## Navy Relief Fund At \$40,000 As Drive Enters Final Week

With the return of the 3rd Bn., Sixth Marines (Reinf.) from the Mediterranean and the adding of their contributions to the current Navy Relief Drive, results indicate last year's \$33,526.73 total has thus far been topped by nearly \$7,000.

Up-to-date total for the drive ending next Tuesday was incomplete, but was known to be over the \$40,000 mark at GLOBE presstime.

A breakdown on the 3rd Bn., Sixth Marines, effort reads like quotations from the National Banking Exchange. It goes like this: 2,589 French francs, 215 Greek drachmas, 5,980 Italian lira, 2 Turkish lira, 850 Spanish pesetas, 1 British florin, 5 shillings, and \$1,556.56 American—for a grand total of \$1,601.07.

sonnel reveals that last year the Navy Relief Society provided gratuities and granted loans amounting to more than four million dollars, while processing 66,685 cases.

The local Auxiliary is located in Bldg. 41. Those seeking aid should present themselves in person, prepared to identify themselves and the need that exists.

## Gala D. C. Reunion Set For June 24-26

Local vets of the 1st, 3rd, 5th and 6th Divisions, along with those who served in FMF units, including aviation, are in line for the "biggest and best ever" when the Fleet Marine Force Concurrent reunion holds sway in Washington, D. C., June 24-26.

Primarily planned as a reunion for those who have served in more than one division, and those who served in FMF units with no formal association to represent them, the Concurrent reunion will feature separate division get-togethers as well.

Marine Corps Base here will attempt to arrange transportation for persons desiring to attend. All names from Tri-Command units must be submitted by June 17, and CO's have been requested to turn over such names to the coordinating command.

STAND BY, WASHINGTON!—The Joint Marine Reunion Committee maps its plans for the first combined reunion of the 1st, 3rd, 5th and 6th Marine Divisions which will be held in the Capitol City June 24, 25 and 26. Col. Donald L. Dickson, USMC (Ret.), Program Editor, shows the Joint Reunion Chairman Maj. Gen. Merritt A. Edson, USMC (Ret.), the proposed cover for the Reunion Program book. Kibitzing the consultation are (right, seated) Waller R. "Jack" Miller, 5th Marine Division Chairman, and (standing, left to right) Col. Raymond F. Crist, USMC, 3rd Marine Division Chairman; Capt. E. C. Clarke, USMC (Ret.), 1st Marine Division Representative, and Col. R. H. Williams, USMC, Parade and Memorial Service Chairman and 6th Marine Division Representative. Headquarters hotel for the 1st is the Willard; for the 3rd, the Raleigh; the 5th, the Statler, and the 6th, the Mayflower. For further information write: Joint Marine Reunion Committee, P. O. Box 606, Alexandria, Va.

## Division Marine Becomes Eighth '55 Traffic Fatality

An allegedly speeding auto that ran off Highway 17 Saturday morning last week and overturned three and a half times before coming to rest upside down on the pavement brought death to one Tri-Command Marine and injuries to three others.

It was the eighth traffic fatality of the year in the Tri-Commands and the second in the past two weeks. Thirteen traffic deaths had occurred in the commands as of this date last year.

Dead on arrival at the Naval hospital here was Pfc Leonard Banks, 20, "H" Co., 3rd Bn., Second Marines. Injured were: Sgt. Ernest W. Diggs, H&S Co., First Infantry Trng. Regt., driver of the car, lacerations of the head and hands; Pfc Charles Mosely, "H" Co., 3rd Bn., Second Marines, lacerations of the head, and Pvt. James D. Dixon, Wpns. Co., 1st Bn., Eighth Marines, lacerations of the right leg.

Diggs was booked for speeding and reckless driving by the North Carolina State Highway Patrol, the Patrol's Jacksonville

station told the GLOBE this week. Under North Carolina law, the charge will become manslaughter when the case goes into court.

Sgt. Eugene T. Beach, traffic investigator with the Traffic Investigation Division of the Camp Provost Marshal's office, said the accident occurred when Diggs reportedly lost control of the car on a curve near the intersection of Highways 17 and 172, south of Jacksonville at 5:45 a.m. Saturday. The car was traveling north.

Beach said Diggs told him he saw the curve ahead, but ran off the left side of the highway as his auto approached the turn. Diggs was reported as saying the car then crossed the pavement to the right-hand shoulder and continued to weave and roll until coming to rest bottom-up 150 feet further down the road.

The entire top section of the 1952 Chrysler hard-top was sheared from the frame of the car and left an estimated 50 feet from the overturned vehicle, with Mosely and Dixon still inside the metal shell. Diggs and Banks were trapped inside the passenger compartment of the car.

Investigators said fatigue may have been a contributing factor because the men said they had been up all the previous night before starting the drive back to Camp Lejeune.

## RESERVE VACANCIES

Fifty vacancies now exist for Reserve officers in critical categories who desire extended active duty or Standard Written Agreements (SWAG).

A standing board at HQMC will consider all application immediately.

All applicants must be on active duty at this time and have extended duty, SWAG or obligated service expiration dates before July 1, 1956.

Further details may be obtained from ALMAR 21.

## Three 2nd Division Officers Given New Duty Assignments

Col. Alexander A. Vandegrift Jr., Division Inspector; Col. Thomas W. Brundage Jr., CO, 2nd Shore Party Bn., and Lt. Col. Arnold W. Harris, Division Communications and Electronics officer, all departed for new assignments this week.

Colonel Vandegrift will take command of the Marine Barracks, Norfolk Naval Shipyard, Portsmouth, Va. Colonel Merritt Adelmann, presently Assistant Chief of Staff (G-3), will take over temporarily as Division Inspector.

Colonel Brundage was relieved by his executive officer, Lt. Col. Jack R. Edwards, and will report to FMFPac, at Pearl Harbor, Hawaii.

Colonel Harris, who will report to Marine Corps Headquarters, Washington, D. C., is relieved by Lt. Col. Herbert H. Hawkins.

## SHOP SCOOP

Joab Cotton Jr., new office of Midway Park Shop announces the Shop will remain closed until October, however, persons to make donations may call him at 7-3760.

WHAT DO YOU PLAN TO DO ON YOUR FIRST "96?"

**PFC JAMES T. STAULCUP, SERVICE CO., SERVICE BN., MCB** — I don't know for sure yet, I haven't had much time to make plans. I'll probably go up to Wilmington, Del., to visit some friends of mine, since I don't ordinarily get a chance to see them.

**CPL. ALLAN R. ZIEMANN, "B" CO., 8TH TANKS** — If it's at all possible I'll go home to Milwaukee, Wis. It won't leave an awful lot of time for visiting, but at least I'll be able to rest up and see a lot of my friends. (Ed. Note: You'd better charter a jet!)

**SGT. LARRY C. WILLIS, 42 ROCKETS, CAMP GEIGER** — I'm going home. A weekend in Roanoke Rapids, N. C., with the family sounds great. It will be swell to spend a couple of days catching up on sleep and enjoying my Mom's cooking.

**PFC WILLIAM B. FITZGERALD, 42 ROCKETS, CAMP GEIGER** — I'm going to take off for home, Nashville, Tenn. If it's hunting season I'll probably do a little hunting but if it's not I'll just rest up and enjoy a few days with the family.

**PVT. BOB H. FANSLAW, "A" CO., 8TH TANKS** — I'm going to try to get home to Chicago and see my family and my girl. I might even take my nephew to the zoo if it's open. It won't give me a lot of time, but even a day or two at home sounds great to me. (Ed. Note: Another jet customer.)

**CPL. DARELL C. SHAROCK, "A" CO., 8TH TANKS** — A quick trip home to Toledo, O., where I can enjoy some home cooking and get together with some of my buddies sounds pretty good. I sure am looking forward to that "96."

## Fox Company Wins 2-Day Field Meet; Training Exercise

"Fox" Company combined skill, ability and appetite to mass 59 points to win a 2nd Bn., Second Marines training exercise and field meet held on range G-17 last week.

The two-day event started with a training exercise where members demonstrated the function and employment of crew-served weapons. Competition in field stripping of weapons, relays, races, tug of war, and pie-eating contests highlighted second day activities.

Final tally of events showed the winner closely followed by "Dog" Company with 56 points.

As part of the training exercise, members of the battalion marched to and from the area and established an overnight bivouac for their stay in the field.

## 8 Tri-Command Marines Complete MCI Courses

The Marine Corps Institute has announced that the following Tri-Command Marines have completed MCI courses indicated:

Second Lt. William L. Lafferty, 2nd Bn., Second Marines, principles of radio I; TSgt. Frank Anderson, Hq. Bn., 2nd Division, principles of radio I; TSgt. Homer J. Darghe, 2nd Tank Bn., principles of diesel engines, and Cpl. Thomas W. Haake, 2nd Combat Service Grp., principles of radio.

Also: Cpl. Donald J. Bauer, 2nd MT Bn., practical automobile mechanics; Cpl. Joseph J. Stepenosky, 2nd Bn., Tenth Marines, technical mathematics; Pfc Reiney L. Hoover, 2nd Ser. Regt., typing, and Pfc Bert A. Mezo, H&S Co., 2nd Amphibs, principles of diesel engines.

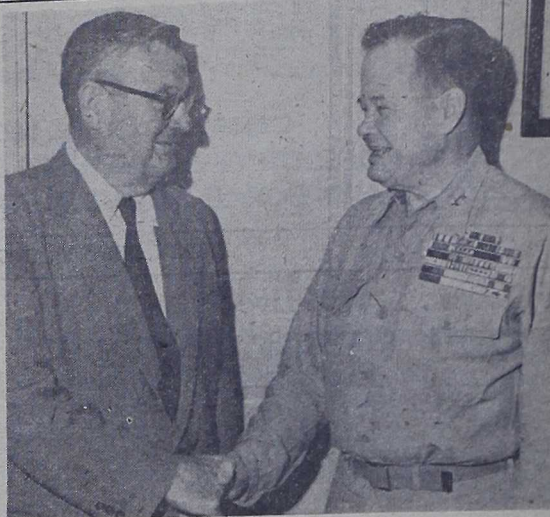

Sign at a railroad crossing: "The average time it takes a train to pass this crossing is 14 seconds, whether your car is on it or not."

**BIG NOISE**—A gunner from the 2nd Bn., Tenth Marines, pulls the lanyard of a 105mm howitzer and ducks away from the recoil, during firing exercises at Fort Bragg, N.C. The regiment, plus units from the Second, Sixth and Eighth Marines, MCB, and Force Troops, is presently undergoing a three-week field problem at the Army reservation.

In a hurry, driver? It's not good for your health. And it's literally death on wheels on the road. Don't be a "Hurry Bug." Slow down and live!

**REUNION**—Maj. Gen. Lewis B. Puller and Capt. Charles D. Baylis, USMC, (Ret.), who took the general through boot camp nearly 40 years ago meet again when the captain paid the general a social visit here last week.

## Old-Timer Who Took General Puller Through Boot Camp Pays Social Call

Capt. Charles D. Baylis USMC, (Ret.), who took Maj. Gen. Lewis B. Puller through boot camp paid a social call on the five-time Navy Cross winner last Thursday to renew an acquaintanceship that began in 1919.

Captain Baylis, who retired in 1932 after 32 years of active duty, was General Puller's Commanding Officer through boot camp and later served with him in Nicaragua and at several stateside duty stations.

The retired Marine captain also served as Maj. Gen. John A. Lejeune's sergeant major from 1911 through 1917 and still carries a dog tag from his first five-year enlistment, which expired March 7, 1905.

The affable veteran claims to be only 40 years old, but hastened to add he had no worries about being recalled to active duty—since there was no reserve clause when he signed up!

He assayed General Puller, a veteran of more than 36 years of service and one of the most decorated men in Marine Corps history, as a "promising young officer with a bright future."

## Annual Reunion In Sight For 2nd Divvy Association

The 2nd Marine Division Association will hold its sixth annual reunion at the Roosevelt Hotel, New Orleans, La., July 15, 16, and 17, according to a recent announcement by Hugo V. Genge, association president.

Nearly 2,000 present and former members of "The Silent Second" in addition to numerous distinguished guests are expected to attend.

Gen. Lemuel C. Shepherd Jr., Commandant of the Marine Corps, heads the list of distinguished military commanders invited to take part in the festivities. Others include Lt. Gens. Julian C. Smith, Thomas E. Watson, Leo D. Hermle and John Marston, all retired.

The 3rd Division's present commander, Maj. Gen. James P. Riseley, has been extended an invitation, as has 2nd Division Commander, Maj. Gen. Edward W. Snedeker.

New Zealand, the Division's World War II "home away from home" is expected to be represented by His Excellency, Leslie K. Munro, New Zealand's Ambassador to the United States, and His Ex-

cency, L. S. A. I. Commissioner for New Ottawa, Canada.

The real heroes of the Division — those who lives — will be honored at a memorial service conducted by the Rev. L. Lumpkin, wartime chaplain.

Anyone wishing to reunion or desiring information may contact Genge, at 2678 N. Chicago 14, Ill., or W. Secretary, at 2526 Drive, Lemay 23, Mo.

Anyone who has the 2nd Marine Division for membership association.

Capt. Harold T. Wolfe, Bldg. 320, has forms available for persons and will furnish information concerning the membership association and the Association.

An east-west railway service which would benefit Camp Lejeune and outlying military facilities is in the offing during the current Interstate Commerce Commission hearings at Goldsboro where a discussion regarding the sale of the Atlantic and East Coast Line to the Southern Railway is in progress.

To aid Armed Services and, in particular, Marine Corps interest in such a development, two Camp Lejeune officers are attending the hearings. They are Col. John M. Davis, assistant Chief of Staff, G-4, and Maj. Hubert G. Bozarth, Camp Camp Maintenance officer.

The presence of the two officers at the hearings adds to the local support by Jacksonville residents, headed by Mayor Marion A. Cowell, and the approval by the Armed Services committees of both the House and Senate.

The Congressional approval was given to the Southern Railway proposal to lease the Camp Lejeune railway.

Opposing the sale is the Atlantic Coast Line which has rail service in the Jacksonville area, though only for freight hauling.

The hearings, conducted by an ICC examiner, began Wednesday morning at the Federal building at Goldsboro.

## Triple A Battalion Joins 4 Batteries; Executive Officer

Four new letter batteries were formed Wednesday by the 3rd Antiaircraft Artillery Automatic Weapons Bn., which was activated at Stone Bay May 2 as part of the Marine Corps Base.

In addition, the newly formed battalion joined Capt. Thomas I. Gunning as executive officer. He arrived from Marine Corps Schools, Quantico, after attending Army Gunnery school at Ft. Bliss, Tex.

The battalion, commanded by Lt. Col. Henry S. Massie, is expected to eventually become part of Force Troops.

The newly-formed batteries are A, B, C, and D, commanded, in that order, by 2nd Lts. Jefferson Alison, Walter H. Davis, Richard M. Jones and Richard W. Walker.

Headquarters and Service Btry., which was formed at the time of the battalion's activation, is commanded by 1st Lt. Byron W. Keagle.

The unit will operate solely with self-propelled weapons: quad 50's mounted on half-tracks and twin 40's set on light tank chassis.

## New Storage Bill Asked By Defense

Marines and other Armed Forces personnel will be able to store their household good on a "non-temporary" basis when they receive permanent change of station orders, if Congress acts favorably on legislation asked by the Defense Department.

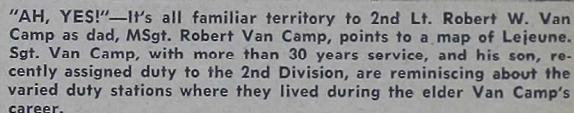

Present law limits commercial storage to a six-month maximum.

Indications are that the new bill would save money, as household goods stored under the present system have to be packed and shipped to the nearest military storage facility after the six months has elapsed.

The Defense Department stressed the saving through leaving household goods in permanent storage at a commercial warehouse when overseas orders call for such action.

### TOASTMASTER BID

All sergeants and below who are interested in forming a Toastmasters club are invited to attend a meeting at 7:30 p.m. Wednesday at the home of Sgt. Robert L. Ellis, 439 Butler dr., Midway Park.

## Close Contact With Corps Brings Bars For MSgt.'s Son

When brothers serve together at the same Marine Corps Base it is a bit unusual, but when a father and son serve at the same base, it is even more so.

When 2nd Lt. Robert W. Van Camp of "I" Co., 3rd Bn., Second Marines, reported to the 2nd Division April 28, he was greeted by his father, MSgt. Robert Van Camp, NCO in charge of a rifle range here.

The younger Van Camp has been around the Marine Corps most of his life, living with his father, a career Marine.

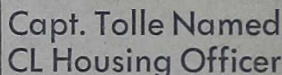

Sgt. Van Camp was a member of the Active Marine Corps Reserves in New York when his son was born. Recalled to active duty in 1942, he has since served as a rifle coach.

Since his recall the Van Camps have lived in a variety of homes, from Camp Lejeune, Quantico and Philadelphia to a Quonset hut on Guam, which the elder Van Camp built himself.

Before entering the Active Reserves in 1928, he served as a mail guard in 1921, in San Domingo, at Tientsin and on the Yangtze River patrol aboard the USS Sacramento.

With over 30 years' Marine Corps service, he is awaiting retirement.

Lt. Van Camp, a graduate of Springfield college (Mass.), received his Marine Corps commission here last October. His father witnessed the ceremony.

Capt. David S. Tolle became Base Housing Officer Tuesday, relieving Maj. Alonzo C. Thorson, who is returning to inactive duty June 30.

A Bronze Star winner in the Korean conflict, Captain Tolle served as communications officer

CAPT. TOLLE

The Base Housing Officer is responsible for the allocation of housing both on and off the base. Government-controlled housing in this area includes: BOQ, MOQ, Midway Park, Tarawa Terrace, New River, Northwoods, and the trailer parks at Camp Geiger and Camp Knox.

## Old North State Offers Wide Variety Of Top Summertime Vacation Spots

If you have not visited or used the varied facilities offered at North Carolina State Parks now is the time to do so.

This is the advice coming from Director Ben E. Douglas of the Department of Conservation and Development, the State agency which, among other duties, has the responsibility of administering the system of State Parks.

Director Douglas says the growing popularity of the State Parks is shown by the fact that during 1954 more than 1,600,000 persons visited and used facilities of the parks. He hopes an even larger number will visit the parks this year.

Admission to and parking in the State Parks is free. Park visitors will find food and soft drinks at conveniently located refreshment stands.

Swimming, boating, camping, nature study, and other entertainment are provided at the parks. "The parks have everything a person needs for a healthful, restful stay, however short it may be," Douglas says.

State Parks are located in the following counties: Cliffs of Neuse

in Wayne; William B. Umstead State park in Wake; Fort Macon in Carteret; Hanging Rock in

An increase of 89 hotels, motels and other guest accommodations with 2,799 additional rooms is shown in North Carolina for 1955 by the new Collins' Travelbook of North Carolina, now available free from the Dept. of Conservation and Development, Raleigh, N. C.

The 104-page book lists 1,141 hotels, motels and other facilities with 35,586 guest rooms from the Great Smokies and Blue Ridge Mountains to Atlantic Ocean beaches. It gives concise information about vacation attractions and facts about the 176 communities included in the book, and contains a center-spread map of the "Variety Vacationland" State.

## Navy Conducting Cartoon Contest

A cartoon contest for all naval personnel on active duty is being conducted by the Navy's Bureau of Personnel.

The contest, on a Navy-wide basis, is to provide a recreational opportunity other than sports, and will be conducted entirely by mail.

Comic (gag or situation) cartoons, to be acceptable, must have a Navy theme background, must be in good taste, and be suitable for general consumption.

Interested persons may get complete information from BUPERS Notice 1700.

## Armored Amphibs Get New Skipper: Lt. Col. R. J. Parker

Lt. Col. R. J. Parker assumed command of Force Troops' 2nd Armored Amphibian Bn. during formal ceremonies at Courthouse Bay last Tuesday, relieving Lt. Col. A. W. Watson, who was released to inactive duty.

Colonel Parker had earlier been relieved as executive officer of the battalion by Maj. Charles F. DeKeyser, who reported here from MCAS, El Toro.

A graduate of the University of New Hampshire, Colonel Parker entered the Marine Corps in 1942. After completing officers' training at Quantico, he joined the 3rd AmTrac Bn., serving as a platoon leader both at Camp Lejeune and later in combat at Bougainville.

He was named operations officer, 4th AmTrac Bn., and served in that capacity during the recapture of Guam and the assault on Okinawa. The colonel commanded the 1st Armored Amphib Bn. in Korea in 1952-53.

Upon his return from Korea, he was a student at the Junior School, Quantico, before his assignment to Force Troops.

## Sgt. Punchard Wins NCO School Honors

Top honors for class nine of the 2nd Division's NCO Leadership School went last Friday to Sgt. Lester G. Punchard of "E" Company, 2nd Bn., Second Marines.

Sgt. Paul C. Monahan, First Infantry Trng. Regt., took second place honors.

Col. George W. Hays, CO, Second Marines, and guest speaker at the graduation exercise, presented diplomas to the 39 graduates. While enrolled in the school, the men receive training in small arms, mapping, combat formations, techniques of military instruction and related subjects.

## Board Names 2,386 Permanent First Lt.

Marine Corps Headquarters announced last Friday that the Reserve officers selection board, headed by Lt. Col. Henry S. Campbell, recommended 2,386 temporary first lieutenants for a permanent appointment to that grade.

Headquarters also announced that a Naval Examining Board had recommended 78 Reserve second lieutenants for temporary appointment to first lieutenant.

The Boards convened on May 16 considered only Reserve officers on duty with the Reserve establishment or in an inactive status.

Officers selected will be notified individually of their selection.

## Five Championships, Lauchheimer Trophy, At Stake During MC Matches At Parris Is.

PARRIS ISLAND, S. C., June 6—For the first time in history, the Marine Corps Rifle and Pistol Matches and the awarding of the Lauchheimer Trophy will be held at the Marine Corps Recruit Depot here.

Some 212 Marine shooters, representing nearly 50 Marine Corps posts and stations throughout the world, fired the last practice rounds today in preparation for the matches.

Firing for the record begins Tuesday and will end June 14.

Generally speaking, five championships are at stake, as well as a position on the select Marine team which will represent the Marine Corps at the National Rifle Matches at Camp Perry,

O., later this summer.

From the results of six days shooting, individual Marine Corps rifle and pistol champions will be selected, along with a 10-man rifle team and a five-man pistol team. The combined individual high scorer in both rifle and pistol competition will be declared winner of the Lauchheimer Trophy.

First Lt. R. E. Martin, Twenty-Nine Palms, Calif., trophy winner for the past two years, is here in defense of his championship. Last year he fired 1,120 of a possible 1,200 points, to tie an all-time high.

The course will consist of a total of 60 rounds; 10 slow fire, off-hand position at 200 yards; 10 rapid fire, sitting at 220 yards; 10 rapid,

prone at 200 yards; 10 slow, prone at 500 yards, and 20 slow, prone at 600 yards.

Total scores from Monday's and Tuesday's firing will be computed and the individual Marine Corps rifle match winner will be declared.

A two-day firing course, scheduled for Thursday and Friday, will determine the individual pistol winner.

Later, the same day, the winner of the Lauchheimer Trophy will be selected from the individual composite score of the rifle and pistol matches.

Monday and Tuesday, the division matches, representing the Eastern and Western division, will shot it out for honors in team competition, both in rifle and pistol.

## WM Maneuvers

BY PFC ARLENE BAYUK

The other day I had the opportunity to look at some old copies of the GLOBE and came across several interesting bits about the "WRs" (as we were called in 1946). In those days we had an all-woman band which played at the various base theaters and also entertained at the service club. Talent shows and impromptu skits and programs were held almost twice a month. Hobbies ranked high. . . not only painting, but leathercraft and metal work as well. And at that time comment was made as to how "small" the group was getting. . . there were only 500 left! Considering there were almost 3,000 here one time, I imagine it did seem lonely.

ARLENE

Three of the WAVES stationed here were transferred today. Their new duty will be aboard military transports sailing for various European ports. The lucky three are Eleanor Bratsuen, Dorothy Flaunery and Jan McGann. . . lots of luck on your travels!

Many of the men who call for their dates in Barracks 59 find themselves being entertained by Cpl. Elsie Howard with her records and dancing. And if they happen to be present after softball practice they also get treated to "P. J." Compton and her rendition of "Flip, Flop and Fly." Rumor has it that what she lacks in technique she makes up for with enthusiasm.

Welcome aboard 1st Lt. Olga M. Mamula. Lt. Mamula reported aboard June 1 and will be with us until September 1 as WM Training Assistant acting as liaison officer for the Reserves. The Reserves will start their summer training tours with three platoons arriving from Brooklyn, San Francisco and Kansas City, Mo., June 27.

Capt. Susan Mock, who will be the new WM commanding officer, is expected to arrive around July 7. Captain Mock is presently on I&I duty in New Orleans, La.

This week there is only one discharge; Pvt. Esther Kolonel, and two transfers. Pvt. Beverly Reilly will go to Headquarters, Marine Corps, and Cpl. Shirley Courson to Norfolk, Va.

## Westward Ho! Trek Begins For Scouts And Local Chaplain

Midway Park Chaplain Lt. Warren D. Trumbo left Wednesday with his contingent of Boy Scouts from the East Carolina Council Explorers for their trip to Cimarron, N. M.

The 20-day adventure will take the Explorers across eight of the southern states and high into the southern Rockies of northern New Mexico.

Their big adventure will be the 10 days spent at the national Boy Scout camp at Philmont, N. M., where they will climb the five tallest mountains on the range during their Kit Carson Trek, official name of the 1955 expedition.

Arrangements have been made with military bases along the route to New Mexico to furnish lodgings and meals to the young Explorers.

Chaplain Trumbo said that names that have always been part of a geography book will come to life on the westward trek. Tall tales from Explorers will include the historic names of Columbus, Miss., Shreveport, La., Big Spring, Tex., and Albuquerque, N. M.

Parents of the Explorers who were to make the trip met last Sunday and were oriented on the details of the trip by Scout Executive Ralph H. Mozo and District Scout Executive G. E. Ashwell.

THE BIG MOMENT—Lillian C. Cohen, Valedictorian and scholarship winner of Camp High school's class of '55 receives her diploma and congratulations from Wilbur H. Tuck, Superintendent of the Lejeune schools. Sada Ann Cox, who delivered the class Salutatory, is in the background.

## 14 Camp High School Seniors Receive Diplomas Before 400 Guests Here Friday

Nearly 400 parents and friends were on hand to see 14 Camp Lejeune seniors receive their diplomas from Superintendent Wilbur H. Tuck at the Camp Lejeune schools auditorium last Friday evening.

Lillian C. Cohen, daughter of CWO (Ret.) and Mrs. Harry Cohen, was honored as valedictorian of the class and received the school board's \$300 scholarship award.

Ronnie M. Pappas, daughter of TSgt. and Mrs. Salvatore Sbalcio was the winner of the Staff NCO Wives Club \$100 scholarship, presented by Mrs. Daniel Cahoon, club president.

The commencement address was given by Maj. Gen. Alfred H. Noble, Camp commanding general, who was introduced by Col. Thomas A. Culhane, former Lejeune PTA president.

The general pointed out that the rights of youth today go hand in hand with duties and responsibilities to their group, their nation and the world. "Success," the general continued, "consists of three things: the making of a home, the preservation and improvement of our form of society and the development of a cultural outlook that allows an individual to enjoy the finer arts and understand the world we are living in with a broader outlook."

Comdr. Roderic L. Smith, Camp Chaplain, delivered the invocation and Thomas F. Herndon, a high

school junior, sang Rogers and Hammerstein's "You'll Never Walk Alone."

Sanda Ann Cox, a member of the graduating class, delivered the Salutatory and the senior glee club, under the direction of Mrs. Nancy Carroll, sang "Mountains," a composition by Rasback-Aslanoff.

The graduating class was presented by B. A. Barringer, high school principal, Lt. Comdr. Raymond A. Beane conducted the benediction.

Pianist was Mrs. Elaine S. Johnston.

## Local Safety Study Exhibited To AMA

The results of nearly two years of inquiry into traffic safety and the military driver went on display at Atlantic City, N. J., this week under the direction of Lt. (jg) Frederick L. McGuire, psychologist at the Naval Medical Field Research lab here.

Displayed as the annual exhibit of the Navy's Bureau of Medicine and Surgery at the American Medical Association convention, the safety material takes the form of a 30 by 12 foot combination of text, photo and art copy, all based on McGuire's study of local personnel since his assignment here in 1953. He is scheduled for transfer next month.

COMPANY CONFAD—Celebrating their decision to stay with the Marine Corps, three members of the Woman Marine Co. office staff discuss their future over coffee. Extending for one year are Police Sergeants, Cpl. Carol Lau, left, and Cpl. Angeline Darby, while MSgt. Lydia Trope, company first sergeant, re-enlisted for two years.

## Symbol Of Freedom

One hundred seventy-eight years ago June 14, a resolution was passed by the Continental Congress establishing a National Emblem which has been the banner of hope and freedom for generations of Americans.

Born amid the flames of America's first fight for freedom, it is the symbol of a country that has grown from 13 colonies to a united brotherhood of 48 sovereign states. Planted firmly on the high pinnacle of American Faith, Old Glory has grown into something more than just a flag. It has become an inspiration to untold millions and a symbol of freedom for suppressed peoples the world over.

Since its beginnings in Philadelphia on June 14, 1777, it has, many times by its presence alone, protected American citizens and property on the four corners of the world. In wars, small and great, fighting men have followed it into battle while preserving the very liberty it stands for.

So long as men have loved liberty more than life itself; so long as they treasure the priceless privileges bought with their blood and the blood of their forefathers; so long as the principles of truth, justice and charity for all, remain deeply rooted in human hearts, Our Flag shall continue to be the enduring banner of Our Nation.

## Hit The Books!

Don't be a "Johnny Come Lately," Mac. Don't be one of those who sit around and gripe about someone else getting all the gravy when the next promotion lists are published.

Chances are you neglected to study for the tests; it happens all the time.

Sure, the Marine Corps can't promote everyone. You know that as well as we do. But on the other hand, passing the tests and having that fact recorded in your SRB gives you a front seat when more promotions do come through.

And chances are that if you DO study, really study, you'll be in for another stripe when the Fall 1955 lists come out.

It's only two weeks 'til testing time; June 22nd's the day.

The Marine Corps is going to promote 35,000 enlisted Marines this year. Don't be one of the 10 per cent on the outside looking in. Forget that liberty for a few days and hit the books. It'll pay off in the end.

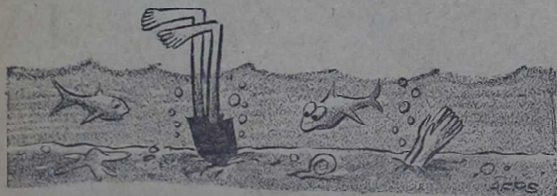

Don't say we didn't warn you!

## 10 Ways To Stay Alive

Don't become a vital statistic this summer.

Last year 93 persons drowned during one three-day holiday weekend. Your best precaution against being added to the fatality list is common sense. Here are 10 tips on how to stay alive:

1. Don't overestimate your strength and swimming ability.
2. Never swim alone. Make sure someone is nearby who can help.
3. Swim at a safe place, preferably one with lifeguards.
4. Don't swim right after eating or when overheated or overtired.

5. Before diving, make sure the water is deep enough and has no hidden objects.
6. Distance over water is misleading—don't overestimate your endurance.
7. Take a boat along for distance swimming in open water.
8. Learn safe handling and safe rescue before taking out boats.
9. Most small craft will float when upset. Stay with your boat or canoe.
10. Most important of all, learn to swim, or improve your swimming ability. (AFPS)

## Chaplain's Corner

"A soft answer turneth away wrath; but grievous words stir up anger." Proverbs 15:1.

A short time ago I read the following statement on one of those familiar signs in a restaurant: "Even the fish knows it's sometimes wise to keep its mouth shut."

Most folks have little trouble striking up a conversation or even thinking of anything to say. But at times many speak out of turn or say the wrong thing. Especially when someone says something that rubs the fur the

wrong way. One is apt to burst forth with something that 10 minutes later he wishes he never heard. The way a person responds often reveals the amount of faith and respect he has in God.

When we cut someone off sharply we usually don't get the desired results; it ends with hard feeling and a sour taste in our mouth. But a gentle answer, one that isn't hasty and is without hatred, will usually take care of the situation, and can even make friends out of would-be enemies.

Jesus said, "Out of the abundance of the heart the mouth speaketh." The place to start getting control of the mouth goes deeper than the tongue. When we find our peace of heart with Christ it will show by our conversation in any circumstance.

Dwight F. Zeller,  
Force Troops.

## Chaplain Smith Attends Assembly

Comdr. Roderic Lee Smith, Camp chaplain, left here this week to attend the 1955 General Assembly of the United Presbyterian Church of North America as a commissioner from Caledonia Presbytery of Western New York State, his home Presbytery.

Scheduled for Monmouth, Ill., Tuesday through June 14, the Assembly is the 99th in the annual series.

Comdr. Frank C. Black, chaplain at the Marine Corps Air Station, Cherry Point, also will attend.

Chaplain Smith is scheduled to return here June 25.

## The Old Corps

Ten years ago this week:

The U. S. Marine Corps Band is slated to play at Lejeune June 15. Plans are being made to hold an open-air concert in the amphitheater behind Bldg. 2.

The President has approved a return to the four-year course at the U. S. Naval Academy. During the war, the course was cut to three years with two classes graduating each year.

Word comes from Okinawa that Pvt. Chester E. Carter, a Marine scout, shot and killed two Japs at the mouth of a cave—1,000 yards away! Applying "Kentucky Windage," the scout picked off the enemy from a forward OP.

"Bullet Bill" Osmanski, one of the brightest stars in the National Football League and former Lejeune grid coach, is serving at Okinawa as a Navy field dentist.

The battle for Naha affords Marines fighting on Okinawa the first opportunity (?) to engage in house-to-house fighting on a major scale.

A four-year old cow in Raleigh, N. C. who gives 20 gallons of milk a day delivered a strawberry milk shake Tuesday night at 8 o'clock. It caused considerable comment among the neighbors because she has been on a chocolate kick for weeks.

## Infirmaries Near Lead In MCB Baseball; Tops Range In Pair

Camp Infirmaries posted two 9-7 victories over the Rifle Range last week to move within a half game of first place in the Marine Corps Base Baseball league.

Service Bn., still holds first place with 12 wins and two losses. The Infirmaries is one game behind in the win column.

In other action last week Marine Corps Supply Schools tripped First Infantry Trng. Regt. 6-2 and Engineer School Bn., downed the Marine Corps Air Facility 7-4.

Military Police Bn., hung a 16-11 summons on the Naval Hospital in a battle of cellar dwellers. The Docs jumped off to a nine run lead in the first inning, belting Starting Pitcher Lopez out of the box.

MP Bn., bounced back with two runs in the bottom of first and climbed on Starting Pitcher Fitzsimmons for seven more in the second to tie the score.

Taylor came on for the MP's in the first and pitched the rest of the way giving up two runs and six hits. Labelle relieved for the Docs in the second and was later taken out for Morgan.

Gingerich and Collins hit home runs for MP Bn., and Blevins tagged one for the Hospital. Totals were: MP's, 16 runs, 13 hits and two errors; Hospital, 11 runs, 10 hits and 11 errors. Taylor was the winning pitcher and Fitzsimmons the loser.

## Atlantic Amphibs And NAS Face Local Nine Next Week

Amphibious Forces, Atlantic, and Norfolk, Va., Naval Air Station provide the competition for Lejeune's nine during the coming week.

Last night the local diamondmen returned from a three-game away series in Norfolk, but competition slacks off for the Marines until Tuesday night when they open up a two-game series with the Gators. Game time each night is 8:15 p.m.

Thursday the locals return to the Norfolk area to meet Norfolk NAS that night and again on Saturday afternoon next week.

Next Tuesday night's game between Lejeune and the Gators marks the first meeting of these two club this season.

In 1954 the two teams met three times. The Gators, playing on their home field which, incidentally, is used for the Atlantic Fleet finals because of its facilities, took the opener of the series 7-1. However, an undermanned Lejeune team came back the following night to upset the Amphibs 6-4.

The two teams only played one game here last season and the Gators ran away with the contest 14-0.

## E. J. O'Connell Skims To Win In 1st Sail Meet

A fleet of sailboats skimmed across the water at the Wallace Creek boathouse last Sunday and Skipper Sgt. E. J. O'Connell of the Second Marines piloted his skiff to victory in the opening of the seasonal sailboat competition.

O'Connell finished ahead of 1st Lt. John Schmitt of Force Troops and Maj. Clark D. Morrow of the First Infantry Trng. Regt., who placed second and third.

Sunday marked the start of the first of two series of sailboat competition to be held here this year. The first series runs on successive Sundays from June 5th through July 24th.

Boats are assigned by drawing numbers prior to the start of each race and competition is run in accordance with the North American Yacht Racing Association rules.

On the other hand, Lejeune has met the Norfolk Flyers in two games so far this year. A week ago the locals hosted the Virginia Navy Air Station nine in the first two games held here this season under the lights.

Behind the four-hit pitching of Stan Horvatin, Ralph Ramer, Roger Osenbaugh and Hal Tabor and the timely hitting of Bill Zimmerman, Lejeune defeated the Flyers 6-3 in the inaugural of their new stadium.

The second game of the series Thursday last week was a different story when the Flyers broke up a close 6-4 game with a 12-run onslaught in their half of the ninth to bomb the locals 18-5.

### THE WEEK IN SPORTS

The following Camp sports events will be presented here during the coming week: Tuesday, 8:15 p.m., baseball, PhilBant vs Lejeune; Wednesday, 8:15 p.m., baseball, PhilBant vs Lejeune.

## 15 Lettermen Among 100 Candidates Out For 1955 Camp Football Squad

Fifteen returning lettermen from last year's local scarlet and gold team are among some 100 candidates currently trying out for Camp Lejeune's 1955 football team during 13 days of pre-season drills.

Back for action are Halfbacks Dave Ficca, Don Kilgore, Joe Marra, Frank D'Augustine, Brindley Thomas and Bob Savacool; Quarterbacks John Lee, Bill Lyons, Joe Robertson and Fred Hughes; Tackles Bill Connolly and Richard (Tiny) Reynolds; Guard Frank Durrer, and Ends Andy Balke and Joe Hands.

Stressing the introduction of his straight "T" system, Head Coach Charlie Walker expects to have most of the running attack and part of the passing game installed in the minds of the backs by this afternoon.

Line Coach Jim Mariades has been training the linemen in their blocking assignments in the system, while End Coach Bernie Kaasman thinks his flankmen will have all the basic pass patterns under

## Osenbaugh Hurls No-Hitter In 9 To 3 Win Over Norfolk

Lejeune Player-Coach Roger Osenbaugh hurled a no-hitter of his pitching career at Norfolk Monday as the Lejeune team downed the Norfolk Naval Operating Base 9 to 3.

Osenbaugh, who pitched four years at Stanford university, two seasons with the Pacific Coast league, and last year with Quantico, struck out 16, but had a strong bid for a shut out sullied when his teammates committed six errors.

After a shaky first two innings, Osenbaugh faced on 25 men in the last seven frames.

The Blue Jackets gained their first unearned runs in the first two innings when two walks and

two Lejeune errors gave them three runs.

Lejeune battled back in the second for three tallies in the third and fourth

Bob Worthy, who came in relief, kept Lejeune hitting wraps until the fifth when the ball of Bill Pope's groundout ticket to Joe Merli, a Norfolk and a double by Joe A shot the Marines into a 6-3 lead.

Lejeune added a single in the sixth and then two more in the seventh by Pope, Osenbaugh and a Bluejacket.

Osenbaugh and Pope lejeune hitting attack as the hurler picked his his ci against two setbacks.

## Camp Team Cops 6-2 Win Over ServLant

Left-hander Jack Lonergan, who hadn't finished a game since May 2, turned in a five-hit performance at Norfolk, Va., Wednesday as Camp Lejeune trounced Service Force, Atlantic, 6-2.

The Marines were scheduled to play against ServLant Tuesday, too, but a thunderstorm caused the cancellation. The win ended competition between Lejeune and ServLant and gave the Marine base a 2-1 series edge.

Lonergan faced just 32 men over the nine frames. The young lefty, who sparked Holly Cross college to the National Collegiate baseball championship in 1952, struck out five and issued only two bases on balls in picking up his second win of the season.

ServLant Starter Jack Shiverdecker was blasted from the box after six and two-thirds innings on George Large's seventh home run of the season with a man on board. Before retiring in favor of Jack Christian, Shiverdecker gave up 11 hits and six earned runs.

Lejeune broke into the scoring column in the third when Dan Natorelli was hit by a pitched ball and then scored on consecutive singles by Lonergan, Bill Garrett and Art Moosmann. In the fourth the Marines added two more counters on a single by Joe Androvich, a double by Natorelli and a single by Garrett.

Three runs in the seventh on Large's home run, and the other after a single by Moosmann, a wild pitch and infield out, and a sacrifice fly ended the Marines' production.

ServLant tallied once in the fourth on Shortstop George Large's error and again in the eighth on a walk to George Walsh and two singles.

## Camp Splits Series With Parris Island

Right-hander Stan in's three-hit performance last week put the Marines in a temporary kink in Parris Island's plans for the 1955 Eastern Marine baseball title, but the Marines advanced a notch in their second consecutive Saturday afternoon win.

**NEW SEATING ARRANGEMENTS**—New seating facilities have been arranged for Camp Lejeune's new baseball park, baptized June 1st. Seats as numbered above are box seats only. (1) General

officers, colonels and their guests, (2) officers and their guests, (3) staff NCOs and their guests. The rest of the seats will be open.

## Sports in short

### Jack Haver

Paper-backed murder mysteries that seem so popular with the public expose people to strong-arm violence as an added atrocity to the stereotyped stories.

A good majority of readers gleefully take a certain amount of delight in seeing right triumph over wrong as the detective horde of thugs into the deck.

When one comes upon just such a situation under real circumstances stomachs knot, then do a few flips and the situation forgotten for a number of days.

There must have been the case with some 50 shocked fans who he biter end of Thursday night's game here last week with AS and saw Pitcher Dick Denesevich murdered on the mound. The Marines trailing 4-6 in the top of the ninth, Denesevich he mound, most likely without any knowledge that in a matu- rades he would be victim of a carnage. Let it be added here had pitched the seventh and eighth innings and had faced ters in those two frames.

Denefanich opened the inning with a single to left. Buzz Thompson with a single to right on a hit and run play. Then Lejeune an error, the Flyers collected two more singles and Denesevich w a wild pitch.

## Navy Bombs Camp 18-5 In 2nd Game Of Norfolk Series

Although no records are available to support the theory, athletic history probably was made here Thursday night last week when a 12-run onslaught by the Norfolk, Va., Naval Air Station Flyers, in the top of the ninth inning, broke open a 6-4 contest and gave the invaders an 18-5 victory over the Lejeune Marines.

The Flyers jumped into a 3-1 lead with two unearned tallies in the third and one earned run in the fifth. In the sixth they increased the margin to 6-1.

Lejeune cut the gap to 4-6 in the eighth, however, with a three-run rally sparked by Art Moosmann's first triple in the year.

But, in the top of the ninth, another chapter was written in Lejeune's sports history when the opposition sent 11 men to the plate before the locals could secure the first out. In all, during their final at bat, the Flyers sent 17 men to the plate to score 12 runs on eight hits, two walks and four Marine errors.

Right-hander Dick Denesevich, Lejeune's fourth hurler of the evening, was the victim of the withering assault and he stayed bravely with his chore under a merciless pounding by the Flyers until relieved out of pity by Second Baseman Bill Garrett, who succeeded in retiring the side.

## Undefeated Local Tracksters Off To Pendleton Sunday For All-Marine Cinder Meet

Camp Lejeune's track team heads for Camp Pendleton, Calif., and the All-Marine Corps track and field championships Sunday with an unblemished record in dual competition and high hopes for their first national title.

When the meet opens June 15, Lejeune will carry the horses to make its most formidable showing in the past five years. A mile relay team that unofficially cracked the All-Marine record in the Carolinas' AAU meet in 3:20.5, a miler named Joyce who has set three mile records in various meets this season, two half-milers in Walt Clarkson and Les Wallace who can run a 1:54 half-mile or lower, and a host of dash men who will be hard to beat in the hurdle and short distance events.

The locals' three two-milers, Phil Carroll, John Tibbets and Sonny Blankenship all have been clocked under 10 minutes for the distance this year.

### Paradise Pt. No. 1 Course Due To Reopen June 18

The Paradise Point No. 1 golf course closed Monday for remodeling of the greens and will remain closed through Saturday, June 18.

The greens must be closed once in summer and once in winter for seeding, watering and spraying.

The fastest time run by a Pendleton two-miler this season is 10:08.

Though every major Marine Corps station will be represented in the meet, Camp Pendleton and Quantico are accorded the best chances of a team championship since they have dominated the competition for the past four years.

The best times and distances by CampPen track and field men this season are:

100—Taylor 9.5, 9.8; Thompson 9.7; Bravo 9.7, McKinney 9.8; 220—Taylor 20.9, 21.4; Thompson 21.6, Bravo 21.8; 440—Bates 50.8; Hilden 50.9, Nesbit 51.6; 880—Voorhees 1:58.2; Mile—Adams 4:35.6, McLean 4:36.5; Two-Mile — Rapsavage 10:08, Adams 10:14, McLean 10:15; 120 YH—Jensen 14.6; Redwine 15.4, Gilbert 15.6; 220 LH—Jensen 23.2, Gilbert 25.5 (ground curve); High Jump—Stacy 6'3 1/8"; Jones and Evans 6'2 1/4"; Pole Vault—Dye 12'0"; Atkins 12'3"; Broad Jump—Parker 24'2"; McKenney 22'3"; Shot Put—Lewis 46'7"; Puliafico 43'6"; Discus—York 153'7"; Lewis 137"; Warne 129"; Javelin—York 172'; Gilbert 169'; Mile Relay—Nesbitt, Bates, Munkbech, Voorhees, 3:23.6.

Lejeune has bettered nine of these 15 records, discounting the 100-yard dash mark of 9.5 that was run with a strong tailwind. Pendleton and Quantico seem strong in field events, and the locals will need to pile up many points in the dash and distance events to make up the difference.

Lejeune is expected to have a preparatory warmup meet with Pendleton prior to the opening of the official competition June 15-16. CampPen has won the mythical team title for the past two years.

## Eighth Engineers Win Third In Row

Eighth Engineer Bn., after getting off to a poor start in the early part of the season, won their third in a row as they downed the 8th Communications Bn., at Camp Geiger.

Beatty drove in Rosenberger, who had singled, with a triple to give the Engineers a 1-0 lead in the initial inning.

After taking a walk with two away in the fifth, Beatty scored the fourth run for the Engineers. He went from first to home on a lined single by George.

Five singles and a walk produced the winners' final three markers.

## 8th Motors Team Takes First Win

Eighth Motor Transport Bn. notched their first win in the Force Troops Intramural Baseball league with a 4-1 decision over the 8th Tank Bn.

Losing Hurler Donnelly tripled in the fifth to set the stage for the Tanker's sole tally. Player-Manager Travis Porter, pinch-hitting for Stewart, sacrificed Donnelly across the plate.

## Calisch, Bankston, Carroll Win In Weekend Meets

Dick Calisch, Howie Bankston and Phil Carroll picked up first place gold medals last week as eight Lejeune track and field stars competed in Invitational track meets in New York and Baltimore.

## 60 Junior Golfers Registered For 3-Month Tee Clinic

Sixty registrants, 35 boys and 25 girls, signed up for the three-month golf clinic that began Wednesday morning at the Paradise Point Golf club.

The clinic, for dependent children from 8 through 16 years of age, is conducted by MSgt. J. B. Broadus and the Camp golf staff. The clinic has been divided into three age groups, 8-10, 11-13 and 14-16.

Classes are held each Wednesday and Friday mornings at 9 a.m. The students are under the close supervision of the instructors on the driving range where their swings are judged for flaws.

During the first three weeks of the instruction period the golfers will play the first nine holes of the Paradise Point No. 2 course in order to establish a handicap.

The windup of the clinic will be a tournament for each age group. (See photo, Page 11)

## Shore Tops Engineers 7-4; 2nd Service H&S Wins Two

Second Shore Party Bn. retained its perfect record in Group II Monday as they defeated a much-improved Second Engineers diamond team 7-4 behind the strong pitching arm of Right-Hander Ron Ginter.

Shore Party now holds a record of three wins and no losses, while 2nd Tank Bn. has two wins against one defeat. Second Engineers is last with 0-4.

Ginter went the distance for Shore Party, striking out 18 opposing batters while giving up only five hits. Shore Party turned 11 hits into seven runs, while committing one error. Leading hitters for the winners were Chuck Meyers, four for four, including three singles and a double, and Chuck Pearson with a home run.

Hively took the loss for Engineers. Spiker's double and Allen's two hits led the hitting for the

losers.

H&S Co., 2nd Service Regt., collected a pair of wins in the Service Regt. League, downing Motor Transport Service Co., five to one and General Supply Co., four to one.

Lane pitched a two-hitter for H&S against Service Co. as H&S scored four runs on six hits and three errors against one run, two hits and two errors for the losers. It was Lane's fifth victory in eight starts. He has lost three.

For H&S it was five runs on 10 hits and three errors, Motor Transport scored one run on six hits and had three errors.

### BOW HUNTING NOW LEGAL IN NORTH CAROLINA

The North Carolina General Assembly has amended Section 1, Section 113-104 of the General Statutes to read as follows:

"Game birds and game animals shall be taken only in the daytime between sunrise and sunset, with a shotgun not larger than number ten (10) gauge, a rifle, or with a bow having minimum pull of forty-five (45) pounds and non-poisonous, non-barbed, non-explosive arrow with minimum broadhead width of seven-eighths of an inch, unless otherwise specifically permitted by this article."

This is real news to thousands of archery enthusiasts in North Carolina and should put Camp Lejeune on the map, archery-wise. The commanding general has authorized the Fish and Wildlife club to have an archery group as part of that organization. The potential is unlimited!!!! There is space available at the club site for a range. With archery legal in the state the way is paved to legalize hunting on the reservation. That could lead to special deer and/or bear hunts for the bowmen. Taking rough fish with the bow and arrow is another fine sport. All we need is the archers!!!!

Let's have a big turnout at the next meeting of the Fish and Wildlife club... that's the 22nd of June, 7:30 p. m. at the clubhouse.

### ANOTHER BIG BASS

Off the reservation, but within the periphery of Jacksonville, TSgt. P. D. Pollack of Hq. Sqdn., MCAF, New River, caught a seven-pound largemouth black bass Monday evening just before dusk. Pollack, who has been fishing for six short years, claims that Mr. Bass's tangling with his "Lucky 13 Heddon Chugger," gave him a thrill he'll always remember. I'll vouch for that fact, Pollack. Catching such a fish wreaks havoc on the nervous system. . . . Only a fisherman could understand the thrill that must have been yours. Continued good luck!!!!

### TRUE OR FALSE?

The "Kodiak" or Alaskan Brown Bear is related to the Grizzly "Silvertip" Bear, but gets to be much bigger. (See answer below.)

### ADOGISEMENT

Mein Dachshund, Herr Sneeper Ounderhaus, is looking for and spouse . . . mitt papers. Please phone 7-5831 or 6-6610 evenings.

### FISH-HOOK FILE

A miniature chest of drawers fashioned with a little friction tape and safety match boxes (wooden) will keep your hooks in order. How about your ideas? Let me pass along your know-how to the next guy.

### Answer:

Right: The Alaskan Brown bear has been known to reach a weight of almost a ton, while a large Grizzly seldom weighs more than eight or nine hundred pounds.

GOOD CATCH—TSgt. P. D. Pollack is attached to Headquarters Sqdn., Marine Corps Air Facility, New River, North Carolina. Perhaps he'll tell you where he caught this seven-pound beauty.

## Shoppers Hold First In Boys' League; 3-Way Tie For 2nd

The Camp Lejeune Boys league last week rang down the curtain on the first half of its 1955 baseball campaign with the Shopping Center still clinging to a slim two-game first place lead.

Community Association, Mallory Sales and the Midville Merchants are deadlocked in a three-way tie for the second place with six wins and four losses each.

After a fast start MAG-26 has slipped into fifth place with three wins and seven losses, and Pete McMillan Furniture is mired in the cellar with one win against nine losses, seven games off the pace.

Fred Hubbs of Mallory Sales continues to lead the league in batting with a .654 percentage on 17 hits in 26 trips to the plate. Glen Chandler of the Shopping Center, the league's leading pitcher with a 5-0 record, is close behind at .647 on 22 hits in 34 at bats. Dave Lawson of Community Association rounds out the top three with .550.

Hubbs also has taken over the RBI leadership with 21 and paces the loop as the pitcher with most strikeouts 70.

Mallory Sales' Loran Hanson tops the triple and home run departments with two and three. Hanson is swinging at a .400 clip.

Carnel Montford's six doubles lead that department. Montford is tied with Allan Everett Jr. of Shopping Center for most runs scored 19. Everett's 17 stolen bases also give him a slight lead in the base-running category.

An All-Star Little League team of Glen Chandler, Ernie Perkins and Allen Everett Jr. from the Shopping Center; Joe Bell and Dave Lawson from Community Association; Fred Hubbs, Loran Hanson and Jerry Appgar from Mallory Sales; Carnel Montford and Garland Ramsey from Midville; Butch and Buddy Stull from MAG-26, and Bill Does and Dick Baker from McMillan's met an all-star team from Hubert last night in an exhibition game on the home grounds.

## PI - Lejeune WM Game Postponed

Due to changes in the Parris Island schedule, the games between the Camp Lejeune WM's and the PI Lady Leathernecks scheduled for yesterday and today have been postponed 'til later in the season.

The next game the local WM's play will be Friday with the Norfolk Naval Air Station at Norfolk, Va.

With the loss suffered at the hands of Fort Bragg recently, Lejeune's WM's will be hungry for a win. The last meeting between Norfolk and the locals resulted in a 7-1 win for Lejeune.

## Engrs. Lead Group I Golf; Shore Party, Tanks Follow

Second Engineer Bn. remained in undisputed possession of first place in the Group I Golf League this week by defeating 2nd Tank Bn., 19½ to 4½.

Thomas fired a 79 for Tanks and was low man for the game as Ramsey led the Engineers with 82.

### BOXING SHOW

An intra-mural boxing show will be held at 3 p. m. Wednesday at Courthouse Bay for novice boxers from the Sixth and Eighth Marines and the 2nd AmTrac Bn. Ten bouts are slated for the program.

## Eighth Marines Win First In Division Track Meet; Sixth, Second Follow 2-3

The Eighth Marines' track team emerged victorious in the Division Intramural Track finals held at Liversedge Wednesday last week.

The Eighth tied for first place in two events, captured first place in the 880, second in the 220-yard dash, the shot put and mile relay, and third in the broad jump, placing in seven events for 25 points.

Sixth Marines collected 17 points for second place honors, capturing four firsts and two thirds.

Second Marines scored 14 points to take third place. They tied for first in one event, came in first in the mile run, took second in the 880 and third in the 100-yard dash and 220.

Daniels of Second Marines came from behind in the stretch to win the mile run in 5:8.3, with Rigby of Service Regt. second and Clifton of Group I third.

The 440-yard dash was won by Little of Service in 56.2, followed by MacRae of Eighth Marines and Thomas of Sixth Marines.

Sellers of Sixth Marines showed excellent form in the 220 low hurdles, skimming across the jumps with scant inches to spare as he finished first with a time of 28.9. Jones of Eighth Marines took runner-up and Sepulveda of Group II took third.

A run of 10.9 by White of Tenth Marines won the 100-yard dash. White was closely followed by Vera

of Group II and Burrell of Marines, second and third.

The high jump turned into a three-way tie for first place. Malone of Group I. Stewarts of Eighth Marines and Mills of Second Marines each cleared bar at 5'9".

Porter of the winning Eighth Marines team copped first place in the 880-yard run in 2:16.7. Worth of Second Marines finished second and Rigby of Service came in third.

Bumford's heave of 39' 8" Group I captured first place shot while Roberts of Eighth Marines came in second with 37' 1/2" and McCarthy of Sixth Marines came in third with 37' 1/2".

The Sixth Marines millay team—Washington, C. Taylor and Thomas—won in their event with a spectacular finish by Jarvis Thomas, flung himself at the tape to

out the Eighth Marines in a time of 3:54.6. Eighth Marines came in second and Second Marines placed third.

Williams' leap of 20' 11" edged the laurels for Second Marines in the broad jump event with 19' 11" of Tenth Marines second and Stewart of Eighth Marines

ODD BALL—Fort Bragg's King is about to hit a ball down the base line that hit Bragg Runner Cantey on the foot to account the first out of the fourth inning last Saturday. Camp Lejeune Catcher Mary Hylander has outstretched arms waiting for air. Umpire Bob Sisler watches the play.

## WM's Lose To WAC Team As Ft. Bragg Wins 10 To 0

The Camp Lejeune WM softball team saw the better of the Fort Bragg WAC's as they bowed to the Army Saturday last week on the WM diamond.

Lejeune's offensive play brought nine hits, 16 stolen bases and four walks, but on defense the locals lost out.

The Leathernecks pushed a two-run advantage in the bottom of the first on three runs on five stolen bases, two hits and a base on balls, making the score 3-1.

They held a 5-4 margin on the Army 'til the top of the fifth when Bragg scored five runs on five hits, including a triple by Mack, two walks and two stolen bases.

Lejeune made a concentrated effort to even up the count by countering with two runs of their own in the bottom of the fifth. Federico led off with a single, stole second and scored on another bingle by Angie Darby. Darby then stole all the way around the bases for the second run.

Carol Lau took a walk, stole second and third, but was caught at home plate trying to duplicate the Darby feat. Mary Hylander

then sliced one to left, stole second and was left stranded on third when Bostwick flied out.

Another Lejeune rally was lived in the bottom of the sixth as Wolfe flied out and Cowan P. J. Compton singled. Williams on first and second, Federico struck out and forced Cowan to third.

Fort Bragg added an insurance run in the top of the sixth when Hoppy walked, stole second and was safe at third fielder's choice. A Lejeune error enabled her to score the Bragg run.

Lejeune quickly ended the game when Kinnison grounded Bostwick, who tagged the coming to third, then slipped Darby for the third out.

The winning pitcher for Bragg was Kurt. Losing pitcher for the locals was E. P. S. whose record is now one win and one loss.

# Second Annual Grid Clinic To Open Here June 20

Camp Lejeune's second annual spring football clinic will open June 20 when Indiana University's head coach, Bernie Crimmins, and two of his assistants start the four-day school that will cover every major phase of offensive and defensive football.

# 'Sea Urchins' Club Sets Next Meeting For 8 A. M. Sunday

"Sea Urchins," the Camp Lejeune skin-diving club, has grown from a first-meeting 37 to 110 members and has received official recognition from Camp Commanding General Maj. Gen. Alfred H. Noble.

The club, administratively under the Wallace Creek Boat House committee, is represented on the Camp Recreation Council, which appropriate funds for club activities.

The "Sea Urchins" is open to military personnel, their dependents and permanent Red Cross personnel attached to Camp Lejeune. Club officials are: Cpl. R. F. Marx, president; Capt. R. F. Legge (MC-USN), vice-president; Cpl. R. H. Boggs, secretary, and 1st Lt. Edmund Regan, treasurer.

The next meet is scheduled for 8 a.m. Sunday, when members will meet on the Midway Park side of the Main Gate. For information phone Cpl. Marx at 7-3636 or Cpl. Boggs at 7-5343.

## P. I. Baseball

(Continued from page 8)

third inning send Dick Stewart to the shower with four runs across and the bases loaded. Dick Minto came on in relief and succeeded in retiring the side, but not before Lejeune had scored three more runs, all charged to Stewart.

Minto was lifted for a pinch-hitter in the sixth and Bob Sweeney took over, but after two outs, Bill Pope socked his second home run of the year with two on.

The win Friday proved to be a fine revenge for Horvatin, who lost a heartbreaking 2-1 decision to Stewart last month at P.I. Stan's record now stands at six-five.

Saturday's game left Parris Island needing only a split with Quantico in their two-game series to be played at the Marine Corps School field later this month to cop its second consecutive league championship.

Quantico has a 2-2 record, while Lejeune is in the cellar with a 1-5 mark.

# 6th, 2nd Marines Swims Won By First Battalions

First Bn., Sixth Marines, splashed its way to victory in the Sixth Marine Regiment's Intramural swimming meet at the Area 2 pool Monday, as 1st Bn., Second Marines, copped top honors in the Second Marines Regimental Meet the same day.

First Battalion's swimming team raced to an easy victory in the Sixth Marines' contest as they copped five first place events, five second, and two third places.

Top men were: De Ortiz of 1st Bn., who swam the 50-meter free

style in 30 seconds; Gray, 1st Bn., 50-meter breast stroke, 33.3; Emch, 1st Bn., 50-meter back stroke, 36.0; Boughter of Provisional Bn., 100-meter free style, 1:20.5; 1st Bn.'s team of Emch, Happy, Gray and Brennan won the 200-meter medley relay (back stroke, free style, breast stroke, free style), in 2:19; Tucker of 1st Bn. won the diving event with 51 points and Smith of 3rd Bn. took the 150-meter free style in 2:11.5.

Over in the Area 5 pool, 1st Bn., Second Marines, also scored an easy victory in the Second Marines' meet, scoring 34 points to defeat second place 3rd Bn. and third place 2nd Bn. Third Bn. scored 18 points while 2nd Bn. racked up nine points with Provisional Bn. occupying the cellar spot with one point.

Top men were: Pisacreta, 50-meter free style, 25.1; Kime, 50-meter breast stroke, 36.3; Pisacreta, 100-meter free style, 1:13; Redman, 50-meter back stroke, 32.7; Redman, 150-meter free style, 2 minutes; 200-meter medley relay won in 2:26.1 by the 3rd Bn.'s entry of Thompson, Mercier, Landis and Lariviere. The diving contest was won by Kime with 109 points with Mercier coming in second and Simmons placing third.

Col. G. W. Hays presented trophies to first and second place teams and also to 2nd Lt. Francis Pisacreta as outstanding swimmer in the meet.

# Tee Off the Sunday Golfer

By CPL. JOE GATES

This week marks my farewell to Camp Lejeune and active service as a Marine, as well as my final Tee Off as the Sunday golfer. Thank you for your fine reception of this column, and I hope you will give the same interest to the column of my successor, CPO Richard Milestone Jr., who can be reached at 7-3607 during working hours, Monday through Friday.

## SCOTCH FOURSOME

Sunday afternoon saw a very colorful Scotch Foursome played at the Paradise Point Golf club. Mrs. M. Roberson and A. L. Everett won low net for the match with a score of 70. Mrs. Roberson put on a fine performance with 11 one-putt greens. Second prize for low net went to Mrs. F. Leek and P. L. Calhoun with a 72.

Low gross for nine holes on four and five par holes was taken by Mrs. I. Everett and S. Burek with a 40, with Mrs. Kay Sharit and W. E. Rapp coming in second with a 43.

Mrs. M. Nix and H. Gault won low front nine net with a net 33. Second was Mrs. R. Rapp and O. L. Kelly with a net 35½. Back nine low net was won by Mrs. L. Mount and F. R. Roberson with a net 36. Mrs. H. Calhoun and P. W. Stark were second with a net 38.

After play, a dinner for the contestants was held by the Paradise Point Ladies' Golf Association.

## SMALL-FRY GOLF

Good news for the young golfers. Wednesday the golf course was invaded by 80 children eager to play the game. This project of teaching young children the rudiments of playing golf is solidly backed by Junior Broadus and the staff at the Paradise Point Golf club. The preparation for this task has been laborious for the staff has been shortening clubs and improving the grips for the children for more than a month.

The youngsters will spend the first six weeks out at the driving range, June 8th through July 15th. Then they will play on No. 2 course on the front nine to establish a handicap. Following will be a three-weeks tournament consisting of 27 holes, August 17 through September 2. More than 30 trophies will be awarded to the junior champions.

The hours for the 13-weeks golf training will be from 9 a. m. to 11 a. m.; girls on Wednesdays and boys on Fridays.

## COURSE CLOSED

The No. 1 course at the Paradise Point Golf club will be closed until Saturday, the 18th. The greens are being renovated. All play will be shifted to No. 2 course. Intramural play will have priority.

Here are the standings of the Force Troops Intramural Golf League after four weeks of play:

	Won	Lost
Hq. Co., Force Troops	4	0
2nd AmTrac Bn.	4	0
2nd CSG I	4	0
8th Motor Transport Bn.	3	1
2nd ANGLICO	1	3
8th Comm. Bn.	0	4
8th Engineer Bn.	0	4
2nd CSG II	0	4

GOLF'S NEW GENERATION—MSgt. J. B. Broadus, golf course NCO, shows Anita Goare, one of the 60 children who turned out for the clinic, the proper grip and stance for the drive. Michael Davenport, left, also is following instructions closely.

# 24 Locals Top Ed Furgol, Patty Berg On National Golf Day At Paradise Course

Seventeen Lejeune golfers whipped National Open champion Ed Furgol last Saturday at the Paradise Point course on National Golf Day and seven women topped the 77 posted by Patty Berg in San Francisco.

Furgol fired a 72 over the 6,700-yard par 70 "Frisco course in the contest, sponsored by Life magazine.

J. H. Vinson of Camp Lejeune was the low medalist of the day in the men's division. He had a net 64, shooting an 83 with a 19 handicap.

Mary Lou Lindall led the women on the No. 1 course, shooting a 93 with a 22 handicap.

Other winners in the men's division were: R. L. Henney, 86-21-65; R. T. Bey, 85-20-65; E. W. Murphy, 80-16-66; J. E. Fair, 85-19-66; R. VanDongen, 75-9-66; R. B. Woodrum, 81-14-67; T. G.

Craft, 92-24-68; A. L. Everett Jr., 85-17-68; F. M. Kauffman, 84-16-68; L. M. Duffy, 86-17-69; A. F. Dingley, 93-23-70; J. A. White, 86-16-70; T. C. Croft, 94-24-70; A. Stein, 81-11-70; F. A. Allsapp, 83-12-71, and W. A. Callen, 94-24-70.

Winners in the women's class were: Ruth Wallace, 92-18-74; Sharon Goare, 91-17-74; Turlane Mount, 95-20-75; Hap Haight, 95-19-76; Sophia Jones, 89-13-76, and Ione Everette, 86-10-76.

All winners receive a medal from Life magazine inscribed, "I beat Ed Furgol," or "I beat Patty Berg."

## This Week's Movie Review

**HELL RAIDERS OF THE DEEP** (2 Belis)  
 Documentary about the "human torpedoes" of World War II who rode small underwater missiles into Italian harbors to destroy German ships.

**CANYON CROSSROADS** (2 Belis)  
 A modern western with the tried and true formula. Phyllis Kirk and Richard Basehart give capable performances and the contemporary feel is done entertainingly.

**AIN'T MISBEHAVIN'**  
 This one is so recent we don't have much information on it. Technicolor musical-comedy which stars Piper Laurie, Rory Calhoun, Marnie Van Doren and Jack Carson.

**BREAD, LOVE AND DREAMS** (3 Belis)  
 A slyly humorous Italian film with dubbed in English dialogue which stars Gina Lollobrigida. Realistic comedy of love and manners in a poor, struggling village.

**TOP OF THE WORLD** (2 Belis)  
 Some interesting activities of the Air Force's Weather Service highlight this modest action drama which has the frozen wasteland of Alaska and the North Pole as its locale and Dale Robertson, Evelyn Keyes and Frank Lovejoy as its stars.

**TALL MAN RIDING** (2 1/2 Belis)  
 A absorbing western filmed in color with able performances by Randolph Scott, Dorothy Malone and Peggy Castle.

**ANNA** (3 Belis)  
 Another Italian film, with English subtitles, starring Silvana Mangano. Emotional and realistic, the setting is a Milan hospital where Silvana works as a novice.

**KENTUCKY RIFLE**  
 No information available except that it stars Chill Wills and Cathy Downs.

**STALAG 17** (3 1/2 Belis)  
 Outstanding melodrama which stars William Holden in one of his finest performances. American prisoners of war in a German prison camp during World War II try to learn the identity of a spy who is reporting their plans to camp authorities. Chief suspect is Holden, a cynical, hard-bitten sergeant who barters with the Germans.

**THE INFORMER** (3 Belis) (reissue)  
 A re-release of the cinema classic based on Liam O'Flaherty's novel of the Irish Rebellion of the World War I period. Filmed in 1935, the movie stars Victor McLaglen, who won an Academy Award for his portrayal of the man who betrayed his friend for English pounds, and Preston Foster. Rated one of Hollywood's outstanding productions.

**THE WOMAN IN GREEN** (2 Belis)  
 A standard Sherlock Holmes mystery with more "corpus delicti" at the finish than actors. Basil Rathbone and Nigel Bruce in their usual manner of nabbing the culprit in a whirlwind ending that tries to make up for the rather slow speed of the rest of the film.

**OK, NERO** (3 Belis)  
 Svelte Silvana Pampanini takes the lead role in a large troupe of foreign actors who get a charge out of ribbing the Yankee production of "Quo Vadis." Filmed in Rome, it shows two American sailors on liberty who go back in time to Nero's court via dream sequences.

**MEN OF THE FIGHTING LADY** (3 Belis)  
 A soaring account of the Navy's carrier pilots off Korea, with an all-male cast of Van Johnson, Dewey Martin, Walter Pidgeon and Keenan Wynn. This is a straight war film outstanding for its honest script and color photography. Much of the film is actual combat footage and the rest is about two tales that really happened.

**SLAUGHTER TRAIL** (1 bell)  
 Depicts a rugged bit of frontier real estate that is quite as rough as its title sounds. Brian Donlevy is the tough CO of a fort trying to get the local Indians

off the warpath. Between the outlaws that have stirred skins, he has to contend with Outlaw Gal, Virginia G. and a crashing climax as the horse opera ballads of his

**EXECUTIVE SUITE** (3 Belis)  
 Acted by a list of names of a Who's Who of Hollywood polished drama of little business is high caliber. William Holden, June Allyson and Barbara Stanwyck are of the cast portraying the rector in a big corporation, for the producer's job.

**THE CADDY** (3 Belis)  
 The team of Jerry Lewis as tin breaks every rule in golfing and producing laughs champs at both. He and De- Mungano made her film debut as the producer's job.

**CRASHOUT** (2 Belis)  
 Terrorism is the theme of a group of convicts break out and attempt to make the cache of hidden money. Will usually a comedian, does a gang leader; Arthur Kennedy, Michaels co-star. The film's crashing climax as the kill be one by one and those meaner and meaner.

**BITTER RICE** (3 Belis)  
 A down-to-earth account of a group of men and women as they move about work harvest. Forcefully dramatic out of the life of the group, fight, dance and love. Snodgrass made her film debut as the producer's job.

**CAMILLE** (3 Belis)  
 We can't remember this, considering it stars the one as Garbo. It must be a reissue is also teamed with Robert was probably one of film scorches.

**PRIZE OF GOLD** (1 bell)  
 Here is an action thriller, Berlin and London that in rhyme or reason, but with mark, as the MP sergeant, gold shipments. His problem, Mai Zetterling, who wants jack some loot so (get this) some orphan children to Brazil.

**BLOWING WILD** (3 Belis)  
 As the title indicates that about oil wells and two as Gary Cooper and Ward Bond lost their stake to bandits take to driving nitroglycerin. Adding to the excitement, more bandits from a truck are Barbara Stanwyck and along with Anthony Quinn, jealous husband.

**POWDER RIVER** (3 Belis)  
 A standard saddle saga as big as production treatment. Calvet, Stars Rory Calhoun, past. From there on the around Corrine as the town boyfriend, Cameron Mitchell, mystery of who killed Barry or hitch is Penny Edwards, town to wed Mitchell only as Mrs. Calhoun.

**TWELVE O'CLOCK HIGH**  
 Gregory Peck and Hugh H. an all-male cast in an of a Bomber Group CO and the commanding officer, getting acquainted with his fit losing ramrods. H. from well-disciplined and safer

**TALENTED LADY**—A Detroit pretty with a load of talent is Miss Florence B. Zdanio, the fiancée of Edward M. Curran, DT3, of the 2nd Division Dental office. Blonde with blue eyes, she'll be 23 next week. A graduate of the University of Detroit, Miss Zdanio is an honorary member of Gamma Pi Epsilon, Jesuit National Honor Society for Women for scholastic and social activities. Besides holding a masters degree in library science she's an accomplished pianist with appearances at recitals and on TV.

## Old Wild West Chow Time Planned For Paradise Point Club 'Frontier Days'

After the successful "South Seas" night at the Paradise Point club, the club chef has planned another appropriate and tempting dinner for tomorrow's "Frontier Days."

A few of the entrees are: chicken in the basket, barbecued spare ribs, chuck wagon steak and Texas chili. The groaning-board will creek with quantities of potatoes au gratin, tossed spring salad, apple pie, cantaloupe and hot biscuits with honey.

Gingham dresses, dungarees or other costumes suggesting a cowboy motif will be the appropriate and comfortable thing to wear for the dinner that will be served from 6:30 p.m. to 9 p.m. and the dance that starts at 9 p.m. and ends at 1 a.m.

In the future, unless a special unit night is scheduled, there will be an informal dance every Saturday evening.

Sunday is the last evening for Vicki Leigh's "Three Sensations" at the club. The arrival of a new house band is expected to be announced by next weekend.

Last week's GLOBE listed dining hall and swimming pool hours incorrectly.

The dining room is open from 6:30 p.m. to 9 p.m. each evening except Thursdays and Sunday when hours are from 6 p. m. to 8 p.m.

Life-guards are secured and swimming pool lights are out at 9 p.m. each evening, but swimming is allowed until midnight.

Keep the July 4 Family night in mind. Fun nights at the club have been discontinued.—R.M.G.

## MIDWAY MOVIE

Tonight and Saturday—"Man Without A Star" with Jeanne Crain and Kirk Douglas; Sunday and Monday—"Annapolis Story" with Diana Lynn and John Derek; Tuesday—"Crest Of The Waves" with Gene Kelly; Wednesday—"Port Of Hell" with Carole Matthews and Dane Clark; Thursday—"The Country Girl" with Grace Kelly and Bing Crosby.

## Veteran Master Hypnotist To Appear Here Wednesday

Professor Daniel Schmidt, who has baffled audiences throughout the country for years with his masterful demonstrations of the science of hypnotism, plays two shows at the Camp theater Wednesday night in his 12th annual return engagement.

The first show will start at 7 p.m. and the second at 8:30 p.m. In addition, Professor Schmidt will appear at the Rifle Range theater at 7 p. m. Thursday, and at the Camp Geiger Indoor theater at 8:30 p. m. Thursday.

Professor Schmidt has ranked as the leading exponent of scientific hypnotism in the nation for years. Former president of the Pennsylvania Psychological Research Institute and an accredited member of the Pennsylvania bar, he has lifted the science from the scandal topic of the pulp magazine industry to a high degree of respectability through a syndicated series of articles, "The Truth About Hypnotism."

He has appeared at Carnegie Music hall, before medical and dental societies, university and high school assemblies, military establishments and innumerable organizations all over America.

On the therapeutic side, Professor Schmidt has cured a great many people of excessive smoking, excessive drinking, fingernail-biting, stuttering, fear of water, fear of animals and other deeply-rooted phobias, obsessions and complexes.

In his performance he accepts only volunteers from the audience, and there is a standing offer of \$1,000 that his shows are strictly legitimate.

While in a hypnotized state his
