Quantico Shooter Sets New Record Here

Fires 247 To Requalify At Pre-Matches

A new Marine Corps rifle requalification record, 247x250, was set Friday as some 450 Eastern Division Rifle and Pistol match shooters blazed a bullseye trail over the annual requalification course.

Act. SSgt. Floyd E. Page, dropping only one point in off-hand and two in the 300-yard line slow fire sitting, set the new record. Forty-two of the match shooters were hot on his heels with scores in the 240's.

The old record, also a 247, was set in 1955 by Act. SSgt. Harry Tibbs during Western Division match requalifying at Camp Pendleton, Calif. The tie-breaker stems from 500-yard line scores. Tibbs scored 49x50 at that range; Page hit the perfect possible.

Page, a distinguished rifle marksman since 1955, is one of the big guns for MCS, Quantico, team.

Not all of the 530 Eastern Division shooters, presently in training for the May 5 rifle and pistol matches, fired the requalification course. Distinguished rifle shooters and those in the 36-year-old-plus age bracket had an option. Eighty of them took advantage of the choice and didn't fire.

Of those who fired the course, 261, or 58 per cent, scored 230 or better. Ammunition was a big factor. This is the first year for Division matches to use match ammo.

This week and next will see a continuation of intensive practice on the Eastern Division firing line. Rifle shooters will fire the complete 600-point match course five times. Pistol shooters will cover the National Match pistol course, used in division competition, a total of 10 times. This is also a 600-point course.

In addition, pistol shooters vying in the 2,700-point aggregate match, new to division shooting this year, will fire part of that match for record this week.

The 2,700 aggregate involves 1,800 points scored with .22 cal. and centerfire weapons (38 or 45 cal.) added to the regular match course with the .45. The 1,800 points will be fired for record this Saturday. Aggregate winners will be named after the May 7 pistol individuals.

3 PRESIDENT—Act. SSgt. Floyd E. Page, center, new Marine requalification record holder, gets some well deserved from other Eastern Division "dingers" who hit in the 240's. Picked off a 247x250 with a possible at the 500-yard line for 247. From the left are: Act. SSgt. Lawrence Dubia, Eighth

Marines (245); Act. Sgt. Hazie L. Vance, 2nd Air Wing (241); Page; Act. GySgt. John H. Mitchell, Force Troops (241); Act. SSgt. Ronald R. J. Chabot, Hq. Bn., 2nd Division (241), and Act. SSgt. Wallace D. Lloyd, Tenth Marines (242).

Brigade Training Set Monday

The Provisional Marine Brigade is slated to stage an exercise Monday, upon return from Vieques Island. The exercise will be held at Camp Lejeune, N.C., and will be commanded by Col. J. R. Little, 3rd Marine Division, as its main element. The exercise will include the 1st, 2nd, 3rd, 4th, 5th, 6th, 7th, 8th, 9th, 10th, 11th, 12th, 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st, 22nd, 23rd, 24th, 25th, 26th, 27th, 28th, 29th, 30th, Onslow Beach Opens For Summer Thursday

Lejeune sun-bathers and surf swimming enthusiasts will soon be able to enjoy the many recreational facilities at Onslow Beach. Its opening is scheduled for next Thursday. The beach will be open from 10 a.m. to sunset weekdays and from 8 a.m. to sunset on weekends and holidays. This year approximately 25 lifeguards, all trained either as Senior Life Safety or Water Safety Instructors, will patrol the beachfront.

More than a mile and a half of the finest white sand comprises beaches for officers, staff NCOs, enlisted, and civilian personnel. Each beach has its own club and concession stand featuring pizza, hot dogs, soft drinks, cigarettes, film, sun lotions and bathing supplies.

Because Onslow's combination of sun and surf can be very dangerous, personnel are reminded that the lifeguards are at the beach for one reason only—for safety. Due to the presence of sharks, barracuda and other aggressive and dangerous fish, personnel will not be allowed to swim beyond the floating drums marking the swimming areas.

Fishermen may make arrangements to use the beach by contacting the duty non-commissioned officer at Bldg. 112 on the beach. No (See ONSLOW BEACH OPENS, Page 11)

All-Time High Set In Red Cross Drive

An all-time high in the Camp Lejeune Red Cross drive was set as the campaign closed yesterday. Latest reports from Col. H. W. G. Vadnaia, drive chairman, show the total standing at \$21,152.

The figure is \$448 short of the record 1945 total, but, according to Col. Vadnaia, at least \$1,500 is expected from the NELS and Caribbean troops.

The 2nd Division leads in contributions with \$9,045 (\$3,000 over last year's final total). Base is \$2,000 over their 1958 total with \$7,174.

Force Troops reports \$2,300, while MCAF has collected \$1,200. Civil Service personnel contributed \$1,433.

Traffic Plan For Holcomb Is Approved

Holcomb Blvd.'s three-lane traffic pattern, which has been tested for more than two weeks, was approved for permanent installation this week by Col. W. C. Capehart, Base Provost Marshal.

Traffic Section officials at PMO report that since the plan has been in effect, it has cleared up "rush hour" congestion. Statistics show there have been less accidents during the testing periods.

Opinions received from various personnel at Lejeune have all indicated approval of the system which enables users to save from five to 15 minutes when departing the Base in the evening.

At first, officials reported motorists were having difficulties in adjusting to the three-lane system, but felt confident the testing and acclimation period would prove the plan successful.

Sgt. Maj. Roger H. Slayton, Hq. Bn., MCB, stated, "I think the change is a fine idea. I know my time to the main gate has been cut several minutes."

As further aid to motorists, Division 4th and 5th area personnel are requested to use the circle for leaving the Base during "rush hours" rather than Lewis Road.

For convenience of outbound personnel from the Industrial Area, it is suggested they continue to use the traffic circle route rather than Brewster Blvd.

Army Cannoneers Slated For Bragg Trip

The advance party departed Monday with the main group leaving by truck Sunday. During their stay at Fort Bragg, the marines will live in the field under simulated combat conditions. The entire operation will be under the command of Col. F. J. Karch, Tenth Marines commander.

howitzers from Force Troops and helicopters and observer planes from the Marine Corps Air Facility. The 14-day exercise will be divided into two phases, to include intensive gunnery practice followed by tactical situation, in fire planning and control of an artillery regiment in support of a division operation.

If you ask me...

WHAT CAN THE AVERAGE MARINE DO TO IMPROVE HIS REQUALIFICATION SCORE?

ACT. GYSGT. MIKE PIETROFORTE, Marksmanship Training Unit, San Diego (First man to fire a perfect score in a National Trophy Match)—There is not much he can do unless he gets the proper instruction. I believe the shooter needs more and better coaching before he begins firing and also while he is firing the range. Then, with a desire to shoot better, his scores will improve.

ACT. SSGT. DONALD S. WAGNER, MTU, San Diego (Winner of the 1956 Eastern Division Rifle Match)—To begin with there must be an interest and a desire for better and higher scores. After range indoctrination and refresher courses in marksmanship a man must be ready to "apply himself." In other words, there must be less talking about a score and more application on the firing line.

ACT. GYSGT. JOHN PFIEL, MTU, San Diego (chief statistician, 1958-59 Eastern Division Matches)—Im-

prove his mental attitude toward requalification—get away from the habit of viewing a trip to the rifle range as something that must be endured annually to keep the brass happy. Think of it for what it really is: a chance to improve on one of the basic training principles that makes us marines.

ACT. GYSGT. PAUL DUDASH, MTU, San Diego (instructor and official, 1959 Eastern Division Matches)—Too many marines fail to realize that their primary duty is to be a rifleman—a rifleman who can shoot straight. The thing everyone should do while on the range is learn all they can and apply it. Instead of the attitude "it's another week of misery," marines should think, "It's my duty."

ACT. SSGT. ANTHONY MUCCI, MTU, San Diego (Eastern Division pistol winner and Marine Corps runner-up, 1958)—Each marine should take a more personal and active interest in the Marine Corps shooting program. By shooting more, whether it be in a post or station intramural league or a Division match he will benefit by the experience of the older shooters.

The "Marine Corps Reserve March" was introduced on December 14, 1947, at half-time ceremonies during the New York Yankee-Cleveland Browns pro football championship game.

Corps Plans To Increase WO's, LDO's

Plans to double the Corps' number of warrant officers and triple the number of limited duty officers were recently disclosed when Marine officials told their 1960 budget plans to the House Appropriations subcommittee, Navy Times said this week.

The increase in the number of warrants and LDO's will serve primarily to reduce the number of unrestricted officers in the technical fields. Plans also indicate that once the new warrant-LDO programs get going, the Corps will reduce the input of new second lieutenants.

Maj. Gen. D. M. Weller, assistant chief of staff, G-1, HQMC, told the committee the expansion in the program would lower the service requirement for entry into warrant status from 10 to six years of service.

General Weller also said that the Corps plans to send future warrant officer appointees to school for about one year.

Main objective of the course, as reported to Navy Times, was to give warrant appointees an initial officer indoctrination similar to that given Navy LDO officers. This would be followed by formal school in such technical fields as electronics, mechanics, etc.

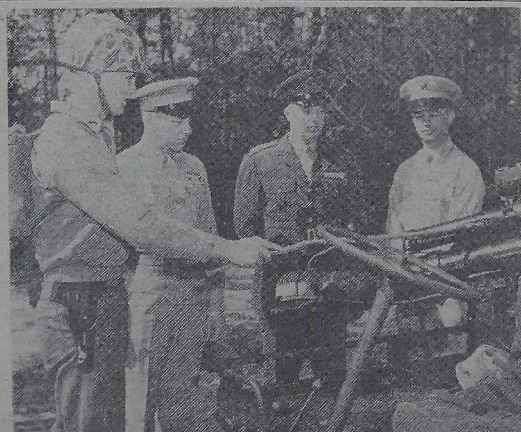

Headquarters Marine Corps stated that final details on the new programs are not available at present, but marines will be considered for LDO and warrant appointments by the August selection board and selected on the basis of current standards.

In addition, General Weller told Congressmen the Corps will double the warrant program from about 700 to 1,400 and triple the LDO program from about 150 to 480.

Reporting on the enlistment situation, it was brought out that enlistment and reenlistment programs are good. Eighty per cent of the first enlistments during this fiscal year have been for four years compared with 15 per cent in fiscal year 1957.

The Corps will take in about 45,000 new recruits during 1960, about 5,000 more than the current year. In 1961, when the personnel losses are stabilized, the Corps will recruit about 30,000.

Defense Department requirements provide now that the services enlist at least 12 per cent of the low mental group IV, but the Marine Corps and Navy are asking the DoD to do away with this requirement.

RESERVE REPRESENTATIVES—Act. Cpl. Gerald L. Reynolds, H&S Co., 1st Bn., Eighth Marines, points out the nomenclature of a 75mm recoilless rifle to, left to right, Maj. Louis S. Frazier Jr., 75th Infantry Co., Portsmouth, Ohio; Lt. Col. Sam W. Smith, local Reserve Liaison Officer, and Maj. E. C. Carper Jr., 77th Infantry Co., Zanesville, Ohio. The "rifle" is mounted on a "mechanical mule" and was part of a display shown during a two-day Reserve pre-training conference last week. Representatives from 50 Eastern Marine Reserve units from 20 states attended the conference to establish the Reserve Training Program to be conducted here from June 8 through August 28.

'Copters Assist Weathermen With Versatile 'Sky Hood'

The Cape Hatteras Weather station of North Carolina can breathe a little easier now, thanks to Marine Aircraft Group-26, MCAF. The weather station is the most important radar type station on the entire East Coast. In fact, there are only two other radar type stations like Cape Hatteras in the U. S. Weather Bureau, one at San Juan, Puerto Rico, and the other at Nantucket, Mass.

The real problem at the Hatteras Bureau was a defective

Ceylon Child Saved By Marine Blood

Somewhere on the Island of Ceylon a baby is alive today because of the gift of blood by a 2nd Division marine. Act. Sgt. Truman L. Goodman, now serving with Headquarters Co., Hq. Bn., was on duty with the American Embassy in Ceylon last February when an appeal for blood donors was made to the marines of the Security Detachment.

A Ceylonese woman and her unborn child had an R-H blood factor... a condition often fatal unless the child receives an exchange transfusion at time of birth.

The Embassy marines responded unanimously to the appeal and the situation should have been well in hand at that point. But it suddenly became complicated when it was discovered that only the blood of Sergeant Goodman was compatible and could be transfused into the stricken infant due to be born the following day.

The career-minded marine who reenlisted for six years April 20, gave unhesitatingly the birthday gift of one pint of blood which restored the child to normal health and earned the gratitude of mother and father.

In a personal visit to Rufus Burr Smith, Deputy Chief of Mission at the American Embassy, the father expressed the kind of thanks seldom given for foreign aid.

The gift of blood soon became an international matter when a formal letter of appreciation was sent through Embassy channels to the 24-year-old marine and presented to him during a meritorious mast.

weather antenna atop an 85-foot weather tower that has been rendering weather information since January of this year, but how to get the new radar equipment on top of the tower is where the Marine helicopters of Marine Aircraft Group-26 received the thanks of the men of the Weather Bureau.

Mr. William Fiocca, Area technician for the Bureau made a request to Col. K. B. McCutcheon, commanding officer, MAG-26, and explained the problem of trying to hoist the 2,500-pound antenna, radar screen, and protective dome covering atop the 85-foot tower. If they employed a crane large enough to do the job, it would be impossible to get the crane across the ferry to Cape Hatteras.

The only other way would be to use "brute force" on the part of the men stationed at the weather station. This kind of operation would take time, and time was one time they were running out of before the hurricane season would commence in October.

The request was sent and permission granted to employ a large HR2S-1 helicopter from Marine Helicopter Transport Squadron 461 and a small HRS helicopter from Headquarters & Maintenance Squadron 26 to work together to solve the weather station's problem.

Last week the pilots and crews of both helicopters accomplished their mission in a little over two and a half hours, compared to the many weeks it would have taken to accomplish the same task manually. Now the Cape Hatteras weather station can give accurate information from their radar tower anywhere from 12 to 25 hours in advance of an approaching hurricane.

This was the first time the U. S. Weather Bureau has ever employed an "air lift," but to the officers and crews of the helicopters, it was another task accomplished, demonstrating the "peacetime" potential of the Corps helicopters.

Patrons Cautioned Against Dangers Of Plastic Clothes Bag

The Exchange Cleaning and Pressing shop advises all its customers to exercise caution when disposing of the plastic bag used to return cleaned garments.

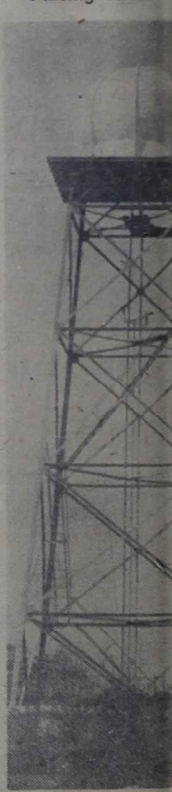

In a special notice sent to all members of the National Institute of Drycleaning, of which the Base shop is a member, it was brought out that in six months four small children had suffocated after becoming enveloped in the clinging plastic film. It is believed static electricity may have drawn the film tight across the faces of the children.

An official of the Institute urged parents against giving plastic bags to their children as toys. The National Safety Council, American Medical Association and various societies are also alerting the public.

It was mentioned that if used properly the bags are safe and that customers had varied uses for the hundreds of millions of plastic bags distributed by drycleaners in the past five years. This does not, however, minimize the need for warning parents. The bags should be treated with as much caution as headache pills, sleeping tablets, insecticides, sharp tools, and toxic and flammable fluids.

HQMC Board For E-7 Selection

The first board to select for promotion to gunner rank since World War II convened at Headquarters Marine Corps April 14.

The board, headed by Mon G. Davis, is authorized to select 516 acting gunners (E-6) for promotion to gunner (E-7).

Marines selected for pay grade E-7 with which returned to the rank structure effective January 1, 1959, will wear chevrons having cross in the center.

Navy Relief Drive Starts Next Month

The annual Navy Relief Fund Drive here will be held during the month of May, it was announced this week.

Col. H. W. G. Vadnais, Base Plans officer, announced that a meeting was scheduled yesterday to map final plans for the campaign. A display of drive awards was to be erected at the main traffic circle on Holcomb blvd.

As in previous years, the drive will be held on a membership basis, with contributing subscribers eligible for awards, Colonel Vadnais reported.

Credit Union Meeting Set During May

Initial subscribers for a Camp Lejeune charter in the Federal Credit Union will host an organizational meeting the first week in May at the Camp Theater. Interested personnel from the Quad-Command are urged to attend. Exact time and date of the meeting will be published in next week's GLOBE.

A good representation at this meeting will enable the proposed local credit union to take advantage of its charter and hasten its formal establishment. At the meeting nominees for officers and committees will be presented to those attending, and nominations will be accepted from the floor. Immediately following the elections there will be a meeting of new officials.

The request for authorization to establish a local branch of the Federal Credit Union has been approved by Maj. Gen. James P. Riseley, commanding general, MCB.

Once established, all military personnel, civilian personnel working for the Federal Government, non-appropriated fund employees, and members of immediate families of Lejeune personnel will be eligible to apply for and use a Federal Credit Union membership.

Credit unions encourage their members to use their share accounts to accumulate savings out of incomes as a means of building economic security for themselves and families and as a means of protecting them from demoralizing worries caused by unexpected bills and other contingencies.

Force Troops, reinforced by 2nd Force Service Regt., Marine Helicopter Squadron 162 and elements of the 2nd Division, returned yesterday to permanent installations after completing a three-week training exercise, TRALEX 2-59.

Objectives of the exercise were the planning and conduct of amphibious operations with emphasis on heavy combat and combat service support to a Marine air-ground task force by Force Troops units.

Lt. Gen. Edwin A. Pollock, commanding general, FMFLant, expressed praise for the manner in which the exercise was conducted in a message to Force Troops commander, Brig. Gen. L. F. Chapman Jr. "Your performance and that of your officers and men during TRALEX 2-59 highly commendable. The cooperative professional manner in which all hands have pursued this training is outstanding and eminently beneficial."

TRALEX 2-59 was tailored to provide training for every element of Force Troops and reinforcing units since, in most exercises of this sort, the emphasis has been placed on training of the assault forces. Past exercises terminated before most Force Troops units had an opportunity to participate in their primary role.

Elements of the 2nd Tank Bn. were used to comprise a special command organized for the specific purpose of coordinating activity in and defending the support area. Other tankers joined with 2nd ANGLICO elements to comprise the aggressor forces used throughout the problem.

One facet of the exercise was the testing of new hospital tentage in full capacity operation in the field by 2nd Hospital, 2nd Separate Surgical and 4th Dental companies. The hospital units were able to handle all types of medical service with the exception of surgery and X-ray, while Dental Co. operated with complete facilities, including oral surgery and dental prosthetics. A new technique was used including dispatching mobile dental teams by helicopter to remote or isolated units.

Operation of the 2nd Force Recon Co. included for the first time landing of coast watcher teams from a fleet-type submarine. The company also landed parachute recon teams 30 to 150 miles inland. Performing other simulated

combat missions in the field during the play of the problem were the 8th Engineers, Field Artillery Group, 8th Motor Transport Bn., 2nd AmTrac Bn., 8th Comm Bn., 2nd Bridge Co., 2nd Topographic Co. and 2nd Force Service Regiment.

A number of high-ranking Marine and Navy officials toured the command post and units April 16. Included were Lt. Gen. Edwin A. Pollock, commanding general, FMFLant; VADM. George C. Towner, COMPHIBLANT; Maj. Gen. J. P. Riseley, Base commanding general; Maj. Gen. J. C. Burger, CG, 2nd Marine Division; RADM. Ray A. Gano, ComPhibGru 2; Brig. Gen. S. S. Wade, ADC, 2nd Division; and Brig. Gen. F. C. Tharin, Deputy Commander, 2nd Marine Aircraft Wing.

Cherry Pt. Dramatics Club Presents 'Semper Fi' Here

Cherry Point's dramatic club will present the musical comedy "Semper Fi" tomorrow night at the Camp Theater. Curtain time is 8 p.m., and admission is free-of-charge. The play, termed as a musical extravaganza, deals with the old adage that it usually takes three people to make one love story.

In the beginning it appears as if that a side-by-side trio, comprised of two males and one female, is headed for an unseparable friendship, but eventually the natural two are company and three is a crowd bit wins out and turns the plot into a survival of the fittest. A marine and sailor become

wrapped up in tender emotional feelings for a fair Woman Marine. The question that arises is, which one is she in love with.

The kind of marine seen on recruiting posters, Cpl. Bob Compton, is played for the Cherry Point dramatics by Act. Sgt. Richard A. Meneely. A native of Terra Haute, Ind., he began his acting career singing "Pistol-Packin' Momma" during a family reunion at the age of three.

Hospitalman Gordon Heller, a saucy, dark-haired, ladykiller, provides the competition for Corporal Compton. The sleek sailor is brought to life by Act. Cpl. Harold Waxman, MAG-14 jet mechanic. Harold has the ability to use his voice employing a jazz-singers' punch.

The beautiful heroine of "Semper Fi" is played by Ann Bethel, wife of Capt. Robert Bethel of Camp Lejeune. Mrs. Bethel brings to the stage one of the finest solo voices in the South, along with a long list of musical accomplishments.

"Semper Fi" is under the direction of Mrs. J. R. Little, and co-producers are Brig. Gen. F. C. Tharin and Lt. E. J. Robinson.

Adding to the blithe spirit of this show are the talents of Warrant Officer and Mrs. Carl Rhine. Mr. Rhine, a Wing director at Cherry Point, arranged the music, and Mrs. Rhine created the settings.

The show's publicity was handled by Capt. E. C. Hohlt. His wife designed the various costumes.

MARINE MADCAPS—The Leatherneck "Lunkheads" are back again, getting into each other's way as usual. The pretty Eskimo lass, whose suitcase Eightball and Gizmo are fighting over, is Mrs. Gus Pennell. Gizmo, right, is Act. Sgt. Grant Sheehan and Eightball is Act. Sgt. Fred Whitlatch.

Presenting The Best

Base Special Services deserves a Well Done for the fine array of talent that has been seen at Camp Lejeune — and scheduled for future appearances.

Last month's circus presentation at Goettge Memorial field house was followed by the North Carolina Symphony which played to enthusiastic audiences last week at the theater. For those who think that "rock and roll" has overpowered the musical field, a visit to the Base theater Friday evening would have been a revelation. After a sterling performance, the orchestra was held over for encores for nearly an hour.

Next month will see the world famous Water Follies perform for three days at Camp Lejeune. They will be making one of their first U. S. appearances after participating in the Brussels World Fair.

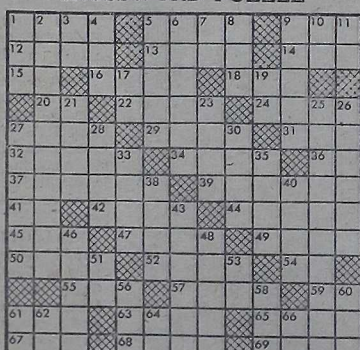

Special Services is truly to be handed accolades for bringing to Camp Lejeune culture and fine entertainment far superior to that enjoyed by any other military post in the world.

WASHINGTON REPORT

Four leading American educators spoke out against any reduction in the proposed "cold war" GI Bill, according to Navy Times.

In testimony before a Congressional committee, the educators endorsed proposals to extend GI Bill benefits to post-Korea ex-servicemen.

Out of the committee hearings came comments that the present amounts paid veterans are too low and if reduced further would make it almost impossible for veterans with families to attend college.

It was brought out that present educational allowances do not grant the same degree of economic assistance to today's veterans as these same dollar amounts did for the Korean veterans.

The major question before the group is whether some or all of the readjustment benefits granted to veterans of World War II and the Korean War should be made available to "the thousands of young Americans, who are serving in the Armed Forces during the cold war."

The general consensus is that benefits should be extended and amounts raised to keep up with the increased cost of living.

Other hearings on the proposed legislation will continue, with Veterans Administration, Budget Bureau, Department of Defense officials and various veterans organizations invited to present their views.

BE YE DOERS

"Be ye doers of the word, not hearers only, deceiving your own selves." (James 1:22)

Folks, the Christian Gospel is one of action, as well as one of attitudes. Its followers are told to heed as well as to hear to — live as well as to listen.

Jesus said that everyone who "listens to these words of mine and acts upon them will be like a sensible man."

In placing the emphasis upon "doing", there is no intent to lessen the importance of "hearing", the intent is to bring action to the level of hearing. Is it amiss to say that for many people the living or the doing part of the Gospel is more difficult and more demanding than the "hearing" part?

Henry Ward Beecher said: "Religion means work. Religion means work in a dirty world. Religion means transformation. The world is to be cleaned by somebody, and no one is called of God if he is ashamed to scour and scrub."

Many hymns are full of challenges to us to become doers: "We have work to do and loads to lift. Go labor on! Spend and be spent; joy to do the Father's will; it is the way the Master went."

The Moffatt translation of the Bible says, "Act on the Word, instead of merely listening to it." Weymouth says, "But prove yourselves obedient to the message, and do not be mere hearers of it. 'Put the message into practice, and do not merely listen to it."

Act, be obedient, put into practice, Do. These are the imperatives of the Master.

Chaplain Whitney W. Parrish, Force Troops.

What They're Saying . . .

"As we look about the international scene and note the clear evidence of Soviet progress, it is well from time to time to take stock of our individual and collective contributions to the cause of national security and verify to the satisfaction of our own consciences that indeed we are doing our best, today, tomorrow, and for the indeterminate future." — Gen. Maxwell D. Taylor, Army Chief of Staff.

Short Rounds

The Defense Department has requested Congress tend for two more years the authority for servicemen to send home gifts free of duty. The present authority expires June 30.

Parks C. Newsom, Navy Chief Electronics Technology

with almost 31 years' service, looked on recently in Savannah, Ga., while his son was sworn into the Marine Corps with the 5th Rifle Co., USMCR. Young Parks, who didn't decide to "follow in his father's footsteps," will begin his six-month active duty training in a few months.

Two HTK twin-rotor drone helicopters were put through a series of airborne maneuvers completely by remote control during an hour-long evaluation test demonstration at Quantico. The demonstration involved two drone helicopters which were operated from two separate ground control stations. In one demonstration a marine on the ground had the drone take-off, hover and perform maneuvers in response to fingertip movements from a control panel.

During a recent visit to Annapolis by the USS *Albatross*, a crew member stranded at dockside sent the following message to his CO: "At 2300 at Annapolis dock, no boat to me, quite a shock." He then requested extension of leave to expire at 1600 at Boston. To protect your cutting capers, retain this message as part of your papers."

The Marine Corps physical fitness program and test is now being used by many high schools in the Mo., recruiting area. In February, 1958, Act. SSgt. D. Lohan, recruiter in the area, approached a local high school coach with the Corps strength test given all recruits on a monthly basis. The idea spread to other schools in the area.

International Fair Set For May 2; Sing, Show, Buffet Dinner Scheduled

A sukiyaki party was given Monday afternoon by Mrs. L. I. Fein, MOQ 3332, for the purpose of discussing plans for the Group II Oriental Booth, to be featured in the Officers Wives club International Fair. The fair, scheduled May 2 at the Paradise Point club, will feature a variety of booths representing various countries. Items of interest will be on display for the purpose of raising their newly introduced fund. This year a donor's dependent, a senior high school, will receive a scholarship from the fund.

Divvy Chorus Sings For Midway PTA

The 2nd Division Chorus under Capt. W. L. Mundell performed Monday night for the final meeting of the Midway park P. T. A. New P. T. A. officers elected were: Lt. Col. W. S. Bratley, president; MSgt. E. M. Peusch, vice-president; Mrs. M. V. Droughton, secretary, and Act. GySgt. J. N. Ware, treasurer.

Following the election of officers for the coming year, the audience heard the all-male chorus sing a medley of fighting songs of the Corps dating from colonial times through World War II: "Marines from 1775" and "The Warsaw Concerto." Also highlighting the program was a piano solo by Act. Cpl. Stephen Kucharski, backed up by the chorus.

Negotiations are under way for a Memorial Day television performance by the chorus, according to the director.

The Flying Dutchman is a legendary phantomship that was believed to haunt the seas around the Cape of Good Hope. Seamen used to regard it as an ill omen to see this specter ship.

Staff NCO Wives Club Host MCAF, Cherry Point Units At Birthday Party

Staff Non-Commissioned Wives Club members from Cherry Point and Marine Corps Air Facility were guests at the ninth anniversary celebration of the local Staff Wives club held at the Tarawa Terrace community center last Thursday. The community center was decorated in an Oriental theme, with Japanese lanterns and crepe paper streamers of bright colors. A large balloon burst was fastened to the ceiling. Behind the head table, a stage was set with bouquets of flowers and pillows for an international dance act.

At each of the tables were individual nut cups and tiny parasols. Also, the tables had construction paper and decorations for making Oriental hats. Paper fans were given to members and guests at the door.

On either side of the double doors large paper scrolls were hung with Japanese lettering of Happy Birthday.

A short business meeting was conducted by Mrs. Dominic Anzilotti, president of the local club.

Following the meeting, the wives staged an Oriental costume contest. Prizes were awarded Mrs. Werner A. Feser and Mrs. Frederick Mathieu for their authentic Japanese dresses.

One of the highlights of the party was the rice-eating contest. Mrs. Feser won the prize for emptying her bowl first with chop sticks.

Finally, in keeping with the theme of the evening, an Oriental buffet was served, consisting of chicken chow mein, fortune cookies, tea and punch and the anniversary cake was cut.

The next regular meeting of the local club will be held at the Tarawa Terrace Community Center May 7 at 8:15 p.m. All wives of staff NCO's stationed at Camp Lejeune are welcome to attend.

BIRTHDAY CELEBRATION—Mrs. Dominic Anzilotti, president of the local Staff NCO Wives club, cuts the first piece of the wives club anniversary cake for Mrs. Norbert Maleck, president of the Cherry Point Wives, center, at the Oriental celebration last Thursday night. Also waiting for birthday cake is Mrs. Frederick Mathieu, wearing her prize-winning costume.

CHILDREN'S OPERETTA—The fifth grade of Tarawa Terrace School presented a children's operetta, "Sleeping Beauty," in the school's auditorium for parents and student body. Shown as members of the royal court are, from left, Nelson Busch, Eddie Gunder, Douglas Adams, Linda Ketelaar and Richard Mangrum.

Tarawa 5th Graders Give Musical Play

"Sleeping Beauty," was presented last Tuesday by the fifth grade class of Tarawa Terrace.

The operetta was given in the school auditorium for parents and the student body.

Highlighting the performance were the colorful costumes of the Royal Court and of the good fairies. Eddie Gunder and Linda Ketelaar were the king and queen, and Nelson Busch and Richard Mangrum played the role of heralds. Ladies of the court were: Candy Upchurch, Jerry Kobelka, Carol Hirschfeld, Eileen Hyatt, Peggy Ratcliff and Eileen Jackson.

David Billings, Joe Campbell, Steven Isherwood, Danny McNair, Billy Morris, Bruche Smith, Westley Tessey, Tommy Snyder and Brian Hiles were the Gentlemen of the Court.

Arline Aurin played the Evil Fairy and the Good Fairies were played by Diana Boyd, Kathy Broome, Karen Gunter, Carolyn Ingham, Barbara Pangburn, Sandra Wicks, Rosemary Lee, Teresa Smith, Maxine Robinson, Linda Trujillo, Helen Boltzinger and Sue Law.

Others in the cast included Linda Ketelaar, an old woman; Eileen Hyatt, a cook; Arline Aurine, Princess Rosa; Douglas Adams, Herald to Prince Charming and Ronald Lantz, Prince Charming.

HQMC Locator Able To Pinpoint Location Of Marine In Five Seconds

EDITOR'S NOTE: In order that marines at the local level have a better understanding of the Corps-wide policies and functions of Headquarters Marine Corps, the GLOBE will publish periodically reports on Washington activities.

WASHINGTON, D. C.—The Marine Corps today can pinpoint the whereabouts of any U. S. marine on duty in any part of the world in less than five seconds.

The Locator Unit at HQMC, which provides world-wide coverage, has among its thousands of files and records a listing of over four million Corps personnel, dating all the way back to 1775.

Through an ultra-modern electronic filing system, coupled with a skilled and efficient staff, the Marine Corps' Locator Unit handles thousands of varied requests for personnel information from government and civilian agencies and individuals, including members of Congress. Regardless of a marine's rank, duty station, date or place of enlistment, an individual file card can be pulled normally in less than five seconds, providing positive identification.

This is, however, just one of many specific tasks accomplished routinely by the locator staff of four marines and five civilians. Under the direction of Act. MSgt. Leo S. Morin and Mrs. Anna R. Jones, civilian supervisor, the Locator Unit is in operation 24 hours a day, 365 days a year, fulfilling seemingly complex undertakings with amazing accuracy and speed.

Situated in the hub of the Per-

sonnel Department's Files Section, the Locator Unit handles over 200 telephone calls while processing some 2,000 verbal or written requests daily. Normally, it supplies information concerning a marine's duty status, rank, service number, present duty station, date joined, MOS, and date and place of enlistment. This information is assembled by research into the static and status cards, retired deck, truth teller books, cross reference, cancellation files, photo-stated muster rolls, or individual personnel records of marines.

Requests become complicated when a marine's nickname is given in place of his last name or when (along with other unknown items.) a serial number is not known. The commonness of a name also creates a problem in pinpointing a name such as Jones, Smith or Brown. This problem normally would be as difficult as finding a needle in a haystack for locator has approximately 12,000 Joneses, 12,500 Smiths, and 11,000 Browns placed on file since 1775.

When a problem of this nature arises, experienced locator personnel skillfully use a marked degree of ingenuity. Using a unique technique called "name and number association," locator personnel apply the process of elimination to obtain the desired information.

Not even a power failure stops the Locator Unit from supplying information. The system simply converts temporarily to "marine power" in the form of hand cranks.

A complete file on all personnel retired from the Marine Corps is also kept at the Center. Approximately 700 changes are filed monthly, including changes of address and rank.

The Files Section itself files 30,000 units of correspondence weekly among the 375,000 personnel record cases kept at Headquarters Marine Corps. The Locator Unit must keep up-to-date with all filing since it is frequently necessary to obtain certain segments of information found only in the marine's own record file.

By use of many cross references or the "Truth Teller" file, a request is usually answered promptly or a reference for additional information is given. But as one Locator staffer put it, "You wouldn't dream of some of the requests reaching our office. It sometimes requires mental telepathy on our part to find out exactly what is desired."

Requests received by the Locator Unit range from information on Marine canine mascots to lost relatives who were marines during the Civil War. One request in particular is remembered by a marine duty clerk, awakened at 3 o'clock in the morning.

"Who starred in 'Battle Cry'?" the woman caller inquired.

The clerk, puzzled by the strange request, asked if the question could be repeated. Twenty minutes later, after patient and lengthy explanation by the duty clerk that his office could not offer such information, the woman volunteered some friendly advice.

"You people should keep records like that. Isn't that your job?" she said.

After diplomatically referring her to another source, the duty clerk politely replied: "Yes, ma'am, and thank you for calling this morning."

BURGER BUCKET — Among the dignitaries at Camp Lejeune's Paradise Point golf course Sunday morning were two pros and four generals competing in the Lejeune-Cherry Point home-and-home match for the Burger Bucket. Lejeune retained the Bucket, named after Maj. Gen. J. C. Burger, 2nd Division commanding general, and one of Camp

Lejeune's staunchest golfing enthusiasts. Left to right, pro Dave Todd, Cherry Point, Brig. Gen. F. C. Tharin, assistant commanding general, 2nd MAF, Cherry Point; Maj. Gen. J. P. Riseley, MCB commanding general; General Burger, Brig. Gen. R. K. Roitert, commanding general, MCAS, Cherry Point, and pro Ducky Miller, Camp Lejeune.

Fullerton Moves Into 400 Club; Marines Batting Average At .286

The Camp Lejeune baseball team, charging along with a .286 combined batting average, a 23-8 record, one .400 hitter and four more blasting at a .300 clip, took a week's rest prior to meeting Quantico tonight at Harry Agganis field. Originally scheduled were two week-end games with East Carolina, but due to illness on the college nine, the tilts were cancelled. Barry Fullerton, a catcher from Michigan State, moved up into the select 400 club, coming off the road with a .402 average. The 200-pounder is leading the team in runs with 39 and is second in hits with 43. He has rapped out eight doubles, two triples and three

homers.

Among the .300 hitters are Hal Norton, Dick Esau, Sam Valentine and George Uremovich.

Norton, pacing the club in almost every department, had four for 22 for the road with his average dipping to .388. He leads in hits (50), doubles (14), home runs (6) and RBI's (40).

Manhattan college's Esau is slugging at a .382 average with Valentine at .364. Uremovich, after a slow start, has upped his average to .327, and shares triple honors with Esau at five apiece.

Gerry Smith, a former Notre Dame chucker, has figured in more mound decisions than any other pitcher, with a 7-2 record. He has fanned 77 batters in 66-1/3 innings pitched.

Of the regulars, Bill "Pappy" Herrington, Max Eller and Leroy Mason have yet to lose a game. Herrington, with a 5-0 ledger, has 46 strikeouts in 57-1/3 frames.

Mason has the lowest ERA of the top six, registering a 1.97. The lefty hurler has eight pick-offs to his credit and has whiffed 33 opponents in 36-2/3 innings.

Eighth Marines Play CP Nine Wednesday

The Eighth Marines' baseball team, 2nd Division defending champions, will play an exhibition game against Cherry Point's Marine Wing Hq. Group Wednesday.

The game is scheduled for 2 p. m. at the Eighth's field on L St.

Rod And Gun Club Plans Fish Tourney

Plans for a fishing tournament were proposed at the April meeting of the Camp Lejeune Rod and Gun club. The plans have gone to the commanding general for approval. Further details will be printed in the GLOBE. Lt. Col. John Sandholm is chairman for the tourney committee.

The next Rod and Gun club meeting will be held at Marston Pavilion on May 14 beginning 7:30 p. m. Elections and installation of new officers will head the program.

It is requested that membership committees turn in all membership cards.

Hern Emigholz and John Mugford are pitching with 1000 averages, having identical 1-0 ledgers. Bob Rumer has been taken off the inactive list now that his shoulder trouble has cleared up.

Lejeune's top reliever, Thad McCollum (2-2) has worked 35-1/3 frames, fanning 23.

Virginians Host In Official Opening Of Local Baseball Season

Camp Lejeune's Harry Agganis field will be the official opening of the 1959 baseball season tonight as the local nine hosts Quantico in the first of a 10 game series. Game time has been set for 8 p. m. Opening ceremonies with the Quad-Command generals participating are scheduled to begin at 7:56 p. m. with the introduction of the Quantico and Lejeune team members. A color guard from MP Co., Hq. Bn., MCB, will form in back of home plate and the coach-

REFRESHMENTS

Beer will be sold at all home games beginning tonight with the Quantico series at Harry Agganis field. It will be on a trial basis only and will continue as long as the privilege is not abused.

es will be introduced. The 2nd Division band will play the National Anthem.

Manager Hal Glasgow plans to start Gerry Smith tonight, come back with Bill "Pappy" Herrington tomorrow and Bob Rumer Saturday. Thad McCollum and Max Eller will be in the bullpen if needed.

Barry Fullerton will be behind the plate with Hal Norton handling the first base chores. Player-manager Curt Salter will be a second and Stan Jackson at shortstop. The third baseman will be the veteran George Uremovich. In the outfield, from left to right, will be Sam Valentine, Dick Meade and Dick Esau.

The Quantico scouting report indicates the Virginians have an excellent pitching staff with the batters yet to prove their worth, but a great deal of potential is there. Thus far, Quantico has a 2-5 record under coach Pete Petros.

These seven games have resulted in the Quantico miscue on the average of four times per game; have scored less than three runs, and have averaged six hits per outing. Where the batters have yet to produce, the mound corps has come up with some excellent showings. Quantico's two victories have been earned at the expense of

Dartmouth and Columbia. The local nine have lost two to Hamilton and one each to Brown, Ithaca and Lee. Against Columbia, Stout allowed only two runs in nine innings and again even though he lost gave up five hits.

Carl Hubbel Jr., son of the New York Giant chuck losses to his record 100, was brilliantly against Ithaca but poor support afflicted him. Bruce Storey first 10 frames against Ithaca, but three smashes.

Coach Petros is relying on the bats of Frank J. J. and Hank Nichols. The Maryland star, however, a grand slam home run since added another run. He holds down the bat chores. Second baseman belted a four-bagger in the yard game.

Nichols, a classy catcher yet to produce with the bat, has the power to break the game at anytime.

Prior to facing the local nine, Quantico plays Dartmouth college and Ft. I.

Golf Slices

By JIM BUTLER

Camp Lejeune's golfers edged the Burger Bucket to a 1-0 victory in the first round of the golf tournament Sunday, April 19, at the Paradise Point Golf Course. The local nine defeated the Quantico team by a 5-2 margin, 142-90.

Unofficially, Tom McCall high school coach, who won a medalist honors with five birdies for a 72.

This Sunday there will be another scotch foursome played commencing at 12:30 p. m. Sign up at the clubhouse.

In intramurals last week, MCSS downed 2nd FSR, 15-9; ITR won 10-0 over MCES; USNH past Serv. Bn., 12-4-11; Bn. had a bye.

For those who have been wondering how to obtain a permit for play on course and to establish a handicap that has to be done is play course No. 2, fanning under 100. Yards have to be tested by someone who you played to the NCO will be allowed to play No. 1.

Al Everett Leads To First Golf Victory

Camp Lejeune High thumped Beaufort High in their first golf match of the season, 18-0. The match was played at Paradise Point's No. 2 course. Al Everett of the famous golfing family took 10 honors, carding a 79. Al Everett, Bob Law, Art Dave Secrest comprised team.

Marines Take Two From PI For Successful Opening Of East Coast Conference Play

Camp Lejeune's 1958 East Coast baseball champs successfully opened their '59 defense, taking two of a three-game series from a hosting Parris Island nine last week. Gerry Smith flung a six-hitter Tuesday as the locals took the first tilt, 13-6, in a game marked by 13 errors and three home runs. Wednesday, the Marines lost by a 14-8 margin but quickly returned to the win column the following day on the combined hurling of Dick Rumer and Leroy Mason in a 10-4 victory.

Smith, after a shaky start and behind seven local errors, settled down in picking up his seventh win of the campaign. In going the distance, Smith allowed six hits, including a home run by Rusty Gates, fanned eight and issued four free passes. Smith helped his own cause with a three-run homer in the seventh when Lejeune came up with six

tallies to sew up the game.

Rightfielder Dick Esau connected for the distance in the eighth. Barry Fullerton and Sam Valentine each rapped up doubles. All three batters, along with George Uremovich, accounted for two hits apiece with a total of 13 blasts coming off the bats of the Marines.

Wednesday, Lejeune bounded off to a fast five-run lead and then watched it dwindle away until the sixth when the Island broke a 6-6 tie with five tallies. The locals threatened in the top of the ninth when they pushed across two markers before Paul Malone fanned Dick Williams to ice the game.

Lejeune's offense was paced by Hal Norton, Fullerton and Valentine, all with two hits. Norton banded out two doubles with Fullerton recording four RBI's on two bingles.

Bill "Pappy" Herrington started on the mound but was relieved by Thad McCollum after working one and two-thirds innings. McCollum was charged with the loss, giving up 10 hits in five and one-third frames. Rube Adreholt finished up the chores.

Malone was credited with the victory, striking out 10 opponents, walking four and giving up 11 hits while his teammates accounted for 13 smashes.

In the second Lejeune win, it took a stout relief job by Mason to preserve the victory. Rumer started, giving up only one run and three hits in five frames before he ran into trouble in the sixth with the Islanders sending three runners across in an effort to pull the game out. Mason, with the bases loaded, walked the first batter to face him and then took complete charge, fanning the next two to end the threat.

From there, the local lefty blanked the Islanders, while striking out five of the 12 batters he faced.

Behind, 1-0, the Marines came up with three tallies in the third on three hits, an error and fielder's choice. Three more were scored in the fifth when Uremovich doubled home Norton and Fullerton. Two markers were chalked up in the sixth and single runs in the eighth and ninth.

Fullerton and Dick Meade had three singles in five trips to the plate in pacing the local 13-hit attack. Uremovich had two doubles, good for three RBI's in four appearances. Stan Jackson binged twice in four at-bats.

The win gave Lejeune a 2-1 con-

ference record and a lead in the standings. Quantico has yet to participate in East Coast play.

Each of the three teams in the conference will face each other 12 times, six in away clashes and six at home. Last year, the Marine clubs met in six engagements.

MILE RELAY TEAM—Camp Lejeune's crack mile relay team poses after a practice session at Liversedge oval prior to leaving yesterday for the Penn Relays which are scheduled for tomorrow and Saturday. The Marines will have four relay teams entered in what is considered one of the finest relays in the world. Front to back, Mel Jackson, Bob High, Bob Grayer and Jerry Harris.

Track Team To Compete In Penn Relays Carnival

Coach Gary Gilson will take Camp Lejeune's top track prospects to the oldest relay carnival tomorrow and Saturday when the local cindermen compete in the famed Penn Relays against some of the finest talent in the United States. The Lejeune mentor believes his strength lies in his mile and 440-

yard quintets. Slated for the four 440-yard legs in the mile are Bob High, Mel Jackson, Jerry Harris and anchoring, Bob Grayer.

The foursome of Willis Fierstad, Les Campbell, Jim Hinman and Al Terry will make up the 440.

The mile will be in the Armed Services and AAU divisions with the New Athletic Club and Pioneer Club expected to be the top entries. The 440-yard event will combine athletic clubs, colleges and service runners.

A sprint medley and two-mile team will also be entered from Lejeune. Charley Winger will run the first leg in the two-mile feature and will be followed by Bill Hoss, Don Mickey and Vic Zwolak.

In the sprint medley, Grayer will take the 440. Terry and coach Gilson in the 220 and Dick Welsh in the half will complete the quintet.

Scheduled for the field events

are Jerry Ingler and Billie Duncan in the board jump and John Polly in the hammer throw.

Camp Lejeune's toughest service opponent will be Quantico, which has one of its finest teams in years. Ft. Lee is another top prospect that may walk off with several team victories.

College-wise, some of the biggest attractions in the world of sports will be on hand competing in the spring classic.

Among the top collegiate entrants are Winston-Salem, Florida State university, Penn State and Michigan.

Quote of the Week: A jubilant Billy Jorges, Washington third base coach, at the conclusion of the opener with Baltimore rejoiced: "It was a delight, waving nine Washington runners home from third base."

sports in short

Act. Sgt. William Smith

Three years ago, June 19, 1956, with a grey, rain laden sky forming the backdrop, over 2,000 guests paid a final tribute to the memory of Harry Agganis, one of Camp Lejeune's sports immortals. On hand were his mother, Mrs. Georgia Agganis, Maj. Gen. J. C. Burger, Aldo "Buff" Donelli, former coach at Boston university; Thomas B. Dowd, executive secretary, Boston Red Sox; Lt. Gen. E. A. Pollock, and Thomas P. Costin, mayor of Lynn, Mass.

Harry Agganis died when he was 25 years of age. No one will ever know how great he could have been. The tragedy of his death was his youth. Greater players have never been honored as they died many years after they left the scenes of their stardom.

His Marine Corps' record alone has seldom been duplicated. In 1951, Agganis paced the local nine to the All-Mar title, defeating Camp Pendleton three straight. That year, the baseball team compiled a mark of 72-17 with Agganis leading the club in base hits (100), runs (78), RBI's (83), doubles (20), triples (19), home runs (14) and stolen bases (35), while batting .362.

Not only was he an outstanding baseball player, Agganis was equally geared for great performances on the gridiron. The varsity eleven finished the 1950 season with an 8-2-1 ledger, ranking it third among the nation's service teams. Agganis' finest performance came in the 32-7 victory over Keesler AFB in the Electronics Bowl where he scored three touchdowns, passed for another and kicked two PAT's. For his all-around ability he was selected to the All-Mar and All-Navy teams.

In civilian life, Agganis was just as fabulous, graduating from high school in Lynn with 85 scholarship offers. He wanted to be near his mother, so he chose Boston U. As a frosh football player he completed five TD passes. In baseball, he was selected to the All-New England team.

Upon his release from the Marine Corps, he returned to Boston where he was named All-American, on both the offensive and defensive squads. He was recipient of the Bulger Award signifying New England's outstanding football player. In '53, he ended his football career when he was chosen MVP in the North-South football classic and drafted by the Cleveland Browns.

Instead, Agganis accepted an offer from the Boston Red Sox, playing with Louisville his first year, hitting .281 with 23 homers and 108 RBI's. The following season he moved up to the parent organization and Fenway Park where he had 11 homers and eight triples, among his 109 hits for a fine freshman year.

Agganis got off to a fast start in 1955, and then tragedy struck in the form of a bout with pneumonia.

Tonight, in Harry Agganis field, the Camp Lejeune Marines will face the Quantico Leathernecks in the official opening of the 1959 season.

And sitting up in the stands, by himself, will be former Cpl. Harry Agganis, rooting for a club that he once performed with and like everything that he did, it was a star performance with 100 per cent effort.

SMILES OF VICTORY—Lt. Col. P. S. Trietel, left, executive officer, Second Marines, and Rick Benson, center, team captain of the regiment's volleyball team, accept the winning team trophy from Col. R. R. Van Stockum, deputy chief of staff, 2nd

Marine Division, after the finals of a tournament Thursday afternoon. The Second came from behind to beat the Tenth Marines and 15-7, in the final match.

Peterson, Benson Star In Second Come-From-Behind Volleyball Victory

The Second Marines came from behind to cop the Division volleyball championship Thursday afternoon, beating the Tenth Marines in the finals, 14-12 and 15-7. Leading out the double-elimination tourney, the Tenth Marines had posted a 3-0 record in the final afternoon of play. The Second Marines, with a 4-1 mark and their only loss to the hands of the Tenth earlier in the tourney, fought back to even up the loss column, Cannoneers, 14-7, 14-16 and 11-8.

Ed Peterson, regular backcourt ace on the local varsity basketball team this past season, displayed his versatility by pacing the champs to the title. The only left-handed player on the court, Peterson spiked with deadly accuracy and power.

The Tenth also had to contend with the return blows of 6'6" Rick Benson, the leading scorer of the varsity cage team.

The titlists, who owned a 6-1 tourney record, took their opening round match from the Eighth Marines, 15-11, 7-15 and 12-10, then went into the loser's bracket by suffering a loss to the runner-up Tenth, 15-12 and 14-9.

On the comeback trail, the Second Marines eliminated 2nd Serv. Bn., 14-16, 15-6 and 14-9; the Sixth Marines, 15-13 and 12-6, and Recon Bn., 7-14, 15-8 and 15-9. Four of their six wins came on the last day of the three-day tourney.

The Tenth Marines took their first three without a defeat before being knocked off twice by the Second Marines in the finals. The Cannoneers whipped the Sixth in the opening round, 15-5 and 15-7, gave the Second Marines their only loss, and followed with a 10-14, 15-7 and 15-6 win over Recon Bn., last year's Division champ.

On Thursday morning, the Second Marines stopped the possibility of the Recon men repeating by handing them a 7-15, 15-8 and 15-9 elimination loss.

In the win-loss standings for the remaining teams in the tourney, the Sixth Marines posted a 2-2 mark, Recon Bn. and Serv.

Bn. each had 1-2, while the Eighth Marines and 2nd MT Bn. both were eliminated without gaining a victory. The championship team, comprising

ed of 10 men, included Charley Tucker, Walter Bruner Manning, Stu Kiuell, Henry Latimer, Beck, Peterson and B

Division Teams Victorious In Volleyball Quad Opener

Second Division's two entries in the Quad-Command Volleyball Tournament set the ball rolling Monday with twin victories in the double elimination, eight-minute time limit event at the Goettge Memorial field house.

The Second Marines stopped 8th Engr. Bn., FT, 15-1 and 15-4 while the Tenth dealt 2nd Tk. Bn., FT, a 15-4 and 15-5 drubbing.

Second FSR's victory from MCB disposes MCAF, 15-8 and 15-11, after noon, MAG-26, 15-11 and 15-10, and MCB, 10-15 and 15-11.

Play will continue after noon with the game set for 1:30 p.m. another contest will be played at 3 p.m.

QUAD OPENER—Second Marines' Rick Benson sheds his varsity basketball star to help pace his team to the top in the Quad Command Volleyball Tournament which began at the Goettge Memorial field house. The Division club defeated Force Troops' 8th Engr. Bn., 15-1 and 15-4. Play today with the championship game slated for 1:30 p.m.

FIRST MCAF MESS NIGHT—Last week the bachelor officers at MCAF paid tribute to their commanding officers, Col. T. J. Noon, right, MCAF; Col. K. B. McCutcheon, left, MAG-26, and Maj. I. J. Barney, MACS-7, with the first formal "Mess Night" in the history of the Air Facility.

FIRST IN CLASS—Lt. J. Y. Robertson, Hq. Btry., 4th Bn., Tenth Marines, is presented an Army letter of commendation by Maj. Gen. J. C. Burger, commanding general, 2nd Division. Lieutenant Robertson was commended for placing first in a class of 31 students in the Artillery Survey Course at the Army's Ft. Sill Missile and Artillery School. Marine officers also placed second, third and fourth.

CONTEST WINNER—Maj. Gen. J. C. Burger, commanding general, 2nd Division, presents the George Washington Honor Medal to Act. Sgt. Lionel Fisher, on behalf of the Freedoms Foundation. Born in Hong Kong, the marine serves as a legal clerk with the Sixth Marines, and wrote his prize winning essay while serving in the Mediterranean during the Lebanon crisis last summer. He recently became a citizen.

Water Show Set May 4

Tickets are now on sale for the world's largest water and stage show. Sam Snyder's 1959 Water Follies will open a three-night engagement at the Goettge Memorial field house May 4. Matinees are set for May 5 and 6.

Adult tickets costing \$1 and 50-cent children's tickets have gone on sale at the Main Marine Corps Exchange, all Special Services units, the Camp Theater and the Paradise Point Officers club.

The Water Follies has tremendous variety in entertainment and is actually said to be 10 shows rolled into one. A show for the entire family, it features world champion divers and swimmers, top caliber stage acts, dancing and singing stars, both a stage ballet and a water ballet, with diving, stage and water comedians.

Oddity in producing the show occurred when swim suit material had to be found that was practically waterproof. With the number of costume changes in constant road travel, the water follies wardrobe mistress has few opportunities to hang the suits on a clothesline to dry.

The Water Follies was the outstanding entertainment attraction for several months at the recent World's Fair in Brussels.

The public is invited to attend the event which is sponsored by Base Special Services. Tickets may be purchased from Mr. Roy Stevens, Jacksonville Chamber of Commerce or at the field house door

prior to the performance. All civilian spectators desiring to attend may pick up visitor's passes from the sentry at the main gate.

AQUA BEAUTY—This week's pin-up is among the bevy of bathing beauties who will swim with the Water Follies here May 4-6.

FEATURED VOCALIST—Pretty Suzanne Nicole will appear here as featured singing star in Sam Snyder's Water Follies.

Officer Club Activities

The Paradise Point Officer's club is offering a new idea in the line of stag entertainment. Wednesday night has been set aside as "Song Night."

Roy Dixon with his "happy fingers" will be on hand at the piano or organ each week to play the kind of music his followers want to hear between 7:30 and 11:30 p. m.

With ribbon tie and old time "boater" hat, Dixon will set the right atmosphere for the variety of favorite songs which have been prepared in a special song book.

A native of Jacksonville, Dixon is known throughout the area for his outstanding ability at the keyboard.

Saturday night, the club will feature the Alexanderettes for a floor show in the Main Dining Room, with their version of "Around the World in 50 Minutes," the five teenage dancers will give a colorful and delightful performance.

Also, on the Saturday night agenda is a presentation of Marine songs from 1775 to the World War II by the 2nd Division Chorus under the direction of Capt. W. Mundell.

Happy Evening will be held to night at Paradise Point Annex 58 and tomorrow night at the main club and all other annexes.

Tonight is "Ladies' Night" at the Paradise Point club featuring a special rate on ladies' beverages.

Staff Clubs

Larry Elliott with his electric organ and a host of pretty entertainers will be on hand at the Hadnot Point Staff NCO club Saturday, April 25 for an evening of top entertainment.

"Musical Magic" from the Elliott Orchestra will get under way at 8:30 p. m. featuring Elaine Powell as vocalist.

Elliott's ability is spotlighted in all musical arrangements and brings something new to the band in orchestral style. The addition of the electric organ to the standard dance band instrumentation adds fullness of sound and does not hinder the rhythm.

With his orchestra and floor show, Elliott has played successful engagements for major ballrooms, colleges, hotels, private clubs, military installations and civic organizations throughout the country.

ELAINE POWELL, Vocalist

CAMP GEIGER—Happy Hours will be held tomorrow night from 4 to 8 p. m. Sunday, cocktails will be served between 3 and 5 p. m.

COURTHOUSE BAY—Tomorrow at 4:30 p. m. the club will feature weekly Happy Hours.

MONTEFORD POINT—Happy Hours will be held between 4:30 and 6:30 p. m. tomorrow. The Happy Hour special will be served between 6 and 8 p. m., consisting of chop suey.

On Saturday night the A. T. Holoman Band will play for dancing between 8:30 p. m. and 12:30 a. m.

The Sunday buffet dinner will be served between 5:30 and 7:30 p. m., and Dorothy Hughes will be at the piano between 5 and 8 p. m. on Sunday.

DRIVE-IN (DI)—Begins at 7:30 p. m. **COURTHOUSE BAY (CB)**—6 p. m. and 8 p. m. Indoors daily except Saturdays, Sundays and holidays when show starts at 2 p. m. and 6 p. m.

NAVAL HOSPITAL (NH)—1:15 p. m. (patients only) and 7 p. m. daily. **RIFLE RANGE (RR)**—6 p. m. and 8 p. m., Sunday through Thursday, Friday

BACK FROM ETERNITY—Anita Ekberg, Robert Ryan and Rod Steiger are the stars in this release by Universal.

BUCANEER—Another one of the late Cecil B. De Mille's great productions. The War of 1812 is the historical background for the tale of Jean Lafitte (Yul Brynner) and Andrew Jackson (Charlton Heston) in the battle of New Orleans. The pirate Lafitte gained a legendary position in American history by aiding the United States in its war against England. Claire Bloom and Ingrid Bergman also star in this recent spectacle. Released by Paramount in Vista Vision and color. (121 min.) Rated as excellent.

SHEEPMAN—Glenn Ford—Shirley McLaine. A better-than-average western in color and Cinemascope.

BONJOUR TRISTESSE—This drama was released about two years ago by 20th Century Fox. A bitter-sweet movie of Francois Sagan's book, with David Niven and Deborah Kerr. Typical Sagan approach toward conventionality. In color and Cinemascope.

JUKE BOX RHYTHM—Sounds like a run for the teen-age "Hep Cats", with plenty of action and sound. No information available on the stars.

TANK COMMANDOS—A war picture that should prove tops to a military audience. Stars Victor Mature, the picture is loaded with action and intrigue with some comedy thrown in. Mature as an Australian tank leader in the Sahara Desert is captured by the Germans. Plans for escape seem almost impossible because of a spy in the group. The story itself is well planned and plotted.

ROOTS OF HEAVEN—A fairly new release by 20th Century Fox. This film has been produced on a vast scale, against an unbelievable back-

ground of the African plains. These are populated by huge herds of elephants who in a sense become the symbolic protagonists of this story of man's humanity and of one man's valiant, if fruitless effort to turn human nature into a better path. In color and Cinemascope. (135 min.) Rated Excellent.

DON'T GO NEAR THE WATER—Serving the public relations section of a giant Naval command base in the Pacific are various characters armed with typewriters and vital imaginations. Lt. Cdr. Fred Clark, former stock broker, leads the personnel which includes Lt. Glenn Ford, the only one with sea duty experience. By M.G.M., in Cinemascope and color. (107 min.)

DESIRE UNDER THE ELMS—After getting rid of two wives by starving them to death, Emphraim Kahot (Burt Reynolds) latches up to boudoir Anna (Sophia Loren), Eben (Anthony Perkins), the youngest of three sons, sick around and he and Miss Loren bring about the title of the flicker. Not exactly the youngster set, the movie is based on Eugene O'Neill's prize play. In VistaVision and technicolor. (116 min.)

RUN SILENT, RUN DEEP—Clark Gable and Burt Lancaster star in this taut story of undersea warfare. Gable has lost his sub in the dreaded Bongo Straits where four other U. S. Navy subs have been sunk. Tied to a desk job, he thrives for revenge and gets the opportunity with command of the Nerf, the youngest of three sons, sick around and he and Miss Loren bring about the title of the flicker. Not exactly the youngster set, the movie is based on Eugene O'Neill's prize play. In VistaVision and technicolor. (116 min.)

MY WORLD DIES SCREAMING—Kathy O'Donnell and Gerald Mohr star in this new type of flick. In "Subliminal Suggestion" an image or a word is flashed on the screen for an instant too brief to be seen but of a long enough duration for the brain to perceive. In

and 8:30 p. m., seven days a week. "Roots of Heaven" showing at the Camp Theater on April 23 will commence at 5 and 8 p. m. "Raintree County" shown on May 6 will commence at 5 and 8:15 p. m.

500 AREA (500)—Outdoors one-half hour after sundown.

CAMP GEIGER OUTDOOR (CGO)—Outdoors at one-half hour after sundown

this film an image of a dagger or the word "blood" appears at the appropriate moment. You'll have to be fast to see it.

CAPTAIN SCARLETT—A 1953 release by Allied Artists which stars Richard Green and Leonora Amar. No other information available. (75 min.)

AL CAPONE STORY—A fairly new release by Allied Artists, reflecting faithfully the wildly extravagant era of the heyday of the Chicago gangsters. This is a carefully documented history of the better known facets of the life of Scarface Al Capone. The story, stark and authentic in its realism, is given stature and authority by the performance of Rod Steiger as the cold-blooded and ruthless killer who became a legend in his own time. Capone defied and corrupted police, city and state government and finally came to his end only by a round-about federal prosecution which bore no relation to his actual life of crime. (105 min.)

COSMIC MAN—Allied Artists' science fiction fare. The time is now, the setting initially the perimeter of an American Air Force base. Col. Paul Langton, Gen. Herbert Lytton and Dr. Bruce Bennett, astrophysicists, discover a huge, mysterious ball-shaped object. At the outset the threeless resources, are unable to move the heavy sphere. Later, civilian and military populace alike show signs of panic as evidence of a phantom man destroying vital elements continues to mount. (72 min.)

UNDERWATER WARRIOR—Here is a mysterious type flick that sounds very interesting. The mystery is available on the cast. No information is available on the cast.

HONG KONG CONFIDENTIAL—Gene Barry, Beverly Tyler and Allison Hayes top the cast for this foreign in-

AIR FACILITY, New I doors daily at 6 p. m. **STONE BAY (SB)**—Begins daily.

CAMP GEIGER TRAINING—Indoors at Community Center (PP) Outdoors

PETERFIELD POINT—2 p. m., "Utah Blaine" Rory Calhoun. Also star Bill Hickock," Chapter

CAMP THEATER: m., "Rideout for Revenge" Rory Calhoun and Glenn Ford. Also, "Captain Video"

CAMP GEIGER: Same as above.

PETERFIELD POINT—2 p. m., "Utah Blaine" Rory Calhoun. Also star Bill Hickock," Chapter

ARSENIC AND OLD LACE—The British Empire of East and India is the background for this British-made costume movie. Mature plays an Indian who takes revenge on the British for the death of his wife and child. The action is fast and furious. (90 min.)

BANDIT OF ZOHOB—The British Empire of East and India is the background for this British-made costume movie. Mature plays an Indian who takes revenge on the British for the death of his wife and child. The action is fast and furious. (90 min.)

THE BIG HEAT—A fairly recent release, this drama stars Glenn Ford and Jocelyn Kew.

ORDERS TO KILL—Paul Massie, an American, is sent to Paris to kill an agent of the French. Massie finds that the man he is to kill is a good man, seemingly betraying anyone. Is he or not? It sounds like a clock and dagger drama.
