Timothy Brian Whitacre would have been a year old last Saturday.

He would have been a year old last Saturday, but he died last Friday night, the victim of a collision between his marine father's automobile and a locomotive at the crossing on the Camp Lejeune-Jacksonville road.

There were eight persons in that auto—three women, three men and two children. Between them they suffered one death, one broken arm, five broken legs, and scattered other fractures, contusions and lacerations.

The cause: defective brakes. That was Feb. 19, 7:25 p.m. On Feb. 19, 6:15 p.m., two Lejeune Marines were injured when their auto turned over several times off Highway 258 between Snow Hill and Kinston.

Sgt. Jerome Sillo, Service Co., 2nd Division, suffered multiple minor contusions as a result of

driven by Pfc Lewis A. Stone, 2nd Division, crossed over into the path of a car driven by TSgt. F. A. Wilson, 2nd ANGLICO.

The toll: Mrs. Jeanatta Wilson, three-month-old Rebecca Wilson and Pfc Stone, dead; Sgt. Wilson seriously injured and Stone's two passengers, Pfc L. L. Austin, Wpns Co., Eighth Marines, and Cpl. L. H. Williams, H&S Co., 2nd Bn., Eighth Marines, both seriously injured.

On Feb. 20 at 3 p.m., two marines were injured when their car turned over several times on Highway 17 north of Holly Ridge.

And on Feb. 20 five Lejeune marines were injured when their car went out of control near Tampa, Fla.

EDITOR'S NOTE
The first week in February the Provost Marshal's office predicted three Marine deaths for the entire month; by Feb. 7 there were five.

Now there have been six. There are three days remaining in February—and 309 remaining in 1954.

Rifle Match Units To Report Feb. 27

Camp Lejeune units participating in the annual Southeastern Division Rifle and Pistol matches are scheduled to report to the rifle range Feb. 27.

All units participating in the matches will be aboard for their required six weeks of practice by March 15. The finals for the match will be held April 26-30.

LECTURE FOR LONG-TIMERS

The Camp Education officer will give a lecture in the Camp theater at 10 a.m. Wednesday afternoon for personnel with 18 years of service or more, and those nearing their 18th year of service, to explain provisions of the Uniform Services Contingency Option act of 1953, which vitally affects them.

100% Membership Sought As Red Cross Drive Starts

One hundred percent membership is the goal of the 1954 Camp Lejeune Red Cross campaign which starts Monday and continues through March.

Under the direction of Col. John E. Willey, commanding officer, Supply School Bn., the campaign will seek to enroll

Plans Being Laid Here For Summer Reserve Training

Pre-annual Organized Reserve summer training conferences began in the third area theater last Tuesday and will conclude this afternoon.

Brig. Gen. Matthew C. Horner, acting camp commanding general, welcomed representatives of 97 Organized Reserve units, and then turned the conference over to Lt. Col. Bertram E. Cunningham, commanding officer, Reserve Training Bn.

Also attending the conference were members of the Division of Reserves, Headquarters, Marine Corps, Directors, Marine Corps Reserve and Recruitment Districts and representatives from Marine Corps Base, 2nd Marine Division and Force Troops here.

The 97 units scheduled to receive their two-weeks summer training here this year will be the largest number to train at Lejeune since World War II.

The first group will consist of 13 units scheduled to arrive here June 7. Other units will continue to arrive weekly until August 16, when the last units undergo their "on-the-job" training.

Infantry units, formerly located at Hadnot Point, will be attached to the 1st Infantry Training Regt.

Also included are recreation in military hospitals and a club-mobile program in Korea, voluntary

Lejeune will keep a visual check on the progress of next month's Red Cross drive with a huge white cross to be erected near Bldg. 1.

The cross will be divided into four sections, one each for Marine Corps Base, 2nd Division, Force Troops and civilian personnel. Progress of the campaign will be noted by blocking out each section in red, the first section to reach the center taking top honors.

"WHAT ARE YOU GOING TO DO WHEN YOU GRADUATE?"
(Asked of seniors at Camp Lejeune High School.)

ANN KEY, SENIOR EDITOR OF ANNUAL—I'm going to the University of South Carolina and study physical education. Being a water instructor and loving to swim, I'd like to further my education and someday teach in college. During the summer months I'm going to teach at a summer camp in Virginia.

WALTER HEWETT, EDITOR OF THE ANNUAL—Georgetown university in Washington, D.C., here I came as soon as I graduate. I'll be taking a pre-med course with a major in biology. The idea of being a doctor interests me and also Georgetown is a very good university.

CHESTON MOTTERTHEAD, PRESIDENT OF STUDENT COUNCIL—I'm going to study engineering at Duke university or Penn State. I like math and will more than likely study electrical engineering. I'm also gonna try for a master's degree and then go into the business end of engineering instead of teaching.

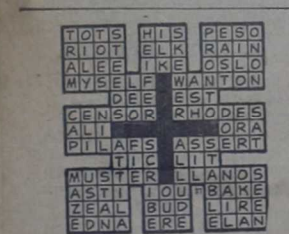

KERRY WARREN, BUSINESS MANAGER OF THE ANNUAL—After I graduate I'm going to the Woman's college in Greensboro, N. C., and enroll in business administration. I really want to be an airline hostess, and you are required to have at least two years of college.

AGNES DIETC, ART EDITOR OF THE ANNUAL—I'm going to enter a school for nursing in New York, where I hope to receive my RN. I'd like to go to art school later on or take it up just as a hobby.

DON ABERNATHY, PRESIDENT OF SENIOR CLASS—I like to work with people so I'm going to the University of North Carolina, where I'll either study law or medicine. I believe if you aim high you'll get the biggest opportunities out of life.

LOCK AND LOAD—This chap, who has you zeroed in right between the eyes, is causing no end of confusion at the rifle range this week. He doesn't mean to. It's just that everywhere he goes at the range people get all mixed up. Why? See below (Official USMC Photo).

"Is this the rifle range? I'd like to speak to Ryffel." "Rifle?" the clerk at Lejeune's rifle range queried. "We've got plenty of rifles here. In fact, you can hear them firing now." "Yes, I know Ryffel's firing now. But it's important that I talk to him." "Say" retorted the clerk, "what kind of gag is this?" "No gag at all. I want to speak to Ryffel, Serial Number 1346431, of—"

A slight note of irritation crept into the clerk's voice. "Yeah, I know. But all rifles have serial numbers. You want a rifle? Well go over to your company and check one out."

"But Ryffel is checked out

from Headquarters Company, Headquarters and Service Battalion, Marine Corps Base, Camp Lejeune, and—"

"So," the clerk replied, "you lost your rifle and you think we got it out here at the rifle range." "No, my rifle is not lost. I just want to speak to Ryffel." "Where are you calling from?" "In just a jiffy I'll have the hospital send over a straight jacket and transportation—"

"I am not nuts! Now can I speak to Private First Class Robert E. Ryffel or not?"

"Oh, you want to speak to Pfc Ryffel—a marine firing out here—a person, not a rifle—oh—"

Top Titles Included On New Library List For Bookworms

Today the Camp Lejeune GLOBE begins a new monthly feature: a column reviewing and reporting important monthly additions to the Camp Central library and its branches.

Prepared for the GLOBE by the library staff, the new feature is designed to inform readers of the latest in good reading and reference material. Space permits listing only part of the new books, however. For the complete picture, try browsing in your area library.

NON-FICTION

Triumph And Tragedy, by Winston Churchill.

Brings to a conclusion the six-volume history of World War II. Covers D-day, the Yalta conference, the death of Roosevelt, the Potsdam conference, Churchill's defeat at the polls, and the opening of the atomic age.

The Man Who Never Was, by Ewen Montagu.

The account of a clever hoax which foisted upon the Nazis an anonymous body and carefully fabricated "secret documents" as Major Martin with genuine papers. Prepared with painstaking care, the hoax tricked the Germans and contributed materially to victory.

The Civil War, by James Street.

The author's own version of the Civil War, in which he explodes many of the popular myths concerning this conflict and comments on it leaders both Northern and Southern.

FICTION

Not As A Stranger, by Morton Thompson.

Luke Marsh, dedicated since boyhood to the study of medicine, was willing to do almost anything to further his medical career. An engrossing story filled with shocking case studies, it is a picture of many people vividly presented.

Tomorrow, by Philip Wylie.

A dramatic appeal for the immediate organization of an effective

program of civilian defense which will prepare the nation physically and mentally for the horrors of atomic attack. Excellent suspense story.

Last Clear Chance, by Burke Wilkinson.

For the third time Bill Stacy is involved with Geoffrey Mildmay (British agent or unprincipled adventurer?) and with him breaks up the sinister alliance of a disgruntled policeman and Red agents.

SSgt. Finds Cold, Cruel World Outside Comes Back Into Fold After 8 Months

"The Marine Corps is the place for me."

These were the words of Philadelphia Emil W. Porco Jr., who integrated into the regular Marine Corps recently, after treading a rough and rocky path in vain search of a civilian job.

Porco, former staff sergeant with five year's active duty under his belt—including the one year tour in Korea—was discharged July 27, 1953. He enlisted in the inactive reserve upon separation.

Porco found that times on the "outside" were rough and job opportunities were at a minimum. He knocked on employers' doors for eight months—to no avail.

No job, no money. Porco decided to return to the Corps—now he's back to stay.

To support his claim that jobs are hard to find, he said re-

cruiting offices in Philadelphia are crowded with ex-Marines who want to return to active duty "security" reasons.

Porco first entered the Corps in 1948. In 1952, he joined the Division in Korea. As a member of the Fifth Marines, and later Seventh Marines, he served forward observer.

With the Seventh Marines, Porco manned a position on far Outpost hill, which was over by Communist forces. He was wounded in Nov., 1952, in Panmunjom and was awarded the Purple Heart.

Upon return from Korea, Porco served as an instructor of weapons and tactics at the Basic School Quantico.

After advising Maj. M. H. Paige, 2nd Division recruiting officer, of his decision Porco Lejeune to report to his unit at Quantico, where he'll resume his career.

More New Housing Ready For Marines In Northwood Area

Twenty more housing units became available to Camp Lejeune military and key civilian personnel last Wednesday when the first three families moved into the newly-opened Northwoods housing project in Jacksonville.

The first of a proposed 150 units, the homes will rent for \$53.50 per month, plus utilities, according to H. M. Eastwood, project manager.

Eastwood said the remaining units are expected to be open in two weeks.

Each of the duplex units is oil-heated, has an all-electric kitchen and provides outlets for washing machine installation.

The homes are currently limited to staff NCO's and key civil service personnel.

Also available through the Camp Housing office under the GI Bill, according to Eastwood, are ten three-bedroom units in Northwoods and ten similar units in Swansboro's Edgewater Homes, all non-rental.

Meanwhile, the Camp Housing office has announced that immediate housing in one- and two-bedroom units is available to staff NCO's.

Captain Hightower Reports As New CO Of Naval Hospital

Capt. Emmett D. Hightower, MC, USN, has relieved Capt. Charles R. Wilcox, MC, USN, as commanding officer, U. S. Naval hospital here.

Before reporting to Lejeune, Capt. Hightower commanded the Naval hospital, at Beaufort, S. C., from December, 1951, to February, 1954.

A native of Cisco, Texas, the Captain received his B.A. from Vanderbilt university, Nashville,

CAPTAIN HIGHTOWER Tenn., in 1923. The degree of doctor of medicine was conferred on him by Vanderbilt in 1927, he entered the Navy, the same year.

In 1931 he attended the Naval Medical school, Washington, D. C., and in 1943 he studied at the Naval War college, Newport, R. I.

During World War II he was awarded the Legion of Merit and the Bronze Star for his part in the New Guinea and Philippine campaigns.

Capt. Hightower and his wife, the former Nancy Couzens, of Greenwich, Conn., reside in quarters at Hospital Point.

Toastmasters Area Speech Competition Here This Monday

The old chestnut, "Unaccustomed as I am to public speaking" holds no water for Toastmasters International, which will sponsor a speech contest at Marston Pavilion Monday.

Scheduled for 7:30 p.m., the contest will feature seven outstanding club speakers from Camp Lejeune, Cherry Point, Goldsboro, Kinston and Wilmington, N. C.

Contestants will be given a choice of three subjects to speak upon. The subjects will be handed each contestant in a sealed envelope on Monday morning, and all speeches will be limited to seven minutes, with a five-minute minimum.

Scheduled to speak for their respective clubs are:

James S. Merrill, Camp Lejeune Staff NCO's; Bob Ryerson, Cherry Point officers; Noble A. Eddins, Cherry Point Staff NCO's; Elbert A. Ward, Goldsboro club; Albert G. Karnell, Kinston club; William L. Nelson, Paradise Point club and Homer Inman, Wilmington club.

Winner of the contest, to be chosen by 10 judges, will be eligible to compete in the district contest in April. Should he win there, and in forthcoming zone and Regional contests, he would earn a berth at the international contest at Washington later this year.

Interested former Toastmasters and prospective members at Camp Lejeune are urged to contact Maj. McNeill, (officers) or MSgt. Bruce Erhardt (Staff NCO's) for information concerning the contest and membership in local clubs.

UNCOVERED BY STUMPED TOE—This hillside monument to the Marine Corps was restored by leathernecks participating in the current TRAEX maneuvers on Vieques. It was built by native laborers in 1938, abandoned and obscured by undergrowth for over 15 years. It was found by Brig. Gen. Henry R. Paige, TRAEX commander, and his aide, 2nd Lt. William R. McGee, when the latter tripped over the ruins (Official USMC Photo).

Lejeune 'Archeologists' Find Forgotten Marine Monument

VIEQUES, P. R.—A hillside monument, built as a tribute to the first marines who served on the island of Vieques in the late '30's and then forgotten, was recently uncovered by Lejeune troops participating in the Lant TRAEX 2-54 maneuvers.

The monument, reportedly built by Puerto Rican laborers, consists of a large American flag with the words "U. S. MARINE CORPS, SEMPER FIDELIS" spelled out in rock formations. It measures 100 by 111 feet. The "U" and "S", largest of the letters, measure 27 by 44 feet. The remaining letters are 12 feet high. The flag itself is 21 by 24 feet and is on a staff 60 feet long.

Concrete Flag
The flag is a concrete slab about a foot thick, with painted field,

OH, SAY CAN YOU SEE—MSgt. William P. Wright of the Eighth Marines dusts off one of the stars on the huge flag, giving you an idea of the size of the display.

stars and stripes. The letters and flag pole are made of rocks set in concrete. These have been white-washed to make them stand out against the grassy hillside.

Over the years the grass and weeds grew and only a few marines remembered the existence of the monument. The undergrowth completely hid the masterpiece.

Having heard of the monument Brig. Gen. Henry R. Paige, commander of Lant TRAEX 2-54, was determined to locate it.

The General and his aide, 2nd Lt. William R. McGee, scouted around the hillsides near the Vieques airstrip, where the monument was reportedly located.

Stumped Toe
Lieutenant McGee stumbled over a "pile of rocks." Pushing away brush, he discovered one of the letters of the line reading "SEMPER FIDELIS."

A working party was assigned the job of clearing the hillside and in a few days the entire monument was uncovered. After a paint job, the hillside resumed the appearance it had 16 years before.

According to Valentin Colon Ramos, 77, resident of Vieques, the monument was constructed in Oct., 1938. Through an interpreter, Judge Jose Rivera Piriz of Vieques, Ramos told his story of the flag's construction.

300 Workmen
Ramos said he was foreman of a group of 300 laborers assigned to build an airstrip.

When the job was finished, the workers were laid off. They could not find other jobs immediately. Doctor L. T. Davis, then mayor of Isabel II, the island's only town, suggested the construction of a monument in tribute to U. S. Marines who were due to arrive for training.

The men, under the direction of Ramos, constructed the monument in a period of 18 days.

NOTE: Marines who may have further information on this story are invited to send it to the GLOBE.

Wilmington AKC Dog Show March 13

More than 200 of the finest pure-bred dogs in the nation will appear in the sixth annual Hanover Kennel club dog show March 13 in Wilmington. The event will be staged in the gym of the Brigade Boys club, 718 So. 3rd st.

Basketball will be a forgotten sport at Camp Lejeune shortly, but its passing will long be remembered.

One thing for sure, this season won't soon be forgotten. There are many who will claim, long after the final game, that Lejeune should have racked up a much better record than it did. The talent was certainly there. Paced by Leroy Smith, Newt Jones and Skip Whitaker, all three college greats, Lejeune shouldn't have had trouble with too many teams.

There were enough good players on the roster to field an excellent starting five, and plenty of depth.

SHOWBOAT—We've never read anywhere that a basketball referee is supposed to add color to a game, but ever since we heard of Pat Kennedy and his colorful antics on the hardwood, we've been partial to colorful referees.

Lou Bello, a regular Southern Conference official, assigned to many of our basketball games this season, provided a little extra entertainment. Not only does he have a voice loud enough to fill the field house, but his accompanying gestures add a lot to a game.

In addition, he never leaves any doubt as to who committed the foul and what offense was perpetrated. In all, he's the best whistle-blower we've had here the past two basketball seasons.

WM Basketball—It is very obvious this week that there are only two contending Women Marine basketball teams eligible to win the East Coast basketball championship . . . Camp Lejeune and Cherry Point. Only one of these two teams can represent the East Coast and make the trip west to vie for the Second All-Marine Women's basketball championships March 24 through 26.

Should the Lejeune sextet defeat the Cherry Point Jets tomorrow night, there will be no doubt as to which team will make the trip. If they should lose, it will be a different story. If the Jets can beat both Henderson Hall and us, then it looks like they will make the trip. That's the big question which will be answered before the week is out. Who goes?

AT RANDOM . . . Vince Grimaldi, co-captain of last season's University of North Carolina quintet, now is playing basketball at Fort Jackson, S. C.

Dr. M. L. Walters, coach and instructor at Springfield college, Mass., currently is conducting volleyball clinics for servicemen throughout France and Germany.

The New York Giants baseball team has lost infielder Daryl Spencer to the Army. Spencer alternated with Alvin Dark at short-stop last season.

Fifteen players from the 1953 Cherry Point baseball team will report to major and minor league camps this season. Top prospect is pitcher Don Stewart who reports to the Cincinnati Redlegs in Tampa, Fla., Feb. 25. Stewart compiled a 14-7 record with the Flyers last year.

Track ace Wes Santee, USMCR, set an indoor dirt track record for the mile in a triangular meet between Kansas, Illinois and Michigan State College. The lanky Kansan was clocked at 4:04.9.

Camp Cagers Never Die, Just Fade Away; Wind Up Season With Win Over Chargers

Camp Lejeune after a rocky last half of the season, closed out its regular schedule by defeating Camp Pickett 91-85 last Monday night at Goettge Memorial field house.

Skip Whitaker, ex-Kentucky star, met up with an old teammate in Gene Neff. They ran off with top scoring honors for their respective teams. Whitaker hit nine fieldgoals and five from the free throw line for 23. Neff dumped in 11 fieldgoals and nine from the charity line for a total of 31.

The local cagers led at the start and the Pickettmen never got within more than two points after the first few minutes. But the Leathernecks could not pull away, and the visitors stayed within striking distance to the end.

The locals took their largest lead at halftime, when they held a seven-point lead.

Others hitting the double scoring column for Lejeune were Reggie Lee with 22 points, Newt Jones with 17 and Joe Prater with 13.

Other high scorers for Pickett were Dick Abele with 17 points and Reg Giddens with 16.

Varsity Five Tops Flyers For Initial Win Over Marines

Lejeune's basketball team snapped a five-game losing streak and racked up its first victory over a Marine team in two seasons with an easy 83-70 win over the Cherry Point Flyers last Thursday night here.

Playing their best ball of the season and without the services of their ace scorer, Leroy Smith, the local cagers rang up their tenth win of the season against 18 losses.

Smith received a cut hand earlier in the week which required several stitches and a cast. He will be out the rest of the season.

Leading all the way, Lejeune was ahead 22-15 at the end of the first quarter, 45-41 at intermission and 67-53 at the start of the fourth.

Pacing Lejeune were Newt Jones and Skip Whitaker; Jones dumped in 12 field goals and four from the charity line for 28, high for the night. Whitaker hit the cords with 11 field goals and four free throws for 26 points.

Larry Thompson, led Cherry Point with 27 points. Ben Myers scored 20.

Cagers Lose No. 19; DesLant Wins 70-64 After Trailing By 9

Varsity cagers blew a nine-point lead and bowed to the Sailors from DesLant 70-64 at the Goettge Memorial field house Saturday night.

The locals took an early first-period lead 21-14 and ran it up to a half-time margin of 38-29. But at the 4:30 mark of the third quarter, DesLant tied up the ball game, and took a lead they never relinquished even though the Marines made it hot for them in the final minutes in an desperate attempt to catch up.

Newt Jones led the locals scoring with 23 points — high for the game. Skip Whitaker was next with 14.

DesLant's Bob Hightower hit for 17 to take scoring honors for his team. Three other Sailors hit the double scoring column, Jack Lindbom with 13, Hugh Dawson with 11 and Pete Ramponi with 10 points.

It was the 19th loss of the season for the local Marines against 10 wins.

The Army, Navy, and Merchant Marine transported 676,218,753,400 long-ton miles of cargo across the Atlantic and Pacific oceans during World War II.

I'LL TAKE THAT BALL—Bob LaMar, Second Combat Service center, leaps high in the air to snatch the rebound out of the hands of Jim Cunningham, of Second Shore Party Bn. while three teammates, Noye (9), Berkholder (3), and Southwick (10) round to help out. 2nd Combat Service Quint Wins New CL Basketball Championship

The 2nd Combat Service quint from Force Troop won the Camp Lejeune intramural basketball championship by defeating the 2nd Shore Party five from the Division last Thursday night in Goettge Memorial field house.

Combat Service and Shore Party tossed the ball back and forth in the first quarter.

Shore Party holding a 3-0 quarter edge. The score was 27-27, at intermission. The point spread in the first six points with Shore Party 19-13, on successive field goals by Jim Cunningham before the first quarter ended.

However, Combat Service came alive in the third quarter, 54-38, controlling the boards and outscoring Shore Party 27 points to 11. The lead was 54-11. The game was tied by Red Barry, who scored eight points, Noye, who made 10, in the fourth quarter.

In the fourth the Shore Party continued to dominate the boards.

Pacing Combat Service was Willie Noye with 24 points. He was the big wheel on the boards for the 2nd Combat Service. Barry followed Noye with 10 points.

Joe Fortunato led Shore Party with 13 points. O'Brien made 15.

At the end of the game, Gen. Matthew C. Horner, Camp commanding general, presented the team and trophies.

Shore Party's O'Brien collected the outstanding trophy by General Barry.

Results of other games played earlier in the 2nd AmTrac defeated the 89-53; Supply School Bn. 75-54. These games played last Tuesday.

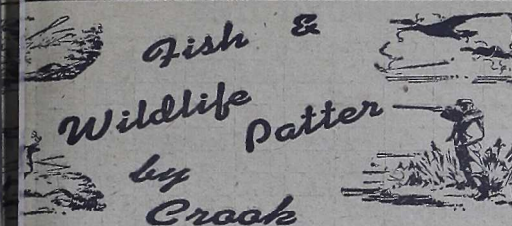

Wednesday's results: Combat Service five defeated Shore Party for the 81-69; Supply School Bn. Second AmTrac 68-67. The game that day, found the Party winning handily, 76-60.

king of Henderson, "Willie" and two fellow conservationists, Ennit and Ben James from the State Wildlife Resources, were entertained at the last meeting of the Fish and club. Their broad knowledge of conservation, acquired from training and practical experience, provided the answers to questions. A covey of new members, 14 to be exact, joined and like the old members, and guests, they didn't have a word for food or entertainment. After the food, movies and a business session, a discussion of real interest regarding our game of nature wound up the evening. The annual elections will be held at the next meeting in Bldg. 1404 at 7 p.m. All members are urged to attend—newcomers too.

WM's Win No. 9; Smother DC Gals

Camp Lejeune's Women Marines chalked up win number nine last week after defeating Henderson Hall 52-38 on the road in a return engagement. The cagers met once before this season and Lejeune then won 45-25.

Pat Burbage scored 21 points for Lejeune and Ouida Craddock was high scorer with 15 points for Henderson.

The WMs will meet Cherry Point tomorrow night on the Flyer's home court in the deciding game of the East Coast season.

2nd CSG Tops Force Troops Basketball; Al Richter Scores 469 Points In 17 Games

Force Troop's Intramural basketball league teams finished their 1953-54 schedule last week and the league champion, 2nd Combat Service Group won the Lejeune Championship. Combat was undefeated during the season while winning 22 games.

The 2nd Amphibian Tractor Bn. took second place with a final standing of 19 wins and three losses. Two of the losses were suffered at the hands of CSG while the third was administered by Hq. Co., who tripped AmTrac, 67-65, in a surprise upset.

Third place went to the 2nd Armored Amphibian quintet, who under the scoring leadership of

Al Richter, finished the season with an 18-4 record. Armored lost twice to Combat Service and again to AmTrac.

Richter, who averaged 27.6 points a game, led the Amphibs. He led the league with 469 points in 17 games. His nearest competitor, Dollard of CSG, trailed by 200 points.

The 8th Engineer Bn. finished the season with 15 wins against seven losses to nail down fourth place. In the final week of play the Engineers defeated 8th Motor Transport Bn., 70-66, with Souder's 24 points leading the way. Brown, with 22 points, was high for the Motormen.

The small but mighty Recon Co. team copped fifth place with 12 wins and eight losses.

8th Signal Bn. moved into a sixth-place tie with Hq. Co. by edging the 8th Motor Transport five, 56-44, in Signal's final game of the season. Snoddy led Signal with 13 points while Kerr topped the Motor team with 22 points. Signal and Hq. Co. each finished with an 11 win and 11 loss record.

2nd ANGLICO was delegated to a seventh-place tie with 8th Motor Transport Bn. when they split their final games of the week. They topped 8th Signal Bn., 69-58, and bowed to Hq. Co., 80-56.

Mathis led ANGLICO with 19 points in the first game and 13 in the second. Hypolite led the losing Signal Bn. with 19, while Lynch paced Hq. with 19 points.

2nd 4.5 Rocket Battery won their last game of the season when they defeated 2nd Amphibian Truck Co., 61-42. Hewitt led the Rockets with 18 points while Hammer made an equal number for AmTrac. The Rockets hold eighth place with four wins and 16 losses.

2nd Topographic Co. and 2nd Amphibian Truck Co. shared the cellar with a three and 19 record.

IT COULD HAPPEN TO YOU (2 Bells)
A comedy starring Judy Holliday as a girl who comes to New York looking for fame and fortune, soon to realize she can only make a name for herself by earning it.

STING IN THE CORN
Stars Judy Canova and Alan Jenkins. No further information available.

SKIRTS AHOY
No information available.

BLOWING WILD (3 Bells)
Here is a picture that starts with a bang and thereafter the pace is continuous action, suspense and a story of all you need to know about oilmen, Gary Cooper and Ward Bond.

BEACHEAD (3 Bells)
A carefully detailed drama about the island of Iwo Jima, the Pacific in World War II. Stars Tony Curtis and Frank Lovejoy as two hard-fighting Marines and Mary Murphy as the lovely daughter of an island planter.

CREATURE FROM AN ISLAND LAGOON (2 Bells)
This is another one of those horror films dreamed up for three-dimension. It is a story of a creature in an old-fashioned flat style. It should still prove exciting enough to the fan who

gets his kick from monster and science fiction stories. Cast not available.

GO MAN GO (4 Bells)
This is the story of the Harlem Globetrotters, famous clown team basketball players. Gary Cooper plays Abe Saperstein, the team's fiery owner, with Pat Breslin as his wife. Other members of the cast are Sidney Poitier, Edmond Ryan and others. The team for themselves. The picture captures the natural enthusiasm that goes with the sport.

GYPSY COIT (2 Bells)
Here's another horse story. The one's about a girl who is in danger of getting back to his mistress, Donna Corcoran, after being taken away to be trained as a race horse. The plot is strongly reminiscent of "Lassie Come Home" which starred a dog. Ward Bond and Frances Dee, in supporting roles, add strength to the picture.

TORCH SONG (2 Bells)
Joan Crawford in a dramatic performance as a selfish star who conceals the fact that she is aging by talent and vitality. Her conflict with Michael Wildgen, who plays a girl and plays the number one role in finding love, happiness. The role is a triumph for Miss Crawford; although the story is not too original. GI

Young and Marjorie Rambeau
able supporting job.

JIVARO (2 Belts)
Here's one for the adventure fan. It's crammed with action and romance and hair-raising. Centered around conflict between seekers and head hunters in the Amazon, it stars Rhonda Fleming, Fernando Lamas and Richard Widmark. Technicolor.

SHOW BOAT (4 Reels)
This is the second time this film. It's big, technical, beautiful. The lineup of stars includes Gardner, Howard Keel, Kathleen Ryan, George E. Stone, Joe E. Brown, Mary Martin, and William Warfield. An old favorite Jerome Kern concluded and Warfield stops the "Old Man River."

RETURN OF THE PLAINSMEN
The only information available is that a couple of people named Chips Rafferty and James Cagney will play the lead roles. Maybe they're bad. They aren't. They are good. The whole thing is about a lady.

THE MAN BETWEEN
This one's a spy thriller in place in the Eastern and Western sectors of Berlin. The conflict Claire Bloom, mistaken for Neff, is abducted by Russia. James Mason attempts in an exciting chase into suspense and intrigue. It's a movie.

DRAGON'S GOLD (1
If you can't find anything

RETURN TO PARADISE
Gary Cooper plays a soldier who tries his luck on a remote island. He clashes with a white missionary, who forces him to accept his strict moral code. Cooper finds romance and adventure as he falls in love with a native girl, Berta Haynes. The Technicolor picture was actually filmed in the South Pacific. It's based on the book by James A. Michener.

This is the documentary—has no professional actors. It's a panorama of nature. Scenes range from volcanic mountain ranges, pastures, fish and fowls, Nature in a glomeration.

This one's in the same class as the one above. It contrasts old movies with what the younger generation get to see. George rates this one. It lasts only 10 minutes. You might find it amusing, but don't expect too much.

It won an Academy award years ago and it's worth a look. The Technicolor is wonderful, the dancing by Gene Kelly and Carol. If you like musicals, this is for you. George C. Scott makes it well worth a look.

RIOT IN CELL BLOCK 1
This is a prison drama, but definitely above average. Nease and Leo Gordon (you may recognize Nease from his role as the star as leaders in a prison takeoff on an actual outdoor prison. The picture builds by its intensity, really mounting suspense. Released film was done by its producer Wanger who served time for admiring of his wife, Joan, while back.
