NO. 35

Death Take A Holiday, Not A Life

Free Breaks Scheduled For Drivers

of the 2d Division will have three separate coffee stands in eastern North Carolina over the Labor Day in an effort to keep motorists to the dangers of high speeds.

Units will offer free coffee snacks to civilians as motorists who are on the three-day weekend

will be in continuous operation 4 p.m., Sept. 3, until the following morning. The stands are located at the junctions of Highway 258 and 55 about 10 miles east of Kinston. Another stand is located north of Wilson Highway 17 near the Little Beach road. The third stand is on Highway 24 one mile west of Warsaw.

The project is under the overall direction of SSgt. William S. Bitton, 2d Marine Division Military Police. They will be staffed by members of the 2d and 8th Marine Barracks and Anti-Tank Battalion.

and coffee for the three days will be provided by messes of the three units concerned.

at Bittle urged all travelers to take advantage of the stands for a stretch and rest and stressed that the stands are open to the general public. The smaller roadside stands will be able to identify the bars by a sign located at least one mile ahead of which will read: "Free coffee." All motorists will be afforded access to restroom facilities.

reason for the coffee stands is to give motorists a break and offer them a rest and free refreshment during their homeward

COL. KENNETH A. JORGENSEN

COL. THOMAS S. IVEY

Col. Ivey Becomes Base Chief Of Staff Saturday

Col. Thomas S. Ivey, recipient of the Legion of Merit with Combat "V," will assume the post of Marine Corps Base Chief of Staff Sept. 1. He replaces Col. Kenneth A. Jorgensen, who has been assigned to command the Marine Barracks at the U. S. Naval Base, Charleston, S. C.

A native of Rock Hill, S. C., Colonel Ivey was graduated from The Citadel in 1935 with a Bachelor of Arts degree, and was commissioned a second lieutenant in the Marine Corps the same year.

During the early part of WWII, the colonel served with the 10th Marines in California and Iceland and with the 7th Defense Battalion and the G-4 Division at Headquarters, FMF, in the Pacific.

He commanded the 11th 155mm Gun Battalion during the landing and occupation of Leyte in the Philippines from October to December, 1944.

Joining the 1st Marine Division in Korea in 1953, the colonel was Assistant Chief of Staff G-4 and later Deputy Chief of Staff of that unit.

From 1953-54, Colonel Ivey com-

manded Force Troops, Twenty-nine Palms, Calif.

Prior to coming to Camp Lejeune, he was officer-in-charge of the Material Requirements Branch of the G-4 Division, Headquarters Marine Corps in 1958 and Assistant G-4 and executive officer at Headquarters.

Colonel Jorgensen has been Base Chief of Staff since July 1, 1959.

He served aboard the USS Northampton in WWII during the Midway, Santa Cruz, Gilbert, Marshall, Wake and Marcus Island campaigns.

Assigned to the 2d Marine Division in 1944, Colonel Jorgensen commanded the 4th Battalion, 10th Marines, during the capture and occupation of Saipan, and won the Legion of Merit with Combat "V" for outstanding service during the operation.

Bicycle Riders Must Obey Traffic Rules

Within recent weeks a number of children have been noted riding bicycles on Base and the Base housing areas where conditions were unsafe.

Regulations for bicycles in the Motor Vehicle and Traffic Regulations for Marine Corps Base state that "all bicycle riders will observe the same traffic rules and regulations as are required of motorists."

Specifically for bicycles are the following regulations: No bicycles shall be operated on the sidewalks. No bicycles shall be operated with more riders than the number of seats. No bicycles shall be operated after dark unless equipped with headlights and rear reflectors.

Holiday Routine

Holiday routine will prevail throughout Camp Lejeune Labor Day, Monday, Sept. 3.

The Sales Commissary will be closed on Monday, Sept. 3 and Tuesday, Sept. 4.

The Marine Corps Exchange will be closed on Monday, Sept. 3 only.

Ten Selected For Annapolis

Ten Marines from the Camp Lejeune area have been selected to attend the Naval Academy Preparatory School at Bainbridge, Md., Sept. 15 for a nine-month course leading to appointment as Midshipmen at the Academy.

The future cadets, five from Marine Corps Base, three from Force Troops, one from 2d Division and one from the Air Facility, passed the preliminary screening examination given throughout the Naval service July 5.

Lejeune's selectees are: Marine Corps Base: LCpl. Tony D. Smith, Hq. Co., H&S Bn.; Pfc's Milton L. Daniel and Edwin G. Wurzburg III, and Pvt. Dewain A. Felander and Michael D. L. Morgan of H&S Co., 1st ITR.

Force Troops: LCpl. Paul F. Keith, 2d HARB, 2d FAG, and Pfc's Robert N. Feisel and Peter J. Shanks of Comm Spt. Co., 8th Comm Bn.

2d Division: Pfc Ralph G. Cooke, Hq. Btry., 1st Bn., 10th Marines.

Air Facility: LCpl. Patrick P. Kearney, MACS-8.

Preliminary examinations were

designed to determine each candidate's comparative capabilities in the fields of mathematics (algebra and plane geometry), English, history and either physics or chemistry. Candidates were permitted to choose either chemistry or physics.

Prior to these examinations the candidates, all volunteers were interviewed by their commanding officers and a local screening board comprised of three officers to determine their officer potential.

Also the applicant was required to submit a personally composed, handwritten statement of 200-500 words in length presenting reasons why he desired to be considered for an appointment to the Naval Academy.

Personal interviews, examinations and request for appointment to the Academy were further screened by a board of nine officers convened by the Officer-in-Charge, Naval Preparatory School to select not more than 350 fully qualified applicants. These applicants were further screened by the Naval Academy including complete medical records.

Once selected, the candidates will now undergo an intensive review of high school mathematics, English and physics while attending the preparatory school. Upon successful completion of this phase of instruction they will take the entrance examinations for the Academy.

Final acceptance for entry will be contingent upon successful completion of these examinations.

Mission of the Naval Academy is to develop midshipmen morally, mentally, and physically to imbue them with the highest ideals of duty, honor and loyalty in order to provide graduates who are dedicated to a career of Naval Service, and have potential for future development in mind and character to assume the highest responsibilities of command, citizenship and government.

Reservists Released On Written Request

The Commandant of the Marine Corps has authorized commanding officers to release from active duty all enlisted Marine Reservists with active Marine Corps service prior to Aug. 1961 who volunteered during Aug.-Dec. 1961 for another tour of extended active duty under the provisions of paragraph six MCO 1001.3F.

Reservists not eligible for release under the current program are those in category J, K, and H and any reservists currently enrolled in a program leading to a commission or enlisted women serving on extended active duty under the provisions of MCO 1001.30.

Release to inactive duty of those eligible will be effected as soon as possible upon receipt of written request.

Commanding officers are also urged to encourage all qualified Marine Reservists eligible to reenlist in the Regular Marine Corps.

World News Bulletins

BERLIN, GERMANY — The East German Communists admit they fired the bullet that mortally wounded an 18-year-old would-be refugee at the Berlin Wall on August 17. The official East German newspaper blames the West for his death. The paper claims West German police aimed their guns at the Communist border guards forcing them to take cover while the youth lay for one hour, bleeding to death.

LONDON, ENGLAND — The lawyer for runaway spy, Dr. Robert Soblen, says he should be allowed to go to Czechoslovakia

rather than be deported to the United States so that he can begin serving a life prison term in this country for war-time spying. Soblen is fighting this in a British court of appeals saying that he has but six months to live. He claims he has blood cancer.

GENEVA, SWITZERLAND — The Soviet Union has proposed January 1 as the cutoff date for all nuclear testing pending agreement on a fool-proof nuclear test ban treaty. Western sources call the plan unacceptable.

TY SECURED . . . early for those unfortunate individuals in this automobile. A little common sense and less speed have avoided this accident and probably saved the lives of riding in it. Slow down and live, the life you save might be your own.

Holiday Driving Fatigue Is First Step To Morgue

This weekend is a holiday weekend that will be taken advantage of by many citizens across the nation. However, there is one ominous figure in the Labor Day picture who never takes a rest. . . . The Grim Reaper of the highway, Death! He isn't satisfied with wiping out one life at a time in an auto accident. He prefers entire families and a holiday is exactly his cup of tea.

When you check and service your auto before starting out on your trip, stop and count the assets that you will have with you on that trip: your wife, your children, and your own life. Safe driving and road courtesy will maintain those assets for you. Speeding, impatience, drinking and fatigue are all on the debit side in the ledger of life. Any one of them may cause you to be overdrawn and bankrupt of a loved

one or a life. The terrible anguish a man feels when he has caused the death of others needlessly through his driving negligence has driven many to say they would have preferred to die in the wreck they were responsible for than live with another score for "Death on the Highway" carved on their souls.

Some people seem to think traffic accidents are a big joke; a sort of traffic symbol.

A word of enlightenment. It's no joke here at Camp Lejeune. It's a serious thing which is accelerating with each report. Penalties for traffic infractions are getting stiffer every day and there's room for further tightening.

Look at it this way: Those who think they are immune to accidents, and there are quite a few, have already satisfied the requirements for the safety of number one.

Do you want such a responsibility? Then leave the boxscore of death empty and your life and the life of others full. **DRIVE SAFELY OVER THIS LONG HOLIDAY WEEKEND.**

Chaplain's Corner

WHICH ARE YOU?

Here is a list of those we encounter in churches and chapels around the world—and here, too. Where do you fit in?

PILLARS—worship regularly, giving time and money.

SUPPORTERS—give time and money if they like the minister or chaplain.

LEANERS—use the church or chapel for funerals, baptisms, and marriages, but do not give time or money to their support.

SPECIALS—help and give occasionally for something that interests them.

ANNUALS—dress up, look serious, and go to church on Easter and Christmas.

SPONGES—take all the blessings and benefits, even the sacraments, but do not support the full program.

TRAMPS—go from church to church, chapel to chapel, but don't work.

SCRAPPERS—take offense, criticize, and fight, but fail to help.

ORPHANS—children sent by parents who fail to set the example.

BACKSLIDERS—"I went when I was home."

HYPOCRITES—LEANERS who say they are better than those who go to church.

These terms are adapted from some previous notes, but they describe the people we encounter in our work. We need more **PILLARS**. **PILLARS** to fill the seats in the chapels and churches and the congregations in the field. **PILLARS** to sing in the choirs. **PILLARS** to teach in the Sunday Schools and other religious programs. **PILLARS** to serve as ushers and in the altar guilds. We need all who fit into the other categories to change and become the **PILLARS OF FAITH IN ACTION.**

WILL YOU BE A CUSTOMER THIS WEEKEND

If You Ask Me:

WHAT DO YOU THINK
THE BAND CONCERTS
ON BY THE DIVISION BA

MRS. JOY REED—They are excellent. I wish they played longer programs. Incidentally, the hands-

men seem to enjoy playing as much as we do listening and of course my little girl, Margaret, just loves them. Also, the band has the ability to play either popular or light classical music and please believe me that's a very welcome

change from rock and roll. I hope they have many more.

PATRICIA J. MALINOWSKI—Last year I attended the concert held in Midway Park and thought it was exceptionally good for family entertainment. Due to some slip up this year the residents of Midway Park were not notified of the concert for '62. The first we knew of it was when the band began to warm up in preparation of the concert. I'm sorry I missed this year's, but I had already made plans for the evening. Next year I hope there will be advanced notice so we will have time to make plans to attend.

MRS. LIZZIE HAGAN—I think the concerts are really nice. I have four children and they feel that they must see and hear it. I think the experience of just listening will help or give the girls and boys something to think about for the future. I hope the band concerts will be continued.

MRS. MARY PETERSON—To me the band concerts are very impressive and entertaining. I've only attended the one in Midway Park but thoroughly enjoyed it. I think the Marines participating were very talented and I admire their concern in entertaining the public. I think we should have more of this good, wholesome entertainment.

MRS. SALLY PAGE—Although we have not had an opportunity to see of the band concert on by the Division Band, I am sure they are extremely talented and that an excellent one is being seen many band concerts native country land, I would compare them to sure the Division

measures up favorably.

MRS. CONNIE ZANGLA—My e and I enjoyed last year's concert much. Had we known of them this year we would not have missed the one held last week, but if there are to be more of them (and I certainly hope so) we won't miss any of them. The music presented is of outstanding quality and very inspirational.

Movie Reviews

THE CHOPPERS
This release displays some of the new Hollywood generation. The story follows the adventures of Arch Hall, Jr., 15-year-old, who proceeds, wantonly, boisterously, to steal hiccups for a self-built super hot-rod. Pleased with his mission, he

embarks on a large-scale "chopping" campaign, bringing several more mischievous, plus-money minded youths into his confidence. Marianne Gaba and Robert Padgett co-star.

CASH ON DEMAND
Posing as an insurance company investigator, Andre Morell plans to loot the provincial bank managed by Peter Cushing, who is something of a martinet to his staff. Morell persuades Cushing that unless he assists in the robbery and getaway, his wife and son will come to a sorry end. Feminine role is portrayed by Edith Sharpe.

RING OF FIRE
A young deputy sheriff, held hostage by three teenage hoodlums, one of them a girl, ultimately effects his escape in a spectacular forest fire and heroically rescues a trainload of fleeing townsfolk trapped on a burning bridge. Starring David Jameson, Joyce Taylor, Frank Gershin, James Johnson and Joel Marston.

13 WEST STREET
From the novel, "The Tiger Among Us," this is the story of a steel company worker who is badly beaten by a band of teenagers for no apparent reason. Upon recovering, he relentlessly tracks down the young loughs. It stars Alan Ladd, Rod Steiger, Deborah Dorn and Michael Callan.

JET PILOT
When a top Soviet woman agent lands a Russian jet at a U. S. air base in Alaska, an American colonel is assigned to take her under his wing to try to get information on Soviet air power from her. During their association they fall in love and a struggle ensues for both between love and duty. Stars are John Wayne and Janet Leigh.

HEAVEN KNOWS, MR. ALLISON

It is rare, indeed, when only two people occupy the screen for practically the entire running time of a feature film, and even rarer is their ability and the director's to keep the quality of the entertainment at a continuously high level. But such a rarity occurs in this delightful and moving comedy-drama about a nun and a Marine thrown together in a deserted, but potentially dangerous, island in the Pacific during World War II. Deborah Kerr and Robert Mitchum are the protagonists and although some hot players and extra appear as Americans and Japanese servicemen, only the stars are given credit. Both players are perfectly cast. Miss Kerr as the woman, beautiful and human with a delightful sense of humor and Mitchum as the muscular rough, somewhat coarse Marine who is charmed and enthralled by the reverend lady.

PINOCCHIO
A children's classic which tells the story of a little boy puppet who comes to life. His many adventures, including his little tale that grows with each lie he tells, prove excellent entertainment for the young and young at heart.

TEENAGE MILLIONAIRE
This is the story of a teenage millionaire orphan whose hobby is singing and playing popular records. When he must let his select records for disc jockeys on a family-owned radio station, he introduces, anonymously, a song of his own which becomes a hit. Stars are Jimmy Clanton, Rocky Graziano, Zane Farris, Lane Ferguson, Joan Taylor and Bud Good.

FIVE FINGER EXERCISE
This is the screen adaptation of a play picked by the critics as the best import of 1960, about a young German woman who lives with a family and how he affects the household. Stars are Rosalind Russell and Laurence Harvey.

INCIDENT IN AN ALLEY
Chris Warfield, as the young officer of a 102nd police force, who shoots down a 14-year-old in the aftermath of an incident in an alley, brings a certain ring of conviction to the starring role, and Eric O'Connell in superbly appropriate as his ever loyal, wide-eyed, who stands by him in the face of newspaper accusations and police force suspension pending trial for manslaughter.

STOPOVER TOKYO
A great deal of fun and farcical roasting about some lovely scenery in Japan comprises much of the footage of this well-paced, but unoriginal spy thriller. Robert Wagner is the rather young American spy, Joan Collins provides the love interest and Edmund O'Brien is the villain.

JACKSONVILLE — "Voyage to the Bottom of the Sea" will be shown Friday and Saturday nights at 8 and Sunday at 1 p.m. and 6 p.m. in the USO auditorium. The Jacksonville Coin Club meets in the USO library at 7:30 p.m. the first Monday of each month. For the young people, a square dance group meets Friday evenings at 8 p.m. and Saturday mornings at 11 a.m. A Hospitality Hour is held each Sunday at 4 p.m. with free refreshments served. USO facilities include five large pool tables, two hi-fi sets, shuffle boards, ping pong tables, a snack bar and a nine-hole indoor miniature golf course.

Entrance To One Of Nation's Most Important Air Force Bases

Material Submitted by Seymour Johnson Air Force Base

B-52 Stratofortress

F-102 Delta Dagger

(Editor's Note: This is the second of a series of articles featuring Military Installations in and around North Carolina.)

Seymour Johnson Air Force Base, TAC, Goldsboro, N. C., is the home of three USAF major combat commands and is the only base in the Air Force named after a naval aviator, Lt. Seymour Johnson, a Goldsboro native.

The three commands are Tactical Air Command (TAC), Strategic Air Command (SAC) and the Air Defense Command (ADC).

Units of TAC stationed at Seymour Johnson are the famous Fourth Tactical Fighter Wing and Headquarters, Nineteenth Air Force. SAC maintains a fleet of B-52 "Stratofortress" jet bombers and the KC-135 tanker for air-to-air refueling in its 4241st Strategic Wing, and the 482nd Fighter Interceptor Squadron of ADC is always on the alert with its F-102 fighter interceptors.

These three commands have a variety of missions. With complete cooperation between every unit stationed at Seymour Johnson, the base presents one of the most formidable military forces in the United States. Inventory of aircraft alone exceeds \$415.1 million. Value of equipment required to maintain aircraft is over \$23.36 million. The entire dollar worth of Seymour Johnson is \$542.6 million.

The 4,100-acre Air Force base utilizes the skills and talents of 730 officers, 5,081 airmen and about 500 civilian employees. Some 7,500 dependents reside on or near the base.

Strategic Air Command
SAC's KC-135 aircraft is an in-flight refueling tanker capable of supplying all major bombers and fighters assigned to Seymour Johnson with additional fuel to extend their range of com-

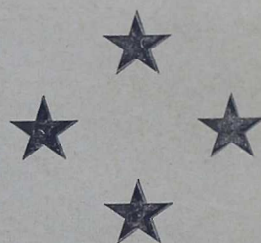

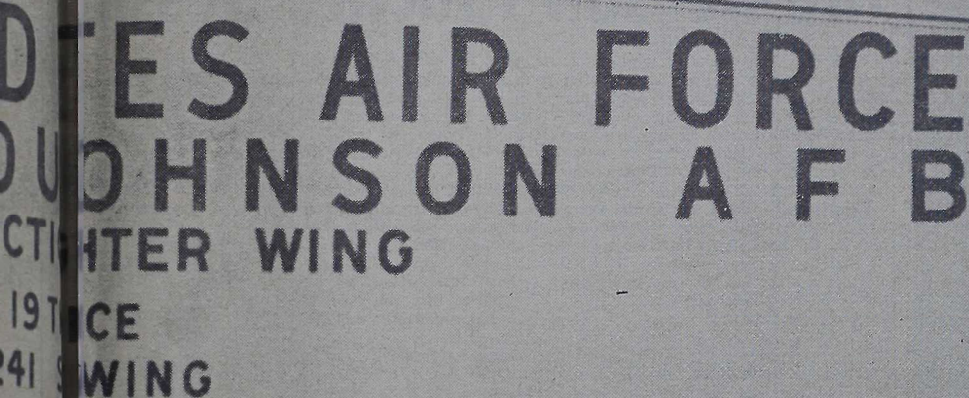

bat. The KC-135 is a four-engine, jet-powered, high-altitude, long-range, all-weather, day-and-night, multi-mission aircraft. It is the only aircraft in the world capable of carrying 36,000 gallons of fuel.

Nestled in the heart of the base is the 4241st Strategic Wing, which is the only wing in the Air Force to have both SAC and ADC units. Since the wing was established in 1957, it has been the only wing in the Air Force to have both SAC and ADC units. The wing has a long and distinguished history of service to the Air Force.

Bombers on alert duty around the clock. They are always ready to take off at a moment's notice. The bombers are always on alert duty around the clock. They are always ready to take off at a moment's notice. The bombers are always on alert duty around the clock. They are always ready to take off at a moment's notice.

Tactical Air Command
Primary mission of tactical aircraft is to provide air support for ground forces. They are always on alert duty around the clock. They are always ready to take off at a moment's notice. The tactical aircraft are always on alert duty around the clock. They are always ready to take off at a moment's notice.

enemy forces which might enter the 482d area. Part of a network of divisions that form the Air Defense Command, the 482d covers a strategic land and sea area for the 32d Air Division which defends southeastern United States.

Aircraft control and warning system, such as the one near Wilmington serve the 482d with capable "eyes." Their radar screens detect unidentified airborne tracks. These radar sites complete the three-way communications between the fighter squadron and the Combat Alert Center at the 32d Division.

Ground control intercept controllers through long-range radar, direct the interceptor into the large area. Here, the fighter's radar takes over to complete the interception.

When an unidentified aircraft crosses the air corridors of our eastern shore, a member of a fighter squadron "scrambles" to intercept the target.

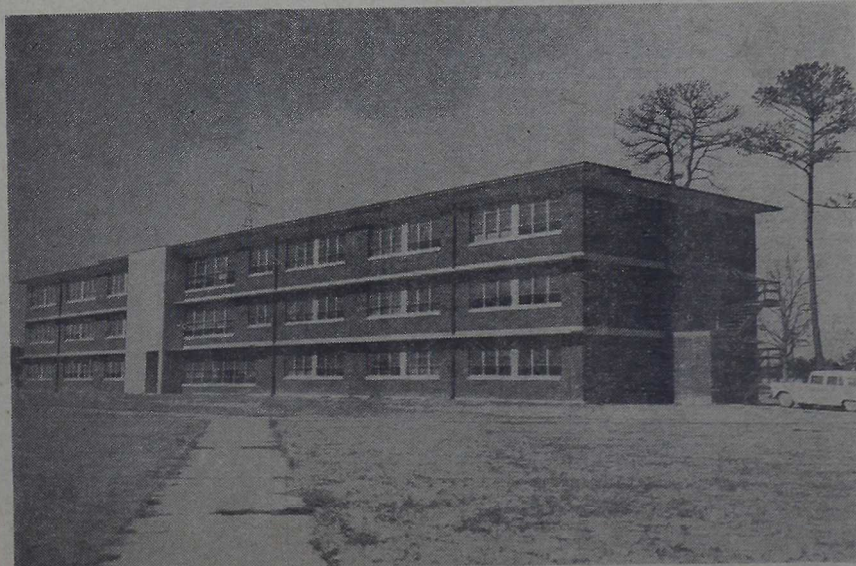

The F-102 "Delta Dagger" is the fighter interceptor used at Seymour Johnson by the 482d Squadron. An all-weather interceptor, it can travel at supersonic speeds at altitudes above 50,000 feet and has a range of over 1,000 miles.

Since the reactivation of Seymour Johnson in 1956, many military people and their families have been assigned to the area. To house some of these people and their families, the Air Force completed 1,500 Capehart housing units at the base in 1958 at a cost of nearly \$23 million.

One of the largest such projects in the Air Force, the Capehart housing program includes brick veneer homes, completely modern with air conditioning and the latest appliances.

THE KICKOFF — As Lt. Col. J. P. Mariades, commanding officer of 2d Bn., 10th Marines looks on, upper right, 10th Marines' Regimental Commander, Col. W. H. Hitt tosses a coin to kickoff the 1962 Intramural Football competition for units of the 2d Division. The 1st Bn., 10th Marines' "Alpha" team squeezed out a 13-12 win over 2d Bn., 10th Marines in the opener. (Photo by LCpl. F. S. Geary, Division ISO.)

Cherry Point Takes Honors In FMFLant Tournament

The 2d Marine Air Wing, behind the three-hit pitching of Dick Timmons, downed the Air Facility's MAG-26 team, 3-1, Friday night to walk away Marine Force, Atlantic, softball

JIM QUINN
... Quantico's Head Coach

Quantico Releases 1962 Grid Schedule

MCS, QUANTICO, Va. — The Quantico Marines football team will launch its 1962 12-game schedule Saturday, Sept. 15, at home against North Carolina A&T.

The Quantico aggregation, led by head coach Maj. Jim Quinn, will face eight service opponents, three colleges and a semi-pro team between opening day and Nov. 30.

Quantico will play six East Coast Inter-Service Conference opponents during the season as they attempt to regain the National Service Championship which they held in 1959 and 1960 and lost by a single point in 1961.

SEASON SCHEDULE

Date	Opponent	Place
Sept. 15	N. C. A&T	Quantico
Sept. 22	Miami Univ.	Oxford, Ohio
Sept. 30	*Fort Lee	Fl. Lee
Oct. 6	*Ft. Campbell	Ft. Campbell
Oct. 13	*Fort Dix	Quantico
Oct. 20	Ft. Benning	Ft. Benning
Oct. 27	Tampa Univ.	Tampa, Fla.
Nov. 3	*Ft. Eustis	Quantico
Nov. 10	*Ft. Devens	Quantico
Nov. 17	*Lejeune	Quantico
Nov. 22	*Ft. Belvoir	Quantico
Nov. 30	Morrissey Club	Quincy, Mass.

*Denotes ECIC games.

With the victory, Cherry Point's Wing team earned the right to represent the Marine Corps in the Atlantic Fleet tournament at New London, Conn., slated to start next month.

Although Timmons, who whipped Force Troops, 3-2, earlier in the tourney, was the pitching star of the game because of his victory, his performance was outclassed by MAG-26's losing pitcher Bill Kising.

Kising's hurling throughout the tournament was perhaps the best individual performance turned in by any player. In overall statistics, Kising pitched 27 consecutive scoreless innings prior to the championship contest with 2d Wing. In that final game, the MAG-26 pitcher added two more innings to that total before the Wing scored. He only gave up four hits while striking out four batters.

The Cherry Point team took advantage of a few mishaps, scoring two unearned runs in the third and another unearned tally in the sixth.

Cherry Point's overall record in the tournament was 7-0 while MAG-26 finished up with a 5-2 slate.

In earlier contests involving Lejeune based Marines saw the same MAG-26 nine roll over 2d Division, 4-3, to open tourney play last Monday.

The helicopter group scored two unearned runs in the last of the eighth to pull the game out of the fire.

Also on Monday night, Force Troops became the first victim of 2d Wing, losing 3-2.

After a rained-out date on Wednesday, Kising once again stole the show by coming on in relief to chalk up a victory against H&S Bn., Norfolk, 5-2, and then shut out Division, 2-0, and MAG-31, 4-0, for three consecutive pitching victories in the same day.

Did you know that the only man to win the U. S. Men's Single Tennis Championship for more than two years was Bill Tilden. He won the title six years in a row between 1920 and 1925.

Lejeune's Gridders Continue Pre-Season Practice Session

With only two weeks remaining before the start of their regular gridiron season, the Camp Lejeune Marines appear headed for even more intensified drills as they prepare for their opening clash with the Fort Benning, Ga., "Doughboys" on Sept. 15.

This is the first of two straight contests that the Lejeune Marines play on the road. Before returning to their own home grounds, the Marines will tackle with the Pensacola Navy "Goshawks," at Pensacola on Sept. 22.

They will play host to Fort Belvoir at Liversedge Field on Oct. 6.

Pre-season reports on Fort Benning indicate that the Doughboys

are strong at the end position with the return of Hank Derleth, who played college ball with the Univ. of Wisconsin. Derleth starred with last season's "Doughboys" and is expected to spark them once again this year.

Their backfield averages slightly more than 180 lbs., a little lighter than last year while their line pushes close to 225.

Complete reports from the Georgia base have been highly optimistic and indicate that the soldiers may be loaded with talent this season.

Last season, Lejeune's hard driving line and the scampering of John Parrinello paced the Marines to a 27-7 victory over Benning to begin one of Lejeune's best seasons in recent years.

Parrinello romped for 61 yards in 18 carries and came up five yards short of Benning's total rushing yardage for the day.

Lejeune's 1962 gridiron schedule includes five home games this year with four being played on the road. Attempting to surpass their 8-1 season last year, the Lejeune Marines will be facing only one new team this year, the Fort Devens Hornets, from Fort Devens, Mass.

The Hornets were members of the East Coast Inter-service conference last season but because of conflicting schedules, they were not scheduled to meet the Lejeune team until this season.

1962 Football Schedule

Date	Team
Sept. 15	Ft. Benning
Sept. 22	Pensacola
Oct. 6	Ft. Belvoir
Oct. 13	Ft. Devens
Oct. 20	Ft. Campbell
Oct. 27	Ft. Eustis
Nov. 3	Ft. Lee
Nov. 10	Ft. Dix
Nov. 17	Quantico

Varsity Nine Remains In Second Place

As the East Coast Interservice Conference baseball season moves into its final week, Camp Lejeune still remains as the dark horse to capture the coveted crown.

Finishing their season almost a month ago, Lejeune, with a record of 24-12, is still sitting in second place behind the league-leading Fort Dix Burros. Dix is currently finishing up their final three-game series of the year with Fort Belvoir this week and still have a single make-up game with Fort Lee that had not been rescheduled as of GLOBE presstime. The Burros have a current record of 22-8 with five games remaining.

Last week while playing host to Fort Devens, the Dix nine lost a little ground on their possession of first place by only taking two of a three-game series.

Losing the opener 4-3 in an eight-inning tilt the Burros came back the following day and posted a 6-2 victory over Devens. Dix took the final game of the series, 6-3.

Base regulations prohibit practicing on the golf courses except in prescribed areas.

Dependent Swim Club Plans Class

A swimming officiating clinic for the Camp Lejeune Dependent's Swim Club will be held at the Area 5 pool Sept. 5 and 6 at 7:30 p.m. Subjects to be covered will be the organization of a swim meet, duties of officials, judging techniques, demonstrations of competitive swim strokes, starts, turns and relay takeoffs.

Also on the agenda for the Swim Club is a freestyle swim meet Sept. 8 at the Area 5 pool beginning at 1:30 p.m. All Marines and dependents are invited to participate. Those wishing to compete are asked to report at the pool at 1 p.m. to register.

The events will be classified as follows: 6 years and under, 20 yards; 7 and 8-year-olds, 40 yards; 9 and 10-year-olds, 60 yards; 11 and 12-year-olds, 80 yards 13 and 14-year-olds, 100 yards, and 15 years and over, 50 and 100 yards.

Certificates will be awarded for the first four places in each event. For further information, contact LCpl. U. S. Smith at 7-5394, or Col. Noren at 7-5713.

Urge Armed Forces Athletes To Enter International

A recent Bureau of National Personnel notice was issued which emphasizes the Department of Defense's policy on the participation of military personnel in international sports competition.

Specific reference was made to the recently announced entry of the 1963 Pan American Games to be held in San Paulo, Brazil, April 20 to May 5. Since the games occur during the academic year, many collegians may be unable to attend, the responsibility for representing the United States thus falls on the Armed Forces.

Baseball, boxing, cycling, modern pentathlon, rowing, track and field, volleyball, weight lifting are just a few of the 25 sports to be contested and female athletes from the world.

Interested military personnel who feel they are athletic enough to represent their country in the Pan Ams or other international sports should consult BUEP instruction 1710.2A, reference for further information.

Pool Hours

Military personnel and dependents may enjoy swimming at the Point Indoor Swimming Pool, Bldg. M-139. Hours are: Tuesday thru Fri., 1330-1900; Sat., Sun. and Hol., 1000-1900; Mon., Closed.

NOVICE GOLF CHAMPS—Maj. Gen. James P. Berkeley chats with winners in the Novice Division of the Quad-Command Golf Championship after the general presented them with their awards last week. The winners, representing the

Marine Corps Supply Schools, were (left to right) 1st Lt. W. B. Weaver, CWO J. J. Wulk, Maj. Berkeley, GySgt. B. A. Morris and CWO Myorski. (Photo by GySgt. Golden Pase)

Sports in short

By LCPL. BILL GIERY

Personnel stationed at Camp Lejeune will be missing the best football games played if they pass up local high school games. . . . High school football has come a long way in the past 10 years with improved coaching, better equipment, and the saturation of television to ball games. . . . Today's high school player tries to copy the playing style of the pros and there is a player anywhere who puts more into the game than the schoolboy athlete. . . .

The all makes for an exciting brand of football that is hard to resist. . . . Too many personnel say they could learn about the high school team—and sometimes the city. . . . Yet they follow with interest the grid team from home town. What they don't stop to think about is that at Lejeune is their hometown while they're stationed here. . . . The high school boys as well as the varsity of your hometown name and colors and whether or not believe it they do represent you.

It's your best interest to support them, especially home and who knows—you might surprise yourself developing an interest in them.

Around The Circuit

Some reports have come in concerning Lejeune's operations for the coming season with the biggest report coming from Justis. It seems they have a few returnees from the championship squad, just about 40 including Francis number one quarterback. Another big name is a player that will probably replace Curci as the top player. George Izo. A former Notre Dame star, Izo is replacing big names. When Paul Hornung graduated from the South Bend, Ind., school and went on to be the biggest scorer in the pro football annals, Izo stepped in and handled the job capably. . . . News from Bellair indicates that the Engineers are in for another successful season. At their first practice two weeks ago, a 100-man inspiring group of only 31 candidates turned out.

Interesting 'n True

In 25 years, a non-hit, no-run game has never been played at Forbes Field in Pittsburgh. In contrast, Chavez of Los Angeles has had two in it's first year. Bozok of the Angels against the Orioles, and Sandy Kousser of the Dodgers against the New York Mets.

Carolina Fishing Reports Vary In Different Regions

Over North Carolina reports that game was very slow in recent years. The Dare County-Outer area have flourished, taking more fish, in quantity and during the same period.

More fish catches were reported than any similar August in recent years. Fish caught around Oregon were not only caught in large numbers but also added to the catch of sailfish. More were taken during the same period.

More fish catches were reported than any similar August in recent years. Fish caught around Oregon were not only caught in large numbers but also added to the catch of sailfish. More were taken during the same period.

Swim Team

practice for the swim team held on Tuesday from 4 to 6 at the Area 5 pool. De- interested in swim- may receive further in- concerning the by LCpl. U. S. at 494.

Goshin Ryu Karate Club Wins Match

The Goshin-Ryu Karate Club, under the direction of 6th degree black belt holder Sgt. Frank Van Lenten, took seven out of 11 matches and fought one to a draw as they downed the Shorin-Ryu Karate Club during an exhibition held last week in the 6th Marines gym.

This marked the second time that the two clubs have met in competition and the victory, according to Van Lenten, should settle any controversy as to which club is better.

All 12 matches were refereed by Sgt. John Roseberry. All-Marine heavyweight judo champ who is also a 3d degree black belt in Karate and presently head instructor of the SHOREIKAN Karate Club at Montford Point.

In the matches last week, the Goshin-Ryu contingent took an early lead in the competition by compiling victories in the first two matches. Sgt. S. D. Pearson's Shorin-Ryu Club bounced back to take the third and fourth sets to knot the total score at 2-all.

In the fifth match of the day, Paul Morton of the Goshin-Ryu club came from behind, scoring three consecutive falls over A. E. Palmer to take the victory and push Van Lenten's squad back into the lead.

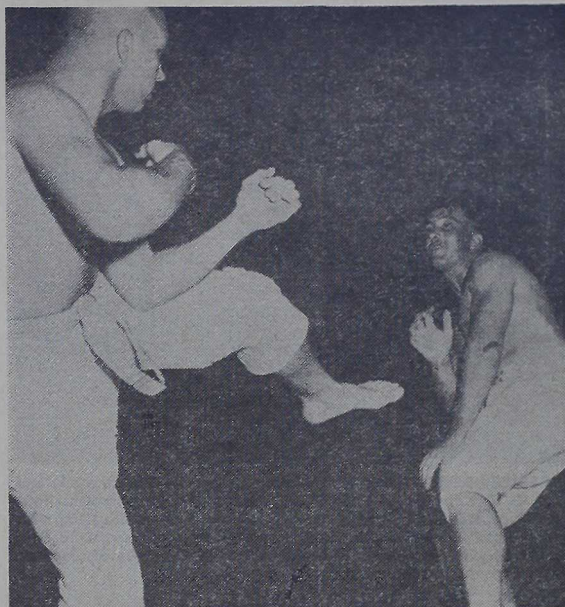

The lead remained in the hands of the Goshin-Ryu club from that point. One of the major highlights in the competition were the final two matches of the evening. In the first of the two, Ken Kasinawicz of the Goshin-Ryu club, defeated Bill Wilson of the Shorin-Ryu club, 3 falls to one.

The final match, pairing the senior students of each club saw Dick Wood, a 1st degree black belt for the Goshin-Ryu club defeat Peter Musacchio, 1st degree black belt for Shorin-Ryu in only 50 seconds by a 3-1 score.

Wood, who remains undefeated in competition has defeated several first and second degree black belts. Upon completion of the matches he was promoted to the rank of Ni-Dan, 2d degree black belt by his instructor, Van Lenten.

The Goshin-Ryu Karate Club trains in Bldg. 500, the 10th Marines gym, Monday through Friday evenings and Saturday afternoons.

Spectators are welcome and new members may apply any Monday at 5:30 p.m. Van Lenten states, "the most important factors in learning the art of Karate are the will to learn, patience and hard work."

PARDON MY FOOT — Basil Goyette, right, of the Goshin-Ryu Karate Club appears to be looking for an opening during one of the white belt matches against D. R. Hall of the Shorin-Ryu club. Goyette won this match. (Photo by LCpl. Walt Friesendorf.)

World Championship Shoot Underway At Fort Benning

The second annual Armed Forces International Shooting Competition got underway last Monday at the Army Infantry Center, Fort

Benning, Ga. The contest is expected to continue through Sept. 7.

Last year's competition saw the U. S. Army win 10 of 13 individual first places, amassing a total of 399.5 points to walk away with top team honors in the first meet of its type.

The international-type firing is conducted over courses of fire and ranges especially designed by the International Shooting Union for World Shoots. Weapons, ammunition and other shooting gear must comply with rigid I.S.U. regulations. Targets used are designed to demand utmost precision from the weapon - ammunition - shooter combination.

A schedule of 17 events are slated for the meet including free pistol, center fire precision pistol, rapid fire pistol, smallbore rifle, free rifle, international skeet, and trap and running deer.

According to match officials the number of competitors will be limited only by the Infantry Center's range capabilities.

This shooting competition is conducted under the direction of the Continental Army Command in joint agreement with the other services.

The second of its type, this championship shoot is being held with an eye to American participation in the Cairo meet later this year, the 1963 Pan American Games in Brazil and the 1964 Olympic Games in Tokyo.

Water Safety Course Given By Red Cross

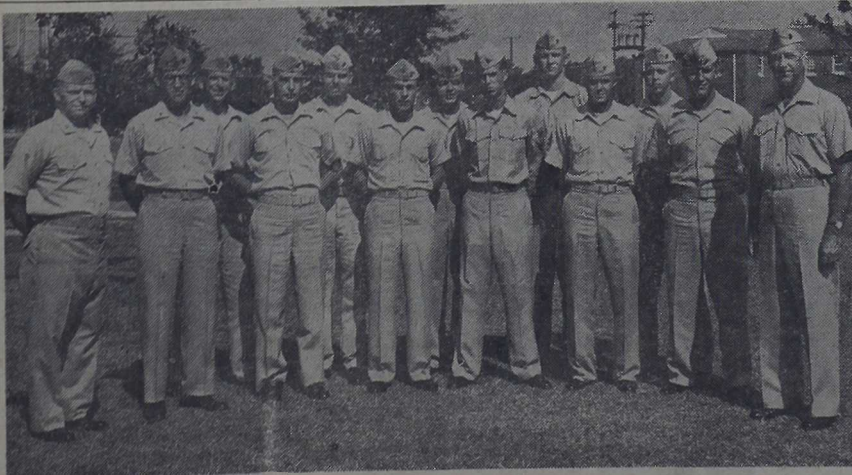

The American Red Cross Senior Life Saver and Water Safety Instructor Courses begins their second week of instruction next Tuesday at the Area 5 swimming pool.

Sponsored by Base Special Services in conjunction with the Red Cross, this three-week school affords selected Marines a chance to instruct others in water safety and to act as lifeguards upon returning to their units.

Receiving special emphasis this past week were senior life saving qualifications, standard and advanced first aid and elements of small craft sailing.

Scheduled for this week and the next are extensive studies in instructing under the supervision of Marine instructors and a Red Cross water safety representative.

During this time special attention will be given to instruction methods and swimming improvement.

WE GAVE IT A GOOD TRY, SIR—The members of the Headquarters Co., Force Troops, "Devil Clerks" softball team are shown with Brig. Gen. Wood B. Kyle, CG, Force Troops, after being congratulated by the general for finishing in the run-grabbed position in the Force Troops Intramural Softball League, which ended recently. Members

of the team are, left to right: Capt. Frank Junger, team captain, 2d Lt. John J. Guenther, Sgt. Kenneth N. Arnold, 2d Lt. William P. Lakin, Cpl. Peter J. Scialdone, LCpl. J. H. Stanley, LCpl. Louis B. Santangelo, HM2 Harry G. Hund, PFC William S. Jenkins, Cpl. John J. Dowling Jr., Pfc Henry J. Lind, Cpl. Ralph D. Brown and General Kyle.

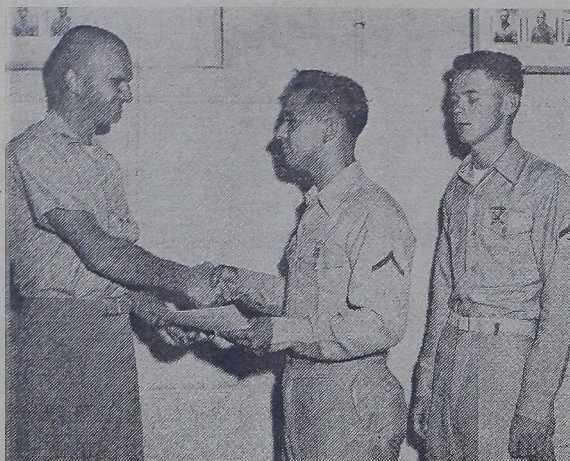

Headquarters Nears Bn. Intramural Title

Headquarters Company, H&SBN., Marine Corps Base has taken a commanding lead in the race for the Battalion Commander's Rotating Intramural Trophy.

With six events remaining on the program, the Headquarters crew, commanded by Capt. B. P. Veal, has amassed 150 points to move 81 points ahead of Service Company, who is in second with 69 points.

If Headquarters can clinch the title, they will retire the rotating trophy for winning it three consecutive times.

The present leaders have compiled first places in softball, tennis, golf, archery, swimming, and the .45 cal. pistol. Their biggest point draws were from the Golf and Swimming competition. Although they did not win the championship flight, Headquarters compiled 46 points on the golf links. Swimming competition netted them 48 points.

CLASS LEADERS — Pfc. R. D. Diloranzo center, 8th EngrBn., and LCpl. E. R. Kelly of 2d FAG, Force Troops, receive congratulations from Capt. Daniel Z. Boyd along with diplomas for graduating with "top honors" from the Clerical School at Montford Point. Diloranzo graduated with an average of 89.33 percent while Kelly attained an 89.17 percent average.

Twenty - Three Graduate From FT Clerical School

Twenty-three Marines from the Tri-Command completed a three week Clerk-Typist Course at the Force Troops Clerical School.

"The graduates are from 10 occupational fields, all calling for personnel with typing ability" said SSgt. L. R. Shifflette, NCOIC of the Clerical School.

While attending the Force Troops-operated school the Marines were introduced to the "Touch Typing System." Students learned the touch system with the use of a series of recordings designed to give them experience in practical application.

Graduating number one in the class was Pfc. R. D. Diloranzo, of the 8th Engineer Battalion with a class average of 89.33 percent. LCpl. E. R. Kelly, 2d Field Artillery Group, finished second with an average of 89.17 percent.

Other students of the class in the order they graduated were:

Pfc. L. E. Wallas, 8th Engineer Bn.; Pfc. H. K. Walker, 2d Tank Bn.; Cpl. G. H. Haga, Hq. Bn. MCB; Pfc. J. M. Torre, 2d FSR; Cpl. R. H. Wilkes, 2d FSR; Pfc. G. F. Schulz, 2d FAG; Sgt. D. F. Wisniewski, 2d FSR; Pfc. R. K. Coleman, 2d ANG-LICO; SSgt. J. L. Garrett, 8th Comm Bn.; Pfc. T. W. Watson, 8th Comm Bn.; LCpl. R. A. Colesanti, 2d FSR; Pfc. G. W. MacBrair, 2d AmTracBn.; Cpl. D. R. Dickerson, 2d FSR; LCpl. E. J. Burak, 2d FSR; Pfc. A. J. Giliberto, 2d Tm-AracBn.; Pvt. J. M. Mitsch, 2d FSR; Pfc. S. J. Casbon, 2d AmTracBn.; LCpl. H. C. Bates, 2d FAG; Pfc. J. P. St. Genis, 2d Tank Bn.; Pfc. E. H. Knight, 2d FSR; Pfc. R. J. Ruka, Hq. Co., Force Troops.

Captain D. Z. Boyd, of HqCo., Force Troops, was the guest speaker and presented the Marines with their diplomas.

10th Marines Award Mast For Pagano

Meritorious Mast ceremonies were held recently in the 10th Marines Regimental Headquarters for Cpl. Robert R. Pagano who graduated second in a class of 35 from the 2d Division Noncommissioned Officer Leadership School.

Corporal Pagano was officially commended for his record by Col. Wade Hitt, commanding officer, 10th Marines.

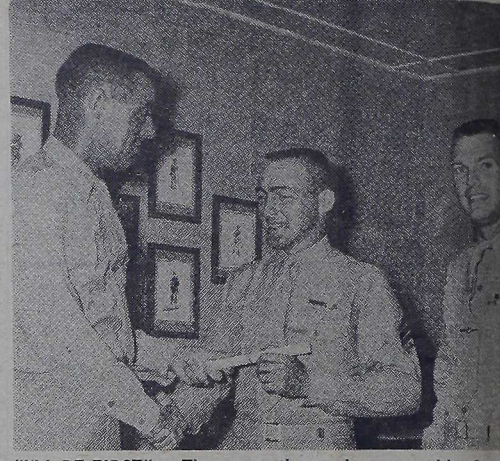

The corporal is normally assigned duties as a 4.2 inch mortar section chief in the regiment's mortar battery.

A regimental bulletin, citing his achievement, read in part: "... His diligence and attention to duty, exhibited in this achievement, are in keeping with the highest standards of performance of the U. S. Marine Corps."

The citation will become a permanent part of Corporal Pagano's service records.

MSGT. PAUL D. SPARKS has been selected as Marine Corps Base Career Advisory NCO, relieving GySgt. Rogerio Lozano, who transferred to Naval Activities, Naples, Italy, recently. Prior to his present assignment, Sparks was a recruiter at Marine Corps Recruiting Sub-Station, LaCrosse, Wis.

"I'LL BE FIRST" — These were the words expressed by Sgt. J. Bridges, "C" Co., 2d Pioneer Bn., 2d Division, to his commander before attending the Division's Noncommissioned Officer Leadership School. Bridges who has been in the Marine Corps years fulfilled his statement and finished at the top of his class with a 94.24 average. Presenting Bridges his graduating certificate congratulating him on a job "Well Done" is Col. Jonas M. Plummer, Assistant Chief of Staff, G-3 (Plans, Training and Operations) Division. On hand for the congratulatory ceremonies is Major Barnard, Officer-in-Charge of the school.

Force Troops Marines Finish Tractor Course

Forty-eight enlisted Marines graduated from the Force Troops LVT-5 Amphibian Tractor School at Camp Lejeune.

The purpose of the school is to teach Marines of 2d AmTrac Bn. the nomenclature and functioning of the battalion's weapons.

In the four week course of instruction, they were schooled in the basic procedures of handling the vehicles on land, in water, and techniques of amphibious embarkation and debarkation from ships.

Those graduating from the school from Company "A" were:

Pfc. Paul L. Knecht, Jr., Charles P. Lattamore, James H. Seals, Leslie W. Sutch, and Robert I. Travis, and Pvs. Oscar W. Bush, Jr., Earl

J. Dempsey, Jr., William A. Ayne, Bernard F. Ryan, Jr., R. Russell, Jerry L. Shafferson, Spurioke, Paul A. St. John, John L. Stokes, William L. Garry R. Ward and Carl Nam.

The men from Company "B" who graduated were:

LCpl. Lowery Smith, William G. Book, James A. and Raymond J. Olejnik and Arthur G. Allen, Clyde Robert E. Davenport, James Patrick, Paul E. Gersd, Frank M. Grasso, Dennis V. Roger E. Lamb, Bruce R. James K. O'Connor, Larry III, Kenneth W. Pelton, C. Poe, and Garry E. Po.

Graduating members Company were:

Pfc. Locey B. Roberts, Anthony J. Sbarra, Jr., Ralph S. Austin, George D. er, Jr., Thomas J. Echard, W. Grater, John A. Green, neth E. Hall, Olen D. Har, R. Harp and Oscar L. S.

Lt. Col. T. W. Clarke, Commander, spoke to the graduates prior to presenting each a certificate of completion. "This school is the in becoming proficient in the field."

You will have to spend effort in the field to be efficient in Amphibian Trac will have to spend time in the field to develop efficiency. The Battalion any more, so it's up to

CE CUTIES—Over 200 youngsters, turned magically into majorette dolls in blue and white costumes, gave a baton precision drill performance Saturday night under the lights of the gganis field. Sponsored by the Youth Summer Recreation, the demonstration concluded the summer youth activity twirling and marching groups. Pictured is the 4 to 9 year-up. The classes were taught by Cecilia Hubbard and cod by the Midway Park Wives Club. (Photo by Pfc J. B. y)

MCAF 'Welcome Tea' Be Held Sept. 17

The well underway for the Wives' Club "Welcome Tea" held Sept. 17 from 2 to 4 p.m. at the Paradise Point Club. The tea will sponsor the tea. "Autumn Leaves" will be out in decorations by Black club hostess. The tea will have a table set up for the 1962-63 year dues. Dues are \$3 for the three types of membership — open officers stationed at Lejeune, temporary additional

duty and uniformed women employees of the Red Cross. (3) Associate membership — open to wives of officers whose husbands are not at Lejeune, wives of retired officers, widows of officers, adult female dependents of officers or civilian members of the officers mess here at MCAF, bonafide members of the MCAF Officers' Wives' Club, or adult female dependents of civilian members of the officers mess MCAF who are bonafide members of the MCAF Officers' Wives' Club. Mrs. Anthony Caputo, OWC president and Mrs. H. P. Jones, Tea Chairman, extend an invitation to all officers' wives at Camp Lejeune and the Air Facility to attend this first social function of the season. No reservations are required.

Activities Calendar

MIDWAY PARK WIVES
The Midway Park Wives' Club will tour the base Thursday, Sept. 6 at 10 a.m. Those interested are asked to attend the Midway Park Community Center. The first rehearsal talent show to be held Sept. 4 at 7 p.m. at the Midway Park Community Center.

KNOX WIVES
The Knox Wives are invited to attending Sept. 3 at 7 p.m. at the Recreation Hall for the officers of the Knox Game Room.

AND CONCERT
The Band will give a concert for the residents of the Traylor Park Sept. 4.

UP III, OWC
To welcome all members will be held Sept. 5 at the Paradise Point Office. It will be hosted by the Division Headquarters. Appropriate attire will be cottons. For reservations, R. D. Humphries at 347-1906.

UP VII, OWC
At 5:30 p.m. Group officers of Tenth Main forces to welcome W. P. Oliver and bid W. H. Hitt, present Commander, and Mrs. Hitt. The occasion will be an in-venue dinner at the Officers Mess.

UP VIII, OWC
The "Get Acquainted" scheduled for Sept. 6 at the River Room of the Officers' Club. For all Mrs. Olson, 6-6775 Richards, 346-4007.

AVILION CLOSED
The Pavilion will be closed.

closed Labor Day, Monday, Sept. 3.

SEWING CLASSES
Mrs. Ossi Wells, Camp Geiger Community Director, has organized a series of sewing machine classes for Knox wives. The first class will begin Sept. 4 at 10:30 a.m. in the Knox Game Room.

CERAMICS CLASS
A ceramics class is being formed for residents of Knox and Geiger Trailer Parks. The first meeting will be held Sept. 5 at the Air Facility. A bus will pick up those interested at Knox at 1:15 p.m. at the bus stop and those at Geiger at 1:45 p.m. at the Community Center. Classes will run from 2 to 4 p.m. The series is scheduled to last two months.

... AND THE THREAD GOES ROUND AND ROUND — Mrs. Ossi Wells, Camp Geiger Community Director, gives a class in sewing machine fundamentals to members of the Geiger Wives' Club. Left to right are Lillian Sibley, Melinda Morgan, Marie Morrison, Mary Rawdon, Sherry Anderson (hidden) and Pat Richardson. (Photo by Pfc E. J. O'Neill.)

Doctors Perform 'Operation Triplets'; Bouncing Bock Babies Born On Base

This is the story of "The Three Bocks." Produced by SSgt. and Mrs. Steve Bock and directed by Doctors Robert L. Baker and Robert F. Kirk, it is the tale of triplets A, B and C, alias Stephanie, Caroline and Elizabeth, born July 6 at the Family Hospital—an instance of one in 7,200. Characters playing an important part in this phenomenal event are: Dr. Earl R. Peters and Dr. James L. Hughes, pediatricians, and Dr. Harry Bird, anesthesiologist. Other members of the cast include three nurses, three corpsmen and a staff of 10 who took their cue after the operation.

The first act opens with Mama Bock being admitted to the hospital April 9, 13 weeks before "Operation Triplets." Coached by Dr. Baker and consoled by Papa Bock, she plays the leading role until Act II when Stephanie, Caroline and Elizabeth appear on stage weighing 3 lbs. 9 1/2 oz.; 3 lbs. 5 oz.; and 3 lbs. 10 oz. respectively.

Although the three look-alikes don't have very large speaking parts all attention is focused on keeping them happy and contented as babies. In Act III Elizabeth is first to make her exit from the hospital stage after 36 days of "playing time," weighing 4 lbs. 15 oz. Stephanie is next at 39 days and 5 lbs. 1/2 oz. Caroline, considered the little "ham" of the group, is the last to leave the stage Aug. 23 at a healthy 5 lbs. 4 1/4 oz. with 48 days to her credit.

"It's at a time like this when one really appreciates Marine Corps benefits," exclaimed SSgt. Bock. "Altogether our bill will run approximately \$300 where in civilian life it would be over \$10,000."

How does Mrs. Bock tell them apart? Simple. By painting their toenails a different color, green for Stephanie, red for Elizabeth and clear for Caroline.

The Bocks have two other children, Michael, 10 and Stephen, 3. The couple reside at 756 Naha Drive, Tarawa Terrace.

TRIPLETS' TRIUMPH—Gathering for a "curtain calling" are members in the cast of "Operation Triplets." Bottom row, left to right, are SSgt. Bock and Stephanie; Mrs. Clara Sturgis, nursery nurse and Caroline, and Mrs. Bock with Elizabeth. Top row, left to right, Marjorie Sperry, delivery nurse; Dr. Earl R. Peters, pediatrician; Dr. Robert L. Baker, obstetrician, and Miss Edith Whitehead, ward nurse. (Photo by Pfc J. B. McKinley)

MCAF Officers' Wives Plan Musical Potpourri

The MCAF Officer's Wives' Club will embark on a fun-filled "Musical Potpourri" in the coming year's program of social activities.

The social season will begin with "Hey — Look Me Over," a free "Welcome Aboard" party on September 5 at the Air Facility Officers' Club at 1:30 p.m.

At this meeting members will have an opportunity to sign up for many varied activities. Included are: intermediate bridge lessons, partnership bridge, bowling (morning and night leagues), group golf lessons, sewing classes (beginners and tailoring) and flower arranging. Yearly dues of three dollars will also be accepted at this meeting.

"I Enjoy Being A Girl" will be the theme of the October luncheon

with a fall fashion show sponsored by one of the stores in the shopping center. The wives of HM-263 will be hostesses at this October 3 luncheon.

Sounding off at the "Sound Off" luncheon in November will be Colonel Fusan and Colonel Cochran speaking on the purpose and functions of the different squadrons and just what the responsibilities of the Station and MAG entail. This will be followed by an open question and answer period. The wives of H&HS will hostess this luncheon on November 7.

"It's Beginning To Look A Lot Like Christmas" by December 5 when the wives of MABS will host the yuletide luncheon. Mrs. Alice Godwin of Jacksonville will present the program creating some lovely things with flowers and greenery.

This is the itinerary for the first half of the social season. Anyone who has not been contacted for reservations for the "Welcome Aboard" party may call Jan Livvori at 284 or Marcelle Knight at 347-1906.

Pre-Natal Classes To Begin Sept. 6

A new series of Pre-Natal Classes will start Thursday, Sept. 6 in the Conference Room, Ward 17, at the U. S. Naval Hospital. The classes will be held from 1 to 3 p.m. each Thursday for six weeks.

Subjects covered will be layettes, care of the expectant mother, labor and delivery, hospital routine, and methods of infant feeding. The classes will be supplemented with visual aids, demonstrations and free literature.

The classes are taught by a Registered Nurse and are provided free of charge to Navy and Marine dependents by the Camp Lejeune Auxiliary of the Navy Relief Society.

Volunteers Wanted For Hospital Work

Registration for Red Cross Volunteer work will be September 6, 11 and 13 in the Red Cross Office of the U. S. Naval Hospital. Training classes for Gray Ladies and Staff Aides will be held in September.

Gray Ladies, uniformed workers who bring bedside recreation to the patients, teach simple crafts and assist in the Pediatrics Ward, serve a minimum of a half-day a week. The training course runs from 12 to 15 hours followed by on-the-job training for 10 hours.

Staff Aides, uniformed workers who serve primarily as receptionists in the Dependents Clinic on Wards 1 and 2 receive an 8 hour training course with 4 hours on-the-job training. Those interested in volunteer work are asked to contact Mrs. Barrett, Gray Lady Chairman, 6-6778 or Mrs. Powers, Staff Aide Chairman, 6-6254 or the Red Cross Office at 4-4332.

School Menu

WEDNESDAY, SEPT. 5
Turkey Tetrazzini
Steamed Rice
Tossed Salad w/ Garlic Dressing
Buttered Carrot Pennies

Chilled Applesauce
Milk

THURSDAY, SEPT. 6
Spaghetti w/ Cheese Meat Sauce
Summer Greens w/ Bacon seasoning
Perfection Salad on Lettuce
w/ Dressing
Hot Rolls and Butter
Cookies
Milk

OFFICIAL VISIT—Capt. G. L. Calvy, center, commanding officer of the Naval Medical Field Research Laboratory, meets with two distinguished professor scientists during their recent visit here. Dr. C. W. Dupertuis, left, a professor at Western Reserve University, and Dr. Menard Gertler, professor and Research Director of the Institute of Rehabilitation, New York University, met with Navy investigators on acclimatization physical fitness.

Two Scientists Talk With NMFRL Staff

Two distinguished professor scientists, Dr. C. W. Dupertuis, and Dr. Menard Gertler, visited the Naval Medical Field Research Laboratory last week. They met with Navy investigators in connection with research projects on acclimatization, physical fitness and cardiovascular disease in the young adults.

Both doctors are research colleagues of the Commanding Officer, Capt. G. L. Calvy, MC, USN.

Dr. Dupertuis, a Professor of Clinical Anthropology at Western Reserve University, School of Medicine, Cleveland, Ohio, gave a lecture to the NMFRL staff and guests.

He is a leading authority on somatotyping, the study of physical structure and body types. From 1942 to 1945 he collaborated with Dr. Calvy on a Rockefeller Foundation-sponsored research project on pilot selection for the Navy. He is also co-author of Atlas of Men.

Dr. Gertler, a Professor of Medicine and Physical Medicine and Research Director of the Institute of Rehabilitation of New York University, has been a collaborator with Dr. Calvy on research projects in the U. S. Naval Hospital, St. Albans, New York and with the staff at NMFRL.

His interests are closely identified with NMFRL's in studying the natural history of disease, especially coronary arteriosclerotic heart disease.

Handley New Montford Pt. Commander

A welcoming aboard party was held last Friday night by the officers stationed at Montford Point in honor of Col. Rodney M. Handley who assumed duties as Director, Marine Corps Supply Schools and Montford Point Commander recently.

Col. Handley relieved Col. Richard Quigley who was transferred to Marine Corps Supply Center, Albany, Ga.

Prior to assuming his present duties, Col. Handley served as Force Supply Officer, Fleet Marine Force, Atlantic, Norfolk, Va.

Commissioned a second lieutenant in the Marine Corps Reserve, in June, 1936, Handley entered active duty with the U. S. Army in the Civilian Conservation Corps, and started his active duty career with the Marine Corps on April 1, 1940 attending the 2d Reserve Officers Course at Quantico, Va.

Col. Handley attended the Army's Command Staff College at Ft. Leavenworth, Kan., in 1950-51 prior to serving as the Assistant Division Supply Officer of the 1st Division in Korea.

From 1952 to 1956 he served as Marine Corps Catalog Officer in the development of the Federal Stock Number system which led to the development of the Defense Supply Agency.

Scout Meeting

Cub Scout officials of Pack 90 meet at 8 p.m., Aug. 30, in the Stone Street Elementary School to enroll new Scouts and to select new committee members, den mothers and other officials.

It is not necessary for the new boys to attend this meeting, but they are welcome, he added. Membership in Pack 90 is open only to boys living at Paradise Point, between the ages of eight to 10½.

Pack officials encourage parents to enroll their boys at this meeting when the new Cubs will be assigned to a den, and will begin the Scouting year with their group.

Col. Port Will Head Reserve Liaison Unit

Col. Robert M. Port will assume command of the Reserve Liaison unit at Montford Point Sept. 1, relieving Col. Sam W. Smith who departs for the 1st Marine Corps Reserve and Recruitment District, Garden City, N. Y., soon.

Col. Port joins the Reserve Liaison unit from the 12th MCR&RD, San Francisco, Calif., where he served as the Assistant Director for Reserves.

The Colonel entered the Marine Corps in May 1941 as an officer candidate, receiving his second lieutenant bars on Nov. 1, 1941. Following an additional three months of officer training, he was assigned to officer procurement in the Pittsburgh area.

Reporting to the 1st Marine Division in April, 1942, he was assigned Machine-Gun Officer, Co. "H", 2d Bn., 1st Marines and participated in the Guadalcanal campaign in that capacity, later commanding the company.

Port was assigned as an instructor at Quantico following completion of Command and Staff School in 1944. After a tour at Lejeune, the Colonel participated in the waning days of the Okinawa campaign as S-3 and executive officer of the 2d Bn., 5th Marines.

Prior to his assignment at the 12th District, Col. Port was the first reserve officer to serve as Head, Training Branch, Division of Reserve, Headquarters, Marine Corps. He also served as Marine Corps Liaison Officer to the Secretary of Defense, Reserve Forces Policy Board during this period.

Promotion Zone For Majors Expanded

The selection board now in progress has been authorized to expand the promotion zone for Captains to Majors and select 13 additional unrestricted officers for promotion according to Headquarters, Marine Corps.

A tentative zone was originally announced in Marine Corps Bulletin 1401, as ending with Capt. William D. Benton, who was 1,141 on the 1962 Combined Lineal List. The expanded zone now ends with Capt. Charles F. Moser, number 1,188.

The Limited Duty Officer zone remains unchanged.

Torii Teller Selected For Annual Award

The Iwakuni Torii Teller has been selected as the 1962 winner of the "Annual Journalism Award, USMC Publications," Headquarters, Marine Corps announced recently.

The Torii Teller serves the Marine Corps Air Station, Iwakuni, Japan, and members of the 1st Marine Aircraft Wing, based there.

This marks the first time the Japan service weekly has won the award in the 10 years the journalistic competition has been held. This is also the first time the award has gone to a Marine newspaper outside the United States.

Made available to the Marine Corps in 1952 by the Marine Corps League the award has been presented annually since then. It is a perpetual rotating trophy designed to provide recognition to an outstanding Marine Corps post or station newspaper.

Thirteen newspapers are entered in the competition and are judged for general news coverage, informational value, quality of writing, format, variety and use of pictures, medium of expression for post personnel and for the service it renders the personnel served.

YOUTH PROGRAM . . . BRENDA JEAN . . . GROW TOGETHER

Although the 1962 Summer Youth Program came to a Saturday night at a baton twirling performance given by "Marine-ettes," it will continue to grow each year along with Jean Hubbard, one-year-old mascot of the majorettes, Brenda daughter of Mrs. Cecilia Hubbard who served as baton twirling instructor to the 16 groups. (Photo by GySgt. Golden Pass)

Majorettes Mark Program's Close

The 1962 Summer Youth Program came to a brilliant close last Saturday night at Harry Agganis Field with more than 200 youngsters participating in a baton twirling drill, demonstrating the figures and formations they learned this past summer.

The green grass of the field and the surrounding lights served to highlight the bright colors of the different groups' costumes, some red, some white and some blue.

A highlight on her own was one-year old Brenda Jean Hubbard, mascot of the 16 classes of "Marine-ettes." She is the daughter of Mrs. Cecilia Hubbard who instructed the groups at Tarawa Terrace, Stone Street School, Marston

Pavilion and Midway. This year as an active Summer Youth Program, it continued at Marston Pavilion the winter months.

This year, 1,405 children from the 1st grade through 8th grade, were registered in the Summer Youth Program. Included classes in baton twirling, water polo and crafts, first aid, singing, ceramics, golf and

Also under the direction of Selwyn Orcutt, Director of Community Activities, the year-round, are the Marine Corps and the Community

The Teen Club has a membership of 270. Since April has totaled a figure does not include the number of children in the pavilion in connection with the Summer Program. The Teen Club consists of general activities such as the recent Luau which drew 300. Special events like the Son Pool Tournament, teams competing for the ship.

Community programs summer and fall banded each community; water sponsored by the Wives' Club; baton twirling, Wives' Club; community in four communities; dependents swimming members, now a part of Eastern Carolina Swimming Association.

New programs now being given are "The Family of the Future," sewing instructions, the intervention, and information demonstrations given by military groups.

Personnel checking in club from Special Services Golf Course are required to Base Bulletin Board these clubs. The bulletin on the bulletin board of house.

School Bus Safety Instructions

Attention all Parents and Motorists

School bus operation at Camp Lejeune is a big and serious business. Approximately 3400 children are transported to and from school daily, buses operate in the housing areas at peak traffic periods, and children are embarking and debarking at virtually every street in the Lejeune housing projects. This means an effort upon the part of "All Hands" is a must to assure that your children arrive safely and promptly at their schools.

A family briefing, covering the following items, will aid your school bus driver in the job of safety and efficiency.

Children should be at pickup point five minutes prior to scheduled departure. Send them out in plenty of time so they will not have to cut across the street in the middle of a block to catch the bus. Instruct them that if necessary to walk along the road, then walk facing traffic and never more than two abreast.

While waiting at pickup points children should stay in an orderly group, keeping well off the streets. Do NOT run, push or attempt to board the bus before it comes to a complete stop. Board orderly and quickly take your seat.

The school bus driver is in complete charge of the bus. All students will respond readily to his instructions.

No arms and hands are to be extended from any part of the bus. When the bus stops to discharge passengers, get off and quickly move away from the bus. Never walk in the rear of the bus when necessary to cross the street then walk in front of the bus when motioned by the driver or safety officer and when you have looked both ways to make sure it is safe.

The school bus will stop at scheduled stops only. Do not expect the driver to stop if you are not at a designated pickup point.

The driver does not prepare the schedules — he follows them. Schedules are made up to service the maximum number of people at designated stops and no changes will be made without approval from higher authority.

Note to motorists: Buses are following rigid schedules. Make their job as easy as possible by allowing them plenty of turning radius at intersections and allowing them to proceed in and out of school entrances.
