VA Benefits Are Increased

Col. Corbett New CO of 2d Marines

During dual ceremonies held at the Base parade field August 31, command of the 2d Marines, 2d Marine Division, was assumed by Colonel Leroy V. Corbett, Colonel William R. Burgoyne, Jr., former Regimental Commander, as retired.

A veteran of 25 years as a commissioned officer, Col. Burgoyne had commanded the 2d Marines since June, 1966. He had previously served as Assistant Chief of Staff G-4 (logistics and facilities) of Marine Corps Base.

A participant in the Northern Solomons and Guam campaigns during World War II, the colonel includes among his personal decorations the Bronze Star Medal with Combat "V", Joint Services Commendation Medal, Purple Heart Medal and the Presidential Unit Citation.

Col. Corbett, a native of At-

kinson, N. C., was previously Division G-3 Officer. He received his undergraduate degree from the University of Maryland and his masters degree from George Washington University.

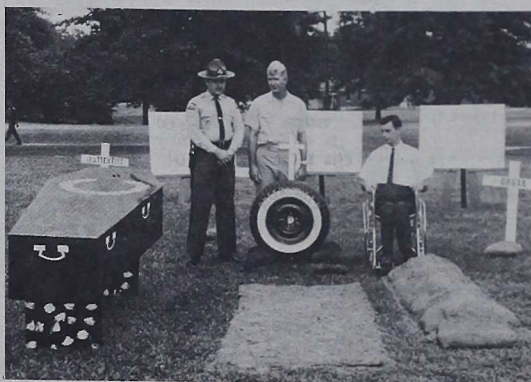

His initial military service was with the U.S. Army Reserve Officer Program at Ft. Bragg, N. C., in 1939.

At the outbreak of World War II, he entered the Marine Corps, serving first with the British Home Fleet aboard the USS WASP, the carrier which was instrumental in saving the Island of Malta for the allies in 1942. He subsequently moved to the Pacific Theater, serving in the Solomon Islands and Fleet Marine Force Headquarters, Pacific, in Hawaii.

Decorations awarded Col. Corbett during his career include the Silver Star, the Navy Commendation Medal with Combat "V" and the Joint Services Commendation Medal.

Col. Corbett is married to the former Margaret Fralick of Gary, N. C. The Corbetts have three children: Pamela, Judith and Gregory.

Guests attending the ceremony included: Major General Ormond R. Simpson, Division Commander; Major General Joseph O. Butcher, Base Commander; Brigadier General John E. Williams, Force Troops Commander; and Brigadier General E. B. Wheeler, Assistant Division Commander.

SPEED KILLS -- Trooper C. A. Riffle, North Carolina State Highway Patrol, Colonel William H. Mulvey, Commanding Officer of the 8th Marines, and Mr. Robert B. Simpson discuss the traffic safety display constructed by the 8th Marines.

8th Marines' Safety Program Is Effective

Marines at Camp Lejeune learned a valuable lesson in traffic safety recently, thanks to the 8th Marines, 2d Marine Division.

The regiment presented the Marines with a two-part safety program that included a one-hour presentation at the Camp Theatre and a safety display.

The display, a simulated burial plot with head stones to remind drivers of unsafe actions behind the wheel, stood in front of the 2d Battalion, 8th Marines Command Post as a grim reminder to drivers.

The presentation at the Theatre included a lecture by Trooper C. A. Riffle, North Carolina State Highway Patrol, and one by Mr. Robert B. Simpson of Jacksonville, N. C. In his talk, Riffle

described various causes of accidents and methods of combating them. Simpson presented a vivid description of a serious accident that crippled him for life and killed two others. Both talks made an impression on the Marines as witnessed by their applause.

The traffic safety film, "None for the Road" was also shown to the Marines.

The program was an attempt to cut down on the number of accidents that servicemen are involved in around the east coast of North Carolina. Although the exact results of this program would be difficult to evaluate, there was a definite decrease in the number of holiday accidents over the Labor Day weekend in and around Onslow County.

LBJ Signs New Bill Into Law

Significant increases in benefits for Vietnam veterans were provided last month when President Johnson signed into law the "Veterans Pension and Readjustment Act of 1967".

The new law also provides increased benefits to veterans of older wars. Most provisions become effective Oct. 1.

W. R. Phillips, manager of the North Carolina Veterans Administration Regional Office, has outlined the following features of the new bill:

Under one major provision, veterans of the Vietnam era, which began August 5, 1964, will receive compensation for disabilities at full wartime rates and will qualify for nonservice-connected pensions on the same basis as older veterans. Their widows and children become eligible for nonservice-connected death benefits.

While this provision becomes effective Oct. 1, an allowance of \$250 for burial and funeral expenses of deceased individuals who served in the Vietnam era became effective immediately, Phillips said.

Under the law, certain other major provisions effective Oct. 1 apply to all qualified veterans who served after Jan. 31, 1955. These include:

Educational assistance allowances for full-time courses have been increased from \$100 to \$130 a month for a single veteran, from \$125 to \$155 for a veteran with one dependent, and from \$150 to \$175 for two dependents with an additional \$10 for each dependent in excess of two. Proportionately smaller allowances will be allowed for part-time training.

Full educational assistance allowances will be paid to "educationally disadvantaged" veterans so they can complete high school without reducing their eligibility for advanced educational benefits.

Monthly allowances for on-the-job training for the first six months will range from \$80 a month for a single veteran to \$100 a month when there are two or more dependents. The allowances are reduced for succeeding six-month periods.

Monthly allowances for farm cooperative training will cover institutional agricultural courses.

Constitution Week, Sept. 17-24

On Sept. 17, 1787, this nation's founding fathers signed into law the United States Constitution, giving the Republic an effective plan for self-government which assured all U. S. citizens the rights of equality, justice and liberty under the law.

Today, 180 years later, President Johnson has proclaimed Sept. 17 as "Citizenship Day" and the week of Sept. 17-24 as "Constitution Week" to commemorate this fundamental piece of legislation upon which rests the bulwark of U. S. government and law.

In a Presidential Proclamation, the President urged American citizens everywhere to conduct "meaningful ceremonies and observances" so that they "may have a better understanding of the Constitution and of the rights and responsibilities of United States citizenship."

Members of the Armed Forces, who are sworn to uphold and defend the Constitution, are asked to join with their fellow citizens in pledging themselves "anew to the service of their country and to the support and defense of the Constitution."

"Our citizens," the President stated, "should be ever mindful of the oppressive conditions and injustices which led to the drafting and signing of the Constitution, and of the sufferings and sacrifices which have made it a viable, effective charter of liberty down through the years."

"Our citizens — naturalized or native-born — must also seek to refresh and improve their knowledge of how our government operates under the Constitution and how they can participate in it."

"Only in this way can they assume the full responsibilities of citizenship and make our government more truly of, by, and for the people." (AFPS)

Did you know that the Marine Corps will pay three quarters the tuition costs for each resident course studied at a university, college, or high school? The previous dollar limitation assistance is removed by Marine Corps Bulletin dated June 30, 1967.

The Onslow-Camp Lejeune Adult High School enables you complete high school during your off-duty hours and obtain Adult High School Diploma accredited by the State Department of Public Instruction of North Carolina. The cost to you is \$6 per course. Textbooks are loaned by the Base Education Office for the duration of the course. More information on this program is contained in Base Order 1560, 8D.

The Camp Lejeune Center of East Carolina University of evening resident college courses to military personnel, dependents, and civilians. These courses have the same credit those studied at the main campus. You buy textbooks during the first class meeting. Educational counselling is available at the East Carolina University Center Office, Building 63. Detailed information on this program is contained in Base Order 1, 6H.

Onslow Technical Institute, Jacksonville, N. C., offers a variety of technical and vocational courses during off-duty hours at nominal or no cost. The State accredited programs include radio and TV servicing; welding; air conditioning and refrigeration; automotive mechanics; brick masonry; practical nursing; gal secretary; medical secretary; executive secretary; and a fundamentals learning laboratory. Although tuition assistance is available for these programs, the GI Bill may be used. Complete information may be obtained from the Base Education Office.

More than 200 correspondence courses may be taken directly from USAFI in pre-high school, high school, college, and technical subjects. For an initial \$5 fee you may enroll in your USAFI correspondence course. You may continue to take USAFI correspondence courses at no further cost as long as your progress is satisfactory.

In addition to the courses offered directly by USAFI, more than 6,000 correspondence courses are available through USAFI in the extension divisions of 47 leading colleges, and universities.

Correspondence courses are available to officers and Staff NCO free of charge from the Extension School, Marine Corps School Quantico, Virginia. Marines of any rank may enroll free of charge for correspondence courses from Marine Corps Institute, Marine Barracks, Washington, D. C. The curriculum of both schools is geared primarily to increase the proficiency of the Marine. Similar correspondence courses are available free of charge from the Navy, Air Force, and Army. The Base Education Office has a catalog from each school to assist you in selecting a course.

The Base Education Office Testing Center located in Building 63 provides a program of USAFI testing services, which assist military personnel on active duty to obtain credit for their knowledge and experience. Tests are administered. Complete information on this testing program is contained in Base Order 11, 5E, W-Chl, 2.

Information and counselling on all of the above educational programs is available from your unit Education NCO or Base Education Officer, Building 63, telephone 7-5512-7-5572.

2d Anti-Tank Battalion Has New Commander

Major John F. Roche III assumed command of the 2d Anti-Tank Battalion, 2d Marine Division, during formal ceremonies and a mechanized review commemorating the Battalion's 25th anniversary Aug. 31. Major Roche replaced Lieutenant Colonel E. R. Laine, Jr., who has been reassigned to Force Troops.

The 2d Anti-Tank Battalion was activated at Camp Elliot, San Diego, California on September 1, 1942. The Battalion was the only anti-tank battalion organized by the Marine Corps during World War II.

On the 17th of December, 1943, the Battalion was deactivated and its personnel and weapons reassigned to regimental weapons companies and the special weapons battalion of the 2d Marine Division.

During the latter part of 1957, Headquarters Marine Corps determined that an anti-tank battalion was a necessary element within a Marine Division. On April 22, 1958 the 2d Anti-Tank Battalion was reactivated at Camp Lejeune as a part of the 2d Marine Division using the Ontos and Marines from the regimental anti-tank companies.

Major Roche was born on Aug. 11, 1930, in Albany, N. Y. and was graduated with a B. A. degree in English from the Virginia Military Institute, Lexington, Va. in 1952.

Commissioned a second lieutenant in that same month, his first assignment was with the 2d Battalion, 4th Marines, 3d Marine Division where he served as a platoon leader and later as executive officer. Leaving the 4th Marines in April, 1953, he

was reassigned to the 5th Marines where he was an infantry and tank leader.

He left the 5th Marines in May, 1954, as a first lieutenant. His next assignment was as Guard Officer with the Marine Barracks in Brooklyn, New York until July, 1956. During this tour of duty he received his promotion to the rank of captain.

After serving as the Marine Corps Representative to the Pentagon Press Room from August, 1956, to October, 1957, he reported to the 2d Marine Division for the first time. Here he served as the S-2 Intelligence Officer for the 3d Battalion, 2d Marines and later as the Commanding Officer of "M" Company of the same Battalion.

In December, 1959, he reported for duty as the Commanding Officer of the Marine Detachment, USS Midway (CVA-41) until January, 1962. He was then sent to the Naval War College, Newport, R. I., until June, 1965. During this time he was pro-

moted to his present rank of major.

The major served as Plans Officer with the Military Assistance Command, Vietnam, from July, 1966, to July, 1967, before returning to the 2d Marine Division for duty as the Executive Officer of the 2d Anti-Tank Battalion.

Included among the major's medals and decorations are: the Navy Commendation Ribbon, the Navy Unit Commendation, the National Defense Service Medal, the Korean Service Medal with one star, the Armed Forces Expeditionary Medal, the United Nations Service Medal (awarded twice), the Vietnam Service Medal and the Vietnamese Staff Service Honor Medal.

Attending the change of command ceremony were: Major General Ormond R. Simpson, Division Commander; Brigadier General John E. Williams, Force Troops Commander; and Brigadier General E. B. Wheeler, Assistant Division Commander.

CHANGE OF COMMAND -- Colonel William W. Curtis (left), receives congratulations from Lieutenant Colonel William O. Cain, Jr. after assuming command of Headquarters and Service Battalion, Marine Corps Base. Major General Joseph O. Butcher (center), Base Commander, was also present to extend his congratulations. Colonel Curtis, prior to assuming his new post, served with the 1st Marine Division in Vietnam. Lt. Col. Cain will assume duties as the Battalion Executive Officer.

Triple Celebration Set for Sgt. Regalado

Citizenship, a Marine Corps career, and marriage will be the itinerary for Sergeant Guillermo Regalado during this month.

The twenty-one year old Vietnam returnee reenlisted for six years recently and began his busy month.

He left Camp Lejeune Monday for Norfolk, Va., where a federal judge will administer the oath of naturalization to the former Mexican.

After a few days at Norfolk, he will be flown to Rota, Spain.

From there, he will travel to Giessen, Germany for a September 17 wedding. He will marry Hellen Marie Menyhert, daughter of Sergeant Major Robert Menyhert, U. S. Army.

The newlyweds plan a short honeymoon in France prior to another flight, this time to the Panama Canal Zone. Sgt. Regalado will assume duties with the Marine detachment there.

When asked of his career plans, the muscular Marine said, "I hope shortly to go to Officer Candidate School in Quantico.

The infantryman served with "E" Company, 2d Battalion, 4th Marines in Vietnam and then assumed duties as an instructor with the 1st Marine Brigade in Hawaii. He was later transferred to Camp Lejeune.

Originally from Mexico City, Sgt. Regalado later moved to Chicago where he enlisted in the Marine Corps.

VA Benefits ...

ses with a minimum of 12 clock hours per week in addition to related work on the farm. Allowances range from \$105 a month for a single veteran to \$145 a month when there are two dependents, plus an additional \$7 a month for each additional dependent.

Ninety per cent of the established charge for flight training is provided for veterans with a private pilot license (or the equivalent in flight training hours) who can pass the physical examination for a commercial pilot's license.

An allowance of \$1,600 will be authorized for the purchase of specially equipped automobiles for certain severely disabled veterans.

Phillips said World War II veterans benefit by the new law by having the final cut-off date on eligibility for the GI loan program extend to July 25, 1970, from July 25, 1967.

Some other provisions of the law extend benefits to certain of America's veterans, from the Vietnam era to the Spanish-American War. Such benefits include:

Veterans and dependents of deceased veterans receiving VA pension under the current pension program will get a cost-of-living increase averaging more than 5 per cent, with widows in the lowest income categories receiving an increase of about 8 1/2 per cent.

Children up to age 26 of veterans who died or were permanently and totally disabled as the result of a service-connected disability, or who died from any cause while qualifying for permanent and total disability com-

pensation, will become eligible for grants of \$130 a month for four years of approved college or vocational training.

Statutory awards of \$47 a month, in addition to other compensation, have been going to certain disabled veterans who have service-connected disabilities involving the loss of a hand, foot, eye, creative organ, or both buttocks, or have sustained deafness in both ears or lost the power of speech. Only one of these statutory awards could be paid under the old law; the new law authorized payment of an additional statutory award for each of these conditions, not to exceed a total of \$400 a month.

Veterans entitled to pensions, based on the need for regular "aid and attendance," will be authorized for therapeutic or rehabilitative devices, medical equipment or supplies, when medically indicated. These veterans, and those receiving aid-and-attendance compensation for service-connected disabilities, will also be furnished drugs and medicines. (This became effective when the President signed the law.)

Jax High School Hosts Freedoms League Head

Dr. Kenneth D. Wells, president of the Freedoms Foundation at Valley Forge, was an honored guest and speaker during a "Teachers' Appreciation Day" held recently at the Jacksonville Senior High School.

Dr. Wells holds many honors and awards including: The Gold Medal of Merit from the Veterans of Foreign Wars, American Legion Citizenship Medal and National Shrine Citation "for the promotion of the principles of true democracy."

The afternoon program included an "Historical Flag Pageant" presented by members of the

Marine Corps Base command. The pageant featured Marines attired in period uniforms of the Corps that corresponded with the date of the national flags they carried. Those flags represented included the ensign from its origin to the present date.

The introduction of the main speaker, Dr. Wells, was made by Major General Joseph O. Butcher.

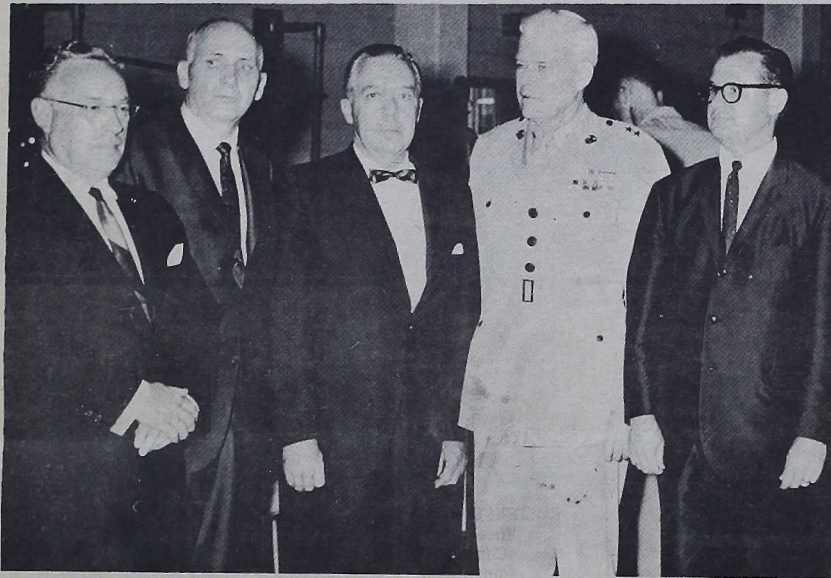

Dr. Wells, throughout his speech, stressed the importance of maintaining Americanism and American ideals within today's educational programs. The pre-

sent situations and conflicts in America including: riots, equality among all citizens and the Vietnam war were also covered.

The speech was geared towards the strengthening of the "spirit" within the U. S., to combat the forces of communism and corruption.

A dinner in the school's gym and a concert by the 2d Marine Division Band concluded the day's program.

The affair was sponsored by the Onslow-Camp Lejeune Scottish Rite and the Camp Lejeune Chapter, National Sojourners.

PROGRAM SPEAKERS — The Americanism Program speakers were (left to right): Dr. Kenneth E. Wells, Freedom Foundation President; N. F. Hunt, State Division of General Education Director; J. Paul Tyndall, Superintendent of Onslow County Schools; Major General Joseph O. Butcher, Base Commander; and Dr. P. Talmadge Lancaster, Superintendent of Camp Lejeune Dependents' Schools.

The Jacksonville Community Concert Series has announced a program for 1967-68 that will bring the Columbus Boychoir, The First Chamber Dance Quartet, mezzo-soprano Beverly Wolff, and the Indianapolis Symphony Orchestra to this area.

Ticket sales will begin Monday and continue through October 7. Prices for military personnel will be \$4 for the series for ranks E-4 and below and \$8 for higher ranks.

higher ranks. Tickets can be purchased at the Reservation Office at Base Special Services.

Last year the Community Concert Series came to Jacksonville for the first time and enjoyed a successful run. This season a greater ticket sale is expected.

The schedule will bring the Columbus Boychoir on Oct. 28, The First Chamber Dance Quartet on November 18, Beverly Wolff on January 29 or 31, and the Indianapolis Symphony on March 5.

Cpl. Thomas R. Burnham,

ter his discharge from the
s in 1957 as a sergeant,
ham finished his high school
ation, then attended Seton
University for three semes-
ter, and later received a B.S.
ee in electrical engineering
at the Newark College of En-
gineering.

He then worked as a field
neer for an electronic compo-
nents manufacturer in Hartford,
Conn.

Burnham was doing well and
living the "good life."
In February 1967, at age 32,
Burnham took a two-year leave
absence from his job, and
went up for two years of active
duty in the Marine Corps, placing
emphasis on transfer to
Vietnam as an infantryman.

Everyone has asked me that—
company, my friends, my
family—and, of course, most of
men over here," said Burn-
ham. "No one could really believe
it," he continued, "but

there is something inside a per-
son that tells him he must do what
he believes is right."

exercise even though they are of-
fice clerks, truck drivers, cooks,
bakers or supply men. The ac-
tual helicopter drop takes place
after two hours of ground in-
struction.

"I was extremely lucky my
first four years in the Corps—
I had choice duty stations. It
suddenly dawned on me that I
owed something to all of those
who went before me, who left
their homes and families to fight
for what they knew to be right."
Burnham said that he noticed
that on some television news
shows they interviewed today's
youth and their attitude was that
they didn't owe anyone anything.
"That really got me," he said,
"but since I got over here, these
kids are really showing me some-
thing. I'm proud to be with them;
they're just as good as any pre-
vious generation—in some ways,
they're better."

Despite his schooling, Burn-
ham wanted only to be assigned
to the infantry and not a techni-
cal field. "I wanted to be with
the guts of this war," he said.
Does Burnham have any second
thoughts now that he's seen what
it's all about?

"I asked for it and I got it,"
said Burnham, "I have no re-

grets. I'd make the same deci-
sion again."

Burnham said his biggest
worry was whether he could keep
up with the younger men.

"On some occasions I find
myself out-humping the kids,"
he claimed, "but that first
month was really a hard one."

Burnham was also apprehen-
sive about being accepted by the
younger men. After they found
out he could take as much, if not
more, of the physical punishment
that is an infantryman's occupa-
tional hazard, he finds himself
not only accepted, but acting as an
advisor to the men with some of
their personal problems.

"They've actually made me
feel younger," Burnham said.

"I just came over to do a job,"
continued Burnham, "I consider

this a business not unlike a busi-
ness back in the States. Whether
you're calling on a new customer
or sitting in an ambush—they're
both a challenge."

Burnham has a younger sister
who is a chemical engineer and a
kid brother who just joined the
Corps.

Burnham wrote a song, "The
Kid's Last Fight," that was re-
corded by Frankie Laine in 1953
and a poem, "The Sportsman's
Prayer," that is used by the
New York Yankees.

He also was the New Jersey
state lightweight Golden Gloves
champion at 16.

In the midst of a full and
productive life Burnham said,
"Since I made my decision to
come to Vietnam, I feel a lot
better inside."

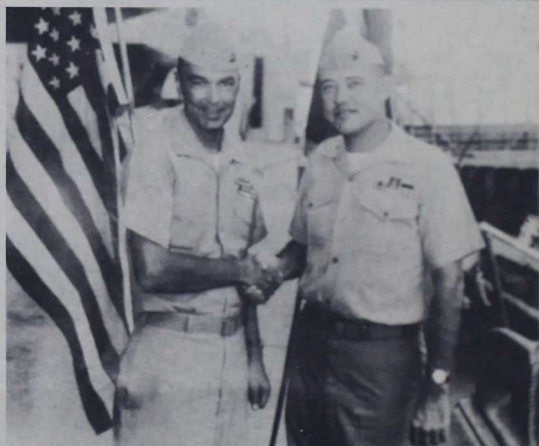

Division BLTs Return Home

Two 2d Division units return-
ed here this week after several
months deployment.

Battalion Landing Team 1-6
returned Thursday after a five-
month stint in the Mediter-
ranean as the landing force for
the U.S. Sixth Fleet.

Members of the 3d Battalion,
6th Marines reported aboard Tue-
sday after a four-month deploy-
ment at the U.S. Naval Base,
Guantanamo Bay, Cuba. There
the battalion formed the nucleus
or the ground defense mission.
Both Marine units were given re-
ceptions here following their ar-
rivals at Morehead City.

Commanding Officer of BLT
1-6 is Lieutenant Colonel Kenneth
E. Turner, while Lieutenant
Colonel William S. Fagan com-
mands 3-6.

Chaplain Speaks

"HE - WE"

The story has been told that when Adam was forced to leave the
Garden of Eden he turned to Eve and said, "My dear, we are living
in a time of great social upheaval." Since then, every generation
of his descendants has echoed that sentiment; and, ever since the
Bible recorded that first case of Adam -- the dispossessed migrant
searching to make a decent life for his family -- religion has been
involved in the trials of social change.

With all the centuries of practice in the field since then, with all
the prophets and visionaries our religious traditions have given
us, one would expect that we would have become a bit more pro-
ficient than we have at righting the wrong of society.

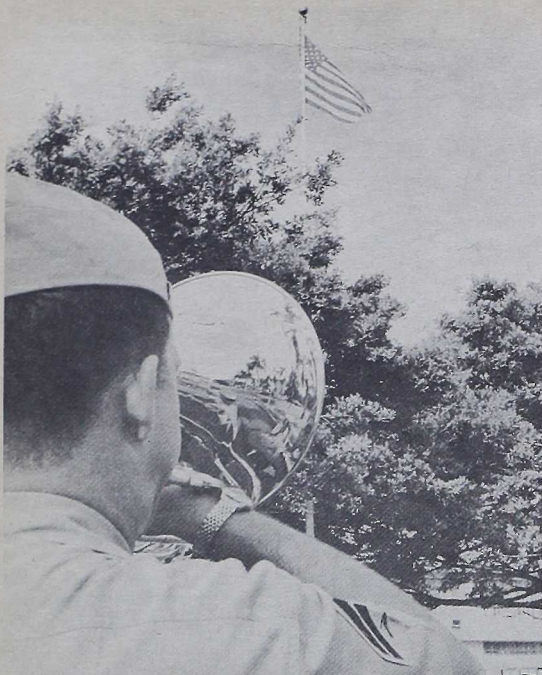

One reason for our continued failures may be our inability to
grasp a simple insight into the matter. Until our time, religion-
ists have -- by and large -- accepted the idea that their role was
to recognize when others had problems, when they suffered from
oppression and discrimination.

Then, as religious men, it was their task to perform a good deed
by helping the "unfortunates" with THEIR problem. The result
has been some worthwhile activity by religious do-gooders but
no permanent healing of our social ills.

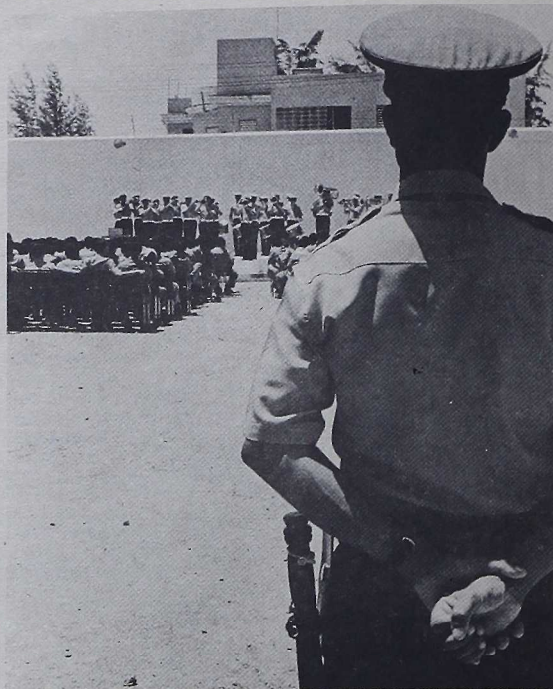

Only now are we beginning to realize that such an approach is
naive and inadequate. Only now are we coming to understand that
when others suffer in our midst it is not their problem, but ours.
Religionists are only now awakening to the fact that when a fellow
human being is treated as less than a man if it is not He, but We
who are degraded.

When we grasp that fact, then we should understand that it is
not enough for religious men to sympathize with and help out the
"less fortunate." Rather, we are required to turn inward to
search our own souls. The truly religious man in our time
recognizes that he can not solve THEIR problems until he is
willing to admit that they are in reality HIS problems.

...And The Band Played

SAN JUAN, P. R. — People walking along Refugio Street in Miramar were surprised recently by the sound of drums and bugles coming from behind the concrete walls of the Institution for Delinquent Youth.

The occasion was a concert at the institution by the United States 2d Marine Division.

Drum and Bugle Corps.

The group made their second visit here this year with concerts at three local institutions. They first came here to participate in the San Juan Carnival last February.

Under the direction of Gunnery Sergeant

William H. Cox, the group played at the Rodriguez Army Hospital, the Commonwealth Girls' Home, Ponce de Leon, and the Institution for Delinquent Youths, Miramar. This was the first such performance at the Institution for Delinquent Youths, and at the conclusion the band received a standing ovation from the inmates.

Their versatility and musical repertoire keeps them in great demand. Constantly performing throughout the East Coast at state fairs and festivals leave the group little time at their home base, Camp Lejeune, North Carolina.

After the final afternoon concert for the public at Fernandez Juncos pier, the Drum and Bugle Corps left to play for a change of command ceremony at the Roosevelt Roads Naval Station.

Afterwards, with their gleaming chrome bugles, sparkling red drums and bright music, the band added even more color to a

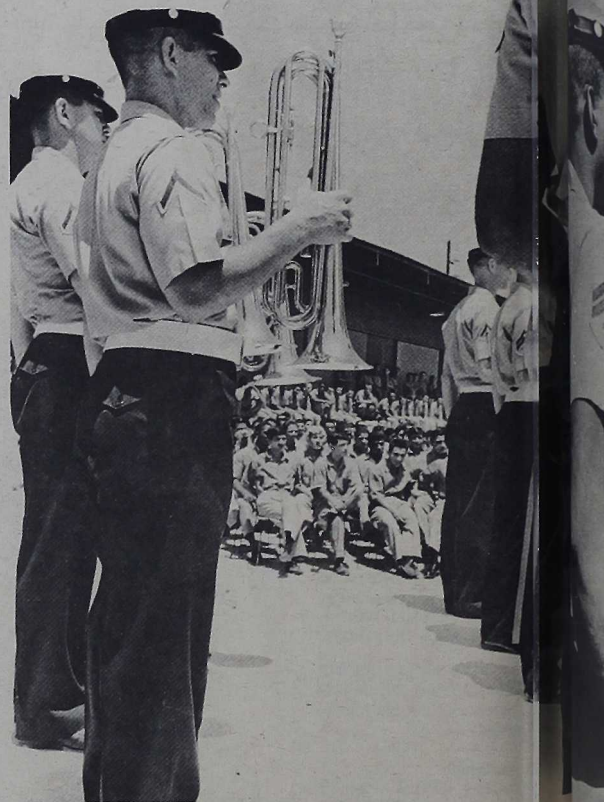

colorful festival in Vieques.

The Second Marine

Division Drum and Bugle Corps will turn to San Juan.

Devilpups Collar Pamlico, 20-7

★★★

Grifton Plays Here Tonight

The Devilpups host Grifton tonight as they go after their second straight win of the season. The Pups blasted Pamlico last week 20-7, and are hungry to avenge a 26-13 loss to Grifton last year.

Coach McGhee reports that all his men are ready to go and that everyone is healthy. He said that he was very pleased with the opening victory and that this team is working hard.

Grifton is a 1A conference team from the Goldsboro area and sports a 1-1 record. They suffered through a 33-0 loss to Aden, a football power in their area, for their loss.

Game films from last year show Grifton to be big and strong, with average speed.

The game with Grifton presents a chance for the fans to see if the Pups are for real as they literally ran Pamlico off the field, and Pamlico was favored to take the Coastal Plains Conference title. Game time is 8 p.m.

Rod and Gun Club

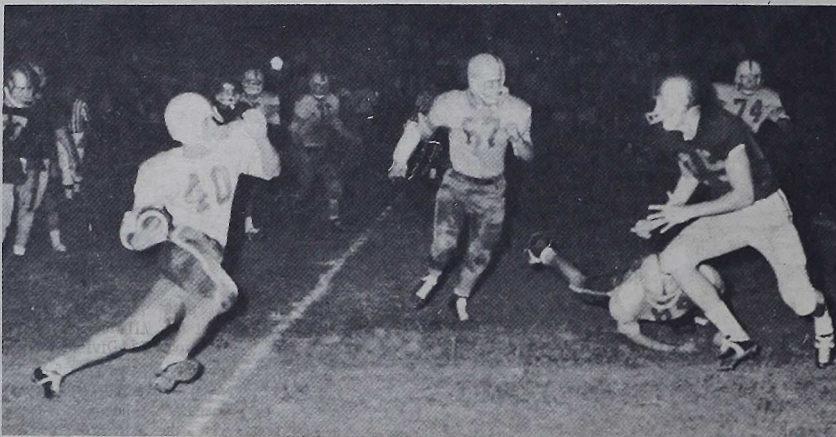

The Rod and Gun Club will hold its regular meeting next Thursday night at 7:30 p.m.

Tennis Club Forming

There will be an organizational meeting for a tennis club September 19, at 7 p.m., in the DPI Conference Room at Building 1101. The club will be open to all military personnel and dependents.

BOXING — Corporal Billy Boston, former All-Marine light welterweight champion has returned to Lejeune and is working out in preparation for the boxing tryouts to be held here September 18-October 7. Training begins October 16.

J. C. Davis, assistant coach and trainer has a few of his men working out now and expects most of the men to report in next week. The Quad Commands have received the boxing bulletin (1710). As soon as he receives a letter from HQMC Top Rogers will release a letter to all Marine Commands notifying them of the tryouts.

In the Quad Command, commanding officers have been encouraged to have their men try out for the team. Any boxer who makes the team will get TAD orders and be attached to H & S Battalion, MCB.

Candidates for the team are asked to report to the athletic office to fill out a boxing questionnaire September 11-18. Candidates should bring "T" shirts, shorts, socks, towels, and tennis shoes to the workouts.

FOOTBALL — The Devilpups have a chance to prove themselves tonight. Grifton is always a tough opponent for Lejeune and promises a strong test for the Lejeune defense.

Most beautiful block of last week's game was thrown by guard Charlie Hoopes as he threw a cross-body block to spring Slaton for a 30 yard punt return. Too bad the play was called back for offensive holding!

All the illegal procedure penalties called against Lejeune resulted from the linemen being over-anxious according to Coach McGhee. With a game under their belt we should see much less of that tonight.

GOLF NEWS — There will be a Scotch Foursome played this Sunday at Paradise Point from 10 a.m. to 1 p.m. Sign-up right away.

COGA will play Pine Valley here September 24 and will play at Jacksonville October 1.

Lejeune Skeet Team Wins

The Camp Lejeune Skeet Team won honors at the Fayetteville Invitational Shoot, held in Fayetteville, North Carolina on Sunday, September 3.

CWO Jack Canavel, 2d Service Battalion, with a score of 148 x 150 birds, brought home the first place trophy for A class after being nosed out of the overall championship in a three way shoot-off.

Team Captain CWO Berle Garis of 2d Service Battalion, was runner-up in A class with a score of 147 x 150.

Lieutenant L. D. Choate, Headquarters Battalion, Force Troops, won the first place trophy in E. class and Staff Sergeant Jim Wynn, H and S Battalion, MCB, was runner-up in Class AA with a score of 146 x 150.

Members of the team include Canavel, Wynn, Garis, Choate and Major O. L. Lockhart, Headquarters Battalion, Marine Corps Base.

The skeet range at Camp Lejeune is open for recreational shooting on Wednesday afternoons, Saturdays and Sundays.

The Lejeune High School Devilpups ignored the storm warnings and blew the Pamlico Hurricanes off the field last Friday night as they scored a 20-7 upset victory over the defending conference co-champions.

Halfback Buddy Charlesworth scored 14 points on two touchdown runs and two PATs. Quarterback Tim Slaton scored a third touchdown for the Pups on a two yard run.

Pamlico took the opening kickoff and started its ground game from the 22 yard line. Melvin Taylor and Greg Kemp picked up two quick first downs for the Hurricanes as they marched to their 47. Hard-hitting and gang tackling by the entire Lejeune line made Pamlico cough up a fumble, recovered by guard Ted Rodarte.

Charlesworth ran wild on two long gainers as the Pups quickly

arrived at the Hurricane line. He went over from one but his effort was nullified by an illegal procedure penalty which brought the ball to Pamlico six.

Dennis Goss scrambled out of his right halfback position for four yards and Slaton sneaked over from there making it Lejeune. Charlesworth carried the extra point.

Near the end of the first quarter Pamlico was forced to punt from its own 40. Slaton kicked the ball on the Lejeune 20 and raced far up the field near 50 but the play was called back for offensive holding. The penalty also nullified a game-breaking block by guard Charlie Hoopes.

Keith Bennett, a Hurricane safety man, stopped the Pups with an interception at the Pamlico 42 as the first quarter ended.

Pamlico couldn't whip a breeze with the ball this time and kicked to the Pups 30.

With Slaton picking up 20 yards on a delayed quarterback sneak and Charlesworth and Goss gaining the ball it wasn't long before Lejeune was knocking on the "TD" door. This time Goss knocked from the nine and the TD was called back because of illegal procedure.

A few seconds later Tyne stopped it all by recovering a fumble for the Hurricanes on the 15 yard line.

In the middle of the second quarter the Devilpups began a 55 yard touchdown march highlighted by a 50 yard pass from Slaton to Charlesworth which ended on the Pamlico yard line.

Charlesworth scored from 20 and added the extra point making it 14-0.

Lejeune received to open the second half but a bad pass from center on a fourth down punt play gave the Hurricanes the ball on the Lejeune 30. York made the fumble recovery for Pamlico.

Mixing his passing and running game well Cowell engineered a scoring drive capped by a yard plunge by fullback Harold Lloyd. Lee Jones kicked the extra point, making it 14-7.

The rest of the third quarter found each of the teams trading yardage in Pamlico territory. Jack Kemp recovered a Lejeune fumble on his 24 yard line. The play stalled a PUP scoring drive.

Early in the fourth quarter Nichols and Evans blew through the Pamlico line to drop Cowell for a five yard loss on a second down play. Pamlico punted from its twenty-five on fourth down and Charlesworth returned it to the yards.

On a third and 18 play from Pamlico 42 Goss took a pass from Slaton and hooped it to the yard line with some fine break field running. Slaton ran it over from the 18 but the play was called back on a penalty.

Pamlico got careless and committed a personal foul giving Lejeune a crack at their third touchdown. Charlesworth took it from the 15 to the eight. Two plays later he made it over right end for the score behind some vicious blocking by the right side of the Lejeune line. Charlesworth failed to get the bonus point as the score stood at 20-7.

JV Pups Drop First Game, 27-0

The Lejeune Junior Varsity football team dropped their opening game to powerful Jacksonville, 27-0 last Thursday. Although the score was only 6-0 at halftime, the little Cardinals ripped off three touchdowns in the second half to complete their scoring.

Lejeune suffered its first opening game loss in three years and the point total was the most ever scored against their JV team.

The offensive leader for the Pups was sophomore halfback Bobby Catlin. Keith Smith, sophomore tackle, was the best lineman in the game according to the JV coach John Griffin.

The Pups played Swansboro last night at the football field near Goettge Field House.

Menke, Hopkins On Service Team

The Marine Corps beat Navy 3-1 in the first game of the Inter-Service Softball Tournament held at Norfolk last week. Then the roof fell in and they dropped five straight close games to the Air Force, the Navy and the Army.

Marine Corps standouts in the tourney, shortstop Bill Menke, 2d Service Battalion, 2d Division, and centerfielder Craig A. Hopkins, ITR, were selected to the All-Service team composed of 9 players from the Air Force, two from the Navy, and two from

the Marine Corps.

Both Marine players will play in the National Softball Tourney held at Springfield, Missouri. If the All-Service team wins the tournament then it will play in the Pan-Am softball tourney.

Lejeune Outdoors

by Charles Peterson

To progressively manage wildlife it is necessary to know the population density of a certain area as nearly as possible. No estimate of game populations can be entirely accurate. However, some degree of accuracy can be determined by careful observation of the various species of wildlife.

The following is a sampling estimate of all non-migratory game within the confines of Camp Lejeune. The estimate was completed on August 15, 1967.

Deer	2,600
Bear	17
Turkey	275
Quail	7,500
Rabbit	6,500
Grey squirrel	9,000
Fox squirrel	1,000
Raccoon	10,000

Total numbers were determined by sight and track counts of all species except deer. The deer population was determined by applying the number of known male deer legally killed during the previous hunting season and the number killed by motor vehicles with the number which survived. These figures were then applied to the sex-ratio and the rate of productivity of the herd which was determined during the biological study of the herd during 1966.

The deer population here at Camp Lejeune is found to be one deer for every 25 land acres. One deer for every 20 land acres is considered to be an ideal situation.

There is a good supply of natural food, and this supply is supplemented by planting wildlife food plots in various areas of the base for all wildlife. There are 63 wildlife plots on the base, and 48 of them are presently under cultivation.

150 YEARS SERVICE—A total of 150 years of Marine Corps service came to an end with the retiring of seven 2d Marine Division Marines. Brigadier General E. B. Wheeler, (center), Assistant Division Commander, expressed his best wishes and congratulations for the devotion and service of the men. Retiring are (1 to r): MGySgt. Charles J. Miller Assumes Command Of 1st Bn., 8th Marines

Lieutenant Colonel J. H. Miller assumed command of the 1st Battalion, 8th Marines, 2d Marine Division, during formal ceremonies Sept. 6. Colonel Miller replaced Lieutenant Colonel F. H. Waldrop, who has been reassigned to G-3 (Plans and Operations), Headquarters, 2d

Marine Division.

LtCol. Miller, a native of Waco, Texas, entered the Marine Corps in May 1943. After serving in the Pacific Area during World War II and participating in the Okinawa Campaign and the occupation of Japan, he was discharged as a Staff Sergeant in

April 1946.

Returning to Texas A & M College, he earned a Bachelor of Science degree in Electrical Engineering in 1949 and received his Marine Corps commission through the Platoon Leaders Program. After completion of Basic School he joined the 1st Marines at Camp Pendleton and sailed for Korea, where he served from September 1950 to April 1951 in I Company, 3d Battalion, 1st Marines. Upon return from Korea, he served as Guard Officer at Marine Barracks, Corpus Christi, Texas and as Executive Officer, Marine Barracks, McAlester, Oklahoma.

In early 1953, Colonel Miller joined the 1st Provincial Guided Missile Battalion at the Naval Ordnance Test Station, China Lake, California. This duty was followed by attendance at the U.S. Naval Post Graduate School, where he received a Masters Degree in Electrical Engineering Electronics in 1957. He then returned to China Lake as Executive Officer, Marine Corps Guided Missile Test Unit. From 1959 to 1962 he was the Guided Missile Officer in the G-4 (Logistics and Facilities) Division, Headquarters Marine Corps.

Subsequent to duty at HQMC, Colonel Miller was Executive Officer, Material Supply and Maintenance Battalion, 1st Force Service Regiment, Camp Pendleton for one year. This was followed by a tour as Operations Officer of 1st Battalion, 3d Marines, 3d Marine Division.

Returning from the Far East in October 1964, Colonel Miller was an assistant G-4 (Logistics and Facilities) officer at Headquarters, Fleet Marine Force, Pacific until assignment to the 2d Marine Division in August 1967.

Colonel Miller's awards include: The Bronze Star with Combat "V" and a Gold Star, the Purple Heart Medal with 2 Gold Stars and three Presidential Unit Citations. He is married to the former Virginia Campbell of Waco, Texas. They have 3 children, Danny 16, John Jr. 14, and Melissa 11.

Navy Commendation Medal Awarded to MSgt. Woods

Master Sergeant Roger M. Woods, Truck Company, H&S Battalion, 2d Force Service Regiment, Force Troops, was presented the Navy Commendation Medal with the Combat "V" by Colonel Harold Wallace, Commanding Officer, 2d Force Service Regiment.

Woods received the Medal for his meritorious service with Mo-

tor Transport Maintenance Company, Maintenance Battalion, 1st Force Service Regiment, Force Logistics Command, during his tour of duty in Vietnam. MSgt. Woods, the body and fender repair shop chief, was cited for expanding his work shop, training inexperienced men, and performing duties normally requiring a Marine of a higher rank.

MOVIE REVIEWS

"One Million Years B. C."

Stars Fredric March, Richard Boone and Diane Cilento, Color.

A really new concept in motion pictures, this flick recreates the physical and emotional climate of life on earth indicated by the title. In this modern "silent" movie, dialogue is not used, the only sounds heard are those of screaming wild prehistoric animals and grunting cavemen.
 The movie concerns two tribes of humans with vastly different ideas on how to live: one tribe (rock people) fights like animals, while the other (shell people) lives in peace.

The cast is headed by Tumak (John Richardson) and seductive Loana (Raquel Welch). The animation is great. In color.

"Hombre"

A below average Paul Newman flick in which he plays John Russell, a white man raised by the Apaches. The drama begins when a stagecoach on which Russell is a passenger is robbed of money intended to help the Indians. He then takes on the task of rightfully returning the money.

"Modesty Blaise"

Spoof of a spy spoof, this one is termed an "op-pop-bop" thriller by 20th Century Fox. Monica Vitti is deadpan in her role as the female James Bond, Terence Stamp is dashing as her assistant, and Dirk Bogarde oozes with charm as the villain who attempts to hijack a fortune in diamonds from Great Britain. In color.

"Rush To Judgment"

A documentary of a sort, this film takes to task the Warren Report on the assassination of President Kennedy. The 122-minute "brief for the defense" is produced, narrated and acted in by its maker, attorney Mark Lane. The flick, which makes several interesting observations, is worth seeing for the controversial subject matter alone. Black and white.
