He will be rendered the 34th annual Monday morning Camp Parade Field. General Kim Tai Sik is now completing the Marine Corps Base, Camp Lejeune, N. C. east coast escort, Lt. Col. Batterson, Jr., USMC, and interpreter, Capt. J. J. Amick, the Korean command at the Marine Corps Base, Camp Lejeune, N. C. New River. He will visit here he'll leave the island and then to San Francisco, where his American wife will meet him to a close.

INTRODUCTION—Superintendent W. H. Tuck of the Camp Children's School introduced Maj. Gen. Henry D. Linscott, camp commander, at the dedication ceremonies of the school's annex here last Thursday. Seated behind Mr. Tuck are (L-R): Col. P. W. John, outgoing chairman of the school board; Col. S. T. Clark, new chairman; General Linscott; Mr. H. S. Stevens, architect of the annex; and Mr. William P. Duff of the North Carolina Department of Public Instruction in Raleigh (Official USMC Photo).

Italian Commandos Join Divvy Forces In Final Stage Of 'Welfast' Exercise

Brig. Gen. Robert E. Hogaboom and his "Welfast" Landing Force Staff have embarked aboard the USS Taconic, "Welfast" amphibious command ship, from Cannes, France, for the climax of this year's NATO exercise in Southern Europe.

NATO forces are maneuvering in Greece, Turkey, and Italy. During the seven-day operation, amphibious forces succeeded in making use of initial air superiority, sabotage action and unquestionable naval supremacy to land 2nd Division Leathernecks and compatriot NATO troops in Northern Italy, Macedonia, and Thracian territories.

Fighting side by side with Division Marines on the week-long exercise are Italian commandos, known as the Gruppe Massarini. The group, which was organized two years ago, is named after its Commanding Officer, Italian Naval Commander Aldo Massarini.

General Hogaboom said during last year's participation in the Longstep exercise, "They always finished assignments ahead of schedule, and came back asking for more to do. They are true professionals, well selected, superlatively trained, and of high morale. It is a privilege to command such men."

Aliens In Military Forces Are Eligible To Become Citizens

Aliens serving in the Armed Forces may now become naturalized citizens under conditions of the recently passed Public Law 86.

The law provides for the naturalization of aliens lawfully admitted into the United States, who have served honorably in the Armed Forces for a period of 90 days or more after June 24, 1950.

To be eligible for naturalization under the new statute, such persons must have lived in this country at least one year prior to their entry into the Armed Forces.

\$57,000 Goal Set For Camp Lejeune In '53 Chest Fund

The lid was ripped off Camp Lejeune's 1953 Community Chest Drive here at the Camp Theatre Wednesday, at a meeting of campaign leaders from the base and Jacksonville.

In a short address to the group Maj. Gen. Henry D. Linscott, camp commander, called for all-out cooperation in the drive, pointing out the fact that it would be the only chance for most of the organizations represented to make appeal for funds.

The money collected is meted out to organizations which include institutions such as the Boy and Girl Scouts, the Camp Lejeune Youth Recreation program, as well as national welfare organizations.

Col. John H. Cook Jr., chairman for the Lejeune Drive, announced that the Camp's goal had been set at \$57,000. He pointed out that this could be reached if every enlisted man gave \$1, and every officer \$5.

The chairman for the Onslow County Community Chest Drive, Mr. Albert Ellis, also gave a brief talk, further explaining the function of the "Chest."

Thermometer
As an incentive to troops here on the base, the local committee has arranged to set up four thermometer graphs in the traffic circle at Hadnot Point. The graphs will record the contributions of Marine Corps Base, 2nd Division, Force Troops, and the civilian personnel of the Camp.

FOUND
A key chain with two keys was found on the Parade ground. Owner may claim by calling 5661, or going to Room 140 in Bldg. 1.

CG Speaks At Ceremonies Dedicating School Annex

Maj. Gen. Henry D. Linscott, camp commanding general, addressed approximately 800 people here last Thursday afternoon at the dedication of the new annex to the Camp Children's School.

Speaking before the outdoor assemblage, the General stressed the point that the \$317,000 addition to the school plant involved a lot of responsibility on the part of the children, who had to make full use of its possibilities.

Besides General Linscott, other officials in the program were: Col. P. W. John, the presiding officer of the ceremony; Chaplain Carl M. Sittler, who read the invocation; School Superintendent W. H. Tuck, who introduced the main speaker; Chaplain Glenn L. Barger, assistant Camp Chaplain, delivered the Benediction, and the 2nd Division band.

Colonel John, former commanding officer of the Marine Corps Supply Depot here, and ex-chairman of the school board, spoke briefly before the invocation. Superintendent Tuck praised the Colonel for his extraordinary work on the board, and said that his was the main responsibility for the addition to the school.

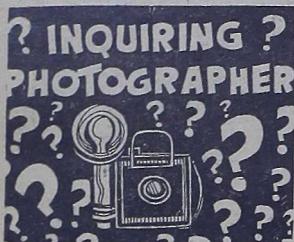

In addition to 13 new classrooms, the annex provides space for the Superintendent's office, a health clinic, a library, two utility rooms, and two book rooms.

As a separate building, but part of the new construction, is a large room with a seating capacity up to 240. This portion is used as the cafeteria and music room. Each classroom of the modern structure has its own outside exit, and a small terrace which can be used for outdoor instruction in sunny weather, and acts as a safety feature in case of emergencies.

Other Guests
Also participating in the dedication of the new building were Mrs. Barbara Chamberlin, music director of the school; Col. S. T. Clark, new chairman of the Board; Mr. C. C. Barrett of the Household Finance Authority; and Mr. William P. Duff of the North Carolina Department of Public Instruction. Architect of the annex, Mr. H. S. Stevens; and members of the school board, Colonel N. Van Dam; Cmdr. R. F. Erdman; Col. K. C. Zieg; Lt. Col. A. W. Harris; and Mrs. Paul Drake.

CHILDREN'S LIVES — What better reason is there to observe the safety laws regarding school buses? Here's a graphic illustration of the law properly obeyed. Cars on BOTH sides of the road must come to a COMPLETE halt when a school bus stops to discharge its passengers (Official USMC Photo).

IF YOU WERE PRESIDENT FOR A DAY WHAT WOULD BE YOUR FIRST ACT?

PFC DONALD M. SUTTON, H&S BN. — I don't know what my first act would be, but I do know I'd make sure military appropriations weren't cut.

TSGT. ROY T. COX, MCB — I would build up our own defenses before making any all-out moves. Another thing I would remedy are foreign "loans."

SSGT MELVAN E. HAWKINS, H&S BN. — I would pass a law to make sure that the serviceman's rights and privileges were protected. Commissary, post exchange, and hospitalization benefits are highly essential to the serviceman.

SSGT. W. J. BUNCH, MCB — I would do my utmost, by legislation, to encourage a maintenance of an armed force second to none. This could be done by making the Marine Corps the first line of defense and placing them in every Naval station in the world.

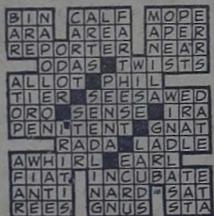

CPL. EDMOND A. CERALDI, H&S BN. — My first act would be to abolish some labor laws. It is my contention that some are unfair to union and the working man. I would also increase the serviceman's pay to compensate for the rise in the cost of present-day living.

3rd Div. Training Delayed In Japan

In Japan the recently arrived 3rd Division, commanded by Maj. Gen. Robert H. Pepper, has been scattered among five Japanese army camps at Fuji, McNaire, McGill, Otsu, and Gifu.

Although arduous training plans have been outlined for the division, one of the U. S.'s major ground forces in Japan, the present dispersion of forces has delayed the training program there.

GLOBE'S Ted Yates Pens 'Finis' To MarCor Career

A lot of newspaper blood left the GLOBE and the Camp Information Office when Sgt. Ted Yates, assistant editor and author of the columns "Hook and Lie-Nes" and "Globals," was released from service last week.

Born Frederick Langdon Yates in Sheridan, Wyoming, just 23 years ago, the versatile writer has accumulated more diverse experiences than most men who have reached middle age.

After graduating from Graham-Eckes School in Palm Beach, Fla., the son of Haydie Yates, former editor of New Yorker Magazine, attended the University of Virginia. Youngest Reporter

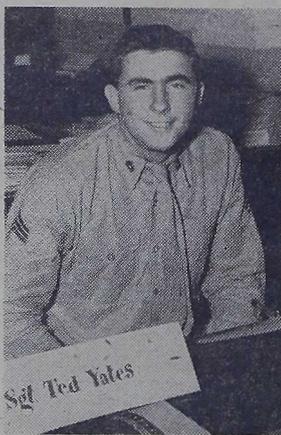

At 19, he became the youngest sports editor in Florida, taking the reins of the Collier Count News' sports department. He worked at different times, for the Fort Myers News-Press, the Miami Herald, and the Tampa Tribune.

During various stages of writing Yates had a shot at the cinema. His first role was production assistant on four Paramount Pacemaker shorts, and then starred in a short entitled "Way Out West In Florida."

Forsaking the reflecting screen for the television tube, he started reporting and later writing for the Tex and Jinx-McCrory TV show, "New York Close-Up."

Infused into this life of writing, was some cattle hustling in Wyoming (he even rode the rodeo circuit for two years collecting many broken bones "but no fame," as he puts it), Florida fishing, and then the draft.

Reporting to Lejeune and the GLOBE 19 months ago, Sgt. Yates moved from reporter to assistant editor, and penned the "Hook and

Lie-Nes" column for about a year. This summer, he started the news capsule "Globals."

Valuable not only as a reporter, but as a general workman on the paper, Yates was responsible for many of the colorful, and telling headlines such as "2nd Division Gets Atomic Fission Vision," and "A-Bomb Kaleidoscope of Chaos."

Leaving Lejeune, Yates said that he had not made up his mind as to the next step, although he was certain that the immediate goal would be a "little rehabilitation."

Value Of Accrued Retirement Funds Stressed By CMC

The Commandant of the Marine Corps in a recent bulletin emphasized the fact that many Marines are throwing away thousands of dollars by failing to realize the value of accumulated retirement benefits accrued by staying in the Marine Corps.

After eight years' service, the Commandant's message pointed out, a Marine who had enlisted when he was 17, 18, or 19 years old, had accumulated benefits amounting to approximately \$13,000. On retiring after 20 years' service, the man would receive about \$1,650 per year for the rest of his life.

In order to match this, a person in civilian employment would have to deposit over \$32,000 in annuities.

VA Advice Speeds Payments In GI Bill

Veterans commencing on-the-job or apprentice training under the Korean GI Bill can avoid delay in receipt of their training allowance checks if they will promptly submit to the Veterans Administration, along with their enrollment certificate, a copy of their training program and a properly signed training or apprenticeship agreement.

E. C. Elliott, officer in charge of the New Bern VA Office, has pointed out that submission of these items is required before VA can authorize allowance payments.

Medical Officers Stress Safety For Sleeping Infants

Camp Medical officials have set forth precautions for parents in regard to the safety of sleeping babies.

A firm, level mattress should be used—not a soft bed or cushion. Babies' faces may become buried in soft cushions and very young babies or those weakened from illness may be unable to turn their heads and free themselves. This is a frequent cause of suffocation.

Don't use a pillow. When sleeping on his back with head elevated on a pillow, a gas trap is produced in the baby's stomach, making it difficult for him to "burp." Very young or weak babies may smother by burying their heads in pillows.

No Couches Don't place babies to sleep on sloping surfaces like couches or settees. Young babies tend to roll to the low side, which is often the back, becoming wedged in the angle formed with the back and unable to free their faces sufficiently to breathe.

Don't use appliances for supporting bottles. Strings, cords, and other bottle supports may become twisted or tied around babies, resulting in death or serious injury.

Don't use open rails or guards around beds or cribs which have openings large enough to trap the head, body, or limbs. Often babies suffer fractures of arms or legs, or even strangulation, as a result of an extremity or the head becoming wedged through or under the rail.

Don't leave your baby alone at home. A responsible person should always be present to protect them against accidents.

Contest On Meaning Of America Slated For Oct. 15 Ending

The Freedoms Foundation at Valley Forge, Pa., has announced the establishment of a new category of cash awards and George Washington Honor Medals for "Letters from Service Personnel" in its letter contest on "What America Means To Me."

All Service personnel are invited to submit letters of not more than 500 words on the subject. They can be written on America as a whole, home towns, or some other part or phase of American or American life.

The principle award will be \$1000 in cash and an honor medal for the best letter. Twenty awards of \$100 and numerous honor medals also will be given.

Entries should be mailed to Awards Editor, Armed Forces Radio Service, Los Angeles 38, Calif.

Letters should bear the signature, rank, service number, and organization of the entrant. Those received after October 15 will be entered in the 1954 competition. Award winners will be announced by the Foundation on February 22, 1954.

Immediate Housing For El Toro EM's

Enlisted personnel assigned to Marine Corps Air Station, El Toro, Calif., will get immediate housing at the newly opened Wherry Housing project.

So far, 135 families have been assigned, and officer's housing should be ready about November 1, according to word received from the El Toro housing officer.

Rent for enlisted units is as follows: one bedroom: \$54.85; two bedrooms: \$67.60; and three bedrooms: \$76.20. These prices include \$5.00 for garage rent, but this is optional.

NPIC — William D. DeFrates, 17, follows in the footsteps of Capt. Charles May, left, training and operations officer of the 2nd Bn., 10th Marines. Private DeFrates enlisted for three months and DeFrates is Major Mitchell Paige, division recruiting officer. DeFrates received special authority from the Commandant to be the fledgeling Marine at Camp Lejeune (Official USMC Photo).

He Follows Footsteps of His Career

A strong link in the chain of Marine Corps pride and tradition was forged here last week when the enlistment of Pvt. William D. DeFrates.

DeFrates is the nephew of Capt. Charles May, S-3 officer of the 2nd Bn., 10th Marines, who is the uncle of DeFrates' enlistment. DeFrates, present at the swearing-in ceremony, held at the division recruiting office, recalled how his uncle, Leatherneck, has followed the Marine Corps career all his life and the time he has been in the Corps and talk.

DeFrates may enlist in December when William was only 17 years old. As the boy grew up, his interest in the Corps increased and he continually expressed a desire to enlist when he reached the proper age.

DeFrates had been living with his uncle, Mr. M. W. Coyle, in Jacksonville about three weeks ago. He came to stay with Captain May here on the base. DeFrates expressed his wish to be a Marine and Captain May contacted the division recruiting officer, Maj. Mitchell Paige.

Paige sent a dispatch to DeFrates and received a speed return from the Commandant giving him special authority to swear in DeFrates on the dotted line.

DeFrates will begin a three-year hitch on October 15, September 30.

DeFrates is now taking training at the Parris Island Recruit Depot. At the completion of his training he hopes to be assigned to artillery, once again following in the footsteps of Captain May, the uncle who is now a Marine.

Lejeune Plays Host To Special Meeting Of ARC Workers

One hundred and eleven volunteer workers of the American Red Cross, including ARC representatives from the eastern Carolina chapter, Gray Ladies from Cherry Point and Camp Lejeune, attended a special meeting at the Naval Hospital and luncheon at Paradise Point last Tuesday.

The ladies concluded their brief stay by a tour of the Hadnot Point area.

Mrs. Marian Ritzert of Atlanta, Ga., and assistant director of Red Cross volunteer services councils in the Southeastern Area, was guest of honor at the special meeting and luncheon.

Mrs. R. O. Hill of Wilmington, was unanimously elected to serve during the coming year as chairman of volunteer services council of Camp Lejeune and Cherry Point.

Present at the meeting were 16 representatives from New Bern, five from Kinston, 19 from Wilmington, and two from Kenansville. Onslow County and Jacksonville chapters had 10 representatives. Others attending were 14 guests and 20 Gray Ladies from Camp Lejeune and 22 Gray Ladies from Cherry Point.

Maj. Gen. Henry D. Linscott, camp commanding general, gave the welcoming address at the luncheon.

Following the welcoming address, Mrs. Ritzert spoke briefly on the work accomplished by the volunteer services groups which serve hospitalized personnel here and at Cherry Point.

Marine Corps Sets Integration Plans For Reserve Flyers

A limited number of Marine Corps Reserve aviators will be selected this year for appointment into the Regulars.

Applications for integration must be in Headquarters Marine Corps by November 13, and three main qualifications must be met by the applicants, according to Marine Corps Memo 70-53.

The first is that his date of rank for second lieutenant must be prior to April 16, 1944.

Secondly, the applicant must have completed 18 months of "continuous active commissioned service in the Marine Corps Reserve" immediately pursuant to his completion of duty as aviation cadet. The period of service must have been completed prior to June 30, 1953.

The third requirement states that the Reserve must have been less than 25 years old on completion of his cadet training.

All men accepted under this plan will receive appointments as permanent second lieutenants in the regular Marine Corps, with date of rank from their original commissioning as Reserves.

Officers serving at a temporary rank above second lieutenant will be given temporary appointments in that grade with date of rank also from the date of their original Reserve commissioning.

18 Leathernecks Still Korean POW's

Eighteen Marines are among the 944 POW's still being held by the Chinese Communists in Korea, according to the "Navy Times."

The UN command continues to press for the return, or, at least, an accounting of the 944 Americans. Communist radio broadcasts, testimony of released POW's, and other evidence have established that these 944 Americans are in Communist camps.

"GREENS"

Winter service will be the uniform of the day commencing Monday, October 19. "Greens" may be worn any time other than normal working hours, before the 19th.

Navy Aeronautics Bureau Gets Giant Electric Computer

An eight-ton electric computer has been installed to take the drudgery out of arithmetic at the Navy Bureau of Aeronautics in Washington.

The complex mechanism is capable of solving mathematical problems in less than 15 - thousandths of a second. The machine has been said capable of doing more routine mental work many times faster than it could be done by the equivalent weight of people.

For instance, the machine can compute in one day aircraft logistic requirements which by conventional methods might require as much as a month.

The computer will undergo tests during the next few weeks to eliminate all possible "bugs."

Overseas Returnees Given Extra Leave For Recruiting Men

Headquarters Marine Corps has included a new category of enlisted personnel who may obtain extensions of leave if they recruit acceptable applicants into the Corps.

This new category includes enlisted personnel recently returned to the continental United States from a unit in the Far East and who are in an authorized leave or delay status under travel orders to their first permanent duty station in the "States."

Other personnel who are on a leave or delay status under any form of travel orders are excluded.

Airlift Operation Flies Puerto Rican Marines Back Home

Yesterday, 38 Marines left Camp Lejeune homeward bound to Puerto Rico. Thus, with the first leg of their trip begun at Marine Corps Air Facility, New River, a chain of bilingual events is ending weekly as Spanish-speaking Leathernecks culminate two years of service.

For the past two months, from Marine bases and facilities throughout the world, the island residents are being transferred here for "further transfer to San Juan, Puerto Rico," and separation from the Corps.

Cold Reception

"Two years ago," stated Pfc Frankie Nieves, one of the many to be flown back, "myself and the others who had arrived at Parris Island for 'boot' training were a cold and confused group. We were mostly all dressed in thin pants and summer shirts, and in November South Carolina is pretty cold."

TSgt. Charles Ihle, NCO in charge of the Puerto Rican transfers, claims that the language barrier to him is not confusing, when a new group arrives, he just appoints one English-speaking NCO as his interpreter and places him in charge of the group.

"I don't always know what he is telling the boys, but if the results are what I want, it's ok," stated Ihle.

Looking back over their twenty-four months as Marines, they rank "pay-call and liberty" and rugged cold weather training on the West Coast first in their memories.

PIO PARLEY—Two former Lejeune public information men whose work appeared in the GLOBE swap tales as combat correspondents somewhere in Korea while the son of one looks on. The Leatherneck scribes are (l-r): TSgt. Earl Wilson, former section chief of the 2nd Division Public Information Office, and TSgt. Ernest A. Pickett, previously with the Camp Public Information Office and the GLOBE. At right is Pickett's son, SSgt. Richard F. Pickett, a combat intelligence man with the 7th Marines. Formerly with the 2nd Tank Bn. here, he played football with Lejeune's 1951 squad.

TRICK OR TREAT

Old and young alike join in the fun when it's TRICK OR TREAT time. And, as the small fry neighborhood ghosts and goblins come a callin', it's time to think about those real hobgoblins—NIGHT-TIME DRIVING HAZARDS that show up to plague unwary motorists around this time of year when the days get shorter and the nights longer.

But—if you will exercise just a little extra care—drive with a little more caution—their wily tricks need hold no terrors for you.

So, in these fall and winter days, when darkness slips in early and motor vehicle accidents begin to increase, it is important to: Slow Down Early—Your chances of an accident increase as visibility decreases.

Check Lights Carefully—Your safety depends on them.

Use Lights Properly—Be sure to dim at the proper time, give the other fellow a break.

Go Prepared—Take along a supply of flares for use in an emergency.

Remember: it's no trick to TREAT YOURSELF TO SAFETY, SLOW DOWN AT SUNDOWN!

Midway Pk. Opens Six Bible Classes

Midway Park Sunday School has started six new classes for children of all ages and an intermediate adult class.

The adult class, 13-16 years, and the nursery class up to three years, are held at the Community Center. The remaining classes are held at the Midway Park School Building.

Busses serve the Piney Green, Midway Park, Camp Knox Trailer Park, Tarawa Terrace, and two housing areas. The busses pick up passengers between 9 a. m. and 9:45 a. m. and return them to their homes at the close of the Sunday services.

A complete bus schedule may be obtained at the Chaplain's office in Midway Park.

A well equipped nursery is available to care for all babies up to four years of age.

Chaplain's Corner

When too much pressure builds up in a boiler, the boiler explodes. But properly controlled and governed, it means much useful energy, uncontrolled, it means destruction.

An automobile is a source of much pleasure and is a useful means of transportation when it is properly operated and safely controlled. A car running at top speed often means ruin to the engine and death to the passengers. Its proper operation demands control and moderation.

The truth of these conclusions will be denied by no one in his right mind. Without regulation and control, mechanical energy and activity will come to nothing. If that is true of machines, it is all the more true of men. Control and regulation is necessary in every human activity.

Nonetheless we often hear "self-expression" given as reason for uncontrolled human conduct. If a person drinks to excess, he is simply expressing himself; if he commits impurity, he is merely "sowing wild oats"; these forms or moral abnormalities are in reality evidence of a lack of self-control.

Right reason and common sense provide that control and regulation are necessary for human beings. The use of alcoholic drink may be enjoyed if used in moderation. The sexual urge may be satisfied—if exercised only in marriage. To do otherwise means a failure to understand, not only religious responsibilities, but human nature itself. It may be "self-expression", but, like the boiler blowing up, it also means destruction. — Chaplain K. Keane, 6th Marines.

FIRE TALK—Camp Fire Chief Frank J. Schlarp explains use a dry powder extinguisher to MSgt. Peter C. Patmalan, Camp Inspector's Office. The fire prevention display is in the lobby of Bldg. 1 in connection with Fire Prevention Week, October 4-10. According to Chief Schlarp, human care is the biggest fire hazard. Last year more than 11,000 people lived in fires, and property destruction due to fire was \$815,000. Chief Schlarp emphasized vigilance during Fire Prevention Week and in succeeding weeks at Camp Lejeune (USMC Photo).

Ships Pass Padres In Novel Maneuver

Six highline transfers from ship to ship enabled four chaplains to hold divine services for over 6500 men of the Atlantic Fleet Amphibious Force recently during operation Lant Traex I-54.

The novel sea maneuver, labeled "Operation - Pass-the-Padre," was set in motion so that all personnel would have an opportunity to attend divine services. Proving highly successful, the transfers took place in three stages.

Capt. Vance Pre-School Transfer

Captain Robert N. Vance, 1st School Battalion at Camp Lejeune has replaced 1st Lt. Clear as treasurer of Lejeune Kindergarten.

From now on, all children in Kindergarten will be made to reach at Building 13, Point tel. 5145.

In 1895, the headgear was a spiked helmet.

PTA Picnic Held At Camp School Site

An estimated 500 parents and their children attended the second annual PTA picnic held here Monday at the Camp School grounds.

Maj. Gen. Henry D. Linscott, camp commanding general, and Mrs. Linscott, were welcomed by Col. Norman Van Dam, PTA president, and Mrs. Van Dam.

The 2nd Division band entertained and cartoons were shown at the Camp School auditorium.

The festivities were capped off with a dance in the school cafeteria.

Picnic dinners were supplemented by ice cream and pop, sold by the high school juniors and seniors.

11 Receive Hikes To 1st Lieutenant

Eleven officers from H&S Bn., MCB, received promotions to first lieutenants Saturday morning during an informal ceremony in the office of Col. S. S. Ballentine, commanding officer, H&S Bn., MCB.

The newly promoted officers are: Max C. Aaron, Joseph C. Bridgers, John L. Burns, Matha M. Clements, Fiori D. Dimeo, Jerry W. Harris, Eugene Hunt, Herbert J. Leak, Clarence A. Murray, Roy J. Rucker, and Winifred F. Welch.

"11" COMPANY IRISHMEN are Pfc's Patrick Healy and Michael Horan of the 3rd Bn., 2nd Marines, who add that special touch of blarney to their outfit. Their home town addresses leave no doubt of their nationality, Horan hailing from Derreenanagh, Leitrim, Carrick on Shannon, County Roscommon, Eire, and Healy from Tullylease, County Cork. In this country a little over three years, the inseparable pair plan to become American citizens (Official USMC Photo).

WM Maneuvers

BY CPL. ELOISE TURNER

The first monthly religious ser- vices held for Women Marine's and the breakfast which followed the 7:30 a. m. services was at- tended by 105 officers and enlisted women of Protestant and Catholic faiths.

Protestant services, held in Bldg. 67, were conducted by Lt. (jg.) Robert W. Kiefer, 2nd MT Trans Bn., and included the observance of World Wide Holy Communion Day.

At the Catholic Chapel, Lt. J. E. Bellon, 2nd Marines, 2nd MarDiv., celebrated Mass for the Women Marines.

On completion of the early morn- ing services the ladies were served a late breakfast at mess hall 9.

TSgt's, Lillian West and Alice McIntyre, both of WM NCO Leadership School, and SSgt. Viva Leonard, JLF&B, originated the idea of the monthly services and made the necessary ar- rangements.

The special services and break- fast are designed to encourage spiritual activities; to further unity in WM Company by group ac- tivity; and to set a good example. The services will be held on each first Sunday of the coming months. All WAVE's and Women Marines are invited to attend.

Sgt. Theresa A. Hodun, formerly attached to Camp Post office as a Navy Mail Clerk, was the first Woman Marine to be released under ALMAR 33.

"Terry" Hodun's EoIE date was formerly October 31. The former WM sergeant reported here from "boot" camp, December 24, 1950.

Barbara Summerlee, HM3, is the first wave to leave Lejeune for a tour of sea duty aboard a trans- port ship. Barbara will be remem- bered for her work as captain of the WM softball team.

Barbara will take leave before reporting to the Military Transport Service, in Brooklyn, N. Y.

AirLant Cops Atlantic Fleet Golf Tourney

AirLant, representing the air arm of the U. S. Atlantic Fleet, won the annual Atlantic Fleet Golf Tournament here last week.

The five-man squad, the four lowest of which were used in the official totals, showed a well-balanced team with only five strokes separating the top man from the last.

AirLant had 1214 for the four-day, 72-hole medal play, topping the second-place Fleet Marine Force by seven strokes.

The seven competing teams were: Fleet Marine Force, Service, Destroyer, Minecraft, Battleship-Cruiser, and Amphibious forces of the Atlantic Fleet.

FMFLant took a seven-stroke lead over AirLant, 304-311, for the first day and increased the lead to ten strokes, 605-615. AirLant, playing consistent golf, watched FMF take 318 strokes for the third round, surrendering the lead to the airmen, 914-923. FMF picked up two strokes on the final day but it wasn't enough and AirLant copped the annual rotating trophy.

The winning AirLant squad, from the Jacksonville, Fla., Naval Air Station, were Charles M. Fitts, AN; Richard C. Diversi, AK3; Thomas E. Black, YN3; Lawrence E. Sherrill, AOAN; and George N. Toms, AN. Fitts was top man with 79-72-73-78-302, but it was Sherrill, firing 70, two under par, on the final round, who made the big difference on the last day's scoring.

Team and individual trophies were awarded to the winner and runner-up squads as well as to the three low medalists.

Devilpups Continue Winning Ways; Top Pamlico High, 44-0

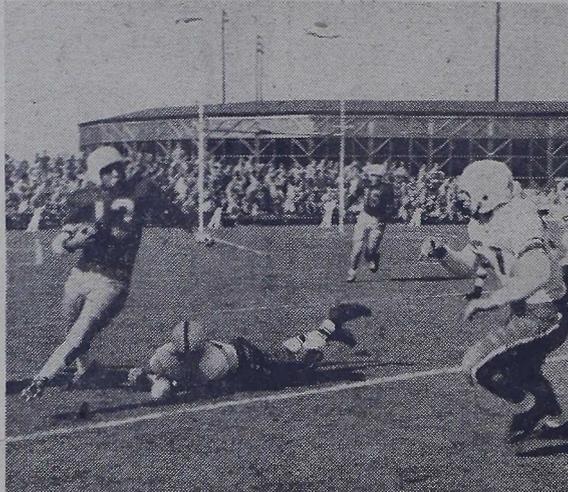

The Camp Lejeune Devilpups made it four straight Friday night by mashing the Pamlico County High "Spuds", 44-0.

A spectacular 66-yard run by halfback Bobby Peele, the fine pitching arm of Johnny Mugford and Jim Oggerino's adept receiving accounted for four of the seven touchdowns against the outclassed "Spuds."

In the fourth period Johnny Mugford hit Jim Oggerino with a pass on the 42. Oggerino ran the distance for the seventh TD, his third of the game.

On the runback of the second half kickoff, Pamlico's Roland Woodard, on a hand-off from left half Ralph Lupton, almost made it, being stopped on the 40. The "Spuds" threw nine straight passes near the end of the game, but could connect with only two.

Tomorrow night the Devilpups take on Swansboro, at Swansboro.

LEATHERNECK EXPRESS — Frank Nastro (13), in the shadow of his own goal picks up five yards around the right side of the line in the first half of last week's game with Fort Lee. Linebacker Dave Fycock races over to haul Nastro down. Fort Lee won the game, 13-7 (Official USMC Photo).

Group II, Sixth Marines Cop Openers In Division Football Intramural Play

The Group II gridders waltzed to an easy 37-6 rout of the 2nd Marines last Friday opening the Division's intramural football season.

In other lid-lifters, the 6th Marines trounced Group I, 41-13, and the 10th Marines and Service Bn. battled to a scoreless tie.

Powered by a flock of hard-running backs and a rugged, aggressive line, Group II overcame a 6-0 deficit in the second quarter and then ran roughshod with two TD's in the third period and three in the last.

Dick Johnson scored two of the winners' touchdowns and Ike Iglehart, Dick Kosmol and Bob Starter tallied once each. "Red" Gamborino, a big end, and Paul Gonsalves, center and linebacker played sparkling ball for Group II.

The Infantryman counter came on a 21 yard pass play down the middle from Harry Kreutzberg to end Davison Brown who snared the toss on the goal line and stepped over.

The 6th Marines, who made it 14-0 in the first seven minutes of play hit pay dirt every period.

'Gazette' Runs Story By Captain Hering

"Plan For Your Wounded," a featured article in the October Marine Corps Gazette, was authored by Capt. Eugene R. Hering, Jr., Commanding Officer of the Field Medical Service School here.

The article details the steps, preparations and considerations necessary for the successful care and evacuation of wounded Marines.

Wolenschlager completed 10 passes in 14 attempts, three of them good for TD's.

Marion Hatfield, 175-pound 6th Marines halfback, scampered 40 yards around the Group I left end for the longest run of the contest and a third quarter score.

The 10th Marines and Service Bn. pushed each other up and down the gridiron in the 0-0 fracas, but neither eleven was able to grind out a score. Service's zone defense bottled up the Cannoneers running contingent and the fray resolved into a battle of forward walls.

Games Tomorrow In tomorrow's games the Group II and 6th Marines forces meet at Liversedge Field. Service Battalion tangles with the 2nd Marines on the Cross and "A" Streets grid, and the 10th Marines and Group I tussle at the Area 5 field.

Cage Coach Frates Opens Court Drills For Varsity Slots

The Camp Lejeune 1953-54 basketball season got underway Monday, as candidates reported to head coach Captain Frank Frates Jr., USN, at the Field House for a two-week screening session.

Having lost 14 of the 20 men selected in summer sessions to transfers, Coach Frates will have to start his screening of new talent over again.

First Lieutenant Bob Frear, formerly with Parris Island, has been named assistant coach, with Nevio Pelleschi and Rod Mansker, members of the 1952-53 team, also as part of the staff.

Nucleus of the newest edition of the Lejeune cagers will be several returnees from last year's team; including the high-scorer of the season, Leroy Smith.

Of the new men, one of the most promising names, said Coach Frates, is Cy Waldrop, former center at the Naval Academy, and veteran of several service teams.

"The Field House floor has been completely refinished," stated Captain Frates, "and with this and several other improvements of the physical plant plus splendid cooperation in getting players released for practice, the outlook is very promising."

BOXING TRYOUTS

All candidates interested in trying out for the Camp Lejeune boxing teams are requested to report to the coach, Capt. Glenn McComas, at Goettge Memorial Field House, Friday, October 16, at 1 p.m.

Lejeune's first match of the 1953-54 season will be with Quantico here on November 11.

Fort Lee Serves Lejeune Season's First Loss, 13-7

A 32-yard penalty for pass interference late in quarter against Camp Lejeune cost the Marines the loss of the season as the Fort Lee Travelers, eked out fought 13-7 win over the Leathernecks before 750 Liversedge Field.

Lejeune Underdog In Gridiron Battle At Fort Jackson

Camp Lejeune will be cast in the role of underdog for the first time this year when it journeys to Columbia, S. C., this week to play the power-laden Fort Jackson Golden Arrows.

Considered one of the two or three strongest teams in the nation, the Arrows are coached this season by the former North Carolina State mentor, Beattie Feathers, who himself is surrounded by a staff of top-flight football coaches.

Jackson is loaded with playing talent this year. From last year's club, which had a 4-6 record and met such teams as the Philadelphia Eagles, Miami (Fla.) Univ. and service champion Bolling AFB, most of the starting backfield has returned. In the line such stalwart performers as Don Simonovich (Boston Univ.), P. W. Underwood (Miss.) and Jack Prafer (VPI) help to form the nucleus of the 1953 team.

A host of top college performers reported to Feathers from other bases this year and they have been molded into a high-scoring unit on offense and stout eleven on defense.

Jackson's main threat to Lejeune's attempt to get back into a winning stride will be quarterback Bob Hartman, formerly of Purdue. Hartman figured only slightly in the Arrow plans this year, being rated behind May. (See UNDERDOG, Page 7)

FT's First Football 'Player Of Week' Is 'Speed' Williams

Orville "Speed" Williams, left halfback for the 2nd Combat Service Group, has been selected as Force Troops' "Player of the Week."

The flashy back who garnered All-Marine Corps honors while performing for the Lejeune varsity last year has been playing sparkling ball in the Force Troops League so far this season.

He scored two of CSG's touchdowns against 8th Motor Transport recently, and is the main reason for CSG's contending position in the Force Troops League.

Williams first gained recognition at Force Troops as a basketball player. He set a Force Troops scoring record with 78 points in one game.

all the Camp Lejeune football team short. There were moans aplenty around here last Saturday evening after Fort Lee away with a 13-7 win over the locals. However, Lejeune is by any means. They'll be back strong and this 1953 season is going to be enough for many things to happen.

So it looked like an algebra problem a little later: A beat C; and C turned right around to beat A. So the way it happens in service football. Lejeune heads interlands this week for a very important game with the Trojans of Jackson. A win over this club will definitely raise the morale of the team once again.

Football is a very strange aspect of the entire sport. Teams are expected to win come up and knock your block off every so often. The season is halfway over the standings are topsy-turvy. For example, take three teams in 1952: Fort Jackson, Camp Lejeune, and Eustis. Call Jackson A, Lejeune B, and Eustis C. Jackson slipped early in the season and Lejeune upset highly touted Eustis, 18-0. Eustis slapped Jackson around to the merry tune of 14-0. So it looked like an algebra problem a little later: A beat C; and C turned right around to beat A.

So the way it happens in service football. Lejeune heads interlands this week for a very important game with the Trojans of Jackson. A win over this club will definitely raise the morale of the team once again.

Byrd, attempting to keep the rally alive, called the first pass of the drive but Jim Garret of Lee intercepted on his 40 halting the march. The Marines received one more chance to tie or win the game with 45 seconds remaining. But the Lee defense stiffened and the rally fizzled on the Lejeune 25 as the game ended.

WM Hoopsters Get Started With Daily Practice Sessions

Woman Marine basketball try-outs have ended and daily practice sessions at the Field House are underway.

While most of the fourteen girls selected are new in service ball, two outstanding players of last years All-Marine WM champion squad are back on the court. Ruth Decker, forward, and Carol Lau, guard, are back with the team again.

This season's distaff five will have more height than last season's champs, "Shorty" Jeanine Carter, 5' 11" and weighing 180 pounds, is the big one on the team. Frances De Coita, forward, is 5' 7 1/2". Marilyn Meyer, a hold-over from last years team, stands 5' 10 1/2" and is being groomed for the forward spot.

Others that impress coach Alan Perlmutter are: Rita Cohen, Virginia Fain, Angie Darby, Evelyn Mann who are all guards; Irene Dionne, forward, and Pat Smeltz who will play forward and guard.

The weekend of November 20, the AAU champs from Hanes Hosiery, Winston Salem, N. C. will visit Camp Lejeune to scrimmage with the WM's.

Smith, Golic Chosen Captains For Sat.

Ray Smith and Lou Golic have been selected as co-captains for Lejeune in Saturday's game against Fort Jackson.

Smith, who played for Camp Pendleton last season, has been a bright spark in the Lejeune offense this year, scoring five touchdowns.

Smith suffered a dislocated finger in last week's game against Fort Lee but is expected to see plenty of action for the Marines this week.

Golic, a holdover from the 1952 Leatherneck squad, has come along fast this year to snag one of the guard spots on the first team.

Although Golic never played college ball his play against service teams on the Lejeune schedule who are stocked with All-American and professional players has been excellent.

Underdog

(Continued from Page 6) wood Sullivan, a tyro from Florida Univ. and Gene Rossi (Cincinnati). Sullivan was forced to forego football this year and Hartman edged Rossi before the season opened.

Hartman has been the key figure in Jackson's first two games. The Golden Arrows bumped off highly touted Little Creek in their seasons opener, 22-13, and coasted past Cherry Point last Saturday night, 25-0.

Plenty of Depth

Lukie Brunson, who helped immeasurably in the Jackson win over Lejeune last year will be back at fullback this season.

At the halfback positions, Jackson will have ball carriers three and four deep. Leading contenders for the starting berths against the Marines will be "Zippy" Morocco (Georgia) and Bimbo Melton (Alabama). Morocco played professional ball for Montreal in the fast Canadian League and Melton starred for Alabama.

The Golden Arrows will have an imposing line. Hank Ferris, who starred offensively at Georgia Tech and Hugh Ballard from Oklahoma will flank the forward wall at the ends. Dexter Poss, 220, another Georgia alumnus, and returnee Simonovich, 240, will handle the tackle assignments.

The guard positions will be capably handled by Underwood, 225, and Ray Beck, 220, who gained All-American honors in 1951 at Georgia Tech. The anchor spot in the line will be manned by Carroll McDonald, 225, from Florida Univ.

The Army men will be able to field two first string contingents against the visiting Marines.

THE CUP AND CHAMP—Lt. Col. Wilson F. Humphreys, CO, 2nd Bn., Sixth Marines (left), and Captain Fred F. Marine Marksmen Spark 'Med' Shoot; Win Cassady Cup

WITH THE U. S. SIXTH FLEET — Sharpshooting Leathernecks of the reinforced 2nd Bn., 6th Marines and sailors of the Sixth Fleet teamed up recently to re-capture the Admiral J. H. Cassady shooting trophy from the British Mediterranean fleet.

In matches held on the British island of Malta, the American pistol and rifle team tallied a 783 score to completely smother the British marksmen's total of 703. It was the second time that the cup, presented by Vice Admiral J. H. Cassady to promote good relations between the British and United States fleets in the Mediterranean, was put on the competitive block. In the first matches held more than a year ago, British nimrods captured the cup after a close match.

Coached by Marine Captain Fred F. Eubanks Jr., Staff, Navy Transport Division 23, the team was composed of 13 Marines and five sailors.

Williams

(Continued from Page 6) placed third in the All-Marine meets.

A regular defensive performer for Lejeune varsity last season, he was named to the All-Marine Corps Defensive Team for his sterling play at safety.

Upon his release from the Marine Corps Williams intends to try out for the Chicago Bears in the National Football League.

Wildlife Club Time Changes

Sportsmen, woodmen, and fishermen currently are poised on what is forecasted to be a red-letter, fall fishing-hunting season. And for the benefit of novice fishermen here, there has been organized a Camp Lejeune Fish and Wildlife Club to expedite all outdoor activities, on or off, and around this large base.

Seasoned woodmen are the basis of this club; men who are familiar with hunting and fishing in this area. This club can answer the numerous questions that arise here pertaining to fishing laws, hunting trips, locations for best shooting and fishing results, as well as providing social activities, movies, fish fries, and organized hunts.

And, even more important than the social and pleasure aspects of this organization, in a way, is its dedication to conservation and preparation of Wildlife of all kinds on this base. This includes stocking streams and rivers with fish, setting out natural foods for game birds and deer, and controlling destructive predators.

For these reasons, and a host of others, sportsmen here should join this colony of outdoor men. More information can be had by calling Major William R. Hopkins, 5613.

In parting from this organization, I extend my thanks to the many here who have cooperated in supplying the GLOBE with outdoor news, and wish you all good fishing, good hunting, and good luck.

Frankie Carle Hits Pavilion For Dance Fete, October 22

The golden touch of Frankie Carle and his famous orchestra will lend its musical stylings to a "stag or drag" affair at Marston Pavilion October 22.

Before heading out to the Pavilion the Carle aggregation will give

FRANKIE CARLE

one performance at the Camp Theater from 7:30 to 8:30 p. m.

Featured with the piano maestro is Joan House and the Sunrise Serenaders.

Frankie Carle, who has sold more recordings than any other artist is, also in his own right, a successful composer. His "Sunrise Serenade" which is his theme, is rated with the most popular American songs by ASCAP. "Lover's Lullaby", "Falling Leaves", "Oh What It Seemed To Be" are just a few of his many hit songs.

Carle has appeared in such entertainment spots as the Hotel Stadler, Capitol and Strand Theaters in New York; Steel Pier in Atlantic City and the Coconut Grove in Los Angeles.

MY DEAR SECRETARY
Starring Kirk Douglas and Laraine Day. No further information available.

BELLE OF THE YUKON
No further information available.

ABBOTT AND COSTELLO MEET CAPTAIN KIDD (2 Bells)
This nonsense story takes the two partners into romance and intrigue against the famed Captain Kidd, portrayed by Charles Laughton, who kidnaps them aboard his ship while in search of hidden treasure. The SuperCinecolor helps to sustain the mood of the Spanish Main.

CHAMP FOR A DAY
Alex Nicol, a young heavyweight fighter from the East, goes to a Mid-Western city for a fight his manager has arranged. However, even after the fight, no manager shows up. Nicol thinks that his manager has met with foul play and sets out to find the murderers. Also starring Audrey Totter.

BACK TO GOD'S COUNTRY
Starring Rock Hudson and Marcia Henderson.

TROUBLE ALONG THE WAY (4 Bells)
The picture concerns the rescue of a Catholic college from financial limbo by the sly maneuvers of a warm and amiable priest (Charles Coburn). Involved in this is the rehabilitation and romance of a discredited football coach (John Wayne), plus considerable antics and shtick from a sprightly youngster. Also stars Donna Reed.

TRENT'S LAST CASE
Starring Michael Wilding and Margaret Lockwood. No further information available.

BEAST FROM 20,000 FATHOMS (3 Bells)
A prehistoric sea reptile running rampant in lower Manhattan and Coney Island, via some excellent special effects, provides the rip-snorting climax of this above-average science-fiction feature. Paul Christian plays an atomic scientist and Paula Raymond, his assistant.

LAST OF THE PONY RIDERS (1 Bell)
Another thrilling Gene Autry Western.

THE FOUR-SIDED TRIANGLE (3 Bells)
Barbara Payton is loved by two gentlemen, both scientists, who have developed an apparatus which duplicates an object exactly. When she chooses one, the other plans a terrifying scheme of reproducing Miss Payton. With her consent, he does produce an exact duplicate; then trouble starts.
