

# The CAMP LEJEUNE GLOBE

Written For Marines By Marines

CAMP LEJEUNE, N. C., WEDNESDAY, JULY 25, 1945

No. 23

## The Price Of Victory

At the conclusion of the dedication ceremonies at the Sixth Division Cemetery on Okinawa, Marine Brig. Gen. William H. Arnold, assistant division commander, pays silent tribute to an

unknown American, while other Leathernecks in the background scan the markers for familiar names.

Official USMC Photo

# Trailways Extend To Camp Terminal

## NEWS BRIEFS

### Waves Set Anniversary Dance Date

The Waves of Camp Lejeune, stationed at the Naval Hospital and in other areas, will observe the third anniversary of the Women's Reserves in the Navy with a dance on Monday, 30 July.

The dance will be held from 2100 to 2400 in the Naval Hospital Auditorium and all Waves on the base are invited to attend. Music for the occasion will be provided by the smooth Marine WR orchestra.

Recognition of the third anniversary will also be noted in both the Catholic and Protestant services at the Hospital on Sunday.

The third anniversary finds more than 86,000 Waves in the Naval service, including 8,000 officers and 78,000 enlisted personnel. They are on duty in 900 shore activities throughout the continental United States and in the territory of Hawaii. Waves now compose eighteen per cent of the total Naval personnel assigned to shore establishments in the U. S. They have released 50,500 men for duty afloat or overseas and have taken over 27,000 other jobs in the greatly expanded naval service.

### 'Spirit Of Suribachi'

#### Theme Of New Stamp

The "Spirit of Suribachi", AP Photographer Joseph Rosenthal's famed picture of the raising of the flag on Iwo Jima, is immortalized by the Iwo Jima commemorative 3-cent postage stamp now on sale at the Post Office in Building 1.

The stamp, a collector's item, is a reproduction of a painting of the famed photograph; it is done in forest green, the size is that of most commemorative issues. The Post Office here has only 5,000 copies of this choice philatelic item.

### Receiving Grounds Now Out Of Bounds

The barracks and mess halls assigned to the Receiving Companies of Headquarters Battalion, Marine Training Command, have been placed out of bounds for all enlisted hands and visitors with the exception of such enlisted personnel as are regularly assigned to duty with the Receiving Companies, in their mess halls or in the barracks of those organizations.

The barracks and mess halls included in that area are: Buildings 410, 420, 424, 426 and 427.

To gain permission to visit occupants of those buildings requests must be made to the Commanding Officers of the Receiving Companies "A" and "B" in Building 435.

### Replacement Change Is Made On MTC Staff

Major Stewart Randall, San Francisco, Calif., has been appointed to replace Major Henry Aplington II on the staff of the Marine Training Command here.

Major Randall, veteran of 27 months in the Pacific, was in the battles for Bougainville, Guam and Iwo Jima. His father is Col. D. M. Randall and his brother, Capt. Thomas L. Randall, makes the family completely Marine Corps.

### Two Changes Made On Camp Council

Two changes have been made in the past week on the Camp Council.

Lt. Col. James B. Glennon Jr. has been appointed as replacement for Lt. Col. Louis C. Reinberg and Major Russell W. Schmidt, previously named as a temporary member, is now a permanent one, relieving Major James C. Pyle.

## Award To Veteran

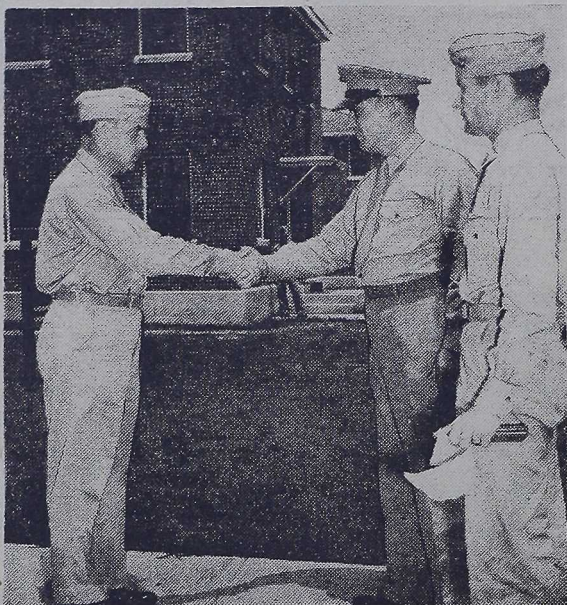

Photo by S-Sgt. Francis X. Calden, Photo Lab. Major Nicholas Radford, (left) a veteran of Guadalcanal, New Georgia, Bougainville, Emirau, Guam, Peleliu and Okinawa, who was awarded the Bronze Star Medal last week for meritorious service, is congratulated by Lt. Col. R. F. Crist, (center), who made the presentation. 2nd Lt. M. L. Cutchen, (right), read the citation.

## Bronze Star Medal Awarded To Major Nicholas Radford

Major Nicholas Radford, a veteran of the Guadalcanal campaign and the New Georgia, Bougainville, Emirau, Guam, Palau and Okinawa operations, was awarded the Bronze Star medal for meritorious service while serving as assistant G-2 officer of the 3rd Amphibious Corps. Lt. Col. R. F. Crist, commanding officer of Schools Regiment, made the presentation at ceremonies held here on Thursday.

A veteran of 32 months overseas duty, Maj. Radford was returned to the States in June. He was recently named officer in charge of the Jap Language School here.

The citation accompanying the medal was signed by Maj. Gen. Roy S. Geiger. The citation reads in part: "... Maj. Radford constantly displayed outstanding devotion to duty and high professional skill in his specialty. His exceptional ability in co-ordinating and executing special functions rendered invaluable service to this Corps and contributed materially to the success of each of the operations in which he participated. He consistently demonstrated sound judgment, marked professional ability, and a high degree of co-operation with branches of other organizations and other branches of the service."

In addition to his recent award, Maj. Radford holds a personal letter of commendation, signed by Lt. Gen. R. J. Griswold, commanding general of the 14th Army Corps, for his part in the New Georgia operation.

The veteran Marine is a native of Leavenworth, Kansas. He was graduated from high school there and later attended the University of Nebraska. Prior to entering the service in September, 1942, he was with the World-Telegram, a New York City newspaper, as a correspondent.

The officer's wife, Mrs. Jeanne S. Radford, has joined him here at Lejeune.

### Thirty Nine Pilots Set Le Shima Record

LE SHIMA—(Delayed)—Thirty-nine pilots of the "Bobcat" fighter squadron recently established what is believed to be a record for one day's activity in the field when they flew 70 sorties to roll up 239 hours of flying time.

Despite the more than six hours flown by each pilot, not a single Jap plane was sighted.

#### ON GOVERNOR'S BOARD

Col. Raymond A. Anderson, Camp Quartermaster, has been appointed as a member of the Board of Governors for the Officers Mess, Vice Lt. Col. Edwin C. Ferguson, according to a recent Camp Special Order modification.

## Red Cross Flag Is Raised Over Camp Nursery

A flag presented by Billy Arthur, Chairman of the Onslow County Chapter of the Red Cross, to Newton Cook, Housing Manager, who accepted it in behalf of the residents of Trailer Park, was raised over the recently opened Pine Grove Nursery School by Mrs. John Marston, chairman, in a ceremony last Wednesday.

The official flag raising, attended by a crowd of onlooking Trailer Park residents, got underway with the playing of "Under The Double Eagle" by the 50-piece Womeps' Reserve Band. Following the music, Chaplain G. L. Markle gave the invocation prayer.

Mr. Cook introduced Mr. Arthur who spoke briefly on the history of the organization of the Pine Grove Nursery School, outlining the steps leading to the opening on July 2.

The band played "America" and then Mr. Arthur presented the Red Cross flag to Mr. Cook.

One of the nursery children presented a corsage of gardenias to Mrs. John Marston who then raised the flag over the Nursery. The "Star Spangled Banner" concluded the program.

### Two Changes Made In Lejeune School Board

A recent camp special order makes two changes in the personnel of the Camp Lejeune School Board.

Lt. Col. Louis C. Reinberg has been relieved from duty as a member of the board, and 1st Lt. Charles L. Tabb has been detailed as a member Vice Captain Alfonso Lloyd, detached.

Francis X. Busman, the first king of swoon, starred in 424 motion pictures—more than any other actor, living or dead.

## New Schedule Includes 20 Interstate Daily Bus Runs

Lejeune Marines got a transportation break this with the opening of a completely new schedule by the Lejeune Trailways Company of Raleigh.

The schedule adds twenty busses daily to the interstate traffic from Lejeune. Ten busses leave Lejeune bound for New York and ten make the return trip. The schedule went into effect yesterday morning at 0400, and Mr. C. H. Campbell, camp passenger agent now has an office in the Hadnot Point bus terminal with complete information on tickets and schedules.

Passengers will be loaded and discharged at the Hadnot station, the main gate at Montford Point and the main gate at Tent Camp.

The Trailways busses will originate at Lejeune for the north-bound trip. Two trips daily, those originating at 0400 and at 1800, will go straight through to Washington, D. C. without change of bus.

Likewise there will be two daily trips from Washington to Lejeune which may be made without change of bus. These trips leave Washington at 1545 and 2030.

The busses will each seat 41 passengers.

The new schedule marks the first appearance at Lejeune of the Carolina Trailways busses. Mr. M. E. Newton, superintendent of stations for the company, was at Lejeune Monday making final arrangements. He stated that a schedule is also in effect for Norfolk, Va., and that details may be obtained from the ticket agent at Hadnot.

An abbreviated schedule of the New York run will be found in this issue of the Globe.

#### RESTRICTION

The area of the WR Schools which surround Buildings 119, 121 and 123, has been restricted to all men, according to a recent Camp Order Change.

#### SALES MOVES

Case lot sales have been moved to Building 210 on "D" Street, adjacent to the Book Shop, from the Second Area Exchange, it was announced by the Camp Post Exchange.

About 17,000 farm dwellers are killed in accidents yearly.

## New Bus Schedule

### LEJEUNE-NEW YORK

Read from left to right. All times are departure times except New York figures are underlined.

HADNOT	MONTFORD	JACKSONVILLE	TENT CAMP	RICHMOND	WASHINGTON	BAITMORE
4:00	x	4:30	x	1:00	6:00	7:35
6:00	x	6:30	x	3:15	7:30	9:00
8:00	8:20	8:30	8:35	5:30	10:00	11:35
10:00	x	10:30	x	7:00	11:45	1:20
11:45	x	12:15	12:20	9:00	12:30	2:05

6:00	4:35	6:30	10:00	5:25	5:30	x

\* No change of bus between Washington and Lejeune.

X These trips will operate into Tent City and Montford Point when have been sold for the trip.

# USO Show At Camp Theatre Tonight

## Talking It Over

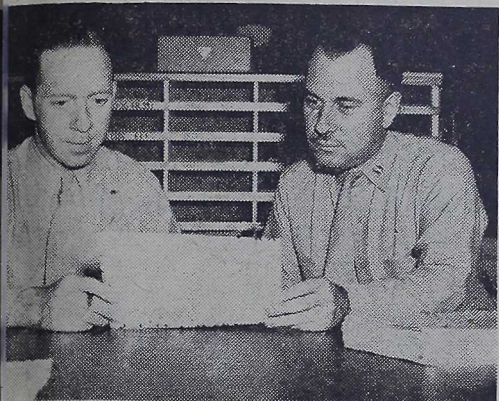

Photo by S/Sgt. Francis X. Calden, Photo Lab  
MT/Sgt. John M. Horgan (left) and Capt. C. L. Alt, (right) Camp Classification Officer, are now going into a new procedure of classification which affects Camp Lejeune personnel in the policy of assignments.

## New Classification Procedure Published At Camp Lejeune

A procedure in classification has been established at Camp Lejeune in Building 1 according to an announcement by Captain C. L. Altmaier, classification officer.

### Foreign Service Officers Wanted State Dept.

For applicants to swell the Foreign Service Officers' ranks at Camp Lejeune, has been ordered by the Department of State to information regarding the Camp Special Office.

When examination will be made of applicants for appointment as Foreign Service Officers on August 19 and 20, 1945. Applicants will be required to specify qualifications as citizenship, marital status, language proficiency, experience in the armed forces, and requirements are contained in special application blank. Blank and additional information can be obtained from the Special Office in Building 1.

When examination is held at the college graduate level, and is devised for those who meet the requirements of the Department of State to intelligence and education who have not had opportunity for review or special preparation for the examination.

Those who pass the written examination will become eligible for oral examination and are directed to appear before the Examiners. This board will judge such qualities as appearance, diction, readiness, decision in oral examination, earnestness, sense of personality, initiative, resourcefulness, and adaptability for the service.

One of the Foreign Service's main functions is to establish friendly relations between the people of the United States and those of the countries to which it is accredited; it keeps the Government informed of political and economic conditions abroad, particularly those affecting its interests; it protects its interests in American property abroad; it interprets in every proper manner the policies of the American Government on any question at issue.

It works.

## 'Town Topics' To Feature Top Stage Talent

Opening tonight at the Camp Theater, "Town Topics," a USO Camp Shows Variety Revue begins a four day tour of Camp Lejeune, under the guidance of the Camp Service Office.

The two performances scheduled for tonight at the Camp Theater will begin at 1800 and 2030. Tomorrow, Thursday, the show will play a matinee at the Naval Hospital at 1400 and then in the evening move to the Tent Camp Theater No. 1 where it will give two more performances commencing at 1800 and 2030. On Friday the show will migrate to Courthouse Bay and play the theater there. This presentation will begin at 1830. The Revue will wind up its tour on Saturday at the Montford Point Theater No. 1. These two final stints will begin at 1800 and 2030, respectively.

The USO players bring to Lejeune what promises to be a whirlwind stage presentation combining fast moving Broadway theater talent, glamorous girls and good music.

### ACE ENTERTAINERS

Leading the list of 'ace' entertainers are the Virgil Whyte Musical Sweethearts. Virgil Whyte is reputedly "a genius at modern jam drumming," directs the twelve pulchritudinous women who have earned a reputation as "America's Champion Girl Band," in a variety of up to date arrangements including five, swing, boogie woogie, and sweet music. Alice Whyte and May Peterson handle the vocals. Alice Whyte is also renowned for her ability on the drums.

Next in the lineup are the Woodson Sisters, an acrobatic and tap dancing team who are amazing in their beauty as well as their agility. Old timers in show business, they started touring the country with vaudeville when they were eight and nine years old, respectively. Acrobatic dancing is Marsha's forte; the blonde-haired, blue-eyed darling performs the almost impossible in one spot when she sits on her head and stands on her shoulders at the same time on a very narrow block. The equally charming, chestnut-haired Rosalie is tops at taps.

Harry Martin, a top flight Broadway comedian, holds down the laugh provoking spot in the revue. He has an "enviable record" of a four-week repeat at Loew's State Theater and has played at the Palace Theater, New York's Paramount, RKO, Capitol and Strand as well. Broadway audiences have also seen him in "Earl Carroll's Vanities".

### EX-BROADWAY

Winding up the cast of the show are Paul Lavarre & Brother. They are a comic acrobatic team who present one of the trickiest routines on record. They have worked up an original hand-balancing act and chair trick that has taken them onto Broadway with such major shows as Ed Wynn's "Boys and Girls Together" and his "Big Time". They have played all the important theaters and night clubs, including a recent date with RKO circuit, and the Latin Club in Boston. They also have traveled with Ozzie Nelson's Band and made shorts for Warner Bros.

## Million Mark Topped In Lejeune War Bond Sales

Reaching a new high by tripling its Independence Day War Bond quota of \$125,000 with \$16,000 to spare, Camp Lejeune more than doubled its previous bond drive. The combined sales of bonds between 1 April and 7 July at Lejeune is \$1,160,537.50 in cash value.

For the Navy the Independence Day purchases amounted to \$91,276,948.25. This figure is 46 percent above the Navy's previous bond drive. During the period of the Treasury Seventh War Loan, 1 April to 7 July the combined purchases of payroll savings, Navy allotments and cash sales amounted to \$291,000,000.

Prior to 1928, aviation gasoline consisted merely of straight-run gasoline of high volatility.

## Tops In Dancing

The Woodson Sisters, acrobatic and tap dancing experts have been in show business since they were children. Martha (left) and Rosalie (right) are both featured in tonight's USO presentation of "Town Topics" which will make its initial appearance here at 1800 in the Camp Theater.

## Security And Responsibility Of Recreation Gear Designated

Battalion, regimental and detachment commanding officers will be responsible for the proper security and handling of recreational property issued to their individual organizations. Each such commander shall appoint a recreation officer who will be accountable for all property issued to his organization. The recreation officer will be held accountable until recreational property has been received for by the new recreation officer.

Recreation property will be divided into two separate categories: (1) non-expendable items, (2) expendable items. The Special Services Officer will inform all custodians of recreational equipment of the proper categories to which the property issued to their organizations belongs.

The Special Services Officer will also issue equipment only on requisition from the battalion, regimental or detachment commander concerned. Recreation property issued by the Special Services Officer will be receipted for and accounted for by the organizational recreation officer.

Hereafter, recreational equipment may be dropped from the records of the responsible officers only by one of the following methods: (1) after being rejected by a board of survey, consisting of two or more officers, not to include the recreational officer or responsible officer, appointed by the commanding officer; (2) by the return of the property to the Special Services Officer; (3) by certificate of the battalion, regimental or detachment commanding officer in the case of expendable items.

The findings of boards of survey and the certificates of said organizational commanders shall be submitted in triplicate for review to the Camp Auditor who will then forward them to the Camp Council.

The Camp Council will make appropriate recommendations as to disposition and forward them to the Commanding General for final action. Thereafter, one copy shall be forwarded to the Special Services Officer, one copy returned to organization concerned, and one copy will be filed in Camp Headquarters.

The Camp Auditor is charged with the responsibility of making such audits and inspections of the records of the Special Services Officer and the records of officers

responsible for recreation equipment so as to insure that inventories are correct and records are being properly kept.

## Christmas Card Contest Entries Being Sent In

The first entries in the Camp Lejeune original Christmas Card Contest have arrived in The Globe office.

There is every indication that the battle for the three prizes offered in the event will be keen. The Camp Special Services Officer offers the following awards: First prize, \$100 War Bond; second prize, \$50 War Bond and third prize, \$25 War Bond.

The drawings must be typical of Camp Lejeune, depicting the religious or festive atmosphere which unusually prevails here during the Christmas season.

A contestant may submit as many different sketches or drawings as desired. All drawings must be in The Globe office on or before 15 August.

## Corp. Bowen Awarded Order of Purple Heart

Cpl. Richard Melvin Bowen, of Washington, D. C., was awarded the Purple Heart by Maj. Louie N. Casey, CO of Headquarters Battalion, MPC, in an impressive field ceremony, Thursday morning 19 July.

Serving with the Eighth Marine Ammunition Company, attached to the Fifth Marine Division, Cpl. Bowen was cited "for wounds received as a result of enemy action in the Asiatic-Pacific Area (Two Jima), on March 25, 1945."

Lt. Lenard L. Berg, attached to Malaria Control Detachment, Hq. Bn. MPC, read the citation.

### WAY TO DESTROY WORLD

LONDON.—(CNS)—At the end of the war, the Nazis had nearly devised a method of splitting the atom, and possibly of destroying the world in the process, according to Herbert Agar, special assistant to the American Ambassador. "I sincerely believe," said Agar, "that in a very few years the human being will know how to destroy the human race."

# The CAMP LEJEUNE GLOBE

The GLOBE is published in the interest of the Marines, Navy personnel and civilian employees at Camp Lejeune, N. C.

JOHN MARSTON,  
Major General, U. S. Marine Corps, Commanding

Lieut. Mary C. Dickson Public Information Officer

Editor \_\_\_\_\_ Lieut. Frank Barfield  
Managing Editor \_\_\_\_\_ Pfc. Rube Lederman  
News Editor \_\_\_\_\_ Pfc. Joe Dudley  
Sports Editor \_\_\_\_\_ Sgt. George Carroll  
Staff Cartoonist \_\_\_\_\_ Pfc. Lee Tyrrell

Office Telephone 5522

The GLOBE is the official publication of Camp Lejeune. It is printed in the interest of service and civilian personnel stationed at this base.

The GLOBE accepts no advertising. It is delivered free to service personnel of the camp every Wednesday.

THE GLOBE is financed by nonappropriated funds from Camp Special Service Office at the direction of the Camp Council.

The GLOBE receives material supplied by the Camp Newspaper Service, 205 E. 42nd St., New York City. Credited material may not be republished without permission from Camp Newspaper Service.

## World Hope

The 'Big Three' meeting which is taking place in Potsdam at present, although tinged with a large degree of secrecy for security reasons, is by far one of the most significant steps toward international understanding taken in this century.

What was considered to be an idealist's dream thirty years ago is now fast on the way to becoming a reality. Yes, the world and its peoples are intelligently maturing! Principle is now the commanding theme in our lives and not international differences. In the face of all this 'growing up' we all may look forward to a universe which, governed by cool reason and understanding, may be safe for future generations of Americans.

It is also heartening to know that this meeting, based upon world liberation, is being held (ironically) in a district which was formerly a birthplace of dissension, war and slave-making.

## Thank You Again, Sir—

The Editor of The Globe is going to violate an unwritten Camp Order which it has scrupulously observed to date.

The "Old Man"—as he is affectionately called behind his back—has done it again. He has gone to bat for enlisted personnel of this base on too many occasions to enumerate here. Always he has remained in the background.

It took a lot of hard work and persuasion to bring this deal to a successful conclusion. Considerable time and travel was devoted to the problem over a period of months.

The Carolina Coach Company will begin operating from the Camp Terminal along with the Seashore Transportation Company. If you're going to Raleigh, Washington, Wilson or many other points you no longer will have to wait hours in Jacksonville. You will not have to change in Jacksonville, going or coming.

The grand "Old Man" behind this and many other moves, and who rates three cheers for his latest accomplishment, is Major General John Marston, Camp Commanding General.

## A New Threat

This war has been the breeding ground for a new variety of lice. A lice which has been known to invade civilized communities throughout the world, shadowing the existence of people whose only reason for living was the furtherance of our democratic war effort. The lice up till now came under the nomenclature of "black-marketer deluxe," the leech who feeds upon the misfortunes of others.

Since the advent of cigarette rationing, however, the birth of another lice variety has taken place. This lice may be known as the "moocher." The "moocher" is a consistent cigarette borrower who always gets in your hair. He doubly enjoys taking your cigarettes because he knows how much you value them. This leech will, under the guise of friendship and common uniform, continuously mooch cigarettes without limit. He enjoys doing this because he is making it hard for you to accustom yourself to this new form of rationing.

Protective measures: When faced by this petty threat try stamping your foot quickly on the deck before you. This is apt to frighten the "moocher" back underneath the woodwork where he belongs!

## GETTING HIM BACK ON HIS FEET AGAIN

## What Others Say Editorially...

### An Orchid From Iwo Jima

Those Marines of the Fourth Division on Iwo Jima could have sent their buddy's sister a money order and a letter which might have said, in effect, "Take this money and get yourself a dress and some flowers, and go to that first formal dance of yours, to which you hoped Jim would take you—we hope you have a date."

Or they could have just sent flowers and a letter of condolence. But they didn't.

They saw to it that she got the evening gown and the orchid Brother Jim had promised to buy her. They sent one of their number on furlough to take Jim's place . . . a photogenic lad in red-piped blues. And Frances went to her first formal just as her brother told her she would. Only he wasn't there, because of a Japanese shell fragment on Iwo Jima.

Few incidents have so struck to the heart of Americans on the home front. It's not the mere pathos of it—there have been many other stories equally touching.

Perhaps it talks so clearly and genuinely the language of American family life . . . Perhaps it hints of romance . . .

But just as likely, it's the fact that these boys just didn't want to buy something in remembrance of Sergeant Jim. With the aid of their commanding general, they did something thoughtful, imaginative, personal . . . the very thing they knew Jim wanted done.

We know why the two-dollar necktie picked out by Aunt Amantha with due regard to our taste in suits does more for our Christmas than the five-dollar check from Uncle Frederick, who is always too busy.

Well, that's the same reason that we feel the way we do about Frances . . . the girl who went to her first formal with a swell warm glow around her young little heart.

It was American for the Marines to do what they did.

It typified the America for which, every day, thousands of America's sons live and die in a hell of blood and mud. It's the America that we live for . . . the America that we die for . . . the America which will be victorious when the final "Taps" has been sounded, and each of us has returned to his home in New England, in the deep South, or in the West.

It is why we fight.—The Slipstream, Laurinburg-Maxton Army Air Base.

### Veterans General

The appointment of General

Omar N. Bradley to head the Veterans Administration is, we believe, the most reassuring appointment the President could have made for that post. General Bradley is one of the Army's ablest administrators, one of the most respected of its military leaders. He is better fitted both by temperament and quality of mind than are most military men to make the difficult transition from field to desk general. He has in addition human qualities, including humor and insight, which have won him the title of Doughboy's General. Moreover, the very pride he takes in American troops—"the best ever put in the field by any nation"—should serve him well in his role as their chief friend and advocate.

President Truman was correct in his decision that the task is now one for a soldier of this war, General Frank T. Hines, whom General Bradley, will succeed, retrieved the Veterans Bureau from a bad situation in 1923 and performed a like function for the veterans of World War I. But his bureau has been under increasing criticism, particularly in the extraordinary urgent and important field of medical care. Undoubtedly much

of the criticism failed to allow for the hundreds of new duties and hundreds of thousands more claims put upon inadequate organization. Nevertheless, the Administration was on the defensive—a fact which would have made extremely difficult the necessary reorganization and modernization. No such handicap will attach to General Bradley when he takes over on his return from Europe. He will have first-hand knowledge of what the doughboys and their counterparts in all branches have been through as a basis for appraising their needs and their hopes and their deserts when they get home. He will have the unshaken confidence of the G. I.'s, of Congress and of the public.—New York Herald Tribune.

### 10,500,000 EFMS

New York — (CNS) — Western Union has handled 10,500,000 Expeditionary Force Messages since June, 1942. Servicemen overseas sent 2.6 more of these than the folks at home. There are now 237 stock messages from which to choose.

## Chaplain's Corner

### "CARRY ON"

The order "Carry On" has a particular meaning for military personnel. It also suggests a concept which we need at this time. That is, carry on or proceed with the job until it is completed.

Lately we have been hearing about the large number of men being discharged from the Army. This fact has a tendency to make many Marine and Naval personnel restless and anxious to get out of the service. But according to present plans, this is not going to happen to very many of us. In view of this fact, the words "Carry On" can have a real meaning for us.

It gives us pride to be able to say, "The Marines have landed and have the situation well in hand." Now the word is "Carry On!" See it through to the finish.

We have faith in our cause. We believe it is right. But the end is not yet. Here is where a religious faith can help us. Religion does not promise to make life easy. At no time does God say, "I will take away your burden." But rather the promise of God is, "I will be with you. I will give you strength to endure." Jesus pronounced a blessing on the faithful servant who persisted in performing his task.

It is likely that there are some men and women in the service, who came in for the glory and glamour of it, or for a new experience. Now the newness has worn off; the excitement and glamour have passed away. Now is the trying day. Our motto is "Semper Fidelis" . . . Always Faithful. There will come a day when we can look back with pride and say, "Yes, I was there until the end." "Carry On!"

CHAPLAIN ROBERT M. MEANS, USNR.

# 'Knit One-- Or Purl One' Story Told

We are pleased to see the coming convenience of a through sidewalk in back of Mess Hall 54. It will be a boon to early morning risers who struggle between putting behind the mess hall or traveling down to the road to reach the back chow wings.

The McFarland Twins slated for the dance here are originally from Long Island. . . . Louis Jordan has fired his entire band because, "They don't jump enough" and is starting a new one in Harlem, New York City. . . . Hunting and fishing fans will be interested to know that NBC, is airing a new series designed for outdoor sportsmen, every Wednesday (8:30-WJZ, NBC). . . . Brian Aherne, movie actor, is "The Saint" on the CBS aired show of Leslie Charteris' famous sleuth. (Wednesday, 8:00 CBS). . . . Pfc. Mickey Rooney and Bobby Breen recently aired from Germany on "Your Army Service Forces Hour." Shep Fields and his orchestra have left for an overseas USO jaunt. Some inquiries have been made as to the whereabouts of the Charlie Barnet band. . . . Barnet has just reorganized and is heading east for your entertainment. . . . Steel Pier in Atlantic City now runs Hamid's Million Dollar Pier along the same boardwalk and is continuing a policy of "big name bands." . . . Rhapsody in Blue, Warner's life of George Gershwin, will be released soon. . . . Roy Rogers, Western singer recently went into the Army. . . . One of his seven-year-old admirers was heard to remark, "Gee that's swell, I'll bet in a few weeks he'll be a General and then the war will be over." . . . The Hoosier Hot Shots, are singing a song called, "Don't be telling me your troubles—I've got plenty of My Own" . . . the author of the ditty certainly has; he's holding down a cell at the Folsom Penitentiary. . . . Bob Burns, a jazzoka playing ex-Marine received a paper label from a Marine captain friend of his, soaked off a can of turnip greens and found in a Jap camp. . . . The label bore the words: "Canned in Van Buren, Arkansas . . . home of Bob Burns."

nts have sunk eleven vessels in Jap waters. The bag since Pearl Harbor and cargo ships.

**SERVICEMAN'S DANCE**  
The Wayne County Memorial Community Building at Goldsboro will be the scene of a servicemen's dance Saturday July 28 beginning at 2100. Camp Lejeune personnel are invited.

The Wayne County Memorial Community Building at Goldsboro will be the scene of a servicemen's dance Saturday July 28 beginning at 2100. Camp Lejeune personnel are invited.

## SCHOOLS REGIMENT

## 'Indoor-Outdoor' Dance Is Slated For Friday Evening

By PFC. MARION A. ALLEN

Building 401 will be the scene of an unusual dance innovation. Schools Regiment is staging an "Indoor-Outdoor" affair on Friday night, July 27th, from 2000 to 2300. With the popular WR Dance Band furnishing the music, messmen from 408 looking after refreshments, with door prizes, and H and S Company of Schools Regiment and its guests furnishing the "foot power" it can't miss. Admission for the men will be by ticket only. All WRs are invited. Make this a must on your social calendar.

In addition to his clay craft, Ack Pierson F. Burbidge branches over into carpentry. As a result, the new Dehydration Classroom neighbors the Cooks and Bakers School's Field Bakery. Students in the new Dehydration Course will be learning the various phases of the work under the instruction of MT/Sgt. Grover P. Schmitt. WO J. C. Elland, OinC of Cooks and Bakers School says that this course covers all aspects of dehydration—cooking, reconstitution, its advantages, uses and history. Much practical work and excellent visual aid materials contribute to the effectiveness of the Dehydration Course. Negotiating all of this material in one 60-hour week necessitates virtually a "dehydrated course of study."

## GRADUATION

The 4th Light Anti-Aircraft Officers' Class was graduated on July 21st. This is the first class to be graduated under the present organization. The course, which is of sixteen weeks duration, began while it was still with the Artillery Battalion.

The 18th Combat Intelligence Class carried out its big CPX problem last week. The Japanese Language School students worked with them, furnishing the prisoners and interrogators and giving a little more realism to the problem. At the same time it gave the students from both schools practical experience.

Schools Regiment welcomes new personnel to the organization. Major Nicholas Redford, who served with the Third Amphibious Corps, is the new OinC of one of our H and S schools. . . . S/Sgt. Marvin Anderson, who served with the Third Marine Division, has been added to the instructional staff of one of our schools. . . . S/Sgt. Ervan H. Farnsworth and Corp. Harry K. Wagner are the new classification men at Troop NCO Battalion. . . . Mess Hall 408 has a new Mess Sergeant, MT/Sgt. Warren H. Glosser. . . . Corp. Pete Cotish is now clerk in the CIS Office. . . . Pfc. Edwin Timney—formerly at Troop NCO Battalion—is the classification clerk at the Troop Officers' Battalion.

Second Lt. Herbert Preston and Pl/Sgt. Wallace Moore, instructors in the Chemical Warfare School, are on temporary duty at Edgewood Arsenal, Md. . . . Good Luck and best wishes to three instructors in one of our schools, who were transferred to "points west"—Gy/Sgt. Leo H. Kennedy, Pl/Sgt. Vernon Stimpel and Pvt. Leonard Sullivan Jr. . . . Pl/Sgt. Morris Virili and Pfc. Orvan Dean Krumrey, permanent personnel, at Troop Officers' Battalion, were transferred to Headquarters Battalion to await discharges. . . . Good Luck to Pvt. James B. Irvine who has gone to Platoon Commander School at Quantico.

## CONGRATULATIONS

Miss Alice Kathleen Green, from Washington, Pa., and Lt. R. D. Humphreys, a student in the 5th Officers' Troop Leaders Course, were married in the Camp Chapel on July 14th. Following the ceremony, a reception for the newlyweds was held at the Officers' Club. . . . July 12th was "I do" day for Miss Phyllis Callis, from Boston,

and T/Sgt. Angelo P. Ciampa, one of our cooks and bakers instructors. They were married in the Catholic Chapel. . . . Corp. Richard E. Jamison, from the office of the first sergeant at A-A Officers Battalion, now answers to the name of "Daddy"—at least to young Ralph Richard Jamison who was born on July 15th at the Family Hospital. . . . Pfc. D. D. Braden, from the Troop NCO Battalion Motor Transport, wore a smile from ear to ear since returning from a furlough to make the acquaintance of his little daughter, Evelyn Marie, who was born on June 3rd, at Benton, Illinois. . . . Three permanent personnel men at Troop Officers' Battalion are in the Naval Hospital. Hurry and get well, Sgt. Oscar W. Crowson, Ack Leo C. Rowden and Pfc. William H. Colby. . . . Major Chas. S. Rider, Executive Officer for Troop Officers' Battalion and well known tennis player, is on leave in New York as is Major John Fleming, a Senior Supervisor in the Battalion. . . . Permanent personnel furloughing from Troop Officers' Battalion are: Sgt. John Ward, High Point, N. C.; Corp. George Nahory to Pa.; Pfc. John Porter and Michael Salatin to New York and Connecticut, respectively.

Gy/Sgt. Richard Stalhr, NCO in charge of the H and S Co. golf team pool team is quite proud of the pool team's record thus far. They have topped the Headquarters Battalion and Signal Battalion teams. A nice contribution toward the Challenge Cup. Members on the team are: Gy/Sgt. Dick Stalhr, Sgt. Eddie Spears, Corp. R. G. Brown, Corp. John M. Freeman and Pvt. Cyril T. Jordan. . . . NCOs in charge of other teams are: Sgt. Ralph Stahlnecker—tennis; S/Sgt. Bill Erlmann—softball; Sgt. Ted Kekloirs and Corp. Sam Kitterman—baseball; Corp. Sam Kitterman—table tennis.

## Messmen Put In Place By C-Rationed Marine

OKINAWA.—(Delayed)—Mess cooks of the Sixth Marine Division's headquarters battalion couldn't stand it any longer.

Unsung and ignored for more than two and one-half months of the Okinawa fighting, the galley crew bid for recognition by posting a sign on the headquarters mess tent. It read:

"This is our 250th consecutive hot meal of this campaign!" Cracked a C-Ration weary Marine as he entered the tent: "Yeah, and I've eaten every damn one of them."—By 1st Lt. Robert B. Tuckman.

## SABOTAGE

Germany.—(CNS)—To break down the fraternization ban, German frauleins are wearing less and less clothes, reports Field Marshal Montgomery. The ban continues anyway.

Accidents deprive the farms of the U. S. of 1,400 workers every month.

## Iheya Civilians

Marine forces landing on Iheya in the Ryukus, were greeted by long lines of civilians waving white flags to signify their willingness to surrender. This large group was returned to their village after fleeing the invasion bombardment to seek shelter in the interior. A score of the people were wounded by the barrage supporting the unopposed landing.

Official USMC photo

## Jap Artillery Unit Aids Marines In Capture Of Town

By PFC. ROSS L. ROWE

OKINAWA.—(Delayed)—A certain Japanese artillery unit will undoubtedly lose "much face" if the news reaches Tokyo that it helped the United States Marines capture the town of Ibaru in Southern Okinawa.

It happened when a company of the Second Marine Division was ordered to advance to an objective in front of Ibaru. First Lt. Paul E. Morrison, of 40 Gardner Ave., Jersey City, N. J., commanding officer of the company, describes the unusual incident as follows:

"The First and Third Platoons, plus the machine gun platoon of my company were ordered to proceed to a point about 300 yards short of the town of Ibaru. We moved forward, following behind a heavy barrage by our own artillery.

"Suddenly the Japs opened up on us with a heavy counter-barrage, but oddly enough all the shells landed behind us. As we advanced, the Jap artillery kept following us. We just couldn't stop if we wanted to. We reached the objective assigned us but the Jap artillery did not stop, so we kept on going.

"We had to keep cleaning out snipers and machine gun nests as we advanced, all the time moving fast enough to keep out of the Jap artillery, yet not so fast that we would run into our own artillery ahead of us. We went right on through the town of Ibaru; the Japs were so surprised they just scattered and we cleaned them out readily.

"Just as we were about to be pushed right into our own artillery we succeeded in getting word back and our barrage was lifted. As a fitting climax to the entire

crazy affair, the Japs stopped their shelling simultaneously. We had advanced about five hundred yards past our objective. With the aid of the Japs we had gained another town.

"And a few more gray hairs."

## New Ammunition Belt Is Devised By '6th' Marine

OKINAWA.—(Delayed)—A new rifle belt for carrying ammunition was devised by a member of Major General Lemuel C. Shepherd Jr.'s Sixth Marine Division on southern Okinawa's battlefield.

The new device is made of half of a regulation M-1 belt and half of a Browning Automatic Rifle belt.

The inventor is Marine Sergeant LaVern S. Cockerill of Emerson, Neb.

"The belt was just the thing for us," Cockerill, a platoon guide, said. "The M-1 half of the belt was used to carry rifle ammunition, while the BAR part provided space for hand grenades, rations, cigarettes and the other few items you really need up there.

"All I carried was the belt, a navy rain jacket, an entrenching tool and a weapon. I kept my pack for a while, but things finally got so hot I had to drop it. You'd be surprised how little stuff you really need to fight with when the going is tough. Plenty of ammunition, good weapons and a lot of grenades were the things we needed most."—By Corp. Fred R. Travis.

During 1944, 72 new U. S. areas were brought under rent control.

## antation Expert Joins Medical Bn.

By LIEUT. A. J. NIOSI  
Lt. Roy Young Jr., (HS) recently joined member of the Camp Lejeune Medical Battalion. Young is a most welcome addition to the staff of the Medical Battalion. He was formerly with the 1st Marine Division, Ithaca, N. Y., where he served as a platoon leader. Young was decorated with a Letter of Commendation for his services in the Philippines. He is a graduate of the University of North Carolina at Chapel Hill, where he received his medical degree. Young will be assigned to the Medical Battalion, Camp Lejeune, where he will be in charge of the medical services for the 1st Marine Division. He is a very capable and experienced medical officer, and his presence will be a great asset to the Medical Battalion.

**CLASS STARTS**  
The Class of Medical and Dental Officers started their training at the Medical School at Camp Lejeune, N. C., on July 23. The class is composed of 20 officers, and is the first class to enter the school since its opening.

**CONGRATULATIONS**  
The Medical Battalion, Camp Lejeune, N. C., congratulated the members of the 1st Marine Division, Ithaca, N. Y., for their excellent performance in the recent competition. The members of the 1st Marine Division were the winners of the competition, and the Medical Battalion was proud to have been able to compete with them. The members of the 1st Marine Division were the winners of the competition, and the Medical Battalion was proud to have been able to compete with them.

**PROPERTY AND ACCOUNTING DEPARTMENT**  
The Property and Accounting Department, Camp Lejeune, N. C., is a new department that has been established. The department is headed by Mr. J. H. Polen, and it is responsible for the management of the property and accounting of the camp. The department is a very important part of the camp, and it is essential that it be well managed. The department is a very important part of the camp, and it is essential that it be well managed.

**RECEPTION**  
A reception was held at the Medical Battalion, Camp Lejeune, N. C., on July 23. The reception was held to welcome the new members of the Medical Battalion, and it was a very successful one. The new members of the Medical Battalion were welcomed by the members of the Medical Battalion, and they were all very happy to be there. The reception was a very successful one, and it was a great day for the Medical Battalion.

## Triple-Twins

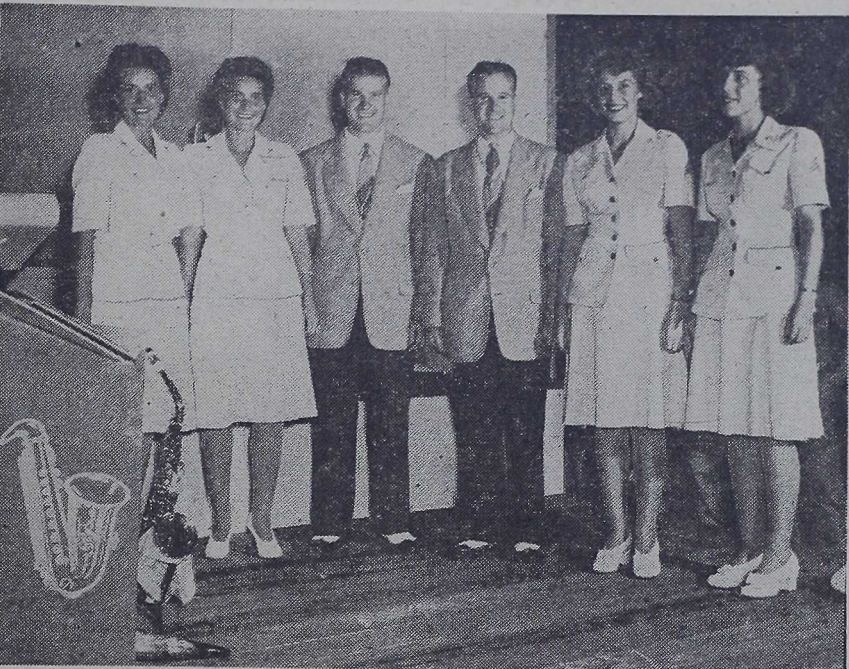

Photo by S/Sgt. F. X. Calden, Photo Lab.

The McFarland Twins don't look puzzled, the WR twins don't look puzzled, how about you, are you puzzled? Shown above with the McFarland's, Art and George, as they posed together at the Outdoor Dance last Wednesday evening, July 18, are, from left to right, Sgt's. Mildred and Mary Chapman, the McFarland brothers; and Sgt's. Pauline and Kathryn Klinger.

## Trailer Park Houses Civilians And Lejeune Military Personnel

By PVT. BIX SLOTE

Pine Grove Trailer Park, nestled on the Piney Greene Road, is but a mere name to many at Camp Lejeune. A visit to the Park reveals a thriving community composed of Marines and their families and civilian families living in a veritable city of trailers. The Park, one of the largest of its kind, numbers 780 Government owned house trailers in which 2,500 people reside. There are 27 community trailer units.

Though Trailer Park is under the Federal Public Housing Authority, it was originally a project of the Department of Agriculture. The Park made an inauspicious appearance in 1941 with 150 trailers. Under the able direction of T. Newton Cook, the project flourished and grew. The original 150 trailers were the nucleus of the present "A" village. Within a short time after Pine Grove was opened "V" Village had grown to more than twice its original size and numbered 325 units. The projects continued to expand and in the Spring of 1942 "W" Village appeared with a strength of 185 trailers. In the Fall of that year "C" Village was founded and boasted 280 homes.

### COMMUNITY UNITS

The axis, about which life in Trailer Park revolves, is the community trailer. The 27 community units are for the use of all residents. Foremost of these is the recently opened, Red Cross sponsored, Children's Nursery. It is well and modernly equipped; complete with a kitchen, play yard, combination play and dining room and a squadron which contains 100 bunks. Open from 0730 in the morning 'til 1700 in the afternoon, the Nursery is prepared to accommodate 150 children from six weeks to six years of age. Mothers may leave their children at the nursery for an hour or a day and feel assured that they will receive the best of care. The nursery serves three meals a day; morning and afternoon snacks which cost ten cents each, and a noon meal, the price of which is 25 cents. Mrs. John Marston is chairman of the Nursery School Committee and governs the operation. The nursery staff consists of Mrs. Barbara Freeman, a registered nurse; her two assistants, Mrs. Myrtle Chema and Mrs. Marsha Weber, and the cook, Mrs. Kay Kester. The charge for leaving children at the Nursery School is \$5 a week, including meals; for a day or less the charge is ten cents an hour and the meals are extra. The Community Center located in "B" Village embraces the Recreation Hall, the Library, and the Chapel. The Recreation Hall is a large room that contains four

ping pong tables and a wide assortment of games; it is also the scene of the Charm School class meetings. In one corner there are four community sewing machines which may be used for a maximum of two hours a day at a charge of five cents an hour. The Hall is open from 9 A. M. to 4 P. M. each day.

### LIBRARY AND LOUNGE

Adjoining the Recreation Hall is the library and lounge. The Library offers an array of reading material including fiction, travel, science and many current periodicals. The spacious lounge is also the scene of the Community Council meetings.

A regular religious program is conducted in the chapel which is adjacent to the library. Catholic and Protestant services are held under Navy Chaplains W. Charles Goe and Charles Bauman. One of the chaplains lives in the park and is ever present for spiritual guidance.

Medical care was assured the villagers by the establishment of a clinic which is located across the street from the Community Center. The clinic is staffed by Navy Dr. Dorothy Chamberlain, a health registered nurse. Consultations are held at the clinic and Mrs. Ethyl Salzman, a public health nurse, is on duty from 8:30 to 9 A. M. After the consultation period, both the doctor and the nurse make home visits.

### RED CROSS

A Red Cross surgical dressings trailer, brought to Trailer Park through the efforts of Mrs. Marston, is located in "A" Village. This trailer is the only surgical dressings unit operating at Camp Lejeune during the Summer months. Through this medium women may put some of their spare time to gainful advantage each Wednesday and Thursday by rolling bandages for the Red Cross. The volunteer supervisor of this project is Mrs. Kay Kester.

Pine Grove Lodge, a two-room building containing a fire place, ping pong table and many lounge chairs, is an important feature of the park. Built by the villagers in their spare time, the lodge originally served as a chapel. Now it is open to use for private parties and social gatherings, just for the asking.

The Community Council is the nerve center of the Pine Grove Park. The Council, composed of three elected representatives of each village, holds its meetings at 2000 P. M. on the second and fourth Tuesday of each month in the Library Lounge. All villagers are invited to attend these meetings which deal with the welfare and activity of the Park. This group is the residents' medium of expression and is always ready to help

the trailerites; it receives complaints and suggestions and tries industriously to rectify all situations.

Working hand in hand with the Community Council are the Trailer Park sponsors, Lt. Col. W. W. Stickney, Camp Special Services Officer, Lt. Col. J. W. Lakso, Camp Food Service Director, and Col. R. A. Anderson, Camp Quartermaster. These officers are instrumental in providing recreational facilities and equipment to the Park. The Project Services Advisor, Mrs. Kenneth Wilson, from her office in the Community Center, supervises the use of this equipment as well as organizing, guiding and directing the various community activities.

### FUTURE FEATURES

Some of the features soon to appear are the proposed bleachers for the softball field, an outdoor movie, a picnic ground, a playground for children, a monthly Trailer Park dance, and the enlarging of the Library's scope to 2000 volumes. Also planned is a public address system in each village. Over this system will be broadcast a regular noon news announcement by Mrs. Christine Duncan and a religious program each Saturday afternoon, conducted by Chaplain Goe.

The Pine Grove Log is a mimeo-

Continued on page 10

## McFarlands Score Twin Successes

Playing before a crowd of over 5,500 Marines and civilians, the McFarland Twins Orchestra, presented by the Camp Special Services, jam-packed the bleachers and dance floor at the third seasonal out-door dance held last Wednesday evening, July 18, at Camp Lejeune.

The band opened festivities for the evening at the Montford Point Camp Theater, playing from 1800 to 1930. After completion of their performance at MPC Theater, the musical aggregation moved on to the Hadnot Point dance site, back of the Camp Theater, commencing at 2030.

Threats of rain almost forced the show inside the theater at the beginning of the second show. However, everything turned out in smooth fashion as the shower subsided and activities rolled on in true show business style.

The twins' arrangements and playing of their musical numbers was terrific. "Jive-happy" people as well as the sweeter stuff kind were well pleased and satisfied with the evening's entertainment.

A surprise jitter-bug contest was held under the direction of Capt. T. E. Trollope, Assistant Camp Special Services Officer. The twins, Art and George McFarland, acted as judges, with Capt. Trollope assisting. Ten couples competed for the jitter-bug championship of the evening. After the first number was played, eight couples were eliminated. The remaining couples really put on a combined adagio and apache dance mixed with a little gymnastics. Finally one of the couples was forced to drop out due to physical exhaustion. The judges were forced to ask the audience for the final decision.

The winners of the jitter-bug crown were WR Pvt. Delores Lankston of New York City, and Pfc. Ed Matejcek, who hails from Pittsburgh, Pa. This couple will defend its title at the fourth seasonal outdoor dance.

The next outdoor dance will be announced at a later date by Lt. Col. W. W. Stickney, Camp Special Services Officer.

The McFarland Twins Orchestra and their "Styles in Sweet Swing" will travel to Atlantic City, N. J., for their next engagement at the Steel Pier. With the completion of their Steel Pier run, the Twins roll on to the Palisades, also in New Jersey, and then to New York.

## Don't Touch GI Food Kraut Dogs Are Told

Germany (CNS) — This story came out of a German prison camp.

It seems that GI prisoners at the camp tamed Kraut guard dogs by slipping them food. When the guards discovered the dogs lying on the bunks with the GIs, they posted a notice forbidding the dogs to accept food from prisoners.

# Personnel Getting Set To Face Rigors Of Rifle Range

By CPL. J. J. CERDA  
The best laid plans of mice and men oft go wrong, it has been said, and never better demonstrated than during the past week in this battalion.

Descending like a perfect strike upon well set pins of organization, recent orders for all personnel to regularly with the M1 rifle and carbine sent flying: 1. Battalion beach party. 2. All week-end passes. 3. Battalion golf tournament. On the other side of the ledger the two-week trip to the rifle range has many of the lads harking nostalgically back to boot camp days and actually looking forward to merciless ups and downs of snapping in. And who will forget the sonorous "Load and lock." Ready on the right. Ready on the left.

... All ready on the firin' line. ... Unlock. ... TARGETS! Sure, there'll be lots of the usual chipping but you'll find the same chippers waging the homestead mortgage that they'll outshoot any two men in the company.

Immediately the butts have been secured the Beach Party will be held and Battalion Golf Tournament resumed.

The boys out at Firehouse No. 2 received a fitting compliment in the Beacon Staff, Midway Park's community sheet, on the appearance of their station. The same compliment is easily applied to all of Major Lacy's boys for their perpetual care and attention to quarters, equipment and immediate areas.

You could have knocked us over with a discharge paper when through the mails we received announcement of Pl/Sgt. Silinski's marriage to Helen Baranski of Pittsburgh, Pa. Despite the tremendous engagement ring on his finger, Ski had always skillfully impressed his buddies that there were three things, not two, that one always could be certain of: death, taxes and his state of single blessedness. Even though you misled us, best wishes from all your buddies.

At Firehouse No. 3, the boys are buzzing about a veiled woman of mystery who has been calling for Sgt. Macy O. Bird. ... And at FH No. 4, S/Sgt. Zakrzewski forfeited long earned "Baracks Hound" reputation by taking off on a week-end pass recently and returning with a smug grin. ... Congratulations to "Gunner" Truesdell, 1stGdCo., on his appointment to CWO. At the same time condolences to all 1stGdCo. on the loss of their mascot, Skippy, who has disappeared on what is believed to be a romantic adventure. Won't you come home Skippy? Plc. Poling has your papers all made out and the Old Man promises no office hours in your case. (Of course he can read - he's an educated dog.) Cpl. John (Handsome John) Keleher, HqCo. handy man, is also handy at spit-shining a certain pair of trim WR shoes. In return

she's promising to learn how to bake. Hmmm. ... Cpl. Leffler, 2ndGdCo., just missed semi-finals in Camp Golf Tournament and now sets sights for battalion tournament. ... At chow Big Mike Lehet complains of especially good meringue pie but honestly confesses that maybe it's not the pie. "Maybe it's because I'm eating it with string beans," he mumbles just as you're about to sip your coffee.

## Lejeune Trailers

Continued from page 7

graphed, weekly bulletin edited by Mrs. Cecelia Dubois. It covers all news, social events and announcements pertinent to the inhabitants of the Park.

### SOFTBALL LEAGUE

The Park boasts a softball league consisting of five teams who play a regular schedule of games. Soon to go into competition with other teams is the team that will represent Pine Grove in the Camp League.

Pine Grove Trailer Park was originally founded to provide housing for civilians who were engaged in construction work on the base. Upon completion of the camp construction, a percentage of the trailers were opened to enlisted Marines and their families. To procure a trailer one must apply to the Commanding General through official channels after certification of the application by the man's commanding officer. The approved application is then put on a vacancy waiting list until such time that it can be acted upon.

### DOUBLE-SINGLE

An applicant notified of a vacancy checks into Trailer Park at the Management Office which is located in "A" Village. There are two types of trailers to be found in the Park. The Standard which rents for \$26 a month and the Expansible which costs \$30 a month.

Each Standard trailer is equipped with two studio couches which convert into beds, two chairs, two closets, a stove, heater, ice box, and a built in thirty-five gallon water supply tank. The Expansibles, though more roomy, contain about the same amount of equipment.

Each new family receives a visit from one of the elected hostesses soon after they are settled. She informs them of the activities, recreational opportunities, and acquaints them generally with the new environment in which they live. She also refers any complaints of the trailer tenants to the Community Council for correction.

Few people have ever lived in a trailer before coming to Pine Grove Park. At the outset conditions may seem a bit difficult. In a short while, however, they become acclimated in their new surroundings and find life is not as arduous as it first appeared. Many couples liken the life here to camping out. They have an adventurous stay in Trailer Park and carry fond memories with them when they leave.

ENGINEER BN.

# 3rd Division Vets Arrive In Battalion

By SGT. HELEN SKERO

Third Division officers and men now stroll about the campus of the Engineer Schools at the Stockade and at Courthouse Bay. Many is the seabag that is being pulled from its hiding place, to be hurriedly packed by departing officers in charge of courses—company commanders and staff officers. Latest flashes are: Maj. Sidney Schulder, S-3; Maj. W. S. Haltom, S-4; Capt. Frank Turner, commanding officer of Company B; Capt. George Fondren, Capt. Edward Teachmann, assistant S-3; Lt. George Lillibridge, officer in charge of Demolition Demonstration Platoon, and Lt. Wiley Cheatham, the officer in charge of the Test and Research Platoon, are among those now busily engaged in gathering loose ends and cramming all into seabags. To all of the officers and men leaving the Battalion, we wish a "Bon Voyage" and a safe and speedy return.

Speaking of newcomers to the Battalion, the Second Desperate—beg your pardon—the Second Separate Engineer Battalion is now well represented at Courthouse Bay.

No longer do personnel of the Battalion ponder as to the inhabitants of MOQ-24 as they stroll past. A nice new nameplate greets them with the name Maj. W. S. Haltom, USMC, printed in prominent letters. In a brief ceremony in the "Four" Office, Capt. Francis L. Cooper, Battalion adjutant, presented Maj. Haltom with the above nameplate, and with the other hand, presented him with orders of his detachment. What a blow! To think that the Major couldn't record for posterity by means of a camera a permanent record of his home at Courthouse Bay.

Accompanied by the wind and rain, the "blessed event" bird made a quick reconnaissance of Courthouse Bay and then made an amphibious assault on the Family Hospital where he presented the commanding officer, Lt. Col. John P. McGuinness and Mrs. McGuinness with a baby boy. Congratulations, Col. and Mrs. McGuinness, and a hearty welcome, John Patrick McGuinness.

A hearty welcome also to another addition to the Engineer Battalion, Baby Seymour Ward, the newly-arrived son of MT/Sgt. and Mrs. Willie Ward. Still waiting for that cigar, Willie. Congratulations, Sgt. and Mrs. Ward.

### WORD FROM YE SCRIBE

Coming back from an eight-day furlough, deluged with a barrage of questions regarding everything from the type of gasoline used in an LVT to my present marital status. For the benefit of my "friends," the name is still Skero, the furlough is the best ever, and I have resumed my duties in the Quartermaster section of the Engineer Battalion.

First, may I extend my sincere thanks to my ghost writer, who has submitted the following items of news, and has kept me informed of the latest "goings-on" in the Battalion:

## New Suicide Weapons Perfected In Japan

San Francisco —(CNS)—The Japs are still in there trying to win the war, and they don't care how many lives they lose trying. Their latest boast concerns suicide weapons to meet our forthcoming invasion, prepared, they say, in numbers "almost equal" to all the tanks and guns used in the western war.

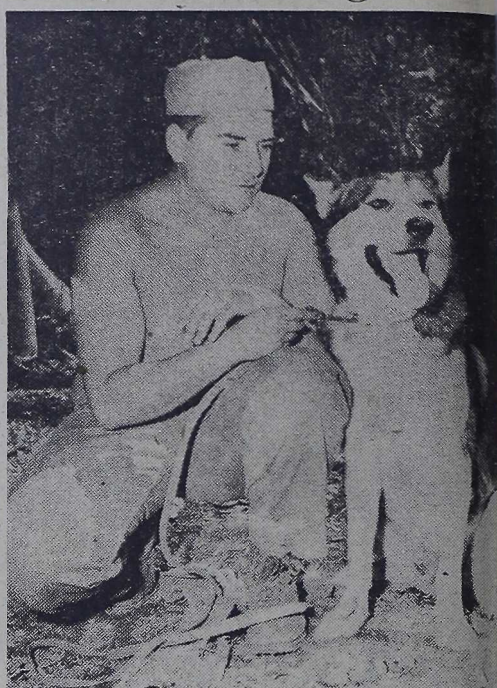

A Domei news agency propagandist said: "I even hope for an early landing of the enemy forces on our mainland, just to sense the thrill when we strike a deadly blow to the enemy and in expectation of world-wide amazement when our special attack weapons display full activity."

Use of suicide weapons in Okinawa was experimental, Domei tells us, and have now been perfected. "Japan's future," one radio commentator went on, "is indeed bright."

On the other hand, Vice Admiral Marc A. Mitscher says that Jap suicide attacks are not more than two per cent effective.

The U. S. Coast Guard was founded in 1790 by Alexander Hamilton to combat smuggling.

# Only War Dog Husky

Official USMC Photo

Believed to be the only husky trained as a mine War Dog, "Chico" is pictured somewhere in Pacific with his handler, Marine Pvt. First Robert L. Bennett, Durham, N. C. Both are veterans of Iwo Jima, where they worked on night security watches, and are now in training on this island their next campaign.

## 'Chico' Only Husky In War Dog Class Is An Iwo Jima Vet

By PVT. NORMAN L. THURSTON

SOMEWHERE IN THE PACIFIC — (Delayed) — "Chico," believed to be the only Husky trained as a Marine war dog, is back in "school" with his handler. Both are veterans of the recent Iwo Jima campaign.

The dog and his master, Marine Pfc. Robert L. Bennett, Durham, N. C., have returned to a war dog training camp here to brush up on their scouting technique before their next assignment.

Aside from Chico, the "dog class" is made up entirely of Doberman-Pinschers and German Shepherds, and his creamy coat is in sharp contrast with the coloring of the other "pupils." He is heavier than the others, too, "weighing in" at 90 pounds when he is ready for action. "Chico's a beauty and he's

proved as good a scout as any of them," proudly proclaims his handler, who has worked the dog day and night since July of 1944 and who knows every eccentricity.

At Iwo, Bennett and his were employed exclusively in try work on night security watches, "bedding down" each night, well out in front of the Marine lines.

"No Jap gets near when big bozo is on watch," said Bennett. "He can spot them in place, any time."

## STORK CLUB

Jessie Ruben Collier Jr. and Jesse Ruben Collier and Mrs. Mildred Collier.

Deborah Ann Flath to Captain Herbert Flath and Mrs. Elizabeth Flath.

David Andrew Bohart and George Edward Bohart and Adelaide Bohart.

Janice Court Bain to S/Sgt. Hubbard Bain and Mrs. D. Court Bain.

Three former members of Fred Waring's band and now part of Uncle Sam's Navy show, "Drop the Hook," giving out with one of the popular hits of the day in Ward 16, Naval Hospital. Left to right, S. 1/c Jack Wilson, S. 1/c Leo Bernacke and S. 1/c Mac Perrin.

## Navy Show 'Drop The Hook' Wows Naval Hospital Crowd

An all-star Navy Show "Drop the Hook," a fast-moving, exciting musical with an all-bluejacket cast, played the Naval Hospital last Tuesday and Wednesday evenings.

Headed by Whittemore and Lowe, radio's duo pianists now members of Uncle Sam's Navy, the showmen delighted the bed patients in their tour through the wards and played to a packed house Wednesday in the Hospital auditorium.

The Navy cast, currently on an Eastern tour of Naval and Army hospitals is traveling by trailer from New York to Florida. The appearance at Camp Lejeune marked the 26th since June 14, when the tour began.

The show was made up of Bill Ambrose, MC, former night club entertainer, George Perrin, Leo Burnacke and Jack Wilson of the Fred Waring Band; Tony Angalose, formerly with Vincent Lopez and George O'Leary, dancing star of Olson and Johnson's, "Sons-of-Fun."

Traveling under the direction of Lt. Joe Walker, their next stop is the Charleston, South Carolina, Naval Hospital.

## 3rd Training Noses Out 9th In MTC Race

Third Training Battalion moved Ninth Training from its first place niche as the second week of play in the Marine Training Command Cup race ended. Moving up from last week's second place spot, the Third Training men collected a high total of 278 points for the week.

A total of ten teams were active this week, as against last week's entry of seven. Tenth Training, inactive last week, entered the second week's play and garnered 241 points to place it third in the week's standings. The Tenth-men, wallowed the Second and Third Battalions in a total of 23 events to gain their points.

**GAINS MOMENTUM**

The Special Services sponsored event, according to Capt. Victor H. Flath, Marine Training Command, is gaining momentum once again and it is expected that all former nineteen teams entered will be "active within the next week. Tent Camp, under the supervision of Capt. John C. McClelland Jr., Special Service Officer, will be the center of most of the activity in the cup race with each battalion taking part.

Signal Battalion, the "Spring Quarter" champs, dropped from sixth place to seventh during the week by virtue of a "pool" defeat at the hands of Schools Regiment.

Headquarters Battalion, Marine Training Command, in its first week of play won over Schools Regiment in "ping-pong," and last place First Training Battalion held on to its three points collected in last week's play, by virtue of its inactivity this week.

Point standings for the week's play:

Third Training	278
Second Training	267
Tenth Training	241
Ninth Training	220
Eighth Training	103
Sixth Training	67
Signal	61
Schools Regiment	10
Headquarters, MTC	6
First Training	3

In the early Seventeenth Century, it often took two years to make the round trip from Europe to China.

## QM BATTALION

## Three New QM Classes Initiated

By CPL. J. W. MOORE, JR.

The cog of production in QM Schools of Administration is still turning and gaining momentum with every revolution. QM Clerical Course, Enlisted Men, Class No. 54, QM Clerical Course, Enlisted Women, Class No. 30, and QM Administration, Officers, Class No. 39 assumed their places in this gigantic cog on July 9th.

The Recreation Department of the Quartermaster Battalion is now resting in the well-experienced hands of 2d Lt. Timothy J. Kearns, hailing from Joliet, Illinois. Lt. Kearns was a student at Northern Illinois State Teachers College where he was well known for his skilled boxing, expert wrestling and star football playing. Lt. Kearns received his orders at a very appropriate time, at the beginning of the second half of the baseball season and is threatening to place QM Bn. at the top of the list for the Challenge Cup Trophy. He has issued a call for athletes of all kinds, pointing out that officers as well as enlisted personnel are encouraged to participate in all events without restriction. Students and others even temporarily attached are encouraged to compete. In addition to the benefits derived from the association with sportsmen in keen competition, there is the prize money to consider.

**SPORTS PROGRAM**

The following sports are included in the list of competitive events: Bowling, badminton, boxing, baseball, canoe racing, golf, tennis, handball, horseshoes, pool, ping pong, sailing, tug of war, track and field events, touch football, volleyball and softball . . .

Athletes! Let's make a special trip to the Special Services Office

Continued on page 16

## On The Bond Front

By CAPTAIN HELEN PERRELL  
CAMP WAR BOND OFFICER

**NO. SAILOR, THAT IS NOT THE COAST GUARD FLAG** flying before Bldg. No. 1. It is the Secretary of the Treasury's Honor Award to the civilians of this base for a minimum of 90 per cent bond participation and 10 per cent pay deduction. For June the score is 90.8 per cent and 12 per cent. Good work, Civilians!

**WHE-E-E-E!** . . . 100 per cent is the Bond Allotment record for three civilian groups. Mrs. Mary (not contrary) Schultz has lined up Labor Board 100 per cent for ten months straight. . . . Mr. Alton E. Jones hasn't let Depot QM. slip below 100 per cent except for a 96 per cent in March and April, while Mr. Moser has held Reclamation and Salvage well above the 90 per cent line since way back in Nov. '44.

**SOMETHING TO THINK ABOUT** . . . will be found in the green pamphlet being distributed by WaBaO's i.e. War Bond Officers. . . . With even a flash thought of cancelling an allotment, read it and quick! It's pertinent and pointed. . . . By the way, the color for the pamphlet, tho' accidental, is appropriate—for in Sicily if you're "green" you're "broke" and both broke and green (with envy) you'll be if you cancel your Bond Allotment.

**NO REAL COMPLAINT.** . . . Altho our Lejeune cancellations were a record high for June, they still totaled only 0.83 per cent or less than 1 per cent of all our allotments. . . . Of course 0.00 per cent would be less and better.

**SMART SOULS** are they in eight of the organizations where not one cancellation marred the books: Hq Bn, MTC, Range Bn, H&S Co. of Trng. Regt. -st, 2nd, 9th, 10th Trng Bns, and the Coast Guard. . . . A bowed head for Signal, Inf. Sch. and WR Bn, who together made half of all the cancellations for the whole base. . . . Read that pamphlet!

**NUMBER ONE DYNAMO OF THE ELECTRIC POWER PLANT** is Mrs. Mardie Bowersox. Backed by her co-operation group that averaged 91 per cent for 9 months then tobogganed to a record low, she's determined to make July's per cent equal May's 100 per cent. . . . The power's there.

**GOOD ENGINEERING NO DOUBT HELPED ENGR. SAM MUNCH** to slip a dazzling solitaire on the hand of Lt. Mary-Bond-Director Bennett who previously had flashed 100 watt bulbs for 100 per cent Engineering units. But wait! Mary's ordered to D. C. while that 93 per cent record keep shining, Engineers?

**WORTH BRAGGING ABOUT** . . . When an organization despite heavy turn over, keeps the allotment participation at 100 per cent for a year, that's worthy of a word. . . . and the word is "Excellent" for Lt. Sutphen's Recruit Depot, MPC and WO Creso's War dogs. . . . Lt. Bob Hewlett's H&S Co. of Sp Trng Regt. is close with 10 mo's at 100 per cent and only May and June with 97 per cent, while Lt. Gurber's 7th Trng has an 8-months' average of 93 per cent. Four ties for fourth place with a 91 per cent average for '45 are: Guard Bn, WR Bn, WR Schs and 8th Trng.

**AN ACCOLADE FOR THE OFFICERS** of those units mentioned in the paragraph above. . . . for they've allotted 100 per cent and add to that list, Lt. Jim Murray's officers who Roam on the Range.

**FLASH BACK TO SURIBACHI** . . . The famous flag of Iwo Jima is now in the possession of the Marine Corps Commandant. When the American Legion recently requested the flag for its Nation Hq. Alan Stevenson, National Commandant of The Marine Corps League protested. . . . Lt. Col. E. R. Hagenah, Acting Director of Office of Information was said to have reported the Commandant's intention of placing the flag in the Marine Museum at Quantico.

**FROM MARTIAL TO MARITAL LIFE STEPS** flag-raiser Gagnon, . . . The second figure from the right on our Suribachi bill board, Pfc. Rene Gagnon, 21, of Manchester, N. H. was married last week to 19-year-old Pauline Harnois of nearby Hooksett, N. H. Pfc. John Bradley of Antigo, Wis., pictured 3rd from the right on the poster was one of the witnesses for his buddy. The other survivor, you remember, American Indian Pfc. Ira H. "Chief" Hayes, at his request, was returned to his old outfit, the 28th Regiment.

**IT'S THE FLAG RAISING IN TOKYO**, we're interested in now. . . . and when that great day comes,—may it mark a financial—as well as fighting—situation well in hand.

# Warm For Janet

Janet Waldo, radio starlet, proves that beauty plays an important role in sunbathing. Old Sol must be enjoying this bit of warmth-bringing . . . and Janet seems to be taking it so nicely, too. Move over, Janet! —We like sunbathing also.

## MONTFORD MUSINGS

### 'Jumpmakers', Once Montford Point Entertainers, In News

SGT. L. A. WILSON

According to an official news release, the "Jumpmakers," a top-notch Marine aggregation consisting of hot and sweet vocalists, well-known instrumentalists, and a crack drill team, formed at Montford Point Camp and now serving overseas, are doing a fine job entertaining GIs at outdoor stages in the Pacific Theater of war.

Heading the "Jumpmakers" is Capt. Robert W. Troup Jr., former recreation officer at Montford. Through his capable, morale-building services and winsome personality, Capt. Troup won high esteem from personnel here prior to his departure.

Pointers will recall Pfc. Louis B. Dabney, Hopkinsville, Ky., former Red Cross clerk here, who was featured often in the vocal spot with the Montford Swingmen. He is highlighting the "Jumpmakers" shows with his fine voice. A former student of Kentucky State College, he, prior to entering the Corps, was a vocalist with the Jimmie Lunceford Orchestra.

A number of other Marines, quite well-known locally, were mentioned in the news dispatch.

Pfc. Emmett G. Gethel, Chicago, who served as a pension clerk in H. & S. Company, Hq. Bn., is Master of Ceremonies with the unit.

Cpl. Lawrence D. Faulkner, Wilmington, Del., former typing instructor in Schools Company, is one of the instrumentalists with the group. Faulkner, it will be remembered, won several prizes while here, at amateur shows with his dulcet toned saxophone renditions.

There are three former Montford Swingmen "giving" with the torrid instrumental swingsters in the "Jummers" unit. They are Pfc. Orlan T. Smith, Omaha, Neb., saxophonist; Pfc. Lawrence A. Smith, Marshall, Texas, saxophonist; Pfc. George J. Davis, New York City, drummer. Assisting Pfc. Louis B. Dabney with the vocals is Pfc. Henry L. Coffey, of Birmingham, Ala.

Some local Marines will recall Montford's second thrilling football tilt played here last season with the Army Combat Engineers, of Columbia, S. C. Pfc. Robert L. Gory Jr., Newark, N. J., one of Capt. Troup's "Jumpmakers"—drill team member—was at half-back for MPC and scored one of the three initial touchdowns of the season against the Engineers.

The M. P. Detachment is represented in the unit also. Husky Pfc. Ephraim W. Hoke, of Sanford, N. C., formerly attached to the military police here, is a member of the entertainers' drill team.

In charge of the nine-man team is stenographer voiced Sgt. Wendell N. Burrell, Chicago, formerly a DI attached to Recruit Depot Battalion.

SPOT NOTES  
At bat for the Pointers, dur-

ing the first half, Brown and Spurling stand out for some effective distance polling . . . It was Brown's double in the bottom half of the seventh against Tent Camp that added the necessary punch to cop that crucial tilt . . . Neal, one of the most dependable centerfielders to play here, has proved to be a fairly consistent hitter, if not distance poler . . . Headquarters Recruit Depot Company copped first half honors in the MPC Softball League. The team won seven and dropped one . . . There is a three-way tie for second place with Hq. Co. 7th Sep., the "David of softball teams," H&S Co., Hq. Bn., an MP Detachment. Each team won six and lost two. Co. "A," Recruit Depot Bn., is in third place with five victories and three defeats . . . Hurler Wilbur Baham chalked up a shut-out against Service Bn., giving up only three hits, in the Camp Baseball League . . . Sida2C Rufus Gant, former Florida A&M College football star, who played with the Pointers last season, is now stationed at Quantico, Va.

says Gant, "I like my duty" . . . William Porter, discharged recently, is now studying at Ohio State University . . . It will be recalled that he was football and basketball coach here during the past season . . . S/Sgt. Harmon Fitch, Recreation NCO, is off on a well-deserved furlough . . . A neat addition at the Hostess House—a barbecue pit . . . Sgt. Daniel S. Diggs of Smithfield, isn't spoofing when he says that Recruit Depot is "jumping" again. Recruits are literally pouring in. Diggs is attached to the Personnel Section, Recruit Depot Bn.

Pointers think that as a musical group the McFarland Twins aggregation was good . . . Point of discussion now is will we have a topnotch football team . . . There is evidence of the fact that we can.

Hqtrs. MTC

Continued from page 11

Michael J. Mangan Jr., James D. Huston . . . Sgt. Merle Craighead is now working over in the Library in Building 318—we're always glad to see you when you drop over to 320, Merle. What we like to hear — The Netherlands Marines going past the office, and singing in their own native tongue. . . . What we enjoyed especially—the top-notch WR Band concert last Thursday night, and the usual snap and zest with which that band played colors for us Friday.

According to an announcement made by 1st Lt. Walter G. Hunt, three new instructors have been assigned to the swimming pool in Area 2. They are Cpl. Norman L. Loman and Pfc. Lee Coombs and Charles Beckec

#### Army Separations

##### Now Total 1,800,000

Washington (CNS) — You may still be in, but somebody is getting out of the Army these days. Total separations, Dec. 7, 1941, through last March 31, according to the WD, were more than 1,800,000, including nearly 100,000 officers. Of this total, 1,400,000 were honorable discharges, 219,000 were deaths, both in and out of battle, 132,000 were PWs or missing, and the rest were discharges other than honorable, retirement of Regular Army personnel, and miscellaneous separations.

A blowgun is a Paul-Bunyan-size version of the tin peashooter or puttyblower.

# Outdoor Smoker Slated For Tonight

## Service Football

Service football plays an important part in the life of a serviceman, is the opinion of Lieutenant Colonel William W. Stickney, Camp Special Services Officer and former All-American at Dartmouth College.

Col. Stickney expressed the opinion that chess and football were the greatest contests for sharpening the wits of a man in military life and particularly the Marine Corps. Football naturally has the nod because of the physical benefits it provides, its body-building principles and teamwork that it teaches. It is similar to the work of a rifle squad in action, because every man knows his job and acts accordingly.

The position of a squad leader is similar to the football quarterback or the team Captain, your Platoon Leader. When the opposition is such in combat, a smart leader uses an end around play, our combat leader uses an enveloping movement, gains ground, a possible touchdown or a complete annihilation of the opposing forces.

The problem of a penetration through lines, always important in combat can easily be acted upon and placed in accord with football principles and teachings. In football every man knows what he is supposed to do during the action of a play, the tackles take out their assigned men, the guards likewise. Our ball carrier takes advantage of his opening and skirts through for a gain and possibly an explosion of the defense by gaining enough ground for a first down. In combat fire teams and scouts supply the necessary blocking for the coming troops.

Football provides the stamina needed by combat men. It so develops the body that it is better able to take a beating and endure more hardships, a primary requisite for combat training.

As a morale builder, it is worth a fortune. Last year at Camp Lejeune there was a noted decline in AWOL and people getting in trouble over the week-end, during football season, statistics have shown that. And more interest was shown in the game played once a week, than in any other sport. The fans look forward from week-end to week-end for the color, excitement and all around good entertainment that only football can provide. The men and women at Camp Lejeune like football and realize how much a good team means to them.

Many young men in Service will gain in many ways by the recognition they attain in playing football. Some will be able to take advantage of college and professional offers, thus affording them an education and a means of livelihood.

Charlie Justice, last year's Service Star from Bainbridge Navy is a perfect example of how Servicemen can make a name for themselves in some particular way, other than military and gain by it. Justice, fresh out of high school, developed into one of the country's best football players and has at his feet, offers for athletic scholarships at many leading colleges and even some for professional football after the war.

★ ★ ★

## Sports . . . Dots And Dashes

Captain Chester E. Francis, Quartermaster Battalion's recent addition to the Camp baseball team is the first Major league ball player to join the team. Captain Francis was a utility outfielder for the Boston Red Sox in 1941 and is still their property for postwar play. Recently returned from the Pacific where he served with the Third Amphibious Tractor Battalion, Third Marine Division, he's looking forward to a successful season with the Camp and Quartermaster teams.

Lt. Helen Marlowe, Camp Lejeune's WR tennis champ and former Pacific Coast Woman's titleholder has been invited to attend the Woman's National Singles Championship at Forest Hills, Long Island, New York. Lt. Marlowe is one of 32 national ranking tennis stars invited to participate in the tournament which begins August 29.

★ ★ ★

## Diamond Flickers . . .

Sports notes, hither and thither . . . Tom Yawkey, Boston Red Sox, has spent hundreds of thousands of dollars for star baseball players who have failed him . . . Boo Ferriss, his pitching sensation of the season cost him actually 84 cents in wire tolls . . . A Cleveland writer has contributed this one, Steve O'Neill of the Tigers is the only major league manager with an outlaw (Jim) in his outfield and an in-law (son-in-law Jimmy Webb) in his infield . . . Baseball catchers will benefit after the war in this respect. Increased production of magnesium will provide them with a mash one-third lighter than the present aluminum . . . A new sports show of the air is being wrapped around Tom Meany, baseball editor of New York's PM . . . Lt. Ted Williams, former Boston Red Sox outfielder is playing with the Jacksonville Air Station nine, along with Charlie Gehring, former Detroit star and Bob Kennedy of the Chicago White Sox . . . Ken Raffensberger, ex-Phillie is with Bainbridge Navy . . . Bob Feller, manager of the Great Lakes team . . . Johnny Lindell of the Yankees is with Camp Lee . . . Mickey Witke of the Giants is playing for Curtis Bay Coast Guards . . . Dick Wakefield of the Tigers and Ken Keltner of the Indians are playing ball for Shoemaker Field out in California.

★ ★ ★

## All-Around WR Athlete

Women Marines at Camp Lejeune are represented by a real all-around athlete, Pfc. Helen L. Blatti of North Lawrence, Ohio. Helen is a clerk-typist in Building 2 and for relaxation plays shortstop on the Camp WR softball team. Before entering the Corps, she had quite an impressive record as an athlete playing softball and basketball for the Goodrich team in Akron, Ohio. She was captain of the baseball team for four years, playing A.A.U. competition.

Added to Helen's sports career honors are numerous medals she collected while participating in discus throwing, weight lifting and basketball with the Stella-Walsh Polish Olympic team.

Say fellows, besides Helen's athletic ability, she holds her own as an attractive WR.

Chief Schwartz and his Midway Park "Red Sox" downed the Richlands, North Carolina All-Stars, 6-1 out at Midway last week. Hanter Thomas, Montford Point boxing coach, is back at his job again with his fisticuff-men . . . Pat Harder, Wisconsin's All-American is now in the Casual Company . . . Milford Maloney, brother of Paul Maloney, Lejeune's national swimming champ has been named on the All-America 1500 meter free-style swimming team. He represented Canisius College, Buffalo, New York . . . Trailer Park has a softball team entered in the second-half of the camp league made up of men from the three villages out-there-way . . . The Camp Lejeune library has a new book called, "Fishing's Just Luck" by Elmer Ransom. A lot of the nightly contingent of Marine fishermen at Sneads Ferry are in for some timely and interesting fishing stories.

## Two Brothers In Main Bout Of Evening

Boxing will reign tonight at Camp Lejeune when Camp Special Services presents its fourth Outdoor Boxing Smoker. The Open Air Arena, opposite Building One will be the center of this boxing activity and the first bout is scheduled to get under way at 2000.

The feature of the evening will be a five round boxing exhibition staged by two brothers, Herbert and Harry Shaw, 155, from the Casual Company. Both men hold titles in Southern AAU competition and will be performing for the first time at Camp Lejeune.

### SIX BOUTS

Coach John Bell of the Hadnot Point boxers is promoting six bouts for the evening. His wind-up match of the Smoker will feature H. J. Doll of the Netherland Marines and John Byrnes of First Casual, both 126 pounders. Doll was a victor in the last smoker, knocking out W. Glabbech in 50 seconds of the third round.

Other bouts of the evening will feature: "Laughing Boy" Bob Harlan, 135, vs. V. D. Griendt, 137; Van Glabbech, 134, vs. H. Thomas, 135; J. Sieben, 170, vs. Dick Cohen, 162; Pat Bern, 147, vs. S. Friedman, 146.

Due to unavoidable circumstances, Boxing Coach Hanter Thomas of Montford Point was not able to name his boxers as the Globe went to press. It is expected though, that Montford will be represented by three good bouts and Roscoe Toles' hilarious, "Battle Royal."

## WRs Vs. Fort Bragg WACs Tennis Match Cancelled

The scheduled tennis match between the Camp Lejeune WRs and the Fort Bragg WACs last Saturday at Bragg was canceled due to transfers of members of the Wac club.

WR Special Services has announced that another home and home series between these two teams has been tentatively arranged for a later date.

## Lejeune WRs Defeat WACs In Softball

Camp Lejeune's WR softball team annexed its second straight victory over the Fort Bragg, Wacs, 6-3, last Saturday at Bragg.

Betsy Riding, hurling seven hit ball for the WRs, went all the way. Helen Blackwood pitched for the Army ten.

Barbara Cook, Lejeune shortstop, accounted for two runs in the seventh when she drove a long home-run ball deep into left field. Stella Schroeder, Marine second sacker, hit a triple in the fifth.

The WR ten were held scoreless until the fifth when they garnered one run on hits by Cook and Riding. In their seventh they collected five runs for a margin of 6-3 over the Wacs.

## Lejeune Mermen Win Trophy At Tarboro Swimming Meet

Camp Lejeune's stellar swimming team won the Third Annual Tarboro, North Carolina, Open and National Junior Swimming Championship team trophy last Saturday and Sunday at the Tarboro Municipal Swimming Pool.

Amassing a total of 38 points, their nearest rival was Cherry Point with 25 points.

In the 300-meter medley relay they came within 3/10 of a second of beating the National AAU record of 3:43.7. Swimming for Lejeune were Harry Witt, Sheldon Rodbell and Bill Kern.

### RODBELL GETS 1ST

Rodbell crossed the finish line in the 50-meter breaststroke in 32 seconds to take first place, followed closely by DeClerque of Cherry Point and Karl Fredericks of Lejeune.

Paul Maloney, Lejeune's national mile champ, placed second in the 200-meter freestyle and third in the 100-meter freestyle events.

The Marines' 150-meter relay team of Ferrara, Rodbell and Maloney placed second in that event, with third place honors

## Swimmers, -Ready!

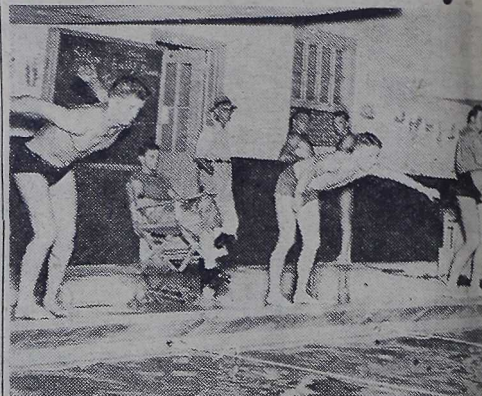

Photo by Sgt. John F.

Lejeune swimmers get set as they await the ing command for the opening of the Medley Relay which took place last Thursday night in the Open Swimming Championships at the Area No. 2 ming pool. Headquarters Bn., MTC., took top in the Special Services sponsored meet.

## 1st Seasonal Open Swimming Championship Copped By M

Camp Special Services' Open Swimming Championship was held last Wednesday at the Area 2 Pool with quarters Battalion, Marine Training Command, winning the title.

Boasting a total of 40 points, Training Command swamped its nearest rival, Schools Regiment which scored 11 points. Feature of the evening was Paul Maloney's new pool record for the 400-yard free-style, 4:57 over the previous record of 5:15. The crowd was treated during the evening by the antics of Tommie (Tex) Hagelstein of Signal Battalion who gave an exhibition of skillful trick diving. Before entering the Marine Corps, Hagelstein was co-starred on the National Olympic diving team with his brother.

### NINE EVENTS

A total of nine events were scheduled and an influx of last minute entries swelled the list of participants.

Lt. Walter G. Hunt, camp swimming coach announced that the camp open meet for the WRs will be held Aug. 6 and applications are now being accepted at the Area 2 pool.

Winners for the evening: 150-yard medley relay—1. Headquarters, MTC; 2. OCA; 9. Schools Regiment; time 1:31 (no points for second or third place).

50-yard freestyle: 1. Ahlquist, OCA; 2. Blanchard, MTC; 3. Hartshorne, OCA; 2.6.

200-yard freestyle: 1. Maloney, Schools Reg.; 2. Robbins, MTC; 3. Pratt, 1st Casual; 2:19.7.

Diving one-meter board: 1. Vanderbun, Netherland Marines; 2. Taylor, MTC; 3. Lt. Jamison, OCA; 33.8.

100-yard freestyle: 1. Kern, Headquarters, MTC; 2. Blanchard, MTC; 3. Pratt, First Casual; 1:1.

50-yard backstroke: 1. Witt, Headquarters, MTC; 2. OCA; 3. Schools Reg.; 32.

400-yard freestyle: 1. 1. lters, MTC; 1:48. (Maloney, bins, Ferrara, Kern).

## Baseball Manager To Meet On July

A meeting has been called by Maj. Lonnie D. McCurry, Athletic Officer of all managers of Camp teams entered in the half league competition day, July 26 will be 1430 is the time and cation, Maj. McCurry's Building 291.

Netherland Marines; 2. MTC; 3. Holtsten, OCA;

50-yard backstroke: 1. MTC; 2. Fredricks, MTC;

ron, Schools Reg.; 32.

## Tent Camp In Second Place, Midway Third

Montford Point annexed the league championship for the first-half Camp Baseball Loop running, when they defeated Signal Battalion last Tuesday evening, 11-3. "Speed Boy" Taylor clinched Montford's title and garnered his ninth straight win in the league, with no losses.

In annexing the baseball championship Montford finished with a record of 20 wins and two losses. One of these losses was at the hands of Headquarters, Marine Training Command, last Thursday evening, 5-4. Playing on the Had-not Point diamond the game was witnessed by the largest crowd of the season.

TENT CAMP 2ND  
Tent Camp, with a record of 17 wins against four losses, annexed second place honors, followed closely by Midway Park. The Tent Camp nine was Montford's biggest nemesis this year but a series of defeats towards the finish of the league dropped its percentages considerably. Midway, with one victory less than the "Tenters" managed to finish the season with 16 wins against four losses.

Training Command won its seventh straight league game by downing Montford Point, 5-4.

ENGINEERS WIN  
Tuesday night's games brought a victory for Engineer Battalion over Quartermaster, 9-2. Sember hurled winning ball for the Engineers against the offerings of Charron. Naval Hospital annihilated Art Lowe on the mound for Schools Regiment, with a one-sided, 12-0 victory. The game between Tent Camp and Headquarters, MTC was postponed and Service Battalion and Midway Park drew byes.

Last Thursday night in the final frame of the league; Naval Hospital continuing its winning streak, walloped Signal, 8-2. Veechio was the winner, Wilkinson the loser. Quartermaster Battalion with Manupeli on the mound, took the measure of Schools Regiment, 7-4. Tent Camp won over Service Battalion, 3-2 by virtue of "Swede" Pearsons hit which brought in three runs in the fourth for the "Tenters." Kwestowski was the winning pitcher, McNeally the loser.

Final standings, first-half, Camp Baseball League as released by the Camp Athletic Office:

Team	W.	L.	Pct.
Montford Point	20	2	.909
Tent Camp	17	4	.810
Midway Park	16	4	.800
Service	10	9	.526
Training Command	9	10	.474

## Tournament Narrows After Close 3rd Round

The third round of the S. O. Penland, 1 up.  
Point Golf Club Championship which was held the week of July 15, excellent golfers had an easy, so they are retiring declines to watch the d. Upon examining the score cards after all been posted, the fol- lowers appeared to be the ners of the third round: CHAMPIONSHIP

V. Holly won over WO dams, 2 up; and Lt. W. drew a bye.

"A" FLIGHT  
Hensley won over Lt. W. n, 7 and 5; and Maj. awe won over Maj. J. and 5.

"B" FLIGHT  
Law won over Maj. ascan by default; and Davis won over Lt. Col. gerald, 2 and 1.

CHAMPIONSHIP  
C. A. C. Spadafora won E. Bilsky, 1 up; and Riechers won over Cpl. fier, 4 and 3.

"A" FLIGHT  
J. Williams won over A. F. Brown, 1 up; and Russo won over Pfc. rie, 6 and 5.

"B" FLIGHT  
L. Pletcher won over Whitaker, 7 and 6; and Chassey won over S/Sgt.

### ENLISTED "C" FLIGHT

1st/Sgt. R. E. Carson won over S/Sgt. E. M. Kelley by default; and Pfc. J. H. Trujillo won over Cpl. Grandusky, R. L. 4 and 3.

### ENLISTED "D" FLIGHT

Cpl. M. A. Eisenberg won over Pfc. C. E. Loeschorn by default; and Cpl. T. E. Posey won over Cpl. H. E. Burkhardt, 1 up.

The match to determine the officer and enlisted champion may be played any time from July 22 to 29, both dates inclusive. Pairings for the championship round are as follows:

### OFFICERS' CHAMPIONSHIP

Lt. V. V. Holly vs. Lt. W. J. Gardner.

### OFFICERS' "A" FLIGHT

Lt. F. Hensley vs. Maj. F. C. Grawe.

### OFFICERS' "B" FLIGHT

Lt. Col. Law vs. L. P. Davis.

### ENLISTED CHAMPIONSHIP

PL/Sgt. H. Reichers vs. PHM 1/C A. C. Spadafora.

### ENLISTED "A" FLIGHT

Cpl. A. N. Russo vs. Cpl. J. J. Williams.

### ENLISTED "B" FLIGHT

Sgt. R. E. Chassey vs. Cpl. R. L. Pletcher.

### ENLISTED "C" FLIGHT

S/Sgt. E. M. Kelley vs. Pfc. J. H. Trujillo.

### ENLISTED "D" FLIGHT

Cpl. M. A. Eisenberg vs. Cpl. T. E. Posey.

# Locals Win Two From Atlantic Field

## Win First 9-1, Second In 12-0 Game Massacre

Camp Lejeune took the measure of the Atlantic Field Flyers twice over the week-end, on the Hadnot Point diamond. Saturday's tilt went 9-1, behind the five-hit pitching of Coach George Sexton, and Sunday's fracas was a one-sided affair that ended up 12-0 in favor of the home club. Art Lowe was the winning hurler, giving the "airmen" three hits and being credited himself with driving in two runs on two hits.

Each tilt was finished in seven innings and in Sunday's game, the Lejeune nine were held hitless until the fifth, when they scored five runs on four hits. In the sixth, they added seven more for the game total of twelve.

Cimoch opened the fifth inning for Lejeune with a free pass and scored on Gillingham's double to left. Sexton walked and on Lowe's single and an error by Kosho on second, two more runs crossed the plate. Olds followed with a bingle, Terry walked and both scored on Carswell's sharp hit to right. Innings total, five runs on four hits.

**SIXTH INNING**  
In the sixth inning the home club scored seven for five. Owen walked, Gillingham singled and Owen came home on Sexton's walk-up to center. Lowe, next up, binged, followed by Olds scoring Gillingham with his looper ball to short. Lowe's battery-mate, Terry, drew a walk and Carswell drove in two runs with his well-placed single to right. Kasmin walked and Terry and Carswell scored on a wild pitch and an overthrow to third. "Big Ed" Kasmin came home on Owen's hit out to second, for the seventh and final run of the game.

Under a broiling sun on Saturday, Coach George Sexton went the limit on the mound to down the "airmen," 9-1, giving up five hits. The home club scored three in the first, two in the second, three in the third and one in the fourth for a total of nine runs. The lone tally for Atlantic came in the fifth and was scored on Lowe's wild pitch.

**TESTA SINGLES**  
Testa opened the first for Lejeune with a bingle. Odell walked and Carswell doubled to center, scoring two. Kasmin followed with a single to drive in Carswell for the third run of the inning.

In the second two more runs were scored by the homers on a single by Olds, hit on error by Odell and Carswell's second straight double. Three runs were added in the third when Terry and Olds drew free passes and scored on Sexton's single to deep center. Sexton came home on a stolen base and an overthrow to third on his attempted steal.

The last run of the game was scored for Lejeune by Terry's bingle bringing in Carswell, who had previously singled.

Atlantic Field scored their lone run in the fifth when lead-off man

**GEE, THAT'S TOUGH**  
Hollywood - (CNS) - Arthur Walsh, movie actor, reports the MGM publicity office, "can't get out of uniform for his screen roles." Seems he's had seven straight parts as a soldier or a sailor.

## Camp Loop Softball Champs

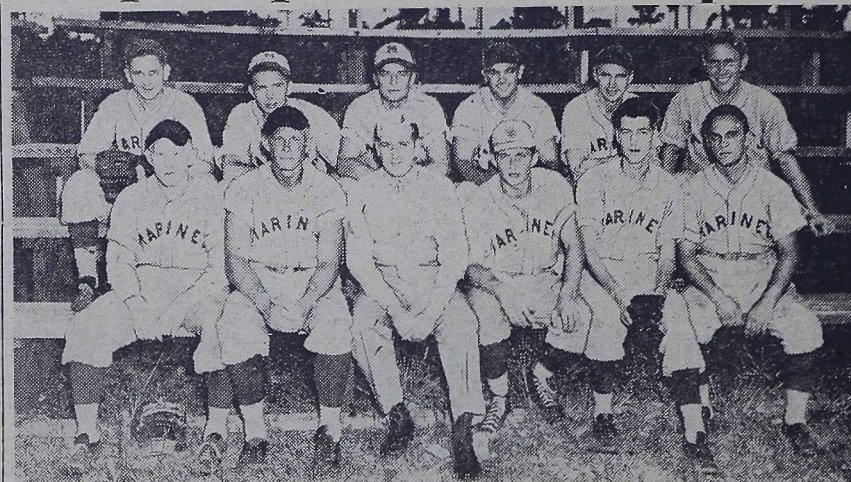

Photo by S/Sgt. F. X. Calden, Photo Lab.

Infantry Schools Battalion winners of the first-half Camp League Softball Championships is pictured here. Top row, left to right, Robert L. Baluh, Harold S. Faller, Charles J. Hampton, P. G. Capatosto, Paul H. Held and Jack R. Cox. Bottom row, left to right, William N. Spence, Robert E. Lee, Captain William H. Bennisson, (Infantry Schools Special Service Officer), Frank P. Wike, Leonard L. Levitt, Jack Kramer, Jr.

Kostelnik singled, Day was safe on Odell's error and Kostelnik came home on Lowe's wild pitch.

## Rough Water Calls For Good Seamanship In 2nd Regatta

The second Camp Lejeune Water Regatta, staged by the Special Services Department last Sunday, consisted only of Lightning and Town Class sailboat races, due to a lack of entries in the other scheduled events.

The two races took place on the same two-mile triangular course, off Area One, which was the scene of the first Regatta two weeks ago.

A twenty-knot wind whipped the river rough and the Lightning Class boats got off to a flying start at 14:40. Of the thirteen entries only eleven started on the upwind leg of the course. The boats rounded the marker buoy to start on the second leg still bunched together. It was here that seamanship came into play. Many contestants lost ground in coming about into the beam wind which gave them their most speed. Rounding the second buoy on the last leg of the first lap the lead boat was disqualified. The others in first, second and third place completed the second trip around the course to finish in those respective positions.

### FIRST PLACE

The first place - Lightning, piloted by Pfc. J. M. Hartshorne and Pfc. H. M. Horn of the Officer Applicants' Battalion crossed the finish line at 15:53, to win the prize of \$20. Second place and a \$15 prize went to Pfc. LeRoy B. Tyrell, Globe Office, and Pfc. Clint Rowlette, Hq. Co., Hq. Bn.,

who finished four minutes after the winner. Third place and the \$10 prize was taken by Pfc. R. Coleman, Signal Battalion, and Pvt. Gloria Lindo, Hq. Co., WR Bn. Of the eleven starters, six finished, four dropped out of the race and one was disqualified.

The Town Class boats got away a half hour after the Lightnings with the boat manned by Pfc. F. F. Taussig and Pfc. J. J. Riordan, both of the Officer Applicants' Battalion taking the lead which they held to the finish. Taussig and Riordan, Town Class winners in the Regatta two weeks ago, completed the course in one hour and twelve minutes to win \$20. Their first place boat was hard pressed all the way by Pfc. Ann Schmied, Henderson Hall, Washington, D. C., and Pfc. Roy Glenn, Third Casual Co., who came in a minute and a half behind the leader. A close race developed for third place with T/Sgt. W. T. Slattery, Engineer Battalion, and T/Sgt. Hazel Postema, Co. E, WR Battalion, finishing in that position. Seven of the nine entries started the race, three dropped out and four finished.

The two events were judged by Lt. Col. W. W. Stickney, Camp Special Services Officer and Maj. L. D. McCurry, Capt. M. B. Booth, Capt. R. L. Leach, and Capt. J. B. Higgins, all of the Special Services Department.

### CORSAIR HITS 425 MPH

Washington - (CNS) - The Navy's latest Corsair can hit 425 mph when you open her up, the Navy Department has announced. Marine pilots have been the first to fly the new ship.

## Locals Slate To Play Three Tilts This Week

The Camp nine back Ken Kavanaugh and in Davis club for a week baseball Saturday and Saturday's game, played Hadnot Point diamond, under way at 1430 with Sexton on the mound. S previously been credited victory over the Army season, hurling a five-Camp Davis.

On Sunday both travel to Tarboro, N. C. against the ORD. An exhibition game on behalf "Community Fund." The lights of the Memorial will be the fourth in the clubs, The Hawks, c Lt. Jim Castiglia, former delphia Athletics back credited with two wins home club.

The Camp nine swinging at Greensboro, N. C. against the ORD. An evening's tilt under lights of the Memorial will be the fourth in the clubs, The Hawks, c Lt. Jim Castiglia, former delphia Athletics back credited with two wins home club.
