MARINE CORPS BASE, CAMP LEJEUNE, N. C.

SEPTEMBER 24, 1964

High School Graduates 21 Students

Twenty-five Camp Lejeune Marines recently graduated from the Onslow-Camp Lejeune Adult High School during ceremonies at Marston Pavilion. Guest speaker for the occasion was Mr. Charles Bradham, president of the Jacksonville Chamber of Commerce.

Including the last graduation class, a total of 147 military personnel at Camp Lejeune have received high school diplomas through this off-duty education program since its inception in April 1963.

The diplomas received from the Onslow-Camp Lejeune Adult High School are certified by the North Carolina Department of Public Instruction and are recognized by all accredited institutions of learning.

The fall term started Sept. 14 and has an enrollment of 55 sailors and Marines, including a Woman Marine. Ten of the students are enrolled in two courses. The next term is scheduled to begin in November.

Members of the last graduation class are:

Cpl. Michael V. Ahearne, LCpl. Miguel A. Vasquez-Arroyo, PFC. Warren S. Axelrod, LCpl. John A. Clark, Gysgt. Francis L. Cox, Gysgt. William E. Dziel, Jr., LCpl. Allen L. Goss, Cpl. Kenneth Iselin, SSGT. James O. Jackson, Cpl. Leroy R. Jones, LCpl. Gary A. Kier, PFC Paul King, LCpl. Lawrence J. Lillenthal, SSGT. Vincent J. Manco, SSGT. Bruce D. Harsden, PFC Gary McQuown, SSGT. Leo B. McOn, Cpl. Robert G. Palmieri, Gysgt. Joe L. Rogers, PFC Donald W. Southward, Gysgt. Paul D. Sparks, Cpl. Alton J. Stewart, Cpl. Henry S. Eng, SSGT. Leon T. Williams, and PFC Timothy J. Zima.

'Exercise Your Right' Urges Gen. Greene

As long as he can vote in local and national elections, an American has more power to influence his country's destiny than most of the men of history. In past election years, men of the United States Marine Corps have demonstrated a strong desire to express their convictions through the ballot.

They strongly urge all eligible Marines and their families to vote in the coming elections, either at the polls or by absentee ballot.—Gen. Wallace M. Greene Jr., Commandant, U.S. Marine Corps.

See Quad-Command voting information on Pages 6 and 7.

Lejeune Student In Semi-Finals Of Nat'l. Scholarship

Principal G. W. Durr of Camp Lejeune High School announced today that one of the school's students has been named a semifinalist through his outstanding performance on the National Merit Scholarship Qualifying Test. This test of educational development was given in more than 17,000 high schools last March.

The student cited for his high achievement is John A. Ormond, son of SgtMaj. and Mrs. J. A. Ormond, 5709 Virginia St., Camp Lejeune.

He is among 14,000 seniors throughout the country who attained semifinalist status. The semifinalist group is composed of the highest scoring students in each state and in U. S. territories. Each semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice. Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools, and fulfill certain routine requirements to become finalists. All Merit Scholars are selected from the finalist group.

"Semifinalists are representative of our country's most intellectually able young people," said John M. Stalnaker, president of the National Merit Scholarship Corporation.

"They possess the talents and qualities necessary for leadership in the future. They are resourceful, hard-working, and ambitious."

About April 28, 1965, the

JOHN A. ORMOND

names of the Merit Scholars will be announced, the exact number depending on the extent of sponsor support of the Merit Program. In 1964 NMSC and sponsors together awarded about 1,625 Merit Scholarships.

Each Merit Scholarship is a four-year award to cover the undergraduate college years. The recipient's stipend is tailored to his need.

Awards may reach a maximum of \$6,000 for the four years of college.

The Merit Program was established in 1955 with grants from the Ford Foundation and the Carnegie Corporation of New York. In 1962 the Ford Foundation announced an additional grant to continue the program through 1970.

SMALLER GOAL

United Fund Drive Is Set

Donors to the 1964-1965 Camp Lejeune-Onslow County United Fund Drive, scheduled to kick off late this month, are being asked to dig less deeply this year thanks to a budget reduced more than \$10,000 below that of last year.

Colonel Jack Hawkins, military chairman, has announced that this year's total goal is \$109,291 compared to \$120,000 last year.

Major General R. M. Victory USMC retired, is the President of the Fund in this area. Co-chairman for the quad-command are LtCol. D. M. Knox, Marine Corps Base; Maj. T. P. Riegert, 2d Marine Division; Maj. F. D. Clements, Force Troops; LtCol. R. D. McKittick, MCAF and Mr. R. H.

Piper, Civilian Employees. Chairman of the drive for Jacksonville-Onslow County is Mr. Hugh McLaughlin and Mr. Chuck Woodul is head of the budget committee. The campaign in the civilian community will run concurrently with that of the quad-command.

Materials for keymen and final instructions are being distributed at this time and actual canvassing of Camp Lejeune personnel will begin by the end of the month.

With the reduced goal for this year hopes are high that both the military and civilian communities will be able to go over their quotas in support of the 13 major charitable organizations financed through this one combined drive.

Study Indicates Possible 3.2% Quarters Increase

A 3.2 percent increase in quarters allowance may be in store for service personnel next year—if Robert McNamara, Secretary of Defense, follows through with the proposal he presented to Congress last year.

The next few months should tell the story because any proposed increase in allowances or pay, or both, will be in the budget presented to Congress in January.

The increase, if it comes, will be the result of the formula that McNamara set up to govern the level of quarters allowances.

McNamara's quarters formula, as presented to Congress last year, is that the allowance should be increased whenever

the housing cost for the general public, as included in the consumer price index of the Bureau of Labor Statistics, rises three points above the Jan. 1961 index.

At present, the housing index is 3.3 percent above the 1961 level. It rose over the three point mark in December 1963.

One interpretation of McNamara's formula is that any increase in quarters allowance will follow the index increase by two years. If this theory is correct, an increase should not come until 1965; but Navy Times reports that there is pressure from Congress, the services, and possibly even the White House to eliminate the two year lag.

EXPLORER SCOUTS GET RUBBERBOAT TRAINING—Members of Camp Lejeune's Explorer Scout Post 490 hit the surf at Montford Point under expert guidance from Marines of 2d Reconnaissance Battalion, 2d Marine Division during rubberboat drills Sept. 19. The training is part of continuous activities planned for the post. Already boasting more than 20 members, the new post expects to receive its charter within the next two weeks. From left to right are: Cpl. R. T. Vance, PFC C. T. Ennis (face hidden), Scouts Bob Ehly, Tim Ehly, Dave Adams, Roger Crozet, and SSGT. D. R. Peavler.

The 'Beetles' Are Here; Camp Residents Warned

No, not the "Beatles" of rock and roll fame, but the beetles currently visiting the Lejeune area have a reputation for creating havoc that matches the musical group.

According to the Base Landscape Architect, an insect called the White Fringed Beetle is making its annual visit to this area and it has been necessary to apply quarantine regulations to the Quad-Command. The areas infested have been treated and will continue to be treated as determined necessary by an authorized Federal-State Inspector.

Meanwhile, Lejeune residents are cautioned not to remove certain articles from the base unless proper certification is received from an authorized inspector. These items are: soil, sand or gravel moved independently or attached to heavy equipment and amphibious vehicles; nursery stock, plants and sod and scrap metal.

Persons who intend to remove the above regulated articles from the Base must request certification as far as possible in advance and will prepare and assemble the articles for examination by the inspector. Information regarding the movement of regulated articles may be obtained by contacting the Landscape Architect, Phone 7-5158.

Disbursers Get 'Green-Light' On Trailer Allowance

Even though the Joint Travel Regulations have not been amended yet, disbursers have the authority to authorize payment of .51 a mile to commercial haulers when moving a serviceman's mobile home under permanent change of station orders.

This higher rate will cover all moves since Aug. 7, the date it was signed by the President. When he signed the Bill, it increased the amount the government would pay by .15 a mile. Also covered in the amendment to the JTR are moves to and from Alaska.

Even with the higher rate, the amount of reimbursement is limited to the lowest of three ceilings.

- * .51 a mile
- * The current average cost for commercial transportation of a mobile home.
- * The combined cost of transporting the household goods over the same distance for a man of the same pay grade plus Dislocation Allowance.

The mobile home owner may still have to pay some of the cost of the move out of his own pocket under the new law, but not as much as before. The ones who will have to pay the most are trailerites who have large mobile homes that are being moved long distances.

Marine Karateka Wins Honors At Chicago Meeting

A Division Marine member of the Camp Lejeune Isshando Karate Club won a third place in the 2d Annual World Karate Championships at the Coliseum in Chicago, Ill., Sept. 6, and a promotion to 3d degree Brown Belt.

PFC J. L. Wood, 3d Battalion, 6th Marines, 2d Marine Division, topped the list of eight Marines who traveled to Chicago to represent Camp Lejeune in the international matches. More than 800 karate players representing 25 clubs from all over the world including Okinawa, Japan, China and Canada, took part in the games.

The Camp Lejeune club, under the direction of Sgt. Don Bohan and LCpl. Art Hane, both of the 6th Marines, reached the semi-finals in the competitions and qualified for the U. S. Karate Olympics to be held in New York City on Sept. 27.

In the Green Belt class Sgt. W. I. Betha and PFC's G. D. Colwell and L. A. Sterling reached the semi-finals.

Language Barrier Broken Through Music And

WITH THE U. S. SIXTH FLEET IN THE MEDITERRANEAN, (Delayed) — Bonjour Monsieur, Comment Appelez-Vous? (Hello sir, what is your name).

A simple French sentence spoken by a little brought a warm smile to the face of the Marine to whom she was speaking.

With a shrug of the shoulders, the Marine tried to explain that he hadn't understood what she had said, and in his limited French replied that he didn't understand.

Language, however, proved to be an obstacle easily overcome by the Marines who were visiting children of the Villa Bethanie orphanage in Nice, France. Battalion Landing Team 2/6 Marines made their visit to the orphanage while in port at Cannes, for liberty and sightseeing.

The Marines presented a large chalk board to the orphanage, and individual gifts of coloring books and dolls to the girls. Nearly every Marine then found himself thumbing through the pages of the books and trying to explain in English and gestures, what the pictures represented to inquiring little girls.

As part of the day's activities, Marines of the BLT's Drum and Bugle Corps entertained the children with a series of popular selections. The Marines were a bit surprised, however, when the tables were turned and they found themselves to be the audience for a selected group who entertained them with ballet routines.

BLT Marines visited phanage as another gesture in their ex-people - to-people program which they have been conducting throughout the Mediterranean area.

Accompanying the Marine visit to the orphanage were Lt. Robert Tate, BLT 2/6 and Lt. (jg) Raymond Zewski.

It soon came time to and the Marines bid a farewell to their tiny. With waving hands the children bid farewell to their "fathers for a day".

BLT 2/6 returned to Lejeune last week.

Cashing Checks

Personnel are advised that personal checks of a private party will not be cashed by the PX or by the Bank unless the person cashing the check has an account at that Bank, or has the check countersigned by a person who has an account at that Bank.

This is in accordance with sound business practice and wise for personnel who have a personal check count to have funds sent by postal money order or cashier's check.

Several of the children entertained the Marines with selections of ballet routines after the BLT Drum and Bugle Corps entertained the children with musical selections. (Photo by LCpl. R. Keron).

A Man's Castle Is Where He Builds It

No natural boundary seems to be set for the efforts of man. This is the case with SSgt. Jeremiah Purdie, Supply Sergeant at Base Range Control, who has set no boundaries in his efforts to improve his bachelor living quarters in Bldg. 53, MCB.

In the span of three weeks, Sgt. Purdie, with no previous experience in woodworking, has built a stereo cabinet to house his stereo amplifier and three-way hi-fi extended range speaker system. He has also added a three-section "L" shaped chest of drawers.

"I have learned to enjoy building things," Sgt. Purdie commented, "and I think you enjoy it more if you build it yourself."

This hammer happy Marine got the idea for building while stationed in Hawaii. After finding what he wanted, he went into a furniture store and took dimensions of the objects he wanted to build. The necessary woods and certain accessories were available from the Hobby Shop.

Sergeant Purdie has also added a rug, pole lamps and a table top lamp he made from driftwood, which he found at Onslow Beach.

Editorial

The Scene Depends On How Marines Are Seen

Scene One: On a crowded city street, a woman carrying several packages suddenly drops some of them. A Marine in uniform and a civilian, who were walking close by, stop to help her pick them up. Another lady, who witnessed the whole thing, turns to her companion and says, "Wasn't it terribly nice of that polite young Marine to help that poor woman that way?" Her companion nods affirmatively.

Scene Two: Two passengers on a crowded city bus are engaged in a heated argument about who's going to sit in one vacant seat. Both have obviously been drinking, both are disheveled and both are using loud and abusive language. One is a Marine in uniform; the other, a civilian. In the seat behind them, a commuter turns to his wife and says, "I wish Camp Lejeune would keep their men out of town and on the post. They're all a bunch of drunken no-goods. The wife agrees."

Do you get the message? Simply enough, it's that the man in uniform stands out from the crowd. He makes a greater and more lasting impression on civilians than do other civilians. It all depends on the actions of the man in uniform whether the impression is good or bad.

You hear a lot of Marines talk about this or that town as a "good" service town or a "bad" one. What makes a town good or bad for the Marines who visit there? Again, the answer is simple. It's the product of dozens of scenes like those above. If there are more incidents like Scene One, the town is likely to be a good service town. If there are more Scene Two's, it's probably going to be a bad one.

What's the situation in the towns where you spend your liberties, or leaves. Is it good or bad?

If it's good, are you doing your part to help keep it that way? And if it's bad, is there anything you can do to help counter the actions of those who made it that way?

The Globe Salutes...

It is with the greatest reluctance that the GLOBE and its staff bid farewell to Marine Staff Sergeant Joseph M. Pratte, Sergeant Pratte has been editor of the GLOBE since June of this year and previously served as Assistant Editor upon reporting to his office in January 1964.

New to the field of journalism, he took over the reins of assistant editorship fresh out of Journalism School at Great Lakes, Ill. Under his leadership, the GLOBE has easily stood unchallenged as not only the Marine Corps' largest newspaper, but in our opinion, the best.

Known to his co-workers as "The Marine's Marine", we feel confident that Sergeant Pratte's reputation as a fine Marine will follow him in his new assignment in the Armed

Forces Radio and Television Service on Okinawa.

SSgt. JOSEPH W. PRATTE

Child Safety For Drivers

Drivers are today's number one child killers. Children are hit by cars on the highways, injured in accidents, struck in driveways and they fall from cars.

To prevent such heartbreaking occurrences, you must think for a child. If you see a ball roll out into the street you should assume that a child will follow it...slow down. Before backing up you should check behind you. To keep a child from falling from a car be sure that all doors and windows are closed or locked.

When you drive remember, drive as though you were teaching your child to drive--YOU ARE! (rules and road manners) When parked, be sure brakes are on and never leave keys in the ignition.

The seat next to the driver is the most dangerous in sudden stops...a tumble from the seat can easily knock out a tooth...or worse! The seat behind the driver is safest...be sure all doors are fully closed and locked.

Teach your child lessons in road safety. They are more important than learning how to swim...and more often used. Teach them to cross a crossing and never from behind a parked car; to obey traffic lights at all times; to look both ways before crossing and not to play in the streets; no hitch-hiking rides and never accept rides from strangers.

A Primer On Communism

Question -- Have any countries freely chosen Communism as their form of government?

Answer--No nation in the world, including that of the Soviet Union, has chosen a Communist government by a free vote of its people. In fact, whenever the choice has been free, as in the first postwar elections in Hungary and Czechoslovakia, communism has been rejected by the people.

However, there have been local victories for Communist parties. The government of Guatemala, for example, as a result of communist subversion during a "revolutionary situation", was rapidly becoming communist when the anti-Communists staged a coup in June, 1954.

In India, the Communist Party in the election of 1957 won more than 35 percent of the votes in the State of Kerala and, with the support of independents, was able to form a state government.

By the spring of 1959, however, the authoritarian character of the regime became apparent in its attempt to take over the school system.

This led to disorders throughout the area and, on July 31, the state administration was dismissed by the central government. In the February, 1960, special election, the Communists lost half their legislative representation.

Chaplain's Corner

The story is told of a seaman who was on a destroy the first time. A storm whipped up and forty-five degrees were tossing things all over the place. Waves crashed over life lines. Water swashed all over the deck. Shaking like a the terrified man spied the chaplain. "Chaplain," he answered, "are we in great danger?" "Don't worry, son," the chaplain answered, "we're in the hands of God." "Oh, no," gulped the seaman, "is it as bad as all that?"

Many people today think along these same lines. God is of emergency escape hatch to be used when we don't know else to turn. Prayer is a neonmarked emergency exit marked crises only. The chaplain is a sort of medicine man for the deaths, and major ills. But when the haze lifts and the clouds clear and the sun comes out in our life and we're back to a hard steaming, God again becomes as remote and as distant before.

Now, don't mistake me please. I'm not saying that we should pray when we're in trouble or undergoing stress or facing tain danger. We most certainly should pray at such a God himself gives the invitation and the assurance "Call me in the day of trouble. I will deliver thee and thou shalt ify me." But mark this well. We must never restrict our ing upon God simply to these days of trouble.

The God we serve must be the Lord of all of our life a God for sickness, but also for health. A God for emerge but also for our regular life. A God for the unusual and pected, but also for the routine and commonplace.

He can never be reserved for emergency use only.

Our worship of Him and communion with Him must sink to the level of the little girl who rushed home from geography examination and after glancing at the m riedly prayed "Dear God, quick, make Boston the cap Vermont!" God may have smiled at the petition, but at reports He hasn't granted it. He couldn't. He's our Lord our servant. Such emergency petitioning is not true p Chaplain A. J. Dahm

MOVIE REVIEWS

THE EVIL OF FRANKENSTEIN
 gain he lives! He breathes! He's back! He's back! The imagination, challenging the thrills of lightning and thunder, while the movie bursts into a frenzy of fast bedlam, a new monster is loose upon a trembling world. For the nervous, the scary! You get nightmares and tantrums, away! But if you enjoy thrills and chills don't miss the Evil of Frankenstein.

VIVA LAS VEGAS
 's that go-go guy, Elvis Presley, and that Bye-Bye gal, Ann-Margaret, together in a block-busting musical from M-G-M. It's Viva Las Vegas, starring Elvis Presley and Ann-Margaret, in a hot-rod romp which sets the ring with a raft of new Viva Las Vegas starring Ann-Margaret who sets the town swinging in her biggest role yet. For all, for kicks, see Viva Las Vegas in Metrocolor.

SING AND SWING
 ings and romance, teenage style, brought to the screen in Sing and Swing. This is a gay, lulling 'n roll film starring Britain's latest young singing stars since Beatles in a story that has an appeal for adults as for the younger set. David Hemmings plays the role of Sing and Swing's pivotal

character, a post office messenger boy who, along with three of his teenage pals forms a rock 'n roll group . . . The Smart Alecs.

AUNTIE MAME
 She's back! Auntie Mame once again is here to cast laughter your way as she has in the past. Rosalind Russell and Forrest Tucker get the

leading nods in this hilarious movie released by Warner Bros. Keep your eye out for Vera, the Duchess from Pittsburgh, Babcock, the "Heckling Banker" and the other zany members of Auntie Mame's mob.

PANIC BUTTON
 This is a romantic comedy that tells the story of how an American company tries to lose a taxable half-million dollars by investing it in a TV Pilot film. The movie stars Maurice Chevalier, Eleanor Parker, Jayne Mansfield, Michael Connors and Akim Tamiroff.

BEDTIME STORY
 What could be better than a rollicking good Bedtime Story, well, there's just nothing that can equal it for laughs, and honest-to-badness hilarity. Starring Marlon Brando, David Niven and Shirley Jones. You'll howl with glee at the capers of a pair of cunning con-men who fleece the sexiest chicks on the Riviera, until they match wits with a milk-lined bomb.

A SUMMER PLACE
 Here is the place where a boy and a girl discover love; where adult emotions violently explode; where the inn, the guests and the sensations of the great best-seller come to hold life. The cast is headed by Richard Egan, Dorothy McGuire, Sandra Dee, Arthur Kennedy and Troy Donahue.

SEAWIFE
 Violent and vivid panorama of war-panicked Singapore harbor. The CinemaScope cameras narrow suddenly to a submarine attack on a small boat crammed with a thousand refugees. The ship's survivors, Joan Collins, Richard Burton, Basil Sydney, and Cy Grant, are set adrift in an open boat, pitted against the shark-studded waters on the Indian Ocean and sometimes — with even deadlier effect — against each other.

ARMED FORCES

Story by: PFC Norman Potash

An election day atmosphere will prevail at Camp Lejeune tomorrow on Armed Forces Voting Day. The Secretary of Defense has designated Sept. 25 as Armed Forces Voting Day in order to stimulate absentee voting by military personnel, and unit commanders on the base will be doing their part by staging mock elections.

Each activity on the base is scheduled to hold elections in which Marines will vote on issues rather than on candidates. In addition to voting on the base, members of the 2d Marine Division who are in the field will also be given an opportunity to vote. In most instances, completion of the Federal Postcard Application for an absentee ballot will be a prerequisite for voting in the mock elections.

During the "issue" elections, Marines will be asked to answer such questions as: Where is the best liberty in this area? Which Special Services activity do you prefer? Who would

you rather have for a squad leader? (among the choices are John Wayne, Jeff Hunter, and Aldo Ray). The questions on the election ballot will vary, but all are designed to give the Marine a chance to voice his opinions.

Continuous efforts have been made during the past few months to insure that each eligible voter has been contacted and made aware of the opportunities available to him for exercising his right to vote. Thousands of Postcard Applications for Absentee Ballots have been distributed to personnel on the base, and Armed Forces Voting Day will be used by the voting officers to encourage eligible Marines to complete these forms and mail them to their home state.

All of the base activities plan to make the results of the mock elections public in hope that this will stimulate voter interest. Predictions of a large turnout have been made, and the unit commanders and indi-

Benning Over Lejeune 39-0

D'Dogs Vs. Goshawks

Saturday At Pensacola

The Camp Lejeune Devil Dogs will travel to Pensacola, Fla., this weekend, in search of their first victory of the year, against the perennially high-flying Goshawks. In the D'Dog opener last week the Marines fought the good fight, but couldn't cope with the overwhelming power of the Fort Benning Doughboys. Lejeune went under, 39-0.

The Benning team had not only first string stars from V.P.I., Syracuse, Bowling Green, and Georgia Tech, but such good depth that you couldn't tell when the second string came in.

The Army gave portent of things to come when they received the opening kick-off, and then marched straight down field to paydirt, picking up four first downs enroute.

Willie Williamson, running from the right halfback slot, did most of the damage, banging out 38 yards in seven carries during the first Benning series. Williamson played for Georgia Tech, and was a member of the All-Army Team last year.

Jim Ross, the Marines' starting right halfback, provided a bright spot in an otherwise bleak evening for Lejeune, on his kick returns. Ross picked up the ensuing kick-off on the five yard stripe, then display-

ing tremendous broken field ability, scrambled to the Lejeune 45 yard mark. The 5' 6", 165 lb. four year Quantico veteran, later returned a kick 48 yards.

Tony Conzo, also a Lejeune halfback, also showed break-away potential on a couple of runs, but mostly the game consisted of Benning driving downfield.

Benning scored twice in the first period, once in the second and third quarters, and twice in the final period.

House, Sullivan Defend Base Title

Skipper Garth House, and his crewman, Gordon Sullivan, who had never been in a sailboat before, combined their talents to successfully prolong the reign of Marine Corps Base as All-Lejeune sailing champions.

Taking advantage of an early wind shift to capture the lead, the House-Sullivan team stayed in front throughout the remainder of the race.

Division came in second in the affair, with the team of Van-Gaasbeek and Vining mustering up a second and fourth place to rate runner-up in the team standings.

The trophy, a large ship bell, will remain on display in Base Headquarters for at least another year.

Four Grid Battles Feature In Boys Football League

With a favorable assist from the weatherman, Boys' League Football fans witnessed four spirited clashes over the weekend.

Saturday's scoreless stand-off between the Rams and Vikings of the Tiny Tot League did not result from a lack of offensive effort on either team. Right halfback Cunningham

swept around his 140 yard sprint to the homeland in the first only to have the back on an untimely penalty.

Vikings' quarterback, RHB Fick, Crusie form a tight behind their aggressive that promises good king followers in ahead.

On their initial Lions fell prey to sustained attack. Sunday's second Veater accounted for with two TD's and full PAT thrust (for running the PAT league); while Mark Eddie Bungee railed TD apiece.

Fullback Bill Bu with QB "Skip" HB Mike Cox juggled well for the Lions hit a solid defensive Browns' line led and Melander.

Sunday's Midg games led off with hunting party downgles, 13 to 6. After LeClair clocked of scoring strikes of 60 yards, left end Pled quarterback Vin for the extra point.

Dave Clark made own as he scored only six pointer period. Although passing attack by wood and Mike nened to break the open, Redskins left, and right line backsey, stabbed repeat Eagles' backfield threats.

Devilfish Tryouts Begin Next Week

The Devilfish, Camp Lejeune's dependent swimming team, will be holding tryouts Monday through Friday of next week. Dependent children between the ages of 6-17 interested in competitive swimming are urged to come out for the trials.

Coached by Jack Hayes, an AAU and collegiate swimming star, the Devilfish have consistently proven themselves one of the strongest teams of their type in this area.

Tryouts will commence at 4 p. m., Sept. 28, 29, and 30, and Oct. 1 and 2.

Swimmers must bring bathing suits and towels, and report to Jack Hayes at the Area #5 pool.

Rod & Gun Meeting

A meeting of the Camp Lejeune Rod and Gun Club has been set for tonight at 7 p.m. The site of the meeting will be the clubhouse (bldg. 1938).

Hunting Allowed On Base, Subject To Regulations

The hunting season is now open for a few game animals, and will soon open up for the rest. Lejeune based hunters have access to very fertile hunting grounds aboard the base, and are encouraged to take advantage of this resource — as long as certain regulations are followed.

4 Local Marines Top Competitors

Quad-Command Marines, competing in the first of a series of cross-country races, captured the top four slots in the four-and-one-half mile affair, held at Cherry Point, last week.

Private First Class Ken Voss, of 2d Med. Bn., covered the course in 25:05 to take first place. Fifteen seconds behind Voss was Lt. R. W. McDermott of the Naval Hospital. First Lieutenant E. B. Laughton of HMM-265 came in third with a time of 26:29, and LCpl. W. C. McDaniel of H&HS, MCAF finished in 26:50, for fourth.

The second race of the series, a five-and-one-half mile run, has been slated for MCAF at 1 p. m. Sept. 27.

For further details on the cross-country races, contact either Lt. McDermott at ext. 44317, or Lt. Laughton at ext. 06-147, MCAF.

The first thing you must have in order to hunt on the base is a BASE HUNTING PERMIT. To get this you must go to the game warden's office (bldg. 37) to sign a document testifying that you understand, and will comply with Base, County, State of hunting safety.

You must also present a North Carolina or Onslow County hunting permit, and where applicable, a Federal Migratory Bird Stamp.

Before you can go afield to hunt, you must get clearance from the Game Warden's Office.

No rifles of any type will be used aboard the base. All shotguns capable of holding more than three shells must be plugged with a one piece metal or wood plug so the shell capacity will not be more than three.

No rifled slugs will be used on the base. Any shot size through #00 buckshot may be used, except as otherwise limited.

Special provisions have been made for deer and bear hunts. Full information can be obtained in Base Bulletin 1710, dated Aug. 31, 1964.

Devilpups Bow To Hallsboro Tigers

The Camp Lejeune Devilpups were handed their defeat of the young football season last Friday night, they tangled with the Hallsboro Tigers before a crowd of approximately 3,000.

The swift and powerful running attack of Hallsboro's senior stars, Billy Formy-Duval and Bryant Powell, stilled the Devilpups defense at the night as the varsity scored a 33-6 victory. Early in the first quarter the varsity, coached by John Small, capitalized five yards for a side then Formy-Duval, trailing out of the single wing back slot, skirted left end in the 15 to register the first tally. Formy-Duval then added the first of three touchdowns he was to make that night. In the end of the period, Bryant Powell, on a power play, off tackle bucked his way into the end zone standing up the Hallsboro second touch-

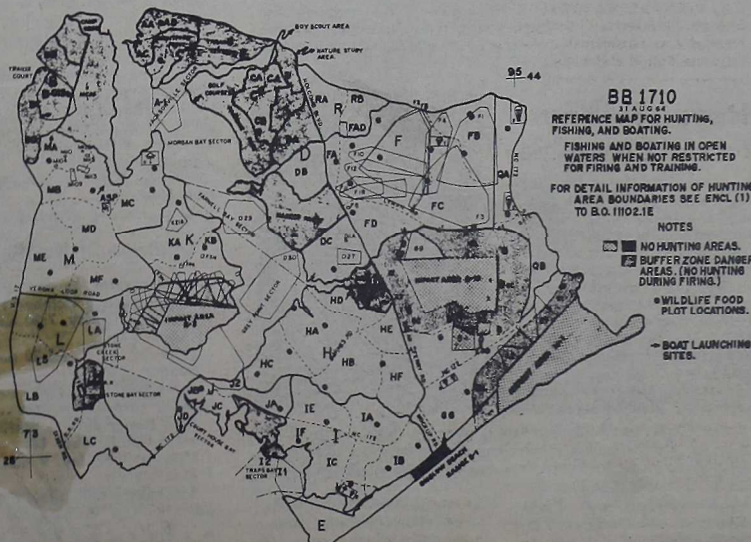

CLOSING IN—Bob McDonough, foreground, and an unidentified Devilpup move in on Hallsboro quarterback, Billy Formy-Duval. (Photo by LCpl. C. B. Vardaman).

After working the ball down to the Hallsboro 26 yard line, a five yard penalty for off sides added the Devilpups in moving a little closer to pay dirt. Jim Tinkman, Lejeune quarterback, hit Bob McDonough on the seven, but they were still one yard shy of a first down. Tinkman plowed forward on a quarterback sneak, picking up the all important first down.

From the six, Stuart Graham, running from fullback, slipped off left tackle and put Lejeune on the scoreboard. The Hallsboro line came barreling through to stop the extra point attempt.

The final tally of the evening came as that 1-2 combination clicked again. After receiving a short swing pass from Powell, Formy-Duval picked up his blockers and the diminutive speedster outran the last two would-be tacklers.

Tomorrow night the Devilpups travel over to Beaufort for their first league encounter against the Beaufort Rams.

HEROIC CONDUCT—Major General A. L. Bowser, Base Commander, presented the Navy Commendation Medal with Combat V to Mrs. Mamie Jameson, wife of Sgt. Larry D. Jameson, of Wilmington, N. C., Sept. 11, in his office. Sergeant Jameson, a Helicopter Crew Chief during a voluntary rescue operation in the Republic of Vietnam, was awarded the medal for his part in undertaking a dangerous search mission in which his plane encountered enemy forces and subsequent action caused the crash of the aircraft with the resultant loss of the lives of the entire crew.

Meritorious Masts

CORPORAL RONALD E. HELTERBRAND, Communication and Support Company, H&S Bn., 2d Force Service Regiment, received a Meritorious Mast from his commanding officer which read in part:

"During the period of 25 May 1964 through 24 August 1964, Cpl. Helterbrand served as chief clerk and assistant to the guard chief, industrial area guard. His outstanding performance during this period was characterized by an unusual amount of personal initiative and cooperative attitude. His immaculate dress and the professional manner in which he discharged his daily duties with the guard was a credit to himself, the guard, and the U. S. Marine Corps. Performance of this nature by a young NCO is an inspiration to all Marines, young and old, and is in keeping with the finest tradition of the Marine Corps."

Notice

The Marine Corps Exchange Central Service Station will be closed for GASOLINE SALES on Saturday and Sunday, Sept. 26 and 27.

The suspension of gasoline sales is necessary for the installation of new gas pumps.

Marine Officer Top Graduate At Army School

First Lieutenant Bayliss L. Spivey, stationed with Headquarters and Service Co., 1/8, 2nd Division, recently graduated with honors from the U. S. Army Ranger School at Fort Benning, Ga.

Lieutenant Spivey walked away with top honors in the graduating class of seventy-seven officers, which consisted mainly of U. S. Army personnel.

Colonel Donald T. Kellett, Commanding Officer of the Student Brigade and guest speaker, presented Lt. Spivey and other honor students a plaque, a unit guidon and a letter of appreciation. The awards were in recognition of the students' highest over-all standing in demonstrated command and leadership abilities, and tactical knowledge under simulated combat conditions.

NEW AT THE WHEEL—Lieutenant Colonel E. S. Baker, right, accepts a 5-ton combat truck from Lt. Col. W. J. P. retiring Commanding Officer of the 8th Motor Transport Bn., Force Troops, during change of command ceremony held at the Camp Lejeune parade grounds on Sept. 17. One Persac will take over the post as Assistant Chief of Staff, G-4, Force Troops. Lieutenant Colonel Baker, taking over his first battalion command at Camp Lejeune, reporting aboard from the 3d Marine Division, which commanded the 3d Motor Transport Bn.

Women's Guild

The Protestant Women's
Guild will start its fall program
Monday, Sept. 28, at 9:30 in the
Base Chapel.

The Guild will hold meetings
the fourth Monday of each month
with coffee being served at 9:30
a. m. and the meeting at 10.
All women at Camp Lejeune are
welcome and urged to partici-
pate. The service projects
which the guild takes special
pride in are care of the altar
linens, communions sets, flow-
ers, and choir robes. They also
contribute to the mission which
serves our men stationed at
Camp Garcia, Vieques, Puerto
Rico. The guild is affiliated with
the United Church Women of
Jacksonville.

Lejeune SNCO Wives Hold Welcoming Tea

Fall activities for the Camp
Lejeune branch of the SNCO
Wives Club got underway Sept.
17 at 8 p. m. in the Tarawa
Terrace Community Center.
Members of the club and pro-
spective members attended a
welcoming tea and reception.

The decorations for the tea,
done by Mrs. Marie Hebb, were
tastefully executed in a fall
motif with each table containing
two cornucopias in orange and
brown with after dinner mints
and nuts spilling from them. In
the center of each table was an
orange candle with a hurricane
lamp as a holder. At the base
of each lamp was an appropri-
ate fall floral arrangement.

On the serving table was the
new silver service for the club
including 2 candelabra. A fall
floral arrangement graced the
center of the table.

Various displays were in evi-
dence as examples of projects
which the SNCO Wives spon-
sor during the year.

Refreshments were served
about 9:30 and they consisted of
tea sandwiches, petit fours,
canapes, various french pas-
tries, coffee and a delightful
punch concocted from ginger-
ale and fruit sherbert.

As the guests arrived they
were led down the receiving line
which consisted of the officers
of the club.

After the refreshments came
a few "get acquainted" games.
The winner of each game was
awarded a prize and the door
prizes were passed out. Those
receiving prizes were: Gene
Miller, Doris Brown, Kitty
Jenkins, Grace Hallahan
(guest) and Pat Harris.

There were 54 guests pres-
ent and 20 ladies joined the club.
The program chairman was
Gloria Clark, reception chair-
man was Dot Dicken and Mrs.
Bunnie Turner was in charge
of refreshments.

Activities Calendar

All women in the service, en-
listed and staff wives interested
in forming a Women's Bowling
League, to bowl one evening a
week at the Base Bowling Cen-
ter, please contact Mrs. Shir-
ley Rakus at Ext. 2-2898. The
next meeting of the Women's
Bowling League will be held
tonight at 6:30 at the Bowling
Center. New bowlers are wel-
come.

A new series of Pre-Natal
Classes will start today at Camp
Lejeune. These classes will be
held each Thursday for five (5)
weeks from 1 to 3 p. m. in the
U. S. Naval Hospital Theater.

Subjects covered will be lay-
ettes, care of the expectant
mother, labor and delivery,
hospital routine, and methods of
infant feeding. The classes
will be supplemented with visual
aids, demonstrations, and free
literature.

The classes are taught by a
Registered Nurse, and are pro-
vided free of charge to Navy and
Marine dependents by the Camp
Lejeune Auxiliary of the Navy
Relief Society.

The D&E Club was scheduled
to hold its first meeting of the
fall season yesterday at 8 p. m.
in the Tarawa Terrace Commu-
nity Center. The next meeting
is scheduled for Sept. 30. Girls,
this is what you have been wait-
ing for! Unload your ideas and
decide who you want in office.
All adult dependents are cor-
dially invited free of charge.
For further information con-
tact Mrs. Hile at 346-6295. In-
cidentally D&E stands for diet
and exercise.

The Tarawa Terrace NCO
Wives Club will meet Monday,
Sept. 28 at 8:30 p. m. The pro-
gram for the evening is Gro-
cery Game Night. Price of ad-
mission is one canned goods; the
prizes will consist of these
canned goods. There will be at
least 15 games.

The Lejeune Branch of the
SNCO Wives Club is planning
a luncheon featuring Virginia
baked ham Oct. 1 at 11:30 a. m.
in the Hadnot Point Staff
Club. Reservations and can-
cellations for the luncheon must
be made by noon Sept. 29. For
reservations contact either
Mrs. W. E. Crites at ext.
23207 or Mrs. B. J. Miller
at 346-8650.

Chaplain Burke Presented Certificate Of Recognition

The Jacksonville USO was
the scene of a farewell lunch-
eon for Base Chaplain Burke
on Sept. 17. Chaplain Burke was
presented a certificate of ap-
preciation from the USO in
recognition of distinguished
service to the men and women
of America's Armed Forces.
The Chaplain is retiring after

26 years, 2 months and 13 days
with the Navy. He has been at
Lejeune since March, 1963.

Asked where he planned to re-
tire, Father Burke replied that
he was undecided.

Father Burke is a native of
Greenwich, Conn.

Presenting the USO award
was Mr. A. J. Ellis.

Household Hints

When overnight guests ar-
rive and there are not enough
pillows to go around, here's
an idea. Simply fold a full-
size blanket to the size of a
pillowcase, slip the pillowcase
over the folded blanket and you
have that extra pillow you need.

To remove stubborn jar lids,
make a lid gripper by cutting
a circle approximately 5" in
diameter from a discarded rub-
ber bathing cap.

When cutting worn sleeves
off a long sleeved blouse or

shirt remember to save the
cut-off-part of the sleeve.
These usually discarded parts
of the garment will make handy
dusters when the hand is in-
serted from the cuff end. Just
unbutton the cuff, slip your
hand in, re-button and start
dusting with the sleeve part
that covers the hand.

Girls, next time you have
berries to hull try using the
pointed end of a beer can opener.
The tops of the berries come
off easily and the berry is not
cut up.

Snakes Are Dangerous — Bite Not Always Fatal

By Cpl. R. O. SHAW

The weekend is often considered a chance to travel, catch up on sleep, or take care of details left undone during the week. No different in this regard is PFC Mike Olivo, tenor sax player from the 2d Marine Division Band at Camp Lejeune. Olivo saw nothing unusual in store for himself last weekend—much less a near-fatal encounter with a Copperhead—until about 6:30 p. m. Friday.

While waiting for a truck to arrive which he was to help load, Olivo walked down a path in the wooded area in back of the Headquarters Battalion messhall. Olivo thought nothing of walking along the path, which leads to the Band's repair shop. Bandmen cover this route many times each day.

Olivo crossed the small foot bridge to the other side of the creek which divides the woods, and bent down to pick up a stick laying across the path. He jerked his hand back from the stick—but a split second too late. A Copperhead nearly three feet in length, had struck Olivo on his right hand.

The first good look he got at the serpent was as it withdrew slowly into the brush along the path. Despite what had happened, Olivo cautioned himself to remain calm—a bit of self-discipline which probably saved his life.

He applied pressure with his left hand to his right wrist and sucked out as much venom as he could. The wound began to bleed freely. Weighing the situation and his condition at the time, Olivo elected to run the 50 yards to the Battalion supply shed, where he told a disbelieving clerk what had happened, then walked briskly to the battalion sick bay, about 500 yards towards the New River Inlet.

"I've just been bitten by a Copperhead", Olivo told the corpsman on duty.

Immediately the corpsman pulled Olivo's health record and phoned the Sergeant of the Guard who promptly drove Olivo to the Base Dispensary. When the sergeant told the doctor what had happened, he quickly made an incision between the fang marks to induce a freer flow of blood and venom. Olivo was then taken to the hospital.

At the hospital, Olivo was whisked into the recovery ward, where a doctor began the anti-venom series, and immersed the stricken limb in a tank of ice water. The pain by now had become quite intense, but Olivo still remained calm. As a natural reaction to the anti-venom serum, Olivo had several severe attacks of diarrhea and vomiting. To counteract his weakened condition, Olivo was given a dextrose mixture intravenously, plus two more anti-venom shots further up his arm.

As a precaution, Olivo's parents had been notified in New York City, and a priest was summoned to say holy rites. Olivo was by this time on the critical list.

Severe, throbbing pain accompanied Olivo all night. A nurse and two corpsmen were on hand for the remainder of the evening, as additional anti-

venom was administered periodically throughout the night. His swollen, discolored hand was kept in the ice bath for ten straight hours, until Saturday morning, when another priest gave Olivo Communion.

Upon phoning the hospital Saturday, Olivo's parents were greeted with the good news of his rapid recovery. He is now in excellent condition, and is expected to be released in about two weeks or less.

WONDER OF NATURE — Master Sergeant Jack C. Myrick, an instructor at Supply School, displays an eight-foot 3-inch tomato plant that "just grew" by the entrance of his quarters at 5868 Delaware Ave., Berkeley Manor. The Cisco, Texas native says he now has over fifty small tomatoes growing on the rare plant which has sprung up with little help other than knocking insects off and tying the upper branches for support. SNCO's Due More Responsibility

Enlisted men will be given greater responsibility in the future according to Marine Corps Sergeant Major Thomas J. McHugh.

The Corps' top enlisted man, making this statement to a large group of staff non-commissioned officers, added that a directive would soon be sent to the field by the Commandant stressing his desire for responsibility to be given with rank.

In other matters pertaining to enlisteds, McHugh stressed the importance of fitness report markings for promotion into and within the staff NCO ranks, and added that no special consideration is being given to reverted staff sergeants when promotion boards meet.

Personnel transfers, McHugh went on to say, are based on the requirements of the Marine Corps and existing vacancies. The transfer of long time West Coast Marines to the East is not done in error, he said, but to fill needs.

MP Supply Schools Relax At Field Meet

By PFC N. POTASH

It's not all work and no play at the Marine Corps Supply Schools at Montford Point. Evidence quite to the contrary was provided by the schools' semi-annual meet held recently on the Montford Point parade grounds.

Supply School Company, the defending champion, ran away from the

competition once again with a convincing 108-79 victory over the runners-up from the Field Medical Service School. Field Medical personnel took the defeat gracefully however, and were ready to distribute tranquilizers and aspirin tablets to quiet the moans and groans of all the losers after a long day of competition.

The 2d Marine Division's band was on hand to provide musical entertainment during the day's activities, but much of the mirth was provided by the contestants themselves. Events like the Izzy dizzy bat race and the pie eating contest brought gales of laughter from both spectators and participants.

Supply School Company won the meet with victories in many

of the more serious events. Their entrants won first-places in the 440-yard run, the tug of war, rope climb, horseshoes and rifle field-stripping and assembly competition.

Field Medical Service School also took several firsts. Their personnel won the pie eating contest, the football-softball throw, the izzy dizzy bat race and a new event in the semi-annual competition, the spoon egg race. Motor Transport School Company ended up in third place, four points behind the medics, Food Service School finished in fourth place, and H&S Company brought up the rear.

The victory by Supply School Company's personnel enabled

them to become the winners of a brand new trophy which replaces the old pot formerly awarded to the victors. Captain C. J. O'Leary, Executive Officer of Supply Company, was on hand to present the new trophy from R. M. Handley, the Point Area Commander, director of the Marine Corps Supply Schools.

A bright sunny day butted to the good time had at the meet, and were passed on to the team that the other evening when the event was once again. The loss will be a different story.
