### Silver Star Awarded Corporal Jeréb, ComSerGrp, For China Action

Cpl. Jacob P. Jeréb, Second Combat Service Group, was awarded Silver Star Medal during ceremonies in the office of the Commanding Officer, Second Combat Service Group last Thursday.

Colonel J. F. Hough, in presenting the award, read the citation, which stated in part that Jeréb, serving with "C" Company, Battalion, 5th Marines, in Hainan, China, conducted himself with conspicuous gallantry and intrepidity in action against dissident

forces. Then a large number of dissident forces penetrated his sentry post at the Ammunition Supply Company on 5 April, 1947. Jeréb unhesitatingly opened fire and directed a steady stream of small arms fire at the attacking forces. Although exposed to an intense volume of fire from automatic weapons, he continued to pour forth accurate fire until he fell, wounded. In addition to the Silver Star, he holds the Purple Heart, Service, Navy Occupation, Victory, and Good Conduct medals.

### Holy Name Society

Today, October 10, the Holy Name Society will be instituted at Francis Xavier Chapel. All Catholic men are urged to attend at 0730 or 0900 Mass and receive Holy Communion. Confessions will be heard on Saturday evening 1930-2030 and on Sunday morning at 0700 and 0830. The purpose of the Holy Name Society is to combat the widespread use of immorality and to promote respect for authority both civil and religious.

### One Year Enlistees In Marine Corps To Specialty Schools

Approximately three of every four one-year enlistees in the Marine Corps will receive four to nine months of formal specialist schooling after "boot" camp, under a new program approved by General Clifton B. Cates, Commandant of the Marine Corps, recently.

School facilities and quotas, both ground and aviation, will be rapidly expanded or reallocated in order to reach the desired ratio early in 1949.

Decision to concentrate on specialist training for the eighteen-year-olds was prompted in part by results of aptitude studies just concluded. Average general classification test scores reported for one-year enlistees now now at Marine Corps recruit depots are: San Diego, California, 115; Parris Island, South Carolina, 109. Average wartime score for the Marine Corps was 104. More than 95 percent of the first one year enlistees assigned to Parris Island have been high school graduates.

All eighteen-year-olds enlisting for one year will undergo recruit training for ten weeks, then receive a short leave.

Men selected for formal technical training will then commence study in one of the following schools: clerical, engineer, ordnance repair, automotive repair, supply-clerical, photographic, electronics, aviation, and cooking and baking. Aviation students, after a basic technical school, will be further assigned for schooling as aviation electricians, machinists, structural machinists, and ordnance and electronics specialists.

Men not selected for formal schools will be assigned after recruit training to special tactical units of artillery and infantry, composite tank-amphibian tractor training units, or to regular aviation units, all within the United States.

Graduates of the technical schools will round out their year's service in on-the-job training and service at regular posts, stations, supply depots, and air stations.

Marine Corps quota of eighteen-year-olds for fiscal 1949 is 6,000. The monthly quota of 500 was slightly exceeded in August. First of the group to enter training will graduate from recruit depots in mid-October.

### Golf Announcement

Due to the scheduled varsity football game on Saturday, the finals in the Camp Lejeune Golf Championship will be played on Sunday, 10 October, instead of Saturday, 9 October, as previously announced.

In event of inclement weather the matches will be played on Sunday, 17 October.

### Lejeune Meets Strong Norfolk Eleven On Hadnot Gridiron Saturday

The Lejeune Marines meet the strong Norfolk Marine eleven in their fourth grid contest of the year at the Hadnot Point Field Saturday. The Norfolk team will arrive here forty strong to challenge the might of the locals in an interservice game of the first rank.

With the entire team in good shape for the game, Coach Missar expects to give the Norfolk team a run for their money from start to finish. The offensive tactics of the Lejeuneers can be expected to show some change as a result of lessons learned in their past games, with renewed emphasis on the offensive attack.

The Norfolk Marines will field a team with a 200 pound average and a backfield almost as heavy. Although not much is known concerning their record this year, they have always been a creditable team in the past.

The Division Band will provide more excellent music and demonstration marching, and the Lejeune cheerleaders will be on hand to direct Camp yells.

### Allan Craig And Orchestra Play For EM Dance Tonite

Marston Pavilion will open wide its doors tonight for the second in the Fall series of dances presented by the Camp Special Services Office.

Allan Craig and his orchestra, featuring Betty Jo Blackwell as vocalist, will be spotlighted from 1930 to 2330 for pleasant dancing and good listening. Young ladies from surrounding cities will be present as hostesses and dancing partners, in a greater number than ever before.

During the half-way intermission a short and lively floor show will again be presented, starring this week Mr. Billy Arthur with songs and jokes, and Miss Pauline Kennedy, tap dancer and singer.

### BUS TERMINATION

One bus will circle Butler Drive, Midway Park starting at 1930 and proceed to Marston Pavilion via Trailer Park and the bus terminal.

One bus will depart from the Pavilion at 2130 and proceed to Midway Park via the bus terminal and Trailer Park.

The last bus will leave the Pavilion at 2330 and proceed to Midway Park via the Terminal and Trailer Park.

### TERMINAL TO PAVILION

Shuttle runs from the Hadnot Point Terminal to Marston Pavilion will be made every fifteen minutes except during the time the runs listed above are being made.

### 2d Div History Board Searches For 20,000 "Missing Marines"

The Second Marine Division History Board is looking for over 20,000 wartime members of the division who moved without leaving forwarding addresses, or failed to acknowledge "gift offers".

The Board is almost ready to distribute free copies of the unofficial World War II History of the Second Marine Division to men who served in that organization between August 7, 1942 and September 2, 1945.

Eligible men who have not received confirmation address cards are requested to communicate with the Willa Maddern Agency, 215 Fourth Avenue, New York 3, New York, in order to receive their free copy of this book. Author of the history is Richard W. Johnston, civilian correspondent who landed with the Marines at Tarawa, now an assistant editor for Life Magazine.

### Boy Scouts At Camp Lejeune To Reorganize Meeting This Evening

Boy Scout Troop number 90 and the Cub Pack of Camp Lejeune are being re-activated.

The Troop Committee has had several meetings to effect the reorganization. The committee is composed of O. H. Hodges, J. G. Crouch, W. C. Edison, Chaplain G. S. Eckard and P. H. Parker are making application for registration as committee members. The committee has selected First Lieutenant P. A. Terrell, Jr., for Scoutmaster.

The initial meeting of the troop was held Thursday evening. Twenty-five scouts and interested candidates turned out. Plans were outlined for a full program of scouting activities. It is expected to organize four patrols instead of the present two.

The next troop meeting will be held in the scout room in the building behind Midway Park school building, Thursday, October 7 at 7 o'clock. All interested boys twelve years of age and above from Midway Park, Paradise Point and other areas associated with the Camp, are invited to attend, and qualify for enlistment in the Troop. Future meeting will be at the same time and place.

A meeting is called for all parents of boys of Cub Scout age, those under twelve, to be held in the Midway Park Community Building, Thursday, 14 October at 2000. All Den Mothers and Fathers and other leaders are urged to be present. The five dens which compose the pack will be re-organized. J. E. Herndon is Cub Master.

## Fire Prevention

Fire losses have been on the increase since the end of World War Two and great importance is, therefore, attached to the observance of National Fire Prevention Week. From October 3 to 10, fire prevention will be featured over the air and through the medium of the press—it would pay each and every one of us to heed the warning and look about us for the little oversights that are often the reasons for death and property loss.

Most of us do not own our own homes so therefore we cannot repair them. We can, however, be on the alert for defects and report them to the proper people. And we can take every precaution against spontaneous combustion by properly disposing of rags and rubbish. We can keep matches out of the reach of those who are too young to know the terrific terror and loss stored in one match. We can exercise care in smoking habits.

Forests are ruined by careless hunters who throw away an unextinguished match or who fail to put out a campfire. Natural Resources, though not often considered personal property in the strict sense of the word, are ours and their destruction will eventually mean a loss that will be felt.

To those of us that live in modern brick barracks, and we are a larger figure, there would be little to worry about from fire. Such is not the case by any means. A seared body from a burning mattress is every bit as serious in a barracks as anywhere else. Should the fire from a mattress, a locker box, or some other item spread in the barracks, there would be far more people susceptible than in the ordinary home. Barracks fires are not common and this fact is a tribute to adequate precautions and training. The danger is never absent.

Warehouses stored with expensive materials are nice places for flames to make a beachhead. Past fires right here at Lejeune have demonstrated this. The loss is great in dollars, the danger to life is always present. The cause is often carelessness.

## "The Golden Touch"

Above all things, the mythical King Midas loved gold. One day while gloating over his treasures, this king begged and received from the gods the gift of golden touch—everything he touched turned to gold.

Without delay Midas proceeded to use his power. But as he put on his coat, it turned into gold so heavy and uncomfortable that he could not wear it. When he picked a beautiful flower in his garden it too turned to gold. His little daughter ran to greet him; he caught her up in his arms only to have the lovely little one turn into a cold statue of gold.

Beside himself with grief, King Midas called out to the gods to take back the gift of golden touch, to give back his daughter, his flowers as they were. His plea was heard. Midas was cured of his greed for gold.

Of course this is a legend and no one really had the golden touch. No one? You and I can have the golden touch, if we do everything for the honor and glory of God. We can turn everything we touch into eternal gold; gold that will not rust, gold that cannot be stolen, gold that will not deprive us of the simple beauties and joys of each day. How? By offering every thought, word and act of every day to the honor and glory of Almighty God you turn that thought word and act into precious spiritual gold.

When one considers how easy it is to acquire this golden touch which turns each day into a treasure of eternal gold, we wonder why more do not avail themselves of this tremendous power. This offering should be made immediately upon arising. Briefly, in your own words express the thought "O God, I offer this day to you."

What are the things we offer thus to God? The simple monotonous actions of everyday life like brushing your teeth, combing your hair, eating, sleeping, walking, working. Every command you execute, each job performed completely and to the best of your ability, a cheerful smile or word of encouragement or sympathy, every tap on your typewriter or twist of your wrench—ordinary actions? They become extraordinary when offered to God.

The work must be done anyway. Why not offer it to God. Discomfort, pain, disappointment must be borne regardless. Why not offer them to God. A good intention even adds to the pleasures of life because it will make us more cheerful in facing all our tasks. Gold is where you find it. Well, it is to be found in everything you do, say or think each day—if you do it for God.

An excellent long term investment. Easy small payments—eternal gold.

HERMAN J. SCHURR  
Lt. Cmdr. CHC, USN.

## ODE TO THE SERGEANT MAJOR

By Pfc. Joseph C. Gootie, USMC, File Clerk, Tenth Marines, Second Marine Division.

I do my work the best I can;  
I try to learn, like any man;  
But, as you know, the things I do  
Are often misjudged by people like you.

I wish that God up above  
Had given me the right to learn  
And the right to love.

To some men He gave a brain,  
But to me it wasn't the same.  
In my head He must of placed  
Paper and rags to store his waste.

So here is my confession—to you  
I tell  
It's not so good, but just as well  
I'll keep trying to learn the files

Bible Study Class  
At Protestant Chapel  
Has Commenced

Sunday marked the opening of a Bible Study Class in the Protestant Chapel. The project has the endorsement and support of the Protestant chaplains of the Camp and Division. It is expected that one chaplain will instruct for a period of three months at a time. All personnel and their families are invited to participate in the period. The hour will be 0915.

For the months of October, November and December Chaplain Harold MacNeill will be in charge. He will offer the International Council of Religion Course "Introduction to the Bible." An effort will be made to develop an appreciation of the Bible, as the basic record of the Christian religion, and understanding of the message of the Bible, of the way it was given to men, and of the challenge of the message to men, and an understanding of how we should use the Bible. Textbooks for the course will be provided.

MEN OF ALBEMARLE  
By Inglis Fletcher

The first book in the historical sequence covers the period from 1710 to 1712 and begins the saga of the Carolina coast.

Roger Mainwaring, gentleman planter, beautiful Lady Mary Tor, and her lovely ward Marita are the chief characters.

This is a fine study of manners and morals of the early colonial Americans plus a fast moving story of a young and lusty country burling with life and vigor.

## LUSTY WINDS FOR CAROLINA

By Inglis Fletcher

The Huguenot settlers and the homes they founded on the Cape Fear River forms the background for this novel of high adventure, Indian warfare, pirates and buccaneers.

Anne Bonney, the beautiful woman pirate, who made her appearance in "Men of Albemarle" is one of the outstanding characters.

TOIL OF THE BRAVE  
By Inglis Fletcher

A novel of the Albemarle district is a story of the Revolution. Captain Peter Huntley, staff officer of the Continental line, came to Albemarle on a secret mission. While there he fell in love with Angel, beautiful daughter of Spanish parents. The young soldier found the winning girl of his choice was quite a complicated affair.

The Battle of King's Mountain brings the story to a close.

## RALEIGH EDEN

By Inglis Fletcher

The last of the Albemarle series in historical sequence, this covers the period from 1765-1782. Many of the characters in "Toil of the Brave" appear again as the colonists struggle to rebuild their war-torn Eden.

This Time In Penn.

Marine Corps pistolers participating in the Harrisburg Angler and Pistol Club Championship Pennsylvania Matches held at Harrisburg September 25-26, again took high honors by winning 8 of the 12 matches fired. Captain Thurman E. Barrier of Marine Corps Headquarters emerged with four first place wins in individual competition, while Lieutenant Colonel Walter R. Walsh, also of Marine Headquarters, won three first places.

The Quantico team placed first in the .38 caliber team match with a score of 1128 out of a possible 1200, and also took second place in the .22 caliber team match with a high 1135 out of a possible 1200.

Captain Barrier took first place in the grand aggregate pistol match with a 2007 out of a possible 2100; the timed fire .38 caliber match with 199 out of a possible 200; the .38 caliber National Match course with 289 out of a possible 300; and the .22 caliber pistol rapid fire match with 197 out of a possible 200.

Colonel Walsh, who copped first place in the .22 caliber timed fire match with a possible 200, also won the .22 caliber aggregate with 876 out of a possible 900, and the .22 caliber National Match course with 295 out of 300.

Warrant Officer Mark W. Billings took second place in the grand aggregate match with a score of 1999 out of the possible 2100.

Out On Thirty

In a small ceremony held last Friday at Headquarters, H&S Bn., Camp, Master Sergeant William S. Dyer retired from the Marine Corps. Successfully completing thirty years service, Sgt. Dyer received his last orders from Colonel L. H. Brown, CO, H&S Battalion, Marine Barracks. Sgt. Dyer and his wife were then congratulated by Col. Brown and his staff.

A parade to be held in Sgt. Dyer's honor was cancelled due to inclement weather.

M/Sgt. Dyer was born in Durden, Texas. He first enlisted in the Army in January 1918. In May 1922 he enlisted in the Marine Corps and has spent the remaining period of time as a Marine. He and his wife planned a vacation upon his retirement.

Lt. Colonel Young, Of MCSD, Retires After 30 Years Service In Corps

Lt. Col. Sanford N. Young received his final orders Friday at ceremonies in the Office of the Commanding Officer, Supply Depot before the staff of the Supply Depot. Lt. Col. Young was ordered relieved from active duty after more than thirty years continuous service.

A native of Nachogoochees, Texas, the veteran officer plans to make his civilian home in San Jose, California.

Lt. Col. Young enlisted as a private in Atlanta, Georgia, in January of 1917. He served overseas in the World War I with the famous Second Division, going on to Germany for occupation duty after the armistice. He later served in Archangel, Siberia, and in Poland. Between wars he served in Santo Domingo, Haiti, Cuba, Puerto Rico, and Nicaragua. He also saw service in China, Guam, and the Philippines, and on the South American Patrol.

During the recent war Lt. Col. Young served in the Third Amphibious Corps, participating in the invasions of Bougainville, Rendova, and Munda.

Prior to his completion of service Lt. Col. Young was Camp Munitions Officer, and Officer in Charge, Ordnance Section, Marine Corps Supply Depot.

Don Grimes And Orchestra Will Play For Staff NCO Dance Tomorrow

The weekly dance at the Staff NCO Club this Friday will feature "Music of the Times by Don Grimes". The Grimes Orchestra has played before enthusiastic audience in Lejeune in the past, and his orchestra is expected to fill the bill of good music for a pleasant evening.

Don Grimes has recently completed a successful season at the Cavalier Hotel in Virginia Beach, and his appearance at the club is a fine opportunity to listen and dance to really fine music.

Elaine Powell is his featured vocalist, and her lovely manner of rendering your favorite songs is sure to be appreciated and applauded.

The Grimes orchestra is presented in keeping with the new policy of a top band each week at the Staff Club, and a large crowd is sure to be on hand to dance and listen to the "Music of the Times", by Don Grimes and his orchestra.

## Lejeune Skeet Team Does Well; Stowers, Martin, Place High

The Camp Lejeune Skeet Team returned from the Annual National Skeet Shoot which was held at Las Vegas, Nevada. Eighteen service 5-man teams competed in the National Open Skeet Service Championship for the beautiful three and one-half foot perpetual trophy which was captured by the Naval Air Station, San Diego. It is now on display in the Lowry Annex trophy case until next year's competition.

Service Teams and scores: Naval Air Station, San Diego—1185; Army 8th Air Force—1174; Keiser Field, Miss.—1168; Naval Air Station, Jacksonville, Fla. 1167; NAS, Pensacola, Fla.—1162; Army Air Station, Kandall Field, 1157; Alameda, Calif.—1133; Hickman Field, Oahu, HI—1131; Army Air Fighter School, Ariz.—1126; Army Air, Brookley, Mobile, Ala.—1124; USMC, Camp Lejeune, N. C.—1116; NAS, Corpus Christy, Texas—1098; Craig Field, Ala.—1087; Langley Field, Va.—1074; Alaska Command—1072; Army Air, Mc Dill Field, Tampa, Fla.—1014.

One team withdrew and the USMC Team from El Toro was disqualified by reason of one team member having been transferred to Pearl Harbor. The El Toro Marine Team, although disqualified in the Service Championship Shoot, was the only team to place in the Nationals. Their score was 1189.

CWO H. B. Stowers and WO T. A. Martin of Camp Lejeune placed second in classes "A" and "C" in individual service and open competition. CWO Stowers won his place in a 75 round shoot off, winning over five class "A" dead shots, one of whom was Lt. Brewster of San Diego. In the Service individual shoots he lost to Lt. Lt. Brewster by one bird. WO T. A. Martin won his place in class "C" National individual in a 50 round shoot off. WO Martin topped off the boys from Texas by one bird.

The Lejeune team: CWO H. B. Stowers, WO T. A. Martin, M/Sgt. A. J. Thyrring, T/Sgt. L. A. Walton, Lt. Col. W. A. Lee, scored 1116 out of a possible 1250.

This match, sponsored by the National Skeet Shooting Association, was attended by 78 teams from every State in the Union. Andy Devine, of Hollywood fame, was master of ceremonies.

The desert light, high winds, red and yellow dust storms, which lasted over three days of competition, upset the high scores of many of the nations top shooters.

### Closed Shop

SKOWHEGAN, Me. (SEA)—A local barber finally succumbed to the call of the rod and reel. Customers finding his shop closed were greeted by a sign that read: "This shop closed for one week owing to a very serious attack of fishing fever."

1310—Championship Flight: Mrs. Cloud versus Mrs. Eddy.

At the completion of all matches, about 1730, there will be a presentation of prizes and a buffet dinner at the Enlisted Men's Clubhouse. Everyone who played in the Golf Championship from the start is cordially invited to be present along with a guest. Good chow will prevail.

## Marine Corps League Notes

At the meeting held Monday night, Oct. 4, a group of ladies were present to help instigate the formation of the Woman's Auxiliary of the club. Among those present were, Mrs. Gottensponer, Mrs. Woodfin, Mrs. Casey, Mrs. Chaney, Mrs. Bean, Mrs. Cronk, Mrs. Fisher, Mrs. Taylor, Mrs. Jordan, Mrs. J. E. Groover, Mrs. B. C. Groover, and Mrs. A. Groover.

The League Commandant, Mr. Fisher, explained to the ladies the principals, ideals and aims of the organization. All ladies took active parts in the discussion and arrangements for the auxiliary, and have initiated their membership drive knowing that the sooner a compact body is gotten the sooner they can get their charter.

The Women's Auxiliary has already started arrangements for a dance this month, working with the club. Also on the fire now is a Christmas party for the children to be sponsored by both units of the League.

Also instigated at the meeting is the real membership drive for members in the Marine Corps League.

Any Marine or ex-Marine interested may join the league by applying to one of the following persons anytime during working hours, except as noted. Remember this club is for Marines only. It is chartered by act of Congress, and it is the only club in which you can be sure of meeting old buddies or their friends, and men who have served in your old units. The Marine Corps League is a great organization with club houses throughout the United States and your membership card is your pass for entrance into any of these clubs. There are many benefits besides friendship so join now by seeing one of the persons listed below.

Industrial Area—1st. Lt. Cronk, Athletic Office in Bldg. 1005, 12 to 1300 daily.

Tent Camp—S/Sgt. B. C. Groover, Mess Hall No. 1.

Peterfield Point—M/Sgt. J. E. Groover, Operations Office.

Area No. 1—W. O. Fisher, Bldg. No. 127.

Area No. 2—W. O. Woodfin, Bldg. No. 223.

### Duke Games

The Camp Special Services Office has received a letter from Duke University in reply to a recent letter, which states that service men in uniform will be admitted through a special gate at a reduced rate of \$2.00 for the Duke-Wake Forest game on 6 November.

Continued efforts are being made to obtain tickets for Marines at Camp Lejeune for other college games in North Carolina.

## Gunners, Bulldozers, Fight To Draw In Friday Intra-Mural Game At Midway Pk.

The Tenth Marine Gunners and the Second Engineering Battalion Bulldozers fought back and forth to a 6-6 tie on the Midway Park gridiron last Friday before an excited crowd of spectators.

It was the Gunners game, if one goes by statistics, but the alert and ever present Bulldozers, making their initial appearance on the Intra-Mural football scene, kept the Gunners from making that winning touchdown.

In fact, it was the Bulldozers who scored first, late in the second quarter, when they connected with three successive passes, culminating in a touchdown toss from Derosir to Hoppe.

The half ended with the Bulldozers leading, seven to nothing.

When the Gunners received the ball on a punt early in the third quarter they ran it from their own thirty-five to the Bulldozer 5, where Ogden smashed his way across over center for the score.

From then until the end of the game the Gunners held the advantage, as their forward wall held the Bulldozers down and Settimio, Evans, and Ostergen continually reeled off long gains. They were unable to score, however, as the Bulldozers seemed to have a trench dug on the goal line.

Risser, Cabral, and Holmes all played fine ball in the Gunner line, as did Ogden, Settimio, and Evans and Ostergen in their backfield. The Gunners' team is composed of men from the Tenth Marines and the Sixteenth Marines.

The Bulldozers, with players from the Second Engineering Battalion, Second Tank Battalion, and Second Medical Battalion, had several outstanding players, among them Ducharma, Derosir and Helper in the line, and Cochran, Dion, and Albers in the backfield.

## Chow Situation Will Be Aired Over WJNC On Tonite's Program

The weekly radio program featuring Marines at Camp Lejeune will be heard over WJNC at 2015, Thursday (tonight), October 7. The program this week, one of a series being produced by the Division Public Information Office, will focus on the food problem in the Marine Corps at Lejeune this week.

Gort Wilbur will again announce, and during the course of the program, will introduce Major William Kaempfer, Division Food Director. The program will convey a complete picture of food handling, from the moment the chow is sold to the Corps until it appears on the laden mess hall table.

## Camp Fire Marshall Urges Great Care In Use Of Matches

The week of 3-10 October has been designated by the President of the United States as National Fire Prevention Week.

In view of the approaching Fall, the season when fires are most common, the Camp Fire Marshall desires to once again caution all hands, especially motorists, that lighted cigarette butts should be out before disposal.

Cooperation in even this apparently small matter will greatly reduce the possibility of serious loss in property and timber. It is requested that motorists make a habit of using the ashtray installed in their car for the disposal of their cigarettes while driving.

Facts concerning fires and their prevention are given below.

1. Loss due to fire last year was over \$740,000,000. This was direct insurance loss and does not account for concealed loss.

Example: A fire occurred in an industrial plant. The man operating the machine, in an attempt to extinguish the fire, cut his hand. Two trips to the doctors cost \$6.00, and two weeks loss of work for which the company had to pay his wages—\$90.00. A replacement was put on the machine, resulting in a slowdown, and a loss of material amounting to \$45.00. The confusion resulting from the fire in the department and loss of working time by the people in the department amounted to 100.00. This gave a total concealed loss of \$240.00. The insurance paid for the fire damage was \$15.00.

2. Seven schools burn every day.

3. Every day there are about 720 fires in homes in the United States, that is a fire in the home every two minutes.

4. Someone burns to death every 65 minutes, or about 10,000 people every year.

5. Eight to ten churches burn every day in the United States.

6. More than half the deaths involved children under 15 years of age and persons 65 years of age or over.

7. Most of fatalities involving children were cases where children were left alone in the house, and children playing with matches.

8. The East, South, Central States lead the fatality by fire list with an average of 8.6 deaths per 10,000 population. This is the highest average for any group of states.

9. Smoking and matches caused an average of 113,000 fires per year with an average property loss of \$30,700,000. Over a five year tabulation of fires in the U. S. This far exceeds any other cause for fires through the country.

## Midway Park Will Hold Meeting For All Basketball Players

In the Protestant Chapel last Saturday Miss Ardath Mary Brown, daughter of Col. and Mrs. Lee Brown, became the bride of Lt. Gordon Scott Browne, Jr., USMC, of Washington, D. C. The bridegroom is the son of Mr. and Mrs. Gordon Scott Browne of New Kensington, Pa.

Chaplain E. R. Barnes officiated at the ceremony at six o'clock in the evening. The vows were spoken before the altar decorated with white gladioli, asters and magnolia leaves, interspersed with cathedral tapers. Mr. R. D. Brainard was the organist.

The bride was given in marriage by her father. Her gown was made of ivory satin and she wore a duchess lace coronet with an embroidered net veil. She carried a white prayer book with a white orchid. The pearls she wore were a gift from the groom.

Mrs. Ashton Matthews of Lakeland, Florida, the bride's aunt, attended the bride as matron of honor. Miss Anna L. Millea of Baltimore, Md., was the bridesmaid. Both attendants wore gowns of American beauty velvet with matching satin and velvet coronets and carried sprays of gardenias.

Lt. F. R. Kraince, USMC, served as best man, and ushers were Capt. R. H. Dudley, USMC, Capt. W. A. Willett, USMC, Mr. Paul Smetzer of New Kensington, Pa., and Mr. Theodore Browne, brother of the groom.

Mrs. Lee Brown, mother of the bride, wore a seafoam green crepe dinner dress and a matching hat with wine plumes. She wore a corsage of wine carnations.

Mrs. Gordon Scott Browne, mother of the groom, wore a cocoa lace dinner dress with a matching felt hat trimmed with cocoa feathers and a corsage of gardenias.

Out of town guests included the bride's grandparents, Mr. and Mrs. J. U. McCormick of Lakeland, Florida; the groom's parents, Mr. and Mrs. Gordon Scott Browne of

New Kensington, Pa.; Lt. Gen. and Mrs. Julian C. Smith of Belle Haven, Alexandria, Va.; Gen. and Mrs. Allen H. Turnage of Wide-water, Va.; Maj. Gen. and Mrs. Field Harris and their daughter, Miss Nancy Harris of Cherry Point, N. C.; Col. and Mrs. Robert Kilmartin of Wash., D. C.; Col. and Mrs. George R. Rowan of Norfolk, Va.; Col. and Mrs. Hayne Boydton of Cherry Point, N. C.; Mrs. Margaret Smith of Wash., D. C.; Mrs. F. A. Ramsey of Wash., D. C.; Capt. and Mrs. Donn Strassbough of Fort Eustis, Va.; Mrs. Wm. P. T. Hill of Wash., D. C.; Mr. and Mrs. Paul Smetzer of New Kensington, Pa.; Mr. and Mrs. Clement Taylor Robertson of Homosassa Springs, Florida; and Mrs. A. K. Brown of Wash., D. C. Mrs. Robertson and Mrs. Brown are the bride's aunts. Also Mr. and Mrs. Warren O'Hara of Upper Darby, Pa. and Mrs. Ashton Matthews' son, Michael, of Lakeland, Florida.

A reception given by the bride's parents at the Officers' Mess, Paradise Point, followed the ceremony, after which Col. and Mrs. Brown entertained the wedding party and guests at a buffet supper. The bride cut the cake with her husband's sword.

For her wedding trip the bride changed to a suit of black wool trimmed with white, a white blouse, black hat with white feathers and black accessories. After October 15th Lt. and Mrs. Browne will be at home in Arlington, Va. Lt. Browne is on duty at Headquarters USMC.

Last Thursday evening Maj. Gen. and Mrs. Franklin A. Hart entertained at dinner in their quarters in honor of Miss Ardath Mary Brown and Lt. Gordon Scott Browne, USMC, who were married on Saturday. Other guests included Col. and Mrs. Lee Brown, Mrs. Ashton Matthews of Lakeland, Florida, Miss Anna L. Millea, Lt. and Mrs. F. R. Kraince, Capt. and Mrs. R. H. Dudley, Capt. and Mrs. W. A. Willett, Lt. Col. and Mrs. J. C. Murray, Lt. Col. and Mrs. M. I. Shuford, Capt. George S. Walz and Lt. C. I. Campbell, Jr.

Col. and Mrs. R. H. Ridgely, Jr. had as their guests last week end Lt. Gen. and Mrs. Julian C. Smith

### POLITICAL ACTIVITIES

Sections of the Navy Civilian Personnel Instructions pertaining to political activities by civilian employees of the Navy and Marine Corps have been reproduced in their entirety, and published on official bulletin boards in this Camp for the information of all civilian employees.

The purpose of these instructions is to advise all Civil Service personnel of the law which sets forth the prohibited and permissible political activities in anticipation of the national election to be held in November of this year. A brief outline of the information contained in the instructions posted on bulletin boards is given below.

Civil service employees are prohibited from doing the following either personally or indirectly:

(1) Assist in the organization or serve as an officer or member of a political club, committee or similar organization.

(2) Engage in political conferences or distribute campaign literature, badges, or buttons while in an active duty status.

(3) Assist in counting the votes and engage in any other activity at the polls, except marking your own individual ballot.

(4) An employee may not publish or be connected editorially, managerially, or financially with any political newspaper, or be a party candidate for any public office.

(5) Employees may not initiate or circulate political petitions, circular letters or solicit contributions for political purposes.

(6) Employees may not participate in political parades or be a candidate for any political convention.

It is permissible for the Civil Service employees to personally or

indirectly take an active part in the following:

(1) Employees may vote as they choose.

The right to express political opinions is reserved to all employees provided they do not take an active part in political campaigns.

(3) It is not unlawful for any employee to make contributions, display political pictures, wear badges or buttons under certain circumstances, but inappropriate for any public servant to make a partisan display of any kind while in a duty status.

(4) Membership in Young Democratic Clubs, Young Republican Clubs, League of Women Voters, American Federation of Labor, Congress of Industrial Organizations, and Civil Service Reform Associations is permissible.

(5) Federal employees may participate in certain communities' political activities such as in the immediate vicinity of Washington, D. C. which is made up mainly of Federal employees.

(6) Employees are permitted to serve as election officers, provided that, in so doing, they do not engage in partisan activities, or partisan political management. The controlling factor is the manner in which the employee conducts himself as election officer and not the method of the employee's appointment as election officer. If the employee engages in only the normal duties of an election officer in the manner prescribed by state or local law, no political activity violation is involved.

For a detailed explanation of the permissible and prohibited forms of political activities described by law see NCPI-150 Section 3 and 4 as posted on the bulletin boards.

PX PERSONALITY

Staff Sergeant Paul J. FELLOWS is that fair-haired lad you see dashing around behind the counter at the Cobbler Shop. He it is who makes your name stamps and personalizes your fountain pens—and he will rent you a floor polishing machine or accept your shoes for repair.

S/SGT. PAUL J. FELLOWS

Only 58 more Christmas Shopping days at Central! Don't be one of the ten per cent that will rush in on the 24th of December to get something for Dad or the "sweet thing" back home—and then scold the exchange because that certain something has been sold out. Get on the Christmas Ball NOW!

Need a name stamp? Men in Had-not Point area can leave their order—and 35¢—at the Cobbler Shop one day and pick up the masterpiece the next. Men in the outlying areas can place orders—and 35¢—at the exchanges in their area and pick up the finished product on the second day. Simple isn't it? And the stamps have a detachable knob-handle, too!

While you are marking your clothes, why not give a thought to personalizing your stationery, your wallet, your fountain pen, etc? Purchase your items at your exchange then take them to the Cobbler Shop for monogramming. The small Kingsley marking machine does a big job!

Getting an idea is like sitting on a pin—it should make you do something about it! Get the point? When you get the idea to have greens and blues cleaned and pressed, look up the Camp Exchange pick-up and delivery truck. Look sharp! Be sharp!

Renewed By Red Cross  
To Decrease Accidents

In an effort to reduce last year's 6,250 accidental deaths among children 5 to 14 years of age, the American Red Cross has reissued in time for school opening, revised versions of "Suggested Guides for Safety Instruction."

First published last year, the guides reach teachers of more than 2,000,000 children in elementary grades. Reports from throughout the country indicated the accident prevention outlines filled an urgent need in safety education.

The suggestions are in two sets of nine outlines each, one for grades one to three, the other, grades four to six. Designed to meet both seasonal and every-day safety needs for children, they suggest a great variety of ways, including games, to help teachers emphasize the points made.

For September the guides stress going to and from school safely—by bus, bicycle or afoot. In this connection, the Red Cross advises parents of children entering school for the first time, or transferring to a new school, to accompany the youngsters to and from classes several times. The children should be thoroughly instructed on the best routes to take, to cross streets only at intersections, and to look to school safety patrolmen or policemen for guidance.

The Red Cross points out that children in the 5 to 14 age group last year constituted 32 percent of all pedestrian injuries in the country. A large number of the child accidents occurred on routes to or from school.

KENOSHA, Wis. (APPS)—It pays to advertise! Urban Zeiver's automobile was stolen from his driveway and found abandoned only two miles away. It is believed the thief took a close look at the posters filed in the front seat. They advertised the fact that Zeiver was seeking re-election as district attorney.

**Camp Dispensary Dispenses Pills For Marines' Ills—24 Hours A Day**

The Camp Dispensary is responsible for the health and medical care of the 2200 odd men of the Marine Barracks.

It has all the facilities of a small hospital; a laboratory, pharmacy and X-rays; the Camp Dispensary was once the only hospital at Camp Lejeune. Now all patients needing more than a week's care are sent to the Naval Hospital. The Dispensary has a twenty-two bed ward, averaging ten to twelve patients daily. This small ward serves as a training ward for the hospital corpsmen for both Division and Marine Barracks. Here they are instructed in nursing, care of the sick and the administration of drugs. Special attention is given to the newer drugs, such as penicillin.

emergency calls are answered promptly and efficiently.

The Camp Surgeon, Captain Calvin B. Galloway, (MC) USN, is the officer in charge of the Camp Dispensary. He is assisted by Cmdr Evans H. Wangelin, (MC) USN. These men are assisted in turn by a staff of doctors and corpsmen.

The Camp Dental Officer is Cmdr. Joseph L. Parker, (DC), USN. He is helped by CWO Albert Baqur. Cmdr. Parker has a staff of five dental officers and seven dental technicians. Last month 263 men from Marine Barracks had dental work done, keeping the dentists busy at all times. As in the dispensary, a twenty-four hour watch is maintained at all times in case of any emergency.

All of the outlying and area dispensaries are equipped and supplied by the Camp Dispensary. It furnishes medical supplies for the 2nd Marine Division. In addition, it cares for any of the civilians who become sick or injured while working at Camp Lejeune. The dispensary also provides all of the ambulances used by the camp and has answered calls as far away as Wilmington.

Since the Camp Dispensary first opened its doors in the latter part of 1942 there has always been a doctor on duty in case of emergencies. A twenty-four hour watch is maintained at all times. All

The prosthetic specialist, Lt.-Cmdr. John H. Cathcart, (DC), USN, and seven men, do all of the bridgework and full and partial dentures needed by the men of the Marine Barracks. He has a fully equipped laboratory and almost month completed work on 70 patients and 82 units.

All of the repair work done on the dental equipment used by the Division, Camp and Hospital is done by DTC Charles L. Carter, who has received specialized training in this work. The cost of the dental equipment used by the Camp alone is estimated at \$88,000.

**Fashion Show For All Lejeune Wives—1430, Oct. 13, At Main Theatre**

The Officers' Wives Club of Camp Lejeune will present the first in the projected series of programs designed to entertain and benefit all wives of officers and men stationed at Camp Lejeune when they open a Fashion Show at the Main Theatre on Wednesday, 13 October.

Members of the club will model the gowns, which will be supplied by the MacDonald Dress Shop, owned by Mesdames Evelyn MacDonald and Sarah E. Pierce, of Wilmington.

The fashions will be displayed in five categories — casuals, for street and sport wear; suits and coats; cocktail dresses and costume suits; evening clothes, and maternity fashions.

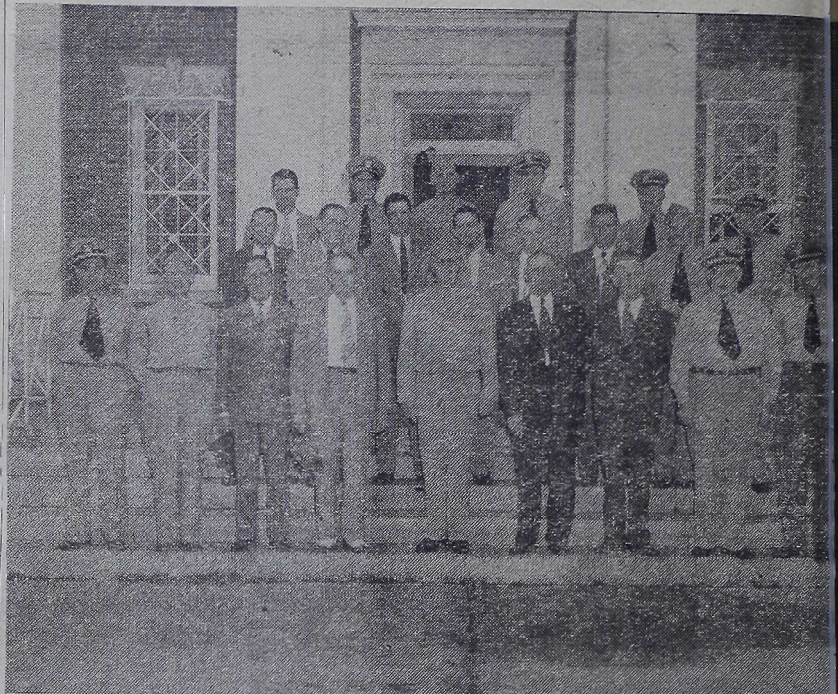

Accessories will be shown with the gowns, with hats by Lelia Corbia of Wilmington. Hairstyles will be done by the Midway Park beauty salon, and Mr. Gardner will create the makeup. Flowers will be by Mr. F. D. Edwards of the Lucy B. Moore Florist in Wilmington.

Members of the club, wives of men stationed at Camp Lejeune, and their guests, will be welcomed with an introductory talk by the President of the club, Mrs. Franklin A. Hart.

The club, for purposes of project work, is divided into ten groups. The group sponsoring the Fashion Show, initial project of the entire club, is the Supply Department Group, headed by Mesdames Cloud, Hansen, and Hanna. Publicity for the event is being handled by Mrs. Bear and Mrs. McNichol, and Stage Direction is under Mrs. S. Adams. The floral decorations are under the supervision of Mrs. Ferguson, and the transportation of models, gowns, and other items is being supervised by Mrs. Anderson.

It is to be emphasized that the Fashion Show is for all wives of Camp Lejeune and their guests. The time, once again, is 1430, the day is Wednesday, October 13, and the place is the Main Camp Theatre. Really a wonderful opportunity to view the latest in Fall styles and fashions.

**Midway Pk. Derby Of Auto-Coasters A Large Success**

An Auto-Coaster derby was held last Saturday, in Midway Park to the great enjoyment of the many adults and children who attended.

Winners were Jimmy Barker, 1st; Benny Maynard, 2nd; and Charlie Sells, 3rd. All winners were awarded cash prizes, as were the runners-up.

Each entry represented one of the merchants in the Midway Park Center, and it was through these merchants that the prizes were donated.

Mrs. Heavey, Recreational Director, would like to thank the Maintenance Department of Midway for their cooperation, WO Lipes and his son, who made the prize presentations, and Mr. Ben Maynard and Tommy Edison, who assisted greatly in the running of events.
