## \$30,000 United Fund Goal Set For Month-Long Drive

Lejeune's 1955 United Fund campaign, aimed at a \$30,000 goal, will be launched tomorrow. The drive ends October 31.

The annual drive, known by its Red Feather symbol, provides funds for more than a dozen local, national and international service and charitable organizations.

Chairman for the Tri-Commands is Col. John H. Griebel. Lt. Col. Augustine B. Reynolds is 2nd Division chairman and Col. Jack Hawkins will handle Force Troops contributions. Marine Corps Base units have named unit chairmen for representative organizations.

The local fight against fatal diseases—polio, TB, cancer and heart diseases—is one of many subsidized by the United Fund. Crippled adults and children also are aided through fund contributions.

Another agency granted funds by the UF is the Crusade for Freedom, which beams programs behind the Iron Curtain in native languages. Powerful transmitters are maintained in Europe and Asia for this purpose.

Local agencies to receive funds from the UF include Boy and Girl Scouts of Onslow County, Onslow County hospital auxiliary, Onslow County United Fund and the Camp Youth recreation program.

National organizations to get

funds are Heart Relief, Tuberculosis Relief and United Jewish Appeal.

Other funds will go to the United Defense Fund, American Social Hygiene Association, National Recreation Association, United Community Defense Services, USO and United Seaman's Service.

The United Fund, formerly called Community Chest, was devised to simplify contributions through a single campaign which would divide contributions among member groups.

Last year's local campaign netted \$27,938.88.

## There's No Excuse

Illness in the family? A domestic difficulty?

The answer isn't in going over the hill. And no matter how noble the intentions, unauthorized absence has no excuse.

Besides, the Marine Corps is medically, legally and financially in a superior position to assist a Marine in solving his personal problems.

A Marine just can't proceed on impulse in handling his problem. Proceeding without authority to his home in the event of an illness in his family just adds to his woes.

A properly-considered decision, worked out with the help of officers and NCOs of the man's unit, is the correct solution. The agencies of the Marine Corps which have experience in such matters will lend a hand.

There is prevalent in our Marine Corps a false impression of punishment. A Marine, absent without authorization, may remain absent because of the concept of "I'm already in trouble, anyway, so I might as well stay a little longer." It must be obvious to anyone that the longer the absence, the more severe the punishment.

Another false concept is that the Navy Discharge Board automatically reviews each case of punitive discharge and that a period of good behavior as a civilian mitigates any punitive discharge.

That concept is wrong. Review is by petition, and no amount of good behavior in civilian life mitigates the stigma of a punitive separation from the service of one's country.

Many ex-servicemen have professed a readiness for a discharge other than honorable. Too late they found they were ostracized from social and veteran groups, were denied various benefits and found themselves in the untenable position of trying to keep the knowledge of their discharge from their children.

This is not just a theory. In last month's "Sound Off" column of The Leatherneck, an ex-Marine's letter related just that problem: How to keep the news of his punitive discharge from his children.

While most Marines know the value of an honorable discharge and the penalty of a punitive discharge, the full consequences of such separations must be made known. It is not enough that we be merely aware of them.

## Who's Clever?

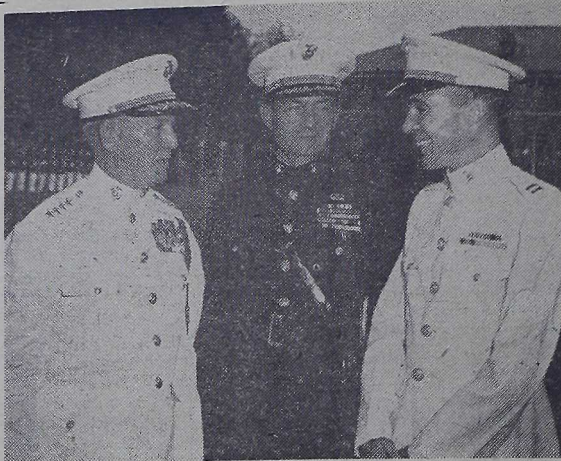

Your birth certificate is no guarantee you've got it made.

There is nothing in the rule book that says Americans automatically are going to do things better than anybody else—simply because they're Americans.

We have quite a national reputation to live up to as scientists, businessmen, inventors, innovators of all kinds. But our grandfathers and fathers didn't get it by sitting back on their haunches and figuring they had it coming. A nation's reputation, like an individual's, is made, not born.

Servicemen understand this better than most. They've been around during the past 15 years, visiting a lot of continents and countries where there are plenty of clever, industrious people who aren't Americans. Main Street, U. S. A., has no monopoly on brains or know-how.

We're doing well right now. But, if we're satisfied with that, we may be following in the path of the ancient Greeks, Romans and a lot of other people who were very good in their time. (AFPS)

WASHINGTON INTERLUDE—Capt. Richard S. McCutchen, right, winner of the top prize on TV's biggest giveaway show, "The \$64,000 Question," expresses his admiration of the impressive Sunset Parades held at Marine Barracks, Washington, to Gen. Lemuel C. Shepherd Jr., Commandant of the Marine Corps, and Col. Robert H. Williams, CO of Marine Barracks, during ceremonies when the captain received the review along with the Commandant.

## Chaplain's Corner

There is a tendency in our country today to confine our religion to Sundays. This tendency certainly exists among servicemen. Religion is looked upon very much like a Sunday garment which hangs in the closet during the week.

Not that one should neglect his daily duties to go to church but there are church services, both Catholic and Protestant, scheduled for your convenience which will not interfere with your duties. Or do you think an observing barracks-mate may poke fun at you because you are showing interest in the reason why you were created?

Truly, we may be obliged only on Sunday, to worship God formally, but we are also obliged to wear our religion during the week. Our religion should influence every act we perform throughout the day, our relations with our superiors, subordinates, companions, relatives, friends, and even enemies.

The moral principles and the principles of justice and charity according to which we act: these are all religious. We learn them

in our religious training, and we are obliged to use them everyday. Our Lord said, "If you love Me keep My Commandments." By no stretch of the imagination are the Commandments just for Sundays, or for certain places or occupations. The Commandments are for all creatures having the use of reason, no matter what may be their places in this world.

Keeping the Commandments is doing the will of God; it is working for our eternal happiness; it is knowing, loving and serving God in this life so that we may receive the reward He has promised.

This is certainly not just a Sunday job.

## Varsity Set For Invasion Of Monmouth

Fresh from a 40-6 victory over a weak Ft. Lee eleven, Camp Lejeune's football team will invade Fort Monmouth tomorrow for a 2 p.m. encounter with the Signaleers.

This is the third time the two teams have met. Lejeune gained a 20-6 triumph in 1953, but last year the New Jersey soldiers edged the locals 7-2 at Liversedge Field.

Left Halfback Don Bingham sustained a slight separation of his right shoulder in a tackling drill Tuesday and will be unable to play against Ft. Monmouth. Bingham, leading ground-gainer in the Marines' first two games, should be ready to go in the Pensacola contest.

Ends Joe Hands and George Cordle will be out of action as will Tackle Bernie Zickefoose.

Maj. Charlie Walker plans to go with the same team that started last Saturday's clash. Murphy and Pitt will start at the flanks, Florio and Tokus at tackle, and Bobo and Bacote at guard. Glenn Derr is scheduled to be at the center slot.

Calling signals will be Quarterback Pat Ryan, who has completed nine of 14 passes in two games.

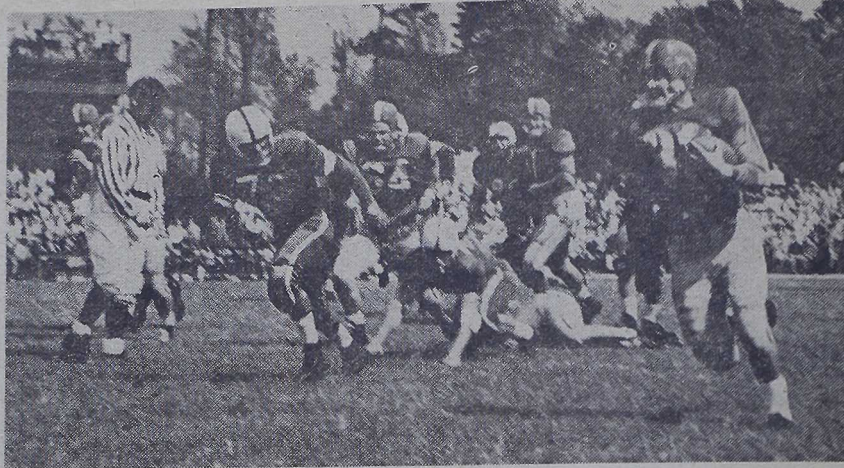

At one halfback spot will be Bill Roberts. Also in the backfield will be hard-charging fullback Bill Tate.

Fort Monmouth has dropped their only game this year, bowing to West Chester State Teachers college 14-7 last Saturday. The Signaleers were not at full strength for the game as four linemen, under contract to professional teams, were ineligible for play against the collegiates.

The Signaleers boast a mammoth line that averages 228 pounds from flank to flank. Guards Ted Chicailo, 5'11", 232, and Ron Hansen, 6', 225, both were pro linemen last year, Hansen with the Washington Redskins and his running mate was with the Chicago Cardinals.

Other ex-pros in the Monmouth line-up are Bob Fry, 220-pound Los Angeles Ram end, and Tom Adkins, Toronto Argonaut center. Bob Fleck, Syracuse All-American in 1953 and '54, will start at tackle.

Dick Pryor, player-coach of the Signaleers, is expected to lead the running attack from his left halfback slot. The 5'11" speedster, a veteran of three years' varsity play at Arkansas, captained the Razorbacks in his senior year.

**BREAKAWAY**—Lejeune fullback Bill Tate sprints into the open for a 23-yard gain during the first half of the locals' 40-6 victory over Ft. Lee. Tate's run gave the winners a first down on the Traveller

25 and set up the initial touchdown. Coming up to makes the tackle for Ft. Lee is Steve Daniels, 73. Lejeune player in view is Frank Durrer, 64.

## Camp Belts Ft. Lee 40-6 To Blast Home Game Jinx; Shows Standout Defense Play

BY PFC STEVE GOLDBERG  
Assistant GLOBE Sports Editor

A hard-charging Camp Lejeune football team ran roughshod over Ft. Lee last Saturday afternoon, walloping the visiting Travellers 40-6.

Playing before an enthusiastic crowd of 8,000 at Liversedge Field, the Marines won their second straight of the season, breaking a year-and-a-half victory drought on their home grounds.

The win was highlighted by an alert Lejeune defense which recovered five Ft. Lee fumbles and intercepted three passes.

First touchdown by the winners was set up when halfback Bill Roberts snared a Ft. Lee fumble on his own 48 in the opening minutes of play. From there the Marines marched to paydirt in seven plays with Don Bingham carrying over from the six.

Quarterback Pat Ryan booted the extra point and from that point the Leathernecks were never headed.

Ft. Lee took the kickoff, but could run only two plays before Bingham pounced on a loose ball in the Traveller backfield.

With the pigskin on the visitors' 35, Ryan took to the air, hitting Roberts on the 20 for a first down. After Bingham bucked the center for five, Ryan threw, this time to Co-Captain Howie Pitt on the five-

yard line.

A Ft. Lee penalty moved the ball to the three where Bill Roberts crashed over his own right side for six more points. Ryan's try for the point was wide and Lejeune led 13-0.

The locals scored again midway through the second period on a five-play attack from their own 20. After Roberts and Bingham moved the ball to the Lejeune 35, Ryan faded back and hit Bingham with perfect strike on the Ft. Lee 40. The speedy halfback sprinted the rest of the way to the end zone, completing a 65-yard scoring play.

Ryan's second successful extra point kick gave Lejeune a 20-0 edge.

The Travellers then struck back for their only score of the day. Taking the kickoff on his own 10, Traveller quarterback Lee Pasley threaded his way back to the 39. On the first play from scrimmage, Pasley flipped a short pass to halfback John Watson, who eluded two Lejeune tacklers, picked up good blocking and sprinted to paydirt.

Pasley was wide on his try for the point, and the Leathernecks' lead was 20-6.

Lejeune made the half-time score of 26-6 when sub-quarterback Fred Hughes intercepted a Watson pass on the home 35 and went all the way. Tackle Blair Todino threw the key block, cutting down the Traveller safety man.

The scoring pace lessened in the second half as Coach Charlie Walker let his reserves pick up valuable game experience.

A 65-yard pass play from Fred Hughes to halfback Don Kilgore was good for another six in the third period. Jay Reedy wobbled the extra point over the goalposts to put Lejeune ahead 33-6.

Al Androlewicz's interception of a Pasley pass on the home 35 set up the final score. From there the locals smashed to the Ft. Lee 2, with Al Jeris' 23-yard jaunt the key play. Bob Rosbaugh spun off the left side of the Lejeune line for the tally and Joe Merli's extra point left the scoreboard reading 40-6 at the final whistle.

Ft. Lee only threatened twice, penetrating to the Lejeune 14 once and to the five another time. On both occasions the Marine defense stiffened to prevent Traveller scores.

## Pro-Am, Junior Golfers Set Pace At Paradise Pt. Links

Presentation of trophies to the winners of the Junior Golf Tournament, and the running of the 1955 Pro-Amateur Tournament highlighted last week's activities at the Paradise Point Golf club.

Camp Commander Brig. Gen. Russell N. Jordahl presented awards to 29 young golfers in an informal ceremony at the club last Saturday morning. Low gross winners of the Junior tournament were Bonnie Britt and Butch Everett in Class A, Patsy Everett and Ken Saddler in Class B, and Jean Nickerson and Eddie Altman in Class C.

The Pro-Am tourney was won by Terry Malan, Cape Fear Country club, and HMI W. D. Maranville with a best ball of 65. Second place was shared by the teams of Charlie Farlow, Starmount club, and Capt. J. J. Marron; and Chuck Alexander, High Point, N. C., and Lt. J. G. Fiveash. Both had a best ball of 67.

Pro medalist was Charlie Farlow,

winner of the 1955 North-South Carolina Open Tournament. Farlow toured the Paradise Point course in a one under par 71. Chuck Alexander, with a 72, copped second place.

Qualification round for the 1955 Club Championship was completed last week with 144 qualifiers, the most in the history of the tourney. Medalist was TSgt. S. A. Burek with 75-76-151.

All tournament pairings have been posted in the clubhouse. First round matches must be completed by Saturday, October 8, and winners must complete at least one match per week thereafter.

In the playoff for second and third place in the Staff NCO tourney HMC R. Milestone turned in an 18-hole score of 80 to edge MSgt. G. C. Thomas by three strokes and cop second place.

## MCSS Meets Air Facility In Grid Battle

A crucial meeting between Supply Schools Bn. and Marine Corps Base grid schedulers will highlight tomorrow's clash under the arcs will of the three teams still in league play.

Naval Hospital, the third team, feated aggregation, romped to an easy 28-6 victory over Police Bn. last week. A back J. E. Smith scored touchdowns. Smith scored on short passes from back J. E. Dailey and on a 19-yard scamper. The fourth touchdown came on a pass from Dailey to end A. left.

Supply Schools Bn. turned in a high score, routing near School Bn. 40-2. Fullback Skipper led the winner with two touchdowns, spraying yards to the end zone on a long kickoff. Ray Yanches, a 45-yard scoring passer, converted after all five Montford Point touchdowns. Again Supply Schools defied unrelenting with the Engineers, able to make a single field goal with the exception of one on a penalty.

First Infantry Trng Bn. squeezed by the Rifle Range 20 in a game featuring a second-half comeback of the ITR-scoring was disrupted evenly with Jim Gilmore, Moore and Ernie Diggs scoring once each. Joe Lamey, ITR man, was a defensive star for the winners.

Headquarters Bn. won the game of the season, beating Military Police Bn. 12-0. Terback Winfield for one halfback Grant Queen, the other when he intercepted MP pass and dashed 20 yards to paydirt.

Rifle Range edged School 36-30. H. Hariston scored times for the losers in fought ball game.

## Here's A Glimpse Of Camp Lejeune Grid Opponents

In grid action last week of Camp Lejeune's football opponents turned in impressive victories.

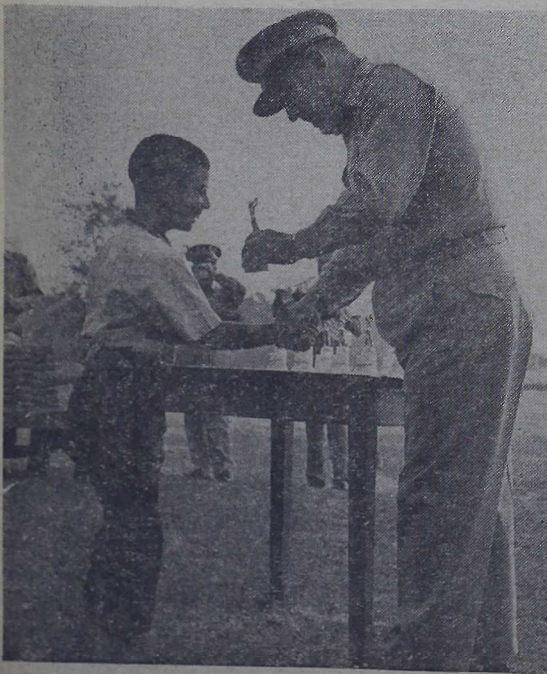

Pensacola NAS, next opponent of the Marines, beat AFB 26-7. Art Liebsch, hawk quarterback, led the ground attack with 82 yards and eight carries. End Chuck caught two passes for a scoring one touchdown and up another.

Parris Island got off to a start in their 1955 football season, walloping Little Creek 0. Little Creek had four intercepted and lost two to the alert Islanders. For the Marines turned these into touchdowns.

An alert Fort Jackson capitalized on opponents' snafus, snaring five Fort Belvoir and intercepting three, beating the favored Fort Engineers 14-0. The Jacks scored on a four-yard halfback Bob Maddox and a yard pass play from quarterback Hal Ledyard to end Bill.

While the perennially Quantico eleven whipped Eustis 27-6, Fort Monmouth upset 14-7 by West Chester Teachers college.

The Monmouth Signaleers the ball on fumbles twice in their own territory. Times had touchdowns against them. Dick Pryor, mouth player-coach, turned outstanding run of the breaking away for a 75-yard run on a handoff the middle of the Teacher's line.

**CHAMP**—Eddie Altman, low gross scorer in the Class "C" Division of the Paradise Point Golf Club Children's tournament, receives his reward from Brig. Gen. Russell N. Jordahl, Camp commander, during a ceremony Saturday morning in front of the clubhouse. Eddie is the son of Camp Special Services officer Lt. Col. and Mrs. Sidney J. Altman.

**LINE JOTTINGS** . . . The last time Camp Lejeune had won a football game at Liversedge field was Nov. 27, 1953, when the Parris Island 16-0. Last Saturday afternoon, the 1955 Camp Lejeune football showed promise of bigger and better when they turned in a 40-6 rout over visiting Ft. Lee.

It was a beautiful afternoon for a football game, warm and slightly Liversedge field never looked better. And we never before the scoreboard so happily as we did when the ball game was in progress.

The captains for the home opener were end Howie Pitt, 1954 football captain, and Bill "Moose" Connolly, a guard from the University of Massachusetts.

The victory belonged to the whole squad, as Maj. Charlie Walker saw action.

The time festivities were enlivened by the presence of the 2nd Drum and Bugle Corps. The high-stepping musicians, in their orange and white web gear, kept the capacity crowd entranced with a minute drill performed with no oral commands.

**MEMBERS GAME** . . . The statistics tell much of the winning of the locals piled up 383 yards from scrimmage compared to the visitors' 154. Lejeune's ability to cash in on every break is shown by the fact that in the first half, at the end of which the eleven led 26-6, Lejeune and Ft. Lee both ran 27 plays. In the second half, as the winner's offense slowed somewhat, the locals had 32 chances to the Travellers' 22.

The scoring was spread among eight players, Don Bingham leading with two touchdowns. Roberts, Hughes, Kilgore and Rosbaugh also chipped in with six-pointers. Extra points were booted twice by Pat Ryan, once by Joe Merli and once by Jay Reedy. Reedy's was a bloop that just did clear the crossbar. The 6'1" end had another successful boot that was nullified by a holding penalty. When he tried a repeat performance from the 28 the pignskin sailed wide of the mark.

Lejeune's seven pass completions were snared by seven different receivers. Bingham, Kilgore, Roberts, Reedy, Murphy, Lee and Pitt all did their bit for the cause.

**FUTURE BOOK** . . . The next two months will see some of the nation's top football talent performing at Liversedge field. The coming Lejeune pignskin opponents will have at least one All-American on their roster, and some have more.

A black run-down on what's coming shows Pensacola NAS moving October 8, led by Steve Eisenhauer, All-Navy with Quantico last year.

All-American in 1952. The Hawks also boast Joe Gattuso, a fullback with Navy's All-American in 1954, and Art Liebscher, MVP in the East-West game.

Belvoir has All-Pro halfback Wells, former Michigan star, and end George Tarasone, who won the All-Southeastern honors at LSU in 1952. Quantico are All-Americans Mike Villanova and J. J. Oklaoma.

Palone, probably Lejeune's toughest potential gridiron, will field Tommy O'Connell, star quarterback of the Chicago Bears; Maryland's Paloney, halfback Chet Paloney, and Billy Reynolds of the Maryland Browns, and fullback Lattner, ex-Notre Dame.

**CLASH** . . . Working out at Goettge Memorial field house with the Lejeune basketball team is Nick Maguire, player-coach of the Philadelphia Warriors. Nick, who will be released from the Marine Corps on December 1, plans to give professional basketball a whirl and to make the grade with the Philadelphia Warriors.

The Philadelphia entry in the National Basketball Association is strong this year with returning service stars, Larry Henrich, Fort Eustis, Paul Arizin of Quantico, and Jim Mooney of Quantico. All performed here at Camp Lejeune during their tour.

## 'Pups After 1st Win Tonight; Meet Pamlico

Both Camp Lejeune High School and Pamlico will be seeking their first win of the season tonight when the Devilpups travel to Pamlico for a clash under the stars.

The locals, who dropped a 6-0 squeaker to Beaufort last Friday night, will be strengthened by the addition of two new men. Jack Tate, 5'10", 160-pound end, joined the squad last Monday as did Terry Gill, 5'11", 170-pound guard. Both played high school football in California and are expected to see action against Pamlico tonight.

Coach Dick Lauffer, looking for a winning combination, has named Jimmy Gordon as his starting quarterback for tonight's clash. Gordon replaces Bob Salisbury, slated to work as a line-backer.

The Pups' 6-0 loss to Beaufort last week came on a 6-yard pass from halfback Larry Kirk to end Dick Moore with less than a minute to play. The score climaxed a Beaufort drive that began on the Sea Dogs' own 42.

Both teams muffed scoring opportunities in the first half, with Lejeune moving as far as the visitors' 5-yard line.

The Pups' first scoring opportunity came late in the first quarter. Back to punt on his own 30-yard line, Lejeune halfback Waldo Phinney snatched up a wild pass from center and behind good blocking threaded his way to the Beaufort 27.

Two running plays and two attempted passes by quarterback Bob Salisbury netted only seven yards and the Sea Dogs took over.

After Beaufort lost the ball on their own 43, the Pups again started to move for paydirt. With halfback Ed Donahue breaking through the line on quick openers, Lejeune picked up a first down on the 27.

Once again the Pups' scoring machine sputtered and Beaufort took possession on the 23. Three plays gained only two yards, forcing the Sea Dogs to punt.

Lejeune fullback Jim Tokarski, who played a brilliant game from his line backer-up slot streaked through to block Jimmy Owens punt and the Pups were in business again on the Beaufort 15.

Donahue carried twice to the Sea Dogs' 8, but the visitors' line, sparked by the play of end Jimmy Owens, stopped the home eleven cold.

That was Lejeune's last scoring opportunity of the night as Beaufort came back strong in the second half, moving the ball well on offense and jarring Lejeune ball-carriers with smashing tackles.

Halfback Waldo Phinney turned in a good game for the Pups, carrying ten times for 89 yards.

**TOUCHDOWN**—Beaufort end Dick Moore snares a last-minute pass from Larry Kirk to give the invading Sea Dogs a 6-0 win Friday over the Lejeune Devilpups. Coming up to make the tackle in the end zone is 'Pups halfback Ed Donahue.

## Cannoneers, Sixth Marines Gain Divvy Intramural Wins

A powerful Tenth Marine grid machine coupled a rock-ribbed defense with a vicious ground attack to bowl over a weaker Group II squad 26-0 last Friday on the Area 5 athletic field before a bleacher crowd of 700.

Ernie Williams, Ed Korcep and Bob Fish spearheaded the attack as the Cannoneers rolled up 185 yards rushing.

Larry Cress, linebacker, and Oran Zarbst anchored the big, fast line that held the losers to a mere 49 yards rushing.

The Artillerymen tallied early in the initial period after a series of line smashes by Williams and Korcep put the ball on the Group II 30. Then Fish tossed to end Mel Brown in the end zone. Lonnie Schwansburger converted as the Tenth led 7-0.

Midway in the third quarter, Williams punched over from 10 yards out to up the score to 13-0. Schwansburger's attempt for the extra point went wide.

Shortly before halftime, Williams galloped 70 yards for a TD, but the play was recalled on a holding penalty. Failing to make yardage, Fish punted to the Group II 35. From here the losers started their only offensive threat of the game as they marched to the Tenth's 35. This was their deepest penetration all afternoon.

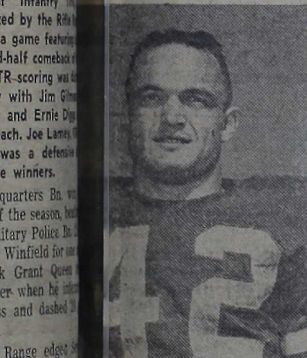

The winners scored twice in the last period on a 48-yard off tackle smash by Korcep and a 54-yard punt return by Fish moments before the gun went off.

**PLAYER OF THE WEEK**—Joe Foley, Second Marines tackle, for his play in his team's 12-6 win over the Eighth Marines in a regular 2nd Division Intramural Football game last Friday afternoon on Varsity Field.

Korcep was the leading ground-gainer as he picked up 72 yards on eight tries. He was followed by Fish with 68 and Williams with 48.

Scoring started early as Gulf back Lawson took the ball on his 35 on the kickoff and raced all the way to score. Hubbs, on a quarterback sneak, plunged over for the extra point.

## Division Intramural Grid Loop Officials Hold Rules Meeting

Officials of the 2nd Division intramural football league met last Thursday for assignments, drawing of equipment, and discussion of the rules.

Lt. Col. Marvin C. Stewart, Division Special Services Officer, acting as meeting coordinator, informed the officials on what would be expected of them during the five-week season.

The league officials attended a referee's clinic this year and many have previous officiating experience.

Four men will be assigned to each of the three games played on Friday afternoons. They will be designated as referee, umpire, head linesman and timekeeper.

Each Thursday, the entire group of officials will meet for new assignments and a discussion of the previous week's play. No man will be allowed to officiate in a game in which his unit is participating.

The roster of officials includes 1st Lt. E. D. Ricker; 2nd Lts. Claude S. Palczak, Ralph S. Paul, Andrew R. Rudisin, J. W. Reshchar, Lester C. Wallack, Jr., Charles A. Bobkier, Lee R. Brown, Jerome J. Groom, Ronald J. Frederick, J. D. Heath, James Fleming, MSgt. Herbert Hale, SSgt. Angelo Salestro, HMC J. Lowery, HM3 Robert Gabriel, Cpls. Robert Ross and D. A. Smith.

## 3rd Triple-A Wins MCB Rifle Match

First place honors in the Marine Corps Base intramural rifle competition, held last Friday, went to the 3rd AAA AW Bn., four-man team which scored 1,076 points in the five target categories.

Second place went to Service Bn., with 1,074, and third spot to the 2nd 155 Howitzer Bn., 1,065.

Individual honors were snared by SSgt. J. M. Wise, of First Infantry Trng. Regt., with 274; second to Sgt. R. M. Hall, Service Bn., 272; third to MSgt. F. J. Heidt, 3rd AAA AW Bn., 271, and fourth place went to Pfc J. L. Getgen of the Rifle Range Detachment.

**LEAGUE LEADERS**—Members of Marine Chevrolet's Big Green football team look happy after winning their second straight game from Gulf Oil last Saturday on the Tarawa Terrace athletic field to remain atop the Camp Lejeune Boy's Football League. Front row: Nelson, Greene, Ledbetter,

Montford, Thomson and Jenkins; 2nd row, Haynes, MacFarlane, Johnston, Tyree, and Annis; Back, Al Everett, assistant coach, Ciszek, Everett, Frogner, Carter, Taylor, Ward and Coach Don Everett. Not shown in the picture are Wendell, Boys, Kuchler, Taylor and Bozarth.

**FISH A'PLENTY**—Fish, wildlife and we humans have all enjoyed cessation of summer's hostile temperatures. Bonanza runs of all the salt water fish species at the piers Surf-City-way have been reported. The NCO in charge of the Div. Amateur Radio Station, TSgt. C. R. Bridges, who lives at Surf City, told me that fishermen averaged 50 fish each last weekend. Those persons who didn't find room to fish on the piers were taking them from the surf. Puppy drum, mackerel (king and spanish), blues, pompano, spot, flounder, croakers and pigfish filled every bucket or stringer in sight. Bridges took a seven-pound pompano-family fish from the surf and saw another landed that hit the nine-pound mark.

**ANCHORS AWEIGH!!!!** The Navy's catching all the fish, so my reports indicate. . . Comdr. R. H. Secrest, of the Dental Clinic, caught 15 fish in two hours at Bogue Inlet last Saturday and DT3 Frank Trizna, also of the clinic, with a before-work catch of a seven-pound drum, a couple of bluefish and a pompano. These men get their fish the hard way, too. Try this surf casting business and you'll see what I mean. Once you land a lunker you'll be an ardent fan. They run big in the surf and you never know what's on the other end of your line until you bring him through the suds.

**BONITO RUNNING**—MSgt. Roy L. Hust, Comm Co., 2nd Division, caught two largemouth black bass, one seven pounds and the other a six-pound beauty, less than 25 miles from Camp Lejeune. Six miles on the other side of Lake Catherine at Fountain, N. C., take a left to Baysden Road. A boat and the privilege to try for these lunkers costs one dollar.

Maj. H. T. Clemens, assistant S-3, 2nd Service Regt., was outside trolling Sunday with Maj. H. R. Reed, S-3, 1st Bn., Eighth Marines, and between them they boated nine bonito, ranging from 12 to 16 pounds. Are you convinced? This is the fishing season. Let's get at it.

**HUNTING-WISE** I have nothing to report. However, those regulations may be out by press time. One big change coming up, I understand. All members of hunting parties must fire a familiarization course prior to hunting. Details will be in forthcoming directives. Sounds like an excellent undertaking. The thought behind this program is to allow personnel to become familiar with their weapons, primarily, of course, those drawn from Special Services.

**LENS SUBJECT**—Thanks to the cooperation of the fishermen who caught the above-mentioned fish, we have the pictures of those catches and they will appear in subsequent GLOBES. If your catch is newsworthy, remember to call me. Arrangements can be made to get a picture of your bag limit, be it fish or game.

Bob Anderson, Second Marines' linebacker, intercepted an Eighth Marines' pass on his own 40 and return to midfield. Anderson and Walt McKinney combined running talents to advance the ball to the one-yard mark. McKinney bulled over for the score. The conversion attempt failed.

The Eighth came back in the third period to knot the count at 6-6. Halfback Gordon Taft took a handoff from quarterback Tom Kilmurray, skirted right end and raced 48 yards down the sideline to paydirt. The extra point try was blocked.

With only a few minutes left in the contest, the stage was set for Foley. Slashing in from his line spot, Foley gathered in an Eighth Marines' lateral by J. Gordon and sprinted to the game-winning TD. The point try was off.

## PROGRAM NOTES

BY MSGT. TOM DeCASTRO

It's no secret, that for a few years now, dancing has been at rather a low ebb. Many ballroom owners and band leaders say that attendance has been dropping since 1950.

Everyone was quick to offer reasons for the decline and solutions to the problem. Some said that both teen-agers and oldsters were staying home to watch television and others said that better bands were needed. Still others claimed that people of today need a dance that is entirely new—one that is completely different and one they can call their own.

Since ballroom business has begun its drop, many bands were forced to quit the business, some were forced to reduce to combo size, and some bandleaders, in a desperate attempt to keep solvent changed the style of their music completely. There were a few, however, who remained together as if nothing had happened.

Today, the entire complexion of the band business is changed. It is well known now that the band business is once again in the throes of a revival. People are dancing and going to ballrooms and night clubs in an ever increasing number. It is interesting to note that in spite of what was said, it has been proven that people will dance, even the old steps, providing the band plays the right kind of music.

Sunday on "Sophisticated Swing" over WCLR at 1:30 p.m. we will present typical examples of the "big" bands who weathered the storm that began in 1950—bands that never changed their styles even while others were going out of business.

The gentleman to your left, who thinks he knows Continental music because he can hum a few bars of "La vie en rose," is in for an agreeable surprise when he hears our "Script and Score" program Sunday at noon. On this program WCLR will play some of the suavest melodies of the season.

Not until very recently has the European song had much success in America; every year or so some English-language song makes a strong bid for fame, but on the whole the tempos and moods of Continental music have been a mite too special for domestic tastes. However, with the success of "The Song From Moulin Rouge," "April in Portugal" and "Anna," at substantially the same time, an increased interest in European music sprang up, and the portfolio presented on this program is a fascinating survey of the best of these songs.

A tremendous amount of interest is building around our new daily program, "Your Town's Ten." We'd be very pleased to hear your comments on this program. Listen for your hometown's favorite popular music on WCLR every day from 3:30 p.m. to 4:14 p.m.

## Armored-Tanks Retain First Place In FT Grid Intramural

Third-place Rams defeated the 8th Motor Transport Bn. 24-7 last Wednesday at the Camp Geiger football field.

First Ram score came early in the first quarter when quarterback "Chick" Forbes handed to Harry Hays for a 10-yard touchdown drive through guard. The extra point attempt failed.

The game see-sawed until late in the second quarter when Ram's end, Lewis, intercepted a pass tossed by Motor's quarterback Gilmore and raced 55 yards for the score. The kick for the extra point failed.

No score was chalked up in the third quarter but the Rams had moved to the Motor's five as the whistle blew. First play in the fourth saw Ram halfback Coombs plunge five yards off tackle to score. The extra point was blocked.

8th Motors came back with a drive after the kickoff to the Ram's twenty-five. Quarterback "Harv" Gilmore then passed to fullback Hartert in the flat to make the lone Motors tally. Dick Treddinnick booted the extra point.

In the closing minutes of the game, the Rams scored their final touchdown. They took the ball from their own 40 to the Motors 20 in three plays. Then Forbes handed off to Coombs who went the distance. The extra point failed.

2nd Combat Service Group defeated the faltering last year's Camp champions, 2nd Amphibian Tractor Bn., 12-6. The ball game was tied 6-6 going into the final 15 seconds of the game when CSG quarterback Brown passed from his own thirty to his right end Saunders who sprinted 70 yards.

Armored-Tanks retained first place in Force Troops' football league by rolling over a spirited Lion's squad 21-0 last Thursday at Camp Geiger to make in three straight wins against no losses thus far in the season.

The Tankers got off to a quick start when halfback Duane Bodenhemier returned the opening kickoff 60 yards to the Lions' 30. Tanks pushed to Lions' one yard line and then fumbled.

Lions recovered but two plays later Lion halfback Jim Cheek was

tackled by Sam Pienta in his end zone for a safety.

First quarter play never left Lion territory as Armored Tanks drove to the Lions' goal after the second kickoff. Halfback Pete McKenna scored on a line buck but the extra point attempt failed.

The third score came in the quarter after the Lions had pushed deep into Tanks' territory. Tanker end Frank Pollard scooped up a free ball after a fumble and sprinted 70 yards for a touchdown. But the score was called back to the Lions' twenty yard line on a clipping penalty against the Tanks. Halfback McKenna then climaxed a short drive and made the Tankers' score good. Extra point attempt by McKenna succeeded.

Late in the fourth quarter Armored-Tanks scored again when quarterback Duhaime ran the ball over from the 12 on an option play.

Wednesday morning 8th Comm Bn. and 8th Engineer Bn. battled to a scoreless tie on Camp Geiger football field. The tie, plus two earlier victories, put Comm in second place.

## 1st Bn. Gets Crown Over 2nd In Eighth Regt. Softball Play

First Battalion copped the Second Marines Regimental softball league crown last Monday on the Area 2 softball diamond. The game preceded a presentation of trophies for the winning softball nine and also for the winners of the regimental golf matches.

Although 1st Battalion won 5-1, it was a pitcher's duel all the way with only two solid hits in the entire game. Armstrong went all the way on the mound for the 1st, giving up five scattered hits and four walks. Delroach took the loss for 2nd Battalion, giving up six costly walks and allowing five hits.

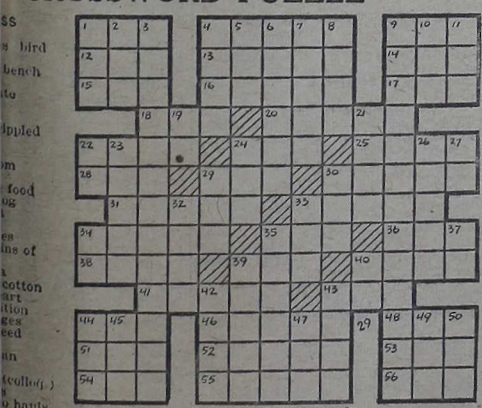

First Battalion's fired-up squad took the lead in the second inning when Wood, batting cleanup, drew a walk, stole second and came home on Farrell's single to right field. Morrison was out on a fielder's choice advancing Farrell to second. Ison then singled, bringing in Farrell for the second tally of the inning.

They added one more score in the fourth, one in the fifth and one in the seventh to complete the rout.

Second Battalion's only run of the game came in the second inning when Greer led off with a single and advanced to second on Wood's error. Russo sacrificed Greer to third and Wallin brought him around with a single.

Following the game, Col. W. R. Collins, Second Marines' commanding officer, presented trophies to the winning and runner-up in the regimental sports competition.
