AND FORCE TROOPS, ATLANTIC

9 THURSDAY, JULY 9, 1953 NO. 27

LOUD MOMENT—Brig. Gen. Francis B. Loomis has his new star pinned on by his wife in ceremonies in his office Monday. Looking on are members of the general's staff: Lt. Colonels H. H. Riche, E. N. Thompson, chief of staff; G. B. Kantner, G-1; and M. C. Appleton, G-3 (Official USMC Photo).

Commandant Hails Lejeune's Handling All-Corps Meet

Gen. Lemuel C. Shepherd Jr., commandant of the Marine Corps, expressed his appreciation in the outstanding manner in the Sixth Annual All-Marine Corps Track and Field Meet at Camp Lejeune, N.C., which was conducted July 5-6.

Writing to Maj. Gen. Henry D. Scott, commanding general of the 2nd Marine Division at Camp Lejeune, the host base of the All-Marine and All-Navy Track and Field Meet at Fort Johnson June 11 through 13, he praised the showing made by the representatives of the Marine Corps at the Inter-Service Track and Field Meet at Fort Johnson June 19-20.

General Shepherd particularly commended the work of Col. John White, camp special services officer during the Marine meet and the members of his staff for efficient administration of the event.

The skill, sportsmanship, and ability exhibited by all members entered in the All-Marine and All-Navy Track and Field Meet, the commandant concluded, "are a distinct credit to the Marine Corps."

Officer Graduates Arrive For Range Management Study

About 130 graduates of the Officers Candidates Screening Course at Quantico, Va., will begin three weeks of formal instruction in range management training at the Range here Monday.

The training instruction in range management, including subjects as administration, range management, and rifle range management, the newly commissioned second lieutenants will attend at the NRA Regional Rifle Championships, which will be held August 3 through 6.

Following their tutoring at the Range, the officers will be assigned to the 2nd Division. They will receive on-the-job training on September 8 the lieutenant. (See OFFICERS, Page 2)

Corps Plans Streamlining Military Occupational Fields

A completely revised and streamlined enlisted military occupational specialty (MOS) structure currently is being designed by Headquarters Marine Corps and will be put into effect early in 1954, according to the Navy Times.

Stagnant and duplicating MOS's will be merged or eliminated, and 29 entirely new MOS's will be created. Under the new system Women Marines will be given many more job opportunities, including playing in Marine Bands.

Aimed to eliminate waste of manpower so that the corps can function efficiently on its reduced budget allocated for the current fiscal year, the study is expected to be okayed by Gen. Lemuel C. Shepherd Jr., commandant of the Marine Corps, soon.

Until Conversion

In the meantime, enlisted personnel will receive MOS's under the current set-up and continue to do so until the conversion to the new system is effected. Technical tests for promotion also will continue to be based on present MOS's.

More than half of the reductions in number of MOS's were made by discarding the practice of using two or more MOS's to identify skills in the same channel but in different pay grades.

Mergers

Other sizable MOS reductions resulted from mergers of two or more MOS's into one, as well as uniting similar fields under the same head.

Also under study presently at Headquarters is a streamlined set-up of officer occupational fields, to be comparable to those of enlisted personnel.

1st Wing In Korea Gets Second PUC

The 1st Air Wing in Korea has been presented a second Korean Presidential Unit Citation by President Syngman Rhee of the Republic of Korea.

The citation was awarded the wing for "outstanding and superior performance of duty" while operating in support of United Nations troops from February 27, 1951, to June 11, 1953.

During that period the wing flew "more than 80,000 combat sorties, braving intense opposition to strike enemy fortifications, weapons, and logistical installations throughout North Korea."

Force Troops Commander Upped To Brigadier General

Col. Francis B. Loomis Jr., commanding officer of Force Troops, was promoted to brigadier general (temporary) last week. General Loomis joined Force Troops as Chief of Staff last September and has commanded Force Troops since May 26.

Born in Washington, D. C. in 1903, he graduated from Stanford University and was commissioned a second lieutenant in the Marine Corps in 1926.

Separation Center Plans Cancelled

Activation of Separation Co., H & S Bn., announced last week in the GLOBE, was cancelled Thursday.

The outfit, whose purpose would have been the releasing of Selective Service and regular personnel with further military obligations, was shelved after consideration by Headquarters Marine Corps and camp officials of problems the unit would present.

Rather than have men undergo a transfer from their own outfits to Separation Co. a week to 10 days before release, it was decided they would be released direct from their parent organization. This method, officials hope, will be more practicable and convenient than the original plan.

16,000 Divvy Men Parade Before CG

In the biggest show of the 2nd Division's strength on the camp parade ground since the outbreak of the Korean conflict, more than 16,000 division Leathernecks marched before their new Commanding General, Maj. Gen. George F. Good Jr., Tuesday.

Under a hot morning sun, the division's four regiments and eight supporting battalions stood side by side across the complete length of the vast parade ground facing the general and his staff.

Included in the colorful ceremonies was "officers center," which saw nearly 100 brilliant red guidons amassed side by side behind regimental and battalion staff officers and marched forward to salute General Good.

Under the command of Brig. Gen. Robert E. Hogaboom, commanding officer of troops for the parade, the show of strength was climaxed when the division Leathernecks passed in review.

It took the marching Marines more than half an hour to pass the reviewing officers. Helicopters and observation planes from VMO-1 roared over the parade route.

NO TIES

A change in the regulations covering the wearing of the necktie with the khaki uniform now allows all personnel to dispense with the tie while on the base from reveille until 6 p. m. Monday through Friday and from reveille until 1 p. m. Saturdays.

Prior to World War II, General Loomis served extensively in the Fleet Marine Force, both in air and ground units, and on three occasions was on duty in China. He also served in Haiti, the Philippines, and aboard Navy ships.

As a major at the outbreak of World War II, he was in command of Marine forces on Johnston Island, where he remained until transferred to Pearl Harbor in August 1942. In February 1944, in command of the 15th Defense Bn., he participated in the Marshall Islands operation.

In May of that year he became Assistant Chief of Staff, G-4, of the III Amphibious Corps on Guadalcanal and later participated in the seizures of Guam, Pelelieu, and Okinawa with the III Amphibious Corps. At the close of the war he was assigned as G-4 of Fleet Marine Force, Pacific, at Pearl Harbor.

Prior to joining Force Troops General Loomis was on duty in the Office of the Chief of Naval Operations for three years in connection with guided missiles and atomic energy. He holds the Legion of Merit and the Bronze Star for services overseas during World War II.

Lt. Alexander was the Joint Landing Force Board's Aide and Assistant Secretary to General Linscott.

Prior to assuming duties as aide, Lieutenant Fournier was a member of the 2nd Signal Bn. He received his commission in 1950 and served in Korea from May 1951 to February 1952.

Tarawa Water Plant Nears Completion

The \$200,000 modern water plant which will supply the 2,108 housing units of Tarawa Terrace I and II is about 90 per cent completed, according to a representative of the realty company that is erecting the plant.

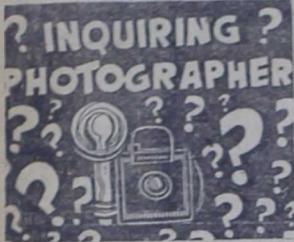

The plant, which can purify 1,000,000 gallons of water in 24 hours, has four pumps.

A water tank which can hold 250,000 gallons and will give a water-pumping capacity of 1,000,000 gallons, was completed recently, as well as a 750,000-gallon clear water reservoir.

I would like to have participated in the signing of the peace treaty when the Japanese empire surrendered to the Allied forces aboard the battleship Missouri to climax World War II. In my mind, it is a particularly notable event because it marked the cessation of hostilities in one of the bitterest wars in history.

MAJ. THOMAS E. FOX, DEFENSE COUNSEL, COURT MARTIAL SECTION, M. B.

I would like to have been present when Patrick Henry made his famous "liberty speech" before the Virginia House of Burgesses. This speech was so forceful and courageous it completely changed the submissive attitude of his fellow legislators and countrymen into a fighting attitude for the cause of liberty.

SGT. FRED R. LANDRUM, CAMP HOUSING OFFICE

I would like to have sailed with Columbus when he discovered the Western Hemisphere. It would have been particularly thrilling to have been aboard the lead ship and have been the first man in the whole expedition to have sighted the New World. I can think of no other moment in history which would have given me a greater thrill.

SGT. BRUCE E. SMITH, HQ. CO., 2ND TANK BN.

I would like to have fought under General "Stonewall" Jackson in the Civil War. I consider him a typical Southern gentleman and one of the greatest generals to have fought on the side of the South during the War Between the States. I feel that tradition is one of the greatest American traits, and I would like to have fought for this cause.

Last October I was in Korea, but I would like to have been at Ebbets Field, Brooklyn, playing with the New York Yankees as Allie Reynolds defeated Joe Black and the Dodgers in the fourth game of the World Series. What a game that was, and how I would like to have been a Yankee that day.

Marines' 'Hoe-Down' Yield Rich Vegetable Treasure

A harvest moon has been shining over North Carolina recently, and tillers of the soil have been reaping it rich.

And among those reaping it rich in the vegetable department are some 27 Marine plow jockeys stationed here, living here, and farming here.

Near Piney Green, just north of Midway Park on Highway 24, Camp Lejeune set aside ten acres of rich land under the direction of Lt. Col. John Kaluf seven years ago. This area is known officially as Camp Lejeune Garden Plots. Colonel Kaluf initiated the idea here in keeping with the Victory Garden craze which had a grip on the United States during World War II to fight a shortage of fresh garden foodstuffs for home-makers.

Succulent and Savory

Today green-fingered Marines are still tilling the soil at the Garden Plots. Corn, tomatoes, beans, carrots, potatoes, cabbage, turnips, cucumbers, pumpkins, melons, radishes, onions, beans, and many other savory vegetables are growing more succulent daily under the stimulating stare of the Carolina sun.

Each year Camp Maintenance discs the entire garden area, and around the first of March vege-

Gibbs, first sergeant of Anti-Tank Co., 6th Marines, at the Camp Lejeune Garden Plots. These two tillers of the soil have supplied their entire families with vegetables all summer, canned over 100 quarts and still are harvesting tomatoes, corn, melons, potatoes, beans, okra, onions, turnips, and more than a dozen other savory garden items (Official USMC Photo).

table-minded Marines stake their claims and register names with the Roads and try section of Camp Maintenance.

From there on it's a Marine's responsibility. He to cultivate his claim, fertilize, irrigate, weed, and plant. It is usually not all "He." Children, and husbands all be seen after working hours tending away assiduously.

It pays off, too. MSgt. Kellogg, first sergeant of S Co., H&S Bn., MB, and MSgt. L. Gibbs, first sergeant of Anti-tank Co., 6th Marines tilled and toiled over a cotive farm with budget bright success.

Grocery Savings

Besides harvesting all the vegetables they and their bined families can eat, they canned over 100 quarts of toes, pickles, squash, and Sergeant Gibbs confesses since June he has invested groceries. Sergeant Kellogg "bought a vegetable since

New Ferry Installed To Ocracoke Island

A new ferry service has been installed to Ocracoke Island on the Outer Banks to replace the old two-car-capacity ferry.

A privately operated enterprise, the boat plies between the Village of Hatteras and the north end of Ocracoke, enabling surf fishermen who want to work their way along the fabulous "Channel Bass Banks" to move their cars across Hatteras Inlet.

Why You Should Reenlist

TALK IT OVER WITH YOUR COMMANDING OFFICER

Chaplain's Corner

A man without a friend is to be pitied. How utterly void a life would be if there were not another single soul to share his joys, to give expressions of sympathy, or to receive the privileges of friendship.

Words and actions can either alienate or cement happy associations. It is natural that if our words are said in the heat of anger, they will scorch the ties between us and our acquaintances.

Words may be the first indication of friendship or enmity, but actions prove the earnest desire to mold either relationship. Many ephemeral friends can be accumulated by flattery, but deeds will support the utterances of good or ill will. There is an adage that "False friends are like our shadow, keeping close to us when we walk in the sun light, but leaving us the instant we cross into the shade."

It's More

Yet true friendship is not wholly dependent upon having emptied a brotherly glass to each other, having met frequently at the same restaurant, having sung the same songs at the same club. It is these and more. It is the union of our finest feelings, a binding of hearts, and an empathy between two souls.

Blessed are they who have the gift of making friends, for it is one of God's best gifts. It involves many things, but above all, it is the power of going out of one's self, and appreciating whatever is noble and loving in another. It is the personality of Christ in us.—Chaplain Edwin J. Netherling, 2nd Engineer Bn.

MCI Seeks French, Spanish Instructors

Applications are desired from qualified personnel, preferably Korean veterans, who wish to become instructors with the Marine Corps Institute.

The institute has openings in the French and Spanish departments.

Qualifications for an instructor in these languages are that the individual have a minimum of 24 hours in the language and have an expert knowledge of grammar and construction in that tongue. MCI desires personnel who have had graduate study in French or Spanish.

MODERN GUNGA DINS—That's the story of these members of the 2nd Engineer Bn. who work as a team to provide water for thirsty Leathernecks. Equipment for the purification of water is dropped from an R4Q "flying boxcar" and in a matter of minutes a "water point" is erected, where in one and a half hours enough water for a regiment can be purified (Official USMC Photo).

Linscott, camp commanding general, in ceremonies in the general's office Friday. In winning the Cotton States match, the team set a new world record for a five-man team by blasting 741 clay pigeons for a blistering 741x750 total. Left to right are: MSgt. Frank Heidt, 1st Lt. J. Eustis Hurler Spins Yet First Shutout Over Lejeune

Fort Eustis' Art Grenon achieved what 69 other hurlers failed to do by holding Camp Lejeune's powerful bat scoreless for nine innings Tuesday night, as the topped Lejeune, 3-0, breaking a nine-game winning streak. The Marines beat Eustis in the series opener Monday.

Boots Drop Two Straight To Campers

Thanks to some costly errors in the first game and Bob Reich's gaudy three-hit shutout in the second, Camp Lejeune swept a two-game series from Parris Island, 3-2 and 11-0, Friday and Saturday.

The twin victory kept Lejeune in the thick of the East Coast Marine championship fight.

Reich, who won his ninth consecutive game without a blemish, allowed solid singles in the third and eighth, and an infield scratch in the seventh. He weakened in the fifth when PI loaded the bases on a pair of walks and a fielder's choice, but struck out pinch-hitting Al Lincoln and forced Walt Burkhalter to ground out to first.

No Difficulty

Lejeune had no trouble with the Islanders' two hurlers, Bill Wedeking and Rollie Santos, who came in to relieve in the fifth. Between them they gave up 11 hits and were hindered by seven errors. Wedeking took the 11-0 loss.

A walk to Ed Kababek and singles by Bob Reich and Chico Rodriguez gave Lejeune a 1-0 lead in the second. The Tar Heel Marines boosted their edge to 3-0 in the third on a single by Don Brown, a walk by Paul Donovan, a double steal, an infield out, scoring Brown, and a scoring fly.

Camp Skeet Squad Captures Charlotte Meet For Tenth Win

The Camp Lejeune skeet team added another win to its record Saturday and extended its unbeaten string to ten by capturing the Charlotte Gun Club Independence Day Open at Charlotte, N. C.

The team, composed of Capt. B. E. Loos, 1st Lt. H. B. Stowers, CWO J. A. Martin, CWO D. L. Lawson, MSgt. Frank Heidt, and MSgt. V. R. Mull as alternate shot an aggregate score of 493x500 to best the Charlotte team by four targets.

Captain Loos shot a perfect 100x-100 to tie for first place in the All-Gauge event while Warrent Officer Martin and Sergeant Heidt teamed to win the two-man event.

Camp Readies CSG, AW Continue Winning Ways In FT League Battle

For the fourth and last time this season, barring possible tournament play, Camp Lejeune's powerful diamond aggregation, winner of 59 of 68, hits the road. The final tour probably will decide the East Coast Marine championship with the crown at stake when Lejeune and Quantico meet July 23 and 24.

Prior to the vital series, Lejeune plays nine games, five of them during the coming week.

The Marines start with a puff of games against Camp Pickett, Va., Sunday and Monday. Lejeune topped the Chargers twice here by 4-1 and 6-3 scores. The Army nine faced Bob Grim and Jimmy Waugh in the last meeting and will have the dubious pleasure of facing Grim as the right-hander goes after his eighteenth victory of the season.

Ben Johnson, back in brilliant form after his three-hit victory over Fort Eustis, is due for the second game assignment.

ServLant Next

ServLant, Lejeune's opponent the following two days, will be less than happy to see Lejeune. The sailors lost to the Marines, 7-4, and 5-0, and both times came perilously close to being no-hit. Charley Chronopoulos, who will face ServLant again, had a no-hitter until two away in the ninth, and Johnson allowed the White Hats a solitary bunt single in the second game.

Both Combat Service Group and Automatic Weapons won two games last week to widen their leads over the other teams in the Force Troops Baseball League. Combat now enjoys a two-game margin over Automatic Weapons while that team rests a game in front of the next competitor, 2nd 90 AAA.

Intramural Baseball Slowed By Rain, But Golf In Full Swing

Rain played havoc with the 8th Marines intramural baseball schedule last week, allowing only two games to be entered into the record books.

The 3rd Bn. played in both tilts, winning from the Composite Bn., 10-6, and losing to the 2nd, 5-2. The 3rd Bn. also grabbed the spotlight in the 8th's regimental volleyball league by taking the number-one position with an 11-0 record.

Over in the 10th Marines, the big intramural activity is golf, with the H&S team leading the pack with a 6-0 record. Members of the team are: E. V. McManus, J. Cayalano, J. J. Connell, J. T. O'Sullivan, F. G. Wescott, K. E. Vachon, M. Marron, C. Doll, B. Fahey, and W. M. Meyers.

Baseball in Group 1 also was upset by rain, only one game being completed. The powerful 2nd Engineer Bn. overwhelmed Hq. Bn., 6-7.

ninth and tenth straight at the expense of AmTrac, 5-3, and Aggressor Co., 18-3. The AmTrac team proved to be one of CSG's strongest rivals as it forced the leaders into an extra inning before finally accepting defeat.

A/W not only defeated a poor 8th Engineer nine, 17-1, but also gained revenge for its previous defeat at the hands of 8th Motor by downing that team, 7-1. The victory over Motor kept alive A/W hopes of catching Combat. The Weaponsmen scored early off Motor's Monroe, pounding seven hits and seven runs.

Up To Third

Second AAA pushed its way to third place in the standings, by downing 8th Signal, 12-7, and then upsetting a slumping Amtrac squad, 6-2. In the Amtrac game, the Ninetymen had to break a 2-2 tie in the fourth by exploding for four runs on the hitting of Mays, VanHoy and Corrado.

The 155 Gun Bn. got back on the winning trail and regained its hold on fifth place by beating ArmAmphib, 3-4. Ninety's Miller allowed nine hits, but four hits and four RBI's by Schildroth and LeAndro were too much for Armored as it went down to defeat.

The only other games saw 8th Tank win two, beating 8th Engineers, 11-3, and 8th Motor, 7-4. ArmAmphib got an even split for the week as it beat Aggressor Co., 14-11. Motor, also, salvaged a little glory out of a disastrous week by defeating 8th Signal, 5-1.

Supply Depot Leads MB Baseball Loop At Season's Half

Supply Depot, although splitting two games last week while Supply School was winning a pair, still maintained a slim lead in the Marine Barracks intramural baseball league.

With the loop past the halfway mark, a three-cornered race between the Depot, Supply School, and H&S Bn. for first place honors is looming. H&S pulled itself back into contention last week by pounding the depot, 6-2, and eking out a 2-1 win over the Rifle Range.

Supply School went on the heaviest scoring spree of the season when it lashed out 17 hits, good for a 24-0 verdict over the hapless Naval Hospital.

The Standings:

Team	W	L
Supply Depot	11	3
Supply School	12	4
H&S Bn.	10	6
MCAF	7	7

ENGINEER MOUNDMEN—TSgt. A. L. Johnson, manager of the 2nd Engineers baseball squad, has a pre-game chat with his two top hurlers, Hank Christensen (center) and Frank Guptill (right). Christensen holds a 6-0 record for the season's play while his pitching mate has a 4-0 mark. The Engineer team, a member of Group 1 in division intramural play, as of last week had a total of 16 wins and no losses (Official USMC Photo).

the season against three losses in
 Monday's game and made his en-
 try into double figures a specta-
 cular three-hitter with 12 strike-
 outs. He allowed the lone Eustis
 run in the third.

Camp Comes Back

The Eustis lead was short-lived
 as Lejeune bounced back in its
 half of the third to tie the score.
 With two out Bill Bone, who lost
 his second game of the season
 against eight wins, walked John-
 son, Chico Rodriguez, and Ralph
 Russo to load the bases. After
 throwing a called strike to Don
 Brown, Bone threw a wild pitch
 that bounded to the backstop with
 Johnson scoring.

The Marines, who managed to
 get six hits, bunched four of them
 in the deciding fifth. Singles by
 Ed Kababek, Don Brown, and
 Babe Daskalakis, plus a looping
 foul-line double by Ralph Russo,
 figured in the rally, which put
 the Marines in front, 5-1.

KEY CHANGE—Col. John A. White (left), camp special services of-
 ficer, hands over the master key to Goettge Memorial Field House to
 his successor, Lt. Col. Sidney J. Altman. Colonel White is being

 smashed the ball to third with the
 bases loaded, scoring Kababek.

 riguez scored.

First baseman John Reck tossed
 home and the catcher here with
 the ball into center field, trying to get
 Russo at second. Russo scored be-
 fore the ball was returned to the
 infield.

Three more errors produced two
 more runs before the inning ended
 with Lejeune leading, 9-0. A walk
 to Russo, Babe Daskalakis' dou-
 ble, and Bill Hawkins' triple add-
 ed a pair in the eighth.

Thursday's win

Three unearned runs in the sev-
 enth inning gave Lejeune a 3-2
 victory Friday. Bob Grim notched
 his seventeenth win of the year
 against two losses. Frenchy Le-
 Blanc, who gave up five hits to
 Grim's nine, should have had a
 shutout despite early threats which
 kept the right-hander in trouble.

Third baseman Harris' error on
 Grim's slow bouncer to third open-
 ed the gates for Lejeune in the
 seventh. With Grim on first, via
 the error, Rodriguez drew a walk.
 Ralph Russo bunted towards first.
 The first sacker, John Reck, field-
 ed the ball and threw to third, at-
 tempting to get the force, but his
 throw was too late, loading the
 bases.

Shortstop Walt Burekhalter then
 handed Lejeune the game. He er-
 red on grounders by Brown and
 Donovan, Grim and Rodriguez
 scoring to tie the count at 2-2.
 Babe Daskalakis then singled to
 center to bring in Brown with the
 winning run.

PI hopped on Grim in the first,
 scoring both its runs. Burekhalter
 singled, went to second on Jim
 Pace's single and scored on Har-
 ris' looping hit to left. Pace, who
 had gone to third, scored as Bob
 Shults forced Harris at second.

**AAA's Softball Win
 Highlights FT Action**

Action in the Force Troops Soft-
 ball League slowed this week as
 only three games were played,
 none of which involved either 8th
 Tank or Automatic Weapons, the
 two league leaders.

The big game of the week pitted
 2nd 90 AAA against ArmAmphib
 with 2nd 90's winning in the bot-
 tom of the seventh on Dick Yale's
 home run, 7-4.

In other action, 2nd ANGLICO
 split by first shutting out Signal,
 9-0, and then losing to ArmAm-
 phib, 6-4.

**Stamford Meets Match;
 Cornwall Wins Sail Race**

Maj. C. E. Cornwall of the Joint
 Landing Force Board captured
 first place in the Sunday sailboat
 races at Wallace Creek to usurp the
 honor from the perennial winner,
 Capt. E. P. Stamford. Capt. W. S.
 Rump of 2nd Tank Bn. came in
 second and Captain Stamford,
 VMO-1, took show position.

**Col. John A. White
 Relieved As Camp's
 Special Serv. Head**

Lt. Col. Sidney J. Altman re-
 ceived the master key to the Goet-
 tge Memorial Field House yester-
 day, officially relieving Col. John
 A. White as Camp Special Services
 Officer.

Since reporting to Camp Le-
 jeune from Korea six months
 ago, Colonel Altman has been
 Assistant Special Services Offi-
 cer. Colonel White is transfer-
 ring to Parris Island.

A veteran of 13 years' service
 with the Marine Corps, Colonel
 Altman began his career by coach-
 ing the Quantico football team for
 one season. During the Pacific
 campaign of World War II, he
 served as commanding officer of
 a rifle company which made land-
 ings on Bougainville and Guam.
 Wounded on Guam, he returned to
 the States, where he served two
 years in a limited duty status
 with the Los Angeles and New
 York recruiting offices.

To Korea

After attending the Amphibious
 Warfare School at Quantico, Col-
 onel Altman reported to ComPhib-
 TraPac operations center where
 he served as training officer be-
 fore transferring to Korea. Dur-
 ing his year of duty in Korea he
 served as Provost Marshal of the
 1st Division and Commanding Of-
 ficer of the 3rd Bn., 1st Marines.

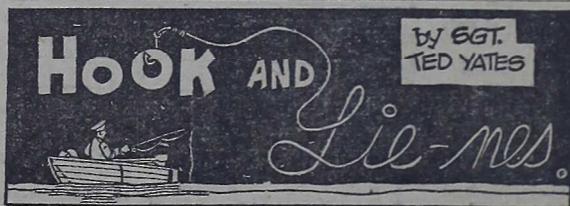

A graduate of New York Uni-
 versity, the colonel majored in
 physical education and was a
 member of the school's football
 team for three years.

He has been awarded the Silver
 Star, Bronze Star, and Purple
 Heart Medals for action in the Pa-
 cific campaign, and the Legion
 of Merit medal and a second
 Bronze Star for Korean action.

**Capt. Hering Places
 First In Golf Match**

In the second flag tournament
 held at the Paradise Point Golf
 Club this year, Capt. E. R. Hering
 won first place in the A division
 Saturday, lofting his final shot to
 within six feet of the nineteenth
 hole played. Lt. Col. A. M. Fraser
 and Sgt. G. E. Cefaratti were second
 and third, respectively, both fin-
 ishing on their nineteenth fairway.

The tournament committee has
 scheduled a blind best-nine-out-of-
 18-holes match Saturday and Sun-
 day. Competition will be held in two
 classes with handicaps and mer-
 chandise prizes going to the win-
 ners.

This heat humbles everything from well starched uniforms to
 stuffy people. Even the air conditioners falter when North Carolina
 decides to grow tropic. The only things that beat the heat are the fish,
 particularly the salt water fish. As everything else slinks around in a
 sun-sodden lethargy, avoiding contact with a fierce Old Sol as well as
 possible, the fish bask in a cool-currented world, pumping clean blue
 water through their gills. With several tons of water above them as in-
 sulation, fish can act pretty smug about the heat—and they do.

While the fisherman blisters and grows red under the searing
 sun, the fish leisurely, comfortably, studies his bait. As the fish-
 erman squints against the glare of the sun on the water, the fish
 idles his fins against cool currents. These may be dog days, but it's
 fine weather for fish. It is such fine weather for fish, as a matter
 of fact, we feel a little remorseful about battling them from their
 cool haunts. Receiving an unsuspected puncture wound from a piece
 of tempered barbed steel is nothing as compared to being forcefully
 dragged from a cool oceanic home into a sweltering atmosphere,
 and left to flip-flap life away on the hot deck of a boat or bidge.

Once a fish is hooked, there is no denying the fact it has a tor-
 tuous and lonely end in store. Each fish caught is a martyr with no
 fans. They die adhering to a belief. This belief being, "what's on the
 hook is good to eat." Millions of men, millions of college trained minds,
 and millions of dollars, all have been focused on how to deceive a little
 scaly fish. This may be fine in cold weather, but it doesn't seem right
 during the red hot heat of the summer. Somebody is going to start a
 SPCF (Society for Prevention of Cruelty to Fish).

Fish are friendless animals. Only when there are not enough fish
 to be killed do people come to their rescue. Then they are pampered,
 protected, and duped. But as soon as their ranks are full, their very
 protectors turn on them with well honed hooks and clever lures. But
 perhaps it's worth running the perils of hooks, hypocracies, lethal lures,
 tangling nets, and horrible deaths just to be cool when Carolina gets hot.

ILLED—First Lt. James F. Kingsley (left), who put the
 Co., 1st Bn., 6th Marines, through their paces to win the
 the top company in the 6th Marines Regimental Close Or-
 competition, is congratulated by Col. Charles M. Nees,
 commander. TSgt. Earl E. Maness led the 2nd Platoon of
 d Bn., to the trophy for the best drilled platoon. The
 rotating trophies were awarded after the competitive
 nday at the Area 1 parade field (Official USMC Photo).

Tenth Marines Plan South Sea Evening

A "South Sea Island Night" will be sponsored by the 10th Marines Saturday at the "Tahitian Terrace" of the Paradise Point Officers Club.

"Uniform of the day" will be beachcomber attire and prizes will be awarded for the most original costumes. Bathing suits will not be allowed.

From 7:30 to 8:30 p. m. there will be a "Beachcomber hour" at which the famous Trader Vic's "Fog Cutters" will be served. There will be a two dollar per person charge, which will cover the evening as well as "Fog Cutters" during the "Beachcomber" hour.

Reservations must be made in advance and can be had by calling 6485. Any reservations may be cancelled by noon Saturday without any charge.

Music for the evening will be furnished by Cecil Campbell and his Hawaiian orchestra.

HUES OF PATRIOTISM—Or possibly a patriotic Kathleen Hughes. The attractive actress, in a burst of patriotic zeal, has offered the first Red pilot of a Russian-built MIG who surrenders his plane to the UN forces in Korea a dinner date with all the trimmings. This rivals General Mark Clark's offer of a \$100,000 reward.
