

## Korean Bill Is Applicable To Career Men

Under the provisions of the Veterans Readjustment Act of 1952, Korean veterans are authorized education and training at government expense for a period equal to one and a half times the veteran's active service, according to Marine Corps Order 1760.3. This active service must have taken place from June 27, 1950, to the date of first separation after Jan. 31, 1955, up to a maximum of 36 months.

Such education, the act states, must commence within three years following the first "unconditional" discharge or release after Jan. 31, 1955.

An "unconditional" discharge or release from active duty is a discharge which relieves the recipient from any obligation for further continued service. A "conditional" discharge or release is a discharge or release from active duty which does not relieve the recipient from any obligation for further continued active service.

Eligible veterans must begin their education or training within three years after discharge or separation.

For persons who were on active duty on Jan. 31, 1955, the three-year period begins on the date of their first "unconditional" discharge or release from active duty after Jan. 31, 1955.

Under the act, education and training for veterans separated on or before Jan. 31, 1955, must come to an end not later than Jan. 31, 1963.

For veterans separated after Jan. 31, 1955, the deadline for finishing education or training is Jan. 31, 1965, or eight years from the date of separation, whichever is earlier.

Thus career personnel planning to apply for these same benefits should request discharge prior to expiration of obligated service for immediate reenlistment so as not to be penalized by eligibility requirements.

Club will present two parachuting demonstrations, at 10 a.m. and 2 p.m., above the Camp Parade Ground. The Sky Divers will have a static display of their chutes and other equipment and will explain to the public how they perform their dives.

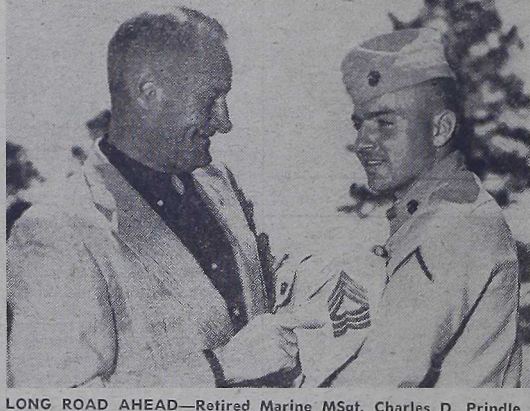

Helicopters from MAG-26 will land on the parade ground, pick up the Sky Divers and take them to heights of 3,500 to 7,000 feet for their jumps. Officials of the club hope to have a radio system set up in the helicopters so the public may be able to hear over the loud speaker system on the parade ground what goes on in the aircraft as the jumpers make their ascent and prepare to dive into space.

Narrated fly-overs will be conducted by members of the Lejeune Flying Club. The planes will be over the Camp Parade Ground at 11:15 a.m. and 1:15 p.m.

The 2nd Division Band will present two concerts at the parade ground, the first at 10 a.m. and the second at 2:30 p.m. Rather than playing the traditional military marches, the band will present an unusual performance of modern contemporary music.

The annual Spring Water Festival at the Wallace Creek Boathouse will be one of the many colorful presentations of the day. There will be free boat rides, sailboat and canoe races, pugil stick duels in canoes and a water ski show. High-lighting all the events will be an underwater demonstration by the skin divers of the Lejeune Sea Urchins Club. The 2nd Division Drum and Bugle Corps will be at the boathouse all day to provide music for the festival.

There are picnic tables and ample lawn areas surrounding the Wallace Creek Boathouse for those who wish to bring picnic lunches and make a day of it.

## 2nd FAG Conducts Firing Maneuvers At Fort Bragg

Over 1,000 officers and men of the 2nd Field Artillery Group, reinforced by the 4th Bn., Tenth Marines, are conducting two weeks' advanced field firing at Ft. Bragg. Col. Daniel S. Pregall, commanding officer of 2nd FAG, will be in command of all Marine units participating in the maneuver. The exercise, which began last Thursday and will continue through May 27, will see extensive firing of all weapons of the combined units.

Included in the operation is a two-day mock war practicing offensive artillery tactics around-the-clock. On Armed Forces day, Marine and Army artilleryman will participate in a combined arms shoot including the firing of an Honest John rocket.

Also during their stay, Maj. Gen. James P. Berkeley, 2nd Division commander, will observe and inspect the operation. Brigadier General Leonard F. Chapman Jr., Force Troops commander, will also pay a visit to the firing areas for the purpose of inspecting and observation.

Among weapons being fired are the eight-inch self-propelled howitzer, the Honest John rocket, 155 mm self-propelled gun, 4.5 inch rocket launcher, 155 mm towed howitzer and 105 mm towed howitzer.

Purpose of firing at Fort Bragg, according to Maj. K. C. Williams Sr., operations officer, 2nd FAG, is to enable all units to exploit the maximum range of their weapons, some of which have a range of 25,000 yards.

## Savings Bonds

(Continued from Page 1)

"E" bonds now mature in seven years and nine months; "H" bonds in 10 years.

Old "E" and "H" bonds earn at least one-half of one per cent more than before when held to maturity. All "E" bonds, old or new, have a 10 year extension or privilege after maturity. Bonds already have a double extension privilege.

If not already contacted by a Bond Project Officer, contact unit first sergeants for information regarding the Bond Allotment plan to purchase a "Share in America."

## Bulletin

Holiday routine will prevail throughout Camp Lejeune on Monday, May 30, Memorial Day. A 21-gun salute will be fired at 12 noon.

The Commissary will be closed on Saturday, May 28, and Monday, May 30. The Marine Corps Exchange will be closed on Monday May 30.

All personnel are requested to drive with patience, vigilance and consideration for others in an all-out effort to reduce the traffic toll which always increases on holidays.

## Division Marine Marches Along Old School Route

"As I march along the road to Onslow Beach with other members of my outfit—Delta Co., 1st Bn., Eighth Marines, 2nd Division—it seems that only yesterday I travel the same roads in a school bus." For a young, "hard-charging" Marine, Pfc Richard A. Lytle sounded almost melancholy as he recalled some of his boyhood which was spent here at Camp Lejeune and in the small nearby communities of Holly Ridge and Swansboro.

The step-son of retired Marine MSgt. Charles D. Prindle, Richard was a student at the Midway Park Elementary School here 10 years ago. His father was the Marine Corps Base "Public Information Chief" at the time.

"Things have switched around a bit now," Richard said, "I recall stopping off at the office to see Dad, many times on the way to the Naval Hospital for something I hated—shots. Now he is visiting me."

Mr. and Mrs. Prindle made their first visit to Lejeune since 1950 to see Richard before he departed with his unit for a Mediterranean cruise May 17.

"There've been a lot of changes around here in the past 10 years," Sergeant Prindle said. "Why they

were only planning that here in the ITR (First Infantry Training Regiment) area where only recently I completed my individual combat training," Richard recalled. "I was nine or 10 years old the time."

Now 19, Richard hopes to enter the journalism field when he turns from the "Med Cruise." He was graduated from Sarasota (Fla.) High School last June and immediately left for recruit training Parris Island, S. C.

Sergeant Prindle, a veteran 30 years of Marine Corps service enlisted at Hartford Feb. 23, 1919. He was born, grew up and received his education in the eastern Connecticut industrial center.

Some colorful highlights of a veteran Marine's career include participation in the Second Nicaraguan Campaign in 1933; 2nd vision training here at Lejeune during World War II; guarding German prisoners of war on Bataan; Hartford recruiting duty, and from 1951 to 1960, a member of the "Flying Peons," who flew newly manufactured planes to the Far East and returned flying "old crates."

## Lejeune Wins 1959 SecNav Safety Award

Camp Lejeune has been awarded the Secretary of the Navy Award for Achievement in Safety for 1959. This is the only base of this type to win seven consecutive times.

The award is representative of achievement in all aspects of safety (except flight safety) in a shore activity. All types and sizes of activities competed for the award and awards were presented in each type class.

For the calendar year 1959 it was necessary an activity quality of frequency rate, severity rate, motor vehicle rate and the score made on an appraisal of the extent and effectiveness of its program.

The American flag with 38 stars, hoisted during the first landing on Japanese soil by Commodore Matthew C. Perry in 1853, was again used at the surrender ceremony on the USS Missouri on Sept. 2, 1945.

## International Wives End Daytime Meets With Caribbean Trip

Reservations are still being taken for the "Caribbean Cruise" to be held tomorrow morning, Paradise Point Club. This is one of the many unusually interesting "tours" the ladies of the International Wives Club venture.

This will be the final daytime meeting of the club before the dinner-cabaret, Thursday, June 2.

Hostesses for the morning will be Mesdames J. P. Berkeley, William Rakow, K. G. Peterson, R. J. Eatterton Jr. and L. J. Bradley. Reservations can be made by contacting Mrs. J. P. Berkeley at Base phone 6-6577.

To become a member of the International Wives Group, wives must be either foreign born, have lived or traveled abroad, or take a devoted interest in furthering their knowledge of foreign affairs. The purposes are to provide a forum for discussion of conditions abroad, to develop an understanding of foreign nations and peoples, to assist foreign-born wives in their adjustment to the United States and the naval service, and to provide factual information on overseas conditions to families ordered abroad.

## Mariners Presented Final Yearly Awards

Among the many types of Girl Scouts of America, the Camp Lejeune Scout Groups list one Mariner Ship 297, the only one of its kind on the Base. This group is part of the Senior Scout program and concentrates on naval activity. On Wednesday, May 11, Mariner Ship 297 held its final Court of Awards for the year at the

### Scouts 'Camp-Out'

Girls of the Midway Park Brownies and Girl Scout troops spent the majority of the weekend outdoors when the scouts held camp-outs and cook-outs in the Midway Park area.

Eleven girl scouts of Troop 175 held a two-day excursion at the home of their troop leader, Mrs. Fred G. Davison. Mrs. Davison and her girls enjoyed a "cook-out" Friday evening, after which they pitched tents, sang around a campfire, and slept outdoors at the home of their leader. Saturday morning, the eleven scouts conducted a hike in the nearby Midway Park grounds. They prepared their own food, managed the serving and policed the area.

Girls who attended the "camp-out" were Mabel Badley, Tina Bee Davison, Connie Grant, Susan Hessinger, Brenda Johnson, Nancy Peterson, Cynthia Cox, Kathy Ashlet, Rebecca Eddins, Ellen Chasse and Virginia Gimbyros.

Brownie Troop 292 of Midway Park under the leadership of co-leaders, Mrs. James H. Henderson and Mrs. Frank Bruner, have been active in outdoor recreation. Meetings are held every Wednesday afternoon at the Midway Park Community Center. Programs for the meetings usually include an hour of outdoor activity. Mrs. Henderson and Mrs. Bruner helped the Brownies prepare for their cook-out.

### Projects Completed By Cub Dens 1, 14

Cub Scouts of Knox Trailer Park are completing home and meeting projects. Tours are planned by the leaders of pack dens.

Den 2, Cub Scouts, toured the Canada Dry Bottling Co., Jacksonville, last week. They were accompanied by their Den Mother, "Mickey" Glidden who furnished transportation for Den Chief Ray Garriss, and Cubs Chris Wesling, Curtis Jenkins, Philip Glidden, Bill Milligan and Howard Gray. The group is completing final projects for the year.

Den 14 finished their boat project and the map of the Great Lakes region last week. As an extra activity, the boys made pin wheels at the meeting. Raymond Raub and Wayne Shiver carried the flags with Bobby Musa acting as Den Chief.

Contact the Knox Community Center for information concerning membership into the pack.

of Awards for the year at the Scout Hut, Paradise Point. In attendance were the families of all the girls plus the honored guest, Sgt. Amos of the Wallace Creek Bathhouse. He has assisted the girls with the small craft phase of the Midshipmite rating. The Scouts work during the year making and studying various types of small craft.

The program was presided over by the president of the ship, Myrna Murray, who opened with a salute to the flag. Before each pin was awarded, one of the girls explained the amount of work involved in earning the pins. Mrs. R. E. Blagg, wife of Maj. Blagg, awarded the following pins: Senior Scout Pin, Five-Point Pin; Mariner Pin, and Midshipmite Guard Pin.

Members of Mariner Ship 297 are Jo May Blagg, Carolyn Dyer, Charlotte Dyer, Judy Leopold, Mary Ann Lord, Myrna Murray, Sandra Murray, Pat Naylor, Eileen Robie, Cheryl Lyn Sedlacek, and Belinda Strickler.

## Brownie Troop 120 Sponsors 'Cook-Out' At Knox Trailer Park Grounds Saturday

Fathers of the girls of Brownie Troop 120, Tarawa Terrace II, offered their services last Saturday afternoon when the men acted as "senior chefs" at the troop's outing at the Scout Building grounds, Knox Trailer Park. Mrs. Viola Kasner, leader of the troop, and Mrs. Helen Wallace, co-leader, marched

the girls from Tarawa Terrace II to the barbecue area behind the Scout Building. Families of the girls arrived later to begin the cook-out.

Girls attending the picnic were Victoria Austill, Cindra Cage, Donna Demming, Theresa Friend, Rosemarie Hernandez, Patricia La Mar, Pamela Marti, Sharon Kasner, Grace Markovits, Deborah Massengill, Virginia Williamson and Roseann Williams.

Refreshments served included hot dogs, hamburgers, baked beans, potato salad, macaroni salad, salad bar, peanuts, chips, cupcakes and various soft drinks.

After the main afternoon festivities, the Brownies led in group singing and games.

In 1821 and 1926, during violent outbreak of armed robbery, the U. S. Marine Corps provided a force of several thousand men to guard the U. S. mails throughout the country.

## Lejeune's PTA Explains Organization And Work

Parents and teachers in the Camp Lejeune school system are eligible for membership in the Parent-Teachers Associations. Membership is contingent upon the payment of annual dues of 50 cents. Payment of dues in one PTA at Camp Lejeune entitles the member to serve in all Lejeune associations. Each Parent-Teacher Association is a self-governing unit and has membership in the National Congress of Parents and Teachers of the State of North Carolina.

### This Week At Camp Schools

**Montford Point School** — Mrs. Green's sixth graders have begun writing a newspaper. The paper will be circulated throughout the school. The four editors are Susan Hessinger, Becky Eddins, Nancy Peterson and Ellen Chasse. The girls imitate the columns that appear in the Camp Lejeune High School "Pup's Tale." An indirect hand-shake is given to the girls for their outstanding job in the wit and humor department. They also receive a commendation for the news-gathering, compiling, and reporting.

The long-awaited farm trip was taken May 6 by Mrs. Brown's first graders is still talked about by the members of her class. The class was scheduled to visit the farm, owned and operated by Mr. L. G. Amen, for several weeks, but due to inclement weather, the trip was cancelled.

**Tarawa Terrace School** — Achievement Tests were administered to all the grades at Tarawa Terrace School this week. These tests will show the progress the pupils have made during the present school term.

As a means of developing the students' unit on plants, Miss Thornton's and Mr. Mitchell's fifth grades went to the Base Nursery on a field trip.

**Stone Street School** — Mrs. Mullins' fourth grade will take a trip to New Bern on May 19 to visit Tryon Palace. The children are looking forward to seeing this interesting place. They're planning to take picnic lunches and eat at the Maola Opera House at the Maola Milk and Ice Cream Company. After the class visits the Tryon Palace, they will take a tour of the ice cream company.

Four mothers will accompany the class on this trip. The ladies are Mrs. H. R. Kelly, Mrs. Homer King, Mrs. J. M. Landgrain, and Mrs. R. C. Smith. Chaplain and Mrs. H. M. Day will also be there.

The associations formulate laws in accordance with the "Suggested By-laws" contained in the current edition of the Parent-Teacher Manual to meet the requirements for self-government. All matters relating to the funds of the Associations are handled as prescribed by the Base order concerning non-appropriated funds.

The Council of PTAs for Lejeune provides for a governing body to coordinate the activities of the various associations of this area. Membership on the Council is composed of the president of each PTA. The president of the Kindergarten Parents' group is a non-voting member. The Council coordinates the activities of the various associations and acts as an intermediary between these associations and the Superintendent of Schools.

The individual PTA coordinator, with the applicable school principal in accomplishing their programs and aims. Programs are aimed not capable of accomplishment at the local PTA-Principal level or considered to involve more than one school will be submitted to the PTA Council. If the Council cannot coordinate with the Superintendent of Schools in accomplishing its programs and aims, they will be submitted to the School Board.

**Knox Brownies 157 Escort Mothers To Entertainment Fete**

Brownie Troop 157, Knox Trailer Park, held a Mother's Day Tea on Tuesday at the Knox Chapel. Mrs. G. Johnson, leader, welcomed the mothers. The Brownies made and presented their mothers with a name tag. They served punch, cupcakes, nuts, and mints. Punch was poured by Mrs. L. Shank.

The girls also presented a short entertainment program during which Miss Cynthia Moore recited the poem, "My Mother." A trio sang "Mother" done by Kay Gray, Jamie Smith and Carolyn Hubbard. Gwyn Peterson told about "Flying" concerning the annual "Fly-Up Ceremony" held for scout promotion and advancement.

Saturday, Troop 157 and Cub Den 2 and 14 visited the Ransom Morton Dairy Farm, Kellumtown, N. C. The group traveled by bus.

## Three Nurseries, Kindergarten Available For Children Under Trained Supervisors

Marines, working wives, busy mothers and civilian employees need not worry about their children as they go about their daily tasks at Camp Lejeune.

Three nurseries and a kindergarten are available where the children may be left under the watchful eyes of trained supervisors. The children are well cared for, entertained and tutored.

Nurseries are located at Midway Park, Paradise Point and the Base Commissary. The Base Kindergarten School is located at Paradise Point. The nurseries are operated under the Base Nursery Schools Board while the Kindergarten is sponsored by the Camp Lejeune Parent Teachers Association.

The Midway Park Nursery is the only all-day nurs-

ery, opening at 7:30 a.m. and closing at 5 p.m. Children may be left here on an hourly basis as well as weekly. Charges for the hourly rate is 50 cents per hour for each child or \$2.50 for all day. On the weekly basis fees are \$9 a week for one child, \$16 for two and \$21 for three. Half-day rates for kindergarten children are \$6.50, and \$6 for school aged children. Normally children must be two to six years of age, but exceptions are made.

According to Mrs. J. E. Herndon, Nursery Supervisor, the children are served two hot meals, breakfast and lunch. Their day's entertainment starts with watching "Captain Kangaroo" on television followed by exercises and the Pledge of Allegiance. Lunch is served from

11:30 a.m. to 12:30 p.m. with nap time from 1 to 3 p.m.

"When I originally took this job it was to be for one month only. I have now been here over 10 years," Mrs. Herndon said.

There are 20 to 25 children in the Midway Park nursery daily with others coming and going throughout the day. The nursery has a large grassy, fenced-in playground, to keep little tykes from straying when it rains the children's day is filled with indoor games, puzzles and story telling.

The Paradise Point nursery is a half-day nursery only, open from 9:30 a.m. to 12 noon. Here the children are registered for school on a monthly basis and tuition fees range from \$16 to \$21.

Mrs. Mavis Theiss, supervisor of the commissary nursery, estimated that in one month, almost 4,000 children spend time there while mothers shop for groceries.

Charges here are by the hour and number of children. Due to building limitations and fire regulations, this nursery can accommodate only 40 children except when the sun deck is open.

The kindergarten school at Paradise Point is supervised by Mrs. Robert E. Shea, wife of a Marine warrant officer attached to the 2nd Division. There are four classes of 30 children each morning and four in the afternoon at Paradise Point. Mrs. Shea said plans are being made now to handle the influx of extra children at the school when the new Capehart housing units are opened.

Registration fees are a flat \$10 per month for everyone entering a child in the school. Children must reach their sixth birthday by January of the year of enrollment.

Children are taught reading, printing, art activities, songs and poems and to recognize numbers, shapes and colors. The subjects taught are to generally prepare the children for their first year of grammar school.

The nurseries and kindergarten are self-supporting units and operating as non-profit organizations. Funds are put back into the nurseries and school for new books, equipment, and to pay expenses and salaries.

## Locals End Successful Trip; Fort Eustis On Tap Tonight

After a 3-1 record on their last road trip, the locals have returned to Agganis Field for a nine-game home stand before taking to the road late this month. Tonight the Marines will take on the Ft. Eustis nine in the final game of a three-game series. Following their 8-6 victory over VPI, the locals downed Ft. Dix 9-3 in the first

of a two-game set, before suffering their first loss in seven games to the Soldiers, 9-5. Jumping back into the win column the Marines downed Delaware University, 6-4, to up their season record to 28 victories against nine defeats.

### Haywood Wins Eighth

Righthander Bill Haywood chalked up his eighth victory for the season against three losses. Going the route the ace hurler scattered 10 hits and was never in trouble as the locals gave him a seven-run lead to lean on going into the last of the eighth when the soldiers rallied for three tallies.

The locals jumped on starting and losing pitcher Nonnenmocher

for a run in the first inning, four in the second, one in the fourth and eighth, and added two more in the final frame, when Wayne Taylor drew a pinch-hit walk, advanced to third on third baseman Earl Williams' single and stole home. Catcher Bobby Cooke then tripled to drive in Williams and the final tally for the Marines.

With each team collecting 10 safeties, Haywood went .500 for the day with two hits in four trips to the plate, while both centerfielder Cliff Simpson and first baseman Hal Norton garnered two for five, with Simpson scoring three of the nine markers.

### Delaware Win

After dropping the final game to Ft. Dix, the locals traveled to Delaware where Bob Rumer came in in the fourth inning in relief of starting pitcher Charlie Bryan and hurled them to a 6-4 victory over the Delaware University nine to end the current road trip.

Bryan had issued eight free passes during the three and a half innings he was in the game and only perfect fielding kept the score from being more than the 2-1 edge the locals held at the time Rumer came on. Rumer's pitching record for the campaign is now six wins against only one loss.

Picking up two runs in the third inning and four in the sixth, second baseman, Barry Fullerton, led the hit parade of all safeties with a perfect two for two at the plate, followed by catcher Hank Nichols who went two for three and scored a run.

## Eighth Marines Cop Lejeune Annual Track And Field Meet

Picking up five first place finishes, three runner-up spots, three third place and one fourth place, the Eighth Marine Regiment, 2nd Marine Division, scored 57 points to capture the Camp Lejeune Track and Field Meet at Liversedge Field last Friday and Saturday. Moving into second place was Marine Corps Base with 46 tallies led by sprinter C. A. James, who finished in four events with a first, second, third and fourth, respectively. Following was

third place Second Marine Regiment with 27 points and fourth place Tenth Marine Regiment with 23. Rounding out the entrants in the order of their finish are Second Force Service Regiment, Force Troops; 2nd Service Battalion, Infantry Training Regiment; 2nd AT Battalion, and Headquarters Battalion, 2nd Marine Division.

Looking for entries for the coming All-Marine Track Meet at Quantico, Va., next month, Camp Lejeune just may have some fine prospects. Selected for competition on the basis of his showing after the completion of the track meet, J. C. Samples, of Marine Corps Base, could possibly be the next All-Marine Shot put champion. Also making a fine showing, according to Frank Murray, Meet Director, was W. B. Bannow of ITR, who

sprinted the 110 hurdles one and one-fourth second off the 1959 All-Marine winning time against a 10-mile head wind.

## Public Is Invited Saturday

On the eve of Armed Forces Day, Marines of the First Infantry Training Regiment will stage a display of firepower. The Friday night show, to be held at Range K-16, will consist of five demonstrations of many kinds of infantry weapons, a night attack on a fortified position and a realistic simulation of the final protective line in a combat situation.

The weapons demonstrations will be held in the early evening before sunset. After dark, the narrated exhibitions will continue with the live firing presentations. Everyone, military men, their families and guests, and visitors from surrounding communities, are invited to attend the colorful and noisy show of might.

Highlighting the Armed Forces Day observance Saturday will be sky diving demonstrations, static displays of combat equipment, aircraft fly-overs and skin diving and boating exhibitions.

Units of the entire Quad-Command will set up static displays on the Camp Parade Ground. The 2nd Division will show its battle-readiness; Force Troops will display its heavy firepower weapons; MAG-26 will present three of its aircraft; and Marine Corps Base will demonstrate its role as a supporting unit.

Marines from each of the Commands will accompany their displays from 9:30 a.m. to 3:30 p.m. to answer questions about the tanks, guns, aircraft and other equipment. Representatives of the Navy Chaplains Corps, the Naval Field Medical Research Laboratory and the Red Cross will exhibit and explain their work.

Open House will be held all day at Messhall 54, Barracks 53, and the two Base chapels. The U. S. Naval Hospital will be open to visitors from 1:30 to 3:30 p.m. Marine Corps uniforms from the first to the present day will be displayed in the Goettge Memorial Field House from 9:30 a.m. to 3:30 p.m.

The Camp Lejeune Sky Divers Club will present two parachuting demonstrations, at 10 a.m. and 6 p.m., above the Camp Parade Ground. The Sky Divers will have a static display of their chutes and other equipment and will explain to the public how they perform their dives.

Helicopters from MAG-26 will land on the parade ground, pick up the Sky Divers and take them to heights of 3,500 to 7,000 feet for their jumps. Officials of the club hope to have a radio system set up in the helicopters so the public may hear over the loud speaker system on the parade ground what goes on in the aircraft as the jumpers make their ascent and prepare to dive into space.

Narrated fly-overs will be conducted by members of the Lejeune Flying Club. The planes will be over the Camp Parade Ground at 11:15 a.m. and 1:15 p.m.

The 2nd Division Band will present two concerts at the parade ground, the first at 10 a.m. and the second at 2:30 p.m. Rather than playing the traditional military marches, the band will present an unusual performance of modern contemporary music.

The annual Spring Water Festival at the Wallace Creek Boathouse will be one of the many colorful presentations of the day. There will be free boat rides, sailboat and canoe races, pugil stick duels in canoes and a water ski show. Highlighting all the events will be an underwater demonstration by the skin divers of the Lejeune Sea Urchins Club. The 2nd Division's Drum and Bugle Corps will be at the boathouse all day to provide music for the festival.

There are picnic tables and ample lawn areas surrounding the Wallace Creek Boathouse for those who wish to bring picnic lunches.

## Family Entertainment News

Family entertainment this week at Camp Lejeune will feature The Pastels at the Paradise Point Officers Club, Homer Briarhopper's Western Band playing for a "Come As You Are" dance at the Hadnot Point Staff NCO Club, and the Twain Plus III at Marston Pavilion. Chuck Cabot and his orchestra and the Ink Spots were originally scheduled for the Officers Club, but due to illness the contract was cancelled. The Cabot organization will appear at a later date. A roast beef dinner will still be served at \$2.25 per person.

### Great Books Discussion Group Set

Camp Lejeune's Central Library is sponsoring a first year Great Books Discussion Group with the Onslow County Public Library. Meetings are held every other Thursday from 7:30 to 9:30 p.m. at the Jacksonville Library.

Participants meet for two hours once every other week around a table informally to talk about a book. Each reading is short enough for a busy adult to finish during the period between meetings yet long enough to contain a complete unit of thought.

The books discussed speak openly and directly about the basic problems of human life. Two discussion leaders by asking questions, engender around-the-table conversation, stimulate it, and keep it pointed. Members are encouraged to interpret and evaluate the readings critically and independently, to think for themselves.

First year Great Book selections include works by Plato, Sophocles, Aristotle, Plutarch, Shakespeare, Milton, Tocqueville, Marx and Engels, Thoreau and Tolstoy.

For further information, telephone the Central Library, 7-5410, or the Jacksonville Library at 4754.

### TT Scout Troop 125 Plans 2nd Cook-Out

Plans for another camp-out are being discussed this week by Girl Scout Troop 125, Tarawa Terrace, following what has been described as a "highly successful" outing at the Camp Knox Scout Area May 6-7.

Twenty-three girls, under the leadership of Mrs. William C. Wheaton, made the excursion to Camp Knox, cleaned up the area, cooked meals over open fires and slept over-night under the stars. Chaperones for the scouts were Mr. and Mrs. Willard I. Paul.

Girl Scouts taking part in the outing were: Cynthia Loeper, Frances Bruner, Gail Annis, Linda Adams, Gail Adkinson, Bonnie Bucieri, Sandy Vielhaur, Donna DiSilvestro, Marta Norman, Carol and Jan Paul, June Wheaton, Diana Bishop.

Sue Delano, Nancy Lippard, Barbara Trowbridge, Jeanette Donaldson, Mary Ann Smith, Barbara Scott, Jennifer Becker, Mayola Campen and Peggy Abbott. Attending as a visitor was Nancy Paul.

### Snakes Are More Abundant In May

During the month of May, more snakes can be expected to be seen in and around Camp Lejeune than at any other time of the year. This is due to the end of the hibernation season and the fact that snakes seek shade during the hot summer months. Personnel are urged to be especially careful this month when in the field or in wooded areas. Last year eight cases of snake bite were reported to the Naval Hospital. Although none of these were fatal, there is always the possibility that a bite from one of the poisonous snakes in this vicinity could be.

So, this month, remember—be especially watchful for poisonous snakes!

### Ham Radio Calls Made For Wives

Phone patches to personnel currently serving in Vieques may be made through the Base Amateur Radio Station or the Division Amateur Radio Coordinator on a seven-day-a-week basis.

The Division Amateur Radio Station has recently installed a 1,000-watt, single-band heli-hut radio unit. This unit contains a teletype, telephone and facilities for all modes of transmitting. A similar unit has been set up in Vieques.

Wives desiring to call their husbands should first arrange the call by letter so that the person to be contacted will be at the Vieques station at the appointed time.

No financial matters may be discussed. Messages should be of the "love and affection" type. Calls are limited to six minutes in duration but no limit is placed on the number of messages that may be sent.

Many wives calling find that their husbands' voices sound unnatural to them. This causes them to pause and forget their messages. Persons making calls to Vieques are requested to speak in a loud, slow, clear voice and to speak close to the microphone. This will insure that the message is received and understood.

This service is free and arrangements for calls may be made by calling the Base Amateur Radio Station, W4LEV, at 7-5312.

### Beach Closes

Onslow Beach, with the exception of Riskey Pier, will be closed Tuesday, Wednesday and Thursday, May 24, 25 and 26, because of the amphibious training exercise Packard XI. The beach facilities will be open to the public again on Friday, May 27.

The Enlisted Beach House (but not the beach) will also be closed on May 23.

### Marston Pavilion

The enlisted men's club at Marston Pavilion will feature the Twain Plus III Saturday from 8 p.m. until midnight. The Pavilion is open to all sergeants and below, their dependents and guests. The club also features a beverage bar and lounge.

## Summer Program Planned

Registration for the Dependents Children's Summer Recreation Program will begin June 7. This is a program of integrated and supervised sports, crafts and vocational activity designed for all military and certain dependent boys and girls of school age in the Camp Lejeune Area.

The first registration period will be held at the Tarawa Terrace School Auditorium from 2 until 9 p.m., June 7 and 8, and at the Camp High School Auditorium from 2 until 9 p.m., June 9. The second period will be July 19 and 20 from 2 to 9 p.m. at Tarawa Terrace and from 8:30 until 11:30 a.m., July 21 at the high school.

Dependent children of school age of all military personnel are eligible for the program. Also dependent children of school age of civilian personnel living within the confines of the Base and the Marine Corps Air Facility are eligible.

The first period of the program will be from June 20 to July 15 and the second from Aug. 1 through Aug. 25. Daily sessions will be conducted Monday through Friday during each period from 8:30 to 11:30 a.m.

Military bus service will be provided to and from all government quarters and assigned recreation areas. Trained recreational and vocational supervisors and assistants will instruct and supervise the program.

There will be a \$2 registration fee per child per session or a maximum registration fee of \$5 per family per session.

The program will consist of the following activities: swimming, ceramics, canoeing, folk dancing, tennis, first aid, leathercraft, metalcraft, volleyball, softball, badminton and other playground activities, art, basket weaving, water coloring, sketching, figure drawing and folk singing.

### Pendleton Will Host Annual Symposium

Marine Corps Base, Camp Pendleton, Calif., will host the fifth annual Staff NCO Symposium scheduled for Aug. 14-20. Each year selected top non-commissioned officers of the Corps meet to make recommendations to the Commandant on changes which they feel will be beneficial to the Corps. The 1959 symposium submitted 59 recommendations, many of which were favorably acted upon.

The opening address will be made by Sgt. Maj. of the Marine Corps, Francis D. Rauber.

Sgt. Maj. Asa E. Huskey, assigned to G-1, Headquarters Marine Corps, will again act as coordinator for the symposium. Thirty-two delegates and wives representing 22 major posts and stations will attend the meeting.

The symposium will follow a format similar to last year's. Headquarters Marine Corps will again ask for recommendations on such subjects as: promotion, training, physical fitness and retirement. Initially, the delegates will be divided into several discussion groups. They will then be rotated between groups so that they may become familiar with all problems presented.

A final report of the accepted recommendations will be made on the last day of the symposium. This will be forwarded to the Commandant of the Marine Corps.

## Former Agent For OSS Now FSR First Sgt.

The hair-raising exploits of newly-promoted 1st Sgt. John P. Bodnar were recorded in "True" magazine shortly after the ink dried on World War II surrender documents.

Condemned as an American spy by the Germans, Bodnar was confined to 10 different prisoner of war camps. He managed to escape three times, only to be recaptured. As a member of the Office of Strategic Services during WWII, he won the Silver Star and two Air Medals, and was among the few Marines to see combat in the European Theater of Operations.

Serving as an instructor at Camp Lejeune in 1943, Sergeant Bodnar was picked to serve with the OSS and was sent to Scotland with seven other Marines for further training. The training period in Scotland over, Sergeant Bodnar worked out of London with units that made forays into the German-held continent.

While the Americans were hammering at St. Lo, Sergeant Bodnar was dropped behind the German lines in Central France for sabotage and intelligence work. Five members of the detail were killed during their hit and run encounters with the Germans. These tactics were to blow up bridges, convoys, rail roads and to generally disorganize German troop movements.

In July, 1944, Sergeant Bodnar, with the two remaining OSS men were captured at Savoy, France, found to be spies by the Germans and sentenced to be shot. By this time, General Patton was on his rampage through France so the Germans moved the trio eastward. During the confusion of the troop movement, Sergeant Bodnar managed to escape three times, and in doing so, records of his death sentence and identity as a spy were lost in the shuffle.

## USO PROGRAMS

**JACKSONVILLE** - Saturday at 8 p.m. and Sunday at 6:30 p.m., the USO will show "Cattle Empire." Coffee Hour will be held at 10:30 a.m. A quiz will be held at 2 p.m., the prize is a free phone call home. Hospitality Hour is at 4 p.m. every Sunday.

The Poplar Street USO in Jacksonville will hold a Hospitality Hour at 4 p.m. Sunday. Hostesses will serve soft drinks and home-made cakes.

**WILMINGTON** - Dance lessons are given each Friday evening at 8 and a dance is held Saturdays at 8:30 p.m. Sundays, coffee and drinks are served at 9 a.m. and Hospitality Hour is held at 5 p.m.

## Corps Offers Program For Commission Appointments

The Marine Corps offers a continuing program leading to appointment to commissioned ranks for all qualified personnel. Eight different programs are offered leading to the commissioned officer rank. The Platoon Leaders Class is a primary source of commissioned officers. Only regularly enrolled college freshmen, sophomores and juniors may qualify for Platoon Leaders Class.

## Briarhopper To Play At Hadnot Club

Homer Briarhopper will be at the Hadnot Point Club Friday, Saturday and Sunday. Homer Briarhopper, who started his career in hillbilly music at the age of 13, has kept up with the trends in music through the years. He still retains the distinctive country style but also plays some of the older songs upon request, rock and roll for the young folks and popular numbers for dancing. But through all these changes in musical trends, he still maintains he is a true hillbilly.

The special beach buffet at the Staff Pavilion at Onslow Beach will begin at noon Sunday. Tuesday night is fun night and Happy Hours are Monday from 4:30 to 6:30 p.m. and Wednesday from 7 to 9 p.m.

The Montford Point Staff NCO Club will feature Fun Night Wednesday at 8 p.m. Regular Happy Hours are from 4:30 to 6:30 p.m. Friday. The Happy Hour Special this week is cube steak with potatoes and salad served from 5:45 to 7:45 p.m. Saturday is dance night at the club from 8:30 p.m. to 12:30 a.m.

The Courthouse Bay Staff NCO Club will feature the Rainbow Wranglers for a dance Saturday from 8:30 p.m. until 12:30 a.m.

## Col. Batterton Reviews Hq. Bn. Personnel

A battalion review was held by Headquarters Bn., Marine Corps Base, last Saturday. Col. Roy J. Batterton Jr., commanding officer of Hq. Bn., was the reviewing officer.

Four hundred seventy-five battalion personnel participated in the parade along with the 2nd Division Band. The Commanding Officer of Troops was Lt. Col. J. A. Witherspoon, battalion executive officer.

A battalion review will be held quarterly in addition to the regular training and monthly inspection, according to Colonel Batterton.

The colonel feels that this type of ceremony is necessary to keep Base personnel "sharp." Commenting on the review, he said, "This is the first time I have ever seen all of them (the battalion) together and I was well pleased."

The colonel's staff for the review was composed of Capt. William C. Bryson Jr., Capt. Michael Sopher, 1st Lt. Eugene N. Halladay, 1st Lt. Stanley R. Raskin, Sgt. Maj. Edward B. Pullen, 1st Sgt. Jack S. Booz, Act. MSgt. Paul E. Burkhardt and Act. MSgt. Leo J. Spensla.

## Eastern Division Matches End, Trophies Are Awarded

With the three trophy clashes completed last Friday, the 1960 Eastern Division Rifle and Pistol Matches came to a close. There remained only the presenting of awards last Saturday morning. On hand to pass out the medals and trophies were: Maj. Gen. James P. Berkeley, 2nd Division commander; Brig. Gen. Sidney S. Wade, commanding general, Marine Corps Base; Brig. Gen. Leonard F. Chapman Jr., Force Troops commander and Brig. Gen. Roy L. Kline, assistant 2nd Marine Aircraft Wing commander.

The coveted Elliott Trophy went, again this year, to the MCS, Quantico, team. Firing an aggregate team score of 1147, the Quantico riflemen beat out the Force Troops team by only three points.

Back to recapture the Wirgman Trophy for the third straight year were the MCAS, Beaufort, S. C., shooters. Not only did the South Carolina team cinch the trophy, they broke the team record of 1100 they set last year by firing an aggregate score of 1111 over the course.

Friday afternoon the Quantico pistolshooters again came to the fore to cinch the Edson Trophy. Utilizing such experienced shooters as Capt. W. K. Hayden, MSgt. J. A. Fowler and Act. MSgt. G. H. Hurt, the Marine Corps Schools marksmen cranked off an aggregate team score of 1077.

Saturday morning shooters and spectators filled the stands of the rifle range school area, while 30 members of Cherry Point's 2nd Marine Aircraft Wing band rendered a series of popular numbers.

The awards program got under way with Lt. Cmdr. W. H. Vinson, ChC., Assistant Chaplain, Marine

Corps Base, giving the invocation.

Lt. Col. R. M. Calland, Commanding Officer of the Rifle Range and Match Executive Officer, then introduced Brig. Gen. Wade. In a short talk to those gathered General Wade covered the match highlights and cited the shooters for attaining such high scores throughout the competition.

Individual rifle medals were then passed out to the winners by General Berkeley.

General Wade presented pistol shooters with their medals, and winners of the 2700 Aggregate Pistol Match with pendants and trophies.

The Elliott Trophy was awarded to the Quantico team by General Chapman. Maj. J. M. Jagoda accepted the trophy for the Commandant, Marine Corps Schools.

The Wirgman Trophy was presented to Capt. R. J. Finn of the Beaufort team by General Kline.

Finally, General Wade made the presentation of the Edson (pistol) Trophy to the Quantico shooters.

## Marston Pavilion

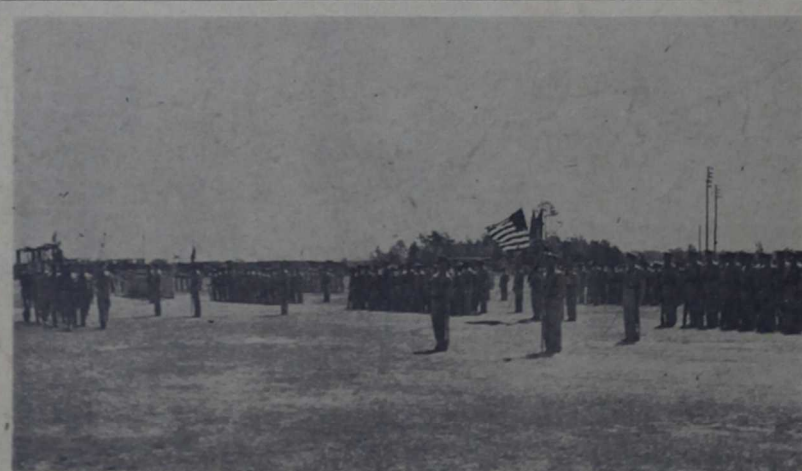

The enlisted men's club at Marston Pavilion will feature the Twain Plus III Saturday from 8 p.m. until midnight. The Pavilion is open to all sergeants and below, their dependents and guests. The club also features a beverage bar and lounge.

## Officer Club Activities

Chuck Cabot and his orchestra and the Ink Spots originally scheduled to play at the Paradise Point Officers Club, have been cancelled due to illness. They will be re-scheduled at a later date.

The Pastels have been engaged to play Friday night in place of the Cabot organization. A roast beef dinner will be served at \$2.25 per person.

The Pastels will also play for dancing Saturday evening from 8:30 p.m. until 12:30 a.m. Happy Hour is from 6 to 7 p.m. Sunday. Sunday's buffet will feature roast beef au jus, chicken Beucaire and roast fresh ham. Dick Haynes will be at the piano and organ. Fun Night is Tuesday at 8:30 p.m. and Happy Hours will again be held Wednesday from 4 to 7 p.m. Dick Haynes will play the Songfest at 9 p.m. Wednesday.

# Everybody Is Going To . . .

## If You Ask Me:

WHAT DOES ARMED FORCES DAY MEAN TO YOU?

**MR. HUBERT HUDLER, Barber Shop BLDG. 4** — Armed Forces Day means to me an opportunity to visit the various military departments located on this Base. Although I have never taken the time to make such a tour myself, I am sure that if I did, I would see far more than I expected. For, in my opinion, Camp Lejeune is one of the finest military installations in the world.

**MRS. MARY EDGAR, Cleaning and Pressing Shop, Bldg. 25** — I think it is a good idea to set aside one day in the year to show people the strength of the Armed Forces. After all, if it wasn't for our Armed Forces, the United States couldn't defend itself against foreign attack. We couldn't protect our possessions, which are really our first line of defense. I think on Armed Forces Day people should go out and see for themselves how ready we are to defend ourselves.

**1st. SGT. JOHN D. STEELY JR., Spt. Co. "B," Hq. Bn., Marine Corps Base** — Armed Forces Day gives civilians and military dependents the chance to see things they normally do not see; that is, the work servicemen do, how tax money is used and how strong the Armed Forces are. Thus, they leave the Base with a better feeling of security than that which they might have gained about our military organization from our outside sources.

**HN SUSAN FEUSSE, Hq. Co., Hq. Bn., Marine Corps Base** — Armed Forces Day gives visitors the chance to see first hand what opportunities are available in the Armed Forces, and how fully these opportunities have been used to advantage. I also think it's a good thing we have Armed Forces Day, as I believe it shows our effectiveness in regard to present day defense needs.

### Bulletin Board

## The Latest Word

The Marine Corps 1960 section of the June issue of the Marine Corps Gazette will feature a summary of Staff NCO housing, an advance look at Chapter 49, Marine Corps Manual, and a section on figuring retired pay. The summary on housing for Staff NCO's will cover all major Marine Corps bases. It will show number and types of units at each base and it will cover the possibilities of the individual NCO getting housing at his new post. In addition, it will project into 1962 to include the number of new Capehart quarters allotted to bases. A new Marine Corps Manual is due out in 1961. In the meantime the Gazette has compiled a special summary of Chapter 49 of the new manual. It will be complete with illustrations of all approved officers' uniforms. Computing Reserve retired pay has

always been a headache. With the special chart in the June Gazette and the instructions along with it, anyone capable of doing simple arithmetic can figure Reserve retired pay.

Base Order 4651.3 approves rates for limousine service between Camp Lejeune or Camp Geiger and the airport in New Bern, N. C. From Camp Lejeune or Camp Geiger to the airport, the approved rate is \$2.75 per person. From the New Bern airport to Camp Lejeune or Camp Geiger, the rate is \$5.50 for one person and \$2.75 per person for two or more persons. Passengers are requested to report to the Base Provost Marshal any charges that are not approved rates. A receipt should be requested by passengers in each case it is believed that an overcharge has been made.

## Armed Services Personnel Should Be Cognizant Of Their Obligation

Most young Americans are aware of their nation's need to maintain strong military forces in this country and abroad, the lessons of Pearl Harbor and Korea being quite familiar to them.

But they are probably not aware enough of how they personally share in the overall picture of their nation's preparedness program.

In the case of those in the armed services, many of them labor under the notion that their individual contribution is taken too much for granted. This is an unrealistic attitude. The truth is these people have not taken enough time to consider the obligation they undertook when they entered the service.

The prime purpose of our armed forces is as stated in the Preamble of our Constitution . . . "to provide for the common defense."

Of necessity, our military setup has been molded along old-world lines, even though early American colonists bore considerable hostility toward such a system. But the long

passage of years from the Revolution up through Korea has borne out the wisdom of adopting the old-world military framework.

So long as totalitarian states persist in their aggressive ways, our nation will be obliged to maintain strong military forces at home and abroad.

The setting aside of one day in the year in tribute to our armed forces should encourage the young men and women who make up the major part of our armed forces to take into consideration how they might best fulfill the obligation they undertook upon entry into the service.

## Careless Words Lessen Security

It has been said that a good picture is worth a thousand words. Unfortunately for security, this can be reversed and a few words said in the wrong place can give a potential enemy a picture of our defenses worth a great deal to him.

Security forces take elaborate precautions to keep our secrets from potential enemies. This is done for our country's welfare and, of course, for you as an individual. Yet no matter how carefully they plan, a few unguarded, thoughtless words can render their efforts useless.

You may think that you know nothing of value but a clever agent can put together several unrelated facts of statements and come up with useful information.

Naturally you wouldn't "talk shop" with anyone that you did not consider trustworthy but can you vouch for all of his friends? Or even that someone did not overhear your conversation?

Even discussion or conjecture about a classified subject or piece of equipment on which you have no personal knowledge is a breach of security. It can do you no good and may possibly harm you or your fellow Marines.

One does not have to be an outright traitor to be dangerous. During World War II it was common knowledge that agents on the San Francisco Bay Bridge could observe ships leaving the harbor. However, if they could pick up the same information from loose talk in a bar, time did not have to be wasted in a trip to the bridge and could be devoted to other espionage. Keeping quiet made their job harder.

Remember the old axiom of "Security at the source." Be silent, not sorry.

## God Gives Us Understanding

Since the first creation of man, we as a race have waged an unremitting campaign to penetrate the jungle of the unknown which surrounds us.

We are inclined to be somewhat pleased with our success in gaining understanding of the nature of the physical world in which we live. However, this sense of achievement is in marked contrast to our continual failure to gain understanding of ourselves as human beings. Is anyone without memories of dark hours of despair caused by our inability to understand ourselves and others? We still cannot account for the baffling mystery, the unending struggle and unaccountable failure of our human lot.

Long ago, Paul voiced the plight and plea of us all when he said of himself: "I cannot understand my action; I do not act as I desire to act; on the contrary, I do what I detest . . . I cannot be as good as I desire to be, and I do wrong against my wishes . . . Miserable wretch that I am!"

The ancient Greeks portrayed our human situation in their mythology. They designed a strange creature having the head of a man, the wings of an eagle, and the body of a beast. This was their attempt to describe the supernatural. Unwittingly, they succeeded best in describing themselves. What could be a more authentic and vivid portrayal of the fundamental and tragic dilemma of every human being!

We have the head of a man; capacity for creative thinking. We have the wings of an eagle; the lure of the heights is in us. The quest for perfection commands us. But, alas and alack, this head and these wings are joined with the body of a beast. By nature, from birth to death, we are slaves of this beast. This strange paradox baffles our understanding. We cannot of our own strength break the chains of this slavery.

This apparently fatal frustration can only be destroyed when we realize that what is impossible for man is possible for God. It is only when we are set free by God that life becomes understandable and significant.

Ass't. Base Chaplain.

# Indians Beat Orioles With Circuit Smash

Two major upsets highlighted the week's action in the Camp Lejeune Boys League. In the Pony League, Gordy Moore's dangerous Indians toppled the front-running Orioles 7-6 on a seventh-inning homer by big shortstop Rick Baker when the two teams clashed Saturday afternoon at Tarawa Terrace. In the Majors, the undefeated Pirates suffered their first loss, 7-1, at the hands of the Braves and the one-hit pitching of Anthony Jackson.

## Four-Hitter

Bill Gainey pitched four-hit ball for the Indians in the Pony contest slipping his team into third place under the Tigers whom they faced Tuesday night after GLOBE presstime. The Braves' win in the Major League featured home runs by pitcher Jackson and Dana Reddish.

Other Pony League action during the week included another loss for the first-place Orioles Monday evening, when they lost to the second-place Tigers, 4-3. John McKoon pitched a five-hitter in the win. The Indians exploded Tuesday night for a 14-0 rout of the Athletics. Bobby Fox threw a one-hitter and Ted Barker of the Athletics hit a homer in the game.

## Barker Homers

Bryan West pitched the Orioles to a 6-4 win over the Indians Thursday night and, on Friday, Ted Barker hit another homer for his Athletics as they went down before the Tigers, 10-1, on a three-hitter by John McKoon.

The week's play in the Majors saw the Pirates defeat the Cardinals 9-5 and Dodgers squeeze by the Giants, 10-9. In the latter tilt, Don Drysdale hit a grand-slam homer. Marlin Baker held the Braves to two hits for the Pirates last Thursday in a 4-3 win. Tommy Wander gave up three hits as the Dodgers downed the Cubs 6-2 Friday. Saturday, the Cardinals showed plenty of power with 15 hits in swamping the Giants, 11-3, with Mike Woods getting the win.

## Boathouse Schedules Summer Opening

Although open year around, Wallace Creek Boathouse will officially open for summer activities Armed Forces Day, May 21, at 1 p.m. Scheduled to take place on opening day will be the second half of the Quad-Command Sailing Races, including entrants from Marine Corps Base, 2nd Marine Division, Force Troops, Air Facility and the Naval Hospital. Also tentatively scheduled for the gala opening will be underwater demonstrations by the "Sea

## Division Takes Lead During Sailing Race

During the first half of the Camp Lejeune Sailing Races held last Saturday, the able seamen of the 2nd Division proved their skill by totaling 37 points to hold the lead after the first half. The second half of the races are scheduled for Armed Forces Day, May 21, beginning at 1 p.m.

First Lt. R. A. Dent, Division, was skipper of the morning race winner, while Pfc Ron Boschen, also from Division, sailed to first place in the afternoon event.

Points were scored by each team for the following: One point is scored for each boat finishing the race, another group of points is tallied for each craft ahead of which a boat finishes and an additional one-half point is given to the first place craft.

tank, canoe racing and jousting matches and motorboat rides.

On hand for use of Camp Lejeune personnel and their dependents are nearly 22 sailboats, 60 aluminum rowboats, and 30 18-foot aluminum canoes. They also maintain approximately 40 outboard motors of the 7 1/2 to 10 horsepower models.

### Operators Permit

As a safety precaution, no one is allowed to check out water facilities unless they hold an operator's permit. In addition to the permit, personnel must have their I. D. cards and a valid swimming card or verification from their service records as to swimming ability.

Act. GySgt. L. P. Neault, NCO in charge of the boathouse operation, has stated that testing and instruction required to obtain an operator's permit are held Saturdays, Sundays and holidays from 9 a.m. to 12 noon. The boathouse is closed on Mondays and opened Tuesday through Friday in the afternoons and from 9 a.m. until sunset on Saturdays, Sundays and holidays.

## Six Hundred Anglers Enjoy Pier Facilities

Fishing really picked up at Riskey Pier last week. The sea mullet run is in full swing, and most everyone left with several good meals of really good eating. Last weekend more than six hundred fishermen enjoyed the facilities of the pier.

Shrimp has been the most productive bait. About three hours before high tide until about three hours after seem to offer the best fishing conditions.

Bluefish made their first appearance in appreciable numbers last Friday. The two-colored cork ball rig baited with either shrimp or cut bait proved the most productive for these scrappers.

Riskey Pier now operating under a summer schedule is open 24 hours, seven days a week with a snack bar and tackle shop available for the convenience of the anglers.

# Champs Edge Hospital After Defeat By H

Rounding out the first quarter of action during Marine Corps Base diamond play, last year's champion, Second Force Service Regiment, was shut out by Headquarters Bn., 7-0, this week but returned to edge the U. Naval Hospital, 6-5.

Headquarters Bn. picked up 11 hits off of Service Regiment pitching including three round trippers, one a 380-foot blast by D. Jakube with a teammate aboard. Hurle B. Day chucked a one-hitter at the servicemen as teammates Harold Pfeiffer, J. Caldwell, Gary Byrd, Carl Davis and Bill Lowery couple with Jakube to score six runs with eight hits in the third inning to secure the victory.

## Loss Avenged

Avenging their earlier defeat the servicemen downed the Corpsmen of the Naval Hospital 6-5 with George Fenton picking up the win after giving up eight hits and striking out five.

Infielder-pitcher Charlie Cupper saved the game for the servicemen after making a tremendous, diving catch to stave off a rally and again securing the win when he relieved Fenton in the final frame after the latter had run into trouble.

Catcher Joe Dunn, former receiver from Headquarters Bn., led the servicemen at the plate with a double and a triple in three official trips to the plate.

## Big Inning

The servicemen picked up a run in the third and added four in the fourth and one in the sixth with Dunn leading off the big fourth inning with a booming triple followed by a series of walks and a pair of triples by Cupper and Sam Blackwell.

Leading the final inning rally, which all but upset the champs was Naval Hospital's player-coach, Smith, who hit a solo blast in the final inning to chase Fenton from the mound. Jim Pound, former righthander of the Camp Lejeune Marines, went the route and suffered the loss.

During other games played during the week, Infantry Training Regiment suffered two defeats after being shut-out by Marine Corps Supply School, 11-0, and losing to the U. S. Naval Hospital, 4-1.

## Next Week

In next week's action, Second Force Service Regiment meets Marine Corps Supply School, Headquarters Bn. opposes First Infantry Training Regiment, Infantry Training Regiment plays U. S. Naval Hospital and Marine Corps Supply School goes against Headquarters Bn.

## 1960 Armed Forces Day Observance Open To Public

The gates of Camp Lejeune will swing wide open to the public Saturday, May 21, as the Marine Corps presents its 1960 observance of Armed Forces Day. Visitors will be entertained and awed throughout the day by displays of the equipment and activities which make the Marine Corps the best combat-force-in-readiness in the world.

On the eve of the big day, Marines of the First Infantry Training Regiment will stage a display of firepower. The Friday night show, to be held at Range K-16, will consist of live demonstrations of many kinds of infantry weapons, a night attack on a fortified position and a realistic simulation of the final protective line in a combat situation.

The weapons demonstrations will be held in the early evening before sunset. After dark, the narrated exhibitions will continue with the live firing presentations. Every

one, military men, their families and guests, and visitors from surrounding communities, are invited to attend the colorful and noisy show of might.

Highlighting the Armed Forces Day observance Saturday will be sky diving demonstrations, static displays of combat equipment, aircraft fly-overs and skin diving and boating exhibitions.

Units of the entire Quad-Command will set up static displays on the Camp Parade Ground. The 2nd Division will show its battle-readiness; Force Troops will display its heavy fire-power weapons; MAG-26 will present three of its aircraft; and Marine Corps Base will demonstrate its role as a supporting unit.

Marines from each of the Commands will accompany their displays from 9:30 a.m. to 3:30 p.m. to answer questions about the tanks, guns, aircraft and other equipment. Representatives of the Navy Chaplains Corps, the Naval Field Medical Research Laboratory and the Red Cross will exhibit and explain their work.

Open House will be held all day at Messhall 54, Barracks 53 and the two Base chapels. The U. S. Naval Hospital will be open to visitors from 1:30 to 3:30 p.m. Marine Corps uniforms from the first to the present day will be displayed in the Goettge Memorial Field House from 9:30 a.m. to 3:30 p.m.

## Educational Center Students Will Assault Onslow Beach

Packard XI, an amphibious command post training exercise for student officers of the Junior and Senior Schools, Marine Corps Educational Center, Quantico, will commence at 8 a.m. Tuesday, May 24, as units make a combined amphibious and vertical envelopment assault on Onslow Beach. The purpose of the operation is to give the student officers, captains through colonels, a chance to practice the principles of planning and carrying out an amphibious operation which they have been taught in the school. The three-day exercise, 11th in a series of similar spring operations, is the climax of the school year for the officers.

Approximately 1,500 men, including student officers, instructors and umpires from the MCEC, 1,100 communications men from 2nd Di-

vision, Force Troops and the 2nd MAW, and units of the U. S. Atlantic Fleet, will be involved in the exercise.

The student officers have been laying plans for Packard XI for the past several weeks. During the actual operation at Onslow Beach, they will work in CP's as commanders of units of various size: companies, battalions, regiments, air wings, etc. The instructors will confront the "commanders" with tactical problems which the students will have to solve. Command posts will be set up at Camp Davis, Bogue Field and in areas in the immediate vicinity of Onslow Beach.

The entire operation, from the early planning stages to the completion of the Onslow Beach activity, is being controlled, monitored and critiqued by senior instructors of the MCEC. Brig. Gen. J. C. Miller Jr., Director of the MCEC, is commander of the exercise.

Because of the scope of Packard XI, Onslow Beach, with the exception of Riskey Pier, will be closed to visitors Tuesday, Wednesday and Thursday, May 24, 25 and 26.

## HQMC Team Seeks NCO's For Recruiting

Maj. Robert G. Parrish, head of the recruiting unit at Headquarters Marine Corps, will visit Camp Lejeune from May 24 through May 26 to interview qualified non-commissioned officers desiring assignment to recruiting school. The NCO's will be screened by commanding officers to determine basic qualifications before the interview.

Interviews will be scheduled in 15-minute increments commencing at 8 a.m. each day until completed for Base, Division and Force Troops personnel.

Marine Corps Order 1300.9b contains information concerning requirements for entrance to Recruiters School. Personnel desiring to attend this school, should contact their first sergeant or sergeant major before Monday, May 23.

## Pendleton To Host Annual Symposium

Marine Corps Base, Camp Pendleton, Calif., will host the fifth annual Staff NCO Symposium scheduled for Aug. 14-20. Each year selected top non-commissioned officers of the Corps meet to make recommendations to the Commandant on changes which they feel will be beneficial to the Corps. The 1959 symposium submitted 59 recommendations, many of which were favorably acted upon.

The opening address will be made by Sgt. Maj. of the Marine Corps, Francis D. Rauber.

Sgt. Maj. Asa E. Huskey, assigned to G-1, Headquarters Marine Corps, will again act as coordinator for the symposium. Thirty-two delegates and wives representing 22 major posts and stations will attend the meeting.

The symposium will follow a format similar to last year's. Headquarters Marine Corps will again ask for recommendations on such subjects as: promotion, training, physical fitness and retirement. Initially, the delegates will be divided into several discussion groups. They will then be rotated between groups so that they may become familiar with all problems presented.

A final report of the accepted recommendations will be made on the last day of the symposium. This will be forwarded to the Commandant of the Marine Corps.

## Capehart Delayed

The following memorandum was handed to all sub-contractors of the Capehart Housing Project yesterday by the Atlantic Construction Company:

"Due to circumstances beyond the control of the management of this job, you will begin immediately curtailing and securing your work with the instructions to completely cease operations as of 4 p.m. Friday, May 20, until further notice . . ."

Reasons for and details of the contractors' statement were not available at GLOBE presstime.

This makes indefinite the date that the new houses will be completed and turned over to the government for occupancy.

## Mrs. United States Savings Bonds Of 1960 Visits Base

Jean Lemons, Mrs. United States Savings Bonds of 1960, visited Camp Lejeune this week to launch the 1960 Share in America Week, May 23-27. Speaking before the audience at Holbrook's "Mark Twain Tonight!" she stressed the importance of regular savings through the payroll savings plan.

The 35-year-old homemaker is a pretty, strawberry blonde who, for more than 15 years

of her married life, has bought Savings Bonds and Stamps regularly. She and her husband, Robert Lemons, a pharmacist in Wichita, Kan., bought their first house and their first car with these savings.

Capt. J. D. Fless, Base Education Officer, has been designated as Base Savings Bond Project Officer. Mr. M. A. Califano is assistant Base Savings Bond Project Officer for civilian employees.

Savings bonds are, and have always been, looked upon as an investment in the future. However, the guarantee of peace is the only guarantee that there will ever be a future. America's only hope for continued world peace is our military, industrial, scientific and economic strength—strength which costs money to maintain. United States Savings Bonds can and do provide us with peace power by providing the money necessary to maintain our strength.

The Bond Allotment or Payroll Savings Plan is a painless way to save. Once a bond is started, the rest is done automatically. U. S. Savings Bonds are safe. Investments are absolutely secure and risk-free because they are guaranteed by the full faith and credit of the U. S. Government.

More interest is available now than ever before. Effective last June, New "E" and "H" bonds paid three and one-quarter per cent interest when held to maturity. New

## New Antenna Can Eliminate Extra Relays

Members of the Radio Relay and Construction Company, 8th Comm. Group, are testing a new antenna which could possibly eliminate the need for many extra relays in a radio net covering long distances. The new antenna is up to three times as powerful as the present one. The added direction in power is obtained by a directional radio beam, rather than the present all-around antenna now in use.

To form this directional beam the antenna has a head or top section which is similar in appearance to a television antenna. The increase in directional beam comes from the use of five cross members rather than the usual traditional three.

Dr. F. J. in the preliminary test conducted last Friday, radio messages were relayed from Camp Geiger to the head of Carolina Beach, a distance of 40 miles. It is hoped that this antenna will permit direct relay from the Capehart Camp Lejeune to Ft. Bragg, a distance of 120 miles.

## Base Sets Pace In Navy Relief Drive

Marine Corps Base continued to set the pace in the 1960 Navy Relief Fund Drive with a 17 per cent contribution totaling \$11,025.00. The Quad-Command quota now stands at 30 per cent for a total collection of \$2,736.28.

Force Troops was second in the drive with a 27 per cent contribution for a total of \$2,241. MAG-26, MCAF, followed with 26

per cent for \$1,000. The 2nd Division has contributed 19 per cent of its quota for a total of \$5,470.28.

HMR(L)-261 at the Marine Corps Air Facility having already attained a 100 per cent contribution by last week has increased this standing to 150 per cent. Second ANGLO with a standing of 76 per cent last week has topped theirs to 114 per cent. The Second Separate Surgical Company was the first unit

to turn in a 100 per cent contribution.

The Combat Engineer Section of the Marine Corps Engineer Schools reached its assigned total quota in the first two days of the drive and is now at 130 per cent.

Thirty-two awards will be presented to members at the end of the drive on June 17. Included in these awards are four 1960 automobiles and a boat with trailer, motor and accessories.

## Attendant Assists At Delivery

When Robert R. Melton saw a car drive into the Midville Gulf Service Station on Lejeune Blvd. at 3 a.m. last Thursday, he assumed that he was going to wait on another early morning Marine customer coming back from leave or on his way to work. He was already servicing a car at the time and acknowledged the second auto with a wave of his hand and, "Be right with you, sir."

He noticed a woman in the car as the new customer yelled back at Melton to call an ambulance because his wife was going to have a baby. The couple was Act. Sgt. and Mrs. Frederick F. Barnsdale of 419 Knox Trailer Park, who were en route to the Naval Hospital here when the stork suddenly became impatient.

### Stork Arrives

After phoning for an ambulance, Melton heard Barnsdale calling for him, and minutes later the stork made his arrival without waiting for the ambulance.

"Between the two of us—and about all I did was hold the blanket—the baby was born by the time the ambulance got there," Melton said.

A baby girl weighing over six pounds, Becky Dell Barnsdale and her mother were rushed to Family Hospital and both are now at home doing fine.

### New Nickname

Melton is the 24-year-old son of a Hubert farmer. He works days on the farm and, alone, operates the Midville gas station from midnight to 8 a.m. daily. "The boys around the station call me 'Doc' now, he beamed, while posing for a photo with the Barnsdale family. He said that he had heard of "this" happening to other people, but never thought it would happen to him.

The Barnsdales have another child, Kevin, age 2. Mrs. Barnsdale is the former Janice A. Turnbull, daughter of Mr. and Mrs. John H. Turnbull of 8303 Klondyke St., Tampa, Fla.

Sergeant Barnsdale, a member of Supt. Co. "B", Hq. Bn., MCB, is the son of Mrs. Joe Daniels of 5002 Armenia Ave., Tampa.

## Camp Lejeune Wins 1959 Safety Award

Camp Lejeune has been awarded the Secretary of the Navy Award for Achievement in Safety for 1959. This is the only base of this type to win seven consecutive times.

The award is representative of achievement in all aspects of safety (except flight safety) in a shore activity. All types and sizes of activities competed for the award and awards were presented in each type class.

For the calendar year 1959 it was necessary an activity qualify on frequency rate, severity rate, motor vehicle rate and the score made on an appraisal of the extent and effectiveness of its program.

## 1960 Navy Relief Fund Drive Enters Third Week

Marine Corps Base continued to set the pace in the 1960 Navy Relief Fund Drive with a 47 per cent contribution totaling \$11,025.00. The Quad-

Command quota now stands at 30 per cent for a total collection of \$19,736.23.

Force Troops was second in the fund drive with a 27 per cent contribution for a total of \$2,241. MAG-26, MCAF, followed with 26 per cent for \$1,000. The 2nd Division has contributed 19 per cent of its quota for a total of \$5,470.28.

## Free Coffee Planned For Tired Driver

The 2nd Division Military Police, in conjunction with the Base Safety Office, will set up an all-night coffee bar on Monday, May 30.

The coffee bar will be free to all motorists, both civilian and military. The bar will be located on route 258 at the junction of state route 41 approximately 10 miles south of Kingston and 10 miles north of Richlands.

Five military policemen, headed by Act. SSgt. William "S" Bittle, one cook from Hq. Bn. messhall and support from the 2nd Pioneer Bn. will begin operations at 5 p.m. on Monday and continue until 6 a.m. Tuesday.

The coffee bar is identifiable by a sign located about one mile ahead of the site reading "Free Coffee Ahead" and by a six-foot sign depicting "Safety Sam."

The Division Provost Marshal has suggested the following tips for holiday driving in an effort to cut down the traffic death toll: drive at a speed that will enable stopping in the assured clear distance ahead; slow down before coming to curves and intersections; at night, drive at a speed which will allow stopping within headlight range.

Drive with the traffic; on long trips, stop occasionally for a stretch, when tired or inattentive, stop and allow plenty of time for the trip, don't try to make up lost time by increasing speed, this only increases the possibility of an accident.

HMRL-261 at the Marine Corps Air Facility having already attained a 100 per cent contribution by last week has increased this standing to 150 per cent. Second ANGLICO with a standing of 76 per cent last week has upped theirs to 114 per cent. The Second Separate Surgical Company was the first unit to turn in a 100 per cent contribution.

The Combat Engineer Section of the Marine Corps Engineer Schools reached its assigned total quota in the first two days of the drive and is now at 130 per cent.

Thirty-two awards will be presented to members at the end of the drive on June 17. Included in these awards are four 1960 automobiles and a boat with trailer, motor and accessories.

## Reclaimed Vehicles Will Be Auctioned

Twenty-nine unclaimed or abandoned civilian vehicles will be sold to highest bidders here at 12:30 p.m. May 25. Marines, civilian employees, and the general public are eligible to bid.

The vehicles will be available for inspection at Open Storage Lot 201, from 10 a.m. to 4 p.m., Monday through Friday until sealed bids are open.

Merchandise consists of salvaged, unclaimed or abandoned vehicles and 100 per cent deposits are required. For further information call Camp Lejeune 7-5537.

## Occupancy Delayed In Capehart Units

The following memorandum was handed to all sub-contractors of the Capehart Housing Project yesterday by the Atlantic Construction Company: "Due to circumstances beyond the control of the management of this job, you will begin immediately curtailing and securing your work with the instructions to completely cease operations as of 4 p.m. Friday, May 20, until further notice."

## Hobby Shop Offers Sale Of Material

The woodworking hobby shops at Hadnot Point and Montford Point and the Hadnot Point Auto Hobby Shop will offer a 75 per cent reduced sale of kits, parts and other hobby material beginning tomorrow and running through June 18, it was announced this week by Base Special Services.

The majority of the sale items are in good condition, while others have missing parts or are merely old and shopworn or no longer popular with hobby enthusiasts. Among the latter are wood and plastic model kits of boats and aircraft, which are in excellent condition. Some of the kits are still sealed, the report said.

### Auto Parts

Other materials include auto parts, such as: brake shoes, fuel pumps and wheels. Unused number-system paint sets are also on sale.

Prices have been reduced to 75 per cent of the original cost and are available to all persons having Marine Corps Exchange privileges. Capt. J. W. Unkle, special services custodian, said customers are invited to inspect all goods before buying, but there will be no refunds after the sale.

## Mrs. U. S. Savings Bonds Visits Base

Jean Lemons, Mrs. United States Savings Bonds of 1960, visited Camp Lejeune this week to launch the 1960 Share in America Week, May 23-27.

Speaking before the audience at Hal Holbrook's "Mark Twain Tonight!" she stressed the importance of regular savings through the payroll savings plan and the bond allotment program.

The 35-year-old homemaker is a pretty, strawberry blonde who, for more than 15 years of her married life, has bought Savings Bonds and stamps regularly. She and her husband, Robert Lemons, a pharmacist in Wichita, Kan., bought their first house and their first car with these savings.

Capt. J. D. Fless, Base Education Officer, has been designated as Base Savings Bond Project Officer. Mr. M. A. Califano is assistant Base Savings Bond Project Officer for civilian employees.

If not already contacted by a Bond Project Officer, contact unit first sergeants for information regarding the Bond Allotment plan to purchase a "Share in America."

Base Housing Director A. P. Olmstead said last week occupancy of the new officers' quarters would begin about three days after acceptance by the government. Hill Plaza, named in honor of Maj. Gen. W. P. T. Hill, Ret., first Lejeune commander, is one of the junior officer sites in the 800-unit Capehart project. Located near the Stone Street Elementary School, Hill Plaza will be the first area to be occupied.

Occupancy of Timmerman Place, honoring World War II Medal of Honor winner Sgt. Grant F. Timmerman, is scheduled to follow close behind Hill Plaza. This area, also to be occupied by junior officers, is located near Marston Pavilion.

Last of the officers' quarters to receive occupants will be Cukela Court, located between River Drive and the bank of New River. This area honors the memory of Maj. Louis Cukela, one of seven Marines ever to win two medals of honor.

## East Carolina Bird Society Holds Show

The East Carolina Budgerigar Society will hold its third annual bird show at the Morehead Biltmore Hotel in Havelock, N. C., on May 28 and 29.

The show will be open to the public from 10 a.m. to 7 p.m. on May 28, and 10 a.m. to 2 p.m., May 29.

Admission is free. A section for pet parakeets will be provided, and every owner is encouraged to enter his parakeet.

Judging the show will be Mr. W. H. Gooderham from Etobicoke, Ontario, Canada. Last year there were over 200 parakeets entered.

## Full Plans For Assn. Reunion Are Released

The full program of the concurrent reunion of the five Marine Division Associations in Washington, D. C., June 23-25, has been released by Col. J. S. Skoczylas, the local representative of the 1st Division Association. The reunion this year can almost be called "The Marine Corps Reunion" since all five Division Associations will be represented and because all FMF veterans are invited to attend.

One highlight of the three days of activity will be a visit to the Marine Corps Schools at Quantico to witness a demonstration of a vertical envelopment assault. A simplified narration of the assault will be given in a language that wives and children can understand.

There will be a trip to the oldest post in the Corps, the Marine Barracks in Washington. Included in the program will be the traditional summertime Friday night Evening Parade, concerts by the Marine Band and Drum and Bugle Corps and the presentation of the Marine Corps battle colors. The climax will be the "pass in review" for distinguished representatives of the Marine Divisions.

The devotional tribute to comrades killed in action will be held at the Marine Corps War Memorial, the sculptured masterpiece by Felix deWeldon of the Iwo Jima flag raising.

Climaxing the reunion will be the dinner-entertainment-dance in the ballroom of the Sheraton-Park hotel Saturday night.

## Base Hq. Bn. Makes Plans For Intra-Unit Rifle Match

In order to "increase interest and proficiency in rifle marksmanship and to inject a competitive spirit within the battalion," an intra-unit rifle match will be held by Hq. Bn.

Marine Corps Base, June 11 at the Base Rifle Range. All qualified shooters in the battalion other than leg holders and disqualified shooters are eligible to compete.

Teams will be classified into Expert, Sharpshooter and Marksman categories and will compete only against teams of equal classification. A team will be composed of four shooters of equal classification, with no more than one officer on each team.

The course of fire will be a modified National Match Course consisting of 10 rounds of slow fire, standing, 200 yards; 10 rounds of rapid fire, sitting, 200 yards; 10 rounds of rapid fire, prone, 300 yards; and 20 rounds of slow fire, prone, 500 yards.

The 10-inch "A" target will be used at the 500-yard line firing. Three sighter shots will be given prior to the off-hand stage and three sighter shots at the 300 and 500-yard lines.

Each team will be assigned to one target. Slow fire stages will be fired in pairs—two shooting alternating shots. There will be four rapid fire relays plus one alibi relay. All rulings as to the conduct of the match will be governed by Marine Corps Rules of Competition.

## ARMED FORCES DAY — MAY 21, 1960 —

### Camp Lejeune Base Commands To Display Might

Pictured here is but a sample of the full day's activity planned for visitors to Camp Lejeune's observance of Armed Forces Day, Saturday, May 21. Tanks, guns,

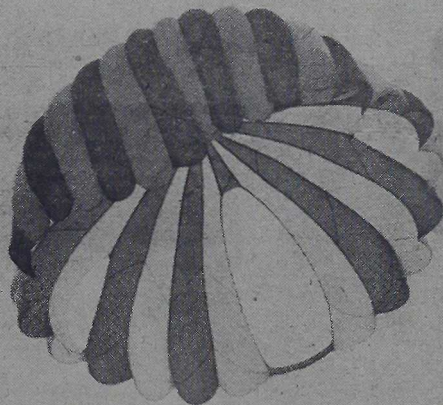

parachute jumps, skin-divers, water-ski shows, sailboat races—all this and more will keep all who come entertained throughout the day.

On the Camp Parade

Ground, static displays will be set up and explained to interested visitors by Marines of all Lejeune commands. All types of combat equipment from heavy artillery to helicopters will be displayed.

The annual Spring Water Festival will be held at the Wallace Creek Boathouse. The Sea Urchins, a skin-diving club, will perform in their new transparent viewing tank. Quad-Command representatives will have the final leg of the sailboat races which have created a keen competition over the last couple of weeks.

A chance to visit a Marine Corps messhall will be provided to those who want to get a close look at the eating facilities available to Lejeune personnel. A barracks will be open for inspection, as will be both the Catholic and Protestant chapels. The U. S. Naval Hospital will open its doors to visitors from 1:30 to 3:30 p.m.

# Sixth Marines Still Hold Division Lead

The Sixth Marines bounced back after suffering their first loss of the season with an 11-3 victory over the Second Marines highlight Division baseball proceedings last week. The victory preserved the Sixth Marines' undisputed hold on the number one spot in league play. The triumph, the third of the campaign for the league-leaders, came after they dropped a 9-6 defeat to the Tenth Marines last week.

The Cannoners took advantage of three walks and an error sandwiched between two base hits to build up a five-run lead in the early stages of the contest. Some heavy hitting by the top part of the Cannoners' batting order added the game-clinching tallies in the bottom half of the sixth inning. A win moved the Tenth Marines into a three-way tie for the number two spot in league play. Bob Leland scattered six hits in pitching his team to victory.

## Sixth Marines Explode

The booming bats of the Sixth Marines exploded for 11 hits including two round trippers in their 3 conquest of the Second Marines. The front-runners iced the division in the opening frame when Tom Bassano poked a three-run circuit clout to pace the victory to a five-run first inning. Bassano also connected for an inning ending triple in the fourth frame. Paris Lugo added three more insurance tallies in the fourth in-

ning when he blasted the second Sixth Marine home run of the day. Bill Strickler garnered three for four to lead the victors in the hitting column. Hal Gray silenced the Second Marine bats with a neat five-hitter to gain credit for the victory.

The Second Marines broke out of their hitting slump with a 10-2 victory over Group I in the week's finale. Weldon Hunter, Ed Gaza and Charlie Bassano each collected two hits in the performance. Rock Ammon muffled the Group I bats effectively for his second complete game of the season. The victory enabled the Second Marines to remain in a tie for second place.

The Sixth Marines tangled with the Eighth Marines and the Tenth Marines meet the Second Marines to highlight this week's action in the intramural league.

**BLOCKED**—Devilpup third baseman A. Everett looks like a safe bet at the plate, but Leland High School catcher Nick Ganey blocked the plate and made the tag. # McCarvill Pitches Lejeune High School To Eastern North Carolina District Title

The Camp Lejeune Devilpups edged out Leland, 7-6, for the State District Two, Single A High School Championship Friday afternoon at Harry Agganis Field. A title-saving, lunging tag at the plate by Pup catcher Ray Lewis, who had started the game in right field, cut off the tying run for Leland in the last inning of the seven-inning contest. Ace lefthander Jim McCarvill went the distance for the Onslow County champs, giving up six hits, striking

out seven and walking only two. Leland ironman Gary Harrell also went the route after pitching his club to a 20-6 victory in the best-of-three-games series the previous Wednesday.

First baseman Don Reed doubled in Lewis with the game-winning run in the bottom of the sixth. Lewis had singled to open the inning and gone to second on a balk.

## Dazzling Play

Entering the top of the seventh with their slim one-run lead, the Devilpups tightened as Leland first baseman Carl Sullivan whacked a one-out triple to the base of the

right centerfield scoreboard. Shortstop Dale Williams followed with a grounder to third baseman Al Everett, who gunned the ball wide to the first base side of home plate. Leaping to snag the throw, Lewis recovered quickly and, reversing his direction, dove on his belly to tag Sullivan charging down from third.

Meanwhile, Williams raced to second where he stood watching McCarvill now down his opposing pitcher with a blazing fast ball for a strikeout and the ball game. The entire Pup squad aided by howling student-fans swamped the hefty southpaw before he was halfway to the dugout. Among the well-wishers was Brig. Gen. Leonard F. Chapman Jr., Force Troops commander and father of Lejeune second-sacker Skip Chapman.

## First-Inning Lead

Lejeune leftfielder Bob Ratliff scored the first run of the game, crossing the plate on Dick Dube's single, after Ratliff had singled and stolen two bases. Leland went ahead 2-1 in the top of the second on two Lejeune errors, a passed ball and a single.

The Pups popped right back with three more runs in their half of the second. Reed reached first on an error, stole second, went to third on an infield out, and held as catcher Chris Power walked and stole second. Both scored as Leland shortstop Dale Williams threw wildly to first base on Bob Ratliff's grounder. Ratliff went around to third on the play, as first baseman Sullivan threw wide to home trying to nab Power. Skip Chapman doubled to score Ratliff with the third run of the frame, but Chapman was cut down trying to stretch his hit into a triple.

## Two More Runs

After blanking Leland in the third, the Devilpups picked up two more runs in the bottom of the inning to stretch their lead to 6-2. Al Everett scored on a triple by Dick Dube who later crossed the plate on an error.

Leland got another run in the fourth, and in the fifth tied the game at 6-6.

The Devilpups are reportedly scheduled to face the champions of another single A district for the regional title. Victory there would make the Pups eligible for the Eastern Carolina and State playoffs.

# Lynn Larrick Hurls Second Consecutive No-Hitter During Division Softball Action

Lynn Larrick tossed his second consecutive no-hitter, a 5-0 perfect game victory over 2nd Bn., Tenth Marines, then followed it up with a 1-0, one-hit triumph over 2nd Bn., Tenth Marines, to highlight action in the Division intramural softball leagues last week. The double victory boosted the Service Battalion aggregation into sole possession of first place in the National League. Larrick's perfect game followed close on the heels of his opening day performance when he set down 2nd Bn., Second Marines without a hit. The ace Service Battalion hurler struck out 13 of the 21 batters he faced in chalking up the Division softball league's first recorded perfect game. The league-leading Service Battalion contingent pushed across five runs on several walks and three timely hits, to clinch the victory.

## Last Inning Victory

Service Battalion combined an error, walk and a clutch single by Bill Durdaller to eke out a 1-0 last inning victory over 2nd Bn., Tenth Marines, to move past the idle Recon Battalion team into first place. Larrick again combined a blistering fast ball with airtight control to limit the Cannoneer aggregation to one safety.

Headquarters Battalion continued to dominate action in the American league as they blasted their way to a 10-0 victory over 1st Battalion, Tenth Marines, for their fourth consecutive triumph. Brian McNaughton, ace Headquarters' moundman, yielded two first in-

ning singles then shut the door on the Cannoneer batsmen to wrap up the victory. The Headquarters contingent pushed across 10 runs on a total of six hits.

## Five Straight

The league-leaders made it five in a row with a 12-4 triumph over 3rd Battalion, Eighth Marines, to wrap up the week's action. Ron Hutchens received credit for the victory but received help from McNaughton in the late innings. Roy Olsen hard-hitting first sacker, led the Headquarters hit parade with three base hits. The victors knocked across 12 runs on a total of seven hits.

The American league will have a week-long layoff with no games scheduled to be played. Games postponed during the first half of the season will be played during this period.

# Officers' Golf Play To Start Next Month

It has been announced by the members of the Commissioned Officers' Golf Association, that play will get underway with the Ringer Tournament starting on June 1. Membership to the Association is open to all officers who have a white or blue card and regardless of handicap. Selection of players to participate in home-and-away matches will be based on interest expressed and willingness to play both at home and away.

The Association's Board of Governors consists of Lt. Col. J. C. Jordan Jr., president; Lt. Col. J. H. Papura, vice-president; Capt. M. Medeiros, secretary, and Capts. A. Gordan and E. W. Whitten, members.

Details and rules of tournaments and matches will be published on the bulletin board in the Golf Club Annex. Additional details may be obtained from the Board of Governors or the Camp Lejeune Club Professional.

# 'Operation Petticoat' Safe In Port As Camp Lejeune OWC Installs 1960-61 Board

The outgoing and incoming Executive Boards of the Officers Wives Club were "piped aboard" the SS Petticoat last Wednesday afternoon at a nautical installation and tea held in the Paradise Room of the Officers Club. Group VII sponsored "Operation Petticoat" which welcomed the new board and honored the outgoing officers. Taking over as president for the 1960-61 year was Mrs. R. D. Wright. She, along with the outgoing president, Mrs. J. A. Witherspoon, were piped over a

white accommodation ladder to the forward deck which led to the main table. HM3 E. Williams, U.S. Naval Hospital, performed the "piping-in" ceremonies.

The afternoon's agenda opened with a call to order and welcome by Mrs. Witherspoon. This was followed by the treasurer's and president's annual reports, presentation of gifts, farewell by Mrs. Witherspoon, formal installation ceremony by Mrs. J. B. Berkeley, who acted as Honorary President for Mrs. S. Wade, and the acceptance speech by the new OWC President, Mrs. R. D. Wright.

In keeping with the nautical theme, fish net, shells, and strikingly colored fish decorations were suspended from the ceiling. Life preservers were on two crossed flags.

Names of incoming and outgoing officers and chairmen were painted on the life-savers. The battleship SS Petticoat hung from the wall in back of the main table bearing the number, 6-6755, phone number of the chairman of the group who sponsored the affair. The Marine Corps Eagle, Globe and Anchor was vividly silhouetted in back of the table bearing "1959-60" and "1960-61."

Other board members for 1959-60 and 1960-61, respectively, are as follows: first vice-president, Mrs. Witherspoon (who assumed duties as president on the departure of Mrs. F. O. Butcher); Mrs. D. S. Pregnall; second vice-president, Mrs. R. H. Secrest; Mrs. O. H. Gaver; treasurer, Mrs. W. S. Haltom; Mrs. A. F. Judd; corresponding secretary, Mrs. G. H. West, Mrs. J.

H. Hansen; recording secretary, Mrs. B. Berckmans Jr.; Mrs. J. C. Jordan Jr.; publicity chairman, Mrs. E. W. Killian; Mrs. D. E. Estes; hospitality, Mrs. E. L. Barker and Mrs. W. G. Craeber; Mrs. W. W. Wander; parliamentarian, Mrs. K. A. Jorgensen; Mrs. A. F. Lucas.

Cookbook, Mrs. F. D. Cortner; Mrs. D. H. Johnson; sitting service, Mrs. G. J. Haskins; Mrs. W. E. Antley Jr.; welfare, Mrs. Francis Sweeney; Mrs. L. E. Bach; Group I, Mrs. R. D. Strickler; Mrs. G. H. West; Group II, Mrs. Frank Saitta; Mrs. E. W. Killian; Group III, Mrs. M. C. Goodpasture; Mrs. C. W. Kelly; Group IV, Mrs. W. M. Wascom; Mrs. G. C. Chambers Jr.; Group V, Mrs. J. C. Beau; Mrs. H. C. Fuson; Group VI, Mrs. W. S. Bartley; Mrs. W. D. Pickering; Group VII, Mrs. E. E. Allen; Mrs. T. J. Johnston; Group VIII, Mrs. P. R. Colmer; Mrs. R. R. Funk.

Hostesses were: Group I, Mrs. J. H. Lee Jr. and Mrs. D. W. Robinson; Group II, Mrs. R. H. Bushness and Mrs. J. B. Harris; Group III, Mrs. E. A. Hurlmann and Mrs. Howard I. Dunlap; Group IV, Mrs. F. R. Keotho and Mrs. R. T. Brady; Group V, Mrs. E. J. Chapman and Mrs. H. Coulling; Group VI, Mrs. J. J. Donough and Mrs. L. Cohan; Group VII, Mrs. R. R. Powell and Mrs. W. E. Farris; and Group VIII, Mrs. J. A. Kinniburgh and Mrs. R. E. McCrean.

Committee in charge of "Operation Petticoat" was Admiral, Mrs. C. A. Youngdale, Honorary Chairman; Captain, Mrs. E. E. Allen, Chairman; Executive Officer, Mrs. R. M. Doezeama, Co-Chairman; Mess Officer, Mrs. H. R. Merriek; Pouring Battery, Mrs. W. H. Peck; Officer in Charge of Deck, Mrs. R. R. Powell, Hostess; Signal Officer, Mrs. W. A. Lawrence, Name Tags; Bulkhead Decorations, Mrs. T. N. Keenan; Communications Officer, Mrs. F. W. St. Clair; and Mrs. R. E. Blagg, Officer in Charge of committee making corsages.

Newly installed group chairmen and outgoing chairmen poured alternately during the tea.

## MC Air Facility Staff Wives Choose Style Show Title, 'Fashion A La Mode'

"Fashion A La Mode" is the name chosen for the coming fashion show sponsored by the MCAF Staff NCO Wives Club. The show will be held Wednesday, May 25, in the Service Club Ballroom beginning at 1:30 p.m. The ballroom is located Bldg. 208 at the Air Facility. The show is open to the public,

military personnel, dependents, or civilians. Tickets can be obtained from any of the club members for 50 cents. Price of a ticket includes nursery service in the chapel. Tickets must be shown for this service. The nursery is operated by Mrs. J. D. Minniear and Mrs. E. A. Bowen. The service will be available at 1 p.m.

The clothes for the show will be provided by a local Jacksonville department store. Gifts to be awarded to the most attractive are an electric table-model radio, a

portable mixer, and a snooze-alarm. Presence at the show is not required to win the award. Tickets for the event will also be sold at the door.

## Staff Wives' Fete Tonite

All members of the Staff NCO Wives Club of Camp Lejeune are invited to attend the 10th Birthday Celebration of the club. The event will take place tonight at 8 p.m. in the Tarawa Terrace Community Center. Theme for the party is nautical. Members of the club are asked to dress accordingly.

The women are planning to wear sailing togs to enjoy the evening's entertainment which will be similar to the activity in the photo. Prizes will be awarded for the most unusual dress.

The following committee have been chosen: Jane Wedge, Thelma Horsman, Dot Pomento, Bernice Eisenhower, Dot Woodside and Johnny Middlebrooks, refreshments; Jan Patterson, Kitty Jerkins, Jackie Prewitt and Columbia Lytle, entertainment; and Peggy Vegass and Rita Remel, decorations.

## Knox Club Members Schedule Fitting For A 'Fashion Fantasy'

Strictly for the women of the trailer home, the ladies of the Wives Club, Knox Trailer Park, are presently planning for their so appropriate fashion show to be held for the women at the park's canteen May 27, at 7:30 p.m.

A name was recently selected for the show by Mrs. Brenda Rudd, Trailer 446. Her winning choice, "Fashion Fantasy," gives a fast account of the styles to be shown. The array of fashions will include casuals for warm and cool weather, patio dresses, cocktails, sun-wear, and a few "after-five" numbers. The theme will portray life in a trailer and the clothes typical of this life.

The women met recently for fittings at a local department store in Jacksonville. Accessories will be obtained from local stores and the women's collections.

The show will be held outside the canteen at the park. Models have been holding scheduled rehearsals for the big event. It has been asked that any volunteers for alternates in the show contact Mrs. Stanley Carr at base extension 9-88114. In the event some of the models will not be able to attend the show, Mrs. Carr would like to have names of those willing to stand-in. If Mrs. Carr cannot be contacted, call the Knox Community Association for information.

Officers of the Knox Wives Club are: Mrs. Charles Lee, president; Mrs. Craig Wagner, vice-president; Mrs. Dale Adams, secretary-treasurer.

All women at the park are cordially invited to attend.

## Protestant Guild To Hold Meet At USNH

The Protestant Women's Guild of Camp Lejeune will hold its scheduled meeting Monday, May 23, at 7 p.m. in the Nurses Quarters, United States Naval Hospital.

It was announced that Mrs. W. Pelon will lead the usual devotions. Elections for officers of the group will also be conducted at this meeting.

Refreshments and a social hour will be held with the nurses from the hospital as hostesses.

All interested women are cordially invited to attend.

## Junior Wives Coffee 'n' Confusion Plan Beach Buffet-Social For June's Meeting

The Junior Wives' Coffee 'n' Confusion Group of the Officers Wives Club is adding many different and interesting socials to their usual monthly programs. For the month of June, the ladies are planning a beach party and buffet supper. The affair is scheduled for June 4, 6 p.m. to midnight, at the

Officers Beach Club. The women cordially invite and urge the junior officers' wives to attend.

The buffet supper will be \$1.50 per person. Music will be provided for dancing later in the evening.

It was announced that reservations should be made by Wednesday, June 1. To make reservations, contact either Mrs. E. F. Patillo at base extension 6-6153, or Mrs. P. X. Kelley at Jax 3665.

Coffee 'n' Confusion is the name given to the Junior Officers Wives of Camp Lejeune. They hold their meetings each month at the Paradise Point Officers Club for discussions, lectures, socials, etc. The group was officially named this year after marked inspiration from Mrs. J. O. Butcher of the OWC. She brought up the benefits of having a link between the Established Wives Club and the younger wives of Navy and Marine Corps officers new to base life and military customs.

Meetings are scheduled for the second Tuesday of each month.

## Judo

The Enlisted Men's Wives Club of Geiger Trailer Park will have a demonstration in the art of Judo at their weekly meeting Tuesday, 11 a.m. at the Community Building. Capt. B. T. Burke will be present during the demonstration to answer questions.

It was announced the women may participate if properly attired in shorts, pedal pushers, or slacks.

Refreshments will be served and a nursery will be provided for the children. All women in the park are cordially invited to attend this meeting. Contact any members of the club or the Community Association for further information.

## Library Will Sponsor Great Books Group

Camp Lejeune's Central Library is sponsoring a first year Great Books Discussion Group with the Onslow County Public Library. Meetings are held every other Thursday from 7:30 to 9 p.m. at the Jacksonville Library.

Participants meet for two hours every other week around a book informally to talk about a book. Each reading is short enough for a busy adult to finish during a period between meetings, yet long enough to contain a complete idea of thought.

The books discussed speak openly and directly about the basic problems of human life. Two discussion leaders by asking questions, stimulate it, and keep it interesting. Members are encouraged to interpret and evaluate the readings critically and independently, think for themselves.

First year Great Book selections include works by Plato, Sophocles, Aristotle, Plutarch, Shakespeare, Milton, Tocqueville, Marx and Engels, Thoreau and Tolstoy.

For further information, telephone the Central Library, 7-5410, the Jacksonville Library at 4754.

## Salvage Auto Sale To Be Held May 25

Twenty-nine unclaimed or abandoned civilian vehicles will be sold to highest bidders at 12:30 p.m. May 25. Marines, civilian employees, and the general public are eligible to bid.

The vehicles will be available for inspection at Open Storage Lot 01 from 10 a.m. to 4 p.m., Monday through Friday, until sealed bids are opened.

Merchandise consists of salvaged, unclaimed or abandoned vehicles and 100 per cent deposits are required. For further information call Camp Lejeune 7-5537.

## Used-Car Dealers Often Draw Up Two Contracts

(Continued From Last Week)

Now he was ready to show me what he had written on the documents. He had filled out a conditional sales agreement and a car order and bill of sale—complete with his own signature and an X to show where I was to sign.

He had written a cash price of \$1,495 and a down payment of \$1. In the margin he had scrawled "pickup payment, \$100", with the X I had promised to bring in the money. That would leave \$1,394, and that was the amount shown as the balance due.

"Is that all I have to pay?" I asked.

He assured me it was.

Under terms of payment he had written one payment of \$394 and a final payment of \$1,000—both due the next week.

I was beginning to catch on, but I decided to play dumb a little longer.

"I can't pay \$1,394 in a week," I protested. "I don't have all that money."

"Oh, we'll arrange that," he said. "We get you a second mortgage just like on a house and that takes care of the \$394. Then we get the \$1,000 financed through a bank."

I asked about the finance charges—calling them "interest", which they're not—and insurance charges.

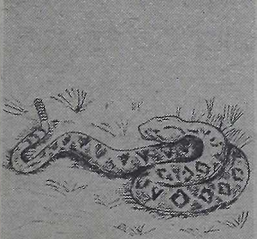

"That's all arranged by the bank," he said. "We have nothing to do with that."

"I CHRISTEN THEE . . ."—John Jarabak Jr., son of Capt. J. P. Jarabak, DC, USN, chief of dentistry at the Camp Lejeune Naval Hospital, christens his father's cabin cruiser "Umpqua II" in a ceremony at the Wallace Creek Boathouse Sunday afternoon. ## Snake Hibernation Season Is Over, More Active Now

During the month of May, more snakes can be expected to be seen in and around Camp Lejeune than at any other time of the year. This is due to the end of the hibernation season and the fact that snakes seek shade during the hot summer months. Personnel are urged to be especially careful this month when in the field or in wooded areas. Last year eight cases of snake bite were reported to the Naval Hospital. Although none of these were fatal, there is always the possibility that

EASTERN DIAMOND-BACK RATTLESNAKE

a bite from one of the poisonous snakes in this vicinity could be.

When in the woods, be careful not to step over logs or rocks. The copperhead likes to lie in the shade of these objects and will strike at anyone who disturbs him. The rattlesnake, the other type of poisonous snake in this area, is known to lie under rocks and can be very dangerous if aroused.

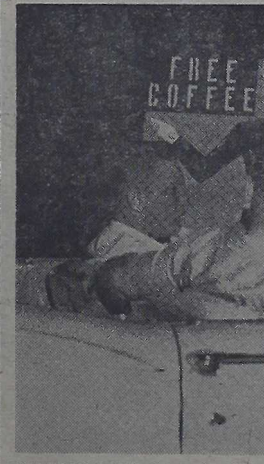

If bitten by a snake, it is recommended that the victim be rushed

COPPERHEAD

to the nearest medical facility where anti-venom is available. If this is impossible, then the standard incision and suction method should be used.

So, this month, remember—be especially watchful for poisonous snakes!

"SAFETY SAM" directs two tired motorists to the coffee bar which will be set up for travelers returning from the Memorial Day weekend. The bar will be at the junction of route 258 and state route 41, 19 miles south of Kinston and 10 miles north of Richlands. Free coffee will be served to all motorists.

## 'Umpqua II' Launched In Big Splash Of Champagne

Dripping champagne from her bow, "Umpqua II" slipped quietly down the Wallace Creek Boathouse launching ramp and settled into the water with the confidence of a veteran craft. The launching of the 22-foot cabin cruiser last Sunday afternoon, May 15, brought to an impressive climax more than a year and a half of off-duty work by Capt. J. P. Jarabak, DC, USN, chief of dentistry at the Camp Lejeune Naval Hospital.

Captain Jarabak's son, John Jr., smashed the traditional champagne bottle against the hull of the trim craft and sent her on her first voyage. She was christened "Umpqua II" after a river in Oregon, the home state of the captain's wife.

The Custom Craft cruiser first took form in the 2nd Division hobby shop many months ago. After a year of construction there, the partially completed boat was moved to the Wallace Creek Boathouse hobby shop for the last six months of building.

The craft is powered by a Mercury automobile engine which Captain Jarabak converted for use as an inboard motor.

Although the virgin cruise of the "Umpqua II" was brief, from the launching ramp to a nearby dock, the skipper has plans for many summer cruises and hopes to transport his craft to the Gulf of Mexico for some sailing there.

The captain named Mr. G. J. Gottschalk of the Wallace Creek Boathouse hobby shop as an invaluable assistant in building the boat. Many friends of the captain came to the christening party held in the South Sea Lounge of the boathouse Sunday afternoon to bid the craft a bon voyage.

The Haitian police force, later known as the Garde d'Haiti, was established in 1915 with U. S. Marine Corps officers and non-commissioned officers as its commissioned personnel. Marines were withdrawn in 1934.

## Sale Begins Tomorrow At Hobby Shops

The woodworking hobby shops at Hadnot Point and Montford Point and the Hadnot Point Auto Hobby Shop will offer a 75 per cent reduced sale of kits, parts and other hobby material beginning tomorrow and running through June 18, it was announced this week by Base Special Services.

The majority of the sale items are in good condition, while others have missing parts or are merely old and shopworn or no longer popular with hobby enthusiasts. Among the latter are wood and plastic model kits of boats and aircraft, which are in excellent condition. Some of the kits are still sealed, the report said.

**Auto Parts**  
Other materials include auto parts, such as: brake shoes, fuel pumps and wheels. Unused number-system paint sets are also on sale.

Prices have been reduced to 75 per cent of the original cost and are available to all persons having Marine Corps Exchange privileges. Capt. J. W. Unkle, special services custodian, said customers are invited to inspect all goods before buying, but there will be no refunds after the sale.

## Free All-Night Coffee Bar Available On Memorial Day

The 2nd Division Military Police, in conjunction with the Base Safety Office, will set up an all-night coffee bar on Monday, May 30. The coffee bar will be free to all motorists, both civilian and military. The bar will be located on route 258 at the junction of state route 41 approximately 19 miles south of Kinston and 10 miles north of Richlands. Five military policemen, headed by Act. SSgt. William "S" Bittle, one cook from Hq. Bn. messhall and support from the 2nd Pioneer Bn. will be open operations at 5 p.m. on Monday and continue until 6 a.m. Tuesday morning.

The coffee bar is identifiable by a sign located about one mile ahead of the site reading "Free Coffee Ahead" and by a six-foot sign depicting "Safety Sam."

The Division Provost Marshal has suggested the following tips for holiday driving in an effort to cut down the traffic death toll: drive at a speed that will enable stopping in the assured clear distance ahead; slow down before coming to curves and intersections; at night, drive at a speed which will allow stopping within headlight range.

Drive with the traffic; on long trips, stop occasionally for a stretch, when tired or inattentive, stop and allow plenty of time for the trip, don't try to make up lost time by increasing speed, this only increases the possibility of an accident.

## Beach Closes

Onslow Beach, with the exception of Riskey Pier, will be closed Tuesday, Wednesday and Thursday, May 24, 25 and 26, because of the amphibious training exercise Packard XI. The beach facilities will be open to the public again on Friday, May 27.

The Enlisted Beach House (but not the beach) will also be closed on May 23.
