ice of following in his footsteps was the personal friend of Private Brown, referred to as the colonel as the younger Brown is no military customs and He has been with his various posts and stations of his life until the beginning of World War II. At the outbreak of hostilities, Pete was enrolled in Brown's Military School in San Diego, Calif., where he spent four years in company with his younger brother, James Brown. After his graduation from high school in Burlingame, Calif., and "Pete" attended San Marcos College, San Mateo, Calif. Colonel Brown planned to

have them attend Guilford College. Bob is going ahead with these plans, but Pete decided to emulate his father's enlistment of 31 years ago. He has just rejoined the family at Camp Lejeune this past summer, making the trip from California aboard the USS General Mann.

Colonel Brown expressed the hope that his son would have as much fun and excitement and interesting experiences out of his career as the elder Brown has had out of his, and that he would avoid some of the pitfalls which the colonel inadvertently found himself in from time to time. Regarding his own long and varied career, the noted artillery officer stated that he had enjoyed almost every minute of it and that he entertained no regrets.

In choosing his course of life, quiet, stalwart, 6' 4" Private Brown expressed the determined—but not boastful—opinion that if Colonels Brown, Litzenberg, and Ranck could do it the hard way and rise up through the ranks, that he believed he could do it too.

After finishing his recruit training at Parris Island, he hopes to be selected for Officers' Candidate School in the not-too-far-distant future.

An interesting sidelight of the ceremony was General Hart's remark to Colonel Brown that he never expected 24 years ago, when the colonel reported in to him as a young second lieutenant, to be able to one day have the pleasure of swearing his son into the Marine Corps.

## Uniform Change

Effective for the period 1-15 October, both dates inclusive, the uniform of the day will be: During normal working hours (0800-1630), Summer Service. During other than normal working hours

(1630-0800), Winter Service will be worn.

Effective 16 October, the uniform of the day for all personnel will be Winter Service.

## Campbell College "Camels" Travel To Camp Lejeune For Starting Gun At 1600

Camp Lejeune opens its 1949 football season this coming Saturday afternoon at 1600 on the Main Varsity Football field. The "Camels" from Campbell College, Buies Creek, N. C., will be here to provide the opposition to test the strength of the varsity in their opener of a ten-game schedule.

Revenge will be the word in this game, and that's what Lejeune will be looking for after that 26-19 dubbing they received from the "Camels" in the opener last year.

In 1948, Lejeune used the old single wing formation which netted them seven wins and four defeats, but as time changes everything Lejeune has also changed their grid tactics. This year they will experiment with the "T". Head Coaca Andruska has built the team this year around the "T" which calls for a light, fast, moving line and backfield, which should suit the fans to a "T".

The team has been hit hard by

## A Good Investment

Ever so often someone asks "Why should I sign up on the Payroll Savings Plan?"

The "why" of the Payroll Plan is simple. You begin with the logical premise that every one should save something that no one ever was sorry that he saved.

The Payroll Plan is the easiest way to save. There is no cost or trouble to the saver. His savings go into U. S. Savings Bonds which pay a high rate of interest and give absolute safety. The Bonds are far more valuable to have as savings than currency, not alone because of the interest-paying feature, but because they are registered in the name of the owner and if lost or stolen or destroyed, will be replaced by Uncle Sam. This, of course, is not true of dollar bills.

We speak of "buying" Bonds, but you can't actually buy Bonds. You can't "spend" money on Bonds. You merely exchange some of Uncle Sam's dollar bills, which do not pay interest, for U. S. Savings Bonds—Uncle Sam's Bonds—which do pay interest.

Savings Bonds are "take home" savings, for which you exchanged \$18.75 and for which you will get back \$25.00 at maturity.

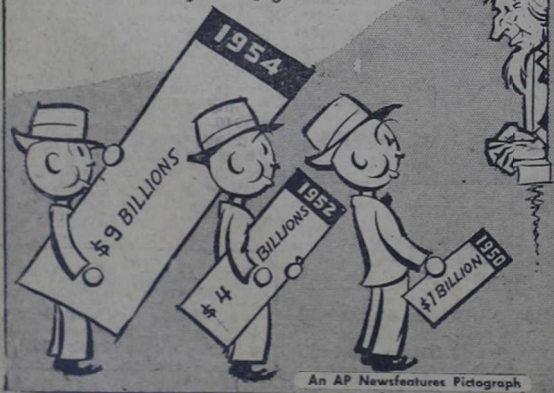

It is impossible to lose anything on Savings Bonds. If you have to redeem one before maturity, you will get your \$18.75 back, plus interest due, at any bank or post office at any time after 60 days from the day of issue. Savings Bonds never decrease in value. They are not traded in on the stock market and they are not, therefore, subject to market changes in value. Only the U. S. Government can "buy" them back from you, and the Government has guaranteed their value—will give you what you paid for them, cash on the barrel head, plus interest due.

Saving today is doubly important because you not only accumulate funds for your own protection but you and the millions of other wage earners help to hold prices down by saving regularly through the Payroll Savings Plan.

## U. S. SAVINGS BONDS—

WHEN THEY WILL MATURE

Investors in U. S. Savings Bonds will get more than \$23 billion before 1954. These National Industrial Conference Board figures show how payments will increase year by year.

## Chaplains' Corner

### DISCOVERING THE BIBLE

It may seem a bit unusual to you that I should write about "Discovering the Bible." After all, you say to yourself, the Bible has not been lost or buried. The chaplain has plenty of copies available in his office. True, any Marine may have a Bible for the asking, but there is more to discovering this Book than the mere obtaining of a copy. The Bible has become a lost Book to countless Americans today because they have never discovered that it has a vital message for their lives.

Under the Western prairies, millions of gallons of crude oil lay for centuries. Indians and ranchers alike were ignorant of the liquid wealth which was stored many hundreds of feet below the ground over which their herds roamed. Today, the search for oil takes petroleum engineers all over the world because that which was once hidden has become the life-blood of modern industry. Would we not be desperately concerned if told that our oil reserves would be exhausted in six months, with no chance for replenishment? Unless science could develop a practical substitute for oil, modern life would be completely disrupted.

There are those in the world today, among them men of great accomplishment and vast experience like General MacArthur, who believe that neglect of spiritual

resources has brought us face with a crisis in world less serious than the imminent of oil reserves were. Western civilization, spiritual resources have always been in the pages of the Bible. The Bible ceased to be the longer learned by heart the full stories of the Old Testament, and when neglected to include an of the part which Bible plays in the enrichment of spiritual resources began through ignorance and dis.

No satisfactory substitute Bible has yet been found will build in the life of the character and integrity make a nation strong.

To anyone who wants to the Bible at Camp Lejeune offer two suggestions. First a copy for personal use, its pages daily. Second, a chaplain to suggest how about reading the Bible get the most out of it. Like seller," which indeed it will for centuries, the Book will capture your attention the moment you become in the timeless story of humanity in the affairs of humanity.

### OLD MAN WINTER

It is Tuesday morning and the Guy Reen column is on the layout sheet. Guess the North Carolina doesn't agree with my Yankee blood. Dig down to Camp Lejeune and North Carolina wear, you'd better pull those greens out of the mothballs and hem to the cleaners pronto. Old man winter is headed East Coast and greens are expected to be worn here by the 1st of October.

### RADIO DIT AND DATA

Division Radio Station in Building No. 24 is continuing service to all points of the world for personnel for Lejeune Marines. Why don't you tell the favor when your next leave will be via air. If you're sym-send a fellow Leatherneck on Guam your best wish-speedy return to the States for Christmas. If you send a message home for gratis, call the Division Radio at 3656 . . . day or night.

### 'IT IS COMING'

You leave the main gate and hasten toward J'ville and a sign of fun and frolic, you may see a sign to your left saying No. 17 reading, "It is coming." Rumors say that a first class drive-in. Nope, not a drive-in theatre taurant.

### FIELD HOUSE

A new \$700,000 Field House that is being built directly on the Protestant Chapel is starting to look like some foundation is almost up and you will be able to see bricklayers and masons in a few days starting their work on the wild blue yonder with one of the greatest construction projects to Lejeune Marines since the slopshute was originally though, it will only prove to the utmost that Lejeune teams will better all comers whether on a field or in the costly domicile of future All-Navy aggression.

### ONSLOW BEACH

All of the fellows and gals that failed to get your tan at Onslow Beach this year we can offer only condolences now. Onslow beach will close for the winter months the 30th of September. The theatre will close also with the showing of "The Great Dictator."

### IT'S A JOKE SON

A person, shortly after enlisting in the Marine Corps, presented a pint flask of rare old Scotch whiskey and was guarding it with his life. But as he was coming down the stairs he failed to sidestep an oncoming car in time and was badly sideswiped. He arose and limped away. Suddenly he felt something warm and wet trickling down his leg. "It's a joke son," he groaned, making a frantic grab at his trouser pocket hoping that's blood."

### FOOTBALL FRENZY

There's so many Marines and dependents attending the football contests that you don't have to take a blanket to keep warm anymore. If the Campbell College football team invade Camp Lejeune next Saturday afternoon you can bet that many cute coeds will accompany them to cheer on the team to victory. Maybe the Marines won't be the little team that Campbell College can afford but we bet their fans will make Spike Jones' Musical Maniacs seem like an act in Paradise.

### PAY ACTION SEEN SOON

Senator Scott Lucas told reporters in Washington that he would take action on the Military Pay Bill immediately after the trade agreement bill and other bills to aid foreign troops to rearm themselves. Action on the Pay Bill is expected in the latter part of this week or the first of next.

### ANOTHER CORKER

A new automobile motor pounded, finally stopped. "I won't use the Marine, what the knock is?" "Maybe," said the blonde, "it's opportunity."

### FINIS

This will be the closing paragraph for this week's column on Camp Lejeune Marines and happenings around the camp. If you have any suggestions for the column call the office at 5522 or drop us a line here in Building No. 24.

### Gray Ladies Graduate

Nineteen Gray Ladies of the American Red Cross (pictured below), graduated September 12th and took their place with the countless thousands who are devoting time and effort to the volunteer work performed by the Gray Ladies. Mrs. G. F. Good, Chairman of the Gray Lady service, extended her congratulations to the graduates at the exercises. Following Mrs. Good's address an invocation was read by Lt. Comdr. Anthony L. Glendon. Principal speaker for the ceremonies was Brig. Gen. John T. Selden, Marine Barracks Chief of Staff, who told the women to help the sick forget and to return them to active duty. The ceremonies were concluded in the Recreation Lounge of the Red Cross with a reception held in honor of the new Gray Ladies. (Photo by Cpl. R. F. Ayers, Camp Photo Lab.)

## Forty - Five Graduated From Supply School Bn. Classes

**Brig. Gen. John T. Selden Guest Speaker; Reserves Commended On Summer Training Program**

Thirty-two Reserve officers and 13 enlisted men graduated from Supply Schools Battalion last Friday morning at 0900 in Building No. 51. Guest speaker was Brig. Gen. John T. Selden, Marine Barracks Chief of Staff.

Seventeen officers completed the Reserve Motor Transport Course; 15 officers completed the Reserve Supply Course; and 13 enlisted men were graduated from the Motor Transport Stockmen class.

Capt. M. D. Grush, Officer in Charge of the Motor Transport division of Supply Schools Battalion, opened the ceremonies and introduced Maj. R. R. Bolish who made a few remarks on the successful Reserve training program held at Camp Lejeune during the summer months.

Major Bolish introduced Maj. P. B. McNicol, Director of Instruction, Marine Corps Supply Schools, who remarked on Reserves being able to take summer training each year. He suggested that they send suggestions to the school that would prove beneficial to instructors and directors in future classes.

Major McNicol introduced Col. G. H. Cloud, Director, Marine Corps Supply Schools and Commanding Officer of Supply Schools Battalion. Colonel Cloud stressed the importance of supply and logistics in military planning and brought out the fact that they were of extreme importance in furthering the tactical plan. As a thought to keep in mind, the colonel quoted Chiang Kai-shek, "If we perspired more in time of peace, we'd bleed less in time of war."

Colonel Cloud introduced Brig. Gen. John T. Selden, guest speaker for the graduation ceremonies. General Selden congratulated the Reserve officers on the attendance to the summer training program and pointed out that all persons in the Marine Corps were essential Marines.

"No such thing as an ex-Marine exists. Some Marines were on full time duty in the Regular establishment while others came on active duty for a limited time and still others maintain interest in the Marine Corps but have found difficulty in attending the summer programs due to working conditions, etc., but all are Marines," the general stated.

General Selden pointed out that the Marine Corps is a living organization. He commented on the 10 times that the Marine Corps has been endangered to the point of disbandment but have always emerged. **See FORTY-FIVE On Page 8**

## Silver Star Chaplain Reports To Lejeune

**Family Welfare Worker Transferred Here from NAS Quonset Point**

## Popular School Of Dance Active Again

The School of Dance at Midway Park, sponsored by the Midway Park Community Association, started enrolling September 13. Because of the physical examinations, etc., many were unable to enroll.

For those who missed the first day of enrollment, Mrs. Daniel Kirk will be at the Community Building Recreation Hall on Monday, September 26 from 2 to 5 p.m., standard time. You may also fill out the blank which your child brought home from school and return to his or her home room teacher.

For your convenience, enrollments will also be taken via phone. Contact Mrs. Killen at 2729; Mrs. Kirk at 2545; or Mrs. Heavey at 2316.

The Mothers Committee, all parents with children in the school, and Mrs. George Keatley, chairman, were delighted to see instructor Miss Margaret Rose with the dancing school again.

Miss Rose has recently returned from New York after attending several dancing teachers' meetings and working at some of the outstanding schools of dance.

## Bible Class Moved

The location of the Sunday morning Bible Class, under the direction of Chaplain Reginald A. Berry, is being changed from Building 401 to the Protestant Chapel. Beginning with Sunday, 25 September, the class will meet in the chapel at 0930. Bear in mind the time change from Eastern Daylight Saving Time to Eastern Standard Time.

## Protestant Movies

On Sunday evening, 25 September, at 1900 a special feature will be presented at the Camp Protestant Chapel. Two sound films will be shown, "Navy Chaplains in the Pacific" and "Men of the World". The latter film is one in the series, "For This We Stand". Chaplain Reginald A. Berry will be in charge of the evening service.

## Lejeune Gridders Set For Campbell

BY PFC. HORACE W. MYERS

Football! Football! that's been the talk for the last month. Come Saturday afternoon and you can start watching some top-notch games.

If you were out to the scrimmage last Saturday afternoon between the "Wildcats" from Davidson College, who by the way meets Army this week-end, and Lejeune's Varsity, you got a good preview of what the team looks like this year. Though Lejeune had several key players on the sidelines, the team still looked good.

### Pigskin Pickin's

In PIGSKIN PICKIN'S last week Quantico surprised us, and Utah didn't upset Washington, but we still kept our .800 and picked eight right.

This week we start off with LEJEUNE over CAMPBELL COLLEGE by two touchdowns . . . MISSISSIPPI over AUBURN . . . SAN DIEGO MARINES over POMONA . . . TULANE over ALABAMA . . . ARMY over DAVIDSON . . . SOUTH CAROLINA over BAYLOR . . . CORNELL over NIAGARA . . . DUKE over RICHMOND . . . FLORIDA over CITADEL . . . GEORGIA TECH over VANDERBILT . . . MICHIGAN over MICHIGAN STATE . . . NORTH CAROLINA over NORTH CAROLINA STATE . . . NOTRE DAME over INDIANA . . . SOUTHERN METHODIST over WAKE FOREST . . . and this week instead of riding against QUANTICO we go with them to upset VMI . . . PIGSKIN PICKIN'S score: 16 WINS—4 LOSSES—.800.

"CHARLIE" DAWSON

## 'Charlie' Dawson Named Captain For Saturday

### Right Tackle To Lead Team Against Campbell College In Opening Game

Take a 6' 2" 200-pound frame and put him in the Lejeune line and you have a back stopper. The frame we are referring to belongs to "Charley" Dawson, one of the few regulars returning from last year's

squad. Dawson has been named to captain his team for the opening game of the Lejeune Marines against the "Camels" from Campbell College Saturday afternoon. Charley is a veteran of the famed Third Marine Division which made quite a record for themselves, and that's just what Dawson did last year and is expected to do this year again.

He started playing football back

### Basketball Already?

Major R. R. Bolish, Head Coach of the Lejeune 1949-50 Basketball Team, is shown explaining some of the fundamentals of the game to 60 hopefuls who turned out for the first practice session last Thursday night. The boys have been working out all week, and it can already be seen that Lejeune will have a strong team again this year. Positions on the team are still wide open, and everyone will still be welcome to at the practice sessions. (Photo by Cpl. Rodney Ayers, CampPhotoLab.)

injuries all during the sessions so far, and still a few key men which will game from the sidelines. Ernie Hargett and Don guard John Gregerson, but sin and Stein are just a few key men whose—if they do around—performance will be missed.

Campbell College which expected to bring down the squad, and you can bet out to give Lejeune a run money. Under the helm Coach Earl Smith, forty will take the trip down, with them a pretty record. For three previous seasons, Campbell has won while dropping only four those wins was at the expense of Lejeune last year.

Last season, Campbell eight games and lost one for the past three years. Campbell gridders have undefeated in the Junior College Conference.

Coach Smith is a bit pessimistic about the game with the but is hoping for a upset. He has his gridders all set for Saturday afternoon. Campbell running off the single-wing know this formation called "pigskin" and fast skirt ends, and Coach Smith a combination of both averages.

In comparison with the of Campbell, Lejeune will have a five pound advantage on the line and three pounds in back judging from that it should be evenly matched game.

in Jasper, Tenn., for his high school, where he collected letters for the sport. Dawson is noted for his fine blocking also the team's number one. He's 26 years old. . . . Major Staff Sergeant. . . . and be sure he'll be out to lead the team to their first victory this season.

# 16th Marines Blast Supply School Bn. In Intramural Opener

Evans, And Newberry Star In 48-0 Victory over the 'Learners' 1000 Witness Intramural Game

The running and passing of Evans, and the punt of Newberry, the 10&16 Marines, made up the 1949 Intramural season with a 48-0 victory over the "Learners" of the Supply School Battalion Sunday.

Football fans were on hand for the one-sided affair. The Marine Division Band provided the fans with football music.

In the first quarter the 10&16 Marines showed the power that made them a contender for the Intramural Crown, as the quarterback engine, down the field, plowing over from the line for the first score of the game. Newberry's attempt for a conversion was no good and the score was 6-0.

In the same quarter, a Supply School punt was blocked down the 10 yard line, it rolled into the end zone, and Bostian, the 10&16 safety, scored at the end of the quarter to eight to nothing.

In the second quarter, Muzzie's scoring spree for the 10&16 was not around his 12 yards to pay dirt a few minutes of opening

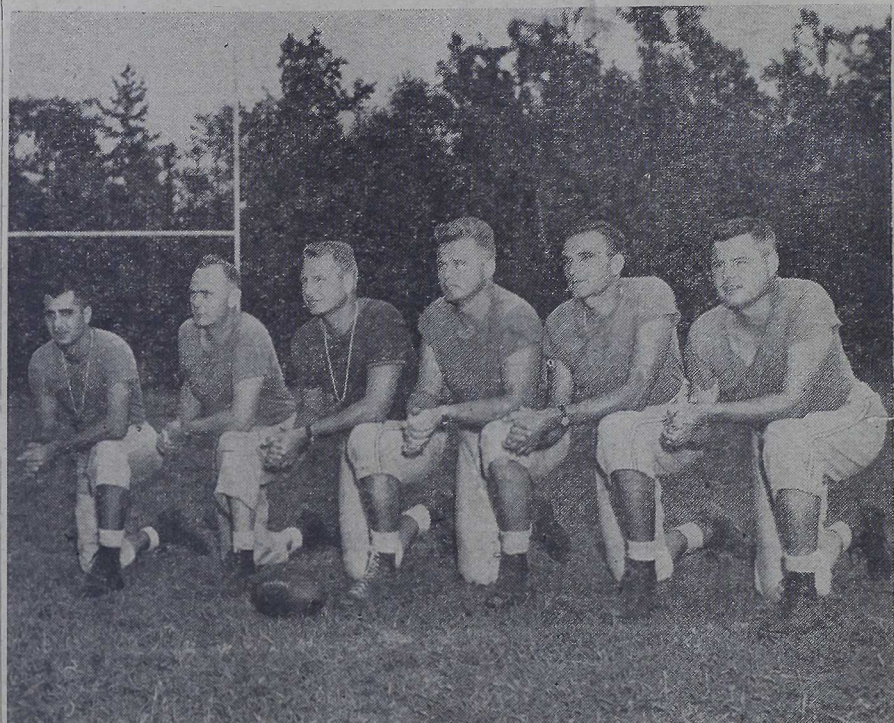

play in the quarter. Newberry's conversion was good. In the middle of the quarter Shanahan dropped back on his own 20 yard line and booted a terrific 45 yard punt Brant, a sub of the 10&16th, picked it up on his 25 yard line, and struck for the sidelines and went untouched, behind line blocking, for 75 yards for the second score of the quarter. Newberry's conversion was good.

In the same quarter, Evans, after failing to find a receiver for one of his passes, romped around his left end for 20 yards for the third tally in the quarter. Newberry's conversion was again good. The score at the half was 29-0.

In the opening of the second half Supply School settled down and threatened to score once, but the 10&16th line held, and that was the end of the scoring threat for the rest of the game. In the middle of the quarter Evans again showed fine broken field running and scored from the 11 yard line for the first score of the second half. Newberry's conversion was wide and no good. At the end of the quarter another tally was added and another conversion, to boost the score to 42-0.

In the last quarter of the game, the 10&16th subs got in a few licks, and Naber, a sub end, was on the receiving end of a pass for the last touchdown of the game. The remainder of the quarter was a saw-saw battle with neither team threatening to score. The ball game ended with the final score, the 10&16 Marines 48 - Supply School Battalion 0.

In the past weeks, this column has discussed the player situation and now the time has come to bring the coaches front and center.

Having the job as head coach this fall is one Bruno J. "Andy" Andruska, Major, USMC. Major Andruska not a newcomer to the football world knows his way quite well around the gridiron. The 31 year old Major garnered high school honors at St. Leo's High School of Chicago when he was named most valuable player on his team that won the Catholic League Championship in his senior year. He also captained the H. S. basketball team.

After high school, he played more ball, this time under Eddie Anderson at the University of Iowa in '39, '40 and '41. Shortly after graduation Major Andruska joined the Marine Corps and was commissioned in November 1941.

Following service in the Pacific, Major Andruska was assigned to duty with the NROTC unit at the University of Wisconsin. While there as an instructor he also held

down an assistant coach position for the Badgers.

This is his first year at Camp Lejeune and let's hope a highly successful one.

Aiding Major Andruska are five capable assistants that have many years of experience around the gridiron.

The head line coach this fall is Major Richard D. "Dick" Opp, a native of New York City. He received a good deal of football tutoring from the widely known "Swede" Larson. That was at the U. S. Naval Academy when the Navy was winning games. Major Opp left Annapolis in 1941 and has served in the Pacific campaigns.

Assisting the line coach with his big job are Captains James A. "Jim" Gallo and John F. "Jack" Paul. Captain Paul handles the centers and guards while Gallo has the ends under his surveillance. "Jack" Paul from Fort Madison, Iowa, received his college education at Cornell College in Mt. Vernon, Iowa and played football and

basketball at that school.

In 1937 they were Midwest Conference Football champs. He joined the ranks of the Marine Corps in 1942. At Parris Island he was head coach in 1947 and last year was line coach at Camp Lejeune.

Captain Gallo came to the Marine Corps after graduating from Colgate in 1942. At Colgate, Andy Kerr was Gallo's football coach.

"Jim" was a member of Lejeune 1948 squad. He's from Haverstraw, N. Y.

In the backfield Lejeune is guided by 1stLt. R. W. "Bob" Hamilton and 2ndLt. M. M. "Mike" Ameen. Both have varied backfield experiences in the backfield and are a great help to Major Andruska.

Hamilton, from Pittsburgh, Pa. played for the Pitt Panthers in 1938 and '39 until two bad knees sidelined him. "Mike" Ameen started playing football at Quincy, Mass. and later at Boston U. "Mike" also played ball for the U. of Miami and last year played QB for Camp Lejeune.

## Lejeune High Opens 1949 Football Season Friday

First Football Team In School's History To Meet Vanceboro At 4 O'clock Friday

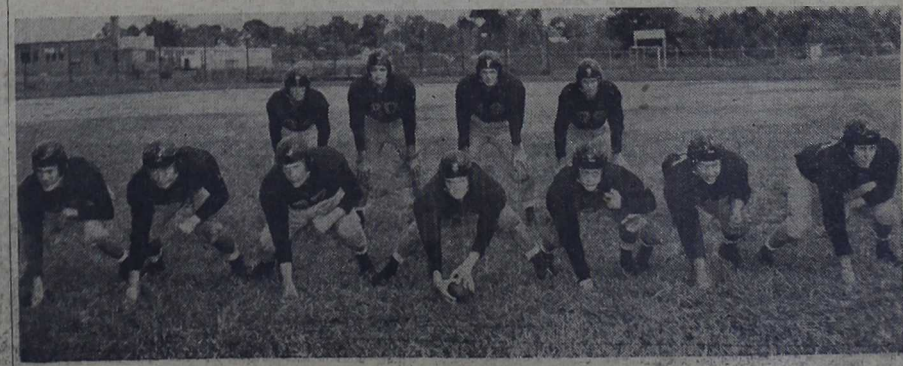

The Camp Lejeune High School will field the first football team in the school's history, come Friday afternoon, when they meet Vance-

boro here in the opener of a seven-game schedule 1949 card. Tho the team is light, they are out to put Lejeune High on the football map of the state.

The team, which is rated a "B" class high school team, has hardly no experience and it's been a hard job for Head Coach Chaplin R. S. Sassaman to build a team from the

ground up, but that's what he has had to do. Several backs have been showing up good at the practice sessions, and barring injuries might develop the teams chances more. All home games are to be played on the field in back of the Camp Lejeune High School. Game time will be at 1600. Everyone is invited.

## General C. B. Cates Enjoys 13 Day Rest At Camp Lejeune

General Clifton B. Cates, Commandant of the Marine Corps, ended his thirteen days of complete relaxation at Onslow Beach last Thursday and returned to Washington with a deeper tan and an abundance of energy to again take up the reins of the Marine Corps.

The general arrived at Camp Lejeune on September 2 for 15 days leave and a much needed rest. He occupied one of the guest houses with Mrs. Cates and spent most of his time relaxing on the beach, swimming and fishing the beach and its inlets. During his entire stay, the commandant did not attend any official functions.

The general is an experienced fisherman and his untiring effort and consummate skill netted him quite a number of denizens of the deep.

When asked how he enjoyed his leave at Camp Lejeune, the general said, "Camp Lejeune's Onslow Beach is an ideal spot for a pleasant vacation of fishing and swimming. I enjoyed every minute of my stay and I must admit that your fishing is unsurpassed on the East Coast."

## Wife of Commandant of The Marine Corps Present At Initial Meeting

With the 10th Marines Group serving as hostesses for the September General Meeting, the Officers' Wives' Club launched upon its second year on Tuesday, September 13, with a birthday tea at the Officers' Mess.

Mrs. N. S. Brown, Chairman of the Group, assisted by Mrs. Merritt Adelman, Mrs. J. O. Appleyard, and Mrs. J. L. Donnell, introduced the guests.

Mrs. Franklin A. Hart, President of the Club, who later presided at the cutting of a decorative birthday cake, received the guests and presented them to Mrs. Clifton B. Cates, wife of the Commandant of the Marine Corps, who was guest of honor for the occasion. Also in the receiving line were: Mrs. John T. Selden, 1st Vice President; Mrs. H. D. Hanson, Secretary; Mrs. F. F. Smart Jr., Corresponding Secretary; Mrs. A. S. Chrisman, Treasurer; Mrs. H. L. Litzenberg, Publicity Director; and Mrs. Garrison, Parliamentarian.

The attractive and colorful decorations and refreshments were provided by the Hostess Group. The many guests and the general enthusiasm expressed by all predicts a most successful forthcoming year.

It was a pleasure for all in attendance to meet Mrs. Cates, wife of the Commandant of the Marine Corps, who commended the Hostess Group upon the perfection of the occasion and congratulated Mrs. Hart and her associates for the fine spirit shown by the club during the past year.

The Supply School Battalion Group will serve as hostesses for the October General Meeting of the club in presenting a Dessert-Fashion Show at the Officers' Mess on October 5. Mrs. G. H. Cloud and Mrs. N. T. Short will serve as joint chairmen for that event.

## GAR Organization Meets For Final Encampment

**Six Surviving Members Able To Attend; Marine Band Plays For 14th Encampment**

The Grand Army of the Republic in final session this week at Indianapolis, Indiana, paid high tribute to Major William F. Santelmann, Leader of the United States Marine Band, and his bandsmen for their musical renditions at past national encampments of the GAR.

The Marine Band, by Act of Congress, has journeyed to 14 GAR encampments since 1930 including the final meeting this week. The Congress authorizes such appearances of "The President's Own" Marine Band outside of the Washington area.

Major Santelmann, who has led the Band since April 1940, received a beautifully engraved silver cup and a scroll "in grateful appreciation" from the GAR and its Allied Orders, during the last meeting of the four-day 1949 encampment.

The awards were presented to Major Santelmann by Theodore A. Penland, of Vancouver, Washington, Commander-in-Chief of the GAR, now in his 100th year.

**Onslow Closes**

Onslow Beach and facilities will be closed for the winter on September 30.

The scroll read in part: "Your interest in the Grand Army of the Republic as evidenced by your response to fulfill their every desire has endeared you to us. You, and your great aggregation of fine musicians, have given us many happy hours of musical entertainment and through your interpretations we have come to appreciate and know music in its most beautiful and rarest form."

"We shall never forget the stirring marches that are a part of us, especially 'Old Soldiers Never Die' which the 'Boys in Blue' love so well, and the beautiful symphonic arrangement of 'Taps' is your masterpiece alone and the effect of its sad haunting air lingers with us long after its rendition."

Six men who fought to preserve the Republic mustered for the final meeting of their once powerful organization—the Grand Army of the Republic.

The oldest member present was James A. Hard, 108.

**Fire Chief Sez**

Defects in electrical wiring and electrical equipment cause some of the most serious fire losses.

The practice of rigging temporary leads, extension lines, etc. which are used in many cases to operate coffee makers, pressing irons and similar devices, create a potential cause for serious fire loss.

Camp Regulations require the use of such items mentioned to be the approved type as specified in the National Electric Code or that type approved by the Camp Maintenance Officer. Information regarding electrical installations may be secured from the Camp Electrical Department.

**P-TA Notes**

The campaign for 100 per cent membership of all parents in the Camp Lejeune Parent-Teachers Association must include you to be the success we want it to be. We are confident that every Parent recognizes the great importance of the P-TA.

In order to give every parent of children in the Camp Lejeune Schools the opportunity of joining the Parent-Teachers Association, whether they are able to attend meetings or not, we are asking all those who have not already paid dues to send them to the school via the children. The dues are fifty cents per member per year and are necessary in order that your organization can carry on the activities which they have decided upon.

There will be a special room prize for the first room to attain 100% membership. In order to qualify for 100% membership there must be at least one parent as a member for each child or children in the particular room.

## Gen. Woods Visits Lejeune Last Week

### Two Pistoleers Cop 16 Medals

CWO. H. Cleghorne, 2d Battalion, 10th Marines, and SSgt. Floyd Hafer, LAAABn., Courthouse Bay, represented the Camp Lejeune Pistol Team in the North Carolina Fall Pistol Matches at Durham, N. C., last Sunday.

CWO. Cleghorne, who has been in the Marine Corps 23 years, is a distinguished rifle and pistol expert. Last year he won the first gold medal in the Division rifle matches and the third gold medal in the pistol matches.

At Jacksonville, Fla., in July of 1948, he won 2d place in the center-fire matches (.38 cal.) Firing the .22, .38, and the .45 calibre pistols in the Durham matches, he won 9 medals and ran up a score of 2348 in the Grand Aggregate, winning a sterling silver candle-stick.

SSgt. Hafer, also a distinguished rifle and pistol shot, was recently transferred to Camp Lejeune from Parris Island, S. C., and proved a worthy opponent against tough teams such as the North Carolina State Police and Ft. Bragg Pistol Team's as he collected 7 medals at the Durham Matches.

Firing for record in the Gun-Clip Matches at August, Fla., recently, he won top honors, and in 1948 at Durham, he won the Shapp-shooter's Class Award.

Sgt. Hafer is an all-around crack shot and is a valuable addition to the Lejeune Pistolists.

Motherhood is a God given privilege. It carries with it many responsibilities and obligations as we all know.

To have your child prepared for life there are three very important factors to consider. They are having him physically, mentally and spiritually equipped to face the world.

We venture to state that there were many tear-eyed mothers on the first day of school last week but fear not mothers, you have turned your child over to the finest teachers that any school can boast of. We should like to assure every mother and father of this fact.

Our school Principal, Mrs. Barringer and the teachers in the lower grades are working under difficulties at this time due to the lack of room. Please be patient mothers. This is an appeal to you
