Dependents may accompany candidates to college, but not to preparatory school. Complete information on the program is contained in Marine Corps Order 1560.10.

OVER AND UNDER—Among the many hard-hit facilities during the high winds and rain from hurricane Helene last Saturday was the Wallace Creek boathouse. One of the 16' Rebel class sailboats lies scuttled as two more are picked up by the wind and begin to heel over. All but two of the 12 sailboats in the water at the time were scuttled by the storm with one of the remaining being damaged by the winds. Damage to private craft harbored at boathouse slips was limited.

8th Marines Scheduled To Arrive At Morehead Sunday

More than 3,000 2nd Division and Force Troops marines who landed in Lebanon during the first week of the crisis there in July are expected to arrive at Morehead City Sunday.

Two battalions of the Eighth Marines—the first and second—and supporting Force Troops elements are scheduled to arrive early Sunday at the North Carolina port aboard ships of the U. S. Navy's Transport Amphibious Squadron Four.

Dependents of the returning marines will be permitted to board the attack transports USS Fremont and USS Olmsted when they dock. Dependents are requested to make the reception as orderly as possible.

Embarkation officers requested dependents use caution in parking lots and comply promptly with requests to leave the ships. Confirmation of the ships' date and time of arrival may be obtained by telephoning the Division Information Services office at 7-5680 or 7-3064.

For the 1st Bn.—which landed in Lebanon July 18—it will mark the end of a nine-month cruise in the Mediterranean. In May and again in July it was relieved of duty with the U. S. Sixth Fleet only to be recalled before its ships

Winds Up To 70 Knots Reported By Air Facility

Camp Lejeune received its first big blow of the '58 hurricane season last Saturday as Hurricane Helene brushed the shores of the Carolina Coastlands and sent winds howling through the Base at forces of up to 70 knots.

At approximately 2:30 a.m. Saturday morning the Base was alerted for Condition II. Intermittent rains were falling over the area, being pushed ahead of the heavy winds.

At 10:24 a.m. Camp Lejeune was put in Condition I; the hurricane was eminent. The rainfall had increased to a steady downfall with winds ranging from 15 to 35 knots.

By noon the winds had increased with gusts up to 42 knots ranging the Base. A few stragglers were hurrying for shelter to wait out the pending storm.

Military personnel living in trailer parks and in coastal residential areas had been notified to evacuate if the danger from the winds and water threatened their homes.

Buses and drivers were standing by to evacuate the menaced districts and move inhabitants to evacuation centers set up in safer facilities on and around the base.

Helene was reported to have turned north from her predicted target, Charleston, S. C., and was headed for an undetermined spot around Wilmington, N. C. By this time, the base was desolate and debris was beginning to cover the area. All the low and level areas were being flooded by the torrential rains and power and phone wires were being torn down by the winds and falling branches.

By 2 p.m. the winds had gained

Major Wade Decorated At Parade Here

Maj. Victor E. Wade, commanding officer, Hq. Co., Force Troops, was presented the Navy Letter of Commendation Ribbon with medal pendant by Brig. Gen. L. F. Chapman Jr., CG, Force Troops, at a ceremonial parade held last week on the Force Troops parade ground.

The 19-year veteran was cited for his heroic rescue of a drowning man in the Tensaw river, near Mobile, Ala., while on leave August 29, 1957.

Out with a fishing party, Major Wade, hearing cries for help, saw two men struggling in the water. Removing part of his clothing, and when near enough to the scene he jumped into the water in time to see one of the men disappear under the water.

Reaching the other, Major Wade managed to subdue the hysterical fisherman, tie a rope around him, and tow him safely back to the boat.

His citation reads in part: "The alertness of Major Wade ... and his prompt and unselfish action in behalf of another were in keeping with the highest traditions of the United States Naval Service."

If you ask me...

SHOULD YOU HAVE BEEN ALLOWED TO ATTEND THE RECENT STAFF NCO SYMPOSIUM IN WASHINGTON, WHAT WOULD HAVE BEEN YOUR SUGGESTIONS?

PFC NORMAN B. KING, Ambulance Driver, Base Motor Transport—The biggest problem in the Corps is the shortage of personnel. I think there should be an increase in manpower in the Corps. At the present time, there are too many men doing jobs they don't like or know anything about. If we had more men, that situation would not exist.

CPL. EDWARD S. KOROWOTNY, Comm. Sect., Hq. Btry., 2nd Field Artillery Group—I would suggest that the Corps get rid of the "utility" jacket and adopt some type of short sleeve shirt in its place. Dressed in the utility jacket during hot weather I'm uncomfortable. It sure would be nice to have a lighter type of work uniform.

CPL. FRANCIS J. HIGGINS, H&S Co., 8th MT Bn.—I would suggest that the Marine Corps go back to the "campaign" hat. Mainly because it's more military and I think it looks sharper. The old "Sam Brown" belt would look better too. These two pieces of uniform gave the marine something to really be proud of.

PFC JOHN B. GROMAN, "B" Co., 8th Engr.—As far as I'm concerned, the Marine Corps should have kept the old style stripes. I don't like the new ones and the crossed rifles just don't have any appeal to me. Then, too, there may be a great deal of confusion during the changeover period.

HOSPITAL NURSE CHARLOTTE J. PEMBROKE, WM Co.—I think one of the best things that could be done would be to prepare the food a little better. The food itself is O. K., but the preparation deserves more attention. I would also be nice if the WM quarters were more suitable. They are pretty cramped right now.

Local Marine Wife Writes Of Corps Life

Managing a home and caring for three children is a big enough task for any marine housewife.

Mrs. M. E. O'Leary, wife of TSgt. M. E. O'Leary of Hq. Co., Force Troops, however, has added writing to her daily chores. Her latest work, "Gingham Curtains," an autobiographical work, appeared in the September issue of Leatherneck Magazine.

Pert and attractive, Mrs. O'Leary blushes when referred to as a successful author. She insists that writing is a hobby and is pursued only in her leisure hours. She was a little vague when asked how one came upon these leisure hours, but a glance around her impeccably kept trailer home showed the flair for organization which is the hallmark of successful people anywhere.

"Gingham Curtains" tells of TSgt. and Mrs. O'Leary's early marriage. The curtains were for their first home and, to her, symbolize the love, laughter, and few tears which characterize early married life in the Corps. Underlying the theme is the pride Mrs. O'Leary feels for her husband and the way of life he has chosen.

A career marine, Sergeant O'Leary plans to go out on "twenty," or maybe "thirty," to 50 acres and a jeep. When you pass his house, look in the attic window for a pair of gingham curtains; they will be the originals, and your invitation to stop in for a cup of "joe" and some sea stories.

CHEVRON Named Top Corps Paper; GLOBE Runner-Up

The San Diego Chevron was selected the outstanding Marine newspaper in 1958-59 by a special committee appointed by the Commandant of the Marine Corps and headed by Col. Donald L. Dickson, editor and publisher of Leatherneck Magazine.

The GLOBE was awarded second place in the contest, with the Parris Island Boof running third. Previously the GLOBE won first place in two out of six Journalism Award competitions.

The award, made annually to the outstanding Marine Corps post or station newspaper, recognizes outstanding journalistic contribution and fulfillment of mission. Special consideration was given to general news coverage, informational value to readers, writing quality, format, use of photographs, opportunities for reader expression and services rendered to readers.

Fifteen newspapers joined in this year's competition.

Morocco, one of the last areas in the world where polygamy is still condoned, allows each man four wives.

Second Division Organizes One Hundred Voice Chorus

Organization of a 100-voice chorus within the 2nd Division begins next Thursday when initial tryouts are to be held in the Area 4 service club.

A Division officer with 16 years' musical education and experience, 1st Lt. W. L. Mundell, has been selected to organize and direct the group. Last year, while serving on Okinawa with the 3rd Marine Division, he formed a similar chorus which appeared on a coast-to-coast Bob Hope TV show filmed overseas. Since reporting here the lieutenant has been conducting the Camp Protestant Chapel choir.

Medicare Program Revisions Use Of Civilian Hospitals, Doctors

(Editor's Note: This is the first in a series of articles to be published in the GLOBE concerning treatment provided service dependents, both at Uniformed Service and civilian medical facilities, at cost to the government as authorized by the Dependents' Medical Care Act.—PL 569, 84th Congress.)

The Revised Dependents' Medicare program, authorized by Congress this year, will necessitate limitations of government spending on medical treatment to service dependents seeking aid from civilian doctors and medical facilities in order that the program will remain within the budget limitations set forth by Congress.

The revisions pertain largely to those dependents living with their sponsor and who have access to service medical facilities. Dependents eligible for civilian medical care who reside apart from their sponsors may continue to choose between civilian facilities or a facility of the Armed Forces; or they may use a U. S. Public Health Service Medical facility.

IG Critique Scheduled At Camp Theater Tomorrow

A critique on the results of the current IG inspection will be held tomorrow at the Camp Theater by Maj. Gen. Homer L. Litzenberg, Inspector General of the Marine Corps.

The review, scheduled to begin at 3:30 p.m., will be attended by all MCB general and special staff officers; commanding officers, including company commanders; all sergeants major and first sergeants; and staff officers designated by unit commanding officers.

sponsors must clear with appropriate uniformed service authorities to obtain special authority for civilian care. When service facilities are available, that unit commander will be required to base decisions on whether or not the service facility is capable of handling the case or if civilian care should be authorized.

In maternity cases, those women who reached the 15th week of pregnancy by October 1 and who are under care of a civilian physician are authorized to continue receiving treatment provided the case is substantiated by the doctor.

However, if for reason of change of station, or other reasons, a change of physician is made, in maternity as well as other cases, dependents will be required to clear with appropriate designated uniformed service authorities for determination of whether care will be made available in a service facility or whether special authorization will be given for civilian care.

In certain emergency cases, dependents who live with their sponsors may be treated in civilian facilities without a permit. These include:

Acute emergencies requiring immediate hospitalization at the nearest hospital in order to preserve life and prevent undue suffering; Attending physician must state on the claim form, or on an attachment, that the case is actually an acute emergency.

When the dependent is away from the area of the sponsor's household on a trip. The person signing the claim will be required to make an entry certifying that the dependent is "on trip." This exception is not to be used to circumvent restrictions in the new Medicare Program.

Effective yesterday the following care and services are not authorized from civilian sources:

Treatment of fractures, dislocations, lacerations, and other wounds not requiring hospitalization.

One visit to a civilian physician, who ends his care before or upon hospitalization of the patient.

Pre- and post-surgical tests and procedures, such as X-rays, and laboratory tests performed on an outpatient basis except in maternity cases.

Two post-natal visits by a physician to examine an infant within 60 days after its birth. The in-hospital care of a newborn infant is still provided as part of complete maternity care.

Treatment of acute emotional disorders, except under certain conditions.

Medical and surgical care that

can be planned.

Chronic disease, except flare-ups or acute exacerbations.

Domiciliary care.

Ambulance service under limited circumstances.

Dependents who need a special part of the body, a limb or an eye, a orthopedic footwear will have to buy the expense.

Local United Fund Drive Starts Tues.

Camp Lejeune begins its annual campaign for the United Fund Tuesday, it was announced by Col. H. W. G. Vadnais, MCB plans officer and drive chairman.

This year's Red Feather campaign will continue through November 14, as part of the Camp Lejeune-Onslow County area solicitations.

Goal of the area campaign has been tentatively set at \$53,000. No quota had been established primarily for Camp Lejeune personnel at GLOBE deadline.

The five-week Red Feather campaign is the first of four charity drives to be conducted throughout the military services during fiscal year 1959.

Contributions go to support the following United Fund agencies: Boy Scouts and Girl Scouts of America; United Medical Research Foundation of North Carolina; United Seaman's Organizations; Jacksonville U.S.O.; North and South Carolina's United Community Services; Children's Home Society; National Traveler's Aid; Florence Crittenton Home; U.S.O. (national); American Social Hygiene Association of North Carolina; Associations for Mental Health; National Social Welfare Assembly; International Social Service; and National Recreation Association.

Donations will be collected through unit co-chairmen and the use of individual contributor cards. A meeting for all co-chairmen of the drive was held yesterday.

Survivors Of Chosin Reservoir Trap Hold Reunion At Lejeune

Eight U. S. marines who fought their way out of the Chosin Reservoir trap with the Seventh Marines in 1950 held a reunion here last Thursday.

One of the marines is Maj. Gen. Homer L. Litzburg, inspector-general of the Marine Corps. In November, 1950, as a colonel, he commanded the Seventh Regiment during the bitter fighting along the road to Hungnam.

The others are non-commissioned officers serving with the Second Marines.

Four of the NCO's wear the Purple Heart for wounds suffered in Korea. Another, SSgt. Brooks F. Patrick, won the Bronze Star Medal.

Three times, under deadly sniper fire, Patrick crossed a stream to rescue wounded men. He was then section leader of an anti-tank platoon of Weapons Co., 2nd Bn.

Awarded Purple Hearts were TSgts. Richard Kline and Ricardo E. Hebert, forward artillery observers with Weapons Co., 2nd Bn., Seventh Marines; TSgt. Wayne Watson, a platoon sergeant with Fox Co., 2nd Bn., Seventh Marines, and TSgt. James E. Hinman, machine gun section leader with George Co., 3rd Bn., Seventh Marines.

UP-ROOTED TREE UP-RIGHTED—Members of the 2nd Pioneer Bn., 2nd Division, return a tree in front of Building 401 to its original position. Hurricane Helene caused the tree to be up-rooted last Saturday.

Winds Up To 70 Knots Reported By Air Facility

(Continued from Page 1) in velocity to nearly 50 knots. Wilmington and other areas south of Lejeune were being lashed by winds ranging up to 127 m.p.h.

At 2:30 p.m., Hurricane Helene was forced to take a back seat on the local scene by the more overwhelming power of love. Chaplain R. A. Vaughan joined Cpl. Raymond H. Radala and the former Patricia Ann Moore in wedlock at the Camp Protestant Chapel.

And again at 3 p.m. the bonds of matrimony were tied as the former Miss Jane Livingston Wilson was married to 1st Lt. Thomas Edward Bollinger. The light of the nuptial candles was aided by the use of flashlights as electrical power had been disrupted in the Catholic Chapel where the ceremony took place.

The hurricane gales increased to 60 knots by 4 p.m. and reached their maximum of 70 knots, or 81 m.p.h., around 5 p.m. as recorded by the aerology station at New River Air Facility. Helene at that time was a few miles off coast after it had been diverted from striking the Lejeune area with its full force by a cold front that was moving down to the coast line.

Prior to the full force of the storm that hit Lejeune arrived, nearly half of the aircraft from the air facility were moved in-

land to wait out the danger. MCAF played a major role in keeping the public alerted and aware of the situation as MAG-26 supplied auxiliary power to a Jacksonville radio station so they could remain on the air during the crisis.

Although no all-out evacuation of the fringe housing areas was ordered, more than 800 persons took advantage of the evacuation centers that were set up at Montford Point, Camp Geiger, the Naval Hospital, and buildings 306 and 751 on base.

The flood waters that seeped into the lower areas of the base provided temporary and unique "swimming holes" for a few marines who took advantage of the sudden deluge to take a quick dip.

High Pressure, Cold Front KO's 'Helene'

(Continued from Page 1) roared from Cape Fear to Myrtle Beach.

From mid morning to early afternoon Saturday, "Helene" brushed the coast. By late Sunday afternoon, her winds began to decrease and she was "losing her tropical characteristics."

Monday afternoon she was well on her way into the North Atlantic, traveling at 30 knots with winds diminished and center dissipated.

Proficiency In Marksmanship

"My Rifle"

by

Major General W. H. Rupertus, USMC

"This is my rifle. There are many like it, but this one is mine.

"My rifle is my best friend. It is my life. I must master it as I must master my life.

"My rifle, without me, is useless. Without my rifle, I am useless. I must fire my rifle true. I must shoot straighter than my enemy who is trying to kill me. I must shoot him before he shoots me. I will . . .

"My rifle and myself know that what counts in this war is not the rounds we fire, the noise of our burst, nor the smoke we make. We know that it is the hits that count. We will hit. . . .

"My rifle is human, even as I, because it is my life. Thus, I will learn it as a brother. I will learn its weaknesses, its strength, its parts, its accessories, its sights, and its barrel. I will ever guard it against the ravages of weather and damage. I will keep my rifle clean and ready, even as I am clean and ready. We will become a part of each other. We will. . . .

"Before God I swear this creed. My rifle and myself are the defenders of my country. We are the masters of our enemy. We are the saviors of my life.

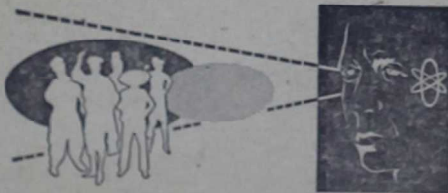

"So be it, until victory is America's and there is no enemy, but Peace!" (ARE YOU KIDDING?)

This creed as was written speaks for itself. No new concepts or ideas can help any individual if he does not have the creed at heart.

Good shooters are not born with the ability to shoot well. An individual must have the desire and willingness to learn the principles of marksmanship in order to become a good shot. The five important elements of marksmanship are, Aiming, Position, Trigger Squeeze, Sustained Fire, and Sight Setting. Each element is essential to the final result—Good Shooting.

WHAT GOOD IS A MARINE IF HE CANNOT SHOOT???

My Part in Winning Friends for Freedom

THE history of the world is the history of people striving to be free. As Americans we should attempt to understand the hopes and feelings of men in other countries who do not enjoy our liberties, justice, system of government and freedom.

But understanding is not enough. Our sympathy and support must be translated into actions that are understood by people all over the world.

That is a problem of our time. A letter on the theme, "My Part in Winning Friends for Freedom," may win you as much as \$1,000.

That is the top award in the 1958 Freedoms Foundation Letter Writing Awards program. Prizes for the contest are worth a total of \$10,000. All servicemen on active duty are eligible.

Letters should be between 100 and 500 words and addressed to Freedoms Foundation, Valley Forge, Pa. Deadline for letters is Nov. 1, 1958.

WASHINGTON REPORT

Gen. Nathan F. Twining, Chairman of the Joint Chiefs of Staff, gave a bright outlook on the United States last week.

According to the Navy Times, Twining said that we are "militarily superior overall to the Soviet Union today." In spite of the apparent belief that the Soviets outnumber us in divisions and submarines and "are probably ahead" in long-range missile development, the military chief cited our superior strategic retaliatory power, flexible and mobile tactical power, industrial prowess and economic strength, as the overall balance-sheet in U. S. favor.

At a Defense Orientation Conference in Washington, Gen. Twining talked on weapons systems, the operational missiles of tomorrow and rising costs in relation to weapons. He did not deny Soviet progress in missile and bomber development; however, he stated, "We are still only at the threshold of the missile age, breakthroughs could speed production of future weapons systems."

Some of the accomplishments during the last year he spoke of, were the creation of the North American Air Defense Command, launching of satellites, construction of ICBM sites and successful series of atomic tests.

Twining gave as examples three laws recently enacted by Congress, (defense reorganization, the pay raise and military aid to our allies), as contributing toward a stronger defense.

Chaplain's Corner

True charity, according to St. Paul, is patience. Let us consider whether we can recognize this mark of charity in ourselves.

The first natural inclination of man is to shake off anything that inconveniences him and, if he cannot rid himself of what is troublesome to him, he grumbles or gives way to anger. Charity endures tranquilly adversity, pain, injustice and insult. The greater it is, the greater is its power of endurance. Our beloved Savior is the sublime model of this patience. When He delivered Himself for us, they spat in His face, they struck Him, they accused Him; but like a lamb led to the slaughter, He held His peace. On the Cross, in the agony of death, He prayed and did not complain.

True patience is also accompanied by kindness and meekness of thought, word, and even of action. Christ is our model here also. Judas came to betray and with what gentleness Christ greeted him: "Friend, whereto art thou come." The executioners crucified Him, and His prayer was one of pardon: "Father, forgive them, for they know not what they do."

When people fail us, even in little things, what are our sentiments? How do we react? Are our hearts filled with anger and bitterness? Do we harbor resentment and seek revenge?

Patience is one virtue that is very necessary in our daily relations with one another. When we live in close contact it is inevitable that often, and sometimes without realizing it, we annoy and irritate each other. St. Augustine has said: "We are mortal men, fragile, weak, bearers of earthen vessels; and these knock against each other." And he adds: "But if the vessels of flesh feel themselves constrained the wide spaces of charity should put them at their ease."

We must try therefore, each on his own account, to bear with the fault of others. They, too, will have to bear with ours.

Marines Storm Over Ft. Lee, 27-6

Newman Tosses For Two TD's, Tallies Once, Intercepts Three Travelers' Passes

The Camp Lejeune Marines blew up a minor storm of their own Friday night and when the turmoil had subsided, the Ft. Lee Travelers were on the short end of a 27-6 score. Playing before a capacity crowd of 6,000 fans in the Travelers' new stadium, Marshall Newman, former University of N. C. field general, literally took command of the proceedings, scoring the Marines' second TD and passing for two more. But not only was he the offensive star of the contest, completing three of six tosses for a total of 130 yards, Newman intercepted three Army passes and was a stand-out performer assisting in five tackles from his defensive left halfback position.

This was Camp Lejeune's first

Player Of The Week

Marshall Newman became a one-man show at Ft. Lee as he completed three passes for 130 yards, two for TD's, and sneaked one across himself for Camp Lejeune's second tally. Not satisfied with his offensive performance, Newman assisted in five tackles and intercepted three enemy tosses while seeing limited action as the Marines racked up four quick scores and then settled back as the reserves finished off the rest of the game.

The 180-pound, 24-year-old field general played three years at the U. of North Carolina prior to coming in the Marine Corps. Hailing from Sampson, N. C., Newman is a flyer TAD from Cherry Point.

win of the campaign as they were held to a 13-13 tie by the Norfolk TARS.

So complete was Lejeune's mastery in the first half, that the Travelers never did get into the act until six seconds remained in the game when the Marines' fourth string spared the Army club a complete humiliation on a pass play covering 28 yards and their only tally in the tilt.

With the locals receiving, Newman pitched a perfect strike to Willie Fjerstad on a play covering 56 yards. The big fullback ambled to Lee's 14-yard line with end Joe Fowlkes throwing the key block. With Carey "Choo Choo" Henley, Don Swanson, Newman and Fjerstad lugging, the ball was brought to the one-yard line where the latter capped the drive by plunging the remaining distance. Henley's toe added the PAT to put the Marines ahead, 7-0.

Unable to move the ball, Ft. Lee kicked to the Lejeune 10-yard stripe where "Choo Choo," making like an express, cut to the right and worked his way almost to the left sideline in a masterful display of broken field running before being pulled down from behind after reeling off 70 yards. Newman took to the ground after a pass fell short. Swanson totaled two and 17 in consecutive attempts with the quarterback going over from the six-inch marker. The conversion attempt, via a pass, fell short.

Ft. Lee again was unable to work effectively. Lejeune took over after a 19-yard punt return by Swanson. Pat Alteiri, Joe Ferrari and Swanson alternated in bringing the ball to the Lee 35-yard line. Swanson picked off a Newman pass and went down the middle for Lejeune's third marker. Alteiri attempted to run the PAT but was tackled before crossing the line.

The Marines tallied their last TD late in the second period. Unable to gain momentum, guard Ron Botchan fell back to kick. However, the ball was blocked and a 15-yard penalty against Lee gave Lejeune the ball on their opponents' 49-yard marker. Newman

stayed on the ground for four attempts and then hit Fowlkes on a play covering 38 yards and a TD. Swanson ran the ball over for the PAT to put the locals ahead 27-0 prior to the half.

Coach Wil "E" Overgaard substituted freely throughout the remainder of the contest. Ft. Lee dominated second half play with quarterback Al Mendoza finally rifling a 28-yard pass to Charley Scully and a six pointer with six seconds left in the game.

Lejeune scoring—Fjerstad, one yard plunge; Newman, six-inch plunge; Swanson, 35-yard pass from Newman; Fowlkes, 38-yard pass from Newman. Conversions: Henley, placement; Swanson, run. Ft. Lee scoring—Scully, 28-yard pass from Mendoza.

Quantico Takes Second Game Against Pensacola

The Quantico Leathnecks won their second game of the year when they stopped Pensacola, another Camp Lejeune opponent, 26-0. Quarterback Larry Magilligan tossed for two scores. Harry Jefferson plunged for one and another field general, Jim Lorenze, tallied on a 32 yard run.

This was Pensacola's first loss of the season as they dropped Texas Lutheran college 27-7 in their season's opener. In that tilt, fullback Bob Moss scored three times while teammate Bill Williams tallied the other. The former may be lost to the Florida club for the season as he suffered a shoulder separation.

SIZEABLE GAIN—Ft. Lee's Woody Moore picks up sizeable gain Friday night as he evades a Camp Lejeune tackle later and Howard George, right, dumped the fullback. Lee racked up a quick 27 points in the first half and then let play out the remainder of the contest as the locals won of the season, 27-6.

A STEAM ROLLER—It took five Ft. Lee players to block halfback Don Swanson as the former Minnesota field general plowed through the Army line to score two points on a PAT attempt also picked off a Marshall Newman pass to tally a six-point lead for the Marines.

Serv. Bn. Bows To Hq. 31-12; ITR In 52-6 R

A classy Hq. Bn. six-man grid team, defending champions, sunk a fighting Serv. Bn. sextet in second round for both in the MCB six-man football league last week. The final score was 31-12.

With their offense piling up 182 yards from scrimmage, 153 yards passing and another 84 in returns and interceptions, the Headquarters team scored in every quarter, twice in the second.

The winners' defense held Serv. Bn. to 84 yards on the ground and 12 in the air.

Jack Cole and Frank Westbrook both scored twice and Quinn Hayes once for the winners. Cole took a pass from quarterback Tom Ballard for the one conversion. Tom Everett and Harry Wilson scored one apiece for the losers.

Hq. Bn. completed nine of 19 aerials with Ballard tossing all the completions.

With the whole team blocking hard on both offense and defense, Headquarters' standouts were few. Cited for the hardest play on defense were Mac McCreary, Hersh Sharp and Harry Woods. Pappy Dawson joined the scorers in piling up yardage.

Showing up best for the losers were Lloyd Elm, John Moore, Everett and Wilson.

Headquarters, now at 1-1, lost their first game to ITR when they failed to convert once out of six tries. The final was 37-36. Serv. Bn. stopped Supply Schools in their opener.

In the only other week, 1st ITR put together a stalling attack to blast Bn., 52-6, for their second season.

Jerry Retchless, of Jim Ellis and Floyd Hall next to spectacular performers. Retchless tallied, and Hall accounted for was the outstanding player. Ellis directed connecting for one 11 one extra point and two more.

GOLF MEETING

There will be a WGA Tuesday morning beginning 8:30 a. m. at the Parade club house. All persons to affiliate with the tion are urged to attend meeting.

FT. LEE ACTION — The Camp Lejeune eleven opens up a hole for halfback Don Swanson in a gain against the Ft. Lee Travelers Friday night before 6,000 fans in the Army's new stadium. Other identifiable local players are ends Jim Mora (84) and Howard George (88), quarterback Marshall

Newman (10) and halfback Willis Fjerstad (47). The Marines went on to victory and now stand at 1-0-1 on the season. Saturday, Lejeune will play host to the Eagles of Eglin AFB beginning 10 a. m. at Liversedge field.

Sports in short

CPL. WILLIAM SMITH

The pictures above were part of a team pic taken in these ball players were members of the Quantico. And, ironically enough, this trio is currently scene having a great deal to do with the Camp of 1958.

He who don't recognize the faces, that's head coach guard on the left, then playing tackle on a squad of four pro players. In the middle is end coach Joe. Three years before he had been named as an end.

Player at the right is gear manager Al Neveu who was guard slot and who now has been on the local scene years.

TODAY'S CLOSEOUTS—Even in their win Friday at Ft. Lee, the Camp Lejeune eleven was playing services of many star performers. Not suiting up were halfback Herb Naakan and starting tackle Don Swanson. Joe Kubala did an excellent job in Williams' place to retire from action in the second quarter because of a back injury.

One of the biggest losses in the line occurred when Jim Kunsman, a two-year man at Lejeune, was in the first period and injured his knee to the extent he would be lost for the remainder of the season. Tackle Don Swanson, a standout performer in opening action, also was due to a back injury. However, the star lineman was back in the starting lineup Saturday. Ron left the game early due to a shoulder injury.

Head coach to co-captain the Ft. Lee tilt were Don Swanson and Homer Hobgood. The latter reported to camp late in the third string center until the coaches saw him when Ron Botchan was moved to guard, Hobgood over the center position and has turned out to be the steadiest linemen on the squad.

At the fifth meeting of the two clubs with Lejeune at the edge, 3-2.

During the half was the Second U. S. Army Pipe Band. "Miss Ft. Lee" was also introduced to the band.

Lejeune coaches sprang loose another new face in the form of Beasley, a 176-pound ex-Duke U. halfback, who was on six attempts to pace the backs in yardage.

Allen, a holdover fullback from last year who was sidelined with an injury, showed the crowd that he was in the form he exhibited last season. One of the players traveled 52 yards.

By motorcade to view the festivities were Maj. P. Riseley, MCB commanding general; Col. R. L. E. chief of staff; Col. K. A. Jorgensen, Base G-3; and B. Geiger, Base Special Services officer. Joining on the bench was Dr. James R. Dineen.

A group of marines from the reservation also ventured to the root for the local club.

SCREENING—Assistant coach Gerry Smith watches screening action as basketball unofficially began Monday at the Goettge Memorial field house. Skipper Larry Law and Coach Smith are holding two separate workouts daily at 10 a.m. and 3 p.m. The coaches have urged all basketball aspirants to attend the screening period.

Marines Face Stiff Test Sat. In Clash With Eglin's Eagles

The Marines of Camp Lejeune face a stiff test Saturday morning as they meet the Eagles of Eglin AFB beginning 10 a.m. at Liversedge field. The Airmen have won their first two outings, dropping Tyndall AFB, 52-6, in their season's opener and stopping Kessler AFB last weekend, 27-8.

This will be the fourth meeting between the two teams with Lejeune holding the edge, 2-1. Last year, the Marines lost to Eglin, 19-14.

The Airmen boast of one of the largest service clubs on the East Coast. Using a pro-type offense, the Eagles work out of a slot back formation splitting the ends and utilizing three excellent pass receivers. The offense stresses the passing attack and Saturday's tussle could end up being a battle between Lejeune's Marshall Newman and Eglin's Huston Patton.

A star-studded first string will face the Marines. Tackle Bob Dittrich is considered their best lineman, gaining his experience at Wisconsin and later with the Chicago Cardinals. Another pro ball player, guard Buddy Alliston, played at "Ole Miss" and with the Winnipeg Blue Bombers in the Canadian League where he was named to the All-Pro Canadian Team in 1956. This will be his first full year with Eglin.

Rounding out the starting line will be Jackie Croy (Ohio State), Buck Wiley (Georgia Tech), Ernie Tobey (Miami), and Doug Goodwin and Ernie Moore, both with service ball experience.

Patton will be at their starting quarterback slot. He played at "Ole Miss" and was a teammate of Alliston. Local fans will remember Larry Parker, who will be their left half. Parker is a product of the University of N. C. Ross Frazier or Lou Roth will open at the other half. The former is an ex-Ohio State standout, while Roth played at Southwestern (La.) Tech.

Boxing Candidates To Report Monday

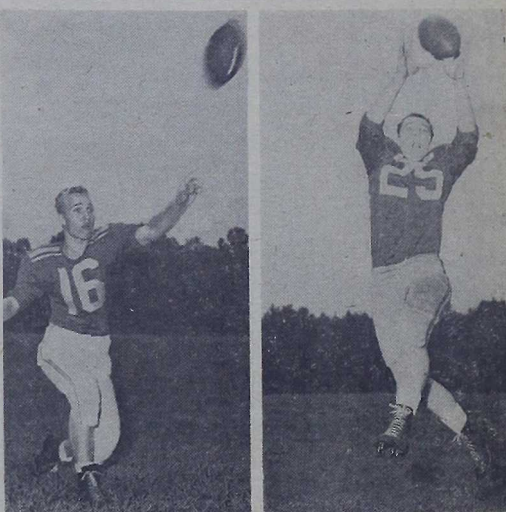

Varsity boxing will begin Monday afternoon with all aspirants requested to report to the Goettge Memorial field house at 1 p. m. Candidates must have gym shoes and trunks in their possession and will work out for four straight days enabling coach Ray Rogers a chance to view his pugilists.

All candidates will be issued a card from the Base Special Services Officers identifying them as boxers trying out for a varsity position. According to Base bulletin 1710, commanding officers are requested to excuse all members of their units bearing such cards allowing ample time for them to report by 1 p. m. weekdays and 8 a. m. Saturdays, beginning with the effective dates on the card.

Coach Rogers tentatively has an eight to 12 match schedule with the opener against Bolling on January 7 in an away encounter. The same team will meet here in Lejeune's initial home appearance on February 9.

SELECTED AS OUTSTANDING—Sophomore Toby Shelton, left, literally put on a one-man show Friday night as the Camp Lejeune Devils lost a close 14-7 decision to Beaufort at the latter's field. Weighing in at 141 pounds, Shelton was picked as the outstanding offensive-defense performer of the game. Head coach Tom McGhee also pointed out the fine efforts of end Harry Powell, right, and tackles John Vadnais and Jerry Rowe and guard Dick Vertefeville.

T. Shelton Outstanding As Pups Drop Third Tilt

Toby Shelton, a 141-pound Devilpup sophomore fullback, played havoc with Beaufort Friday night in a losing cause as the local high school dropped their third game of the year in an away-encounter, 14-7.

Coach Tom McGhee had high praise for his young back and at the same time has to look forward to a Friday tilt without his ace quarterback, Bucky Mugford, who had to leave the contest in the second period due to a recurring shoulder injury.

Breaks told the story of the tilt as the Pups drove to the Beaufort 10-yard line on three different occasions only to see their drive end, twice through intercepted passes.

Beaufort scored 14 points before the Devilpups finally got into the game with but a few minutes remaining in the first half. Picking up 25 yards on five plays and with the ball resting on their opponents' 25 yard stripe, Jim McCarville took a pitch-out and went the remaining distance for the tally. Shelton plunged over for the PAT.

The winners scored their TD's on a sustained drive and the other via the airways on a 37-yard pass play.

The second half was nip and tuck with the Pups threatening twice and Beaufort once.

In the statistical department, Lejeune High had two more first downs than their opponents and out-gained them 187-144.

But even in defeat, the locals came up with some outstanding players. Picked as the best player on the field was Shelton who looked every bit like a full-grown fullback weighing 200 pounds. In the last three ball games, he has been next to spectacular. In the only Pup win of the campaign against Beaulville, Shelton ran brilliantly, scoring six points and setting up two with spectacular runs.

Also picked for their fine efforts were Dick Vertefeville, John Vadnais, Harry Powell and Jerry Rowe.

Camp Lejeune High will take to the road for their third consecutive away-encounter Friday night when they meet the Pirates of Swansboro. Their opponents have yet to win a game all season and in four contests have scored only one TD. However, their schedule has been tougher than the Pups' and the game is rated a toss-up. Last year, Swansboro was defeated by the Devilpups, 14-6.

Golf Slices

By JIM BUTLER

Due to the storm that hit the Base over the weekend, play for the club championship has been extended for one week. All matches must be over by October 9 with a two-day extension allowed players who were delayed because of the I. G. inspection.

Leaders in the Staff NCO Tournament are Sam Paulter and yours truly with a net 135. In the Sergeants and Below tourney, J. D. Brown is pacing all contestants with a 125 net.

All linksters desiring to participate in the match against Cherry Point on October 12 should sign at the Pro Shop. At stake will be the Burger Bucket with the Point walking off with the golf prize in the initial match.

Group Defeats Regiment For First Such Win In Three Years

Group II's football team caught the Eighth Marines with their battalions down Monday night at Harry Agganis field and handed the Eighth an 8-0 defeat, the first win by a group team over a regiment in three years in the Second Marine Division Intramural Conference.

Second Recon. Bn. moved briefly into first place in the Division league with an 8-7 comeback win over Group I Friday.

DEADLOCKED—Defensive play highlighted action Monday as the combined team of Hq. Co-8th MT Bn. played to a deadlock against 8th Comm. Bn. in Force Troops football action. Both teams have yet to win a game in three outings and needed this one to help their standings in the Force Troops loop.

Force Troops' Weekly Action Ends in Scoreless Deadlock

The combined forces of Hq. Co. and 8th MT Bn. met the 8th Comm. Bn. Communicators Monday to play a scoreless duel on the gridiron opposite G. ette Memorial field house.

Airmen Down Motor Ts 12-6 As Ray Stars

A highly spirited 8th MT Bn. dropped a close 12-6 ball game to a fighting MCAF eleven last Wednesday night at the Air Facility field.

Having lost the week before to the 2nd FSR Rams in a 46-0 slaughter, the Motor Ts kept the Airmen scoreless for three quarters. See saw football prevailed throughout the first half with the Airmen making use of every break to cop the victory in the closing period of the hard fought contest.

In the first half, 8th Motors kept the Aviators scoreless while they themselves racked up six points on an interception by Ed O'Mally, who ran the ball from the Airman's 26 yard line. The Aviators on the Motor Ts eighty-yard line, but unable to score.

In the second half, with both teams battling it out for yardage, more than 200 yards of turf were spent on a scoreless third quarter.

Things brightened up in the fourth period as Jack Caddy picked up the first TD of the game on a series of end arounds.

Going into the closing minutes of the game, the Aviators got a few breaks. The Motor Ts were hit with penalties totaling more than 30-yards. With the Airmen already starting to connect, the penalties pushed the Ts back deep into their own territory. Seconds later the Airmen scored on two passes by Bill Ray, the last of which found Bill Kikel in the end zone.

In the final three minutes, the ball changed hands three times but neither team scored and the game ended in a 12 to 6 victory for MCAF.

With both lines keeping a tight defensive network, neither eleven was able to pick up more than a few yards at one time during the first two periods.

With MT's Bill Tyson quarterbacking and Lou Aget doing most of the running, two short gains put the MT's twice within scoring position on the Communicator's 20-yard line, but each time they were stopped by the Comm. forward wall.

The Communicators, although playing tight defensive ball with Bill Dugan, Al Fischer and Joe Smith backing up the line, failed to click for a marker.

In the second half both teams played see-saw football on a somewhat larger scale, but neither could penetrate deep enough to score that all-important TD. Only once, with three minutes to go, did it looked like anyone's ball game. The MT's started down field in a series of 10-yard gains but lost the ball on an interception to the Communicators on the 14-yard line. Time ran out on Comm. as their short-lived aerial attack brought them from their own 15-yard line to mid-field.

Go-Getters White Wash Alley Kates In Keg Loop

The Go Getters white washed the Alley Kates in last week's Staff Wives NCO Bowling loop behind the rolling of Ollie McCarvill who posted a high game and series of 160-413 respectively. Terry Anzilotti paced the losers with a 145-376.

In other action, the Smash Hits stopped the Pin Ups, 3-1. Mary Smith recorded a 162-406 for the winners while Marion Kailer's 156 and Nell Alford's 373 were high for the Pin Ups.

low, their dependents and guests, will start at 8 p. m.

DEPENDENTS' INFORMATION

The old Insect & Vector Control building is now being utilized as a school building. Consequently, the speed limit within the school zone on Holcomb Boulevard has been reduced to 35 mph between 8:15 a. m. and 2:30 p. m. on school days. Drive carefully—school children's lives are at stake.

All enlisted, civilians and dependents who receive Military Traffic Citations are required to report to the Traffic Board Clerk, Bldg. 37, within three working days, during normal working hours.

Pedestrians, other than military formations, using roads where there are no sidewalks, shall walk on the left side of the road facing oncoming traffic. Pedestrians shall not walk on roads or on the shoulders of roads where sidewalks have been installed.

Discipline on school buses has been very satisfactory due to the efforts of bus drivers and cooperation on the part of the children.

Parents are advised to caution their children against playing in the street while waiting for school buses and (concerning parents at

Camp Knox in particular) children have been found playing near trailers that have not been permanently situated. Because of the instability of jack and concrete blocks, children crawling under these trailers could easily be hurt.

Dempster Dumpsters have been installed at Knox and Geiger trailer parks in lieu of outside garbage cans. This new accommodation should eliminate the large number of stray dogs.

Base Photo Lab has opened a new branch at Camp Geiger enabling marines and their depend-

ents to obtain II coming to mains office will be open Fridays from 9:44 p. m. and on Wed p. m. to 3:30 p. m.

10 NORTH FREDERICK **ΔΔΔΔ**
Gary Cooper plays a man who, at the urging of his wife, sets out on a political career aimed towards the Presidency. He does poorly at this and his family life is even more of a failure. Suzy Parker portrays the daughter's (Diane Varg) roommate with whom Cooper falls in love. The wife, Geraldine Fitzgerald, proves herself unfaithful also and in the end Cooper dies a drunkard. (102 min.)

YOUNG LIONS **ΔΔΔΔ**
Montgomery Clift plays a Jew who is drafted at the start of WWII and then tormented because of his religion. Dean Martin is a nightclub singer, also drafted, who meets Clift and lends him moral support in his battles. Marlon Brando is a German officer who is "gung ho" for Nazism until he sees a concentration camp. Oddly enough he meets Clift and Martin and they kill him. (100 min.)

BORN TO THE SADDLE
An outdoor drama starring Lief Erickson and Donald Wood. (80 min.)

OLD YELLER
A story of a dog and the family he adopts and saves from disaster many times. Suspense, a goodly amount of action, human interest, thrills, and above all, the feeling of a family for an animal that grows to be more than a pet is the composition of this movie. (85 min.)

HOT ROD GIRL
Action drama starring John Ashley and Jody Fair. No other information available. (72 min.) Also, High School Hellcat, a picture with a lot of action, starring Yvonne Lime. (60 min.)

SMILEY GETS A GUN
A color adventure starring Keith Culvert and Chips Rafferty. (60 min.)

VIOLENT ROAD
A movie for those who are intrigued by the sight of three huge tank trucks passing endlessly in review on the screen and encountering all manner of contrived situations along the road. The attempts at thrills during the performance prove to be a bore. Starring are Brian Keith and Merry Anders. (66 min.)

FEARMAKERS
A drama starring Dana Andrews. No other information available. (80 min.)
THE BRIDE IS MUCH TOO BEAUTIFUL
A French-made English titled movie

starring Brigitte Bardot and Louis Jourdan. A movie about a country lass built into a sensation as a magazine cover girl by editor Michelle Presale, who selected her for her simple prettiness and created a series about a fake romance with Jean-Francois Calve. (60 min.)

APPOINTMENT WITH A SHADOW
A movie in CinemaScope which depicts a chronic alcoholic newspaper reporter trying to get a scoop on the world's most wanted gangster. No one will believe his story about the killer being alive, while a substitute has taken his place. Starring is George Nader, Joanna Moore and Brian Keith. (73 min.)

WAR OF THE COLOSSAL BEAST
A thrill-chilling science fiction starring Dean Parker and Sally Fraser. (69 min.)

ATTACK OF PUPPET PEOPLE
A doll manufacturer turns his associates and friends into miniature beings. The manufacturer's secretary and her boy friend escape their doll-like existence. This movie stars John Agar and Joan Kennedy. (78 min.)

THUNDERBIRDS
A war drama starring John Derek, John Barrymore Jr. and Mona Freeman. (90 min.)

TERROR IN A TEXAS TOWN
Sterling Hayden stars in this movie. Hayden, a former whaler, retires from the sea to help his father on the farm. When he arrives home he finds that his father had been killed. Hayden then proceeds to find his father's murderer. (60 min.)

INTERNATIONAL COUNTERFEITERS
A crime type movie starring Gordon Howard and Trina Gardner. Seventy minutes long, it's a British movie and has a Tweety comedy.

FIEND WHO WALKED THE WEST
Hugh O'Brian is a hero, sent to prison for participating in a robbery. His cellmate, Robert Evans, gets out of prison and sets out after the lost from the hold-up. In the process, eight people are killed. This is not a movie the kids would enjoy. (61 min.)

AS YOUNG AS WE ARE
No information available on this gem, but it stars Robert Harland and Pippa Scott. (80 min.)

APACHE TERRITORY
A saddle tramp, Rory Calhoun, takes charge of a group of travelers at a water hole and battles through an Indian siege. The white men win, naturally. (70 min.)

WILD BLUE YONDER
Forrest Tucker portrays an Air Corps type who can't quite manage to complete any tough bombing missions. Needless to say this doesn't endear him to his fellow pilots, Wendel Corey (another

pilot, brave type) and the other two sides of Tucker proves he is the movie, losing his to save another man.
