Davis, Fears, McClendon Qualify By Scoring Victories In South-Central Group Boxing Tournament

By Cpl. Jim Griffith

Sixth Naval District boxing Champions Red Davis, Dorsey Fears, and Willie McClendon returned to Charleston, S. C. last week to add another trophy to their collections, and earn a shot at an All-Navy Title, by copping the flyweight, bantamweight and light-weight crowns of the South-Central Naval Group. The three Lejeune scrappers will join the South-Central Group Team and fly to San Francisco next week to start training for the All-Navy Tournament which begins May 22.

The three local champions give Camp Lejeune the strongest All-Navy team delegation from the entire South-Central Group, which includes the Sixth, Eighth and Ninth Naval Districts. Cherry Point MCAS and Pensacola NAS placed two titlists each, while the USS Hank boasts the remaining title. Of the eight champions, seven are from this Naval District.

Willie McClendon was the crowd-pleaser of the Lejeune trio, garnering his title via two TKO's. W. Cummings of Great Lakes was the first to feel McClendon's fury, losing by TKO in one minute of the third round. Cummings, holding an advantage with a longer reach, dropped McClendon in the second round, but the Marine retaliated in the final round with a straight right to the head that sent his opponent to the canvas. McClendon was awarded a TKO when Cummings arose too groggy to fight.

E. Murphy of Corpus Christi, also had the misfortune of catching McClendon's sledge-hammer right during the tournament finals, this time in the first round. Murphy answered the bell fighting furiously until the Lejeune's right found its target. Murphy went down, came back up, and was tagged with the same right. Out on his feet, the sailor had to quit, and Willie McClendon was crowned light-heavyweight champion.

Lejeune's scrappy Red Davis fought his way to the All-Navy event for the third consecutive year by a unanimous decision over Bill Daniels, of Great Lakes, in the flyweight division. After a few stiff jabs in the face, Daniels got on his bicycle, and stayed there for the greater part of the bout. The sailor finally closed with Davis in the last round, only to catch a flurry of jabs and hooks for his troubles, and it was Davis all the way.

Red got as far as the semi-finals in the '47 All-Navy contest, and broke into the medal-winning class last year by taking runner-up honors.

Southpaw Dorsey Fears stopped B. Coleman, Great Lakes, and D. Kinkaid of Corpus Christi to win the Group bantamweight title. Fears mastered the wild-punching

A Good Investment

CAMP LEJEUNE AUXILIARY. NAVY RELIEF SOCIETY

Last year the contributions from the personnel of Camp Lejeune to Navy Relief amounted to \$6,382.54. Your Auxiliary loaned \$48,530.24 and made gratuities, that is outright gifts, of \$1764.14. That means that men and officers of Camp Lejeune had the use of about \$50,000 for their contribution of \$6382.54. This was made possible because Navy Relief Society Headquarters helped us with funds amounting to \$22,500.00. Your gifts through the years and those from all personnel in the Navy and Marine Corps, as well as from civilian friends, have built up a reserve at Navy Relief Society Headquarters from which the Camp Lejeune Auxiliary can draw if needs require it.

Some men say they have never asked for a loan so why give. Did anyone ever head of appendicitis or an accident giving advance notice? The man or his family that is suddenly hit by an emergency has a feeling of security when he remembers that through his gifts and the gifts of others the Navy Relief will be able to help him. His investment of a gift to Navy Relief each year pays off a hundred fold.

House Armed Services Sub-Committee Votes In Favor Of Pay Raise

According to published reports, a House armed services sub-committee voted favorably on a pay boost for personnel of the armed services last week. It approved a bill that would grant raises varying from 3 per cent in the lower ranks to nearly 50 per cent in the upper commissioned ranks. The average raise would be about 14 per cent. The bill would wipe out family allowances for enlisted men.

The committee will attempt to

secure early consideration of the measure and its passage by the House is expected within two weeks. Consideration has been given to postponing the effective date of the new pay scales to 1 October, which would bring the 1950 expenditures well within the President's budgetary limitation.

The subcommittee this week approved several minor and perfecting amendments, and heard statements from a number of representatives of various Service associations. Most of these favored more liberal disability retirement provisions than are in the bill.

Former Congressman Melvin Maas, who is a Marine reserve Colonel, appeared before the committee as a representative of the Marine Reserve Officers Association. He urged that the pay and retirement features of the legislation be handled in separate bills. He said that personnel separated for disability should be given 75 per cent retired pay, irrespective of length of service. He favored a contribu-

Iglesia Metodista Grateful To Camp Chapel For Funds

The Camp Chapel paid homage to the citizens of Vieques after the Marines had returned from their recent Atlantic Fleet Exercises in the Mediterranean, with a contribution of \$100 to Iglesia Metodista, the Methodist church.

The contribution was sent in the possibility of the Camp Chapel taking on the Vieques Island Mission as a missionary interest enterprise.

In a letter to Chaplain Barnes John K. Vincent, pastor of the Vieques Iglesia Metodista, said, "It is a 'natural' since many of the boys of the 2d Division already know of the work here."

The pastor continued to say, "The money arrived soon enough for me to construct a little pavillion 10 feet x 60 feet in the narrow yard beside the church. We also stretched the money far enough to construct 4 large tables and benches.

1-Marine Parade To Mark 4th Div. Annual Reunion

WASHINGTON, D. C.—

The first all-Marine parade in 5 years will march down Constitution Avenue Saturday morning, June 11th as the 4th Marine Division holds its annual reunion here.

President Truman and ranking military dignitaries have been invited to review the veterans of the "Iwo Jima Fourth" which saw four divisions in a period of one year during the last war.

Major General Franklin A. Hart, Commanding General of the 4th Marine Division at Camp Lejeune and President of the 4th Marine Division Association, will lead the troops which will in-

ComSix Sends Boxers His Congratulations

Following is a routine letter received this week from the Commandant of the Sixth Naval District, Rear Admiral Robert W. Hayler.

ComSix extends congratulations to all participants in the Sixth Naval District and South Central Group Boxing Eliminations. The splendid spirit of sportsmanship and cooperation demonstrated contributed materially to the success of the tournaments. The Sixth Naval District and South Central champions are further congratulated on their outstanding skill and aggressiveness, and the losers on the great competitive spirit shown. Well done.

A Motorist's Carelessness Is Inexcusable

More About Accidents

Many of our readers will wonder why we are again bringing up the subject of motor vehicle accidents. The fact is, two editorials we published several weeks ago failed to register in some minds. It is obvious that the warning did not strike home as numerous accidents continue to happen, and practically all are caused by witless drivers.

Last Monday evening, traffic was snarled-up from the Main gate to Hadnot Point for some thirty odd minutes. This condition was caused by the hairbrained maneuvering of two drivers, and resulted in property damage to four vehicles. That same morning, a car rolled over on the main highway between Holly Ridge and Sneads Ferry; it also bore base tags.

Our military police force is faced with a pretty big problem in trying to police traffic throughout this huge reservation. Since they can't be everywhere at once, they certainly need a little cooperation from the drivers, and from other responsible persons who see traffic regulations being broken. It undoubtedly would make their job a little more agreeable.

Webster's definition of the word ACCIDENT is "Undesigned, unforeseen, or unexpected occurrence,"—this definition is starkly abused when applied to the wreck caused by some speed jockey with less than an ounce of brains, who ignores all laws of safe and sane driving in order to get to his destination in a big hurry.

The saddest part of this story is that usually, these fast-thinking, fast-driving operators kill an innocent person who obeys the LAWS and is a good, solid and substantial citizen.

The nice broad, well-paved and open highways that we have on this reservation were not designed for, nor meant to be "Speedways." The signs posted along them clearly indicate the speed limits. Read them and obey them. It will make life pleasanter for you as well as for our traffic police.

We should take stock of our driving habits, brighten up a bit, and stop this needless destroying of lives and property. Use good COMMON SENSE and drive sanely and safely.—W. B. K.

Chaplain's Corner

You have heard men say that the times in which we live are rich in material things but poor in spiritual things. There is truth in this assertion. Part of the blame for the unrest of people must be laid at the door of the age in which we live. It is not easy to achieve inner peace in these days. And once peace of mind is achieved, it is not easy to hold on to. Our mental peace has to withstand too many assaults and invasions from this untroubled world.

If more people than ever are nervous, irritable, and lacking in repose, that is not surprising. The general insecurity of the present time registers itself not only politically and economically, the toll of it takes emotionally and mentally is no less serious. But can we blame the age in which we live for all our mental unrest? Surely much of the trouble lies in our own state of mind. One thing we lack — the peace of Christ: the mental peace and tranquility that was His—how will it be possible for us?

The peace of Christ, first of all, was a peace of adequate resources. Life is a big job and the spiritual resources must be adequate. Someone has said: "That is the real curse of Adam, not the work in itself but the worry and the doubt of ever getting it done." If we feel that the resources for life are inadequate there can be no peace of mind. It is a perpetual source of strain. But if we know that the spiritual resources are adequate for whatever comes—that in itself is peace of mind. Secondly, the peace of Christ was the peace of a disciplined life. Sooner or later we all make this discovery that slackness of any kind—whether in work, or thought, or life—is always destructive of inner repose. Restlessness and unhappiness will always result from the life of drifting without any purpose. Any psychologist will tell you that the greatest personal freedom comes through regulating life into certain habits.

And then, the peace of Christ was the peace of a clean heart. It does not matter how difficult life gets as long as the conscience is at rest. There is no sting in life like the sting of sins still unforgiven, of loyalties divided between Christ and man.

Finally, the peace of Christ was the peace of fellowship with God. Jesus took time off to meet God,

in prayer and in His thoughts. Before undertaking major task, He sought out the help of His Father. He used prayer as a backstop against the difficulties of life. So if you would have the peace of Christ you must accept it these four conditions: Adequate spiritual resources, a disciplined life, a clean conscience, and active fellowship with God.

Joseph Conrad, in an essay quotes from a letter to Sir Roderick Stopford. Stopford was one of the men, when Nelson was at the head of a fleet in the West Indies. He wrote home these words: "We are half-starved, and otherwise inconvenienced by being long out of port. But are revivified—we are with Nelson." Life is a long and difficult journey, but you can say, "I am with Christ through Christ with God," you'll find your reward. You have found the earth the very peace of heaven.

Latter Day Saints Hold Conference

The Church of Jesus Christ of Latter Day Saints held a conference at the Camp Lejeune High School Auditorium on the 1st Sunday in May. Two meetings were held, the first at 1100, and the second at 1500 DST, which were attended by many church members stationed here, as well as members and guests from eastern North Carolina. 338 people were counted at the earlier session.

J. Robert Price, principle speaker at the conference, is the President of the Central Atlantic States Mission and an Elder in the church. During the afternoon program broadcast over WJNC, Elder Price spoke on "Mans Relationship to Responsibilities for his Own Salvation." Another feature on half-hour broadcast was chosen by an all girls chorus from Harkers Island.

Basket lunches were spread on the nearby grove, and chicken, sandwiches, salads, and pie were enjoyed by all. Favorable comments were made by visitors for the nice meeting place, the beautiful surroundings, and the hospitality shown them while visiting Camp Lejeune. After the closing session, many of the visitors toured around the camp. The day was a wonderful success, thoroughly enjoyed by all.

Dedicate Memorial Tablet At Quantico

QUANTICO, Va., May 5—A memorial tablet was dedicated here today to the late Major General George Barnett, former U. S. Marine commandant, commemorating the acquisition of this Marine Corps Reservation in 1917.

Mrs. George Barnett (Washington, D. C.), widow of General Barnett, unveiled the bronze tablet at the original site where General Barnett, accompanied by the late President Franklin Delano Roosevelt, then Asst. Sec. of the Navy, cut the first tree symbolizing official acquisition of the Reservation.

After an introduction by Major General Lemuel C. Shepherd, Jr., Commandant of the Marine Corps Schools here, Commandant of the Marine Corps Clifton B. Cates made the principal address.

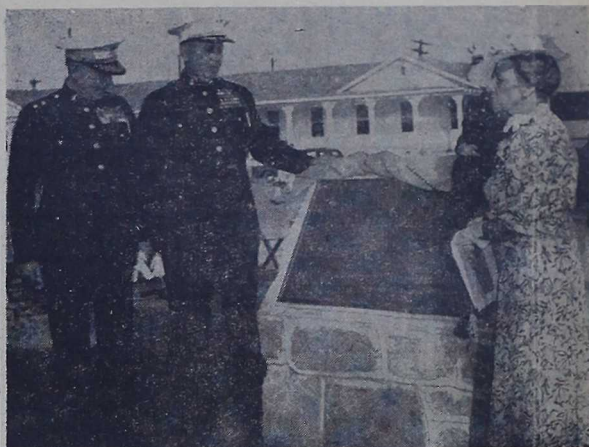

Also participating in the ceremony were the Quantico Marine band under the direction of Commissioned Warrant Officer Augusto Olaguez, and a company of Marines all colorfully attired in the bright dress blue uniform of the Marines.

General Barnett, Commandant of the Marine Corps from 1914 to 1920, was the first Commandant appointed for a four year period which was later extended by a second term. After being relieved as Commandant in 1920, General Barnett served as Commanding General of the Department of the Pacific until his retirement in 1923.

Suggestions for an appropriate date for Armed Forces Day were requested from each service. Appropriate instructions are being prepared for promulgation, and as further information is available it will be published in the NEWS LETTER. The abolition of Navy Day in no way decreases the responsibility of the Navy to be a good neighbor in the community on a year-round basis.

USO Notes

Before Jitterbugging takes its place beside the "Charleston" and "Big Apple" in terpsichorean history, the USO club will hold another Jitterbug Contest as a feature of the Wednesday evening Dance. Having a strong following among dancers in the Club this should be a lively contest. Lou Wiggins will play for the event.

The warm weather has not dimmed enthusiasm for Roller Skating, and each Tuesday and Thursday the sign "no more skates" has to be hung out before the evening is over. Because of the difference in time between Camp Lejeune and Jacksonville, skating will begin an hour earlier, or six thirty o'clock.

While a dancing class is regularly scheduled for Friday nights at seven o'clock, to accommodate those who are unable to attend at that time, members of the Staff will make their time available, whenever possible, between six and seven o'clock any evening for private instructions.

The regular monthly meeting of the Hostesses will take place Friday evening at eight o'clock. Miss Pearl Boykin was re-elected Chairman of this group at a recent meeting and will preside at this meeting. A committee will decorate the Auditorium Monday evening for a Maypole Dance Wednesday, May 18th. A Juke Box Dance will be held on Saturday evening.

The Movie for Sunday evening will be "The Melody Master", featuring Llona Massey. Tchaikovsky's 'Pathetique' and Beethoven's Moonlight Sonata will be played during next Sunday's "Hour with the Classics" from five to six o'clock.

The Monday Night Mixed Doubles Sports Tournaments continue to be a popular event in the Club.

Pleasure Boat Owners Invited To Cruise

MOREHEAD CITY, N. C.—All North Carolinian or non-resident owner of a pleasure craft are invited to make the first annual Memorial Day cruise with Tar Heels Afloat, Capt. Charles Bennett of Morehead City Yacht Basin and Commodore of the cruise announced today. Tar Heels Afloat is probably the only yacht club in the world that has no dues and to which anyone with a pleasure boat may be a member, it was pointed out.

First cruise of the organization was held on Labor Day last year. This year the cruise originating in Morehead City on May 28, will cruise up Neuse River to New Bern and the Trent Pines Country Club.

Troop 90 Attends Camporee

Troop 90 of the Camp Lejeune Boy Scouts of America, attended the 1949 Annual Camporee in Washington, North Carolina for the Eastern Carolina Council on the 23, 24, and 25 of April.

The Lejeune troop participated in the camporee events, which were based on patrol competition, in which each patrol was required to win a specified number of points to receive an award. Troop 90 entered four patrols, two of which won 2nd awards, red ribbons, and the other two won 3rd awards, white ribbons.

Scoutmaster, 1st Lt. P. A. Terrell, Jr., and assistant scoutmaster Sgt. William Festing, and Pfc. Fred Trone led the Camp Lejeune troop at the camporee. Troop members attending were: Allen Goldberg, Lee Good, Jeff Hough, Sonny Ross, Bobby Peele, James Blake, Jame Bigler, Howard Garner, Lyman Eckard, Jerry Schlesinger, Harold Reagan, James Hudson, James Barker, Rodney Hamby, Tom Edison, Junior Kiency, Dale Reed, James Cunningham, Jake Cardy, Jeng

Lejeune Swimming Team Prepares For Coming Season, Positions Still Open For New Talent

The 1949 swimming season will officially get underway the latter part of May. During the period 1 May, to 23 May, tryouts will be conducted for personnel desiring to earn places on the Lejeune squad.

Personnel interested in trying out for the team should report to the area 2 swimming pool, or the area 5 pool at any time during the day, or up until 2000 at the area 2 pool.

Positions in all strokes and events are open. Events that will be completed are: 1500 meter freestyle; 100 meter freestyle; 400 meter freestyle; 200 meter freestyle; 102 meter freestyle; 300 meter individual medley; 200 meter breast stroke; 100 meter backstroke; and 3 meter spring-board diving. It's not too late to try out! Come out and get in the swim.

Team practice has been in progress since October, with emphasis on physical conditioning and stroke analysis. Newcomers have been interviewed and given tryouts and special coaching. This will continue until official practice begins. By this method, new swimming talent can be developed before actual practice begins and enables the new swimmer to enter into training with no undesirable habits. It is also designed to put the inexperienced on a more-or-less equal footing with the returning swimming veterans. Lt. D. Draeger, coach of the mermen is available at the area 2 pool each week day night and will give individual coaching.

The Lejeune swimming team has several returning stars of the 1947 and '48 seasons. Among them are Mike Mirayes, 5th Naval District Champ, Group Champ, and Atlantic Fleet Champ, as well as All-Navy runner up during the years 1947 and 1948, in the 200 and 100 meter freestyle sprints. Mirayes was also a member of the 47-48 freestyle and medley relay teams.

In the 200 meter breaststroke, John Garrett, 5th N. D. Champ, Group Champ, Atlantic Fleet Champ, Pacific Fleet Champ, as well as runner up in the '47 and '48 All-Navy breaststroke championship trials, will also be with the 1949 Lejeune squad to strengthen their roster.

Luke Dommer, winner of the 5th Naval District Championship, Group Championship, Atlantic Fleet Champ, as well as runner up in the All-Navy during 1948, will represent Camp Lejeune in the 100 meter backstroke and 300 meter individual medley as well as the sprints.

Joe Fallon, a returning freestyle distance man placed high in the 5th N. D. Championships and the Group Championships in 1948 and was second only to Walt Sorg, outstanding swimmer at the 1948 All-Navy. Fallon will definitely be an All-Navy threat this year according to recent practice session tryouts and time trials.

Gerry Fuca, a consistent high placer in the 5th Naval District Championships, and the Group Championships, will be back with the added power this year in both the backstroke and freestyle sprints. Fuca can certainly be counted on to provide added See SWIMMERS On Page 5

Adams and Hill Tie For Growler Honors Last Weekend

The Growler Tournament is one of the super deluxe tournaments which is especially liked by Camp Lejeune golfers as everyone gets to shoot one extra shot on each hole, excepting putts. Winners are determined by subtracting 3-4 of their established handicaps from their gross score and then obtaining net scores.

Results of the recent Growler Tournament played on the Paradise Point Golf Course No. 1 over the weekend of May 7th and 8th are as follows:

First place prizes went to MSgt C. C. Adams and TSgt R. H. Hill, who scored identical net scores of 66 (6 under par). MSgt Adams shot a gross score of 70 minus his handicap of 4 to end the afternoon with a 66. TSgt Hill had a gross score of 85 minus handicap of 19 to end with a 66 also. Sgt Adams and Hill split first and second prizes and each were awarded a \$13.50 Post Exchange Merchandise Chit.

Third prize of \$9.00 in Merchandise was captured by Lt. (jg) R. E. Schipke. Lt. Schipke shot 82 minus his 3-4 handicap of 14 to give him a net score of 68. "Tough Luck Doc," held the lead for one day anyway.

Fourth, Fifth, and Sixth prizes were all tied up three ways between Major L. E. Hudgins, WO S. G. Gilbert, and Cpl. F. Kraft, who all had net scores of 69.

It has been noted by MSgt Adams, NCO-in-Charge of the Golf Course, that in the last few golf tournaments held at the Golf Course bi-monthly, most of the contestants have been Officers with very few Enlisted Men participating. These tournaments are especially planned for the personnel of Camp Lejeune, both Officers and Enlisted.

There is only one small requirement necessary to play in these tournaments where Merchandise Chits are awarded as prizes. You must have an established handicap. You establish these handicaps by playing and turning into the Golf Shop 5 18-hole scorecards. Handicaps as high as 27 are issued.

A majority of the golf tournaments are played on Saturday or Sunday, so that you can play on either one day or the other. So, come on fellows, get those handicaps established and play in the golf tournaments.

Champaign, Ill. (AFPS) — Here's an idea of what athletes used to go through for the dear old Alma Mater. In one of the early intercollegiate track meets at the University of Illinois, the participants gave their all to win prizes like the following: a mustache cup and saucer, blacking outfit, McCauley's History of England, a bath ticket, group picture of the faculty, and a bottle of cologne. No professionalism here.

Golf Team Defeats Cherry Point 21-9 In Weekend Series

By MSGT. ADAMS

The Camp Lejeune Golf Team continued its winning streak by defeating a strong Cherry Point team by a score of 21 points to 9, last Saturday afternoon at the Paradise Point Golf Course.

In the first foursome MSgt. C. C. Adams, of Camp Lejeune, defeated Pfc. E. G. Lee, of Cherry Point, 2 1-2 to 1-2 points; Lt. (jg) W. R. Neish, Camp Lejeune, defeated SSgt. W. A. Beverly, Cherry Point, 2 to 1 points. In the best ball team match MSgt Adams and Lt. (jg) Neish shot a best ball of 70 to a 72 for Pfc. Lee and SSgt. Beverly, and won 2 1-2 to 12 total points. Camp Lejeune 7 points, Cherry Point 2 points.

The second foursome match found SSgt J. D. Spencer, Camp Lejeune, victor over Lt. B. R. Rouche, Cherry Point, by 21-2 to 1-2 points. Major J. Cosley, Cherry Point, defeated WO V. T. Garrison, Camp Lejeune, by 2 1-2 to 1-2 points. For the best ball team match, SSgt Spencer and WO Garrison shot a best ball of 73 to a 77 for Lt Douche and Major Cosley of Cherry Point to win 3 points to 0. Total points: Camp Lejeune 6; Cherry Point 3.

Third foursome match found HM1 T. J. Hornbuckle, Camp Lejeune, splitting points of 1 1-2 each against Pfc. W. E. Price, Cherry Point. Cpl. R. G. Thomas, Camp Lejeune, repeated the performance against MSgt J. R. Harris of Cherry Point, 1 1-2 points apiece. In the best ball match, HM1 Hornbuckle and Cpl Thomas of Camp Lejeune scored a best ball of 73 to a 76 for Pfc Price and MSgt Harris of Cherry Point and winning 2 points to 1 point. Total points: Camp Lejeune 5; Cherry Point 4.

In a twosome match against WO W. E. Gardner of Camp Lejeune and Lt. R. W. Mullane of Cherry Point, Mr. Gardner scored an excellent 77 to sweep all three points.

The honor of shooting the lowest score for this golf match went to MSgt C. C. Adams of Camp Lejeune who shot an even par of 72. SSgt. Spencer had second low score of a 76. Visiting honors went to Major Cosley with a 79.

The next golf match will be against the Jacksonville Naval Air Station, Florida, Saturday, 14 May, 1949.

Last year the Jacksonville team in two matches gave Camp Lejeune its toughest competition, so we of the golf team would appreciate any best wishes of good luck from our fellow golfers on our trip South. Thank you kindly!

Holly Ridge Pirates

The Holly Ridge youngsters are surprising the members of the Camp Lejeune sporting world by whipping into shape a group of boys who are bragging a good season of baseball thus far in the year. Last Sunday they defeated the Sneads Ferry nine 13-7 in an out and out ball game.

The diamond "aces" are children of Marine Corps and Naval personnel now living in the Holly Ridge vicinity.

Lejeune Marines Defeat ServLant Twice In Weekend Series College 9 Takes 2

Marines Top ServLant In Series Of 4 Games

By PFC. DAVID SHARPE

The Lejeune Marines carved out two wins over the ServLant nine of Norfolk last Sunday and Monday, to make it three out of four in their series with the sailors, and give themselves four victories against six defeats for the season's play thus far.

Blood Burns hurled a four hitter at the Virginians in the opener of the two game set, beating them, 4-2, and Washington and McCullum combined their pitching talents to fashion an 11-5 conquest of the sailors in the second and final game.

The initial encounter was a first-class pitching duel, with two Navy pitchers allowing only five hits, and Burns giving up four. The Marine moundsman walked only three and fanned sixteen ServLant batters.

ServLant opened the run-getting in the top of the second inning, pushing a single tally across when Martin slapped a homer. Lejeune came back in the second half of the same stanza with three runs on two walks and doubles by Frezza and Cawley. ServLant grabbed another run in the fourth on a single, a base on balls and a double, but the Marines went ahead to stay when Ferguson erred on Bishop's ground ball, and Spencer drove him home with a double to right-center field to wind up the day's scoring and clinch the contest.

The second game was a hair-raising affair, with the local Marines running away with the bases, and playing ball like the old St. Louis Gashouse Gang. The revitalized Marines stole the terrific total of thirteen bases. The proof of their hustling is shown by just the fact that they rapped out only nine hits, none of them for extra bases, but still managed to easily shove eleven runs across the platter. Added to this new-found drive was a sparkling relief stint by McCullum, who took the hill in a relief role for the second time in three days. The right-hander allowed only six hits in six full innings, and struck out seven.

Seven Leatherneck scores crowded into two big innings. The locals grabbed three in the fourth, a walk, a fielder's choice, an error, four stolen bases, two singles, by Gallagher and Spencer. Lejeune slammed more across in the eighth on two hits and two errors. Burns led off with a single, and McCullum followed suit after any had stolen second. Bishop a ground ball to second, but ServLant infielder bobbled momentarily. Hubany galloped home, McCullum went to second and Bishop reached first. Nofsinger and Gallagher moved down via the strikeout, but Cheval got on another error that let two more runs across the plate. Cheval stole second, stole third on the next pitch, wound up his jaunt around the bases by stealing home. Burns was put out to end the inning, but the damage had been done. ServLant scored twice in the ninth, but it was not enough, and Lejeune won off the field with an 11-5 walk-off victory.

Baseball Notice

The time for the "Play Ball" signal on the local diamond for the Varsity nine has been changed from 1700 to 1730. From now on, the games will begin promptly at 1730 Daylight Saving Time. All personnel are reminded that a good team needs good backing. Get out on the field and help our team with lots of yells.

Boxers Set Sights For Added Laurels

The Camp Lejeune Boxing Team finished the 1949 season with an impressive record. Pictured above are a few of the many trophies and honors the team has won during the current season. In the background, two boxers spar during training. Three of the Lejeune fighters will leave for the All-Navy Tournament in San Francisco May 16th. (Photo By Cpl. Ayers, Camp Photo Lab).

Intramural Sidelines

The Intramural Baseball Schedule has been revised so as to help the individual teams. The change was made to give the teams more home games and not to have the Intramural Softball schedule interfering with the baseball schedule and vice-versa. A complete revised schedule will be printed in complete next week on the Sports page of the Globe.

School Of Dance Plans Recital

"One Day In May" will be the recital presented by the School of Dance at 7:30 p. m. on May 20 in the Camp Lejeune auditorium. All seats for this recital are reserved at 50c each, and may be obtained by sending a note, accompanied by a check, to Mrs. Peter C. Killeen, 800 Butler Drive North, Midway Park. Although no reservation will be made by phone, those unable to contact Mrs. Killeen by letter, may secure tickets at the Midway Park Recreation Hall next Monday and Tuesday from 2-5 p. m. Only a limited number of seats are available, so don't count on buying one at the door because it'll be first come, first served.

Parents who are considering sending their children to Dancing School next year, are urged to attend the recital. This will give you an excellent opportunity to see what your child can learn with one session of dancing school. With very few exceptions (six to be exact), the children participating in the recital have never had dancing before this year. The School of Dance is sponsored by the Midway Park Woman's Club.

Jackson, Mich. (AFPS) — More than a thousand jailbirds will be released from the Southern Michigan Prison here.

The inmates have been keeping canaries in their cells. Each prisoner, in the past, has been allowed five birds. Prison officials have just reduced the quota.

ESTABLISHMENT OF EFFICIENCY RATING BOARD

The large number of civil employees at this activity requires the establishing of two efficiency rating boards of review, one for ungraded employees and another for the graded employees.

Each Board of Review will be made up of three members. The Regional Chairman will be appointed by the Civil Service Commission. Management Member will be appointed by the Commanding General and the Employee Member will be elected by the civilian employees of this activity.

The Board of Review is to be established for the purpose of hearing employees appeal their efficiency ratings to the board.

In electing the employee representatives it will be necessary that an election be held in which all civil employees at this station may participate. One member will be elected to represent the graded employees and will be voted for only by graded employees. Another member will be elected to represent the ungraded employees and will be voted for only by ungraded employees. In order to determine who will be voted on at election time, there will be nominations made within the next few days to determine employees that are eligible for election.

The nomination will consist of a form letter being distributed to each civil employee, explaining the purpose of the election and providing space for the employee to nominate, by endorsement of the letter, the name of the person he wishes to be nominated.

In making nominations for these positions only employees that have been employed at this base for a period of six (6) months should be considered. Also, in making this

selection you should consider employees that are best to represent all employees. Nominations will be sent in form and all should assist employees in completing this form and return to the Industrial Relations within the time specified. Picture on page 8.

IRO Personnel

Mrs. Viola D. Muniz, supervisor of the Recreation Section in the Industrial Relations Office, is shown in this picture. In this capacity she is responsible for the proper maintenance of official personnel folders for all employees; forwarding folders to the records section and to other activities requiring information; and as permitted by existing regulations, to inquiries received from various sources requesting information and data on Civil employees.

Mrs. Muniz is from Louisville, Kentucky, and is a commercial course graduate of the Trade High School in that city. She is a skilled stenographer and secretary.

Prior to accepting a position with the Navy at Camp Lejeune, Mrs. Muniz worked for a private concern, including the Washington Electric Corporation, where she was a stenographer and secretary. She transferred to the Industrial Relations Office in November, 1945, and is now in the position of supervisor.

Mrs. Muniz may be reached at Building No. 33, Main Station, by phoning 2106—Records. She will be glad to provide information to employees, supervisors, and management heads with any personnel folders of employees at this activity.

Gripe Of The Week

In spite of all the editorials on safe driving, and the many cuts, depicting accidents, run in this paper during the past few weeks, some drivers continue to drive recklessly, heedless of well meant warnings.

If only their lives were endangered there would be no gripe, but so many other lives are in peril because of them, a gripe seems in order.

Cars cross STOP streets without even slowing down, others shoot out from side roads onto main thoroughfares with the drivers not even giving a look to see if anyone else may be coming. The poor pedestrian is in a tough spot if he happens to miss seeing one of the "cowboys".

Drive the way you want others to drive, and give all hands a chance to live longer.

Some sing for fame, many sing for fortune, others sing for fun. The latter group will have an opportunity to do just that, and win a free meal and a night on the town besides, everytime bandleader Tommy Tucker presents the novel competitive program of musical hi-jinks titled "Sing For Your Supper," a regular Mutual network program feature on Thursdays. (9:30 to 10 p. m., EDT).

Four fine-voiced contestants (in their own estimation) are selected from the studio audience, interviewed by Tucker and asked to sing a song selected by the maestro with the band supplying the accompaniment. "Up to this point it will be easy," the genial maestro points out. "But after that it gets a little rough because each contestant in addition to singing the tune, must also act out in pantomime the lyrics of the song. Picture, if you will, a big husky he-man singing "Buttens and Bows" or a lovely young lady warbling "Wabash Cannon Ball." Get the idea?"

The lucky winner judged most proficient in song and pantomime will be treated to an all-expense whirl of Manhattan, starting off with evening repast at a famous restaurant and capped off with an evening of fun and revelry at several of the fashionable night clubs.

Melodic moments, other than those supplied by the contestants, will be provided by Tucker's band, vocalist Nancy Donovan and the Ray Charles quartet. Billy Dee, sax-playing band comedian, will add more laughs to the uproar.

(SEA) — Because golf was keeping men from practicing their required archery, the Scottish Parliament in 1457 passed a law prohibiting the sport.

Several enlisted men of the Army, Navy and Air Force appeared before the committee in support of the measure. They said that the increase in pay and other features of the bill made a military career much more satisfactory for enlisted personnel. Some of them felt that the requirement of 12 years' service in order to qualify for disability retirement was too high and should be lowered to seven or eight years. Some members of the committee indicated their agreement.

Thousands In Dormant Bank Accounts May Belong To Navy Personnel Or Kin

By Ships' Editorial Association

Somewhere in the Naval Service there probably are a number of sailors and marines who can be richer by a few thousand dollars merely for the asking.

Well, maybe it's not as simple as that. BuPers has taken over the task of locating naval personnel who may have dormant bank accounts originally opened by them in banks throughout the world and apparently forgotten.

Banks in the 11th and 14th naval districts already have supplied the bureau with lists of unclaimed bank deposits. These lists in turn are being screened to locate the Navy depositors or their legal heirs. Every day the Dependents Welfare Branch of BuPers is notifying depositors of dormant accounts to communicate with the banks concerned.

Before the huge task is completed, it is anticipated that many thousands of dollars will be unearthed. Over a period of time some of the accounts have reached sizeable proportions. One account alone amounted to \$1,500.

So far, only banks in the 11th and 14th naval districts are supplying lists of dormant accounts through the commandants concerned. Additional lists of unclaimed deposits will be supplied from other naval districts, and the work of locating depositors will continue.

Any person who may have an unclaimed account or think he may be an heir to a dormant account is reminded that laws in some states provide for such money to revert to the state after lapse of a given number of years. In California unclaimed accounts in banks automatically become the property of the state of California after being dormant for 20 years.

Naval personnel or their heirs who think there may be such an account awaiting their claim may seek such information by writing the Chief of Naval Personnel (Attn: Pers. 534), Navy Department, Washington 25, D. C.

All of this is used for four classes of Sunday School. I was able to show this work as a result of the contribution of the 2d Division and many of the children were very pleased with this new Sunday School 'room' which is a gift of 'Los Marineros'."

It is indeed a great thing the missionaries are doing for the less fortunate people who are scattered throughout bits of land not yet cultivated with religion. It is also a pleasure to know that men of Camp Lejeune have shared their enjoyment in divine moments, and had a part in the contribution to such a worthy cause.

Popular Mechanics Features Marine's Invention On Travel

NEW YORK, N. Y.—The automobile "Travel Rest," developed by Marine Master Sergeant Charles C. Altomare, Marine Corps Air Station, El Toro, Calif. in cooperation with Mr. Earl Gurley of Springfield, Mass., is currently being featured in the May issue of POPULAR MECHANICS Magazine, it was announced by the New York Marine Corps Public Information Office.

Designed for overnight traveling accommodations, the "Travel Rest" consists of a plywood box six feet by four feet by 10 inches which holds an air or cotton mattress. When released, a tent springs up over the box, complete with plastic screens on all four sides. The box is held on the top of the car with suction cups and safety straps. The illustrated article, placed by the New York office of the Director, Division of Public Information, shows Sergeant Altomare demonstrating his invention.

Divisionaires Make Debut

Nine members of the 2d Division Band, plus Wanda Deane, have come up with an entertaining 'society style' dance orchestra. Calling themselves "The Divisionaires," the group made a hit with their performance last Friday evening when they played at the Staff NCO Club. If their debut can be taken as a criterion, the new band figures to be a hot favorite around the dance spots of Camp Lejeune. Shown above are: "Limey" Warren, leader-arranger, at the piano; "Flip" Cramer, Joe Villeneuve, "Shot" Patti on the tenor saxes; "Dizzy" Smith and Roland Ruggieri on the trumpets; Pete Risco on the trombone; Ron Galli with the drums; Eddie Lang strumming the bass; and songstress Wanda Deane.

The flag of Cuba was designed in a New York rooming house a century ago and flew for the first time, May 11, 1850, from the top of a New York building. It was first raised as Cuba's official emblem at Morro Castle on May 20, 1902.

Divisionaires Feature "Society Style" Music

According to the comments offered after last Friday night's performance at the Staff NCO Club, the "Divisionaires," Camp Lejeune dance orchestra, figures to become a prime favorite with the set. It promises to become a 'band in demand' when music fans these parts have had a chance to hear the "society style" of "Limey" Warren and his crew.

Col. Sims Named As Norfolk Police Chief

Headquarters, Fleet Marine Force, Atlantic, Norfolk, Va., May 3—Colonel Amor Le Roy Sims, USMC, Commanding Officer, Marine Barracks, Norfolk Naval Station was named by City Manager C. A. Harrell to take over the reins as police chief of Norfolk today.

Colonel Sims is due for retirement from the Marine Corps on June 30, and it is anticipated that he will take over his new duties on the last of July.

Norfolk has been without a Chief of Police since March 11 when Chief Claude Lindsay resigned after a Grand Jury investigation of the Norfolk Police Force. Speculation as to the identity of the new chief has been rife since Lindsay's resignation. It culminated today when City Manager Harrell confirmed the rumors of Colonel Sims' appointment.

Norfolk's new police chief is a veteran of 32 years of Marine Corps service covering two world wars as well as insurrections in San Domingo and Nicaragua.

He has twice been awarded the Legion of Merit and holds Silver Star awards for both world wars.

Ex-Marine, Now Cop, Jails Seven In Fray

Calumet City, Ill. (AFPS) — A fighting Ex-Marine recently demonstrated the fallacy of lucky numbers, in this case the numeral seven.

Police officer Leon Kozlowski, a former Marine and a Jap prisoner in World War II, was patrolling his beat here recently when he encountered seven men engaged in a "free-for-all."

Undaunted by the odds, Kozlowski waded into the fracas. All seven were jailed.
