# Area Hit Hard By Hurricane

## Damage Near \$175,000 As Storm Sweeps Lejeune

THE FURY OF HURRICANE HAZEL buffets two marines as they struggle across flooded Onslow Beach past once 20-foot-high sand dunes leveled by up-to-70-knot winds through water that covers the normally 50-yard stretch of sand between the enlisted beach house, background, and the water's edge. Hurricane Hazel roared through Camp Lejeune Friday last week causing an estimated \$175,000 to \$200,000 damage by high tides and gales that reached 70 knots at their peak.

No fatalities or serious injuries were caused by the hurricane. No serious damage was reported on base. Tentage in Industrial Area, roads, trailers, telephone and electric lines, roofing shingles, doors and fallen trees accounted for most of the damage.

Two beach houses in the Onslow Beach area, which was hard hit by the sweeping surf, were destroyed. At the height of the storm about 100 yards of the Onslow Beach road, just west of the new swing-span bridge, was under water.

About 35 feet of the Snead's Ferry road at the northern edge of the bridge Friday afternoon was washed away by high water. Repair work began immediately and was reopened for light passenger vehicle traffic Tuesday morning.

Details of Marines were sent out on request of civilian authorities to guard evacuated areas of Carolina Beach and Swansboro. In addition, equipment was sent out to stricken areas nearby to help with rescue and relief work.

Electrical service was disrupted during the storm at Montford Point, Courthouse Bay, Rifle Range and Camp Geiger. Four transformer fires Friday afternoon were answered by the Fire Dept. Telephone wires went down throughout the Camp.

Two trailers were damaged at Camp Knox Trailer park by the hurricane, which also blew three private trailers off their foundations. One trailer was reported damaged at Camp Geiger Trailer park.

### Holder Of WWII Service Insurance To Get VA Dividend

The Veterans Administration early next year will begin paying another National Service Life Insurance dividend which is expected to be larger than the 190 million dollar premium refund being paid to World War II policyholders, according to the Navy Times.

The amount to be paid has yet to be determined.

Reason for the expected payment is that some 270,000 servicemen, whose policies were under waiver while on active duty, have placed their policies on a premium-paying basis since their discharge during the year.

Although no refund formula has yet been officially established, the rate of payment is expected to be the same as authorized for the current 1954 dividend—50 cents a month for each \$1,000 of insurance held. That formula makes \$60 the top payment for those holding the maximum \$10,000 coverage.

In addition to the NSLI dividend, the VA shortly will authorize a regular dividend which will nearly approximate the 21 million dollars authorized for 380,000 permanent plan policyholders this year.

HOW DID HURRICANE HAZEL STRIKE YOU?

PFC TED KOHENAKES, "G" CO., 3RD BN., EIGHTH MARINES — I didn't think it was anything out of the ordinary, actually it just seemed like a heavy rainstorm. I really didn't have too much time to watch it, though, since we were having a field day in the barracks.

SSGT. J. E. RICHARDS, "B" CO., H&S BN., MCB — I didn't think too much of the hurricane, possibly because I had to stand by for 35 hours and by then the novelty had completely worn off. I guess we were lucky, though, that it didn't hit us harder than it did, since according to the reports there was at lot of damage elsewhere.

CPL. DEWEY J. JOINES, "A" CO., HQ. BN., MCB — I was working and didn't pay too much attention to the hurricane at the time although I was disappointed in not being able to go out with one of the crews who were trying to recover any valuable property at the beach.

CPL. CALEB PONDER, BRIG CO., MP BN., MCB — I thought it was the same as the last hurricane we had down here. I didn't pay too much attention to it. . . I knew it would probably do a lot of damage, but I certainly wasn't worried about it.

MRS. RICHARD MORRIS, CENTRAL PX — I just stayed at home during the hurricane. I was a little scared since it was the first hurricane I had seen, but I was more excited about it. I hated to think of all the damage it would cause, but as far as the experience itself goes, I thought it was kind of fun.

MRS. MYRTLE CRAWSON — During the storm we just sort of "housed up." We have six children and they were all home from school so I was almost too busy with them to pay too much attention to the storm. I wasn't worried about the storm because I didn't think it would hit us too hard.

HOW ABOUT THIS ONE?—MSgt. Tom DeCastro, chief of the Camp Radio section, gets assistance from his wife, Marie, on his radio show, "Discs and Data," heard daily over Station WLAS, Jacksonville (Official USMC Photo).

Camp Radio Section Chief An Old-Timer In His Field

BY SSGT. SAM STINSON

"Well, good people, you've had the course for today, but let no obstacle bar you from the same course tomorrow morning."

Sound familiar? That's MSgt. Thomas A. De Castro signing off his "Discs and Data" show, program of music and Camp information, heard daily over Station WLAS, Jacksonville.

Radio listeners in this area know the familiar voice of Sgt. De Castro, chief of the radio section, Camp Information office, because of his many programs aired in this area, programs that have included "Operation Smallfry," a program he wrote, directed and produced. It was broadcast over WJNC, Jacksonville, and WELS, Kingston, for nearly two years.

Maybe you remember "Troop and Stomp of the Horse Marines," two fabulous characters of the "Lone Ranger and Tonto" variety, wearing Marine emblems and trying to get the situation well in hand from China to the moon.

Leatherneck magazine has said De Castro is "regarded as one of the top radio personalities in the Armed Forces."

In the Lejeune Marines' cooperation with the American Cancer Society and the United Fund Organization, in June and October, 1953, he held radio talkathons over Station WJNC, for 19 and 12 hours, collecting thousands of dollars for these organizations.

As radio section chief, Fleet Marine Force, Atlantic, Norfolk, in 1950, he conducted a Marine-sponsored talkathon lasting for 24 hours, over Station WLOW, for the Damon Runyon Cancer Fund.

Appealing for contributions over the radio and sending out Marine radio jeeps to pick up all pledges of \$100.00 or more, he collected more than \$17,000. For this he received the Walter Winchell Award and a wristwatch, a personal gift from Winchell.

In a Tri-State network—Maryland, Virginia, North Carolina—popularity poll of disc-jockeys, he placed third, and this despite the fact that he wasn't a full-time disc-jockey, but only volunteered his services on a part-time basis to conduct a Marine publicity program.

At the time of the attack on Pearl Harbor, Tom DeCastro was already a radio actor, though but 20 years old, and was producing radio shows in his spare time. He enlisted in the Corps and has been

connected with Marine radio ever since, writing, directing, producing and announcing in Marine-sponsored programs.

A member of the American Federation of Radio Actors and the American Guild of Variety Artists, De Castro also has completed the Naval School of Journalism.

While stationed at Marine Corps Depot of Supplies, Philadelphia, Pa., he found time to finish two years of radio speaking, acting and dramatics at Columbia Institute. In addition to this already heavy schedule, he aided the Fourth Marine Reserve and Recruitment District by producing and directing radio and television shows for them at night.

This past summer he recorded 92 separate 15-minute programs about the Marine Reserve units training here for release over their home-town radio stations.

HOLIDAY MAIL

Christmas packages for all Armed Forces personnel overseas must be mailed in the period Oct. 15-Nov. 15 to insure delivery by the holiday.

Christmas cards should be mailed by Nov. 15. If they're going by air mail, Dec. 1 is the deadline.

MCI GRADUATES

Sgt. Edward V. Ridge, Ordnance Co., 2nd Service Bn., and Cpl. Robert J. Edward Jr., Hq. Sgdn., Peterfield Point, have successfully completed the correspondence course in Practical Automotive Mechanics offered by the Marine Corps Institute.

Don't Ridicule The Hypnotist, Bro! It Happened To Me In Just 9 Seconds

BY CPL. BECKY CARPER

If you're prone to scoff at the idea of hypnotism pay attention to the story of the reporter who, with tongue-in-cheek, interviewed a marine hypnotist only to wind up in a hypnotic trance.

I was assigned to interview MSgt. Josef Mole of the NCO Leadership school, who had just returned from a tour in the Far East. He estimates he has hypnotized 4,000 persons since becoming interested in the art while on recruiting duty in New Jersey and enrolled in a Rutgers university psychology class.

Still doubtful that I could be placed under hypnosis, I agreed to put myself in his power just out of curiosity.

Using fingertips and a commanding stare, he put me "under" in only nine seconds. I only remember hearing him counting and talking to me in a soothing tone before the blackness closed in.

Spectators later said he told me my right arm was a steel bar, and became so rigid that it couldn't be moved. Then he proceeded to "paste" my foot to the floor so that when I was aroused from the trance it was immobile everytime he pointed at me.

I felt very rested and remembered nothing at all when I awakened, but I was unable to move my foot when he pointed at me. Then I began to believe in hypnotism.

Last week he appeared at a party at the Pavilion and placed some young men under the spell. They were doing things like telling what they were in their first day of school years ago, driving an imaginary auto, and acting as a human chair.

Sounds weird? It was. I know.

LOOK INTO MY EYES—getting sleepy. . . . So eyes will close and you . . . into a deep and sleep. . . . So sleepy. . . . Josef Mole of the NCO Leadership school, demonstrates method he uses to put under hypnosis. It was in the reporter "under" (Official USMC Photo).

The Community Chest, by its "Red Feather" campaign, is the last of three drives at Camp Lejeune this year. The others were the Cross and Navy Relief drive.

It is a master organization designed to receive contributions and divide them among its various groups.

**DISBURSING CHIEF**—Brig. Gen. S. K. Bird, head of the Disbursing Headquarters, Marine Corps, confers with Lt. Col. A. S. Camp Disbursing officer. The general is here for a four-day conference with all disbursing officers from commands south and east of the Mississippi. He will inspect facilities here and return to Washington that evening by auto (Official photo).

### Bird, HQMC Disbursing Chief, 3-Day Officer Conference Here

Brig. Gen. S. K. Bird, head of the disbursing branch, Supply Department, Headquarters, Marine Corps, is presiding since a three-day conference of disbursing officers from south of Norfolk and Mississippi. General Bird is a staff of specialists, Lt. Col. J. F. J. Klingenhaven, H. Madye.

Also detailed were the proposed changes in the Corps' fiscal set-up, scheduled to go into effect next year. Highlight of the four-day stay was a lecture and open forum on disbursing matters at the Camp theater Wednesday morning. Attending were all commanding officers or their assistants and all those who handle service record books or pay orders. After an inspection of all area disbursing offices in the 2nd Division, Force Troops and Marine Corps Base, the general and his party will leave for Washington, D. C. Their stay at Washington will be a short one, since they are due to hold similar conferences at Camp Pendleton in November.

### Executive Order Explains Alterations Authorized Absence Regulations

President Eisenhower's recent Executive Order demanding stiffer penalties for unauthorized absence is expected to bring about a sharp drop in the number of servicemen going to court-martial. The campaign is headed by Judge Advocate General Richard W. Wallace, chief of the new provisions which will take effect Nov. 1. The order, numbered 10565, is part of the Manual for Courts-Martial. Changes involved in the new regulations include: 1. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 2. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 3. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 4. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 5. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 6. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 7. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 8. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 9. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months. 10. Unauthorized absence for more than 30 days—dishonorable discharge, forfeiture of all pay and allowances, and confinement at hard labor not to exceed six months.

pay and allowances, and confinement at hard labor not to exceed one year. Previously the confinement was limited to six months. Those who miss their outfit or ship "through neglect" can get a bad conduct discharge, forfeiture of all pay and allowances and confinement at hard labor not to exceed six months. Up to now, confinement was limited to three months. The maximum punishments for other types of unauthorized absence offenses were not changed by the new order. A new section was written into the Manual, providing that if a man is found guilty of an offense for which a dishonorable discharge is not authorized, he'll still get a dishonorable discharge, forfeiture of all pay and get a year at hard labor if he's had three or more previous convictions during the previous year. However, in computing the one year period preceding the commission of any offense, periods of unauthorized absence as shown by the findings in the case, or by evidence of previous convictions, are excluded in determining whether the three previous convictions occurred within one year of the date of commission of the offense for which accused is on trial. The United States Marine emblem shows a globe, eagle and anchor, while the British wear a globe encircled by a laurel wreath, together with a small anchor, a lion and a crown. The U. S. Marine insignia has a background of the Western Hemisphere and the British emblem has a background of Europe and Asia.

### Former VMO-1 CO New Commander Range Detachment

Lt. Col. John W. Russell, commanding officer of the Rifle Range here since 1952, was relieved Monday by Lt. Col. Charles Prall, former commanding officer of VMO-1, Peterfield Point. Colonel Russell will retire Nov. 1 after more than 32 years in the Marine Corps.

Running a range is a favorite task of the former Gunnery Sergeant and Marine Gunner, who has served on range detachments in China, Haiti, Puget Sound, Washington and Quantico during a colorful career which saw him rise from private to lieutenant colonel. Orderly to the Commandant of the Marine Corps in 1930, he spent a year at this post, then requested overseas duty and was sent to the Legation Guard at Peking, China, to serve a total of five and a half years there protecting American interests in various parts of China.

He saw service with the 3rd Division in the landings on Bougainville and Guam, and with the 1st Brigade in Korea. Decorated with the Bronze Star for the Bougainville landing, he received a gold star in lieu of a second award on the same medal for action on the Pusan perimeter in Korea.

Colonel Prall entered the Marine Corps in 1940 with a BS degree from Central Missouri Teachers college. He received his commission as a second lieutenant with his aviator's wings upon completing flight training at Pensacola. During World War II he saw action in the Pacific as a close support pilot with the 1st Marine Air Wing.

**OLD CORPS VET**—Lt. Col. John W. Russell, retiring Rifle Range commanding officer, pauses with an '03 rifle to reflect on 32 years of service that included duty in Peking, China, Haiti, Bougainville, Guam and Korea. With him as he inspects the range armory is Lt. Col. Charles J. Prall, former CO of VMO-1, Peterfield Point, who relieved Colonel Russell on Monday. Colonel Russell expects to retire on Nov. 1 (Official USMC Photo).

### Eligible USMCR's Can Write Request On Early Discharge

A revision of paragraph 10354, Marine Corps Manual, has made it possible for certain enlisted Marine Corps Reservists to be discharged upon written request.

Under the new policy an enlisted Reservist may request discharge provided he or she:

1. Is not on active duty.
2. Has completed at least three years on current enlistment including extensions, and—
3. Has no period of obligated military service under the provisions of the Universal Training and Service act.

Reservists who were discharged from an indefinite enlistment for the purpose of reenlisting for a definite term are not eligible at present to request discharge under the new policy, but Marine Corps Headquarters has under consideration a special regulation which would be applicable to that category.

Enlisted Organized Marine Corps Reservists may submit their requests for discharge to their unit commanding officers. Volunteer Reservists may apply to their district directors.

### Stateside Duty Pick Offered Pvt's, Pfc's, For Re-enlistment

Capt. Ray W. Settle, 2nd Division Recruiting officer, this week said openings for a number of choice stateside duty billets now are available, including Virginia, Tennessee, Texas, Indiana, New Jersey, Illinois, Nebraska, Florida, Oklahoma, Connecticut, Rhode Island, Maryland, New Hampshire and Washington, D. C.

These billets are open to privates and privates first class in fields 03, 04, 07, 08, 18—except 1841, 1871 and 1861; 25—except 2533, 2536, 2541, 2543 and 2561—and 58.

Eligibility requirements include a minimum of a year in the Fleet Marine Force. The openings must be filled by Nov. 1. For information contact Captain Settle in Bldg. 320, phone 7-3693.

### Admiral Carney

3rd Bn., 2nd Marines, will be color battalion.

As the last unit clears the reviewing stand VMO-1 will execute a fly-by parallel to the line of troops and 100 yards in front of the reviewing party.

After the parade Admiral Carney will attend a conference at Bldg. 2.

Admiral Carney and party will depart the same day.

**MERCURY RISES**—The temperature of the 2nd Division's "thermometer" on the Community Chest indicator registers highest, with 51.5 per cent of its personnel contributing to the drive, as Marine Corps Base, Force Troops and Air Facility strive for "warmer weather." The display is on the Holcomb Blvd. traffic circle. The month-long drive will end Oct. 31 (Official USMC Photo).

### OWC, Force Troops Offer Assistance To Hurricane Victims

Marines and their families who lost household effects to Hurricane Hazel Friday last week may get a partial return on their loss through the local Officers Wives club and the Force Troops command.

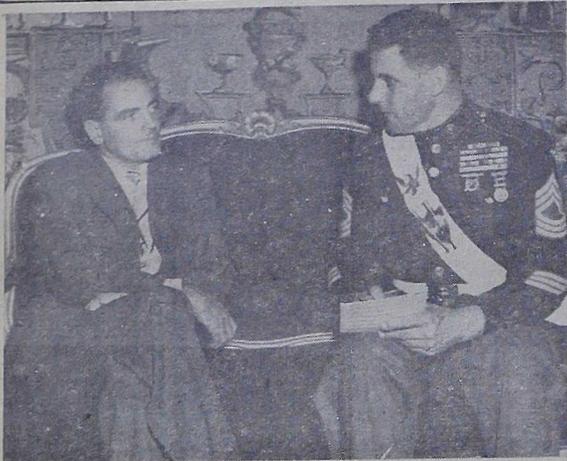

The club has set up facilities in Bldg. 2626 in Paradise Point—near the Point fire station—to provide pots and pans, as well as clothing and similar items to needy families.

The service will be open tonight, tomorrow night and Monday, Tuesday and Wednesday nights next week until 10 p.m.; Sunday until 6 p.m. and donations will be accepted.

The Force Troops command has made a similar call and has a similar service in operation in Camp Geiger Bldg. 900. Persons having items to donate, especially blankets and sheets, and those desiring aid may contact the FT Special Services officer.

**"DOES IT REALLY SHOOT?"**—Two little visitors to the Lejeune-Cherry Point exhibit at the Tri-County Fair, New Bern, try their hand with a 3.5-inch rocket launcher. Sighting-in is Rita Eli, 9, while her sister, Diana, 8, takes up loader's position. A major feature of the fair, which began Monday and will end Saturday night, the exhibit occupies an entire tent. Lejeune's displays show most Marine weapons and many functions. Marines are at each display to answer the questions of visitors (Official USMC Photo).

LOST AND FOUND—MSgt. W. O. Nickell, drum major of the Marine Corps Drum and Bugle Corps discusses the long-lost "Huron March" with Jean Baube, press counsellor of the French embassy in Washington, D. C. The march was a favorite of Count de Rochambeau, George Washington's "first soldier," and was heard at Yorktown, Va., Tuesday for the first time in almost 200 years (Defense Dept. Photo).

### 'Lost' March, Favorite Of Washington, Played By Marine Drum And Bugle Corps

The "Huron march," a Revolutionary war martial tune that was a favorite of George Washington and his self-styled "first soldier," was heard by Americans Tuesday for the first time since 1782 at Yorktown, Va., as part of the musical honors rendered by the Marine Corps Drum and Bugle Corps for the Rochambeau celebration there.

The celebration honored Lt. Gen. Jean-Baptiste Donatien de Vimeur, Count de Rochambeau, and the French expeditionary forces he led from Rhode Island to Yorktown for the defeat of Cornwallis.

Spirited music from the two-act opera, "Le Huron," was played at Mount Vernon as well as along the route of Rochambeau's eight-state march. The opera itself, by Andre Ernest Modeste Gretry, had played its 100th performance in Paris in 1776. But with the capitulation of the British and subsequent departure of the French, the "Huron March" was no longer heard.

When Virginia's Rochambeau commission was studying the history of that 15-week trek from New England to the South, Charles Parmer, chairman of the commission, ran across several references to the "Huron March." With the French, at least, it was as popular in those days as the "Blue Danube" became more than a century later.

But beyond those few historical references, no one in this day seemed ever to have heard of the march. Yet in the opinion of Parmer and his fellow commissioners, the "Huron" music would have been a singularly appropriate item on the celebration program. Hoping that the French embassy might help, Parmer appealed to Jean Baube, press counsellor there.

Baube tried to locate a "Huron March," but could find nothing.

### Applications Asked For Missile Study

Applications for guided missile training from qualified personnel of all ranks to attend the Naval Air Weapons System School Class "C" Sparrow One at Jacksonville, Fla., are being sought by the Marine Corps.

Those with military occupational specialties 6431, 6434, 6436, 6439, 6511, 6519, 6611, 6613 and 6619 are preferred.

Personnel volunteering for the guided missile training must have these requirements:

1. Recommendation of their commanding officer and clearance for handling classified matter up to and including Secret.
2. GCT score of 110 or above.
3. Have previous formal electrical-electronics or fire control maintenance education.
4. Have two years of obligated service at the time of graduation from school.

Additional information concerning the school can be found in the current Naval Air Technical Training Command bulletin.

### Gen. McAlister Gets Assignment As G-4 For Marine Corps

Brig. Gen. Francis M. McAlister, former chief of staff, Fleet Marine Force, Pacific, has been named assistant chief of staff, G-4 (Logistics), for the Marine Corps, as of Oct. 1. He succeeds Colonel Joseph H. Dickey, who had served since last July. Colonel Dickey will assume his former duties as executive officer.

General McAlister, a native of Blue Mountain, Miss., was commissioned a second lieutenant in the Marine Corps following graduation from the Naval Academy on June 1, 1927. He served in the Nicaragua campaign and was commanding the Naval Ammunition Depot at Pearl Harbor when the Japanese struck. He also served with the 1st Division in Korea from August, 1950, to June, 1951.

In Korea the general was awarded the Silver Star and Purple Heart while commanding the 1st Marines. He also won his third Legion of Merit for outstanding service as assistant chief of staff, G-4, of the 1st Division. In May and June of 1951 he served as Division chief of staff.

### Marines To Train 432 Recruiters During Fiscal '55

Representative type marines of sergeant or above are eligible to apply for a place as one of the 432 recruiting NCO's to be trained at Parris Island during Fiscal Year 1955.

Applicants must have a minimum GCT of 90, must have had no disciplinary action during their current enlistment and must have 18 months obligated service. Male marines must have two years of high school or the equivalent; Women Marines must be unmarried high school graduates between 20 and 35 years of age.

No deadline has been set for the applications, which should go to the Commandant through the chain of command.

The 32 WM recruiters and 190 of the male marines will be assigned upon graduation. The remaining 400 males will be available "according to the needs of the service."

### Corps Supply Exec Visits Here During East Coast Tour

Brig. Gen. R. A. Anderson, executive officer, Supply Dept., Headquarters, Marine Corps, was here at Camp Lejeune Monday on an inspection tour of East Coast Supply Installations.

General Anderson arrived in the morning after visiting Parris Island and Depot of Supplies, Albany, Ga. While here he inspected Service Bn. and Marine Corps Supply Schools.

He left late Monday afternoon and will continue his inspection tour at the Marine Corps Forwarding Depot, Portsmouth, Va. From there he will return to Washington, D. C.

### Radio Talkathon To Boost Chest

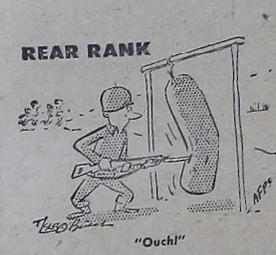

The Jacksonville-Camp Lejeune Community Fund drive will get an added boost Saturday with the 9 a.m. start of a radio talkathon over Radio Station WJNC.

Scheduled to last until an undetermined hour on the steps of the Jacksonville courthouse, the drive will be continued as long as the contributions come in. Sponsors of the marathon-talkathon have invited interested talent from Camp Lejeune to take part.

The Camp and Division Information Offices yielded commands of personnel transfers this week, thus losing the three writers who contributed valuable copy to the GLOBE. James Oggerino and GLOBE Assistant Sports Editor Pfc James Moore left the Camp Information Section for Camp Pendleton; SSgt. Came a hurried phone call to a night staffer at the camp library this week with a call for help in a culinary problem. The young lady had checked a recipe in the current issue of the magazine, but had lost her copy. The question: how many crackers to put in a batch of graham cracker date cookies? The helpful staffer a share.

Adm. Robert B. Carney, chief of naval operations here Tuesday, is becoming disturbed about the appearance of military bearing of sailors and marines, according to ALNAV. The CNO has directed all naval commands to take closer watch on neatness, appearance, bearing, posture, military courtesy and gentlemanly behavior. We want to see his name, but he's worth a mention, anyway. We want to see who had the pleasantest way yet of telling a man to give up. Made it almost a pleasure.

So far so good on the "Hometown Pinups" coming to the office. Four beauties right in a row. But we won't rest on our laurels. See Page 12 and keep 'em coming. ## Officers' Wives Show Latest Fashions In Style Parade At Paradise Point Club

Transforming the Paradise room of the Paradise Point club into a fashion salon to equal any in Paris, the Officers Wives club presented their fall fashion show Wednesday of last week.

Eleven models presented the creations, which included sportswear, suits, coats, afternoon and evening attire. The controversial Dior "flat look" also was introduced.

The Paradise room, decorated in silver, green and purple, had a professional-looking "T" runway on which the models paraded. Large green vines and purple balloons tied in a bunch represented grapes.

Musical selections by 2nd Lt. Janice Galloway on the Hammond organ formed the background of the program, and Assistant Camp Chaplain Robert J. Schneck commented on the fashions, acting as master of ceremonies.

Among the wearing apparel, furnished by shops of Wilmington and Jacksonville, was a Dior red taffeta afternoon dress with a high jewel neckline, dipped to the waist in back. The waistline was dropped and the skirt pleated to reach just below the knee.

A black and white tweed great coat, known as "salt and pepper," was shown with a detachable collar and cuffs. The new princess style winter coat of English tweed was also presented with an enchanting "pixie" hat of chocolate velvet.

Frothy evening gowns were modeled in the finale of the program. One was ice blue tulle with shell pink satin sheath and matching stole studded with pearls and rhinestones.

Models were Mrs. T. W. Purvis, Mrs. J. F. Bowman, Mrs. D. J. Brisbois, Mrs. C. E. Cornwell, Mrs. T. T. Glidden, Mrs. A. B. Moritz, Mrs. J. L. Boll, Mrs. R. S. Silverthorn, Mrs. R. E. Rapp and Mrs. G. J. McArdle.

Favors were presented to the guests and door prizes awarded during intermission.

## WM Maneuvers

BY CPL. BECKY CARPER

Hazel is the gal in the news this week. She knocked on our door, completely disrupted Friday's work day, and caused general havoc in the company and the rest of the base.

She buffeted Lejeune with her merciless winds, causing Squad-bays G and H to evacuate when roofing tile began blowing off by the basket-full, and sections of the ceiling began sagging.

Through it all, the WM's remained calm, passing the worst hours of the hurricane by playing "Monopoly", cards and joining in song. In the company office, the crew remained most of Thursday night and all of Friday to take care of any problems which came up. Major Bishop was aboard all of this time.

Every ear was glued to the radio as Hazel's progress was reported, but at no time was there panic as might be associated with a group of women under perilous conditions.

Not to be getting morbid, but if Hazel hadn't chose to pay Lejeune a visit, there would have been little news in the column.

Except for the loss of roofing, tree branches, and a splintered sign, WM Company withstood the season's severest storm and came through smiling.

## Hallowe'en Theme To Highlight PTA Carny Next Week

A Hallowe'en theme will highlight the Camp school's Parent-Teachers Association Carnival at 5:30 p.m. Oct. 29, which has been designed as a get-together for parents, teachers and pupils.

A spaghetti supper in the school cafeteria will begin the evening, with a costume contest afterward. Varied entertainment, including movies, fish pond, cake walk and train rides will be offered. Proceeds of the carnival will be used to support the Camp Lejeune PTA.

Carnival chairmen is Lt. Col. F. W. Holmes. Subcommittee members include 1st Lt. R. E. W. Crook, publicity; Capt. W. Douglas, finance; Capt. V. C. Gregory, refreshments; Maj. H. G. Tait, donations; Lt. Col. B. E. Cunningham, amusement concessions, and Lt. Comdr. Frederick W. Lewis Jr., master barker.

Persons interested in helping out at the carnival or in taking part in arrangements are requested to contact any PTA committee member.

## Cherry, New Bern Women Play Here As Guests Of LGA

Women golfers of New Bern and Cherry Point were Tuesday guests of the Camp Lejeune Ladies Golf Association in a special tournament at the Paradise Point Golf course.

Following luncheon, the ladies played a Back Nine tourney with prizes being awarded to Mrs. D. F. Redfield, Mrs. R. E. Marker and Mrs. W. L. McQuarie of Cherry Point.

New Bern prize winners were Mrs. S. C. Sproul, Mrs. T. S. Gay and Mrs. T. J. Mallsby.

Local champs in the tourney were Mrs. L. A. St. Jeor, Mrs. R. J. Avis and Mrs. E. W. Murphy.

A "Scotch Foursome" tourney will be played at 1 p.m. Sunday.

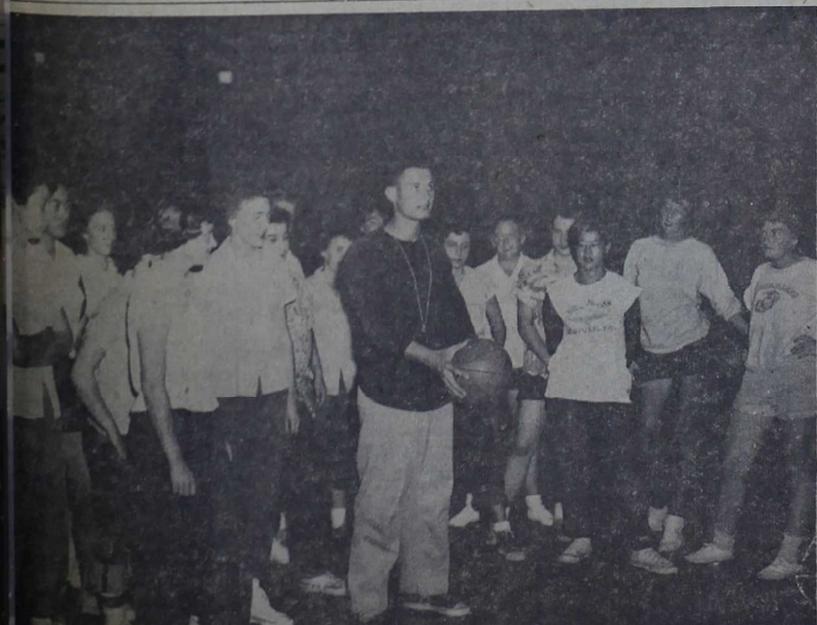

A fee of fifty cents will be charged and prizes awarded.

## Camp, Cherry Pt., Offer Fair Exhibit

(See photo Page 3)  
The largest exhibit at the Tri-County fair, New Bern, which began Tuesday and will continue through Saturday night, is sponsored by Lejeune and Cherry Point. The Lejeune displays include most Marine weapons, mock ups of bridges, equipment and clothing and medicine. In addition, a screen is set up and several Marine Corps battle films of World War II are shown nightly.

## 'Operation Good Neighbor'

Last Friday was "D" day for a Marine Corps operation. We'll call it "Operation Good Neighbor." It all began with a radio announcement: "Hurricane Hazel is on the way." And she came.

In a few short hours this vicious visitor tried to scramble Eastern North Carolina. And she almost did. When the calm came late Friday afternoon, you could find Hazel's calling cards everywhere.

Lejeune damage was estimated at \$175,000 to \$200,000. But nearby towns suffered much worse. Swansboro, Topsail Beach and Carolina Beach estimated their damages into the millions.

Then the operation went into effect. Maj. Gen. Alfred H. Noble, commanding general of Marine Corps Base, answered an urgent call from Carolina Beach with a 30-man one-officer detachment. The marines guarded property that had been evacuated throughout the day.

That night another 20 men, with an officer, went to Swansboro to aid civilian authorities there. Engineer equipment and personnel also went to Swansboro.

Four DUKW's were sent to Topsail Beach to evacuate stranded citizens. An LCM accompanied them to be used as an emergency ferry across the Inland Waterway.

Another four DUKW's went to eastern Carteret county near Beaufort, to carry supplies to the almost 10,000 civilians stranded after Hazel demolished a bridge.

The operation didn't stop there. Food and clothing were gathered by Tarawa Terrace families and the Officers Wives club for distribution to families made destitute by the storm.

The operation was a bright picture of Marine Corps-civilian relations. Respect for the Corps increased greatly locally as a result, and all marines who took part in the operation are to be commended.

We'd say "Operation Good Neighbor" is the right phrase.

## A Good Deal

The Navy Mutual Aid Association has announced that all regular commissioned officers and warrant officers, both permanent and temporary, of the active lists of the Navy, Marine Corps and Coast Guard are eligible for membership.

The Navy Mutual Aid Association is a non-profit, officer-controlled association established in 1879 under the auspices of the Secretary Of The Navy for the purpose of providing immediate aid to the dependents of deceased officer personnel in the form of a substantial cash payment wired or cabled anywhere in the world, and in the prompt preparation and submission of all government claims.

All Reserve officers of the Navy, Marine Corps and Coast Guard serving on extended active duty who have one year's continuous active service or one year or more of obligated active service at the time application is submitted are eligible for membership. The maximum age for new members is 45½ years.

Interested officers should address their inquiries to the Navy Mutual Aid Association, Navy Department, Washington, D. C.

Interested officers in the 2nd Division who so desire may contact Brig. Gen. Edward W. Snedeker, commanding general of the Division, who is resident director.

CHIEF IS TOP—Chief Petty Officer Abraham Gorelick, H&S Co., 2nd Medical Bn., receives his diploma and congratulations from Capt. R. L. Parker, officer-in-charge of the 2nd Division First Sergeants school after graduating as high man in a class of 26 Tuesday. MSgt. Maurice J. LaFrance, H&S Co., 3rd Bn., Sixth Marines, placed second and TSgt. James R. Nocifora, "M" Btry., 4th Bn., Tenth Marines, finished third. The course lasts five weeks and gives the students instruction in general administration, correspondence, pay and service records and personnel accounting (Official USMC Photo).

"... to promote social progress and better standards of life in larger freedom..." reads the preamble of the UN Charter. In 78 countries the Children's Fund has protected 13 million children and expectant mothers against malaria; 12 million have received milk and food; 28 million have been vaccinated against tuberculosis. With help from the World Health Organization, yaws have been almost wiped out of Haiti. Through a loan from the World Bank, El Salvador is doubling its electrical power supply. A loan of 7.5 million dollars from the International bank is enabling India to reclaim land which will eventually produce 500,000 tons of wheat a year. With help from the Food and Agriculture Organization, Ecuadorian weavers raised their earnings from 19 cents a day to \$2.70 by using improved looms.

### LIBERTY

After a day in the field, then what? Rest? Companionship? Pursuit of hobby? This great privilege of relaxation without regimentation is called liberty. This is not a right but a favor granted with due consideration for the physical and mental makeup of man. All service personnel should cherish this privilege and use it to help exercise and develop God-given faculties which can make us more pleasing to Him and our fellowman, and, at the same time, more fitting for the tasks and responsibilities of service life.

The moment liberty is abused, used as an outlet for ill-directed emotions, an excuse for misguided inhibitions, bottled or otherwise, then, this privilege is forfeited. The effects are felt by the innocent as well as the guilty. Foul-ups result in reports, apprehensions, trials and punishments. Free-hours, weekends are curtailed. Limitations are made on time and place. Besides the physical circumspection, mental outlook is also affected. This results in griping and groaning!

Your conduct ashore reflects your training. The service has accepted you with the understanding that at all times you will uphold its high standards and be of credit to it. Your folks have confidence in you that you will make use of the good background and home life they have given you and will never disgrace them. Off-hour violations

of these great trusts placed in you deeply affect those with whom rests the responsibility of your spiritual and physical welfare. Many loved-ones have been heart-broken because of your thoughtlessness and carelessness during idle-hours.

Liberty is a privilege. Guard it well! Use it, but do not abuse it.

—Chaplain Leon S. Darkowski, Second Marines.

# Bolling Tops Lejeune 43-7 In One-Sided Grid Game

Bumped for the fourth time during their "Murderers Row" schedule, Camp Lejeune was "dive bombed" last Saturday in Washington by Bolling Air Force Base, 43-7.

Electing to receive the opening kickoff, the Generals gave indication to some 6,000 fans as to what was to come during the afternoon when they moved from their own 20 to Lejeune's 15 in 10 plays, mainly through passes from O'Connell to Jones, and O'Connell threw from there to Jones in the end zone for the first score.

For the rest of the first quarter and six minutes of the second quarter the two teams played deep in Lejeune's territory. Bolling had three cracks at Lejeune's goal from inside the 15 during the first period, but Lejeune's defense made one goal line stand and recovered two fumbles.

With nine minutes left in the second quarter John Lee attempted to punt from his own 10, but the ball was blocked by Bolling and rolled out of the end zone for a safety.

Following the safety Lejeune kicked off from their 20. Ed Fullerton returned the ball to the Marine 33 and on the first play from scrimmage O'Connell passed to Jones for the second touchdown.

The Generals put the final touches on their 20-0 halftime lead when O'Connell's substitute, Jim Lear, passed 26 yards to Halfback Lowell Perry for a score with just 30 seconds left in the half.

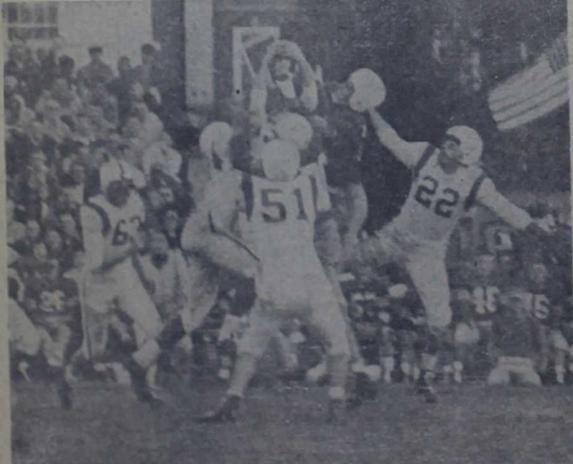

At the start of the second half Lejeune was late in appearing from their intermission seance and was penalized 15 yards on the kickoff for delay of the game. The Marines took over on their 20 after the kickoff had passed out of the end zone for a touchback, but after a pass from Joe Robertson to Joe Hands was complete for 13 yards, Fullerton intercepted Robertson's next pass on the 34.

Behind the running of Reichardt, Fullerton and Bob Schneidenbach, Bolling moved to Lejeune's one, with Fullerton going over for the score. Reichardt converted.

Bolling, picked as three to four touchdown favorites by the Washington sport writers, outdid the experts in the next five minutes when the team of O'Connell and Jones struck again from 34 yards out and Reichardt converted.

Reserve officers of the Marine Corps General Coach Roger Antaya cleared his bench at this point, but the reserves outscored Lejeune nine to seven for the rest of the game.

Lejeune's only touchdown came in the last minute of play after the Marines took over on Bollings' 30 following a poor kick, and marched to the one with Bob Meyers scoring with 39 seconds left in the game. Meyers added the conversion.

**A STEAL**—Believe it or not, Lejeune End Bob Benson, in the dark jersey, didn't get this pass. Bolling Halfback Ed Fullerton, hidden in the mass of players, snatched it from Benson's hands and returned it to the Marine 34. Also in the act were Bolling Players Jim Lear (22), Robert Heid (51) and Robert Allwine (63) (Official USMC Photo by Sgt. Raymond L. Whitaker).

# Georgia Tech "B" Team Here Tomorrow As Local Gridders Seek Second Win

The Rambling Wrecks of Georgia Tech's "B" team invade Camp Lejeune at 2 p. m. tomorrow on Liversedge field to provide the only college competition for the Marine eleven this year.

After three consecutive away

games that saw the Marines suffer their third straight defeat when they lost to Fort Lee, end a win famine by nipping Pensacola 10-8, then lose to Bolling AFB last weekend, Lejeune will be playing on its home ground for the third time this season when they meet the collegiates tomorrow.

Outside of working from a spread "T" formation not a whole lot is known about the Tech substitute aggregation, but Georgia Tech always is a powerhouse in southern collegiate ranks and any team playing under the school's white and old gold colors can be counted on for a spirited performance.

The future varsity is coached by Bob Bossons and J. H. Pittard. Captain of Tech's 1950 team, Bossons coached the Baby Yellow Jackets—the freshmen—to an undefeated season in 1951, then was promoted to head "B" team coach and chief scout. While playing in college competition Bossons developed into one of the finest centers in Tech history and was named Most Valuable Lineman in the Southeastern Conference following the 1950 campaign.

Pittard, a graduate of Vanderbilt university, joined the Georgia Tech coaching staff in 1943. Besides helping out during football season he has been the school's varsity baseball coach since 1946.

At the half-way point of the '54 season neither Lejeune's Head Coach Bill Jones nor his assistants consider this game a breather, with the Marines burdened under a one-win, four-loss record.

**Only once this season have the Marines coordinated their attack and defense, and unless they can approach that point again the Techmen could take the win.**

This should be a big game for the collegiates, because it might have some bearing on what personnel from their 40-man roster make the big time with the Yellow Jacket varsity next year.

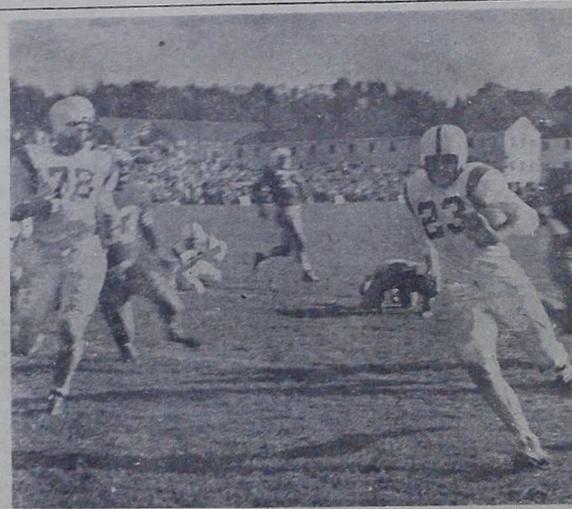

With the exception of Quarterback Bill Lyons, the Marines will be at full strength for the game. All this week they have stressed pass defense, the factor that hurt them most at Bolling.

**RIGHT TACKLE**—Chuck West will lead the Georgia Tech "B" team line when Lejeune and the collegiates clash tomorrow afternoon on Liversedge field. Lejeune will be looking for their second win of the season while the Yellow Jacket "B" team will be out to show they are just as good as their varsity.

### HUNTING LICENSES

A Camp hunting license is not required for hunting within the reservation. All a hunter is required to have in his possession are state and county licenses and his ID card.

**TOUCHDOWN**—Former Maryland Star Ed Fullerton scores Bolling's fourth touchdown of the afternoon with a one-yard jaunt in the third quarter. Fullerton set up this score with a pass interception on the Marine 34, and four plays later circled his left end for six points. No. 78 is Bolling's Ed Nickla, while 63 for Lejeune is Gene Watto (Official USMC Photo by Sgt. Kenneth W. Brown).

# Lejeune Boxers Win Season's Opener; Fort Meade Generals Lose Match, 5-3

Camp Lejeune's ring-wise Leathernecks launched a ferocious assault on the Fort Meade Generals last Thursday, capturing their first boxing match meet of the '54-'55 season.

Working their way through an eight-bout fight card, the Leathernecks hammered-out four decisions and dropped two close split decisions in two of their three defeats.

The high point came for the Leathernecks when All-Marine Light Welterweight Champ Randy Horne, who was elected team captain before the bouts, pounded 3rd Army Champ Stanley Vaughn to complete ineffectiveness in the third round to clinch the victory for Lejeune.

Colorful Nick LaRosa accounted for the only knock-out in the meet by connecting with a left hook to the body and a right cross to the head to send Herb Toda to the canvas for the count. Although the bell saved Toda, he was unable to come out of his corner for the second round.

Light-Heavy Duke Belton tagged Kenneth Page in the first round for a trip to the canvas, but the game battler survived the three-round fracas after going down twice more in the third. The decision went to Belton.

All-Marine and Inter-Service

**Middleweight Champ Richie "Sugar" Hill displayed his championship form by methodically testing every conceivable boxing combination in his possession to outclass Clarence Gist.**

Coach Mike Capriano described the welterweight fight between Joe Davis and Leo Harrington as the most grueling of the meet.

After fighting even for two rounds, Davis won out by landing jarring punches in the third round to get the judges' nod.

Losing Leathernecks that fought gallantly in the meet were John Lennon, Bob Riggsby and Lewis Morgan.

Lennon, with a definite weight advantage, yielded to the much experienced two-time Inter-Service Bantam Champ Georgie Davis. Davis, scheduled to fight Basil Blackson, refused to enter the ring against the Leatherneck at the last minute.

The most unpopular decision of the night was the split-decision given Vernon Lee over Bob Riggsby. Although Lee demonstrated his greater ring experience for two rounds, Riggsby was aggressive throughout the fight and had Lee hanging on the ropes in the last round.

Morgan and Ralph Williams staged a slow heavyweight battle with Williams getting the nod for his sharp counter-punching ability.

The Leathernecks will meet the Generals in a return match at Goettge Memorial field house here Nov. 3.

### H. Stowers Family Dominates Carolina Skeet Championship

Capt. and Mrs. Hank Stowers, a husband and wife team from Camp Lejeune, dominated the two-day shooting of the North Carolina Skeet association championships at the Pinehurst Gun club, last weekend.

For the second straight year and for the fifth time, Captain Stowers captured the high overall championship of the state and open competition, while Mrs. Stowers won the women's state championship.

Shooting a 276x300 for the title Captain Stowers, who for the last two years has sparked Lejeune's skeet team to 28 wins against only four losses against national and international competition, also won six other titles.

Captain Stowers retained possession of the Davenport trophy for 20 gauge open competition, won the 20 gauge North Carolina title, the 12 and 410 gauge titles, and in the All-Gauge championships the Class A and Class AA honors.

For the Class AA title Captain Stowers fired 98x100 to beat Jack King of Greensboro in a shoot off.

**sports in short**  
Jack Haver

Overshadowed by the bustle of an approaching hurricane, the departure of Lejeune's boxing team for Fort Meade last Wednesday morning passed with little notice.

Even their return with a 5-3 opening season win over one of the best teams under Army colors had to take a back seat to Hazel until Monday.

By then the excitement caused by the big blow had died and we found some noteworthy incidents in the match.

In winning their first meet of the '54-55 season the boxing team continued the precedent, interrupted only by this year's football team, of Lejeune's teams being victorious in initial encounters. Other than the skeet team, the Camp boxing team was the winningest organization at Lejeune last year, capturing the Eastern Marine and All-Marine titles and showing up very fine in the Inter-Service matches.

In the match last Thursday Richie Hill displayed the form that won him the 1953 Inter-Service middleweight title, while Letterman Nick LaRosa scored the only knock-out of the evening. Coach Mike Capriano said after their bouts that both men should have a fine year.

1953 All-Marine Champion Randy Horne, who was elected captain of the team for the Fort Meade contest, provided his own gift for his wedding celebration last Saturday when he clinched the team victory for Lejeune with a decision over Stanley Vaughan, 3rd Army champion, in the welterweight division.

The strangest happening of the eight-card meet was that Army's George Davis, two-time bantamweight Inter-Service champion, refused to fight Marine Basil Blackson because Blackson was four pounds heavier.

Davis defeated Blackson in the Inter-Service, but the Lejeune bantam beat Davis in a smoker held at Quantico in post-season competition. Coach Capriano said every effort will be made to have the two men at an even weight when Meade comes here, Nov. 3. If you don't have anything to do that night it would be a great fight to see.

The GLOBE's sports coverage team breaks up next week when staffer Pic Junior Griffin reports to Camp Pendleton, FFT.

Last November Junior left Camp Lejeune to attend Journalism school at Great Lakes, and returned in April to become assistant sports editor of the GLOBE. He covered Lejeune's track season and the All-Marine, All-Navy and Inter-Service track meets in an outstanding manner.

Since the track meets, Griffin has been busy reporting the skeet team's doings, preparing this year's football brochure and covering intramural sports. He'll be sorely missed by this department.

**SATURDAY SIDELIGHTS** . . . A Washington Post writer said in his story on the Lejeune-Bolling game that the marines didn't belong on the same field as the Air Force regulars. . . . It wasn't quite that bad, but the marines did crumble when the Generals exploited their weakness with an overpowering aerial attack. . . . Bolling didn't need their ground attack, but what little they did use was far from impressive, even with such backs as the Iowa Bullet, Bill Reichardt, Florida's Schneidenbach and Maryland's Fullerton. . . . Bolling picked up 81 yards rushing, Lejeune 84. . . .

Fullback John Cadenasso and Center Jerry Wenzel were elected permanent co-captains of the 1954 team. . . . A tough choice in victory a week ago, the nominations for back and lineman of the week are tougher this time in defeat. . . . Co-Captain Jerry Wenzel receives our nod for the outstanding lineman, and Bob Meyers the backfield vote. . . . For the second straight week Lejeune's line was the outstanding part of the team.

### 2nd Marines Win 1st Of Season 18-7

The 2nd Marines won their first game of the season last Saturday by defeating the Eighth Marines 18 to 7. The Second scored two touchdowns in the first half and another in the third quarter to insure their victory.

Midway in the first quarter the Second took over the ball on their own 40-yard line and carried the ball to the Eighth's 10-yard line where they were halted for two downs. Needing but 10 yards for the TD, Quarterback Gene McCormack flipped a spot pass to End Joe Dillon for the six points. The point after touchdown was wide.

Late in the second quarter Leon Swenton, the right halfback of the

Second Marines, intercepted a pass on the Eighth's 45-yard line and behind perfect down field blocking legged it the distance for the second TD of the half for his eleven. Again the try for the extra point was no good.

The half-time score—Second Marines, 12—Eighth Marines, 0.

Early in the second half the Second Marines, taking advantage of Eighth Marines' errors, capitalized on a fumble by Quarterback Chuck Stokes of the Eighth on his own 20-yard line. On the third play from scrimmage Gene McCormack, trying a quarterback sneak, went all the way for the last score of the day for the Second.

### W.S. Anthony Wins Paradise Links Crown

A new Paradise Point Golf champion was crowned last Saturday afternoon when Capt. William S. Anthony, Hq. Bn., 2nd Division, unseated the 1953 title holder, MSGt. J. B. Broadus, one up after 36 holes.

Capt. Anthony moved to the final round by defeating HN J. J. Stoffel 2 and 1 a week ago, while MSGt. Broadus, Paradise Point Course NCO in charge, downed Lt. L. A. Brown by an identical score.

For championship honors in the first flight Capt. C. Adams beat Capt. C. E. Jackson one up last weekend for the championship. Capt. Adams won his semi-final match over Lt. Col. J. T. O'Neill, while Capt. Jackson defeated Dr. I. L. Faith to gain the playoff.

In the other championship flights completed two weeks ago, TSgt. R. E. Bailey won the 1954 second flight championship with a victory over Comdr. L. E. Pryor; TSgt. C. R. Wilson took third flight honors with a win over Comdr. E. W. Murphy, while the fourth flight was won by TSgt. J. J. Lee over Capt. R. M. Suddnick. In the fifth flight it was Capt. A. J. Galaziewski over Capt. W. S. Young and Lt. E. Sudeck won the sixth flight title by beating Lt. B. G. Dawson.

In the champion flight of the consolation matches last weekend, Pfc Carter Smith defeated Lt. T. B. Allen while in the first flight consolation Chaplain V. J. Ramsey downed TSgt. H. P. Hudson.

All except the sixth flight consolation finals were played two weeks ago. Comdr. J. R. Wible won the second flight with a win over Capt. Martin Boyle, and Lt. R. B. Stewart won the third flight consolation over Lt. J. A. Davis. In the fourth flight it was Lt. Col. N. A. Sisak over Lt. W. B. Douglass, and Capt. R. R. Callaway took the fifth flight consolation from HM3 K. G. Nolts.

**RIFLE RANGE**  
CWO W. B. Long's 235 of 250—he's with the Eighth Marines—was the high rifle score at the range last week, while the Sixth Marines' 1st Lt. L. A. Novak fired 370 of 400 to top all pistol shooters for the week.

In M-1 qualifications to date, Marine Corps Base stands at 81.4 per cent, the 2nd Division has 81.3 and Force Troops has 80.8. In pistol qualifications Force Troops has 87.3 per cent, MCB has 80 and the Division, 73.1.

### Show At Carolinas Golden Gloves Recruit For Camp Boxing Team

At Camp Lejeune's 1953 boxing team swept through the North Carolina Golden Gloves competition last February in Charlotte, they realize how impressive.

standing coaches award of the tournament.

With such a performance it is easy to see how they soon became the idols of the service-age fight fans.

When they weren't in the ring Lejeune's pugilists talked Marine Corps to the young men of the town in the restaurants, the movies and after the fights. This little extra effort paid off in large dividends for immediately after Lejeune's appearance at the tournament enlistment in the Marine Corps rose three per cent in that Carolina town.

Before entering the Corps Kountis had 28 fights, winning 25, 12 by knockouts. During his career he has won three outstanding boxer trophies, two in Danville, Va., and one in Charleston, S. C., and was awarded a sportsmanship trophy in High Point, N. C.

Coach Capriano, who along with Lt. Col. Sidney J. Altman, Camp Special Services officer, can be given most of the credit for persuading Kountis that the Marine Corps is the place for him, says his middleweight is an excellent prospect.

In the Golden Gloves tournament Kountis was decided in the civilian middleweight finals, but Lejeune's Richie Hill avenged the prospective recruit's loss when he knocked out the man who beat Kountis in the middleweight Open finals.

**MADE A WINNER**—Lt. Col. Sidney J. Altman, left, and Lejeune Coach 1st Lt. Mike Capriano award Pvt. Themistocleous the decision for his choice of service. # Boxer Named 'Sugar' Not Sweet Variety, State Fistic Rivals Of Lejeune Squad

He's smooth and sweet, so they call him "Sugar." He's Richie (Sugar) Hill, outstanding fistic star on the Camp Lejeune team and already a winner in his only time out this season.

"Sugar," it seems, earned his nickname by disposing of opponents during the '53-'54 boxing season in a manner highly reminiscent of the former welter and middleweight ring king, Sugar Ray Robinson.

Hill's boxing career reached its peak in Service competition last May after he skillfully and cleverly outboxed all opponents to defend his '53 All-Marine championship and pounded his way over top Service competition to win the middleweight Inter-Service championship at San Antonio, Tex. Clearing the path for the All-Service tourney, Hill topped the Carolinas Golden Gloves, both service and open divisions; Eastern Golden Gloves, MAISAC tourney; Atlantic Fleet tourney, and the '54 All-Marine tourney. A product of Brooklyn, Hill began his pugilistic endeavors on the street corners east of Lexington ave.

The scrawny 135-pound battler soon had his talents harnessed by the Police Athletic League and in 1949 he won the PAL Novice championship (160-pound class), weighing 150 pounds.

In 1950 the then 16-year-old "Sugar" lost in the New York Golden Gloves Sub-Novice finals. He had seven fights in the tournament, winning five by knockouts and one by a decision before dropping the final by a TKO to 23-year-old Maurice Haran.

Later that year Hill won the

New York AAU championship in the 160-pound class, winning the final bout with a KO.

Hill dropped his second fight of the year when he was decided by Herbie Hayes in the PAL finals.

Countering after the defeat Hill fought his way to the New York Golden Gloves open championship (160 pounds).

Gaining valuable ring experience from his tourney fights, Hill was off to a good start in '51 by defeating Johnny Marshall, 1950 AAU Champ, in the Golden Gloves eliminations.

Taking on Floyd Patterson proved to be too much of a ring-chore for "Sugar" as he bowed to the experienced slugger in the Golden Gloves finals.

1952 proved to be the big year for "Sugar," taking his defeats as well as timely victories in his stride, he entered the New York Golden Gloves and decided Horace Cready, 1950 National AAU champ.

Entering the Marine Corps in July of '52 Hill made it an even bigger event out of his new career by defeating Paul Pender in exhibition bout at Parris Island.

Hill won the All-Marine championship for '52-'53, but failed in the Inter-Service tourney, getting decided by Bill Tate of Navy who was the National AAU Champion of '53.

For record, Hill has won 84 of his 91 fights, dropping 47 of his opponents for the 10-count.

# Supply School Leads 6-Man Football Race

Military Police Bn. stayed in contention for the Marine Corps Base intramural six-man football championship last Monday night when they downed Service Bn. 20-18 in a bruising contest.

It was the third victory for the MP's, against one loss to the Marine Corps Supply Schools. MCSS still is leading the league with a 3-0 record, followed by the only other undefeated team, Engineer School Bn., with a 2-0 record.

This coming week's activity places the top four teams against the bottom four, and unless intramural football follows this year's collegiate pattern, MCSS, Engineer School Bn., Military Police Bn., and Service Bn. should hold their positions.

The first week in November, however, could throw the league into a wide open scramble. If Engineer School Bn. can beat Marine Corps Supply Schools on Nov. 2, then lose to the MP's on Nov. 3, the league would be thrown into a three-way tie.

# Morehead Swamps Devilpups 58-0 For Fifth Local Loss

Camp Lejeune's Devilpups suffered their fifth and worst defeat of the season Monday night when they were swamped 58-0 by a powerful Morehead City club.

In six games this season the Camp High school has only a tie with Jacksonville High on the credit side of their ledger.

From the time the host team recovered a fumble on Lejeune's 23-yard line at the start of the first half and moved quickly for a score, the only question on the outcome of the game was the score.

By the end of the first quarter Morehead led 14-0, but they picked up two more touchdowns in the second period to lead 27-0 at the half.

Behind an unrelenting attack, despite the losing heroics of Lejeune's Walter Skowpoy, Dave Stage, Al Huggins and Bab Salisbury, Morehead City had piled up a 46-0 lead at the end of the third quarter.

Sparked by a junior substitute, Walter Willis, Morehead gained their fifth win of the season against one loss.

The Devilpups make their third home stand of the season at 8 p.m. tomorrow night when they meet Shallotte on the Camp baseball field.

# FT, 2nd Division, Vie For Grid Title

League football champions from Force Troops and 2nd Division will meet at 2 p.m. Thursday, Nov. 4, on Liversedge field for the Camp football championship.

Since Marine Corps Base engages only in six-man football they are not eligible for the playoff.

Last year Force Troops' 8th Engineer Bn. won the championship from the Tenth Marines.

Question: Are ducks color blind?  
Answer: Tests conducted by the United States Fish and Wildlife Service with dyed kernels of grain proved rather convincing. Ducks do distinguish between colors. They refused to eat dyed kernels. This experiment, incidentally, permitted putting out colored grain for destructive rodents, without endangering the ducks. The rodents, who depend on their noses for identification of the colored grain quite readily.

# It's Mascot To Marksman In 23 Years For 2nd Division Distinguished Shooter

BY TSGT. LOU NADOLNY

From rifle team mascot to Marine Corps distinguished marksman in 23 years is the story of Capt. Robert W. Lowe, assistant S-3, 3rd Bn., Eighth Marines.

In 1931 Captain Lowe visited Camp Perry, O., site of national rifle and pistol matches, as a mascot for a rifle team from the Maryland National Guard. This year he returned to Camp Perry as a shooter to win distinguished marksman and distinguished pistol shot badges.

A veteran of 19 years' service, he served as an enlisted man for eight years. His ribbons include the Korean Service with two stars, and the China Service ribbon.

To qualify for distinguished badges it is necessary to win three credits, or legs, in Marine Corps regional matches or All-Marine matches. A credit also is earned for a gold, silver or bronze medal earned in national individual competition, or as a member of the winning national trophy team at Camp Perry.

Captain Lowe earned his credits at a Western regional match, Southeastern regional match and for placing in national individual competition at Camp Perry. He now has an extra credit as a member of the winning national trophy team.

In competition with some 700 shooters, he scored 237 of a possible 250 with the M-1 rifle and 271 of a possible 300 in .45 caliber pistol competition.

A Marine Corps distinguished marksman or pistol shot badge may be won only once, and, though a distinguished shooter may compete in all matches, the badges are awarded to the highest non-distinguished shooters.

Another point of interest is that the badges are awarded to the top 10 per cent of regular enlisted shooters. Officer and Reserve en-

listed badges are given in addition to the regular awards.

Anyone over 16 years old may enter the national service rifle matches. All shooters are furnished with a service M-1 rifle and service ammunition.

## Service Bn. Holds 1st Place In MCB Intramural Golf

Service Bn's victory over Marine Corps Supply Schools last Thursday, practically wrapped up the Marine Corps Base Golf league for the Servicemen as they picked up their sixth victory in as many weeks.

With only four weeks of competition left, only a complete collapse by Service Bn. would give the title to the Supply Schools, Naval Hospital or First Infantry Trng. Regt.

Those three teams will battle it out for the runner-up spot. MCSS has the edge with a 4-2 record, while Naval Hospital and the Training Regiment are tied at three wins and three losses.

The other two teams in the league, Military Police Bn. and Engineer School Bn. are out of the running altogether with records of one win against five losses.

"Vertical deployment" describes modern helicopter assault tactics, whose development was undertaken by Marines in 1948.

## Eighth Engineers, AmTracs Tie For 1st In FT Grid Play

Eighth Engineer Bn. and the 2nd AmTrac Bn. won single games last week to remain in a first-place tie in the Force Troops Intramural Football league. The two teams have one remaining game before they meet Oct. 29.

Joe King scored two touchdowns on runs of 20 and nine yards and kicked an extra point to lead the Engineers to a 33-6 decision over Hq. Co., FT.

John Jacksima and Joe Sibilia and Bill Beattie accounted for the Engineers' other touchdowns.

Chuck Patrick scored Headquarters' sole marker in the second period when he plunged over from the two.

AmTracs settled down after a shaky first half and took a 32-7 verdict over winless 8th Communication Bn.

The Trackers took a 13-0 lead on Ed Varhue's 52-yard jaunt and an intercepted pass by John Kaiser. Communications cut the lead down on a 45-yard pass play from Bob Stanford to Bill Meeks. The conversion was good. Comm's TD was the first scored on the Trackers in four games.

AmTracs responded for three touchdowns in the second half to sew up the game.

Frank Simas and John Marcus led the 8th Motor Transport Bn. to a 20-0 upset victory over the 8th Tank Bn.

Simas threw touchdown passes to Marcus and scored on a keep-it play from six yards out.

### NON-FICTION

**My Mission to Spain**, by Claude G. Bowers. Simon and Schuster, 437 pp.

This is the story of the fall of the Spanish Republic, based on the diaries and diplomatic dispatches of the United States ambassador to Spain during the three years before the civil war, and the three following years, when that unhappy country lived through its most dramatic crisis since the time of the Moors.

**The Glass of Fashion**, by Cecil Beaton. Doubleday, 397 pp.

The author, a distinguished photographer-designer, has chronicled fashions not only in dress, but in manners, interior decoration, entertainment and living. Glimpses into private boxes at L'Opera; conversations with coquettes and matrons; rummaging through shoe closets and peeks into pantries; visits in boudoirs and high teas in drawing-rooms—all are reported lavishly. Written in his vividly personal style, the book is also illustrated by the author with his bold light-hearted drawings.

**Tourist Guide to Mexico**, by G. M. Bashford. McGraw-Hill, 304 pp.

Organized for quick and easy reference, the book tells how to plan your trip—how to get there by land, air and sea; customs regulations; American consulates and their locations; what Mexico is like—the people, country, climate, food, cost of living, driving conditions, etc. Information about each city along the way, with street maps of Mexico City, Guadalajara, Acapulco and Puebla. A reference section contains a list of words and phrases in Spanish and English; and index of fiestas; tables of conversion equivalents and explanation of highway signs.

### FICTION

**A Seal's World**, by Frank Stuart. McGraw Hill, 223 pp.

A narrative of the growth, wanderings and adventures on sea and ice of a harp seal during the first three years of his life. He describes his heroics with as much detachment as a warm enthusiasm for his subjects permits. Without attributing to a seal intelligence or emotion which is not plainly the property of such a highly specialized mammal, he manages to make the reader feel conscious always of the presence of a living being whose living problems are, if not human problems, understandable in human terms.

### TT Boys' League Opens Nine-Week Football Schedule

The Tarawa Terrace Boys' league opened a nine-week football schedule last Saturday afternoon at Camp Geiger with the Yellow Jackets edging the '49ers 19-15 and the Fighting Bulldogs downing the Yardbirds 20-13.

Made up of four teams, the league will run through Dec. 9, with two games at Camp Geiger every Saturday afternoon, the first beginning at 1 p. m. and the second at 2:30 p. m.

The league is restricted to boys eight to 12 years old living in Tarawa Terrace, with a weight limit of 115 pounds. The boys play on an 80-yard field, with all equipment supplied by Special Services organizations on the base.

Next Saturday the Yardbirds meet the '49ers in the first game and the two undefeated teams, the Bulldogs and the Yellow Jackets, meet in the second.

All work for the project is voluntary, but referees still are needed. Interested persons should contact MSgt. J. E. Bressette, Hq. Co., Force Troops, phone 0-1473.

### Monthly Activities Schedule Listed By Nearby USO Clubs

The Wilmington USO has planned a Hallowe'en dance for Saturday, Oct. 30, at the club, 321 No. Front st. Coat and tie or uniform must be worn.

The weekly schedule includes—every Saturday, football is televised, the "learn to dance" class conducted, and a dance at 8 p.m. Sunday begins with breakfast, go-to-church, fellowship hour at 5:30 p. m., with buffet supper, and the symphony by candlelight at 8 p.m.

Monday is informal game night followed by a meeting of the GSO. Mr. and Mrs. Joe Verzaal are in charge of the weekly Square dance at 8 p.m., every Tuesday; and games are played each Wednesday, Thursday and Friday.

A record dance will be held by the New Bern USO on the porch of the club at 8 p.m. Saturday, Oct. 23. They will hold their Hallowe'en dance on Oct. 29 at 8 p.m., and the monthly birthday party on Oct. 31.

### 'Gloom Chasers' Due Here Saturday

### This Week's Movie Review

**SEIGE AT RED RIVER (2 Bells)**  
 Van Johnson plays a Southern raider and with Milburn Stone steals the newly-invented Gatling gun from the Yankee troops. Richard Boone is a not-trustworthy friend of the raiders while Joanne Dru supplies the sex appeal.

**EVERY GIRL SHOULD BE MARRIED (2 Bells)**  
 A Cary Grant comedy. Betsy Drake, in the role of the perfect huntress, seals the doom of a confirmed bachelor physician. With tactics to put Clausewitz to shame, young Betsy stalks her man. Marjorie Reynolds is recommended to see this one to steel themselves against a similar fate lying in wait for the foolish unsuspecting.

**LOOP HOLE**  
 No information available.

**FOUR GUNS TO THE BORDER (2 Bells)**  
 An adult technicolor western starring Rory Calhoun and Colleen Miller, plus George Nader and Walter Brennan.

**Dane Clark, Dorothy Patrick and Andy Devine, in an 1876 cavalry show.** Clark leads his patrol into hostile Indian country. In the party are several women, leaders and a man who turns out to be a gun-runner for the tribes.

**PEARL OF DEATH (Elementary) re-re-issue**  
 This one stars Basil Rathbone and Nigel Bruce, and, judging by his age, looks like a trip with the redoubtable Sherlock Holmes and Dr. Watson for some super-sleuthing.

**SOUTH SEA WOMAN (2 Bells)**  
 Burt Lancaster and Virginia Mayo team together for a humor-story to end all PIO. Lancaster, a marine master gunnery sergeant, starts off facing a court martial. Among the specifications are desertion, sinking a saloon, stealing a yacht, forging the signature of the President of the United States, but instead of conviction, he receives an award—but see the movie and find out how it all happens.

**DECISION BEFORE DAWN (3 Bells)**  
 The story of German PW's who became spies for the American government in Germany during World War II. It stars Richard Basehart, Gary Merrill, Oskar Werner and Hildegarde Neff. The focal point of the theme is the motivation which leads Werner to "betray" his country.

**MONTANA BELLE (1 1/2 Bells)**  
 Belle Starr joins hands with the Daltons in this one and Actor Jane Russell, George Brent and Scott Brady play in a merry chase across the badlands of the Big Sky country.

**VIVA ZAPATA (4 Bells)**  
 Marlon Brando, Jean Peters, Anthony Quinn, Joseph Wiseman and Arnold Moss star in this adventure in blood, power and love under the blazing Mexican sun. Brando, as Zapata, goaded by injustices, is forced down the path of a reluctant leader who, desiring only justice for his people in the way of a land reform, becomes involved with a series of military juntas and personal dictators who seize power with promises of justice, then turn their victories to evil ends. The focus is placed on the personal tragedy of Zapata himself, his desire for peace and a contented life with his young wife, in conflict with his sense of justice and pressure to lead his people.

**TIME OF THEIR LIVES**  
 Re-issue  
 Stars Bud Abbott and Lou Costello.  
**ANGEL FACE (2 1/2 Bells)**  
 Jean Simmons and Robert Mitchum get into a jumble of hopped up autos and neuroses. The two get involved in love and a murder trap to find out that marriage isn't always the only way out.

**THE COWBOY**  
 A rustic film study of the life of the American cowboy. No actors, but actual cowboys from 16 to 80 tell the story of the 70 quick years of empire building that made the great West.

**BLACK SHIELD (1 1/2 Bells)**  
 Tony Curtis, Janet Leigh and Herbert Marshall in a technicolor adventure of a lady in the era of Prohibition. This theme has done.

**BLACKBEARD**  
 Stars Linda Darnell and Tom.

**FLIGHT TO TANGIER**  
 Jack Palance, Joan Collins, Calvet star in an espionage melodrama of Tangier. The screen goes to the point of obscurity of not-very plausible plot last several minutes.

**THEY RODE WEST**  
 Stars Philip Carey, Jr. and Lass Vegas.

**LAS VEGAS**  
 Victor Mature, Janice Pennington, Price, in the roll of a frustrated gambler who loses his beautiful Miss Russell on his bankrupt firm, play the gaming table business losses. Fall out of the point of obscurity of not-very plausible plot last several minutes.

**FOREVER FEMALE**  
 The hectic life of effects on two talents this one apart from the success story. As to the interlarded with enough acting stage star, Palance as her indulgent William Holden as the Wright, and Pat Crowley movie roll as the year.

**VALLEY OF THE KINGS**  
 A fine adventure woman and greed-hill together in the but ancient Egyptian roya and Eleanor Parker and the romantic interest and their murders convincing. The awa color photography and where this was filmed extra louch.

**THE HUMAN JUNGLE**  
 Almost a documentary account of a police clean up his precinct interlarded with enough atrocities to give a prize title. Gary Merrill who fights a "cop" Sterling as a blonde do lots for the mor do.

**DEAD END**  
 Near as we can come out about 1937 version of the long- of the same name. ney and the original including Tommy D and Huntz Hall—in East Side tenements. A classic.

**ALL THE BROTHERS WERE VALIANT (2 1/2 Bells)**  
 A colorful version aboard the early w South Seas. It is headed by Robert Taylor, ger as the quarrel Ann Blyth and Bett wive. Some of the tion-filled picture the art of whale hunting.

**PRIVATE HELL**  
 A suspenseful tale Steve Cochran and run a robber to earth 000 of the loot is st ran, being a tidy pen area and keeps the himself and his true Singer Ida Lupino. H complice sets things of an engrossing ta
