A Father Speaks

No Better Contribution...

To the Editor-in-Chief of the Globe
Dear Sir:

Last summer, while I was on duty in the Mediterranean, my six-year old son was stricken with polio. It was a great shock to me because I was in a position where I could lend neither aid nor comfort to my son or to Mrs. Sherman who had to bear all the worry and anguish that a mother can feel by herself.

At that time, if there had been anything possible for me to do, I would have done it. But there was nothing. I had to trust in the medical care available and hope for the best.

I would like for all personnel, both civilian and military, who read your columns, to know that my trust was completely justified. I would like everyone to know that the complete recovery of my son was brought about by the care given him by the National Foundation for Infantile Paralysis.

As soon as my son's case was diagnosed as polio, he was taken to the nearest hospital where the best medical knowledge on the subject was available. Specialists were called in and constant nursing was administered until he was pronounced well enough to go home. Even after that his health was checked until now he shows no sign of his illness.

My boy was luckier than some. Others will remain crippled through life. But he received no better care than was given and continues to be given by this organization to all victims of the dread disease. Those who do not recover as rapidly as did my son, or who remain crippled, continue to receive the best of care.

Naturally, I had expected that there would be considerable expense incurred. However, I am informed that neither wealth nor poverty make the slightest difference in the kind of care given the afflicted. It is all free—even the cost of the ambulance service to the hospital.

Why am I writing you this? Because, as one who has personally experienced what it means when this crippling disease strikes I want to remind all who may read this that IT CAN HAPPEN TO ANYONE AT ANY TIME. I want to go on record as saying that no better contribution can be made to the service of one's fellow man than that which is represented by the "March of Dimes."

No, there was nothing I could do at the time my son was stricken with the dread malady. I just had to leave matters in the hands of hospitals and doctors. But there is something I can do now—not for my boy, but to help someone else. That is to contribute as much as I can reasonably afford to the March of Dimes and to urge everyone to contribute to this cause which I can attest is so WORTHY. Remember, next year it might happen in your family.

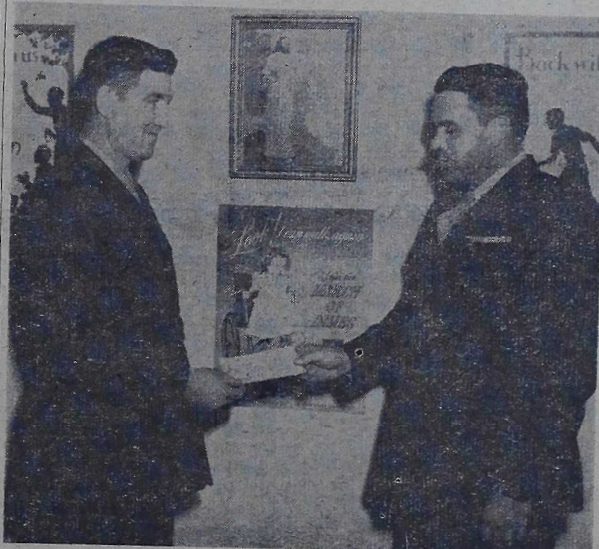

A grateful Father,
PAUL D. SHERMAN,
Colonel, U. S. Marine Corps

Most Crucial March Of Dimes Campaign
In History Commences Here Saturday

The most crucial March of Dimes campaign in history opens Saturday here at Camp Lejeune as well as in all other sections of the United States. Every Marine and civilian at this giant base will be given the opportunity to contribute to this very worthy cause during the period 15 to 30 January to enable the National Foundation for Infantile Paralysis to carry on the fight against polio.

First Contribution

The members of the Hadnot-Sandlin Post of the Veterans Of Foreign Wars made the first contribution in the Lejeune March of Dimes fund-raising appeal this week when Lt. James E. Cockrum, Commander, VFW Post 9010, presented a check to Commander E. Richard Barnes, Chairman of the local campaign (below). In making the presentation, Lt. Cockrum said, "All of our members fully realize the good work the National Foundation for Infantile Paralysis accomplished when the dread disease struck North Carolina last Summer, and we are happy and proud to contribute to this worthy cause."—(Photo by Cpl. Rider).

The good work that has been done by this organization since its inception is familiar to nearly every citizen in this country and is particularly well-known to those who, last year, resided in the areas where the epidemic was the most savage since 1916. North Carolina was hit particularly hard last year and the Foundation poured emergency aid into the state through its local city and county chapters. Camp Lejeune, with several cases was not immune to the dread disease either.

The Epidemic Emergency Aid funds of the Foundation were depleted by the terrific drain in 1948, making the need for contributions greater than ever this year. One of the important tasks of the national headquarters is to have on hand a sufficiently large emergency epidemic aid fund to meet the urgent requirements of areas where polio flares up during the coming summer. It is known that these epidemics will come but it is not known which areas will be affected.

COMMANDANT'S STATEMENT
The Commandant of the Marine Corps made the following statement regarding the March of Dimes:

"During the past year the dread disease of polio has spread with alarming rapidity. Demands for medical facilities for the unfortunate victims have been excessive. See MARCH OF DIMES On Page 8

Hypnotist Startling Lejeune Audiences
With Time; Last Shows Today, Tomorrow

The world-famous hypnotist, Professor Daniel Schmidt, presented the first two of seven scheduled shows last night at the Camp Theater in his seventh appearance at Camp Lejeune. As in every instance in the past, he startled and amused his large audience at both shows. His final appearances at Lejeune tomorrow and tomorrow hold a promise of equally good entertainment.

Today at 1300, the professor will give a free performance at the Camp Hospital. This evening at 1900 he will be at the Tent Camp Theater and at 2030 he will present a thrilling show at Montford.

Tomorrow, Professor Schmidt will be at Courthouse Bay at 1800 and will make his final Lejeune appearance at the Camp Theater at 2030.

Professor Schmidt presents a performance that holds his audience on the edge of their seats during the entire hour he is on stage. He demonstrates his hypnotic powers in an unusual manner that even the most skeptical member of his audience is definitely convinced of its scientific nature.

He uses only volunteer subjects from the audience, and is a standing offer of one thousand dollars to anyone who dares to prove that he uses any magic or stoges.

See a group of twenty or more. See PROF. SCHMIDT On Page 8

Comedy When Professor Daniel Schmidt is on stage, there is bound to be a howling audience on the other side of the footlights. The famed hypnotist combines education with hilarity to produce a show that tickles the funny bone while leaving the audience with a better idea of the real story of hypnotism. In the picture below, taken during his last appearance here, the subjects, at the professor's suggestion, make a wild race for gold bricks which are, in reality, common potatoes.

Small Bore Match
Program Starts For
Marine Bks. Units

Intramural 22 caliber rifle matches for all units of the Marine Barracks are being inaugurated this month. Now that the holiday leave periods are concluded, the small bore program is gaining momentum with several organizations already practicing.

According to a recent Camp Memorandum, each unit of the Marine Barracks will conduct elimination tryouts and organize a team consisting of a team coach and eight shooters. Each unit will designate an Officer-In-Charge of its small bore team. This officer may also serve as coach or a shooting member.

The caliber 22, M-2 rifle will be used. Each Officer-in-Charge of unit teams will draw rifles, if needed. See SMALL BORE On Page 7

Noted Historian
To Address Marine
Wives Next Thurs.

Miss Gertrude S. Carraway of New Bern, noted historian, will give a lecture on the history of North Carolina on Thursday January 20th at 2:00 p. m. to the wives of all Marines at Camp Lejeune. The lecture will be given in the auditorium of the Camp Lejeune High School under the auspices of the Officers' Wives Club of Camp Lejeune.

Miss Carraway will present an interesting talk to the audience on the rich historical background of North Carolina beginning with the ill-fated "Lost Colony" established by Sir Walter Raleigh in 1587 at Roanoke Island, Manteo, North Carolina.

She has always been ardently interested in the historical background of this state and is recognized as an authority in that field. Miss Carraway, who is a zealous supporter of the Marines at Lejeune published an interesting booklet entitled "Camp Lejeune Leathernecks" in March of 1946. The booklet was dedicated and donated to the Marines of Camp Lejeune.

How It Began

March Of Dimes

In the golden days of late summer, 1921, after swimming in the cold water of the ocean near his Canadian camp in New Brunswick, Franklin D. Roosevelt, a stalwart man of 39, was stricken with infantile paralysis.

Three years later he came in a wheelchair to the run-down summer resort of Warm Springs, Georgia, to try swimming in the warm waters for improvement of his weakened legs. There, in 1927, having tested the idea of an after-care center for infantile paralysis victims, Mr. Roosevelt and a group of friends formed the Georgia Warm Springs Foundation, a non-profit-making institution exclusively for infantile paralysis.

From this sequence of events was born the National Foundation for Infantile Paralysis. For, in 1934, when the American people danced for the first time on the birthday of the man who became 31st President of the United States, it was clear that the fight against infantile paralysis must be spread to all parts of our land.

Thus, from the personal tragedy and the dream of a man who emerged as a great national leader despite physical handicap, came an organization that has touched the lives of thousands of polio patients, mobilized the scientific and medical forces of the nation, and inspired international plans for an all-out effort to conquer this disease all around the world.

The National Foundation was incorporated under the laws of New York State on January 3, 1938. Created with the dimes and dollars of millions of people, it has gone forward. From an ideal set down on paper it has become an active, potent force in the life and health of our nation.—W. B. K.

Rabbi Jerome G. Tolochko of Temple Israel, Kinston, will conduct services each Tuesday evening at 2000 in the new location in Building 67. A social and refreshments will follow.

Chaplain's Corner

America—1949
And The
March Of Dimes

It is a thrilling thing to be an American. In spite of her faults and her failures of which we hear so much, have you asked yourself recently, "Where else is there such a country, such a people?" In the presence of human need whether at home or abroad this land of ours never fails to reach out the hand of help and sympathy and healing.

Nowhere else is this demonstrated more clearly than in the case of infantile paralysis.

In answer to this dread disease America has answered. Fight! Fight infantile paralysis! Fight it with the best medical science and research; fight it with doctors, nurses, hospitals. Fight it with every needed medicine, piece of equipment, treatment and follow through. Fight it with an aroused citizenry, with the March of Dimes! and DOLLARS.

This time we need dollars. Dimes of course, and pennies too, but mostly dollars, lots of dollars. Why dollars? Because "Polio" struck our people—such a cruel blow in 1948, one of the worst years in our history. For North Carolina the epidemic was 23 times greater than in 1947. Dollars because infantile paralysis is one of the most expensive diseases known to medical science (average cost per case today \$2000.00). Some cases run as high as \$10,000.00 per year. Nine out of every ten American families would be helpless in the face of such an expense. Yet through the National Foundation for infantile paralysis the American people guarantee that no one suffering from this disease need go without the best available care because of the lack of funds.

At Camp Lejeune every officer, enlisted man and civil service employee will be given the opportunity to make a free-will contribution to this worthy cause. This is not charity, this is a wonderful chance to make an investment, an investment in a great fight to a great cause; in behalf of great American kids! Let's all do it in a great way!

The little girl with the wheel chair is saying to you "Look! I can walk again."

Chaplain E. Richard Barnes
Chairman, Camp Lejeune March of Dimes Campaign.

Christian Science
Meeting Friday

There will be a meeting of all those interested in Christian Science on Friday, 21 January, 1949, at 1930 in the Camp Protestant Chapel.

Episcopal Confirmation
Class Meets Each Sunday

A Confirmation Class for membership in the Episcopal Church meets each Sunday morning at 0900 in the Camp Chapel. Confirmation will be held in February at a date to be announced later. Persons interested in joining the class are requested to notify Chaplain Smart, phone 3145 or 6569.

Coach: "What's his name?"

Manager: "Duntanivolsinski."

Coach: "Good. Put him on the first team. Boy, will I get even with the newspapers."

What's New

Wish You Knew?

QUESTIONS

1. The proposed 22nd Amendment to the Constitution—which limits election of a President to no more than two terms—has now been ratified by 21 States. How many states will have to ratify it altogether before it is declared adopted?

2. At the beginning of 1948 there were, 58 countries in the United Nations. How many are there now?

ANSWERS

1. Thirty-six, (three-fourths of the states). Under the terms of the Amendment it must be ratified within seven years of its proposal by congress—by March 1954—to be declared adopted.

2. Fifty-eight. No new members were admitted during the year, although there were several applications for membership.

Tout: "I told you Peripatetic would win in a walk."

Trackman: "That so? I thought he lost."

Tout: "Yes, he did, but that was because all the other horses insisted on running."

"Heard you were moving the piano, so I came over to help."

"Thanks, but I've already carried it upstairs."

"All alone?"

"Nope, harnessed the cat to it and drug it up."

"You mean your cat hauled that piano up two flights of stairs? How could a cat pull a heavy piano?"

"Used a whip."

NEW RIVER
RIPPLES

A workman was operating a bus saw for the first time. His boss hardly left the room after giving lengthy instructions on how to protect himself from injury, when he heard a scream. Rushing back saw that the man had lost a finger.

"How did you do that?" asked the boss.

"Well, I was just doing this," illustrated the workman, "when whoops, there goes another one!"

Boston Store Manager: "Did you take any money out of the cash drawer last night?"

Clerk: "Yes, I had to borrow a car fare home."

Manager: "And since when have you lived in Los Angeles?"

The flying instructor was using a new system he had learned at West Point in the psychology courses there. When he and his student were well aloft, he threw his stick out of the plane.

"This will show you that I have complete confidence in your ability to fly."

"Thank you, sir, and I'll show you that I have complete confidence in you too," replied the student as he threw his stick out.

Native: "Sahib, I saw a lot of tiger tracks about a mile north here."

Hunter: "Good! Which way south?"

Telephone rings in newspaper office late Saturday night.

"Is this the religious editor?"

"Yes."

"This is Rev. Dr. Thirdly. You have the notes for my tomorrow morning's sermon?"

"Yes."

"Will you do me the favor to take Daniel out of the fiery furnace and put him in the den of lions?"

"Who was that lady I saw you with the other night at that sidewalk cafe?"

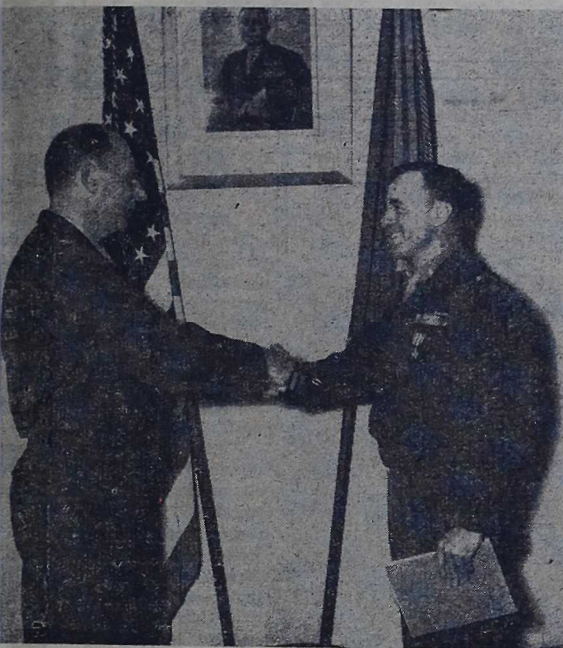

"That was no sidewalk cafe. That was our furniture—we're in the garage there."

With a grind of brakes, the officer pulled up to the side of the road. "Say, Sonny," he called, "do you see an airplane come down anywhere near here?"

"No," the boy replied, sticking his slingshot in his pocket. "I've only been shooting at bottles."

Miss Marston Pavilion Of 1949' Contest Announced

Silver Star 1st Lt. Eugene A. Bushe, 10th Marines, was awarded the Silver Star Medal, during ceremonies last week, for conspicuous gallantry and intrepidity in action against enemy Japanese forces on Iwo Jima on February 19, 1945. Col. R. B. Luckey, C. O. of the 10th Marines, made the presentation (below). — (Photo by Pachucki, 2d Division Photo Sect).

Quarterly Reception At Officers' Mess Sunday, Jan. 23rd

A quarterly reception will be held at the Commissioned Officers' Mess on Sunday, January 23rd, between the hours of 1700 to 1900 in honor of the officers and their wives who have arrived on the post since the last quarterly reception.

Uniform for the occasion for Marine officers will be "Undress Blue" and for Naval officers "Service Dress Blue D." Temporary officers not possessing the blue uniform may wear the uniform of the day with coat.

MV Inspection Lane In J'ville Today, New Periods Listed

The North Carolina Motor Vehicle Inspection Lane is scheduled to be in Jacksonville today and remain through the 18th. This year, N. C. licensed vehicles must be inspected semi-annually, with year models meeting the deadlines listed below for the first period.

During this month all models up to and including the year 1936 must be inspected. January 31 is the deadline.

The first semi-annual inspection period for each year shall begin on January 1 and end on June 30, a North Carolina Department of Motor vehicles regulation states.

The second semi-annual inspection period for each year shall begin July 1 and end on December 31.

Other inspection deadlines for the first period follow:

All motor vehicles of the year models 1937 and 1938 shall be inspected on or before February 28, 1949.

All motor vehicles of the year models 1939 and 1940 shall be inspected on or before March 31, 1949.

All motor vehicles of the year models 1941 and 1942 shall be inspected on or before April 30, 1949.

All motor vehicles of the year models 1943 through 1947 shall be inspected on or before May 31, 1949.

Special Dance Feb. 3rd To Feature Selection Of 'Miss Pavilion Of '49'

Miss Marston Pavilion of 1949 will be chosen at the enlisted men's dance on February 3rd. This special event will be one of the highlights planned by the Pavilion Committee for a farewell dance for the 2d Marine Division.

Interesting Service Scheduled Sunday At Protestant Chapel

Next Sunday evening at the Camp Protestant Chapel a service of special interest has been prepared built around the theme of "The American Bible Society and Its Mission Today." Chaplain James V. Claypool, Captain, USN (Ret'd), Secretary, Promotion of the Bible Use, American Bible Society, New York, will be the speaker.

Chaplain Claypool had a colorful career in the last war, having served with the Battleship USS South Dakota during the period when she was known as Battleship X. He was present on the famous mystery battleship during her entire early history including the Battle of Santa Cruz Islands and second battle of Savo Island at Guadalcanal. Upon return he wrote the well-known book "God on a Battle Wagon."

Preceding Chaplain Claypool's address, two movies will be shown, one of which will be the American Bible Society film "The Book for the World of Tomorrow."

The program will begin at 1900. All hands are cordially invited to attend this service.

"Just why do you want a married man to work for you rather than a bachelor?" asked the curious friend.

"Well," sighed the employer, "the married men don't seem to get so upset if I yell at them."

All motor vehicles of the year models 1948 and 1949 shall be inspected on or before June 30, 1949.

The color of the seal may be changed for each period, it was stated in the regulations.

The lane, No. 36, will be in Jacksonville again on February 10-15, and March 11-17.

The lane will be located on Johnson Blvd. at the intersection of U. S. Highway 17 and N. C. 24.

Plans are progressing rapidly to make this dance one to be long remembered by Marines at Camp Lejeune. Judges for the contest have not been named but a non-partisan board is assured.

Miss Marston Pavilion will be a wife or girl friend of an enlisted man at this giant base. Entries must be submitted by a serviceman and all committee members will accept entries at the January 20th dance and prior to the judging on January 3rd.

A really memorable dance is planned for the 3rd of next month. Every enlisted man is eligible to submit an entry for the contest to select Miss Marston Pavilion of 1949. Get in on the fun and don't let your best girl down. Now is the time to start thinking about it and planning to attend.

1949 March Of Dimes Committee Members For 2d Div. Named

2nd. Division Committee Members for the 1949 "March of Dimes" are as follows:

- H&S. Bn.—Major Dorrance Radcliff
- 8th. Mar.—WO. Thomas W. Houston
- 10th. Mar.—Lt. Cdr Robert S. Sassaman, ChC., USN.
- 16th. Mar.—Lt. (jg) Reginald A. Berry, ChC., USN.
- 21st. Mar.—1st. Lt. Milton C. Cargill
- 2nd. C. S. G.—Lt. Cdr. Harold A. Mac Neill, ChC., USN.
- 1st. A.A.A. Bn.—Lt. Col. Ronald K. Miller
- AmTrac Bn.—1st. Lt. George W. Carter
- Eng. Bn. — 1st Lt. Charles W. Harris
- Med. Bn.—CPHM. M. O. Lyman, USN
- Tank Bn. — W.O. Millard C. Akers
- 1st. Prov. Regt.—1st. Lt. Harold E. Roland, Jr.
- 2nd. Prov. Regt.—Lt. Robert L. Murphy, ChC., USN.

Lt. E. A. Bushe Awarded Silver Star for Conspicuous Gallantry On Iwo

1st Lt. Eugene A. Bushe, Executive Officer of Rocket Battery, 10th Marines, was awarded the Silver Star Medal last Thursday for conspicuous gallantry and intrepidity while in action against enemy Japanese forces on Iwo Jima February 19, 1945.

The medal was presented by Colonel Robert B. Luckey, Commander of the 10th Marines, during appropriate ceremonies at 10th Marines regimental headquarters.

First Lieutenant Bushe, then Second Lieutenant, was cited as follows:

For conspicuous gallantry and intrepidity as Commander of a Rocket Section of the Third Provisional Rocket Detachment, Fifth Service Battalion, Fifth Marine Division, in action against enemy Japanese forces on Iwo Jima, Volcano Islands, on 19 February 1945. Landing with his rocket vehicles in the assault.

Second Lieutenant Bushe coolly directed their movement through heavy surf up the soft sandy terraces of the beach to a firing position which he had previously reconnoitered under heavy mortar and machine gun fire. Although both the rocket position and his observation post were continually subjected to hostile fire, he moved from weapon to weapon and to his observation post while bringing enemy targets under fire. After three of his vehicles had been destroyed, Second Lieutenant Bushe maintained the fourth in constant operation despite the intense enemy barrage and continued fire on hostile positions.

By his professional skill, cool courage and devotion to duty, Second Lieutenant Bushe aided materially in the advance of the assault infantry, thereby upholding the highest tradition of the United States Naval Service.

'Human Relations' Board To Counsel All Armed Forces

WASHINGTON—(AFPS) — The Army Personnel Policy Board, sometimes categorized as the Army "human relations" board, is being raised to National Defense Department level, so that all branches of the Armed Services may benefit from its policies, it has been announced.

The Board is one of the special projects of Gen. Omar Bradley, Army Chief of Staff, who is deeply concerned both with the Army in the affections of the public and with the recognition of the principle of human dignity in the Service.

With the upward move of the Personnel Policy Board, Brig. Gen. Charles T. Lanham, its chief, and See HUMAN RELATIONS On P. 8

New Director Named For Presbyterian Recreation Center

Rev. Carl B. Craig, pastor of the Jacksonville Presbyterian Church, announced this week that Mrs. John Grier has been named new director of the Presbyterian Recreation Center on College Street.

Coincident with this announcement, Rev. Craig stated that the Center now features a special party every Thursday evening with plenty of entertainment and many young ladies from Jacksonville present.

The Recreation Center is open every night except Monday and all servicemen have a standing invitation to stop in regularly and make full use of the fine facilities.

First With Fifth Award

Mess Hall 411, 16th Marines, last week won the mess efficiency pennant for the fifth time, the first mess hall to do so under the inspection and competition program. Colonel R. H. Jeschke, Chief of Staff, Marine Barracks, made the presentation (below) to MSgt. P. C. Smith, mess sergeant. The mess officer, Lt. W. O. Day, is on Smith's right. (Photo by Sgt. Powers, Camp Photo Lab).

Leathernecks Hand 1st Defeat To NAS Norfolk Cagers

BY PFC. DAVE SHARPE

The Camp Lejeune Marines defeated Norfolk Naval Air Station on the Sailor's court last Thursday night, 62-58, in a Class A thriller, but the story of their victory over the previously unbeaten NAS contingent can be put, for the most part, into two words: namely, Anderson and Bishop.

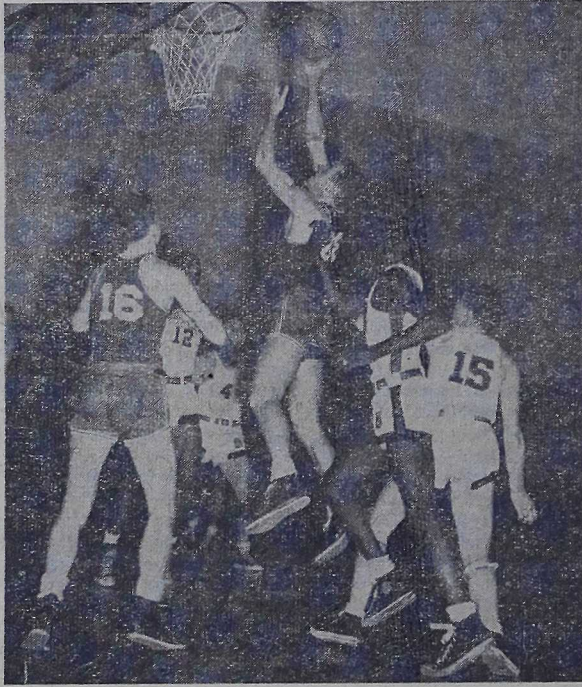

For it was the combined collection of these two that accounted for 42 points, and their defensive play was something right out of the annals of yesterday's greats. It was either Lew Anderson or Whiz Bishop who stole a loose ball or pitched an impossible shot through the nets time after time as the game progressed.

Whiz Bishop himself opened the night's scoring on a long set shot, and the Pittsburgh Phantom went even further to convert two free throws, then score on a one-hand jump shot before NAS could break the ice. Hooks Wood started it off with a set shot, then converted a charity toss. Leroy Pasco, NAS' forward who was All-Conference at that position with Texas Christian, hit on a southpaw shot and Wood scored again to send NAS out in front 7-6.

Rollie Kubiskey tied it up at 7-7, however, and Lejeune crawled to a 15-8 lead after seven minutes of play had elapsed. Anderson and Bishop.

Ranking High

Howie Westphal, ace pivot man and high scorer in the basketball game Saturday night against the 82nd Airborne, is caught in mid-air in the picture below taken during one of the plays in which he displayed his outstanding skill in Gym 201. In recent weeks, Westphal has shown ever-increasing ability on the hardwood, bringing him to the fore with the leading scorers in every game. Pacing him are "Whiz" Bishop No. 16 (waiting for the pigskin pill in the picture below left and in elusive action below right) and Rollie Kubiskey. The Lejeune cagers are forging ahead as a well-knit and extremely capable service team that should work its way well up the ladder. (Photo by Cpl. Jellison, 2d Div Photo Sect).

Lejeune Chalks Up 15th Victory In 16 Service Starts

By PFC. DAVE SHARPE

The Leathernecks of Lejeune ground out their 15th victory in 16 service starts here last Saturday evening, smothering a strong 82nd Airborne quintet, 71-56. The Lejeuneers marked the first score of the board with Howie Westphal, tap-in, and stayed out in front throughout the rest of the basketball game.

Westphal, Lejeune's pivot man was the "mostest of the bestest" all evening as he ruled both boards and pulled shot after shot out of nowhere to lead the Lejeune scorers with 18 points. Right behind him was Whiz Bishop with 17 to his credit, and "Rollickin' Rollie" Kubiskey finished out the tight trio of scorers with 16 tallies to his credit. Zeke Dawson, 6' 4" center of the All-Americans, emerged with high total for the night with 24, and his set shooting kept the All-Americans in the ball game.

Led by hustlin' Howie, the Marines worked their way to a 10-lead, and their scoring was only postponed by an All-American time out. Immediately after play resumed, Westphal pulled off the defensive gem of the game. As his man was coming in for a lay-up, he See BASKETBALL On Page 6

Boxers Lose Six Bouts To Airborne But Show Promise Of Future Power

By CPL. WAYNE RUSH

Camp Lejeune's boxing team began the year 1949 by losing six of nine bouts to the 82nd Airborne Division Tuesday a week ago, but fighters, trainers, and coach alike came away jubilant with the realization of having at least eight boxers who will bear watching during the Carolinas Golden Gloves eliminations which start tonight in Concord, N. C.

The team's two stalwarts, Lee Damon and Mario Pinelli, were out of the ring last week. Damon, who has lost only six times in 127 fights, was still nursing a bad cut over his eye. Pinelli, now in his third season with Lejeune and New York's featherweight champion of the 1945 Golden Gloves, had no match in weight.

Mario Pinelli's younger brother, Mike, battling in the lightweight class, dropped a near decision to the 82nd's Joe Perez. The junior Pinelli turned out to be a crowd pleaser, using a steady aggressive style with vicious face blows. By the third round, Perez's nose was bloodied but the game Mexican took advantage of a tiring Pinelli to swing the decision.

Lejeune's third victory on the nine-bout card came by way of Montford Point's batamweight, Chalky Fears. Fears won a split decision over Frank Spennati, the 82nd Airborne Division's bantam champion. Ex-sailor Fears, also a novice, claimed this fight as his first outside of smoker bouts aboard ship.

Johnny Balweirczak knocked down Ben Maciel, the 82nd's lightweight champ, in less than a minute after the starting bell, but lost. See BOXERS On Page 5

Bulletin

The Camp Lejeune basketball team handed the Little Creek Amphibs their third loss in 24 games Tuesday night in Gym 201 to the tune of 66-46.

"Whiz" Bishop lived up to his nickname as he played a stellar game to rack up 28 points for the Leathernecks.

Graumer And Hill Top Two Man Team In Golf Tournament

The champions of the Two Man Team Tourney are MSgt. J. L. Graumer and TSgt. R. H. Hill. These two golfers really were at their best in this tournament as together they scored an 88 when by themselves they have a hard time trying to break 100.

Graumer's handicap of 21 and Hill's handicap of 27 gave them a total handicap of 48 which subtracted from their score of 88 gave them a grand score of 64. See GOLF TOURNEY On Page 7

Golf Schedule

22 and 23 January — Blind Partner Tourney — Partners drawn by lot after teeing off time—1-2 combined handicap allowed.

5 and 6 February—Least putts Tourney—Prizes for least putts in 18 holes. Net score of 80 or lower is necessary.

GOLF COURSE HOURS
 Tuesday thru Sunday—0800 to Sunset.

Closed All Day Monday.

Local Fighters Take 4 Of 6 Bouts With Parris Island On Short End

Gym 401 was the scene of six slashing bouts between the Lejeune and Parris Island boxers Monday night with the local Leathernecks taking four of the carded events. The leather-pushers on both teams fought hard in every match and the locals were forced to keep on their toes to gain the telling tallies.

Staff NCO Bowlers Defeat Wilmington 5 Out Of 6 Games

Bowlers from the Staff NCO Club, seeking to make a comeback against their Wilmington rivals after the shellacking handed them just before the holidays, rebounded with a vengeance Sunday. The two Men's teams won two of their three games and the Ladies made a clean sweep of it, taking all three.

MSgt. Menchner with a 582 triple and TSgt. Radford with a 502 led Teams No. 1 and No. 2 respectively to places in the win column. Mrs. Harless with a 412 led the way for the women.

MEN'S DOUBLES

The Men's Doubles Tournament will begin 18 January. Entry blanks can be obtained at the club and should be turned in at the information desk in the club lobby on or before 15 January.

The results of the Wilmington games are as follows:

STAFF CLUB TEAM NO. 1				
Player	1	2	3

The high spot of the evening was the bout between Charlie Baggett of Parris Island and Jimmy Powell of Lejeune. Both these boys were aggressive and full of fight. Powell easily took the first round by flooring Baggett twice with devastating rights and body blows. The second round found Powell still the aggressor but Baggett kept throwing left into Powell and the round ended about even. The third round was packed full of action with both boys boring into each other and the bell Baggett had Powell hanging on. The judges awarded Baggett the decision.

Joe Pinelli, in the first bout of the evening, easily outpointed Otto Aliff of Parris Island, and won the decision.

In the second bout, Gene Smith of Parris Island light heavy weight was too much for Bill Reece. Smith knocked Reece out in the second round. This was Reece's first fight and he tried hard but Smith had too much experience for him.

The third bout brought together Joe Thompson of Lejeune and Alfred Aloia of Parris Island. Thompson calmly measured his man in each round and poured some hard rights into telling spots. He polished Aloia off in great style in the third round via the knockout route. It was

See PI BOUTS On Page 5

Boxers

CONT FROM PAGE 4

close decision disliked by followers. As was obvious at Fort Bragg, Lejeune is well stocked in all divisions but the light heavy and flyweight. Currently, there is only one man each in these divisions. A word to the wise be sufficient, there is a chance expert training and a crack at Carolinas Golden Gloves and U for scrappers weighing more than 160 and possessing a familiarity with the fundamentals boxing.

The first match bout of what easily be a golden career, Lejeune's Pete Schiro made a spectacular debut against the Army's Mike Castro. Featherweight Schiro, an unusually effective southpaw, floored Castro twice for a count and just missed winning TKO. Schiro's bout, besides being up to the best incentive a boxer can get was reflective of polished handling he has had from coach Lt. James Cockrum, assistant coach T-Sgt. Alex Diaz and trainer, S-Sgt. Buck Ballenger. Twenty-one-year-old Myrven Davis, who has been fighting since he was 15 and has the look to prove it, looked faster and hit harder at Fort Bragg than he did in 1947-48 when he fought home the Atlantic Fleet weight title. One of Camp Lejeune's principal sports headlines, Davis was pitched against Basurto, a smooth-working who fought the champion for punch. What looked like a TKO for 'Red' by the second round, actually ended in a decision. Still not in top condition, Davis was too groggy to continue his early whirlwind assault.

RESULTS
Bob Richardson, 159 lbs., 82nd AB, unanimous decision over Jose Jane, 156 1-2 Camp Lejeune.
Pete Schiro, 125 3-4 lbs., Camp Lejeune, unanimous decision over Ronnie Kelly, 124 lbs., 82nd AB.
Chalky Fears, 119 3-4 lbs., Camp Lejeune, split decision over Frank Spennati, 122 lbs., 82nd AB.
Myrven Davis, 115 lbs., Camp Lejeune, decision over Bob Basurto, 113 1-2 82nd AB.
Sidney Peale, 187 lbs., 82nd AB, unanimous decision over Harold Besser, 192 1-2 Camp Lejeune.
Alphonse Duran, 155 1-2 lbs., 82nd AB, unanimous decision over Joe Thompson, 154 lbs., Camp Lejeune.
Joe Perez, 135 1-2 lbs., 82nd AB, unanimous decision over Mike Pinelli, 132 lbs., Camp Lejeune.
Wen Maciel, 132 1-2 lbs., 82nd AB, unanimous decision over Johnny Balwierczak, 122 lbs., Camp Lejeune.
Bernard Donnell, 118 1-2 lbs., 82nd AB, unanimous decision over Tommy Otero, 114 lbs., Camp Lejeune.

SEA)—Chadburn is the name which the masters and mates of Great Lakes refer to the enormous telegraph.

Basketball

CONT. FROM PAGE 4

Westphal lost his footing and fell to the floor. The All-American got the shot away, but Westphal, who had jumped to his feet, climbed an invisible ladder, and swiped the ball off the backboard, with his hands level with the rim. Lejeune widened the gap between scores to 23 points with five minutes left in the first period, and then matched the 82nd point for point. With three minutes left in the initial half, the second string went on the floor for Lejeune. Dawson tapped in a rebound for the Army and Connelly hit on a free throw to lessen the Lejeune lead to 33-15. "Smitty" Smith sank two charity tosses for Lejeune, but Burton broke through the Marine defense for a lay-up. J. J. Halloran and E. A. Walker scored for Lejeune, but their efforts were neutralized by Dawson's two quick buckets, and the halftime score read: Lejeune 39, 82nd 21.

Rollie Kubiskey and Whiz Bishop paced the early second half scoring, with Bishop getting seven and Kubiskey gathering five as Lejeune rolled to a 55-34 lead. The All-Americans matched the Leathernecks point for point after that, and with two minutes left in the ball game the second string reentered the game. Don Davidson wound up the night's scoring for Camp Lejeune and Zeke Dawson finished it off for the Fort Bragg five.

Sir Dusty, the burly bulldog mascot of Camp Lejeune, seeing his first basketball game since his entrance in the Marine Corps, was apparently quite pleased with the whole situation. Although the early minutes of the game were filled with barks of disapproval, Sir Dusty, who will be re-named shortly, finally settled down to merely enjoying the ball game. He proved himself non-partisan, however, when he decided that it was apparently too crowded, and then proceeded to clear room—by chasing a Camp Lejeune player off the bench.

Experienced Judo Coach To Explain History And Capabilities Of The Sport

(Judo tricks are not basically of Japanese origin! Judo has never been taught in the U. S. Marine Corps! Factually, these statements are true, and are contrary to the ideas most people harbor. This is the first of a series of three articles on Judo by Lt. Donn Draeger, USMC. It is the author's intention to point out the misconceptions as well as the capabilities of Judo in the hope that a better understanding of this art will result.—Ed)

By LT. DONN DRAEGER
My interest in physical contact sports was stimulated when I was a member of my high school wrestling team. At the age of 12 I was introduced to Judo by a Japanese instructor at the Milwaukee, Wisconsin, YMCA. I attended his classes for two years and earned my first degree Brown Belt in 1936. Judo study for the next two years was more or less a hobby, and I joined several Judo clubs in the Midwest. I was teamed with several other Judo enthusiasts and together we gave exhibition contests.

I earned my 2nd degree Brown Belt at the age of 16; and along with that degree of proficiency, I was given recognition as an instructor at the Milwaukee Athletic Club, teaching disarming and self-defense to municipal police, FBI, National Guard, and Marines in the Milwaukee area.

During the early phases of World War II, I instructed Marines at San Diego, Camp Elliott, and Camp Pendleton in the art of hand-to-hand fighting, bayonet, knife, and club techniques. I wrestled Judo contests on the West Coast and earned my 3rd degree Brown Belt in 1942, having studied with several interned Japanese instructors.

During 1943, I instructed the Boston Naval Shore Patrol in hand-to-hand combat and the NROTC at Harvard University in basic Judo principles. I studied for my 1st degree Black Belt under a Korean Judo expert in the Boston area, but my transfer halted that progress.

While stationed with the Army at the Infantry School at Ft. Benning, Ga., I had an opportunity to work with several Army instructors of hand-to-hand combat techniques.

In Japan, in 1945, by working with native Judo artists, I won my present 1st degree Black Belt as awarded by the Kodokwan, Tokyo College of Judo. Upon transfer to China, I studied with several POW Japanese Judo artists, as well as a Russian Judo instructor with whom I was working for my 2d degree Black Belt, when my return to the U. S. was effected.

At the present time I am organizing a Judo team to represent Camp Lejeune in any future Judo contests of an All-Navy nature. Those coming out for the team will be introduced to the fascinating and exacting art of Judo and will be required to be in outstanding physical condition to withstand the powerful throws and slams of this sport.

To better understand Judo, I will explain the history, development, definition, and capabilities of Judo and introduce the reader to what constitutes a Judo bout. In a future article, I will show what part Judo has played in conditioning a man for combat during World War II.

Canvas-Bound

At a recent Judo practice session in Gym 401, Lt. Donn Draeger, 1st degree Black Belt, demonstrates a "Kata Otoshi" or "over-the-shoulder throw" with the able assistance of TSgt. C. J. McNeese, 1st degree Brown Belt. Continuous and intense training enables McNeese to absorb the fall without harm. The history and capabilities of the art of Judo are explained by Lt. Draeger in his current series of articles on this physical contact sport. (Photo by Pachucki, 2d Division Photo Sect).

Thompson's fight all the way even though the Parris Island-er gamely fought back.

Bout number four opened with John Balwierczak taking an early lead on Lawrence Reed of Parris Island. Balwierczak was the aggressor all the way and easily won all three rounds. Neither fighter hit the rosin during the bout.

The sixth and final bout of the evening was between southpaw Dick Primrose of Parris Island and Lejeune's Lee Damon. Damon was the aggressor and his clean punching and ring generalship won all three rounds for him.

Civilian Personnel Guide

Transfer Orders

The Social Review

This section of the Globe is available to the Industrial Relations Office as a medium of supplying to Civil Service employees at this activity pertinent information concerning their employment or personnel problems.

This office has recently received correspondence from Marine Corps Headquarters requesting us to print articles about or explain rules, regulations, and changes that affect civilian personnel. Articles will also be included about reduction in force procedures, different types of appointments, methods of acquiring competitive or probational status, veteran preference, federal employment opportunities, and such.

We will be glad to write about any subject that you, as readers, request. Your requests should be for articles that will be of interest or concern to a number of the civilians employed at this activity.

It is hoped that you, the readers, will send in a lot of suggestions. In that way we will know that the articles printed are read and are of value. Suggestions will be accepted by mail or over the telephone, number 2107.

MARCH OF DIMES CAMPAIGN

Once again it is time for us to contribute our dimes for the benefit of the victims stricken with infantile paralysis. During the period 15 January through 30 January, 1949, each civil service employee will be given the opportunity to make a voluntary contribution to the National Foundation for Infantile Paralysis. At the close of the campaign all funds will be turned over to the campaign treasurer, Captain E. E. Gebhart, Camp Adjutant.

In the event you are not contacted personally and wish to make a contribution, see or telephone your department representative. Such representatives for the respective departments are listed below:

Food Services — Miss Laura Bordeaux;
Electric Generating Plants — Mrs. Gladys Vancey;
Camp Laundry — Mrs. Lester Teston;
Camp Maintenance — Mr. Joe Everett;
Camp Property — Mrs. Murline DeWitt;
Sales Commissary — Mrs. Vae A. Saunders;
Supply School Battalion — Mrs. Ezile H. Hudson;
Midway Park Housing — Mr. Michael Berry;
Provost and Fire Marshal Sections — Mrs. Ink H. Moore;
Camp Labor Pool — Mrs. Carrie Paulkner;
Camp Libraries — Miss Irene Buckley;
Malaria Control — Mr. Jeff Sanicton;
Camp Motor Transport — Mr. James P. Batta;
Camp Medical Department — Mr. J. E. Wade;
Marine Corps Supply Depot — Mrs. Mary Withler;
Medical Field Research Laboratory — Mrs. J. O. Knight;
Public Works — Mrs. Marian Houle.

Industrial Relations Office—Miss Marjorie Allen
Camp Disbursing Office—Miss Catherine Macon
Camp Lejeune Schools' Camp School—Miss Julia J. Bell, Midway Park School—Mrs. Minnie E. Stringer
Personnel of Camp Adjutant, G-4 Chaplain, Communications, Legal, and Supply Offices will be contacted by Miss Catherine Macon, Camp Disbursing Representative. Personnel of Camp Sanitation will be contacted by Mr. J. F. Wade, Camp Medical Department Representative. Personnel of Camp Development Board will be contacted by Mrs. Marian Houle, Public Works Representative.

The Industrial Relations Office urges each of you to contribute to this fund. Each American who participates in the activities of the Foundation can be proud of his part in its achievements.

SAFETY NOTES
Our Goal For '49'

For the year of 1948, Camp Lejeune had a year-to-date accident frequency of 17.354. This says, in brief, that for every million man hours worked, approximately 17 of our fellow employees suffered injuries resulting in loss of time beyond the shift in which the injury was incurred.

Let us see what these figures mean to you and I, as employees of Camp Lejeune. A survey conducted by the Navy Department indicated that approximately 86 per cent of all time lost due to accidents in Navy Department activities was covered by sick leave. Therefore, out of the 1,437 days lost due to accidents in Camp Lejeune during 1948, approximately 1,236 days were covered by sick leave. Sick leave used for industrial injuries is gone and can no longer be used for providing food and shelter for our families during periods of personal illness.

Much has been said about the needless physical pain and mental anguish suffered by employees who have been injured due to industrial accidents. It is hard for any of us to realize what goes on in the mind of an injured man or woman, but we may be sure that their thoughts, many times, dwell on their families and friends. Families and friends, whose companionship they can't enjoy due to the thoughtless moment.

Together, each and every one of us must work to eliminate the cause of accidents and make Camp Lejeune a safe place to work. The things that cause accidents are the small things we do or don't do, e. g.:

Items for this column from Paradise Point should be submitted to Kay Shuler, telephone 6149; Naval Hospital notes are taken by Corrine Cull MOQ 3119; items from Midway Park should be submitted to Mrs. Seidenburg, 1214 Butler Dr., and Trailer Park items will be taken by Mrs. P. J. Fellows. All items will be submitted by Saturday of each week.

Last Thursday evening Brig. Gen. and Mrs. H. D. Linscott entertained at a dinner party at the Officers' Mess. Their guests included Col. George Rowan, Mrs. Franklin A. Hart, Mrs. Lee Brown, Col. and Mrs. Ralph Leach, Dr. and Mrs. W. J. Shudde, Lt. Col. and Mrs. G. R. Long, Comdr. and Mrs. J. S. Cowan, and Lt. C. I. Campbell.

Lt. Col. and Mrs. J. S. Oldfield from Quantico, Virginia, will be the houseguests of Col. and Mrs. R. H. Jeschke on January 20th for several weeks. Mrs. Oldfield is the daughter of Col. and Mrs. Jeschke. Lt. Col. Oldfield is on the staff of the Senior Amphibious Warfare School at Quantico.

Col. and Mrs. R. H. Jeschke will have their son, Captain Richard H. Jeschke Jr., as their guest on January 29th. Captain Jeschke is attached to the Detail Section, Headquarters Marine Corps. He will

Object Lesson

Again it is obvious that bad weather can spell disaster. Winter driving conditions are far from ideal and extra caution pays big dividends. For the man who likes to live dangerously, wet pavement and slick tires make a fine combination to give him the opportunity. Statistics show that they who live dangerously, however, don't live as long as they might. (Photo by Pfc. Ayers).

NAS Downed

CONF. FROM PAGE 4

son, Bishop and Westphal hit successively to send Lejeune farther to the front, 23-13, midway through the initial period, but the Flying Sailors came back strong, hoisting their total to 18 while holding their "gyrene" guests scoreless. Bishop and Ralph Nofsinger, who replaced Kubiskey, each got one, and Nofsinger added a foul shot to the cause. Pasgo tipped two in, but Lejeune stayed in the lead at halftime, 30-24.

The Marine five was as hot as Carolina in August at the start of the second half as Anderson and Westphal hit, then Anderson hit again to lengthen the Lejeune lead to 36-24. The gap was stretched to 48-32 midway through the final stanza, but the Flyers found themselves holding a hot hand; and, led by the ambidexterous Pasco, and their leading scorer, Frank Blatcher, came back uphill to tie the ball game up at 54-54 with less than four minutes left in the contest. Bishop got a free throw and missed, but was fouled again seconds later, and this time made it good to send Lejeune ahead, 55-54 with three and a half minutes to go. Castano of NAS brought the house down by sinking a one-hander from the keyhole, however, and sent NAS ahead for the first time since the opening minutes of the game.

Lew Anderson was awarded two shots when Bullard fouled him on a lay-up, and he made the first. The second shot rolled around the rim, then dropped out and it was a new ball game for the third time in as many minutes. With less than two minutes left Howie Westphal outclimbed three Flyers to grab a rebound and flip it out to Anderson in the corner. Anderson rifled it downcourt to Ralph Nofsinger, who outran two Flyer defenders and lay it up to send Lejeune ahead. Bishop pushed the clincher through with a minute and a half left to send the Leathernecks four points to the front. Pasco scored on a twisting, left-handed lay-up, but, with 50 seconds left, Anderson was fouled by the pressing NAS defense, and he made it good. Lejeune gained possession again and, with 27 seconds left, Nofsinger was fouled. He pushed it through the nets to

Historian

CONF. FROM PAGE 1

Besides her historical research work, Miss Carraway is State Regent of the North Carolina Executive Council of the Daughters of the American Revolution. She is well-known to the newspapers of the State by reason of her contributions to them as writer and reporter.

Mrs. Franklin A. Hart, President of the Officers' Wives Club, and Mrs. Lee H. Brown, Chairman of the club's H&S Battalion Pegroup, who are sponsoring the fair, cordially invite and urge the wives of all Marines at Camp Lejeune to attend.

Over The Counter

Our Camp Exchange announces there will be no reduced merchandise sale in 1949 as there has in previous years. Merchandise items which are in over-supply or too high for the present market, will be slashed in price and sold for sale at the various counters in Central Exchange. Watch for a series of price reductions in various types of merchandise. Visit the store regularly. You will find these "specials" displayed at their home counters.

Central is this week offering a full assortment of ladies' slips which formerly sold up to four dollars and seventy-five cents. These have been priced for clearance at one dollar and fifty cents. These slips will go like a breeze. Visit Central today while they are still a few of them left.

Your Golf Course Exchange will find a limited assortment of golfing rubbers—ideal for golfers who like to play with the reassurance of the Carolina sun. On sale at this activity is a shipment of new golf balls which are of excellent quality and reasonably priced.

Your Exchange has been notified that the Commissary will no longer be permitted to stock dog food. For this reason a limited quantity of canned dog food has been ordered for resale in the Camp Exchange. In line with the Commissary's necessary curtailment of its stocking of boxed goods, your Exchange will endeavor to keep its present assortment of goods available to military personnel at Camp Lejeune.

Temporarily a small assortment of goods will be carried in the front of the Exchange Cobbler Shop. Shoes and games will be sold in the Central Exchange, bicycles and tricycles will also be sold in Central. The Gift Wrapping Service, which was inaugurated at the Cobbler Shop and which proved popular during the Christmas season, will be continued at that activity. Any of your purchases will be attractively wrapped for small charge to cover the cost of materials used.

Milk tickets for two local milk companies are on sale at the cash window in the office at Central Exchange. These tickets are at cost. Military identification is required for the purchase of tickets.

A new Coffee Shop will shortly be opened in Building No. 203, former location of the Toy Shop. Cars are expected to be from 10 to 2300 daily, except Monday, and the excellence of the service and food will be on a par with the activity which is now in operation in Building No. 4.

Watch for this opening—it will add convenience to men who live in adjacent areas.

Your Exchange is dedicated to the service. Make use of the many facilities offered for better living. These facilities are worth while.

PX Personality

Mr. George Rhodes is the genial civilian manager of the Camp Exchange Service Station and is responsible in no small measure for the success of this activity. He wishes to thank all patrons for bearing with him during the present crowded conditions.

The Service Station has extended its service in every way possible, and is hopeful that the proposed extension of its facilities will be completed soon in order that this service may be even more gratifying to all.

Small Bore Matches

CONT. FROM PAGE 1

ed, shooting coats, targets and ammunition from the Officer-in-Charge, Camp Rifle Range.

Practice and match firing will be conducted on the 1000" Range adjacent to Machine Gun Range "B" opposite the Industrial Area. Montford Point Camp may conduct practice firing on the small bore range located at Montford Point Camp.

Use of the 1000" Range for practice may be scheduled on request to G-3, Camp Headquarters (Phone 5572).

Lieutenant Colonel W. A. Lee, USMC, has been designated Officer-in-Charge of Marine Barracks Small Bore Matches to be conducted during the period, 14 February to 25 February, 1949.

All matches will be fired at a range of 50 feet and will be conducted as follows: No. 1 Prone and offhand 20 shots each position; No. 2 Kneeling and sitting, 20 shots each position; No. 3 Offhand, 20 shots; No. 4 All four positions, 10 shots each position.

Matches will be scheduled by the Officer-in-Charge of the Matches as follows:

1240 ON YOUR DIAL

WJ NC

By GORT WILBUR

DISA ABOUT DATA: Well, now that you got your two front teeth for Christmas, things should run more smoothly. Old St. Nick and Big Dome days have passed along the trail and with dear old January here with us again it means not only icicles and snow drifts for somebody somewhere, but also program changes for everybody everywhere. A station or network that doesn't recognize that such a turnover is important is just fooling itself.

WJNC is doing its part to keep pace with all and sundry. Sunday for instance. We don't make any claims to be able to buck the likes of Jack Benny or Horace Heidt at 7; so, effective this past Sunday, we will give you the latest news from the high speed wires of United Press plus the very enjoyable Here's To Veterans show at 7:15 p. m. The latter is a fifteen minute transcribed show featuring some of the best artists of the day. It's a good spot for news. It's a good spot for variety. It's a well rounded half hour. This will be on for good as far as we are concerned, because whether you know it or not, the baseball season is just three months off and that means Sunday games. You boys and gals at Camp Lejeune will have your scores. You can count on that.

Sunday feature that jumped networks is "Mayor Of The Town" which stars Lionel Barrymore and is heard at 8:30 p. m. In this, Barrymore plays his familiar role of the mayor of the mythical town of "Springdale, U. S. A." It's a good solid show. It rates your dialing.

(SEA)—A gyn is a device consisting of three legs (tripod) for hoisting heavy weights.

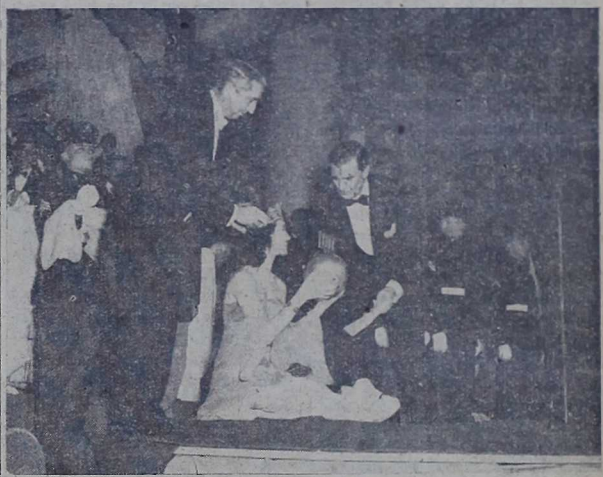

H&S Bn. vs MCSB 14-16 February
LupSchBn vs MPC 16-18 February
Loser first group vs loser second group 21-23 February; Winner first group vs. winner second group 23-25 February.

Scoring will be accomplished by judges designated by Camp Headquarters. Team scores will be tabulated from the five highest scores of the eight submitted for each of the four matches.

A trophy will be awarded the unit team winning the team match. The individual members of the winning team will receive medals; and the five high individual shooters will be awarded medals.

Marines On Hand

WASHINGTON, D. C. — Flanked by U. S. Marines from the Marine Barracks here, Attorney General of the United States, Thomas C. Clark (left), is shown placing the tiara upon newly chosen Miss United Nations of 1949, Miss Belkis Temel, a native of Turkey during the United Nations Club's Seventh Annual Ball held at the Statler Hotel here December 3. Assisting Attorney General Clark is movie star Walter Pidgeon.

Golf Tourney

CONT. FROM PAGE 4

Each of these lucky golfers wins a \$12.00 Post Exchange Merchandise chit.

Running a close second was the team of Maj. R. H. Gray and Lt. A. B. Capps whose score of 84 minus an 18 1-2 handicap gave them a net score of 65 1-2. Their prizes are an \$8.00 PX chit apiece.

Winning the third and last prizes of a \$5.00 PX chit apiece was the team of Maj. R. J. Bolish and Capt. G. W. Ellis whose score of 83 minus 15 handicap gave them a score of 68.

The next tournament will be a Blind Partner Tourney. Watch the Globe for the instructions.

P-TA Notes

The regular monthly meeting of the Parent-Teachers Association was held on Monday evening, January 3, in the Camp School Auditorium. Mr. Fred Lewis reported a balance of \$577.63 in the treasury. Lt. Colonel Goldberg gave a short report about the proceeds from the benefit movie which amounted to \$156.43.

There are now 691 members of the P.T.A. Miss Cullom's and Miss Mullins' fourth grades will be given a weiner roast as a prize for 100 per cent membership in the P.T.A. Mrs. Crouch's first grade and Miss Cullom's fourth grade won the attendance pennant for the most parents present at this meeting.

Meetings of the Executive Committee will be held on the third Monday of each month as voted upon at the December 20 meeting.

At the February 7 meeting, a panel discussion of topics of interest will be part of the evening's entertainment. Many varied programs have been planned for future meetings of parents and teachers.

Also, at the February 7 meeting, a general election will be held for the position of Secretary of the Camp Lejeune Parent-Teachers Association to fill the unexpired term of office now held by Mrs. F. J. Lutz who is leaving for Parris Island, S. C.

Fire Chief Sez---

Considerable difficulty has been experienced by the dispatchers in the Fire Department in securing definite information from people calling to report a fire. The proper procedure is as follows:

Call 7070; give your name and rank, if any; location of fire; and just what is burning. Stay in vicinity to direct the fire apparatus to the scene of the fire.

Matinee

The matinee at the Camp Theater Saturday will be Robin Hood of Texas with Gene Autry, Brick Bradford No. 8, and Little Tinker.

USMC-Vs Receive On-The-Job Training With FMF Under Comprehensive Prog.

Their presence practically undetected because of the efficiency of their functioning, about four hundred USMC-V personnel (one-year volunteers) have been receiving on-the-job-training at Lejeune for the past several months. Assigned to Headquarters and Service Battalion, 2d Marine Division, these volunteers are carrying on in the true Marine tradition of doing a job well.

When Rear Admiral Robert W. Hayler, Commandant of the Sixth Naval District, visited this base recently, one company of the volunteers, designated 1st Infantry Company, Training Group, H&S Bn., had the distinction of rendering honors for the occasion.

In the field of sports, the USMC-V intramural basketball team has been at the top of the American League for many weeks, displaying a won-lost record worth bragging about.

What are the USMC-Vs? What is the scope of their training and the objective? Briefly, the story follows.

USMC-V STORY

From among the virile manhood throughout the United States some 6000 males between the ages of 18-19 years may volunteer for the United States Marine Corps. The Selective Service Act of 1948 authorizes the Marine Corps to accept these men for one year's active service. It is planned that the Marine Corps reach the allocated strength of 6000 by the first of July, 1949, by uniform enlistments of approximately 500 per month.

Upon completion of 12 months active service the men in this age group are required to complete their total obligated service by one of the following methods: 6 years in the Volunteer Reserve, 4 years in the Organized Reserve, 4 years in an approved officer's training program, or reenlistment in the Marine Corps for a period of two years active service.

TRAINING

Routine recruit training for this group will be at either Parris Island or San Diego. Of those men completing boot training, 15 per cent will be assigned to aviation technical schools and the remainder will be assigned to ground activities, including supply depots. Approximately 75 per cent of those assigned to the ground category will go to specialist schools. The remaining men will be assigned initially to Fleet Marine Force for three months on-the-job-training. Upon the completion of this training these men will be sent to posts, stations and supply depots for the remainder of their active service.

The one-year enlistees graduating from ground specialist schools will be further assigned to posts and stations and supply activities within the continental limits of the United States for practical training. A number of these graduates will also be assigned to special FMF units activated to provide on-the-job-training.

Should a qualified individual be ordered to an organized Reserve Unit or to an officer's training program and refuse to perform such duty, he may be ordered to another 12 months active duty without his consent, to be followed by five years of service in the Volunteer Reserve.

The USMC-Vs will be organized into five rifle companies and one 105 Howitzer battery. Three of the five rifle companies activated will be de-activated as the specialist schools expand to peak load. These special units will be organized and trained under direction of the Fleet Marine Force. Three infantry companies and one artillery battery will be located at Camp Lejeune and the two remaining infantry companies will be located at Camp

Pendleton.

By terms of the Act, one year enlistees may not be ordered to duty on shores outside the continental limits of the United States. These terms have been interpreted as not precluding training maneuvers outside the continental limits of the United States or assignment to ships of the Navy having their home ports in the United States.

TRAINED RESERVES

The over all objective of the training of one year enlistees is to provide trained personnel for the Marine Corps Reserve in those specialties most critical to fulfillment of mobilization requirements.

The training of these one year enlistees assigned to the units mentioned above will be in accordance with the established policies and procedures of Fleet Marine Force training. The immediate object of such training will be to qualify the individual for an appropriate SSN. When practical, the training will be conducted on a twelve-week schedule.

Human Relations

CONT. FROM PAGE 3

members of his staff come directly under the office of the Defense Secretary. The move also means that the Army-Air Force Troop Information and Education program, which General Latham was instrumental in bringing to its present importance, will be more extensively used by the three Services.

The program now includes:

1. Correspondence courses and educational classes run by the United States Armed Forces Institute, founded in 1942. By June 30, 1948, the Institute had 100,902 active enrollments in the Army, 30,860 in the Navy and 34,921 in the Air Force.

2. Armed Forces Talk—weekly discussion material on topics of national and international importance. Each Armed Forces Talk is written by an expert in his field.

3. Educational and training films.

4. The Armed Forces Radio Service—supplies news, entertainment, general information and educational radio programs to men in the Armed Forces overseas and in hospitals.

5. The Armed Forces Press-Service—supplies news, features, pictures and cartoon material to Service newspapers and acts as a "press association" for Service editors.

These programs are set up to further the desire of the Armed Forces—to make the United States Serviceman, "the best informed in the world." This is premised on the belief that a man will perform better in combat or peace if he knows why he is fighting or training.

Visitors Inspected

Lt. Col. A. N. B. Robertson, Commanding Officer of the 8th Marine, accompanied by Capt. A. F. Wilson, ass't S-3 officer, 8th Marines, and Capt. J. G. R. Des Rivieres, commanding the unit, inspect the Royal Canadian infantrymen at formation last Saturday morning. The Canadians are presently visiting Camp Lejeune where the fine appearance has been openly admired. The word "sharp" aptly describes our North American brothers-in-arms. (Photo by Pachucki, 2d Division Photo Sect).

Over 5,000 Marines 'Missing In Address' Says 'Leatherneck'

Over 5,000 Marines are in the "Missing in Address" files of the Leatherneck, magazine of the Marines, it was announced this week.

That number has been "lost" despite the best efforts of fellow Marines in the magazine's circulation department to trace subscribers who fail to send in their new and old address when changing stations.

Periodicals, such as magazines, are not forwarded automatically to a new address as in the case of letters or other first class mail, according to postal regulations. Consequently, when a subscriber's magazine is returned to the Leatherneck office, his mailing plate is taken out of the "active" files and no magazines are sent him until his present address is known.

Men having copies of Leatherneck due them should write to "The Leatherneck, P. O. Box 1918, Washington, D. C." giving: (1) The address at which they last received their subscription and (2) their present address.

Indicating the approximate time that the subscription was placed and the number of copies received will be helpful but not necessary.

Prof. Schmidt

CONT. FROM PAGE 1

thirty subjects to sleep at one time, Professor Schmidt illustrates through the sleeping subjects the various phenomena of the science of hypnotism. He shows that hypnotism is merely sleep induced by scientific suggestion, and by his suggestion has his subjects believe that a lemon tastes like a peach, salt like sugar; see and hear imaginary events. He immunizes them to pain, and in talking to a subject can have him or her reveal childhood incidents and secrets long since forgotten. He can bring to the surface latent talents and abilities which the hypnotized subject never knew he or she possessed.

His one and a half hour amazing and amusing shows have been acclaimed by critical audiences all over the world.

NSL Insurance Dividend Payment May Reach Several Hundred Dollars

WASHINGTON—(APPS)—Holders of National Service Life Insurance policies may start drawing their dividend bonanzas, ranging from a few dollars to several hundred, sometime in August, a spokesman at the Veterans Administration recently announced.

Unofficial estimates indicate that about 16 million veterans may participate in the \$2 billion fund set aside for payment of the dividends.

Nursery School Open During Historical Lecture Jan. 20th

The Camp Nursery School located at building No. 2625 will be open starting at 1300 on January 20th for the convenience of all Lejeune wives who wish to leave their children there while attending the lecture by Miss Carraway at the CAMP LEJEUNE HIGH SCHOOL on that date. The usual fee of 25c per hour for one child and an additional 10 cents per hour for each additional child from the same family will be charged. Mrs. J. H. Kester, Superintendent of the Night Nursery will be in charge.

March Of Dimes

CONT. FROM PAGE 1

cessive. The National Foundation for Infantile Paralysis has done outstanding work in waging the battle against this terrible malady.

"Every American who participates in the activities of the Foundation through the March of Dimes, or in any substantial manner, can be proud of his part in its achievements. I am confident that all Marines will be as generous in their support of this worthy cause as they have been in the past."

Every wage earner at Lejeune, Marine and civilian, will be given the opportunity to participate in the March of Dimes of his own free will. No solicitation will be made in the homes, schools, or churches.

The personnel of Camp Lejeune have always generously contributed to a worthy cause. Let's make the March of Dimes a Deluge of Dollars!

Holders of the minimum \$1,000 policies, who kept them in force for at least three months will receive but small amounts, the said, but men who have held \$10,000 policies from the beginning will receive an eight-year accumulation of dividends which amount to "several hundred dollars."

START IN AUGUST

While a VA official said that the dividend payments would not start until August at the earliest, he added that "we're going to make every effort to have payments flowing by the end of the year."

Refunds will be figured in terms of number of cents per thousand dollars of insurance for each month that each policy was in force. The VA is still working out the formulas by which the final payment will be made.

The surplus from which the dividends are to be paid accumulated from gains and savings on premium payments. A large part of the fund developed from the fact that mortality rate among veterans has been considerably lower than was estimated before the war when premium rates were established.

WILL PAY ON ALL TYPES

The VA disclosed that dividends would be paid on all types of National Service Life Insurance, on converted policies as well as on the so-called term insurance. Policy holders who converted their insurance from the term type to the straight life, 20 payment and 30 payment life, will receive the largest dividends because of the larger premiums which they have been paying.

The VA has campaigned to encourage veterans to convert their term policies to any one of the six other types, including endowments and so-called "retirement" policies, redeemable at age 60 or 65.
