APPOINTED

1st Sgt. Plan Revised Include All Top Graders

Revisions to the new Sergeant Major and First Sergeant Program have been approved by the Commandant of the Marine Corps.

Revisions in any occupational ranks. However, they are now being considered for appointment to one of the combat support fields. Designated as 03, 07, 08, 23, 25, 30, 35, 64, 65,

Each year any master sergeant considered for either First Sergeant or Sergeant Major. In succeeding years, Sergeants will be eligible for promotion to the rank of Sergeant Major. It is planned that sergeants will spend two years before they can be promoted to the rank of Sergeant

Expected that 200 master sergeants will be appointed to the rank of Sergeant Major and 100 will be wearing the stripes of Sergeant Major. These figures are in sharp contrast to the total of 100 appointed to both ranks

When openings in these ranks are filled by FY 1960, each time annual appointments will be made to replace vacancies.

Helicopter To Bring Santa In Tomorrow

Santa Claus is expected to arrive in a helicopter in front of the Memorial field house tomorrow at 3:15 p.m., following an hour and forty-five minutes of entertainment in the field house.

At 1:30 p.m., there will be approximately a half-hour of entertainment followed by a carol choir singing session.

Gifts and candy will then be handed out to all children between the ages of two and 10 who are accompanied by an adult. The gifts will be distributed according to the sex.

After the gifts are handed out, children will be asked to go to bleachers set up next to the baseball diamond, to await the arrival of Santa Claus.

Nick will then enter the field to sit and talk with all the children, before heading back to the helicopter and heading back to the

Christmas Message

Almost two thousand years ago the birth of Christ, which we celebrate at this season, brought to a weary world a new vision of hope, brotherhood, and universal peace. In all the years since that time, mankind has pursued that hope.

Amidst the many changes through which the world has passed, the one hope stands unchanged. It is the one ideal toward which each of us, regardless of race or creed, constantly strives. It can be achieved, we know, only when the dignity of the individual and the freedom of the mind and spirit are recognized throughout the world.

But while men of good will strive tirelessly to attain this goal, there are forces of darkness and tyranny which seek to impose a Godless slavery upon the human race.

Despite their efforts, and whatever the cost, free men everywhere will defend those liberties that make possible the eventual attainment of human dignity and universal brotherhood. We stand ready to make whatever sacrifices are required to protect our freedoms and to prevent the further enslavement of the hearts and minds of men.

The Christmas season, then, is the time when every Marine must rededicate himself to ideals his Country and Corps hold dear—ideals for which Marines have fought and died throughout the world for almost two hundred years. It is a season when, amidst the happiness which surrounds the celebration of the birth of Christ and the Christian ideal, every Marine will renew his determination to defend the way of life that makes possible the continuing struggle to free mankind from physical and spiritual slavery.

For every Marine and for every Marine family, may this Christmas be especially meaningful. May it be a reverent occasion for all of us—and, as we recall the age-old words, "On earth, peace, good will toward men," may our hearts go out to those who share this hope, wherever they may be. As the bells of Christmas ring out for us, may they also:

"Ring in the valiant man and free
The larger heart, the kindlier hand
Ring out the darkness of the land,
Ring in the Christ that is to be."

DRIVE FINALE

United Fund Contributions Hit \$26,355

Camp Lejeune closed out its 1956 United Fund drive this week, coming very near to its unofficial goal of one dollar per man. The total contributions amount to \$26,355.37.

Force Troops led the major units percentage-wise by reaching the 99 per cent mark while 2nd Division contributed the largest amount, giving \$9,806.16.

Many smaller individual units far exceeded the 100 per cent mark while others fell short. Leading all other individual units were two Marine Corps Base activities, Naval Medical Field Research Lab with 174 per cent and Naval hospital with 143 per cent.

Eleven of 14 individual units within Force Troops sailed over their unofficial quotas. They were led by the 8th Tank Bn. who reached the 129 per cent mark. The 1st (See UNITED FUND, Page 11)

REPEAT PERFORMER

Announce Winners For Xmas Displays

A three-dimensional structure, resembling a typical large city street, brought the Commanding General's Christmas Decoration trophy back to the members of Engineer Schools Bn. They also won last year.

Runner-up this year was Eighth Engineer Field Maintenance Co., 2nd CSG, Camp Geiger. A picture of this display was not available at GLOBE presstime. The display featured Santa's workshop and five workers moving by means of an electrical fan motor.

Third place winner was 2nd Engineer Bn., 2nd Division. A picture of this display can be found in the center section.

Maj. Clarence S. Mabry, chairman of judging committee, said the task of selecting a winner was difficult and he suggests that everyone see as many of the displays as they can, especially at night.

TWO IN A ROW—Winner of the CG trophy for Christmas decorations for the second consecutive year was this three-dimensional display by Engineer Schools Bn., Courthouse Bay.

If you ask me...

WHAT WOULD YOU MOST LIKE TO FIND IN YOUR STOCKING CHRISTMAS MORNING?

CPL. KENNETH E. DUNAKIN, Wpns. Co., 1st Bn., Sixth Marines—Well, there are quite a number of things I would like to find, but the thing I would most like to find is my girl friend, Pat, with a marriage license and a minister. So here's hoping Santa is good to me.

PVT. J. L. CAPPITTE, "G" Co., 3rd Bn., Sixth Marines—There are several things I would like to find, but my first choice would be a new car. Wishful thinking, of course, but who is innocent of it?

CPL. DON KING, "D" Co., 2nd Bn., Eighth Marines—I would like to find a receipt stating that my car was paid for in full. Also a birth certificate to the effect that the baby my wife and I expect next month had arrived without any complications.

PFC JERRY L. COLE, Wpns. Co., 3rd Bn., Sixth Marines—First, I would like to be home with my family and friends. Also, I would like the cancelled check showing that my car was paid for in full. I think I could be happy with these things.

MRS. CATHERINE PHINNEY, Wife of MSgt. Waldo A. Phinney, Hq. Co., Hq. Bn., 2nd Division—That is a hard question for me to answer, as I have what is most valuable to me now, namely, my husband and family. But, a nice surprise would be to see my mother and father.

MRS. MARY L. BOWLES, Wife of Cpl. Charles E. Bowles, 1st Bn., Second Marines—I think I would like to find a turkey with all the trimmings in my stocking. I would also like to have a new Oldsmobile. Most of all, I'd like to have a raise so I could afford some of the finer things in life. If all this is impossible, it'll be okay, because I already have the things that are most important.

Camp Telephone Directory Becomes Family Affair Jennings Gathers Material, Jennings Does Printing

By CPL. TOM BARTLETT
GLOBE Staff Writer

When personnel of the Base Communications Center began planning for the 1957 telephone directory, little did they realize that the publication would turn out to be a family affair.

Usually a headache for all concerned, this book should

provide the two subject people with their share of difficulties. However, when TSgt. Jennings does get a headache, you can be sure that Jennings will be standing close by TSgt. Jennings with a ready supply of APC's.

Responsible for gathering the material and correcting it rests in the capable hands of TSgt. Frieda (Dodson) Jennings, wife of TSgt. Jennings, and NCOIC of the Telephone Directory.

Responsible for the printing and shipping of same directories is TSgt. Terrance J. Jennings, husband of TSgt. Jennings and NCOIC of the Printing Plant.

Sgt. Frieda Jennings entered the Women Marines in August, 1943, and is therefore considered a "boot" by her husband, who joined in February, 1941.

The two met at Quantico in 1953 and knew each other about a year when the male half decided to propose. In September, 1956, TSgt. Dodson became TSgt. Jennings, making her husband, TSgt. Jennings, a happy man.

Requesting transfer to Camp Lejeune (to be with her husband), TSgt. Frieda Jennings was attached to the Camp Communications Center to work on the phone directory, and thus our story continues.

Every three months, 5,000 directories are printed with all available phone numbers listed, and all corrections from the preceding copy inserted.

Frieda's job consists of collecting all additions and corrections and putting them on cards for filing. Pink slips (MCBCL 109 Forms) are inserted, two to each directory, for the purpose of notifying her husband of any changes and corrections. Her biggest problem is getting the people with the directories to use the enclosed forms.

Finally, nearing the date of publication, all numbers, corrections, inserts and so forth, are put on a plate, containing enough information to constitute a page in the

phone book. Approximately 140 plates are used for a book.

After proof-reading the plates, she takes them down to her husband who then writes up a job order and hands them to the NCOIC of the camera section, SSgt. Ray Harrig, who photographs the plates, eight at a time.

The photographs are then put on another plate and collated, (put together numerically) and prepared for shipment. The complete job takes approximately 26 days under "normal conditions."

The next phone books will be shipped out for use during the latter part of January or early February. Immediately after being shipped, they are, in a sense, "obsolete"—due to the continuous changing of officers, between 300 and 400 changes are made each month, or between 1200 and 1600 changes per directory.

Effecting these changes are: changes of addresses, home phones, jobs, job titles, rank organizations, transfers and discharges.

In order to reach the ultimate, a perfect directory, it is necessary for those receiving the phone books to fill out the completed "109's" with corrected changes.

Over 6,000 such forms are available at the Communications Center, Bldg. No. 1, for all unit adjutants who desire them.

In the meantime, TSgt. Jennings will continue feeding APCs to TSgt. Jennings, who will, in turn, feed them back to TSgt. Jennings.

GENERAL ANDERSON

Marine QM General To Retire Dec. 31; Gen. Bethel Relief

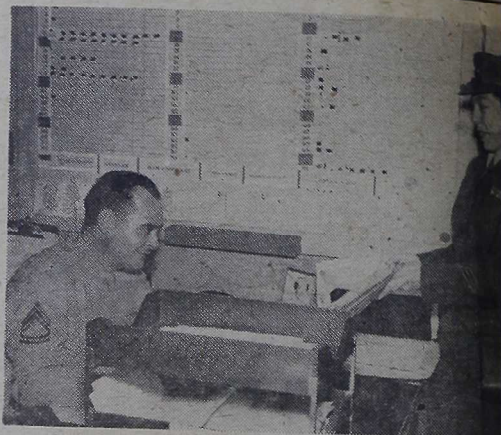

December 31 will mark the end of a 39-year military career for Maj. Gen. Raymond A. Anderson, Quartermaster General of the Marine Corps.

One of the few World War I Marine veterans still on active duty, General Anderson first saw service as an enlisted man, joining the Corps in May, 1917. Fighting at Verdun and Belleau Wood, he was wounded during the latter battle.

He entered the U. S. Naval Academy in 1920, and upon graduation began a career which culminated in his present assignment in February, 1955.

Relieving General Anderson as Quartermaster General will be Brig. Gen. Ion M. Bethel, presently CG, Marine Corps Supply Center, Albany, Ga. He has been issued a recess appointment to major general rank, pending confirmation of the promotion when Congress convenes next month.

Relief for General Bethel has not been named.

HEAVING HANDFUL OF HEADACHES—Preparing the telephone directory for print, TSgt. Terrance Jennings, left, prepares a job on material being submitted by TSgt. Frieda Jennings. Both have a common interest... the telephone directories.

BE A 'DOER'

Camp Recreation Facilities Offer Diversion From Duty

By PFC BUD WINSTON
2nd Division Information Office

There are two kinds of Marines at Camp Lejeune "sayer" and the "doer." You've often heard the sayer blurt off in the squad bay: "What a place to be stationed, not do on the weekend." That's unfortunate, although it's nobody's fault but his own.

Then, there's the doer. He doesn't have to say anything. Comes the weekend and he's out enjoying himself without ever leaving the base. While the sayer, unshaven and uninterested, sleeps away his Saturdays and Sundays, the doer is driving for his ninth hole on the Paradise Point golf course, or experiencing the unique thrill of sailing into the wind on New river.

If you haven't already, why not take each weekend to investigate one, or a combination of many of the excellent recreational facilities available at the base. No matter where your interests lie, Camp Lejeune has athletic equipment ready for use for almost every well-known American sport. Facilities here have reached a point of near perfection. And the best feature of all is that they're free—furnished the Marine upon request.

At the Wallace Creek boathouse (near the entrance to the U. S. Naval hospital), a qualification test enables a crew of your own choosing to have the time of your lives commanding a sailboat out on the blue. Facilities include both "Lightning" and "Town" class sailboats. If you've never sailed before, you're missing plenty of excitement. Come down, learn the scoop, and make ready to "hoist yer sail." Frequent boat races provide added thrills, with trophies for consistent winners.

Also available at the Wallace Creek boat basin are canoes, rowboats, and outboard motors. If you're one who likes to laze in the sun, take off your shirt and paddle out in a canoe. You can bring a good book along, or even letter-writing material.

For the man who likes power and the satisfaction that comes from cutting a speedy path through the water, then try motorboating. There are specially-trained person-

nel who are ready to teach anything you need to know. They'll be glad to give you a fresher course.

In the Paradise Point clubhouse for a real mouth-watering treat. There's always friends and even sometimes jokes to be encountered at the most constantly popular for that weekend workout.

Any session on the links is led by Marine golfers. Clubhouse for a real mouth-watering treat. There's always friends and even sometimes jokes to be encountered at the most constantly popular for that weekend workout.

Do you ever feel the yearning, refreshing swim in the fact that it may be raining? No problem here, for are three indoor swimming pools on the base, located for your convenience. Then pool in Area 2 at Bldg. 54 in the Montford Point at Bldg. M-139. During the summer months, of course, there is regular exodus to Onslow Beach right now is the time for a minded personnel to take advantage of the three indoor swimming open the year-round for M and their dependents.

Have you heard that the hunting season is on? It's underway for sometime now, at season winds up on December. Special Services units furnish shotguns and various officers as huntmasters, take out on selected Saturday morning. There are wooded areas set for hunting deer, quail, fox, squirrel, duck, and rabbit. A rifle is free to purchase a hunting license at the PX. miss out, inquire now.

They may be freezing their bleak December up North, but at Lejeune, the leather is ideal for outdoor sports on weekend. So, don't be a sayer, rather, a sleeper—get out and joy yourself at some of the recreational facilities which are at your finger-tips. They're fun and they're fun—if you're a

BROWN IMPRESSED

Marines Storm Ashore At Sardinia; Leather Fails To Dampen Spirit

THE FLEET MARINE FORCE, U. S. SIXTH FLEET, MEDITERRANEAN, Dec. 1 (By Mail)—Troops of the (Reinf.), Second Marines, re-embarked today aboard following training operations ashore at Porto Cervo, the Italian island of Sardinia.

In rainy weather, throughout the operations, the Leathernecks' beach began last Wednesday rehearsal landing. They the same day.

On D-Day, the troops pulled up as they assaulted the beach and stormed inland over objectives.

The area was defended by a platoon of Marine reinforced battalion's. The small band of covered wide ground the assaulting Marines their attack.

Assault waves had landed their primary objective. Col. Harry S. Popper, command post, moved inland with Maj. Lewis executive officer, and members, directed the

command post displaced further inland. By evening, all supplies, heavy equipment and support units had landed and the battalion set up defense perimeters against the "aggressors" for the night.

Vice Adm. C. R. Brown, commander of the Sixth Fleet, observed much of the action as the assault waves stormed the beach on D-Day and later visited Colonel Popper's command post inland, where he was briefed on the exercise.

In a message today to the battalion troops, Admiral Brown lauded the Marines' performance ashore. He wrote, "May an old flyer express his thanks for the expert lesson in the ungentle art of amphibious warfare he received from some old pros."

Eighth Regt. Group Give Demonstration

Under the leadership of Lt. Col. R. B. Carney, Jr., infantrymen of the 3rd Bn., Eighth Marines, starred in a battalion task group demonstration last week before approximately 150 spectators, including students from the Armed Forces Staff College, Norfolk, Va.

The task group, which included units of the 2nd Marine Aircraft Wing from Cherry Point and Force Troops, used the newest concepts of warfare to show how a battalion would operate in the event of a nuclear attack.

Maj. Gen. Reginald H. Ridgely, Jr., 2nd Division commanding general, commended the 3rd battalion in a letter of congratulations to Col. T. C. Colley, Eighth Marines CO, for an "outstanding demonstration."

Life-Like Dummies Add Realism Touch To Safety Displays

As most of the personnel on the base have probably noticed, some timely dummies and mockups have been placed along Holcomb Blvd. and in other conspicuous spots around the area. The wrecked automobiles are grim reminders of the number of base personnel involved in traffic accidents this year. The coffins placed along Holcomb Blvd., representing the fatal injuries of Marine Corps personnel from Camp Lejeune during this year, should make even the most callous take notice.

First Lieutenant Percy L. Calhoun, Motor Transport Co., Marine Corps Base, was in charge of the construction and placing of the displays. HMC E. P. Lentz of the Field Medical School made the dummies during his off-duty hours. Pfc Willis, State Highway Patrol, has been assisting in the operation.

CONFERENCE IN THE FIELD—At the initial command post ashore on Sardinia, Lt. Col. Harry S. Popper Jr., battalion commander; Maj. Lewis J. Cox, executive officer, and Capt. Richard S. Barry, communications officer, 3rd Bn. (Reinf.), Second Marines, discuss command and communication problems.

Special Christmas Services To Highlight Holiday Season

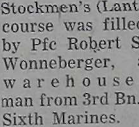

The traditional celebration of the birth of Christ will be inaugurated with the celebration of five Midnight masses including a Solemn mass at the St. Francis Xavier Chapel, a Midnight mass at Camp Geiger Chapel, Tarawa Terrace Community Bldg., Camp Knox Trailer Park and Midway Park.

At St. Francis Xavier, the choir, under the direction of Sgt. Hesketh, will begin caroling at 11:45 p.m. and during the mass will render the Gregorian mass "Missa de Angelis." The remainder of the schedule of masses on Christmas Day will be the same as on Sunday with the exception of Tarawa Terrace, Camp Knox Trailer Park and Midway Park, where the only masses are at midnight.

Double Graduation At Montford Point

A double graduation ceremony was held in the Montford Point theater last week when two different classes completed their phases of instruction in their particular fields.

The Supply Clerks course was led by Sgt. David V. Chace, a warehouseman of 2nd Bn., Second Marines, top spot in the

while the Stockmen's (Lant) course was filled by Pfc Robert S. Wonneberger, a warehouseman from 3rd Bn., Sixth Marines.

Capt. H. Stowers, assistant officer in charge of research and development at the Supply Schools, presented the diplomas.

Divvy PMO Joins Atlantic Flt. Staff

Maj. William H. Draper, Division Provost Marshal for the past six months, transferred last Monday to the staff of the Commander, Atlantic Fleet, where he will serve as aide to Adm. Jerauld P. Wright.

Holder of the Silver Star for action with the 1st Bn., First Marines, in Korea, Major Draper first entered the Marine Corps in 1942. After receiving his commission through the V-12 program, he served in the occupation forces in China.

Released from active duty in 1947, the major attended Hope college in Holland, Mich., receiving a degree in business and education.

Following his recall in 1950 and duty in Korea, he served at Quantico and aboard the battleship Wisconsin. He reported to the 2nd Division last July from Junior School, Quantico.

Special Christmas Services in the Protestant Chapel will be held at 7 p.m. on Sunday, December 23, when the Paradise Point Sunday school pageant and program will be presented. On Christmas Eve there will be the Christmas Midnight service at 10:30 p.m. with the traditional singing of carols and at midnight there will be an Episcopal Communion service.

LIST OF DON'TS TO REMEMBER

Don't use old electric cords and lights on your tree. Test them before using.

Don't fail to dispose of all wrappings as soon as you open your gifts. Don't throw wrappings in the fireplace. Put them in a container outside your home.

Don't fail to remove your tree from the house as soon as possible after Christmas. Don't place it near the house, fence or the garage.

Don't forget to follow these simple rules and your Merry Christmas will be followed by a Happy New Year.

The American flag with 31 stars, hoisted during the first landing on Japanese soil by Com. Matthews C. Perry in 1853, was again used at the surrender ceremony on the USS Missouri on Sept. 2, 1945.

REENLISTMENT REPEAT—SSgt. Coston H. Donohue, left, "H" Company, and Cpl. Douglas B. Fincher, "I" Company, enjoy a "royal feast" in 3rd Bn., Sixth Marines messhall after reenlistment ceremonies last week. Having reenlisted for six years, both men were entitled to this special treat, which is given only to reenlistees, according to Lt. Col. D. J. Regan, Bn. CO.

Cordiner Grp. Misses Target Date, Dec. 1

The Cordiner pay committee missed December 1, target date for recommending career benefits proposals, but the Pentagon disclosed other top priority personnel legislation it will push in Congress next month.

Cordiner proposals will head the list of measures DOD thinks are most needed.

Also at the top of the list are reduced rents for substandard housing, nurses career incentives, increased Presidential and other appointments to the service academies and revisions to the military justice code.

Dropped from priority listing in the 1957 legislative package is the bill to give longevity pay credit to the Academy and ROTC graduates. But it and the many other personnel measures Defense will endorse to the lawmakers early next year remain in the package.

Following is an explanation of the measures which have been attached the top priority tag.

Substandard housing: Persons living in poor quality government housing would not pay full quarters allowance, but rather, a fair rental.

Revised UCMJ: To improve and hasten administration of military justice by eliminating some procedural differences and delays which have arisen since May, 1951, when the Code was adopted.

GI Benefits for Reenlistees: Enlisted men serving in a current enlistment could re-enlist without losing GI benefits. This is designed to attract needed men to sign up for a second hitch.

Speakers To Meet Jan. 6 For Finals

Camp Lejeune will play host to contestants of 11 other posts and stations participating in the Second Annual Speech for Instructors contest, starting January 9.

Sponsored by Marine Corps Institute and the Leatherneck Magazine, the contest is divided into two categories, one for Staff NCOs and the second for sergeants and below.

Local entries are TSgt. William J. Hughes of MCSS, SSgt. Donald E. Penman and SSgt. Robert W. Patten, both of Engineer School Bn. In the second category, Sgt. John M. Anderson and Cpl. Charles R. Roden of Engineer Schools, and Sgt. Albert E. Metts of ITR.

SSgt. Patton won first place for sergeants and below last year with his talk on mine warfare, and was presented with a portable typewriter by the Commandant.

Winners from other Marine Corps Posts and Stations, 14 men in all, will arrive here January 6 to compete for the East Coast Regional competition. Winners will then compete again in Washington, D. C., starting February 11.

Relief Drive Here Dec. 31

Emergency Red Cross drive for Hungarian refugees will end

at midnight. The drive for funds is strictly voluntary collection, with no essential quota. Marines desiring donations may contribute an envelope, putting name, rank and amount of contribution on the inside flap of the

envelope. The drive is a national program, under the leadership of President Eisenhower, has a goal of \$100,000.

Commanders will be responsible for disseminating information, soliciting contributions and for the fund. There will be no formal envelope submitted.

(SCENE OPENS IN FIRST SERGEANT'S OFFICE.)
(A KNOCK ON THE DOOR.)

FIRST SERGEANT: "Come in."

(ENTER: PFC JOE SMITH AND CPL. BILL JONES.)

CPL. JONES: "Did you send for us, Top?"

FIRST SERGEANT: "Yes, Jones, I have leave papers here for you and Smith. You're both going to Philly for the Christmas holidays, huh?"

CPL. JONES: "Yes, Top, we both live in Philly and I am going to drive up. Smitty is going to ride up with me. He is engaged to my sister and they're getting married Christmas Day."

FIRST SERGEANT: "Well, congratulations, Smith."

PFC SMITH: "Thanks, Top. Yes, Mary and I have been going together since high school. I finally got up nerve to pop the question the day I left for boot camp and she said as soon as I got my first leave. This will be the first time I have been home in seven months."

FIRST SERGEANT: "Well, here is your leave papers. Now you guys remember, you WILL be back here no later than 0700 on December 28th. If anything comes up that you see you are going to be late then call me on the phone because I'd hate to bust a newly-married man back to private. But I will if you guys ain't here at 0700 on the 28th. Now one more thing—you guys take it easy on the road 'cause there's plenty of traffic out there over the holidays."

CPL. JONES AND PFC SMITH: "Aye Aye, Top."
(JONES AND SMITH LEAVE OFFICE.)
(END OF ACT I)

ACT II

(SCENE OPENS IN JONES' CAR ON HIGHWAY 301 AT ABOUT ONE IN THE MORNING.)

CPL. JONES: "Hey, Smitty, you awake?"

PFC SMITH: "Yeah, just barely. Why—do you want me to drive awhile?"

CPL. JONES: "Naw, I can make it, sure am sleepy though. Maybe we should have waited till in the morning to start. We got an awful late start."

PFC SMITH: "No, this is better is we can make it. We ought to be in Philly before the sun comes up. We can stop at my house for breakfast and then you can go home. I'd better get some sleep before I go over and see Mary. Gee, it's been seven months since I saw her."

CPL. JONES: "Just think, Smitty, three more days and you'll be an old married man."

Ten Minutes Later

CPL. JONES: "I wonder if that little blonde named Sue still hangs out at the bowling alley. You remember her, don't you, Smitty?" (PAUSE) "Hey, Smitty?" (PAUSE)

(CPL. JONES LOOKS OVER AT SMITH AND SEES THAT SMITH IS SOUND ASLEEP.)

CPL. JONES (muttering to himself): "Ah, the poor kid's passed out on me. Oh, well, he'd better get all the sleep he can—he's gonna need it."

(SMITH STIFLES A YAWN.)

ACT III

(SCENE OPENS AT SEVEN IN THE MORNING IN THE COPY EDITORS OFFICE AT THE TIMES NEWSPAPER OFFICE IN CHESTER, PENNSYLVANIA. THE EDITOR IS SCANNING THE LAST PROOFS BEFORE GOING TO PRESS. HIS EYES LIGHT ON THE FOLLOWING STORY.)

CHESTER, Pa.—Two young Marines were pronounced dead on arrival at the City Mercy Hospital this morning at 5 a.m. after the car in which the two were traveling left the road at high speed and crashed into a telephone pole six miles south of this city.

The two were identified as Cpl. Bill E. Jones and Pfc Joseph H. Smith, both of Camp Lejeune, N. C. Leave papers in their possession indicated the two men were headed for Philadelphia, only 16 miles north of here.

Highway patrolmen at the scene of the wreck stated that the driver apparently went to sleep at the wheel. They also stated that when police arrived they found the mangled body of Joe Smith clutching a little square box.

Inside was a little band of gold!

Chaplain's Corner

"And it came to pass in those days, that there went out a decree from Caesar Augustus, that all the world should be taxed. (And this taxing was first made when Cyrenius was governor of Syria.) And all went to be taxed, every one into his own city. And Joseph also went up from Galilee, out of the city of Nazareth, into Judea, unto the city of David, which is called Bethlehem, (because he was of the house and lineage of David) to be taxed with Mary his espoused wife, being great with child.

"And so it was, that, while they were there, the days were accomplished that she would be delivered. And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn.

"And there were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them, 'Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people.'

"For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger.' and suddenly there was with the angel a multitude of the heavenly host praising God, and saying,

"Glory to God in the highest,
And on earth peace,
Good will toward men." Luke 2:1-14.

WASHINGTON REPORT

Career servicemen buying homes under the 1954 in-service home loan act are going to have to pay more interest.

Federal Housing Administration's decision to raise interest on FHA-guaranteed mortgages from four and a half to five per cent applies to service home buyers too, whether they get an FHA mortgage loan direct or use the in-service loan program. However, they will not have to pay the one-half per cent insurance premium on in-service loans as long as they remain in the service. The premium runs the regular FHA mortgage to five and a half per cent.

A half per cent raise means a \$10,000, 25-year mortgage, will cost \$900 more before it's paid off. A 25-year, \$15,000 loan, will cost \$1,300 more—a \$4 plus increase in monthly payments.

Whether the raise will reduce or eliminate the discounts now charged many FHA borrowers remains to be seen.

The increase, however, is likely to be the last straw to force home loans under the GI Bills up from four and a half to five per cent. VA, which has been opposed to the increase, is now frankly worried that vet borrowers will not be able to get any money at four and a half per cent, even with discounts.

Girl Scouts Entertain

The seventh and eight grade girls of Girl Scout Troop 88 were on hand yesterday to brighten lives of the patients of the Onslow County Home for the Aged in Jacksonville by giving them a Christmas party.

Testing their abilities as future homemakers, the Scouts made cookies and punch, decorated the home and sang carols. The festivities began at 4 p.m.

Short Round

Celery stalks, squirrel legs and grapefruit juice became for a determined Pennsylvania miss bound to enlist in the Corps. Showing up at the Scanton recruiting office 10 pounds off, she returned home to begin a program aimed at whittling waistline. In addition to the diet, she spent every day playing with the younger set, and ran solo sprints around a field, later and 10 pounds lighter, she boarded the train for Paris.

Tests are underway by the Army on a new, lightweight automatic rifle to replace the M-1. It is the AR-10 which weighs pounds, has an aluminum barrel with a steel lining, a 20-round clip and has a stock of fiberglass and foam stock. S. Boutelle, president of the Fairchild Engine and Airplane manufacturers of the weapon, test fired the AR-10.

While reading Army-Navy-Air Force Register this week across a most interesting column by John M. Virden, entitled "You Degrade 'Army Blues'." It seems that "Love Me Ten Presley's song hit, is a direct steal from the age-old West. We had the privilege of knowing Colonel Virden while he was instructor at the Armed Forces Information School, Carlisle. I know his pen as a clever sounding board. We suggest you latest contribution should you get the opportunity. It's a strictly a male domain, after much sweat and a few tears, though a Miss Mary Ann Bonalsky, of Union City, N. J., thrice into seadogs everywhere by announcing last month she seriously considering applying for an appointment to Annapolis week she decided not to take the step. As Secretary of the Navy, S. At the Camp Knox Trailer Park last Saturday afternoon a Christmas party was held for the youngsters at the Camp Center. Emerging from the building, was an exceptionally little girl of about four, carrying a cup of ice cream, a lot of cup-cakes, and a gift-wrapped present from Santa Claus. She, spotting her coming from the building, asked this haired miss what Santa Claus had said to her when he gave the presents. . . . Frowning, the little beauty lisped, "Thank you to me to keep the line movin'."

A bugle headed for the scrap pile at MCRD, San Diego sounding forth at Boy Scout meetings in Norway, all due to a Norwegian who remembered Marines he met in K. Roseth, employed at his country's Vice-Consulate in San Diego. Former Scout leader in Drammen, Norway, wrote to MCRD, that bugles were hard to come by back home. He went on to tell the people of Norway know Marines for their record in two wars and Korea. Shortly thereafter, the renovated bugle, WWII and Korea, was on its way to the Land of the Midnight Sun just in time for Christmas.

Joe Smith Causes Post Office Dept. Extra Headaches

Averaging 30,000 letters a day during the current Christmas rush, letters addressed simply "Bob Davis, MCB, Camp Lejeune, N. C.," are causing Post Office personnel to lose valuable time in sorting mail.

Bob Davis, a very likeable person really, has 11 other friends, according to the Post Office files, all of whom are also named Bob Davis.

Joe Smith of political fame, has found asylum here on the base with more than two dozen of the same name.

J. Jones is another common receiver of mail. There are over 60 "J. Joneses" on the base.

Not long ago, a Camp order made its appearance on all bulletin boards stating that complete addresses should contain full name, rank, serial number and complete military address.

Dependents are also guilty of violating mailing procedures, receiving mail through their husbands simply "Mrs. Joe Smith."

With the holiday season in full swing, when addressing your greeting cards to friends and relatives, put your correct mailing address on the back, stating complete name, rank and serial number, and at the same time, urge the people home to use that address.

USNH Patients Hear Williston HS Choir

Under the direction of Mrs. Beryl C. O'Dell, 44 members of the Williston Concert Choir of Williston senior high school glee club, entertained a capacity crowd at the U. S. Naval Hospital last Monday night.

The choir presented a two-part, hour-long program to patients in the hospital auditorium.

The first part of the program featured general arrangements, including Daybreak and Strange Music. Part two was based on a Christmas theme, featuring Rudolph the Red-Nosed Reindeer and Silent Night, as arranged by the Fred Waring aggregation.

Although there are 102 singers in the glee club, the choir brought only a part of the group to Camp Lejeune. Soloist for the program was Lydia Aiken, accompanied by Joyce Brown and Carolyn McGhee. Student director of the choir is Robert Swett.

OWC Group III Plans Dinner Dance Dec. 22

Group III of the Officers Wives' club will sponsor a formal dinner dance at the Paradise Point Officers' club December 22.

Dinner will be served from 7:30 p.m. to 9 p.m. Dancing to the 2nd Division orchestra will be from 8 p.m. until 1 a.m.

Sitting service reservations should be made in advance by calling 6-6723.

CUTE PACKAGE AND A BRIGHT-EYED STARE—Sidney "Santa Claus" Collins of Camp Knox Trailer park seems to have found a friend in Miss Carolyn Ann Petrunich, but Louie Osborne Jr. finds the camera more to his liking. Over 350 gifts disappeared into the hands of the small-fry last Saturday afternoon, during the annual Christmas party.

WM Maneuvers

By CPL. JEAN DAVIS

Big surprises come in little packages, or so they say. This seems to stand true in regards to engagement rings and we'd like to congratulate Cpl's. Emma L. Curtis, Virginia Schwab and Pfc Jinny Munoz on their little packages.

Many happy returns of the day to SSgt. Constance Smith who celebrates her birthday tomorrow. Good luck in civilian life, Irene Cantu and Eleanor Cook. Both WM's were discharged December 17.

Attention, all women with their own automobiles. Check your driver's license to be sure when they expire. If they expire while you are in the Marine Corps, write your home state and see what terms they offer for service personnel in regard to driver's licenses. Don't take it for granted your licenses are good until the duration of your enlistment.

Another warning: Be sure you know the expiration date on your base registration. Don't let it expire and get your car cited. If you can't remember your expiration date, it corresponds with the expiration of your insurance policy. Be sure and know exactly what status your driver's license and base registration are in.

Hard work and much thought paid off this week for upper starboard squadbay when they learned they had won the award

for the best-decorated squadbay for the Christmas holidays. Complete with fireplace, dining room and an outside scene of a typical home, the squadbay gave an appearance of warmth and home.

The judges, Maj. R. Makowski, Capt. M. Mock and 1st Lt. M. Keiper, judged all four squadbays on originality and detail.

Sgt. Boyd Story To Be Aired Sunday

Telephone Time's story teller, John Nesbitt, will tell the story of a Marine master sergeant and how he virtually adopted a village of Korean children this Sunday on Channel 9 at 6 p.m.

The story is entitled, "The Sergeant Boyd Story." The real life hero of the Telephone Time story is MSgt. Don H. Boyd, now on duty as a Marine Reserve instructor in Springfield, Mo. After 20 years of service without seeing combat he was assigned to duty with a front-line company in Korea.

The TV story also tells of his trouble in bringing the unit up to a high state of discipline and how the company finally came to realize that his method was the right one.

His part is played by TV actor Pat McVey but the real Sergeant Boyd will appear at the end of the play.

That time again is 6 p.m. Sunday on Channel 9.

Hospital Christmas Program

A complete holiday schedule has been set up by the Naval hospital to make Christmas and New Year's a happy occasion for the patients.

Getting under way tonight, the program will be headed with Christmas recordings and the wards will be serenaded by the Girl Scouts of Camp Lejeune. Saturday will be the distribution of gifts by the Salvation Army with Sunday being open house in the recreation hall, including movies.

Monday evening will see the arrival of that jolly little man, Santa Claus, who will be accompanied by the Methodist Youth choir. Christmas Day there will be an open house in the recreation room in the morning, while the afternoon will bring carols once more, this time from the Women Marines of Camp Lejeune.

VARIETY . . . THE SPICE OF LIFE—Cpl. Joe McGinty, right, receives help from Red Cross recreation worker, Miss Annette Lavine, while making Christmas gifts in the U. S. Naval hospital.

Camp Lejeune Units Display Christmas

1st Bn., Sixth Marines

2nd Combat Service Group

3rd Bn., Sixth Marines

Although Christmas is celebrated around the world, many countries have their own distinctive customs and legends celebrating the holiday season which live from generation to generation.

In England, the ancient custom of burning the yule log is observed. Care is taken to save half of the log to start the fire the following year. Christmas Eve, children gather in large groups, and wander through the streets singing carols.

In France, children place their shoes in front of the fireplace, instead of the American custom of hanging their stockings on the mantel. Only French children receive gifts, as adults wait until the New Year to exchange presents and visits.

In Germany, family and neighborhood woodcarvers vie for top honors in the fashioning of ani-

mals and dolls.

In Italy, the family gathers in front of the fireplace to tell Christmas stories before sitting down to dinner.

Children in Finland disguise themselves as elves and help Santa Claus distribute his gifts.

In Japan school children celebrate Christmas with a bang, lighting fire-crackers and staging beautifully colored fireworks displays.

Here, at Camp Lejeune this week, Marines were preparing unit displays for the coveted General's Decoration Trophy which is awarded the organization considered by a committee of six as having the best display or decoration.

Whether at Camp Lejeune, in Tokyo, Seoul or Paris and whether the custom is to save half a log, or light fire-crackers, the object is the same . . .

TOURNEY NOTES—Everything but the kitchen sink was at stake on the first round games in the Shaw AFB tournament just completed. The best that a team could do if it lost the first game was to finish fifth, and that's exactly where the Lejeune team ended up even though it won the next two games. After dropping the opening tilt to Ft. Knox, the Marines were sentenced to the losers' bracket for the rest of the tournament regardless of whether it won or lost the last two games. Lejeune completed the tourney with a record of two wins against one loss, yet the fourth place team had a record of only one win against two losses. So Lejeune's record was identical to the teams that finished second and third. Also, the seventh place team had the same record as the team that placed fourth. . . . You figure it out!

★ ★ ★ ★

TOURNEY ENTRIES—There were eight teams entered in the tourney. Three were Air Force teams, two squads each representing the Army and Navy, with Lejeune the only Marine entry.

In the opening round of play, Ft. Knox downed Lejeune 115-82, Mitchell AFB beat MineLant 104-78, Ft. Meade whipped Keesler AFB 73-62 and Pensacola NAS dropped Shaw AFB by a score of 74-68.

The second round saw Lejeune down MineLant 73-60, Shaw take Keesler 94-68, Mitchell beat Ft. Knox in a 92-85 overtime game and Pensacola take Ft. Meade 69-65.

In the afternoon game of the finals, Lejeune tripped Shaw 100-66 and Keesler downed MineLant in a double overtime by a 101-97 score.

★ ★ ★ ★

MORE BASKETBALL—Parris Island is off to a good start with their '56 '57 basketball season, compiling a 3-1 record at the last report.

After dropping their opening game to Presbyterian college, the Islanders have scored wins over Charleston MineCraft, Elgin AFB and Moody AFB.

One of the big guns in the PI lineup is Wally McCarvill, who was expected to be a big cog on the local squad before his transfer to the recruit depot. McCarvill is the second leading scorer on the Islanders' squad, averaging 19 points per game. Local fans will get a chance to see him in action when the local cagers engage the Islanders here on February 19-20.

★ ★ ★ ★

FOOTBALL BANQUET—Outside of two hitches, the football banquet proved a big success as the players, coaches and invited guests sat down to a big steak dinner sponsored by Special Services and served by the Camp Cafeteria. The first hitch developed when the jackets, which were to be awarded to the players, failed to arrive. The other came about when they called out the name of the player receiving the Outstanding Lineman award and found out he wasn't there. The player was Ed Patterson. The reason he didn't show up—he had the duty.

★ ★ ★ ★

LOCKER ROOM HUBBUB—Bolling AFB defeated Ft. Hood 29-14 for the National Service Title in the Shrimp Bowl at Galveston. . . . The Quantico cagers took runner-up spot in the West Virginia Tech Warm-Up Tournament held December 7, at Montgomery, W. Va. They dropped a 76-75 decision to W. Va. Tech (the nation's highest scoring team last season) in the finals.

Cagers Trip Minemen 93-59, Lose To Ft. Gordon 87-78

The Camp Lejeune basketball team split in two games during the past week, getting by Charleston Navy "Minemen" by 93-59 and losing to the Ft. Gordon "Saints" by 87-78, in games played at the two bases.

The game with MineLant featured the sharpshooting of Don Laketa as he pumped in 30 points for the night. Laketa had the distinction of scoring the first 11 points the Marines scored and after that the game was no contest the rest of the way.

Jack Beck followed Laketa in the Lejeune scoring parade with 20 points and Terry Telligman was next with 14.

Baucum Hinson led the Minemen with 19 points, followed by Jim Chambliss with 16.

The game at Ft. Gordon was hotly contested from the outset and the outcome was not settled until

the final few minutes.

Lejeune held the highly regarded "Saints" at bay during the first half and was leading by 45-41 at intermission.

But after ten minutes of play in the new period the game was tied up at 61-61. Then Gordon began to hit on their free tosses and that was the ball game.

The Marines led in field goals by 35-30 but the Army team hit on 27 of 39 free throws to pull the game out of the fire.

Laketa and Beck were tied for high point honors for the Marines with 18 points each while Marv Leggett had 13 and Telligman had 11.

Hal Horan, first baseman for this year's varsity nine, hit 290 at Colgate university, while winning varsity baseball letters in 1953-54.

McCoy Hurts Locals In Tourney Opening Sinks 55 Points In Knox's 115-82 Win

"Dame Fortune" and "Lady Luck" grasped Julius McCoy by each hand and led him to 55 points to give his team, the Ft. Knox "Tankers," a 115-82 win over the Lejeune basketball team in the opening game of the Shaw AFB Invitational Interservice tournament last Thursday afternoon.

In piling up his 55-point total, McCoy had his best single game effort of his career shattered the old Shaw field house record of 46 points in a single game.

McCoy, the former Michigan State star, could do no wrong throughout the game as he was hitting on every possible shot.

Sixth Marines Keg League Underway

Company bowling teams started play in the Sixth Marines area last week, prior to battalion squad selection for the regimental championship slated to begin in January. The 2nd Battalion, due to their coming NELM cruise, is not competing. Standings to date are:

1ST BATTALION			
"A" Co.	7	1	0
"C" Co.	7	1	0
H&S Co.	4	4	0
Wpns. Co.	4	4	0
Officers	2	6	0

High game in this loop was by Arbey Lucas, "A" Company, with 200; high series was carded by John Homiski, "A" Company, with 551.

3RD BATTALION			
Wpns. Co.	5	3	0
"H" Co.	5	3	0
H&S Co.	4	4	0
Officers	4	4	0
"I" Co.	3	5	0
"G" Co.	0	8	0
	Won	Lost	

High game was by Bill Robshaw, H&S Company, with 215; high series was scored by Vince Caso, "I" Company, as he tallied 555.

PROVISIONAL BATTALION			
H&S (Reg't.)	4	0	0
42 Co.	4	0	0
Al. Co.	0	4	0
Officers (Reg't.)	0	4	0

In this league, Regimental H&S swept the statistics column. Their high individual game was by Hank Hodge with 202; high series totaled 529; high team game was 898; and highest team total remains at 2,464.

Following company team play for a trophy, the top players of each battalion will form the nucleus of their intra-battalion squads for the regimental championship. This winning squad will then represent the Sixth Marines in the Division tournament scheduled for February of next year.

an even keel for the first half and trailed by 49-39 during the rest period. But McCoy's one-man show began to tell when play was resumed and the Army squad pulled steadily away.

Jack Beck led the locals with a total of 18 points, followed by Don Laketa with 17. Terry Telligman rounded out the double-digit scorers for Lejeune with 10.

Frank Ramsey, the former Kentucky All-American, trailed McCoy in the scoring race for Ft. Knox with a total of 19 points.

The second day's pairings found the Lejeune squad matched with MineLant, a team they had defeated just three days previous by 30 points. But this time, the Navy team was not to take to defeat so easily, and the Marines had to fight all the way to pull out a 73-60 win.

Lejeune trailed by 29-26 at the half and needed 10 minutes of the second frame to overhaul the Minemen. But with Laketa pouring 17 points through the hoop in the final 10 minutes, the locals won handily.

Laketa was the high-point man for the Marines with 34 and was followed by Marv Leggett with 12. Telligman finished with 11.

Baucum Hinson led the Navy team with 15 points and was trailed by Don Barnette with 14.

The final round of the tourney found the locals paired with the host Shaw AFB "Flyers," and Lejeune proceeded to hand the Air Force team its worst defeat in history on its home court by the score of 100-66.

By winning this tilt, Lejeune captured fifth place in the tourney and shoved the Flyers to sixth.

The game was close for the first 10 minutes, but then the Marines' shooting accuracy began to show, and the score at halftime was 52-39 for the locals.

The second stanza was the same story as Coach D. E. Spencer of the Marines cleared his bench, and 10 players broke into the scoring column. Beck led the parade with a total of 26 points, Laketa was next with 22 points and Norm Pahmeier and Telligman followed with 13 and 15 points each.

Andy Juhl led the Flyers in scoring with 17 points and was trailed by Roland Tayler with 13 points.

'56 All-Sea Service Squads Announced

The NAVY TIMES has announced the 1956 All-Star aggregation makes up the All-Sea Service ball teams.

Although Lejeune failed to place a player on the first team, local players were mentioned in second and third teams.

Dick Frasor, Lejeune's star center, was honored on the second team, polling 621 votes as compared to Quantico's John Damone who captured first place with 1,600.

Bob Warren, Lejeune's guard, received the third team selection, 312 for third team selection.

Winner Of Olympic Medal Returns From 'Down Under'

Sergeant John R. McKinlay, after almost a year of TAD around 20,000 miles of travel, returned to Headquarters MCB, this week.

Returning, McKinlay brought with him one of the five medals won by Marine athletes in the 1956 Olympic Games recently completed in Australia.

McKinlay won his medal as a member of the four-man without coxswain team that placed second at that event behind Canada. He was the second McKinlay in a medal in this year's games, as his teammates were his brother Arthur, also a Marine, and two others. McKinlay participated in the Helsinki games where he finished as alternate on the team. In 1951 he was a member of the U. S. Championship team and in 1953 won in the U. S. Canadian four-man rowing team to become the North American champions.

February of this year, McKinlay was sent to Grosse Ile, Mich., where he proceeded to the Detroit area where his crew worked until June.

McKinlay's Olympic trials at Syracuse, N. Y., followed and here the crew finished first, outrowing 12 other teams to win the honor of representing the U. S. in this year's Melbourne games.

At Syracuse, McKinlay got the biggest thrills of his career, of course, came when he won the trials. In unexpectedly the most thrilling race ever, the team came in first, half a second ahead of the second place crew. On that half-second, a 16,000-mile round trip was made and the right to represent the country in the games.

McKinlay's first voyage was a 121 mile voyage, which he treasures as much as his Olympic medal. He received the following congratulations on the 1956 performance in the games: "Congratulations on the 1956 performance in the games which won for you

a place on the U. S. Olympic team. I am extremely proud of your feat and extend to you my best wishes for your success in Melbourne. (Signed) Commandant, Marine Corps." This telegram meant a great deal to Marine athletes as far as McKinlay could determine, only the Marine athletes received such congratulations from their commanding general.

Asked of his future plans, McKinlay said, "I am planning to keep in shape and give the Olympics another try in 1960."

He is attached to "B" Co., Hq. Bn., MCB. At present he is staying at the hostess house with his wife, Betty Lou, until they can find living quarters.

Monahan Wins 3rd Sail Race Series

In the third running of the frost-bite series held at Wallace Creek last Saturday, Paul Monahan sailed his last race before discharge for first place in one hour and 38 minutes.

Monahan was only one minute ahead of J. R. Mormond, who finished a strong second.

In third place was Harry Ellzey's time of one hour and 42 minutes.

Fishing has been at a standstill for the last week with only small catches being reported.

Saturday all the boats were out, and most of the motors were in action.

All personnel interested in competitive sailing are requested to be present at the boathouse before 12 noon Saturdays for the drawing of the boats.

'G' Btry Dons Crown As Tenth Marines End Cage Tourney

By PFC CHARLES C. IVES
2nd Division Information Office

"G" Battery, 3rd Battalion, overpowered H&S Battery, 4th Battalion, in the final game of the Tenth Marines battery basketball loop on Friday last week, 64-52.

Maintaining a seven-point half-time lead, "G" Battery monopolized all the breaks in the hotly-contested game.

Paced by Bill Gaddie, high-scoring six-foot center with 17 points, the "G" Battery Cannoneers swept their league with a 3 and 0 record. Defensively, player-coach Eric Wieler controlled the rebounding, as playmaker Roger Edlin displayed his talents at guard and broke double figures in scoring.

Friday's play climaxed a two-day tournament among the four battery team winners in the separate battalion leagues. Semi-finalists included "B" Battery, 1st Battalion against H&S Battery, 4th Battalion, and "F" Battery, 2nd Battalion, against "G" Battery, 3rd Battalion.

Tenth Marines hoopsters will start a 20-game round-robin league among their five battalions in January. Nomination to the 12-man battalion squad from the battery teams will find 2nd Battalion scouts prospecting in defense of their last year's regimental cage crown. The Cannoneers also copped the Camp title last year, though edged in the Divvy finals by a fast-moving Provisional Battalion, Sixth Marines, team.

Under the Tenth Marines' concept of the hoop-loop, a maximum number of men become eligible for the battalion and regimental leagues from their performance throughout the preceding level of play. Winning squad of the regimental league will represent the Tenth Marines in the Division tourney, scheduled for February.

During an informal ceremony following the game, Col. Ransom Wood, regimental commander, presented the team trophy and congratulated the players on their performance and sportsmanship.

COLLECTING THE SILVERWARE—Col. Ransom Wood, Tenth Marines' regimental commander, presents the battery basketball championship trophy to 1st Lt. Eric Wieler following the final game of last week's tourney as teammates look on. Player-coach of the "G" Co., 3rd Bn., team, Wieler sparked his team to a 64-52 win over H&S Co., 4th Bn.

Hq. Bn., MCSS Take Lead In MCB Intramural League

Headquarters Battalion and Marine Corps Supply Schools took over as dual leaders of the MCB intramural basketball league after another round of play last week.

In the first game reported, Hq. Bn. ripped through Eng. Sch. Bn. for the highest scoring spree of the season as they walked away with a 109-34 victory.

Paced by the accurate shooting of D. Jensen who wore out the nets by dropping in 44 points, the Headquarters squad remained unbeaten and a strong contender for the base championship.

A. Green, Headquarters guard, aided the cause by hitting for 27 points, while M. Potts, center, came through with 20.

For the losers, D. W. Moberly took the scoring lead with nine and W. G. Swenkenson was close behind with eight.

In a game played December 12, MCSS downed a scrappy Naval Hospital team by a 61-45 score.

The Navymen put up a good battle against the league leaders by holding the power-packed Supplymen to only 24 points in the first half while racking up 19 for themselves.

The big gun in the game was Supply School's Theodore Fields who stripped the nets for 19 points to lead both teams in scoring. Following Fields were John Finn with 13 and Ed Miller with 12.

For the Hospitalmen, T. E. White, D. R. Rogge and D. T. Cobb each contributed 10 points.

The 1st ITR, after dropping their first game to the strong Hq. Bn., caught fire and took two wins last week, stopping the Rifle Range and Service Battalion.

Now tied for second place with the MP Bn., the Infantrymen had some trouble with the Rifle Range as they held a slim, 32-29, halftime lead, but were never headed and went on to take a 65-59 win.

L. Vaccralli, with 28 points, backed up by L. D. Bakken and E. S. Tait with 17 and 16 respectively, paced the winners, while J. G. Kiser's 19 points and J. H. Taylor's 12 dominated the scoring for the Rifle Range.

In their second showing last week, the Infantrymen took the measure of Service Bn. by a 75-35 decision. This was their strongest showing of the season as they held the Servicemen to only 14 points while racking up 40 during the first half.

Tait, Vaccralli and Bakken again led the winners with Tait hitting for 23, Vaccralli for 15 and Bakken for 10.

Samuel Reyonlds was high scorer for the Servicemen with 13.

Over 30 Million See Divvy Drum And Buglers Perform

An estimated 30,049,084 persons were looking on last Sunday when the crack 2nd Marine Division Drum and Bugle Corps put on a performance at the half of the Chicago Bears-Detroit Lions professional football game in Chicago.

The organization, led by TSgt. Leonard Lanier of Goldsboro, N. C., was well received by the 49,084 fans who saw the Bears whip the Lions, 38 to 21 for the Western Conference championship in the National Football League game. They applauded the unit as it marched from the field, continuing until the corps had left the playing area.

The Columbia Broadcasting System carried the game on its television network, with an estimated 30 million persons looking on. Gene Kirby, who formerly worked with Dizzy Dean during the baseball season, handled the half-time commentary and praised the Division unit for its performance.

Sgt. Lanier put his corps through its paces immediately following the Naval Aviation Cadet Drill Team of Pensacola, Fla. As the public address announcer boomed out a welcome to the Lejeune Marines, they stepped off into the same routine that won praise from Marine Corps Commandant, Gen. Randolph McC. Pate, earlier this year.

Time limitations cut the routine short, but the top elements were still there. The unit drew its biggest applause when it formed a replica of the famous raising of the United States flag on Iwo

Jima.

During the unit's presentation, one of the game's referees was asked about the roughness of the contest. He said that the game was one of the "roughest that I have ever seen." Then he looked toward the field and said, "Those guys out there now are plenty tough, too, when they have to be," indicating the Marines with a nod of his head.

Mrs. Sudeck's 561 Take Year's High Series In OWB Play

Mrs. Roy Sudeck, bowling a scratch score of 561, rolled the highest series of the season in the Officers Wives' Bowling league last week. In gaining this honor, Mrs. Sudeck rolled individual games of 215, 210 and 136.

With a handicap, she rolled high game of 226 and high series of 594 to take honors for the evening.

Mrs. Clyde Brewer added laurels to her bowling when she also came through with a 200 scratch score the same night.

Mrs. H. Lightle came in for her share of honors by taking high average with a 143.

In the standings, the Dunderheads still managed to hold on to top spot with 23 wins, 13 losses and 32 points. Following in second place is the Ten Hopes with 20 wins, 16 losses and 26 points.

Third place belong to the Hep Cats who have compiled a 19-17 record to total 26 points.

LYNCH MEDALS—Sgt. John D. McKinlay and his wife, Betty, are an admiring glance at the two medals he received at the Olympic Games in Australia. Mrs. McKinlay holds the Silver Medal awarded to her husband as a member of a rowing crew. The medal which John is presented to all contestants, on the Olympic principle that the important thing is competing, not winning.

22 KILLS

That's the number of deer local hunters bagged during the December 15 hunt here. Each of the seven groups reported at least one kill with huntmaster Lt. Col. W. W. Kaenzig and Group "B" topping the day's effort by getting seven in Area 6. (See photo below.) Other groups, their areas and kills were: Group "A," Area 5, five kills; Group "C," Area 3, three kills; Group "D," Area 7, two kills; Group "E," Area 4, one kill; Group "F," Area 1, three kills, and Group "G," Area 2, one kill.

As in past hunts, the number of does seen far exceeded the bucks. On Saturday's hunt, the hunters counted 287 does during their trek in the woods.

Well, the season is slowly coming to a close and local hunters will focus their attention on other type of game. Next Saturday, the last of the special deer hunts will be held. This will be followed by the regular hunt of December 29 which will close out the season. For the special hunt coming up, the "Old Angler" hopes that they have better luck than on their last outing December 8 when the group spent a dismal day in the woods with only one kill to show for it.

DUCK AND GEESE

Duck hunters have been calling all week long trying to find out when the season opens around here and after checking up on the situation, I finally came up with this little dope. The duck season has been in since November 7 and will run through January 14, along with the regular North Carolina season. As for hunting ducks on the base, the only restriction is that you can't hunt in the area reserved for deer hunting on the days a deer hunt is scheduled. The day that would concern you is the 29th of this month when the last hunt of the year will be held.

Several of the callers have asked if they need a license to hunt duck on the base. **YOU BETTER BELIEVE IT.** All hunters must have in their possession a valid North Carolina State or Onslow County hunting permit and those hunting migratory water fowl must have a Federal "duck" stamp. By the way, the hunting permits can be purchased at the Marine Corps Exchange, but you must get the "duck" stamp at the post office. The Federal regulations on duck hunting are posted in all post offices. The next time you're at one, look them over. Don't go off hunting or fishing without looking up the regulations. It's better to be safe than sorry.

FISHING NIL

No reports on the fishing situation came in this week. After printing that picture of the trout catch recently, I was looking for the fishermen to go out in droves. If they did, either their luck was bad or they were keeping the good news to themselves.

I took a trip down to Surf City Sunday afternoon. The pier was crowded with hardy men, women and kids, but very few fish were being caught. Some surfcasters were lined up along the beach but their luck seemed to be running about the same.

COLUMNIST PRIVILEGE

One thing about writing a column is that once in a while you can slip in something that might not otherwise find its way into print. Here is a poem written by the "Old Angler," and, although the GLOBE doesn't usually print poetry, maybe they will let this go by. Being a fresh water fisherman and doing most of my fishing in the mountains for trout, this thought came to me during the winter while waiting for the trout season to open on April 5. Here goes nothing:

THE TROUT FISHERMAN

When April arrives, a fisherman's dream,
Comes to life in some mountain stream,
And hundreds will drive for miles about
To match their wits against the big trout.

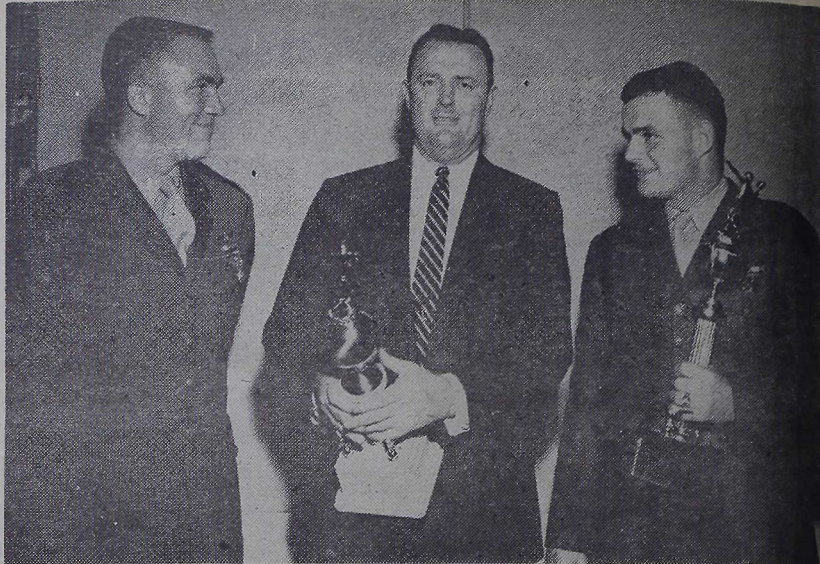

It may be raining—there may be clear skies,
Some will try worms, some spinners or flies,
And there in the stream they quietly wait,
For the Mountain trout to take the choice bait.

Then all of a sudden the line will get tight,
As the fish in the stream begins a great fight,
Big or small? You can't tell by the feel,
So play him slow—if he goes in your reel.

Some men their limit they'll surely get,
While others go home just cold and wet,
But each will go back another day,
And luck might reverse the other way.

Stories will spread both night and day,
Not only of "kills", but of what got away,
Of their favorite streams: their holes,
and then—
Of what they will do when they go there again.

When the season is over and the fishing "bugs" flown,
The fisherman's mind will again start to roam,
For the rest of the year, they'll just sit
and dream—
Of the trout in his home, in some mountain stream.

Mrs. Elder, Pearsall Top Christmas Play

Members of the Women's Golf Association held their Christmas party at the Paradise Point course this week.

Following nine holes of golf, the members enjoyed a luncheon of barbecued hamburgers, baked beans, cole slaw, cookies, potato chips and coffee, and then awarded prizes to the winners of the day's matches. The prizes, brought by each member of the club, were chosen "grab bag" style, with the choice being made in the order of wins.

In a "most" match, winners were determined by previously-set numbers. "A" flight winner went to the golfer with the most fours, "B" flight, for the most fives, "C" flight, for the most sixes and "D" flight, for the most sevens.

"A" flight match wound up in a tie between Mrs. Mary Elder and Mrs. James E. Pearsall who came in with four fours each.

"B" flight went to Mrs. Gene Storm who carded four fives, while Mrs. Harry A. Hadd took runner-up spot with three.

Mrs. Robert Sisler, with four sixes, took honors in "C" flight and Mrs. Edner Miller scored three sevens to take "D" flight competition.

The next meeting of the club will be held Friday, January 4. Tee-off time is 8:30 a.m.

REVERSE TOURNEY

The reverse tournament scheduled at the Paradise Point Golf course, will begin at 12 noon tomorrow.

PP Golfers Grab 78 Gobble In Weekend Turkey Match

Seventy-eight turkeys changed hands last week as a result of the turkey shoot held at the Paradise Point courses.

A novel arrangement of golfing feats from pitching, putting, blind bogies, closest to the pin on the 2 and 18 green on course No. 1, and 2 green on No. 2 course, plus the longest drive were the feats performed for old "Mr. Gobbler."

Steve Burek and Duane Fultz brought home the highest number of fowls, each winning four turkeys.

Burek and Fultz shared the same events that brought home the birds, putting, pitching on both days of the tournament play.

Eight golfers were on hand to claim three turkeys each, they were R. L. Canham, F. L. Williams, Al Greer, Hank Kajdacz, M. O. Sadler, Don Albert, Andy Nash and Bob Sisler.

Jack Gibson was awarded a turkey for his fine effort in getting closest to the hole on the 3 green of course No. 2.

Double turkey winners were G. Swenson, H. W. Schlichting, N. G. Becker, A. Nalewanski, and S. F. Whittington.

3rd Bn., 6th Mar., Takes Over Staff NCO Keg Lead

The 3rd Bn., Sixth Marines, rolled their way into first place after another week of play in the Staff NCO Bowling league.

Thursday's bowling saw S. T. DeLong take high individual game with a total of 225 pins and second place going to J. E. Wray who bowled 213.

Wray backed up his second place effort with a first, when he ran his games total to 579 to take the week's high series. D. F. Donnell's 537 merited him runner-up in this category.

Program Notes

By TSGT. DOM DE FILIPPI

Pianist Joe Saye is the kind of artist for whom one earnestly wishes a success commensurate with his talent, for his story is one of continuous battles against a series of hardships.

Joe was born in 1923 in Glasgow, Scotland, and lost his sight at the age of two. When he was five years old, he began private piano studies under the tutelage of William Grubb and by the time he reached his 14th birthday, he was signed by bandleader Roy Fox as feature accordion soloist.

TSGT. DE FILIPPI

After a short time with the group, Joe had to return home for another in a series of eye operations which he had been undergoing through the years. Recovery was slow, and before he was well again, Fox had left the country leaving Joe jobless. His determination to continue his musical career led him to the theater, where he spent the next seven years doing bit parts on the vaudeville stage.

In 1948, after many trying years, Joe formed his own trio and after a successful tour of Holland in 1950 his talents were

once again recognized and engagements in London's night clubs followed. It was this time that he was also chosen to appear as guest star on Heath's Palladium concert.

After three American were delayed due to family business, in 1955 Joe Saye and family made the Atlantic and he made his American debut at the keyboard at the hemia in New York City. Club dates followed for our list and then in a short time made his debut on wax.

Listen on Sunday at 2:30 when radio station WCLB presents "Sophisticated Swag" featuring Scotland's Joe and "Scotch on the Rocks."

At 10 o'clock on Christmas day, radio station WCLB presents the "Christmas Show" a musical extravaganza by Robert L. Smock with Epic choir singing the most ed Christmas carols.
