CAMP LEJEUNE GLOBE

Winner Annual Journalism Award, Marine Corps Publications 1955, 1956, 1959

VOL. 16 CAMP LEJEUNE, N. C., THURSDAY, JULY 7, 1960 NO. 27

Colonel Collier Assumes Duties As New Base G-3

Col. Robert E. Collier has assumed the duties of Base G-3, filling the position recently vacated by Col. G. H. West, now commanding officer of First Infantry Training Regiment. Colonel Collier came to Camp Lejeune from two years service as Director of the Extension School, Marine Corps Schools, Quantico. After graduating from Texas A&M College in 1939, Colonel Collier entered the Marine Corps in 1940. During World War II, he served with the 1st Marine Division as an artillery officer and in the Operations Section of the Third Amphibious Corps.

Following World War II, the colonel filled various posts including that of Director, Air Observation School, Quantico; executive officer of the 2nd Bn., Second Marine Regiment; and executive officer, Marine Barracks, Pearl Harbor.

Duty Stations

Colonel Collier next headed the Amphibian and Special Warfare Section, New Developments and Operational Evaluation Division, Office of the Chief of Naval Operations. From this post, the colonel went to the 3rd Division to serve as commanding officer of the 2nd Bn., 17th Marines.

Decorations

A graduate of the Senior School and the Army Artillery School, Ft. Sill, Okla., Colonel Collier wears among his medals and decorations the Distinguished Flying Cross, the Air Medal and the Presidential Unit Citation.

The colonel was born in McKen-

Colonel Love Wins Eagles In Ceremony

Col. James W. Love, 2nd Marine Division deputy chief of staff, was promoted to his present rank by Brig. Gen. O. M. Conoley, assistant Division commander, in brief ceremonies at Camp Lejeune Monday.

On hand to help pin on the "eagles" of his new rank were Mrs. Love, the former Miss Marjorie Edwards of Clarksville, Tenn., and the couple's two children, James E. and Bebie Dee.

Prior to assuming his present duties last month, Colonel Love served as commander of the Division's 2nd Pioneer Battalion.

A veteran of 19 years' Marine Corps service, the colonel served with the 9th Defense Battalion in the capture and defense of Guadalcanal, the New Georgia-Rendova campaign, and the capture and occupation of Guam.

During the Korean conflict, Colonel Love saw service as the commander of the 1st Engineer Battalion, 1st Marine Division, and later as battalion executive officer of the 1st Shore Party Battalion.

Prior to reporting to Camp Lejeune in June, 1959, he served at the Marine Corps Landing Force Equipment Center, Quantico, Va.

A native of Tennessee, Colonel Love is a 1941 graduate of the University of Tennessee with a Bachelor of Science degree in Civil Engineering.

ney, Texas. He is married to the former Miss Martha Woodruff of Lexington, N. C. Colonel and Mrs. Collier and their four children, Bob, 14, Joel, 10, and Walter, 5, live on the Base in MOQ 2302.

Marine Corps Announces FY 1961 Pro-Pay Program

P-2 pay of \$60 per month will be awarded to an estimated 1,444 Marines in 25 of the Corps' "most critical" MOS's beginning January 1, 1961, Headquarters Marine Corps announced last week. The new P-2 payments, the first to be awarded to Marines, are provided for in the Marine Corps Fiscal Year 1961 proficiency pay program, which has just been approved by the Department of Defense.

Eligible for P-2 ratings will be personnel in grades E-4 through E-6 who have drawn P-1 pay continuously for at least six months immediately prior to the date P-2 is awarded.

Except for the introduction of P-2 awards and some other modifications, the FY '61 pro-pay program is basically similar to those of previous years. As of July 1, 1960, CO's will be authorized to award P-1 pay to qualified Marines in 86 critical MOS's, to DPs and linguists, and one out of 30 Marines for outstanding effectiveness in non-critical MOS's.

Only 77 MOS's were listed as critical in FY '60, and the outstanding effectiveness award ratio was 1-35.

The phase-in of P-2 pay at mid-fiscal year, however, will result in fewer P-1 payments. Due to budgetary limitations, funds expended by the Marine Corps for both P-1 and P-2 pay in FY '61 may not exceed the dollar amount originally budgeted for P-1 awards.

In general, this is the way it is planned that the limitation will be met.

On July 1, 1960, at the begin-

MAJ. GEN. O'HARA

VISIT RESERVE UNITS

R. I. Governor, N. Y. Chief Of Staff Here

The Honorable Christopher L. Del Sesto, Governor of Rhode Island, will arrive at Camp Lejeune this evening for a visit in connection with the annual field training of Rhode Island Reserve units here. The units are the 6th 105mm Howitzer Battalion of Providence and the 1st 155mm Howitzer Battery of Newport. Also arriving today is Maj. Gen. A. C. O'Hara, Chief of Staff to the Governor, State of New York. He will visit training sites of three New York State reserve units: 1st Infantry Bn., Garden City; 2nd Rifle Co., New Rochelle, and the 4th Rifle Co., Brooklyn.

Governor Del Sesto will be accompanied by Maj. Gen. D. S. T. Hinman, Adjutant General of the State of Rhode Island, and member of the Governor's Executive Staff.

They will arrive at the Marine Corps Air Facility at 7 p.m. today and be heli-lifted to the Hadnot Point parade ground and then be taken to the Senior Guest House. A gun salute and honors will be rendered to the Governor at the parade ground at 8:30 a.m. tomorrow. He will then tour the training sites of the Rhode Island Reserve Marines.

In the afternoon, Governor Del Sesto and his staff will visit FMF units in the field and observe field training at the 1st Infantry Training Regiment. In the evening, he will review a reserve Twilight Parade. A reception will be held in his honor tomorrow following the parade. The Governor will depart from the Marine Corps Air Facility Saturday morning.

General's Party

General O'Hara with members of his official party will arrive at the Air Facility at 2:30 p.m. today and will be heli-lifted to the parade ground where honors, including a gun salute will be rendered.

Tomorrow, General O'Hara will visit training sites of the New York State Reserve Marines. The general and his party will depart from the Air Facility Friday at 4 p.m.

Members of the general's party include Michael N. Seelie, former Marine and member of Governor Nelson A. Rockefeller's staff; Jo-

seph S. Nowicki, former Marine and counsel to New York's Lieutenant Governor, Malcolm Wilson, and Cmdr. Joseph Hopkins, USNR, Chief of Staff, New York State Naval Militia.

Governor Del Sesto

Governor Del Sesto graduated from Boston University with the degree of Bachelor of Business Administration (cum laude) in 1928 and Georgetown University Law School (cum laude) in 1939. He is a Certified Public Accountant and an attorney-at-law.

GOVERNOR DEL SESTO

The Governor was admitted to the bar in the District of Columbia in 1939 and in Rhode Island in 1940. He has held various posts within the state and Federal governments.

In the summer of 1944, he was awarded a citation by the Providence-Journal as being one of the 12 persons in Rhode Island who had contributed most on the civilian front during the war for work as Director of the Office of Price Administration.

He was elected Governor of Rhode Island in 1958.

General O'Hara

General O'Hara was appointed Chief of Staff to the Governor and commanding general of the New York National Guard by Governor Rockefeller on Oct. 1, 1959. During World War II, he served in the Pacific Theater where he was awarded the Silver Star for gallantry on Saipan and the Bronze Star with Oak Leaf Cluster for valor on Okinawa.

As Chief of Staff to the Governor, he commands 35,000 troops of the State Military Forces; the New York Army National Guard, the New York Air National Guard, the New York Naval Militia, and the New York Guard.

In civilian life, General O'Hara has served in several capacities with the Universal Match Corporation for the past 15 years. He was formerly New York State sales manager of the corporation.

Crackdown On Motorsits Begins Today

Today marked the beginning of a new period of law enforcement at Camp Lejeune. Because of an appalling increase in traffic accidents and fatalities at Lejeune this year, the Traffic Investigation Section of the Base Provost Marshal's office has announced the necessity of a more severe clamp-down on the motorists of this military reservation.

Electrical speed traps, frequent vehicle safety inspections, drivers' license and registration card checks, and in general more strict traffic enforcement throughout the base and in the housing areas will be the order of each day for the Military Police.

The traffic statistics for this year are staggering. At this time last year, there were six traffic deaths and 155 injury accidents. To date this year, there have been 17 fatalities and 224 accident involving injuries. For the first quarter of 1959, there were 473 accidents, resulting in \$124,159 in damages. In the first quarter of this year, there have been 523 accidents with a damage figure of \$171,496.85, an increase of \$47,337.85 over last year.

The Traffic Section of this Base has as a prime objective the prevention of accidents and the saving of lives. This they cannot accomplish without the constant cooperation and driver accident-awareness of every motorist aboard the reservation.

CITATION—A speeder in the Tarawa Terrace housing area is given a ticket by a member of the Traffic Section of the Base Provost Marshal's Office. Beginning today, new emphasis on traffic law enforcement goes into effect in all areas of Camp Lejeune. (Photo by Act. Sgt. P. F. Vandergrift)

MARINE SCHOLAR—1st Sgt. Edwin E. Wehinger, "H" Co., 2nd Bn., Sixth Marines, has mastered everything in the picture with him. Enrolling in the Marine Corps Institute 20 months ago, he has completed 20 courses ranging from Personnel Administration to Guerrilla Warfare. He is still pursuing his "mail order" education and plans to continue to take all the 217 courses the Institute offers before he retires. (Photo by Act. Sgt. J. H. Webster Jr.)

2nd Division Association Opens Doors

Membership in the 2nd Division Association, when initially formed in 1949, was available only to those individuals who had served with the 2nd Division, or attachments thereto, during World War II.

However, due to the wide-spread interest which was continually evident, this requirement for membership was amended. All men who have served honorably with the Division are now eligible for membership in the 2nd Marine Division Association.

Much of the interest previously mentioned stemmed from the fact that the Association has sponsored continuing projects in the form of a Memorial Scholarship Fund which provides certain educational aid; the "Follow Me" Trophy, presented to a Division unit annually for excellence in close-order drill; and the "Tarawa Award," originally set up to be presented to the "D.I. of the Year," but which may, in the future, be awarded to the squad selected to represent the 2nd Division at the Annual Unit Combat Marksmanship Competition.

Maj. J. M. Terry Jr. is the Association Liaison Officer for Camp Lejeune.

FAREWELL—Col. K. E. Martin, left, commanding officer, 2nd Service Bn., 2nd Division, reads orders ending the military careers of four men of his unit. The four, left to right, Lt. Cmdr. Theodore R. Hise, USN; CWO Charles B. Clark; Act. MSgt. Edgar F. Mitchell, and GySgt. Leon A. Cleboski were guests of honor at a farewell breakfast following the brief ceremonies on June 30. (Photo by Act. Sgt. J. H. Webster Jr.)

First Sergeant Completes 20 MCI Courses In 20 Months

This story began in Korea 20 months ago when a Marine got mad. Not mad enough to foam at the month, perhaps, but enough to make him start taking military correspondence courses.

When 1st Sgt. Edwin E. Wehinger reported to the Marine Advisory Group in Korea he was in an unpleasant frame of mind.

He was then a master sergeant and had been for eight years.

All around him promotions were being made to first sergeant.

Why not him?

What could be done to better his chances of promotion?

His commanding officer suggested that maybe the Marine Corps Institute could be of assistance.

The suggestion proved to be a good one.

In June of 1958, Sergeant Wehinger took out his first course.

Seven months and seven courses later the board made Wehinger a first sergeant.

Even a transfer from Korea to the 2nd Marine Division at Camp Lejeune didn't slow him down.

Twenty months and 20 courses later he has 20 diplomas from the Marine Corps Institute.

He's still going strong. Where will he stop?

"Well, the Marine Corps Institute offers 217 and I've got 10 more

years before I retire," says Sergeant Wehinger. "Maybe I can finish them all."

Maybe he can.

At the rate of one a month he should have time left over.

He's not mad anymore.

Retirement Breakfast Cites 89 Years' Military Service

Over 89 years of faithful military service were honored at a retirement breakfast at the 2nd Division's 2nd Service Battalion on June 30. Guests of honor were Lt. Cmdr. Theodore R. Hise, USN; CWO Charles B. Clark; Act. MSgt. Edgar F. Mitchell, and GySgt. Leon A. Cleboski, who were writing an

end to military careers. Col. K. E. Martin, battalion commander, and the officers and staff non-commissioned officers of the unit were the hosts.

Senior man in point of service with 27 years, Lt. Cmdr. Hise enlisted in the Navy in 1933 and served as an enlisted man for 11 years. He was commissioned a chief warrant officer in April, 1944.

CWO Clark, Cycle Inventory Officer with Service Bn., enlisted in the Marine Corps in September 1939 and was commissioned in September 1952.

Act. MSgt. Mitchell, Automotive Shop Repair Chief of the battalion's 2nd Light Support Co., entered the Marine Corps in 1938.

Gunnery Sergeant Cleboski enlisted in the Marine Corps in 1940 and at the outbreak of World War II was serving in the Philippines with the Fourth Marines.

REENLISTMENT INCENTIVE—Act. SSgt. R. D. Bourque adds his name to the list of Marine Corps Engineer Schools men who have decided: "It's a Good Career, Stay with It," as Sgt. Maj. J. P. Kratoski and Col. William C. Capehart, commanding officer of the Engineer Schools, look on. The reenlistment board was designed by GySgt. D. O. Davis, reenlistment NCO, and built by the training aids section. (Photo by Sgt. G. Jones)

Club News

Officers Club Books Buddy Bair's Troupe

THE PARADISE POINT OFFICERS' CLUB will feature the music of Buddy Bair and his "Band from Roseland" on July 16 from 9 p.m. until 1 a.m. Cover charge for the appearance is one dollar per person. A spaghetti dinner will be served for \$1.50. For reservations call 6-6188 or 6-6485.

Buddy believes that an orchestra can no longer just sit on the bandstand and play. The public now demands more than just good music. Realizing this when forming his present orchestra, he gathered together top talent with showmanship ability to give the public the best in personality and entertainment, as well as pleasing dance music.

Tonight is family night with the special chicken dinner. The Dick Haynes orchestra will play this weekend for dancing beginning at

BUDDY BAIR

3 p.m. Friday and 8:30 p.m. Saturday. Happy Hours are from 4 to 7 p.m. Friday.

The buffet Sunday will feature Roast Beef au jus, Chicken Saute A la Russe, Deviled Crab and Braised Marinated Fillets of Pork Strausbourgeois. Dick Haynes will be at the piano and organ.

Monday, the Main Dining Room will feature sukiyaki from 7 to 9 p.m. Tuesday is ladies night, and Wednesday Happy Hour begins at 4 p.m. and continues until 7 p.m. Also, on Wednesday, the popular Songfest begins at 9 p.m.

HADNOT POINT STAFF NCO CLUB features the music of Willie Moore and his orchestra Saturday evening. Fun Night is as usual on Tuesday, beginning at 8 p.m. Happy Hours at the club are Mondays from 4:30 to 6:30 p.m. and Wednesday from 7 to 9 p.m. A special Chinese night will be held in the Dining Room Friday night. Chop Suey and Chow Mein will be served at the special price of 75 cents for adults and 50 cents for children.

THE MONTFORD POINT STAFF NCO CLUB will host Happy Hours Friday from 4:30 to 6:30 p.m. The Happy Hour Special this week is hot roast beef sandwiches with French fries. It is served from 5:45 to 7:45 p.m. Saturday is dance night at the club. Dancing begins at 8:30 p.m. Fun night is held every Wednesday at 8 p.m.

MARSTON PAVILION will feature the music of "The Twain Plus III" for dancing tomorrow and Saturday from 8 p.m. until midnight. Wednesday, a record hop will be held from 7:30 to 11 p.m. The Pavilion also features a beverage bar and snack bar open to all sergeants and below, their dependents and guests. A TV room is available. The ballroom has been newly decorated by the enlisted wives clubs and will be re-decorated each month. The Pavilion now has a program director and is planning many new activities in the near future.

USO

JACKSONVILLE—The weekend movie is "The Yellow Cab Man" starring Red Skelton at 8 p.m. Saturday and 6:30 p.m. Sunday. Also on Sunday, coffee and donuts are served at 10:30 a.m. and Hospitality Hour is at 4 p.m. At 2 p.m. Sunday, a quiz is held, the winner receives a free phone call home. The club is open weekdays from 9 a.m. to 10:30 p.m. Saturdays, 9 a.m. to 11 p.m., and Sundays, 9 a.m. to 10 p.m.

WILMINGTON — Each Friday evening at 8, dance instructions are held. Saturdays at 8:30 p.m., a dance with USO Junior Hostesses is held. On Sundays, coffee hour is at 9 a.m., and Hospitality Hour begins at 5 p.m. On July 10 and 24, the USO Junior Hostesses will hold a picnic. The club hours are: Friday, 7 p.m.-11 p.m.; Saturday, 10 a.m.-11 p.m.; Sunday, 9 a.m.-11 p.m.

KINSTON—Dancing begins Saturday at 7:30 p.m. Refreshments are available. Sunday, Snack Time is at 5:30 p.m. followed by Vespers at 6 p.m. The club opens at 7 p.m. every Friday and closes at 10 p.m. Saturday's hours are 7:30 to 11 p.m. and Sunday, the club is open from 9 a.m. until 9:30 p.m.

Camp Lejeune All-Marine Tennis Hopes Riding With Quad-Tournament Finalists

After a fine semi-final finish during the 1959 All-Marine Tennis Tournament, Lejeune's top racketeer, Clint Parsons, will get another crack at the singles title next month.

Boys League Action Shows 1st No-Hitter

A trio of twin-bills opened the second half of the Camp Lejeune Boys League Saturday at the Boys League Park.

John McKeon hurled a one hitter against the A's as teammates picked up seven runs on seven hits to win 7-4.

Rained Out

After their rained out contest Saturday, the League leading Orioles bounced back to defeat the Athletics in an overtime game.

In the first game of a major league double header, D. Denbleyer struck out 11 batters and walked four while hurling the first no-hitter of the league's action.

Pirates Idle

The night-cap saw the Braves pick-up a 3-2 victory over the Cardinals to move into first place over the idle Pirates.

J. Heggquist in relief of A. McCloskey was credited with the win while J. Stillwell who came on in the 7th with the game tied suffered the loss.

Rounding out the weeks action the Pirates blasted the Cubs Monday 8-2 to tie for the league lead with the Braves.

Golf Slices

In an effort to eliminate misunderstanding at the Camp Lejeune Golf Course, the following information is published for the convenience of dependent golfers.

According to Golf Course regulations, dependents, even though holding white cards, are not authorized to tee off of course No. 1, Saturdays, Sundays and holidays until after 1 p.m.

Lost Clubs

Please... If you find a club lying on the course, turn it in to the club-house so it may be returned to its rightful owner.

doubles title with partner Austin Sullivan.

Heading the Division netters as team captain in the 1959 Quad Tennis Tourney, the Butler University and former Quantic ace led his team to both the singles and doubles championships and a crack at the Fleet Marine Force Tournament hosted at Beaufort, S. C.

Overcoming stiff opposition, the southpaw swept the FMF singles title, edging the 1958 All-Marine Doubles champ Williamson, 6-2, 6-3, 4-6, 3-6 and 6-2.

Again teaming with Sullivan, the duo continued their blistering pace, scoring an over-all victory during the FMF doubles title match.

Playing with a new partner, Parsons and teammate Mike Tierney picked up the doubles title of the Atlantic Fleet Tournament held in Norfolk, Va., prior to their All-Marine trip.

In this year's All-Marine doubles action, Lejeune's hopes will be with Parsons and Thompson, who will be playing in his "own back yard."

Thompson, who was this year's runner-up to Parsons in both the singles and doubles matches, lives in San Diego and attended San Diego State College before entering the Marine Corps in 1956.

Ramos Leads Swimmers In Aqua Events

Support Company "A" of Headquarters Battalion, Marine Corps Base, ran away with 52 points and first place during the Intra-Battalion Swimming Meet held last Wednesday.

Sweeping eight first places during the 11-event meet, the champs added two second places and one third place during the one-day event.

Headquarters Co. compiled 28 markers for the runner-up spot and were followed by Support Co. "B" (17), Motor Transport Co., and Woman Marine Co., with one point each.

Points were compiled as follows: Winner, 5; runner-up, 3, and third place, 1. In relay event the winner collected 10 points, second place scored six and third place, two.

Events

Finishing in first, second and third place in each event were: 50-yard, free style—D. Ramos, C. J. Davis and J. J. Hazewski; 50-yard back stroke—W. O. Holcomb, T. Buckley and T. R. Sisson; 60-yard breast stroke—D. Ramos; 50-yard butterfly—T. B. Gallagher, W. L. Conlin and J. W. Bruner; 100-yard free style—G. P. Sanini, A. C. Smith and P. G. Hoenschied; 100-yard backstroke—W. O. Holcomb and M. C. Nolter; 100-yard breast stroke—T. B. Gallagher and P. G. Hoenschied; 100-yard butterfly—W. L. Conlin; 500-yard free style—T. B. Gallagher, F. A. Harris and Susan Feusbe; Underwater Distance—H. E. Macklin and L. E. Mates each tied for first place; 200-yard free style—winners D. Ramos, P. G. Hoenschied, A. E. Smith and T. B. Gallagher.

Force Troops Title Game On Tap Today

The 2nd Tank Bn. and 2nd Field Artillery Group, each with perfect 6-0 records will play for the league softball championship, today. Game time is 3:45 p.m. and should prove fine pitching and powerful hitting.

Eighth Comm. Bn. strengthened their position in first place of the Force Troops Baseball League after winning two games last week. Last Tuesday evening the league leaders defeated Headquarters Co. 6-1, and returned Wednesday to down MAG-26, 7-4.

Standings:

Table with columns: Team, W, L, Pct. Lists standings for 8th Comm. Bn., MAG-26, and Hq. Co., FT.

Tips on Dips

Don't overload your boat...

Alvey and his unhappy pals are in trouble. For safety, only one-third of a boat's hull should be under water when it is completely loaded.

Defending Aqua Champions May Find '60 Event Rough

MCSC, Albany, Ga., June 29—With the All-Marine Swimming and Diving Championships coming to the East Coast for the first time, defending champion Camp Pendleton, Calif., may find itself more pressed to take first place this year than last.

20-Point Lead

On the West Coast last year, the Pendleton tankmen won the team title with 113 points. Hawaii finished a dismal second with 93 points, and Lejeune's New River Air Facility, with far less entrants than the above-mentioned swimming powerhouses, finished third with 56 points.

Camp Lejeune, Parris Island, and Cherry Point may enter into the title picture this year, along with Quantic, since the competitions will be closer to home.

Plans for making this one of the best All-Marine meets ever held are fast taking shape under the direction of the Center Special Services Officer, Capt. James L. Richard.

To give Corps swimmers an idea of what it will take to finish high in the All-Marine events, here are last year's winning times:

100-meter freestyle, 1:03.0; 200-meter freestyle, 2:33.5; 400-meter freestyle, 5:41.1; 1,500-meter freestyle, 24:01.0; 100-meter backstroke, 1:15.3; 200-meter backstroke, 3:02.6; 100-meter butterfly stroke, 1:21.1; 200-meter butterfly stroke, 3:03.2; 100-meter breast stroke, 1:21.1; 200-meter breast stroke, 3:11.5; 400-meter ind. medley, 6:38.6; 400-meter medley, 5:21.0; 800-meter relay, no record.

Storage Team Takes Honors In Keg Action

Stiles Van and Storage made good their two-week bid for the top spot during the Summer League of the Staff NCO Bowling. The champs blanked Rock and Roll Drive-In 4-0 in the final night's rolling to remain ahead of second place D&E Car Exchange who swept four from Falstaff.

Individual highs went to: Stiles Van & Storage—Mac McCabe, 207-573; Rock 'n' Roll Drive-In—Eli Lockett, 194-485; D&E Car Exchange—Jake Pugh, 206-570; Falstaff—Paul Vasko, 201-538; Herb Sunshine—Chuck Reinhart, 247-571; Brown-Baggers—Paul Curtis, 176-493; Budweiser—Jim Wells, 176-493; National Bohemian—Frank Conneen, 174, and P. A. Davis, 467; Pioneer American Insurance—Jim Murray, 188 and Bill Mayers, 528; Gulfpride Service—Lee Blanding, 205 and Mul Mulholland, 511; Courthouse Bay Staff Club—Joe Kratcoski, 192-503, and New River Pharmacy—Jim Wulf, 192-484.

Staff Wives Present College Scholarship

"To the most outstanding son or daughter of a staff non-commissioned officer of Camp Lejeune during the 1959-60 academic year," were the words of Mrs. James McCarvill, president of the Staff NCO Wives Club when she presented the club's annual \$200 college Scholarship Award to Miss Shirley Gail Crockett during the Camp High School's Commencement Exercises.

At formal presentation ceremonies, Gail was commended for being chosen because of her initiative, integrity and personality. Through her display of extreme ambition and a never-ending desire to learn, she received the wives club's recognition for a "most promising student."

Among Miss Crockett's achievements, she held a "B" average during her high school years. She was also actively engaged in clubs and

social organizations some of which are the National Honor Society, Latin Club where she served as vice-president in her senior year, Spanish Club where she served as vice-president during her junior year and the High School Glee Club where she held a four-year membership.

Listed in her journalism background are Feature Editor with the school paper, "The Pup's Tail" and a member of the staff for the school yearbook, "The Devil Pup."

Among several other honors, Gail was a finalist in the Declamation Contest. During her junior year at Lejeune, she received the Daughters of the American Revolution Citizenship Award, and she received the senior class superlative for being the "friendliest girl in the senior class." Her dramatic talents were revealed when she took an active part in the senior class play.

Gail is now living at Quantico, Va., with her father, SSgt. H. G. Markoff. Although uncertain as to her future college plans, Gail shows outstanding interest and ability in the field of therapy.

IN SESSION—Mrs. Fred Koehler, left, and Mrs. Carl Sehnert, volunteer baby-sitters of the Knox Wives Club, keep a few of the children occupied at the new, free nursery in the Chapel Building. The nursery is held during the two hours the wives hold their weekly meetings. Started last week through the Community Association, ladies of the club are now able to attend the meetings without the problem of baby-sitting. (Photo by Cpl. C. L. Boyd)

Free Nursery Available At Knox For Club Meets

The women of the Knox Wives Club put an end to their baby-sitting problem for the club's weekly meetings as of Monday, June 27. Having to bring the children to the meetings and watch them while the meeting was in session, the ladies decided to go to the Knox Community Association requesting money to pay for sitters during the two hours the weekly meetings are held.

Upon approval, two members volunteered their services to care for the children. The women, Mrs. Fred Koehler, Registered

Nurse, and Mrs. Carl Sehnert, a Practical Nurse, are available to anyone who has suggestions for improvements or knowledge of where nursery equipment can be obtained.

Mrs. Koehler, wife of SSgt. F. Koehler, can be reached at Tr. 2366. Mrs. Sehnert, wife of LCpl. C. Sehnert, can be reached at Tr. 535. Both of the women can be located by calling the Knox Chapel at base extension 9-8114.

Mothers desiring to use the free nursery must supply their own nursery equipment as the club is still working on funds for necessary serviceable aids. During the summer months, the nursery will be in the chapel. Club meetings are held on the patio of the Community Association. The women are planning a bake sale as a special project to raise money for the nursery.

Monday, between 10 a.m. and 12 noon, the club will feature a "White Elephant" party. The following week, July 18, representatives from Special Services will talk to the ladies about recreational facilities. July 25 will be a regular business meeting.

Officers of the club are Mrs. Craig D. Wagner, president; Mrs. Henry Maltbie, vice-president; and Mrs. Leroy Thrasher, secretary-treasurer. Program, publicity and refreshments committees are also elected for one year.

All wives of active servicemen living in the Trailer Park are invited and urged to attend the club's regularly scheduled meetings. Contact any one of the officers for membership procedures.

Little Tots To Register Next Month

Registration for the Camp Kindergarten will begin August 1. Children must be five years old by January 1 to be eligible for enrollment. Registration can be made by mail or by personal visit to the Camp Nursery, Bldg. 2624.

If registration is by mail, the application forms may be picked up at the Base Nursery, or a call may be made to Maj. T. J. Ryder at base extension 7-5564 to obtain the form that will be mailed to the applicant. It is requested that these forms not be forwarded until after August 1. Registration by personal visit can only be accomplished after August 1. Prior arrangements must be made with Mrs. Shea at base extension 6-6702.

One month's tuition of \$10 and a registration and activities fee of \$2 must accompany each registration card. The checks are made payable to the Camp Kindergarten Fund, with the child's name entered in the lower left-hand corner of the check.

If parents desire to register children prior to August 1 because of leave at that time, registration may be accomplished by letter to the Officer in Charge, Camp Kindergarten, MOQ 3307, with certification from the individual's commanding officer to the effect that the parent will be on leave on August 1. The tuition and registration fee must accompany this letter. Upon return from leave, the parent must make a personal visit to the Camp Kindergarten office and fill out the required registration card.

Mrs. D. R. Womack To Head Wives Club

With all the grandeur of officer installation ceremonies, the Midway Park Wives Club added a light, summertime twist to their election and installation last week in keeping with the formal atmosphere as they installed three new officers plus four main committees.

Mrs. Dauphin R. Womack was lauded a gavel ceremony where she took over as president for the coming 1960-61 year. Assisting her in receiving "head table" honors were Mrs. Charles J. Anderson, vice-president, and Mrs. E. J. Jone, secretary.

Committee members will be Mrs. James Henderson, Mrs. Ralph Yielding, Mrs. John Oliver, Mrs. E. J. Jone, Mrs. Marvin Bradley, Mrs. Dennis Smith, Mrs. F. E. Powers, Mrs. Earl Skinner and Mrs. William Blosser.

OWC's 'Camp Lejeune Platter Parade' Ready For 1960 World-Wide Distribution

Once again the Officers Wives Club of Camp Lejeune is set to sell publications of their cookbook, "The Camp Lejeune Platter Parade." The "Platter Parade's" first publication was in 1954 when the sales results reached some 6,000 copies. The proceeds from this first sale went to the purchasing of school ground equipment for the Camp School. The next year's proceeds were used to expand and improve the Paradise Point Sittling Service. Since 1958, these funds have made up the Officers Wives Club Scholarship fund.

In 1958, the cookbook was re-printed and has since sold 8,000 copies to people all over the world. Through the mail-order business, copies have been sold to persons with APO and FPO addresses as well as to large cooking classes who have heard about the book.

The Marine Exchanges at Camp Lejeune carry the "Platter Parade" as a regular feature on their book shelves for any Marine wife inter-

ested in adding that "professional appeal" to her daily cooking. To quote Mrs. H. D. Linscott, wife of Lt. Gen. H. D. Linscott, USMC (ret.), and originator of the cookbook title, "The Officers Wives Club of Camp Lejeune offers this book to cooks everywhere who may be seeking a variety of dishes to spice the family menu or intrigue a special guest."

Mrs. D. H. Johnson, present cookbook chairman of the OWC, hopes that more wives will take this opportunity to purchase the "Platter Parade" at the exchanges or through the individual groups. According to Mrs. Johnson, "This will help solve the problem of what to serve the new mother-in-law or a very hungry husband just in from a week of 'C' rations."

Lasagna

- 2 No. 2 1/2 cans Italian style peeled tomatoes
- 4 8-ounce cans tomato sauce
- 2 teaspoons salt
- 3 teaspoons dried oregano
- 1/4 teaspoon onion salt
- 2 cups minced onions
- 2 cloves garlic, minced
- 1/3 cup salad oil
- 2 pounds ground chuck or round
- 2 teaspoons monosodium glutamate
- 2 teaspoons salt
- 1 pound Lasagna (very broad noodles)
- 1 1/2 pounds Ricotta cheese, thinly sliced
- 1 cup grated Parmesan cheese
- 3 packages Mozzarella cheese

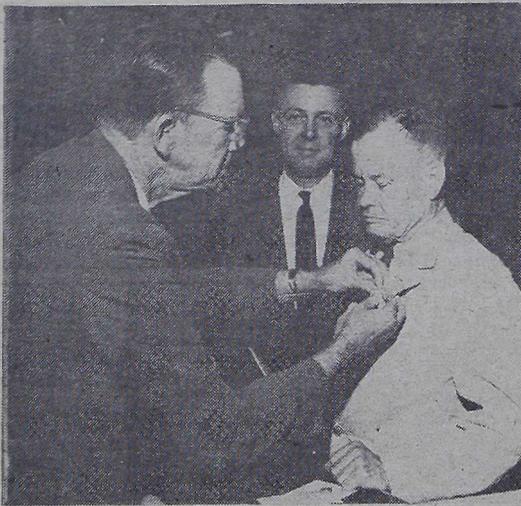

In a large saucepan or kettle, combine tomatoes and next four ingredients; start simmering, uncovered. In skillet, saute onion and garlic in oil until lightly browned; add chuck, next two ingredients; cook until meat loses red color; add to tomato sauce; simmer two and one-half hours or until thickened. Meanwhile cook Lasagna as package directs, stirring occasionally. Drain, separating noodles. Heat oven. In bottoms of two 12 x 8 x 2 baking dishes, place several spoonfuls of sauce; top with crisscross layer of Lasagna, then Mozzarella and half of Parmesan (divide between two dishes). Repeat again, ending with sauce. Top with remaining Mozzarella. Bake until bubbly. Remove from oven. Let stand 15 minutes. Baking time 50 minutes. Temperature, 350 degrees.

WHAT'S NEXT?—Mrs. J. E. Sundholm, right, carefully prepares her popular Lasagna recipe from the Officers Wives Club's cookbook, "The Camp Lejeune Platter Parade" with the assistance of Mrs. J. P. Treadwell. Both women are original cookbook staff members when the strictly domestic club was organized by the OWC in 1954. Mrs. Sundholm served as cookbook co-chairman and Mrs. Treadwell was in charge of publicity. (Photo by Cpl. C. L. Boyd)

NEW OFFICERS—Miss Jane Geagan, left, USO advisor, offers a few suggestions to the newly elected officers of the Midway Park Wives Club after the formal installation ceremonies held at the club meeting last Thursday morning in the Community Building. The three officers are, from left, Mrs. E. J. Jone, secretary; Mrs. Charles J. Anderson, vice-president; and Mrs. Dauphin R. Womack, president. (Photo by Cpl. C. L. Boyd)

FIRST IN THE FIRST—Edwin C. Clarke, left, secretary-treasurer of the 1st Marine Division Association, pins a membership card on Lt. Gen. Lewis B. "Chesty" Puller, while Col. Jonas M. Platt, Association vice-president, looks on. General Puller was the first Marine to sign the "blotter" at Division Headquarters in the Sheraton Park Hotel in Washington, D. C.

First Concurrent Reunion Hosts Over 4,500 Veterans

A full program of events greeted about 4,500 Marine veterans and their families who arrived in Washington, D. C., last week for the first concurrent reunion of all WWII Marine Divisions. Registrations started at 6 p.m., June 23, at Division Headquarters located in five hotels. Headquarters for the 1st was the Sheraton Park; 2nd, Washington; 3rd and 6th, Mayflower; 4th, Shoreham; and the 5th at the Willard.

Lt. Gen. Lewis B. "Chesty" Puller, USMC (Ret.), was the first to register at the 1st Division Headquarters. The 4th Division Association had about 200 registrants by 6:30 p.m. on opening day.

An amphibious assault demonstration held at Quantico, Va., June 24, was the first combined event on the agenda. Lt. Gen. Edward Snedeker, CG, Marine Corps Schools, Quantico, greeted some 1,500 former Marines and their families on arrival.

That evening a parade and review was staged by Marine Barracks personnel at the Washington, D. C., armory. Approximately 3,000 attended, a capacity crowd for the auditorium.

Business meetings were held Saturday, June 25. A new slate of officers was elected for each of the Division Associations. The new presidents of the five associations

are: Lt. Gen. Lewis B. Puller, 1st; Robert W. Meggellin, 2nd; Tom Stowe, 3rd; Lt. Col. Vaughan H. Huse, USMCR, 4th; and George W. McNicol, 5th.

A solemn ceremony honoring Marine war dead was held at the Iwo Jima Memorial Saturday afternoon. Rear Adm. George A. Rosso, Chief of Chaplains, USN, spoke briefly to the assembled group. A wreath was then placed at the base of the monument.

The climax of the reunion was the combined dinner-dance held at the Sheraton Park Hotel Saturday night. Gen. David M. Shoup, Commandant of the Marine Corps, was the principal speaker.

The 4th Division Association held a separate banquet at its Headquarters in the Shoreham. Gen. Carlos P. Romulo, Philippine Ambassador to the United States, told the 500 members present that what counts basically in international relations is to have friends who can be counted on in a show-down.

Selection For 1961 NROTC Program Begins

An opportunity is wide open for enlisted Marines desiring to get a college education and receive a commission to second lieutenant upon completion of the college course. The Naval Reserve Officers Training Corps (NROTC) program is seeking applicants for the 1961 college year and promises that chances for selection under the program are most favorable.

2nd Marines Are Building 4 Classrooms

The classroom shortage throughout the nation has never been more acute. The home of the Second Marines, 2nd Division, is no exception. Like civic leaders throughout the nation, the staff of the Second Marines has made a thorough study of the problem and a solution has been found.

When it was discovered, early this year, that existing classroom space in the regiment's area was inadequate to meet the needs of an expanding curriculum and larger student bodies, Col. E. A. Wright, the then commanding officer of the regiment, proposed that new classrooms be built.

The project was turned over to the Regimental Supply Officer, Capt. James L. Cooper, who came up with the idea of using regimental personnel to do the actual construction with technical advice from Pioneer Battalion specialists. Construction was started in mid-March.

Using working parties consisting of machine-gunners, riflemen, clerks, flamethrowers, radio operators and BAR men, two of the proposed classrooms have already been completed. One classroom is nearing completion and the fourth is expected to be finished early in August.

When all classrooms have been completed each battalion will have its own classroom and the classroom shortage in the Second Marine Regiment will have been solved.

In order to qualify for one of the 200 annual openings for enlisted men, the Marine must be on an enlistment or extension of enlistment which will not expire before September 1, 1961. He must be a male citizen of the United States, be unmarried and agree to remain unmarried until completion of the college course and reception of the commission.

Qualifications
The applicant must be at least 17 but less than 21 on July 1 of the calendar year in which he enters the program. The 21 age limit will be waived if the man has previous college credits, provided he will not have reached 25 by July 1 of the year in which he completes college.

Candidates selected for the program will be given the choice of attending any one of 52 major colleges and universities throughout the nation. In the south, selectees may attend top-rate schools such as Duke, Georgia Tech and the University of North and South

Carolina. In other sections of the country, Cornell, Harvard, Northwestern, Notre Dame, Princeton and Yale are representative of the calibre of schools participating in the program.

Free Schooling
Once the man is in school, the program will provide all tuition books, drill uniforms and fees plus a retainer pay of \$50.00 a month to help pay room and board. Most college courses leading to a baccalaureate degree may be taken. Certain military subjects are required and uniforms are worn during a weekly drill session.

Company commanders will be responsible for submitting nominations of eligible men. The CO's are asked to see to the dissemination of the bulletin giving details of the program, Marine Corps Ord 1110.20, and to ensure that every individual who meets the requirements of the program be afforded an opportunity and every possible assistance in applying for the program.

STUDENT BUILDERS—When a classroom shortage arose in the Second Marines, members of the regiment decided to build their own. Two have already been completed. The third is under construction and five infantrymen, above, complete the framework. The 2nd Division infantry regiment plans to complete the fourth classroom next month. (Photo by Act. Sgt. J. H. Webster Jr.)

Know And Understand Your Candidate Through Books

With the Presidential conventions approaching, the Central Library has set up a book display dealing with possible candidates, political parties, voting and Presidential duties. Almost all of the front-running candidates are represented in these books which offer the voter an excellent chance to know and understand his candidate.

For those who are uncertain as to their choice, they afford an opportunity for the voter to choose wisely and carefully the candidate he feels best suited for the Presidency.

A partial list of books available includes: THE ROCKEFELLER RECORD, a political self-portrait edited by James Poling; JOHN KENNEDY, a political profile by John McGregor Burns; CANDIDATES 1960, edited by Eric Sever-

eid; STUART SYMINGTON, a portrait of a man with a mission; Paul I. Wellman; FACTS ABOUT NIXON, an unauthorized autobiography by William Costello; White House correspondent;

TO BE A POLITICIAN, reflections on the trials and rewards of public life in America by Stinson Bullitt; WHITE HOUSE FEELER, an innocent's guide to the principles and practices, respectable and otherwise, of the American Presidents by Robert Bendis; or; 1600 PENNSYLVANIA AVENUE, President and people, 1929-1959; NIXON AND ROCKEFELLER, by Stewart Alsop; THE PRESIDENCY TODAY by Godwin and Kowling; THE MAN IN THE WHITE HOUSE, his powers and duties by Brinkley.

Also available are several pamphlets on voting. Among them are CHOOSING THE PRESIDENT OF THE U.S.A. by Kathryn Stone, and IS POLITICS YOUR JOB? by The League of Women Voters.

By law, the Marine Corps is charged with developing amphibious assault techniques and equipment employed by landing forces and providing forces for naval operations essential to a naval campaign. Although it may serve as the President directs, the Marine Corps is not "a second land army."

Found

A letter has been received in the GLOBE office requesting information regarding a Marine who left his traveling bag in an automobile during the weekend of June 4-5. The Marine's name is not known but his home is in Newport News, Va. A woman and her son gave a ride to the Marine and let him out approximately three and a half miles from New Bern, N. C. Anyone claiming this traveling bag is requested to contact Mrs. Lloyd Midgett, 812 Broad St., Beaufort, N. C., the driver of the car.

Camp Lejeune Master Menu

FRIDAY, JULY 8

Breakfast—Chilled peaches, assorted dry cereal, chilled fresh milk, creamed beef, hash browned potatoes, hot toast, butter, jam and coffee.
Dinner—Stuffed platter, fish, shrimp, scallops, cocktail sauce, creamed potatoes, corn-on-the-cob, green lima beans, assorted salads, dressings, lemon cake, hot cornbread, bread, butter and beverage.
Supper—Stuffed frankfurters, Spanish rice, buttered asparagus, simmered sauerkraut, assorted salads, dressings, salmon salad, ice cream, frankfurter rolls, bread, butter and beverage.

SATURDAY, JULY 9

Breakfast—Fresh fruit, chilled fruit juices, assorted dry cereal, chilled fresh milk, eggs to order, hot cakes, French toast, creamed beef, hash browned potatoes, hot toast, butter, syrup, jam and coffee. Choice of broiled bacon, sausage or ham slices.
Supper—Pot roast of beef, vegetable gravy, buttered peas and carrots, assorted salads, dressings, marble cake, icing, bread, butter and beverage.

SUNDAY, JULY 10

Breakfast—Fresh fruit, chilled fruit juices, assorted dry cereal, chilled fresh milk, eggs to order, hot cakes, French toast, creamed beef, hash browned potatoes, hot toast, butter, syrup, jam and coffee. Choice of broiled bacon, sausage or ham slices.
Supper—Fried chicken, giblet gravy, mashed potatoes, buttered mixed vegetables, assorted salads, dressings, strawberry shortcake, bread, butter and beverage.

MONDAY, JULY 11

Breakfast—Assorted chilled juices, assorted dry cereal, chilled fresh milk, hot cakes, crisp bacon, hot toast, syrup, butter, jam and coffee.
Dinner—Virginia baked ham, raisin sauce, glazed sweet potatoes, simmered cabbage, simmered carrots, assorted salads, dressings, ice cream, bread, butter and beverage.
Supper—Grilled hamburgers, french fried potatoes, buttered asparagus, assorted salads, dressings, tuna salad, ice cream, hamburger buns, bread, butter and beverage.

TUESDAY, JULY 12

Breakfast—Chilled grapefruit segments, cooked cereal, chilled fresh milk, scrambled eggs, fried potatoes, hot toast, butter, jam and coffee.
Dinner—Grilled pork chops, chilled applesauce, potatoes au gratin, buttered broccoli, buttered beets, assorted salads, dressings, devil's food cake, bread, butter and beverage.
Supper—Braised beef, buttered noodles, green lima beans, assorted salads, dressings, fruited gelatin, hot biscuits, bread, butter and beverage.

WEDNESDAY, JULY 13

Breakfast—Chilled oranges, assorted dry cereal, chilled fresh milk, eggs to order, fried sausage, hot toast, butter, jam and coffee.
Dinner—Grilled beef steak, brown gravy, buttered peas, spinach with egg slices, assorted salads, dressings, ice cream, bread, butter and beverage.
Supper—Grilled liver, onions, French baked potatoes, cauliflower with cheese, buttered corn, sauce, assorted salads, dressings, bread pudding with lemon sauce, bread, butter and beverage.

THURSDAY, JULY 14

Breakfast—Fresh bananas, assorted dry cereal, chilled fresh milk, creamed beef, hash browned potatoes, hot toast, butter, jam and coffee.
Dinner—Cold sliced beef, ham, cheese, macaroni salad, Boston baked beans, stewed tomatoes, celery, assorted salads, dressings, apple pie, bread, butter and beverage.
Supper—Veal friicasse, buttered noodles, green lima beans, assorted salads, dressings, chilled watermelon, hot biscuits, butter and beverage.

If You Ask Me:

(In commemoration of the National Jamboree of the Boy Scouts of America, the Inquiring Photographer this week interviewed Scouts of Troop 390.)

HOW DID YOU BECOME A MEMBER OF THE ORDER OF THE ARROW?

GERALD WOODSIDE, Tarawa Terrace—

We had a troop nomination and I was one of those picked in a tapping out ceremony. Some O. A. members dressed as Indians tapped us on the shoulder twice. We were sitting in a semi-circle and I was last on the end. When they passed the fellow next to me without tapping him I knew I would be selected. The O. A. is an honor camper's society based on Indian life. They give pageants and ceremonies, and they train Scouts in some of the advanced things.

HOW DO YOU FEEL ABOUT GOING TO THE NATIONAL SCOUT JAMBOREE?

WAYNE BAGGETT, Knox Trailer Park —

I think it will be a nice trip. I believe that every Scout would like to go if he had the opportunity. There's going to be 65,000 Scouts from all over the world there. It will give me a chance to meet new friends. I'm sure I will have lots of fun there and I know I will learn lots of new things about Scouting.

Library News

'Billy' Mitchell's War In The Air

MEMOIRS OF WORLD WAR I by Brig. Gen. William Mitchell, published now for the first time and available at the Central Library, is an adventurous, eyewitness account of our first war in the air by the "father" of American air power. In 1917, before the United States entered the war, Colonel Mitchell asked for leave and went to Europe as an observer.

Much of this book, which Mitchell based on the extensive diaries he kept at the time, is exciting history: the overall development of the Great War, the trial-and-error emergence of aerial combat, and the final successes of tactical and strategic air power.

The story is even more engrossing on the timeless level of human interest. Mitchell himself was a dramatic, outspoken figure; he did not hesitate to use both words and action to fight for his beliefs. He describes many of his own combat experiences at the front—on the ground in the Marne Valley as well as in the air over the Argonne. The narrative is studied with first-hand reports about such famous flyers as Eddie Rickenbacker and Frank Luke, as well as candid portraits of prominent Allied commanders.

HOW DO YOU EARN THE MERIT BADGES THAT YOU WEAR ON THE SASH OVER YOUR SHOULDER?

GLEN NEWTOWN, Tarawa Terrace—

Well, we buy the merit badge pamphlet, and then we make an appointment with the merit badge counselor of the merit badge we want to earn. Then we work on the requirement which he explains to us. I won my first after about five days' work out in the field, and I won the other 11 within about eight months, which is just about average.

HOW DO THE BOYS IN YOUR PATROL LEARN THEIR ADVANCED REQUIREMENTS?

HARVEY HOOPES, Tarawa Terrace —

I went to the junior leader's training course for patrol leaders. They taught us how to hike—the proper clothing for hiking during summer and winter—the proper way to sharpen a knife and an axe; when and how to tie certain knots in case you want to join two ropes for different purposes. The purpose of this training is to help yourself and also the members of your patrol.

WHICH OF YOUR MERIT BADGES DID YOU ENJOY WORKING FOR MOST?

GEORGE NEWTOWN, Tarawa Terrace—

I enjoyed working for the horsemanship badge. I like to ride horseback as it's very good exercise and it builds up your muscles and it's relaxing. To earn the badge, you have to be able to brush the horse off, curry it, and saddle and bridle it; walk it at the proper diagonal for the trot and the proper lead for the canter.

WHAT DO YOU LIKE BEST ABOUT SCOUTING?

JOHN PORTER, Knox Trailer Park —

I like the troop activities and the advancement that you can make up through the Scout ranks to Eagle Scout. I also like the learning of different things like first aid and how to handle yourself in the woods. First aid is useful in helping people who get hurt not to suffer too much before a doctor can care for them.

Importance Of People-To-People Program Enhanced By Tokyo Riots

When the Japanese students in Tokyo riot against their country's security treaty with us, many Americans are apt to adopt a disgusted air, saying, "See how much good that People-to-People stuff does? They've never forgotten they lost the war—they hate us."

But "they"—the Japanese—don't hate us. We are hated by Communists who are loyal to no love of their homeland, who cleverly stage these riots and use excitable youths for their mission of dis-crediting U. S. influence in the Far East.

It is just such regrettable incidents that enhance, not diminish, the importance of People-to-People. The Communists admit they are engaged in a struggle for the "conquest of millions of minds and hearts of the working people throughout the world." The words are, in fact, those of V. Moskovsky, one of the top Soviet propagandists.

It is part of Mr. Moskovsky's job to constantly try to obscure and wreck the very solid achievements of the People-to-People program in winning confidence in U. S. aims the world over. Communists go in for "conquest." Our way is to put out a helping hand, dispense with the impersonality of officialdom, recognize that people everywhere want the good life and respond to genuine manifestations of friendships.

Chaplain's Corner

The World Of Inner Space

Historians will interpret this age as the beginning of the invasion of outer space. Circling the moon is not far away. Children in this age will know more about the moon than their grandparents ever conceived. Knowledge of outer space is being expanded. Promising young men are being selected to study and look further into the potentials of nuclear energy.

There is also another world to conquer. It is the world of inner space. As the outer world, this world has always existed. Some men have conquered it. Others have succumbed. This world, too, has many orbits circling the soul.

One that needs to be conquered is defeat. This is a raging inner battle which is constantly on maneuvers. One victory over defeat is not enough. It will again raise its ugly head. Defeat will sap energy and annihilate our initiatives. As a disease of the soul, this besieging enemy can destroy the positive good in man.

Another thing in our inner world is that of fear. It is a must that we conquer this. Circling the soul are a host of fears ready to invade and destroy man's hopes and ambitions. Among them are: fear of failure, fear of insecurity, fear of an incurable disease, fear of what others might think, fear for our loved ones. Harry Emerson Fosdick declared: "Fear imprisons, fear paralyzes, fear disheartens, fear sickens, fear makes useless, and most of all fear puts hopelessness at the heart of life."

Conquering outer space is important today but conquering the things which beset us is more important. To conquer the inner world we must have faith. Faith gives victory, power, and encourages. We need a faith which will not stumble at any earthly foe. "I can do all things," writes the Apostle Paul, "in Him who strengthens me." In God we can find the quality of soul to conquer all things.

—Chaplain Oscar J. Harris
2nd Division

There is a quiet power about such avowals of common humanity that no lying bluster and epithets can lessen. Communists are helpless before a program of partnership that operates at grass roots, transcending language barriers. People-to-People is invincible to their most extravagant abuse of it.

Display Marred By Spectators

The activities Monday, capped off by the huge fireworks display, have once again displayed the outstanding program of entertainment and special events afforded by the Base Special Services for Camp Lejeune personnel and the surrounding communities.

Much time and money was spent on this display and the other activities offered throughout the day. Most of those present will agree that it was a memorable and entertaining Fourth of July.

There was but one thing that marred the day. This was that group of people, about 300 or 400 who, despite repeated pleas over the public address system, stood up and prevented five to six thousand from seeing the ground displays.

This is not the only time rudeness on the part of spectators has been noticed at special events. Next time, consider the other fellow who wants to see or to hear and you will find that you, too, will enjoy it more.

Bulletin Board

Latest Word

For the first eight months of fiscal year 1960 the reenlistment rate of Marine Corps career regulars and first termers is down as compared to last year. The reenlistment rate figures released by the Statistical Services Center for the Marine Corps showed that 11.8 per cent of Leatherneck first termers who were eligible for reenlistment took new oaths during the first eight months of fiscal 1960. In the previous fiscal year, 20.2 per cent of eligible first termers reenlisted. For career Marines, the figures showed that in fiscal 1959, 76.5 per cent of those eligible reenlisted. For the first eight months of fiscal 1960, 67.3 per cent of the career Marines reenlisted.

Thousands Witness Gigantic Fourth

Amazement

Outdoor Buffet

Bursting bombs, brilliant displays, baffled beholders. The 4th registered another spectacular night as thousands of visitors streamed through the camp to view a tremendous fireworks display. The buffet supper was a family-laden affair with a variety of arts and crafts, and a performance by the Theater as the magic of the night unfolded. A long display of brilliant fireworks and a roast turkey and other delicious fare of the 480th Air Depot were prepared by the staff for the meal.

The day's activities were capped by a performance by the Theater as the magic of the night unfolded. A long display of brilliant fireworks and a roast turkey and other delicious fare of the 480th Air Depot were prepared by the staff for the meal.

Roast turkey and other delicious fare of the 480th Air Depot were prepared by the staff for the meal.

From 7:30 to 8:30 p.m., a team performed for the crowd from pop and show tunes.

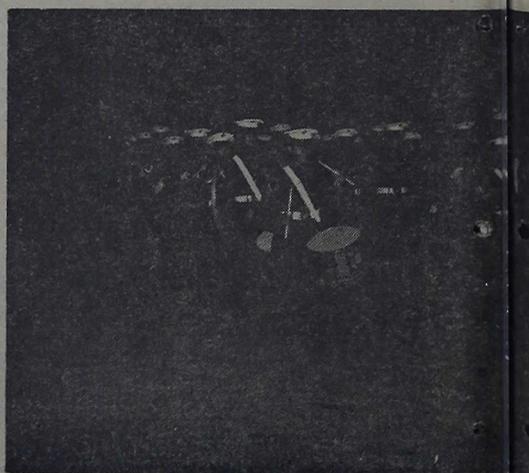

The super-attractive fireworks display began at 8:30 p.m. as the crowd estimated at 4,000 people watched a thrill-packed display.

Throughout the fireworks display were a variety of ground displays including a fire, an American flag, and a rain. An animated duck was presented as a member of the crowd.

The last event of the night was a block dance conducted by Dick Haynes and his band at 10 p.m. Dick Haynes and his band played pleasant dancing music.

Third Parris Island Series Ends Tonight

Marines Split With Eustis; Bryan Chalks Up Third Win

With the middle game rained out, the Camp Lejeune Marines split a two-game series with the Ft. Eustis Wheels, winning the first game 18-6 and dropping the final contest 7-5. Charlie Bryan won his third victory of the season during the first game as the locals scored their 48th win against 15

Parsons Tops Field In 1960 Tennis Meet

Battling intense heat, the Division's team of Clint Parsons and G. Carrington smashed their way to the Camp Lejeune Intramural Tennis Doubles Title, last Thursday, defeating Jack Thompson and Doc Bianco, also of the Division, 6-1 and 6-3.

Parsons along with Thompson has been selected to represent Camp Lejeune during the All-Marine Tennis Championships to be held at the Marine Corps Recruit Depot, San Diego, Calif., beginning Aug. 2. During last year's All-Marine competition, Parsons finished as semi-finalist in Singles championship action.

Parsons and Carrington moved into the finals of the Quad-event after scoring victories over Barcusc and McGeehan of Force Troops and Webster and Brown of Marine Corps Air Facility.

Earlier in the day, Parsons swept over Jack Thompson 6-3 and 6-2 for singles honors during the Intramural matches. Parsons moved into the finals after downing Jack Bedore of Marine Corps Base and P. W. Barcus of Force Troops, while Thompson, quad-command runnerup, met Parsons after his successive victories over R. E. Brown of Marine Corps Air Facility and G. W. Bliss of Force Troops.

QUAD CHAMPS—Clint Parson, extreme left, and G. Carrington are congratulated by "Doc" Bianco and Jack Thompson, extreme right, after winning the Quad-Command Tennis Doubles Championship last Thursday. (Photo by LCpl. G. H. McIntyre)

Devildogs Fall Behind During East Coast Area Title Race

Seeking their third consecutive East Coast Area Marine Title, the locals will meet the Devildogs of Parris Island tonight in the final home game against the Islanders during the 1960 season. Before this present series the Marines held a 4-2 lead in the race on the virtue of their three-game sweep over the Islanders in April and their salvage of one game out of three while at Parris Island last month.

A final three-games series will be played at Parris Island beginning July 27. Either team must win seven out of 12 contests for the mythical championships and the right to host the 1960 All-Marine classic in August.

Results of Wednesday night's contest against the Devildogs was received too late for publication, but will be recapped, along with the final game of the series in

next week's GLOBE.

After five and one-half innings of scoreless ball Tuesday night, the Camp Lejeune Marines exploded for three runs in the home half of the sixth inning.

The three-run rally was all that was needed as Bill Haywood hurled the locals to a 3-0 shutout over the Islanders for his 15th victory of the season against five defeats.

The victory moved the locals into a 5-2 lead in the mythical East Coast Area race and left them lacking only two wins for the title and right to host the 1960 All-Marine

Championships at Agganis Field in August.

Haywood while going the round gave up only three hits, three walks and struck out 12, continuing as Lejeune's top starting hurler.

After tagging visiting starter Garry Townsend for only three singles in five games, the Marine knocked him from the box in the sixth with a walk and three consecutive base hits.

Rightfielder Sam Valentine drove a base on balls to open the big inning and was followed by Haywood who popped out to the catcher attempting to move the runner a second.

With one away, centerfielder Cliff Simpson, who is hitting well in the 300's, slammed a booming double to left centerfield moving Valentine to third. Shortstop Charlie Armstrong, currently leading the locals with 12 home runs, blasted a crashing triple off the left centerfield wall, at the 385 mark scoring Valentine and Simpson and sending the Marines into a 2-1 lead.

Islander coach George Uremovich called on reliever Pappy Herrington to put out the fire, but first sacker Hal Norton dumped a perfect squeeze bunt down the left field line, scoring Armstrong before he could retire the side.

BARRY FULLERTON

Javelin Ace Remains King In AAU Meet

Veteran javelin ace, Al Cantello, of Quantico, Va., finally met the 1960 Olympic qualifying toss of 251 feet. The throw of 271 feet, nine inches came on his first try during the 72nd AAU Track and Field Championships at Bakersfield, Calif. and added 11 feet to Bud Held's five-year-old AAU meet record.

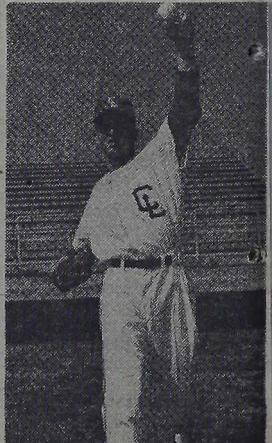

Cantello, defeated during the Inter-Service Track and Field Championships, last month by young Jan Sikorsky of Camp Pendleton, holds the worlds record javelin thrust of 282 feet 3 1/2 inches.

The Marines added a second and third place to Cantello's first during the meet as Ed Collymore was runner up in the 200 meter dash with 0.21 seconds and teammate Mel Swartz took third in the pole vault, clearing 15 feet 3/4 inches.

Marine Bob Gardner, All-Marine high jump champion sailed 6 feet 7 inches for fifth place in the high jump section.

Summer Sailing

In an effort to encourage interest and participation in sailing, a summer series of races began yesterday and will be held on each successive Wednesday for six weeks. Each race is scheduled to get under way at 4 p.m. and all military personnel at Camp Lejeune who have been qualified in sailing are eligible to enter. Personnel desiring to enter a boat in any race of the summer series must notify the NCO in charge, Wallace Creek Boathouse, not later than 12 noon of the day of the race. Races postponed because of weather or other reasons will be sailed on the following Saturday at 2 p.m.

CLIFF SIMPSON

Lejeune Suffers Season's First Shut-Out; Armstrong Slashes Twelfth Circuit Clout

The soldiers of Ft. Meade, Md., handed the Marines their first shut-out, 4-0, of the 1960 season as they swept a two-game series from the locals after a first game, 3-2 win. Shortstop Charlie Armstrong hit a fifth inning one-run homer during the first game to move to within two of the Lejeune home record of 14 set by Harry Agganis in 1951 and tied by Hal Norton last year. After teammates jumped on starter Bob Rumer for three runs in the first inning, Meade's starter, Chandler, held the locals to two runs on six hits to pick up credit for the victory. Rumer, who suffered the loss, now has a

season record of 10 wins and four losses.

Jim Green led the Marines in the hitting department with two hits in three official trips to the plate, while scoring the first of the locals' two runs, after opening up the third inning with a driving double.

Bryan Loses
Charlie Bryan suffered his first loss since joining the local club, as the Ft. Meade nine handed the Marines their first blanking of the season, 4-0.

Collecting only five hits in the final road game until July 11, the locals got to the soldiers for two safeties in the sixth inning, but centerfielder Cliff Simpson popped up to the pitcher to end the threat, as the twirler tossed to first to catch the runner and begin a triple play.

Rightfielder Hank Nichols collected two of the five Marine safeties in three official trips to the plate, while teammates Sam Valentine, Jim Green and Bobby Cooke added one each.

It was the 18th loss for the Marines whose record now stands at 43-18 with nearly 20 games remaining to be played.

Road Trip
After a three-game series against the Parris Island Devildogs, the locals will again hit the road, traveling to Cape May for a two-game series. Moving south into Pennsylvania the locals will meet the 34th Infantry Company in Johnstown and then travel to Dubois where they face the Rockets in a three-game series. Looking for wins 10, 9 and 10 the Marines invade Ft. Lee of Virginia before returning to Agganis field for a two-game series with Ft. McPherson.

Tide Tables

The schedule of Time and Tide Tables, as listed in the GLOBE each month, may vary 10 to 20 minutes in certain areas, according to Aerology officials at Marine Corps Air Facility. The schedule, published by the National Geodetic Survey, at Norfolk, Va., is charted for Bogue Inlet. Therefore, the intracoastal waterway, the New River, and the surrounding inlets, differ several minutes as to time listed for the Bogue Inlet.

I THINK—The Great Books Discussion Group enables individuals to stimulate their own natural thinking processes through the study of the great writings of mankind. The originators of the Camp Lejeune-Onslow County group are seated at the

end of the table, from left with other group members are: CWO Felix McCool, recently retired; Mr. Aaron Farnell, Montford Point Branch Librarian, and Miss Louise Rowe, Central Librarian, (Photo by Cpl. C. L. Boyd)

Misleading Ads Draw Trusting To Car Lots

1960 PULITZER PRIZE WINNING SERIES

(Editor's Note: This is one of a series of articles prepared by Miriam Offenber of the Washington Star to expose the used car racket and to help prospective buyers of used cars protect themselves.)

(Continued)

Misleading advertisements that lure the trusting to the lots of unscrupulous used car dealers are blamed by law enforcement officials and legitimate dealers alike for nourishing the used car racket.

Ironically, the dealers complained about most often for gypping customers frequently display the largest newspaper ads.

An investigation made for the Committee on Bait Advertising of the Automotive Trade Association National Capital Area convinces investigators that the cars featured in some of these ads either are not for sale or such junk that nobody wants them.

Armed Forces police can produce cases after case where servicemen from all over the Eastern Seaboard have come to Washington, D. C., to buy cars because of ads by unscrupulous dealers in newspapers circulated at service installations.

In addition to bargain cars, servicemen have been promised free transportation to Washington, a dinner and hotel room overnight, and "world-wide financing" of their purchase.

A serviceman who reminded a dealer about his free transportation promise was told the cost of transportation to Washington had been deducted from the price of the car. A serviceman who tried to collect on the dinner and free hotel room was told that the hotel was full but the dealer would pay for his tags. The serviceman wound up paying for his own tags.

Advertisements for "world-wide financing" and promises that "we can finance you without restriction regardless of where you are stationed" imply that the serviceman can ship his car overseas without trouble.

In the fine print on the back of the conditional sales contract, however, is a provision that the car cannot be taken out of the place of residence without the written consent of the seller or assignee (the finance company) until all payments are made and title is vested in the purchaser.

The military will not ship a car overseas without a clear title or a waiver from the finance company. When the serviceman believes

an unscrupulous dealer's advertisement about "world-wide financing" and requests the waiver from a finance company that doesn't have overseas connections, he is usually told: "We won't let you take the car out of the country until you pay it off."

The investigation of "bait advertising" for the Automotive Trade Association focused on cars

advertised far below the wholesale prices for these cars.

In a check of 100 advertised "bargains" 31 per cent of the "bargain" cars were rated as in very poor condition and 37 per cent in poor condition. In 74 per cent of these cases, the salesman was not interested in selling the advertised car—in many instances, talking the car down to the point where no one would consider buying it.

In 89 per cent of the cases, no guarantee was offered. In 76 per cent of the cases, no demonstration was offered—in fact, the car frequently couldn't be driven. In 11 instances, the car was not available for sale.

"Advertising is expensive," commented a committee official. "Why would they advertise junk—except to get people on their lot to sell them something else?"

Association officials have conferred with the prosecutor on false advertising but have run into the question of proof. If, for instance, a dealer refused to sell an automobile for one excuse or another, it would have to be proved that the dealer wouldn't sell it because he wanted to continue to use it as a come-on.

New Off-Duty Study Courses

30.1a — BASIC WAREHOUSING. For MOS's 3011 and 3051. Teaches the basic principles, methods, and procedures of effective and efficient warehousing practices. 6 lessons. 19 study hours. Subject Matter: Introduction and Storage Facilities, Materials, Handling Equipment, Storage Layout, Stock Location, Storage of Special Commodities, Safety.

11.8 — BASIC ELECTRICITY. Furnishes instruction on the fundamentals of electrical theory for Marines whose military occupational specialty requires a knowledge of electricity. As an introductory course, it serves principally to give future electrical technicians a solid foundation in their field. 7 hours, 60 study hours.

14.3a — MECHANICAL DRAWING. For Marines in MOS's 1411 and 1441. Primarily for those with previous experience in drafting; helpful to others in supplementing their knowledge and skills in drafting. Develops ability to visualize objects in isometric, oblique, and orthographic forms, to make freehand sketches and construct conventional working drawings. 9 lessons. 65 study hours. Recommended credit: 1 Carnegie unit. Subject Matter: Fundamentals of Drafting, Introduction to Lettering, Geometrical Constructions, Theory of Shape, Description, Sketching, Sectional Views and Dimensioning Auxiliary Views, Pictorial Drawing, Architectural Drawing.

Great Books Help Persons Think At Level Of Greatness

Throughout the United States, over 2,000 Great Books Discussion Groups meet to enjoy this largest program of adult liberal education. From 200 groups in Chicago to one group here in Onslow County, the Great Books are adding an important dimension to the lives of many Americans. The Camp Lejeune-Onslow County Great

Books Discussion Group meets every other Thursday in the Onslow County Public Library. This group, started a few months back, is a first-year study group comprised of Marines, both officer and enlisted, housewives, professional men and women and dependents.

Instrumental in the forming of this group was CWO Felix McCool (Ret.), Miss Louise Rowe, Central Librarian, and Mr. Aaron H. Farnell, Montford Point Branch Librarian.

The first year in the program is devoted mostly to government with such books and documents as the Declaration of Independence, Plato, Aristotle, Plutarch's Lives, Adam Smith, The Federalist, the Communist Manifesto and Tolstoy's The Death of Ivan Ilych. At the next meeting on Thursday, July 14, the group will discuss the Gospel according to St. Matthew.

In a discussion, three main questions are presented to the group in the form of more detailed questions. These are: What did the author say? What did the group think the author said; and how does his writing apply to us today?

The Great Books Foundation is a non-profit organization whose sole purpose lies in the encouragement of people to read and to meet together to discuss great books. This foundation is sponsoring an Institute for Program Development in Lake Forest, Ill. this month. Mr. McCool and Mr. Farnell will attend this meeting to learn more about the formation and planning of a Great Books Discussion Group.

The Great Books speak directly to every man, of himself and of his human concerns. They are for everyone, not only the highly educated person but for any one with a desire to seek wisdom and to use his own natural thinking processes.

The great authors are not in agreement; often, they will present conflicting, even contradictory answers to the basic questions. The participant in a Great Books discussion may disagree with many of them, must, in fact, in the face of disparate questions. His decision is his own. But whatever the answers the Great Books offer, the probe for the heart of each question. And in doing so, they help each participant to think straight to think for himself, and to think at the level of greatness.

Everyone is invited to attend the bi-weekly meetings. Anyone who has the desire to work by reading, and presenting his ideas and to attain a greater knowledge of the great ideas written through the ages and listening to ideas of others is welcome.

For further information, contact Miss Louise Rowe at the Central Library.

Staff Aides Classes Will Begin Monday At Naval Hospital

Another class for Red Cross Volunteer Staff Aides will be conducted weekly beginning Monday at the U. S. Naval Hospital. The classes will commence at 9 a.m. lasting until 3:30 p.m. in the Conference Room in Ward 17.

Anyone feeling she can volunteer a minimum of one-half day a week of her time to be of assistance to the Red Cross is asked to contact the Red Cross office at the hospital, phone 4-4332 or Mrs. A. F. Lucas, Staff Aide Chairman, phone 6-6135.

Those interested in applying for the course are reminded that volunteers must purchase a uniform and a pair of white walking shoes. Women whose husbands are assigned duty at the hospital may still take the course but they will be assigned duty in the Field Office on Main Post, with the Blood Program or in the chapter.

Many of these Red Cross Volunteers are presently working in the dependent clinics, serving as receptionists, answering the phone, making appointments, registering out-patients, etc. Trained Staff Aides can also be used in other administrative capacities in the local chapter, in the Field Office or in the hospital.

For further detailed information concerning the Red Cross, contact Miss Claire Sweeney, Field Director at the hospital.

FRA

A joint installation of officers for the Ladies Auxiliary of the Fleet Reserve Association and the Fleet Reserve Association, Branch 208, will be held tonight at 8 in the Montford Point Staff NCO Club.

Installing officers during the formal ceremony will be Mrs. Joseph Klarp, FRA, and Mrs. Agnes Martin, IAFRA. All members and their husbands or wives are invited and encouraged to attend. For information concerning FRA activities, contact Mrs. Mack Moore at phone 9-8216.

STAFF AIDES GRADUATES—Graduates of a recent Staff Aide Class held at the U. S. Naval Hospital are, first row, left to right, Mrs. L. D. McCurcerry, Mrs. Thomas Pearson, Mrs. Peter Olsen, Mrs. A. F. Lucas, Mrs. Theryl Johnson, Mrs. Michael Califano and Mrs. T. Q. Ambrose; second row, Mrs. John Sundholm, Mrs. Richard Strickler, Mrs. Charles Kelly Jr., Mrs. J. W. Love, Mrs. John Holt,

Mrs. Robert Piper, Mrs. Daniel Pregnall, and Mrs. McDonald I. Shuford; third row, Mrs. Robert Heigebach, Mrs. Frederick Karch, Mrs. M. B. Williams, Mrs. Joseph Kaptisch, Mrs. C. D. Darracott, Mrs. Edgar Stoddart, Mrs. Roger Banta, Mrs. Robert Smith, Mrs. Howard Stevenson, and Capt. L. E. Bach, USN, commanding officer, USNH.

Woman Wins Corpsman Of Month Award

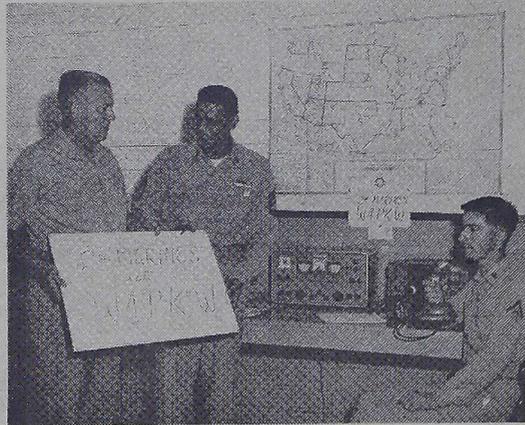

The U. S. Naval Hospital "Corpsman of the Month" award has gone to a woman for the first time. HN Elaine D. Carey will hold for the month of July the coveted title of "Corpsman of the Month."

A warm tribute was presented HN Carey in a letter from Capt. L. E. Bach, USN, commanding officer of the hospital: "Your superiors and shipmates alike report that you have been cooperative and pleasant in all your relations with them. Your consistently high standards of tact, loyalty, and performance of duty have won you the highest esteem of your associates."

Before entering the Navy in June, 1958, HN Carey graduated from Smyrna High School, Smyrna, Del. She has been at Camp Lejeune since December, 1958, and now works in Ward 5, dependent female ward, at the hospital. Her home is in Clayton, Del.

The Hospital Corpsman of the Month program was established recently at the hospital to recognize corpsmen who do an outstanding job in their day-to-day work. The nature of the work required of most corpsmen of the hospital is such that they are not afforded an opportunity to perform deeds and acts sufficiently outstanding to merit special commendation at mast.

The program will be a means of affording recognition to these deserving workers. Any hospital corpsman of any pay grade on duty at the hospital is eligible to be nominated for the award.

W4PKW—The Second Marine Regiment's amateur radio station gets ready to go into action as LCpl. Daniel R. Kelley, right, operates the microphone for their first call for contact. Col. Charles W. Kelly Jr. (left), commanding officer of the Second Marines, and Act. Gysgt. Segundo B. Diaz, regimental communications chief, hold the regiment's station code sign. LCpl. Kelley and Sergeant Diaz worked together in the construction of the station. (Photo by Act. Sgt. J. H. Webster Jr.)

Second Marines Set Up First Division Ham Radio Station

The Second Marines have set up the first organized amateur radio station, W4PKW, within the 2nd Division. Second Marines plan to set up a cross-country call system where the troops can call home and pay only the charge of telephone cost from the "ham" station contacted to their home.

The station has an indefinite range and can contact other amateur radio sets around the world if the reception conditions are good. The regiment plans to add equipment which will aid in better overseas reception. Since the station has been in operation they have made contacts in the United States, Canada, Panama Canal Zone and Nicaragua.

At present the only man in the regiment qualified to operate the set is LCpl. Daniel R. Kelley, a radio telegraph operator for Hq. Co. He has been working with ama-

teur radio for seven years and holds an FCC general license. He is now working with Act. Gysgt. Segundo B. Diaz, a radio chief of the regimental communication station, instructing interested Marines to obtain operator licenses.

Amateur stations are similar to the professional or commercial radio stations. The only difference is that there is no cost in the operation other than the cost of the equipment and the electricity used. Col. Charles W. Kelly Jr., commanding officer of the Second Marines, was present Friday, June 4, at the ceremonies when the official contact was made.

Division Special Services plan to furnish all regiments such stations and equipment. The set consists of a speaker, receiver and transmitter and is valued at approximately \$800.

Absentee Voting Rules For Servicemen

NEBRASKA

Registration is required in cities of more than 7,000 and in Douglas and Lancaster Counties. Armed Forces personnel should mail the Federal Post Card Application (FPCA) for registration and absentee ballot at least 90 days before election. They should be addressed to the county clerk except in Douglas and Lancaster Counties where the election commissioner receives them. Write in the margin: "Please mail registration forms."

Ballots have to be in by 10 a.m. the Thursday after election day and postmarked before midnight the day prior to the election. Voters must be 21 on day of election and meet residence requirements of six months in state, 40 days in county and 10 days in precinct or ward.

NORTH DAKOTA

Registration is not required for

Federal and State elections. Servicemen may receive absentee ballots by mailing the FPCA so it will reach the County Auditor, county of residence, within 30 days before the election. Members of the Armed Forces must see that the ballots reach their polling place not later than 20 days after election day.

Minimum age for voting is 21 on date of election. Voters must have lived one year in the state, 90 days in the county and 30 days in the voting precinct.

NEVADA

Registration is permanent for servicemen. To receive an absentee ballot, they should mail the FPCA to the county clerk between 90 and five days before the election if stationed in the United States; between 90 and 10 days if overseas. Ballots will not be accepted after polls close election day.

Voters have to be 21 by date of election and have a minimum residence of six months in state, 30 days in county and 10 days in precinct.

40 Marine General To Confer July 6

The 1960 Marine Corps General Officers' Conference will be held in Washington, D. C. July 6-8 with about 40 generals attending. Headquarters Marine Corps has announced.

The conferees will participate with General David M. Shoup, Commandant of the Marine Corps, in a series of discussions on Marine Corps policies, plans, and problems.

Highlighting the three-day conference will be talks by Under Secretary of the Navy Fred A. Bant, Adm. Arleigh Burke, Chief of Naval Operations; and General Shoup. Other speakers will include visiting commanders and the heads of most of the staff divisions and departments of HQMC.

FY '61 Pro-Pay Announced

(Continued from Page 1)

board E-4's through E-7's serving in MOS's listed in Group I, and to 12 1/2 per cent of those listed in Group II.

A special group, in which 100 per cent P-1 awards will be authorized for Marines in grades E-4 through E-7, includes DI's serving with recruit platoons at recruit depots, plus DI supervisors, and about 45 linguists serving in interpreter-interrogator-translator MOS's (8611, 8631).

P-1 payments for outstanding effectiveness will be authorized for one out of 30 Marines in grades E-4 through E-7 who are serving in MOS's not listed as critical. Such awards will continue to be made on the same basis as meritorious promotion or meritorious mast.

E-3's drawing P-1 pay on a carry-over basis from FY '60 will not count against critical MOS percentage quotas or in determining eligibility for outstanding effectiveness awards based on the 1-30 ratio.

A few MOS's listed as critical in FY '60 are not listed in the FY '61 program, and some have been reclassified into a group in which a lower percentage of awards is authorized. No Marine, however, will immediately lose pro-pay as a result of his MOS having been declared non-critical or reclassified. Those in this category drawing P-1 pay as of June 30, 1960, will continue to draw it until phased out through normal attrition, and will be declared in excess of quotas.

Instructions for implementing the P-1 phase of the FY '61 pro-pay program will be published as soon as possible in MCO 7220.12B and a preliminary ALMAR. Detailed instructions for implementing P-2 pay probably will not be promulgated until October or November.

The "most critical" MOS's in which P-2 pay will be awarded have not yet been determined. It is planned, however, that approximately 25 will be selected from among the 35 MOS's on the Group I list for P-1 awards. As of January 1, according to plan, CO's will be authorized to award P-2 pay to 50 per cent of their eligible on-board Marines, E-4 through E-6, serving in the MOS's to be selected.

As in previous years, the FY '61 proficiency pay program will be decentralized. Within broad criteria established by the Commandant, CO's will determine which Marines are to receive pro-pay. Local selection board and competitive examinations again will be utilized to assist in selecting the best qualified Marines.

To be eligible for critical MOS pro-pay, in addition to meeting basic requirements, a Marine must hold a primary MOS listed as critical. In addition he must be actually serving in a billet requiring that MOS or a related MOS listed in a special "Category B" which will be published along with the forthcoming MCO.

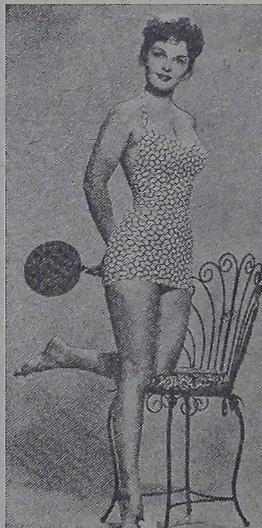

Once pro-pay is awarded, the individual will retain it on transfer if he remains qualified. Generally speaking, pro-pay may be terminated for any of following reasons: failure to maintain proficiency, reassignment to non-critical billet, promotion, confinement, reduction in rank, reclassification, re-evaluation in competition with others eligible, or assignment to inactive duty pending physical evaluation.

Critical Marine Corps MOS's are selected on the basis of formal training required, current shortages, reenlistment rates, and leadership factors. Objectives of the pro-pay program are to improve retention in critical MOS's, to improve quality of work, to reward individuals for outstanding contributions, to inhibit rank inflation, and to provide a stimulus for conversion to more critical fields.

This is the FY '61 critical MOS list for P-1 awards:

GROUP I (65 per cent awards)—0131, 0791, 0847, 0848, 1141, 1161, 1444, 2161, 2191, 2533, 2536, 2631, 2633, 2731, 2732, 2741, 2751, 2752, 2761, 2771, 2773, 4009, 4011, 4029, 4039, 6611, 6613, 6614, 6621, 6631, 6632, 6641, 6651, 6661 and 6671.

GROUP II (12 1/2 per cent awards)—0241, 0311, 0331, 0351, 0369, 0781, 0811, 0831, 0842, 0844, 0846, 1316, 1341, 1345, 1371, 1391, 1411, 1413, 1441, 1461, 1811, 1833, 1841, 1861, 2131, 2191, 2311, 2529, 2531, 2539, 2541, 2543, 2561, 2636, 3021, 3031, 3513, 4611, 6412, 6413, 6441, 6442, 6443, 6481, 6511, 6711, 6713, 6741, 6811, 6933 and 7113.

ALL GROWN UP—Former child star Luana Patten is showing a lovely grownup form to the camera's eye. For those who doubt, Miss Patten will be voting for the candidate of her choice in this year's Presidential election.

Eighth Motor Transport Bn. Holds First Truck Rodeo

Winner of the "Best Driver" trophy in the 8th Motor Transport Bn.'s first truck rodeo was Act. Sgt. John Wheeler of "B" Co. He bested all other entrants, compiling 269 points out of a possible 310. Competition was limited to companies within the battalion since this is the first time such a rodeo has been staged. 1st Lt. Tom

Paton, general chairman of the rodeo, expressed hope that the rodeo can be on a larger scale next year and that drivers of all units can compete.

Runner-up in the rodeo was Act. Cpl. Tom Wilson, "C" Co., only

one point behind.

The company trophy was won by "C" Company, with a total of 22 points; "D" Company was third with 199, and "B" Company last with 177 points.

Each obstacle in the course was worth a maximum 50 points. The 10 best drivers from each company were given a written test to test the contestants' knowledge of safety, courtesy and technical ability in driving a tactical vehicle. Low contestants were eliminated, leaving 18 drivers for the obstacle courses.

Obstacles included an equipment defects test which tested the drivers' ability to find defects in his vehicle. Then the drivers were required to back their M-54 trucks with trailers through three barrels in serpentine fashion. Only five drivers were able to successfully maneuver this course.

Other tests included backing through a gate to within 15 inches of a line, riding between five sets of tin cans with a two-inch clearance on either side of the wheels, and following a curved line between diminishing clearance stations and stopping with the front bumper directly over a stop line.

After completing the course, the drivers were interviewed and graded on appearance, courtesy and military bearing.

CLOSE DRIVING—1st Lt. Thomas Paton and Act. Gysgt. L. L. Blanning, rodeo judges, measure clearance during 8th Motor Transport Bn.'s first truck rodeo. The driver, Act. Sgt. John Wheeler, was named "best driver" of the day. (Photo by LCpl. G. H. McIntyre)
