

If you ask me...

WHAT DO YOU THINK OF THE MATINEE RECENTLY STARTED AT THE CAMP THEATER? WHAT TYPE OF MOVIE DO YOU ENJOY THE MOST?

PFC W. A. JUCHS, Sub Unit One, Hq. Co., Hq. Bn.—I'm really glad to see that they have finally started having matinees here at the Camp theater. It's really a good way to while away a couple of hours when you have an afternoon off. I don't think you can beat it, an air conditioned theater and a good musical or western to enjoy.

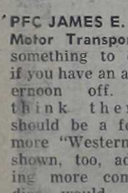

PFC ERNEST D. CACCIACARNE, Sub Unit One, Hq. Co., Hq. Bn.—I guess I'm like everyone else, I enjoy the matinee just as much as anyone when I have the opportunity to go. Naturally, I can't get every afternoon off, so you couldn't call me a regular, but if the opportunity does present itself and there happens to be a good drama playing, you can find me right there in the front row.

PVT. WILLIAM H. DAVIS, Spt. Co. A, Hq. Bn., MCB—Looking at it from the standpoint of projectionist, I can truthfully say I enjoy the matinees. Showing movies in the afternoon gives me more time to snap in on my new job, and gives us a reason to turn on the air conditioning in the building. As for my preference in movies, I guess you could call me a mystery fan.

CPL. JOHN P. COSGROVE, Hq. Co., ASD, 2nd FSR—Well, I believe these matinees are the best things to come along since the old Opera Houses. I like to watch just about any movie, but I prefer John Wayne films and Westerns.

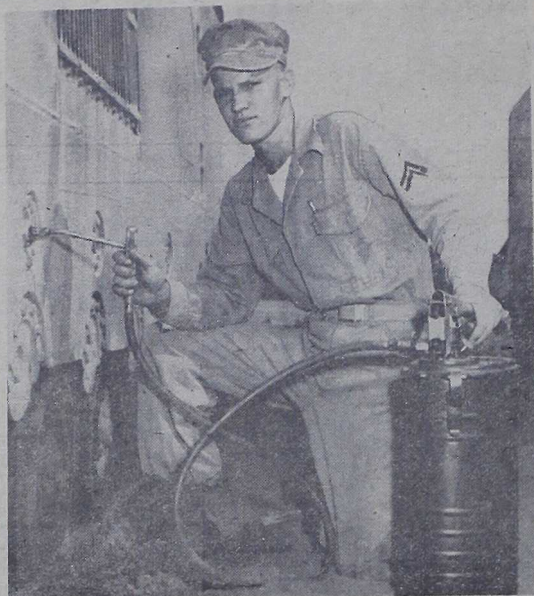

PFC JAMES E. EGGLESTON, Base Motor Transport—It gives you something to do if you have an afternoon off. I think there should be a few more "Westerns" shown, too, adding more comedies would be nice. It's nice to be able to go to an air conditioned theater on these hot afternoons.

LIKE FATHER—Greasing an Amtrac as part of his two weeks summer training is Cpl. Donald Van Hynning, whose father helped develop the first amphibian tractor. The Tampa reservist is now at Courthouse Bay with his unit, the First Amphibian Tractor Battalion, USMCR.

Camp Croatan Hosting Local Boy Scout Troops

Rustic cabins in deep shade on the banks of the Neuse River are the setting for Camp Croatan, home of the Boy Scouts' summer training program from July 6 through August 16.

Camp director is Rudolph Alexander, District Scout Executive for Onslow and Carteret counties.

Rope tying, archery, horseshoe pitching, canoeing, rifle range, swimming, and classes in nature lore are a few of the activities in progress.

"Roughing it" in the great outdoors appeals to Scouts Tom Harrington and Carrol Coltrain and all questions are answered with, "We love it here."

To be a Boy Scout, the applicant must be 11 years or age. Older boys serve as camp counsellors and have cabins to supervise. Each cabin has a name and number and is inspected and graded in competition. High scores bring special privileges.

A model camp site at the entrance introduces the visitor to basic camp life. One area is designed for classes in rope bridge building, rope tying, tent building and camp fire construction.

Merit badges must be worked for and is done strictly on the Scouts' own time.

Reveille, reports, mail call, roll call and inspection are held in the center area around the flag pole. The messhall has ample room for visitors and Scouts.

Field trips in nature lore, optional devotional, cleaning cabins, swimming and classes take up most of the Scouts' day, supplemented with rest periods after meals. The

Scouts' day begins at 7 a.m. and ends with lights out at 9:30 p.m.

Under the direction of R. L. Pugh, Scoutmaster for Troop 390, an election held for the Order of the Arrow made young Randy Johnson a member of the Honor Camping Society and extended him the privilege of wearing a white sash decorated with a large red arrow.

Boy Scouts have passed through Camp Croatan at the rate of 110 a week. The cost per boy is \$14.50, of this amount \$14 is camp fee and 50 cents covers medical insurance. This fee comes from the troop treasury and from the sales of coat hangers, cookies, donations and the mothers' yearly "bake out." The boys contribute some of the money themselves.

Many people at Camp Lejeune donate spare hours to "Scouting" and in helping with the upkeep of the camp and its facilities.

Anyone interested in volunteer Boy Scout work in the local area, please contact Lt. Cdr. Ivan W. Silliman at ext. 7-5632, or Rudy Alexander, phone Jacksonville 8142.

Mid. Park Council Seeks Nursery Bldg.

The Midway Park Community Council met last evening in the Midway Park chaplain's office, temporary headquarters for the council since fire destroyed the old community building.

Recommendations put before the council included a suggestion to obtain the Midway Park Nursery building and facilities to be used as a baby sitting facility for residents of Midway Park, and a recommendation that a committee look into the possibilities of having phones placed strategically throughout the housing project.

Further discussion revolved around the feasibility of having transportation service throughout Midway Park, Jacksonville and Camp Lejeune.

Florida Reservist's F Aided Invention Of Am

The son of one of the men who helped invent the amphibian tractor is participating in two weeks summer camp with the First Amphibian Tractor Battalion, Tampa, Fla.

Corporal Donald VanHynning of Clearwater, Fla., more at St. Petersburg Junior college, joined the Tampa unit over three years ago.

His father, Howard "Dutch" VanHynning, was commissioned with three other Clearwater men by Don Roebbling, Clearwater millionaire, to develop an amphibious vehicle to rescue stranded persons in floods.

Roebbling's father conceived the idea of such a vehicle after the 1922 hurricane which flooded most of his estate at Lake Okeechobee, Fla.

The present amtrac is not unlike its predecessor. Though it was built of aluminum rather than steel, and powered by a Ford auto engine with Cord transmission, the basic design has not changed.

The first vehicle was built in secrecy as Roebbling did not want publicity until it proved successful.

In December 1936, six years before Pearl Harbor was bombed, the vehicle was hauled by trailer to Davis Causeway on Tampa Bay for its first public run. Many cheered as it crashed through mangrove swamps into the bay.

The amphibian tractor was heralded by newspapers as a "Vehicle of Mercy." No one at that time could guess it would be used to land assault marines on Pacific islands.

The Coast Guard was first interested in the vehicle. But within 48 hours after Life magazine printed a story on it, the Marine Corps sent representatives to Clearwater to look it over.

The Marine Corps foresaw use of the vehicle for landing operations.

Pay Calculators Available Through MC Association

Pocket-size pay scale calculators, incorporating all facets of the new military pay bill are now available for free distribution through the Marine Corps Association.

Using the new slide-rule type calculator you can tell at a glance the regular pay and allowances for any pay grade, in any Service of the U. S.

To get one, write the Marine Corps Association, Box 1844, Quantico, Va., and enclose a self-addressed stamped envelope. Remember, first class postage is now four cents.

The corporal finished class of 200. The class included 150 students whom five were Marine Corps. He was one of 31 enlisted men in the class.

The first week of school is spent in preparation. The men jump from 34-foot tower jumps from a 250-foot second week, and in last week of the course C-119 aircraft.

"We make those 1,250 feet," Cpl. McBeth said. "You don't have time to how high you are. You jump, you're on the plane before you're a foot off the ground."

The solidly-built 5'7" er was ordered to jump on August 5. With warm praise of Lt. C. Smith, commanding 2nd Reconnaissance Battalion, "The Marine Corps proud of you."

NOT OUTLAWS, JUST CROOKS—The Organized Marine Corps Reserve certainly has no gangsters but they do have Crooks. In fact, there are four of them in the Jacksonville, Fla., 2nd Amphibian Tractor Company that recently wound up its two

Good Citizens Vote

This year as well as every year it becomes increasingly important that we, as U. S. citizens, exercise our right and privilege to vote. It is you, the voter, who determines the kind of government that we shall have and who will be our lawmakers.

The Armed Forces encourages servicemen and women to vote and helps them obtain and use absentee ballots. Who the serviceman will vote for, what party he will support and what political program he will favor are decisions for each man alone to make.

Why vote? Voting is a civic duty through which we maintain a government that represents the majority of voters. Failure to vote endangers our democratic institutions. A citizen who fails to vote is like a combat soldier who fails to use his weapon.

How do you get help in voting? First, you must decide that you want to vote. The next step is to find out if you meet the qualifications set up by your state. The third step is to apply for the absentee ballot through your voting officer or commanding officer.

See your voting officer today.

Be Dollar Conscious

Can you afford it? Will that new car you have been admiring put too much strain on your pay?

Few of us in service can buy that new car without financing it but, if we try, other things can be purchased without term payments.

Take the case of a new washing machine selling for \$180. This machine may be offered at terms of \$20 down and \$10 a month. At the very best of terms (2% a month on the unpaid balance), this machine would cost you not \$180 but \$207! (At 3%, it would cost \$221!)

With so many of today's commodities available on terms with little down and small monthly payments, temptation is high to buy many things that catch our fancy. Credit terms make commodities seem within our means if we don't measure their cost against our income.

When buying something "on time," you are doing the same thing as taking a voluntary pay cut for that time. Such things as interest, carrying charges and late payment penalties may cause you to pay double the quoted price or cause you to lose the item purchased when you have already paid the quoted price.

The Old Corps

FIFTEEN YEARS AGO—President Franklin D. Roosevelt has announced that Lt. Gen. Thomas Holcomb would continue as 16th Commandant of the Marine Corps "in recognition of his outstanding services as Commandant and for the excellence of his command."

TEN YEARS AGO—A detachment of marines had been assigned guard duty in Jerusalem at the request of the Department of State. The unit was there to safeguard the U. S. Consulate and U. S. Government property. The issuance of the Marine Corps Good Conduct Medal was announced by Headquarters Marine Corps.

A peacetime version of the United Service Organization, the wartime group that provided clubs and shows for servicemen, had been approved by Secretary of Defense James V. Forrestal.

FIVE YEARS AGO—SSgt. Barbara O. Barnwell became the first woman to be awarded the Navy and Marine Corps Medal

for heroism as Gen. Lemuel C. Shepherd Jr. presented the medal for her rescue of a drowning marine at Onslow Beach.

Nevada, the nation's most sparsely populated state, was the biggest contributor to the Armed Forces, manpower in ratio to its total population.

Radio Relay Equip. MOS Adopted By Marine Corps

An MOS which will identify marines trained in the operation of radio equipment has been established by the Marine Corps. The new MOS is 2432.

The change removes this skill from the field radio operator (2531).

Earlier this year Military Occupational Specialty 2761 was established for radio relay technician, those who maintain and repair radio relay equipment.

MOS 2532 is applicable to pay grades E-4 and E-3, while MOS 2531 applies to marines in the E-5 through E-3 pay grades.

WASHINGTON REPORT

The Senate subcommittee on Veterans Affairs has introduced a bill that will replace the now dead service education grants that were extended to World War II and Korean conflict veterans.

The pending bill, a compromise plan to the suggested renewal of the old service veterans program, would allow peacetime veterans to borrow money from the government and repay the loan within seven years after graduation, it was reported by the Navy Times.

The plan, submitted by the chairman, Sen. Strom Thurmond (D., S. C.) to veteran group leaders at a recent conference also stipulated that a "no interest" clause be included when the formal introduction goes before congress.

Senator Thurmond's outline states that a veteran would be able to borrow as much as \$4000 over a four year period for completion of college with married vets being eligible for slightly more, depending on the number of dependents.

The seven year repayment plan that was suggested for the veterans who utilize the plan if adopted would call for a rate-of-return of \$47 per month.

Just how defaults would be handled was not made clear, but it was believed the government would make arrangements to charge interests on defaulted loans and extend the repayment period.

Sources close to the committee acknowledged that such a plan was undergoing consideration, but that more unanimous veterans group support was desirable before the measure was formally submitted.

Chaplain's Corner

Nearly everyone has an "old fashioned cure" for a cold or other physical ailments. In a history book I came across this cure for the moral ailment of profanity.

Amos Todkill, a settler in Jamestown, Va., in 1607 tells of the logging operations in the settlement, which he says were accompanied with "many great oaths, that drowned even the echo of the crashing trees." But Captain John Smith, military commander of the colony, was no man to let his loggers lose their souls; he was ready with what Todkill called, "a remedy of this sin." Captain Smith set a spy listening to the loggers and at evening a CAN OF WATER was poured down the sleeve of each man for each profanity uttered. This was rough treatment. Did it work? "Within a week," says the historian Todkill, "a man could scarcely hear an OATH."

Unfortunately or fortunately, as you may consider it, this old fashioned cure for profanity isn't used in the Marine Corps, but the Bible teaches in the words of the 10 Commandments that the Lord will hold "office hours" for those guilty of profanity — "Thou shalt not take the name of the Lord thy God in vain; for the Lord will not hold him guiltless that taketh his name in vain."

If the moral ailment is "profanity-itis," use modern remedies or old-fashioned remedies but "take the cure!"

Library News

By JOYCE DUNN — Phone 7-5410

For the information of members of the International Film Society, there will be no more showings during the month of August.

Children between the ages of five and twelve are invited to the Children's Summer Story Hour each Wednesday morning from 10 to 11 a.m. at the Central Library, Bldg. 62, MCB.

The following new books have recently been added to the Central Library collection.

ENTRY by Richard Frede.—A startling novel of college life in which Ed Bogard, like many of his generation, is content to settle for security and conformity until he encounters a situation in which it is impossible to play it safe.

A GUIDE TO COMMUNIST JARGON by R. N. Carew Hunt.—The author treats the many terms that he classifies as Communist jargon in detail, including their historical origin and interpretation by prominent party leaders.

BIG OIL MAN FROM ARABIA by Michael Cheney — Ten years ago the author answered a help-wanted ad and went off to work in the oil fields of Saudi Arabia. As personnel worker for America's largest privately-owned oil com-

pany (Arabian American Oil), he describes the role that he played in the sudden transition of a feudal nation to a modern one.

Golfers will welcome the new book, THINK AND SWING GOLF CHAMPION, by Ernie Jones, who won the Vardon Trophy in 1957.

The Year, Here, for the famous golfer, bag of golfing tips, 100-plus shooter, the 90's, the hopes and the low-handicappers.

INSIDE RUSSIA by Gunther.—A comprehensive present-day USSR, a glimpse into a "new world" of which anything is possible.

THE ORDEAL OF WILSON by Herbert Gold.—A portrait of a wartime president, forming his last six years in office.

WAR FISH by G. L. Fisher.—The story of the U.S. marine service in World War II as told by nine patrols.

Relief Society Schedules Course for Volunteer Service Wives In Sept.

Shirley S. Wade, chairman of the volunteer workers of the Relief Society, urges service wives interested in the organization's volunteer work program to make reservations for training classes.

The classes, which will meet two times a week, are scheduled to start on September 2 and continue through September 25. For those women who have children and would not be able to attend otherwise, a free baby-sitting service will be provided.

Miss Barbara Blair, field director of Headquarters Navy Relief Society, will be instructing the courses that will be held at Marston Pavilion. Classes will be held on Tuesdays and Thursdays from 9 a.m. until noon in the mornings and from 1 until 4 p.m. in the afternoons.

Those interested in attending the training classes can contact Mrs. Wade at 6-6543 or the auxiliary office located in Bldg. 40 by calling 7-5548.

Camp Lejeune School System Sets Registration Dates For August 21-22

For Camp Lejeune's children, the sun is about to go down on another long, free summer. It's that time of year when the books have to be dusted free of the accumulated cobwebs, pencil cases need refilling, new clothes have to be bought and made and dirty feet have to be washed and shoes worn again.

Registration for the 1958 fall semester at the Camp Lejeune Children's Schools begins in exactly one week with classes starting September 3. Those students who fall in the "A" through "K" name category will register at their respective schools next Thursday, August 21, from 8 a.m. till 4 p.m. The remaining students will go through the same procedure the

following day. Eligibility to attend Camp Lejeune Children's School are, as set forth by the Camp Lejeune School Board:

A child who resides in government quarters, or in housing at Midway Park, Tarawa Terrace, Camp Knox Trailer Park, Peterfield Point or Camp Geiger Trailer Park is eligible. Further, if the parent does not live on the Base, but is reasonably assured by the Camp Housing Office that housing on the Base will be available by December 19, the child may register for the fall session of school. A child is eligible for the first grade if he will be six (6) years of age by January 1, 1959. Registration will take place at

the designated times at the places listed below:

TARAWA TERRACE SCHOOL: Children living in Peterfield Point and Tarawa Terrace enrolling in grades 1, 2, 3, 4, 5 and 6.

MIDWAY PARK SCHOOL: All other children enrolling in grades 1, 2 and 3.

CAMP SCHOOL ANNEX: All other children enrolling in grades 4, 5 and 6.

JUNIOR-SENIOR HIGH SCHOOL (Bldg. 40): All children enrolling in grades 7, 8, 9, 10, 11 and 12.

A birth certificate must be presented when registering a child for enrollment in the first grade. Any child registering at Camp Lejeune Schools for the first time must furnish in writing an immunization record with respect to smallpox, tetanus, whooping cough and diphtheria on the first day of school.

New School Board

Col. Roger C. Power Jr. has been named to succeed Col. Randall L. Stallings as chairman of the Camp Lejeune School Board.

Now chairman of the Faculty & Equipment Committee is Lt. Col. Hubert G. Bozarth. Committee members are Maj. Frederick H. Campbell and MSgt. Walter R. Richardson.

Lt. Col. George R. Hazel has been named chairman of the 1958-59 Fiscal Committee with TSgt. Frank B. Robinson as assistant. Lt. Col. Peter I. Olsen is head of the Administrative Committee and is to be aided by Lt. Col. O. Whitney, MSgt. Phinas A. Law and Mrs. Matthew A. Clary.

Chairman of the Student Affairs is Lt. Col. William V. Schwabke. Also on the committee are Cdr. James R. Dineen, Maj. Loren W. Calhoun and Mrs. Terry Anzillotti.

New Principal

Bernard Ross Oliver, formerly Assistant Principal of Northern High School, Durham County, N. C., has been named as new principal for the Camp Lejeune School System.

Mr. Oliver received his Bachelor of Arts and Master of Arts degrees from Duke university and is presently studying for his Doctorate with the same school.

NEW BASE CHAPLAIN—Chaplain Frances T. O'Leary congratulates Chaplain Joseph C. Canty upon his assumption of the post of Base Chaplain, effective today. Chaplain Canty has served previously as assistant chaplain with the 2nd Division. Chaplain O'Leary is scheduled for duty in Washington where he will be assigned to the Bureau of Naval Personnel.

Casting Of New Production Announced By Camp Lejeune Little Theatre Group

The Camp Lejeune Little Theatre group announces that casting tryouts will be held August 25 for the forthcoming production of George Batson's play, "I Found April."

Mrs. K. E. Faser, president of the group's board of governors, reported that October 1, 2 and 3 are scheduled production dates for the one-act sophisticated comedy.

Location for the auditions will

be announced next week, said Mrs. Faser.

The plot involves a concert pianist in love with a popular playwright. Her methods for getting the playwright to propose prove most hilarious, according to the group's publicity manager.

Followers of the Broadway scene may remember Constance Bennett's performance in the play.

Scheduled August production of "Ondine" remains postponed due to the recent troop movements, which involved many of the cast and crew.

Mrs. Faser also announces that the board of governors will hold its annual business meeting September 4 at 7:30 p.m., at Marston Pavilion. Election of new officers and discussion of plans for the coming year are on the agenda.

Brownies And Girl Scouts Hold Registration Aug. 21

Registration for all former and new Brownies and Girl Scouts will be held at Tarawa Terrace and Midway Park Schools and the Camp School Annex on school registration days, August 21-22 from 8 a.m. till 4 p.m.

Adults and mothers interested in working with the Girl Scouts are urged to contact Mrs. A. P. McNair, 6-6542, or Mrs. H. W. G. Vadnais, 6-6629.

Any Woman Marines interested in working with the Senior Girl Scouts are requested to contact either Mrs. McNair or Mrs. Vadnais.

IF AWARDS—Chaplain R. A. Vaughn, S. S. Wade join Maj. Gen. James P. Riseley to receive their awards from Mrs. William F. Queen, 600 hours; Mrs. Louis R. Abraham and Mrs. Lloyd O. Williams, 100 hours.

Marine Reserve Units Participate

ON THE ALERT—Two reservists man an outpost with their .30 caliber machine gun during maneuvers at Camp Lejeune. Pfc Gordon F. De George, left, and Pvt. Paul D. Kovarick Jr. found out the importance of a well-located machine gun during their training.

TANK-INFANTRY COORDINATION—A tank and infantry coordination exercise during a recent battalion landing team exercise.

BAR-MAN—Pfc William J. Caffery, of Dover's 7th Rifle Company, which participated in the exercise, sights in on his automatic rifle and prepares to squeeze off a round during the first day of the problem. Many hours of class-room instruction prior to the landing gave Private Caffery a sound knowledge of his rifle.

PORTABLE TELEPHONE—Pvt. Jack H. Webb of Dover, N. J., learned to use a portable transmitter receiver during his two-week summer training. When not in the field the reserve marines received class-room instructions on all phases of field communication.

KEEP LOW—Sgt. Edward A. Russe, left, and a buddy learned early during their field training that in order to survive in combat they must keep low. Both are members of Dover's 7th Rifle Company which took part in the landing exercise.

FIELD RADIO—Operating a field radio during a recent battalion landing team exercise are, Pfc's Edward F. Kilduff Jr., Donald H.

More than 100 Marine reserve units took part in the battalion landing team exercise at Camp Lejeune recently.

During the summer training, reserve units were commanded by the 1st Marine Division, 1st Marine Aircraft Wing, and the 1st Marine Amphibious Brigade.

This training exercise was the first summer training exercise for the reserve units. The units were familiarized with the latest combat techniques and the Fleet Marine Force.

In order to provide realism as possible, the training was conducted in a realistic manner.

During the two-day landing exercise, the two reservists worked as a team operating the 60mm mortar. When they were not in the field they received classroom instructions on other weapons used by the Fleet Marine Force.

DIGGING-IN—Pvts. Maurice L. Antyas, left, and John Bionde learned during their first field exercise the value of digging in and concealing their positions. Both reservists are members of the Pittsfield, Mass., 42nd Infantry Company which trained for two weeks this summer at Camp Lejeune.

Operating a field radio team exercise are, Kilduff Jr., Donald K. Serante. These reservists are members Communications Company.

FMFLant Captured By Divvy

Dick Makuck's two-run double and Andy Anderson's two-out, six-inning relief job gave the 2nd Division softball team the FMFLant crown Monday afternoon at the Second Marines' field. Division edged the hard-charging aggregation from Cherry Point in the finals, 2-1.

Cherry Point got to Divvy starter Bob Fletcher for their lone run in the first frame on a walk to Lou Scherp. Phil Hinds' sacrifice bunt moving Scherp to second, and George Summers' run-producing single to center.

Fletcher, who had difficulty finding the plate from the outset, was lifted in favor of Anderson after walking lead-off man Bob Jacobs in the second frame. Anderson pitched superb ball the rest of the way, giving up only two singles, to Scherp in the third and Jack Sheedy in the fifth, to pick up the decision.

In the last of the fourth inning, George O'Brien collected the first hit off Cherry Point's ace southpaw, George Summers, beating out an infield grounder to second base. Catcher Joe Kubiak followed with a line single to left, O'Brien holding at second.

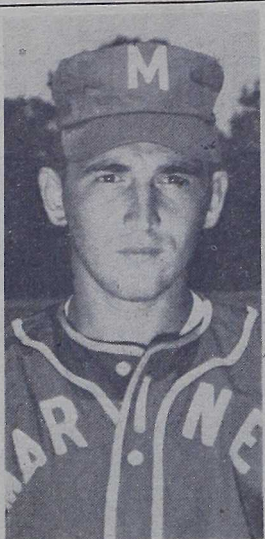

Moments later, Makuck sent a screaming liner to left center. Centerfielder Larry Wilson dashed into the gap, dove for the ball, but failed to make the grab by inches. The ball rebounded off Wilson's chest toward the left field line, allowing the tying and winning runs to score on the two-bagger.

Division, who drew a bye in the opening round of the three-team tourney, posted an overall 2-0 record to sweep the coveted FMFLant crown. Cherry Point wound up in second place with a 2-2 mark while Force Troops finished last with 0-2.

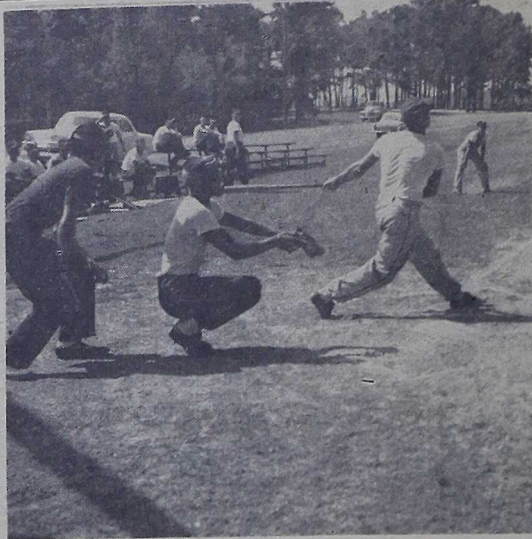

It was Lynn Larrick's five-hit, 3-0 win over Cherry Point last Saturday morning which enabled the Division squad to enter the finals and take the title in the double-elimination tourney Monday.

After downing Force Troops in the opener Friday afternoon, 6-4, Cherry Point eliminated Force Troops Monday morning with the best pitching performance of the day-offs, a 7-0, no-hit victory by Ken Carver.

Next on the agenda for the championship Division nine is the Atlantic Fleet Tourney which will be held here commencing August 22.

FMFLANT ACTION — Ken Carver, left, Cherry Point righthander, poses after pitching a no-hit, no-run victory over FT in the semi-finals of the FMFLant Softball Tournament Monday morning at the Second Marines' field. The 7-0 win enabled his team to enter the finals against the 2nd Division

that same afternoon. **RIGHT**—2nd Division's catcher Joe Kubiak lofts one into shallow left field in the sixth inning of the finals Monday afternoon. Catching for Cherry Point is Bob Jacobs while Lloyd Kaylor is calling the balls and strikes. Division edged Cherry Point, 2-1, to capture the title.

Marines Forfeit Possible State Title; Come From Behind To Stop Angier

Skipper Hal Glasgow's Camp Lejeune Marines were backed up against an invisible wall and lost a possible state championship by virtue of a forfeit to Angier, defending champs, at the N. C. State Baseball Tournament.

The Marines, in coming from the losers' bracket, dropped Angier Saturday night, 5-4, in a close down-to-the-wire thriller, only to find that they wouldn't be able to play the final game until Sunday or Monday.

Due to the All-Marine Tournament which began Tuesday, Lejeune had to leave Sunday morning at 6 a.m. for the West Coast, a schedule that had been arranged several weeks ago.

Not to be overshadowed by the forfeit were the outstanding performances of Hal Horan, Gerry Smith, Jack Keller and Bill "Pappy" Herrington that put the Marines right back into contention as they paced their teammates over a squad that had slapped them in the losers' bracket Thursday night.

It took a Horan homer in the bottom of the eighth to break the tie and a shaky relief chore by Smith to ice the tilt.

"Pappy" started for Lejeune and held Angier until the top of the sixth when the losers went ahead 2-1 on Ford Jordan's one away single and a freak homer

by Arnold Wallis.

Keller started the proceedings in the third after Paul Lacity had singled to lead-off the frame and had been moved over to second via Hal Norton's sacrifice. Keller promptly unleashed a tremendous double that bounded off the glove of Angier's leftfielder scoring Lacity.

Behind 2-1, the Marines came up with three tallies in the seventh with Keller once again slamming out the deciding blow. Curt Salyer walked to lead off and advanced on Dave Pavlesic's ground out. Lacity beat out an infield hit with Salyer moving to third. Angier's shortstop dropped Norton's grounder with Salyer scoring. Keller promptly poled a 380 triple with Lacity and Norton coming across. The big

third baseman was out at home as he attempted to stretch his three-bagger into a homer.

Angier wasn't through either as they tied the game in their half of the eighth. Smith, relieving Herrington, got off to a wobbling start as he gave up three bingles and two walks.

Then it was all Horan as the Lejeune centerfielder whacked the first pitch in the bottom of the eighth for his game-winning homer.

Smith walked the lead-off man in the ninth with a double play erasing the threat. The Lejeune ace then struck out John Dennis to end the game. Smith allowed two runs on three hits, walked three and fanned one.

Herrington, Lejeune's starter, gave up five hits for two runs, issued two free passes and whiffed the same number. Jack Craig was charged with the loss as he went the distance allowing six hits for five runs, struck out three and

Football Screening Ends Today; Squad Has More Experience Than Last Year

Varsity football returned to Camp Lejeune Monday afternoon as the Marine coaches put their charges through their paces in a speeded up screening session to determine the ability of the men reporting, and who would be selected for the varsity squad.

And on another field over 30 players, considered the first group, were being led by skipper Wil "E" Overgaard in various conditioning exercises.

THE NEW LOOK—Football resumed at Camp Lejeune Monday afternoon. The four Marine coaches split their charges into two separate groups, the screenees and Group One, comprised of varsity material already selected for the club. Screening will end this afternoon with those showing ability from the junior group joining the seniors. The coaches will have their work cut out for them as their first game is scheduled for September 20 against Little Creek.

The Lejeune brain trust hopes to cut the squad to a workable 40-man roster. Among the screenees, the coaches are primarily interested in those individuals with previous service or college experience. In the senior group, emphasis will be placed on conditioning with the first scrimmage set for sometime next week.

Employing the belly series built around possession ball, the Marines have 12 returns from last year and a number of transfers from Quantico to set a nucleus for the local club.

As a whole, the team appears to have much more experience than last year's squad. However, the 10 game schedule is tougher than last season's, featuring some of the top service elevens on the East Coast.

Asked to comment on the new rule governing the extra point, coach Overgaard matter-of-factly stated, "It all depends on how the game is going to the point of decision. Then you just go for the win."

Lejeune fans will be able to see how effective the change is as the locals' first game is at home against the Little Creek Tars on September 20.

The new rule states that the extra point, if kicked, will remain a single point as before. However, if the ball is run over, two points will be awarded.

Immediately after the game, a 16-man All-State team was chosen. Picked from Lejeune were Mick Taylor, catcher; Smith, pitcher;

Horan, outfielder; and Lacity, second base. Smith also walked off with the Outstanding Pitching Trophy by virtue of his four wins as compared to a single loss.

Skeet Team Runner-Up In World Match

Camp Lejeune's skeet team finished a close second in the World Skeet Championship for military base teams held at Waterfield, Mich., from July 29 through August 2. The Marines were edged out of first place by only nine targets when they fired 1,188x1,250.

Members of the Lejeune team include team captain Maj. William R. Holt, Maj. George M. Faser, Capt. J. J. Stoffa, CWO Thomas J. Elev, MSgt. E. E. Brower and HM1 E. C. Miller. Upon completion of the championship match, trophies were presented to members of the club.

The Marines are highly favored to take the military division of the N. C. State Championship Matches held at Greensboro over the Labor Day weekend.

Division Baseball Title Won As Eighth Defeats Tenth, 5-2

Jack Dominic's five-hit pitching and Les Dempsey's clutch triple were the determining factors in the Eighth Marines' 5-2 victory over the Tenth Marines in the fourth and deciding game for the Division Baseball Conference championship at Harry Agganis field last week. The Eighth Marines took the best of five series for the crown, three games to one.

DOWN!—Eighth Marines pitcher Jack Dominic comes sliding across the plate with the fifth run in the top of the sixth inning in the finals of the Division Baseball Conference play-offs last week at Harry Agganis field. Tenth Marines' catcher Al Davis is awaiting the late throw. Dominic hurled five-hit ball to beat the Tenth, 5-2, and sweep the play-offs, three games to one.

Officer's Mixed Bowling Title Taken By Nell-Hells

Individual and team awards were presented to members of the Officers' Mixed Bowling League at a party Friday night in the Paradise Point Officers' club.

Walking off with the team honors in the league were the Nell-Hells with the runner-up slot taken by the Moldy Bowlers.

Mrs. Koby Bryant was presented with two individual awards as she took high series honors with a 506 and was second in high average with a 137. Mrs. Helen Hadd and Robert Wilson recorded a 139 and 175 respectively to take high average in

the loop. Robert Soloman was runner-up with 164 for the men.

A high series of 565 was recorded by Frank Tobin to take top honors in this department. Mrs. Lee Lightle (195), and George Bryant (217) took the runners-up position.

High series with handicap were taken by Mrs. Hadd (548) and Gil Thursby (609). Game with handicap went to Mrs. Betty Bird (201) and Leo Donahue (234).

The Nell-Hells came up with the high team average and series recording a 578-565.

HIGH SERIES WINNER—Mrs. Koby Bryant admires the trophy shown off by Frank Tobin at the Paradise Point Officers club Friday night. A presentation party was held honoring members of the Officers' Mixed Bowling League which ended play in July. Mrs. Bryant and Tobin took high series honors with a 506 and 565 respectively. Mrs. Koby also placed runner-up in individual average with a 137. Taking the team crown were the Nell-Hells with second place going to the Moldy Bowlers.

Dominic, who walked six and fanned an equal amount, was frequently in trouble during the game due to his wildness. However, the tall, sturdy right-hander always managed to come through in the clutch.

The Eighth Marines jumped to an early 3-0 lead off Tenth Marine southpaw Mattie Mattise in the initial stanza. Mattise, who also walked six and struck out six, issued base on balls to Ed Jordan and Jack Synkewicz, the first two men to face him. Player-coach Lew Campbell then pushed a bunt past Mattise for a hit which loaded the bases.

On the first offer served to him, third baseman Les Dempsey, who led the Eighth Marines' hitting in regular season play with .320, cleared the bases with a booming triple over the centerfielder's head. If it hadn't been for Lugo's fine recovery and throw when the ball caromed off the fence at the 420-foot sign, Dempsey would have had an inside-the-park grand-slammer.

In the fifth inning the champions made the count 4-2 when Jordan singled in the hole between first and second and scored moments later on Synkewicz' line double up the right center field alley.

The Eighth added an insurance run in the sixth frame. With one down Dominic singled to center. Mattise then walked catcher Al Seaman and first baseman Jordan to load the bases. Synkewicz blooped one into shallow center-field which second baseman Al Smith napped with his back to the plate. Before Smith could regain his balance and throw to the plate, Dominic tagged up from third to score the final run.

The Tenth Marines, who left 10 men stranded on the basepaths, tallied their two runs off Dominic in the third inning. Leftfielder Joe Kelly led off the frame with a base on balls and shortstop Al Kamphouse put runners on first and third with his single to right. With the count 1-1 on centerfielder Chico Lugo, Kamphouse stole second, putting the two baserunners in scoring position. Lugo promptly singled the two runs home with a hot grounder inside the third base line.

Engineers Capture FT Baseball Crown Defeating FSR, 6-4

A last ditch stand by a scrappy 2nd FSR nine forced 8th Engr. Bn. pitcher Forrest Bundick to the wall but fizzled out as the Engineers took the rubber game of a seven-tilt series to cop the Force Troops championship, 6-4, last Wednesday night at Harry Agganis field.

Bundick went out all the way for the winning Engineers, allowing 10 hits and giving up one free trip while his teammates scored the six winning runs.

Ron Moilanen started the game for 2nd FSR but pitched himself out in the fifth inning. His relief hurler, Bill Dragon, came in with two men on and gave up two hits before he was able to retire the side.

Engineers scored their six runs in the third, fourth, and fifth innings on hits by Jimmie Giroux, Hector Garcia, Forrest "Gunny" Bundick, and Lou Keppel. Garcia hit a homerun, a long smash over the leftfield fence.

FSR waited until too late to try to rally against the six-run lead. Their tallies came in the sixth and seventh off hits by Gary Jorgest, Bob Hoffman, George Winters, Jack Walker, and Bill Smith. A round-tripper for FSR was slammed by Walker with no one on in the last of the seventh over the centerfield wall.

FISH & WILDLIFE

BY THE "OLD ANGLER"
Phone 7-5522

We at Camp Lejeune have been observing the laws of the Department of Defense announcement states all military reservations are applicable to hunting and fishing all along, and by the fish and game laws of the states or territories where the reservations are located.

In implementing the provisions of Public Law 85-624 of Defense has issued a directive which spells out pre-cooperation between military commanders and state and local authorities in the keynote of the directive. To initiate action the Defense Secretary is sending letters to the governor of the territories. As I said, we are just ahead of the game. Camp Lejeune and state and local authorities have been working together for many years.

It might be a good idea for the Ole Angler to remember that who have combination hunting-fishing licenses the licenses have expired and new 1958-59 licenses are available. Varmint hunters who go out for crows, woodchucks, game and unprotected animals need new hunting licenses August 1.

So, back to some fishing. Pfc Joe Kozakiewicz from Montford Point went out to Catherine Lake last Thursday and had a rather good day with black bass. In fact, he caught a monster—a seven-and-a-half-pounder measuring 26 inches from tip to tip. Joe was using an artificial night crawler, on a mere four-and-a-half-pound-test line. He had to admit that he hooked the fish in shallow water and just wouldn't permit the old boy to get back out to deep water. That's Joe wearing the grin. And, as if this wasn't enough, Joe went back and caught five bass Sunday.

From up around Morehead City way, inshore fishing and Spanish mackerel continues to be very good; and the fishing for bass and porgies is excellent. The boys are out about the pier fishermen—they are outdoing themselves in king mackerel.

I would like to remind all of you that are interested in the monthly meeting of the Camp Lejeune Rifle and Pistol Club held in the Montford Point Staff NCO club, Building 24, at 8 p.m. There will be prizes and refreshments. The meetings, the club will conduct an NRA approved pistol course at the Base Rifle Range starting at 7 a.m.

No doubt as a result of a highly successful nesting season in the Atlantic Coast flyway may expect a good dove shooting this year. Although not officially announced yet, it was expected that the Fish and Wildlife Service, 65 half-days of hunting in North Carolina, a five-day in the N. C. Wildlife Resources Commission requested 14 days from October 4, and the second half of the season from November 11 to January 15. Bag and possession limits will be in effect.

All of you hunters and anglers come on out tonight to the Rod and Gun club at Marston Pavilion. The meeting at 7 p.m. and a good program has been arranged to entertain.

The committee said it believed the amount of dental care to be provided for dependents in den- tal facilities of the uniformed services should be limited "by the availability of space and fac- ilities, and the capabilities of the dental staff."

In this respect, the committee said it thought the determination made by the dental officer in charge of a uniformed service dental facility should be conclusive.

The committee said that "where the dental officer has determined that treatment of a dependent would interfere with the treatment of members of the uniformed forces, the choice should be limited to civilian dental facilities."

"Based on these limitations," the committee added, "The dependents should have free choice of uniform- ed service facilities or civilian fac- ilities for dental care." (AFPS)

A comedy starring Jack Lemmon, Ernie Kovacs, Kathryn Grant, Arthur O'Connell and Mickey Rooney. The story deals with American soldiers in France during World War II and the party they plan dubbed "Operation Madball." (101 min.)

NAKED EARTH ΔΔΔΔ

A young and impoverished Irishman, Richard Todd, travels to the interior of Africa in 1888 to meet his partner and wife, only to arrive and find his partner had died and the so-called wife, Juliette Greco, is ill and that she was never really married to his partner. Then the fun begins. (99 min.)

MAN OR GUN

No information on this western other than it stars MacDonald Carey, Audrey Totter, James Craig and is in color. (70 min.)

NEVER LOVE A STRANGER ΔΔΔΔ

This fast-paced screenplay pulls no punches in its treatment of gangsterism in America from the wild '20's to modern times. En route, it projects some rather frightening and hair-raising situations. Stars John Drew Barrymore and Lita Milne. (65 min.)

RAW WIND IN EDEN ΔΔΔ

A drama starring Esther Williams, Jeff Chandler and Charles Thompson. This one is in Cinemascope and color and is about a wealthy adventurer who becomes a recluse on a small island off the Italian coast and has a romance with a lady flyer whose plane crashes on the island. (83 min.)

FLAMING FRONTIER ΔΔΔΔ

A drama starring Bruce Bennett and deals with hostilities between the Union army and Indians in Minnesota and Montana during the Civil War. (70 min.)

PARATROOPER

No information on this war flick except that it's an oldie and stars Alan Ladd and Leo Genn.

YOUNG AND DANGEROUS ΔΔΔ

The story of a teenager's rebellion against authority and the adult world that seems to inhibit his activities. In Regalcolor and stars Lili Gentile and Mark Damon. (78 min.)

JEANNE EAGLES ΔΔΔΔ

This is the dramatic story of Jeanne Eagles who skyrocketed to fame in the stage play "Rain." A fast moving picture that should appeal both to men and women who remember her and the youngsters who revel in success stories. It sounds like the usual run of the mill success story, but Kim Novak's portrayal of Jeanne Eagles makes this one far from run of the mill. Starring with Miss Novak are Jeff Chandler and Charles Drake. (180 min.)

THUNDERING JETS ΔΔΔ

Feeling anchored at his Air Force teaching job, Rex Reason seeks a transfer to an active operations base. His ability to teach students jet age flying is so great that his requests are turned down. Unhappy, he bears down hard on his group of students, sticking strictly to the rule with no deviations whatsoever. This attitude causes a break with his girl friend, Audrey Dalton, and makes him hated by the students. (75 min.)

SADDLE THE WIND ΔΔΔ

In case you haven't guessed already, this is a western in Cinemascope and Metrocolor. It's the typical story of two brothers, one an ex-gunfighter, older

and wiser; the other a young hot-blooded Texan with an eye for girls, guns and whiskey, in that order. The younger brother finally kills a gunman and with his first kill under his belt decides to change things in the valley in which they live. The end finds brother against brother. Stars Robert Taylor, Julie London, John Cassavetes and Donald Crisp. (84 min.)

MERRY ANDREW

We're not sure how many bells this one rings but with Danny Kaye, Pier Angeli, a pet chimpanzee and a circus all intermingled, this should prove interesting as well as entertaining. If you like laughs, love and music, make this a must on your movie list. Produced by MGM and is in color. (105 min.)

BAMBI ΔΔΔΔΔ

This one comes from Walt Disney's Fantasy Land and in our book has, does and will always rate five bells, as long as the film remains in one piece. In color and stars Bambi, Flower, Thumper and a host of others. (70 min.)

DESERT HELL

The only information we have on this one is that it's a Foreign Legion drama starring Robert Keith, Barbara Hale, and Richard Denning.

WIMDON'S WAY

To say that we have no information on this one would be putting it mildly. We're not even sure the title is spelled correctly. Carbon copies just aren't as clear as they used to be.

WILD BLUE YONDER

No information other than it's an air drama starring Wendell Corey, Vera Ralston and Forrest Tucker. (96 min.)
