

INQUIRING? PHOTOGRAPHER

HOW DID YOU PROPOSE TO YOUR WIFE? SSGT. GEORGE PETERSON, H&S BN., 2ND MARINES — We were riding back to Philly on the back seat of the car. It was the long weekend for Thanksgiving in 1950. I asked her the usual question, "Will you marry me?" We were married one month later.

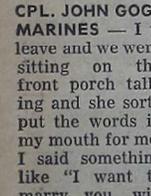

SSGT. BRADLEY SPENCER, H&S CO., 2ND MARINES — It was in '42 and we were sitting in a club in New York City. Some Gypsies were playing violins. It was a good atmosphere, so I asked her to marry me and she said yes.

TSGT. WILLIAM REDDING, H&S CO., 2ND MARINES — I was supposed to go to Okinawa in a couple of weeks and my orders had been changed several times and I wasn't sure if I was going or not. So, just to make sure, we took off and got married. Don't really remember how I did ask her.

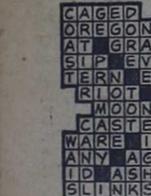

HM3 WARREN PEPPER, 2ND MT BN. — I was staying at her folks' home for the weekend and we were sitting around the breakfast table and I asked her to marry me. Everyone left the table crying except her dad and I asked him if he was going to cry too. He said no, of course. Then she came back out to the kitchen and said yes.

CPL. JOHN GOGAN, "E" CO., 2ND MARINES — I was home on boot leave and we were sitting on the front porch talking and she sorta put the words in my mouth for me. I said something like "I want to marry you, will ya?" and she said, "Of course."

PFC WAYNE HEIN, MT SCHOOL, SUPPLY SCHOOL, MONTFORD POINT — We had talked of getting married before and we were parked in a park. It was daylight too. We were talking casually and it was more or less decided by both of us that we were getting married soon. It was no sudden thing. We had been going together for two years.

1st Division Vets Select Hotel Astor As Site Of Reunion

Personnel at New York's Hotel Astor are bracing themselves for a Marine invasion this summer. A couple of thousand 1st Marine Division veterans have picked the Astor as the site of their seventh annual reunion August 6-8.

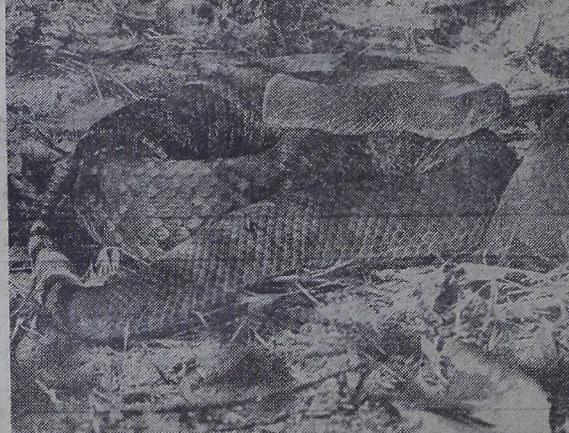

The veterans of Guadalcanal, Gloucester, Peleliu and Okinawa really threw a ball at the Astor in 1949. But the '54 bit, with World II forces augmented by 1st Division veterans of Korea, promises to make the '49 show seem like a meeting of a sewing circle.

Hundreds of Lejeune marines who served with the 1st are expected to lead the assault.

While fun and the renewal of old acquaintances are some of the prime aims of the reunion, there will also be a serious side. A memorial service, honoring the division's dead, is planned. And the business meeting will have on its agenda the scholarship fund for the dependents of Division marines willed in action.

The traditional banquet and ball slated August 7, will again be the reunion highpoint, according to Herb McCallen, reunion chairman.

Further information may be obtained by writing the 1st Marine Division Association, P. O. Box 84, Alexandria, Va., or by calling MSGT. Donald F. Ball at 7-5655. Sgt Ball is a member of the Association's board of directors.

BEWARE!—This rattler may be waiting for you to make a wrong step. Don't make the mistake of disrupting his home life while rambling through the woods or swamps here at Lejeune, or he may become very, very irate. One of several types of rattlers found east of the Mississippi, this fellow is dangerous when wet—or dry! (Official USMC Photo).

Snakes In Camp Lejeune Boondocks Mean Trouble; Keep Your Distance!

BY TSGT BILL DAUM

There's snake in the grass. In fact, there are a lot of snakes around here so we figured we'd pass on some dope for those of you who intend doing a little boondocking.

Of the 2,400 known kinds of snakes, 60 live east of the Mississippi. Out of that total only eight are poisonous. These include the coral snake,

colorful, but deadly, two moccasins and five kinds of rattlers. Camp Lejeune mostly has moccasins and rattlers, though coral snakes have been reported in Onslow county.

When warm weather drops in to stay—so do the snakes! After a winter spent in hibernation they are ready to go, and have little consideration for anyone who steps in the middle of a brood.

Though it's generally understood a snake can strike only about half its length—from any position—it's best to wear protective covering on your legs in the woods.

One way of telling a dangerous snake from a harmless one is by looking it in the eye. If the snake has a round eye and no pit between the eyes and nose, it's non-poisonous. If it doesn't, you'd better take off.

It's also a good idea to have a working knowledge of snake-bite treatment in case the snake beats you to the draw.

First identify and kill the snake, if possible. Then apply a tourniquet between the bite and the heart. This retards the spread of venom through the blood stream. Be sure to LOOSEN the tourniquet every 15 minutes for a few seconds.

Next, with a clean blade, make a cross-cut through each fang mark. Be sure the blade is sterile.

After making the incisions apply suction of any kind, including suction by mouth, if there are no sores or cuts in the mouth or on the lips. Continue suction over each incision for 20 minutes out of each hour of treatment.

Remember—one drop of venom removed through suction may save a life.

Most important is the final step: get the victim to the nearest medical facility AS QUICKLY AS POSSIBLE.

The old snake-bite remedy, alcohol, by the way, does more harm than good by stimulating circulation and spreading the venom.

Snakes do perform a service by keeping nature in balance by ridding swamps and woodlands of insects and disease-bearing rodents. But no matter how well they aid man, the best advice in any case is to leave 'em alone. Maintain a healthy respect and a good distance!

Don't let that snake in the grass get YOU.

Both Verano Brothers Have The 'Tony' But Only One Clips Leatherneck Locks

BY PFC GEORGE BRAGAW

They called him Tony, the barber of Vieques. Now Tony isn't the only barber in his family, but he's the only one who's been to Vieques. Of course, when you get right down to it, Tony—whose full name is Constantino Joseph Verano—isn't even Tony. That's his brother, Anthony.

"But," says Tony, "nobody can ever remember Constantino and, besides, 'Tony' is a better name for a barber."

Which is important to Tony because past history shows that where there's a Verano, there's usually a barber. Tony's father was a barber, and so was his father before him.

This Verano joined the Corps in August, 1953, and went through Parris Island. After boot camp, he was assigned as barber for H&S Co., Sixth Marines. This February Tony went into the field with his shears as the Sixth moved to Vieques.

The voyage to Vieques was nothing new to Tony, who first went to sea in 1936 when his family traveled over from Isca Sul Ionio, in the heel of the Italian boot. That journey took him to the little white barber shop in Shamokin, Pa., where he learned his barbering trade.

On Vieques, Tony trimmed right off the top. His customers included 2nd Division Commanding General Maj. Gen. George F. Good Jr. and Col. Charles M. Nees, his own CO in the Sixth.

Back on Carolina soil now, Tony is keeping up with his hair-trimming while planning a post-discharge career in theater and television makeup and design.

VIEQUES CUT-UP—Pfc "Tony" Verano makes with the scissors and comb as he gives a strictly regulation haircut to Sgt. William D. Powers of Regimental H&S Co., Sixth Marines, on recent Vieques maneuvers. The man in the on-deck spot, reading our favorite newspaper, is unidentified. Pfc Verano also cut the hair of Maj. Gen. George F. Good Jr., 2nd Division commander, and his own CO, Col. Charles M. Nees, which takes shear nerve in anybody's book (Official USMC Photo).

Two Second Marine Chaplains Receive Bronze Star Awards

Second Marine Chaplain Comdr. Harry F. Fenster and Lt. (jg) Elmer T. Ernst awarded Bronze Stars Monday in the area. Col. D. W. Stonecliff, mental commanding officer presented the awards.

Chaplain Fenstermachi cited for outstanding performance of duty while serving with 1st Marine Air Wing from October 18, 1952 to August 1 as chaplain of an anti-artillery battalion.

Chaplain Ernst won his while serving with a battalion in Korea from May July 24, 1953. He served battalion's main line of advance where he repeatedly himself to fire from positions. He is authorized the Star with Combat "V."

BANDSMEN NEEDED

Vacancies exist in the band and drum and bugle corps. Interested personnel with experience or training may apply to the Division band office at Norvell, at 7-5157 for an application.

New Book Relates Story Of GI's In Japan's Prison

Editor's Note: TSgt. E. D. Nixon, former materiel communications chief for the 1st Marine Division, who left Monday for duty in Korea, is the character in "Laughter in Hell," a new book which will be on sale this week. TSgt. Nixon reviews the book below.

"Laughter in Hell" is one of the most interesting books I've read in many a day. From cover to cover, this account of POW's in Jap prison camps is a real gem. Tanagawa to Tsuruga is a hold any reader with a record of tenderness, and loyalty.

From a beginning of skeletons, the author's heartening tale shows the triumph of American ingenuity over the Oriental mind—the most unique tales out of any war.

The laughter was the strange laughter which, at times rang with defiance, sometimes was gleeful pleasure of putting someone on Jap guards or being steal a little extra food for the community "soup."

The only criticism was the wish that the book appeared earlier, before POW camp horrors were spelled at Freedom Village. Local readers will be interested to learn that the Carlow has a bulletin board on the book, which has been established and which is expected to be the next two weeks.

Years Of Service Celebrated Today World-Wide U. S. Navy Nurse Corps

By PFC JUNIUS GRIFFIN

Forty-nine Navy nurses at Camp Lejeune's Naval hospital join their sisters throughout the world in observing the anniversary of the Navy Nurse Corps.

The nurses have demonstrated

importance by personal sacrifice and devotion to duty in two wars and Korea.

The nucleus of the Nurse Corps "Sacred Twenty" led by Lieutenant Esther Voorhees and assigned in 1908 to the Medical hospital, Washington, D. C.

World War I was the first big test for the Navy nurses that conflict and the influenza epidemic they encountered themselves to the nation. In their service to the armed forces, they assisted in caring for a civilian populace during the epidemic.

Navy nurses were awarded Navy Crosses for outstanding service three posthumously; two won Army citations for

"special, meritorious and conspicuous service," during this period.

In World War II Navy nurses twice changed Naval history. Comdr. Ann A. Bernatitus, now at the Naval hospital, Camp Pendleton, Calif., was with a unit serving with the Army on Bataan. She escaped from Corregidor in a submarine and returned to the United States in July, 1942. She was the first person in the Naval Service to receive the Legion of Merit.

In January, 1945, a destroyer, the USS Higbee, named for Lenah S. Higbee, the second superintendent of the Nurse Corps and one of the first four women of the Navy to receive the Navy Cross, became the first fighting ship named for a woman in the service.

During the Korean action three Navy nurses won the Bronze Star, one a Letter of Commendation with ribbon and Combat "V" while six received Letters of Commendation.

The nurses at Lejeune are under the supervision of Lt. Comdr. Ruth Erickson, a Navy nurse for 18 years, who saw World War II get its start at Pearl Harbor, December 7, 1941.

She served on the USS Haven during the war and returned to the States in 1947. After serving at the District Medical office in San Francisco, the Bureau of Medicine and Surgery in Washington, D. C. and as assistant Chief Nurse at the Naval hospital, Great Lakes, Ill., she was assigned as chief nurse at the Naval hospital here in February.

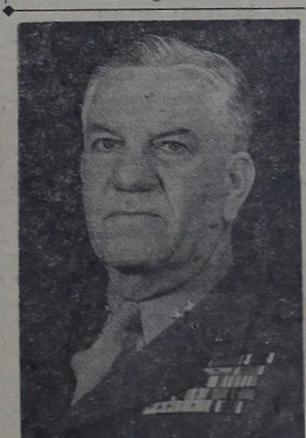

Carolina was named after the Latin "Carolus" in honor of King Charles I of England.

commander, was included in a list of five temporary two-stars who were named for rank. Others were Gen. John C. Jerome, Edwin A. John C. McQueen and Gen. E.

Gen. Matthew C. Horner, president of the Joint Land-Force Command Board of Lejeune and Camp commander, was in a list of ten brigadier who were named for permanent rank. Others were William W. Davies, Wilmanley, Homer L. Litzens, Joseph O. Burger, R. H. Jr., Lenard B. Cresswell, E. Hogaboom, Verne J. McIlon M. Bethel.

THREE STARS—Maj. Gen. Randolph McC. Pate, left, and Gen. Robert H. Pepper were named for promotion to three-star rank by President Eisenhower last week. General Pate will succeed Lt. Gen. Gerald C. Thomas as assistant commandant. General Pate will succeed Lt. Gen. Franklin A. Hart as commanding officer, Fleet Marine Force, Pacific. (Official USMC Photo).

Div. Communication Men Shove Off For Operation Packard

Operation Packard, an amphibious command post exercise, got underway Tuesday as 600 enlisted men and 29 officers of the 2nd Division entrained for Quantico.

The Lejeune components included representatives from all communication sections of the Division. They were combined into an enlarged signal company for maneuver purposes.

Maj. Gen. Edwin A. Pollock will command the operation which will consist of a planning stage, a landing rehearsal and an actual landing at Onslow Beach.

While en route to Onslow, the force will detour to Bloodworth island in Chesapeake Bay where an air-naval gunfire demonstration will be staged.

Onslow Beach will be closed except to maneuver personnel, May 24-25.

Col. Penzold New Commander Of 2nd Service Bn.

Col. A. F. Penzold succeeded Lt. Col. E. W. Ritzau as commanding officer of the recently revamped 2nd Service Bn. this week.

Colonel Penzold served with the Canadian Army staff college in Kingston, Ont., before coming here to assume his present duties.

The battalion change saw Service, Ordnance, Engineers, Motor Transport and Headquarters companies merged May 1 to make up a reorganized battalion compared to the previous small unit.

Use Of Mail Plane For Base-HQMC Run Starts Monday

An indefinite trial of the utilization of a daily guard mail plane for the carrying of official mail between Camp Lejeune and Headquarters, Marine Corps begins Monday.

The trial is designed to determine whether the service will expedite the transmission of official mail, to determine the reliability of the service and to determine possible savings to the government.

Closing time for outgoing mail will be 7 a. m. Monday through Friday. Incoming mail will be picked up at Peterfield Point at 4 p. m. daily. Delivery will be made Monday through Friday mornings.

'Platter Parade' On Sale Tuesday

"Camp Lejeune Platter Parade," the brand-new cook book whipped-up by the Officers' Wives club, will go on sale Tuesday night at the Navy Relief carnival at Goettge Memorial field house.

Featuring such culinary delights as Kentucky Burgoo, Ich Pilaf, Listy, Kiofte, Tung Tchun Slim—and Buttermilk fudge, the \$2 book is a cross-section of marine cooking gleamed from recipes submitted by marines and their wives out of their experience in field and tile kitchens.

More than 700 recipes are included in the 300-page volume.

NEW DIRECTOR—F. Russell Veeder, left, new Red Cross field director here, checks the operation of the local chapter's teletype center with Retiring Director S. Paul Allen. Veeder, recently returned from Germany, came to Lejeune from McDill Air Force Base, Fla. At the keyboard is Miss Nina Nelson, Red Cross terminal supervisor. (Official USMC Photo).

S. Paul Allen, Red Cross Field Director, Retires After Two Years At Lejeune

S. Paul Allen, Camp Lejeune Red Cross field director since 1952, retired Tuesday.

He was succeeded by F. Russell Veeder, a long-time Red Cross staffer, who returned recently from five years as a field director in Europe.

Rhyming WM Wins \$5 Limerick Prize In Safety Contest

Pfc Charlotte Ayers, clerk typist in the Camp Adjutant's office won \$5 last week for her entry in the National Safety Council's limerick contest.

The limerick: Andy Howe was an average guy, Who with average driving got by—

'Til he tried to stop quick When the pavement was slick... Pfc Ayers' winning additional line:

And you shouldn't even do that when it's dry.

The Council gives away monthly prizes totaling \$325 to contest winners. First prize is \$100, second prize, \$50, third prize \$25 and there are 30 \$5 prizes. A new limerick is published in the Camp Safety Bulletin every month.

Camp Safety Engineer J. E. Umstead presented the check to Pfc Ayer and added his congratulations.

"I'm very happy to win the award," she said. "But I'm still \$30 behind."

She explained she was recently fined \$35 for driving without a learner's permit. "This will help rebuild the bank account," she said.

SAFETY FIRST—Camp Safety Engineer J. E. Umstead hands a check for \$5 to Pfc Charlotte Ayers of the Camp Adjutant's office for her winning entry in the National Safety Council's limerick contest. She was the first from Lejeune to place in the contest. (Official USMC Photo).

- Short Rounds -

A nephew of President Eisenhower has joined the Marines. He is Michael D. Gill, a senior at Western High-school of Washington, D. C. He plans to enter college after graduation and will enroll in a Platoon Leader's class. The oath as a Marine Reservist was administered at the Naval Gun Factory. . . . When the Army gets through changing the names of its enlisted rates again, you'll call a master sergeant a master specialist; a sergeant first class a specialist first class; a sergeant a specialist second class and a corporal a specialist third class.

Pfc Paul McArdle, former GLOBE sports editor is now writing sports for the First Word, the 1st Division's weekly newspaper. . . . They spread sawdust on the floor of Goettge Memorial field house for the Navy Relief carnival, but it isn't to give a circus atmosphere. It is to protect the beautiful basketball court. . . . Navy Nurse Lt. Mary E. Turner of the Camp infirmary will become the bride of Maj. Charles D. Fredrick, assistant G-3 officer of Force Troops, at the Camp Protestant chapel at 2 p.m. Saturday. . . . We don't mean to steal any thunder from Crook's Fish and Wildlife Patter. But a 10-foot, two-inch alligator was killed at Cherry Point last week by Maj. Edward Schaefer. Cherry Point claims it was the largest killed hereabouts in a long time. Any challengers? This one weighed 350 pounds and was polished off with a 30.06 bullet through the right eye. Before Maj. Schaefer killed it he tried to snare it with a rope but the critter was too powerful.

Everyone has actors but Lejeune. The Cherry Point Footlight club plans to do "Suds In Your Eye," a three-act comedy. . . . All 3rd Division hands were restricted to their Japanese camps May 1-3. The move was made to avoid any incidents during the Japanese celebration of May Day. . . . The August issue of Leatherneck will be a special Far East edition intended as a souvenir for men of the 1st and 3rd Division. . . . CWO H. R. Parrett, Parris Island band officer since October 1, 1952, was retired last week after 25 years of active service in the Corps. . . . Next week's GLOBE will be a surprise. . . . By the way, the GLOBE welcomes all contributions—stories, leads, cartoons, art work, old pinups or what-have-you. . . .

Next month, when the Navy Relief drive is over, you will be asked to contribute toward the completion of the giant Iwo Jima statue, or, as it is officially known, the Marine Corps War Memorial. Parris Island last month raised \$16,895.53 or an average contribution of \$1.11 per man. Officials here are negotiating to bring back the John Wayne classic, "The Sands Of Iwo Jima," as a feature of the drive. . . . Col. John C. Munn is the new commanding officer of Marine Corps Air Station at El Toro. . . . The Navy Relief folks at Camp Pendleton have announced plans for the seventh annual Navy Relief rodeo early in June. Professionals and amateurs will participate in the famed event. Like Quantico, Pendleton will also pick a Navy Relief Queen. . . . If you've missed the "monthly" library column we once promised, you'll be glad to know it'll be back again in next week's issue.

PRAYER FOR ARMED FORCES DAY

(Prepared by the Armed Forces Chaplains Board)
God of all grace and glory, accept our humble gratitude for the boundless blessings expressed in the lives of all who have loved our country with loyalty and devotion so that they may be preserved for us. Thou alone knowest their heroic and self-sacrificing deeds which they have performed.
On this day we remember all the personnel of our Armed Forces before Thy throne of grace. Extend over these men and women who have answered the call of duty Thy protection. Preserve and protect them that no harm or hurt befall them. Grant them courage and vigilance, granting them ability to perform their duties faithfully. Give them the assurance of Thy strength and that they may serve according to Thy will. Keep them in honor and decency as they place themselves wholeheartedly in the service of our country for its safety and protection. Blessings Thou wouldst have us enjoy may be present to generations yet unborn.

Finally, we beseech Thee, our gracious God, give Thine blessing to those who occupy positions of responsibility that their endeavors may be just and honorable. Give success to our undertakings in bringing to naught the forces of darkness and in maintaining a nation which is striving to serve Thee. In Thy Name we pray.

The Old Corps

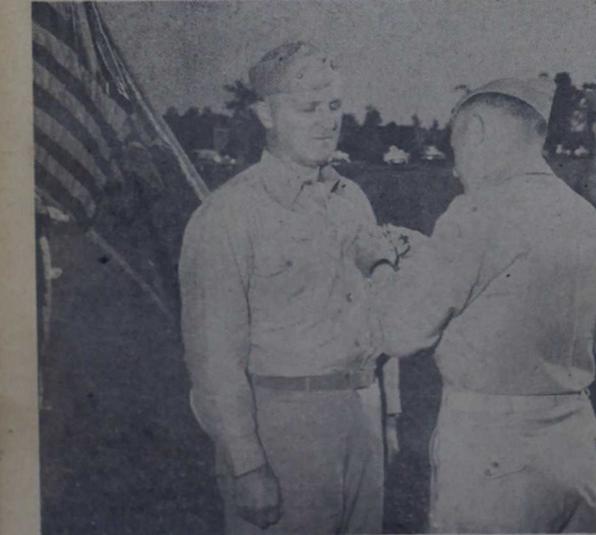

Ten years ago this week: Bus service to Onslow Beach was inaugurated. Twenty-five buses made the run every Saturday and 30 made it on Sunday.

The Presidential unit citation was awarded the 2nd Division for "outstanding performance in combat during the seizure and occupation of the Japanese-held atoll of Tarawa. . . ."

A GLOBE story from Guadalcanal said: On the bulletin board at a Marine camp is a clipping with the words to "Mairzy Doats," the novelty song popular in the United States. Beneath it was scrawled: "This is the kind of song they are singing back in the States. And yet they worry about us going Asiatic!"

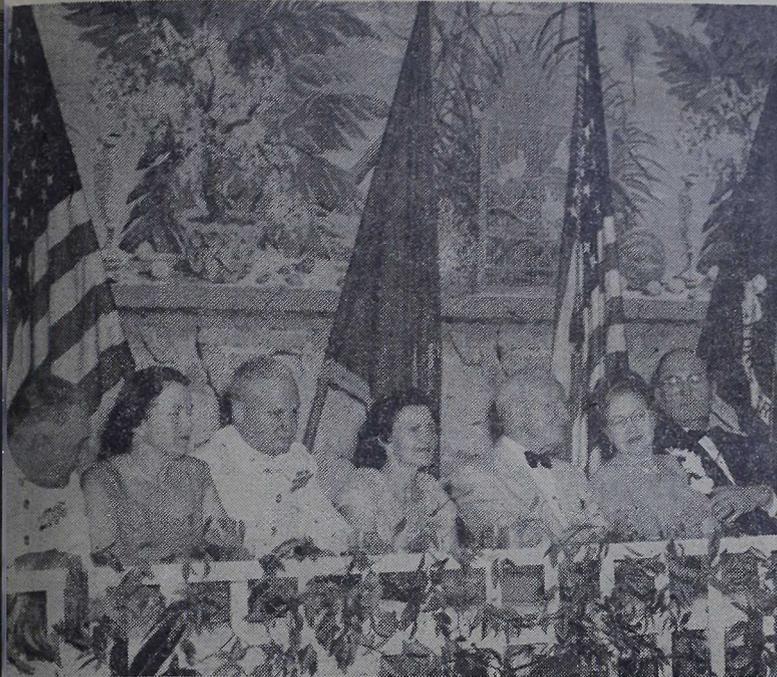

Tryouts got underway for "Minstrel's Music," an All-Lejeune stage production.

Movies at Camp theaters: "Gung Ho," with Randolph Scott; "Madame Curie," with Greer Garson, Walter Pidgeon; "Bride of San Luis Ray," with Akim Tamiroff, Lynn Bari; and "Phantom Lady," with Franchot Tone, Ella Raines.

Camp Bats Blaze But Errors Cost Split At Parris Island

A heartbreaking 11-inning loss and a four-hit win for Charlie Chronopoulos gave Lejeune a split with Parris Island in their first Marine series of the year.

The Marines dropped the first game Thursday night when they were nosed out by a squeeze play 6-5. Friday was a different story as the revengeful Leathernecks pounded four pitchers for 10 hits as they smashed PI 9-4.

The Thursday night thriller saw PI push two runs across in the first. Lejeune bounced back in their half of the second on the strength of Bill Pope's first home run to tie the score.

In the fourth the Depot went ahead again when they scored two runs on a single and two of Lejeune's seven errors. Pope was fourth man up in the seventh and the big man put Lejeune ahead, when he hit his second round-tripper with two aboard.

The Islanders knotted the game in their half of the seventh at 5-5, and that's how it remained until the eleventh.

With one man out and men on first and third, PI catcher Frank Biskop laid down a perfect squeeze bunt to send Paul Leslie home with the winning run.

Lejeune used four pitchers in the contest. Frank Wall was charged with his first loss of the season. Mike Eastman collected his sixth win of the year after he relieved PI's ace Sam "Bones" Musto in the seventh.

Chronopoulos was the master of the highly-touted Depot bats Friday. He gave up four hits but spread them over four innings, while striking out 14.

Lejeune went to work on Starting Pitcher Bill Wedeking. In the second inning they picked up two runs on one hit. The third inning saw them score twice after Russo tripled, Petros walked and Given singled.

Danny Rodriguez kept the ball rolling in the fourth when he slammed the ball over the 330-foot sign in left field for his first home-run of the year.

In the fifth Lejeune picked up four insurance runs when they banged out two singles, a double, a triple and capitalized on an error.

The losers got their first hit in the fourth inning and in the fifth they picked up another hit and scored their first run.

The Depot nine picked up three more unearned runs in the seventh when they combined a single with two Lejeune errors.

The series split gave Lejeune a 1-1 record in the East Coast Marine race while PI sports a 3-1 record with the other two wins coming at the expense of Cherry Point.

In the two-game series Lejeune out hit PI 20-10, but they also out erred the Depot 11-5.

Skeet Team Fires Sunday In 3-Way Cherry Pt. Match

Lejeune's national champion skeet team will shoot against Cherry Point for the third time this season in a triangular match there May 16.

Lejeune will be aiming for its sixth consecutive victory this season when they meet their rivals, the Flyers and the Miami Marine Corps Air Station team.

Lejeune's high shooter, Capt. Bill Loos, won't compete in the meet. He will be training at Quantico.

Representing Lejeune will be Capt. H. B. Stowers, CWO J. A. Martin, MSgt. V. R. Mull, MSgt. S. J. Heidt and MSgt. C. R. Wingard.

Camp Clips Army Track Men 109-22

BY PFC JUNIUS GRIFFIN

Lejeune's track team had too many guns for Fort Jackson's Golden Arrows Saturday as they downed the Army 109-22 on a rain-soaked Liversedge track.

Sonny Blankenship ran the two-mile event in 10:13.5, breaking the old Lejeune record of 10:13.9 set by Clarence Williams in the Lejeune-North Carolina A&T meet of '53.

Don Walker took the meet's scoring honors with 15 points. He placed first in three events. Walker ran the 120 high hurdles in 15.5, the 220 low hurdles in 25.5 and leaped five feet eight inches in the high jump event.

The upset of the meet was Sprinter Charles Washington's winning effort in the hundred-yard dash. Washington broke the tape just ahead of Fort Jackson's Henry Mosley, former University of Tennessee speedster. The winning time was ten seconds flat. Lejeune's Ray Scott turned in a pair of firsts by tossing the javelin 191 feet and the discus 123 feet and four inches.

Chef Franz captured the 880 and one-mile runs in 2:00.5 and 4:42.8, respectively.

Lejeune Captain Lou Gomlick won the 440 in 53.0. Hal Ventres took the broad jump with a 21-foot, seven-inch try and Howard Banks, Harry Deloach and Ron Cole tied for first place with a 12-foot leap in the pole vaulting event.

The Golden Arrows took two firsts in the 15-event meet. Mosley ran the 220 in 22.4 and John Edwards won the shot put event with a toss of 41 feet, eight inches.

At the request of the Fort Jackson Coach Jack Hall, Coach Jack Warner added an 880 relay race in the meet.

Lejeune's Gomlick, David Lawrence, Ron Buckner and Washington won the event in 1:35.

The Golden Arrows had no entries in the 440, 880 and high jump.

Lejeune now has a 2-2 record. The team tangles with Quantico at Quantico May 15.

Sports in short

Jack Haver

ISLAND, S. C.—The people down here at the Recruit think they have a Marine champion in their baseball team.

The beginning of the season their sports writers have been PI is the team to beat on the East Coast and the team of the Western teams in the All-Marine playoffs. The PI team has not let this prediction down and the winning to take up the cry. Their team now has a 26-10 three consecutive Marine victories and the fans are in large numbers to cheer them on.

They whipped past Cherry Point 10-1 and 12-4, and last night nosed out Lejeune 6-5 in 11 innings.

An impartial observer the 6-5 decision gave indication of a two-game series with PI in June and Quantico still must win four contests. If we keep playing the type of ball we are all takes a couple of bad hops for Parris Island, the end is a different situation.

A REAL PRO

The old-timers have heard of Frank Wall in Marine baseball to you newcomers.

Lejeune's pitching ace made a feat in the Nats Semi-Pro tournament that will be remembered for a long time.

Frank was a representative in 1950 and one of the best line pitchers was slightly hampered at his left arm was through the consistent slider and drop, he compiled a 3-0 record so he was knocked out.

FRANK WALL

HEARD AROUND

Though Bob Grim, former Lejeune ace, won't make the Yankees this year.

Frank is bemoaning the fact that his team is just out of division and said last week he is through experimenting.

He had two starts so far and in both of them he has been unhandled by the opposition. At the start of the season he was the former Marine who made a great showing in the circuit, but the Yankee manager has decided that he is not ready.

Don't think that this means Grim is through with the Yankees, but the probability he will be sent to Kansas City on 24-hour notice.

Oak Taken Pups Cop 4th Win

The High picked up the season in a game here Thursday, May 13-14.

For Lejeune was who hit three for three in the first inning triple and which he stretched as on errors.

Pitcher Don Pope struck out four, allowed three walks, and three hits.

Amphibs Take Early FT Baseball Lead

The 2nd Armored Amphibian Bn. got off to a fast start this week as they combined 11 hits and 11 walks to overwhelm Hq. Co. 20-6 in the opening game of the Force Troop's intramural baseball league.

Lace, the starting and winning pitcher for the Amphibs, helped his own cause with a bases-empty homerun in the sixth. He struck out seven, issued one free pass and allowed four scratch hits. He was relieved in the eighth by Stewart, who struck out five batters in the two innings he toiled.

Fort McPherson Whips Lejeune In Twin Bill 16-7, 7-1

Fort McPherson's ace moundmen, Ted Abernathy and "Vinegar Bend" Mizell, had too much on the ball for Lejeune as they handed the Leathernecks twin defeats in last Sunday's double header there.

Abernathy displayed the winning form that netted him a 16-7 record with Chattanooga last year to beat Lejeune 7-1 in the first game and "Vinegar Bend" shutout the Marines in the nightcap 8-0.

Marvin Mick was the starting pitcher for Lejeune in the opener, but went to the showers in the fourth.

Abernathy walked Dave Petros and yielded a double to Jim Irwin spoiling his possible no-hitter and shutout and giving the Marines their only run of the game.

In the second game Mizell, former St. Louis Cardinal hurler, gave up three hits, two to Petros, and struck out nine.

Seven of McPherson's eight runs came in the eighth when they were gifted with seven walks, two hits and an error by the Lejeune team.

Clyde Monroe was the starter for the Marines but retired in the fourth in favor of Connie Gullet and Jim Gregor.

Camp Golfers Play Flyer Team Sunday

Camp Lejeune's 24-man golf team will travel to Cherry Point Sunday to compete in the second of the home-and-home matches between the two bases.

Lejeune was host to Cherry Point two weeks ago and walloped the Flyers 96-39.

Ducky Miller fired a 66 to set a new course record, three strokes under the old record and six strokes below par.

One-Hitter Twirled As Devilpups Whip Visiting Dixon 16-1

Lejeune's Devilpups beat Dixon High 16-1 in a home game Tuesday last week.

A sixth-inning single, the only hit of the game for Dixon, spoiled a no-hitter for Lejeune's Johnny Mugford.

The Devilpups scored three runs in the first, six in the third, four in the fifth, and three in the sixth.

Dixon's lone tally came as the result of three free trips and an error in the third inning.

Don Pope's circuit clout to left centerfield scored two of Lejeune's three runs in the initial frame.

Dixon's shortstop, B. Smith, relieved his brother J. Smith after he had hit three men and allowed three hits for six runs in the third frame.

Big bats for Lejeune were Frank Lawler, who hit two for three, and Johnny Mugford, whose fourth inning three-bagger gave him two for two.

Georgia Tech's Bobby Dodd To Head Camp Grid Clinic

Bobby Dodd, Georgia Tech's famed athletic director and head football coach, will head the staff of Lejeune's 1954 Invitational Football Coaches' clinic at Goettge Memorial field house June 9-10.

Three members of the Yellow Jacket coaching staff will assist Dodd in conducting the clinic.

Ray Graves, Tech line coach and a former star center for the Uni-

BOBBY DODD

versity of Tennessee and the Philadelphia Eagles, will lead the discussion on line play.

Frank Broyles, backfield coach and former Tech great, will lend his views on Tech's razzle-dazzle style to the backfield clinic.

Arthur "Tonto" Coleman, as-

stant athletic director and defensive end coach, will discuss the end position in relationship to line and backfield play.

Dodd and his staff have led the Yellow Jackets to two consecutive Sugar Bowl victories and the Tech team was voted the National Champion of 1952 by the INS poll.

Highlighting a spectacular athletic career that began at the University of Tennessee and is a legend in the South, Dodd has become one of the top football mentors in the nation.

He coached the college All-Stars in 1952-'53 and was assistant coach in '49 and '50. He coached the South to victory over the favored North in the 1950 Annual Shrine Bowl North-South game, was elected the 1951 "Southeastern Conference Coach of the Year" and the "College Coach of the Year" in 1952.

Those signing up for the clinic will attend lectures, panel discussions and field demonstrations and will view films of the complete 1954 Sugar Bowl game.

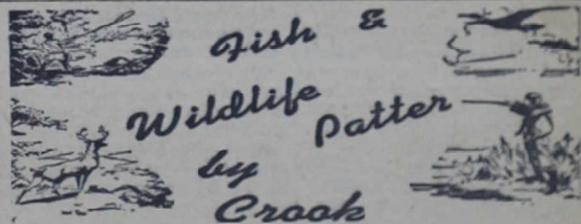

All state high school and college coaches and assistants plus Lejeune's intramural football coaches have been invited to attend the clinic.

Lejeune's Special Services officer, Lt. Col. Sidney J. Altman, has requested that all persons planning to attend notify him before June 1.

A banquet will highlight the clinic at 7 p.m. June 9 with Coach Dodd as speaker. Cost of the banquet will be \$3.

Literary talent is a prerequisite to good writing (we won't discuss that). However, a prerequisite to writing this column is a topic of conversation. That's where you, as a reader, come into the picture. If you want to tell the other fellow where you fish, what bait you use, etc., then pass along your experiences. Write them down and send them along to the GLOBE marked for "Crook" or call 9-8258 or 6-6610 at night. Your story about outdoor life in the vicinity of Lejeune is the one people want to hear.

INVITATION

You, as military personnel at Lejeune, are cordially invited to bring your dependents to a social gathering sponsored by the Fish and Wildlife club. Movies and good food are planned for the kiddies, both young and old. If you've pondered joining the club, this is the golden opportunity to meet the members who have at last come to enjoy the fruits of their labor. You'll meet sportsmen and women who have made conservation history at Lejeune. These men and women who plan our hunting and fishing regulations want to convey their personal desire to have you aboard next Wednesday night, May 19. Festivities will get underway at 6:30 p. m. at the club house. Plan to join the fun now. Turn off Marine rd. on the way to Courthouse Bay at the sign "Fish and Wildlife Club." You can't miss it.

EAGLE'S NEST

TSgt. Walter C. Olin from MCAF reports that the eagle's nest a half-mile up Wallace creek is occupied and further that Mr. Eagle does not care for intruders. To quote the sergeant, "The last time we dropped down for a look-see we were driven off by Mr. or Mrs. Eagle. We have made it a point not to venture too close since that time." Another report that an eagle has been seen carrying a 10-inch fish in its claws heading in that direction indicates that one or two eagles are making their home in that massive structure atop an old pine tree.

This majestic warrior of the wild, our nation's symbol of freedom, sails effortlessly across the sky. From a thousand feet his keen vision enables him to see a rat crawling along and he'll drop to the kill. Not a good fisherman, the eagle can force another bird of prey to drop its catch and retrieve it before it hits the ground. During the first year the American or bald eagle has been called the black eagle. In the second year its head and neck feathers turn gray, hence the same gray eagle. When maturity is reached in the third year the head and neck feathers turn white and from a distance he looks bald. Stories about eagles carrying off children can be discounted. A grown eagle would have difficulty carrying off a grown hen. However, they have been known to destroy hens and small lambs.

BLUES ARE RUNNING

It's hard to say where they are heading, but TSgt. Kathy of Supply School Bn. reports that plenty of blues passed the pier at Surf City last Saturday and that many of them stopped for lunch—only to wind up in someone's freezer.

PROUD MOMENT—Newly-commissioned 2nd Lt. Charley Robinson, honor man of the 5th Special Supply Officers' class at Supply School Bn., beams as Wife Jeanette pins a brand-new bar on his shoulder. Assisting Mrs. Robinson is Col. Leroy Houser, Camp supply officer, who spoke at the commencement exercises at the Montford Point theater. Fourteen former enlisted marines were commissioned during the ceremonies, marking the first time since pre-World War II days that an officers' class graduated in whites (Official USMC Photo).

Hillbillies Descend On Camp Theater Monday Night For Twin-Bill Jamboree

If you go to the Camp theater Monday night expecting to see Dany Robin and Kirk Douglas in "Act of Love" you will either be disappointed or overjoyed, depending on whether or not you like your music country style.

Mainly because there won't be any movie there that night. Instead the stage will be loaded up with hillbilly-type performers with guitars, fiddles, banjos and weird wild instruments known as the hillbilly vocal chord.

It'll be the WWVA jamboree, a famed troupe of radio performers from Wheeling, W. Va. They

in conjunction with a demonstration of helicopter techniques used in rescue work and airborne assault.

Those touring the rifle range here will witness marines firing annual weapons qualification with the M1 rifle, carbine and .45 caliber pistol. Another point of interest at the range are the electrically-controlled targets at the pistol range, where marine shooters vied for honors at the recent Southeastern Division Rifle and Pistol matches.

Camp Special Services has announced that all recreation facilities will also be open to the public during the day. Civilian guests may lunch at the Hostess house and Camp cafeteria, while guests accompanied by marines may eat in local mess halls provided advance notice is given mess officers and the marines pay for all such meals.

Rest room facilities will be available in the Camp theater, Goettge Memorial field house, Marston Pavilion and the Hostess House and soft drinks will be on hand near the camp theater and all displays from 10 a.m. to 3 p.m.

North Carolina's Mt. Mitchell is the highest in Eastern America. It's 6,684 feet.

'll be aboard for two shows, one at 7 p.m. and the other at 9 p.m. Both are free.

The troupe is heard regularly on the 50,000-watt Station WWVA and on the CBS network show, "Saturday Night Country Style."

Starring will be Red Garrett, Joyce Moore, Hal "Lone Pine" and Betty Cody, all RCA Victor recording artists, and others.

They will do the latest tunes from the hillbilly hit parade. They'll also do some yodeling.

So, as we said, if you're the type that goes for the heavy Kirk Douglas type of thing, stay away from the Camp Theater Monday night. But if you're a cornbread-fed country boy, brother, this will be just your dish.

This Week's Movie Review

BLOOD ON THE MOON (2 Bells)
This is an oldie starring Robert Mitchum, Walter Brennan and Barbara Bel-Geddes. It's a western.

THE MIAMI STORY (2 bells)
This is one of many crime thrillers spawned by the publicity given the Kefauver investigations. A committee of citizens is unable to stop the activities of racketeer Luther Adler. They seek experienced men for the job. Ex-gangster Barry Sullivan seems best suited.

MASSACRE CANYON (2 bells)
A gay group consisting of Phil Carey, a pite-eyed West Pointer; Audrey Totter, a cynical actress; Douglas Kennedy, a bitter but loyal army sergeant; Ross Elliott, a former major busted to private; and Jeff Donnell, the former lost fiance among the soldiers, are gathered at a way station in hostile Indian country.

MAKE HASTE TO LIVE (2 bells)
Sporting a cast whose last names sound like the Notre Dame backfield, this tense melodrama stars Dorothy McGuire, Stephen McNally, Mary Murphy, and Edgar Buchanan. Miss McGuire, newspaper publisher in a small Mexican town, suddenly meets Stephen McNally, the husband she married 19 years ago. It seems that Miss McGuire purposely misled him to prison for the murder of a man after finding out that he actually was a murderer. McNally poses as her brother and plots her slow destruction.

MISS SADIE THOMPSON (3 bells)
The sham lady of Somerset Maugham's story lands on a Pacific island in the personage of Rita Hayworth. She is hounded by the righteous, intemperate Jose Ferrer. Aldo Ray, Marine sergeant, falls in love with Sadie knowing her sordid past. Uninhibited Rita, frustrated Jose, straightforward and affectionate Aldo turn in fine character interpretations.

UNTAMED HEIRESS (2 Bells)
Judy Canova, Donald Barry and George Cleveland star in this comedy. George is a rich man who discovers gold and wishes to share it with Judy whose mother he greatly admired. Most of the events take place in a castle built in the desert. Bowers is the wife of an African comic planter, Edward Underdown. The characters maintain an outward appearance of sincere villains and fall into different comic situations that frustrate their plans.

ACT OF LOVE (3 Bells)
Kirk Douglas, a hardened American soldier and Dany Robin, a destitute French girl, are brought together in the war-torn and cynical Paris of 1944. An illicit affair develops in which both feel only contempt and even hate for each other. Love brings shame and an earnest desire for true companionship. The tragic story is full of intense feelings and vivid realism.

OVERLAND PACIFIC
Jack Mahoney and Peggie Castle are in this picture. No further information is available. However, two to one it's a western.

BWANA DEVIL (2 Bells)
This was the first full-length movie in 3-dimension. It stressed a heavily nature story. However, Lejeune audiences will not see the movie in 3-D, so it's just an average adventure tale with a fair quota of excitement and suspense against the background of Africa. In color.

COWBOY AND THE GIRL
John Wayne stars in this one. The title is an obvious clue to this picture's background. It must be an old one. No further information available.

RIDERS TO THE STARS (2 Bells)
Science fiction action rockets across Lejeune screens. Scientists Richard Carlson, William Lundizan and Robert Karnes are off on a hunting expedition. What would space scientists hunt for? Why meteors of course! The story is

centered around the actual flight of three men to find meteors for Marshall, Martha Hyer space sex appeals. Facts on scientific phase of rocket flight but never, fact quickly slips the rockets are launched by the Shenzon, Co Keith Larsen star in western. The movie horse opera with me hard-riding cavalry understood hero, and a The plot is centered on journey of a wagon train country. Himmil Say, the movie's familiar Yep, everything except orig

FOREVER AMBER
This is a reissue starring Cornell Wilde and based on the best-selling Darnell, as Amber, is parently of noble birth but the daughter of a peasant cape the wrath of Cro concerns her love for fortune, and her dit obscurely. Sanders does the throne after Crom movie manages to cap atmosphere of Brit period.

THREE SAILORS AND A GIRL
Jane Powell, Gord Gene Nelson as Penny, star in this Technicolor film. A sea story about back a musical show Powell. The usual dirt the show struggles above the surface which seem to hold water, and dance routines are

PERSONAL AFFAIR
A heavy drama starring Leo Genn and Gladys George. It's a sea story about a girl who is taking on the of its dismal mood this concerns an innocent girl who is taken to a little English town. T appreciated by those art's sake.

TOP BANANA
This is a stage show TV actors and it is show of the same nature. It's confusing in entertainment value show moves along on less stream of wisecracks than the usual film in the breathing is lost in a bedlam, fast moving events. It's a sincere effort to and plausibility before unusual. The plot is news resulting from New Mexico.

PLAYGIRL
This is a melodrama and sordid life of a young social climber and Colleen Miller as girls who battle over an unhappy marriage. The plot ends when she catches a stray bull story does not end dying gasp, but gets ed.

FIREMAN SAVE MY CHILD
Besides a few hurried renditions by Spike and Slickers, this picture lead balloon. The story with the ridiculous plot, chuckle, is a fine company that's plus an extinguishing have been invented!
