MCB Units To Parade Saturday Morning

A ceremonial parade, long associated with the military, will be the initial celebration when local Marines commemorate the 182nd birthday of the Corps this Saturday.

The parade, to be staged by Marine Corps Base units under the command of Col. J. G. Bouker, commanding officer, Hq. Bn., will mark the first time in several years that a Base parade has been staged.

Brig. Gen. Wallace M. Greene Jr., Base commanding general, will review the parade which is scheduled for 9:30 a.m. at the Base parade grounds, Hadnot Point area.

Adding color to the occasion will be a group of Headquarters Bat-

tal personnel dressed in historical uniforms which date from the Revolutionary period.

The formation, equivalent to a composite regiment, will be composed of three battalions. Each battalion will have four companies. The regiment will be formed in line with companies in mass for-

(See MCB PARADE, Page 3)

Commandant's Message

On this, the 182nd birthday of our Corps, we take time out from our rugged and relentless training routine to pay tribute to a long line of Marines extending back through our country's history to its very origins. Whether we serve in the far flung forces with the fleets or in the supporting forces of the shore establishments, on this memorable day we reflect with justifiable pride on the heritage passed on to us by those who have gone before—a history of selfless service to our country, a record untarnished since the first Continental Marine was recruited at Tun Tavern in 1775.

Since that historic year, our Corps has passed through many trying periods. At times our numbers were pitifully few, our weapons and equipment barely adequate. But even in our years of greatest austerity, we were rich in the one priceless ingredient that has ever uniquely characterized our Corps—the indomitable spirit of the United States Marine. It is this spirit that has enabled us to bear adversity without complaint; it is this spirit that has inspired us to victory over seemingly impossible odds on battlefields across the world.

It motivates every Marine—from the rawest recruit to the oldest veteran. It is intangible, but nonetheless real. It is difficult to define but, as the hallmark of our Corps, it is obvious to all. It is symbolized by the battle honors, citations, battle streamers, and silver bands which give added lustre to the Battle Color of the Marine Corps. It cannot be issued; no amount of money can purchase it. It is indeed the priceless ingredient which makes uncommon valor a common virtue in our beloved Corps.

With full confidence that this same indomitable spirit will continue to inspire each of us in the ensuing year, and that our record of the future, as in the past, will be one of exemplary service to Country and Corps, I extend my heartiest congratulations and best wishes to every Marine—regular and Reserve—and to all Marine families on this happy occasion, the 182nd birthday of the United States Marine Corps.

GENERAL RANDOLPH McC. PATE
...Marine Corps Commandant

Tri-Command Prepares For Annual Affair

Marines at Camp Lejeune, along with thousands of their fellow members all over the world, will commemorate the 182nd birthday of the time-honored United States Marine Corps on Saturday night.

Traditional cake-cutting ceremonies, long associated with the Corps, will be held aboard ships at sea and at bases throughout the country.

At Camp Lejeune the momentous date will be commemorated by numerous ceremonies as various commands gather to mark the founding of the organization which has brought, and continues to bring, glory to our nation.

Brig. Gen. Wallace M. Greene Jr., Base commanding general, will cut the birthday cake at 8:30 p.m., for the enlisted men's ball at Marston Pavilion and an hour later will perform the honors for members of the Hadnot Point Staff club.

For the Officers' Birthday Ball at the Goettge Memorial field house, Maj. Gen. Joseph C. Burger, 2nd Division commander, will cut the first piece of cake at 10:30 p.m.

At Camp Geiger at 8:30 p.m., Brig. Gen. Sidney S. Wade, commanding general, Force Troops, will be honor guest for the cake-cutting ceremony at the Staff NCO club.

In the Courthouse Bay area at 8 p.m., Brig. Gen. Austin R. Brunelli, assistant Division commander, will cut the cake for both enlisted and staff celebrations at the Engineer Schools Bn.

Montford Point Staff club will have Col. Richard D. Weber, commanding officer of Marine Corps Supply Schools, perform their ceremonies at 9:15 p.m. as they gather to hold their celebration.

Lt. Col. L. O. Williams will hold a cake-cutting at noon for troops at the Rifle Range Detachment.

Every command will provide entertainment for dancing during the evening. At Marston Pavilion, Ralph Marterie and his famous down-beat orchestra will turn out danceable tunes for sergeants and below with their guests, while at the Hadnot Point club the satin-smooth music of Eddie Allen and his orchestra flows for staff non-commissioned officers, their wives and guests.

For the officers and their ladies, the coast to coast star, Buddy Hair, known as America's musical host, will provide the entertainment. Also slated to appear are the Wellman quartet at Courthouse Bay, the Embers at Camp Geiger, and Bob Smith and his 12-piece band, who will play at Montford Point.

Dependents Invited To Birthday Meal

Messhalls throughout the Base are authorized to serve meals on the Marine Corps Birthday to officers, enlisted personnel and their dependents of bonafide guests, according to Base Bulletin 10110.

Cost for the holiday meal, according to the bulletin, will be: for officers and civilians, \$1.20; for enlisted personnel on commuted rations, \$1.00; for dependents over 12 years, \$1.20, and for children under 12, 60 cents.

The meal will be served at noon on Saturday.

If you ask me...

WHERE DID YOU SPEND LAST MARINE CORPS BIRTHDAY?

SSGT. DAVIS W. FOWKES, Spt. Co. B, Hq. Bn. MCB—Last year my wife and I were home on leave in Pittsburgh, Pa., on the Marine Corps Birthday. We were invited to the Ball held by the Connellsville Reserve unit held at the White Swan Ballroom at Uniontown, Pa. There, we met a lot of old friends who were stationed with us before at other bases. With the dancing and ceremony, we had a very enjoyable time.

PVT. BETTY J. FITZGERALD, WM Co., Hq. Bn., MCB—I was on mess duty last Marine Corps Birthday. I served the staff and their dependents and was able to observe the cake cutting they had at the mess hall. I was really tired after washing those dishes, but I sure am ready to enjoy this birthday.

SGT. HAROLD L. SHIPP, Spt. Co. B, Hq. Bn., MCB—I spent last Marine Corps Birthday at Quantico, Va. I enjoyed the festivities that were held there. I went to the ball at Daily Hall. Enlisted Men's club. We were fortunate to have a good name band, Dean Hudson, to play for us.

CPL. THOMAS F. MULVILL, Spt. Co. B, Hq. Bn., MCB—Last Marine Corps Birthday I was serving as a Radio Operator with the 1st Inf. Bn., Brooklyn, N. Y. Our Ball was held in an armory, but it had all the ceremony of any birthday party at a large Marine Corps base. I think, to Reserves and Regulars alike, November 10 is more than just another day.

SSGT. JOHN A. ADAMS, B Co., 1st Bn., Eighth Marines—I was in Washington, D. C., stationed at the Naval Gun Factory, last Marine Corps Birthday. I had the honor to be a part of the cake cutting ceremony, which was very colorful. The Ball was very enjoyable and all Marines were dressed in blues.

Throughout the early part of 1942, while the enemy roamed the Pacific at will, Marine defense battalions were sent to critical outlying islands in the Pacific to defend and hold them until a counter offensive could be launched.

Anniversary Greetings To Marines

Maj. Gen. J. C. Burger
Commanding General
Second Division

Marines the world over will join in celebrating the birthday of our Corps on November 10, a day which marks 182 unbroken years of achievement unparalleled in military history.

On this anniversary I join with the officers and men of the 2nd Division as we once more reaffirm our dedication to those traditional principles of devoted service, military efficiency, and preparedness for an eventuality. In so doing we not only share in the pride of accomplishments by our Corps in the past, but we set our sights on the determination to do our part to make the Marine Corps' future role even more illustrious.

To all the officers and men of the 2nd Division, I extend my best wishes for a very happy Marine Corps birthday.

Brig. Gen. S. S. Wade
Commanding General
Force Troops

November 10, 1957, is a day that revives proud memories, memories of the patriotism, courage, and valor of those Marines who have gone before us. Let us pause today to commemorate those men and the high price at which they purchased our traditions.

Since the first Marine was recruited at Tun Tavern, our Corps has achieved an unrivaled record of patriotism and valor. Our history is 182 years of unbroken fidelity and honor.

It is left to us to safeguard our heritage as the world's finest fighting force, and maintain the high standards of proficiency and discipline that have become synonymous with the name, Marine.

On this day when all Marines throw out their chests in justifiable pride, I extend by sincerest personal wishes to the officers and men of Force Troops, and their families, for a Happy Birthday.

Brig. Gen. W. M. Greene Jr.
Commanding General
Marine Corps Base

Today marks the 182nd Birthday of our Corps. Since November 10, 1775, we have stood before the world, second to none in soldierly skill, smartness of appearance, loyalty, discipline and valor.

It is our right to feel a glow of pride in the wealth of our history and achievements. It is our duty to carry on these traditions and to be worthy of the name Marine.

Col. T. J. N...
Commanding C...
Marine Corps Air...

November 10, 1957, 182nd year in which we have made a substantial contribution to the security of our country. Each year heritage of service accomplishments grows in a result of the devotion of Marines of all ranks.

The magnificent record has been built over almost two centuries measured by the skill and courage of our fighting ground and aviation units. The ability of the support units to assist in the accomplishment of assigned missions in emergency at the moment of need.

It is with pride that I look back over the accomplishments of the past year of the Marine Corps. It is, therefore, with deep gratitude in your accomplishments and confidence in your ability to meet the challenge of the future, I extend best wishes to all on this happy occasion of the Birthday of our Corps.

FRA MEETING

The regularly scheduled Reserve Association meeting scheduled for this evening at Montford Point Staff Club has been cancelled. The meeting planned for tonight will precede a social meeting of the group at 8 p.m., November 10.

Oldest Retired Marine Will Participate In MC Birthday

MSgt. William P. Thomas, a 27-year veteran of the U. S. Marine Corps, will officially celebrate the Corps birthday for the first time Saturday.

Strange as this "Believe it or not" situation seems, Sergeant Thomas has a number of discharges all showing that he first enlisted in the Corps April 18, 1888.

Presently a patient at the U. S. Navy hospital, he recalls that in his time there was no formal celebration of the Marine Corps Birthday. In 1921, six years after his retirement, November 10 was officially designated as the "Birthday of the U. S. Marine Corps."

Although he regrets there was no official birthday commemoration, the oldest retired Marine on the rolls today, believes that the men of the Old Corps had their share of festivities.

Many times he crossed paths with that legendary Corps hero, Dan Daly. When Pvt. Daly won his first Congressional Medal of Honor in China during the Boxer Rebellion, MSgt. Thomas was fighting beside him.

A native of Arkansas, Sergeant Thomas was brought to North Carolina by his parents at an early age and has lived almost half of his 96 years in the Greensboro area.

When Sergeant Thomas receives the first piece of birthday cake at the hospital Saturday, he'll be finally accomplishing a feat which took him 69 years of active and retired service to do.

VETERANS DAY

Army Officer Cherishes Marine Emblems

"I wore those Marine Corps devices until after I became a major general and cherished them among my most cherished possessions..."

The above, surprising as it may seem, were the words of a retired Army Major General expressing his pride for being allowed to wear the globe and anchor emblems on his uniform in 1918.

Maj. Gen. James G. Harboid, USA, commanding general of the unit to which the 4th Marine Brigade was attached, was justified in wearing those emblems with pride as they signified membership in one of WWI's most exclusive fraternities, "The Devil Dogs."

Monday, being the 39th Commemoration of Armistice Day (Veterans' Day) Marines should remember that a great deal of their tradition springs from the encounters with the Kaiser's best.

Besides an Army general who wore Marine emblems, this first large scale international conflict produced other figures and incidents which left their mark on the Corps' history.

To countless officers has been attributed the stirring phrase "Retreat Hell," but history has tended to point its finger at one man.

When the Germans started to march down the valley of the Marne towards Paris in June, 1918, the French forces began to crumble and fall back to where the 4th Marine Brigade was entrenched.

According to the diary, June 3, 1918, "the line has fallen back practically on our own case a retreating officer gave an order to an American officer to fall from the position with which he had been holding. The order was obeyed."

Later a field message dated same day, states, "The major gave Capt. Corbin orders to fall back—I have commanded the order—knew the French did not shoot artillery range..."

The message was signed **Capt. Lloyd W. Williams, US**. Did he utter the phrase? Inclines one to the view that the captain made a simple reply to the effect that he was sure to stay where he was, definite that Capt. Williams the first officer to refuse to draw.

On June 6, 1918, the 4th Brigade came up, took the trenches and began a counterattack.

By capturing Belleau Wood, were acclaimed by the enemy, renamed it "Bois de la Marine." The brigade earned a citation, the 4th Marine Brigade, the first step towards the coveted Fourragere.

The first World War to give the vivid phrase "Devil Dogs" belonging to a dead German revealed his feelings for the Marines.

The German word "Teufelshunden" found in the code notes means fierce, fighting of legendary origin. When the nation paused to remember those who fell in French soil in "the war" supposed to end all wars, can point with pride to the achievements of their brothers in "Flanders Field" who grew.

WW I DEVILDOGS—Maj. Gen. John A. Lejeune, center, is flanked by officers and men of the famous 4th Marine Brigade, during a lull in the engagement at Belleau Wood. From this battle the Marines acquired the nickname of "Devil Dogs" as well as the undying admiration of the French when

the woods were renamed "Wood of the Marine Brigade" in their honor. Assuming the offensive on June 6, 1918, the men of the brigade were engaged in some of the most desperate fighting ever performed by troops.

AND GET A FEW DOZEN PENCILS

WITH PRIDE—Lt. Col. M. H. Clarke, right, accepts the congratulations of his predecessor, Lt. Col. R. F. DeLamar III, upon assuming command of 1st Bn., Second Marines. Colonel DeLamar was transferred to 2nd Service Regiment.

Second Marines Lead Division Reenlistments

A planned, concentrated re-enlistment effort that carried career appraisal presentations to the fire team level has paid off with a victory for the Second Marines in the 2nd Division's October Class A re-enlistment competition.

Far outstripping the Division's other similar-sized units during the month, the Second filled its quota of 30 re-enlistments, with 21—or 70 per cent—being first-terms.

Capt. C. A. Boyd, Division Re-enlistment Officer, traced the success of the drive to enthusiastic efforts by career Marines in the command and to recent career appraisal presentations that Regimental Commander Col. J. J. Gormley requested the Division Re-enlistment office to give.

The drive began with a presen-

tation to all units and organizational commanding officers and first sergeants, and all re-enlistment officers and NCO's in the regiment.

Later, every man in the regiment was given the presentation during a one-week period.

For those who re-enlisted, regular Marine Corps re-enlistment options provided exciting changes in duty stations. Some requested and got service schools, and others were sent to such stations as Naples, Italy; Key West, Fla.; New London, Conn.; and Moffett Field, Calif.

Smaller Division units that also came up with outstanding re-enlistment figures for October were 2nd Service Regiment with 110 per cent of its quota, and 2nd Motor Transport and 2nd Medical Bns., with 110 per cent of their quotas.

Captain Boyd pointed out that all other Division units wishing to schedule career appraisal presentations to further their re-enlistment efforts may do so by calling 7-3693.

East Coast Speech Finalists Vie Here

Col. Richard D. Weber, Commanding Officer, MCSS, welcomed participants in the East Coast Technique of Instruction Competition, Monday, November 4.

Colonel Weber, representing Brig. Gen. Wallace M. Greene, Jr., Base commanding general, commended the "survivors of at least two elimination contests." He said, "We would like to have all of you stay here as instructors at MCSS."

This event, which is sponsored jointly by the Marine Corps Institute and Leatherneck magazine, will select winners to represent the East Coast in the Marine Corps finals at Marine Barracks, Washington, D. C.

Representing Marine Corps Base in the Staff NCO category are TSgt. Samuel Kerr and TSgt. E. M. Wright, with Sgt. Kenneth Baldwin, Sgt. Joseph Post participating in the sergeants and below category.

HOLIDAY ROUTINE

Holiday routine will prevail throughout the Base twice this month: Veterans' Day, Monday, November 11, and Thanksgiving Day, Thursday, November 28. Enjoy your holidays and DRIVE SAFELY.

United Fund Drive Extended 12 Days

The Camp Lejeune-Onslow County United Fund drive has been extended until Saturday, November 16. This was announced Monday by Col. H. W. G. Vadnais, chairman of the fund drive.

The drive, which was scheduled to conclude Monday, will now be continued an additional twelve days. According to Colonel Vadnais, this should provide the necessary impetus to bring the drive up to the \$50,000 goal.

As of Monday, approximately \$25,000 had been collected on the Base and in nearby Jacksonville. In past years the contributions from Lejeune usually exceeded those of Jacksonville by a ratio of two to one.

That, however, is not the case this year. Mr. H. G. Quinn, co-chairman of the campaign committee, reports that a total of \$13,000 has been contributed by local citizens.

On Base, the leader, percentage-wise, continues to be the U. S. Naval hospital with \$739.12, representing 115 per cent of the hospital personnel.

Force Troops made a noteworthy gain this week as they moved up 12 points to 62 per cent, with contributions of \$1,652.02. At the Marine Corps Air Facility, Marines contributed \$458.98, a 45 per cent representation.

Col. John G. Bouker, MCB chairman, reported at the last meeting that 1st ITR has been outstanding among MCB units and to date has contributed \$4,205 out of the \$5,169.41 MCB total. Using the dollar per man rate, Marine Corps Base is just over the 50 per cent mark.

Second Division units, down in numbers due to the Sixth Marines' retention in the Mediterranean, are

beginning to assume the added burden and show definite progress.

Col. C. R. Baker, division chairman, said that the Division figure is expected to rise this week as personnel were paid at the beginning of the week. This will give several a chance to donate toward the cause and add to the present \$2,032.52 figure.

Colonel Vadnais reminded all potential donors again this week that the drive is based on true voluntary giving and that all money collected is turned over to the local fund committee.

He believes that even at this late date there is uncertainty prevalent among some who don't realize the significance of their own small contributions. Pointing out that 20 agencies must now be aided, Colonel Vadnais emphasized that every penny is needed and will be utilized.

"The next 10 days," he noted, "will be crucial for the United Fund and it is expected that all Camp personnel will display the same enthusiasm which has characterized successful campaigns of the past."

The saying, "With the help of God and a few Marines," has been attributed to nearly every naval hero from Paul Jones to Admiral Dewey. The late General Frank T. Evans used to say: "With the help of God and a few other Marines."

Five New Courses Offered By Marine Corps Institute

Many applications are expected at the Marine Corps Institute with the announcement that five new courses have been added to fill training needs in the motor transport, engineering, electrical, drafting and aircraft maintenance fields.

First on the new list, the automotive and engineering equipment mechanic course, will present the fundamentals of construction, maintenance and repair of internal combustion engines for Marines in the motor transport and engineering occupational fields.

Operations of Motor Transport, another of the new courses, covers all transport operations, highway motor movement of personnel and supply. It is designed for the 35-field and especially for the 3537 MOS of "Truck-master."

Electrical generating equipment and field electrical distribution

systems are covered in the Electrical Power Systems courses slated for MOS's 1141 and 1169.

Occupational field 14 personnel may increase military proficiency by taking the Principles of Surveying course, geared to solve the problems in practical surveying.

Aircraft power plant fundamentals for Marines in the 6143 MOS category are covered in the course on Aircraft Reciprocating Engines.

In event five or more qualified Marines desire to enroll in any of the above courses, a group enrollment with MCI may be made under the supervision or sponsorship of an officer who will be responsible for the groups in the course.

For detailed information see the unit Educational Officer or write to the Director, Marine Corps Institute, Marine Barracks, 8th & I Sts., S. E., Washington, D. C.

FOURTH STAR—Gen. Randolph McC. Pate, Jr., Base the Marine Corps, and Adm. Jerauld Wright Jr. schedule of events the shoulders of Gen. Ray A. Robinson, who at the Paradise Point General Robinson, who has been Comm chief of staff. The mess for the past year, was tended full milita-igns. Special guest for the praises by General Pate and Admiral y the Argentina Marine Corps.

182nd Anniversary

On July 4, 1776, the United States of America took her first step toward becoming the greatest world power. Eight months prior, Nov. 10, 1775, the Continental Congress officially established the United States Marines when it authorized the forming of two battalions consisting of one colonel, two lieutenant colonels, two majors, other officers and enlisted men to complete a regiment.

The strength and extent of the Marine Corps at that time is not entirely known. In essence, the Marines were officially an entity before the United States declared her independence.

During the United States' 181 years of existence as an independent nation, she has been tested many times on her strength to defend her declaration.

From the Continental Marines of the Revolution to the modern "Leathernecks," the Marine Corps has been "first to fight for freedom."

Except for the technological advancements in warfare, honor and tradition have always been prerequisite for Marines throughout 182 years of existence.

In 1921, November 10 was officially designated the birthday of the United States Marine Corps. Before this recognition, Marines have taken their own initiative to celebrate the birth of the Corps. It might have been a toast in Tun Tavern, the sharing of a grog of rum aboard the Bon Homme Richard, or just a casual thought before an attack at Belleau Woods.

On November 10 this year, the 182nd birthday is no exception to past tradition. Marines all over the world be they on embassy duty in Russia, exercise training on Okinawa, or on duty here at Camp Lejeune, will take time to raise the flag of the United States of America and say — "This is OUR COUNTRY, this is OUR CORPS!"

A happy birthday to all.

Call 3333

It can be found on the cover of each telephone directory at Camp Lejeune. Every office, shop or squad bay has signs clearly revealing it.

What is it?

Out of a small survey of some 100 camp personnel taken recently the surprising fact was revealed that an alarming percentage did not know the correct number to call in case of a fire.

Instead of 3333 our sampler received many and varied responses ranging from 111 to 5000.

This is a serious problem, as wide publicity has been given to fire fighting, and drills are conducted periodically. Perhaps there has been a tendency in a few commands to ease up on the required drills. However, in a matter of this nature, one must remember that human lives are at stake. One negligent individual on duty at a crucial time could spell disaster for the entire group.

A good example of this can be well illustrated by the following story. About a month ago the base locator was called by a panicky NCO at an area unit. This man wanted to report a fire at his company but had no idea of what number to call. Although told the correct figure twice, he kept calling for the third time.

SEW ATTEMPTED to result from his carelessness, but ATTEMPTED to go on duty.

DEAD END to go on duty. A very simple fact which some of you.

Chaplain's Corner

It almost seems in this age of man-made miracles that God has lost His importance. Where years ago man used to pray for rain, today he climbs into an airplane with a sack of chemicals, tosses them into a cloud and makes his rain. Likewise, in olden times, when droughts threatened the farms and cattle, devout men gathered in the little churches and asked God for help.

Today, this occurrence is almost unknown since man, in his scientific knowledge, can sink deep wells, build huge dams, and put his knowledge into the practice of irrigation. What was desert is now flourishing farmland. Where the people relied on God alone, now they are almost casual about His power.

Is God so little needed? Have we outgrown our dependence on Him? No! He is still the center of our world and He still works through history, inventions, men's minds, the sun, rain and wind.

It is simply that man has learned better how to cooperate with God in increased knowledge of the working of His basic laws. All of this, I might add, was done with man's mind which is a gift of God. He has permitted us to share His secrets and has made our lives better for it.

Even the poetic jingles speak of God's miracles with a smile:

Twinkle, twinkle, giant star,
I know exactly what you are,
An incandescent ball of gas,
Condensing to a solid mass.

Twinkle, twinkle, giant star,
I need not wonder what you are,
For seen by spectroscopic ken,
You're helium and hydrogen.

No one will deny that man has made remarkable strides in his knowledge of how our world operates. But what of his knowledge of holy things? Have we become so egotistical that we feel we no longer need God? Have we turned Sundays into a day of rest and recreation instead of keeping it in the manner it was ordained?

Everyone knows that the father is constantly remonstrated for being the one to stay home from church on Sunday, muttering something about his "only day to rest." If this is true, it is sad, for he has lost his sense of holy things. He knows so much about so many things, but he doesn't understand his need for spiritual guidance.

So brilliant, suave, accomplished, he goes his way, as pagan as any generation has ever been.

NICHOLAS J. BREWER, JR.
Chaplain, Eighth Marines

Old Corps

15 Years Ago—The Marines have taken over the 141,000-acre Rancho Santa Margarita in California as an advanced combat training base. Extending 22 miles along the Pacific from Oceanside to San Clemente. The terrain of the base affords conditions which may be found in almost any sector in which Marines may fight. The rancho was renamed Camp Joseph H. Pendleton.

10 Years Ago—The United States Marine Corps completed its 172nd year of service to the people of America. One of its important activities is the Marine Corps Reserve. Operating on a larger scale than ever before in its history, the Marine Corps Reserve today boasts a membership of over 54,000 "Citizen Marines."

5 Years Ago—Pfc Joseph L. Giovannucci was presented the Navy Cross at field ceremonies on the island of Vieques, P. R., by Maj. Gen. Randolph McC. Pate, commanding general of the 2nd Division.

SERVICES

Personnel interested in attending Lutheran Church services may contact MSGT. G. W. Shaw at 0-6437 or at 2822 Bouganville Drive, Tarawa Terrace.

Short Round

This couldn't be true (of course), but with the Marine Corps vast technological advances, who knows? The modern era with a unit of local Marines, when halfway through a reconditioning march, they stopped to have coffee and doughnut the effect this could have on the concepts of tactical warfare came contagious.

Six U. S. Naval heroes who lost their lives in WWII were at Yokosuka, Japan, when two dependent schools were named for them. The Yokosuka Dependent School was named after the five Sullivan brothers who lost their lives while serving together on the cruiser Juneau. Rear Adm. Daniel J. Callaghan, who died during the battle of Savo Island, will have his name perpetuated in the school at Admiralty Heights.

Dr. Charles R. Mueller, Col., MC, USA (Ret.), former vice president of the Association of Military Surgeons of the U. S., was installed as president of the Association during its annual meeting in Washington, D. C. The doctor serves as Director of Service, Veterans Administration, Department of Medicine, Washington, D. C.

A few weeks past it was claimed that the small seaplane USS Floyd's Bay was the initial tender to have a whirly bit. Now it appears that the Floyd's Bay lost the race last May. The Kenneth Whiting and the Corson. When a PBN from Iwakuni to Hong Kong via Okinawa crashed on a small island near Japan, the tenders were rushed there and copters to spot wreckage and survivors.

The well-known sports trophy of the Pacific, "The Iron Man" be permanently retired in a special case at Pacific Fleet Headquarters in Honolulu late this month, marking over 38 years of active life. Originated in 1919 by the Navy Department, the bronze statue has been a hotly-contested trophy to Pacific Fleet. The first Iron Man was awarded only to battleships on a system and the standings of ship's athletic teams. The USS Mississippi the original winner.

Marine Attack Squadron 224 arrived at Iwakuni, Japan, week for duty with MAG-12, 1st Marine Air Wing. Commanding Lt. Col. Samuel Richards Jr., the unit replaces Marine Squadron 121 which returned to the U. S. Attack Squadron was formerly based at the Marine Air Station, El Toro, C.

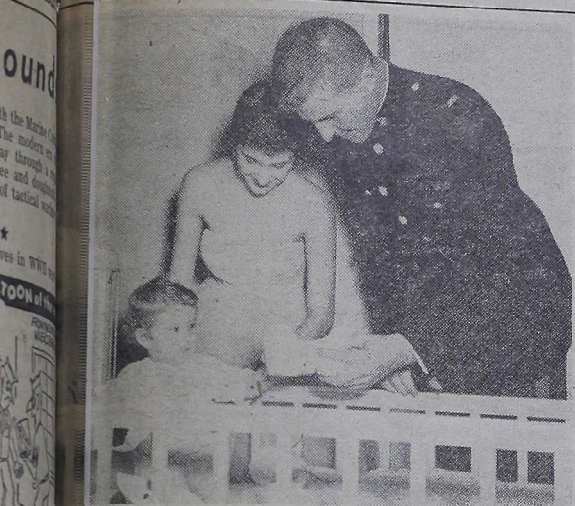

The Navy announced plans for the transfer of activities Marine Corps Auxiliary Air Station, Mojave, Calif., to V. Force Base at Yuma, Ariz. Vincent Air Force Base was made to the Navy by the Secretary of the Air Force as a result of reviews of the airfield requirements of the two services which had been conducted in an effort to reduce new construction in the economy.

Group Meetings Set For Tarawa Terrace Community Building

Three meetings this afternoon will set off a week-long program of activities at Tarawa Terrace Community Center. At 3 p.m. there will be a dancing class, followed by meetings at 3:30 p.m. of Girl Scout Troop 88 and Brownie Troop 102. Tonight at 8:15 p.m., the Staff NCO wives will meet at the center.

Tomorrow evening the entire center will be devoted to game night and on Saturday afternoon the Kiddie Camera club will meet at 1 p.m., with the Teen-Age club following at 7:30 p.m.

On Sunday Catholic mass will be held at 9 a.m. and services for the Latter Day Saints will be at 10:45 a.m. and 5 p.m.

Girl Scout Troop 85 and Brownie Troop 189 meet at 3:30 p.m. Monday and with the Knights of Columbus meeting at 8 p.m.

Girl Scout Troops 117, 156 and 125 will meet at 3 p.m. Tuesday, with den mothers of Cub Pack 390 gathering at 6:30 p.m. The Cosmopolitan Toastmistress club gathers at 8 p.m.

On Wednesday art classes will be held in the main hall at 9 a.m. Girl Scout Troop 92 meets at 3:35 p.m., and Girl Scout Troops 106 and the Onslow Gun club are scheduled to meet at 7 p.m.

Next Thursday a dancing class will be held at 3 p.m., followed by a meeting of Brownie Troop 102 at 3:30. Girl Scout Troop 88 meets at 3:30, and the board of the Boy's League gathers at 7:30 p.m.

Divvy Officers Hold Initial Mess Night

Approximately 95 officers of the Second Marines gathered at the Paradise Point club last Wednesday night for the first Regimental Mess Night to be held by units of the 2nd Division.

Col. J. J. Gormley, commanding officer, Second Marines, in his role as "President of the Mess," proposed the first toast to the President of the U. S.

He then called on Mr. Vice (the junior officer present) to propose the second toast. Second Lt. J. C. McKenna led the assemblage in a toast to the Corps.

After the final portion of the evening's activities, those present retired to the River room for group singing and contests of physical strength.

Expert To Speak At Midway Park PTA

Corrective measures for children's speech defects will be the topic of a speech by 1st Lt. J. F. Echeandia at the monthly meeting of the Midway Park PTA at 8 p.m., November 12, in the school auditorium.

Lieutenant Echeandia, who holds both a bachelor and master degree in speech therapy from Syracuse university, will outline the steps necessary to help children overcome such problems.

During the meeting reports will be given by the finance and budget committee, Lt. Col. Louis G. Dittar; program committee, Mrs. F. M. Holder, and hospitality committee, Mrs. R. B. Wyatt.

Group Six Officers Wives Meets Next Wednesday

A social hour at 12:30, followed by luncheon at 1 p.m., will highlight the monthly meet of Group Six of the Officers' Wives club next Wednesday at the Paradise Point club. For reservations, call Mrs. Albans, Jax 4451, or Mrs. Melby at Jax 8864 by Monday noon.

Motels are easier to stop at than hotels when making long trips; the car is at the door, many tips are saved; only the luggage you need is unpacked. No one likes to drag or carry three or four children through the lobby of a hotel.

Noted Author, Historian Guest Speaker For OWC

Gertrude S. Carraway, widely-heralded author and North Carolina historian, will be the guest speaker at a noon luncheon meeting of the Officers' Wives club next Thursday in the River room of the Paradise Point club.

Miss Carraway, who has authored hundreds of articles, booklets and two books on the history and progress of this area, holds 12 awards of merit for outstanding service during World War II for work with the Red Cross, the Elks, the D.A.R., and for her work on the war bonds program.

Now serving her fourth term of six years on the executive board of the N. C. State Department of Archives and History, Mrs. Carraway has in the past served on 10 other state-wide commissions.

Among her many posts she served six years as a trustee of the Greater University of North Carolina and since 1945 has been secretary of the N. C. State Commission for the Restoration of Tryon Palace at New Bern.

After terms as a state vice regent, state regent, member and vice chairman of several national committees, editor of the D.A.R. magazine, she was elected the first

woman from North Carolina to serve a three-year term as president general of the National Society of the D.A.R.

In addition to many other citations and awards, she holds an honorary degree of Doctor of Laws from Northland college, Ashland, Wis., and awards for patriotic education from Berea college, Berea, Ky., the U. S. Treasury Dept., the U. S. Forestry Service and from the American National Red Cross.

A short time ago Miss Carraway was the only woman to review a special parade honoring the D.A.R. by the famed Third "Old Guard" Regiment at Ft. Myer, Va. At that time she received a special citation praising the group's work from the commanding general there.

Erected in her honor by the D. A.R. is a large bronze plaque in Constitution Hall, the only one put in the hall by the organization since it was built in 1929.

Miss Carraway also holds the keys to cities of Portland, Ore., Washington, D. C., and Baltimore, Md., and is an honorary citizen of New Orleans. She also was made an Honorary Texan after addressing the State House of Representatives and was appointed an Arkansas Traveler by two governors of that state.

Hostesses for the luncheon talk will be the wives of the officers of the Naval Medical Field Research Laboratory.

Staff NCO Wives To Meet At TT Center

The next business meeting of the Staff NCO Wives club will be held at 8:15 tonight in the Tarawa Terrace Community Center.

During the meeting the members will discuss further plans for the welcoming committee at the Reception Center.

Plans for the reception center work call for members to act as official greeters Mondays through Fridays from 9 to 11 a. m. and from 1 to 3 p. m. as they guide and help newly arrived Marines and families with the initial problems of getting settled.

Also to be taken up at the meeting are plans for a Turkey raffle, with proceeds to be used toward the club's scholarship fund for the Camp Schools. The Turkey drawing has been extended to Nov. 21, with tickets selling at 10 cents each or three for a quarter.

MEETING
The Cosmopolitan Toastmistress club will meet at 8 p.m. Tuesday in the Tarawa Terrace Community Center.

Camp Schools PTA Elects New Officers

Col. Roger C. Power Jr. was elected president of the Camp Schools PTA board at a meeting held at the school Monday evening.

Also elected to fill board posts were Mrs. J. R. Dineen, vice-president; Mrs. B. L. Mims, secretary, and Capt. Carl Wood, treasurer.

Col. William C. Capehart, commanding officer of the MP En, MCB, spoke to PTA members on juvenile delinquency aboard the Base and concluded that the Base has what he termed, not juvenile delinquency, but "jubilant delinquency."

The next meeting of the PTA will be held in the school December 2.

MESS NIGHT ADDRESS—Brig. Gen. Wallace M. Greene Jr., Base commanding general, as president, announced schedule of events for Marine Corps Base Officers' Mess Night at the Paradise Point club. Seated at left is Col. R. T. Vance, Base chief of staff. The mess night commemorated the Haitian campaigns. Special guest for the occasion was Capitan de Frigila Lave of the Argentina Marine Corps.

182 YEARS OF PATRIOTISM

In the heart of every American there is the spark of patriotism. With Marines it is more than just patriotism.

It is the sort of quality that made our revolutionary descendants go forward and strike the momentous blow for freedom which has been referred to as the "shot heard around the world."

This same feeling and attitude guided our forefathers as they helped mold the American nation. With its founding on July 4, 1776, the world was soon to realize that a new epoch in civil liberties had dawned.

A short eight months earlier in the city of Philadelphia, then the capitol of the young aspiring country, a fighting force had been formed which would be dedicated to those noble principles . . . The United States Marines.

Patriotism as defined by Webster is "love of country and devotion to one's country." To those men who were recruited at Tun Tavern in the city of Brotherly Love, patriotism would come to have a greater and more significant meaning.

From that very day, Nov. 10, 1775, when Capt. Samuel Nicholas, senior Marine officer of the American Revolution, chose his first recruiting officer, burly, pugnacious Robert Mullen, this organization was to be symbolized by heroism.

The annals of history are emblazoned with their deeds and serve as historic monuments. It was a Marine detachment, aboard the Bon Homme Richard with Capt. John Paul Jones, that sent the British frigate, the Seraphis, to its watery grave.

"To the shores of Tripoli," a stirring phrase from the pen of John Phillip Sousa, commemorates the action taken by Leathernecks against the Barbary pirates. To them would go credit for raising the stars and stripes for the first time in that part of the world when they seized the port city of Derne.

Thirty-nine years later in 1846, Marines would be storming the Halls of Montezuma and applying the death knell in the war against Mexico.

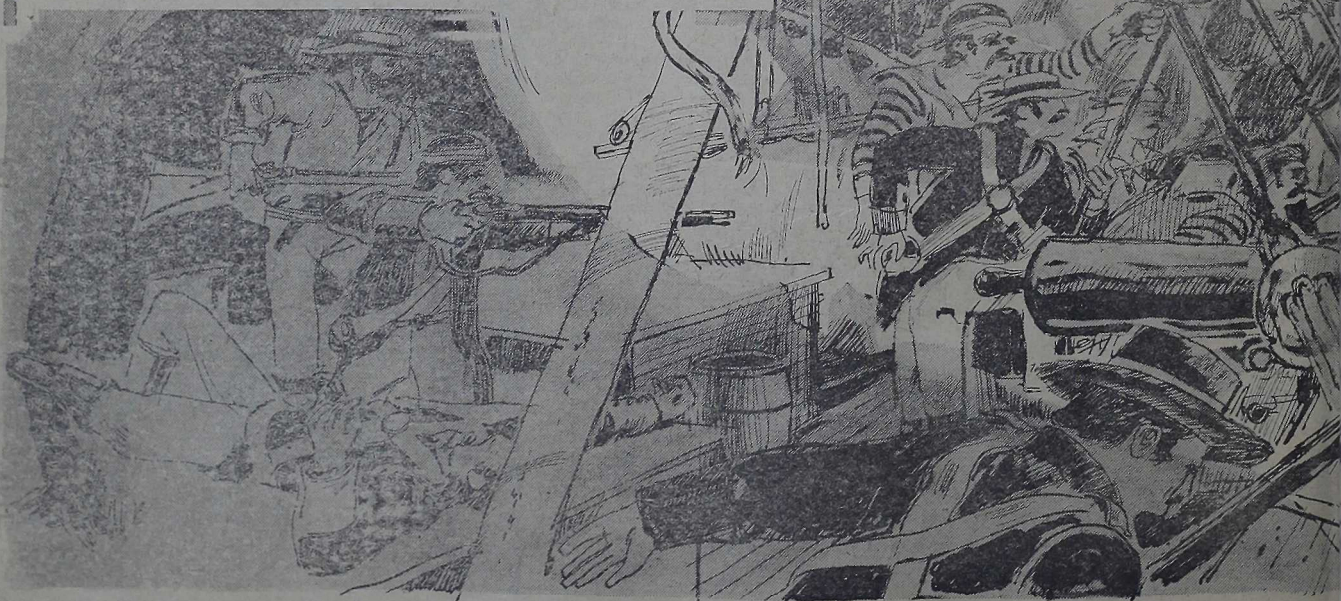

The next 50 years would be marked by a tremendous commercial growth by the young country and to the Corps would fall the responsibility of protecting the rights and lives of American nationals in foreign countries.

As is evident from the study of U. S. history, the year 1898 not only saw the Maine with a detachment of Marines go down, igniting the Spanish-American War, but saw the rise of America as a world power.

With our foreign policy changing, it would only be natural to increase the strength of the Corps for to it would fall the mission of aiding in carrying out these policies. And so it did, as veterans of World War I, Nicaragua and Haiti can proudly tell you.

It would be patriotism, Esprit de Corps, call it what you want, but it would always distinguish those men from all others. Even when forced to draft during World War II and the Korean conflict, youths from farms and big cities alike would be infused with that sense of destiny and perform like Marines always have.

Today on the 182nd birthday of the world's most elite organization, we salute those who have preceded us and vow to follow in their illustrious path.

DIVISION ALL-STARS—Lined up in front of a giant star in the end zone of Liversedge field are 10 of the 11 members of the 2nd Division Intramural Football League All-Stars. Only tackle Bill Lent was absent. Front row, left to right, Lindsey,

Don Christman, Jim Shumate, Don Van Gunten and Bill Starrett, runner-up for most valuable player. Back row, from left, Ken Bryant, Most Valuable Player Bill Sisson, Coach of the Year Dick Hohman, Ed Ellenich and Chuck Taylor.

Division's All-Stars Paced By B. Sisson

By SSGT. JACK MANGUM

Division Information Office

Coaches and players in the 2nd Division Intramural League named a Division All-Star squad this week and the Tenth Marines dominated the selections with four making the "dream team." Following closely behind were the Second Marines with three players named.

A surprise occurred when Lt. Dick Hohman of Group I was named "Coach of the Year." Hohman called the selection "kind of ridiculous," because his team didn't win a contest, although it tied the Eighth Marines, one of two contenders for the Division crown.

However, the modest Notre Dame graduate was elected because he "did the most with the material," according to Division Special Services officials. Although his team failed to win a game, no other squad in the loop could best Group I by more than one touchdown except the Tenth Marines, which edged them, 26-13.

Bill Starrett of Group I was named runner-up to the Second Marines' Bill Sisson as Most Valuable Player because of his rock-ribbed tackling and ball hawking during enemy pass maneuvers.

Sisson, the only unanimous choice for the team, played the first three games of his team's schedule at quarterback before finishing the season at halfback. A clever ball handler and runner, he also was a rock on defense, frequently making touchdown saving tackles with his speed.

Joining Sisson and Chuck Taylor, Group I's ace quarterback, are Ken Bryant of the Tenth Marines and Ed Ellenich of Group II. Bryant was one of the best runners in the conference while Ellenich was impressive as a defender, although he was capable of picking up his share of offensive yardage.

Jim Shumate of the Second Ma-

rines and Hal Setser of the Regiment are two sure-hands that move in and out of patterns with the shiftness of backs. Both are big, 200-pounders that opposing linemen have difficulty to defend against.

In the middle of the line, vision all-stars have a combination of speed, aggressiveness, power, mobility. The Eighth's Ed Bryant and the Tenth's "Gunny" Bryant are the tackles. Francesca of the high school experience breaking into the Division while Lint is a veteran service player having played with the Tenth and other Marine elements.

Starrett and Don Van Gunten of the Second Marines were picked for the important guard post. Gunten is a cat-quick and

(See DIVISION ALL-STARS, P. 7)

Lejeune Five Featured In Rules Clinic

The 1957 Camp Lejeune basketball team, under the capable direction of Coach D. E. Spencer, was hosted by the third annual YMCA clinic in Wilmington last week.

The clinic was sponsored for the Sunday school and church-going youth in and around the Wilmington area who are interested in playing basketball. It was also designed to familiarize the spectators with the rules and their changes.

MSGT. Herb Hale from Division Special Services, well-known throughout the area for his officiating, took over this department, along with SSGT. Buck Benner, and explained the official NCAA Basketball Rules for 1957-58.

Coach Spencer returned for his second year as coach of the clinic.

Emphasis was placed on offense, the different types of plays and how they can be set up, along with the fast break.

Aiding Coach Spencer were five of Lejeune's 1957 basketball team members. Among the five, three were with the clinic last year—center Terry Telligman and guards Marv Leggett and Bob Martin. Also participating was Ed Peterson and Rick Benson.

Coach Spencer and his team made the trip as a service to the youth of Wilmington. Their reward was the satisfaction of helping a youngster develop good sportsmanship traits as well as bettering him as an athlete.

Defending Champs Blanked By Tankers

Seven-man football, better known as touch football, opened its season at Force Troops last Monday as defending champions, 1st Radio Company trounced 8th Motor Transport Bn. 19-9. Fullback Neal Kellogg was the big gun for Radio as he hit end George Zalucki for three consecutive strikes.

First Radio, however, saw defeat later in the week at the hands of rampaging 8th Tank team who rimmed 1st Radio 29-0 and whitewashed an 8th Comm squad 39-0. In both contests Charles Poole parked the attack for the Tankmen as the shifty little back hit time and time again with his deadly spirals.

Eighth Motors entered into league play last Wednesday by also dealing defeat to the favored 1st Radio team 18-15. Jim McAnulla dealt the finishing blow with his fine running that enabled 8th Motors to score in the closing minutes of the game. The Motors forward wall, led by Fred Struthiers and Carl Dickey, continually harassed the Radio offense.

8th Marines Take Seven Bouts In Division Smoker

Before a small but enthusiastic audience Friday night at Goettge Memorial field house, the Eighth Marines romped over the Second Marines, seven bouts to two, to win this season's first elimination series for the Division boxing tournament.

In the first bout, Bob Emerson of the Second took a unanimous decision from Chico Lowery of the Eighth. Lowery was knocked down twice during the featherweight match.

Al Moore of the Eighth evened the score by a TKO over George Moore of the Second in one minute and 10 seconds of the first round. Middleweight Ron Martin of the Eighth Marines then took a split decision over Second Marines' Dino Martinez.

The Eighth took the next four bouts with Dick Punch living up to his name when he scored a TKO over middleweight Gene Monte in one minute and 50 seconds of the first round; Vinny Vinson, '56 Baltimore AAU champ, came from behind in one of the best fights of the evening to stop Rob Tuell in the second round; Bob Langford, 1953 Golden Gloves

light-welterweight champion from the Empire State, hit the canvas twice as Dick Gilford scored a TKO over his adversary; and in a split decision, Jesse Armstrong took a verdict over Bob Tilghman in a closely fought battle.

Ted Jordan brought the Second Marines their last victory of the evening by outpointing popular Cookie Hines. The latter, who had previously boxed in the Corps, suffered his first loss in four encounters.

In the last match, the Eighth's Jesse Gaines came off the deck from a first round knockdown to drop Ron Gathers in one minute and 50 seconds of the third.

Second Marines Victorious In Divvy Intramural League

Sparked by quarterback Don Pavlesic's sensational offensive and defensive play, the Second Marines clinched at least a tie for the 2nd Division intramural football championship Monday night at Harry Agganis field with a 6-0 victory over last place Group I.

Pavlesic set up the game's only touchdown with a second quarter pass interception, then threw a 15-yard pass to All-Division end Jim Shumate for the game-winning score.

The victory, sixth in a row for the Second, wound up the winners' regular season with a 6-1-1 record, and put the pressure on the Eighth Marines, the only team with a chance to tie the Second for the title.

The Eighth meets Group I tomorrow

night at Agganis field in the final game of the season for both teams. Should the Eighth win, a playoff game between the Eighth and Second would be necessary.

The fired-up losers spent most of the first period in Second Marines territory, and made their biggest threat of the night on Wasilewski's 44-yard gallop that Pavlesic barely stopped on the 10.

Group I's record after the loss was 0-5-1, but the never-quit attitude of the team is exemplified by the fact that in only the opening game of the season was the team beaten by more than one touch down. And in the opener Group I lost, 26-13, on two last-quarter touchdowns in a game that was closer than the score indicated.

Lucky Strikes Tied In Bowling League

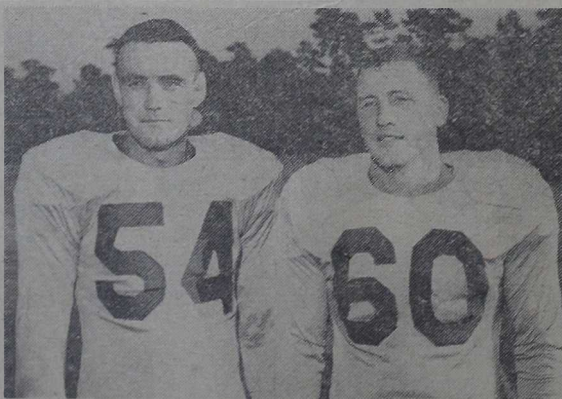

The Lai-Los moved into a tie with the Lucky Strikes when they defeated the latter 3-1 in last week's Officers' Wives Bowling League. Both teams now have identical records of 19-13.

In other league action, the Wanna B's rolled over the Rolling Pins, 3-1; the Alley Gators knotted the Misfits 2-2; and the Fade Outs shut out the Go-Getters 4-0.

Mrs. M. Dryden and Mrs. H. Hadd took high high weekly honors in the kegler competition. Mrs. Hadd (Wanna B's) rolled a 198 game with handicap and Mrs. Dryden (Misfits) had a 480 series with handicap.

Other top individual performances went to Mrs. J. Van Metter (Lai-Lows), 391 series; Mrs. S. A. Myzienski (Lai-Los), 164 game; Mrs. F. R. Weinert (Lucky Strikes), 175-477; Mrs. M. Hoover (Rolling Pins), 153-421; Mrs. A. Sweeny (Wanna B's), 395 series; Mrs. M. Moore (Alley Gators), 148 game; Mrs. H. Lightle (Fade Outs), 147-411, and Mrs. K. Bryant (Go-Getters), 160-426.

Since coach-fullback John Williams was injured in the Bowling game, the ex-Colgate football player has continued in the capacity of back field mentor.

CO CAPTAINS—Guard Bob Callahan, right, and center Mike Cwayna have been chosen co-captains of the Camp Lejeune Marines when they square off against the Quantico Leathernecks Saturday afternoon at Liversedge field commencing at 1:30 p.m. Callahan played four years of college ball at Trenton Teachers college in New Jersey, while Cwayna picked up his experience at the University of Wisconsin and is an alumnus of the 1955 Quantico club.

Sailing Ends With Jordan Taking First

Bob Jordan made it four in a row as he took first place in the final race of the fall series at Wallace Creek boathouse today.

Jordan and crewmate Joliff, piloted boat No. 13 and finished line two minutes and one second ahead of their nearest competitor. Jordan picked up six points for the winning effort, while Joliff clocked in 1:35.15. Jordan's total of 26 points for the season.

Judy Marian, a new sailor, took the course for the time, took runner-up spot in boat No. 5. Marian was in 1:37.30, good for five points.

Her crewmate was D. F. A. Third place was a family going to H. G. Lockhart, crewmates H. G. Lockhart, G. N. Lockhart. The Lockhart boat No. 9 gained four points they combined to cross the line in 1:41.50.

The runner-up position of the series goes to Ben Bradburn with a total of 14 points, while third to Ray Farrow with 12.

The Winter Series, a four-race affair, will begin Saturday 16 with the second race scheduled for the 23rd. The races of this series will be December 14 and 21. There will be no competition this winter because of the Marine Corps day.

Quantico Gains

(Continued from Page 7)

86 tosses for five touchdowns. Other outstanding returns include tackle John Hopkins, honorable mention All-American at the Naval Academy, at Trask, 238-pound tackle from Institute.

Newcomers are Dick Gutierrez, American tackle at Ohio State, Royce Flippin, speedy back from Princeton, and an All-American selection; end Darrell S. Honorable Mention All-American at Duke; and guards Bob Upala (college), and Chief Lin (U of Utah). Cupit was tie All-American, while latter was an Honorable Mention All-American choice.

After an absence of five years, Lt. Col. Hal Harwood has returned as head mentor for the Quantico Coach Harwood led Quantico from 1948-50 when his team piled a very respectable record.

Fjerstad And Bailes Spark 23-13 Win Over Lockbourne

A reserve trio of two backs and a tackle combined to give the Marines of Camp Lejeune a 23-13 win over a Lockbourne AFB eleven Saturday afternoon at Liversedge field. The game was played before 3,500 fans in what proved to be beautiful weather as the flurried Leathernecks picked up their second win of the season against four setbacks.

Led by right halfback and ex-Minnesota collegiate Willis Fjerstad, former University of Houston fullback Tommy Bailes, and Villanova's Henry Kwiatowski, the Marines exhibited a potent offense that had been throttled throughout the season.

The 212-pound Fjerstad accounted for two touchdowns on short center plunges. Averaging 5.1 yards per carry, Fjerstad and Bailes netted 137 yards out of the 194 totalled by the Lejeune team.

Bailes, who had seen limited action this year, carried for an 8.6 average in 10 attempts. The 210-pounder electrified the crowd as he put on a display of bull-like running and power to set up two Marine touchdowns.

Tackle Kwiatowski gave the Marines a fast 3-0 lead as he attempted his first field goal of the season from the Lockbourne 21-yard line after the Airmen's defense had held for three downs.

The teams battled on even terms for the remainder of the half as neither squad could find a vulnerable spot in the other's defense.

However, it was a businesslike Leatherneck eleven that took the

contest, Coach Wil "E" Overgaard sent his rejuvenated "first string" back in. Bailes and Fjerstad personally took charge of the offense and moved the ball 62 yards with the latter plunging through the middle for his second score of the game.

On the drive, Bailes picked up

46 yards in three tries. The Houston bull looked more like a half-back than a hard-charging full as he spun off two 21-yard carries hurtling and side-stepping enemy players.

Brown's conversion attempt was deflected as the star Lejeune quarterback missed for the first time this year.

WITH THE GREATEST OF EASE—Fullback Tommie Bailes literally flies through the air on a 21-yard jaunt against the Lockbourne AFB Saturday afternoon. The play set up the all-important third Marine touchdown as the Lejeune eleven went on to win 23-13. Throwing the key block on Bailes' run was end Joe Fowikes. The Airmen's Al Gaines (22) moves in to make the tackle.

Lejeune	First Downs	Lockbourne

field as play resumed in the third period. With Bob Boyer, Fjerstad and Bailes carrying, and Ernie Brown directing, the Lejeunites marched 56 yards in machine-like fashion with Fjerstad scoring from the one-yard line. Brown kicked the extra point, giving the locals a 10-0 lead.

Lockbourne tried to get back in the game with a passing attack, but guard Bill Beyer recovered a visitor's fumble on the 17-yard line to set up the second touchdown.

Moments later, fullback "Y" "C" McNease plunged through the middle for 12 yards and the score. Kwiatowski's attempt for the PAT was good.

Down 17-0, Lockbourne snapped out of their lethargy in the last quarter when, on a sustained drive covering 54 yards, halfback "Baba" Davison scored from five yards out. McNease broke through to block the extra point attempt.

And the Airmen weren't through yet. With reserve strength playing for the Marines, Lockbourne's Laurence Scott connected with end Jim Covington in a play covering 55 yards and a six-pointer. The 6'2" end converted, giving the locals a slim 17-13 lead.

With six minutes remaining in

CHAMPS—Brig. Gen. Wallace M. Greene Jr., Base commander, right, presents the Intramural six-man football trophy Lt. K. F. Johnson, coach of the Hq. Bn., MCB, football team. Johnson is runner-up coach, 2nd Lt. J. Cox of MCSS.

Hq. Bn. Defeats Serv. Bn. Hooker Tallies Three

Running up their highest score of the season, Hq. Bn. won their sixth straight tilt when they trounced Serv. Bn. last Wednesday evening under the arcs at Agganis Field.

Playing an efficient and coordinated offense, the MCB cham-

cocked the part as they ran and over their game, but sed, opponents.

Leading pigskin carrier Tom Hooker with three assists in the high scoring contest were Ray Ridout and Hunt with two each. Though he only scored once, Jerry Christman dazzled

with an 80 yard punt re-

good for six points.

After scored the initial TD on a drive over the center

in five yards out. There was

Headquarters as min-

er Hunt bulled over from

Marion was

Hq. Bn. unveiled a bit of fancy

vering themselves when

Fetherolf passed to Don

le, who in turn lateraled off

to Tom Everett for the score.

Late in the half, Hooker added six more when he skirted end for nine yards and paydirt.

Before the second half was a minute old, Ridout intercepted a Serv. Bn. aerial and raced 27 yards for the first touchdown of his career. Serv. Bn. came right back as this time a long pass from Courville to Mike Backus clicked and he went over to make the score read 23-12.

With the third quarter running out, Lenny Crone took the wraps off his pitching arm and threw a 30-yard bullet to Hooker. This made it 34-12.

The closing quarter of the game was highlighted by Serv. Bn.'s Everett's brilliant catch as he evaded three pass defenders and Christman's long run to score.

Devilpups Play Last Game Against North Duplin High

Coach Tom McGhee's Camp Lejeune Devilpups will play their last game of the season when they travel to North Duplin tomorrow night to meet the Rebels. The kick-off is slated 7 p.m.

The game was originally scheduled for October 18, but was called because of flu and cold outbreaks in the Duplin team. Last year's homecoming festivities were postponed their game here, because of a bug epidemic among their ball players.

Pups' record stands at 3-3. They will be trying to end the season with a victory assuring McGhee of a winning season. Lejeune stalwarts will don their high school jerseys for the time. Co-captain Neil Sullivan

and halfback Billy O'Brien, two outstanding players on the Pup squad, will be lost through graduation.

Last year, the Devilpups displayed a potent ground game against North Duplin as they picked up 270 yards rushing. However, they never could formulate a scoring punch as they were defeated 18-0.

Varsity Basketball Team Readies For 1957 Opener

The Camp Lejeune basketball team has trimmed down to 14 players in preparation for their first practice game on November 12 with Wilmington College here in Goettge Memorial field house at 7:30.

With a few of the rough edges being smoothed off, Coach Spencer's quintet has at last molded into playing form. A little more conditioning and the Lejeune five will be ready to face the rugged 45-game schedule.

The only mishap in early training was the broken finger of forward Edward Peterson, a 6'2", 190-pounder from Brooklyn, N. Y. Peterson will be ready for the

opening game on the November 20 clash with the Mine Forces in Charleston, S. C.

Joining the squad late was player-coach Marv Leggett, who was delayed in his appearance by helping head coach Spencer with the large turnout in the early practices.

Coach Spencer has not settled on a starting five, and a turn-over is expected in the practice games that follow until an effective scoring and tight defensive unit can be selected.

Opening game at home is scheduled for November 27. The Marines' opponent will be the colorful Edwards Military Institute team.

Judo May Be Incorporated Into Marine Championships

By 1ST LT. B. T. BURKE

Judo Manager-Coach

A recent Special Services information bulletin from HQMC indicated the possibility of judo being incorporated into the Marine Corps' Championships for 1958.

Camp Lejeune has a good start

on other bases throughout the Corps in that nightly classes are being conducted at the Goettge Memorial field house under the supervision of Ernie Cates (Ni dan), senior instructor; Ira Bonar (Sho dan), instructor, and B. T. Burke (Sho dan), manager-instructor.

Representatives from almost every unit at Camp Lejeune are taking advantage of these instructions. Special Services officers have an excellent opportunity to get ahead of other units by utilizing the talents of these instructors now.

Unit teams could be organized and inter-unit competition held by using these black belts as officials. Grades in judo indicating proficiency in the sport are presented by black belts only. Examinations and contests under black belt supervision could be held at unit gyms whenever desired.

With the head start Camp Lejeune already has and with the backing of Special Services officers throughout the Base, there is no reason why Camp Lejeune's Marines cannot take the Marine Corps' Judo Championships.

If unit Special Services officers would like to obtain more information on judo training, equipment required, rules, regulations, form-

ing of teams, officials, and presentation of grades, they may contact 1st Lt. B. T. Burke at 5-7107.

Pin Busters Downed By League Leaders

In the Staff NCO Wives Bowling League last week, the Curves continued to remain on top with their 3-1 victory over the Pin Busters. The Rolling Pins also won 3-1, defeating the Topplers.

Neil Alford held the top spot for the Curves with high game and series of 183-444. Top place for the Pin Busters went to Helen Wayne with a 212 game and 493 series.

Betty Christy led the way for the Rolling Pins, rolling a high game and series of 144-421 in that order. Nancy Wells' 142 game and Gerry Betts' 379 series were high for the Topplers.

SPORTS SHORT

Second FSR overcame a weak start against a 2nd 8" How. Bn. team and rolled to an 18-0 victory in FT intramural play last week.

The winners were led by Jim Allison and Dick Clear with both backs scoring once and the latter throwing to end Tom Smith for another touchdown.

NEIL SULLIVAN
Co-Captains Last Game

WHERE TO HUNT—That's the question asked of the "Old Angler" many times this week. This is a very hard question to answer as different areas may be all right to hunt in one day and not all right the next.

After some checking around it all boils down to this. If you want to hunt in a certain area, the best thing to do is contact the local 3's office of that area. They in turn can tell you if there are any maneuvers going on in these areas. Each week a weekly base firing bulletin and non-firing bulletin is published and furnished to the local 3's offices, which gives all the areas where firing will be going on. As a final resort if you are still in doubt as to where to hunt on any given day, you can check with the Base Range Officer, Capt. C. Edwards, at 7-3751.

A HUNTING WE WILL GO—Starting today many Lejeune hunters who have trouble getting up at reveille will wake up with ease. Those who are married will amaze their spouse by setting the alarm for various and sundry hours in the middle of the night thereby upsetting the little woman's sleep with their stumbling around while getting their hunting gear ready. The reason for all this early rising is the opening of the North Carolina duck hunting season.

Just as sure as any hunting season opens there are those who will be taking to the fields and waterways for the first time. And, also as sure, most of them will not know the regulations regarding the game they are after. I dare say that some who go year after year still don't know all the regulations and as a result somebody, especially the hunter, runs into trouble.

In order to try to prevent some of this trouble, here are most of the current regulations regarding waterfowl hunting. These regulations are put out by the U. S. Department of the Interior, Fish and Wildlife Service, Washington, D. C. But, remember, State regulations may be more restricted than those printed here. Hunters are cautioned to check the N. C. State regulations before hunting.

One last reminder before you take off hunting. Be sure you have a N. C. State hunting license and a federal "Duck Stamp."

PERMITTED METHODS—Here, in a nutshell, are the legal methods of hunting waterfowl. Migratory game birds may be taken (a) by the aid of a dog, with bow and arrow or with a shotgun (not larger than 10 gauge and incapable of holding more than three shells) fired from the shoulder; (b) in the open or from a blind or other place of concealment (except a sinkbox) on land or water; (c) from a floating craft, excluding a sinkbox, but including a sailboat or other craft having a motor attached when these crafts are beached, resting at anchor or fastened within or tied immediately alongside any type of fixed hunting blind; (d) on or over standing crops (including aquatics), flooded standing crops, flooded harvested crop lands, grain crops properly shocked on the field where grown, or grains found scattered solely as a result of normal agricultural harvesting, and (e) by the aid of a motorboat, sailboat or other craft when used solely as a means of picking up dead or injured birds.

MEETING—Don't forget the next meeting of the Fish and Wildlife club. It is set for 7:30 p.m. Thursday, November 14.

8th Marines Tally Highest Score In Rout Of Group II

In a driving rain Friday, the Eighth Marines ran up the largest single game score of the season in beating Group II, 31-0, and pulled closer to at least a tie for the 2nd Division intramural football crown.

But despite the hazardous weather conditions, quarterback Horace Davis of the Eighth kept the air filled with passes. One toss to his favorite target, end Mack Freeman, was good for a 40-yard touchdown. The tally gave Freeman five TD's for the year to lead in the scoring department.

After a slow, slippery, muddy first-quarter start, halfback McClone plunged into the end zone from four yards out to tally the first score for the Eighth Marines late in the period to cap a 70-yard drive.

Then, with four minutes remaining in the first half, Davis found Freeman free on Group II's 40-yard line and heaved a perfect peg which the lanky end pulled in and raced for the second score.

Midway through the third quarter, the Eighth again hit pay dirt when halfback Willie Taylor shot off tackle and romped 60 yards for the third touchdown.

The Eighth pushed over two more scores in the final quarter as the Group II defense crumpled under the pressure.

Early in the period, Taylor, sliding along the line with quarterback Billings, took the option pitchout, faded back and found end John Peete in the end zone with a perfect scoring pass.

Then, with minutes remaining, halfback Bundy climaxed a 60-yard thrust for the Eighth Marines by skirting 10 yards for the final touchdown. For the first time of

the afternoon, Mike Granice boot-ed the extra point to leave the infantrymen ahead, 31-0.

Division All-Stars

(Continued from Page 8)

weighing 170 who diagnoses plays so well he often become known as a "coach on the field." But he was especially aggressive and it was reason for which he got the nod at guard.

And it was Starrett's excellent defensive play which aided Group I to hold its opponents to such close scores. Many times during the season he fooled enemy blockers by pulling out of the line at the last moment to intercept a spot pass over center, thus stopping touchdown drives.

Rounding out the "dream eleven" is Don "Red" Christman of the Tenth Marines at center. This 190-pound husky jeopardized many ball carriers with his vicious tackles and hard charging tactics on defense. Offensively, he was known to open many big holes for teammate Bryant's knee-high churning drives.

Mostly a defensive team, the Division All-Stars also pack a definite scoring threat with MVP Sisson and Bryant running behind the powerful line.

Michael E. Friedberg, 230-pound tackle on the Camp Lejeune squad, played one year with the Baltimore colts. He also was a four time letter winner while attending Millersville State Teachers College.

NEW CHAMPS—Gulf Oilers defeated Silvertone 13-6 Sunday to become Camp Lejeune's new Midget Champions. First row, from left to right, P. Edgar, F. Frelich, B. Harrig, J. Thompson, H. Hoopes, T. Corvin and B. McAllister. Second row, left to right,

J. Kelly, W. Willett, D. Haughey, A. Holdt, B. L. Dorciss and M. Baker. Third row, same direction, D. Malick, coach, M. Truby, D. Harris, M. V. Burch, coach, T. Burgess, B. Fulton, D. Kinson, and G. Moore, coach.

Oilers Capture Midget Title Sealtest Defeats Chevrolet

Silvertone almost became the little giant killer when they threw a scare into the Oilers, as the latter had to come from behind to win the Camp Lejeune Boys League championship Sunday afternoon, 13-6, with two weeks still remaining.

The losers scored early in the initial period, the first time a team has been to accomplish such a feat this season against the new champs. A Trowbridge-to-William covering seven yards accounted for the tally.

Golf Slices
By
AL GREER

The greens on both courses have been seeded with winter rye grasses now and we hope to have some very fine putting surfaces for golfers within one week. If you played the No. 1 course over the last weekend, you probably noticed the new grass beginning to sprout.

Now that the new grass is on the greens, we would like to ask all golfers to please repair ball scars so that good surfaces will prevail throughout the winter months.

"Winter Rules" went into effect November 1 on both courses. This means that a golfer may improve his lie with the club head on the fairway. Since winter has set in and the fairway grasses have quit growing, we would like to also ask you to replace your divots after making a shot as this is the only way we can have a good fairway come spring.

Our pro, Ducky Miller, took three of our lucky golfers up to Rocky Mount to play in a Pro-Lady tourney last week. They came off with two top prizes. The three ladies, Mrs. D. Groesbeck, Mrs. I. Everett and Mrs. P. Anderson, paired with Ducky to shoot a very fine 146, which is a best two-ball out of four-ball score.

In the lady best ball, they registered a 76 for first in that division and it is understood that Mrs. I. Everett fired an 83, to be low lady scorer for the day. Ducky shot a 70.

The weekend tourney at the golf course will be a "Blind Nine" affair, which will be run on Saturday and Sunday. Also on Sunday, there will be a "Scotch Foursome" tourney.

All golfers are urged to sign up for these tourneys in the club house or on the No. 1 tee. The "Blind Nine" will carry a 50 cent fee and the "Scotch Foursome" will be \$1 per team.

The Gulf Oilers couldn't dent the enemy's offense until late in the second quarter. J. Kelly capped a sustained drive and went over from the 14.

Young Kelly scored again in the second half as he ripped off tackle from three yards out after D. Harris had set up the play with a 25-yard end run. Harris passed to Marv Baker for the extra point to end the game's scoring.

In the second game of the afternoon, statistic-wise, Marine Chevrolet was pushed all over the field by White's Sealtest. However, it was the latter that coordinated one offensive thrust that resulted in the only touchdown scored in the contest.

Early in the first quarter melhaber broke away on yard touchdown jaunt and yard Moore converted on a terback sneak to give the Oilers a 7-0 lead.

However, the Sealtest spent the rest of the afternoon fending their seven-point lead.

Chevrolet threatened the closing minutes, but was able to score. The first try were on the one-yard line, second threat came in the second when the losers received a fumble and took to the desperation attempt. The was stopped as Himmelha intercepted a pass and Sealtest out the clock.

MAG-26 Loses To Hq. 12-6 In FT Football Action

The Airmen from MAG-26 fought valiantly but it was they fell victims to a determined Hq. Co. eleven at Geiger last week. Sparked by the quarterbacking of the speedy ace, Ron Piazza, and the shifty running ability of Don Kolesar and Willie Williams, Headquarters came from behind to emerge with a 12-6 triumph.

In the opening quarter, Hq. Co. received and Willie Williams returned the kick to the 25-yard line. Handicapped by three penalties, Headquarters was forced to kick.

MAG's Bill Ray took the ball on his own 45 and scampered to the 30-yard line of Hq. Co. Two running plays failed to bring any results and Ray immediately took to the airways. On the next play, he connected with John Caddy who galloped all the way for the touchdown.

Headquarters took the ensuing kickoff and marched the length of the field with quarterback Ron Piazza leading the attack with a beautiful 45-yard run. With first and goal to go, Headquarters fumbled on the verge of a TD and the airmen took possession.

Failing to gain in three tries, MAG was forced to kick. Willie Williams grabbed the pigskin and fought his way to the MAG 35-yard line.

The airmen dug in and held as they took over on downs. Two plays later, T. B. Green recovered for Hq. Co., on a fumble. With the ball resting on the MAG five-yard line, Kolesar plunged

through the center of the line for the six-pointer. The score was 6-6 as the half ended.

In the second half, MAG received and got as far as the 30-yard line. Again, quarterback Ray took air but to no avail as the was thrown for a loss.

With the ball resting on own one-yard line, MAG was to kick. Taken by Williams Co., the twisting, turning ball carried to the 40-yard line of Piazza then sent Chappell left end for 20 yards as Heaters again started to roll. K carried to the 10-yard line then bucked the line for the on the next play.

Local Officials Meet To Discuss Scout Program

The annual conference of the East Carolina Council of the Boy Scouts of America, the Onslow District and the Camp Lejeune unit was held in the office of Brig. Gen. Wallace M. Greene Jr., Base commander, last Friday.

Covering the general Scouting picture throughout the area and the relationship of the Lejeune units to the council and the district, the meeting was designed to cement relationships as well as to make full reports on Scouting activities.

The Camp Lejeune report, given by Capt. W. W. J. Kohagen, Base representative, showed that in 1957 the Base had three Cub Packs and three Boy Scout troops with a total membership of 319 boys and 91 adults.

Subscriptions to "Boy's Life" magazine were up to 124, rank advancements to 144 and summer camp attendance was 43. All six of the Lejeune leaders are trained and 21 have taken the junior leader's training courses.

In the Onslow District there are 737 boys in the Scouting program, with 290 adults guiding their programs. Summer camp attendance for the district was 126.

It was pointed out that 21 of the 26 units in the district have servicemen as leaders, that 12 of 36 men working with the district committee are servicemen, and that 169 of the 254 adults directly concerned with the boys are servicemen or their wives.

In the district, 586 of the boys

are dependents, 151 civilians, for a total of 80 per cent military dependent membership in the district.

In addition to reports on the various groups, a discussion was held on the responsibilities of the units to provide adequate leadership, meeting places and financial support in line with policies outlined by the National Council of the Boy Scouts of America.

The Lejeune report showed that leadership for the units on the Base is strictly voluntary and that equal facilities are provided each unit for meeting places.

USO Program

Special tribute will be paid to the United States Marine Corps by the Tallman St. USO at 4 p.m. Sunday when the club holds a cake cutting ceremony for Marines in the area.

Slated for Friday evening from 8:30 to 11:30 p.m. is a starlite dance, with the movie, "Marine Raiders," starring Pat O'Brien featured on Saturday and Sunday nights at 7 p.m.

Winner of last Saturday's quiz was Pvt. Richard Coughlin of ITR who placed a call to his home in Scranton, Pa.

Division Highlights

By SGT. RALPH W. DEEVER
Division Information Office

A class in the Field Wire Course of the Division's Communications School was graduated last Saturday with a 91.69 average, the highest since the school's beginning in 1953. An individual record was also broken when Pfc Walter T. Kane of H&S Co., Second Marines, finished the course with a 97.85.

Pfc Gerald C. Najour, 2nd ANGLICO, Force Troops, finished the Division's NCO Leadership School Friday as top man in his class with a score of 96.54 per cent. Lt. Col. R. A. Campbell, commanding officer of 2nd Shore Party Bn., was guest speaker for the occasion.

In the 2nd Bn., Second Marines, three men were recognized at Meritorious Mast for high marks achieved in various Division schools. Sgt. Glenn C. Bargerstock, "F" Co., graduated as second in his class at NCO Leadership School, with a mark of 91.5.

Cpl. George R. Goodwin Jr., also of H&S Co., with 93.95, graduated first in class standing in the Communications School's Field Radio and Telegraph Operators Course.

Four members of the 1st Bn., Second Marines were awarded Meritorious Mast by their battalion commander for outstanding performance of duty while serving on a cruise in the Mediterranean between April 30 and October 1. Receiving congratulations and letters of appreciation from Lt. Col. Richard F. DeLamar Thursday were: Sgts. Paul R. Thomas, Weapons Co.; James A. Sharpe Jr., "A" Co.; David J. Bringham, Weapons Co., and Pfc Richard D. Miller, H&S Co.

MSgt. Waldo A. Phinney, retiring after 30 years' service, stood at attention at the Camp Parade ground Thursday as troops of Headquarters Bn., 2nd Division, passed in review in his honor.

PROGRAM—Representatives of the Boy America meet with Brig. Gen. Wallace M. Greene Jr., Base commander, to discuss the Scout program throughout the area. Showing the Boy Scout handbook is O. B. Roberts, executive of the East Carolina Council. Others, left to right, are: Lt. Cmdr. I. W. Silliman, Onslow district commissioner; G. E. Maultsby, Onslow district chairman; Capt. W. W. J. Kohagen, Base representative, and S. R. Alexander, Onslow district executive.

Camus, French author, recently awarded the Nobel literature. Two of Mr. Camus' works are available at the library. "The Fall" tells the story of a once successful Parisian who has now descended to disgrace. In him the vices and disfigurements of the modern generation. "The Plague" is a novel in parable depicting life in a modern epidemic of plague. Ask for Mr. Camus' books at the Central Library, MCB.

NEW BOOKS

"My Own Story," by Baruch — Financier, statesman, president, the story of his life and fortune.

"The Edge of Darkness," by Mary Ellen Chase — The death of Sarah Holt, village matron, causes crises in the lives of many who know her in this story about a Maine fishing hamlet.

"When the Bough Breaks," by Otis Carney — A novel concerned with the lives of the members of a Midwestern country club set and the destiny of Bud Floyd, a Princeton graduate.

zabeth McCausland — In a field varying widely from architecture to animator for the movies, this is a helpful guide for the artist in learning where he can apply his talents. The appendix lists art schools and colleges in the United States.

"Arctic Frontiers," by John Caswell — A history of United States explorations in the far north.

"The Edge of Darkness," by Mary Ellen Chase — The death of Sarah Holt, village matron, causes crises in the lives of many who know her in this story about a Maine fishing hamlet.

"When the Bough Breaks," by Otis Carney — A novel concerned with the lives of the members of a Midwestern country club set and the destiny of Bud Floyd, a Princeton graduate.

Marine Pathfinders Join Greek Raiders In Parachute Jump

WITH FLEET MARINE FORCES IN THE MEDITERRANEAN (By Mail)—Close NATO partnership which is characteristic of Mediterranean-traveling Marines was put into practice a few days ago with 17 Marine Pathfinders joining in a parachute drop with Greek Army Airborne Raiders near the town of Megara, Greece.

On maneuver with the 4th Provisional Marine Air-Ground Task Force in Operation Deepwater, the Pathfinders went to the airborne jump school in Athens to fold parachutes used in the operation. An invitation to join in the parachute drop followed.

After two days of packing 'chutes and attending refresher courses, the Marines and Greeks poised to jump from a Royal Hellenic Air Force C-47 when the drop was called off due to high winds. A few days later the jump was completed.

During "Operation Deepwater" the Pathfinders, led by Capt. Ranslett T. Lawrence of the 2nd Amphibious Recon Co., parachuted from R4Q's into the helicopter landing zone following a simulated atomic blast.

Meet Your Principal

Benjamin A. Barringer graduated from Roanoke college, Salem, Va., in 1918, with an A.B. degree. . . . Served in the American Expeditionary Force in France for a year. . . . Entered University of South Carolina and the Lutheran Seminary, both in Columbia, S. C. . . . Received graduate degree in education and theology from both institutions in 1922. . . . THE BIG EVENT—Sergeant Major Griffin H. Hamilton, 2nd Shore Party Bn., and Mrs. Harry Cohen of Jacksonville, widow of the late WO Harry Cohen, will be honored guests at the Marine Corps Birthday Ball at the Hadnot Point Staff NCO club. They are shown here with MSgt. H. N. Allen, president of the board of governors at the club, as they rehearse for the Saturday night ceremony.

Gala Celebration Slated For Hadnot Staff Club

Staff non-commissioned officers will turn out in mass in their dress blues Saturday evening to celebrate the 182nd birthday of the Corps.

Honored guest for the cake-cutting ceremony will be Mrs. Harry Cohen, widow of the late Harry Cohen who retired as a warrant officer after more than 30 years of service, and Sgt. Maj. Griffin M. Hamilton, 2nd Shore Party Bn., more popularly known as "Mr. Marine Corps."

Mrs. Cohen will receive the first piece of cake from Brig. Gen. Wallace M. Greene Jr., Base commanding general, shortly after he makes a brief speech for the occasion. Sergeant Major Hamilton, who has more than 27 years in the Corps, will receive the second piece of cake as the Marine with the most time in service on the Base Saturday night.

Sergeant Major Hamilton enlisted in 1916 and has served in the West Indies, Santo Domingo, and Haiti. During WWII he saw action at Iwo Jima, the Marshalls, Saipan and Tinian and in Europe. He took part in the Inchon landing and participated in the action at Chosin reservoir during the Korean conflict.

During the ceremony birthday greetings will be read by Sgt. Maj. K. V. Rice, MCB. Forming the color guard will be Sgt. Maj. H. J. Sweet, Hq. Bn., 2nd Division; Sgt. Maj. G. H. Hennessey, 3rd Bn., Tenth Marines, and 1st Sgts. A. L. Mahan and I. J. Ginsburg.

The cake-cutting escort will be composed of SSgt. G. R. O'Connor, SSgt. J. P. Akers, SSgt. R. A. Vonsydow and Woman Marine SSgt. Viola Lambert.

Hometown Pinup

A SOUTHERN BELLE—Intent on becoming a pianist, Susan Patree studies music at the University of Tennessee. The 17-year-old miss is the pinup choice of Sgt. John Statum, 2nd School Co., Engr. Schools Bn., MCB. She has brown hair and eyes, is five feet, four inches tall and lives in Fountain City, Tenn.

Officer Club Activities

The Wellman Quartet will be featured at the Paradise Point club tomorrow evening from 8 p.m. to midnight. Regular activities resume there following the Marine Corps Birthday Ball Saturday evening.

Enjoy Sunday morning brunch at Paradise Point after church services and Sunday evening buffet dinner at 7 p.m. with the Division combo providing the music for dinner.

Tuesdays both bingo and bridge are featured beginning at 8:30 p.m. and Friday evenings are devoted to Happy Hours from 4 p.m. to midnight.

AT COURTHOUSE BAY — The Division combo entertains on Wednesday nights from 8 p.m. to midnight.

AT CAMP GEIGER — Music is by the Division combo every Friday night from 8 p.m. to midnight.

MOVIE CHANGE

Starting November 17, the picture, "Burning Hills" will be shown at the Camp theater. On the 18th it will be shown at the 500 area, on the 19th at Camp Geiger Outdoor movie, on the 20th at the Air Facility and on the 21st at the Trailer Park.

Program Notes

By TSGT. JACK MCCARTHY

"Never under estimate the power of a woman," this term could well be applied to the Woman Marines of Camp Lejeune. In recent months many requests have been received by this office suggesting that the members of our fair sex be represented in person on WCLR.

This request was brought to the attention of the Woman Marines, and before you could say "Sputnik," activity around the Woman Marines office was moving at a satellite pace with outstanding results.

First, a radio show called "Coffee Break" was originated and taped for weekly production over WJNC, and the early reports received from the listening audiences, credit this program with being a huge success.

The show is composed of current news about our Woman Marines and music that is selected by the girls themselves. It is presented each Saturday morning at 11:30 from the studios of WJNC.

The first step having been successfully completed, the feminine members of our Corps decided they would like to have

their own D. J. show to over WCLR. It was so that some of the girls might be located. It was surprising to see the stud med with young ladies would aspire to become personalities.

In less than a week girls were discovered could do an outstanding behind the microphone time to time these girls will be heard on "Woman Marines D. J." presented each day through Friday at 5:15.

The present D. J., Pte Orbin invites everyone in to WCLR each day joy the latest news of and music you will enjoy Woman Marines' show.

Marston Pavilion

- Nov. 8 — Open from 5:30 til 10 p.m.
- Nov. 9 — Open from 2 p.m. to midnight. Marine Co day ball. Ralph Martin's orchestra will play 8 p.m. on.

500 AREA (500) — Outdoors one-half hour after sundown.

CAMP GEIGER OUTDOOR (CGO) —

Outdoors at one-half hour after

AIR FACILITY, New River (AF) — Indoors daily at 6 p.m. and 8 p.m.

PARADISE POINT OUTDOOR (PPO) — Begins at 7 p.m. daily.

CAMP GEIGER TRAILER PARK (CGT) — Indoors at Community Center

OPPOSITE SEX (2 1/2 Belts) — A very confusing musical comedy centered around June Allyson and her trek to Reno to get a "quicker" divorce from husband Leslie Nielsen. Though the viewer might wonder who's two-timing who, the film is loaded with laughs, fancy settings and pretty girls such as Dolores Gray, Ann Sheridan and Joan Collins. (117 min.)

ESCAPADE IN JAPAN (2 1/2 Belts) — Filmed in the seldom seen corners of Japan, the whole family should be captivated by the boyish antics of Jon Provost and Roger Nakagawa. The two half-pints, one American, the other Japanese, lead their parents and the authorities on a wild chase in a wonderful, unforgettable adventure. (92 min.)

THE DEERSLAYER (2 1/2 Belts) — Based on the James Fenimore Cooper classic, the outdoor drama has excitement, Indian scalps, plus magnificent Cinemascope filmed scenes. Lex Barker admirably handles the role of the white man brought up by Indians. Jay C. Flippen and Rita Moreno are also featured. (78 min.)

THE COUNTERFEIT PLAN (2 Belts) — Zachary Scott, enroute to a French prison for murder, escapes and makes his way across the channel to England. Once there he contacts former forger but lets him in on his plan to flood the land with bogus money. But Johns squeals and the forger is foiled. (80 min.)

THE SOLID GOLD CADILLAC (3 Belts) — The search party is back with this cadillac, and solid gold it is. Judy Holliday and Paul Douglas are the source of the 24 karat laughs throughout this pix. Judy is the small stockholder who shows the bigwigs in a huge corporation just what's what. You'll love it. (95 min.)

MY MAN GODFREY (3 1/2 Belts) — A riotous comedy featuring June Allyson as a New York socialite who goes

on a scavenger hunt and comes home with a hobo. David Niven plays the hobo and eventually lands a job as butler. David and June lose their hearts to each other only to find that the former is an important displaced person. This is one of the finest family pictures to come out of Hollywood in many months. (92 min.)

THE AMAZING COLOSSAL MAN (1 1/2 Belts) — Big time basketball coaches would go wild if they had Glen Langan on their squad. Old Glen might cause resentment though, as he's 70 feet high. In this "colossal" science fiction Langan is burned by plutonium and he starts to mysteriously grow. Cathy Downs and William Hudson also star in this horror. (80 min.)

ZERO HOUR (2 1/2 Belts) — Fifty tense minutes over the Pacific in the midst of a driving hurricane! Within the confines of the stratosphere are Dana Andrews who has everything at stake, Linda Darnell, Sterling Hayden and a former grid great, Elroy Craig (Hirsch as the captain who would hang on to the last. (85 min.)

SAINT JOAN (2 Belts) — Saint Joan replaces Rosanna on this week's schedule. Newcomer Jean Seberg splendidly acts the hursies at the stake in this historical account of Joan of Arc's crowning. It is brilliantly produced and directed by Otto Preminger and also stars Richard Widmark and Richard Todd. (110 min.)

HEAR ME GOOD (2 1/2 Belts) — This off-beat comedy has Hal March as a beauty contest hustler trying to fix a beauty contest to get some fast cash. March, Joe E. Ross and Merry Anders, although comparatively unknown, manage to evoke a fair share of hilarity. (80 min.)

ALL 'TWE TO GIVE (2 1/2 Belts) — The fearful story of a Wisconsin family as they lived 100 years ago and the miseries they endured. A realistic, true-to-life tale of the ups and downs of this hard-hit family, with Cameron Mitchell,

Gynis Johns, Rex Thompson and Patty McCormack. (102 min.)

SUSPENSE EXPLODES as Henry Fonda, former sheriff turned bounty hunter, tracks down criminals with prices on their heads. A top flight western with a good and believable story and a slight romantic interest in the name of Betsy Palmer. This pix also stars Anthony Perkins, recently chosen Number One Star of Tomorrow. (93 min.)

THEY WHO DARE — Search party went out, given 96-hour pass while Dirk Bogarde and Akim Tamiroff go dorking at love (?), gambling (?), spying (?). You dare tell us what it's all about and we'll print it next week. (102 min.)

JIM THORPE, ALL-AMERICAN (2 Belts) — Go back to November 1913. A cold, bleak fall Saturday. Watch the Indian boy from Carlisle as he runs wild against a man who later became President of the United States—Dwight D. Eisenhower. This is the true story of that legendary figure. (102 min.)

THE PRINCE AND THE SHOWGIRL (2 1/2 Belts) — Romping gingerly through this tale are Marilyn Monroe and England's Sir Lauchlan Thorneycroft, who, along with Dame Sybil Duke and the commoner fall in love but life dictates that a royal bloodbath and a red-blooded American showgirl shouldn't mix. (117 min.)

THE MOB (2 Belts) — Broderick Crawford and Neville Brand go at it in this crime action drama on the mob and the effect it can have on society as it lets loose its pent-up anger and vengeance and runs wild. (87 min.)

BOMBERS B-52 (2 Belts) — While on a test flight, a B-52 piloted by Errol Zimmerman explodes. The entire crew manages to escape the flaming plane except for Zimballist. Spurred on by his daughter Natalie Wood, Karl Mal-

den goes aloft to find the star with the result that a bitter (106 min.)

VALUE FOR MONEY (2 Belts) — A tale of a poor little country kin out Yorkshire way who go down to see the big city and you can say "a spot of tea" old English has been enra the charms of Diana Dors. Townsman find it's pretty d keep a fellow down on the he's seen the city. (82 min.)

UNDER SEA GIRL — Just released, this action di Mara Corday and Pat Conway unavailable this week. (66 min.)

THE RINGER — Herbert Lom and Mai Zetlin in this drama. Sounds like a ture with plenty of action. (71 min.)

TYCOON — This should be a fine pic cost is any indication. Lorne G with John Wayne and Sir Ce wicke and our bet is that deals with a big industrial his struggles to become a bu in his fight to get to the top. (117 min.)

PROBABLY FRUSTRATED rock the boys who dreamed up this zoom right off to Sputnik. Pict the story for those who have causing much havoc. Now scientific data that only a ge understand and you have a monster movie. (76 min.)

HOW TO MURDER A RICH (2 Belts) — Come along to merry Enrie who would send your dear to the happy hunting ground the story for those who have worth millions and have just home after a 20-year absence in England, the movie stars rick and Charles Coburn. —By J. F. M.
