Hussey, Second Service Regt., became the object of his affection last Tuesday when it was announced that he held the lucky subscription ticket for the third Navy Relief award. Holders of the first two tickets were not available for photo.

## Colonel Martin Commands Second Service Regiment

Col. Kenneth E. Martin, holder of the Bronze Star and the Legion of Merit for World War II and the Korean war, assumed command of the 2nd Service Regiment, 2nd Division, last week.

Promoted to his present rank July 1, Colonel Martin relieved Col. Harlan C. Cooper, who commanded the unit for the past two years. Colonel Cooper was reassigned as commanding officer, 2nd Force Service Regt., Force Troops.

Upon graduation from the University of Wyoming, Colonel Martin was commissioned a second lieutenant and transferred to Basic school in Philadelphia.

After serving a few months overseas with the 5th Amphibious Corps, Colonel Martin was ordered to the Pacific where he participated in the Guam invasion.

From June, 1950, until March, 1952, the colonel commanded the 2nd Motor Transport Battalion of the 2nd Division. In May, 1952, he was assigned to the 1st Division in Korea where he served as Division motor transport officer. For his outstanding performance of duty there, Colonel Martin was awarded the Legion of Merit.

July, 1953, found him serving as Assistant G-4 for Fleet Marine Force, Pacific, Pearl Harbor. Two years later he assumed similar duties at the Marine Corps Recruit Depot, Parris Island, where he served until his transfer to the Division for his third tour of duty.

## CAMP PERRY HOUSEKEEPERS

## Units From Eighth Marines En Route To Rifle Matches

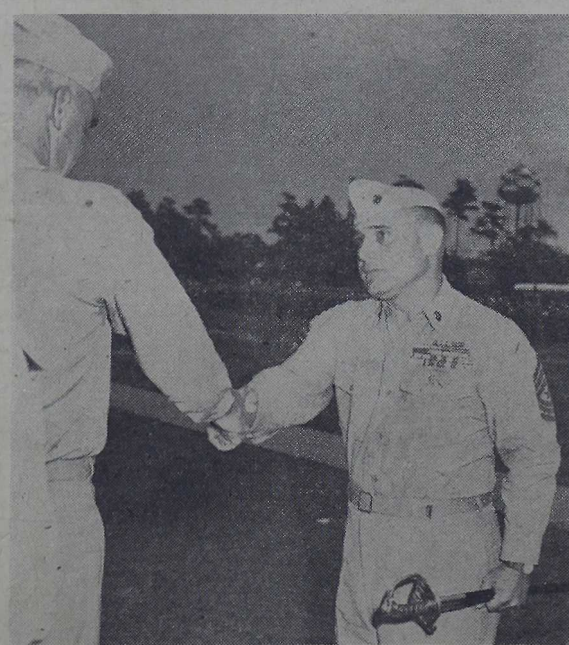

Approximately 500 men from the 2nd Bn., Eighth Marines, have been selected to be the Marine Support Battalion for the 1957 National Rifle Matches at Camp Perry, Ohio, beginning August 9 and continuing through September 10.

Headed by Lt. Col. R. M. Hanna, battalion commander, the detail will arrive at Camp Perry in three increments. The first group is scheduled to arrive via motor convoy by July 31, followed by two special trains on August 6 and 16.

Another 70-man team, now coaching plebes at the U. S. Naval Academy at Annapolis, will join the

Marine Support Battalion August 27.

In addition to scoring and pulling targets, the detachment will act as housekeepers for all Marine Corps, Navy and Coast Guard competitive shooters during the matches. Last year, the Marine Support Battalion received a letter of appreciation from the Secretary of Defense for its excellent work.

**MOVING ON**—Sergeant Major Kenneth V. Rice, with sword presented him on behalf of 2nd Engineer Battalion officers and men, is thanked by Lt. Col. William V. Schweske, battalion commander, during parade in his honor. The sergeant major, who has served as the top enlisted man in the battalion for nearly two years, will move to Marine Corps Base to assume duties as Base sergeant major.

## Local Contributions Total \$70,367 As Annual Drive Ends

The 1957 Navy Relief subscription drive closed successfully this week with a total of \$70,367.36 contributed.

The awarding of Navy Relief gifts to several local recipients on the Camp parade ground last Tuesday climaxed the two-month campaign.

## Lejeune Personnel Eligible To Bid On Salvaged Vehicles

Fifty-one salvaged, unclaimed or abandoned private vehicles will be sold by sealed bid sale on Wednesday, July 24, at 1 p.m., in Bldg. 1116.

These automobiles, ranging in condition from "very poor" to "fairly decent" will be available for inspection at open storage lot number 201 on Holcomb Blvd., between 10 a.m. and 4 p.m., Monday through Friday, until date of sale.

This sale consists of all makes and models ranging in age from 1936 to 1951. Members of the Armed Forces and Government employees are eligible to bid.

Those bidding must make a 100 per cent deposit. No personal checks or bid bonds will be accepted.

Interested personnel are urged to look before bidding. Additional information may be obtained by calling 7-5537, redistribution and disposal.

Top award, a "mountain-laurel" Cadillac convertible, went to Pfc George Morrison, "R" Co., 3rd Bn., 1st ITR. He was transferred on June 5 to Jacksonville, Fla.

Sgt. Angelo Torris, "C" Co., 1st Bn., Eighth Marines, was awarded a Plymouth station wagon and Pfc James F. Hussey, Second Service Regt., received an MG sports car.

The next two awards, sports boats with 35 hp motors, went to Sgt. Thomas J. Jenkins, H&S Co., 8th Tank Bn., and Pvt. P. D. Allen, H&S Co., 3rd Bn., Second Marines.

Several other gifts were also awarded to holders of membership subscriptions. These awards included a portable typewriter, movie camera, Polaroid land camera, portable radio and record player, overseas radio and an electric shaver.

The amount contributed to the Navy Relief fund campaign this year more than doubled the \$34,000 collected last year.

The 2nd Division led all Camp Lejeune activities in the number of memberships attained. They placed 62,730 membership subscriptions for a total monetary value of \$31,365.

Marine Corps Base was next with a total of 50,786 subscriptions for \$25,393.86, and was followed by Force Troops with 20,407 memberships accrued for \$10,203.50.

A total of 3,890 subscriptions were sold at the Marine Corps Air Facility for \$1,945 and U. S. Naval hospital followed with 2,620 memberships for \$1,310.

In addition, Navy Relief personnel acquired 300 memberships totaling \$150 at the awarding site.

## Some Units Exceed Quota In Attaining Drive Memberships

Now that the 1957 Navy Relief drive is history, several Camp Lejeune units attained outstanding percentages in subscribing memberships for the campaign.

Unit totals in the 2nd Division placed the Eighth Marines at the top with 149 per cent of their quota for \$7,718.50. This also was the highest of all units at Camp Lejeune.

The final overall total for the Division was 104 per cent for \$31,365.

More than half of the MCB total of \$25,393.86 came from the 1st Infantry Training Regiment, Camp Geiger.

Competition between its battalions resulted in the 1st ITR total of \$14,240.50, with the 1st Battalion leading with 12,041 memberships placed for \$6,020.50.

Second Force Service Regt. topped the Force Troops totals with \$3,393.50 and was followed by 8th Engr. Bn. with \$1,393.50.

Gift certificates were awarded to personnel placing the lucky subscriptions and to the top three in subscribing memberships.

Names of recipients of these awards were not available at GLOBE presstime.

*If you ask me...*

WHAT IS THE EARLIEST HISTORICAL EVENT YOU CAN REMEMBER?

TSGT. L. LAWSON, Asst. Mess Sgt. Messhall 54—I recall the feats of

Major Qukaeller, who singlehandedly knocked out a machine gun nest in the battle of Belleau Wood during World War I. The major became legendary in later years. Upon my enlistment in the Marine Corps I served under this man whom I had idolized as a young boy.

PVT. DOROTHY GOLOWICZ, WM Co., Hq. Bn., MCB—I remember the day "extras"

came out saying Franklin D. Roosevelt had passed away, which will always be a stain on my memory. I always will remember as the most historic event of my life, the armistice signed by the allied and foreign powers joining together for unified peace, which I am hoping this world of ours can have from now on.

PFC RICHARD KURRE, Base Photo Lab—I remember the bombing

of Pearl Harbor. I was about four years old at the time and could not imagine the horror of the raid. Upon seeing the Naval documentary photographs in later years, it impressed the realism of the tragedy so forcefully in my memory that even time will not be able to erase this military catastrophe from my mind.

CPL. JOHN P. ELLIS, "B" Co., Hq. Bn., MCB—That's fairly easy to answer. Hitler caused quite an uproar when he invaded Poland during the early part of World War II. I was only a small boy at the time and the way people carried on left quite an impression with me.

CPL. GEORGE M. BRYANT, 2nd MarDiv Photo Lab—The event in history that impressed me most took place during World War II. A Japanese submarine surfaced off the coast of California and shelled a refinery. I remember how "shook" the public was after it happened. The reality that the U. S. could be invaded and wasn't out of reach of the war had quite an effect on the American people.

# Hurricanes Leave Devastating Path; Time To Prepare For 'Twister' Season

By SGT. THOMAS P. BARTLETT  
GLOBE Staff Writer

The term "hurricane" is derived from the West Indian name meaning "big wind," and is generally applied to storms originating in the Caribbean.

The cause of hurricanes is questionable. There are many theories, but the exact cause is not known. This season may provide weathermen with much valuable information; they might even find out just what does cause them. Still, there is no way to stop them.

Navy planes have tried drying them, but to no avail. The most accepted theory of hurricane births is the conventional theory, which maintains

that the sun shines on tropical waters, creating a warm mass of air which rises, cooler sea-level air rushes into the vacuum forcing the air mass upwards. The earth's rotation deflects the mass into a whirl; counter-clockwise north of the equator and clockwise south of the equator.

A vigorous wind system is set up in a revolving motion. Newborn, the hurricane follows the path of least resistance, usually away from tropical climates.

Hurricanes occur every year between June and November though a few occasionally show up out of season.

Girl's name were first applied to hurricanes in 1953 making

radio transmission from scout planes more convenient. Much criticism has been leveled at this practice, some by politicians who want to go on record as believing this to be too strong a stroke at women.

Actually, hurricanes are a serious business.

Thursday, August 11, 1955, a landing took place at Onslow beach. One landing not on the schedule; one not met by Marine machine guns or grenades. Waves were 12 feet high. Here landed Hurricane Connie.

Speed: five miles an hour; wind velocity at the center: over 100 miles an hour with winds of 67 miles an hour in a 100-mile radius.

Sea water washed the lower floor of the enlisted beach house at the beach.

Local radio station WCLR broadcast a special program entitled "Connie's Capers," which lasted until the storm romped across the Base 36 hours later.

Friday, September 19, 1955, another uninvited female arrived. Called in one weather bureau report as the "strongest and largest hurricane to pass through the middle Atlantic states in recent years," Ione surpassed Hazel, who blasted Camp Lejeune in October 1954.

Wind here at Camp Lejeune during Ione's visit were a mild 95 miles an hour compared to those which blasted the Ma-

rine Corps Air Station, Camp Point. Winds were up to 107 miles an hour at the Station.

During each of the hurricanes, Marines responded to call aid from neighboring communities. During Ione, six Troops DUKWs were sent to Washington, N. C., and trailers to New Bern.

Emergency generators sent to Kafer Memorial hospital in New Bern, and another Swansboro. Two field range crews of the Second Regiment were sent to the low County hospital in Jacksonville, N. C.

Before finally arriving, hurricanes are tracked by weather stations, and classified to four conditions: when storm's trend poses a potential threat of destructive force.

According to Base Order IA, condition four indicates storm will arrive within 72 hours; condition three storm arrives in 48 hours; condition two, 24 hours. Condition one, the storm is imminent.

When advised of condition four, there is ample time to prepare for the storm. There is no need for unfounded alarm. The buildings, trailers and other structures of Camp Lejeune have withstood Hazel, Ione, and will undoubtedly stand through the winds of the next hurricane.

## Information On Bonuses Released By 10 States

Here's a brief rundown on the state bonus situation as it now stands, according to the Air University's Contact Magazine.

Last November voters approved bonuses for Korea veterans in Connecticut, Iowa, Ohio, Rhode Island and West Virginia.

Louisiana voted additional funds to pay off the remainder of the bonus for Korea veterans previously approved. The state also voted to pay bonuses to Spanish-American War and WWI veterans. Payments range from \$50 to \$250, depending on the veteran's service.

Funds for a K-bonus in New Hampshire have been exhausted. It is explained, however, additional funds will be provided by the 1957 legislature.

Legislative action is pending in the general assemblies or legislatures in Illinois, Minnesota, North Dakota and Pennsylvania.

(Members of the Armed Forces who believe they are entitled to one of the approved state bonuses should make application to the state concerned.)

Here are addresses and available deadline dates to which applications should be mailed:

Connecticut—Bonus Div., State Treasurer's Office, State Capitol, Hartford, Conn.

Iowa—Executive Secretary, Iowa Bonus Board, State Capitol, Des Moines, Iowa. Deadline—Dec. 31, 1956.

Louisiana—(For Korea bonus) Department of Veterans' Affairs, P. O. Box 4215, Capitol Station, Baton Rouge, La., and (for Spanish-American and WWI bonuses) Bonus Administrator, WWI Bonus Div., Old State Capitol, Rm. 306, Baton Rouge, La. Deadline—Jan. 1, 1959.

Massachusetts—Veterans' Bonus Commission, 15 Ashburton Pl., Boston 8, Mass.

New Hampshire—Adjutant General, State Military Reservation, Concord, N. H.

Ohio—Korean Conflict Compensation Fund, 293 E. Long St., Columbus 15, Ohio.

Rhode Island—Division of Soldiers' Welfare, Dept. of Social Welfare, Rm. 811, 40 Fountain St., Providence, R. I.

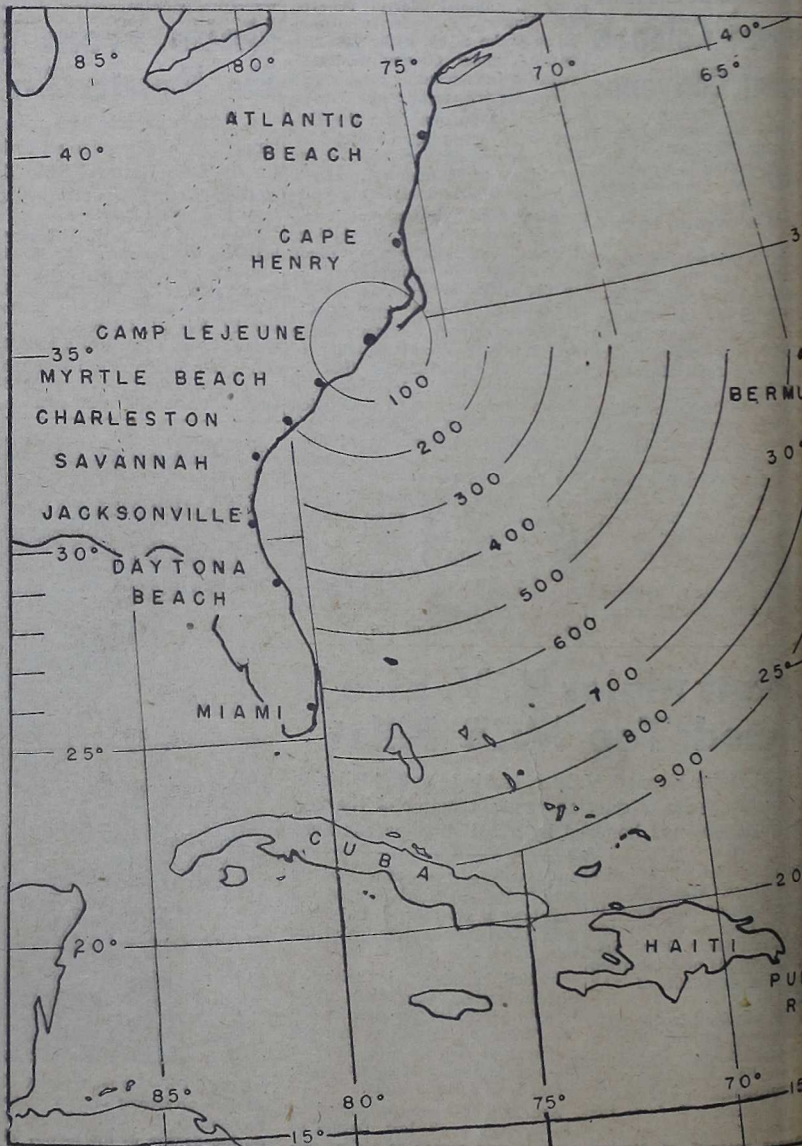

Vermont—Adjutant General,

### STRAY DOG WARNING

Stray, unregistered dogs will be picked up, kept at the dog pound for 72 hours, and if not claimed, will be disposed of, according to the Base Provost Marshal. A drive against these dogs will commence on or about July 15.

The object is to eliminate all stray dogs, thereby reducing the nuisance elements and danger of a rabies outbreak. All dogs not licensed and registered with the Provost Marshal will be picked up and disposed of.

## Dancing Instruction Conducted By Cress

Summer classes in tap, toe and ballet will be held in the Jacksonville American Legion hall each Friday from 10 a.m. to 1 p.m., conducted by Betty Cress.

Miss Cress was former director of the Horace Heidt TV dancers, director of the Radio City Music Hall Rockettes and former director of Camp Shows, Inc.

Interested personnel, adult and children, are asked to call Jacksonville 6721.

**TO BE DEDICATED**—The new chapel at the Marine Corps Air Facility, New River, will be dedicated tonight and Sunday morning. Jewish dedicatory services will be held tonight at 8 p.m. Sunday

morning, Catholic Solemn High Mass will begin at 9:30 a.m. Protestant Dedicatory services will begin at 11 a.m. A reception will follow.

## Excellent Guidance Offered Local Tots At Midway Nursery

Mrs. Emily Herndon, supervisor of the Midway Park nursery, has announced that there are several vacancies in the nursery and that interested personnel should contact her at Bldg. 4020 in Midway Park, or by calling 2-2172.

The nursery is open each Monday through Friday from 7:30 a.m. until 5 p.m. for all children from two to seven years of age.

During the day, children receive a complete noon meal consisting of vegetables, meat, dessert and milk. At 10 a.m., juice and cookies are served. The children nap from 1 p.m. until 3 p.m. Cookies are again served following the rest period.

The purpose of the nursery is to provide child care facilities for personnel at Camp Lejeune, either military or civilian.

Charges vary according to the time the child attends. By the hour, a rate of 50 cents is charged; two dollars all day per child or eight dollars a week for one child. In cases where two or more children are from the same family, seven dollars a child is charged.

Mrs. Donna Sue Carlson, an attendant, aids Mrs. Herndon in caring for the children. During the day, art classes are held, the children listen to the record player or watch television. Singing classes are also held daily.

## Toastmistress' Club Appoints Chairmen At Regular Meeting

Five members of the Cosmopolitan Toastmistress' club were appointed as chairmen of various committees during their last meeting held at the Tarawa Terrace Community Center Tuesday night.

Membership chairman is Laurie Koonce; publicity, Eileen Gosset; program co-chairmen are Sylvia Witchella and Margaret Neeley. These officers were appointed by club president Sylvia Witchella.

Topics mistress, Laurie Koonce conducted the short subject period, during which members were asked to stand and give an impromptu three-minute speech on given subjects.

Main speakers for the evening included Dorothy Chester, who spoke on "Where I Hang My Hat," and Juliette De La Hunt, whose subject was "The Tie That Binds."

During this meeting, Adelaide McLarty was initiated in a candlelight ceremony, and were presented a Toastmistress pin and corsage. Guests attending were Florence Ridgway and Lorena Telley.

During the battle for Tinian, the 2nd Marine Division, for the first time in history, took advantage of napalm to further its combat aims.

## Dedication Ceremonies Scheduled At AF Chapel

Dedication ceremonies for the Marine Corps Air Facility chapel will take place tonight and Sunday morning at the Air Facility, New River.

The new chapel is modernistic in design and is capable of seating 360 persons. A new organ and carillon bells were installed last Friday.

Jewish services will be headed by Naval Capt. J. L. Goldberg, Third Naval District Chaplain, starting at 8 p.m., tonight.

Catholic Solemn High Mass will be held at 9:30 a.m., Sunday morning. Capt. W. A. Mahler, Chaplain, Fleet Marine Force Atlantic, will be guest preacher. Celebrant will be Capt. D. F. Meehan, Fifth Naval District Chaplain. Deacon will be Comdr. F. W. Kelly, and sub-Deacon, Comdr. J. C. Canty, Assistant Division Chaplain, 2nd Division.

Protestant services will be held at 11 a.m., Sunday morning with Rear Admiral E. B. Harp, Chief of Chaplains, guest speaker. Other guest will include Capt. J. F. Dreith, Fleet Chaplain, Atlantic, Capt. E. C. Andrews Jr., Senior Chaplain, 2nd Division, Comdr. F. C. Black, Senior Chaplain, Marine

Corps Air Station, Cherry Point, and Lt. Comdr. O. J. Harris, Station Chaplain, Marine Corps Air Facility.

During both of Sunday's services, Mrs. George Gruendel, a Registered Nurse, will be in charge of the nursery. Cribs will be available for infants.

The Catholic choir, under the direction of TSgt. W. R. Hesketh will sing during the 9:30 a.m. Mass. During the Protestant Service, the Air Facility choir, under the direction of Mrs. O. J. Harris will feature a sole by Tommy Herndon, a member of the Westminster choir.

Invitations have been forwarded to various civilian and Military units.

All military personnel, guests and dependents are invited to attend the dedicatory services and the reception that follows. The reception will be held at 2 p.m., at the new Service Club.

## WM Maneuvers

By PFC DORA ROSSI

At least one member of Woman Marine Company was fortunate during the awarding of Navy Relief prizes. Lucky subscriber was Pfc Lorena F. Leger who was awarded an electric shaver. Perhaps it wasn't the Cadillac, Lorrie, but at least you were presented some kind of an award!

In existence since the latter part of May is the WM Rifle and Pistol team, who competed with the WM Reserve Supply

Platoon of Cleveland, Ohio. The reservists fired high, 1,024 to 631, downing the local Annie Oakleys in the firing of the .22 calibre pistol and rifle.

Members of the team include SSgt. Constance Smith, Cpl. Wanda M. Laddeek, Pfc Anna B. Johnson and Pvt. Linda R. Davis.

All members volunteered to fire the weapon, and with a little more practice, should be able to give all competition a lesson in firing the weapons.

**DICHAARGED** — Pvt. Pat M. Frazier was discharged earlier this morning and will soon start back to her home town on the West Coast. Formerly working in the WM Service club, Pat is a native of Los Angeles, Calif. We hate to see you go, Pat, and we'll always remember

the excellent service in the club.

**ON LEAVE** — Cpls. Shirley E. Perry and Carolyn J. Cowan are both on leave. Hope that it's a good one.

**WELCOME ABOARD** — Women Reservists reported in this week from Tampa, Fla., and Worcester, Mass. Many regulars and Reservists are renewing old time acquaintances.

Wedding bells will resound in the Base Protestant Chapel at 1 p.m., Sunday for Pfc Connie West and Sgt. George Wilson. Both work at the Base Communication office, Hq. Bn., MCB. Connie is from Charlo and George from Coshocton, Montana. Pfc Misty Houston will be maid-of-honor, and SSgt. Bernard Soto best man. They plan a 20-day honeymoon in Ohio.

Needless to say, all of the members of WM Company appreciate the time and effort of the women on mess duty in mess hall 54. Now, with the Reservists eating in the mess hall, there's a lot more work involved, meaning that the girls must work nearly twice as hard. Those deserving particular thanks include Cpl. Shirley Kurth, Pfc Dorothy Roman, Kay McAboy, Diana Caplinger, Beverly Bishop, Minnie Holder, Bea McAboy, Joan Norton, and Pvlts. Joyce Grosso, Dorothy Galowicz, Janice Carnes, and Beverly Clouff. These gals are really worrying about dish pan hands!

## Marines Land D ... Facilities Offer

"Hit the beach!" was heard over and over again during World War II, as Marines landed, fought and mopped up the various Pacific islands. During the Korean conflict, "hit the beach" was again sounded as the 1st Division landed at Inchon.

Now all is quiet. There is no war. Still, occasionally, a Camp Lejeune Marine claims that he, too, is going to "hit the beach."

When that is said, it undoubtedly means the Marine will wind up on the sands of Onslow Beach, whether on a training maneuver or to spend off-duty hours enjoying the various facilities of-

either Senior Life Safety or Water Safety Instructors. These men take periodic proficiency tests in life saving work, practicing breaking holds, various swimming kicks, strokes and breathing at the indoor pools.

To keep in condition they swim a half mile from an amphibious DUKW off-shore to the beach each day and run from the enlisted beach to the officer's beach and back, a distance of nearly a mile.

Their work day generally begins at 10 a.m. They are all trained in the use of the two resuscitators and are capable of administering first

**VARSITY NINE**—On Monday, the 2nd Division varsity baseball team will open its 1957 season when they meet the strong Parris Island nine in a double-header at the Recruit Depot. This will be followed by the third game of the series on Tuesday.

Following these games with the Islanders, the team will go to Ft. Jackson for a two-game series with the Eagles and by this time next week, Lejeune baseball fans should have the first report on the varsity team.

How the team will fare this season still remains to be seen. If they can take a win from the Islanders or the Eagles it will be a feather in their cap. If they lose, they will have nothing to be ashamed of for these two teams are among the top service teams on the East Coast.

Time has been the big factor working against the local team. Only a handful of candidates have been able to work out the past two or three weeks. The others, chosen from the intramural teams around the Base, could not work out until after the Division tourney which ended last week and the Tri-Command playoff which won't be completed until tomorrow.

With just this little time together, the Division team begins a rugged 30-game schedule and to make things just a little tougher, the first nine games will be played on "foreign" soil.

Local fans won't get a look at their team until July 28 when they again meet the Ft. Jackson Eagles here at Agganis field. Starting with this game the locals remain at home for an 11-game stand.

When the varsity nine returns home for action, it is the hope of this columnist that the Lejeune baseball fans will turn out in force to support the team. I can assure you that, even with the short schedule, plenty of action is in store for the fans and all the opposition is tough.

This year, Lejeune almost didn't have a varsity baseball team and I, for one, missed varsity baseball competition. One way to insure that baseball will continue here at Lejeune is to support your team, win or lose.

Below is the varsity schedule:

**JUST AROUND THE CORNER**—Although the weather doesn't show any indication of it, football is just around the corner. In fact, it's a lot closer than most people realize.

Every day now, this reporter receives requests for information concerning the 1957 Lejeune squad and every day you can read in the papers about former college and service players signing pro contracts.

Here on the local scene it will only be another week before the old familiar pigskin makes its appearance, marking the opening of the screening session that will start July 20.

About 140 grid hopefuls are expected to answer the call and report for the Saturday morning's session that begins at 8 a.m. Following this comes two weeks of rugged practice for the candidates who will make up the majority of the 1957 team.

This year the varsity eleven will play a nine-game schedule with three open dates. It is hoped that one of these open dates can be filled, but at this late date it is doubtful.

Of the nine games, only three are scheduled to be played here at Lejeune. But, these three will be played against three of the top teams on the schedule.

Opening the home season will be Bolling AFB on September 28, followed by the Quantico game on November 9. The last scheduled home contest will be played against the Pensacola NAS on November 23.

This year the team will travel to play games with Little Creek on September 20, Elgin AFB on October 12, Ft. Eustis on October 19, Shaw AFB on October 27, Ft. Jackson on November 3, and with Ft. Stewart, who will close the season on November 30.

## 2nd 155 How. Bn. Tabbed As To Beat In Tri-Command Tourney

Second 155mm How. Bn., Force Troops' intramural diamond champion, tabbed themselves as the team to beat when they knocked off Second Service Regiment, 1957 Division champions, 7-6, in the opening game of the Tri-Command baseball tournament Monday.

With the score knotted 6-6 and two outs in the seventh, 155 wrapped up the game after Bob Goodard doubled off the left field fence and scored when Jim O'Connors slapped another double.

Second 155 started the scoring parade in the second inning when Goodard walked, Frank Spath singled and took second on a throw attempting to get Goodard at third. Both runners were safe. Herb Satzger then doubled off the left field fence scoring Goodard and Spath. Satzger scored the third run on an overthrow at third.

Service Regt. got back in the ball game and tied the score at 3-3 in the fourth when Oscar Huggins singled, James Miller forced Huggins at second, Bill Davis singled to left and both runners advanced on a passed ball. Ray MacDermott walked, and Tom Benson then doubled down to left field scoring Miller and Davis. MacDermott scored the tying run on an error.

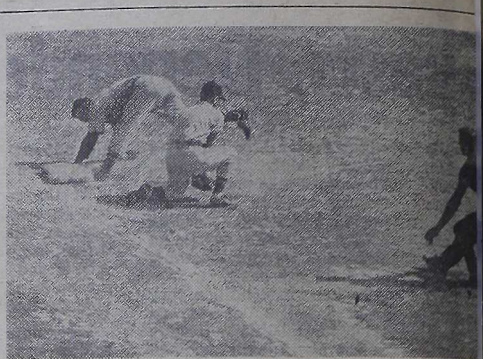

Second 155 took the lead again in the fifth, scoring one run when Jerry Fritz singled, scoring Joe Stewart who led off the inning with a walk and picked up two more runs as a result of an error.

Service Regt. again scored three runs to tie the game at 6-6 in their half of the seventh. Dick Mulloy led off the inning with a walk, Jerry Gree singled with Mulloy scoring on a wild pitch. Huggins then walked and advanced to second to set the stage for Miller's two-run single that tied the score.

Bob Healey went the route to gain the win allowing eight hits, four walks and struck out 11. Jim Hussie, who relieved starter Tom Benson, was charged with the loss.

In the second game Monday, the Sixth Marines, Divvy runners-up, found that it just wasn't Division's day as they were handed a 4-0 shut-out by Eighth Engineers Bn., runners-up in the Force Troops league.

shackled the Sixth Marines for seven innings allowing only four hits while walking none and striking out seven.

The Engineers picked up single runs in the third and fourth frames and added two more in the sixth.

Don Evans scored the first run on a passed ball after being hit by a pitch. In the fourth, it was Dick Ormsby who started the inning with a triple and scored on an error.

The Engineers ended their scoring in the sixth on Bob Bishop's single and two errors.

Bob Sedar went the distance and was charged with the loss. He gave up five hits, struck out three and walked one.

Second 155mm How. Bn. became the first team to win two as they defeated MCSS 11-6 in a Tuesday morning encounter. However, MCSS threw a scare into 155 as they scored five runs in the initial frame after their opponent had tallied three in the top of the inning.

Spath and Len Scafidi each contributed singles in 155's three-run first inning with Richard Ferrari, Robert Spiser, and Francis Dettery, all hitting singles in MCSS's five-run splurge with the Force Troops intramural champs committing two errors.

155, trailing by two, made sure

they wrapped the fray ahead by a single top of the second set runs with two outs on Fritz. Three errors a pitch by starter Ferrara deciding factors.

Stewart went all the winners, striking out on six hits and walking MCSS, Ferrari started charged with the loss Valetutti relieving Ferrara.

The highly-touted 134 beaten in a high-scoring game as 8th Engr. Bn. in the fourth inning, enough runs to ward threat after the score knotted at 6-all.

Final score was 13-4 teams banging out 11. Engineers played error while the MP's were four miscues.

Bob Bishop was the hurler after he relieved Ferrara.

**JACK-KNIFE**—John W. Sullivan executes a back jack-knife one-meter diving trials. Sullivan went on to win the event at the Tri-Command Swimming meet held last week. He is former Inter-Collegiate and Chicago Inter-Collegiate diving champion, holding the titles for three years. Sullivan lettered four years at Loyola university, Chicago, Ill.

## Division Team Sweeps Tri-Command Tank Title

Division swimmers completely outclassed all opponents to win the Tri-Command Tank Title last week at the Parris Island Inter-Collegiate and Chicago Inter-Collegiate diving championships. Sullivan lettered four years at Loyola university, Chicago, Ill.

Johnson also took a third in the one-meter, competing against Sullivan who is the former Mid-West and Chicago Inter-Collegiate diving champion, holding the two titles three years each. He attended Loyola university in Chicago, Ill., where he was a member of the swimming team, lettering four years.

In winning the three-meter diving event, Johnson amassed a total of 265.6 points, 31 more than the runner-up.

Johnson won the final in the free style with a clocking of 1:02.2. He also won the 100-yard free stroke with the times of 1:18.4 in that order. He was the third leg in his team's 400-yard medley.

Double winner was J. Schell who won the individual medley in the 440-yard free style.

W. Stevens, William H. Bernard Rodgers, all of the 2nd Division, won each, taking firsts in the 100-yard backstroke (3:11.5) and 100-yard butterfly (2:35.6). Rodgers also took a 400-yard individual medley.

Winners were Peter L. in the 220-yard butterfly (2:35.6), John in the one-meter dive.

A nine-hole one-half handicap match was played by the Women's Golf Association last Tuesday at the Paradise Point golf course.

"A" flight winner was Mrs. L. E. Bolts with a net 29 while runner-up honors went to Mrs. R. A. Elder and Mrs. G. M. Bryant as they both carded 33's.

Mrs. A. G. Folsom was "B" flight winner with a net 30 and Mrs. M. D. Benda took "C" flight with a carded net of 28.

"D" flight honors went to Mrs. F. H. Lewis who had a net 33. Least number of putts was won by Mrs. H. Law.

# Division Varsity Nine Opens '57 Season With Islanders

At long last, the varsity baseball season for the Camp Lejeune fans is about to begin. Monday at Parris Island, the 2nd Division team challenges the East Coast's top Marine team in a double-header that will get the Division squad's 30-game schedule under way.

And, although the consensus of opinion is that the Division team couldn't have picked a tougher way to open its schedule, Coach Hal Horan isn't too downhearted over his team's chances.

He feels that his team could possibly surprise the Parris Island powerhouse, which numbers a three-game series from always-tough Quantico among its accomplishments this year.

"We should take at least one from them," Horan says, "and if we get the first one, we could take two."

Although the Division team has only been practicing as a unit a little over two weeks, the young first baseman-coach says he's depending on the veteran service players on his squad to help the team over its early-season rough spots.

Horan has named three right-handers for probable mound duty in the three-game Parris Island series. Although he says he still isn't sure what order they'll start

in, the hurlers are Bill Harrington, who was 6-5 with Camp Lejeune last year, R. L. Hughes, who had a no-hitter in an intramural game this season, and Mitch Tomaszewicz, a former St. Edward's college hurler.

On hand to relieve, according to Horan, will be tall right-hander Jim Donnelly, who hasn't had much experience, but has been impressive in workouts.

Horan intends to field a team of veteran service players, with the exception of two men. The exceptions are third baseman C. W. Salyer, who has eight years of minor league professional ball behind him, and centerfielder Jim Manley, who played for the University of Pennsylvania.

The probable line-up and batting order will have Salyer lead

ing off against righthanders and batting second against lefthanders; second baseman Don O'Connor leading off against lefthanders and hitting second against righthanders; shortstop Tom Hague; left fielder Jack Tosh; right fielder Dick Watkins; first baseman Horan; Manley; catcher Gerry Gneiser and the pitcher.

Following the series at Parris Island, the Division nine goes to Ft. Jackson, S. C., for two

## Delayed One Week

## Gridiron Screening Session To Get Underway July 20

According to a report from Capt. Wil "E" Overgaard, head football coach for the 1957 season, the two-week screening session originally scheduled to begin Monday has been postponed until July 20.

The reason for the delay in starting was caused by the I. G. inspection set for the 15th.

Starting July 20, one session a day will be held. The hours for practice have been set from 1:30 p.m. to 4:30 p.m., Monday through Friday, and from 8 a.m. until noon on Saturday.

The purpose for the screening session, not to be confused with spring practice, is to give all new men a chance to show their football abilities to the coaching staff. Returning lettermen are not concerned with these sessions as only new men are asked to report.

During the two-week session, the coaching staff will have ample time to look over the many new hopefuls who will make up the bulk of the 1957 eleven.

The candidates showing the most promise will be asked to return for the regular practice sessions that will begin in August.

With only a few returning let-

termen from last year's team returning, all positions are wide open and anyone who has a desire to play football, regardless of experience, is asked to sign up for the screening session.

This can be done by contacting the Base Special Services Office, Goettge Memorial field house, or any member of the coaching staff.

## Shore Party Beats Engineer Bn. 11-9 On Twin Homers

It took two homers by Mitch Holman, the second of which broke up the game in the bottom of the seventh, before Shore Party Bn. could down Engineer Bn. 11-9 in a Group I softball game this week.

Pat Patterson of the Engineers clouted a brace of round trippers and a single in a losing cause.

The win evened Shore Party's record at one win and one loss. Tank Bn. is still on top with a 2-0 mark, while the Engineers bring up the rear in the only unit which still hasn't crowned a champion in Division intramural competition.

Elsewhere on the softball front, 2nd Medical Bn. pounded 2nd Motor Transport in a Group I contest, 29-2, as Luther Landrum twirled a four-hitter for the corpsmen.

First baseman Bill Costello led the 20-hit assault by hitting his ninth and 10th homers of the year. In addition, he clubbed a single, double and triple for perfect five-for-five afternoons.

Bill Kliek was the mound victim. However, 15 Motor Transport errors aided his team's loss.

## Joe Bell Fans 20 For No-Hit No-Run Game

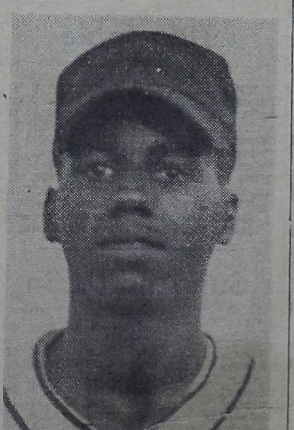

Joe Bell, pitching for Spangler Realty Co., became the third pitcher in the Camp Lejeune Little League to pitch a no-hit, no-run game this season. Bell accomplished the feat on Tuesday, July 2, when his team downed Camp Cafeteria 2-0.

And, although it is considered a bad omen for pitchers to walk the first man to face him in any inning, this didn't bother Bell in the least. After walking the first batter in the first inning, Bell settled down and struck out the next 14 men in a row.

In the fifth, after two were out, Bell walked his second batter of the game and then struck out the next batter to retire the side. He followed with five more consecutive strikeouts before the last man to face him grounded out, short to first, for the only ball hit in fair territory.

In the seven-inning game Bell struckout 20 of the 23 men to face him to achieve the pitcher's dream game.

Bell aided his cause with a single while James McCarvill connected two for three, including a double.

games and then visits Norfolk for three games with the Norfolk Tars and two with Norfolk Naval Air Station.

Then, on July 28, the team comes home to Harry Agganis field for the first time for an 11-game home stand. Ft. Jackson will be the first foe, and will be followed by the Norfolk Tars, Norfolk NAS, Little Creek and Parris Island.

On August 11, the team again hits the road to play at Charleston, S. C., Quantico, and Little Creek.

Quantico comes to Agganis field for the season's final home series on August 24.

Coach Horan sums up his chances for a good season in his estimate of his team's potential when he says, "We'll be a lot better than last year."

## MCSS, MP-Gd. Bn. Lead MCB Shooters

Marine Corps Supply Schools and Military Police and Guard Battalion are currently leading the standings in the Inter-Unit Small Bore team competition as the second quarter ends. Both teams are three ahead of their nearest rival in points towards the Commanding General's Cup.

MCSS, with a total of 14 points, leads in Rifle competition, amassing 8,439 markers, followed by MP and Gd. Bn.'s 8,146. The runners-up have 11 points towards the cup.

High individual rifle shooters are all from MCSS with W. A. Herrington leading the way with a 380 total. C. E. Cameron and G. L. Faber are in the number two and three positions, respectively, with 378 and 370.

In the rifle standings, Hq. Bn. holds down third spot with Engr. Sch. Bn. and ITR in the fourth and fifth places.

In pistol competition, the first and second positions are just reversed with MP and Gd. Bn. in first, having a total of 14 points, and MCSS as the runner-up three points behind. Engr. Sch. Bn., Hq. Bn. and ITR round off the standings respectively.

K. E. Peterson, representing ITR, and R. E. Ballman from MP and Gd. Bn. are tied at 279 each as high individual pistol shooters. W. A. Herrington, MCSS, is third with 278.

**FISH AND WILDLIFE CLUB NEWS**—Where were all the bow and arrow enthusiasts during the last meeting of the Fish and Wildlife club? That meeting was of particular concern to the Lejeune archers who have been asking for a better break in hunting on the base. I can remember receiving dozens of calls last hunting season from men who wanted to get more hunts for the archers of this area.

Yet, of all the bow and arrow men on the Base, only one showed up for the meeting. So, if these modern-day "Robin Hoods" don't get their own hunting area this fall it won't be the fault of the club.

The purpose of the last meeting was to organize the archers so that plans could be made and a liaison established with the area commander of the section concerned in order that details could be ironed out prior to the opening of the hunting season.

I can assure you that not much planning can be done when only one man shows up for a meeting.

Well, the hunting season is just around the corner and bow and arrow hunters better start making some moves, begin planning and get together with the hunting committee if the first season of bow and arrow hunting is to be a success.

The members of the Fish and Wildlife club didn't exactly break any attendance records at the past meeting, either. Less than 20 showed up.

Therefore, it was voted by the club members, due to the poor showing at the past few meetings, that there would not be any meetings called for the months of July and August.

**FISHING SLOW**—Fresh water fishing remains on the slow side due to the scorching weather, so if you are going after the big ones, you better go deep, 'cause that's where they're hiding.

As far as the "Old Angler" is concerned, he is in a slump since his good catches two weeks ago.

Lt. Duane Miller and yours truly fished a couple of the creeks in the Jacksonville area and had pretty poor luck. We tried a new creek Saturday (new to us, anyway) by the name of Mill Pond and picked up a few pike and bass. Here, Miller caught his second bass using spinning gear and he is becoming a believer.

His catch ran about one and a half pounds and he had several other strikes while using a Spin Art, another lure introduced down here by Bob Courtright.

The "Old Angler," in the meantime, was picking up a couple of pike on you-know-what. I also let several fish get away and ended up with a broken rod.

This was the second time in a week that I broke my spinning rod and now have two tips that are mended. How long they will hold up is anyone's guess.

Tuesday evening I hit Northeast Creek again and lost another lunger. The rod held up OK but my six-pound-test line snapped like a dry twig. You can bet that I will be spending some time this week working on the drag adjustment of my reel.

I don't think I mind losing the fish as much as I do the lures. That makes more than a dozen Silverfish I have lost in the past two weeks, all by fish that got away with my lure still in their mouths.

According to many reports received by the "Old Angler," Lejeune nirods are having trouble getting hold of the Silverfish. I went down to the main exchange Tuesday and Ferney Pollock, who is in charge of the sporting goods department, informed me that another supply is due in soon.

If you are a spin fisherman and find the fishing counters temporarily out of these lures, don't let it spoil your fishing trip. Pick up a Spinart, Killfish or a Mepps. These are all excellent fresh water spinning lures and they will catch plenty of fish.

I understand that several fishing tackle shops in the Jacksonville area have stocked these lures or will in the near future.

The one thing about it is that the lures were just introduced in this area recently and fishermen are just now finding out what they will do. They got their big play in the New York area and northern states where they were a big success on all kinds of fresh water fish.

## Dumpers Take 12th Straight Win In Staff NCO Keg Loop

The red-hot Dumpers of the Staff NCO Bowling league continue to brush aside all opposition as they dumped the 8th Engr. Bn. 4-0 for their 12th straight win last week.

Leading the winners in high game and series was Dave Davison with a 174-497. Pacing the losers was Mel Douglas' high game of 161 and Mel Fritz's series of 420.

The Courthouse Bay NCO Club kept pace with the Dumpers as they shut out the Jokers, 4-0. Both the Dumpers and Courthouse Bay NCO Club have identical records of 27 wins while losing 17.

For the winners, Jake Sasser bowled a 225 game and had a series high of 573, taking league weekly honors in both departments while the pace setter for the losing Jokers was Bill Copes who had a 181 and 496 to take game, and series high in these categories.

In other kegler action, the third place Shamrocks blanked Engr. Sch. Bn. 4-0 as George Lepp paced his team with a 181 game and 511 series. Lepp also holds the season's high game with a 247.

Mel Douglas and Mel Fritz combined for the losers with a 161 and 420 game and series in that order.

In the last game of the week, the fourth place Pinsplitters lost to 2nd Serv. Regt. 3-1. Mike Mat-

## Golf Slices

By  
AL GREER

We are very fortunate to have two young ladies who are members of the Women's Professional Golf touring set visiting Camp Lejeune. Miss Beverly Hanson who plays under the MacGregor banner and hails from Apple Valley, California, and Miss Joyce Ziske who carries the Wilson colors and hails from Wisconsin.

These two fine lady pros just completed play at the women's National Open at Winged Foot and are visiting with Lt. Col. G. K. Reid and family while here at Lejeune.

They have graciously accepted an invitation to play an exhibition match here this Sunday, July 14, and we will have our pro, Ducky Miller, and Bob Denning finishing out the foursome. So make it a date to come out and see this match. We are sure you will enjoy their fine play.

The Fourth of July Field day Tournament netted the Navy Relief \$100 and 20 golfers were richer by 10 extra subscriptions. This is how the winners finished: Low gross: Albert, 71; Parks, Calhoun and Fleisher, 74. Low Net: Toerne, 67; Armes, Sudek, Brixey and Walters, 69. Pitching: Benning, Nash, Leach and Park. Putting: Pryor, Greer, Williams and Park. Longest drive on number 9: Toerne. Nearest pin first shot number 2: Laird. Nearest pin 3rd shot 18: Haislip.

The amateurs continued their supremacy over the Pros in the exhibition matches last Sunday as the tandem team of Calhoun and Edmondson beat Ducky and Gene one up for 18 holes. Our next amateur set will be Benning and Fleisher, so watch this column for the date on this match. We had some 40 golfers who followed Sunday's match in that sweltering heat.

Starting Monday, July 15, we will host the Fleet Marine Force golf tournament, a 72-hole medal play tourney, with prizes going to individual winners and team winners. The 2nd Division teams is the defending champs and Bob Benning is the individual defending champ.

## BATREX 2-57 Fetes July With Gala Sports Marathon

**VIEQUES, P. R.**—Batrex 2-57 commemorated Independence Day with a sports marathon of softball, volleyball, horseshoe tournaments.

From dawn to dusk July 4, the island of Vieques resounded with the cheers and catcalls so familiar to sporting fans. Beginning at 8 a.m., the 10 units within the battalion landing team fielded softball, volleyball and horseshoe teams. By 5 p.m. the battalion champions had received their awards for their efforts.

The 4.2 Mortar Company of the Second Marines, led by the remarkable pitching of Robert G. Carbaugh, fielded the victorious softball nine. Carbaugh shut out H&S Co., 2nd Bn., Second Marines, with a 17 to 0 score in the final game.

In his first game of the day against the 2nd 4.5 Rocket Battery of Force Troops, the tall Marine from Akron, Ohio, pitched a 7 to 2 no-hitter. The two runs that marred his perfect game slipped in via a walk and an error.

Foxtrot Company downed the

First Radio Company of Troops for the volleyball onship. The Foxtrotters in competition until the final which was nip and tuck very end.

**Echo Company** through the horseshoe to defeat Foxtrot in the final winning team from Echo comprised of Othell Las Gene Davis.

Another Davis from Battery, Tenth Marines, captured horseshoe singles champion Alton Davis "ringed" through stiff competition defeated Houston D. Marine's Company in the finals.

The day's marathon was wated by a sometimes hilarious Staff NCO-Officer game. The officers under the ing of Batrex 2-57's comm officer, Lt. Col. H. A. Hadd three runs in the sixth to defeat Sgt. Maj. George NCO's with a 10 to 9 score.

The Staff NCO's drew fire in the first inning when ed three runs and held the seat until the officer's sixth rally. Thus ended Batrex 2-57's bean holiday.

## Baseball

(Continued from Page 8)

Bob Hatchet in the third.

For the losers, Dick Gillen was charged with the loss, working the first five innings. He gave up eight runs on seven hits, struck out two and walked four.

Dick DePaulo relieved Gillen and gave up five runs, five hits, walked four and struck out three. DePaulo also had a two-for-four afternoon at the plate, producing two singles.

For the Engineers, Bishop had five RBI's to his credit as he collected two bingles for three trips to the plate. Bob Kasslowkas banged out three hits and drove in four runs and Dick Ormsby scored four times on three walks and a single.

With play resuming Wednesday morning and in the finest-pitched game thus far in the Tri-Command tourney, Second Serv. Regt., behind the four-hit pitching of Jim Miller, blanked the MP's 3-0.

Miller was the whole show as he exhibited perfect control and struckout one batter. Miller faced only 25 of his opponents, just four over the limit in a regular seven-inning ball game. His battery mate was Bill Thomas who also helped Miller by having a two-for-four day at bat and driving one run.

Almost equally effective was pitcher Carl Houserman for MP Bn. who only gave up one earned run. Houserman allowed five hits, walked eight and struck out seven players.

## Headquarters Divvy Golf Tour

Headquarters Battalion through all competition in Division golf tournament, the final round from 2nd Regiment, 23-1. The wind dropped five points of a in the three-day event.

In Monday's opening eight team members carded in the 70's with George par 72 low score, and Haters shut out the Eighth 24-0.

Tuesday it was former mine champion Bob Benning a 73, and All-Marine runner Fleischer with a 72, lead new Division champs to a over 2nd Tank Battalion.

In the final round it was Benning again lead team with a 73 and Bill chipped in with a 74. T man shooting out of the 70 final round was team captain Klaess who fired an 82.

Team Captain Andy Nas 2nd Service Regiment of half point from Fleischer bright got another half point George Bryant for the on scored by 2nd Service.

# VMO-1 Observation Pilot Directs Caribbean Rescue

SAN JUAN, Puerto Rico — First Lieutenant Arthur S. Piper, U. S. Marine Corps pilot, currently with a detachment of VMO-1, which is attached to the 2nd Bn., Second Marines at Vieques, was credited with saving the lives of six persons on June 20th when he engineered successful rescue efforts 10 miles

southeast of Vieques.

While on a routine range-clearing mission in connection with Marine maneuvers being conducted on Vieques, Lieutenant Piper saw the capsized schooner and immediately radioed the Coast Guard detachment at St. Thomas, V. I., 35 miles to the Southwest. The presence of storms in the area hampered visibility, consequently, the Marine pilot was forced to play his little OE aircraft between the overturned boat and the Coast Guard cutter, directing the rescuers to the scene. Within two hours from the time the hapless schooner was seen by the lieutenant, the six victims were safely aboard the rescue ship.

However, the rescue was not without unusual incident. Only five of the six passengers and crew were found clinging to the hull. The sixth was found safe and conscious, floating in a box about a mile from the scene of the rescue. One victim suffered a dislocated knee, and two others were treated for exposure. No information identifying them was available.

The Marine units on Vieques are under the command of Lt. Col. H. A. Hadd, and have been there since early June.

# Library News

By JOYCE DUNN

Ernest Hemingway, American novelist and short-story writer, has been consistently popular with Marine library patrons over the years.

Perhaps one reason for this popularity is his “hard-boiled” narrative technique; his style be-

ing clipped, staccato and colloquial with short sentences and words often repeated in a free verse effect.

By popular demand, the Central Library has recently acquired additional copies of Hemingway's works including:

“The Sun Also Rises”—A picture of disillusioned American expatriates.

“A Farewell to Arms”—The romance of an American ambulance driver and an English nurse in Italy during WW I.

“Death in the Afternoon”—Esays glorifying bull-fighting.

“Green Hills of Africa”—Big-game hunting in Africa.

“For Whom the Bell Tolls”—Story with Spanish Civil war background and one of his most successful novels.

“The Old Man and the Sea”—A fisherman's battle with Nature.

Three volumes of short stories entitled:

“In Our Time,” “Men Without Women,” and “Winner Take Nothing.”

Ask for Hemingway's books at your Central Library, Bldg. 62, or phone 7-5410 for reserves.

# Leadership Class Ceremony Highlighted By Promotions

Promotions and diplomas marked the completion of class 11 of the 2nd Division NCO Leadership School during formal ceremonies recently.

Heading the class of 44 students was Pfc Glenn T. Kelly, “T” Co., 3rd Bn., Sixth Marines, who maintained an overall average of 95.02.

A pleasant surprise was injected into the ceremony when Maj. R. E. June, executive officer, 3rd Bn., Sixth Marines, promoted the first place graduate and third place graduate, Pfc Grover C. Morgan Jr., also of the 3rd Battalion, to corporal.

Guest speaker for the ceremony, Lt. Col. Paul E. Becker Jr., commanding officer, 3rd Bn., Eighth Marines, stressed interest in defining leadership qualities. According to Colonel Becker, a good leader should show acute interest in the problems, likes and dislikes of the men under him.

During the month-long course students underwent a well-planned, fast-moving leadership course.

Classroom lessons included all general military subjects, the compass, first aid, weapons, drill, mapping, ABC warfare, and tactics and techniques.

In the field they assumed officer and Staff NCO posts in guard du-

ties, patrol problems, and field maneuvers, many of which were under simulated combat conditions.

# FRA Wives Meet At Tarawa Terrace

The regular meeting of the Ladies Auxiliary Fleet Reserve Association, unit 208, was held July 1 at Tarawa Terrace Community Center.

Mrs. Jacquelyn Jones, Mrs. June Livesey and Mrs. Joanne Catherman were initiated into the unit by president, Mrs. Lonnie Connor.

Highlighting the meeting was Mrs. Mary Claussen, guest speaker of the Navy Relief Society, who spoke on the Society's Layette program.

Refreshments were served by Mrs. Barbara Henson and Mrs. Catherine Norrish.

All eligible members are invited to attend the next regularly scheduled meeting on August 5, to be held at 8 p.m., at Tarawa Terrace Community Center.

**By TSGT. JACK MCCARTHY**  
Constantly on the lookout for unusual artists or talent, WCLR has come up with a bright new star in the person of Miyoshi Umeki. Visually, the tiny Oriental nightingale possesses the fragile beauty and delicate grace of a Japanese print, while vocally, she displays all the modern technique and polished phrasing of a really hep occidental canary.

Born 22 years ago on the small Japanese island of Hokkaido, a place familiar to many Marines, Miyoshi was the first Japanese girl to sing American songs in Tokyo. After perfecting her English by listening to the American records, Miyoshi first sang with a U. S. Army jazz band on a 15 minute radio show. She then joined Tokyo's top jazz outfit, a name that many Marines will remember, the Tsunoda Sextette (the Benny Goodman of Japan).

In 1955, Miyoshi, then an established star of records, motion pictures, night clubs and the theater, decided to try her luck in America. Under the man-

agement of Art Whiting, whose Marine corporal son spotted her act in Tokyo, Miyoshi has made such rapid career strides in America that by this time next year she may very well be as big a star here as she is in Japan.

On Monday afternoon at 2:30 WCLR will feature Miyoshi on Artists Hall, singing the songs most enjoyed by the Marines during their tours in the Far East. Two songs in particular will be well received, we know. They are the old favorites China Nights and Sayonara Miyoshi will sing 12 numbers which will include Hanna K. San and Teach Me Tonight.

In view of the progress the petite thrush has made in her brief lifetime, it seems only fitting that her lovely and unusual name—Miyoshi— means “Beautiful Life.”

## STAFF NCO WIVES

An installation dinner of the Camp Lejeune Staff NCO Wives club will be held next Thursday night at 7:30 p.m., in the Civilian Cafeteria's Chinese room.

Officers to be installed include Margaret Casey, Peggy McDougale, Jeanne Ward and Ailsa Carter. Husbands of club members are invited to attend the dinner.

## Hadnot Staff Club Presents Ronnie Bartley And Group

The Wellman Quintet will perform at the Hadnot Point Staff Club Friday and Saturday nights. On Sunday night, Ronnie Bartley and his orchestra will perform a "one-night stand" at the club. All dancing will start at 8:30 p.m. and last until 12:30 a.m.

Bartley's group includes a vocalist, a smooth dance band and his own stylings.

He studied at the Cincinnati Conservatory of Music and is a graduate of the Juilliard School of Music in New York. During his spare time, he writes music, or works on a new arrangement for his band.

Bartley launched his career as an orchestra leader after gaining experience with Blue Barron, Sammy Kaye, Bob Chester and the late Jimmy Dorsey.

On occasion, the orchestra presents a 20 or 30 minute floor show using members of his band. His baritone voice and smooth trombone artistry add to the performances.

His past engagements include the Hotel Greenbrier in White Sulphur Springs, Hotel Manhattan Towers in New York, the Hotel Monticello in Norfolk, the Brass Rail in Savannah, the Tantilla and John Marshall in Richmond, the Hotel Roosevelt in New Orleans and many others.

He also has appeared over radio on NBC, CBS and Mutual.

Sunday dinners at the Hadnot Point Staff Club will be served in the Mirror room starting at 1:30 p.m. and continuing until 6 p.m.

**AT GEIGER** — From 3 p.m. to 5 p.m., each Saturday night, cocktail hours are featured. Each Thurs-

day night, steak dinners cost \$1.50 during stag nights.

**AT COURTHOUSE BAY** — Happy hours each Saturday night from 6 p.m. until 8 p.m.

**AT MONTFORD POINT** — Happy hours tonight from 6 p.m. until 8 p.m. Fun night each Wednesday night from 8 p.m. until 11 p.m.

## Officer Club Activities

A "Welcome Aboard" party will be held Saturday night from 6:30 p.m. until 8:30 p.m. During this time, all officers who were transferred to this Base during the month of June will be entertained by other members of the club. All wives and guests of these officers are invited to attend.

A full weekend of dancing will be held at the Paradise Point Officers' club as the Division Combo arrives en masse, complete with popular and jazz song stylings. Dancing on Friday, Saturday and Sunday nights starting at 8:30 and continuing until midnight.

Each Wednesday night, the versatile Combo performs at the Courthouse Bay Officers' club. Another combo will play at Camp Geiger's club on Saturday night.

Happy hours tonight and every Friday night at the Geiger club starting at 4:30 p.m., lasting until 6 p.m.

Tuesday night is Fun Night at Paradise Point, starting at 8:30 p.m.

Brunch is served each Sunday from 10 a.m. until 1:30 p.m., providing time for a round of golf or a dip in the outdoor pool.

An organist plays each Monday, Tuesday, Wednesday and Thursday nights in the lounge.

Square dancing lessons Thursday nights in the cafeteria. During this time, appropriate civilian attire may be worn.

**MUSICAL FOURTH**—Frank Sorrell and his combo are the featured act at the Hadnot Point Staff club during the past weekend. From left to right, piano, Tom Sawyer; vibraphone, Sorrell; drums, Johnny Burris, and vocalist, Joanne Asble was "Miss Virginia" in the "Miss Universe" contest.

## Buddy Bair's Orchest

Buddy Bair and his orchestra, a very danceable and pleasing group, will appear at Marston Pavilion and the Camp Theater on Thursday, July 25, according to the Base Special Services office. Times will be announced at a later time.

Instrumentation of three saxes and clarinets, two trumpets and trombones, plus piano, bass and drums give the band a sound similar to Guy Lombardo, Jan Garber and Lawrence Welk.

Reason for this sound is the arrangements by Gus Donahue, who also arranges for the Welk orchestra.

The band is well-known to service audiences, having appeared

previously here, Shaw Bragg, Ft. Benning and land.

## Tallman Street USO Starts 'Ham' School

An amateur radio class will be held at the Tallman Street USO each Monday and Thursday, starting July 22.

Sgt. Edward Baker, a member of Camp Geiger's amateur radio station, will instruct these classes. As the students become better acquainted and qualified in radio work, they will send and receive calls or messages.

The Saturday night quiz was won by Pvt. Edward L. Cohen, a member of "L" Co., 2nd Bn., 1st Infantry Training Regiment.

Sgt. Robert Kutgla won the ping-pong tournament, with Hospitalman Ralph Oppler copping second prize. First prize is a spaghetti supper; second prize is a self portrait.

The movie for the coming weekend is "It Came From Beneath The Sea."
