### What Is The Best Recreational Facility On This Base?

**CPL. BRUCE A. RYSKAMP, SERVICE CO, 2ND ENGINEER BN.**—I would say that Onslow Beach is by far the best recreational facility available to the Marines on this base. It provides a place to relax and is kept in excellent condition. When you have to live in the type

weather we've been living in lately, nothing can cool you off as fast as a dip in the ocean. Try it!

**PVT. CARL CRAVENS, CASUAL CO, 1, MB.**—Dating Women Marines is my most enjoyable pastime. You can go to the various theaters on the base, to the beach or perhaps the boat house. They are all good, but these places are even more fun if you have a young lady with you.

The Women Marines stationed here make excellent companions with whom you can share the pleasures of the many available facilities.

**CPL. ROBBIE G. CREECH, WM CO, H&S BN., MB.**—I'd like to say the boat house. Although I don't go boating and I can't swim, I get a kick out of dipping my little "tootsies" in the water off the docks there. Also, I like the many tennis courts here but I can't play tennis. I guess it would be safe to say that bike-riding is my favorite, which, incidentally, I can do.

**PVT. GEORGE H. BOOKHART, GUARD CO, H&S BN., MB.**—Sacking out. After long and tedious hours of work I really appreciate the "sack," where I can lie and dream of the many sports and other forms of recreation that are available to me. I have to dream; usually I am too tired to take advantage of them. When I'm not too "beat," I like to spend some time at the Area 2 Service Club, where I can get a little exercise at the bowling alley and, occasionally, a "cool one."

**CPL. BEVERLY A. COFFMAN, WM CO, H&S BN., MB.**—Swimming at Onslow Beach. There I can look out over the Atlantic and think of the Pacific. I'm originally from California, where we have a lot of hot weather, but nothing like this. Down here even the ocean is different—less majestic and by far less appealing than the Pacific. Oh well! A person can't always be choosy about the ocean he swims in.

## Capt. Wilson Becomes Top Camp Medico

Capt. Leonard Livingston Wilson, USN, MC, assumed the duties of camp medical officer here last week, relieving Capt. Clarence L. Blew.

Blew, who served as camp medical officer from July 1951 to July 30, 1952 has been assigned to the U. S. Naval Hospital, Pensacola, Fla., as executive medical officer. Prior to serving here he was stationed at the Hospital Corps School, Naval Training Center, Bainbridge, Md.

This will be Captain Wilson's second tour of duty here. From 1945 to 1948 he was chief urologist at the Naval Hospital.

The duties of the Camp Medical Officer cover a multitude of operations. Basically it is his responsibility to see that all medical facilities of Marine Barracks are kept in operating order.

### Corpsman Duty

Captain Wilson, who first entered the Navy in 1918 as a corpsman aboard the transport brig "Great Northern," sailed between Brest, France and New York, evacuating the American wounded from Europe at the end of World War I.

Receiving his discharge, he graduated from Tulane College, studied urology as a resident student for three years at Memphis, Tenn., and reenlisted in the Navy in 1924 where he served his internship.

Resigning his commission in 1929, he again reenlisted in the Navy in 1940 when World War II seemed imminent and has remained a naval officer since then.

During World War II, Wilson served as junior medical officer aboard the battleship "Tennessee" in the Pacific. He also served at Guadalcanal, Bougainville, New Guinea, and as base medical officer at Sidney, Australia.

Later he was executive officer at the Medical Hospital, Guantanamo, Cuba.

## Improvements

(Continued From Page One)

used for either social or religious purposes.

The project also will include both water and sewage disposal plants. Streets will have such colorful names as Saipan, Bougainville and Hagaru Drives, Hungnam Place and Chosin Circle.

The housing project is being built by the Spangler Realty Co. and will be completed in 12 to 18 months.

A sum of \$5,393,000 has been allowed for the building of 12 new quartermaster warehouses which will be located adjacent to existing warehouses in the Supply Depot.

### Rail Spur

The railroad to Cherry Point will be 27 and one-half miles of single track supported by four woodpile trestles with steel girders, when completed.

The new bridge located at Onslow Beach will be 80 feet downstream from the one now being used and will be a swing span type. The main span will be 160 feet long with channel approach spans of 80 feet. The bridge will be made of woodpile with concrete superstructure.

The generating plant will be located at Cherry Point and will be of the turbo-generator type. It will have a capacity of 5000 kilowatts.

### Peterfield Point

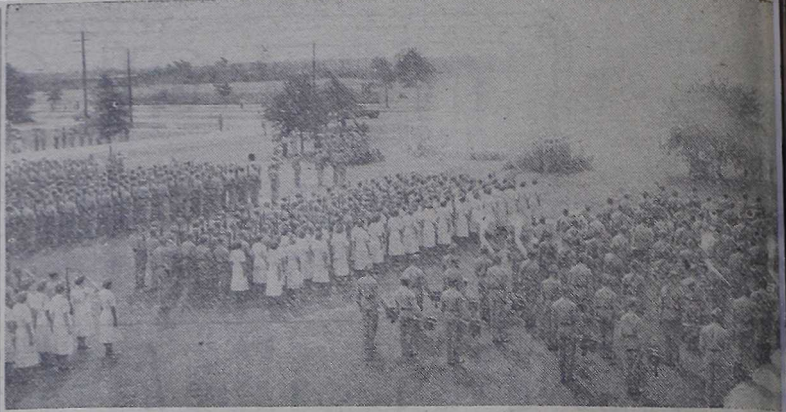

Expansion of Peterfield Point will include new officers' quarters, a post exchange, hangar, fuel storage and other units.

Also forthcoming is the proposed reproduction shop, for which the last Congress appropriated \$263,000 and which will include a photolab and an offset printing presses.

HONOR FORMATION—Over 1000 troops in formation beside Camp Lejeune's main administration building honor their departing commanding general, Maj. Gen. Ray A. Robinson, and Maj. Gen. Henry D. Linscott, new commander. Saluting battery's smoke obscures crowd.

## Command Change

(Continued From Page One)

Lieutenant just subsequent to completion of his recruit training. He served with the 13th Marine Regiment in France during World War I.

During World War II, General Robinson served as officer in charge of the Personnel Section, Division of Plans and Policies, from 1942 to 1943, and as Officer in charge, Operations and Training Section, Division of Plans and Policies, from 1943 to 1944.

He held that position until ordered overseas to the Third Marine Division as chief of staff. He became chief of staff of the Fifth Marine Division in 1944, and was named assistant division commander, Fifth Marine Division, in 1945.

Since World War II General Robinson has served as chief of staff, Fleet Marine Force, Pacific; director, Division of Plans and Policies, Headquarters Marine Corps in Washington, D. C.; and as inspector general of the Marine Corps from 1949 to 1950, when he came to Camp Lejeune as commanding general.

### Service In France

General Linscott, born September 3, 1894, entered the Marine Corps in May 1917, and served in France during World War I.

In World War II the general served as assistant chief of staff to the commander, Amphibious Force, South Pacific, from 1942 to 1943, and as assistant chief of staff to the commander, Third Amphibious Force, from 1943 to 1944.

Taking part in the Solomon Islands area battles from Guadalcanal through Bougainville and Green Islands, General Linscott was awarded the Legion of Merit Medal and a Gold Star in lieu of a second Legion of Merit Medal for outstanding services to the nation.

Since 1944, the general has served as chief of staff of the Troop Training Unit, Training Command, Amphibious Forces, Pacific Fleet; as commander of the Sixth Service Depot, the service command at Pearl Harbor; and as commanding general, Marine Garrison Forces, Pacific.

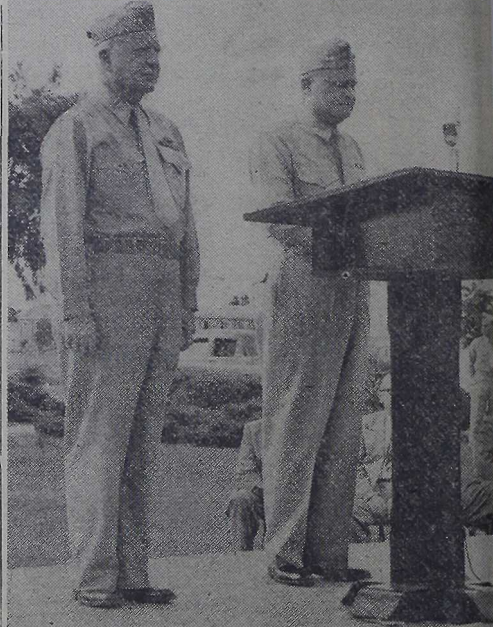

## Frauds In Travel Pay Claims Found; All Hands Warned

All hands are given strict warning against making false claims for travel allowance by camp memorandum 401-52. Investigation, reports the memo, has revealed that personnel have claimed travel allowances for their dependents when, in fact, the dependents have not performed the travel as claimed.

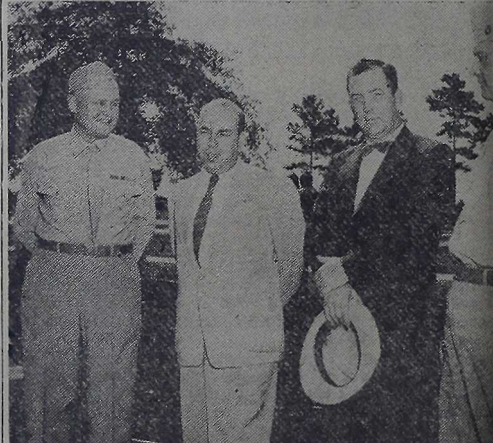

Such action, the directive states, is in violation of the U. S. Code and Regulations promulgated by the Defense Department. Fraud against the federal government is punishable by a maximum penalty of \$10,000 fine or ten years in a federal prison or both.

The memo directs anyone who believes he has been improperly reimbursed for travel of his dependents on change of station orders to report to his disbursing officer and take positive action to reimburse the government for the amount erroneously paid.

Disbursing officers will offer every assistance to individuals voluntarily offering to reimburse the U. S. Treasury for such sums. All offers of adjustments for these illegal claims may be made on the individual's pay record.

COMMAND CHANGE—Maj. Gen. Ray A. Robinson (left) over command of Camp Lejeune early Saturday morning. Maj. Gen. Henry D. Linscott (right) at ceremonies beside the main administration building (Official USMC Photo).

AREA DIGNITARIES—On hand for the change of command ceremonies last Saturday, the Honorable Herbert M. E. Mayor of Jacksonville (2d from right), and Lester Gould, of radio station WJNC, exchange greetings with Lejeune's new commanding general, Maj. Gen. Henry D. Linscott (left), and Brig. William S. Fellers, deputy camp commander (Official USMC Photo).

## Scholarship Set-Up Aim Of 1st Division

A point of major interest in the forthcoming fifth annual reunion of the First Marine Division, in Washington, D. C., tomorrow, Saturday and Sunday, at the Mayflower Hotel, will be the division's scholarship fund.

The division association has drawn up a trust agreement so as to permit donations from individuals, corporations, and Marine Corps units provided approval is first obtained from the Commandant.

The fund will aid and assist Marines, or their immediate kin, who are in need and will have a combined capital and surplus of not less than \$1,000,000.

The principal purpose of the trust fund is to establish and perpetuate a scholarship fund for the benefit of all members of the association or widows and children of those who were killed or died in action.

## Gen. Noble Named Advisor To Holland

Maj. Gen. Alfred H. Noble has been assigned as chief of Military Assistance Advisory Group, Netherlands, at the Department of Defense. He is expected to his new post by mid-August.

The general became chief of Marine Training Command, Netherlands, in 1944. At that time Marine Corps units provided approval is first obtained from the Commandant.

One of the general's former posts was as chief of the 1st Lt. Richard F. Noble, recently serving with the 1st Marine Division, Second Marine Division.

Prior to his new duty as Military Assistance Group, he worked in conjunction with the General Noble command, Marine Corps' Department of Defense, San Francisco, Calif.

### Marine Bks. Board On Misassignments Convenes Weekly

Marine Barracks personnel who believe their military or civilian experience, particularly the latter, make them better fitted for jobs other than their present assignments may appear before a board which meets weekly to assist commanding officers in proper assignment of personnel.

The board, composed of the Assistant Chief of Staff, G-1, the Camp Classification Officer, and the Camp Adjutant, convenes each Thursday at 9 a.m. in the Conference Room of Bldg. 1. Whenever a legal holiday falls on Thursday the board meets Friday.

Officers desiring to appear before the group must present their Officer Qualification Jackets, while enlisted men must have their Service Record Books.

#### Weekly Reports

Each week commanding officers are to advise Camp Headquarters prior to noon Wednesday as to the number of men who will appear the following day. Negative reports will be made.

Marine Barracks Headquarters feels that it is beneficial to assign, wherever possible, personnel to jobs best suited to their particular talents, regardless of current military occupational specialty.

"Where such assignment is not possible within the unit to which the individual is currently attached," Brig. Gen. William S. Fellers, camp deputy commander, states in a letter to Marine Barracks CO's, "transfer to a unit best able to utilize the individual in his particular leaning will be directed by this Headquarters."

#### Not "Request Mast"

The board's sole purpose, however, is to rectify obvious misassignments; it does not constitute "request masts." Qualified background, rather than dissatisfaction with present duty, must be the basis for the reassignment request.

### NROTC Tests By Navy Dec. 13

### 8th Reg't Retains Dominance Of Div. NCO Leader School

Aiding the Eighth Marines in maintaining their dominance over the Division NCO Leadership School, Cpl. Charles S. McNeill, "I" Co., 3rd Bn., nabbed first place at last week's graduation ceremonies with an average of 91.71.

Men from the Eighth Marines also copped third, sixth and tenth spots. They are: Cpl. Gerald P. Boylan, 89.48; Cpl. Frank D. Thomas, 87.83; and Cpl. Paul H. Schott, 87.60.

CPL. CHARLES S. McNEILL

Others who placed in the first ten were: second, Cpl. Robert A. Balzarini, 10th Marines, 90.82; fourth, Cpl. Donald F. Owens, 6th Marines, 89.42; fifth, Sgt. Norman Alber, 2nd Combat Service Group, 88.72; seventh, Sgt. Theodore J. King, 2nd Signal Operations Co., FT. 87.77;

Eighth, Sgt. Joseph E. Lejeune, 2nd Marines, 87.64; ninth, SSgt. Pat. D. Howe, 2nd Combat Service Group, 87.64.

Lejeune ranked above Howe because of a higher field average.

### Legion Of Merit To Motor Transport School Commander

The Legion of Merit was presented to Lt. Col. Henry W. Seeley Jr., commanding officer of Motor Transport School Co., by Col. Charles W. Shelburne, commanding officer and battalion director of Marine Corps Supply School Bn., at ceremonies held at Montford Point Friday.

The medal was awarded by Maj. Gen. G. C. Thomas, now assistant commandant and former First Division commander, to Colonel Seeley, for "exceptional meritorious conduct against the enemy in Korea from November 1950 to May 1951."

Colonel Seeley, according to the citation, was directly responsible for the movement of 1800 truckloads of personnel and equipment from Pohong-dong to Wonju, a distance of 220 miles, over tortuous mountain roads infested with enemy guerrillas.

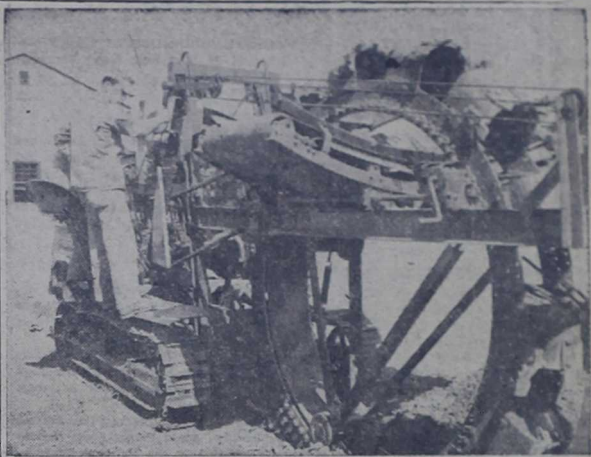

At the withdrawal from the Howochon Reservoir area, he directed approximately 2500 truckloads of personnel and supplies 35 miles to the rear in record time over roads made slippery and dangerous by heavy rains.

### Marine Corps Inst. Sets Welding, Auto Mechanics Courses

Two new courses of interest to mechanically inclined Marines have just been completed by the Marine Corps Institute. They are, "Fundamentals of Automotive Mechanics" and "Basic Welding."

The automotive mechanics course, which includes 15 lessons, is a complete study of the automobile. Lessons on the engine, the fuel, lubrication, cooling and electrical systems, the clutch, transmission, and brakes, are supplemented by complete descriptions and illustrations.

"Basic Welding" containing 12 lessons, plus the review and final examination, gives complete explanations of oxyacetylene processes in the majority of uses, plus basic arc welding principles. The weldability of various metals is explained in a manner to give the student an understanding of the various techniques used.

WHEEL OF FORTUNE—Pfc Christopher Cordone, "A" Co., 8th Engineer Bn., Force Troops, guides the multi-mouthed bite of his ditch-digging machine at Camp Allen, Va. The Force Troops engineers are performing a half-million dollar job of face-lifting at the reservist camp. (Official USMC Photo).

### Policy Outlined For Premium Payments By Waiver Holders

Holder of permanent plan national service life insurance and U. S. Government life insurance policies, who have applied for waivers of pure insurance cost, will have to continue their full premium allotments.

According to the June 30 "Navy Department Bulletin," it would be impracticable to reduce present pure insurance cost, which would vary each month.

#### Forms In Fieldhouse

This would necessitate constant changes in the amount of the allotment. Therefore, full premiums will be collected and refunds made with interest of the pure insurance cost to waiver holders. Application forms for refund are available in the Camp Education Office, Fieldhouse.

Requests for refunds should not be made more than once a year while the waiver is in effect. Policy holders also may leave their refunds on deposit with the Veterans Administration to accumulate interest during time in service.

This will be done automatically if there is no request for refund in cash. The VA will pay three percent interest on national service life insurance refunds and three and one-half percent on U. S. Government life insurance refunds.

If the waiver is terminated for any reason, the refund for the waiver period will be made automatically by the VA as soon as it is administratively feasible.

The exact amount waived depends on many factors, such as age at issue, number of years in force, plan of insurance, and amount of insurance.

### Board To Consider EAD For Officers

A continuing board has been convened at Headquarters Marine Corps to consider applications from reserve ground officers for extended active duty with the regular Marine Corps.

Applicants will serve for 18, 24, or 36 months, if found physically qualified, and will be authorized 25 days' delay before reporting to their first duty station. Applications should be forwarded to the Commandant of the Marine Corps (Code AF) via the appropriate Reserve District.

### 8th Engineers Nailing Down At Camp Allen

Marines of Able Company, 8th Engineer Battalion, Force Troops, have begun work on a \$500,000 dollar expansion and rehabilitation program which will see the erection of seven Butler-type prefabricated buildings at Camp Allen, Norfolk, Va.

Using their own "government issue" muscles, the 170-man crew of Able Company transported much of their heavy equipment from Camp Geiger to Norfolk and borrowed the rest—cranes, tractors, and a mechanical ditch-digger—from the Marine Forwarding Depot there.

#### Things To Come

Specializing in construction instead of destruction, the engineers will leave the camp area with a new recreation center, motor transport and post exchange facilities, and extensive storage warehouses.

Used as a POW camp during part of World War II, Camp Allen now includes the Marine Retraining Command, the Naval Base brig, and headquarters for a Marine reserve outfit.

Spokesmen for Lt. Gen. Graves B. Erskine, commanding general, Fleet Marine Force, Atlantic, indicated that the camp will house an expected influx of 900 officers and men and, eventually, the headquarters personnel already at Norfolk. Camp Allen is located in the southeast quarter of the Naval Base's south annex.

The economy-minded Able Company Marines will handle all of the building construction and will install plumbing and electrical fixtures in the seven buildings.

### Pres. Truman Signs Vet Preference Law

The bill extending veterans' preference benefits for federal employment to persons who enter service between April 28, 1951, and July 2, 1955, has been signed into law by the President.

The new act grants five-point preference for government jobs to non-disabled veterans, and ten-point preference to veterans disabled as a result of military service.

Included in the law is a ten-point grant to certain widows and mothers of men who died while on active duty or as a result of service-connected injury or illness.

## Sightless Mother, Dad 'See' Son's Silver Star Citation

DALLAS, Texas—Like most parents, Mr. and Mrs. J. T. Dunaway of Dallas were extremely proud when their Reserve Marine son received the Silver Star citation, but unlike other parents they couldn't read it—Mr. and Mrs. Dunaway are blind.

Shortly after learning of the blind parents' plight, Marine recruiters in Dallas hit upon a solution. With the aid of the Light-house for the Blind they had the citation put into Braille.

### "Read" Citation

In a ceremony in the Dunaway's modest home, Col. Albert F. Metzger, officer in charge of the Southern Recruiting Area presented the three-page Braille citation to the parents. Eighteen seeing and sightless friends and relatives of the Dunaways witnessed the presentation, the first of its kind.

Said Mrs. Dunaway, "Now we don't have to be content to just tell our friends that our Bill received a medal, we can 'read' them the citation."

"Bill," former Marine Reserve SSgt. William G. Dunaway, won the award for rescuing two wounded comrades under heavy enemy fire while serving with the First Marine Division in Korea.

Now a member of the El Paso police force, Bill's only comment about receiving the Silver Star Medal was that he was "just doing his duty." He was not present when his parents received the Braille citation.

LIGHT IN DARKNESS—Mr. and Mrs. J. T. Dunaway of Dallas, Texas, blind parents of a former Reserve Marine, "read" of their son's gallantry in action in Korea which won him the Silver Star Medal with citation, Col. Albert F. Metzger, officer in charge of the Southern Recruiting Area, presents the sightless couple with a Braille copy of the citation given former SSgt. William G. Dunaway (Official USMC Photo).

## Name Committees For Boat House, Paradise Golf Club

The following committees have been named at Wallace Creek Boat House and Paradise Point Golf Club, according to Modification 1 to Camp Bulletin 48-52:

Wallace Creek Boat House committee: Lt. Col. C. A. Boyd, chairman; Cmdr. W. Patterson, assistant chairman; sailing subcommittee: Major G. Schmidt, Lt. (USN) J. R. Foote, Capt. W. F. Russel.

Hunting and fishing subcommittee: Maj. Lloyd O. Williams, Lt. (jg) Joseph Natterson, CWO E. J. Sinclair; maintenance subcommittee: Maj. J. H. Rhinehart, Lt. (jg) Milton Dantels, TSgt. Robert R. Serpa.

Paradise Point Golf Club committee: Lt. Col. Alvis H. Allen, Maj. John V. Huff, Maj. Thomas W. Hyland, Maj. Arthur L. Sherrbondy, Maj. Raymond C. Scussel, CWO (USN) Woodrow D. Windham, MSgt. Sydney E. Drake, MSgt. Hansel Ray, MSgt. Gerald C. Peters, MSgt. James H. Reddock, SSgt. Joseph A. Moore, Sgt. William W. Rambo, Sgt. Robert H. Lawson Jr., and DT3 Alston L. Wilson.

## Traffic Violators.....

- EXPIRED—Cpl. Paul F. Harrison, 1st Lt. Edwin J. Dennis, Mrs. Madeline Perkins, Pfc. Scott L. Swanson, Pfc. Walter J. Miller, Pfc. Robert T. Swartzkopf, Sgt. Gardner W. Oshroff, Pfc. Elmer Blaine, Pfc. Charles A. Arvola, Cpl. John R. Haddock, Pfc. W. E. Bagshaw, Cpl. Charles L. Tava, Pfc. Stanley McLeod, Pfc. Alvin Pinal, Pfc. Dwight Smith, Pfc. O. F. Anderson, Pfc. Louis M. Smith, Pfc. O. F. Anderson, Pfc. Paul I. McNamara, Pfc. Robert McAlister, Pfc. Julius Loftin, India M. Gurganus, Cpl. Joseph K. Kinney, Cpl. Walter R. McNaughton.
- NO BASE PERMIT—Sgt. Alvin A. Anderson, Sgt. Julius Laurent Jr., Cpl. John F. Moran, Pfc. Jerry F. Kaufman.
- RUNNING STOP SIGN—Pfc. Emanuel P. Meyer, Sgts. Vernon L. Karkley, Cpl. Donald K. Kirsh.
- EXPIRED STICKER—Cpl. A. E. Schwab, Pfc. Chester E. Nagorski, Pfc. Lawrence Jack Smith, HMM Donald R. Bowden, Pfc. Samuel S. Huston, Cpl. George L. Rife.
- FAILURE TO GIVE WRITTEN PERMISSION—Pfc. William H. Marshall, Cpl. John H. Shipper, Sgt. Frank S. Burke, Cpl. John F. Hall.
- DEFECTIVE EQUIPMENT—Pfc. Harold S. Donavani, Cpl. George H. Peterson, Cpl. Marvin S. Weiss, Pfc. Joseph Worth.
- NO BASE REGISTRATION—Cpl. Alfred Lee, Cpl. Walter McNaughton.
- FAILURE TO STOP AT INTERSECTION—Cpl. Joseph E. Wimsatt, Pfc. John H. Moore, Pfc. Owen L. Carpenter.
- NO WRITTEN PERMISSION—Cpl. Robert L. Spindie, Pfc. Horace Jones.
- ILLEGAL PARKING—70.
- ILLEGAL MUFFLERS—3.

NO LEFT TURN LEFT—Marine and state official moved the left turn-off into Midway Park between the Northeast Creek bridge, part of a long-range traffic and control program. The turn-off was closed because of a hazardous location on the crest of a hill, and also to stop flow of incoming traffic. Two MP's, Pfc's James M. Dillard J. Crabtree wave motorists past the new traffic (Official USMC Photo).

## 2d Signal's Farral Tops In Radio Class With 98 Average

High scoring graduate of the Division Communication School's ninth field radio class was Pfc. Lawrence W. Farral, Hq. Co., 2nd Signal Bn., who earned the top spot with an average of 98.

Graduation ceremonies were held in the Camp Theater Friday.

Brig. Gen. Robert E. Hogaboom, assistant division commander, in addressing the 84-man class, said,

Pfc. Lawrence W. Farral

"We've got to get messages and orders to the troops. That is why it is so vital to know the job that you have been trained to do."

Pfc. Lyman A. Quarterman Jr., Hq. Co., 2nd Motor Transport Bn., and Pfc. Carleton H. Steins, Hq. Co., 2nd Signal Bn., gained second and third place with average marks of 97 and 96, respectively.

## Chaplain's Corner WITHOUT WAX

It seems that men from the beginning of time have taken short cuts with the truth for what seemed to them personal advantage. Centuries ago the practice became prevalent among many furniture makers, who were more interested in profits than integrity, to fill flaws in their product with wax.

When the wax cooled and hardened, it was painted or varnished over and thus the flaw was not detected. That is, it could not be detected until the article was put in a warm place! This corrupt practice presented a problem, not only for the consumer, but also for the honest furniture maker.

So to protect himself he began to stamp flawless furniture "sine cere," meaning "without wax." The meaning of course was that the article was without flaws; that it was exactly as he advertised it to be.

From this we get our English word "sincere." The meaning is still the same. One who is sincere is one who is exactly as he advertises himself to be; one who is the same on the inside as on the outside. Surely one of the greatest needs of our society today is more sincerity—more people who are "without wax." —Chaplain E. W. Glass, Lt. (jg), CHC, USN, 2nd Service Bn.

## Traffic Program Aims Cutting Camp's Auto Snarl

Registration of more than 14,000 privately owned cars and 4000 military vehicles has created mounting traffic regulation and control problems here which are being met by a long-range traffic control program of the Camp Provost Marshal's Office.

One of the most pressing problems now on the improvement docket is additional "working-hour" parking areas. A parking survey currently is being conducted under the direction of Lt. Col. Frank H. Vogel, Jr., Camp Provost Marshal and Fire Marshal, to enlarge day-time parking zones in congested administrative areas.

### Getting The Gate

One major traffic improvement made recently has been the speed-up of in-and-out bound traffic at the camp's Main Gate, Hadnot Point, at the beginning and end of the working day.

With the growing concentration of Marine housing on Highway 24 at Midway Park, Tarawa Terrace, New River Housing Project, and Camp Knox Trailer Park, the majority of base traffic now enters and leaves through the Main Gate.

To meet the tremendous daily flow of traffic, Highway 24 has been widened by the state to a four-lane highway at the Tarawa Terrace and Midway Park areas. Traffic islands have been constructed to allow branch traffic entering and leaving the housing areas to join the main flow of traffic on Highway 24 without slowing down the general movement of cars.

### Midway Island

The traffic island at the northern

entrance to Midway Northeast Creek has been widened and a median strip has been placed to prevent south-bound traffic from making a left turn into the area. The site of the way turn-off presents a traffic hazard, as the location on the crest also reduced the flow of traffic to the base.

Another traffic hazard being eliminated is the intersection of Highway 17 to Camp Geiger. The narrow lane road in front of Geiger entrance, makes turning into the camp dangerous.

By request of the Marine's Office and for the future, more traffic violations are being reported weekly. Most of the violations are for illegal parking.

The Provost Marshal's Office reminds Marine drivers abide by the laws.

**FAREWELL**—Maj. Gen. Ray A. Robinson bids farewell to members of his staff and invited officers from Camp Lejeune at a banquet in his honor at the River Room of the Officers Club. Seated at the banquet table (l to r) are: Brig. Gen. Gregon A. Williams, Mrs. Edwin A. Pollock, Maj. Gen. Henry D. Linscott, Mrs. Ray A. Robinson, Brig. Gen. William S. Fellers, Mrs. Henry D. Linscott, Maj. Gen. Ray A. Robinson, Mrs. William S. Fellers, and Maj. Gen. Edwin A. Pollock. (Official USMC Photo).

**GOOD TIME**—As a safety precaution, Cpl. Stanley Perry Point crewman from the Marine R40, "Packet," found, shows Pvt. Pat Larsen how to pull the rip-cord out. Private Larsen is with Chicago's Woman Marine Platoon which was airlifted home last Saturday after summer training here. (Official USMC Photo).

# WM Maneuvers

By SGT. IRMA F. WALLACE

This week sees the Detroit Reserves aboard for two weeks' training. The platoon is under the command of Capt. Katherine Snyder from the 1 & I office in Detroit. Captain Snyder was formerly the Woman Marine Company Commander at San Diego.

SSgt. Kathleen Foley and Sgt. Nancy Stock are here from the I & I office with the Reserves.

**Pretty Platoon**  
 Members of the platoon are Sgt. Violet Evanovich, Cpl. O. K. Hoover, Pvt. Virginia Dombrowski, Pvt. Joan Gerhardt, Pvt. Janice C. Beetham, Pvt. Marie L. Stack, Pvt. M. E. Michael and Pvt. Barbara Kent.

**Gorgeous Guard**  
 We have four girls from the West Coast here for NCO Supply School. Sgt. Helen A. Levan is here from San Diego. She formerly was stationed at Camp Lejeune during 1943 and 1944 and then transferred to Philadelphia. During her tour of duty here she was in Guard Company.

She returned to active duty in January 1952 as a reserve and in July shipped into the regulars for three years. Since January she has been working in post clothing and recruit army.

**From Frisco**  
 Sgt. Phyllis M. Hanson and Sgt. Diane King are here from San Francisco where they have both been in electronic supply section. Sergeant Hanson was in location work and Sergeant King was in stock records.

The fourth one here for school is Sgt. Terry A. Philip from Camp Pendleton, where she has been stationed two years following basic supply school here at Camp Lejeune.

# Farewell Cocktail Party, Banquet Fete General Robinson

A farewell cocktail party and banquet was given for Maj. Gen. and Mrs. Ray A. Robinson last Friday at the Paradise Point Officers Club by the general staff and officers of Marine Barracks.  
 Over 300 Marine Barracks officers and wives attended the two-hour cocktail party. The guests were greeted by Maj. Gen. Robinson, Brig. Gen. William S. Fellers, Col. John M. Davis, and their wives.  
 A large buffet table with a wide assortment of hors d'oeuvres adorned one end of the large Paradise Room.

Among some of the distinguished guests attending the farewell party were Maj. Gen. Henry D. Linscott, Maj. Gen. Edwin A. Pollock, Brig. Gen. Gregon A. Williams, and Brig. Gen. Robert A. Hogaboom.  
 Following the cocktail party General and Mrs. Robinson were given a banquet by the general's staff and close friends at the River Room of the Officers Club.  
 Following the dinner of prime roast beef, fresh green peas, potatoes au gratin, sliced tomato salad, and peach ice cream pie, General Robinson made a farewell talk to his staff and friends that brought

the 80 dinner guests to their feet. Introduced by Brig. Gen. William S. Fellers, Deputy Camp Commander, who praised General Robinson as being "every-type of specialist, a great leader and a great man," General Robinson started his talk by saying, "Normally people don't say the nice things they said to us tonight until we are dead."

The General added, "I didn't do the job, merely had enough sense not to stop you from doing it."  
 He concluded his short, sincerely-worded speech by saying, "It is a real heartbreak in leaving you people . . . I can't say any more, but just thank you."

Mrs. Robinson was presented with a silver service by the general's staff, which will be engraved with the names of all the staff members.  
 Before the banquet ended General Linscott spoke to the staff saying, "A fellow who succeeds a man who has done such an outstanding job has an exceedingly difficult task." He expressed his hopes that the staff would continue to do the excellent job it has done in the past.

# Happy Birthday!

A surprise birthday party was held Monday evening in the cocktail lounge for MSgt. Bruce S. McAllister, treasurer-manager of the club. Many gifts were received and "Mac" was given quite an ovation when he cut the mammoth cake.

All in all it was a tremendous success, and "Mac" wishes to thank his many friends for their efforts in his behalf.

# I Apologize

Due to a misunderstanding in telephone conversation, your reporter erroneously stated in last week's column that children would be allowed in the club after 8 p.m. on Wednesday nights. Parents will be sure to understand that regulations prohibit children from being in the club after bedtime. Their time will come soon enough, and besides it lets Mom and Dad out for an evening alone.

The fight pictures are still a Wednesday night treat. Many favorable comments have been received and many outstanding bouts have been shown in the air-conditioned comfort of the Mirror Room. Make every Wednesday night a "must" on your visits to your club.

# Clean Sweep

The Division made a clean sweep of the elections held last Thursday. MSgt. "Gerry" Golden was reelected as president by a considerable margin, while MSgt. "Bap" Hapenny swept the vice-presidency in a veritable landslide. Congrats to both.

**WOMEN'S LADIES**—Present at the going-away ceremony for Maj. Gen. Ray A. Robinson last week. From left to right: Mrs. Edwin A. Pollock, Mrs. Robert E. Hogaboom, Mrs. Henry D. Linscott, her mother-in-law, and Mrs. William S. Fellers said good-bye to General and Mrs. Robinson. The general is commander of the Marine Department of the Pacific. (Official USMC Photo).

### Service, AW Reach Finals In Intramurals

A ten-inning battle and an easy win put Second Service Bn. and the Automatic Weapons nine into the finals of the winner's bracket in the camp intramural championship playoffs.

Service Bn., after losing a one-run lead in the seventh, finally edged out the Second Combat Service Group, 7-6.

Bill Brooks shut out the Second Engineers in the afternoon game, 7-0.

#### Bonnano Peeled

In the tenth inning, Second Service Bn. got to relief pitcher Al Bonnanno, and only a double play kept them from further scoring. Don Lawson walked, and went to third as the third baseman's throw on Charles Brook's grounder pulled the first baseman off the bag, putting two men on.

A single by Cliff Clifford scored the eventual winning tally, Brooks going to third. Ismael Mercado forced Brooks at home, but advanced Clifford to third. Mercado swiped second, putting two runners in scoring position.

The next batter, relief pitcher Harry White, attempting to squeeze Clifford home, popped to the pitcher, and Clifford was doubled by at third.

White set down the Combat Service Group in order in the bottom of the tenth.

#### See-Saw

The lead changed hands several times during the game, and Service Bn. went into the last inning with a one-run bulge.

After White retired the first two batters, Rick Harris kept the Group's hopes alive with a double. He went to third on the first baseman's error and scored on Mike Flynn's single.

From the seventh until the tenth, neither team threatened, both pitchers holding sway.

In the first game, the pitching of Bill Brooks was too much for the Second Engineers. The Automatic Weapons chucker allowed only two hits, and was never in trouble.

#### Weapons' Support

The Weapons batters backed his hurling with an eight-hit barrage.

The Automatic Weapons nine scored twice in the first, but bunched four of their runs in the sixth to take a commanding lead.

A walk, a pair of singles, a double by Doc Long and another single accounted for the scores.

A single tally in the seventh completed the scoring.

Last night two more games were played on Varsity Field and two games are scheduled for today. The first starts at 2:30 p.m. and the second commences at 8 p.m.

### Skelton Hurls CSG Nine To Softball Top

Pitching with a strong heart as well as a strong arm, Arlie Skelton, Combat Service Group's rocket-throwing right-hander in the Force Troops Softball League, ushered his team to the FT softball championship last week, hurling all four of the Trojans playoff victories.

Combat Service Group, Automatic Weapons, 8th Tanks, and VMO-1, the four top teams in the league, competed in the playoffs for the FT softball title.

Combat Service, with Skelton twirling, stopped VMO-1, 3-1, to stifle the Flyers' championship hopes and A/W did likewise to 4th Tanks by blanking the Tankmen, 1-0.

The latter game, one of the season's outstanding, was a tight pitcher's duel between Foster of A/W and Hewitt of Tanks, each yielding but two hits. However A/W's came together when "Kayo" Class doubled and manager Bill Erik drove him home with a single in the fourth inning.

#### Skelton In Closet

The best-two-out-of-three finals series opened Thursday on the Camp Geiger field with Arlie Skelton starting the Trojans off right by setting down the Weaponsmen, 3-0, on six hits, three of which came off the bat of A/W shortstop Secare. Foster took the pitcher's defeat.

In Friday morning's game, Arlie again took the mound but, temporarily (Continued On Page Seven)

### GALLOPING GUARD

## CARL PLANTHOLT

PLANTHOLT, A GRADUATE OF EASTERN KENTUCKY COLLEGE AND MEMBER OF LAST YEAR'S HARD-HITTING LEJEUNE TEAM, WILL DEFEND HIS GUARD POSITION AGAINST 53 CANDIDATES

### 209 Grid Hopefuls Heavy In Weight -Lack Experience

"Heavy in weight but light on experience" was Maj. Joe Donahoe's first observation after the head football coach watched 209 candidates go through their paces for the first time last Monday.

The huge turnout followed a week of preliminary work by the quarterbacks, and gives Donahoe an opportunity to look over new material before the returning lettermen and the veterans of spring practice report on August 18. Fifty-four more players are expected to come out with the second group.

The biggest turnout was among guard candidates, 53 men trying out for the line posts. End candidates were second, 48 vying for the flanker jobs. Third on the list were 40 halfback candidates, followed by 25 tackles. Twenty fullbacks, 15 centers and eight quarterbacks completed the total.

After a week of drills the roster of the quarterbacks already has been cut, accounting for the lack of candidates for the backfield position.

The first day's practice was conducted in shorts. The candidates were split into groups under line coach George Knezevich, tackle coach Harry Henson, backfield coach Bill Russell, and Donahoe. Tuesday's practice followed Monday's pattern, but on Wednesday the players donned pads and helmets and began tackling and blocking practice.

Monday's huge turnout was viewed with encouragement by Donahoe and his staff. Their main worry at the moment is the fact that some of the candidates may become discouraged by the quantity of material and will quit.

### Softball Elimination Tourney For Camp Championship Set

Running concurrently with the camp intramural baseball playoffs, the camp intramural softball playoffs started yesterday afternoon.

The softball tournament is being run off on a double elimination tournament among three teams, representing Force Troops, the Second Division and Marine Barracks.

A playoff between the U. S. Naval Hospital team and the H&S Bn. team decided the Marine Barracks entry, which played the first game yesterday against the Second Combat Service Group, representing Force Troops. The winner of yesterday's game will play the 2nd Ordinance Bn., Second Division, today.

The final playoffs will be played next Monday and Tuesday.

All games are being played on number eight diamond in the Fourth Area. The field is located at the foot of "L" street and River Road.

### VILLANOVA STAR HERE

Backfield coach Bill Russell won both boxing and basketball honors at Villanova, but injuries halted a promising football career.

### 2 Knockouts 4 TKO's In FT Smoker

Solid punching which produced four technical knockouts and two KO's, all consecutive, kept the third and largest Force Troops Boxing Smoker to date a lively one last week at the Camp Geiger Outdoor Arena. The ten-bout card was a reversal of the second smoker two weeks previous, when power took a back seat to class.

David Murray, 126 pounds, 8th Motor Transport, and Gene Ruiz, 122 pounds, 2d 90 AAA, hooked up in the opener with the nod going to Murray by split decision.

#### Jabbing Joy

Two winners of the second smoker, Lewis Fernandez, 126½, 2d 90 AAA, and Roland Lagueux, 130, 8th Tank Bn., were matched in the second bout. Fernandez left-jabbed his way to a unanimous decision over the little Tankman, who had made such a hit with the Force Troops fans in his earlier performance.

The knockout epidemic began when Willie Moses, 137, 8th Motor Transport, kayoed Joseph Lee, 131, Aggressor Company, in the third clash of the evening and lasted through the eighth bout.

It was a bad night for Aggressor Company, as its other representative, Juan Matthews, 174, lost by TKO in 1:35 of the first round to Cleveland Thomas, 169, Automatic Weapons.

#### Raising Kane

Ray Kane, 143, ANGLICO, had too much punch for George Warner, 144, 8th Motor, and at the end of the second round it was a TKO finish for the Motorman.

Rushing from his corner fast but also stopped fast by Sam Dietrick, 166, 8th Tank Bn., was Tommy Rossi, 169½, 2d Combat Service Group. Dietrick won by TKO at 1:35 of the first round.

Chester Jason, 152, 2d Service Bn., opened a cut over the eye of Oscar Jennings, Automatic Weapons, and the bout was stopped at 1:50 of the first round, a TKO win for Jason.

#### Quick Time

The quickest bout of the evening was a 35-second affair when Edward Morris, 151, 8th Motor, made quick work of John Overdorf, 146, Floating Bridge.

Dean Pendleton, 160, Automatic Weapons, was awarded a unanimous decision over Robert "Red" Barron, 159, Combat Service Group.

In the tenth match two heavy-weight smoker vets slugged it out. Fabian Patrick, 184, ANGLICO, had dropped a decision in the second smoker while his opponent, Warren Stubbs, 184, Amtrac, was a knockout winner in the first. But this was Patrick's night as he won by unanimous decision.

The next Force Troops Boxing Smoker was announced for Wednesday, August 13.

### MARINE FIRST

The first shot by the United States in the first World War was said to have been fired by a Marine rifleman across the bow of a German cutter in the harbor of Guam on April 6, 1917.

### Lejeune Garners In Semi-Pro Tour

### First Diamond Tilt To CSG, Engineers

Despite last-inning threats by the opposition, the Second Combat Service Group and the Second Engineers copped victories on opening night Monday to move into the winners' bracket of the camp intramural baseball tournament.

The Second Engineers beat back a determined Engineer School threat in the top of the seventh to hang on to a 3-2 win, and the Combat Service Group made an early lead stand up to beat the Supply School, 8-4, in the first game.

#### Inspiration

The Second Engineer's Bill Rolyea pitched shutout ball until he ran into trouble in the top of the seventh, when the Courthouse Bay Engineers made an inspired bid. With one away, Ed Newman walked and, after Rolyea forced the next batter to pop to third for the second out, pitcher Ron Williams singled.

Newman went to third on the hit, and Williams to second on the throw-in. Bobby Gault lined a single to left, Newman scoring, Williams going to third, and Gault whizzing to second on the throw.

With Rolyea firing, the Second Engineers sent in a relief hurler who walked two men, forcing in a run. In desperation the Division team sent a third hurler to the mound. He fell behind the batter, but a snap throw by catcher George Wolfe caught Gault off base, ending the inning and the game.

#### Engineers Score

One run in the fifth and two in the sixth accounted for the Second Engineer scoring. In the fifth, the second baseman's error, a walk, a sacrifice and a wild pitch accounted for one.

In the sixth, with two away, Red Ransom singled, Herb Hoover walked and Ham Hammond tripled for two runs.

Supply School, hit hard by the transfer of the main part of their team, was downed by the all-around play of the Second Combat Service Group, 8-4.

The Second Combat Service men put together a five-run inning in the third which buried the Montford Point team. Supply pitcher Frank Davies struck out the first batter, but pitcher Al Bonnanno singled and Primo Ruffo's sacrifice sent him to second.

Tom Perez's single scored Bannano, and then a streak of errors led to the other four runs. Joe DeLuca reached first on the second baseman's error, went to second as Tom Grant walked, to third on a wild pitch, and home on the catcher's error.

#### Pick-Off Misfires

Grant came in when the pitcher threw to first trying to catch Rick Harris, who had singled, the ball sailing into the stands. Joe Gigerella, who got on by a fielder's choice came around to complete the scoring.

arrive at the squad of some 40 men that will eventually up Lejeune on the gridiron this fall, the coaching staff of over 300 applicants. Endous interest in football here should make, in the words Donahoe, for some "excellent intramural leagues."

### Publicity Man

of some candidates to make the team leads to exaggerated, like one player who was being interviewed by one of the candidate told of having played freshman ball at a university but seemed to have difficulty remembering the teammates, the coaches, and the opponents in 1949. The candidate couldn't know, of course, was that the s talking to, had been the freshman line coach at the that year.

### Major Issue

of the varsity gridders is Joe Donahoe, starting his head coach. In his first season at Lejeune he won six, ed one, including two bowl games. r tackle on Navy's powerhouses, he also played for the ombers and Quantic. A year as line coach at Quantic ahoe for his top spot. A confirmed believer that the is a strong offense, he will produce a fast, aggressive

### Something New

tion to the coaching staff is tackle mentor Harry Hen- football career spans a decade and a half, with time out ps duty. He finished his high school career in 1939, then on football for six years. the well-weighted coach donned gear again to play f tackle at the University of Arizona. A year of line is alma mater followed.

### No Old Soldier

ing a so-so record during the regular baseball season, the efuses to die and won't fade away. the fact that the pitching depth was at an all-time low st Fort Jackson. So desperate was the situation that Sweeney had to go to the hill for an inning of relief. t right, allowing no runs. spired by his hill performance, Sweeney now takes his out to third base as Lejeune keeps in the thick of Carolina Semi-Pro Tournament.

### Good Enough

With the confident-looking Brooks hurling five-hit shutout ball over the seven-inning route, the Weaponsmen scored the only run they needed in the first inning when Frank Hamlin, playing first base for A/W, smashed a long home run to deep center field.

### Catching Up

Meanwhile, Combat caught up with LeAndro's slow stuff in the fourth to score three runs on three singles, a walk and two A/W errors. The first error came on Gingerella's single to center which got by Brown, the centerfielder, two runs scoring. Then Harris singled to right and rightfielder Padilla made a two-base error, Gingerella coming across.

### Pressure's On

The Combat chucker seemed to tighten up as he walked leadoff man Long. Padilla then singled, advancing Long to third, from where he later scored on a passed ball. Brown walked and Fodroci was safe on a beautifully executed bunt.

### Melancholy Babies

These big sulkey babies make a stubborn and lasting fight when hooked. The bite of a hook make them shed their apparent indolence, and the smoldering power of their big forms will treat any light-bulb angler to all the action ever demanded from a fish. These fish, too, are good strategists.

### Master Plan

Anyhow, some mastermind has developed what he deems a fish's view point and spends hours designing weird, but well barbed devices. Usually they catch the angler's fancy far faster than the fish. The multi-million dollar fishing tackle industry attests that all the fish aren't swimming around in the water.

### To Spot Cast

To spot cast along a shore, dropping your lure by submerged logs, jetties, and the like, is no occupation for the beginner. Without good control a lot of expensive tackle will be lost in hopeless snarls.

## CSG Trojans Need Horse As A-Wpns. Sweep FT Playoff

By SGT. RAY DOHERTY  
Force Troops Sports Writer

Good pitching, timely hitting and an all-around brand of steady ball enabled Automatic Weapons to sweep two straight from Combat Service Group in the finals of the Force Troops baseball playoffs, and win the right to don the F.T. baseball crown. The Weaponsmen won by scores of 2-0 and 4-3.

The best-two-out-of-three playoff opened July 29 on Combat's home field. Little Joe McCallister, the fireballing righthander who had beat A/W, 4-1, the previous Friday for the second half championship in the league, was on the hill for Combat. His Weapons' opponent was big Bill Brooks, likewise a righthanded speedballer.

With the confident-looking Brooks hurling five-hit shutout ball over the seven-inning route, the Weaponsmen scored the only run they needed in the first inning when Frank Hamlin, playing first base for A/W, smashed a long home run to deep center field.

Next day the two teams moved out to the Camp Geiger field, where Automatic Weapons overcame a 3-1 Combat lead in the last inning to win the championship. The opposing moundsmen were righthander Dick LeAndro for the home club and then Puer Rican southpaw Alejandro Bonnano-Ramirez for the visiting Trojans.

Automatic Weapons opened the scoring in the first, when Pete Ney doubled home Frank Hamlin who had walked. But from then until the disastrous seventh, "The Banana" settled down to pitching one-hit ball.

That wound up the CSG scoring, but the two-run lead looked big with Bonnano apparently in command. However, in the seventh he lost the upper hand as A/W staged a great rally to clinch the game and the title.

With the sacks jammed and none out, McCallister came on to relieve and executed perhaps one of the greatest plays of the season, when he fell down to recover a Carleton squeeze bunt and, while still on the ground, made a force-out throw to the plate. He then walked Hamlin to tie the score and Brooks followed with a towering clout to deep centerfield which Tom Perez managed to get under, only to drop the ball, the winning run scoring.

That was the game and Automatic Weapons walked from the field the newly crowned Force Troops baseball king.

## Marine Hill Star Greason In Texas League Via 'Globe'

William Henry Greason, who spearheaded the Camp Lejeune pitching staff until his release last month, signed a contract with the Oklahoma City Indians of the Texas League last week, becoming the second colored player ever to compete in the loop.

In his first start, before the largest crowd of the season, Greason hurled his new club into third place by beating Shreveport, 6-4. Greason needed help in the ninth, but over eight and one-third innings he spread ten hits, while fanning seven.

Greason's signing stemmed from a column written by the GLOBE's sports editor, Sgt. Steve Gerstel, at the time of Greason's release. James Aliffi, sergeant major of the Eighth Rifle Company, Marine Corps Reserve, in Oklahoma City, saw the GLOBE article, and showed it to the Indians' business manager, Bob Reynolds, and the president-owner, Johnny Humphries.

Humphries, after looking over Greason's record at Lejeune, asked Aliffi to call Greason and a try-out was arranged. The Indians, in need of more pitching strength for their fight to stay in the first division, signed Greason to a contract.

Even though the major leagues, and many minor leagues had broken the color line, Dallas was the first to sign a colored player in the Texas League when it inked an infielder at the beginning of the season. The infielder was later released, but Dave Hoskins hooked up with Dallas, and is one of the standout chuckers in the loop.

At 26, Greason has finally hitched on in organized baseball after five seasons of playing in Negro leagues and in loops in Latin America.

### Mexican Days

The five-foot, 180-pound righty

**BILL GREASON**

started with Nashville in 1947 and had a 12-4 record. From 1948 to 1950 he played for the Birmingham Black Barons, and followed with a 10-1 season at Guadalajara, Mexico, in 1950.

At Camp Lejeune Greason took his place alongside Bob Grim to form the one-two pitching punch and completed an excellent record. A good hitter as well as a chucker, Greason was the Lejeune workhorse. Among his losses were heart-breakers to Quantic, 1-0, in 13 innings, and another 1-0 loss to Port Lee.

His baseball career was interrupted for the first time in 1941 when he joined the Marines. He saw action at Iwo Jima and occupation duty in Japan.

At the time of his release, a number of scouts were after him, including emissaries from the Brooklyn Dodgers and St. Louis Browns organizations.

## Skelton Hurls

(Continued From Page Six)

arily at least, he had lost his pitching mastery as Automatic Weapons caught on to him in the third inning, scoring four runs, and finally drove him from the box in the fourth.

The Weaponsmen, with their pitcher, Noel, allowing but three hits, had little trouble in winning, 12-3, and evening the series. Exemplifying courage and comeback spirit Arlie strode to the hill again in the afternoon and this time he stayed, spinning a three hit, 3-1, championship-clinching victory.

In the fourth inning two bases on balls and an A/W error gave the Trojans their first run. Then Noye produced a timely two-run single, bringing Combat's total to three—enough for the victory.

LITTLE PEOPLE — Pleasant surprise for members of H&S Bn., Marine Barracks, at their party at Marston Pavilion Monday night was Oscar and his puppets, members of Bonnie Baker's troupe. (Official USMC Photo).

### H&S Ball Bounces At Barracks Brigade 'Bonnie Baker' Dance

Marines of H&S Bn., Marine Barracks, "lived-it-up" royally at Marston Pavilion Monday night, with dance music supplied by Goody Holden and his orchestra, and a 45-minute floor show starring the "Oh Johnny" girl, Bonnie Baker.

Two dance contests, a jitterbug and a waltz, were judged by Col. H. A. Hoyer, battalion commander, his executive officer, Maj. Robert Hall, and enlisted members of the dance committee.

First place in the jitterbug contest was won by Pfc Dorris Shaffer, WM Co., and Sgt. Joe Farley, 10th Marines.

Judges had a rough time with the waltz contest deciding between the runners-up and winning couple. Second place finally went to Pfc Ann McNabby, WM Co., and Pfc Elmo Norton, CID. First prize was awarded Sgt. Terresa Hodum, WM Co., and Cpl. Lawrence Masia, Hdq. Co.

The dance committee included SSgt. W. G. Rhonemus, chairman; TSgt. Rita Walsh, tickets; SSgt. R. W. Hammann, secretary; Sgt. Irma Wallis, decorations; and Sgt. Waymore, special committee.

### Tourney Tee-Off At Paradise Point

Paradise Point Golf Course plays host this week to the golfers who will strive for the Paradise Point golf championship. The tournament will begin on Tuesday and it is expected that by Sunday the first round will be completed.

In the beginning of the championship flight, defending champion Capt. R. A. Scussell will tee off against Lt. L. Donahue. These matches are played in an elimination series whereby the winning players are matched against each other until there are but two left who will "swing away" for the championship.

First-round losers will drop into a consolation flight to decide who the runner-up champion will be.

#### MIDWAY MOVIE

Tonight: "Let's Go Navy" with the Bowery Boys; Fri-Sat, "Lydia Bailey" with Dale Robertson and Ann Francis; Sun-Mon, "Lure of Wilderness" with Walter Brennan; Tues-Wed, "Something to Live For" with Joan Fontaine.

### Femme Roller Ace Seeks Good Skate

Cpl. Barbara Anderson, petite roller skating virtuoso, is seeking a new partner for her rink routine, "The Flying Wheels," her act which appeared in the Variety Show, was broken up in May because of her partner's discharge.

Now Barbara's looking for an experienced spinner for a spinning and flying team. She can be reached at Camp Message Center, phone 3311, or at Barracks 60 after working hours.

### This Week's Movie Review

(4 Bells: EXCELLENT; 3 Bells: VERY GOOD; 2 Bells: GOOD; 1 Bell: FAIR)

**DON'T BOTHER TO KNOCK** (2 Bells)  
Marilyn Monroe gets her first full-fledged starring role in a highly dramatized part—that of an emotionally unbalanced girl who in one evening comes close to wrecking her life and that of several others. Miss Monroe does very well in this tightly written and directed drama, which also stars Richard Widmark and a dozen fine character actors.

**CONFIDENCE GIRL** (2 Bells)  
A reminder of how a swindler's best friend can often go astray, as the picture's title suggests, is the sentimental nature of her feminine accomplice. Starring Tom Conway and Hilary Brooke, the plot is partially compensated for by the factual production and the authentic locales.

**THE RAINS CAME** (3 Bells)  
A never-to-be-forgotten movie that has been brought back by popular demand, which stars Tyrone Power and Maureen O'Hara.

**THE BLACK SWAN** (3 Bells)  
The Spanish Main is the background for this fast moving historical adventure, which stars Tyrone Power and Maureen O'Hara.

**UNTAMED FURY** (2 Bells)  
A handsomely produced but routine story employing situations and characters long familiar to film audiences. In the picture's favor are the performances of its stars, Joseph Cotten, Shelley Winters and Scott Brady.

**RAINBOW ROUND MY SHOULDER**  
A new release, starring Frankie Lane and Arthur Franz, that at this printing has not yet been reviewed.

**DREAMBOAT** (3 Bells)  
A delightful comedy starring Ginger Rogers and Clifton Webb. With the butt of the jokes aimed at TV, the picture is not only funny, but timely as well.

**WHAT PRICE GLORY**  
While engaged in trench warfare against the Kaiser's armies, James Cagney and Dan Dailey are at the same time battling over the affections of Corinne Calvet. Highlighting the drama and its comic overtones are several musical numbers.

**ONE MINUTE TO ZERO** (2 Bells)  
An action film about the fighting in Korea, starring Robert Mitchum and Ann Blyth, the picture has some suspenseful sequences.

**SON OF ALI BABA**  
The tale of the abduction of the Shah's fiancée by the Caliph of Baghdad. Tony Curtis and Piper Laurie star in this light-hearted, technicolor adventure.

**THE MERRY WIDOW** (4 Bells)  
A light-hearted musical based on the Franz Lehar operetta of the same name. Starring Lana Turner, as the widow, and Fernando Lamas as Count Danilo, the picture has some delightful musical numbers.

**YOU FOR ME** (2 Bells)  
An easy-to-take lightweight farce which stars Peter Lawford and Jane Greer. The story is one which will keep you laughing.

**LES MISERABLES**  
Victor Hugo's classic novel about France in the first half of the nineteenth century this time is enacted by Michael Rennie and Debra Paget.

**JUST FOR YOU** (4 Bells)  
In this yarn of the big-time theatrical producer, Bing Crosby and his leading lady, Jane Wyman, emerge with a slick and smart piece of light but happy and wholesome entertainment. There are a couple of singable songs and a couple of excellent production numbers, to round out this musical.

**LOAN SHARK** (2 Bells)  
This melodrama gives George Raft the kind of things to do he does best, and has the distinct advantage of featuring the ring shark and his larcenous operations, a subject not dealt with on the screen in recent years.

**GO FOR BROKE** (4 Bells)  
"Go For Broke" has the ingredients of a great motion picture. It is a warm story of men in difficult circumstances, told through the presentation of some of the most moving war incidents ever seen. Starring Van Johnson and supported by Nisei GIs, this is one of the better war pictures.

**VALLEY OF THE EAGLES** (4 Bells)  
An arctic melodrama, this brings to the screen the overpowering natural beauty of Lapland. Starring Jack Warner and Nadia Gray, it is a finely told story with a smashing climax.

**I'LL SEE YOU IN MY DREAMS** (4 Bells)  
This is the story of Gus Kahn, the lyricist whose work delighted America for so many years. Doris Day and Danny Thomas take the lead in this music-filled biography, and are supported by Frank Joye, Patrice Wymore and James Gleason.

**ROOM FOR ONE MORE** (4 Bells)  
A delightful piece of film entertainment which has sparkling humor and a touch of pathos. The relations between parents and children is the theme of this picture, which stars Cary Grant and Betsy Drake as the parents and a very capable pair of youngsters, Iris Mann and Clifford Tatum Jr., as the children.

#### SEEK TEACHERS

Kindergarten teachers with an academic background or experience in elementary education are wanted. Interested applicants call Chaplain Lynde E. May at 5633.

### Parents Ask In Locating Missing In Korea

"Please help us," Mrs. Harry J. Estway, Hope Ave., Dover, D. C., writes. Her son, Cpl. Th. Estway, was reported missing December 3, 1950, and was wounded in the right chest. He had served in the "E" Company, 7th Regiment, Division in the Yuda, the Yalu River, North Korea. Estway was a regular wounded short-ly rival at the lines. Cpl. Estway's last notification that he was in action Mr. and Mrs. Estway received no more word. The New Jersey man, that anyone who has what happened to contact them.

### PX Car Lau Drains Wash From Cow C

Washing your car requires lugging water. Opposite the gas station, two cars each capable of holding 40 gallons are now available for use by Camp Lejeune members. Until recently cars at Cowhead Creek were washed by hand. The new washing station offers a threaded for hose attachment and a car owner may use the hose but must supply the water.

### Buddy Rich For Second

Tuesday night, Lejeune's Second Regimental Band will hold a regular concert at Marston Pavilion. Buddy Rich and his band will play from 8:30 to 10:30 p.m. Members of the regiment are invited.
