FMF Troopers Face Busy Training Slate

HEADQUARTERS, FMFLANT, NORFOLK, Va.—It's a busy time of the year for Marines of the Atlantic Fleet Marine Force with a full schedule of training exercises and maneuvers which will leave them little time for a "spring fever" respite.

Vieques, for the past several years a Marine training area, was "captured" late in February by Maj. Gen. R. McC. Pate's 2nd Division and supporting elements from Maj. Gen. Field Harris' aircraft units. The 6th Marine Regiment, acting as "aggressor" forces, defended Vieques shores from the invading forces. Known as Phase One of Lant Phibex II-53, the amphibious landing on Vieques was the beginning of the largest peacetime maneuvers ever held by the Marines in the Caribbean.

In the second and concluding phase of Phibex II, scheduled from tomorrow to April 4, the site of operations will shift to the Onslow Beach area here for an amphibious landing followed by tactical problems ashore.

The opposed, umpire controlled assault will be spearheaded by units of Col. O. R. Simpson's 6th Marine Regiment, and the Eighth Marine Regiment, commanded by Col. D. Schatzel. Air elements of Maj. Gen. C. C. Jerome's 2nd Marine Air Wing and Brig. Gen. A. D. Cooley's 3rd Marine Air Wing will support the landing forces.

Plans were already underway to hold another in the series of amphibious training exercises, which are being conducted to maintain the combat readiness of Naval and Marine personnel.

The latest exercise, known as Lant Traex IV-53 involves some nine thousand Naval personnel, the 2nd Marine Regiment, certain other 2nd Marine Division and Force Troops units, and Marine Air Group 31. In the initial phase, these units will participate in training exercises at Vieques from March 3 to April 16. In mid-April, the reinforced 2nd Marine Regiment will conduct a second amphibious landing in the Onslow Beach area.

The assault, Phase Two of Traex IV, will be followed by a three-day tactical problem ashore. Phase Two covers the period April 17 to May 7 inclusive.

In June, a reinforced Marine battalion will join over thirteen hundred West Point cadets and Annapolis midshipmen at the Naval Amphibious Base, Little Creek, Va., for a 2-week joint amphibious training exercise, designated Camid VIII.

April 9 Is Deadline Set For War Claims Of Former POW's

Ernest C. Elliott, of the New Bern VA Office, today reminded World War II veterans who were formerly prisoners of war, or their dependents or survivors, that April 9 is the deadline for filing claims with the War Claims Commission for compensation for inhumane treatment or forced labor under Public Law 303, 82nd Congress.

Compensation is payable to former World War II POW's at a rate not to exceed \$150 for each day of confinement on which the enemy government failed to comply with the terms of the Geneva Convention of July 27, 1939, relative to humane treatment and compulsory labor.

In the case of the deceased prisoners of war, the survivors may file claim for this benefit. Mr. Elliott stated that anyone desiring to file claim for this benefit may receive assistance at the New Bern VA Office.

Greenville Station Starting TV 'Casts

The Carolina Broadcasting System, Inc. announced recently that television broadcasting will commence within the next nine months from a new TV station at Greenville, N. C. This new channel is the first to be authorized since the government television "freeze" was lifted.

The new station will send out a signal strong enough to reach "to and beyond New Bern" in this direction. The video power of the transmitter will be 100,000 watts, and 50,000 watts audio, from a tower with an overall height of 874 feet.

Leathernecks Hit Onslow Beach In 'Phibex' Climax

BY SGT. ROD HARRIS

The 2nd Marine Division returns Saturday via the biggest peacetime landing ever made on this coastline. Steaming north along the Georgia coastal waters today, spearheading units of the Division will reach this area late tomorrow night or Saturday morning.

Roads Close For 'Phibex' Operation

The below listed highways and roads will be closed to all traffic and personnel not participating in Phase II of Lant Phibex II during the following times:

Highway 172 (Sneads Ferry Road—Duck Creek Starling Road), from Sneads Ferry Gate to Triangle Gate, tomorrow from 7 until midnight Sunday; Beach Road will be closed for the same length of time; Marines Road, Robinson Road, and Verona Loop Road, close Saturday morning at 6 and reopen midnight Sunday.

The Main Service Road, east of the 5th Area equipment parks, and Sneads Ferry Road from Robinson Road to Duck Creek Starling Road, will be closed from 6 a. m. Saturday until midnight Sunday.

The only vehicles and personnel allowed to travel in these areas during these restrictions are: fire trucks, ambulances, Camp MP's and emergency vehicles; general officers in official cars with car plates or flags displayed, and personally escorted guests;

Camp Maintenance vehicles carrying maintenance personnel, government vehicles transporting perishable stores to the Onslow Beach and Courthouse Bay areas; government vehicles carrying personnel or material needed in the area; and private vehicles or material needed in the area; and private vehicles whose occupants are stationed at Courthouse Bay, Staff NCO School, or Onslow Beach areas, and residents at G-5 range.

Discharges Issued At Once If Cruise Ends Before July

Marine Headquarters has called for the immediate discharge of every Marine whose normal enlistment expires before July 1.

Marines intending to reenlist do not have to be discharged until their original enlistment expires.

Those discharged before their hitches are up, and who sign immediately for another cruise in the regulars, are entitled to receive only a reenlistment bonus and not travel pay or unused leave pay.

Still The Rule
Immediate discharge "by request" is still the rule for: 1. Men serving on voluntary extension which expire before July 1, 1953.

2. Members of the Fleet Marine Reserve who transferred to FMCR before July 1, 1953.

3. Enlisted Reserves scheduled for release from active duty before July 1, 1953.

Officer Promotion Figures Released

Headquarters Marine Corps announced on March 19 that 3,056 officers had been nominated for promotion. In addition, 163 commissioned warrant officers were advanced in pay grade. The ranks considered for promotion ranged from 2nd lieutenants to captains.

Coming from Vieques, Puerto Rico, where they have been conducting intensive amphibious warfare rehearsals, the troops will put into effect tactics learned during the six weeks spent in the Caribbean.

Maj. Gen. R. McC. Pate commands the big maneuver landing.

According to plan, Col. O. R. Simpson's 6th Marines and Col. DeWolfe Schatzel's 8th Marines will lead the assault on Onslow Beach. Air elements of the 2nd Marine Air Wing under the command of Maj. Gen. C. C. Jerome and the 3rd Marine Air Wing under Brig. Gen. A. D. Cooley will support the landing forces.

Aggressors Dug In

A resistance group of "Aggressors" are already dug in on the beach, waiting. They plan to repel the winter-trained division men but, if that fails, to fight a delaying battle until a mythical rear echelon can move back to safety.

If all goes well, authorities expect the division to land, move in, and have the "Aggressors" mopped up by Sunday night. Battle "umpires," trained here at Lejeune, will officiate the landing and call it to an end when the "Aggressors" have been run down and liquidated.

A three-day command post exercise is scheduled to follow the landing for the incoming troops.

Climaxes Training

The gigantic landing climaxes six weeks of training that began when the bulk of the division boarded Caribbean-bound troop transports February 17.

Aimed at improving and testing communications, command relationships, tactical concepts, and training methods, the maneuvers involved about 25,000 Navy personnel and nearly 36,000 Marines, including aviation units.

In overall command of the operation, known as "Lant Phibex II," is Vice Admiral F. G. Fahrion, commander, Amphibious Forces, Atlantic. Lt. Gen. Graves B. Erskine, FMFLant commanding general, commands the three main Marine groups, 2nd Marine Air Wing and Division and the 3rd Marine Air Wing.

Phase Two

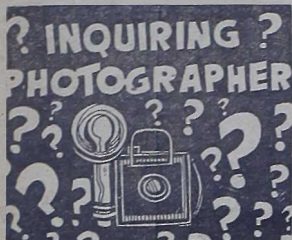

The second phase of "Lant Phibex II" consists of the formation of a "Blue" amphibious task force at Vieques under the command of Admiral Fahrion, with troops commanded by General Erskine.

The armada includes carriers, cruisers, destroyers, attack transports, attack cargo ships, submarines, rocket ships, auxiliary vessels, and air patrol squadrons. In all, over 150 ships and craft are participating.

The task force embarked from its base at Vieques a week ago and is persistently moving toward Onslow Beach, harassed by "Black" force submarines and air opposition.

The huge training program was put into operation to aid Marine Corps testing of new weapons and methods and has been continued for that purpose.

What Was The Most Memorable April Fool's Joke Played On You?

PFC DELMAR ANDERSON, CAMP SPECIAL SERVICES—The biggest

hoax ever played on me happened right here at Lejeune. Being just out of "boot camp" I was pretty green and didn't know very much about camp regs. Some old salt took me under his wing and said he'd help me shine my emblems for inspection. I wasn't aware, of course, that emblems aren't supposed to be shined. I played the fool as I stood at attention the next day being read off by some big, domineering master sergeant for having "salty" emblems.

CPL. RAYMOND L. BERNACKE, 2ND DIV.—I'll never forget the

time I thought my car had been stolen. I'd gone to a party and some joker had purposely moved my car. I reported the theft to the police and created a general uproar around the neighborhood at three in the morning. The next day, I found it in a tennis court, up to the hub caps in mud.

PFC. MAXEY C. NASH, GUARD CO., H&S BN.—I recall one that

started quite innocently but ended up with me on the receiving end. A friend of mine told a very convincing tale about my car having four flat tires. Knowing that my tires were bad anyway and having my car parked out of sight, I believed him. I frantically decided to put an end to all the flats and went out to buy four brand new tires. After spending my life's savings, I raced breathlessly to the car and found, of course, the joke was on me.

SGT. FRANK V. WINSTEAD, REG. HQ., 10TH MARINES—I guess I've

had a million pulled on me, from letting the air out of my tires to ringing doorbells. But the most recent and the most impressive was my girl calling me up last week telling me that she had just gotten married.

Gray Ladies Fulfill Vital Services For Hospitalized Service Personnel

Notable among the work of the American Red Cross here is that of the volunteer Gray Ladies of Camp Lejeune, serving in the Naval Hospital here.

They are women who have volunteered their services to aid in the comfort and well-being of the Hospital's patients and manage to lend their assistance at least once a week.

Every Gray Lady must go through a regulation training period. Twenty hours of formal schooling and ten hours of probationary work are the foundation for the numerous lectures and medical guidance given by the executive officers and doctors on the hospital staff.

Set To Go

After learning the history of the Red Cross and the policies and procedures of this organization, the Gray Ladies are ready to go about the social service work they are noted for.

This includes supplying comfort articles such as shaving cream, tooth paste, and combs, visiting, shopping for the patients, and giving other personal services. They help the Red Cross with the organization of parties, movie showing, craft classes, and the distribution of reading matter.

The majority of the Gray Ladies here are wives of military personnel. They work in a uniform of the Red Cross and are considered part of the Red Cross staff at the hospital.

Mrs. William S. Fellers is the Chairman of the Red Cross Auxiliary of Camp Lejeune while Mrs. James F. McClanahan is acting chairman of the Gray Ladies.

One way to abolish wars for all time would be to agree to postpone the next war until all past war debts are paid.

Marine Jet Team Wins First Night Jet-To-Jet Duel

The victors of an eerie 'duel,' fought in the complete darkness of Korea's frozen skies, have been awarded Distinguished Flying Crosses for their unprecedented feat.

They are Maj. William T. Stratton, Jr., and MSgt. Hans C. Hoglund, who shot down an enemy YAK-15 to score the first known night jet kill in aviation history.

Maj. Statton, the pilot, and Sgt. Hoglund, the radar operator of a Douglas F3D "Skynight," made a daring raid deep into enemy territory on November 2 to track and kill the first enemy jet with the Skynight's complicated radar system.

Flying in total darkness, the F3D pilot usually sees the enemy plane just as his guns send it down in flames. The enemy pilot probably never knows what hit him.

The Skynight's top-secret radar system spots enemy planes at long range. The airborne intercept operator then directs the pilot until he is within about four miles of the target plane. There the Skynight's radar gunsight goes into action, "locking on" the target.

Organized Reserve Units Now Total 201

Marine Corps Organized Reserve ground unit activations have reached 201. Included in this are 14 Woman Marine platoons.

During February four units were activated: 67th Special Infantry Co., Fort Hueneme, Calif.; 65th Special Infantry Co., Shelby, Mont.; 76th Special Infantry Co., Steubenville, Ohio; 69th Special Infantry Co., Edystone, Pa.

Horse Marines 'Troop And Stomp' Host Kiddies Show

The late Major Bowes and his amateur hour would have had nothing on "Operation Small Fry" Saturday at the Jacksonville USO.

In answer to many requests sent in by local youngsters, "Operation Small Fry," under the direction of MSgt. Tom DeCastro, was staged so the youngsters could see the show's characters.

Delighting them were Tom, played by Sergeant DeCastro, Sergeant Troop, portrayed by Sgt. Al Coleman, and Pfc. Stomp, acted by Cpl. Bill Skillin, all of Camp PIO's Radio Section.

Talent, talent, and more talent was the theme of Saturday's show as kids from 9 to 14 sang, tapped, danced, and played everything from ukuleles to violins.

Police Chief Clyde Cook, judge of the show, picked two winners, Betty Johnson and Lallie Kerns. Michael Carter came in second, and the team of Betty Eastwood and Betty Starling was third.

American Veterans Number 20 Million; Average Age Is 38

The oldest veteran in the U. S. is 111 years old and the youngest 18. Those are the extremes while the average age of the 20,000,000 living veterans is almost 38 years.

These figures, announced by the Veterans Administration, are based on the estimated age distribution of veterans in civil life as of December 1952.

Following is a breakdown by wars, showing the number of veterans of each.

Since Korea, 1,483,000 veterans, average age 26.

World War II, 15,434,000 veterans, average age 34.

World War I, 3,345,000 veterans, average age 59.

Spanish-American War, 95,000 veterans, average age, 76.

Indian Wars, 295 veterans, average age 87.

Civil War, 1 Union Army veteran, 106.

In addition to these there are 61,000 peacetime service veterans receiving compensation from the VA for service connected disabilities and their average age is 41.

The youngest veterans, under 20, have served since the outbreak of Korean hostilities and they number about 47,000.

The largest group of veterans is in the age bracket of 30 to 34 years, and they number approximately 4,800,000. The second largest, numbering 4,600,000, is the 25 to 29 group. These groups account for nearly half of all veterans.

TALENT WINNER—Nine-year-old Betty Johnson sings "Waltz Again With You," during the style that won her prize in the talent show Saturday in the Jacksonville USO. The show was staged by Camp PIO's radio show, "Operation Small Fry" (Official USMC Photo).

Local Rent Office Gives Answers To Housing Queries

The local office of rent regulation, Jacksonville, N. C., has answered the following questions those most often asked their concerning rent and renting problems encountered by people here.

QUESTION: Is it necessary for me to report to the rent office file any forms when I become a tenant?

ANSWER: No. If your landlord does not show you a copy of registration statement, however, would be wise for you to file with the rent office to determine the legal maximum rent and services the landlord is required to furnish.

QUESTION: My landlord claims there is no rent ceiling on my house because he has not registered it with the rent office. Is that true?

ANSWER: No. It is not. If a house is under control there is a maximum rent on the unit whether registered or not. Generally, the legal maximum is the rent charged on the maximum date or, if the house was not on that date, then the first charged after the maximum date.

QUESTION: I am planning to buy some rental property have discovered that the previous owner has never registered and I'm afraid he has been charging more than the legal maximum. Will I be liable for the violations if I buy this property?

ANSWER: No. The former owner or his agent is held responsible for all violations up to the time you acquire the property.

THE 1ST MARINE DIVISION in KOREA — Cpl. Charles Crockett stopped when he saw a Red glaring at him from a distance of 100 yards. He looked at each other. Crockett, "then we both snorting."

During six rounds at the command, Crockett was astonished to see the enemy standing back at him.

Members of his squad, not hearing further shots from Crockett, ran forward thinking he had been hit. They discovered he was calmly changing the wind-angle elevation on his Garrand while ducking "burp gun" fire.

Only shots were hitting low to the right before I changed the angle," said Crockett. "After my first shot did the

In Simple English English Family Lists Most Sons in Service

When a Chicago family claimed the most number of sons in service, Mr. and Mrs. Thomas English, of Columbus, Ohio, parents of Pfc. Leperian English, squared the Chicago papers away with a record of six sons in service and two veterans.

Pfc. English is a member of the Camp Lejeune Fire Department and the only one of the brothers in the Corps.

Brothers Harold and William are World War II vets. In the Air Force at present are Technical Sergeant Raymond, Staff Sergeant Donald and Airman Second Class Robert, who enlisted at the age of 15.

In the Army are brothers Jerry, a corporal, and 1st Lt. Edward L. English.

Gazette Features Story On Ways To Obtain Commission

Captain Karl D. Morrison has reviewed the methods which the Marine Corps is now employing to commission new second lieutenants in an article entitled "Ten Roads To A Commission." The story gives complete details on how civilians and enlisted Marines may be commissioned.

Three Gazette stories with Korea as the background are "They Call Their Shots" about a Marine Sniper Platoon; "Quantico in Korea," the tale of Korean Marine Training; and "Reserve Time for Training," regarding the importance of combat-area training.

Helicopter-Borne Vehicle Undergoes Testing At Quantico

Military observers last week watched evaluation tests at Quantico, Va., conducted with a powerful, 1500-pound all-wheel-drive vehicle, designed to be carried into combat by Marine Corps helicopters.

Called the "Mighty-Mite," the short, squat vehicle has engineering features that allow it to hit a six-inch-high obstruction at 50 miles an hour without faltering. Locking devices assure power to any or all wheels only when they have traction.

The new lightweight military vehicle is powered by an air-cooled engine.

Winners of Nation's Highest Awards To Meet In Goldsboro

"The Army and Navy Legion of Valor of the United States of America" will hold its annual business meeting and dinner Saturday, April 11, at the Goldsboro Hotel, Goldsboro, N. C. Membership in the Legion is limited to persons who have been awarded the Congressional Medal of Honor, the Distinguished Service Cross or the Navy Cross.

Reservations for the affair may be secured by addressing the State Commander, Army and Navy Legion of Valor, Box 1191, Raleigh, N. C. The fee for the dinner is \$3.50 per person.

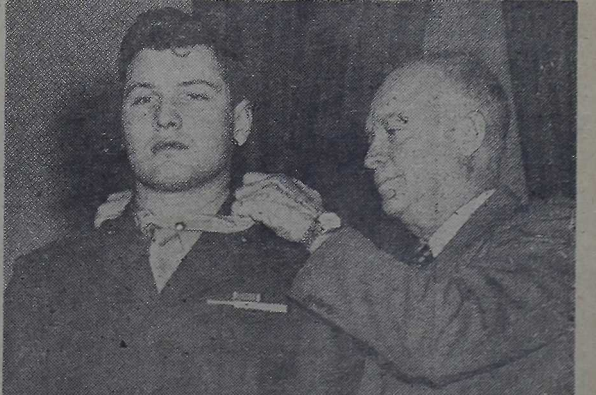

Insect Incineration Described Unsound

There is no prescribed way to get rid of ants in the belfry, but if you have ants in your pantry, don't use lighter fluid to exterminate them.

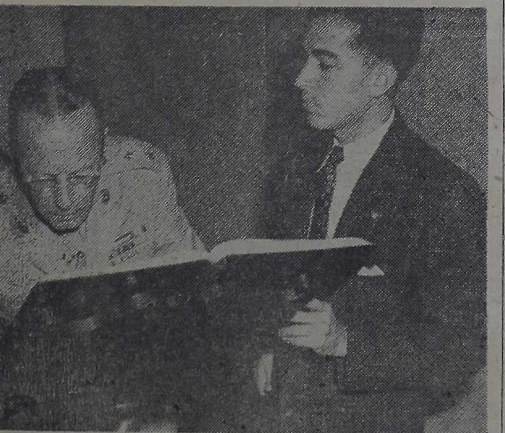

Recently members of this command went buggy in their attempts to exterminate a rash of ants and termites that invaded a barracks. Dousing the area with lighter fluid proved effective in eradicating the pests, but also could have eradicated the building.

Thus Camp Memorandum 91-53, dealing with the "eradication of termites, ants, etc., by use of fire (lighter fluid); prohibition of" was issued by the Camp Commanding General.

The memorandum points out that it is dangerous to both life and property to cremate insects, besides being definitely against regulations. The Camp Sanitation Officer is the person to contact, phone 3160.

MEDAL OF HONOR—President Dwight D. Eisenhower presents the first Congressional Medal of Honor awarded under his administration to Cpl. Duane E. Dewey. Capt. Charles C. WM Reserve Head Addresses Grads Of Leadership School

Lt. Col. Pauline B. Beckley, head of Women's Branch, Division of Reserve, Headquarters Marine Corps, addressed the second group of Women Marines to graduate from the Staff NCO Leadership School here Friday.

Col. R. J. Straub, commanding officer, H&S Bn., MB, introduced Col. Beckley who spoke to the group on the qualities of leadership.

The Women Reserve director mentioned the progress of Women Marines since they were integrated into the Regular Corps and stated, "The progress has been so rapid that some of our NCO's do not know what it means to be an NCO."

Following the address, twenty graduates were presented diplomas by Col. Beckley.

TSgt. Donna G. Kaeding was the honor student with a class average of 91.2. Sgt. Kaeding is TAD here for the leadership school from the Marine Corps Air Station, El Toro, Calif.

SSgt. Winifred R. Greenberg, formerly with 3rd Marine Corps Reserve District, New York, N. Y., was second in the class. Sgt. Greenberg will be leaving for Headquarters Marine Corps, her new duty station.

Third highest in class average was Sgt. Roberta A. Luby, TAD here from MCAS, Cherry Point.

WM Maneuvers

BY CPL. ELOISE TURNER

Summer is on the way and so are the Reserves. The Reserve Training Battalion, is now a beehive of activity. Camp Photo Lab and PIO personnel are measuring time in terms of . . . "when the Reserves get here."

WM Company too, receives its share of activity. Lt. Col. Pauline B. Beckley, head of women's branch, Division of Organized Reserve Headquarters, arrived here Wednesday via helicopter from Cherry Point. The Colonel came to Camp Lejeune to discuss plans for the summer reserve training program.

Beginning June 20, and continuing through August 22, eight Woman Marine platoons of the Organized Reserve will arrive here for two weeks training.

There will be two platoons from Philadelphia, one from disbursing section, the other from supply depot. Other platoons will arrive from Boston, New York, Baltimore, Cleveland, Minneapolis, Detroit, Tampa, and Chicago.

Maj. Helen A. Wilson, commanding officer, Woman Marine Detachment 2, MCAS, Cherry Point, came aboard Friday afternoon to attend the graduation of

WM's attending Staff NCO Leadership School. Two girls of her command, Sgt. Roberta A. Luby, and MSgt. Alice Connolly, were members of the graduating class.

Friday, March 13, between 20 and 30 girls assembled for practice for the Woman Marine Softball team. The girls have been practicing each evening on the WM softball field from 5:00 to 6:30 p. m.

Pfc. Charles "Whitey" Langerud is coaching the team with the assistance of 2nd Lt. Helen Dunkelberg, officer in charge of students and training. "Whitey" will be remembered by most of us as one of the players on Lejeune's varsity basketball squad.

Lt. Dunkelberg expressed the hope bleachers will be set up on the field, and that other projects concerning the softball field will be completed soon.

A definite date has not been set for the first softball game, but the season will open around May 15.

When the season closes the East Coast Softball Champions will play the West Coast Champs. We hope the WM softballers here will be one of the teams participating in the play-off.

Marines Cop Inaugural; Drop Second on the Sideline

WM Quints Start Play In Tourney

The 1953 All-Woman Marine basketball tournament will swing into action tonight at 8 when Camp Lejeune and El Toro clash at the Goettge Memorial Field House.

A best-two-out-of-three tourney for the National Woman Marine Basketball Championship, it pits the East and West Coast Champions against each other.

This will be the first time in the history of Woman Marine sports that two coast champs have met for a national play-off, this year's meet being slated to become an annual event. The team winning will be crowned the first National Woman Marine Basketball Champion.

18-0 Record

Lejeune's sextet closed their East Coast championship tourney with a season record of 18 wins and no defeats by a service team.

In the six-game, double-elimination series, Lejeune WM's defeated Parris Island twice for the East Coast Championship title.

The El Toro Skyraiders, West Coast champs, came into this national fray with a season record of nine wins, one tie, and one loss.

Stevens Deadly

Catherine Stevens, 5' 9", will lead the western champions. Stevens bucketed an average of 15 points per game in the season play. In her second season with the Skyraiders, she is known for her deadly hook shot.

Handling the coaching reins for the El Toro basketball team is 2nd Lt. Susan Radder, a former Physical Education major at the University of Indiana.

On the Camp Lejeune team, "Tennessee" Kitts has maintained the record she made last year of being the team high scorer. Kitts, an aggressive player, directs the offense and has a record of 15.5 points per game this season.

Second Tour

Three first-string guards, Barbara Buffington, Barbara Stidham, and Lois Conro, are in their second season with Lejeune.

At the close of the East-West tournament, trophies from Headquarters Marine Corps will be presented to the winning team.

FIRST OF '53—Lejeune's "Chico" Rodriguez becomes the first Lejeune Marine of the season to reach first, on shortstop Larry McClement's error. Moments later, Chico was erased stealing. Springfield first baseman Al Griggs waits for the ball. Lejeune defeated Springfield, 9-0, in the season's opener (Official USMC Photo).

Keglers Cop Second In District Tourney

Cherry Point and Camp Lejeune took first and second places, respectively, in the 5th Naval District Bowling Championships, March 17-19.

The Lejeune squad worked its way through a 16-team tournament field and came within 80 pins of taking the honors in the finals.

Team members were: MSgt. Tom Eldridge, TSgt. Tex Lampman, HM3 Don Burmeister, Cpl. George Campomenosi, Cpl. George Oblozyska, Pfc Charles Davidson and Pfc Pat Walsh.

Third place was taken by the Norfolk Naval Air Station.

Tennis Team Calls Court Candidates

Keeping up with the other spring sports activities already well underway, Lt. Bob Ruoff, Division Special Services, issued a call for tennis candidates this week.

Anyone interested in trying out for the Division tennis team should report to Ruoff at Bldg. 322 tomorrow.

Lejeune Cops Open From Springfield, 9-0

A pair of Lejeune diamond veterans, right-hander Grim and southpaw Bob Reich, teamed mound talent Camp Lejeune season-opening win over Springfield here Monday.

Pre-game ceremonies featured tossing of the first pitch by Brig. Gen. William S. F. duty camp commander.

Ohio Reaps 7-5 Victory With 1 Hit

Ohio State poured three runs on one hit to hand Camp Lejeune its first setback of the embryo season 7-5 here Tuesday.

Slow thinking on the part of two Lejeune players cost the Marines the game.

Ahead, 5-4, and out of trouble since the second inning, the Marines committed two miscues to hand the collegians the victory.

Comes The Deluge

Gene Lonbrake started the top of the ninth with a walk. The next batter, Bart Antine, laid down a bunt in front of the mound. Lejeune's third hurler, Charles Chronopolous, fielded the ball but hesitated on his throw, Longbrake getting to second and Antine to first.

A sacrifice moved up the runners and an intentional walk to Dave Leonhard loaded the sacks. Jack Gannon bounced a slow roller to second, Lejeune getting the force at the keystone, with Longbrake coming across. Gannon broke for second and the Lejeune first baseman hung on to the ball too long. Antine came in on a delayed steal. The last run scored on Jim Horn's double.

Lejeune managed to get two men on in their half of the ninth, but couldn't score.

Leach Wild

The Buckeyes picked up two runs in both first and second, due to starter Jesse Leach's faulty control. Leach issued three passes and then was hit by Dick Ernt for the first two markers. In the second a walk, a steal, and back-to-back singles by Leonhard and Jack Gannon accounted for two more.

Lejeune finally broke through in the third when Dave Krings, Lejeune's star second sacker, whacked the ball 360 feet over the left field fence. Another run scored on a force, a walk, and a shortstop's error.

FMF Pugs Ready For Atlantic Fleet Meet In Norfolk

The Fleet Marine Force boxing team under the guiding eye of Capt. Glenn McComas will be gunning for Atlantic Fleet titles when the 1953 tourney swings into action in Norfolk Saturday.

Fighting under the FMF banner will be boxers from Camp Lejeune and Cherry Point. These two forces teamed together will be out to give the other Atlantic Fleet Commands a battle for trophies and honors.

Two team members are title holders from the 1952 Atlantic Fleet tourney. Out to retain their ring crowns will be Camp Lejeune middleweight, Manny Britt and welter puncher Rudy Gwin of Cherry Point. Both ringmen are fast moving, hard-punching, crafty boxers, and Coach McComas has them in top shape for the championship bouts.

Other team members in the championship bracket are two 1953 Middle Atlantic Inner-Service Athletic Conference champs. Leatherneck ring master Al Hood annexed the middleweight crown and Bill Davis captured the lightweight title. Captain McComas led his charges to the team title in the MAISAC event, and he has them in first-class ring shape for this important Atlantic Fleet meet.

House Ready

In the heavyweight class the Fleet Marine Force squad will have the able ring talents of Bud House. House is a rugged puncher who will give all comers a run for their money. He is the type of stand up and fight boy that it takes to walk off with the heavyweight honors.

Lejeune's last team fight was against the Quantico Marines last week. The McComas battlers dropped the match 5-3. Three Lejeune pugs, bantamweight Norm Williams, Rudy Gwin, and Joe Davis, managed to come out on the winning side.

Other top Marine boxers in the FMF corner are flyweight Johnny Orti, bantamweight Norm Williams, lightweight Ed Gustin, Levi Washington, and Bill Jones.

Staff NCO's Golf Tournament

A golf tournament for NCO's will be held Monday with qualification dates being on the week-ends from May 3.

The qualifications will be on an 18-hole basis to flights.

Anyone interested in the tourney should contact J. B. Broadus, NCO in charge of the golf course, and give date he wishes to qualify.

Sergeant Broadus and Steve Burek are running the matches and they've said that trophies will be awarded to winner and runner-up flight.

WARMING UP FOR THE FLEETS—Camp Lejeune boxing mascot, "Rusty" McComas, son of the squad's coach, trades punches with heavyweight Ed Gustin as the boxers finish drills for Atlantic Fleet tournament starting Monday (Official USMC Photo).

shadowed during the past few weeks by the hubbub surrounding the promising baseball team, the track team starts its season with a probable practice meet and almost no attendant com-

reverse should be true, if past performance is considered. The guidance of Hobe Gardner, now mining in South America, finishing at Springfield College, the cinderella to an undefeated season last year. In the All-Marine Lejeune track aces, Jim Hartshorne and Andy Anderson, individual championships, and eleven others took home trophies.

Sport Spectacle

Work, though lacking mention, will provide the biggest sports event of the year on June 12 and 13 when Lejeune will host both the annual All-Marine Track and Field Championship and the Lejeune All-Marine meet was held at Pendleton, and it was a top-notch job, both from the point of performance and the extras that go along with a big-time track tournament. Spectators and judges were recruited from among California's institutions, with the result that luminaries such as Jess Patton, Ted Gossard and Glenn Davis were in attendance. The Lejeune undoubtedly will come up with as fine a show, and the question remaining is whether the team will live up to the performance.

Weather hasn't been good, and the track is in bad condition, workouts. But even with all the excuses, Lejeune will have a way to rival last season's outfit. The '52 stars are back. But many who gave Lejeune strength in the running events, and solid backing in the field gone.

On The Track

It's always Roger Montgomery and he alone makes Lejeune a threat in both the 100 and 220. He's already been clocked at 10.2 for the 100, a remarkable feat for the condition of the track, a contrary to the early time of the season. He should, barring injury, break him back last season, break the track record of 9.8 for the 100, which he currently holds.

Frank Rivera should do well too. Frank Rivera the Puerto Rican is running better this year, and has been clocked in 51.1 for the 440. There's no Ben Sheaffer, who won the 440 last season, and the first timing was much too close to five seconds. The two mile event looks fair with Johnny Williams, and possibly "Carosi."

Hurdles are the weakest link. On paper it doesn't sound too good, but on the cinders it may work out.

There has been business in the Hook department. Reports come in of increasing runs of sea trout in the Inland Waterway and the trout are feeding on artificial lures, particularly the "out master" and "sea hawk" plugs. And while many Marine plugging away in the trout department, with success too, have been working on the fresh water fish.

Fresh water fishing is a personal business. The man that has luck consistently is the man that has found a couple of spots that no one else knows about and that he keeps to himself. However, we have learned that there are some mighty bass and bass in Wallace Creek, and about the only way to catch them now is with live bait.

Donald W. Krueger, section chief for Camp Special Services, returned from Korea, has been working on the flounder. By boat, he has been working the flats of New River, near the gulf and lantern, and has had good results.

Something New

Crane, confesses Sergeant Krueger, is new to him. However, a fisherman and learns fast. The other night, as he poked after flounder, he spied a huge sea trout, drove his spear into it, and had the ringing disappointment of watching the big barbs of his gig just as he was lifting it in the boat. So it was a new experience.

Believe one of the most well-schooled authorities on fish, and wildlife in general hereabouts is a Navy Chief, attached to the Control Unit 2, named S. C. Jackson.

He has been a Chief for 13 years. Chief Jackson first came to Camp Lejeune when he has been an ardent fisherman and hunter.

There's More

an satisfying his own interests in the outdoor department, there has been a determined conservationist. He says, "There's a lot of game and fish in these areas now, but what about the years ago?"

ing to answer his own question, he has become vice-president of the Onslow County Wildlife Club, a local organization affiliated with state and federal agencies as well as with Carolina 4-H designed to preserve wildlife.

Chief Jackson, "The club lost a lot of members during the war and now we are making efforts to rebuild the membership. Meeting will be at 7 p. m., April 8, at Lake Cole, near Piney Point. Added that personnel here who are interested in joining the Onslow County Wildlife Club can contact him by calling 2101 or 3102.

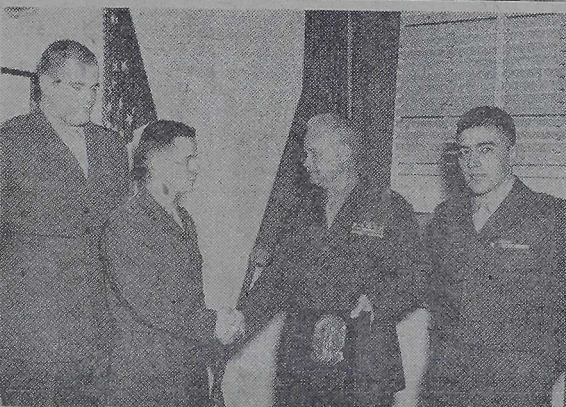

Works With Farmers

Chief Jackson, the conservation club works closely with local farmers, and the woodlands off Lejeune. The club in the past has been pointed towards curtailing indiscriminate butchering of game and similar important conservation measures.

Chief Jackson stipulates, "more than members in name, but those who will take an active interest in local conservation."

CAMP LEJEUNE'S Woman Marine East Coast Tournament Champions will battle the West Coast Champs in the first All-Marine Championship to be played here today and tomorrow at 8:00 p. m. at the Goettge Memorial Field House. The West Coast Champs are the Woman Marine Skyriders, MCAS, El Toro, Calif. Standing on Lejeune's team are, left to right: Tennessee Kitts, Pat Burbage, Barbara Buffington, Marilyn Meyer, Laverne Robertson, Ruth Decker, and coach Al Perlmutter. Kneeling, left to right are: Colleen Sage, Angeline Darby, Barbara Stidham, Lois Conro, and Carol Lau (Official USMC Photo).

CAROLINA CHAMPS—Maj. Gen. Henry D. Linscott, commanding general of Camp Lejeune, receives the Carolinas AAU wrestling championship plaque from 1st Lt. Dan Moser, coach of the victorious grapplers. Heavyweight Ed "Tiny" Albers (left) and 147-pounder Larry Britton look on (Official USMC Photo).

Tracksters Meet State In Opener

With the sprints and field events shaping up well, the Camp Lejeune cindermen will meet their first foe of the season, North Carolina State, here April 4.

The greatest shortage, besides in over-all depth for team scoring, is in the distance and jumping events. Coach Vern Gale is hoping to pick up additional point-makers when the Vieques, cruisers get back.

Best times turned in during trials Saturday were in the 100-yard dash. Roger Montgomery, former Colby University trackster, managed a ten-second time despite bad track conditions and wind. He ran the 100 in 9:06 at Colby.

Artis Next

Behind the Colby speedster were Roger Artis at 10:01 and L. L. Daily at 10:02. Good showings were made by Artis and Daily in the 220 dash with 23:00 and 23:01 respectively.

Frank Rivera turned in the best time in the 440 trial with a 52 flat, and Frank Kreutzburg, former Lejeune footballer, came in with 54:04.

These times should come down considerably, since early season and bad track conditions affected showings Saturday.

Weighty Business

The heaving events are in the care of two outstanding football players of last season, Art Davis and Dick Layne, who should accumulate quite a few points for the Leathernecks this year, according to Coach Gale.

The javelin toss is handled well by returnee Bernard Euker who tossed for the Marines last year.

Only one man is available at present in each hurdle event. Euker is running the lows and Young the highs with no depth at all behind the men.

Williams Looks Good

Most promising of the high-jump candidates is Orville Williams, stellar football defensive back of last season. Although Williams is not an experienced jumper, Coach Gale hopes to round him out for the job this season.

Pole vault chores are handled by Bob Petro and Sam Faulkner at present, but more men are needed for depth.

The poorest times for Saturday were turned in by the distance runners. The mile time was 5:55.3 and Gale holds little hope of much improvement here, whereas Ed Finneman's time of 11:12.3 in the two-mile distance should come down to at least 10:30. Another hopeful in the latter event is "Dip-ty" Carosi of basketball fame.

April 6 Is Kick-off Date For Spring Football Practice

Major John C. Crawley, Lejeune's new head football coach, set April 6 for the start of spring football practice.

Centers and quarterbacks will report to the coach on the sixth, with other candidates reporting a week later.

Candidates for center and quarterback positions should report to Major Crawley at the Field House between March 30 and April 4 from 1 p. m. to 5 p. m. Hopefuls for the other positions will be interviewed April 6 through April 11.

Crawley, who replaces Maj. Joe Donahoe, will have a big rebuilding job on his hands, and all candidates with or without previous experience will be welcome.

Many of the players who helped Lejeune to the eighth spot among service elevens in the nation last season have left creating many openings for newcomers.

Among those gone are All Marine guard Carl Plantholt, and fullback Gene Wisniewski, both at Parris Island. Others like quarterback Bill Weeks and All Service end Harrison Fraiser indicate they'd prefer to turn to the coaching end of the game. Many more, like All Navy tackle Art Davis are expected to be released from the service before, or near the beginning of the season.

ANNOUNCER WANTED

Marines with baseball knowledge and a good speaking voice are requested to contact the Camp Special Services Officer at the Field House to try out for baseball game announcer.

Golf Tournament And Buffet Dinner Slated For April 19

April 19 will see the first Mixed Scotch Foursome event of the season at the Paradise Point Golf Club. All golfers interested are asked to sign up at the club house prior to April 13. You may choose your own partner and make up your own foursome. Matches will be arranged for you if you wish.

Starting time is set for 2:30 p. m. A buffet supper will be served at 6 p. m. by the Ladies Golf Association following the nine-hole event and there will be prizes galore.

Entry fee will be one dollar per person for the golf and one dollar a head will be charged for the buffet. If you have a non-golfing partner in your family he or she can still join for the follow-up event. Food will be served even if the weather prevents play.

Winners in the Ladies' Day nine-hole weekly events for March 10 and 17 were: Class A, Mrs. C. L. See, both the tenth and seventeenth winner; Class B, Mrs. P. H. Reddoch on the tenth, Mrs. J. S. Reamy on the seventeenth; Class C, Mrs. F. R. Roberson on the tenth and Mrs. R. S. Stoner on the seventeenth.

This Week's Movie Review

(4 Bells: EXCELLENT; 3 Bells: VERY GOOD; 2 Bells: GOOD; 1 Bell: Fair)

ONE GIRL'S CONFESSION
No information available.

SAN ANTONIO
Starring Rod Cameron and Arleen Whelan. No further information available.

BANDITS OF SHERWOOD FOREST
A Robin Hood tale starring Cornel Wilde. No further information available.

NO TIME FOR FLOWERS (3 Bells)
The story of the fight against Communism in Communist-dominated Czechoslovakia. Viveca Lindfors plays the part of a convinced Communist who gradually weakens and flees to the American zone of Austria.

PORT SINISTER
Another story of a search for sunken treasure, this time starring James Warren and Lynne Roberts. Replete with disappearing islands, waterfront hoodlums and erupting volcanoes and romance.

SOMBRERO (4 Bells)
Three complicated but carefully integrated stories of three pairs of lovers. An attractive cast has been assembled, which includes Pier Angeli, Vittorio Gassman, Ricardo Montalban, Yvonne DeCarlo, and Cyd Charisse.

PROBLEM GIRLS (1 Bell)
The story of a young psychology instructor working at a school for neurotic girls run by an equally neurotic and abnormal faculty. Starring Ross Elliott and Helen Walker.

THE QUIET MAN (4 Bells)
Ireland is the real star of this picture. Ireland at her laughing loving best. A simple story comes to life under the creative hands of John Ford and a cast that includes John Wayne, Maureen O'Hara, Barry Fitzgerald, and Ward Bond.

INVADERS FROM MARS
Starring Helena Carter and Jimmy Hunt. No further information available.

COUNT THE HOURS (3 Bells)
Teresa Wright and MacDonald Carey star in this tale of murder and suspense. spun out against the background of a farm. Events sometimes are not too closely bound to reality, but in general they make for engrossing entertainment.

ONE MINUTE TO ZERO
"One Minute to Zero" is a film about the fighting in the Pacific. It is a picture of suspense, but often lapses and story development.

THE GUNFIGHTER (4 Bells)
Starring Gregory Peck and Ker. No further information available.

GOLD TOWN GHOST RIDERS
Gene Autry is the star of the picture. No further information available.

COLUMB SOUTHERN
Starring Audie Murphy and Ans. No further information available.

THE SYSTEM
Starring Frank Lovejoy and Ans. No further information available.

DOWN AMONG THE SHELTERING PALMS
William Lundigan, the hero of a lush tropical island, finds himself in a painful duty of keeping his fraternizing with the natives. Plans, however, are upset when the chief presents him with a girl, Midge Gaynor, as a hand.

FORT VENGEANCE
Starring James Craig and Ans. No further information available.

MAN ON A TIGHT ROPE
Starring Frederic March and Ans. No further information available.

PONY EXPRESS (3 Bells)
"Pony Express" starring Chilton and Rhonda Fleming, is a picture of the linking of the story tells of the linking of the plains and the Pacific via express.

WAR OF THE WORLDS
The science-fiction cycle peaks right here. "War of the Worlds" is a picture of the future, and it is a picture of the future. It is primarily a producer's men's picture, with a lot of the Paramount special.

Salty Ranks

HAZEL, WHAT RHYMES WITH "APPALLING" HUH?

LET'S SEE! READ ME WHAT YOU HAVE SO FAR, SALTY!

THIS, HAZEL, IS MY POEM "TO YOU": "I KNOW A GIRL NAMED HAZEL WHO IS MIGHTY, MIGHTY GENTLE. SHE IS NOT AS TALL AS ME BUT IS GAY AND SENTIMENTAL. SHOULD I EVER HAVE TO LEAVE HER, THE THOUGHT WOULD BE APPALLING."

AWK!

LOOK OUT, QUICK! YOU'RE FALLING!

(COFF!) (COFF!) IT RHYMES ALLRIGHT (GASP) BUT IT'S NOT THE CORRECT METER.

ARE YOU NEXT?
