Maj. Gen. Clement Observes Reserve Training

Reserve Director Inspects Organized Units During Brief Visit To Lejeune

During a three-day visit to Camp Lejeune last week, Maj. Gen. William T. Clement, Director of the Marine Corps Reserve, observed the training of all reserve units on active duty here and inspected three battalions during a parade Saturday morning. The general stated that he was well pleased with the preparatory planning, the training schedules and facilities, and the housing for the reserves which reflect the efforts of the Marine Barracks and 2d Division personnel.

General Clement arrived here last Wednesday as the first stop on an inspection trip throughout the nation. On Sunday, he completed his visit here and proceeded to the West Coast, having inspected the 3rd Infantry Bn. from St. Louis, Mo.; the 4th Infantry Bn. of Minneapolis, Minn.; the 21st Infantry Bn., Dover, N. J.; the 5th 105mm Howitzer Bn., Kansas City, Mo.; 18th Engineer Co., Portland, Me.; and the 15th Engineer Co. from Lynn, Mass.

In addition to reviewing the 3rd, 4th, and 21st infantry battalions during the parade Saturday morning, General Clement presented the permanent citation for a previously awarded Legion of Merit to Major Anderson B. Overstreet, USMCR, for services performed while personnel officer of the 6th Marine Division in operations against enemy Japanese forces on Okinawa.

The general also addressed the assembled troops and stressed their part in the nation's preparedness program while pointing out the value of their training as members of the "Citizen Marine Corps." In speaking of the reserves and the training program, General Clement said, "I am confident that I will not see anything on the West Coast to surpass what I have seen here."

On Sunday, General Clement departed for Camp Pendleton, Oceanside, California where he will observe training for four days including the first amphibious maneuver to be held entirely by a reserve component of the Marine Corps. San Francisco's 12th Infantry Battalion will stage a mock landing at the Coronado Amphibious Base at San Diego.

Returning eastward, General Clement is scheduled to review a parade of Marine Corps Reserve units in Evansville, Indiana, following which he will speak at the Marine Corps League Convention on July 16. The general will address prominent military, government and foreign officials at a banquet the following evening.

Upon completion of his inspection of Marine Corps Reserve Training Center in Indianapolis, he will depart for Washington, D. C.

General Clement will proceed to the Amphibious Base at Little Creek, Virginia on July 26, to view the amphibious maneuvers of Boston's Second Infantry Battalion to culminate his tour.

MAJ. GEN. W. T. CLEMENT

Hanneken Retires—Winner Of All Arms Medals Awarded By USMC

WASHINGTON, D. C. (July 9).—Marine Brigadier General Herman Hanneken, renowned fighter of bandits in Haiti and Nicaragua and winner of the Congressional Medal of Honor, retired from active duty today.

General Hanneken, while on duty in Haiti in 1919 suppressed activities of the supreme bandit, Charlemagne Peralte, by the notorious bandit in a raid on his camp in North Haiti. It was for this daring feat he was awarded the Medal of Honor in addition to the Haitian Legion of Merit.

Another daring raid just five years later, Marine Hanneken and killed Osiris Joseph, a Haitian bandit chieftain who had been a major threat to the Navy cross and his Medaille Militaire.

General Hanneken, then a lieutenant, captured bandit leader Genadino's Chief of Staff, Genadino. A second Navy Cross was awarded for this outstanding achievement which occurred a month after his arrival in Central American country.

On June 23, 1893, in St. Louis, Missouri, General Hanneken was awarded the Kenrick Preparatory of that city. He enlisted in the Marine Corps in July, 1914 and was an enlisted man for five years before being commissioned as lieutenant on February 10, 1919.

During his 20 decorations and awards which include the Medal of Honor and two Navy Crosses, General Hanneken was awarded the Medal of Honor during World War II, for conspicuous gallantry and intrepidity in command of a Marine Battalion on Guadalcanal. He was awarded the Legion of Merit for exceptionally meritorious conduct in action at Peleliu and won the Bronze Star Medal for meritorious conduct in action at Cape Esperance, making his decorations all medals awarded by the Marine Corps for heroism.

General Hanneken was advanced to present rank for having been commended for services in combat when he retired from active service on July 1, after a brilliant thirty-four year career.

General Hanneken was serving with the Troop 1st Cavalry, Amphibious Forces, Fleet in San Diego, as Chief of Staff, at the time of his release from active duty.

Dance At Marston Pavilion Tonight

Marston Pavilion, one of the unsurpassed recreation facilities exclusively Camp Lejeune's, will top the list of local attractions tonight when the regular bi-monthly dance gets under way at 2000. For the enjoyment of enlisted men and their guests, the dance will last until 2330 with music by the top-flight 2d Division dance orchestra.

Girls from local cities will be present as charming dancing partners.

Mass Mobilization Of East Coast Air Reserves Completed

CHERRY POINT, July 10. — More than 50 air transports shuttling between Cherry Point and 11 large eastern cities dumped over 2,000 officers and men of the organized Marine Corps air reserve here today for two weeks of simulated war maneuvers.

Beginning shortly after dawn today, huge Marine Curtiss Commandos, Douglas sky trains, Douglas skymasters and Corsair fighters started landing at two minute intervals. The one-day mass See AIR RESERVES On Page 6

Track And Field Squad Practicing; All Positions Open

Practice sessions for the Camp Lejeune varsity track team started yesterday under the supervision of Lt. Col. A. N. B. Robertson. This track team will participate in the All-Marine Corps Track meet to be held at Quantico, Virginia on 20 and 21 August. All personnel, officers and enlisted, now stationed at Camp Lejeune, including the Second Marine Division and attached units are urged to compete for positions on this team, providing they have an amateur standing in track.

The team will practice at 1500 on weekdays and on Saturdays when directed by the coach. Transportation will be furnished for personnel from Tent Camp, Rifle Range, Courthouse Bay and Montford Point. The place of practice is the main camp track in the rear of the Protestant Chapel at Hadnot Point. See TRACK TEAM On Page 3

Thrill is more important today than ever. Save for security the E Bond way.

Lt. Anthony 5th ND Golf Champ; Lejeune Garners Team Crown

Camp Lejeune's undefeated golf team added considerably to its stature during the 5th Naval District eliminations in Norfolk last week. With a combined low score of 298, Lt. W. S. Anthony won the District Championship and earned top spot on the team to enter the Group 6 play-offs. Lejeune also decisively copped the Four-Man Team Championship by a wide margin of 158 strokes.

M/Sgt. C. C. Adams stroked his way to fourth place in the district championship battle, thus giving Lejeune two men on the 4-man team for the group tourney. The Group 6 play-offs will be between the 5th, 6th, 10th, and 15th Naval Districts and the Potomac River and Severn River Naval Commands sometime this month. The winners of this elimination tourney, to be

held on the Quantico Golf Course, will represent Group 6 in the All-Navy Tournament at San Francisco on August 15.

With a very conclusive margin of 158 strokes, the undefeated Camp Lejeune golf team, composed of Capt. A. Hartman, Lt. W. S. Anthony, M/Sgt. C. C. Adams, and Sgt. J. D. Spencer, won the Four-Man Team Championship. The local squad carded a combined total of 1250 strokes as compared with the runner-up's 1408, credited to NAS, Chincoteague for second place. MCAS, Cherry Point garnered third place in the team tourney with 1429.

Welcome Aboard

Marine Reserves

Members of the Marine Corps Reserve are presently receiving summer training at Camp Lejeune. These men, all civilians now, are Marines at heart and spend part of their time every year in keeping abreast of the latest in weapons and technique. We welcome them aboard for their summer encampment and open wide the doors to our knowledge in order that they may remain a competent reserve force for the regular Marine Corps.

It is the reserves who make the Marine Corps equal to every emergency. In time of war, theirs is the task of swelling the ranks of the regulars to make possible the more widespread dispersement which global war requires. When the war is over, they return to their civilian occupations, well-trained and ready, in case their services are again required.

In the course of normal peacetime events, there are times when the Marines are called upon to render assistance or to represent these United States upon some foreign shore. For these vital but small-scale operations, the regular Corps is admirably suited.

When a situation becomes a matter of nation-wide concern and requires full mobilization of all of the armed services, then are the reserves a vital factor in increasing the ranks to a size proportionate to the job.

Their part in the war just past is being chronicled by historians and will soon be published, but cognizance of their importance is not overlooked by anyone.

We wish the men of the various reserve units a pleasant summer training period and urge them to use all of the recreation facilities available to them as fully as time will permit.

New look or old . . . It's still the fashion to save the systematic Payroll Way!

Chaplain's Corner

What Do Ye More?

The sign of Christianity is a plus sign. Christianity represents something added, something extra. To read Jesus' teachings is to notice how often he emphasized that morality is a "plus morality." "What do ye more?" he asked.

This means that when a person says: "I live as good a life as anyone else. I work hard, and stay out of debt. I go to church and I'm loyal to one wife" (implying that he is a Christian because he is as good as his neighbor) he is off the track. For, if Jesus was right, being a Christian does not mean being as good as the next man. It means going beyond conventional goodness and commonly accepted standards of morality. The Christian life is not an ordinary life but an extra-ordinary life. Christian morality is morality with a plus.

"Whoever would compel thee to go with him one mile . . . What then? Are we to go with him that one mile—do what is required and what is expected? 'No', says Jesus, 'go with him two miles.' What about our dealings with other people? Average morality says: love those who love you—your own class, your own family, your own friends, your own kind of people. Jesus said: suppose you do all this, suppose you 'salute your brethren only? What do ye more?' A plus is required.

The world does not need conventional goodness nowadays. The world is full of that, and it is not enough. God requires more—God requires that plus in loyalty and devotion. To be sure, drunkenness and intemperance are wrong. But so also is an intemperate and unbridled tongue. So also are gossip and malicious slander. To be sure, promiscuous sex conduct is wrong. A man should be loyal to his own wife. But it is equally wrong and immoral for a husband to be a tyrant in his own home, to treat his wife as sort of a kitchen drudge and maid-of-all-work, to deny to his children their basic rights as human beings. To be sure, it is wrong and immoral to throw away money in gambling and riotous living. But every time I go into an eating place and see food wasted and thrown away, I can't help but feel that that also is immoral in a world like ours today.

Christian morality does not mean "keeping up with the Joneses." It is a plus morality. Henry David Thoreau wrote that if a man does not keep pace with his companions, perhaps it was because he heard a different drummer. "Let him step to the music which he hears, however measured or far away." God, the distant drummer, issuing the music to which we should be marching. And the beat of the drum comes to us in the example of Jesus. "What do ye more?"

ROBERT L. STAMPER

For Summer Woodsmen

Important Tips

Pin him down, and almost every American will admit modestly that he's quite a woodsman, himself.

Now this latent urge to be a Twentieth Century "Deerslayer" is fine, but as every faithful reader of Mr. James F. Cooper knows, there are hazards in the trade. With an eye to preservation of the breed, Red Cross offers these tips to summer invaders of the wide open spaces:

1. Take summer heat and humidity with a grain of salt—in tablet form or salt water solution, to ward off heat exhaustion. Avoid heavy foods, alcoholic and iced beverages. Don't get overtired.

2. Go easy on the sun. Deerslayer didn't get that bronze color in a day. Water reflection and wind make sunburns more severe; you can get a bad burn on a cloudy day.

3. In mountain country, temperatures change suddenly, so be prepared. Sturdy, low-heeled, well-fitting shoes are good insurance against blisters, twisted or broken ankles.

4. Don't drink "strange" water. Take along a canteen.

5. In snake-infested country, wear high boots or leggings, and gloves. Take care while picking flowers or berries and climbing ledges that you don't reach where snakes may be resting.

6. Watch for the three leafed plants, poison ivy and poison oak, and for poison sumac, distinguished from non-poisonous by drooping clusters of white berries.

What's New

Wish You Knew?

(AFPS)—Never before in the history of human events has news of the world held more significance or been of more interest to the serviceman. Despite the complexities of world conditions, the American serviceman continues to fulfill the proud boast that he is the best informed in the world. He maintains his place as a well-informed soldier through newspapers, radios and his own healthy, inherent interests. To judge the scope of your own general knowledge of national affairs, try answering the following news quiz.—Ed. note.

QUESTIONS

1. Under present plans the Army will use the bulk of new manpower drafted in the next 12 months. How many men will the Army require?
2. Which Army garrison is to be more than doubled in strength?
3. What is a CLK?
4. A Supreme Court ruling recently brought mention of the First Amendment to the Constitution. What does the First Amendment provide?

ANSWERS

1. More than 300,000 additional men will be required by the Army in the next 12 months.
2. The Alaska garrison will be more than doubled in strength to a maximum of 15,000 men.
3. A "CLK" is the Navy term for "light-cruiser-killer," a new specialized ship to be used for anti-submarine warfare.
4. Freedom of religion, speech and press and the right of peaceful assembly and petition.

Family Hospital

Stork Club

29 June—Kevin Carl Spahr to Mrs. Frances and TSgt. Carl E. Spahr.
30 June—Julia Anne Grebe to Mrs. Marie and MSgt. Arthur J. Grebe.
30 June—David Wesley Baker to Mrs. Rachel and TSgt. Wesley M. Baker.
2 July—Hildrey LeRhue Pritchett to Mrs. Bulah and TSgt. LeRue (n) Pritchett.
2 July—Denise Carol Murphy to Mrs. Betty and Cpl. Glenn W. Murphy.
3 July—Michael Bruce Beebe to Mrs. Helen and Sgt. Jack C. Beebe.

4 July—David Pope Swindle to Mrs. Helen and MSgt. Pat Swindle.
6 July—Wanda Jean Butler to Mrs. Mary and Pfc. Dulan F. Butler.

Time Out

BATAVIA, N. Y. (SEA) Although they may become clock watchers in later life, the pupils of two new schools here cannot blame the habit on their superintendent. Each of the schools will have but one clock—in the main hall.

7. Be careful with fires. They're for cooking, not smoke signals. A fire on uncleaned land or in heavy wind is dangerous. Floppy clothing, loose sleeves can catch fire easily; grease in the skillet can ignite over a leaping, high flame.
8. Take care of cuts and scratches, no matter how small.

NEW RIVER RIPPLES

Gunnery Instructor: "Now li you guys, this new bullet penetrate three inches of wood keep your head down."

"Husband: 'I've got tickets the theatre.'
Wife: 'Fine, I'll start dress at once.'
Husband: 'Yes, do; the tickets are for tomorrow night.'

She: "And even when I'm dear, will you still love me?"
He: "Of course—I'll always love you . . . Always! Say, you're going to look like your mother are you?"

"What makes you think I'm dumb?"
"Well, you know, that post down at the post office reads 'Man Wanted for Robbery in Chicago?'"

"Yeah."
"Well, he went in and applied for the job."

Cpl.: "That civilian insulted by offering me a beer."
Sgt.: "What did you do?"
Cpl.: "I swallowed that insult."

A bride and groom were going abroad on their honeymoon. While leaning over the rail of the ship the bride dropped one of her rings overboard. She was deeply grieved over the loss. Some days later, dining in a hotel in Naples, the ordered fish. What do you think they found in the fish?
Bones!

A sailor boarded a bus during the rush hours and handed the driver a \$20 bill. Apologizing very profusely, he remarked, "I'm sorry, I don't have a dime. Honestly, I really wish I had a dime."

"Don't feel so bad about it so replied the bus driver, gently patting the sailor's arm, "because just about a minute you're going to have 199 of them."

First GI: "The service club is is crowded tonight."
Second ditto: "I'll say so. He an hour ago I fainted and had a dance around four times before I could fall."

Old Tom Moore had had a good week and thought he would buy his wife a present, so he picked up the table, carried it out of the house, put it on top of his head and trotted off down the road with it.

Old Bill Brown met him.
"Allo, Tom, are you moving?"
"No," said Tom. "I'm going to buy the missus a tablecloth."

We have just heard about a woman who went to see her psychiatrist, taking with her an ostrich on a leash. "Now what shall be the matter, Madam?" the doc asked. "Nothing's wrong with me," she said. "It's my husband. He thinks he's an ostrich."

He: "You remind me of a box of beer in my neighbor's ice box."
She: "How come?"
He: "So cold and distant."

Lassie: "Why did you take a piano?"
Laddie: "My glass of beer kept slipping off the violin."

International Title Holder

Lt. Col. Emmet O. Swanson, Minneapolis, Minn., sights down the barrel of a Swiss rifle he used 17 years ago in Olympic shooting. The rifle is a Hammerli model with a Martini type action and fires .006 caliber ammunition. Lt. Col. Swanson, who holds two international titles, will compete in the Olympic rifle matches in England, August 2-6.

New Musical Show
Billing Promises
Top Entertainment

Camp Lejeune's new musical extravaganza, "Vodvil Days," is just one week away from its premiere at the Camp Theater. Next Thursday at 10:15, the curtain will be raised on what now appears to be one of the zaniest shows to come this way in some time.

Sponsored by 2d Division Special Services, the show will feature the talents of local Marines and two girls billed as "the prettiest you ever laid eyes on." One of the pair is Jacksonville's own Barbara Byrd who will be remembered by some as the brunette songstress who adorned the "Carnival Days" show last year.

The other girl's name is a secret and will not be revealed until the night of the show. This sweetheart has been described by some as possibly being responsible for giving the Coca-Cola people the idea for their container. It was learned just the other day from her headquarters (a small colony in the U. S. famous for pretty girls) that she carries her stage costume in a compact. Also, in case it might interest some, the young lady tap dances.

Here are some of the other features scheduled to assist in making the musical top-notch entertainment: music by a six-piece Dixieland band; an Al Jolson pantomime by Cpl. Larry Wildman; organ and piano solos of popular music by two talented Marines; outstanding comedy skits; and a wise-cracking MC of the Joe Miller school.

Now two weeks in production, the behind-the-scenes crew of "Vodvil Days" is as follows: Sgt. Albert Iwanicki, stage manager; Cpl. Dave Christy, assistant stage manager; Cpl. Jack Havey, display posters; Cpl. Gene Dill, program; and Cpl. A. W. Rush, publicity.

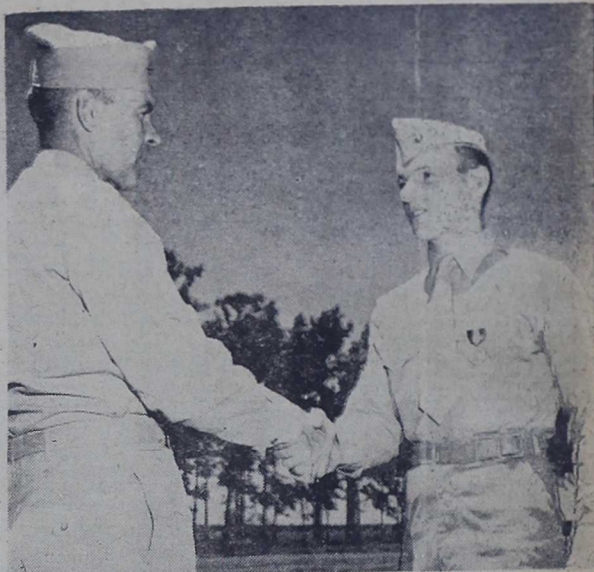

Enlistment Blanks
Sent To All Women
Marine Personnel

(SEA) — Twenty-one officers and 728 enlisted women will be selected by a board convened at headquarters, U. S. Marine Corps, from applications received from women Marines.

Enlistment application blanks have been sent directly to all women Marines for enlistment into the regular Marine Corps. All recruiting divisions are being supplied with details and enlistment application forms, although no actual enlistments will be made until authorized by headquarters.

Maximum women personnel strength in the Marine Corps will be limited to 1,000 enlisted and 100 officers for the first two years.

Medal For Heroism

Corporal Benjamin P. Russell of "A" Company, 2d Marines, was awarded the Navy and Marine Corps Medal during a parade and ceremony in his honor last Friday. Colonel R. M. Victory, commanding officer of the 2d Marines, is shown above congratulating Russell after presenting him with the award. (Photo by Pfc. Bartleson, 2d Division Photo Section)

Lt. Col. Swanson, 4th Reserve Bn. CO,
Member Of U.S. Olympic Rifle Team

Seventeen years after setting a world's marksmanship record in 1931, Lt. Col. Emmet O. Swanson, Commanding Officer of the 4th Infantry Reserve Battalion now training at Lejeune, is going back on the firing line in international competition.

Lt. Col. Swanson recently joined the nation's other crack rifle pistol marksmen for the final Olympic team tryouts at the Quantico rifle range. He was scheduled to compete in the Olympic rifle matches in Bisley, England.

Holder of two international shooting titles, Lt. Col. Swanson is a member of the U. S. Olympic team which will compete with 25 others from August 2 to 6 with the .30 and .22 caliber rifles and the .22 caliber pistol.

In 1930, the crack Marine marksman was the individual kneeling champion at the International Rifle and Pistol matches held at Antwerp, Belgium. The following year, in England, he set a world's prone record with a score of 1392. Practicing dentistry in Minneapolis, Minn., from which the 4th Infantry Reserve Battalion is based, Lt. Col. Swanson is the Ordnance officer of the Marine Division during World War II.

Reserve Retirement
Bill Signed Into
Law By President

WASHINGTON (AFPS)—Praising the measure as a means of strengthening the civilian military ties of the United States, President Truman recently signed into law the bill providing retirement benefits for members of the civilian military components.

Basically, the new law will provide retirement pay for those with twenty years of acceptable membership at the age of sixty.

Retirement benefits computed at 2 1/2 per cent of base pay plus gratuity begin when a member, whether or enlisted man, retires in a Reserve component after twenty or more years of active membership.

Due to the considerable bookkeeping involved in detailed checking of attendance records, Reserve members with twenty years of service at the time the bill became law automatically qualify. For others, qualification will be based on an automatic credit system based on attendance at drill, summer encampments, and training meetings.

Love Gives Marines
Twenty Of Panes

(SEA)—A Marine crew disembarked a greenhouse at the naval hospital in Corona, Calif., cleaned and checked nearly 2,000 panes, mostly of hothouse glass, and transported them about 20 miles to the Marine Air Corps Station at El Toro for reassembly as a unit in which landscaping plants for the CAS will be cultivated.

TSgt. Bodnar Receives
Permanent Citation
For Silver Star

During a parade and ceremonies at Tent Camp last Friday, T/Sgt. John P. Bodnar of Air Delivery Platoon, Second Supply Battalion, 2d Combat Service Group, received the permanent citation for a previously awarded Silver Star Medal. Colonel John F. Hough, Commanding Officer of the Group, made the presentation.

The Silver Star Medal was awarded to then Sergeant Bodnar for service in Europe as set forth in the following citation:

"For conspicuous gallantry and intrepidity in action while serving with the Marine Detachment, American Embassy, London, England, in the performance of Specialized Duties in enemy-controlled territory, and subsequently as a Prisoner of War of the German Government, from 1 August 1944 to 27 April 1945. After parachuting into southeastern France, Sergeant Bodnar participated in numerous dangerous reconnaissances, the last of which resulted in surrender to the enemy, to which he unselfishly agreed in order to spare the townspeople of Conton from German reprisals. Subsequently imprisoned and subjected to numerous interrogations, Sergeant Bodnar refused to divulge information. His heroic conduct and unwavering devotion to duty throughout an extremely hazardous and important mission were in keeping with the highest traditions of the United States Naval Service."

Navy Plans Strength
Of 527,014 For 1949

(SEA)—The Navy's budget request to meet a planned average strength in the Navy and Marine Corps of 527,014 was fully approved by Congress.

Of the planned figure, the Navy will have 41,551 officers, 4,149 warrant officers, 2,914 nurses, 3,114 academy midshipmen and 386,061 enlisted men. The Marine Corps will have 6,363 officers, 1,000 warrant officers and 81,862 enlisted men.

Figures released as of 1 June 1948, show that the Navy had 389,086 men while the Marine Corps had 81,513 men. This figure is the last tabulation available.

It's a cinch you won't uncover a BETTER RETURN on your dough than \$4 for \$3! Sign up for Payroll Savings!

Navy-Marine Corps Medal Awarded
Cpl. B. Russell For Heroic Rescue

Corporal Benjamin P. Russell, a squad leader in "A" Company of the Second Marines, Second Marine Division, was awarded the Navy and Marine Corps medal at a parade and ceremony in his honor last Friday on the Area 2 athletic field.

Marines Captured
In China May 5th
Released By Reds

TSINGTAO, China, July 2.—Four U. S. Marine fliers held captive by Chinese Communists since May 5 were released today, the Navy announced.

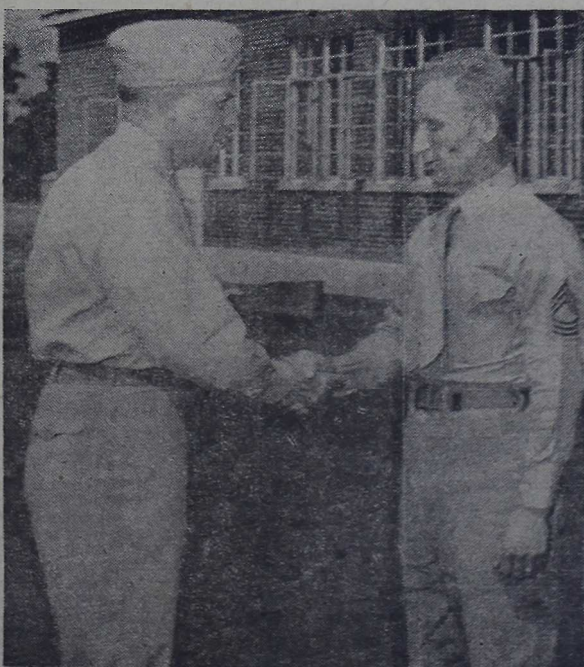

They are Lt. Harold W. Hawkins, 25, Kalamazoo, Mich.; M-Sgt. Thomas J. Shaw, 32, Winfield, La.; Tech-Sgt. Robert C. White, 25, Norfolk, Va., and Cpl. Robert R. Lewis, 19, Petersburg, N. Y.

The fliers were forced down in Communist territory on Shantung Peninsula while on a routine flight. They were captured 18 miles west of here.

The Navy public information officer told newsmen:

"They are in fine physical shape. There was no rough stuff."—Quintico Sentry.

Mess Efficiency Award

M/Sgt. Vincent Fale, mess sergeant of Mess Hall 509, 16th Marines and 2d Tank Bn., is congratulated by Brig. Gen. W. E. Riley, ADC, 2d Division, upon winning the mess efficiency pennant last week. Gen. Riley, in making the presentation during ceremonies last Friday, lauded the mess personnel on their achievement. The mess officer is 1st Lt. A. D. Challacombe Jr.

The peace-time medal for heroism was presented to Cpl. Russell by Colonel Randall M. Victory, commanding officer of the Second Marines. The parade included the entire Second Marines and the 2d Division band.

While serving at Marine Barracks, Naval Operating Base, Argentina, Newfoundland, last October, Cpl. Russell responded to a call for help from an aircrewman whose plane had crashed into Little Placentia Harbor.

Plunging into the cold, choppy water, Cpl. Russell swam through burning wreckage to free the aircrewman who was entangled in his parachute shrouds. Only a few seconds after the two retired to safety, a terrific explosion enveloped the plane and surrounding area.

The citation from the Secretary of the Navy accompanying the medal read in finish: "... Conduct and bearing and gallant disregard for his own life and safety, in keeping with the highest traditions of the United States Marine Corps."

The Navy and Marine Corps medal was first authorized in August 1942, to be awarded to any person serving with the Navy or Marine Corps who distinguishes himself by heroism not involving actual conflict with an enemy.

A Marine since June, 1945, Cpl. Russell is from Milwaukee, Wisconsin.

G.E.D. Tests Given
Tuesdays & Fridays

General Education Development tests are given between 1300 and 1500 on Tuesdays and Fridays at Building No. 62. Previously, these tests have been given daily.

CAMP LEJEUNE, N. C., THURSDAY, JULY 15, 1948

NO

Local Diamond Squad Scores Double Victory At Norfolk, 12 To 7, 7 To 4

Camp Lejeune's high-riding varsity baseball team came home victorious from another road trip last week. They journeyed to Norfolk, Va. to play the Cinclant All-Stars and the Naval Receiving Station, emerging on the long end of the score in both contests. The locals defeated the Cinclant All-Stars 12 to 7 and downed the strong Naval Receiving Station nine, 7 to 4.

Bob Burns was on the mound for Lejeune against the All-Stars, and although he was far from his best, he was good enough to limit the sailors to but three hits. Bob struck out 11 opposing stickmen, issued 9 walks, made three wild pitches and allowed 7 runs.

Lejeune started the scoring in the 4th, when Messenheimer, McGuire and Woods hit consecutive singles to fill the bases. Messenheimer was out at the plate when Toner grounded out to the pitcher, but Frank Freeza hit a long hard single, to score McGuire, Woods and Toner. Anderson doubled to score Freeza, and Schnupp singled scoring Anderson. The Navy got one run back in their half of the fourth on a single and errors by Messenheimer and McGuire.

The locals added two more runs in the 5th when Fairchild singled, went to second when McGuire reached first on an error, and then proceeded to steal third and home. McGuire scored on the third baseman's error. Five more runs were added in the sixth when the team batted completely around on three hits, two errors and two walks.

The Navy went into the last half of the ninth trailing 12 to 3 and gave the Lejeune squad a scare when Burns faltered, allowing four runs to cross the plate. Dias caught the final out when Begnaud of the Navy fled to centerfield with the bases loaded.

On Friday, the Lejeune nine added another to their long string of victories, coming from behind in the seventh inning to down the strong Naval Receiving Station 7 to 4.

"Buckets" Bourbeau went the route for the locals, giving up eight hits, striking out nine men and walking three. Ed Toner led the hitting attack with 2 for 4.

Lejeune took a one run lead in the first inning when Anderson reached first on an error, stole second and third and scored on Fairchild's infield out. The Navy came right back in their half bunting three hits, two walks, an error by Messenheimer and a passed ball by Perme for four runs. In this inning Frank Freeza was ejected from the game when he argued a little too long with the plate umpire on a disputed called strike. Ed Toner took over first base and did a nice job for the remainder of the game.

Lejeune added two more runs in the second inning when they loaded the bases and Schnupp hit a high See LOCAL NINE On Page 5

Crew's Race Gives Contestants Good But Hectic Time

Nerves were shot and molars were worn down to the nub as the skippers sat quietly by and had their nervous breakdowns while the crews took over the tillers in the novel Crew's Race at the Wallace Creek boathouse last Sunday. (It was learned from a very (un)reliable source that several of the skippers were taken away in straight jackets muttering, "port your helm", "tighten your jib line", "change your tack".)

Although there was much gnashing of teeth and many harrowing experiences, all the boats came back right-side up and everyone had a fine time. No prizes or points were awarded for this race.

The order in which the boats finished were as follows:

1st place—Lt. Col. Bruford who sailed the first part of the race and Mrs. O'Halloran, who sailed the last part. Lt. Col. O'Halloran's crew.

2nd place—TSgt. Joe Hiedenfelder, MSgt. Cogsdell's crew.

3rd place—Cpl. A. C. Campana, Cpl. Berg's crew.

4th place—Cpl. R. M. Orne, Pfc. E. C. Snyder's crew.

5th place—Col. R. B. Luckey, Mrs. Luckey's crew.

WO B. F. Krohn won the Town Class Race.

The first race for the Labor Day Sweepstakes will be next Sunday. There will be eight races including the Labor Day Regatta and the skippers must sail in at least five of these to qualify for the prizes. Those that sail in more than five races will receive points for only the five races in which they finished with the highest points.

Langley, Mitchell Games Cancelled; New Games Billed

The Camp Lejeune baseball team's twin bill with Langley Field that was to have been played Tuesday and Wednesday and the game with Mitchell Field today were cancelled Tuesday morning.

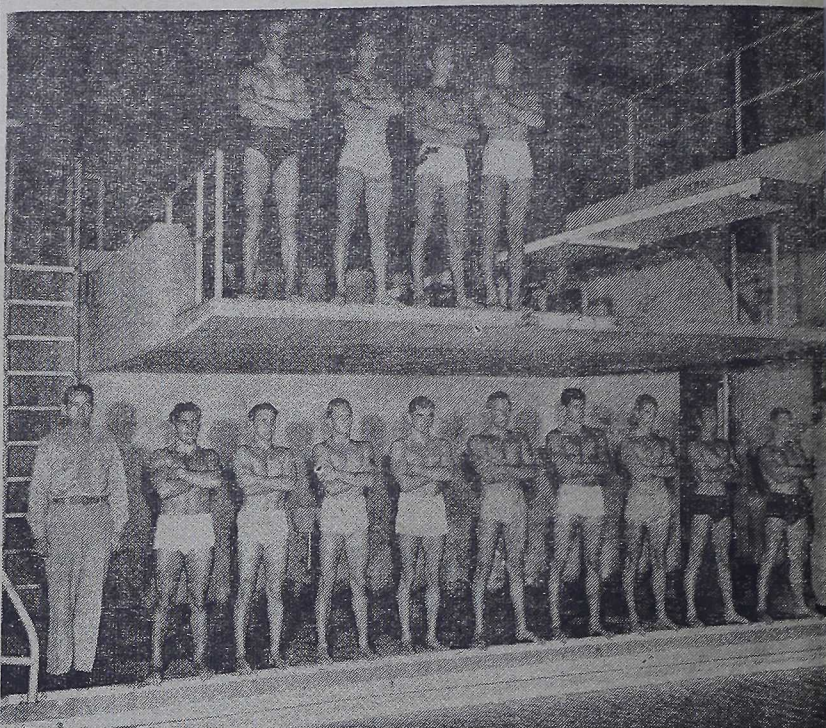

Cherry Point was scheduled in place of Langley Field on Wednesday, and the locals will attempt to avenge the 1 to 0 loss recently suffered at the hands of the VFW All-Stars on the Midway Park diamond tonight. Camp Lejeune journeys to Cherry Point for a return game tomorrow.

Close Decision

H. Byrd, VFW All-Star's shortstop, slides safely into third base after going all the way from first on the Lejeune catcher's error in the eighth inning. Byrd was out at home a minute later on an attempted squeeze play. Byrd slammed out two of the All-Stars' four hits. Messenheimer is the Marine third baseman. (Photo by Pfc. Sage.)

Swimming And Diving Team

Shown above with Lt. Col. G. R. Long, Camp Special Services Officer (extreme left) is the swimming and diving team that left this morning to represent Camp Lejeune in the Fleet Eliminations, Norfolk, Va. next week. Left to right they are: Top row: R. R. Reichenback, G. D. Saunders, G. J. Duggan and P. Diaz. Bottom row: Lt. Col. Long, G. Fuca, W. H. Carrithers, J. J. Reid, H. E. Roland, L. Dommer, team captain W. W. Sorg, J. M. Connor, E. Parlee, J. E. Fallon, and team coach Lt. Donn Drayger. Not available at the time the picture was taken but going to Norfolk with the team are: Mike N. Hayes, Eric Kleist, John Garrett, Clarence Lounsbury and Walter Carlson.

Lejeune Aquatic Squad Enters Fleet Eliminations Next Week; Locals Storm

Major R. H. Gray Wins First Prize In Blind Bogey Golf Tourney

From the number of participants in the Blind Bogey Tournament held last Saturday. It is evident that this tourney seems to be the most popular golf tournament at Camp Lejeune.

Quite a few golfers, 31 in fact, were on the ball in the selecting the proper handicap so as to have their net score total between seventy and eighty.

Major R. H. Gray was the most fortunate of the thirty-one golfers, being the only one to hold the score of seventy-five which was drawn for the first prize \$18.00 P. X. Chit.

The second drawing for a \$12.00 P. X. Chit was more successful as five golfers had the net score of seventy-nine. They will each receive a \$2.40 P. X. Chit. They are: Commander W. F. Lyons, Capt. F. J. Rooney, Lt. R. S. Robertson, TSgt. J. F. Heidenfelder and Pfc. K. B. Williams.

The next tourney is the Obstacle Tournament Saturday, 24 July. This novel affair promises to provide plenty of fun for everybody. Don't miss it.

H&S Bn. Div. Wallops 1st AAA Nine 22 To 2

The 1st AAA American League softball team hung their heads and trudged back to Courthouse Bay last Wednesday evening after being soundly spanked by H&S Bn. Division, 22 to 2.

The H&S team crossed the plate three times in the first inning, four times in the second and then went berserk in the third, parading thirteen runners across the platter. They scored twice more in the fourth and coasted the rest of the way, allowing the 1st AAA only two runs.

Kelly chucked good ball and Arndt and Crowe stood out for H&S. Tamulavaga and Adair looked good for AAA.

VFW All-Star Nine Nips Lejeune 1-0 In Pitchers' Duel

Jacksonville, N. C.'s Veterans of Foreign Wars All-Star baseball team edged the Camp Lejeune Marines last Monday, 1 to 0 in a tight hard fought pitcher's battle. Bob Johnson of Camp Lejeune and "Pappy" Diem of the All-Stars clashed in a beautiful duel with Diem allowing only two safeties and Johnson holding his opponents to four singles. Both teams went hit-less for the first four innings.

H. Byrd lined a single over second for the first All-Star hit of the ball game in the fifth inning. The Marines got the first of their See ALL-STARs On Page 5

Amtracs Score 6 In Sixth To Win 9 To 5

Coming from behind to win their ball games developed into a habit with the American League Intramural teams last week. The 2nd Amtrac Bn. overcame a 5 to 3 H&S Div. lead last Thursday, scoring six runs in the sixth inning to cop the contest 9 to 5.

Felder was the Amtrac hurler and Towery pitched for H&S Bn.

2nd GSG Outscores 2d Marines 14 To 12

The 2nd ComSerGrp baseball team outscored the 2nd Marines last Tuesday 14 to 12 in a wide-open American League game. The 2nd had the game just about sewed up in the first of the fifth 12 to 4, but the ComSerGrp scored ten runs in the last three innings to cop the ball game.

Egan homered for the 2nd Marines and Overholt slammed out a round-tripper for the 2d ComSerGrp. Stern was the winning pitcher and Glazier was on the mound for the 2nd Marines.

The Camp Lejeune swimming team left for Norfolk, Va., to participate in the Fleet Elimination swimming and diving championships the week of 19.

Camp Lejeune is represented by a strong swimming team, many individual stars. The co Lt. Donn Draeger of the 16th Marines is probably the most standing. He gained his swimmer experience as a member of one of the strongest teams in the west, the Milwaukee Athletic Club. Lt. Draeger is the Wisconsin State AAU indoor and outdoor champion in the 100 yard, Meter, 200 yard and 200 m breaststroke. He holds Wisconsin See AQUATIC TEAM On Page 5

2nd Med. Bn. Loses To 4th Marine Nine 7-4

The 2nd Medical Battalion lost a first inning three run lead to lose their American League ball game to the 4th Marines 4 last Wednesday. The 4th scored one run in the first, two in second, two in the third and in the sixth to provide the winning score. The Medical Battalion crossed the plate only one after the first stanza.

Shotwell had a perfect day the plate with three for three. Kaminski chucked an excellent game for the 4th Marines. Sn was the Md. Bn. moundsmen.

Golf Schedule

24 July — Obstacle Tournament (No handicap needed, there'll be enough on the 9 holes).

14 August — Blind Hole Tournament. (Blind draw for 9 holes of 18, 1-2 handicap used).

28 August — Flag Tournament. (Plant your flag at your stroke).

Watch the Camp Lejeune Globe for all the details as the tournaments are scheduled. Prizes will be given for all tournaments.

GOLF COURSE HOURS

Tuesday thru Sunday — 0800 hours.

Sunset.

Closed All Day Monday.

Softball Slugger

HMC Fred Burns, one of the leading hitters on the varsity softball squad, catches hold of a fast ball to slam out a hard single in the 4th inning of the Spofford Spinners game. The locals shut out the Wilmington team 4 to 0. The catcher is Covington of the Spinners and the umpire behind the plate is Capt. Zarro.

Varsity Softball Team Tops Spinners 4-0; Loses To City Optical 5-1

Camp Lejeune varsity softball team shut out the Spofford Spinners from Wilmington, 4 to 0 last Saturday. The team were Wilmington City players last year and are presently on the heels of the Optical team that defeated the softballers last week.

Camp Lejeune club showed improvement in both hitting and pitching, and promises future opponents plenty of trouble. HMC Jack Kanavel was the mound for the local squad pitched an excellent game, allowing only three hits. The Lejeune jumped off to an early lead with two runs in the first inning on a walk, a single by Burns and an error. They added more in the third on an error by the Spinners. Burns pitched successive singles by Burns, Cieliesz, Third baseman and top hitter Cieliesz led the team in hitting with three for

City Optical nine, first half of the Wilmington, N. C. A league topped the local 5 to 1 in a night game played in Wilmington last Friday night. The first game the team played under lights and the illumination seemed to help them a little as their hitting and fielding was not up to

game was stopped twice by rain and the wet turf made balling and footing precarious for the squads. Despite a wet ball, Durnell pitched a good game for the local team, and he promises to give future opponents plenty of trouble. He struck out seven batters in seven hits.

The City Optical pitcher, Cook, undoubtedly the best the Camp has faced this year. He kept local boys pretty well handled at the plate, allowing only one hit.

The varsity will play a game every night until the All-Star Elimination Tournament that starts the 26th of July. So only three games have been scheduled but several more have been made. The local team will play Cherry Point here tomorrow night on the main softball diamond next to the football field at 1730. A return game with

the Spofford Spinners at Wilmington on the 22nd at 2045 has been scheduled and on the 23rd the team will play Cherry Point there at 1700.

All-Stars

CONT. FROM PAGE 4

two hits in the sixth when Fairchild beat out an infield grounder.

Buddy Phillips reached first for the All-Stars on Freeza's error and then went all the way to third when Woods mis-cued in center field. He scored on H. Walkers' sacrifice for the only tally of the game.

This was one of the best games of the year and it was evident from the first inning that one or two runs scored by either club would mean the ball game. The Marines came within a hair of scoring in the ninth inning after two were out. Burns pinch-hit for Woods and lined a double into right and then Toner and Freeza walked, filling the bases. But Pappy Diem settled down and forced McGuire to fly out to center field, ending the ball game.

Veteran hurler Diem looked tops and pitched his best against the Lejeune Marines who enjoyed playing against the good natured Pappy immensely. Diem struck out six and walked five while Bobby Johnson, lanky portlander, whiffed eight and gave up four free passes.

Call Gordon Smith at 3298 during working hours or see him at 3099 Lee Avenue after working hours if interested.

Local Nine

CONT. FROM PAGE 4

fly ball to the second baseman who muffed it, McGuire and Perme scoring. In the seventh inning, Lejeune pulled ahead 5 to 4 when Schnupp singled, Fairchild walked, and Messenheimer laid down a bunt which the pitcher threw wild. Schnupp and Fairchild scored. The final two runs were added in the ninth when Woods singled, stole second and scored on Toner's line double to left centerfield. Toner scored when he stole third and the third baseman let the catcher's throw get away from him.

It was the stellar performance of Schnupp and Woods in the outfield that saved the day for Lejeune. In the fifth inning Woods threw Dejoy out at the plate from deep centerfield, when the sailor tried to score from second on a single. At this stage of the game, Lejeune was behind 4 to 3. In the sixth inning, Paul Schnupp took a fly ball in right centerfield and threw Stetley out at the plate when he tried to score from third after the catch. In the eighth, Schnupp once again executed a double play, when he made a beautiful running catch and doubled the runner off of first base.

Lejeune now has the enviable won and lost record of thirty-four victories against only eight defeats, and has been seeded number one for the 5th Naval District playoffs in August. This information was learned from the 5th Naval District Special Services Officer by the team coach, Capt. Fenton, while in Norfolk.

ITEMS OF INTEREST FROM A RECENT U. S. CIVIL SERVICE COMMISSION LETTER

New Stenographer Exam System starts this month—under this system any competitor who has made a passing mark as typist in any exam given since February, 1946, need pass only the dictation and transcribing test henceforth in order to acquire full eligibility as a stenographer.

In exams held in the past persons who failed the stenographic part, but did receive eligible ratings as typists, were required to take again all three phases of the exam—general, typing, and stenography—in order to obtain eligibility as stenographers. It is no longer necessary, in such cases, to repeat the phases already passed.

Adoption of the new technique in the field is left to the discretion of the Regional Directors; it may not be followed in all regions.

President Truman sent a message to the Congress on May 24 in which he recommended that legislation be enacted to provide unemployment compensation to persons employed by the Federal Government when they lose their jobs through no fault of their own. The 1947 annual Report of the Civil Service Commission contained in a similar recommendation.

Latest surveys show that about 44 out of every 100 Federal employees have seen military service or are entitled to preference through wife-widow, and mother benefits.

As part of its long-range planning of examinations to be announced in 1949, the Commission has requested that agencies report the number of war-service and temporary-indefinite employees they have on their rolls as of the middle of June, by type of position and grade.

INTERESTING FACTS CONCERNING CIVILIAN EMPLOYEES

During the week ending July 9, 1948, the following personnel changes were effected by the Industrial Relations Office:

Sixteen employees were converted from temporary to probational or competitive status. Twelve from Camp Maintenance and four from Supply Depot.

There were twenty-eight accessions, one for Defense Housing, three for Supply Depot, two for Malaria Control, twenty for Camp Laundry, one for Camp Maintenance and one for Civilian Payroll.

There were twenty-four periodic pay increases, eleven for Camp Maintenance, four for Defense Housing and nine for Supply Depot.

There were fifty-one separations, forty-six from Camp Maintenance, two from Camp Laundry, one from Electric Power Plant, one from Public Works and one from Supply Depot.

There were no promotions for the week ending July 9, 1948.

SAFETY NOTES

SALT IN DRINKING WATER
Salt is very necessary to health. Salt and water will keep you alive longer than water and food with salt removed.

Your body consists of about 80 percent water. Salt is important in helping to keep the necessary amounts of water in all parts of your body.

But both the water and salt in your body gradually are being used up. A man working in summer sun or in the heat of boiler rooms, foundries, blast furnaces, bakeries,

etc. may lose as much as two gallons of water through perspiration in eight hours. Salt is also lost in all perspiration.

It is very necessary to replenish this salt and water lost from your body. Lack of salt is often a cause of heat cramps.

You can easily keep the salt content of your body normal by adding salt to your drinking water. Add a level teaspoonful of table salt to one gallon of water or smaller quantities in the same proportion. Cool, not ice-cold water is best for drinking.

This Camp provides salt for employees in tablet form, in convenient containers at the drinking fountains. Salt also should be used freely in summer foods and drinks.

PERFECT INJURY RECORD

During the month of June there were no lost-time-injuries suffered by employees of this Camp. This is a record of which we can justly be proud especially since it is the first no lost-time-injury month since February 1946. Now that we have our record down to no injuries, let's exert every effort to keep it down. IT CAN BE DONE!

ATTENTION OFFICE CLERKS

Soon to be made available to clerical personnel are two pamphlets entitled, "Twenty-five Office Short Cuts", and "How to be a Super Secretary." Each person attending the proposed IV-B refresher courses will be given one of these publications and the remainder available will be distributed to other personnel who are not required to attend these courses.

"How to be a Super Secretary" was compiled by Remington Rand, Inc., on data obtained by one of their renowned typists and secretaries whom they sent on a nation wide tour to interview hundreds of office managers. The essence of all their replies is covered by the few essentials, which you will find in this book. It also contains a rating chart by which all clerks may rate themselves to determine their standing as super, good, better than or below average. An honest rating will determine whether you are O. K. or in need of further study.

"Twenty-five Typing Short Cuts" as mentioned before, is the other pamphlet. This book is so named because it saves valuable typing time. These shortcuts have been collected from the experience of thousands of successful and efficient typists. This book is also compiled by Remington Rand and contains time-saving shortcuts which may be applied in your own office. We hope that the information contained in these pamphlets will be beneficial to all clerks and to the office as a whole.

She: "You deceived me before our marriage. You told me you were well off."
He: "I was, but I didn't know it."

President Truman Receives Honorary MCROA Membership

WASHINGTON, D. C., July 4.—The Marine Corps Reserve Officers Association made President Harry S. Truman an honorary life member in brief ceremonies at the White House.

Colonel Melvin J. Maas, National President, gave the President a silver engraved life membership card. In a letter accompanying the presentation, Colonel Maas said:

"It is with great pleasure that, on behalf of the Marine Corps Reserve Officers Association, I present you with a special membership card conferring upon you honorary membership in the Association. This card is accompanied by our lapel device.

"We are happy and proud to recognize your services to Marine Reserve Officers. When you organized the first chapter of Reserve Officers, that included Marines. Today Reserve Officers have strong Associations following the original principles of the chapter which you organized. That is, to band together to improve their value to national security and to keep alive the ideals for which they wear the uniform."

The following members of the National Executive Council were present: Col. Harvey L. Miller, Maj. Jack C. McDermott, Capt. Edward M. English, Capt. Edgar S. Prochnik, Maj. W. P. McCahill and Maj. Helen O'Neill.

Officers of the local Washington chapter present were: Lt-Col. W. J. Burrows, President; 1st Lt. Andrew I. Hickey, 1st Vice-President, and Capt. David R. Stauffer, Treasurer. Maj. Helen Crean and Capt. John H. Pratt were also present from the Washington chapter.

You don't need a Fortune-Teller to know there'll be plenty of Long Green Money in your future . . . if you see to it NOW with Payroll Savings Bonds!

Object Lesson Number 24

It would seem as though there were an epidemic of overturncaritis at Camp Lejeune. A great deal is known about the cause. A little germ often referred to as the "speed bug" is most frequently named. The bite is often fatal. Preventative measures are simple and cheap: an ounce of common sense taken frequently. (Photo by Pfc. Sage)

Trophies To Memorial Club

SAN FRANCISCO—Marine Major General LeRoy P. Hunt shown presenting the two trophies won by the Marines' West Coast football team to Major General Evans O. Ames, Ret. General Commanding General of Headquarters, Department of the Pacific, the West Coast Championship Trophy and the All-Navy Trophy to General Ames of the Marines' Memorial Club for being in the Club's trophy case.

Next time you're in San Francisco, drop in at the far-flung Marines' Memorial Club and take a look at 'em. (Photo by T/Sgt. Harris)

Report From Washington

By Armed Forces Press Service

The Navy's top command will soon be moving from the War and Navy building on Constitution Avenue into the Pentagon. Funds already have been provided to finance the transfer of the offices of the Secretary of the Navy, the Navy Under Secretary, the Assistant Secretaries and a portion of the office of the Chief of Naval Operations. Office files and equipment are now being prepared for the move.

President Truman recently signed into law a measure providing increased pensions for widows, orphans and other surviving dependents of deceased Services personnel. Under the new law, widows of servicemen who died during World War II, or of veterans who died from service-connected disabilities after discharge, now will receive \$75 a month instead of \$60. The pension rate is increased \$25 for one child and \$15 for additional child. An orphan child now will receive \$58 instead of the former \$45. Dependent parents will receive \$54 instead of \$45.

ceive \$58 instead of the former \$45. Dependent parents will receive \$54 instead of \$45.

The President recently signed a bill which extends for the period during which the War II veterans may continue to force their National Service Insurance on level term insurance. The holder builds up new loan value but is entitled to coverage in the event of permanent disability.

Regardless of what action Congress may take toward income tax exemption for war pay, the Armed Forces are ready with a withholding effective the first pay January 1, 1949. However, Congress extends exemption restores them retroactive. Services cannot make individual funds. The money will be turned into the Treasury, and the holder might be entitled to refund required to file claim form.

Air Reserves

CONT. FROM PAGE

air movement lasted until afternoon and completed the most intricate and peacetime mass movement troops ever conducted by the Marine Corps.

The air transport of the reserves was carried out by the Transport Squadron. The next two weeks the will stage bombing, strafing and other combat practices.

Today's operation represents a test to determine the ability of the reserves to mobilize in hours should an emergency necessitating such action.

The war games will give reserves an opportunity to work with the regular Marine Corps in large scale maneuvers to familiarize themselves with latest equipment and tactics of the Marine Corps.

Cities from which reserves were moved today: Glenview, Ill., New York, N.Y., Miami, Fla., Jacksonville, Fla., Quantico, Mass., Norfolk, Va., Columbus, Ohio, Grosse Pointe, Mich., Anacostia, D. C., Atlanta, Ga., Willow Grove, Pa.

The reserves also will engage in joint maneuvers with Marine Corps units at Camp Lejeune, N.C., to simulate an enemy invasion.

A feature will be the use of the air station here by the reserves to fly "enemy" planes.

Trailer Park

By PROJECT SERVICE

There was plenty of entertainment for those who stayed in Trailer Park over the "4th". On Monday afternoon a softball game took place between the right-handed women and the left-handed men. While the men furnished a pitcher and a catcher for the "fair ladies" the women likewise provided a pitcher and catcher. Needless to say a very spectacular and entertaining game ensued. Results: Close score 5-4. Sore muscles. Good time.

Following the game, a watermelon cutting and community sing was held at Pine Lodge.

All the new residents of Trailer Park are invited to join in the Community Activities: Bingo every Friday night at "Rec Hall"; Swing and Sway Night every other Saturday. No charge.

Chapel Services: Plan to attend next Sunday, Mass, 9:00 a.m.; Sunday School, 10:00 a.m.; Worship Service, 11:00 a.m.

Broadcast, Pageant Highlight Marine Band Sesquicentennial Observance

WASHINGTON, D. C.—America's listening audience heard the story of the famed United States Marine Corps Band last Saturday afternoon at two o'clock in a half-hour radio show originating in the nation's capital and aired through the facilities of the American Broadcasting Company.

Edward Arnold, popular radio and screen star, joined the list of celebrities who commemorated the band's 150th Anniversary in the nation's capital.

The cleverly written show traced the history of America's oldest existing military musical organization with a series of dramatic sketches, narrated by Arnold with music by the Marine Band furnishing the background.

Mr. Arnold, who appeared in his regular "Mr. President" show, Sunday night in New York, agreed to fly to Washington Saturday for the Marine broadcast, returning Saturday night in time for rehearsals for the ABC program.

The program was broadcast from the home of the band, the Marine Barracks, Eighth and Eye Streets, this city, and included personnel of the barracks in the cast.

Highlight of the local observance of the Marine Band's sesquicentennial was the gala historical pageant Saturday night at 8:30 o'clock at Sylvan Theatre, on the Washington Monument grounds.

General Clifton B. Cates, Commandant of the Marine Corps, cordially extended an invitation to the people of Washington and vicinity to attend the pageant and participate in the Sesquicentennial observance, as the band proudly relived the history of their famous organization resplendent in their scarlet, white and gold dress uniforms.

Personnel of the Marine Barracks, Eighth and Eye Streets, Southeast, joined the band in dramatizing a series of incidents in American history in which the Marine Band has taken a prominent part during the last century and a half. Such famous historical figures as Thomas Jefferson, James Madison, Francis Scott Key and Abraham Lincoln were represented in the dramatic tableau.

Under the direction of Major William F. Santelmann, the band who has played under the baton of John Philip Sousa in years past, offered a variety of music designed to please all who attended.

The Marine Band was authorized on July 11, 1798 by an act of Congress and has played an important role in American history for the past 150 years. It made its official White House debut on New Year's Day, 1801, for President Adams, a custom that has continued to the present time. The band has played at every inauguration in Washington since Jefferson's time.

Of the famous musicians who have led the band, perhaps the most famous was John Philip Sousa, the "March King" who has added so many stirring marches to the pages of American military band music.

August 8, 1945—The first atomic bomb in history was dropped on Hiroshima—the splitting of the Atom revolutionized all our theories of nuclear physics. The Payroll Savings Plan has been an overwhelming success because it has revolutionized the individual's personal notion about the difficulty of saving money. Runner With Torch To Signal Opening Of Olympic Games

WASHINGTON (APPS)—A solitary footrunner, bearing a lighted torch, wends his way through the heart of London and finally sprints into the Empire Stadium at Wembley, 12 miles west of the city.

In the Olympic tradition, the torch he bears has been kindled with the heat of the sun's rays on Mt. Olympus on the Greek Peloponnese. It has been relayed along a 2,000-mile course to the principal site of the games of the 14th Olympiad to be held from July 29 through August 14.

This dramatic event will be one phase in the colorful opening ceremony which will signal the beginning of track and field events; the gymnastics; the concluding rounds of football and hockey competition, and the finish of the classic marathon race, immortalizing ancient Olympic foot races from Marathon to Athens.

Here champions will vie for titles in boxing, swimming and fencing; basketball and wrestling matches will be staged; rowing and canoeing events will take place on the famous Thames River; cycling, horsemanship, shooting, yachting and other events will see champions of many countries competing for supremacy.

It will all be done in the interest of good, clean sportsmanship, and to promote good-will among the neighbors of the world. May the best man win.

Jap Sent To Jail, Robs Courtroom

TOKYO.—Hideo Miyamae, 26, got a one-year sentence for petty theft. But then he—

Was caught trying to sneak away with the court's clock after a hearing of his appeal.

Admitted pilfering an umbrella belonging to his own attorney.

Confessed stealing the regulation cap of the police officer who interrogated him.

"You're incurable," said the judge. "I add one year more to your earlier sentence. But I don't think it's enough."

Navy Hospital Closes

NEW YORK (APPS)—A Naval career of 110 years was marked "finis" recently with the closing of the Brooklyn Naval Hospital, originally commissioned in 1838.

A veteran of four wars, the hospital during the Civil War was staffed by two medical officers and cared for 125 patients. In 1944, it had 107 medical officers, 170 nurses and 400 medical corpsmen to care for 2,000 patients.

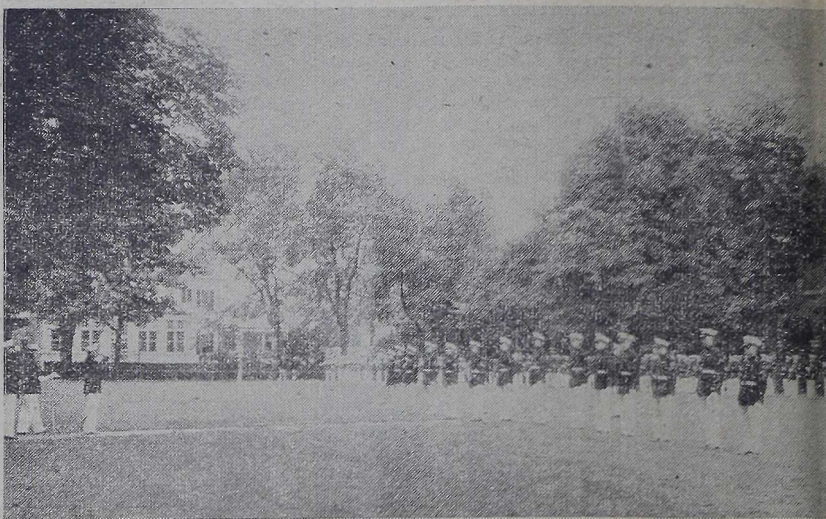

Getting up early in the morning is merely a question of mind over mattress.

The President's Own

The U. S. Marine Corps band is shown under the direction of its leader, Major William F. Santelmann.

First Annual MCI Commencement Exercises

Marine Corps Institute graduates receive the salute of the entire command before being presented with diplomas by Col. L. B. Cresswell, MCI Director, during the first annual commencement exercises in Washington June 30.

B. A. Barringer Named New Principal Of Lejeune Schools

Mr. B. A. Barringer, social studies teacher at Camp Lejeune High School has just assumed his duties as principal of the Camp Lejeune Schools. He was appointed recently to replace Mr. R. C. Beeman who left the school to become dean of Wilmington College.

Mr. Barringer is a native of Liberty, North Carolina. He received his A. B. degree from Roanoke College in Salem, Virginia, and his M. A. degree from the University of South Carolina. In addition, he has attended the University of North Carolina and Duke University for more advanced studies. Since September 1945 he has been head of the Social Studies Department of the Camp Lejeune School.

Mr. Barringer and his family are living in Midway Park. Three of his sons are attending the Camp Lejeune School.

The Camp Lejeune School is accredited by the State Department of Education and the Southern Association of Colleges and Secondary Schools. At present it has a staff of 26 teachers. The regular school year will begin on September 13. An enrollment of over 600 is expected.

Take Wooden Nickels

GOWANDA, N. Y. (APPS)—The subway fare in New York City was recently "upped to ten cents. However, the people of Gowanda, New York, still respect the "lowly" nickel. Will, in fact, accept wooden ones.

As souvenirs of the village's centennial, they will take wooden nickels as toll on the wooden bridge across Cattaraugus Creek during the celebration period.

Get yourself a cozy spot on top of the World—and pay for it regularly with savings Bonds every payday, no fuss, no bother... why you can't miss!

Marine Corps Institute Holds First Annual Commencement Exercises

WASHINGTON, D. C. (June 30).—A new page in the annals of Marine Corps history was opened today when Colonel L. B. Cresswell, director of the Marine Corps Institute, presented diplomas at the annual commencement exercises of the Institute.

Some Study Courses No Longer Approved For GI Bill Aid

WASHINGTON (APPS)—Bartending, dancing and photography for pleasure are among the subjects of study that will no longer be permitted under the Veterans Bill of Rights, the Veterans Administration has announced.

Included on the list of new restrictions authorized by Congress are numerous other courses deemed recreational or avocational. They are: personality development, entertainment, music, sports, athletics, mixology (the art of mixing drinks) and certain phases of flight training.

A veteran enrolled for flight training in the future must show that such training is in connection with present or future employment.

Aquatic Team

CONT. FROM PAGE 4

and Milwaukee municipal breaststroke sprint records in 25 yard, 25 meter, 50 yard and 50 meter distances. He is a second place winner in the Jr. National AAU 100 meter breaststroke. He is also a member of the Jr. National AAU championship medley relay team.

Mike Miraynes of New York and the 8th Marines is the New York 200 yard and 200 meter freestyle champion, U. S. Fleet 200 meter champion, U. S. Fleet 2nd place winner in the 100 meter freestyle as well as 4th place winner in the All Navy 200 meter freestyle.

George Sanders of the 8th Marines holds the Atlanta, Georgia municipal diving championship, is the Georgia State Champion, and Southeastern Conference AAU high and low board diving champion, Atlantic Fleet 3-meter board champion and 4th place winner in All-Navy 3-meter diving.

Eric Kliest, 8th Marines, was third place winner in the 200 meter breaststroke and 300 meter individual medley in the Fleet Championships in 1947.

Bill Carrithers of the 10th Marines is the record holder in the National AAU 100 meter breaststroke, a member of the American, British and Chinese swimming team in Shanghai, and also a member of the All-Navy 300 meter medley relay team.

John Garrett, also of the 10th Marines was All-Navy third place winner in the 200 meter breaststroke in 1947 and a member of the American, British and Chinese swimming team in Shanghai.

Luke Dommer, 4th Marines, was Fleet 3rd place winner in the 100 meter backstroke, third place winner in the 100 meter freestyle and second place winner in the 300 meter individual medley.

Rounding out the squad are men who have had swimming experience in High School and Athletic Clubs but hold no outstanding records. Every less experienced man on the team shows promise in one event or the other, some in more than one event.

Depending on the success of the team in Norfolk, the Fleet championships will go Philadelphia for training and participation in All-Navy Championships the first of August 22nd.

A parade and review highlighted the exercises as the Marine Band saluted the graduates with the Marine Corps March. These exercises at the historic Marine Barracks were first of their kind to be held in the oldest correspondence in the United States Army.

Graduates taking part in the ceremonies at Marine Barracks were congratulated by Cresswell in his address to graduates and men of his command.

The Director told Marines the importance of education and part that the Marine Corps Institute has played in developing a select group of well-trained, well-educated men.

"I commend these men to the future," said Colonel Cresswell. "For they are continuing the traditions established by many of our most illustrious officers and ever to call themselves Marines." The Director in praising graduates for their initiative and ability, said that it is on such that the Marine Corps depends for its strength.

"Today's graduates have the drive that they have the perseverance and driving ambition to improve themselves so that they might improve their individual abilities," the Colonel told the troops.

The Marine Corps Institute, established on January 5, 1945, at the Marine Barracks, Quantico, Virginia. A few months later the Institute moved to its present home at the Marine Barracks, the nation's capital where it has grown to its present size.

The hundreds of thousands of Marines whom it numbers and its alumni and the 18,000 personnel enrolled have verified the desirability of the Marine Corps to found a school that has become a haven of the Corps.

The Navy Pays Off

WASHINGTON (APPS)—Navy has decided to pay the installment of \$103,821 due for construction of the first three patrol boat destroyers built for Service in 1901.

President Truman has signed a bill authorizing the payment of \$103,821 to the Philadelphia Company that built three vessels, the Bainbridge, the Chauncey, and a half century ago.

ience in High School and Athletic Clubs but hold no outstanding records. Every less experienced man on the team shows promise in one event or the other, some in more than one event. Depending on the success of the team in Norfolk, the Fleet championships will go Philadelphia for training and participation in All-Navy Championships the first of August 22nd.
