

If you
ask me...

IN LOOKING BACK OVER THE
PAST 10 YEARS, WHAT DO
YOU CONSIDER OUTSTANDING
EVENTS OF THE DECADE?

ACT. SSGT. JOHN A. PARKS, H&S
Co., H&S Bn., 2nd FSR — To me,

one of the most
noteworthy
events of the past
10 years was the
part played by
the United Na-
tions in the Ko-
rean Conflict. I
think that it was
good insurance
that the U. N. is
willing and able
to use its powers when necessary
to protect freedom. The coopera-
tion of the different nations in
fighting against a common enemy
was also noteworthy.

HM3 GEORGE A. MILLER III, 2nd
HOSPITAL Co., Force Troops—One

of the most no-
ticeable series of
events during the
last decade has
been the Com-
munist infiltra-
tion of various
countries, and the
subsequent revolu-
tions. Such oc-
currences, espe-
cially the Hun-
garian Revolution in 1956, make
us more anxious to protect our
own freedom. I feel that Commu-
nism as it is set up today is against
the very essence of our free be-
ing, and the liberties we claim as
American citizens.

PFC BARBARA RICHER, WM Co.,
Hq. Bn., MCB — One of the events

that has impress-
ed me very much
is the election
and coronation of
Pope John XXIII.
He seems to have
modern ideas in
the governing and
the governing of the
Church. I met with
him from other nations, and has
traveled in many parts of
the world. He has also made several
"firsts," such as being the
first Pope to travel in an airplane.

PVT. JERRY POLON, H&S Co., 8th
MT Bn., Force Troops — I think

that Russia's
"Sputnik" in 1958
made a great im-
pression on the
modern world. It
showed other na-
tions that the
Russians were
quite advanced,
scientifically, and
gave other coun-
tries a strong mo-
tive to prepare themselves and con-
tinue their own scientific progress.
Although the Russian moon-shot
was very important, it didn't have
the startling effect that "Sputnik"
did.

PFC JAMES L. BRAMBLE, H&S
Co., 8th MT Bn., Force Troops —

To me, one of the
most outstanding
events of the past
decade has been
the conquest of
space, to a cer-
tain degree, by
Russian scientific
services and rock-
ets. The ensuing

ROLEX WATCH—The Atomic Energy Commission has announced
an emergency search for watches of this type because several were
found to contain radioactive strontium 90 in the luminescent mark-
ings. According to AEC, the strontium 90 was "sufficient to pre-
sent a possible long-term health hazard to the wearer."

Emergency Effort Made Here To Recover Rolex Watches

A Rolex watch purchased by a Camp Lejeune Marine while stationed at the U. S. Embassy at Moscow, and a type thought to contain radioactive strontium was reported here. Act. SSGT. Charles R. Newman of the Division Photo Lab, was the seventh Lejeune Marine to report ownership of one of the expensive Swiss-made watches. The Atomic Energy Commission in Washington announced an emergency search to recover all watches of the Rolex type on Dec. 14.

The AEC said one such watch purchased abroad by an American contained radioactive strontium 90 in its luminescent markings "substantially in excess of the amounts exempt from licensing under AEC regulations."

The commission said a check of Rolex's inventory disclosed several

'Ham' Radio Station Offers Overseas Call

The Camp Lejeune amateur radio station has increased its schedule to give nightly calls with stations of the 3rd Marine Division.

Persons wishing to complete a phone patch with personnel in the 3rd Division must contact the person and have them make all arrangements for the phone patch at the Division station. This method is to assure a positive connection with Marines on Okinawa.

Matters of a commercial nature may not be discussed on amateur radio. This includes discussions of money and purchases of items overseas.

Calls should be of a personal nature as calls of love and affection. Each call is limited to five minutes' duration. Persons should have something ready to say and have a pencil and paper to take notes.

Only one person may talk at one time on phone patches. The word "over" must be the last word on each section of the conversation. Speech must be loud and slow and the person making the call must talk directly into the phone. Strict observance of this procedure will insure a good call.

If children are to speak on the patch, they must be carefully instructed. The person making the call must share the line with the children so that they may control of the line.

Amphibious tanks, then known as "Alligator Tanks," were used by the U. S. Marines in 1945.

Second Division Chaplain Retired New Year's Day

The closing day of the year 1959 marked the end of a 27-year career in the Chaplain Corps for Navy Capt. F. G. Linaweaver. In a brief retirement ceremony, Captain Linaweaver was presented retirement papers by Maj. Gen. James P. Berkeley, 2nd Division commanding general. The captain had been serving as Division Chaplain since October, 1958.

He plans to take up ministerial duties as Rector of the Church of the Holy Communion in Charleston, S. C.

Born in Great Cacapon, W. Va., in July, 1902, Chaplain Linaweaver received his Bachelor of Arts Degree from Hampden-Sydney College in Virginia and his Theological training at the Theological Seminary in Alexandria, Va.

Ordained

He was ordered deacon in June, 1927, and ordained a priest in May, 1928, by the Protestant Episcopal Church. Before his appointment to the Chaplaincy in January, 1933, he served as Rector of St. Matthew's Parish in Oakland, Md., and later as vicar of St. David's and St. Patrick's Churches in St. Alban's Parish, Washington, D. C.

Chaplain Linaweaver was then assigned to Chaplains School at the Naval Training Station, Newport, R. I. Following completion of school, he served on the USS Wyoming until June, 1936.

Assignments

He was then assigned to the Navy Yard, Charleston, S. C., serving there until September, 1938, when he was ordered to Naval Station, Guam. In July, 1941, he was named chaplain of the Naval Air Station, Alameda, Calif., where he served until June, 1943, when he received orders to the 17th Naval District in Alaska.

In January, 1945, Chaplain Linaweaver was ordered to the Naval Training Center, Newport, as the Senior Chaplain. He was promoted to captain while serving in this billet.

In February, 1946, he was named chaplain of the 7th Naval District in Miami, Fla., and in June of that year was transferred to the 1st Naval District, Boston, Mass.

District Chaplain

Following a brief tour with the 3rd Naval District, he was ordered to Washington, D. C., where he served as District Chaplain, Potomac River Naval Command. After a four-year tour he was sent to the 14th District, Pearl Harbor, Hawaii.

In July, 1955, the captain returned to the continental United States for duty as District Chaplain, 14th Naval District, Seattle, Wash. He reported to Camp Lejeune from this billet.

Faithful

Remember the word "Faithful" in your enlistment contract? You took an oath to be faithful to your country. Of course, you consider it a sacred obligation.

When you walk in the Post Exchange or Commissary and cash a check they accept that piece of paper "on fair." You've signed your name attesting that the check is as good as cash. The activity cashing your check obligates itself to honor it. When it is returned marked "insufficient funds" or "no account" they have been duped.

The Commissary can't pay its obligations with a worthless check. Insufficient funds won't pay the employees in the Exchange. Not only must the person who gave the worthless check make it good, but he or she is subject to punitive action.

One form of punishment is taking away check-cashing privileges. For continued violation by military personnel there is recourse to the UCMJ. Maximum punishment for violation of Article 121, "larceny by check" is a Dishonorable Discharge, forfeiture of all pay and allowances and confinement at hard labor not to exceed six years.

For "making or uttering a worthless check with intent to deceive" the maximum is a Dishonorable Discharge and six months' confinement.

We see, therefore, the seriousness of issuing worthless checks.

Since July, 1959, 142 letters have been written to commanding officers and the Provost Marshal concerning bad checks.

Remember that word "Faithful" when the temptation arises. Take a good hard look at our motto, "Semper Fidelis." Always Faithful—Are you?

Professionals

What is a professional? In civilian life we have the professions of law, medicine, etc., and we know that the men who follow them spend years of study before they are ready to practice. But as professionals they never, throughout their careers, stop studying and disciplining themselves to acquire greater skill and knowledge.

What is a professional military man? The answer might be: He's a tyro. He has chosen the service as a career. It is his way of making a livelihood by service to his fellow men, just as the doctor and the lawyer serve in their respective fields.

Your real military pro, having elected his service, does more than commit himself to it like a barnacle on a rock. He proceeds methodically to make it his own. He takes over. How? By giving himself to it.

It isn't anything like sacrifice. How could it be, when one of the distinguishing marks of the pro is pride and confidence in his service and in himself? It is no chore for him to be constantly expanding his knowledge of that service and its ways because with greater understanding comes greater confidence.

Why this confidence? He has come to believe in the service, in its mission and its way of life. He has identified himself with it, completely and irrevocably. Even when he fetters he won't shed it. He can't. It is in his thinking, his manner, his behavior.

You can spot the pro against the amateur, the dabbler, because this identification with a tradition, a single honorable career, makes his life meaningful. He moves and speaks with a purpose that springs from knowing exactly what he is and what he will be tomorrow—the same, only better.

Think of yourself, then, as a pro in the year ahead. Don't make 1960 a year of vacillation and self doubt.

Chaplain's Corner

Mark Twain was a youngster at the time of the 1849 gold rush. His little home town of Hannibal, Missouri was on one of the main roads travelled by the gold seekers on their way West. Later in life he vividly recalled how he and his boyhood friends caught the fever from the fortune hunters. They staked out claims along the river near a cave, and pretended to dig for gold. With childhood imaginations, they unearthed golden nuggets and became fabulously rich.

Mark Twain and his pals did that in play. They never suspected that the cave and the adjacent hill were indeed of golden value. To them it was merely dirt in which they dug for imaginary gold. The secret that was to give this dirt value was discovered many years later. For that which was simply dirt and rock to them needed only to be ground up and scientifically processed to be turned into gold. It was a vast cement mine where the finest Portland Cement is made today.

These youthful prospectors were interested only in yellow gold—the kind that glistens. They were unaware, therefore, of the real worth of the imaginary gold claims they had staked out. Many of the greatest values of life are not to be found at the foot of a rainbow. They are at our very feet! Many great blessings surround us every day! We take them for granted because they often seem commonplace. Many wonderful opportunities go by unnoticed because our attention is focused in the distant future.

This is most commonly true of our opportunities for personal development and improvement. They are innumerable every day, regardless of our circumstances, but we fail to see them or refuse to take advantage of them. One real sign of maturity is to be able to see value and opportunity even in disappointments. We can let difficulties blind us to opportunities and warp our outlook so that we fail to develop our abilities. At such times we need the perspective that a vital faith in God can give us.

UNIFORM TESTS—A new raincoat and new material for uniforms are now being considered by the Permanent Marine Corps Uniform board for wear by Marines. Three new raincoats are now being tested. Basic material of the coats is 1.5 ounce nylon twill. The style and design of the experimental raincoats is identical. The majority of the raincoats have been coated with neoprene waterproofing substance. The others are coated with hycar. The tests are expected to be completed by Feb. 1. If the tests prove satisfactory, the best of the three experimental coats will replace the raincoat now in use by Marines. Tests were to be completed last month on new dacron-wool gabardine uniform materials, the Marine Uniform Board said. If adopted this material would replace the 16 ounce green kersey and 10 ounce khaki tropical materials for enlisted Marines. Headquarters Marine Corps has ruled that it is okay for sergeants major to wear winter and summer service uniforms of officer type fabrics on all types of duty, including formation with troops.

Alien Address Report Is Due January 1960

Alien members of the Marine Corps who are in the United States on Jan. 1 are required to report their addresses to the Immigration and Naturalization Service of the United States Department of Justice according to the Immigration and Nationality Act of 1952.

Aliens who are serving on board a ship or in a command outside the United States on Jan. 1 must report their addresses within 10 days after their return. If they return during the month of January, they should write or contact the nearest Immigration and Naturalization office.

If an alien willfully or inexcusably fails to report his address, he can be taken into custody and deported. In addition, a fine and imprisonment may be levied before deportation.

An alien address report card may be obtained from a United States Post Office or Immigration office. The card should be filled out and returned to a postal clerk or an immigration employee. The service member should not mail the card himself.

Alien wives and children of Marine Corps personnel must also report their addresses. The parent of an alien child under 14 years of age is required to make the report for the child. If there is any doubt whether a child is an alien, the parents should consult the nearest office of the Immigration and Naturalization Service.

Gen. Alexander A. Vandegrift, 18th Commandant of the Marine Corps (Jan. 1, 1944 to Dec. 31, 1947), became the first four-star general in the history of the United States Marine Corps.

Louis 'Satchmo' Armstrong To Appear At Camp Theater

Louis "Satchmo" Armstrong, one of America's most beloved musicians, will appear in concert at the Camp Theater Jan. 19 at 6 and 8:30 p.m. Tickets are now on sale at the Goettge Memorial Field House, Marine Corps Exchange, Camp Theater, Drive-In Theater, Officers Club, Staff NCO Club, Marston Pavilion or from unit special services officers.

"Satchmo" learned to play the trumpet by ear from the great Bunk Jones at the age of 11. Arrested for shooting off a gun on New Year's Eve, he was placed in a wife's home where he had an opportunity to further his talents with the school band.

"King" Oliver gave Louis lessons when he was 14 and later he joined with Oliver's band. He later played with Kid Ory, Ollie Powers and Fletcher Henderson.

Louis has appeared before audiences in all parts of the world. Since 1923, he had recorded thousands of numbers on wax.

Among his best-known are "Shine", "Chinatown", "Tiger Rag", "I Can't Give You Anything But Love", "Treasure Island", "Ain't Misbehavin'", and "You Rascal You". He has also composed over 20 tunes including "Struttin' With Some Barbecue".

Armstrong is better known in the United States "as a showman-comedian and a movie and stage star" than as "a great trumpet

player and inspired singer."

This is a misunderstanding because he surpasses in power, style, tonal quality and improvisation, all other jazz trumpeters. "His throaty veiled voice touches one by its beautiful tone and by that same intense vibrato which he uses on the trumpet."

According to one critic, "as long as those pearly teeth hold out, Louis'll still be playing something new, and all the others will be running after him trying to catch up."

Marston Pavilion

Lou Curtis and the Cell Block Five will play for dancing Saturday from 8 p.m. until midnight. A record hop is held every Wednesday from 7 to 10 p.m.

The enlisted men's club features a beverage bar and a lounge open Wednesday through Friday from 5:30 until 10 p.m. Saturdays, Sundays and holidays, the club is open from 2 until 10 p.m.

Refused a marriage license, the two seek what appears to them the only alternative. DeWilde's parents are played by Macdonald Carey and Marsha Hunt and Miss Lynley's widowed father is played by Vaughn Taylor. A probing insight into the world of young love and misunderstanding by parents of their children, this is a film for teenagers and parents alike. (89 min.)

THE BOLD AND THE BRAVE

In the spring of 1944 in Italy, American troops are engaged in one of their toughest campaigns. Sometimes the battle inside a man is so big, the war is small by comparison, as in this story of three infantry soldiers and their friendship for each other. Wendell Corey, Mickey Rooney, and Don Taylor are starred. Rooney gives one of the most hilarious performances of his career as a young soldier who wins a fortune in a series of dice games which take place under a blanket during a blackout. (87 min.)

THE WORLD, THE FLESH AND THE DEVIL

Three people are the only survivors of an atomic war, Harry Belafonte, a miner who escapes from a cave-in and at first thinks he is the only survivor in the world; Inger Stevens, a technician who found refuge in a decompression chamber; and Mel Ferrer, an amateur sailor who was at sea off a lonely coast. Of South America, Belafonte and Mel Stevens are thrown together in New York and fall in love but he resists her advances due to racial pride. The plot is further complicated by the arrival of Ferrer. Set Fast-Moving Pace For Unbeaten West Virginians

The Camp Lejeune Marines emerged victorious over previously unbeaten West Virginia Tech, 111-108, Wednesday to become champions of Lejeune's Second Annual Christmas Invitational Basketball Tournament in the most exciting and hotly contested ball game of the entire 12-game tourney. In winning the championship, the

Marines tied the high-scoring record for the tournament which had been set Monday night by the Golden Bears, a team that had gone into the tournament with an average of 115 points per game and a record of 11-0 for the season.

Final Score

Shortly afterward, Crewey fouled Andreoli intentionally and was removed from the game. Andreoli's two foul shots were good for the final score, and the Lejeune victory, 111-108.

Earlier in the second half, with tempers flaring among players, coaches, officials and the fans, Lejeune's Charlie Morrow was ejected for an intentional foul. At one point during the bedlam of the final minute of play, there was a conference between officials and teams because of two points gone uncredited to the Tech quintet. Somehow in the confusion, the scoring had been missed, but it was finally determined that West Virginia be credited with two additional points, which did not figure in the final outcome.

Terrific Pace

To the delight of the more than 2,000 fans in attendance at Goettge Memorial Field House, the almost riotous contest got off to a fast start and kept that pace for the entire forty minutes, both teams flashing up and down the court with uncanny accuracy. Throughout the first half, the lead changed hands constantly, often within seconds. The half ended with the Marines out on top 54-51.

In the second half, Lejeune increased its lead and maintained an average 4-6 point lead for the first five minutes. At that point, Tech started closing the gap and kept pace with the Marines who held on by threads, keeping two points ahead of the mighty Golden Bears.

Ten-Point Lead

Midway in the half, led by Andreoli, John Ritch, Bill Reeves and Leo Elwell, the Marines grabbed hold of a 10-point margin and the score was 86-76, Lejeune. At the three-quarter mark in the half, Tech again closed the gap and Lejeune led by a scant 92-90 score. Lon Sizemore and Dave West of the Mountaineer team led the attack.

Sizemore hit a bucket with five minutes left to tie the score at 96 all. Bill Reeves hit to put the Marines in front again, but Sizemore bounced back with another basket to tie it at 98-98. That however, was the nearest Tech came for the rest of the game. There were 10

Over 6,600 Fans Witness Rousing Three-Day Tourney

More than 6,600 local fans and visiting spectators from college cities on the East Coast witnessed some of the best basketball ever seen here last week during the three-day Camp Lejeune Marines' Second Annual Christmas Invitational Basketball Tournament at Goettge Memorial Field House. The tournament ended here last Wednesday night with the local Marines emerging as champions, defeating the previously unbeaten Golden Bears of West Virginia Tech, a quintet that entered the tourney averaging 115 points per game this season. The score of the hotly contested and by far most exciting game to be seen here in years was 111-108.

Earlier in the evening, Atlantic Christian College of Wilson, N. C., copped third place in the tournament, edging the University of Baltimore 55-53 in one overtime. The win gave the Bulldogs a 2-1 record in the round-robin and the Balti-

more Bees fifth place and a 1-2 tally.

Last Place

The first game of the day pitted Western Carolina College against Huntingdon College of Montgomery, Ala., for seventh and eighth places in the consolation-elimination type tourney. The Tar Heel quintet won by a 10-point margin, 86-76, which it gained only near the end of a close contest. The Hawks stayed two to four points behind, threatening the West Carolinians all the way to the last five minutes of the game.

WEDNESDAY

Western Carolina 84—Huntingdon 76
East Carolina 95—Elon 63
Atlantic Christian 55—Baltimore 53
Marines 111—W. Va. Tech 108

broke the individual scoring record in the two-year-old tourney when he hit for 36 points in Wednesday's effort. Huntingdon lost all three of their games in the tourney and Western Carolina finished 1-2.

Most Sportsmanlike

East Carolina College took fourth place in the tournament in the second game Wednesday afternoon, trouncing Elon College (N. C.) 95-63, the widest margin of the 12-game series. Ike Riddick, voted "Most Sportsmanlike" in the tournament, paced the winners along with freshman standout "Cotton" Clayton. The fourth place ECC Pirates finished with a 2-1 slate; Elon getting sixth place with 1-2.

Most Valuable

"Most Valuable Player" of the tournament was Lejeune's high-scoring Art Andreoli, formerly of Holy Cross. The popular Marine pace-setter racked up 29 points in the championship battle and compiled 83 points in the tournament.

In the initial action as the holiday round-robin opened Monday, West Virginia Tech displayed what was expected of them in beating East Carolina 111-93, although the Pirates gave the Golden Bears of the Mountaineer state a run for their baskets. Atlantic Christian took an exciting overtime, second game of the tourney, downing Huntingdon 71-63.

First Marine Win

Monday night, a young, but fast and experienced Baltimore quintet beat the West Carolina Catamounts 77-69. Lejeune proved too fast and too seasoned for Elon's Fighting Christians in the final game of the day, 89-74.

Tuesday, winners met winners and losers eyed losers. East Carolina took the first game of the afternoon from the Huntingdon Hawks who threatened several times in the game. The final score: 95-82, ECC. Two more losers vied in the second afternoon contest, another close one, which saw Elon edge out Western Carolina 74-70.

SECOND HIGH—West Virginia Tech's second high scorer, Dave West, moves in to score during the final game of Camp Lejeune's Second Annual Christmas Tournament which ended last Wednesday night. Lejeune won the tourney title by defeating Tech's Golden Bears 111-108. Reaching to block West's shot, at left, is Marine Leo Elwell; his teammate Art Andreoli can be seen at right. (Photo by Act. FAMOUS CAGERS—Hazel Walker's Arkansas Travelers return to the Goettge Memorial Field House Feb. 10 to take on the Camp Lejeune Marines. The popular, traveling women's basketball team toured 45 states last season and compiled a 201-19

won-loss record. The team features four veterans and two rookies this year and should prove a good sports treat for less-serious minded Lejeune spectators.

Hazel Walker's Arkansas Travelers At Goettge Memorial Field House Feb. 10

Hazel Walker's Arkansas Travelers, most famous of touring women's basketball attractions, make a return visit here Feb. 10 to play the Camp Lejeune Marines at Goettge Memorial Field House. The team of seven girls plays nothing but men's teams under regular men's basketball rules. Often called "Miss Basketball," Hazel Walker was selected on the mythical All-America team 11 times, a record that has never been topped. During the 14

years she spent in amateur ball, Miss Walker played on five national championship teams and runner-up teams three years.

She won the National Free Throw title six years and International title two years. Her record of 49 out of 50 tries from the foul line has never been beaten in national tournament history.

Hall of Fame

A few years ago, the lady cage star won a spot with the greats of the sporting world in America's athletic hall of fame—"The Helm's Athletic Foundation of Los Angeles." Miss Walker took her place with such stars as Babe Didrickson Zaharias, golfing's Patty Berg and Marlen Bauer and tennis standouts, Helen Wills, Pauline Betz and Louise Brough.

Last year, Arkansas formed its first hall of fame and Miss Walker was selected as the only woman among its first five members. The selections included Bill Dickey, ex-New York Yankee catcher, and Bill Lee Howell, New York Giant football coach.

Seven Members

The seven girls on the club come from Arkansas, Mississippi and Georgia and include Frances "Goose" Garrouette from Van Buren, Ark.

She is the captain, floor manager and member of the team for nine years, averaging 40-45 points per game against male opponents.

The 26-year-old Miss Garrouette has been an "All-America Selection of Professional Women's Teams" for eight years. She is known as an expert "hook shot" and an unorthodox one-handed push shot. Miss Garrouette stands 5'11" and weighs 155 pounds.

Rayborn

Toby Rayborn of Tylertown, Miss., is in her fifth season with the Travelers. A former high school and college star, she was given mythical all-America honors in a Women's National Amateur Tournament. Twenty-four years old, Miss Rayborn stands 5'8" and weighs 145 pounds.

A student at Mississippi Southern, Virginia "Jenny" McGuffee is a 6'1" standout on the backboards for the Arkansas Travelers. She is 23 and makes her home at Monticello, Miss.

Ball Hawk

Known for her "ball-hawking" is tiny Gina Wood of Van Buren, Ark. She weighs 125 and stands 5'7". The pretty "darling of the hardwoods" has out-rebounded six-foot men. She was "rookie-of-the-year" last season.

Louise Barber, of Manor, Ga., makes her pro-basketball debut this year. As a senior in high school, she compiled 971 points in 26 games. Eighteen years old, Miss Barber weighs 155 and stands 6'1".

First Year

Another initial entry this season, Lucretia Taylor of Kilmichael, Miss., is 17 and a favorite for rookie of the year honors. She is 5'10" tall.

The team plays more than 200 games a season. Last year they finished with a 201-19 record, traveling through 45 states.

Touring in a specially built bus with overhead racks, the team members travel for six months of the year. They roam the country playing top-rated male basketball teams. The Travelers are called the best-dressed of road teams.

Marines Drop Pair To Quantico Team

The Christmas tournament champions had their troubles over the weekend, although they pulled one win out of a three-game slate. After suffering the loss of flu-struck Art Andreoli and twice suffering defeats at the hands of the mighty, undefeated Quantico Leathernecks, the Marines rebounded and blasted Fort Meyer of Washington, D. C., 82-62.

Saturday night, the Marines, minus Andreoli, battled in a losing cause as Quantico cagers beat them 94-80. The following afternoon, it was the Leathernecks all the way as Lejeune fell by a 104-73 score.

Set for an unscheduled contest with FMFLant at Norfolk last Tuesday night, the Marines return for a single home game with Ft. Gordon at the Goettge gym tomorrow night.

In the first game with Quantico Saturday, the Marines matched the Leathernecks point for point at the outset. The score was 36-all with six minutes left in the first half. The Virginia five, however, pulled away to a 57-47 lead at halftime, led by high-scoring Jack Sullivan, John Brewer and Bobby Miller. Sullivan finished the game with 36 points.

Threat

After holding a substantial lead in the second half, Quantico fought off the locals who had begun to close the gap in the score. With three minutes left, the Leathernecks led by a scant 81-71. At this point, the Marines applied a full court press but managed to score only two more points before the final buzzer.

Backboard artist, John Ritch hit for 19 Lejeune points in the struggle. Charlie Morrow had 18 and Bob Fearnside got 10. The score again, 84-80, Quantico.

Sunday

Andreoli, out with the flu Saturday, was back for the Sunday afternoon contest and scored 15 points as Lejeune went down 104-73. Quantico hit 50 per cent of their attempts and were led by former West Virginia star, Joedy Gardner who totaled 22 points. The one-sided affair saw both teams using their reserves toward the end of the game.

No details were available on the Ft. Meyer win and results of the FMFLant contest were not in at GLOBE presstime.

Records

Lejeune's season record is now 11-6 including the Christmas tournament victories.

Quantico now has a 13-0 record on the season and will face the local quintet here Feb. 5-6.

After the single game here tomorrow night with Ft. Gordon, the Marines take to the road again for games at Seymour Johnson AFB, Ft. Lee, DesLant and ServLant, before returning to the field house Jan 15 to begin a week-long home stand.

Boxing Team Faces Bragg Tonight In Return Match

Lejeune's boxing team, with a 2-2 record, will face the pugilists of Ft. Bragg tonight in Goettge Memorial Field House starting at 8 p.m. This will be the second time that the two teams have clashed this season. The soldiers took eight of 10 matches from the locals in the season opener there. With the

addition of a new coach and the increased skill of the team's first year men, Lejeune hopes to "hold their own" against Bragg. Coach Rex Williams says, "This will be the best match that Lejeune fans have seen in a long time. There is a possibility that some of Bragg's boxers will be picked for the Olympic team," he stated.

Rated as one of the best service teams in the nation, the Army team will come to Lejeune with the same card that the Marines faced earlier.

The action will see Lejeune entering many of the boxers who faced Bragg previously including bantamweight Ron Cooper, featherweight Rocky Fiorentino, light middleweight Luchion Green, light weight Tom Zangla, and light heavyweight Bill Breitman.

Others who will face the soldiers are, flyweight Leroy Metz, middleweight Roger Gray and featherweight Ernie Marshall. All three have seen limited action so far.

The locals may have to enter the match without welterweight, heavy and light heavyweight fighters due to the recent loss of three fighters: Dick Guilford, who has been released from active duty; Julio DelCarminio and Mike Castro, both have been dropped from the team.

However, coach Williams has stated that the team will enter at least 10 fighters in the match tonight.

READY—Featherweight Ernie Marshall, left, and bantamweight Ron Cooper are ready for action tonight when the Marines face the Ft. Bragg boxing team in a 10-bout team match. Marshall will be facing Bragg for the first time, but Cooper met the soldiers in the season opener at Ft. Bragg. Tonight's match will begin at 8 p.m. in Goettge Memorial Field House.

Force Troops Initiates Play

The 1959 Force Troops Intramural Basketball season had its official kick-off Dec. 15 in building 300 when Headquarters Company handed 2nd Composite Radio Company a 68-59 loss.

Pacing Headquarters to their initial victory of the season was Timothy E. Allan who scored 18 points while Robert J. Littlejohn provided the spark for the losers with 22 points.

In a second game the same night 8th Engineer Battalion defeated 2nd Bridge Company 67-39. Other League action Wednesday night found 2nd Air Naval Gunfire Liaison Company falling to 8th Communications Battalion 51-81.

WGA Stages Golfing Event

Last Monday at the golf course, the Womens Golf Association held a "Three Worst Holes To Par" Tournament. Ione Everett took top flight for the afternoon tourney.

There are three holes which are considered hardest to par on the course; holes 10, 14 and 18. Anyone who makes par on these three is recognized as a better-than-average golfer.

Winners of the individual flights were: "A" flight—Ione Everett, 64; "B" flight—Dotty Trietel, 61; "C" flight—Vivian Collins, 58 and "D" flight—Monoaka Midkiff, 23. Least putts went to Bobbie Florie who had 20.

Animals which are surplus to the big game herds on National Wildlife refuges in Nebraska, North Dakota, Montana and Oklahoma are offered for sale. The surplus disposal program includes 303 buffaloes, 91 elk and 110 longhorn cattle. Buffaloes and elk may be purchased alive or butchered. Prices for these animals are generally higher this year as a result of the demand in the market.

Persons desiring to purchase the animals alive may obtain them at the following prices which include the cost of corralling and delivering to the purchaser's truck or crate at the capturing corral on the preserve: buffalo, under two years of age, \$140; elk, under two years of age, \$100.

Sportsmen desiring big game roasts and steaks can buy the butchered carcass of a buffalo weighing about 450 pounds for \$165, \$180 or \$200, depending upon the manner in which the carcass will sell for \$80, \$90 or \$100. These are mature animals, two years or older. A whole elk weighing from 250 to 300 pounds will sell for \$100 to \$120; half a carcass \$50 to \$65, depending on manner of processing and packaging. These animals are two years or older. All prices are f.o.b. at the refuge.

A leaflet containing complete details of the annual sale of surplus animals may be obtained by writing the Director, Bureau of Sport Fisheries and Wildlife, U. S. Fish and Wildlife Service, Washington 25, D. C.

This method will keep bacon flat in the skillet and prevent it from curling. Put about one half an inch of water in the pan. When it is warm add bacon. Bring water to a low boil, dump it out and fry bacon slowly, turning several times so that sides are evenly browned. When fat part is clear, remove from fire and sprinkle lightly with pepper.

Just because you've nailed your buck for the past four seasons, don't stick up your nose at rabbits. One trip after the zigzagging targets and you'll be hooked. You can hunt with dogs—almost any kind—or without. You can stalk or wait, your weapon can be anything from a bow and arrow to a 12 gauge shotgun.

If you do any hunting at all, chances are you have everything needed to chase Peter cotton tail. Take a dog along if you have one. More important, if you have a son, include him in your plans. There is no sport on which to better whet his hunting appetite.

Clothes: Here is one sport that doesn't require expensive gear. All

you'll need is your gun, shells and license. But tough clothes will help in heavy brush. The laces behind boots. Gloves will save your hands from briar scratches.

Gun: Rabbits are shot with about every type of gun you can think of, and should you use a shotgun, shells between six and seven and a half are recommended.

Game: There are many reasons why rabbits are rated so high with the hunting public. For one thing, they are known as backyard game and we have a large backyard on the base.

Division Pin, Cage Loops At Mid-Point

New Year's marked the midway point in the 2nd Division intramural basketball and bowling leagues, with basketball winding up in two team deadlock in both the National and American leagues.

Hq. Bn. and 2nd Bn., Tenth Marines, led the parade in the American League with identical 5-1 records, while 4th Bn., Tenth Marines, and 2nd Bn., Sixth Marines, shared top honors in the National League also with 5-1 won-loss logs.

First half proceedings in the Division intramural bowling league wound up with Medical Bn. holding a slim half-game lead over Service Bn. in the American League and Hq. Bn. maintaining a comfortable five and a half game lead over their closest rival in the National League.

Second half action will get under way Monday in both basketball and bowling.

No Winter Hibernation At Wallace Creek Boathouse

Camp Lejeune's Wallace Creek Boathouse might appear in winter hibernation. Cold weather isn't too conducive to outdoor boating activities and if the average Marine were asked, "What do they do during the winter?" he'd probably answer, "Why, I imagine they secure the place until spring." Nothing could be further from the truth.

Act. Gysgt. L. P. Neault and his 11-man crew put in full working days and even then Sergeant Neault exclaimed, "Where does the time go?"

Actually the boathouse is open six days a week. From Tuesdays through Fridays it's open from noon until sunset and on Saturdays, Sundays and holidays from 9:00 a.m. until sunset.

Equipment

On hand for check-out purposes are 27 sailboats; 98 outboard motors ranging from tiny three-horsepower putt-putts to 25-horsepower jobs used primarily for water-skiing. They also have 72 rowboats, 36 18-foot aluminum canoes and 25 sets of water skis. As a safety precaution no one is allowed to check out any water equipment unless they hold a valid swimming certificate. In addition, there must be a life preserver for each occupant of a water craft.

Hobby Shop

Mr. Gottchalk, formerly maintenance officer of an amphibious truck unit, is always available for assistance to boating enthusiasts. He advised that many people have bought kits and assembled them at the Hobby Shop Boathouse. Launching is no problem as ramps and winches lead from the shop out into Wallace Creek.

All types of materials for boating from lumber to nails can be purchased right at the shop. Formerly there were no provisions for private boat owners to buy gasoline at the Boathouse. A new change will see a pump on hand, and all that is needed is a chit from Special Services stating how much gasoline can be purchased.

The Boathouse crew is currently preparing all their craft and motors for the anticipated spring season. Four of the 11 men are factory-trained outboard motor mechanics.

Life Saving

All boathouse personnel hold Senior Red Cross Life Saving Certificates, First Aid Certificates and small craft certificates.

In addition to holding these credentials, most of the men instructed during the week in water safety, small craft operation as well as give merit badge tests to various Scout groups.

Wallace Creek also maintains boating facilities for Montford Point, Courthouse Bay and the Rifle Range.

Gunny Neault, who up to several weeks ago was Camp Lejeune's boxing coach, has a full-time job. He and his crew work the year 'round to give Camp Lejeune top water recreation.

The Golden Bears of West Virginia Tech were held below 100 points for the first time this year by the underestimated Atlantic Christian in the first "winner-winner" game Tuesday evening. The Bulldogs scared the wits out of the powerful Tech five, grabbing the initial lead, 4-0. For most of the first half, however, it looked like Tech would walk away with the game, but ACC began rolling and the half ended, Tech leading 34-30.

In the second half Atlantic kept pace with the Bears, staying 2-4 points back until five minutes of the half when ACC tied it 37-all. The lead changed hands several times, until the last few minutes when Tech began staying ahead and widened the scoring gap to a final 12-point margin, 75-63, West Virginia.

Baltimore "Kids"

The "kids" from Baltimore "showed the world" in the last game of the semi-finals that night, although losing to the Marines 83-75. Lejeune kept the lead in the hard-fought first half, but Bee stars, Bill Frantz and Jack Bychich, combined to tie the game twice and put Baltimore in the lead three times in the second half. Lejeune finally pulled away to an eight-point lead and held on to it.

Area Scouts Slated For Annual Banquet And Honors Court

The East Carolina Council annual Boy Scout Recognition Banquet will be held in the new Scout dining hall of East Carolina College, Greenville, N. C., Wednesday at 7 p.m.

Mr. W. A. Dobson, Region VI Scout executive, will act as guest speaker at the banquet.

A 41-passenger bus will be provided by Camp Lejeune for transportation to the meeting, and additional buses will be available if needed. For further information and for bus tickets, please contact Act. Gysgt. Gerald Johnson at ext. 7-3604 or ext. 9-8219. Those planning to ride the buses are asked to notify Sergeant Johnson or Col. R. D. Strickler so that adequate transportation may be provided for all.

Court of Honor

Members of Boy Scout Troop 490 will be hosts at the Onslow District Court of Honor Jan. 21 at 7:30 p.m. at the Camp High School. Unit leaders are requested to send their advancements for the Court of Honor to Col. R. C. Walker, MOQ 2208, by Jan. 14.

In addition to numerous other Scouting Awards and merit badges, several Eagle Scout awards will be presented.

Roundtables

Plans for Boy Scout Week activities were discussed at the Onslow Club and Boy Scout roundtables held Tuesday at the Tarawa Terrace Elementary School.

SANTA PACKS UP—Christmas is over for another year, and Santa Claus has put his traditional red suit in safe storage until next December. Santa, who made Marine Corps Air Facility his headquarters this year, has presided over Yuletide festivities in many Marine Corps posts and stations, including several in the Far East.

'St. Nick' Packed Suits, But Headed For MCAF Instead Of North Pole

Santa Claus has put away his red suit and cap until next Christmas, but he hasn't gone back to the North Pole: he is a member of HMRL(264, MAG-26, Marine Corps Air Facility, at New River. Act. Ssgt. Eugene R. Reilly, who assumed his alter ego as Santa Claus 14 years ago, visited over 400 homes

at MCAF Christmas Eve, distributing candy-filled stockings to servicemen's children

there. Setting out on his rounds at 5 p.m., "Saint Nick" completed his visits at 3:30 a.m. Christmas morning. He was assisted by the members of HMRL(264 and an assistant "Santa," who wishes to remain anonymous.

In his long career as Santa Claus, Sergeant Reilly has donned his robes for children in orphanages, schools, hospitals and homes in New York, California, Washington, D. C., Korea, Japan and Okinawa. Although he has never made his entrance riding a reindeer-drawn sleigh, Christmas in Korea found him making Yuletide visits in a helicopter and an Army "Duck" (DWK). During the Korean conflict, Santa substituted an "A" frame pack for his customary bag in delivering holiday gifts and goodies.

Sergeant Reilly began his role of Santa Claus 14 years ago, when he and his brother decided that it would be fun to borrow a Santa Claus suit from a nearby department store, and wear it when delivering Christmas gifts to their family and friends. Since that year, Sergeant Reilly has spent each Christmas as St. Nicholas, giving time, money and effort in making the holiday season a happier one for families at his duty stations.

The Air Facility's Santa, who is willing to unpack his suit at any time of the year when Christmas spirits seem to be needed by children, claims as his only wages the "satisfaction of bringing joy and happiness to someone else."

OWC — Group V of the Officers Wives Club will hold their monthly luncheon Friday at the Paradise Point Club. Mrs. Tracey Berckmans will speak to the members on the rules of protocol and will hold an open discussion period following her lecture. Since this topic is of vital interest to military wives, all group members are urged to be present. Hostesses for the luncheon will be wives of the 2nd Anti-Tank Bn., with Mrs. J. E. Sundholm serving as senior hostess. Reservations may be made by calling Mrs. T. T. Hoogerwerf at Jax 7336.

Group VI

Group VI of the OWC will hold their monthly luncheon Wednesday at the Paradise Point Club. Special topic for the meeting will be a demonstration lecture on make-up, given by a representative from a local ladies' dress shop. Mrs. H. C. Rifel, Mrs. E. E. Kauffer and wives of the 1st Bn., Eighth Marines, will be hostesses at the luncheon. Reservations may be made by calling Mrs. Kauffer at ext. 6-6519.

Group IV

The committee chairmen of OWC Group IV will conduct an executive board meeting Wednesday at 9:30 a.m. in Mrs. R. F. Huebsch's quarters, MOQ 2412. Committee chairmen for the March fashion show will attend and will begin plans for the show.

Group I

Although OWC Group I has planned no January luncheon, each member is asked to remember the White Elephant Sale to be held Feb. 9. Articles to be sold at the coffee should be brought to one of the following places by Feb. 8: Mrs. June Cahill, Quarters "K"; Mrs. Elena Naylor, MOQ 2319; Mrs. Francis Leopold, MOQ 2619; and Mrs. Mary Roberts, 314 Woodhaven Dr., Jacksonville.

Registration for the Spring activities sponsored by the Officers Wives Club will be held at that time.

Coffee 'N' Confusion

The Junior Wives Coffee and Confusion Group invites all officers and their wives to be "beatniks" for an evening at the Beatnik Ball, to be held Jan. 16 at the Paradise Point Club.

A spaghetti dinner will be served buffet-style from 7 until 10 p.m., and the Vagabonds will provide "cool" dance music from 8 p.m. until midnight.

Reservations, made at the club, should be in before Jan. 14. Dinner reservations will be \$1.60 per person.

STAFF WIVES — The Staff NCO Wives Club will hold their regular business meeting tonight at 8:15 in the Tarawa Terrace Community Building. All wives of Lejeune staff NCO's are cordially invited to attend.

EM WIVES — Mrs. Vanda Richardson, a former fashion model, will give pointers on "Selection of Models for Style Shows" at the Camp Geiger Enlisted Wives Club meeting Tuesday at 11 a.m. in the Geiger Community Building. The club is USO-sponsored, and all enlisted wives in the Camp Geiger Trailer Park are invited to attend meetings and to join the group.

RING THAT BELL—The chairman of the Federal Services Campaign, Lt. Col. Sam W. Smith, third from right, and his co-chairmen prepare to kick off the 1960 campaign. Co-chairmen, left to right, are Capt. R. D. Swanson, Air Facility; Maj. K. D. Morrison, 2nd Division; Mr. M. A. Califano, Civil Service personnel; Colonel Smith; Maj. W. S. Patee Jr., Marine Corps Base, and Maj. J. R. Hansen, Force Troops. (Photo by Act. Sgt. S. E. Bolf.)

CARE Means Food For The World Needy

In tiny villages of Pakistan, when CARE packages of milk powder first reached undernourished school children, many of the youngsters—and teachers, too—thought the milk came from trees in America.

Food Crusade

This wondrous vision of the U. S. as a land where even milk grows on trees has had its counterpart among children and adults CARE has helped to feed the world over. But now they understand; the miracle springs from the generosity of America's people. It comes true through CARE's Food Crusade, one of the three programs supported by the Federal Service Joint Crusade.

The miracle starts with our farm abundance. From its stockpiles, our Government gives CARE tons of milk powder, flour, and corn meal. Then, to match nutritional needs in various countries, CARE buys other items like rice and margarine. Costs of packing, handling, supplementary buying and delivery are balanced so that every \$1 donated provides a Food Crusade package.

Milk

A 27-pound milk powder package for Pakistani schools, for example, gives 16 children an ounce glass of milk every school day for a month, while a 24-pound assorted package for Colombia supplements a month of meals for a destitute family.

Since its first food deliveries to war victims in 1946, CARE has added an essential Self-Help program that gives the needy the tools to help themselves. But in a world where more than half of the people do not have enough to eat, food must still take priority.

Refugees, orphans, disaster victims, the hungry and hopeless in areas from Haiti to Hong Kong, Poland and West Germany to Iran and Korea, are among those fed by contributions.

Old Timers Sought

In connection with the observance of the 2nd Division anniversary, the Division Information Service Office is interested in interviewing Marines and Navy men now serving in the Division, who were with this unit when it was formed at Camp Elliott, Calif., on February 1, 1941. Please call 7-5680 or 7-3064.

Seven Old-Timers Begin New Careers As Private Citizens

Seven Leathernecks of the 2nd Division departed Camp Lejeune Dec. 31 to begin the new year as private citizens. The "old-timers" took with them a century and a half of honorable service in the Marine Corps as they were officially transferred to the Fleet Marine Force during retirement ceremonies here last week. Four of the Marines plan to remain in the South, while one intends to settle in Berkeley, Calif. Intentions of the other two are not known. The men are: MSgt. Horace E. Atkinson, Beaufort, S. C.; Act. MSgt. John O. Miller, Berkeley, Calif.; Act. MSgt. George T. Brack, Norman Park, Ga.; Act. MSgt. James T. Jordan, Jacksonville, N. C.; Act. MSgt. "J" "D" Lee, Nakina, N. C.; Act. MSgt. John F. Bokum, Hinsdale, N. H., and Act. MSgt. James T. Jordan, Olyphant, Pa.

Sergeant Atkinson, who first enlisted in the Corps in June, 1939, served both in the Pacific campaigns and the Africa-Middle East area during World War II, earning three stars during his tour in the Pacific. Atkinson served as Motor Transport Repair Chief in the Division's 2nd Service Bn. prior to his release from active duty. A veteran of the second World War and the Korean conflict, Sergeant Miller is the only one of seven Leathernecks who plans to reside on the West Coast. Sergeant Miller, his wife, the former Miss

Grace Halstead of Berkeley, Calif., and their three children plan to make California "home." Miller has served as 2nd Service Bn. administration chief since August, 1958.

Motor Transport chief in the Division's 2nd Service Bn. since June, 1956, Sergeant Brack saw combat during the Korean conflict, earning six battle stars.

MSgt. James T. Jordan has served with the 2nd Division since August, 1957, as a telephone technician with the Medium Support Co., 2nd Service Bn.

Also a veteran of World War II's Pacific campaigns, MSgt. "J" "D" Lee of Nakina, N. C., plans to "go home" to Nakina where he and his family will reside.

The other two outgoing Marines include Act. MSgt. James T. Jordan, Olyphant, Pa. While with the Division, Sergeant Jordan was first sergeant, H&S Co., 1st Bn., Eighth Marines. He first enlisted in the Corps in June, 1938.

Act. MSgt. John F. Bokum of Hinsdale, N. H., completes the list of retirements.

NEW OFFICE—Col. R. D. Strickler, seated, who assumes duties as Special Services Officer today, is acquainted with his new office by Col. A. B. Geiger, left, former Special Services Officer, and 1st Sgt. E. J. Rader. Colonel Strickler was formerly commanding officer of Hq. Bn., MCB. Colonel Geiger is slated to assume command of the 1st Infantry Training Regiment Saturday. (Photo by Act. Sgt. W. J. Rush.)

Division Announces Recent Drill Instructor Selections

Results of the recent Drill Instructor screening board have been announced by the 2nd Division's personnel office. The Drill Instructor screening board, headed by Maj. Joseph S. Heitzler, executive officer, 3rd Recruit Training Battalion, arrived here from Parris Island Dec. 15, to select "mature, stable individuals" for duty as Drill Instructors.

The Division Marines selected to receive orders were: Act. Gysgt. Walter A. Weise, 1st Bn., Eighth Marines, and Act. SSGts. Bobby W. Armstrong, Hq. Bn.; Leon T. Williams, 2nd Recon. Bn.; Harry D. Jackson, 2nd Bn., Second Marines; James M. Galaga, 1st Bn., Tenth Marines; Freddie J. Morris, Hq. Bn., and Harry P. May, 2nd Anti-Tank Bn.

Among the successful applicants interviewed, only one has had prior experience on the drill field. He is Act. SSGt. James M. Galaga, who served two years as a drill instructor at Parris Island. Galaga, who has been a member of the 2nd Division since April, 1958, also served one year in Korea, earning three battle stars and the Korean Presidential Unit Citation. Formerly a resident of Detroit, Mich., the ca-

reer Marine states he prefers Camp Pendleton for his next duty station.

Staff Sgt. May, a veteran of six and one-half years' active Corps service and a native "Tar Heel," has served with the Anti-Tank Bn. since February, 1959, as a platoon sergeant. In commenting as to why he volunteered, Sergeant May indicates "The duty will be good experience and will no doubt help me out in the future." During his active service, he has seen duty at Cherry Point, Hawaii, and on Midway. He is married to the former Miss Virginia Allen, Rt. 1, Canton, N. C.

The other applicant interviewed, Acting SSGt. Morris, is a veteran of the Chosin Reservoir campaign in Korea where he served with the 5th Marines. He earned the Purple Heart for wounds received at Hagaru. The most travelled of the three interviewed, Sergeant Morris has served on Guam, at Subic Bay, P. I., Sasebo, Japan, New Orleans and aboard the USS Princeton and USS Yorktown. The veteran of nearly 12 years Marine Corps service joined the Division last October. He thinks the duty will be a definite challenge.

Area Marines Donate Blood

Seven Camp Lejeune Marines with a rare type blood, "O" negative, traveled to Chapel Hill, N. C., Tuesday to donate blood to Mrs. Vivian A. Coston, wife of William G. Coston, a state highway commission worker.

Open heart surgery was performed on Mrs. Coston yesterday at the North Carolina Memorial hospital in Chapel Hill.

Unable to procure the necessary blood for surgery, 20 pints, Mr. Coston appealed to Camp Lejeune for donors.

From the many volunteers replying to the call, seven with type "O" negative blood were selected. They were Act. Cpl. William Brandon, Pfc Ramona Carpenter, Pvt. William Dowd, Pvt. Dominick Laurey and Pvt. Daniel Bean, Marine Corps Base, and Act. MSgt. R. F. Flynn and Act. Sgt. William Clark from Force Troops.

Prize Winners Announced In Essay Contest

Winners in the Marine Corps Association's 1959 Prize Essay Contest have been announced in the January issue of the Marine Corps Gazette.

In the Company Grade officers' category, top honors were taken by Capt. Paul E. Wilson of the Marine Corps Base at 29 Palms, Calif. Captain Wilson wrote on the need for Force Artillery. Writing on the Red Soldier today, 2nd Lt. William E. Jackson of MCS, Quantico, Va., took an honorable mention in the same class.

A Navy chief, YNC R. Moore, of the USS Bryce Canyon, was awarded top prize in the enlisted category—with an essay on the need for courage in peacetime. Act. SSGt. Harold Puckett of El Toro received honorable mention in this class for his article on the Red Army.

In the special class for MarCads, PLC's, OCC's, and NROTC students, first prize was taken by Act. SSGt. James W. Rider, USMCR, of West Seneca, N. Y. No honorable mention was awarded in this class.

SOCIAL security taxes for the calendar years 1960 through 1962 will be three per cent of the first \$4,800 of yearly basic pay. The Defense Department agencies as "employers" will pay an equal amount. This chart shows new monthly deductions. The maximum tax payable by service personnel will be

\$144 per year. When basic pay is \$4,800 per year or less, SS tax will be deducted in the above equal monthly amounts throughout the calendar year. When basic pay exceeds \$4,800 per year, SS tax will be deducted only from the first \$4,800 of basic pay.

Admiral Ward Will Address Bar Members

The Judge Advocate General of the Navy, Rear Adm. Chester Ward, will visit Camp Lejeune Monday as special guest of the Camp Lejeune-Cherry Point Bar Association. This will be Admiral Ward's third address to local barristers since 1958.

Monday evening, the admiral will address an open meeting of the Bar Association at the Paradise Point Officers Club. An invitation has been extended the officers of Marine Corps Base by the Association.

Address Topic

Admiral Ward has requested to speak on "Matters Broader Than Military Law," including proposed changes to the UCMJ, and current legislation affecting the Navy Department. The admiral's address will also touch on the present threat of world communism.

Activities are scheduled to begin at 6:30 p.m. in the club's River Room with refreshments until 8 p.m. A dinner will be served in the main dining room from 8 to 9 p.m. The admiral's address, also to be given in the main dining room, is slated to begin at 9 p.m. The dinner menu is to consist of charcoal broiled steaks, tossed salad, potatoes, vegetable, dessert and coffee. The attire is civilian clothes.

Schedule Set For All-Unit GED Testing

Dates for high school GED tests to all units at Camp Lejeune and the regulations and procedures required by the Base Education Office have been outlined in Base Bulletin 1560.

The outline includes the schedule of testing and the number of reservations by units, for the period from Jan. 4 through June 30 and is divided into weekly testing periods.

Unit Obligations

Since no unit is either obligated to fulfill its schedule of reservation for men to be tested during any given week, it is necessary for the Base Education Office to know one week in advance the number of men to be tested from each scheduled unit. Therefore, it is requested that this information be phoned to the Education Office on the Monday prior to the week of scheduled testing.

Further information and schedules may be obtained in Base Bulletin 1560.

BULLETIN

A 30-man working party was air-lifted from the New River Air Facility by helicopter yesterday to participate in rescue operations near Bolivia, N. C., where a commercial airliner crashed. The party consisted of 20 Marines from MAG-26 and 10 from Marine Corps Air Facility units.

FIRST BORN—Kimberly Dawn Terrell became Camp Lejeune's first baby of 1960 when she was born at the U. S. Naval Hospital here at 2:42 a.m. New Year's Day. Miss Terrell, weighing in at six pounds, four ounces, is a "first" for proud parents, Pfc and Mrs. William S. Terrell. Private Terrell is a member of H&S Co., 2nd Bn., Second Marines, 2nd Division. New Commandant Installed In Washington Ceremonies

Gen. David M. Shoup became the 22nd Commandant of the Marine Corps Jan. 1. The new Commandant, holder of the Medal of Honor for conspicuous gallantry at Tarawa, was administered the oath of office and promoted to four-star rank by Secretary of the Navy William B. Franke during ceremonies in the Secretary's

Pentagon office. General Shoup succeeds General R. McC. Pate who retired after more than 38 years of active service as a Marine officer, the last four as Commandant. General Pate received full honors during formal retirement ceremonies at Marine Barracks, Washington, D. C., Dec. 31.

Five general officers also assumed new Headquarters posts Jan. 1 and were promoted to their present rank.

Lt. Gen. John C. Munn, former

Director of Marine Aviation, succeeded Lt. Gen. Verne J. McCaul as Assistant Commandant of the Marine Corps.

Lt. Gen. Wallace M. Greene Jr., former Deputy Chief of Staff (Plans), succeeded General Shoup as Chief of Staff.

Maj. Gen. Chester R. Allen replaced Maj. Gen. Roy M. Gulick as Quartermaster General of the Marine Corps.

Brig. Gen. Harold D. Hansen, assumed the office of Assistant Quartermaster General, previously held by General Allen. Brig. Gen. Philip W. John assumed the post of Director of the Material Division, formerly held by General Hansen.

E-8/E-9 Board Will Convene On February 1

The Fiscal Year 1960 E-8/E-9 selection board will convene about Feb. 1 to consider all eligible acting master sergeants and gunnery sergeants for promotion to pay grade E-8 and all eligible first sergeants and master sergeants for promotion to sergeant major and master gunnery sergeant.

First sergeants must have two years in grade on Feb. 29 for consideration for promotion. The service in grade requirement is waived for all master sergeants. Acting master sergeants and gunnery sergeants must also have two years in grade on Feb. 29.

Marines who desire redesignation to the opposite rank within their pay grade will also be considered by the board. They must have their requests in by Jan. 15.

Federal Fund Drive Begins January 11

The 1960 Federal Service Campaign for the support of National Health and International Relationship agencies will begin Monday, Jan. 11, and continue until Feb. 19. Donations from the campaign will be used for the support of eight national agencies and three international agencies that have

been recognized by the President's committee on fund raising within the federal services.

The chairman of the campaign, Lt. Col. Sam W. Smith, met with co-chairmen Monday to plan for the crusade. The criteria for appointing assistant chairman and keyman in the individual organizations was discussed.

Donation envelopes were given to each co-chairman for distribution to keymen. Contributors may designate, on the envelope, the agency to receive the money.

Agencies

The National Voluntary Agencies participating in the campaign are American Cancer Society, Inc., American Heart Association, Inc., Arthritis and Rheumatism Foundation, Muscular Dystrophy Association of America, Inc., National Multiple Sclerosis Society, National Society for Crippled Children and Adults, National Society for Prevention of Blindness, Inc., and the United Cerebral Palsy Association, Inc.

The American Korean Foundation, Inc., Crusade for Freedom, and CARE, Inc., are the recognized International Relationship Voluntary agencies.

No monetary quota will be established for the campaign. The percentage quota will be determined by "on-board" strength.

Co-Chairmen

Co-chairmen for the campaign are Maj. W. S. Patee Jr., Marine Corps, and Maj. K. D. Morrison, Air Force. Maj. J. R. Hannon, Air Force, and Mr. M. J. California, Civil Service personnel.

The Federal fund raising plan provides an opportunity for Government people around the world "to demonstrate their generosity under conditions which place a high value upon the dignity and the rights of the giver and preserve the spiritual content of each gift to a deserving cause."

The National Association for Mental Health, which will be listed in the campaign literature for the health drive, is not participating in this campaign because they participated in and received donations during the United Fund drive.

Alien Classes To Convene January 25

The Base Education Office has announced that classes in citizenship are scheduled to begin January 25. Classes will consist of two courses, reading for personnel who read little or no English and subjects necessary to pass the naturalization examination such as American History and Constitution.

Eligibility

Eligible to attend these classes are alien Armed Forces personnel stationed at Camp Lejeune and their alien dependents.

The first meeting of the classes will be held on Jan. 25 in room 138 at the Camp High School beginning at 7 p.m. At this meeting classes will be formed and a literacy test administered.

Text Books

Regular classes are scheduled to begin Feb. 1 and continue until April 27. The classes are scheduled for Monday or Wednesday night of each week from 7 to 10 p.m. Text-books are furnished, however, students should bring their own writing materials.

Home Study

Although Armed Forces personnel who are aliens may attend these classes when recommended by their commanding officer, it also is possible that some of these personnel can accomplish more through self study. The Base Education Office, located in Bldg. 19, Camp Theater, has procured several copies of the home study course in citizenship which may be checked out by service personnel preparing for naturalization. Assistance with this course is available at the Education Office.

NEW COMMANDANT—Gen. David M. Shoup, left, presents the Marine Corps colors to Gen. David M. Shoup during retirement ceremony for General Pate at Marine Barracks, Washington, D. C., Dec. 31. General Shoup became the 22nd Commandant of the Marine Corps Jan. 1.

messhalls, warehouses, cafeterias, and

other places free from roaches, rodents, fleas,
and bedbugs.

Equipment Overhaul

These winter days are also used by the unit
to overhaul their equipment in preparation for
the coming spell of warm weather, to cut brush
and clear ditches to facilitate draining, and to
allow air and sun to dry out pest breeding places.

Despite the absence of spray-fogging vehicles
around the Base, the Insect Vector Control unit
is on the job year-round making Camp Lejeune
a cleaner, safer and healthier training site.

PARTS MANUFACTURE—Making a loading ramp pin for an LVT P-5 is Act. Sgt. Gerald Schimpf, H&S Co. The mobile machine shop where Sergeant Schimpf is working is used for the manufacture of small parts and is also equipped to assist during field operations.
