Dances Throughout Lejeune To Usher In New Year Sir Dusty Of Dreadnought To Join Marine Corps

R. Detachment Marine Corps League Present Mascot

Dusty of Dreadnought, a thoroughbred English Bulldog, arrived at the New River Detachment Marine Corps League, this enroute to Camp Lejeune to join the Marine Corps. Within a few days it is expected that this noble dog will be with the detachment and assume his military duties as mascot of this, the world's most complete amphibious training base.

The League Detachment at Camp Lejeune purchased this aristocratic canine world for presentation to Camp Lejeune to fill the long-felt need for a distinctive Marine mascot for this

er much diligent searching, Sir Dusty was located in Savannah, Georgia, where his owner, Clarence W. Wicks, Jr., was persuaded, somewhat reluctantly, to permit his dog to join the Corps. After several preliminary visits to the base, Sir Dusty appears to be looking forward to his coming tour with enthusiasm—as much enthusiasm as a dog can evince.

Never let it be said that Sir Dusty was an unknown until he appeared upon the life of a Marine. Examination of his suit revealed that he had a blue ribbon and a pink ribbon award for first prizes in the bulldog class of the Savannah Kennel Club Dog Show January 7th of last year. In addition, he had been justly tucked away, a white ribbon for 2d place in the Variety Show for the same date. At the same event he was competing in the class of all breeds.

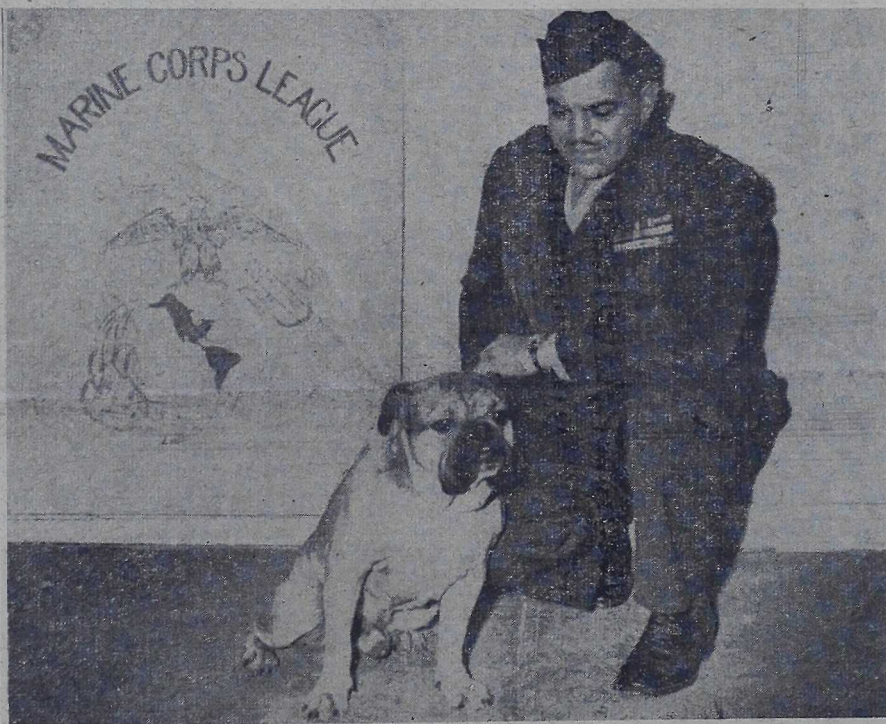

Inconspicuous in the collection of awards was a beautiful lop-eared dog which he won for being the best dog in his class in the show. All Sir Dusty needs to be called Champion is more first place in an American Kennel Club show. Since he is seen about the base from time to time, he is easily identifiable. Besides being white and black in color, he is a thoroughly English Bulldog at Lejeune. **MASCOT ON PAGE 7**

Holiday

Tomorrow, 1 January, 1949, will be observed as a holiday for military personnel and civil employees at Camp Lejeune. All work must be discontinued and all activities requiring a four-hour watch or service will continue on such basis. A fide guests of enlisted personnel may attend the New Year's Day noon meal in all mess halls but each host will pay for guests on a supernumary basis.

Lejeune-Bound

A thoroughbred English Bulldog, Sir Dusty of Dreadnought, is shown at the Holly Ridge Community Building where he is temporarily residing before proceeding to Lejeune to join the Marine Corps. Purchased by the New River Detachment of the Marine Corps League for presentation to this base as mascot, Sir Dusty will soon be a familiar figure at all athletic contests and on various other important occasions. The Commandant of the New River Detachment, WO C. A. Fisher, proudly displays the distinguished canine. (Photo by Sgt. Powers, Camp Photo Lab).

Four Fine Bands Are Engaged For New Year Dances

Marines at Camp Lejeune, and their guests, will certainly have the opportunity to dance in the New Year if they so desire, with four dances scheduled throughout the base tonight from 2100 to 0100. For the gala occasion, top bands have been engaged and smooth rhythm is assured.

Division Orchestra At Marston Pavilion

The new and "easy-on-the-ears" 2d Division dance orchestra under the direction of T-Sgt. Jack Holt will furnish the music for the New Year's Dance at beautiful Marston Pavilion tonight from 2100 to the early hour of 0100 January 1, 1949. The hostesses from local cities who have made the Pavilion dances really successful in the past will be present to help the old year out and the infant '49 in. All enlisted personnel and their guests are invited to get in on the merry-making and enjoy the danceable Division orchestra's renditions of the popular tunes of the day.

Johnny Satterfield At Montford Point

"Moods in Music" with Johnny Satterfield will be the theme at the dance at Montford Point tonight from 9 to 1 when this popular orchestra from the University of North Carolina holds forth at the New Year's Eve Dance. The 15 musicians of this top-ranking musical group are drawing cards in their own right but the band boasts the additional attraction of lovely Carolyn Talley handling the vocals. All in all, the promise of smooth dancing and listen-able tunes should turn out to be pleasant fact tonight.

Jimmie Livingston At Staff NCO Club

Still holding down the top spot on the Staff NCO Club hit parade this year, the Jimmie Livingston musical aggregation will play for the New Year's Eve Dance at the Club tonight from 2100 to 0100. Little need be said about this band as far as the members are concerned because most are familiar with the superb dance music to be expected. For those who forsake the dance floor for comfortable listening, the Livingston band offers top appeal in this category also. All members and their guests are invited to spend the last moments of 1948 at the Club and be on hand to See DANCES ON PAGE 8

"Ring Out The Old, Ring In The New"

New Year's Day

Ring out the old, ring in the new,
Ring, happy bells, across the snow;
The year is going, let him go;
Ring out the false, ring in the true.

From time immemorial, people have celebrated the first day of the calendar year. Western nations observe the first day of January, while people who use different calendars welcome their new year at different seasons.

In the United States, New Year's Day is a National holiday, a time when greetings of "Happy New Year" are exchanged and good resolutions are made. On New Year's Eve at midnight, meetings are held in the churches to watch the old year go out and the new one come in, while less serious persons attend midnight suppers and engage in fun and frolic. In many cities and towns, bells are rung, whistles are blown, and all kinds of noises are made to mark the moment when the old year dies.

The first day of January, now New Year's Day in almost all countries, was not adopted until late in the sixteenth century as the first day of the year.

With the advent of the New Year, may all the Nations of the earth lend their efforts towards a common resolution to give lasting peace to the peoples of the world.—W. B. K.

During the Spanish-American War, the first landing in Cuba was made by Huntington's Battalion of Marines at Guantanamo Bay.

John Philip Sousa, the march king, was for some time leader of the Marine Band.

Marines were first assigned to guard the American Legation in Peking, China, in 1900.

The 1st Marine Aeronautic Company was stationed in the Azores during World War I, to protect American shipping from German submarines.

In recognition of the gallant action of the Marines at Belleau Wood in World War I, the French changed the name of the sector to the Bois de la Brigade de Marines.

As A Little One

During the public phase of his life, Christ emphatically preached and often repeated the idea that "unless we become as little children, we cannot enter the Kingdom of Heaven." Obviously, it was his desire not to encourage childish behavior in grownups, but rather that we seek the virtues so natural in a child, such as humility, innocence, and unquestioning reliance on Divine Providence which the little ones repose in father and mother. As we examine the book of our life on this Eve of New Years, and attempt to balance accounts by repentance and suitable resolutions this idea of being as a little one may serve both to guide and encourage. Hence the reading of the reflections of a child looking at the manger, expressed in the following poem by the gifted Francis Thompson, seems singularly fitting:

Little Jesus was Thou shy once,
and just so small as I?
And what did it feel like to be out
of heaven and just like me?
Didst Thou sometime think of there
and ask where all the angels?
were?

I should think that I would cry for
my house all made of sky;
I would look about the air and wonder
where my angels were;
And at waking it would distress me,
not an angel there to dress me!

Hadst thou ever any toys like us
little girls and boys!
And didst Thou play in heaven with
all the angels that were not too
tall, with stars for marbles?
Did the things play "Can you see
me?" thru their wings?"

And did Thy Mother let Thee spoil
Thy robes with playing on our
soil?

How nice to have them always new
in heaven because it was quite
clean blue

Didst Thou kneel at night to pray,
and didst Thou join Thy hands
this way?

And did they tire sometimes, being
young, and make the prayer seem
very long?

And dost Thou like it best that we
should join our hands to pray to
Thee?

I used to think, before I knew, the
prayer not said unless we do.
And did Thy Mother at the night
kiss Thee and fold the clothes
in right?

And didst Thou feel quite good in
bed, kissed and sweet and prayers
said?

Thou canst not have forgotten all
that it feels like to be small.

And Thou knowest I cannot pray
to Thee in my father's way

When Thou was so little, say,
couldst Thou talk Thy Father's
way; so

O Little Child, come down and hear
a child's tongue like Thy Own.

Take me by the hand and walk and
listen to my baby-talk.

To Thy Father show my prayer (He
will look, Thou art so fair),

And say: "O Father, I, Thy Son
bring the prayer of a little one."

And He will smile, that children's
tongue has not changed since
Thou was young!

Receives Portfolio WASHINGTON, D. C. — (December 17).—Governor-elect Sidney B. McMath of Arkansas, Marine winner of the Silver Star Medal, receives a portfolio of World War II Pacific photographs from General C. B. Cates, Commandant of the Marine Corps. Newly Formed Division Dance Band Well Received; 2d Appearance Tonight

Once again Lejeune Leathernecks are dancing to the strains of home-made music. The newly re-formed 2d Division dance band played its first engagement at Marston Pavilion for the Christmas dance and was very well received, indicating that another top-notch dance is in store for Marines and their guests at the New Year's Eve Dance tonight from 1000 to 0100.

A new orchestra began organizing a month ago under the baton of Lt. Jack Holt and is still in its formative stage. Permanent positions have not been assigned in the horn and all brass sections. The quality of the music is already eliciting highly favorable comments with more in the offing. Al Dutt is lead trumpet and is aided by Pfc. Dodds. Charles Peterson on the rides. Charles had his own combo before joining in the Corps.

Pete Sima is the up-and-coming tenor sax player in the 15-piece orchestra and the entire sax section is well-balanced — an important item in any outfit. Within a few months, the band should be the top service swing band on the East Coast. The band is the first of three organized when the Division is complete. The dance is augmented by the Com-mandant's band which has been playing since the dance orchestra disbanded last Fall.

SINGER NEEDED

Holt is searching for a singer to round out his new orchestra. Any Marine wishing to try out should contact Holt at the 2d Division office.

Good Literature Is The Magic Key To Open Many Doors

It is not often that we are offered the opportunity to obtain pleasure, companionship, experience, and instruction wrapped-up in one package yet all these await us in good literature. Literature, the printed synthesis of the human mind in all lands and ages, aesthetic and informational, is one of the greatest pleasures in life. Satisfying and inspiring, humorous and tragic, good literature offers the best by past and contemporary authors.

STIMULATE THOUGHT

"A good book is the precious life blood of a master spirit," wrote one who was a master himself. Much has been written that is filled with the best in thought, imagination, observation, and emotion. Armed with the knowledge of great literary works, we "live" in the periods in civilization that inspired the authors thus becoming more capable of understanding our present day world and enabling us to see over its horizon. We become increasingly aware of our great heritage.

PLEASURE AWAITS YOU

These literary treasures await discovery but as in all things worthwhile, a certain amount of time and effort must be expended to fully appreciate the power of great writers. Books filled with exuberant imagination, sympathy and understanding, wit and humor, line our libraries as though in regimental review but as we open a door to enter a room, so must we "crack" a book to realize its value. The Marine Corps Institute offers literature courses on high school and college level that make it possible for you to have a fireside chat with the men who moulded history in all ages.

The literary courses offered by the Marine Corps Institute are so See MCI On Page 8

Fine Facilities Of Hostess House Often Overlooked

The excellent facilities of the Hadnot Point Hostess House are often overlooked by Marines who are actually searching for just the services offered by this activity.

The Hostess House has rooms available for families and guests at a reasonable rate and the accommodations are ideally situated in the central Hadnot Point area.

Fine quality food is available in the Hostess House restaurant from 0730 to 1330 daily.

In addition, the fountain and lunch counter is open from 1100 to 1330 daily. A cup of coffee, a tasty sandwich, or a super soda may be obtained at this counter.

You don't have to be staying at the Hostess House to make use of the restaurant and soda fountain either. The facilities are for the use of all Marines, an extra feature of this complete amphibious training base where the finest of everything may be found.

Ambition Fulfilled

18-year-old James E. Anderson, center, of Honolulu believes in doing things the hard way. Son of a Pearl Harbor contractor, he fulfilled years of ambition recently when he arrived in San Francisco by Pan American to join the Marine Corps. He worked for six months at odd jobs to save enough money to fly to San Francisco and his dream. By so doing, Jim became what is believed to be the first recruit in the history of the Western Recruiting Division to enlist from Pearl Harbor at his own expense. Before leaving Hawaii on December 7, Anderson air-mailed his intentions to Marine quarters in San Francisco. He was in such a hurry he beat the arrival of his application by more than two hours. (Photo by TSgt. R. E. Olund).

L. Daniel Schmidt has amazed audiences at every previous performance here and has been acclaimed one of the most amusing entertainers ever to appear on the stages of Lejeune. This latest series of engagements arranged by Camp Special Services will undoubtedly prove again that education and hilarity can go hand-in-hand.

Prof. Schmidt was born December 15, 1902 in Bucharest, Roumania. When quite young his parents came to America and settled in Pittsburgh.

He attended Fifth Avenue High School and graduated from the Duquesne University Law School in 1925. After graduation he opened a law office and became a member of the Allegheny County Bar and practiced before the County, State and Federal Courts as a trial lawyer for twenty years.

During his school years he showed a remarkable interest and aptitude in psychology and hypnotism. His knowledge on the subject of hypnotism became so pronounced that on many occasions his professors would have him give a demonstration to prove a particular psychological point.

Shortly after graduation he received a request from a psychology professor to give a public demonstration on hypnotism. This proved so successful that numerous other engagements followed.

Professor Schmidt continued his studies and research on this subject and with a group of psychologists, psychiatrists and others interested in hypnotism formed the Pennsylvania Psychological Research Society in order to conduct further research on this subject. He was elected President in 1937 and still holds this office today.

During these years he lectured all over the country and gave demonstrations on the subject of hypnotism at the Mellon Institute, Carnegie Music Hall, before Medical Societies, Universities, Military Installations and various Civic Organizations throughout the world.

During the war years, Professor Schmidt donated his time and services and gave demonstrations before the Armed Forces in Army, Navy, Marine bases and Military Hospitals.

Gradually he became recognized as one of the great outstanding authorities on hypnotism. The demand on his services became so great and necessitated so much travel that his avocation of hypnotism gradually began to displace his vocation as a lawyer. He found he couldn't devote the proper time to both fields, so he finally decided to give up his law practice in favor of hypnotism.

He altered his presentation from a lecture and scientific demonstration to a humorous, entertaining and educational performance. Whereas he previously used trained or conditioned subjects for demonstration before technical and medical societies, he now uses strictly and only See PROF. SCHMIDT On Page 8

Christmas At One Of The Fit Po

At Holly Ridge, the New River Detachment of the Marine Corps League held a Christmas party for the children in the housing project. This party also was complete with Yuletide decorations including a giant tree partially visible above, a large attendance of children, and jolly old St. Nick.

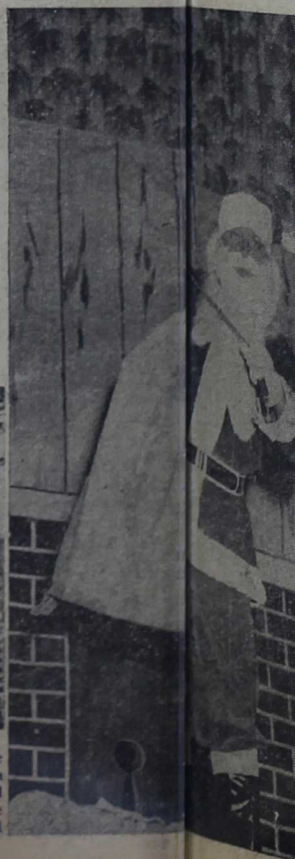

Cpl. Eric G. High, Gustafson, and Sgt. Hall kneel as they look on in front of the Protestant Chapel (above). Many special Christmas plays erected throughout the camp.

Music certainly had a place in Lejeune's observance of Christmas. Above, the choir from the Franklin Memorial Methodist Church in Morehead City presents a Cantata at Trailer Park. Under the direction of Mrs. Josiah Bailey, Jr., the choir offered a delightful program. Rev. W. D. Caviness, pastor of the church, was one of the more than 40 voices.

In the picture at right, Santa at his colorful best is shown on the stage of the Camp Theater where he was the center of attraction at a party sponsored by the Paradise Point Officers' Mess. When he visited Midway Park for a giant party there, Santa arrived by gleaming red fire engine (above) and was escorted to the Community Building by the band and Boy Scouts.

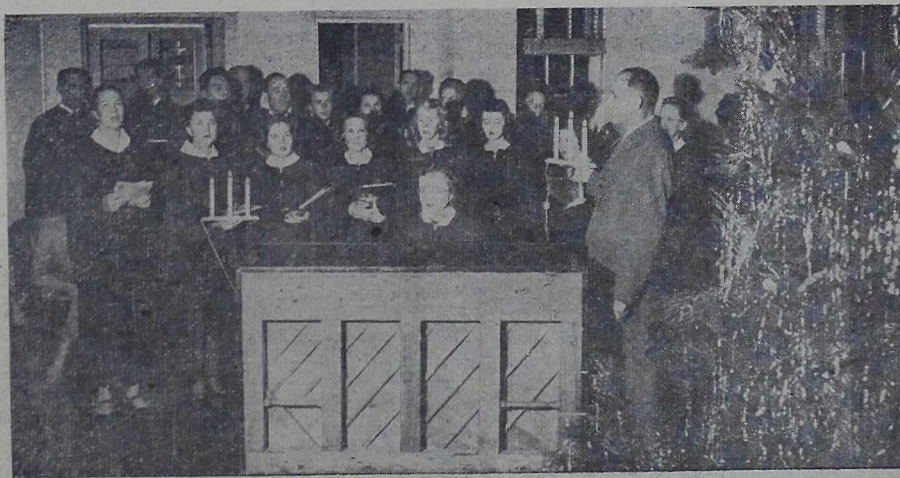

Fit Posts Of The Marine Corps

One of the numerous Christmas parties on the base was held at Trailer Park and included many special attractions for the children. Perhaps the most important attraction, however, was Santa Claus who is shown above making some child happy with an appropriate gift.

The Midway Park Chorus and Carolers were busy with many programs during the past week. An annual candlelight musicale was presented by the chorus and the carolers spread cheer through both the Naval Hospital and the Onslow County Hospital on Christmas Eve. In addition, the carolers (shown above at the Naval Hospital) broadcast a 30-minute program over WJNC.

Jolly Santa Claus certainly had his hands full at Lejeune this year and found it expedient to arrive at some of the parties by somewhat unorthodox modes of transportation. For the Staff NCO Club sponsored party for the children of all enlisted men, Santa arrived by boat and disembarked at the Marston Pavilion pier where the children were on hand to greet him.

Courtsters Again Underway; Several Schedule Changes

With the Holiday Season nearly past, the varsity basketball team is about to get up a full head of steam again after a couple of slack weeks. Several changes have been made in the schedule with two forfeits and a cancellation received recently.

The USS Midway has forfeited both of its games with Lejeune in the Middle Eastern Service Command League, Southern Division, giving the locals two easy League wins. These games were to have been played 13 January and 5 February, both away. Wilmington Junior College cancelled their game slated for the 17th of February which knocks one home game from the schedule.

The Campbell College game on the 15th of January will be played at Campbell instead of at home due to the earlier change when the junior college met defeat in Gym 201.

FORTHCOMING GAMES

Three away games are on the bill for this coming week with the next home game to be played in Gym 201 on Saturday the 8th against the 82nd Airborne. Ft. Monroe this Sunday, Langley Field Tuesday, and NAS Norfolk Thursday will be the three latest away games under Lejeune's belt when they return to meet the soldier hoopsters.

2d Engineers Leave Intramural League; Leaders Unchanged

The intramural hoopsters have been keeping the leagues hot throughout the holidays but the tempo increases a little this coming week despite the fact that one team has fallen along the way.

The 2d Engineer Battalion withdrew from the National League last week presenting the rest of the teams with scattered easy wins via the forfeit route. This leaves eight teams in this league and the original nine in the American.

The standings have been changed quite a bit in the American League in the course of the past week. The USMC-V team still tops the list with four wins and no losses and is the only undefeated team left in this league. 1st AAA was in second position but has now slipped to fourth with Montford Point right behind the leaders. The MPC tally of 6 wins and one loss bids fair to give the MC-Vs a run if they are not mighty careful. The 21st Marines is still low team on this league's totem pole.

In the National League, 2d Combat Service Group and Supply School Battalion are in first and second places respectively, no other team having been able to usurp their places as yet. The major change shows the 16th Marines trailing in 8th place and the Marine Corps Supply Depot up in fifth place instead of at the bottom where it was only a week ago.

The standings of all teams through Monday of this week are as follows:

Washington Marines Fall To Local Five By 76-50 Score In 'Hot And Cold' Game

The Marine five of Camp Lejeune returned to the court after a ten day lay-off and quickly regained their old form in routing the Marine Barracks quintet of Washington, D. C., 76-50. The Lejeuneers started off slowly, and ran in hot and cold spurts throughout the entire 40 minutes, but the visitors could manage only a trot as the Leathernecks of Lejeune took their 10th victory in 12 starts.

By PFC. DAVE SHARPE

The home town team opened it's night's scoring, with Whiz Bishop starting it off on a tap-in. T. Whizzer and surprise starter Howie Westphal led the way to a 10-0 lead then stretched the Lejeune total to 19-0 before Lee of the visitors scored on a set shot. Lou Anderson hit on a free toss, then "Roll Rollis" Kubiskey cut the cords with a jump shot from the keyhole and send Lejeune farther in front, 22-0. Busha sank a set shot for the visitors and Coach Caputo sent in a second string with approximate eight minutes of playing time left in the initial half.

Feemster and Tinton started a two-man barrage, however, raising the tally total to 29-16, and the Lejeune starters came back on the floor. Feemster and Tinton each connected again before the intermission buzzer, and at the half it was 29-20, with Lejeune on the long end.

The second half started off slowly, with neither team able to move efficiently. Ski opened it up with two free throws, then Bishop hit. Bush scored for the visitors, but Bishop came back with a one handed shot and Anderson hit on a set shot as the Lejeune offense gradually gained momentum. About midway through the final forte, Ralph Nossinger, Lejeune forward, laid the shot of the evening through the nets, and that proved to be the signal. The Lejeune five went to work, and they were still pulling away at the final buzzer.

Whiz Bishop, who got back on the long side of the 20 mark, and Rollie Kubiskey were the outstanding offensive performers for the "Scarlet Tide" while Lou Anderson's stellar floor play and the rebound work of Howie Westphal were the other points of comment after the game was over. Feemster and Tinton were easily the mainsprings of the visitors, both on offense and defensive play.

Officers' 1948 Bowling Tourney Ends; 2d ComSerGrp First, Camp H&S Second

The officers' bowling tournament for the 1948 season came to a close Tuesday evening with the 2d Combat Service Group team in 1st place and the Headquarters and Service Bn., MB, team in second. Third place is tied up with a play-off to be held in the near future.

The kieglers from 2d Combat Service Group (Medium), Team No. 2, captained by Lt. Col. H. S. Massie, walked off with first place by winning 46 of a possible 60 points.

Headquarters and Service Battalion of Marine Barracks, Team No. 3, captained by 1st Lt. T. W. Reynolds took second place with 41 out of 60 points.

At present Team No. 7, Disbursing Office, 2d Marine Division, captained by Lt. Col. P. E. Wallace and Team No. 16, Officers' Mess, captained by Mr. W. R. O'Quinn, are tied for third place with 37 out of 60 points won by each. The play-off for third place will be held at a later date.

HIGH SCORERS

Lt. C. E. Griffin of Team No. 9 won "high individual average" with an average of 180 for the tournament.

WO V. T. Garrison of Team No. 2 won "high individual game" with a score of 247.

Lt. C. E. Griffin of Team No. 9 had "high series, 3-games" with a score of 538, but Lt. Griffin having won a previous individual prize and being ineligible for an additional award, this prize went to Capt. D. Foss, Jr., of Team No. 9, runner-up with a 534 score.

2-Man Team Tourney For Local Golfers Saturday, Sunday

What: A Two Man Team Tournament.

Where: Paradise Point Golf Course No. 1.

When: Saturday and Sunday—8 and 9 January, 1949.

Why: A good chance to win \$50.00 in Post Exchange Merchandise Chits.

Sweeping Revision Of Pay Structure Is Recommended

A sweeping revision of the entire pay structure of the Uniformed Forces was recommended by the Hook Commission on Service Pay in a report made public on Christmas Eve by the Secretary of Defense.

Increased pay is recommended for all members of the Services except recruits. The average advance is 15 per cent, with greater raises for commissioned officers and for enlisted men of the top four grades.

In place of the present National Life Insurance and the six months' pay given to surviving dependents of a serviceman who dies on active duty the Commission proposes that dependent survivors receive in monthly installments amounts aggregating not more than \$10,000.

The Commission recommends the discontinuance of sea pay and foreign service pay for officers, and the continuance of such pay for enlisted men at the flat rate of \$15 per month, irrespective of grade.

Fogies are accumulated under the proposed revision in two-year periods up to 18 years and after that in four-year periods. Instead of percentage increases, as at present, the Commission proposes flat increases, the increments varying with the grades, and in most cases do not continue throughout an individual's career.

The Commission recommends that the income tax exemption as to military pay of enlisted persons and in the amount of \$1,500 for officers be extended until such time as the proposals of the Commission become effective.

Novel Home

The Chungking chapter of the Chinese Red Cross, in cooperation with the YMCA, operates a novel home for orphaned children of that city. Accommodating 60, it is divided into two sections—one for children who work for a living, such as newsboys and shoe-shine boys; and the other for homeless children to whom occupational training is given.

1240 ON YOUR DIAL
WJNC

By GORT WILBUR

DISA ABOUT DATA: Well, we at least tried hard to get it. I'm speaking of the Carolina-Oklahoma game from New Orleans on Saturday. However, that old gent "stumbling block" who visits everyone sooner or later, rose in all his bulk and tossed what iwas a good idea out of the window.

New Year's Day without floating piskins is like Thanksgiving dinner without pumpkin pie, so with that thought in mind WJNC will not beam out to you all canned music. Instead of the Sugar Bowl, we'll kilocyte the Cotton Bowl tiff with Southern Methodist and Oregon as the main actors. It should be a good game and worth your dialing.

In this game you will hear all about that Mr. Football himself. We mean here the great Doak Walker who does everything with a football but bake it for company on Sunday night. He is a great competitor both on the offense and defense. Oregon might have been undefeated in the Pacific Coast Conference, but they will know that they have been in a grid tilt when that fourth quarter fades into Dallas darkness.

As the city of pretty Texas belles is on Central Standard time that means we'll start broadcasting at 2:45 p. m.

Listner-submitted gags, according to the laugh meter, provide the regular panelists for WJNC-Mutual's "Can You Top This" joke-fests Wednesdays 8 to 8:30 p. m. with plenty of competition. For example, trying to beat the 1,000 racked up by a listner-submitted Peter Donald-told yarn, Joe Laurie, Jr., came through with the following: "Gee, Gertrude," her girlfriend Susie said when both met one day, "my boy-friend is in the hospital, an' I wanna do sumpin' that'll really surprise him. I know what! I'll send him a note. But heck, I don't know what to write."

Civilian Personnel Guide

PERSONNEL NOTICE

A brief explanation of the purpose and use of Personnel Action forms is given below in order that the civilian employees at this camp may better understand any personnel notices which they have or may receive.

At the present time the Official Personnel Action (field) form Navexos 1200-Rev. 6-46 is used. This is a written notice to the employee of an action concerning his employment.

Personnel Action forms are used mostly for three purposes.

1. Accessions: These are Personnel Actions which result in the addition of employees to the Activity, that is, employment agreements such as, temporary appointments, probational appointments, reinstatements, reappointments, appointments by transfer.

2. Changes: These are Personnel Actions which occur during continuous service within this camp or agency, such as reassignments, promotions, periodic pay increases, change to lower grade, suspensions, transfers, etc.

3. Separations: These are Personnel Actions which result in the loss of employees from this camp.

Shown on the Personnel Action form is a lot of useful information,

but if an employee will learn to read the following items he can quickly determine the effect of the notice.

Item 2. Nature of Action will tell if it's a promotion, appointment, correction or other way that your employment is affected.

Item 3. Effective Date. Listed here is the exact date that the action is placed into effect.

Items 4 to 9. In this space is shown any changes concerning your employment.

Item 10. The authority for making the action is shown here. It is mostly a civil service regulation, certificate issued by the commission or the Board of Civil Service Examiners, which gave the examination for that position. At this Activity, we abbreviate this using these letters BdCSEX--and then list the certificate number and its date.

Under Remarks is shown any pertinent comments concerning the action which is needed but not shown elsewhere on the form. This would be special condition of employment, reasons of separation, corrections of Personnel Actions previously issued, and such.

These remarks are very important and should be carefully read as they may explain the exact purpose of the Action.

LEAVE NOTICES

The leave section of the Civil Payroll Office is preparing notices to each civilian employee stating the amount of leave, both annual and sick brought forward as of 1 January 1949. These notices will also inform each employee the amount of leave earned for each calendar year and approximately the amount of leave earned for each pay period. This information will make it possible for each employee to determine the approximate amount of leave to his credit at any given time. It is hoped that this will reduce the number of telephone requests from employees relative to the amount of leave to their credit. It is anticipated that these notices will be ready for issue to employees during the latter part of January 1949.

Marine Corps League Notes

HOLLY RIDGE, N. C.—A successful Christmas party conducted by the New River Detachment on Thursday, 23 December at the Community Building, Holly Ridge. Over 200 children and their parents greeted Santa Claus and each received a nice big stocking filled with all kinds of goodies and a present from a jolly old man.

A short movie of Christmas carols was shown and thoroughly enjoyed by all hands. Mrs. Garner played the piano and led the gathering in the singing of Christmas carols.

SIR DUSTY ARRIVES

The Marine Corps League has a very excited member this week. Sir Dusty of Dreadnought has made up his mind he doesn't like inactive duty and has decided to give up his civilian life for a career in the Marine Corps. Latest word from Commandant Fisher is that the young man will very shortly begin his tour of duty at Camp Lejeune.

We are all very sorry to see him leave Holly Ridge but must congratulate him on being accepted in the Corps. Of course he will still be an active member of the New River Detachment of the Marine Corps League and we hope he will show up at our meetings once in a while. We are sure Dusty will be a big help to our varsity teams and we shall look forward to seeing him at each and every contest.

volunteers out of the audience for demonstration before the general public. Everything he does, though basically scientific, becomes very interesting and entertaining in his hands.

He is an excellent speaker, not the dry, bookish type, but as a very interesting, charming and ingratiating personality. People have definite confidence in him as an authority, and the results he obtains with volunteers are astounding, educational and hilarious to the onlooker.

During the course of his demonstration he teaches people to relax and has developed a new auto suggestion routine for relaxation that has brought miraculous results.

Any man, woman or child can thoroughly enjoy his performance and besides being royally entertained, can generally leave the auditorium with a sense of having seen something worthwhile and having seriously benefited as a result of watching this outstanding performance.
