VICE ADM. B. H. HANLON

Adm. Hanlon Arrives Today; Parade Slated

Vice Adm. Byron H. Hanlon, commander, Amphibious Forces, Atlantic, is scheduled to arrive today to visit units stationed here.

Force Troops, 2nd Air Wing and Division troops were to conduct a full-dress parade, review and fly-over at 10:30 a.m. Personnel from Marine Corps Base will man the saluting battery.

Brig. Gen. Leonard F. Chapman Jr., commanding general, Force Troops, will command the troops during the parade and review while spaced flights of jets, propeller-driven aircraft and helicopters fly over the parade ground.

Admiral Hanlon was commander of the PHIBLANT exercise conducted here last spring which involved over 40,000 marines and sailors from Camp Lejeune and the Atlantic Fleet.

A veteran of World War I and II, the 57-year-old admiral embarked on his naval career in 1917. Admiral Hanlon was decorated with the Legion of Merit by the Navy for outstanding service with the Pacific Fleet in WWII, and also received a similar award from the Army while serving with the United Nations Command in Korea in 1952-53.

6th Marines Units Depart For Near East

The Department of Defense has announced that elements of the Sixth Marines, under the command of Col. W. J. McKennan, have embarked in ships of Transport Amphibious Squadron-3 at Morehead City as rotational reliefs for 2nd Division troops in Lebanon.

The force, numbering about 1,900 men, sailed as they were loaded, and will serve afloat in the Mediterranean in the Sixth Fleet.

Adm. James L. Holloway Jr., commander, Specified Command, Middle East, announced that the 1st Bn., Eighth Marines, now ashore in Beirut, Lebanon, began loading in ships of Transport Amphibious Squadron-4 Monday and will sail directly for the United States tomorrow.

The battalion returning from the Med, commanded by Lt. Col. J. H. Brickley, and Amphibious Squadron-4, commanded by Capt. P. L. Wirtz, USN, is scheduled to arrive in East Coast ports in early October, the Defense Department has announced. This reinforced battalion was originally scheduled to return to the United States last May.

Included in the Marine replacement unit will be a regimental headquarters company, and the 2nd Bn., Sixth Marines, commanded by Lt. Col. W. Wilkes.

Transport Amphibious Squadron-8 is commanded by Capt. C. L. Werts, USN, and is composed of the attack transport USS Cambria, attack cargo ship USS Ogleshorpe, the LST's USS York County and Suffolk County and the landing ship dock USS San Marceus.

Base Units Slated For IG Monday

The Marine Corps Inspector General will conduct the annual Inspector General's Inspection of Marine Corps Base September 22 to October 4.

Prior to the formal unit inspections, top MCB officers and unit commanders will meet for an initial conference to be held in the Paradise room of the Paradise Point officers mess.

During his stay at Lejeune, all officers and enlisted personnel are afforded the opportunity to speak with the senior inspector. Request mast forms may be obtained from the administrative inspector at the time of the mast, which will be announced at a later date.

Following Monday morning's conference, the senior inspector and his party will commence the inspections at Hq. Bn and continue there through Tuesday.

The Woman Marine Company and Marine Corps Engineering Schools at Courthouse Bay will be inspected Wednesday.

Thursday and Friday morning the inspection team will be at Marine Corps Supply School at Montford Point and Friday afternoon at the Rifle Range detachment.

Monday, Sept. 29, Service Bn. will be inspected and Tuesday, Sept. 30, the party will move to

MAIL CARRIERS—Scheduled to open in the backfield Saturday morning at Camp Lejeune's Liversedge field against a visiting Norfolk TARS eleven are, left to right, Carey "Choo Choo" Henley (Chattanooga), Willis Fjerstad (Minnesota), Don Swanson (Minnesota), and Marshall Newman (N. C. university). The local Marines will make their 1958 debut beginning 10 a.m. before an expected crowd of 10,000 fans.

GRIDDERS HOST TARS SATURDAY

The Camp Lejeune Marines officially open the 1958 football season Saturday morning when they play host to the Norfolk TARS beginning 10 a.m.

The pep rally originally scheduled for tomorrow at 6 p.m. was called off. The proposed floats depicting the theme, "Trounce Norfolk TARS," also had to be cancelled. Plans will, however, be carried over to the next home game against Eglin AFB on October 4.

At the game Saturday, the 2nd Division Band will be on hand along with Camp Lejeune's new cheerleaders.

Back as head coach is Capt. Wil "E" Overgaard who guided the local team to a 4-1 record last year. Assisting coach Overgaard is Capt. Jim Quinn, backfield coach; 1st Lt. Fred Campbell, line coach; and TSgt. George Cordle, end tutor.

Last season, the Marines lost their first game when they were defeated by Little Creek, 14-10. This year, Little Creek and Norfolk have combined. In their first outing of the year last week, the TARS stopped Mitchell AFB, 7-6.

The Marines will field a line that averages 207 pounds per man. At the ends will be Ron Beagle, a two-time All-American at the Naval Academy, and Joe Fowlkes, a three-year man at Lejeune.

Jim Schwartz and Bob Williams

will hold down the tackle slots. The latter gained experience at S. C. State (one year) and played at Parris Island in 1956. Schwartz was a four-year man at Xavier university. The guard positions will be handled by **SEE MARINES TO OPEN, Page 10**

Col. Geiger Heads Special Services

Taking over in time to direct the special services activities at the opening of the 1958 football season was Col. Allen B. Geiger who officially assumed his new duties as Base Special Service Officer Tuesday morning. Effective as of September 4, Colonel Geiger relieves Maj. Frank L. Straner, who became Colonel Geiger's assistant.

Prior to taking over his new duties, Colonel Geiger was Base Inspector.

Headquarters Reveals 2344 Promotions In Staff Ranks

Promotions are in store for 851 technical sergeants, 649 staff sergeants and 844 sergeants, Headquarters Marine Corps announced. All promotions will be effected in December.

staff sergeants will be made by commanding officers on a cutting score basis. Cutting scores will be established by Headquarters.

This will be the first group of staff noncommissioned officer promotions for fiscal year 1959. Headquarters plans additional staff noncommissioned officer promotions during the spring of 1959.

A board, headed by Col. Edward B. Carney, convened at Headquarters Marine Corps September 9 to select 851 technical sergeants for promotion to master sergeant. The board is expected to submit its recommendation to the Commandant October 3.

On October 13 a board will convene at Headquarters to select 649 staff sergeants for promotion to technical sergeant.

the club now has an up-to-date high fidelity phonograph for use by people attending the club activities, and that a stereophonic player will be purchased in the near future. The USO has about 100 record albums at the present time.

A report was made on the record of attendance at the Jacksonville USO. During the two week period between August 18 and 31, 7,106 servicemen enjoyed the many recreational facilities provided.

There had been some discussion that the USO building might be closed during certain hours of the day. It was decided, however, that the regular club hours would remain in effect. The club will remain open Monday through Saturday from 9 a.m. to 11 p.m. and on Sunday from 9 a.m. to 10 p.m.

The final item of business on the agenda had to do with the coming request for donations to the USO. The organization is run on a donation basis, and receives no subsidy from the government. The following figures were given, as suggested quotas by the respective counties: Onslow county, \$3,405; Wilmington, \$3,249; Kinston, \$1,426; New Bern, \$925, and Goldsboro, \$1,785.

NEW LOOK—Chart shows new enlisted insignia for Marine Corps personnel: (1) Sergeant Major, E-9; (2) Master Gunnery Sergeant, E-9; (3) First Sergeant, E-8; (4) Master Sergeant, E-8; (5) Gunnery Sergeant, E-7; (6) Staff Sergeant, E-6; (7) Sergeant, E-5; (8) Corporal, E-4; (9) Lance Corporal, E-3; and (10) Private First Class, E-2.

TEMPORARY COMMANDERS—Staff NCO's of 2nd Force Serv. Regt., Force Troops, have assumed the duties of their senior officers for two-week periods during August and September in a move designed to acquaint them with their seniors' jobs and enhance leadership capabilities. Acting battalion commander was MSgt. C. H. Vess, left, inspecting a tank retriever with MSgt. C. W. Shivar, acting CO of Ordnance Maintenance Co. At right is Cpl. D. Harrison, operator of the retriever.

Marine Rifleman Pietroforte Hero Of 1958 Perry Matches

Attainment of the "impossible" highlighted the 1958 edition of the "world series of shooting" which ended September 6, when a 30-year-old marine rifle marksman, TSgt. Michael Pietroforte, became "Mr. Perfect" of the National Rifle and Pistol Matches, by firing the first string of 50 consecutive bullseyes during competition over the national match course to win the National Trophy Individual Championship with a score of 250 and 23 V's.

Previously in the rifle shooting the marine team and individuals had taken all major shooting matches including TSgt. V. D. Mitchell's 493 with 47 V's win in the Service Rifle Championship, and team victories in the Coast Guard, Herrick, Roumanian, Enlisted Men's and Rumbold Trophy Matches, as well as Leathernecks placing one, two, three in the classic of long distance firing the 1,000-yard Wimbledon Cup.

USN Program Outlined For Coming Year

Chances of acceptance for the Naval ROTC program are very good this year for qualified applicants, according to Headquarters Marine Corps.

In recent years the annual quota for this program has been greater than the number of fully qualified candidates for the officer training program.

The program provides up to four years subsidized education at any one of 12 colleges and universities throughout the country. All tuition, books, drill uniforms and fees are provided plus a retainer pay of \$50 a month to help pay room and board.

There are 200 annual openings for enlisted appointment. Applicants must be at least 17 but less than 21 on July 1 of the calendar year in which they enter the program. For those with previous college credit, the age limit will be extended to less than 25 years of age on July 1 of the year when the individual graduates.

All recommendations will be made by the individual's commanding officer. Nominees must be a high school graduate or possess the equivalent educational background or high school certificate which would be acceptable for admission to an NROTC college or university.

Deadline date for the receipt of nominations is October 20, 1958. The Navy College Aptitude test will be given on December 13.

Pistol Championship Matches Sponsored By Rifle-Pistol Club

The Camp Lejeune Rifle and Pistol Club will open its Fall Pistol Championship on Saturday at 8 a.m.

Sponsored by the commanding general, Marine Corps Base, the National Rifle Association-registered tournament will be a two-day event and is scheduled to take place at the Camp Lejeune Rifle Range.

Tournament regulations require that all competitors be members of the National Rifle Association and firing will be governed by association rules.

The registration fee for the tournament will be \$2.50 regardless of the number of matches entered.

Entry fees will be charged on the following basis: \$1.50 per individual match, \$2 each aggregate. Team matches may be entered at \$1 per member. Complete entry and registration fee for all matches excluding team matches is \$30.

Advanced entries are required and may be mailed in or made upon arrival at the Statistical Office.

Registration has been limited to 200 competitors with priority given to those firing all matches.

Teams will consist of four firing members and the team captain may be one firing. Each team is to represent a club affiliated with the National Rifle Association. Teams are to be designated prior to match No. 14 on Sunday. Advance notice of intentions to enter teams will be appreciated.

All matches will be operated under the "squading" system, and tickets will be available at 1 p.m., Friday at the Statistical Office.

Competitors will be classified according to National Rifle Association Procedures and will be required to present current classification cards before being issued squading tickets.

In order to assure a successful tournament, entries should be submitted prior to 4 p.m., September 19.

Entries and other correspondence should be addressed to: Secretary, Camp Lejeune Rifle and Pistol Club, Rifle Range Detachment, Marine Corps Base, Camp Lejeune, N. C.

MCAF Unit Wins Navy Safety Award

Marine Helicopter Transport Squadron (Light) 261, MCAF, New River, was among six Marine Corps aviation squadrons cited by Chief of Naval Operations for its 1958 safety record.

The past year was described the safest in naval aviation history as major aviation accidents dropped to 2.8 per cent per 10,000 flight hours as compared to 5.5 major accidents in 1957.

The 1958 Safety Program awards follow approximately 3.9 million hours of flight and about 4.2 million landings in naval aviation.

10th Marines Display Heli-Lift Mobility

In a striking display of modern mobility via heli-lift last week, two batteries of Tenth Marines' artillery shifted positions over three miles in a little over one hour.

This demonstration of rapid displacement was made possible through the streamlining of the 2nd Division earlier this year, and the employment of helicopters.

"A" and "C" Batteries, 1st Bn., Tenth Marines, were firing for effect on training targets Thursday

morning when the "move-out" word was received. Within minutes their 4.2 inch mortars were disassembled and aboard jeep trailers enroute to the helicopter landing site.

Big, two-engined Sikorsky HR2S "choppers" lifted the rolling stock and heavy gear while most of the troops went aboard smaller aircraft for the mile-a-minute move.

Less than 15 minutes after touchdown on the new position gunners of the two batteries had their tubes back in action.

Record Book Will

Should you die while on active duty, your "Record of Emergency Data," DD Form 93-1, will be the most important document in your entire service record. The information contained therein indicates the person or persons to: (1) Be informed of your death, (2) Furnish instructions for disposition of your remains, (3) Be paid death gratuity, (4) Be paid the arrears of pay, and (5) Receive your personal effects.

Your "Record of Emergency Data" also provides an item for you to indicate any person in your immediate family that should not be notified of your death due to ill health. Spaces are included for you to indicate the commercial insurance companies and the policy numbers of any commercial or government insurance you might be carrying. This latter item is most important to your next of kin when the Casualty Section in Headquarters Marine Corp prepares a Marine Corps Report of Death and sends a copy to all such insurance companies you may have listed.

Every item of information contained on your DD Form 93-1 is important to your widow-to-be, your children, and/or next of kin. And it is your responsibility to them to make sure that your record is kept current according to your wishes.

Remember, should you die tomorrow, the most important thing you did today was to bring your "Record of Emergency Data" up to date.

Inspection

Did you ever stop to think that every time you step out into the street, whether it be in uniform or out, you are standing one of the most rigid inspections ever faced by a marine? You are under the eye of the American Public.

Because of this, you usually manage to acquire a freshly pressed pair of trousers, shined shoes and all the things that make a good impression.

This coming week, you will have the opportunity of standing an entirely different type of inspection. The Inspector General's Inspection.

Here is an opportunity for you as an individual marine to prove that your Corps is the finest organization in the world, and that you are proud of it.

For the past few weeks you have been standing those preliminary inspections that always precede the "big" one. Well, now you can strike pay dirt. You can prove that you are a real marine. You can get an "excellent to outstanding," if you try.

Take a tip . . . keep yourself squared away, and help keep your fellow marine squared away. Forget about being an "old sal!" for just a few days, and act as if you were a "boot!" still entranced with the Iwo Jima monument at Pt's parade ground.

Take time out to be a marine.

The Old Corps

FIFTEEN YEARS AGO—When invading marines found no enemy to flush from pillboxes and foxholes at Majuro in the Marshall Islands they chased flies from the island.

Engineer Battalion, making a determined bid for second half honors in the Camp Baseball league, copped two victories last week to climb into a first-place tie with Montford Point and Medical Bn.

TEN YEARS AGO — The 2nd Marine Division, under the command of Maj. Gen. Franklin A. Hart, participated in a simulated attack and amphibious landing

in a key operation during the 30-day training maneuvers of the Atlantic Fleet held in the Western Atlantic and Caribbean areas.

FIVE YEARS AGO—The American soldier is not only the best fed and equipped fighting man in the world—he's also the most expensive. Recent figures show that an average of over \$2800 annually is spent for a soldier's pay, food, clothing and individual equipment.

The expanding Marine Corps today authorized the temporary promotion of up to 22,000 new corporals, 9,800 new sergeants, and 7,105 new staff sergeants.

WASHINGTON REPORT

The Labor Department got the go-ahead on the peacetime veterans' unemployment compensation bill this week.

According to the Navy Times, President Eisenhower's signature on the bill enables peacetime military service of 90 days or more to count as federal service the same as it does for government employees who are laid off. Financed with federal funds, the program will be administered by the states.

Also affirmed by the President, was the Korea veterans insurance conversion bill, which will let the holders of term National Service Life Insurance policies change over to any one of six permanent type programs.

A new special term plan at lower premium rates can be used under this program. Conversions to the non-dividend paying insurance policies authorized by Congress beginning next January, will be open to eligible veterans.

On October 28 unemployment benefits will take effect. The new law, considered a restricted version of the famous "52-20 club", brings jobless protection to post-Korea veterans who began their active service after Jan. 31, 1955, and to those who started their service before that date, but who won't be discharged until after Oct. 27, 1958.

The Korea GI Bill takes care of those who went into the service before Jan. 31, 1955, and who have been or will be discharged before next October 27.

Chaplain's Corner

Naaman was the commander-in-chief of the armies of Syria. His efficiency as a military leader was graphically illustrated by the long string of victories which lay behind him. He had won a place in the hearts of his countrymen and had found great favor in the eyes of his king. He was a national hero. But Naaman was the victim of a killer disease for which there was no cure. He had leprosy.

Naaman's wife was attended by a little slave girl who faithfully waited on her mistress. The little maid had been taken captive from her native land of Israel by the raiding armies under Naaman's command. So quickly had she been snatched from her beloved home that she carried away nothing but her faith in God. Just a little slave girl, she, was unheralded and unsung. We don't even know her name, but she saved her master's life, and introduced his heathen commander to the one true God. It was a little thing she did, but it immortalized her deed, and changed the course of Syria's enmity toward Israel.

She meekly told her master of "the prophet of God, who was in Israel and who could cure Naaman of his leprosy." Naaman went to Elisha, the man of God, he believed and was saved.

In the words of that "pop" tune we sing, "Little Things Mean A Lot". Surely this is so in our lives. The little things we do, or say sometimes mean the most.

A snappy salute is a little thing to some I suppose, but it shows me a "squared-away" Marine.

Shined shoes and a clean uniform may seem like a small thing when you are ashore, but that is the only picture of the Marine Corps some people ever get.

For those who care enough—the world judges our Blessed Lord by the character and conduct of those who follow Him. You are the best Christian somebody knows, and you are watched more closely in the barracks and the field than you are in church.

Pay attention to the little things and your witness will be pure. Take every advantage of the little opportunities and you'll have success on your mind.

Sunday School Classes Hosts To Many Children

The Base Protestant Sunday School, which began September 7, has drawn nearly 170 children of all school and pre-school ages to its classes so far with registration still open for anyone interested in joining.

According to Maj. Donald B. Cooley, superintendent, the largest turnout was in the age group 10-12 years old. The minimum age requirement set by the Sunday School is three years. Children will not be admitted to the lower age group unless they have passed their third birthday by September 1, 1958.

The classes, which are held each Sunday at the Camp High School at 9 a. m., are under the direction of

Chaplain W. C. League.

The nursery and kindergarten classes are being conducted by Mrs. Harold E. Byrd, Mrs. Bert Davis, Mrs. Kathryn S. Lou, Miss Dianne McCurry, Mrs. John Brickley, Mrs. L. A. Rann, and Mrs. B. F. Cunliffe.

The remaining grades, 1 through 10, are being taught by other volunteer Sunday School teachers. Parents and adults wishing to serve as teachers are urged to call Maj. Cooley at 7-5513, or Chaplain League at 7-3175.

A bus service to and from the classes was begun last Sunday.

OWC Inaugurates Paradise Point Sale Of 'Platter Parade'

The 1958 edition of the Officers' Wives "Platter Parade," Camp Lejeune's own cook book, was put on sale last week in a premier showing at the Paradise Point Officers' club.

On hand to witness the initial showing and receive the first copies of the new edition were Lejeune's four generals' wives, Mrs. James P. Riseley, Mrs. Joseph C. Burger, Mrs. Sidney S. Wade and Mrs. Leonard F. Chapman, Jr.

The "Platter Parade" is complete with tested recipes of present and former Camp Lejeune families. Original ideas for preparing frozen foods, exotic foreign dishes and herb cookery are included in the volume along with guides for quantity cooking and many useful household hints.

The cook book was originally published in 1954 with the first edition selling over 6,000 copies.

The new edition of the "Platter Parade" is now on sale at the Main Post Exchange and the Canteen at the Paradise Point club.

The book is also being sold by each of the nine Officers' Wives club groups and copies have been distributed to wives living in the different housing areas.

The house sales are being held in the residences of: Mrs. J. E. Sundholm, Paradise Point, 6-6533; Mrs. S. H. Mount, New River, 8-4809; Mrs. J. A. Gale, Northwoods, 8-7258; Mrs. W. E. Rutherford, Tarawa Terrace I, 8-7414; Mrs. R. A. Terry, Tarawa Terrace II, 8-6792.

CHAPLAIN W. C. LEAGUE

Buses run through the Midway Park, Tarawa Terrace and Paradise Point areas to provide transportation for the children both to and from the classes.

Parents are requested to accompany their children upon registration to the Sunday School.

Greeting Among Women Left To Personal Discretion

Women usually don't shake hands with other women when greeting them, but there is no reason why you shouldn't do so if you wish. If you're wearing gloves when the time comes to shake hands, don't take them off, and don't excuse yourself for wearing them, since women are supposed to keep them on. When shaking hands look directly at the person whom you're greeting.

1958 Preview

With the addition of a number of transfers from several outstanding players from last year's Lejeune football team should prove to be a much stronger club than last year's eleven.

The 1958 schedule is comprised of a cross-section of outstanding service opponents. Such potent ball clubs as Eglin AFB, last season's Inter-Service champ; Quantico and Eglin are repeaters from last year while the schedule includes Ft. Dix, Lee and Bragg and the 82nd Airborne.

Back as head coach is Capt. Wil "E" Campbell who starts his third year as a head mentor. His record in all record reads 13-5-2.

Assisting coach Overgaard is TSgt. George Overgaard, former All-Marine end and a returnee from last year's team.

New members include Capt. Jim Quinn and Jim Campbell. The former is an ex-Fordham U. star and Quantico's backfield coach in 1956. Jim Campbell is a former Duke University player with Quantico in 1956.

The local team will operate from a split-T offense utilizing the belly series. Directing the attack will be four field generals, Jim Click (Denison U.), Marshall Newman (N. C. university), Dick Broderick and John Mugford (Notre Dame).

The strongest part of the eleven seems to be in the end positions. All-American Ron Beagle and John Fowlkes have received the starting nod. However, these two stars are Jim Mora, a Little All-American from a dental college and Conrad Hitchler, who has a year of service experience but who has shown

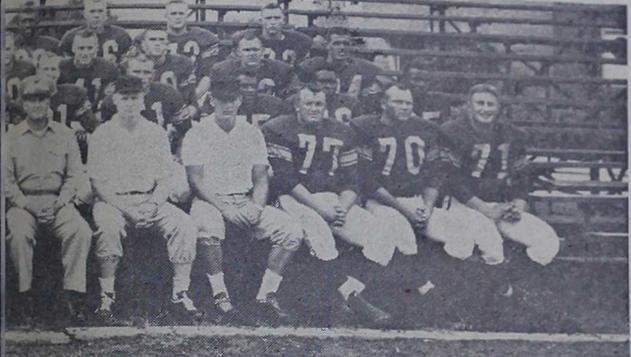

THE FIELD GENERALS—The Camp Lejeune Marines should have a smooth working offensive with 14 years of college experience behind their four quarterbacks. Working the split-T will be, left to right, Dick Broderick, Fordham and Quantico; Jim

Click, Denison U.; Marshall Newman, N. C. university; and John Mugford, Notre Dame. Besides working out of the split-T, the Marine offense utilizes the belly series.

LAST LOOK—Camp Lejeune's last look at their football team for the week. Saturday charges under fire in the series the locals face the Norfolk T.

BASEBALL FINAL—Camp Lejeune's 1956 baseball season officially ended last Tuesday night when some 90 players, coaches and guests were feted to T-bone steaks and all the trimmings at Marston Pavilion.

The evening was highlighted by the presence of Ray Scarborough, former Washington hurler.

Gerry Smith, the Marines' 25-game winner, was presented the MVP Trophy, compliments of Bosman's Sporting Goods firm of Wilmington.

Coaches Hal Glasgow and Curt Salyer both received pieces of luggage from their players as a momentum of their guidance throughout a season that brought to Lejeune one of the finest clubs ever to represent the Base. In two seasons, skipper Glasgow looks as if he is on his way to break some kind of a coaching record as his clubs have won 158 games while losing 43. Besides this mark, the team came home with the East Coast and Atlantic Fleet championships and was runner-up in the state tourney via a forfeit.

Maj. Gen. J. C. Burger, Division commanding general, presented the MVP Trophy, compliments of Bosman's Sporting Goods firm of Wilmington.

Among the honored guests were General Burger; Brig. Gen. L. F. Chapman Jr., FT commanding general; Col. T. J. Colley, R. L. Murray and P. R. Colmer; Mr. Scarborough and Mr. Sid Barney, Elon college's head football coach.

RAY SCARBOROUGH
... Ex-Senator

Acting as master of ceremonies was coach Glasgow who opened the after-dinner talks with a short address, pointing out the combined efforts on the part of many that went into making the team the success it was.

Specially noted were the crowds that the team attracted, breaking every existing record at Harry Agganis park.

Mr. Scarborough told the spectators that the communities in this North Carolina area are especially proud of the Marines. He traced the history of the game until it became known as "King of Sports."

He also pointed out the character-building traits of the game and what it takes to be a success, not only as a ball player, but in every walk of life.

The ex-major leaguer closed his talk with a question-and-answer session. On Yogi Berra . . . "I'm very fond of him. He's the same all the time; an everyday guy. He may at times give the impression that he isn't too smart, but he actually is. He's a heck of a hitter and you never know where the ball will go. He's a player you can't fool and usually the best pitch is right down the middle. If you try to be tricky, then you're through."

On Ted Williams . . . "I roomed with Ted part of one year. There isn't a nicer fellow playing ball. His temper at times is hard to get along with from the sports writer's angle. The trouble is that whatever he says makes a newspaper story. When some of those Boston writers need copy, their editors just send them around Williams. However, anything that he says can always be backed, with a hit."

Continuing with Williams . . . "He is one of the most generous individuals I've ever met. He does all sorts of charity work. He'll visit a hospital before breakfast just to stay away from the writers. And most of his contributions are anonymous."

On selling the Senators . . . "It would be in the best interests of the fans as there is no foreseeable winner."

And on fans . . . "They are different today. It all depends on whether you are winning or not. They are adverse to losers. At one time it wasn't like this."

Concluding the program was Paul Lacity, shortstop and leading hitter on the team. Lacity stated the coaches inspired the team and that their extra pushing made the club what it was.

MOST VALUABLE PLAYER—Maj. Gen. J. C. Burger, commanding general, 2nd Marine Division, right, presents the MVP Trophy to 1st Lt. Gerry Smith at the baseball banquet last Tuesday night at Marston Pavilion. The trophy, compliments of Bosman's Sporting Goods of Wilmington,

was awarded the Camp Lejeune hurler on the basis of his 25-8 record for the 1956 season. Looking on are Capt. Hal Glasgow, coach, left, and Ray Scarborough, ex-major league chucker and guest speaker at the banquet.

Devilpups Superb In Initial Win Over Beulaville, 25-12

The Camp Lejeune Devilpups snapped out of their lethargy Friday night at Beulaville, 25-12, for their initial win of the campaign before another capacity crowd at Agganis field.

With four backs figuring in the scoring, the Pups' offense ignited into what loyal supporters had gotten a glimpse of in their previous outing against Havelock this time the junior Leathernecks kept rolling and managed to tally four TD's, a point production not seen last year.

The first two times the Pups had their hands on the ball they scored. Gaining possession on Beulaville's 41-yard line, the Pups put together a quick drive that resulted in the first TD. Joe Bernier, a 139-pound half-pint back, slammed for 10 yards and a first down. Bucky Mugford was thrown for a two-yard loss but Toby Shelton gained back nine on the next attempt. A Mugford to Art Potts pass netted a first down and Bernier picked up 11 more on another pass play. The sophomore half took the ball to the two-yard line and Shelton tallied the six pointer. The conversion attempt failed.

On the first play after the kick-off, Abe Stroud recovered a fumble. Three plays later the Pups scored. With the ball on their opponents' 38-yard stripe, Jim McCarville scurred for six. Shelton knocked off 32 yards before being dragged down from behind and Bernier scored on a slant.

With time running out in the second period, the Pups added one more. With the ball resting at midfield, Mugford took to the air after the ground offense failed. The drive was capped by Skip Chapman's catch on the two-yard stripe and McCarville going over for the TD. Bernier's PAT was good with the Pups leading at the half, 19-0.

Beulaville, capitalizing on a Lejeune fumble, registered their first score in the third period with Benny Thomas going over from the four.

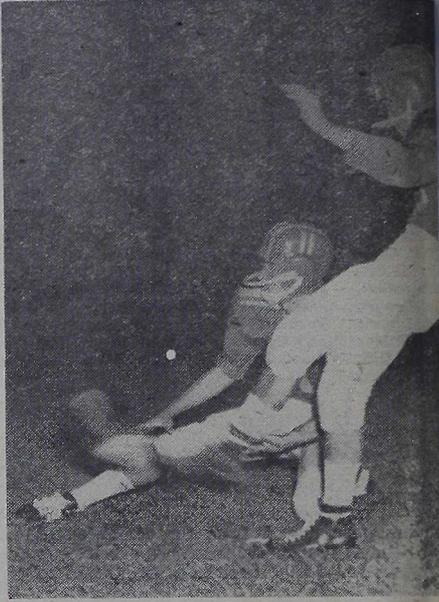

Three more successful passes and a 15-yard penalty against Beulaville accounted for the Pups' last marker. Mugford tallied on a plunge from the one-yard line.

With the defensive backs caught napping, the visitors scored on a 58-yard pass on the initial play after the kick-off.

The Devilpups gained 218 yards rushing and had 15 first downs to Beulaville's nine. Mugford, shifting his aerial tosses from Potts to his backs, completed nine of 12 heaves.

In their first away encounter, the Pups will go against Jones Central tomorrow night. Their opponent stands at 1-1 for the season. Last week, they edged LaGrange, 14-13.

Coach Tom McGhee stated that he will go with the same lineup that he started last week. Jones Central shut out the locals, 21-0, last year. With the loss of their big fullback, Central's attack hinges around their star quarterback, Jerry Pelletier.

PAT ATTEMPT—Joe Bernier attempts an extra point against Beulaville Friday night at Harry Agganis field. Holding for Lejeune High school star is quarterback Buck Mugford broke into the win column by defeating their visiting 25-12. Tomorrow night, coach Tom McGhee's charges head to face-off against Jones Central.

Herrington Paces Hq. To MCB Inter-Unit Victory

Inter-unit competition in arms for MCB units was held at the Rifle Range last week. TSgt. Walter A. Herrington, captain of the Hq. team, paced his team in taking first place in both big bore events.

Firing the .30 cal. rifle were SSgt. J. M. Martin, SSgt. R. L. Neiberger, Sgt. R. W. Girard, and Sergeant Herrington. This team compiled a total of 1,077 points to earn an undisputed first place among MCB units.

Equally as potent was the .45 cal. pistol was the Hq. Bn. team composed of the following members: Capt. H. F. Suers, Sgt. E. J. Drass Jr., Sgt. J. S. Nalewaik and Sergeant Herrington. This pistol team garnered another first to make it a clean sweep with MCES, picking up second

in both events. Sgt. Herrington to sure off the other members of the team somewhat by individual in the rifle 300 and with the .45,

Refuge Project Adopted By Rod And Gun Club

The Camp Lejeune Rod and Gun club adopted to sponsor a Wallace Creek Dam project at their meeting Thursday night at Marston Pavilion with 132 members in attendance. The project would give Lejeune a water fowl refuge area and picnic site with fishing available in a few years. It is hoped that work will begin in the fall.

The hunting season opens with deer. The initial hunt is scheduled for October 18. More information will appear at a later date in the GLOBE.

BASKETBALL SCHEDULED

Basketball screening will begin September 29 at 1 p.m. in the Goettge Memorial field house. Prior to the first session, there will be a meeting on September 25 at the field house scheduled for 3 p.m.

Practice will officially commence on October 13 with the screening period going up through the 10th.

Fjerstad Racks Elon Line For Net 173 Yards; Locals Stop Stubborn Foe, 13-6

The Camp Lejeune varsity football team, displaying a bad case of "fumbleitis," overcame a stubborn visiting Elon college eleven Saturday morning before an estimated 4,800 spectators to win, 13-6. By mutual consent of both head coaches, the ball was put in play on the 30-yard stripe instead of the usual kick-off.

A 212-pound converted fullback, listed on the program as Willis Fjerstad, carried the ball 19 times and when he was through moving through his opponents' secondary he had netted 173 yards in the morning workout.

Singled out for their defensive performances were guard Ron Botchan, center Homer Hobgood

and tackle Jim Schwartz. Botchan alone knocked down three passes from his middle linebacker slot.

The score was little indication of what the spectators might have witnessed as time and time again

the Marines moved into scoring position only to have their efforts cut short via a costly fumble. In all, Lejeune fumbled six times, recovering only once.

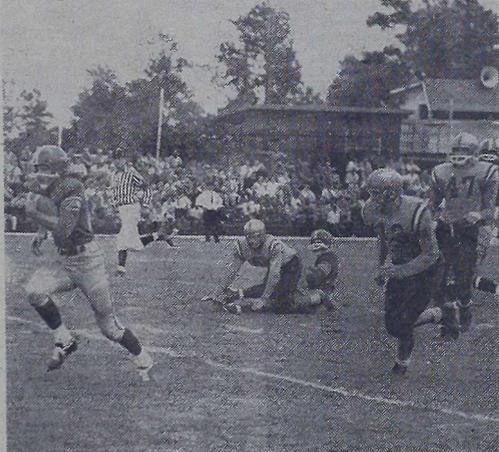

The coaches all felt that there are still many phases of work that must be emphasized this week before the opener Saturday. Head coach Wil "E" Overgaard stated that besides the fumbles, the team was hurt through penalties. He also pointed out that the offense needs speeding up and that competition at the quarterback position is still wide open.

Bright spots in the attack was the work of the offensive line. On the defensive side of the ledger, Elon was held to 128 total yardage while the Marines netted 319.

Both teams battled evenly throughout the first quarter with Elon gaining possession on a fumble and intercepted pass. Deep in their own territory into the second period, Fjerstad began a Lejeune march that netted the first tally of the game. The Marine fullback moved the ball 18 yards on three consecutive plays, Art Wilson accounted for three and Herb Naakan added four. Quarterback Marshall Newman on a keeper picked up eight and on the next play, the former North Carolina field general found Naakan in the end zone for a 52-yard scoring play, Bob Williams' conversion attempt was good, putting the Marines out ahead, 7-0.

On a recovered fumble on the Marine 45-yard line, Elon put together a sustained drive that accounted for their score. Coach Sid Barney elected to go for two points under the new tally system but his halfback was smothered on an attempted run.

The first time the Marines got their hands on the ball after the intermission they scored. With Fjerstad lugging for 58 yards on five tries, Don Swanson went up the middle from 16 yards out to register the last score of the game. Williams' PAT conversion was partially blocked.

OFF AND RUNNING—An unidentified Camp Lejeune back scurries out into the open and picks up some valuable yardage against Elon college Saturday morning in a game scrimmage. Local fans will see the Marines in action for the first time in their home opener Saturday against the Norfolk Tars, commencing 10 a.m.

MCAF Stops Comm., 24-8, As Klotz Scores Two TD's

An improved MCAF eleven trounced FT's 8th Comm. Bn., 24-8, Monday night at the Airmen's field in the combined FT-MCAF football league.

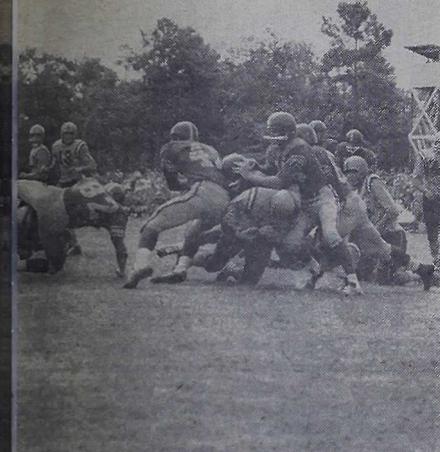

The Aviators scored twice in the first stanza, forcing their way each time through the Comm. line. Adding one more in the second period, both teams battled evenly in the third quarter with the final scores registered in the fourth period.

MCAF's Al Klotz tallied the first TD of the game on a sneak down to the 11-yard line.

With Comm. unable to move the ball, the Airmen took over and on three consecutive tries, Lou Mandie picked up 65 yards and six points.

Klotz racked in his second score in the second period to put the winners ahead at the half, 18-0.

Neither club could successfully move the ball in the third quarter. After MCAF had tallied their last six in the fourth, Comm. came to life with Bob Freeman going over for their only score. Al Mischer ran the extra point as time ran out.

THROUGH—An Elon college back tries to get through Lejeune defenses Saturday morning. Putting a stop to the Art Wilson (42) and Dick Broderick. Getting himself viciously dumped is Conrad Hitchler (82). The locals stopped before an estimated 4,800 fans, 13-6. Big gun in the back was Willis Fjerstad, who picked up 173 yards on

Cooper Stars As Topo Seizes Past Engineers

Long range accurate passing of Don Cooper spurred Lejeune to an easy 25-7 win over the 8th Engineers in the home of the 1958 Force Troops Touch Football season.

Passes to Hector Schar-croux and Cliff East for the four six-point tally against the Engineers. A short-lived aerial attack by Cooper Engineers when he teamed with Jim Mavroudis in the end zone. Each team succeeded in scoring only one PAT.

In the first quarter found both teams uncertain and probing. The Engineers' defensive line wasn't until late in the game when Cooper connected for the first TD. The Engineers failed and the period

ended with Topo holding a six-point edge.

In the second quarter both teams managed a tally. Topo scored first, with what turned out to be the winning marker. Once again it was Cooper using the air and finding East in the clear 55 yards away. Cooper scored the extra point on an end-around run.

And then it was Engineers' turn to make a bid for the game. Mabry threw a pass to Mavroudis who ran it into paydirt. Mabry scored the extra point by passing to Norm Greenspun.

Topo bounced back with insurance points before the half ended. With East again in the clear, he hauled in the pigskin from the hurling arm of Cooper, 60 yards away. The end of the half saw Topo out in front with a 19-7 lead.

Tight defensive work by both teams kept the third quarter scoreless. Although Engineers invaded Topo territory six times during the quarter; they were unable to tally.

In the final quarter, Lacroux slipped through the Engineers' defense and into the end zone to receive Cooper's fourth touchdown pass of the game.

WGA To Hold Buffet Supper After Play

The local WGA is sponsoring a mixed scotch foursome tourney Sunday. And for the first time and immediately after the tournament, there will be a buffet supper at the club house commencing 4:30 p.m.

Both the tourney and the supper must be separately signed for no later than tomorrow on the club bulletin board.

All players participating in the scotch foursome must sign with a partner. However, names will be drawn for the actual partnership the day of the event. It will be a mulligan affair with one-half handicap employed and the same number of mulligans. Four prizes will be awarded the winners.

2nd Marines Open Defense Of Divvy Conference Crown

The cast was vastly different, but the Second Marines put on the same old show Monday night at Harry Agganis field as they opened defense of their 1957 2nd Division Intramural football title.

The Second Marines crushed the Eighth Marines, 38-0, and moved into an early first place tie with the Tenth Marines for the intramural conference lead. The Tenth defeated Group I, 30-6, last Wednesday.

Second Recon Bn., expected to join the Second and Tenth Marines in a three-cornered fight for the 1958 championship, opens its season tomorrow at 1:30 p.m. against Group II on the Rifle Range field. Scouts from other teams in the conference tab Recon as "the team to beat" in its first season in the league.

The Second Marines, coached by 1st Lt. Edward Farley, went against the Eighth Monday as virtually a new team. They were stripped of seven starters from the 1957 championship team, including the conference's Most Valuable Player, Bill Sisson.

But the 1958 edition may even be an improvement. The Eighth

Marines tied the Second for the regular season crown last year, and lost by a 6-0 eyelash in a play-off. But the Eighth was lost from the start against the muscled, devil-may-care backs of the 1958 Second Marines.

In the third quarter, fullback D. A. Smith, a 195-pounder, intercepted an Eighth Marines pass and dashed 67 yards for a touchdown. Bill Bradley, a 200-pound halfback, bulled off left tackle for 62 yards and another score. Those two long runs, however, were only frosting.

A 20-yard pass from quarterback Bill Scull to end Julius Bozeman and a 42-yard squirt through right guard and tackle by 200-pound G. W. Watson, a halfback, produced touchdowns enough in the first half.

The defending champs' well-stocked line, hopped up by 193-pound Martin Pearson, stifled every Eighth Marines movement. The Eighth got no further than their opponents' 25-yard line, and made only four first downs. An alert Second Marines defensive backfield intercepted four Eighth passes.

Second string fullback P. W. Lederer went 25 yards for the final fourth quarter TD for the Second. Bradley scored four extra points with two short smashes after touchdowns, while D. A. Smith and Ernest Price got two extra points apiece.

Center Cecil Pearson and tackle James Barnes were defensive standouts for the losers.

The Tenth Marines paired bullish fullback Roland Kerkoff and swift halfback Bill McCracken in their win over Group I. McCracken scored twice, on runs of 40 and 25 yards. Kerkoff didn't score, but his line rushes helped set up the first two touchdowns, and his blocking opened many holes for his teammates.

Starting quarterback Don D'Alterio sneaked two yards and his stand-in, Jim Matties, pitched seven yards to end Walter Brown for the other Tenth touchdown.

The Tenth also scored a safety and four points after touchdown.

Center Don Christman and end Charles Hill performed exceptionally well for the Tenth, while fullback John Sweet, end Jerry Dodd and guard Paul Nugent were top defenders for Group I.

THE CANNONEERS BOOM—Alton Davis sweeps into the secondary on a 12-yard run for the Tenth Marines in their 30-0 football win over Group I Monday at Brown field. The power of the Tenth's line is shown by the two-man interference forming for Davis, in the persons of Jim Courtney (73) and Bill Brown (81). The game was the opener in the 1958 2nd Division Intramural Conference.

Marines To Open Against Norfolk Saturday At 10 A.M.

(Continued from Page 1) died by Ron Botchan, a Little All-American at Occidental college, and Jim Kusman, who played at the Citadel for one season and is a returnee from last year.

Homer Holgood will be at center, a berth he held down at Elon college for four years.

Opening at quarterback is Marshall Newman, a former N. C. university field general. His two halfbacks will be Carey "Choo Choo" Henley (two seasons at Chattanooga) and Dan Swanson. The latter played four years at Minnesota and was a standout

performer with Quantico last season.

Willis Fjerstad, a 212-pound ex-fresh from the U. of Minnesota and a holdover from Lejeune's 1957 squad, will be at full.

Scouting reports on Norfolk indicate an exceptionally fast and rugged squad. Bill Snyder, formerly of Elon college, will direct the TARS' attack. Doug Roether will open in one of the half back slots. The 190-pounder played four years at Kansas State.

On the line, tackle Al Wharton (Maryland) and end Ray Waggener (Wake Fore I) are considered the big mainstays.

Russ Frazer, an end with four years of experience at Brown, averaged 55 yards punting in the Mitchell contest last week.

FISH & WILDLIFE
BY THE "OLD ANGLER"
Phone 7-5522

The Ole Angler got skunked—finally. This is the true fishing trip that started out early in the morning and ended in the afternoon. This is a story of hard fishing and exhaustives as to bait, depth and technique. This is the story trip without a fish caught.

It would appear that on the morning of the trip that was in our favor. The wind was from the proper direction was on time and we had in the party three outstanding who know the waters off Onslow Beach real well.

Upon leaving the Inland Waterway at the inlet of Island, we found the water to be a bit choppy but far too rough to fish. It was decided that we would proceed for about an hour and a half before we would turn and to do some serious fishing for the big ones. This would be about 30 miles off the coast. On the way we would try for Spanish mackerel, but we were really out this time or at least the big kings. So we weren't too discouraged didn't even get a strike on the way out.

We turned to the south on what we hoped was the big ones feed, and changed our bait and equipment. After three and a half hours of trolling with halbs of mul on two hooks with a total of four lines out, we still had no strike. So we reversed direction and came closer into shore.

It was then decided that we should try some different cause on making the turn we sighted a school of kings and down the middle without so much as a slight tug at one. The artificial bait box was opened and each of us chose "best" bait to bring in a fish and break the ice. Back up direction with four lines in the water with as many different baits and at varying levels, with still no good results. This we decided it was time that we had a little chow and to how we might make a catch.

It was while we were eating that the only fish was caught. This was a nice three-and-a-half-foot, 14-pound king. I said we were skunked, and we were. The line the king was happened to be a static line that was tied on the back of by one of the experts—so no one actually caught the just got hooked.

After another hour of trying for it we then decided that we would head shore for the Spanish mackerel so we least have something in the box that caught. We actually went through five or six of either Spanish mackerel or bonita strike was made, and we tried everything else.

So, after nearly 12 hours of fishing the Angler had an empty fish box. I just it was possible.

I mentioned in the column last week that we may expect only fair results with TURKEY in most parts of the turkey range. I mention that Onslow County will not have season—turkey hunting will not be allowed county, consequently, no turkey hunting reservation here.

The Central Marine Corps Exchange duck stamps for sale in the Sporting Department. The stamps cost \$2 this year.

MSgt. C. J. Ericson came in with a story Monday morning. It seems that the geant had attempted to fish for trout at mock Bay and instead came up with a more popularly known as a ribbon fish only did he catch two Saturday, he went to and hooked another one. Using a red Sea Hawk plug, Sergeant Ericson's rarities approximately three feet long.

According to the "Dictionary of Fishes" the cutlass fish is rare and seldom is not recommended as food. Only a few have ever found their way into fishing by temperament is similar to a Moray eel but actually is a member of the mackerel family. They live in bay bottoms and gulf shallows to rocks but foraging in grassy bottoms.

Alongside is the evidence of their efforts.
