," "It'll be one I won't forget."

## Bridge Opened

QUANG TRI -- A new 100-foot long, two lane bridge one mile north of Quang Tri on Highway 1 was opened at dedication ceremonies, April 8.

Built by "A" and "D" companies of Mobile Construction Bn-10, the bridge opened for the Vietnamese people to replace an 80-foot steel suspension structure that was destroyed by North Vietnamese Army troops during the Tet offensive.

Eighty cubic feet of concrete, 21,000 board feet of lumber and more than a ton of welding rods were used by the Seabees for the 100 ton steel structure.

AIR DELIVER Marines of the Dong Ha-based 3rd Reconnaissance Bn. jumped from Ch-46 Sea Knight helicopters of Marine Aircraft Group-16, for familiarization parachuting near Marble Mountain.

## The Purple Platoon Is Here

QUANG TRI -- "Sleep well, the Purple Platoon is on watch" is the word passed to new personnel when they report in to Headquarters Bn., 3rd Marine Division at Quang Tri.

The platoon members can claim as much combat experience as those of other units in I Corps. Every man but one in the platoon has received the Purple Heart Medal. Most of them have received the award twice.

Included in the group also are Marines that have accounted for a Silver Star and two Bronze Star Medals.

Commanded by 2ndLt. Larry Zinser, the "Grumblin' Grunts" as they are affectionately known, are men who have been in infantry units, wounded and reassigned to a rear area.

Arriving at Quang Tri two weeks ago, they have completed defensive positions which received the praise of BrigGen. Jacob E. Glick, assistant division commander.

The security platoon is tasked with defending the 3rd Marine Division Command Post (CP) at Quang Tri in case of attack. Additional duties call for escort duty for Division staff officers, guarding detainees and other security details.

Maintaining defensive night positions, the platoon also sets up listening posts (LP) and ambushes. The LPs and ambushes are run on a volunteer basis, usually with a long waiting list.

Lance Corporal Edward Davis holder of the Silver Star and a machine gunner, says, "It's a thankless job, but when we're needed, you can bet we'll be right on the spot."

## Saddest Moment

PHU BAI -- "It was the saddest moment of both my tours in Vietnam," said Marine Sgt. John Wasson, 25, "I felt very close to tears."

It happened right after "C" Co., 1st Bn., Fifth Marine Regiment received its sundry pack. The deadly suddenness of jungle war exploded.

"Charlie dropped two grenades into our perimeter. We put out heavy fire and grenades, but it was too late," he continued.

The battle weary Marine lamented the fact that one of the Viet Cong concussion grenades landed in the nearby creek.

The blast destroyed two beers Wasson had just placed in the water to cool.

# Base Commissary Withstands Bi-Monthly Payday Assaults

Each payday throngs of hungry shoppers, some brandishing checkbooks and others carrying small children storm an unimposing structure situated in the heart of the industrial area at Hadnot Point. A few days later, the onslaught has ended and an uncertain calm prevails.

Mr. D. L. Williams, Commissary manager, explains, "this shopping procedure has become a

monthly routine." "Unfortunately," he adds, "customers do not avail themselves of the best shopping opportunities.

According to Mr. Williams the commissary has taken measures to cope with rush shopping. A suggested shopping day calendar located on the wall opposite the entrance denotes peak sales days when extremely crowded conditions are expected and fair days

when the best shopping conditions exist.

Shopping hand-baskets are available for the customer who desires only a few items and who does not wish to brave the long cart lines.

A special receiving desk handles reimbursement claims for customers returning damaged merchandise.

A cake service, located in the front of the store, specializes in birthday cakes ranging in size from two to five pounds, in price from two to seven dollars. Cakes are decorated to meet all occasions and may be picked up a day after they have been ordered.

Mr. Williams stressed the point that rapid service depends upon the cooperation of shoppers with store regulations. Individuals entering the commissary must present proper identification. Shoppers possessing expired or mutilated cards will be refused entry.

Dresses or skirts are required for ladies entering the commissary. Children between the ages of three and nine are not permitted on the sales floor but may be left in the commissary nursery for a nominal fee.

Because "bag boys" receive no salary it is customary that their compensation for this service be not less than five cents for each bag.

This month avoid the strain of rush shopping. Be among the select group of customers who enjoy carefree shopping. Visit the commissary when the best shopping conditions prevail.

A LONG LINE OF SHOPPERS winds its way into the horizon. Huge crowds are a common occurrence at the commissary during pay periods and other peak sales days. Long waits and frayed tempers can be avoided by shopping on slow sales days. A pamphlet explaining the do's and don'ts of commissary shopping may be obtained at the store's front register.

PHOEBE SINGLETON TOTALS the purchase made by Mrs. Lillian Taylor during a relatively quiet shopping day at the commissary. Mrs. Taylor's son, Chad, looks on approvingly.

### Coke Party

The Executive Board members of Group II of the OWC will be hostesses for a Coke Party on May 16. The members will meet at 10 a.m. on the terrace at the Paradise Point Officers' Club.

Entertainment for the group will be provided by the Camp Lejeune High School Chorus under the direction of Irene Craig. Installation of next year's Group II officers will take place at this meeting.

All members are urged to attend this last get-together. Reservations are not necessary and refreshments are free.

### Lost-in-Space Party

The Camp Lejeune International Wives' Club will have its final "lift-off" for 1967-68 on Saturday, May 18 in the form of a "Lost-in-Space Party". To make the trip more interesting, the course and final destination of the space-craft is presently unknown; but the capsule pilot, Mrs. Harold Wallace, has pro-

posed the club members that, wherever the space-craft happens to land, there will definitely be fun and food.

"Lift-off" is scheduled for 6:30 p.m. from the Paradise Point Officers' Club. A buffet dinner will be served at 8 p.m., and the cost of this "space trip" is \$3.75 per person.

Since this is Captain Wallace's first trip into space, she readily admits that the members and their guests may very easily "get lost". Assisting her in this endeavor will be the copilot, Mrs. C. L. McElheny.

Other crew members are Mrs. N. Lewis, in charge of programming and special services; Mrs. D. U. Davidson and Mrs. C. H. Sullivan, camouflage; Mrs. J. A. Davies, provisions and supplies; Mrs. J. E. Sundholm identification; and Mrs. R. R. Gutekunst, communications.

Only members and their husbands are allowed to make reservations for this particular "space journey". However, if there are any women who are members of the Officers' Wives Club

and who are eligible for membership in International Wives' Club, they may also make reservations for this trip through space by paying the \$1.50 membership dues to the International Wives' Club prior to May 15.

Any member of the club whose husband is presently deployed is also urged to come and she will be entitled to bring one guest with her. All reservations and cancellations must be made before noon on May 15.

You may call one of the following ladies: Mrs. Gutekunst 353-4726, Mrs. Hunsaker 353-4827, Mrs. Davies 353-4511, or Mrs. Wallace 353-5509.

Dress for the trip is entirely optional. Anything goes in space; and, since the destination is secret, any attire you may have from your recent week-end on Saturn, Venus or Mars will be suitable.

Members are reminded not to forget to make reservations early for the sitter service. The club will not be responsible for any children falling into craters or floating away into space.

### Vanity Improvement

## Exercise Insures Health

This summer more women will be dressed in the "mod" fashion. Skirts and dresses will be shorter, showing more of the feminine touch. There will be an attempt to completely change the past year's style of dress. More make-up, and visits to the beauty salon will be included to help alter facial features, so that true beauty is shown.

Although the woman of today can spend time and money to improve her vanity, she has very little time for herself, when it comes to something so important as exercise which could help her greatly.

I believe that women are the impression that they not exercise, because the women. This is very wrong to assume. There are many weight females lost in the of cakes and candy, who do not to help themselves. No woman was born thirty pounds weight, but became that through carelessness, and of self-discipline.

Exercise is just as important for women as for men. I regard to exercise women who not overweight should also exercise. Along with exercise dieting, which is also very important. It is not that difficult for any woman to possess an appealing figure. True, it time, work, and determination, but the rewards are worth it.

Remember, that summer rapidly approaching, and time to exercise is now for no other reason than vanity which I am sure every woman prides herself on, you should begin to improve your health. Good facial features is important, unless you accompany it with a pleasant looking figure.

## Onslow Technical Plans Course

The Onslow Technical Institute plans to offer an "Introduction to Data Processing" course in the near future. In order to determine the demand for such a course in this area, it is desired that interested persons send their requests for course to the Onslow Technical Institute, 222 Georgetown Road, Jacksonville, N.C. 28540, at the earliest possible date.

Because of the nature of the course the enrollment will be limited to 15 persons per class. Therefore, those who apply will be given preference. Necessary additional courses be scheduled.

## West Palm Beach To Host Marine

The city of West Palm Beach, Florida, will host Major Joseph W. Gibbs III and family during Armed Forces Week, May 15-19. Major Gibbs will represent the Marine Corps during the city's observance of Armed Forces Week.

Major Gibbs attended Aspin-  
wall High School in the Pitts-  
burgh, Pa. area, Lycoming Col-  
lege in Williamsport, Pa. and  
the East Carolina University  
Branch at Camp Lejeune, N.C.  
Entering the Marine Corps in  
1956 as an enlisted man, the ma-  
jor was commissioned a Second  
Lieutenant in 1960 through the  
Meritorious Non-Commissioned  
Officer Program.

During the early years of his  
career, Major Gibbs served as  
a platoon commander in the 3d  
Marine Division on Okinawa and  
as a company commander at  
Camp Pendleton.

Maj Gibbs III

Transferred to Vietnam in Oc-  
tober of 1966, Major Gibbs was  
assigned as Civil Affairs Officer  
of the 3d Battalion, 1st Marines,  
1st Marine Division. While ser-  
ving in this capacity, Major Gibbs  
became acquainted with the prob-  
lems faced by the Vietnamese  
and with the Vietnamese people  
themselves.

Later, while serving as com-  
manding officer of "L" Company,  
3d Battalion, 1st Marines, he par-  
ticipated in 17 combat operations.  
During one of these, he earned  
our nation's third highest award  
for heroism in combat, the Sil-  
ver Star Medal.

Major Gibbs is presently ser-  
ving as the 2d Marine Division  
Provost Marshal and command-  
ing officer of Military Police  
Company.

## Marine Saves Eight

A force Troops Marine has  
received the Navy Commenda-  
tion Medal with Combat "V"  
for his heroic actions in the Re-  
public of Vietnam.

While serving with "A" Com-  
pany, 1st Amphibian Tractor Bat-  
talion, Third Marine Division in  
the Republic of Vietnam, Cpl.  
Samuel W. Everett was cited  
for his heroism in saving the  
lives of eight wounded men dur-  
ing an artillery barrage on the  
Marine Base at Cua Viet Port  
where he was stationed.

Corporal Everett's citation  
read, "For heroic achievement  
while serving as an Amphibian  
Tractor Crewman with Company  
"A", 1st Amphibian Tractor Bat-  
talion, Third Marine Division  
in connection with operations  
against the enemy in the Republic  
of Vietnam. On the morning of  
December 16, 1967, the Marine  
Base at the Cua Viet Port Fa-  
cility suddenly came under heavy

North Vietnamese artillery fire,  
causing extensive damage to the  
cantonment facilities and wound-  
ing several Marines.

"Completely disregarding his  
own safety, Cpl. Everett left his  
covered position and exposed  
himself to hostile fire as he  
ran twenty-five meters to his  
tractor and immediately drove  
into the impact area.

"Locating two seriously in-  
jured men, he assisted them  
aboard vehicle and quickly e-  
vacuated them to the aid station.  
He had returned to the safety  
of his bunker when a second  
North Vietnamese artillery  
attack was launched against the  
base.

Again volunteering to assist in  
the medical evacuation of the  
wounded, he moved into the  
impact area and had placed four  
stricken Marines aboard his trac-  
tor when he learned that two  
naval personnel from a construc-  
tion battalion were wounded and  
lying exposed to the continuing  
heavy volume of fire in an open  
area seventy-five meters from  
his vehicle.

Oblivious to the danger of his  
own life, he dismounted from the

tractor and ran through the  
hazardous area to the side of  
the fallen men and assisted one  
back to the vehicle.

Returning to the other man,  
who was suffering from shock re-  
sulting from the traumatic am-  
putation of his left arm and left  
Cpl. Everett assisted in carry-  
ing him to a corpsman's po-  
sition. Then, running twenty-  
five meters to a shelter, he ob-  
tained a cot, improvised a litter  
and, with the help of several  
companions, carried the se-  
riously injured man to the trac-  
tor and expeditiously departed  
for the aid station.

"Due largely to his prompt  
and courageous actions, he was  
instrumental in saving eight  
wounded men from further pain  
and suffering or possible death.

Corporal Everett is currently  
serving with the 2d Amphibian  
Tractor Battalion here.

## Special Platoon

WASHINGTON, -- The "Year of  
the Women" continues. Project  
"Governors' Platoon" has be-  
gun.

In connection with the Silver  
Anniversary of the Women Ma-  
rines and the Golden Anniver-  
sary of the World War I "Ma-  
rinettes," fifty Women Marine  
recruits—one from each state—  
now are being enlisted. The  
unit will be known as the "Gov-  
ernors' Platoon."

Each applicant is to be ad-  
ministered the oath of enlistment  
at the capital of her state in  
the presence of the governor or  
his representative. During the  
swearing in ceremony, the gov-  
ernor will be presented a Silver  
Anniversary medallion.  
Platoon members are scheduled  
to assemble at Marine Corps  
Recruit Depot, Paris Island, S.C.  
in August to commence training.

On completion of boot camp,  
the platoon will be graduated in  
ceremonies highlighted by a dis-  
play of the fifty state flags.

## Students Tour

Thirty students and four ins-  
tructors from Wilson County  
Technical Institute toured base  
facilities here May 8.

During their day-long visit the  
students who are majoring in  
automotive mechanics, visited  
the Base Motor Transport Main-  
tenance Shops, the 2d Force Ser-  
vice Regiment, Auto Maintenance  
Repair Shops and the Motor  
Transport School.

Concluding the day's schedule  
was a briefing at the Motor  
Transport School Company, the  
students departed from Mont-  
ford Point for their trip back to  
Wilson, N.C.

The U.S. Naval Camp Lejeune and members of the Navy Nurses share the month of May in celebrating their anniversary service to Camp Lejeune and to the Navy and Marine Corps the world.

Lejeune's Naval Hospital is classed as one of the Naval Hospitals in this month. It was at a cost of \$7,500,000 obtained the basic medical services required.

Since the time of its opening, the hospital has progressively increased its medical capabilities to include General Medicine, General Orthopedic Surgery, and Gynecology, Pediatrics, Ophthalmology, Urology, Pathology, Pharmacy, Radiology, Otorhinolaryngology and Neuropsychiatry.

The hospital has a bed capacity of 1,100 in addition to its regular inpatient ward, the Naval Hospital maintains out-patient services for military and dependents. These clinical services handle a monthly patient load between 13,000 and 16,000.

Although it is not a teaching hospital, it maintains a continuous training program for its staff and is fully accredited by the Joint Commission on Accreditation of Hospitals.

Although May 13, 1942, has been established by Congress as the official date of the Navy Nurse Corps, records show that the first nurse performed their duties in the Navy since 1811, a year before Florence Nightingale was even born.

Fore-runners of the modern Nurse Corps were found participating in the Civil War and the Spanish-American War. These were volunteers employed on a contract basis to meet the needs of the military facilities and hospitals.

By October, 1908, the first group of nurses, who were known as the "Sacred Twenty," reported to the U.S. Naval Hospital, Washington, D.C. for station and duty.

During WW II, some of the first Americans to be sent to France were Navy Nurses attached to the American Expeditionary Force, assisting "over there" when the U.S. entered the war, nurses were sent to Navy Hospitals in England, Scotland and France. Some were even serving in field units in France.

## Wilmington Hands Pups Second Loss

The Camp Lejeune Devilpups suffered their second setback of the season Monday, losing a 9-2 decision to Wilmington Hoggard, as they committed a season's high of eight errors, while allowing the Wilmington powerhouse seven infield hits.

Three miscues in the second frame accounted for two Hoggard runs, and a six run surge in the sixth placed the game out of reach for Lejeune. During that crucial sixth frame, the Pups committed five errors, while allowing the Vikings two hits, both bunt singles. During that inning, Hoggard scored four runs before the Pups were able to get the first out.

Losing pitcher for Lejeune was Roger Caves, who suffered his first setback of the season. Caves worked a total of five innings, allowing five safeties and six

runs. He fanned three batters and gave up one base on balls.

Perry Langford finished up in relief, and was tapped for the final three runs as he gave up four hits, struck out two and walked one.

George Futch went the distance for Hoggard, allowing four hits, fanning 14 and walking five.

The only Devilpup to collect more than one safety was Buddy Charlesworth, who had two singles in four trips to the plate.

This game wound up Lejeune's regular season. They will represent their district in the Coastal Plains 2A Conference State Tourney.

At press time their first opponent in the single elimination tournament had not been determined.

## Track And Field

### Division Dominates All Camp Meet

Division ran away with the All Camp Track and Field Meet held at Liversedge Field Monday, as they gained eight first place positions, four second slots and five thirds. The Meet was participated in by over 68 contestants

from the Quad Command.

Big guns for the talent-laden Division team were Siggins, Taylor, Adger, Cirksey and Gayton.

Siggins and Taylor earned first place berths in both of their entries. Siggins took the 880 by one second with a time of

## Last Chance To Qualify

### Marines Battle In Trenton

Cecil Beverly

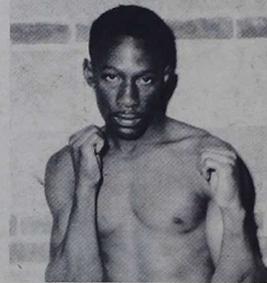

The Marines Corps Boxing Team will travel to Trenton, New Jersey Tuesday to compete in the Eastern Olympic Championships being held through Saturday.

This is the team's last chance to qualify Marines for the Olympic trials which will be held in Maumee, Ohio this September. Coach Ray Rogers said, "We have 12 boys who have qualified already and will compete in the trials. During the last Olympics, we only had four men in the trials. Also, we have been having two training sessions a day, instead of our usual one, so that our fighters will be more readily able to adjust to fighting twice a day as will be necessary in Trenton. I'd like to have at least 15 fighters with me when we make the trip to Ohio (the Olympic Trials) in September."

Coach Rogers is scheduled to take nine fighters with him to New Jersey. "I'm only taking those boys who haven't qualified yet," he said.

Among the most likely to gain Olympic Trial berths are Corporal Cecil Beverly, Corporal Jerry Davidson and PFC Willard "The Chief" Phillips. All three were runners up in the All Marine Trials, and all are impressive fighters.

Beverly, a 119 bantamweight,

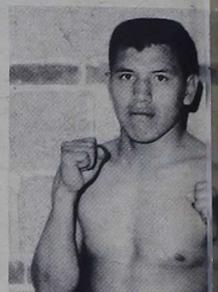

Jerry Davidson

has been a consistent performer all season for the Camp Lejeune Marines. "He's had some tough breaks in his big fights," commented Rogers. "However, I think he could very easily win in his class in Trenton."

Davidson is one of the team's most improved fighters. He has been working out with the welterweights (147 pound class) for the past six weeks, and is regarded as one of the top entries in the 140 pound division.

One of the season's biggest crowd pleasers, Willard "The Chief" Phillips is the most high-

Willard Phillips

ly touted of the Marine. His hard punching and siveness have made this light middleweight a co-winner in his past matches. "The Chief," commented Rogers,

Other Marines who will be in the trials are: 112½ pound Corporal Charles Peralta, 125½ pound Corporal Earl Wilson, 125½ pound Corporal Frankie "Rawh" Len, 165½ pound Private Diamond and 178 pound Larry Orlando and Harry La.

## Lifeguards Needed

## Lejeune Outdoors

by S/Sgt. Dale R. Flickenger

Most types of saltwater fishing are usually very popular throughout the year. One of the most popular for military personnel and dependents is pier fishing, at either Topsail Island or to the Emerald Isle. Both of these places offer several piers that you choose.

Pier fishing provides fun for everyone. It is a good family time and an inexpensive sport. There is usually a small fishing fee.

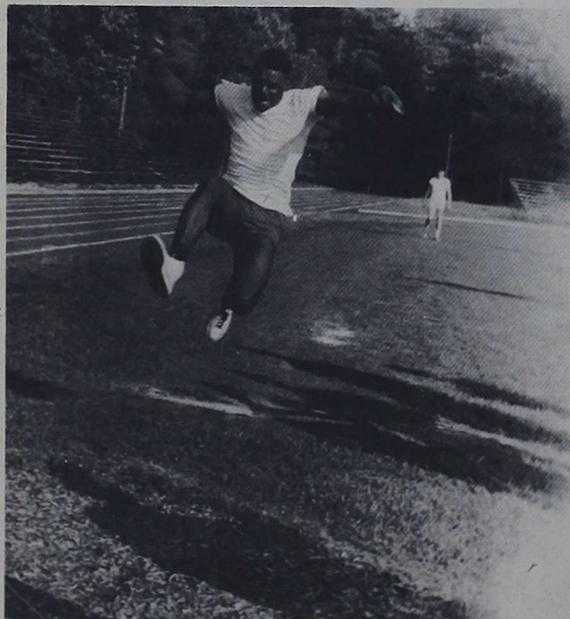

For you land lovers, there is no chance for sea sickness on a Party Fishing boat.

Spring, summer and fall months are the best times to fish. You can catch almost any species, ranging from fish (trout), spots, bluefish, king mackerel, cobia, to co. Another nice factor about pier fishing is that when the weather gets hot in the summer, you can fish at night and sometimes have better results than in the daytime.

About the only major problem you might have when you fish is that when you hook a big fish, you may have trouble with him, as the piers are very high from the water. The smaller are easy to haul right in, but with the big one you must either them or beach them by walking the fish towards shore and put it aground.

Pier fishing is not just fishing for small fish like the croaker or crocker as an occasional cobia, king mackerel and tarpon be caught. If you are looking for a good family outing this end, try pier fishing. Mom and the little folks may not catch a fish, and if that is the case, they have a nice beach where they also have fun.

Finally, this will be one of my last articles, as I am transferring shortly. Anyone who is interested in writing this column is asked to contact the Sports Editor at 75522.

DIVISION'S Adger shows his winning form in the broad jump during competition in the All Camp Track and Field Meet held at Liversedge last Monday.

2:05, and came back in the mile with a strong time of 4:56.

Taylor copped 220 honors with a time of 23.6 seconds, and took the 100 yard dash by two tenths of a second with a 10.3.

Division's Adger had wins in both the high jump and the broad jump, but was forced to settle for second place in the 440. He turned in a 19'5" performance in the broad jump, well ahead of second place Thornton from Force Troops who had 18'3", and vaulted 5'11" over the big bar in the high jump. In the 440, he was one tenth of a second off the pace with a time of 55 seconds flat.

Cirksey also participated in three events for Division, taking a first, a second and a third. He won the low hurdles, posting a time of 21.3 seconds, placed in the 100 yard dash at 10.5 seconds, two tenths of a second behind team mate Taylor, and showed in the broad jump, jetting 18'2".

The final Division hero was Gayton, who earned a second in the 220 with a time of 24.2 seconds and a third in the 100 yard dash, in which he turned in a 10.6 clock.

Runner-up Marine Corps Base came out on the short end of the victory stick with only two first place positions. Base's Velez won the 440 with a time of 54.9 seconds, and Kelm took the discus throw, tossing it 124'1". Kelm also hurled the shot put 37'7" for second place, and finished third in the high jump.

# Pup Golfers In Playoffs

Camp Lejeune High School's Steve Pepler and Mike Brown turned in exceptional performances in the Sectional Golf Match held at Camp Lejeune, and qualified for next week's State match which will be held at Chapel Hill this Monday and Tuesday.

Pepler won medalist honors with an even par 72, and Mike Brown carded a 76.

In the Sectional Team Match, Camp Lejeune didn't enter, but only two participants, Steve Pepler and Mike Brown, won by Jacksonville High School. Their four man aggregate score of 313 qualified them for the playoffs.

Other qualifying schools were Goldsboro, both 317, and Wilmington New and Greenville Rose, both 319.

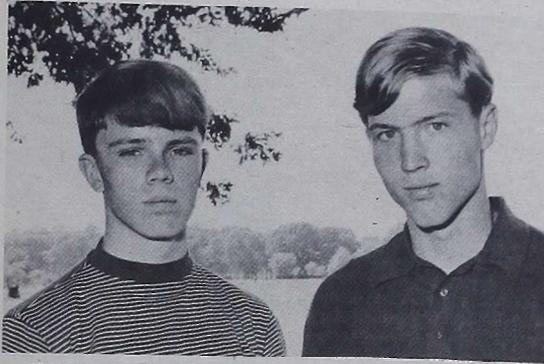

In addition to Pepler and Brown, individual golfers who qualified for the state playoffs are Clayton Peritt of New Bern,

Baugus of West Cataret, Jimmy Hill of Farmville, Doug Smith of Kenan, and Mike Jordan of Hoke County.

Cliff Holden and Jim Gantz

paced Jacksonville, each with a 77. Clyde Hurst carded a 79

and Tommy Glasgow had a qualifying score of 80.

## COMPUTER CORNER

By Bud Goode

Clutch Batting, defined as the percentage of base runners who actually score, is the one most important baseball statistic in predicting total runs. In the National League, clutch batting predicts runs with a 91 percent accuracy, vs. only 48 percent for team batting average. And in the American League, clutch batting accounts for 95 percent of total runs, vs. only 78 percent for the team batting average statistic.

How do the ten teams in each league stand on this important factor?

League	Clutch Batting		National League	Estimated	
	1967	1968		1967	1968
American League			CHICAGO	.366	.370
BOSTON	.371	.340	ST. LOUIS	.355	.360
MINNESOTA	.362	.365	ATLANTA	.344	.330
BALTIMORE	.345	.350	SAN FRANCISCO	.342	.340
DETROIT	.341	.355	CINCINNATI	.336	.340
CALIFORNIA	.322	.330	PITTSBURGH	.336	.340
WASHINGTON	.321	.325	HOUSTON	.326	.325
CLEVELAND	.320	.320	NEW YORK	.295	.295
CHICAGO	.311	.325	PHILADELPHIA	.327	.335
OAKLAND	.306	.305	L.A. DODGERS	.290	.310
N. Y. YANKEES	.290	.300			

Because of Conigliaro's injury, Boston is the team with the greatest change, losing 3 percent on their clutch batting statistic, falling from .371 to .340. Potentially the most improved team in the American League is Chicago. The additional batting power brought to the White Sox should help them score 32.5 percent of their base runners in '68 vs. only 31.1 percent in '67 — and keep them in contention all season.

In the National League, the greatest potential batting change goes to the Dodgers, who could increase their clutch batting percentage, weakest in the league, from .290 to .310. But this jump is not enough to make the Dodgers a pennant contender. In order to win this year, the Dodgers would have to add 140 runs to their last year's total of 519. Possible, yes. Probable, no. Atlanta's loss of Rico Carty should cost them 30 runs, and drop them from .344 to .330, and the Chicago Cubs, already league leaders in clutch batting, should score 37 percent of their base runners because of the addition of Lou Johnson, and fight the leaders all year.

## Skeet Team Wins At Johnson AFB

The Camp Lejeune Skeet Team downed 485 birds out of a possible 500 to win the Five Man Team Championship at an invitational Skeet Match at Seymour Johnson Air Force Base on April 28, beating out the Cherry Point Team by three birds.

Individual scores also netted three members of the team championship trophies in their class and, for two of them, the chance to participate in a shoot-off for overall runner-up.

Although the over-all championship was won by an Air Force Sergeant, all four participants in the shoot-off for runner-up were Marines.

CWO Berle Garris, 2nd Service Battalion was Class A Champion with a score of 99/100; GySgt Don Korsak, Base Special Services, was Class B Champion with a score of 99/100 and Lt. Leonard Ross, 2nd FSR, was Class C Champion with a score of 96/100.

Other members of the cham-

pionship team were Major Joe Joiner, Marine Corps Service and Supply School, with a score of

94/100 and SSgt. J. W. Wynn, 2nd FSR, with a score of 97/100.

## FMFLant Swim Meet June 6,7

The 1968 Fleet Marine Force, Atlantic, Swimming Meet will be held this year at the Norfolk, Va. Naval Station from June 6-7. This year's competition meet will consist of several styles, strokes, relays and medleys.

All officers and enlisted Navy or Marine members of Fleet Marine Force, Atlantic commands, except those on active duty for less than 90 days, are

eligible to compete in the Fleet Marine Force, Atlantic Swimming Meet. Those persons temporarily assigned with a Force unit must have been attached for at least 90 days prior to the meet's commencement.

All interested individuals are urged to contact their respective Battalion Special Services Offices for complete information.

MAJOR-Sergeant Major evacuation carry was one of the best crowd pleasers of the Force Troops Military Field Meet held Tuesday at Liversedge Field. 2d Anglico took meet honors at the Company level, and Supply Bn., 2d SR won at the Battalion level.

## Camp Lejeune Archery

By 1stLt. John Bates

Camp Lejeune Archers held the Club Championship Tournament Saturday and Sunday, in spite of the bad weather.

The tournament started Saturday at noon with a twenty-eight field round. The field target is a white center with a black ring and is shot at from eleven feet to eighty yards. Each shooter shoots four arrows at each target. The winner of the field round was John Bates with a score of 504 x 560.

The hunter round started with twenty-eight targets on the hunter round. The target is black with a small white aiming point. The hunter round was a problem to all shooters since it was raining and the targets were wet. The winner of this round was John Bates with a score of 498 x 560.

The rain stopped Sunday afternoon just in time for the animal round. In the animal round four different size animal pictures were used as targets. Each animal has a kill and a wound area. The archer can shoot up to three arrows at the target. This really makes you feel like you're hunting, and you have a variety of animal to shoot at, with a big black bear on the hardest target. The winner of the animal round was again John Bates.

The scores were totaled and checked, the Club President, Lt. Andrew made the trophy presentations. The winners were: 1st Place "C" Class Free Style men, Jack Schollard, 1st Place "B" Class Bare-Bow men, Mrs. An Boutin, 1st Place "B" Class Bare-Bow women, Mrs. Andrew, 1st Place "B" Class Bare-Bow women, GySgt. Andrew, 1st Place "B" Class Free Style men, and the Club Champion, 1stLt. John L. Bates, "A" Class Free Style men.

## Division Softball

Intramural softball officially began April 30 in the two Division leagues, and will commence Monday at Force Troops, Base, due to an insufficient number of teams to constitute a league, will play with Force Troops.

Division results, as of last Tuesday, are as follows: In the National League, Shore Party Bn. knocked off Recon. Bn, 5-1; 2d Service Bn. totaled 3/10, 12-2; 2d Anti Tanks outlasted 1/2 in a 20-15 slugfest and 2d Engineers squeaked past 2/2, 5-3.

In the American League: 2d Motor T jumped on Headquarters Bn., 9-4; 1/10 blasted Medical Bn. 16-6 and 3/2 nailed Headquarters 17-7/

### Staff Wives Operate

# Base Has Own General Store

Come one, come all to the greatest sale at Camp Lejeune! The Thrift Shop is sweeping the merchandising spectrum with items from A to Z.

Operated by the Staff NCO Wives Clubs, and staffed entirely by volunteer workers, the Thrift Shop offers an outlet for the sale of out-grown clothing, uniforms and extra household and furniture items at nominal prices.

For the past eight years the Shop has been serving military and dependent personnel in the Camp Le-

jeune area, making it possible to obtain clothing and household articles and giving them the opportunity to contribute to charitable organizations.

Merchandise is brought in by servicemen and their families and usually sold for one third the retail PX price. The selling price of other articles is determined by their condition and the length of time they have been in stock. Only laundered clothing items are accepted.

Managed by the undaunted Mrs. C. A.

Bender, the shop functions with the spirit and enthusiasm of a private business with your satisfaction in mind.

Due to the efforts of these volunteer workers, the Thrift Shop has contributed \$1000 to two Lejeune schools for their library needs and each year donates some \$1200 in scholarship funds. The shop also donates needed clothing to disaster victims.

The Thrift Shop is located in Building 1403, just past the fire station on Dogwood Street. Hours of operations are from 9 a.m. to 2 p.m. on Wednesday and Friday of each week.

## What's New on the Bookshelves

Listed in the 1967 Professional Reading Guide of The United States Naval Institute Proceedings are titles dealing with Vietnam. At the present time the Central Library has 31 of these works on hand.

The following is a continuation of the list which appeared in last week's Globe and covered the geographical, sociological and historical background of Vietnam through 1964.

THE TWO VIET-NAM: NATION UNDER STRESS by Robert Scigliano is a "well documented and highly readable treatment of the Diem period in South Vietnam.

For a well-written analysis of North Vietnam during the same period, P. J. Honey's COMMUNISM IN NORTH VIETNAM: ITS ROLE IN THE SINO-SOVIET DISPUTE is one of the best choices available.

Concerning the Communist movement in South Vietnam, VIET CONG: THE ORGANIZAT-

ION AND TECHNIQUES OF THE NATIONAL LIBERATION FRONT OF SOUTH VIETNAM by Douglas Pike is a "detailed account of the organization and tactics used by the Communists to build a political and social base in South Vietnam.

On the subject of the current U. S. involvement in Vietnam several books are of interest. SOUTHEAST ASIA IN UNITED STATES POLICY by Russell H. Fifield and THE SECURITY OF SOUTHERN ASIA by D. E. Kennedy both deal with the "general problem" of U. S. involve-

Two closely allied books dealing mainly with military problems are SOUTHEAST ASIA TODAY - AND TOMORROW by Richard Butwell and THE CHANGING FACE OF SOUTHEAST ASIA by Amry Vandembosch and Richard Butwell.

The final section of this series of books dealing with Vietnam will follow next week and will

deal with books specifically concerned with the U.S. Commitment in South Vietnam.

Only through books can one gain the knowledge necessary to compete in this complex world. Your library stands ready to provide the finest materials available to enable you to continue to learn—books.

end his Marine Corps career June 1.

Reassigned will be LtGen. Henry W. Buse Jr., Chief of Staff at Headquarters Marine Corps who will replace General Krulak as Commanding General FMFPac in Hawaii.

Also slated for a new command is BrigGen. Robert P. Keller, who has been serving as Assistant Wing Commander, 1st Marine Aircraft Wing in Vietnam. In June he will become Commanding General of the 4th Marine Aircraft Wing/Marine Air Reserve Training Command, Glenview, Ill.

Replacements for General Buse and Masters have not been announced.

## Parades For 1968 Set By HQMC

WASHINGTON -- The 1968 schedule of summer parades conducted by Marines here and in Baltimore has been announced by Marine officials. The Capital's Marine Barracks at Eighth and 'I' Streets, Southeast, will open the season May 24 with its first evening parade.

Gates will open to the public at 8 p.m. Parades are preceded by a band concert at 8:30.

The ceremony features the Marine Drum and Bugle Corps, the Silent Drill Platoon, two parade companies and the Marine Band. These Barracks parades will continue each Friday through September 20.

Reservations for seats should be made at least two weeks in advance. Write or call the Adjutant, Marine Barracks, Eighth and 'I' Streets, Southeast, Washington, D.C. 20390 (Phone: (AC

202) 543-1601). Unreserved seating is available, but limited. Sunset parades at the Marine

War Memorial, adjacent to Arlington National Cemetery, start Tuesday, June 4, and continue each Tuesday through August 27.

Participating in the Sunset Parades are the Marine Drum and Bugle Corps, the Silent Drill Platoon and two parade companies.

These one-hour parades start at 7:30 p.m., and are open to the public without reservations.

Adequate free parking is available in the War Memorial area, but an early arrival is recommended to obtain a convenient space.

The Baltimore parades are conducted at Fort McHenry on Fort Avenue every Thursday from June 28 through August 30.

Performing the Fort McHenry Tattoos is a unit from Marine Barracks, Fort Meade, Md., known as the "Fort McHenry Guard." It consists of a drum and bugle corps and a guard element.

During the ceremony, the Marines, although they wear modern uniforms, perform an authentic 1812 drill, and play martial music of the 1812 period.

The Tattoos start at 7 p.m. Reservations are not required, but an early arrival is suggested due to limited space for parking and for viewing the ceremony.

There are no admission charges for any of these ceremonies.

Col. Mentzer

COLONEL John W. Mentzer, a graduate of Pratt Institute in Brooklyn, N.Y. will assume the duties as Chief of Staff, Marine Corps Base. The colonel previously served with the 3d Marine Division in Vietnam, prior to reporting to Camp Lejeune.

## CP Hosts Blue Angels

The spectacular, world-famous "Blue Angels" get top billing at Cherry Point, N. C., as the Air Station prepares for a gigantic Open House, Saturday, May 11, to kick-off Armed Forces Week.

Beginning at 11 a.m., the Air Station will open its gates to the general public for a series of exhibitions, demonstration and air show. . . all based on this year's Armed Forces theme, "Forces for Freedom."

In addition to a 3 p.m. flight demonstration by the Blue Angels, visitors will have a chance to view the latest in Marine air support.

The Marine Corps Air Station, Cherry Point is located 20 miles south of New Bern, N.C., on Highway 70.

Visitors on May 11 will be issued special Armed Forces Week passes at the main gate.

## Heroes Honored

A Hall of Heroes honoring recipients of the Medal of Honor, the nation's highest military award for heroism, will be dedicated at a Pentagon ceremony at 11 a.m. Tuesday.

Secretary of Defense Clark M. Clifford is scheduled to preside at the dedication ceremony. The Secretaries of the Army, Navy and Air Force; members of Congress; members of the Joint Chiefs of Staff; ranking officials of the Department of Defense; and Medal of Honor recipients residing in the Washington metropolitan area are expected to attend.

The Hall of Heroes ceremony will be held in the Inner Court of the Pentagon.

The walls of the Hall of Heroes are lined with plaques bearing the names of the more than 3,200 recipients of the Medal of Honor. The totals by Service are: Army 2,215, Navy 731, Marine Corps 245, Air Force 46 and Coast Guard 1. The Hall is located in the "A" ring of the Pentagon at the end of the corridor from the Mall entrance.

## VMI Students Tour Base

Cadets from the Virginia Military Institute, Lexington, Va., visited here last week to get a "first hand" look at various equipment and Marines in action.

Their first day of touring began at Marine Corps Base Headquarters where they observed morning colors ceremony with MajGen. J.O. Butcher, base commanding general.

The morning ended with a visit to the 2d Force Reconnaissance Company after a briefing on Recon's combat mission. They viewed weapons and supporting equipment.

Following lunch, the cadets toured the 2d Division Counter-Guerrilla Warfare Center and later were briefed at the Engineer School where they witnessed mine demonstrations.

On their second day they visited Force Troop Tank Battalion and the 2d Artillery Group's gun park.

That afternoon the students joined the Joint Civilian Participation Conference to see play of men and arms and a Battalion Landing Team amphibious assault on Onslow Beach.

Their final day of visit included briefings and tours Service Support Schools at Ford Point, Marine Air Group at New River, the Data Processing Installation and the Range at Stone Bay, where they fired the M-16 rifle and 4.2-inch pistol.

A night firing demonstration was the climax of the visit. The First Infantry Training Regiment, Camp Geiger.

CADETS from the Virginia Military Institute pose with MajGen J.O. Butcher, commanding general, Marine Corps Base, prior to the morning colors ceremony, at base headquarters.

## 2d Force Dental Has New Command

The command of the 2d Force Dental Company passed from Navy Captain William L. Darnall to Captain Van L. Johnson as the colors were posted and the troops inspected during a change of command last Friday.

Captain Darnall, a graduate of Northwestern Dental School and the Command Staff College at Quantico, Virginia, will go to Vietnam where he will serve as a Staff Dental Officer with the III Marine Amphibious Force.

Captain Johnson was previously the executive officer of the company. He is a graduate of the University of Missouri's School of Dentistry in Kansas City and is presently living at Camp Lejeune.

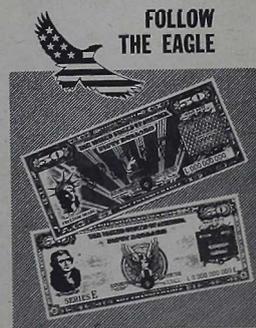

The company, which was activated in 1955, is maintained "behind the scenes" and operates either as a core 2d Division element or as divided units, capable of rendering its primary mission dental support to the 2d Marine

Capt Johnson

Division in garrison or in combat.

Its flexibility, mobility and training enables the Dental Company to meet assigned situations and overcome the various complications which might be encountered in carrying out its mission.
