## Capt. Jarabak, USN, Retires, Set To Join College Faculty

Capt. John P. Jarabak, DC, USN, was transferred to the retired list Sept. 30, after a long and distinguished Naval career. A graduate of Indiana University School of Dentistry, Captain Jarabak served at Naval hospitals in Pensacola, Fla., Philadelphia, Pa., Washington, D. C., and Camp Lejeune. During World War II Captain Jarabak served with the China Field Hospital while attached to guerilla units with the U. S. Naval Group, China. He was recognized for his meritorious achievement during that period by an individual letter of commendation signed by the Secretary of the Navy.

After the war, Captain Jarabak served aboard the USS ALBE MARLE and the USS F. D. ROOSEVELT. He was also stationed at the U. S. Naval Hospital on Guam. He joined the staff of the U. S. Naval Hospital, Camp Lejeune, May 13, 1956, as Chief of the Dental Service.

Captain Jarabak plans to join the faculty of the University of Oregon School of Dentistry at Portland as Associate Professor of Oral Surgery, on Oct. 17.

CAPT. JARABAK

### Here's the Answer

# Close Parental Guidance Who's Responsible For Children? An Absolute Requirement

It is a little hard to accept, but some animals are better parents than people. They teach their cubs and fledglings the things necessary for survival and, at the same time, they teach them discipline.

But, more important, these animal parents constantly supervise their children and aren't hesitant about belting them when they get out of line. Most of us have seen the Disney wildlife pictures and laughed at the antics of the bears and at the irate mother who cuffs them when they do something wrong. The point which so many miss is the instant reaction the parent commands. Obedience is not an acquired virtue. It is taught.

## Chaplain's Corner

### Of Men And Machinery

Erich Fromm, professor at the University of Mexico whose name is known to many in this day, recently made this comment about mankind in this day and age: "We make machines which act like men and produce men who act like machines." The danger of the 19th century was that we might become slaves; and the danger of the 20th century is not that we may become slaves, but that we may become robots.

As one considers these words, one's mind recalls the words of David in the beautiful Eighth Psalm: "What is man that thou art mindful of him?—Thou hast made him a little lower than the angels, and has crowned him with glory and honor. Thou madest him to have dominion over the works of thy hands; thou hast put all things under his feet."

What have we done to man, or should it be more correctly phrased—What have we done to ourselves? In an attempt to make man God; to accomplish the impossible, we have gained the inevitable, and have reduced him to little more than a machine.

While most of us do not work in factories or on assembly lines, we all have monotonous tasks that must be performed as a part of our assignments. And then too, as a part of a military organization, we all realize the need for rigid discipline, and that orders for action come from those who lead and carry the responsibilities of the service.

But we also know that the best of leaders never forget the humanity of their men and ever strive to bring out the best of their abilities. And we who follow must always remember that those monotonous tasks will lose some of their boredom as we creatively strive to do our best and serve our men in the best possible way.

Let each of us strive to make our personalities glow with some of the "Glory and Honor" that God has bestowed on us.

—Richard K. Tittley,  
Division Chaplain.

## Library News

### New Books

These books are available at the Central Library, Bldg. 62, or through request from area branches at Montford Point, Courthouse Bay, Rifle Range and the Tenth Marines. Books may be reserved by telephone.

**THE EDGE OF THE SWORD** by Charles de Gaulle translated by Gerald Hopkins is de Gaulle's personal credo of what it means to lead, both in the military and political arena, revealing his staunch personal dedication to the standards of liberty, justice and the inherent dignity of individual man.

**FELIX FRANKFURTER REMINISCES** by Felix Frankfurter is an intimate portrait as recorded in talks with Dr. Harlan B. Phillips.

**THE LIBERAL HOUR** by John Kenneth is a searching and lively discussion of our economics and history.

Recently we have had a number of tragedies at Camp Lejeune which have resulted in heavy monetary losses and personal injury. The time has come to take a long look at the major cause of these tragedies. When we examine the cases, the glaring fault is revealed as lack of parental supervision.

There can be no acceptable excuse for not supervising children. Schools, churches, community projects and police offer some supervision and training for children, but the parents are the most important. The schools teach the child to read and write, teach him the history of his country, mathematics and sciences, but to the parents fall the responsibility of teaching the child to live a normal, healthy, worthwhile life.

Churches can teach doctrine and provide a place to worship God, but the child can't truly believe unless the parents believe. No youngster will be able to accept the teachings of his religion if his parents use the church as a babysitting service or constantly violate its law in the child's presence.

The community gives a child a wide picture of life outside his family and it doesn't take long before the comparisons begin. Police generally are considered someone to fear or avoid, especially when Dad has just gotten a ticket and is turning the air blue.

And when the youngster is turned loose by himself in this strange and complicated world he immediately gets into trouble. An unsupervised child can find every dangerous place and thing in a home in a matter of minutes. Fire departments constantly ask parents to keep matches and combustibles away from the little people's busy fingers and yet, each day, fires caused by children are reported.

Nothing in this world is as wonderful as a child. Their little hearts hold more love than we think possible but it takes only an unsupervised moment and the child is dead under the wheels of a car or maimed because he didn't know he was playing in an unsafe place.

Property can be restored or replaced, but the memory of pain and the constant sight of an ugly burn scar will always remain with us. Every force in the community works to help the child but the child is helpless without parental supervision.

It's a job only parents can do.

### Latest Word

The President has approved the bill extending VA-guaranteed home, farm and business loans for an additional two years.

Under this bill, which became law when the President signed it, veterans of both World War II and Korea who are living in designated rural areas, where there are no local lending institutions authorized to grant GI loans, may now apply for direct loans from the Federal government.

The new deadline date for applications for loans for veterans of both wars is now July 25, 1962. The previous deadline date was July 25, 1960.

Veterans of both World War II and the Korean conflict had until July 25, 1960, to apply for direct loans. However, Korea veterans may continue to apply for VA-guaranteed loans to Jan. 31, 1965, under a law passed by previous legislation.

Interest at the rate of 5 1/4 per cent applied against GI loans remains unchanged by passage of the new law.

## If You Ask Me:

**CAPT. GEORGE L. CALVY, MC, USN,**  
Naval Medical Field Research Laboratory

— The most memorable character that comes to my mind was a 92-year-old patient—a Navy man who had won the Medal of Honor for his exploits during the Spanish-American War. His humor, humility and wisdom were remarkably well developed and unimpaired. His zest for life was inspirational to all about him.

**GYSGT. CHARLES W. ELLIS, Hq. Btry., 2nd FAG** — A sergeant major that I knew

on Guam. He was the best administrator I'd ever met in the Marine Corps. The only thing he ever had on his mind was the Marine Corps. A strict disciplinarian and a perfectionist, he believed in teaching his men to do things right the first time.

**1ST SGT. CHARLES CARTER, "D" Co., 1st Bn., Second Marines** — I'd have to

say Col. Lew Walt. I served with him at basic School during two tours of duty. I feel he was the finest man to work for and serve under. When Colonel Walt says something, you can bet that it will be done. Anyone who ever served with him would be proud to serve with him again any place and anywhere. He's a gentleman, a soldier, a man and a Marine.

**GYSGT. C. J. JUSTICE, Spt. Co. "B," Hq. Bn., MCB** — Denny Floyd. He beat Lou Diamond out of master gunnery sergeant. He was the original "Old Gunny." Although he was up in years, he went on a 20-mile hike every week and when he returned he was fresher than any of the younger men.

Moreover, he could hold school on anything whether it was a river crossing or how to set up a machine gun.

**WHO IS THE MOST MEMORABLE CHARACTER THAT YOU'VE MET WHILE IN THE SERVICE?**

**MAJ. LEO E. WALTON, Hq. Btry., 2nd FAG** — "Chesty" Puller (Lt. Gen., USMC Ret'd). His methods of achieving the end, his voice, and command presence almost completely overawed anyone who tried to argue with him. He was great for biting his pipe stem in two when he lost his temper. I recall one battalion commander who informed

the general that he was not ready to move out because his troops had not finished eating. After the loss of one pipe stem and about five well-chosen words, the battalion moved out.

**SGT. GENE JONES, Spt. Co. "B," Hq. Bn., MCB** — Capt. C. A. Folsom. He taught me everything I know about shooting. He is one of the Marine Corps' top shooters, although he is not active in shooting at the present time. He won the McDougall Trophy by winning the Marine Corps Rifle Match in 1955. The same year he won the National Individual Rifle Championship.

**AS THE SEA RAGES**  
Cast against a background of the Grecian Isles, this one concerns a fisherman whose dream of peace and serenity are violently disturbed by a beautiful woman's presence and her domination by sinister sailor, Cliff Robertson stars as the fisherman, Maria Schell as the girl and Cameron Mitchell as the evil influence. (83 min.)

A western starring Willard Parker. (88 min.)

**ULYSSES**  
Kirk Douglas stars as Homer's immortal Greek hero. Rossana Podesta plays both his wife, Penelope, and the siren. Cine. Film story stays close to the original Greek classic. (97 min.)

**PAY OR DIE**  
Ernest Borgnine portrays a famous New York detective who uncovered the early inroads of the Mafia in the U. S. A. (119 min.)

**HANNIBAL**  
The famed Carthian is portrayed by Victor Mature. The story covers Hannibal's attempt to conquer Rome. Rita Hayworth provides the romantic interest. (111 min.)

**MOUNTAIN ROAD**  
James Stewart stars as the commander of an American Force in North China which is obliged to slow the advance of the Japanese Imperial Army. Portrays vividly man's inhumanity to man. (110 min.)

**WILD RIDE**  
Jack Nicholson stars as a somewhat psychopathic hot-rod addict who wants glory and girls. In that order, and will resort to just about any lengths to get them. The film contains much beat talk and violent action. (71 min.)

**AMAZING TRANSPARENT MAN**  
A science fiction adventure starring Douglas Kennedy. (78 min.)

**THE HALF PINT**  
Tommy Ricketts stars in this family drama. (82 min.)

**THE ADVENTURES OF HUCK FINN**  
Mark Twain's immortal tale of Mississippi River life in the pre-Civil War period is dramatically portrayed by Eddie Hodges, Tony Randall, Archie Moore and a host of other stars. The picture is supposed to tell the story as Mark Twain (Samuel Clemens) conceived it. (color, 137 min.)

**THE BELLS ARE RINGING**  
A delightful yarn about a timid dreamer-in-the-sky girl (played by Judy Holiday), who works for a telephone answering service, and simply cannot keep from taking a personal interest in all the "clients." Dean Martin portrays a playwright with a inferiority complex. (127 min.)

**PRISONER OF THE VOLGA**  
A pair of beautiful women and a rugged band of men go roving about 19th century Russia in the arms of, or in pursuit of, John Derek, an abused cavalry officer victimized by his general's indiscretions. Elsa Martinelli and Dawn Adams are the female leads. (90 min.)

**CRACK IN THE MIRROR**  
Orson Welles and Juliette Grey each play double roles in this story of life's undermining passions, be they murder, envy, deceit or retribution. Generally, an effective, well-played and mature film. (105 min.)

**WESTWARD THE WOMEN**  
Robert Taylor and Hope Emerson star in this drama of outdoor action. (124 min.)

**DODGE CITY**  
This dated adventure story of the "untamed" Old West still packs a punch. Shave Errol Flynn and the vivacious Olivia de Havilland constitute the leads. (113 min.)

**MACUMBA LOVE**  
The beautiful Ziva Rodann plays a wealthy land-owner who allows herself to be influenced by South American Voodoo. Walter Reed, June Wilkerson and William Wellman Jr. become her targets. (94 min.)

**THE BELL BOY**  
Jerry Lewis plays havoc with a famed resort hotel at Miami Beach in this rotlicking, laugh-filled comedy. But Jerry really isn't so bad-it just that he's a little misunderstood, that's all. Bob Clayton, a Miami TV announcer, plays Jerry's superior. (138 min.)

**LAST REBEL**  
An action picture starring Rudolf Acosta. (Color, 116 min.)

**PSYCHO**  
Here is a real shocker. Alfred Hitchcock went all out when he made this one. You won't believe it until you see it. Janet Leigh and Tony Perkins turn in excellent, if not outstanding performances as the principal stars. (117 min.)

**FIRE!**—This was the dreaded call sent up when messhall 1209 in the Industrial Area was ravaged by fire in 1956.

**DEMONSTRATION**—Two firemen from the Camp Lejeune Fire Department give a demonstration to students at Midway Park School in the methods used to extinguish roof fires. Lectures and demonstrations of this type for military and civilian personnel are given all during the year by Base firemen. **AT RIGHT:** Fireman Augustus J. Ashley demonstrates the short cut for answering fire alarms.

# Fire Prevention Week Will Start On Base Next Monday

"An ounce of prevention is worth a pound of cure." However, it will take more than an ounce to reduce the devastating losses accrued by the United States by fire each year. Only last month, fire damages to two homes at Camp Lejeune amounted to more than \$15,000.

According to National Fire Association statistics,

every day in the United States, countless fires destroy homes, churches, schools, hospitals, stores and factories. Every 15 seconds fire breaks out in the United States and Canada claiming a human life every 45 seconds. In 1959, two million fires in the nation totaled over one billion dollars in damage. There is a need for

fire prevention 365 days a year.

Camp Lejeune will join the nation and Canada in observing Fire Prevention Week Oct. 9-15. According to Base Fire Chief F. J. Schlarp, lectures and demonstrations will be given at all Base schools during the week and a display of fire-fighting equipment will be available in the Marine Exchange windows. Chief Schlarp also stated that a special lecture and demonstration is planned for warehousemen throughout the Base.

When "Mrs. O'Leary's cow" knocked over the lantern in 1871, starting the Great Chicago fire which resulted in the destruction of over 17,000 buildings, the need for fire prevention became apparent.

Fifty years ago "Clean-up Day" was instituted. Eleven years later the first Presidential Fire Prevention Week proclamation was issued.

Since July of this year, Chief Schlarp stated that Base fire fighters under his direction were called upon for nearly 100 fires, many because of carelessness and neglect.

In an effort to eliminate those careless blazes, we must first determine their cause and then control them.

Smoking and matches carelessly lit head the list of 150,000 fire causes last year. Be careful where you place your unfinished cigarette. Use an ash tray. Be sure the match is out before discarding it and, above all, don't smoke in bed.

Defective firing and overloaded sockets are another source of fire hazards, claiming countless lives annually. Check your wiring periodically, replacing worn-out wire. Be reasonable about using one socket and avoid home-made connections as have been observed on this Base. Remember, haste makes waste and could mean the loss of your life or that of a loved one.

**Combustible Rubbish:** Causing over 50,000

fires last year, this form of carelessness can be eliminated by being careful not to leave oily rags and other flammable items laying in areas unattended.

**Children and Matches:** Although low on the list with 31,000 fires last year, children playing with matches are considered the most tragic fire victims. If you can keep your watch, money or other valuable items away from a child's inquisitive fingers, you can certainly do the same with matches. Are youngsters not precious?

Along the same lines, don't leave your children alone in the house. It doesn't take long for a curious toddler to turn the knob of your cook stove. A grease fire could be disastrous.

With the holiday season approaching, the need for fire prevention greatly increases. Use fireproof decorations, check Christmas tree lights for improper wiring or frayed covering. Don't leave decorations burning when not at home and discard tree when needles begin to fall. Stick to these few suggestions and your holiday will be a happy one instead of a saddening memory.

A National Fire Association report shows more than eight of every 10 lives taken by home fires each year **COULD BE SAVED** if people involved had planned ahead for fire emergencies.

Don't let this be you. Plan now. Fire spreads rapidly. Have an organized escape plan and an outside assembly point. Be positive your entire family knows of such plans. It is not foolish to hold fire drills in your home. It is in fact wise and could save a life.

Fires are not accidents. As long as they are considered such, preventative progress will be slow. When people recognize them as a result of neglect and carelessness, the rules of fire safety will be learned and heeded.

Do your part to save lives. Observe fire prevention, not only during Fire Prevention Week, but every minute of every day.

**RESCUE EQUIPMENT**—Mr. Tom Smith checks the outboard motor on the rescue boat used by the Fire Department to rescue drowning victims. Mr. L. W. Batson, another member of the Rescue Squad, checks the resuscitator to make sure it is ready in case of an emergency.

**SQUAD AT WORK**—Two members of the Fire Department Rescue Squad use a resuscitator to revive a victim of smoke. Mr. Glenn Ryan covers the victim while Mr. Tom Smith applies the resuscitator.

# Curtain Closes Monday On 'Most Eventful' Lejeune Tour

One of the most eventful tours ever recorded at Camp Lejeune will end next Monday when Maj. Gen. Sidney S. Wade relinquishes command of the Marine Corps Base to Maj. Gen. Robert B. Luckey. General Wade has served in various capacities of command in the Lejeune area for the past three years. He arrived at Camp Lejeune June 4, 1957, and assumed command of Force Troops. He was assigned additional duty as commander of the 2nd Provisional Marine Force, FMF.

Lant, Jan. 10, 1958, and departed for the Mediterranean area on May 14. At the request of the Government of Lebanon, the first units of the Provisional Marine Force under his command went ashore at Beirut on July 15. The general com-

manded all American Forces in Lebanon until relieved by Maj. Gen. Paul D. Adams, USA, on July 26.

General Wade remained in command of all Marines in Lebanon until Oct. 4 when he left Lebanon with the Second Provisional Marine Force headquarters staff and returned to Camp Lejeune.

He was awarded the Distinguished Service Medal for his outstanding service in Lebanon and the medal was presented by Lt. Gen. Edwin A. Pollock, commanding general, FMFLant, May 22, 1959.

After the Lebanon crisis was over, the general assumed duties as assistant Division commander, 2nd Division, and served in that capacity until June 30, 1959, when he was detailed to assume command of Marine Corps Base.

Since the general assumed this command, many construction projects have marked progress at Camp Lejeune. One big project was building a \$110,000 bank building here. The general helped break ground for the bank and cut the ribbon at the official opening.

One of the highlights of General Wade's tour at Camp Lejeune was pinning on the twin stars of a major general. He was promoted to that rank last July 27.

General Wade turned the first shovel of earth to begin construction of the new Camp Lejeune Junior-Senior High School which is being built at the cost of \$1,277,754. The school will be completed next September.

The \$131,000 Midway Park Community Center was opened Dec. 10, 1959, with the general attending the ribbon-cutting ceremony.

During General Wade's tour, he saw the completion of construction, dedication, and destruction by Hurricane Donna of a \$135,000 fishing pier named in honor of his predecessor, Lt. Gen. James P. Riseley (Ret'd).

Another highlight of General Wade's tour here was when the Navy League awarded him the "Stephen Decatur Award" May 8, 1959, for his outstanding leadership and operations excellence during the Lebanon crisis.

During the summer of 1959 and 1960, General Wade saw thousands of Marine Reserves arrive at Camp Lejeune and receive two weeks' summer training.

In September, 1959, General Wade and Camp Lejeune were visited by Secretary of the Navy, Mr.

William B. Franke, and the Commandant of the Marine Corps, Gen. Randolph McC. Pate. General Wade acted as host for hundreds of other visiting government dignitaries and military officials from friendly foreign countries during his tour.

The general saw Camp Lejeune baseball teams battle their way to the All-Marine Baseball Championship in 1959 and 1960. These teams received his wholehearted support.

## ON THE ROAD AGAIN!

# Locals Tackle Ft. Lee In Virginia Tomorrow

The fighting Leathernecks from Camp Lejeune leave their home grounds to travel to Petersburg, Va., where they face the "Travelers" of Ft. Lee on the gridiron tomorrow night. Winning both home games of the season, the Marines will be out to capture their first victory away from home. At home, Lejeune rolled over Norfolk 31-8 and shut out Ft. Campbell last Saturday 16-0. The first time on the road, Lejeune was defeated by Pensacola 32-0. Out to better last season's

record of four wins and six losses, Coach Denis Horn in his first year with the reins of Lejeune is constantly revising his team and tactics. Doing away with the three-platoon system, Horn has switched to two strong teams, capable of both defense and offense. Due to the many possible substitutions much more depth can be obtained with the two strong teams.

"This will be another tough

game and I am still making revisions to find the best combination," said Coach Horn. "If our defense is as sharp as last week and our offense improves, we should be able to add another marker in the winner's column," the coach stated.

Fort Lee has evened the slate thus far, suffering a loss to Mitchell Air Force Base 20-9 and coming back to win over Fort Eustis 19-13. Lee's tilt with the Key West Ath-

letic Club last weekend at Key West was postponed due to the recent hurricane.

Last season Lejeune won over Lee 31-8 to obtain their first victory of the season, after suffering four straight defeats.

Coach Horn and his assistants have been devoting their practices (all under lights) primarily to offense. The coach was satisfied with last week's display of defense. The strong defensive line allowed the "Screaming Eagles" only 68 yards rushing and 34 through the air.

Expected to repeat their performances on the line tomorrow night are guards Jerry Smythe and Jim Winebrake, tackles Ron Cherubine and Sam Thornton, along with ends Joe Losack and Dave Stecchi. Filling the center slot will be either Ed Craig or Dave Gann.

Martin Klein and Vince Cesare will alternate at the field general position again Friday night. Klein in his first offensive quarterbacking of the season Saturday, completed four passes in nine attempts good for 38 yards and suffered one interception. His longest completed pass was good for 15 yards and a touchdown, to Joe Losack.

Cesare, not up to par with his throwing arm, hit only two out of 11. Vince also suffered one interception, and completed one touchdown pass good for 19 yards to Tom Sacramone.

All-Marine halfback Mel Anderson led the field in the rushing column Saturday, rolling up 73 yards, averaging 8.1 yards per carry. Speedster Jim Green in his first offensive play of the season, racked up 27 yards and averaged 3.4 yards per carry.

Lejeune's next home game will be Oct. 15 when they meet the "Devildogs" from San Diego at 10 a.m. on Liversedge Field.

Mass., where he was named All-American in 1953. From Lowell Dave went on to Holy Cross where he was selected All-East and All-New England in 1958.

**TOUCHDOWN!**—Lejeune end Joe Losack (No. 84) succeeds in getting by the "Screaming Eagle" secondary to haul in a pass from Vince Cesare for the second touchdown of the day. The Marines rolled over the paratroopers from Ft. Campbell, Ky., 16-0, Saturday. (Photo by Gysgt. S. A. Harris)

## Marines Roll Over 'Screaming Eagles'

Eight fumbles and a bad pass from center cost the Screaming Eagles of Ft. Campbell, Ky., another loss Saturday as the Camp Lejeune Marines capitalized on breaks for an easy 16-0 win before 5,000 fans at Liversedge Field. The Eagles now have a 0-3 record for the season, having lost earlier encounters with Eastern Kentucky College and the Quantico Marines.

The first Marine threat started early in the third quarter when Army quarterback Wayne Larson fumbled on the Eagles' 36 and Mel Anderson recovered. In three plays Lejeune could only move the pigskin to the 32. From there Chuck Rix missed his first of three field goal attempts of the day.

Again after only 10 minutes of the quarter the Army gave the Marines the ball on the Army 22 when guard Jim Winebrake recovered a fumble by Eagle fullback Augustus Barnwell. After All-Marine halfback Mel Anderson carried to the 19, Lejeune's 147-pound quarterback Vince Cesare threw to fullback Tom Sacramone to mark the first score of the game. Rix hit the mark for the one pointer, setting the score at 7-0.

Lejeune attempted their second field goal following another Army fumble by Barnwell. Center Dave Gann again recovered for the Marines on the Army 32. Tom Sacramone moved to the 31 with Cesare throwing three incomplete passes. Again Rix missed the three points.

Defensive quarterback John Copenhaver started the final Marine drive of the first half, receiving a punt on his own 13, returning it to the Army 39. Using eleven plays Lejeune moved downfield to the Eagles' eight-yard line. Stymied at that point Rix was called in again and missed his third field goal attempt and the score stood 7-0 at the half.

The second half started with Lejeune being penalized five yards on the kickoff for being offside. On his second attempt Ben Chitko booted the pigskin to the Army 32. The soldiers then travelled 55 yards to the Marine 13 where a fumble by Burkhalter was recovered by Marine Jim Green. The leathernecks were on the march again, moving 87 yards for a touchdown.

Sparking the Marine drive were runs by Anderson for 30 yards and Green for 20. With the Army defense starting to hold, Joe Losack faked a punt and passed to end Dave Stecchi on the 17 for a first down. Three plays after Losack snowed the Army with his surprise pass, Klein hit Losack in the end zone for the second six-pointer of the day. Again Rix made the boot

good for the one point.

Leading 14-0 after 14 minutes of the third quarter, Lejeune again capitalized on the Army mistakes, when Anderson and Losack trapped Cerio in his own end zone after a bad pass from center for a two-point safety, making the score 16-0.

The fourth quarter saw the two defenses holding their own in a back-and-forth battle. The deepest penetration by either squad was the Army moving to the Marine 18-yard line, only to have a pass from Mike Dyer intercepted by Tom Sacramone on the 20-yard line, returning it to the 30. The Leathernecks had the ball on their own 37 when time ran out.

The Marines managed 144 yards on the ground and passed for 94 while holding the Paratroopers to 68 rushing and 34 through the air. This was Lejeune's second meeting with Fort Campbell. The Army team powered over the Marines last season, 36-13.

## Coaches' Choices Named At Quarterback Meeting

The Camp Lejeune Quarterback Club met for the third time Tuesday at 11:30 a.m. in the Steak House of the Camp Cafeteria to view the movies of last Saturday's shut-out over the "Screaming Eagles" from Ft. Campbell, Ky. As a result of Saturday's game, Coach Denis Horn and his assistants picked halfback Jim Green as the outstanding back of the week and end Dave Stecchi as the best lineman.

This is Green's first season with Camp Lejeune. Last year Jim played with the 3rd Division, where he was named Outstanding Player of the Year and selected as a member of the All-Star team. Having no college experience, Jim got his start on the gridiron at Oyster Bay High School, New York, where he was named Athlete of the Year in 1957.

Stecchi, also in his first season with Lejeune, was a member of the undefeated Quantico squad last year. Dave started playing football at Lowell High School, Lowell,

### Basketball Clinic

A Basketball Coaches Clinic will be conducted in the Goette Memorial Field House Saturday, Oct. 8. The clinic will be broken up into two meetings with the first being at 9 a.m. till noon. Those not able to attend in the morning will have a chance from 2 p.m. till 5 p.m. Conducting the clinic will be Mr. Vic Bubas, head basketball coach of Duke University, along with his assistant, Mr. Fred Schnabel, and Duke's freshman coach, Bucky Waters.

All area coaches and interested fans are invited to attend the meetings. The coaches from Duke will hold lectures on offensive and defensive plays. Films demonstrating the various offensive and defensive plays will also be shown.

# Force Troops vs. Cherry Point Tonight!

## Complex Football Begins Third Week Of Grid Battle

The 2nd Division's Group II, Sixth Marines, and 2nd Wing Headquarters Group football teams racked up impressive wins the Lejeune-Cherry Point Intramural Football League's second week of play. The Group II eleven swept past Force Troops 14-0, Wing Service Group 17 romped to an easy 26-0 triumph over Marine Air.

Group 26 and the Tenth Marines outlasted the Air Facility, 19-12.

Group II, a pre-season favorite for the loop title, was hard-pressed in its first encounter. The Raiders survived a shaky first period and took the lead in the second period on a plunge by Tom Reeves. Bill Smith split the uprights for the final win of the campaign. Force Troops is the defending Quad-Com-plex champs.

In a game played at Cherry Point between two Point teams, the Wing Service Group 17 combined power, speed and deception, to sample a game but outclassed AG-26 team. The "Flying Box-

cars" scored once in the first quarter, twice in the second quarter and added their final tally in the fourth period.

Nels Osgby, Boxcar quarterback, scampered 37 yards around end for the first tally on the sixth play from scrimmage. Their second score came when Eric Weland fell on a MAG-14 fumble in the end zone in the opening minutes of the second quarter. Ernie Humphries scored the third touchdown when he plunged six yards late in third quarter. Dick Bishoff kicked the extra point to make it 19-0. Service Group's final points came in the closing minutes of the game when Ed Billingsly scampered 23 yards around right end and crossed the goal line standing up. Bob Rogers booted the extra point.

The Tenth Marines ran into a rebounding Air Facility eleven and managed a 19-12 victory. Bill Nutter gathered in a 15-yard pass from quarterback Tom Oswald early in the second quarter for the only first half score. Joe Muluski plunged over from the one for the Tenth's second score. Oswald kept the pigskin and sneaked over from six yards out to cap the Tenth's scoring for the evening.

Behind 19-0, the Air Facility stormed back into contention with a 20-yard scoring toss from quarterback Herb Mehling to end Bill Henry in the opening minutes of the fourth quarter. On the final play of the game Mehling went over from the four-yard line. Both Air Facility tries for point after failed.

Games played Tuesday, with results not available at presstime, pitted the Service Group 27 aggregation against Group II and the Sixth Marines against MAG-14.

Tonight Wing Headquarters Group plays host to Force Troops at Cherry Point. Tuesday night Service Group 27 hosts the Sixth Marines at Cherry Point while Force Troops visits the Air Facility. Wednesday evening Group II will entertain Wing Headquarters at Camp Lejeune. All games start at 7 p.m.

**LONG GAIN**—Tenth Marines quarterback Tom Oswald rips off a long gain during the Cannoneers' 19-12 victory over the Air Facility last Thursday. The Tenth Marines staved off a desperate Air Fa-

cility rally in the last quarter to chalk up their initial win in the Lejeune-Cherry Point complex football league. (Photo by MSgt. W. V. Brown)

## Lejeune Bowling Results

After losing four points the first week, Gulfpride Service came back to win 15 out of 15 and move to Staff NCO Wednesday night league.

Present plans call for the league to bowl every Friday night at 6:15 p.m. and 8:30 p.m.

Officers' League bowling action last week saw the Force Troops kegglers come within one point of the league-leading Lucky Five as they downed the 2nd Motors team, 3-1.

It was the Lucky Five over the Molars, 3-1, while the Serpents blanked the Wrench Twisters.

The MCSS five took three from the Blockbusters as the Shufflers downed the Pioneers 4-0 and the

Salty Warriors did the same to the Engineer School kegglers.

The Salty Warriors took both high team game and high team series with scores of 972 and 2,776, respectively.

Officer Bowling League standings are as follows:

	W	L
Lucky Five	18	2
Force Troops	17	3
Shufflers	17	3

## Lejeune High Clashes With Pirates Friday

After suffering their second shutout in a row last Friday, the Camp Lejeune Devilpups have been burning up the scrimmage field all week in preparation for their tilt tomorrow night with the Swansboro Pirates at Swansboro.

The Seadogs from Beaufort demonstrated their championship capabilities last weekend as they rolled over the Devilpups 18-0.

Last year the Devilpups handed the Seadogs a 15-7 defeat to ruin a perfect record. Since Lejeune is an independent, it did not affect the Seadogs' standing as they took the Class "A" Championship.

Beaufort completed four of six passes good for 32 yards and rolled up 174 yards on the ground good for 12 first downs. Lejeune connected on three of seven aerials for 25 yards while rushing for 59 yards and three first downs.

Tomorrow night the Devilpups will meet with a big line and two outstanding pass receivers at the end positions. Swansboro quarterback Mike Miller, according to the Lejeune coaches, is about 90 percent of the opponent's team. Mike, a versatile quarterback, likes to hit end Fred Wiggins who stretches out his six-foot, four-inch frame to snag their favorite jump pass.

The Devilpups will be at full strength tomorrow night and are hoping to change their present luck as well as repeat last year's performance. Last season the Pirates fell to the Lejeune eleven 20-7. The one major change in Lejeune's starting lineup is Vern Whitten filling the center slot.

Returning home next weekend the Devilpups meet Bladenboro High on the intramural field at Camp Lejeune. Game time is set for 8 p.m.

In the Paradise Point Women's Bowling League last week, the Exploders took three from the Bowleggers. Nancy Carroll, 142, and Margaret Suits, 368, led the winners in high game, high series, while Bev Nice, 169, and Eva Lee Pearson, 387, took honors for the Bowleggers.

It was the Blanks over the Navymars, 3-1, as Anne Sherbondy took honors for the winners with scores of 158 and 426, while Charlotte Rasmussen led the Navymars with 154 and 437 tallies.

The Gutterdusters came out on top in their clash with the Echoes, 3-1, with Lee Riley leading the victors in high game, high series with scores of 176 and 455. Windy Belden, 162, and Peggy Fenstermacher, 391, shared honors for the Echoes.

It was the Underdogs over the Sun Shine Gals, 3-1, as Maryellen Berling rolled 172 and 507 scores for the winners, while Billie Cox cornered the high bowling market for the "Gals" with 146 and 402 tallies.

The Lacy Aces stung the Guidons, 4-0, as Wynn Yetter rolled 166 and 424 for the "Aces" and Jackie Fassler, 133, and Jo De Schuytner, 354, took honors for the Guidons.

The Pin Poppers and the Safety Pins split their series with Joyce Talley and Lucille Faw taking high game, high series for the "Poppers" with scores of 143 and 413, respectively. Kitty Ward led the "Pins" with 181 and 457 tallies.

In the New River Newcomers League, the Pinsters split their series with the Alley Dusters as Evelyn Drennen led the Pinsters with scores of 157 and 367. Mary Jane Nacrelli came home for the "Dusters" with 158 and 411 markers.

The Heidi-His rolled over the Rolling Pins, 4-0, as Virginia Macklin led the winners with scores of 133 and 387. Barbara Wyatt came home for the "Pins" with markers of 150 and 351.

## Rod And Gun Club Meets At Pavilion

The Rod and Gun Club will hold its next monthly meeting at Mars-on Pavilion Tuesday, Oct. 11, at 7:30 p.m. Main topic for discussion at this meeting will be organized deer hunts. Other featured items of interest to sportsmen will be discussed later.

Members who have membership cards or money from the sales of cards are requested to bring unold cards and money to the meeting.

Examinations for hunting permits for hunting on the Base will be held immediately following the meeting. Examinations for Base hunting permits will also be held at 1:30 p.m. on Oct. 11, 18, and 25 at Marston Pavilion.

## Current Soviet Maneuvers

(Second of a Series)

Whereas other governments in the world are mainly preoccupied with their own interests, the Soviet Government devotes an enormous amount of its time to the rest of the world. Its attitude toward the United States and our allies is militant, its strategy that of sowing dissension, breaking up coalitions, and isolating the United States.

The Soviets probably judge that fear of nuclear war and a yearning throughout many nations for a respite from world crisis all give the Soviets a chance to throw their weight around internationally without the danger of armed conflict. They are establishing themselves in peoples' minds as a group to be respected and feared. But even there they are acting with calculated caution.

In events like the Anglo-French invasion of Egypt, the Turkey-Syria crisis, the Lebanon situation, the U-2 affair, the Congo anarchy and Cuba, the Soviets have made their threats almost as soon as they have learned that the Western powers were about to refrain from acting or not follow through. Thus, the Soviets have fostered the impression—actually accepted in many areas—that their threats saved Egypt, frightened Turkey, caused the United States to pull out of Lebanon, stopped the U-2 flights, kept the United States out of the Congo and prevented a United States invasion of Cuba. For the Soviets this has the value of convincing the nations of the Free World that the United States is a receding power—at the very least a power that will not and cannot be relied on. (NavNews)

## Force Troops Hold Dance For UF Drive

What's your dancing pleasure? Whether it be a good old fashioned hoe-down, or tripping the light fantastic to some good slow ballroom rhythm, you can find either style at the United Fund Drive Dance sponsored by Force Troops. The dance will be held in Marston Pavilion Oct. 14 from 8 p.m. till 1 a.m., and will feature the music of the Town and Country Playboys and the Pastels. For those who prefer western music the Town and Country Playboys, a six-piece western band under the direction of CWO Amos C. Cochran will be swinging it out.

**TICKETS FOR TWO**—The first tickets sold to the Force Troops United Fund Drive Dance to be held Oct. 14 in Marston Pavilion are sold to SSgt. and Mrs. Alvah M. Crutchfield. All proceeds from ticket sales for the dance will go to the United Fund Drive. In keeping with the drive, now in progress, three companies of the 1st Bn., 1st Infantry Training Regiment, exceeded their quota in the first week of the Camp Lejeune-Onslow County United Fund Campaign. ## Guide Is Published On Political Activity

Policy of the Marine Corps as to political activities of individual Marines is announced in Marine Corps Order 1742.5.

Individual Marines may express their political opinions privately but may not participate as political managers or make campaign speeches for any candidate for public office. A Marine will not solicit votes or in any way attempt to influence others in making their political choice.

If the public nominates a Marine as a candidate for a public office, he may accept the nomination but he will not make any efforts to win the votes of the people as long as he is on active duty.

If elected to a public office, a Marine must resign, accept a Consequence of the Government Discharge, or go on inactive duty before he accepts the office.

A Marine may be discharged for the purpose of performing the duties as President of the United States, Vice President, Governor, or member of a legislative branch.

## Division Host To FMFLant Rifle-Pistol Matches Here

Over 50 shooters from five commands began firing in the 1960 Fleet Marine Force Atlantic Rifle and Pistol Intramural Championships at the Camp Lejeune rifle range last Tuesday. Teams representing FMFLant, Norfolk, Va., 2nd Marine Air Wing, Cherry Point, 2nd Division, Force Troops and 2nd Force

## MC Schools Establishes G-2 Studies

Assume for a moment that you are a member of a landing force which has just been alerted for an amphibious assault against VEPROVALOVSK.

It makes little difference what your duties might be, you would still need a great deal of information concerning the area, and the enemy to be found there in order to carry out these duties in an efficient manner.

Where is it? What's the weather like? Where can we land helicopters? How many troops are there? Are there suitable landing beaches? What type of terrain will we encounter? Individuals, troop leaders and staff members alike will be directly affected by the answers to these and many other questions.

Providing the answers for these and similar type questions is the responsibility of the intelligence organization, which includes staff representation at battalion and squadron levels up through every echelon to the highest governmental agencies in Washington.

Modern tactics place great emphasis on small unit and individual actions, including intelligence and counterintelligence procedures. Therefore, it is essential that all members of a unit have a thorough understanding of how intelligence is produced and how it may be used in accomplishing a mission.

The Marine Corps Extension School's curriculum for the Officers Basic, Junior and Senior Courses include the study of the collection of information, and development of intelligence. Eligible officers and staff noncommissioned officers, see your education officer and enroll today, to gain a better understanding of intelligence procedures in this age of swift, mobile, warfare.

## New Metal Insignia Available Next Year

Insignia, grade, metal, with crossed rifles will not be available through supply channels before March, 1961, according to Marine Corps Order 10120.18A.

Old style metal chevrons will continue to be issued for use by all enlisted Marines until a stock of new chevrons is available.

First sergeant's insignia with a diamond in the center is available at the Self-Service Clothing Store as it remains the same as the old style.

According to a representative of the Marine Corps Exchange, new rank structure chevrons for all grades may be purchased at the Exchange now.

## Fleet Reserve

(Continued from Page 1)

the FMCR at least five months prior to the scheduled sailing date of the battalion.

Exceptions to this policy will be made for bona fide hardship cases or where transfer to the FMCR is in the best interest of the Marine Corps. Commanding officers will send a letter to the Commandant in the case of a hardship.

The order is not applicable to personnel who have over 27 years of active duty and wish to retire.

Service Regiment, all from Camp Lejeune, are entered in the first annual shoot. The 2nd Division is host for the matches with Capt. J. F. Milligan serving as match executive officer.

Tuesday's action began with preliminary firing in the .22, .38 and .45 caliber pistol competition with match finals scheduled for Wednesday. M-1 rifle preliminaries are being held this morning with the finals scheduled for tomorrow morning. Prelims in the .22 rifle competition will commence this afternoon with the finals tomorrow afternoon. The public is invited to attend all matches.

Designed to provide new shooters for Marine Corps match competition, the FMFLant championships feature shooters with little or no competitive shooting experience. Seasoned match veterans are not allowed to compete.

Fifteen trophies will be presented in each division. The winning team will receive seven, second place six and the individual winner and runner-up one each.

Lt. Gen. J. C. Burger, commanding general, FMFLant, is expected to be on hand Friday afternoon to present individual awards to the winners.

## Seabees Will Arrive Oct. 10 For Training

Navy Reserve Mobile Construction Battalion-7 from Davisville, R. I., is scheduled to arrive at Camp Lejeune next Monday to undergo six weeks of intensive training.

The Seabees will receive one week of rifle, BAR and pistol marksmanship training at the Rifle Range, in which all hands will participate.

Next on the schedule will be two weeks of training in individual combat conducted by JTR. Most of the Reserves will receive this training except for a few who will attend Field Mess and Cooking Course at the Marine Corps Supply School.

The final week of training will end in a battalion in defense problem with aggressors giving the CBs a bad time.

The overall training will be supervised by the Base G-3, with JTR acting as on-spot coordinator as the CBs will be billeted at Camp Geiger.

The battalion is composed of 600 officers and 350 enlisted and will be combat ready after their six weeks of training here.

The Seabees began training with the Marines when the Commander, Construction Battalions, Atlantic, became concerned about the ability of the battalions' personnel to defend themselves in the field and especially as a part of a Marine Task Force in action.

The Commandant of the Marine Corps authorized the training of the CBs in individual combat and also authorized the use of Marine Bases and training areas for this use.

If you are a leader of men, the Marine Corps needs you. Our readiness to fight and our efficiency in combat depend upon effective, aggressive leadership. In camp as in combat we need trained leaders. In return the Corps offers you an honorable and interesting career in the world's proudest fighting organization.

## Talent Wanted

If you play an instrument, sing, dance or possess any type of talent, contact Sgt. Clarence J. Jackson, at 7-3242, during working hours. Any volunteers will appear in a talent show at the Base Theater in the near future.

**VIEQUES ISLAND MISSION**—Gifts of clothing are sent at least twice a year to the children of the Vieques Island Mission by the ladies of the Camp Lejeune Protestant Women's Guild. For 10 years

the mission has been supported by the Guild and the Marines at Camp Garcia. This is the main project of the Guild.

## Lejeune Guild Supports Mission In Vieques, P.R.

For nearly 10 years, the ladies of the Camp Lejeune Protestant Women's Guild have been the major support of a small Methodist Mission on the island of Vieques. Gifts of money and clothing are sent the underprivileged children in the town of Isabela Segunda. The mission is run by Rev. and Mrs. William Gerrard. Money from the Women's Guild helped start a model farm which the Gerrards are using to show the people of the area how to grow

crops for their own use.

Clothing for the children and adults of the mission is collected at least twice a year and sent to the island with the chaplains of the 2nd Marine Division detachments serving at Camp Garcia.

The mission conducts services at the Camp for the Marines and also runs a USO next to the chapel building.

Protestant women of the Camp Lejeune area are invited to join the Guild in their work. Interested parties may call Mrs. Joyce Pelen, 6-6641, for further information.

### Books Needed

Anyone desiring to donate pocket books to the U. S. Naval Hospital for use in the Gray Ladies' Library Cart is asked to contact Mrs. C. F. Keister at base extension 6-6672 or drop them off at her home, MOQ 3315.

## Midway Park, Staff NCO Wives Clubs Welcome Lejeune's Newcomers At Tea

Two more of Camp Lejeune's wives clubs began their fall social seasons this past week. Midway Park Wives Club held its "Welcome Tea" in the Midway Park Community Center last Thursday afternoon. Mrs. D. R. Womack, president of the club, introduced Chaplain Richard M. Tipton, Midway Park chaplain, who gave the invocation. Mrs. Womack then introduced the other officers, Mrs. C. J. Anderson, vice president, and Mrs. Martha Johnson, secretary. Mrs. Womack welcomed new members of the club, and told them about some of the club's activities. Tea was served by the Refresh-

ment Committee chairman, Mrs. Betty Skinner, and Mrs. Rita James, chairman for the tea.

Special guests included officers from the Knox Trailer Park Wives Club, Geiger Trailer Park Wives Club, and Staff Wives. Also present were Mr. J. T. Heavey, manager of Midway Park Housing, and USO representatives, Mrs. Alice Hill and Miss Jane Geagan.

Thursday evening, the Camp Lejeune Staff NCO Wives held its "Welcome Tea" at the Tarawa Terrace Community Center. Special highlight of the evening was the installation of Mrs. Roger Slayton, wife of the base sergeant major, as honorary president. She is the first person to hold this office.

After a brief speech by Mrs. Chester Baldyga, vice president, telling the new members a little about the club and its activities, Mrs. Walter Wolfe entertained the ladies with several solos.

Tables showing the various activities were set around the room. Information on the Thrift Shop, Navy Relief, Christmas Cards and the Staff Wives Cookbook, were all made available to the new members.

Mrs. Robert Kristoff, president of the club, extends an invitation to all wives of staff NCO's to join them at their meeting today, and help make this a successful year for the club.

# Business Women Of U.S.A. Are Honored

"Symbol of the Sixties—More Women at Work," is the theme of the 1960 National Business Women's Week Oct. 2 through Oct. 8. National Business Women's Week is set aside yearly to pay tribute to women in business and professional life, in recognition of their contribution to the community,

state and nation. The Onslow

County Chapter of the National Federation of Business and Professional Women is one of the more than 76 individual chapters consisting of over 3,300 women in North Carolina alone. On the national level there are 175,000 members in 3,495 clubs scattered across the 50 states, District of Columbia, Virgin Islands, and Puerto Rico.

The aim of the organization is to elevate the standards of the working women of the nation.

Locally, the club's outstanding project is a "Sick Room Loan Closet." Personnel, either military or civilian, may borrow crutches, wheel chairs, or other sickroom necessities at no charge.

Fourteen members of the Onslow County Branch presently are civil service workers on the base. They work in the Base Materiel Battalion, Naval Hospital, Air Facility, Provost Marshal's Office, Legal Office, and many other offices on the base.

Any women interested in joining the organization are invited to the monthly meetings, held the third Tuesday in each month at the Rex Restaurant in Jacksonville.

## 'Mrs. Santa' Lends Hand To Hubby's Favorite Projects

Mrs. Mayetta Levasseur, wife of the Marine "Santa Claus", has her share in the work too. Her specialty is the doll project.

These dolls are repaired by her husband in his workshop or at home. Then Mayetta cuts and stitches small dresses, coats and even shoes for them.

Mrs. Levasseur's biggest problem is to keep up her supply of scrap material with which to make the clothes. Material of all kinds and colors are needed badly to help "Mr. and Mrs. Santa Claus" make this a Merry Christmas for the needy children in the area.

Persons wishing to help them may contribute yard goods, muslin, satin, yarn laces or any other type of material that might be used to dress the dolls. Sergeant Levasseur will be happy to pick the materials up, or they may be delivered to his workshop in building 1402. He can be contacted by calling extension 7-5772.

## Activities Calendar

### OWC Coffee 'n' Confusion

The Coffee 'n' Confusion group of the Officers Wives Club wishes to remind all Junior officers' wives of the Fall season opener, "Campaign Kick-Off" on Friday, Oct. 7, 1960, at 10 a.m. in the River Room of the Paradise Point Officers Club.

### OWC Group VI

The next meeting of the Group VI Wives will be Oct. 12, at the Paradise Point Club. Guest speaker for the meeting will be Mrs. J. P. Berkeley, who will give a brief description of the living conditions in Haiti. Members are asked to bring at least one item of clean summer clothing to be sent to the people of the island.

Members who are not contacted personally, may make their reservations by calling Mrs. Armstrong, Jax 5150, Mrs. Calder, 6-6609, Mrs. Harris, Jax 6980, or Mrs. McMath, Jax 9827. All reservations or cancellations must be in by noon, Oct. 11.

### OWC Group

"Come as a Song" is the theme of the Oct. 13 luncheon of Group I of the Officers Wives Club. The meeting will begin with a social hour at 11:30 a.m. All ladies are asked to attend dressed to suggest song titles. Prizes will be awarded to the most unusual, the most attractive and the most amusing get-ups. Reservations or cancellations for the luncheon should be made before noon, Oct. 12, by calling one of the following: Mrs. W. J. Longshaw, 6-6401; Mrs. G. F. Kimmel, 4-4348; Mrs. H. P. Webb, 6-6473; Mrs. G. M. Olzewski, 6-6456, or Mrs. H. H. Bloom, Jax 7593.

## Midway Park

Midway Park's "Mis-Leading Fashions," previously postponed by Hurricane Donna, will be presented tonight at 7:30 p.m. in the Midway Park Community Center.

Bob Bonjarno, RCA Victor recording star, will play as part of the entertainment, and the Emblems, a local group appearing with the Pastels, also will be on hand.

Tickets for the feature will be on sale at the door for 50 cents per person; so come along and enjoy the time of your life as the husbands of Midway Park spoof ladies' fashions.

**HONORARY PRESIDENT INSTALLED**—Mrs. Roger Slayton, wife of the Base sergeant major, receives her gavel and club pin from Mrs. Robert Kristoff, Staff Wives Club president. Other officers attending the tea were: Mrs. John C. Vagass, recording secretary; Mrs. Dale Rogers, treasurer; Mrs. Slayton; Mrs. Kristoff; Mrs. Charles Buess, corresponding secretary, and Mrs. Chester Baldyga, vice-president. (Photo by LCpl. R. I. Lappeus)

**MIDWAY PARK WIVES**—New and old members were greeted at Midway Park Community Center by the officers of the club. Mrs. Betty Skinner, refreshment committee chairman; Mrs. C. J. Anderson, vice president; Mrs. Martha Johnson, secretary; Mrs. D. R. Womack, president; and Mrs. Rita James, hostess for the tea, begin the serving line. (Photo by Cpl. L. T. McKean)

## Base Troops Lead In Fund Contributions

With the second week of the United Fund Drive over, progress reports indicate Marine Corps Base has taken the lead with contributions totaling \$7,935.39, or 28 per cent of its assigned goal of \$28,000. These figures were furnished by Lt. Col. Warren G. Hopkins, chairman of this year's drive.

Within other major commands, Division reported \$2,270.61, or seven per cent, and Force Troops, \$1,026.85, or eight per cent. The Infantry Training Regiment has contributed \$4,850, or 73 per cent of its assigned goal of \$6,585. Companies "B," "C," and "E" of the 1st Battalion have exceeded their quotas during the first week of the drive. At present no reports have been made by Marine Corps Air Facility as to its progress on the drive.

The campaign provides funds this year for eight different charitable and welfare organizations. Participating agencies are: The American Red Cross; Onslow-Camp Lejeune Chapter for Retarded Children; Camp Lejeune-Onslow County Boy and Girl Scouts; Emergency Relief Fund; Carolina United Services; Onslow County Hospital Auxiliary; Salvation Army; United Jewish Appeal for Refugee Relief; and the Jacksonville Rescue Squad.

The Red Cross has joined the United Fund this year, thereby eliminating one drive for solicitation of funds.

The United Fund Drive will receive a shot in the arm by a dance being sponsored by Force Troops at Marston Pavilion Oct. 14. Dancing music will be furnished by two local bands who are donating their services for this worthy cause, and all the proceeds from the dance will go to the United Fund.

## New Classes Help Alien Servicemen Obtain Citizenship

Classes in the history of the United States, the U. S. Constitution, Federal Government and the English language have been established at Camp Lejeune to help aliens and their dependents acquire knowledge necessary to pass naturalization examinations.

Classes in government will begin Oct. 20 and will be completed on Feb. 2, 1961. English classes will be conducted from Oct. 17 to May 29, 1961.

Regular classes will be held at the Base Education Office, Camp Theater, on either Monday or Thursday evenings from 7 to 9:30 p.m.

Free textbooks will be issued to the students but each student must furnish his own writing paper and pencils.

Armed Forces personnel at Camp Lejeune may attend these classes when recommended by their commanding officers. If the commanding officer thinks the individual concerned may accomplish more through individual study, then the prospective student should contact the Base Education Office for the home study course in citizenship which may be checked out by personnel preparing for naturalization.

## Last Sunset Parade

The final Sunset Parade of the 1960 season at the Marine Barracks, 8th and Eye Streets, S. E., will be conducted Friday afternoon, October 14, at 4 p.m. Due to a revised program, the parade previously scheduled for October 21 and 28 and November 4, will not be held.

Barracks noncommissioned officers will conduct the final parade, which will be open to the public. Unreserved seating will be available on the barracks grounds beginning one hour before parade time.

**CHANGE OF COMMAND**—Old and new commanders of Marine Aircraft Group-26, Marine Corps Air Facility, are joined by their wives at a formal banquet held in their honor following change of command ceremonies held last month at New River. Left to right are, former group commander Col. and Mrs. John R. Bohnet, Mrs. Johnston, and Col. Paul T. Johnston, the new MAG-26 "skipper."

## 2nd Bn., Second Marines, Returns To Full Strength

A battalion of the 2nd Division was formally reactivated during ceremonies here Sept. 30. The 2nd Bn., Second Marines, was previously cut to a nine-officer, 90-man cadre strength as a result of the Marine Corps manpower cut-down. Although the 2nd Battalion has been receiving personnel in an input status since Sept. 1, no formal reactivation ceremony was held until last Friday. The Commandant of the Marine Corps directed the reactivation on Sept. 1 in order to have another full-strength Battalion Landing Team in the 2nd Division.

At the ceremonies, Lt. Col. F. F. Eubanks Jr., battalion commander, presented his new company commanders with their company guidons, thereby formally reactivating the battalion.

Taking his post as the new battalion sergeant major was Sgt. Maj. H. L. Akin Jr. He relieved Sgt. Maj. Luther J. Roach, who retired after 20 years of active service with the Marine Corps.

Colonel Eubanks presented Sgt. Maj. Roach with his orders for retirement and relieved him of duty as sergeant major.

## Col. Joslyn New Bn. CO

Lt. Col. William G. Joslyn assumed command of the 1st Bn., Sixth Marines, 2nd Marine Division, at ceremonies held last Friday at the Area 1 Service Club. He relieved Lt. Col. George Codrea who will be reassigned as Regimental Executive Officer, Second Marine Regiment.

Present at the ceremonies were Gen. and Mrs. Edwin A. Pollock (Ret.), Maj. Gen. and Mrs. James P. Berkeley, commanding general of the 2nd Marine Division, Brig. Gen. and Mrs. Odell M. Conoley, assistant Division commander, and officers and staff non-commissioned officers of the Sixth Marines.

Holder of the Bronze Star for action against the enemy in Korea, Colonel Joslyn joined the Sixth Marines from the 2nd Division Headquarters where he held the duties as Division Plans Officer.

Entering the Marine Corps in April, 1942, the colonel served as an enlisted man until July, 1943, when he entered the V-12 program and received a commission as a second lieutenant in April, 1944.

A native of San Francisco, Calif., Colonel Joslyn is married to the former Miss Barbara R. Williams of San Francisco. They have three children, William 13, Gwyneth 12 and Elizabeth, 10 months. They reside at MOQ 2321, Marine Corps Base, Camp Lejeune, N. C.

## Colonel Paul T. Johnston Takes MAG-26 Command

Col. Paul T. Johnston assumed command of Marine Aircraft Group-26 at the Marine Corps Air Facility, New River, relieving Col. John R. Bohnet, Sept. 23. Colonel Johnston was born in Omaha, Neb., Jan. 22, 1918, and received his education there. Joining the Marine Corps on May 31, 1940, where he was commissioned a second lieutenant, he first saw action at Pearl Harbor during the famous Japanese attack on Dec. 7, 1941, while stationed aboard the USS Nevada as the Marine detachment's commanding officer. He participated in the invasion of Iwo Jima.

## Gray Ladies Classes Will Begin Oct. 17

On Monday, Oct. 17, at 9 a.m., training classes for Red Cross Volunteers will begin at U. S. Naval Hospital. This date combines the required courses of both groups working in the hospital at present, Staff Aides and Gray Ladies.

Red Cross Staff Aides with Mrs. A. F. Lucas as the chairman, are currently serving in the Dependents' clinics as receptionists, making appointments and registering the out-patients attending the clinics. The volunteers help to relieve professional staff to enable them to carry out their own duties which volunteers are unable to do.

Ladies who are interested in this type of volunteer work may contact the chairman, Mrs. Lucas, at telephone 6-6135, Camp Lejeune.

Red Cross Gray Ladies, with Mrs. J. A. Witherspoon as chairman, work directly with the professional Red Cross staff assigned to the hospital. Their services help the staff to extend itself to give more and varied services to patients within the hospital. They work through the two departments of Social Service and Recreation. After the classes each volunteer is able to select the area of work in which she feels she is most interested and best qualified to serve.

Gray Ladies do such work as personal services for patients, distribute library books to the wards, teach art and crafts, and direct a variety of activities through the recreation program. Application for the course must be filed during the week of October 10 and interviews made on Oct. 11, 12 or 14.

The Gray Lady course is 15 hours long and will run from 9 a.m. to 2:15 p.m. on Oct. 17; from 9 a.m. to noon on the 19th, 21st, 24th and possibly a while on the 26th.

For requesting applications or details, interested people may contact Mrs. Witherspoon at 6-6638, Camp Lejeune.

In the event neither Volunteer chairman is available, calls may be made to the U. S. Naval Hospital Field Director at 4-4332.

## Fishcat, Catfish? ... You Name It!

A young Huck Finn went fishing and caught a cat.

Nine-year-old Larry James, Jr., son of SSgt. Larry James, 204 Banks St., New River, came home last week with a whale of a catch—a three-inch pinfish from a creek behind his house.

After proudly displaying his catch to his parents, young Larry put his fish, still on the hook, in the family garage. Shortly thereafter the boy's father was attracted to the garage by a loud commotion. There he found that Larry had made his second catch of the day—the family cat.

Wire-cutters successfully removed the hook from the cat's jaws and at last report the feline was in fine fettle but depending strictly on cans as the source of its food.

## Force Troops Takes Rifle-Pistol Awards

Since the unit was formed on a permanent basis last January, the Force Troops Rifle and Pistol Team has won many trophies and medals for their outstanding shooting.

The team has accumulated 210 individual pistol trophies and 16 rifle awards and at the present time the team is participating in the 15th Annual Park Police Match at Washington, D. C.

The shooters will go against some stiff competition when they participate in the Fall Tobacco Pistol Championship at Kinston from Oct. 21-23.

Capt. A. B. Thompson Jr., team coordinator, said, "Team practice with the .22 caliber rifle will move indoors for winter training in preparation for the Eastern Division Matches next year."

Also on the agenda are inter-unit matches including one service rifle and pistol match and three .22 caliber rifle and pistol matches per quarter.

This program is designed to create interest and introduce new shooters to the match program.
