LEJEUNE DOES ITS PART—Major General Henry D. Linscott presents Mr. George See, Director of the Jacksonville USO, a check totalling \$9,686.96 as Camp Lejeune's contribution to the nationwide USO Drive. The check will be forwarded to the Jacksonville USO headquarters, and the money will be used to support USO activities throughout the country (Official USMC Photo).

Drive Hits Top 500 Presented By CG

Gen. Henry D. Linscott presented a check for \$9,686.96 to Mr. George See, director of the Jacksonville USO, on behalf of the national headquarters of the United Services Organizations, as Camp Lejeune's contribution to the nationwide Defense Fund Drive. The check will be forwarded to the Jacksonville USO headquarters in Charlotte to be added to the total received over the country. The drive is the largest of its kind in the world, and is being conducted by the USO in cooperation with the National Defense Fund. The drive is being conducted in the form of a nationwide campaign, and is being supported by the USO in cooperation with the National Defense Fund. The drive is being conducted in the form of a nationwide campaign, and is being supported by the USO in cooperation with the National Defense Fund.

Deadline For Xmas Decoration Contest Set For Dec. 20

Units who enter the annual Christmas decoration competition are required to have their displays ready by Dec. 20, according to Camp Memorandum 640-52. Judging will take place between Dec. 20 and 22, with announcement of the winning organization on the 22. The Commanding General's trophy will be awarded the winning unit. Units are urged to use their ingenuity in constructing displays, and there are no limitations on motion or size. All lighting must be cleared through Camp G-4, for both displays and Christmas trees. The judging committee will be composed of the following officers and enlisted men: Lt. Col. J. F. McCollum (Senior Member), Maj. J. K. McCollum, 2dLt. J. W. Malottki, MSgt. G. W. Doore, MSgt. S. C. Platt, jr., and MSgt. A. W. Faby.

Gen. Megee Takes Reins Of First Wing

Maj. Gen. Vernon E. Megee, commanding general, air, FMFPac, will take command of the 1st Air Wing in Korea early next month, succeeding Maj. Gen. Clayton C. Jerome. General Jerome, whose new assignment has not been announced, will report to Headquarters Marine Corps after taking leave.

A graduate of Oklahoma A & M, General Megee enlisted in the Marine Corps in 1919 and was commissioned a second lieutenant in 1922. After training at San Diego and Pensacola, he was designated a naval aviator in 1932.

General Megee won a Legion of Merit Medal and Bronze Star Medal during World War II for his leadership of landing force air support units at Iwo Jima and Okinawa.

After the war he was a member of the Joint Amphibious Operation and Doctrine Committee in Washington and served at the National War College and Fleet Marine Force, Atlantic. Before assuming leadership of FMFPac air power, he served as Assistant Director of Marine Aviation and as Director of Intelligence for the Joint Chiefs of Staff.

Commandant Of Korean Marines Visits Camp Lejeune Three Days

Promotion Tests Start January 26

The new year's first round of General Military Subjects Tests and Technical Tests will start January 26 and end February 19.

First to be examined will be sergeants, staff sergeants, and technical sergeants, who will take their GMST's January 26. Technical Tests will follow the next day.

For those sergeants, staff sergeants, and technical sergeants who are not examined on the above dates and are eligible for testing, alternate GMST's and Technical Tests will be given February 18 and 19, respectively.

Eligible privates first class and corporals will be examined January 28. Alternate GMST's will be given February 20.

Those eligible for examinations will not be granted leave over the testing period, unless they do not wish to be tested.

Under recent changes of the eligibility requirements for testing, privates first class, corporals, and technical sergeants need ten, 11, and 15 months in grade, respectively, by next May 31 to qualify for examination. Staff sergeants and sergeants need only a year in grade.

Privates first class and corporals compete for advancement on the basis of test and composite scores, while sergeants, staffs, and techs must pass technical exams and be considered by NCO selection boards scheduled to meet in March at Headquarters Marine Corps.

New Battle Star For Korea Medal

An additional battle engagement star for the Korean Service Medal has been authorized by OPNAV NOTICE 1650. The notice also sets Apr. 30, 1952, as the terminal date for the "Second Korean Winter" campaign, which started Nov. 28, 1951.

The new engagement star is authorized for the "Korean Defense—Summer-Fall, 1952," covering the period from May 1, 1952 to Nov. 30, 1952.

Corps Speeds Up Issuing Of Orders For Transportation

Recent Marine Corps action has speeded up issuing of transportation orders to dependents of personnel ordered to or from a restricted overseas station on a permanent change of duty.

Under the new policy, commanding officers issue certificates in lieu of orders to all personnel entitled to transportation for dependents when such men are detached from a permanent duty station and transferred either to a restricted overseas station or to a station for assignment to a replacement draft or when they are ordered assigned to duty beyond the seas.

The date of orders shown in the certificate will be the issue date of the orders detaching the man from his permanent duty station. It will not be the date of the transfer's authorization or the authorization of orders from an intermediate station.

Asia Military Chief Landing At Cherry Point Field Tonight

Maj. Gen. Shin Hyon Zoon, Commandant of the Korean Marine Corps, will arrive here tomorrow for a three day visit of the camp's training facilities and the various Marine units stationed here.

The Korean Commandant left Japan to begin his tour of U. S. Marine installations on December 2, and has been visiting west coast Marine bases since his arrival in the United States a week ago.

Gen. Shin and his aide, Captain Kang Han, are expected to arrive at Cherry Point at 10:30 p.m. tonight. He will be formally welcomed aboard Lejeune tomorrow morning by Maj. Gen. Henry D. Linscott.

During his three day visit here the visiting commandant will see elements of the 2nd Marine Division and Force Troops in training, and he also will visit the Rifle Range, Montford Point and Courthouse Bay installations.

Leaving here Monday morning en route to Norfolk, Va., to look over FMFLant Units, Gen. Shin will then go to Little Creek, Va., and the Troop Training Unit.

After visiting Marine Corps Schools, Quantico, Va., Gen. Shin will spend some time at Headquarters, Marine Corps, Washington, D. C., before returning to Korea.

Rescue Jeep Crash Victim By Helicopter

Dramatic on-the-spot proof of the advantages of helicopter rescue was demonstrated this week by an actual rescue made by Capt. Edward P. Stamford, Marine Air Facility, Peterfield Point.

Flying to the 2nd Marine Division Headquarters, Bldg. 2, Hadnot Point in his HO5 copter, Stamford received word to proceed south along the New River to investigate a fire.

Enroute he noticed a cluster of cars and an overturned jeep with the driver lying beside the wreck about four miles south of Camp Geiger on Highway 17.

Making a landing 150 feet from the accident, the injured Marine jeep driver, Pfc Richard C. Moulder, was carried to the helicopter and airborne in less than five minutes.

A radio call from the copter to the Air Facility to alert the Naval Hospital had corpsmen standing by when the helicopter landed ten minutes later at Hospital Point.

Less than 15 minutes from the time of the accident Moulder was receiving medical care at the Naval Hospital.

From the scene of the accident the hospital is 21 road miles, and officials stated that at best it would take an ambulance one hour to make the round trip.

Latest report indicates Moulder's condition "not critical." He was suffering from bruises and shock, said hospital officials.

PX Changes Hours For Christmas Rush

The Central Exchange, Men's Shop, and Central Annex will be open for the convenience of Christmas shoppers from 9 a.m. to 8 p.m. on Monday and Tuesday, December 22 and 23.

These establishments and the Cleaning and Pressing Shop will be closed from noon Wednesday, December 24, until 9 a.m. Friday, December 26.

Modern Santa Swaps Rudolph For Helicopter

Santa Claus is coming to Camp Lejeune this year the modern way, forsaking Dancer, Prancer, and Rudolph and the rest of his reindeer for a helicopter Santa is scheduled to appear here on December 23rd at 2:00 p.m.

Santa will land on the parade field and a fire truck will take him to the field house where the annual Christmas party for the children of Camp personnel will be held.

Transportation The Camp Motor Transport Officer will provide transportation from the following points: A bus will leave the shopping area of New River Apts. at 1:45; 1:00 in front of the MP office at Camp Knox; at 1:15 from the US Naval Hospital; at 1:30 from the bus stop at Trailer Park; at 1:15 from the bus stop at Paradise Point; at 1:15 from the Midway Park shopping center; at 1:15 from the bus station at Tarawa Terrace housing office and 1:15 from the Court House Bay Theatre.

Children under two years of age will not be permitted and any military personnel desiring to attend the party are requested to furnish their Unit Special Services Officer the number, age and sex of children who will attend.

A Christmas tree will be set up and Santa will distribute gifts. Refreshments will be plentiful and the 2nd Marine Division band will provide the Yuletide music.

Santa is also making an appearance at Camp Geiger for Force Troops personnel at the same time.

Lejeune Art Work Wins Eight Awards In Annual Judging

Seven Lejeune Marines won eight prizes in the Marine Corps Institute's third annual art contest, judged at the Marine Barracks, Washington, D. C., recently.

Best in show went to an oil painting of the Grand Canyon by Sgt. Patrick Corso, now on duty in Barstow, Calif. Judges were Col. Donald L. Dickson, editor of "Leatherneck" magazine, and three commercial artists.

Heading the Lejeune entrants was Pfc. Theodore F. Galindo, H & S Co., Supply School Bn., who placed first in advanced illustration and third in advanced portrait.

From the same company as Galindo, Pfc. Jany Steir took top spot in novice illustration. Cpl. John W. Flynn, who lives at 1908 Butler Circle, Midway Park, finished third.

First prize in novice figure was awarded Cpl. Generoso Somohano, Hq. Co., 8th Engineer Bn.

Lejeune artists finished one-two in the advanced poster field. First went to Cpl. Alan B. Lowry, Hq. Co., Hq. Bn., 2d Division Training Aids Library, and second to Pfc. F. Chaves, Regt. Hq. Btry., 10th Marines.

Third-place award in advanced figure went to SSgt. L. F. Pearson, who lives at 1374 Incheon St., Tarawa Terrace.

Time Limits Re-Enlistments Former Ranks

March 31, 1953, a former who has been out of the or up to one year will not be pointed to his former rank. d, provisions of Marine general Order 98 again will Thus staff non-commissioners who re-enlist within 24 ill retain their rank; ser and corporals can re-enlist 30 days to regain their and there is no time limit tes first class. NCOs, sergeants, and cor who remain out of service e maximum allowable for nk but who re-enlist within ill lose one rank.

Chicago Site For Division Reunion

Chicago has been selected the 1st Marine Division As's 1953 reunion, with head's at the Hotel Sherman. As-n members had been polled heir preference for a site, rk placing first and Chicago However, since the reunion n held once in New York, l been on the east coast for years, the Windy City drew l. Thomas H. Barry, USMCR, engaged in recruiting a re-ommittee, 1st Division men, e in the Chicago area and ling to help, have been o communicate with him at Michigan Ave., Chicago 11.

Dental Corps Keeps Marine Teeth Healthy

By SGT. JACK GROSS

This year marks the fortieth anniversary of the Navy Dental Corps. Since its establishment Naval dentists and corpsmen have served with the Marine Corps. Wherever Marines have gone, the dentalmen have provided Leathernecks with complete and up-to-date dental care. Dental facilities of

Marine Barracks and the U. S. Naval Hospital, and field dental treatment for Fleet Marine Force units stationed at Camp Lejeune represent the service of the Dental Corps, here.

Nine officers and 28 corpsmen, headed by Capt. P. A. Schnell, DC, USN, staff the Camp Dental Section, Marine Barracks. Its officers and enlisted men are mostly career men, constantly studying and developing new techniques, many of which are adopted by civilian dentists.

One Leatherneck

One Marine also is on the Infantry Dental Staff. Pfc Charles F. Baker works in the prosthetic section. Before his induction into the Marine Corps Baker had his own dental laboratory in Freemont, Neb.

"Prosthetic dentistry" is the term meaning construction of artificial teeth, and the camp laboratory is equipped to provide its patients with one or a mouthful.

Lt. N. P. Baker, DC, USN, heads the camp's Prosthetic Dental Laboratory. Under his direction, dental craftsmen in the lab make exactly fitting sets of teeth for their Marine patients. Time and expert know-how are the requirements.

First the dentist takes an impression of the patient's mouth which shows where teeth are missing. Using a gelatin-like substance, the dentist forms a pattern from which technicians will construct a new set of teeth.

With the impression as a mold, a corpsman makes a hard plaster cast. Other technicians then pass the cast from lab section to section. Step by step, the gold framework is made, realistic gums are added, and finally the new teeth are set.

Exact measurements and painstaking work are required. The denture must fit the patient's mouth perfectly. If it doesn't, the entire process is started over from the beginning.

Other Services

Prosthetics are only part of the services performed by Lejeune's dental personnel. Fillings, oral surgery and general dental treatment are daily occurrences.

When a Marine breaks his jaw, dental surgeons at the Naval Hospital set it. Cdr. Robert F. Erdman, DC, USN, chief dental officer at the hospital, has set countless jaw fractures, most of them results of auto accidents.

To set a broken jaw, the dental surgeon first places the fractured bones in their normal position. Metal bars and rubber bands are then used to hold the jaws in position. The operation usually takes from one to two hours, depending on the nature of the fracture.

Unless the patient, who is unable to use his jaws or open his mouth for four or five weeks, has a tooth or two missing, through which a feeding tube can be passed, he must eat by straining liquids through his closed teeth.

The holding bars and rubber bands are left in the jaw until the bone break is completely healed.

Dr. Erdman's assistant dental officer is Lt. (jg) J. M. Reynolds, DC, USN. The two of them and their staff of five dental corpsmen are responsible for the dental health of the hospital patients and personnel. Prosthetic cases are sent to the camp dental section, but the hospital staff handles its own surgical cases and general dental work such as fillings.

Filling

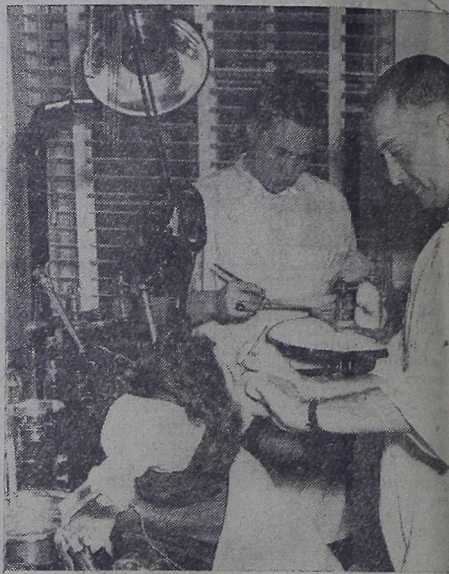

Teeth must be filled according to the dentists, when decay sets in, eats through the enamel, and works its way into the tooth's interior. No false tooth is ever as good as nature's own, and dentists are more concerned with saving a tooth than they are in pulling one.

A dentist saves a tooth by removing the decayed matter, and filling the cavity left by the destructive decay. He uses a drill and other instruments to remove decay from healthy portions of the tooth, forming a box-like cavity as he works.

A mixture of metal alloys and mercury then is used to fill the cavity. The action of the mercury with the metal is comparable to mixing water with cement. The filling is very hard—though not as hard as the original enamel, which is the hardest substance in the human body—and generally lasts for the life-time of the tooth.

General dental care is provided 2nd Division and Force Troops units by Dental Corps staffs comparable to the camp's. Prosthetic dentistry, however, is done for all personnel needing it at the camp laboratory.

Capt. F. E. Frates, DC, U.S.N., heads the Division dental staff, and Cdr. A. N. Bowers, Jr., DC, USN, is chief of the Force Troop dentalmen.

MOLAR CHECKS for Lejeune personnel, such as J. Brewster of Woman Marine Co. is receiving, are one services performed by Naval Dental Corps personnel. Lt. N. P. Baker, (above, checking Miss Brewster's teeth), and Lt. N. P. Baker, (above, checking Miss Brewster's teeth), assisting corpsman, Gerald McGuire, have undergone the nation's top schools (Official USMC Photo).

CRAFTSMAN AT WORK—Dental technician Geo. sets artificial teeth into a denture at his work table in Prosthetic Dental Laboratory. Gums are formed of pink wax. Teeth are made of porcelain or white resin acrylic bought from commercial manufacturers, but sold from camp. Gums are produced by lab's own technicians (Official USMC Photo).

Inquiring Photographer

What Do You Want for Christmas?

SGT. EDWARD C. QUINN, CAS. CO., MB—Here's Christmas

only two weeks away, and I really haven't given it much thought. Guess I'd like a new car more than anything else. My old buggy is starting to cost a lot to keep in repair lately. Who knows, maybe the boys in

my outfit will read this on Thursday and then get together and buy me a new one. Yeah.

SGT. JULE D. EXTROM, WM COMPANY—I have a record play-

er in the barracks and have part of my large home record collection here with me—not much but a start on a second collection. I'd like a couple of albums of combined classical and popular selections. That way, everybody in the barracks, as well as myself, would be able to enjoy them. I find that it's really no fun getting gifts, especially things like records, unless you can share them with other people who have the same tastes as you.

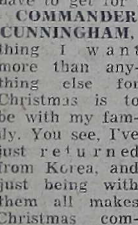

MSGT. JOSEPH T. BLANFORD, ELECTRONICS, SUPPLY DEPT.—I guess I want some good fishing tackle more than anything else—and almost more important than the rods and reels, I need the time to use them! It's not that I don't have any fishing equipment, but when a man wants to be a "Complete Angler" no amount of equipment ever is enough. Every time I see another guy's fishing gear, there's something there that I'm sure I'll have to get for myself.

COMMANDER JOSEPH K. CUNNINGHAM, MC, USN—The

thing I want more than anything else for Christmas is to be with my family. You see, I've just returned from Korea, and just being with them all makes Christmas complete for me. And it certainly looks like I'm going to get my "want" fulfilled this year—just being with them.

PFC. W. C. BENNETT, 2ND MED. BN., 2ND MAR. DIV.—All I want for Christmas is a twenty day leave. You see, I've got my own front teeth! And it looks like I'm going to get it. The leave, that is. And if I get it, I'm heading in' for the Missouri Ozarks and do some deer

hunting. I haven't been down there in about four years, and I'm sure anxious to get back.

XMAS TREE SALE

Lejeune home owners who're in the market for Christmas trees will be glad to learn the Marine Corps Exchange has a supply of selected trees on sale at Bldg. 1307, adjacent to "Toyland" in the Industrial Area.

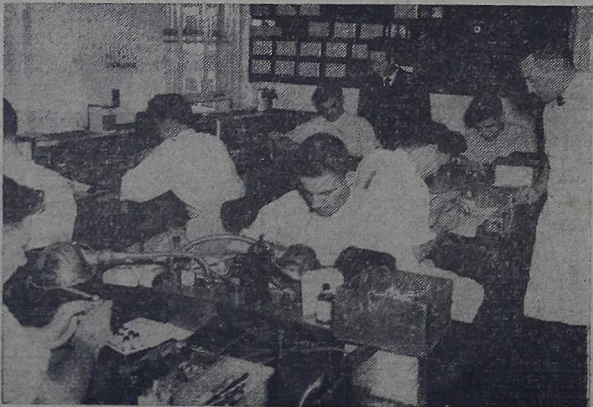

The trees' prices and sizes, says the Exchange, fit every home.

Schnell, DC, USN, camp dental officer (at rear) and Lt. N. P. Baker, DC, USN, prosthetic dental officer (standing, right) keep close check on laboratory's work (Official USMC Photo).

'Old World' Sources Base Of U. S. Xmas

American Christmas traditions, like most of our customs, are based directly or indirectly upon the cultures of "Old World" Europe. Adapted by our ancestors to fit the American mode of life, they appear to be strictly "Made in America" products; but findings of historians and scholars prove otherwise.

The word "Christmas" is accredited to the Dutch expression "Kerstmissie," and the eleventh century English "Cristes Maesse," both meaning Christ's Mass, or as we say, Christmas. The Christmas tree, long a symbol of the season in this country, is a direct import from Germany.

The birth of Christ has been celebrated since the fourth century; but the practice of exchanging gifts, banned by the early church as a pagan custom, didn't come into practice until several centuries later, and then only as a remembrance of the Three Kings of the Orient who followed the star to Bethlehem.

The first Christmas menu in this country, that of the Puritans aboard the Mayflower, consisted of: salt fish, bacon, Brussels sprouts, gooseberry tarts, and plum pudding. Quite a difference from today's Christmas repasts!

It is in this category that America can lay practically her only claim to fame, namely, the Christmas turkey and pumpkin pie. However, there are some who would dispute our claim.

Time Lay Payment New GI

Veterans who are permitted to school under the new GI bill, after receiving their training to take along a portion of their own to tide them over two months.

The VA explains that education and training cannot be paid until after a vet actually begins each month of training, at least for the first month.

Further delay results from the VA's requirement that the vet and his school, or training establishment, send certifying the VA—after the first month—that the vet is enrolled in training period.

Computation

More time is required by the VA, after receiving training, to compute GI allowance each vet entitled to, and mail out payments. The VA has this time will normally 20 days after it has received certification.

To shorten the waiting period, VA urges that schools, training establishments get their certifications of training office as soon as possible, initial month of school.

GI allowances under the new bill are paid directly to the veteran. No payments are made through training institutions as was the case under the old GI bill.

Second Regiment Corporal First In NCO School Class

Topping a class of 69 graduates at the NCO Leadership School last Friday, Cpl. Bernard Meltzer of the 2d Marines compiled an average of 92.33 during the three week training course.

Second and third high men of class No. 41 were: Cpl. Howard P. Sorensen of the 10th Marines with an average of 89.90, and Cpl. Armand C. Briere of the 6th Marines with an average of 88.81.

Guest speaker at the graduation ceremonies, Col. Bruno A. Hochmuth, assistant chief of staff, G-1, 2nd Marine Division, told the class that whether they chose the Marine Corps as a career, or de-

MELTZER

ecided to return to civilian life. "Try to apply the things you have learned out here—they will help your standing in any community life."

Others among the top ten graduates were: Sgt. Paul Hrick of Headquarters Battalion, fourth; Cpl. Duane I. Krueger of the 10th Marines, fifth; SSgt. Thomas L. Parker of the 2d Amtrac Battalion, sixth; Sgt. Edward A. Keis of the 2d Tank Battalion, seventh; Cpl. Edward H. Webster of the 2d 2d Shore Party Battalion, eighth; Sgt. Alfred Waller of the 2d Service Battalion, ninth; Cpl. Joseph C. Reeves of the 8th Motor Transport Battalion, tenth.

Husband, Wife Vets Both Eligible For Pay Under GI Bill

It is possible for married, student veterans to receive \$320 monthly if both husband and wife have been in the service under the new GI Bill, according to word received this week from the Employment Security Commission of North Carolina.

The new measure (Public Law 550) provides that when a veteran is engaged in full-time institutional training, he will receive the following amounts:

If he has no dependents, \$110 per month; one dependent, \$135 monthly; and two or more dependents, \$160.

Female Vets

A continuation of the World War II GI Bill regulations permits a female veteran who has had active service since June 27, 1950, to count a minor child for additional education and training allowances, even though her veteran husband already receives an increased allowance for his wife and the same child.

If veteran, student parents have only one child, the husband can claim two dependents—wife and child—and receive \$160 monthly. At the same time his wife, if also in full-time school training, can receive \$135 monthly for herself and the child.

When a vet couple has two or more children, husband and wife can each receive \$160 monthly. The husband is eligible on the basis of his wife and children. His wife is eligible on the basis of their two children.

ROAD CLOSED

Robinson Road is closed to all traffic today from 8:15 a.m. to 11:15 a.m. and from 1:15 p.m. to 4:15 p.m. It also will be closed tomorrow during the same hours.

Sicily Landing No Hardship For Marine

WITH THE SIXTH FLEET — Sgt. Carmelo DiBartolo of the 2d Marines "felt right at home" when he stepped off his ship at Augusta Bay, Sicily, recently.

On hand to greet the Camp Lejeune Marine were some 250 relatives—ranging from grandparents to fourteenth cousins. With a five day leave ahead of him, DiBartolo proudly left the dock surrounded by the crowd of relatives he had never met before.

DiBartolo, who recently participated in NATO Mainbrace maneuvers, was royally wined and dined by his admiring Sicilian relatives. He was first entertained at the home of an aunt and uncle on his mother's side of the family. Sixty relatives turned out for this gala affair. Not to be outdone, the father's side honored the visiting dignitary with an equally large turnout.

In addition DiBartolo was the guest of honor at several smaller parties. He said that his five day whirlwind visit with relatives was one of the most happy events of his lifetime, and added, "Trying to keep all the names and faces straight was quite embarrassing."

DiBartolo, a telephone chief for his battalion, will have an opportunity to visit many other famous ports and cities of Europe and North Africa during his five month tour of duty in the Mediterranean, but he gloomily admits that they will all seem quite dull after the family reunion in Sicily.

Shaffer Orchestra Booked For Three Pre-Xmas Dances

Freddie Shaffer and his all-girl orchestra featuring Louise Lust, vocalist, and Ruth Mary Mack, mad-cap girl drummer, will play the Staff NCO Club, Officers Mess and Marston Pavilion in a three-day, pre-Christmas dance date here.

Shaffer is scheduled for the Staff NCO Club on Dec. 19 from 9 to 1, and the Officers Mess Dec. 20 from 9 to 1. Marston Pavilion will be decorated for a special Christmas Dance on Dec. 21. Admission is free, and the "stag or drag" ball will run from 8 to 12.

This will be the last dance at the Pavilion until New Year's Eve.

Vet Representative Away For Holidays

Wiley L. Wall, veterans employment representative for Camp Lejeune, will not be available for personal interviews from Friday, December 19, to Wednesday, January 7, because of his vacation schedule.

Men being released prior to December 19, who desire job information, job leads, or any type of employment assistance, should contact Wall on Wednesday, Thursday, or Friday of each week prior to that date.

BRIGADIER GENERAL R. E. HOGABOOM, Commanding General, Fleet Marine Force Training Group, 46.9, (seated) is shown with senior officers of units which will participate in TRAEX III. Standing, left to right, are Col. T. J. Noon, Commanding, MAG 31, 3rd Marine Air Wing; Col. A. H. Weinberger, Chief of Staff, FMF Training Group; Col. O. R. Simpson, Commanding Officer, 6th Marines and Lt. Col. R. E. Stannah, who will command the Force Troops detachment in the operation (Official USMC Photo).

Training Group's Activation Marks Start Of 'Traex III'

Improved Service Qualification Tests Effective January

An improved series of Armed Forces Qualification tests for determining the acceptability of men for enlistment or induction will go into effect next month, according to the Defense Department.

Also, the department has announced development of the Armed Forces Women's Selection Test, a special qualifying test for women which is the first to be developed solely for female applicants.

Developed by the Army in co-ordination with the Navy, Air Force, and Marine Corps, the new tests are aimed at more accurate measurement of prospective servicemen's levels of mental ability.

Based on changes recommended through constant research, they will contain questions relating to the many military jobs which involve mechanical skills. To insure that the tests' contents do not become common knowledge, periodic changes will be made.

Telephone Center Gets New Manager

R. L. McCoy became manager of Lejeune's new telephone center December 1, with his office in the new Attended Telephone Center, building 225.

McCoy relieves T. W. Rose, who is moving to Fayetteville. A Navy veteran, McCoy supervises all phases of the company's operation at Camp Lejeune.

CHANUKA PARTY

There will be a "Chanuka Party" on Saturday, December 13, in the Jewish Chapel, Bldg. 67. The traditional party celebrates the festival of the Maccabees.

Refreshments and entertainment will be on hand, and all are invited to attend.

The activation here on Dec. 1 of the staff of Fleet Marine Force Training Group 46.9 marked the beginning of LANT TRAEX III, a large-scale Caribbean winter maneuver involving ground and air units of the Fleet Marine Force, Atlantic.

The Commander of the training group is Brig. Gen. R. E. Hogaboom, assistant division commander of the 2d Marine Division.

Leathernecks from the 2d Marine Division; Force Troops, Atlantic; the 2nd Marine Air Wing; and the newly-activated 3rd Marine Air Wing will participate.

Training ground for the Marines will be several islands of the Puerto Rican group. The largest single participating unit will be the 6th Marines, an infantry regiment of the 2nd Marine Division, under the command of Col. O. R. Simpson.

Air units of Marine Air Group 31 will be commanded by Col. T. J. Noon, while the Force Troops, Atlantic, detachment will be under Lieutenant Col. R. E. Stannah.

The exercise will stress cooperation and coordination between Marine ground and air units, utilizing principles of control that have made air support of Marine ground troops in Korea so effective.

TRAEX II units will have an opportunity to test their combat readiness during the last stages of the training program, when they will act in conjunction with a larger scale Marine landing on the island of Vieques, P. R.

Integration of various "type" units in the training group is apparent in the principle staff assignments. Chief of Staff to Gen. Hogaboom is Col. A. H. Weinberger, of the 2nd Marine Air Wing at Cherry Point, N. C. Assistant Chiefs of Staff are: G-1, Maj. B. Forsythe, Combat Service Group, Force Troops, Atlantic; G-2, Lt. Col. J. D. Cannon, 3rd Marine Air Wing, Miami, Fla.; G-3, Lt. Col. W. H. Miller, 10th Marines, 2nd Marine Division; and, G-4, Lt. Col. G. H. Benson, 2nd Marine Air Wing, Cherry Point, N. C.

Similarly, other staff sections are headed and manned by personnel drawn from virtually all units of the Fleet Marine Force, Atlantic.

Marine Sergeant 1st In International Photo Competition

Sgt. Franklin D. Praytor, first-place winner in the color division of the 1952 "Photography" International Contest, has received his prizes—a \$2,000 United States Defense Savings Bond and the first-place color division trophy.

His prize-winning photograph, "Casualty in Korea," was made while he served as a combat correspondent with the 1st Marine Division in Korea. It was one of more than 73,000 entries in the contest.

Praytor has been a photographic hobbyist for the past six years. Prior to enlisting in the Marine Corps, he operated the North Alabama Bureau of the International News Service, and later was a reporter for the Columbus, Ga., "Ledger."

HIGH MAN—Sgt. Arthur E. Hocks Jr., receives his certificate of graduation from "Construction Foreman's Course" and a congratulatory letter from Lt. Col. Francis A. Vaughn, executive officer, Engineer School Bn., Courthouse Bay. Hocks graduated first in a class of 33 (Official USMC Photo).

SHAPE OF THINGS TO COME—Unless you SLOW DOWN. Speed on the highway can scramble the beautiful lines of a new car into an unrecognizable mess if a driver happens to make one small mistake . . . and leave some person's loved ones with tortured hearts. Above smash-up killed five Marines . . . whose only mistake was to ride with a careless speedster (Va. State Police Photo).

Chaplain's Corner

"LET'S KEEP CHRISTMAS" is the title of a Christmas sermon by the late Peter Marshall, Chaplain of the U. S. Senate from 1947 until his death in 1949, published in Look Magazine December 16, 1952. In his characteristic way the Reverend Marshall approaches the subject from the standpoint of the usual problems which surround the Holy Season.

Of Christmas stories Peter Marshall has this to say—
"There is no need to search for stories new and different. There is only one after all—and no modern author can improve it.

"And there were in the same country shepherds a biding in the field, keeping watch over their flock by night. And lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them, Fear not, for, behold, I bring you good tidings of great joy, which shall be to all people.

"For unto you is born this day in the city of David a Saviour, which is Christ the Lord"

Of Christmas presents he reminds of the much ado about many things, and still with friends and loved ones in mind it is concluded that—"Maybe there is nothing in a store that they need. But what about some token of love—what about love itself and friendship and understanding and consideration and a helping hand and a smile and a prayer?"

You can't buy these things in a store, and these are the very things people need.

We all need them. Blessed will they be who receive them this Christmas or at any time.

Let's not permit the crowds and the rush to crowd Christmas out of our hearts . . . for that is where it belongs. Christmas is not in the stores—but in the hearts of people.

Of faith Chaplain Marshall speaks of those who complain that Christmas is too much commercialized, and those with false sophistication who complain that "Christmas belongs only to the children," and of those who "just can't seem to feel the Christmas spirit this year." This is his at-

titude.
"As a confession of a lack of faith, it is rather significant. You are confessing that His presence in the world is not a reality to you.

"Maybe you need all the more to read the Christmas story over again, need to sit down with the Gospel of Luke and think about it.

"I thank God for Christmas. Would that it lasted all year. For on Christmas Eve, and Christmas Day, all the world is a better place, and men and women are more lovable. Love seeps into every heart, and miracles happen. When Christmas doesn't make your heart swell up until it nearly bursts and fill your eyes with tears and make you all soft and warm inside . . . then you'll know that something inside you is dead."

And when the Day arrives after the Tree is decorated and lighted, the baking done, and with carols ringing in ears, with greetings given and received, the stockings filled with Santa's visit, Peter Marshall says "Don't worry—You'll be ready for it—You'll catch the spirit of it all right, or it will catch you, which is even better, and then you will remember what Christmas means, the beginning of Christianity . . . the second Chance for the world . . . the hope for peace . . . and the only way.

The promises that the angels sang is the most wonderful music the world has ever heard: 'On earth Peace, good will toward men.'

It was not a pronouncement upon the state of the world then; nor is it a reading of the international barometer of the present time . . . but it is a promise . . . God's promise—of what one day will come to pass.

The years that are gone are graveyards in which all the persuasions of men have crumbled into dust. If history has any voice, it is to say that all these ways of men lead nowhere. There remains one way—The Way—untried, untested, unexplored fully . . . the way of Him Who was born a Babe in Bethlehem."—Chaplain Glenn L. Barger, Asst. Camp Chaplain.

Invite Piney Green Folks To Midway's Annual Xmas Party

Piney Green residents have been invited to attend the annual Christmas party next Thursday at 6:30 in front of the Community Building at Midway Park.

The program, which will begin with the lighting of the elaborate Christmas decorations by Santa Claus, will include group singing of Christmas carols and reading of letters to Santa Claus from children in the community. Favors and refreshments for the kiddies will be on hand.

All youngsters have been asked to write the Santa Claus Headquarters. The address is: Santa Claus, Headquarters, Midway Park, Post Office (P.G.), Midway Park, N. C.

A program by the members of the Sunday School classes will be presented the night of December 21 and the public is invited to attend.

Members of the Adult Leaders Association of Scouting have been asked to meet at the Administration Building Saturday night at 8 to plan for an all-round scouting program.

The Girl Scout Troops meet at the Community Building each Saturday at 3:30 p.m.

Welcome has been extended all newcomers to the Piney Green community. Back from the hospital are Mrs. Eloise Wayne and her son.

Ike Gives Former Marine High Post

President elect Dwight Eisenhower has chosen a former Marine to be his top assistant in the White House.

Sherman Adams, governor of New Hampshire, served in the Marine Corps in 1918. Adams has been selected to serve in a similar capacity to a chief of staff.

Saint Nick Appears At Toyland 3 Days

Camp Lejeune children are in for a treat tomorrow and Saturday as Santa Claus visits the Exchange Toyland, Bldg. 1413. The prominent North Pole resident will be on hand both days from 10 a.m.-1 p.m. and 2 p.m.-5 p.m. Youngsters who miss Saint Nick on his first visits—or who want to see him again—will be able to find him at the Toyland December 20, during the same hours as above. The Druids were great admirers of holly. It was their belief that its evergreen leaves were never deserted by the sun, and were therefore sacred.

PTA Presents Music Program Monday Eve In School Auditorium

A Christmas Musical Program of the Parent Teachers Association will be held in the Camp Lejeune School Auditorium on December 15, at 8:00 p.m. Attendance will be checked but there will not be a business session. Cash awards will be given the class having the greatest percent of parent attendance. Robed members of the junior and Senior Glee Clubs singing "O Come All Ye Faithful," as they march into the auditorium will open the program. Sixty-one voices compose the Senior Glee Club and the Junior Glee Club consists of 50 voices.

Santa Coming To Midway Wednesday

Listen up, all boys and girls of Camp Lejeune Marines! By special arrangement with the North Pole, orders have been cut for Santa Claus to spend a few hours TAD at the base. Although his mode of travel has not yet been determined, Cherry Point helicopters are standing by, 2nd Marine Division tanks have been alerted, Force Troops "six-by's" are warming up their engines, and Marine Barracks personnel are thinking about building a huge sled to be pulled by Camp Lejeune deer.

"Let Carols Ring," "Christmas Snows of Sweden," featuring Linda Barber as soloist; "Jingle Bells," "Beautiful Savior," with solo by Wanda Bass and Bill Dodd, and "The Shepherds' Story" with solos by Don Abernathy, Bill Sells and Tom Hamill, will be sung by the Senior Glee Club. The Girls Choir will sing "O Holy Night" by Adolphe Adam. Following the Junior Glee Club's presentation of "A Merry Christmas" and "Sing Noel," the combined Glee Club's will sing "Joy! Joy! Joy!" and "Glory to God In The Highest." Bobby Haines will be the accompanist for the Senior Glee Club and Irma Keeler will accompany the Juniors.

At Midway Park But no matter how he gets here, he'll be at the Community Building at Midway Park next Wednesday evening, at 6:30, or thereabouts—it's a long trip and connections are bad—but he'll be there for sure. To make him feel right at home, all married Lejeune Marines and civilians are invited to attend, and join in the singing of Christmas carols. To help Santa find the place, Maj. Gen. Henry D. Linscott, camp commander, will begin the evening's Christmas program by lighting the elaborate Christmas decorations.

Following the Glee Club concert, a one act play entitled "Why The Chimes Ring" will be presented. Students participating in the play are Larry Mooney, Robey Steward, Lester Teston, Tom Webster, Mack Vaughn, Freddie Erdman, Linda Haines, Barbara Olskewski, Janice Edgar, Carol Major, Joyce Davis, Helen O'Brien, Tom Glenn, Jack Cohen, Perry Brandt, Roger Lampman, Ronald Wood, Tommy Ireland, Al Bower, John Stamford, Diana Baker, Connie Wylie, Andy Anderson, and Michael Merritt. The Christmas program will be closed with the singing of the familiar carol, "Silent Night," by members of the Glee Clubs. Musical director for the program is Mrs. James L. Chamberlain. Assisting with the play are Miss Sybil Ingram and Bill Roach, who is supplying the scenery.

Supply Depot Seeks Voices For Barber Shop Quartet Work

The Supply Depot, under the auspices of the "Society for the Preservation and Encouragement of Barber Shop Singing in America" is looking for warblers. Any Camp Lejeune personnel interested in such a noble cause, and tired of un-lauded shower room serenades should apply at Bldg. 1209, the Depot's "Club Rendezvous, or call TSgt. (Big) Jim Watson, Depot Special Services at 5317.

Scene Socially

By JANE KNAPP Jingle Bells, the merry laughter of Santa Claus, frantic Christmas gift buying and "Out of the Frying Pan" have set the stage for this week's social activities. Christmas Tea Members of the Camp Lejeune Officers' Wives Club enjoyed a Christmas tea in the River Room of the Officers' Mess yesterday afternoon. The theme of decoration for the tea was "An Old Fashioned Christmas." Into The Fire Smoking In The Outer Lobby Only! Brave first nighters were rewarded last night when they attended the first performance of "Outer of the Frying Pan," presented by the Lejeune Players at the Area 3 Theater. The play, which will be given tonight and Friday, is a situational comedy in three acts. Brig. Gen. G. A. Williams had as his houseguests for several days last week Lt. Gen. (ret.) and Mrs. Thomas E. Watson. Gen. and Mrs. Watson, visiting from Woodcroft, Maryland, are well known to many people in and around Camp Lejeune as the general commanded the Camp and Division from 1946 to 1948. Gen. Williams was host at a dinner in honor of his houseguests on Friday night at the Officers' Mess. Maj. Gen. and Mrs. Henry D. Linscott honored the visitors and their host at dinner on Thursday night. On Sunday night Gen. and Mrs. Watson and Gen. Williams were entertained by Col. and Mrs. R. J. Straub. Coming and Going Maj. Gen. and Mrs. McC. Pate spent last weekend with Mr. and Mrs. J. L. Bennett in Dillon, S. C. Col. and Mrs. W. W. Paca had visitors who last Friday arrived by sea aboard their yacht Le Renard. The visitors, Vice Adm. (ret.) and Mrs. Rico Botta, were en route from Philadelphia to Florida. Admiral and Mrs. Botta were guests of honor at a small cocktail party given by Col. and Mrs. Paca on Friday evening. Cmdr. (MC) (USN) and Mrs. R. O. Canada spent last Tuesday with Cmdr. and Mrs. Frank T. Norris. The visitors were from Charleston, S. C. Major and Mrs. T. D. Stockwell are expecting Mrs. Stockwell's mother, Mrs. D. M. Reeves, to arrive today from Florida en route to Washington, D. C. From Korea Maj. Gen. Shin Hyon Zoon, Commandant, Republic of Korea Marine Corps will be visiting Camp Lejeune for several days. Maj. Gen. and Mrs. R. McC. Pate will be hosts at a reception honoring the distinguished visitor from Korea, tomorrow in the Officers' Mess. Leaving Camp Lejeune Mrs. L. K. Smith was guest of honor at a luncheon given by Mrs. Henry D. Linscott yesterday in her quarters. Maj. and Mrs. Smith are leaving the Post today. Brig. Gen. and Mrs. W. S. Fellers will be hosts tonight at a small farewell dinner party honoring Maj. and Mrs. J. F. Donahoe Jr. Maj. Donahoe, well known at Camp Lejeune as coach of the football team, will leave shortly for Korea. The officers and their wives of VMO-1 held a farewell party for Maj. and Mrs. J. J. Rollins, Capt. and Mrs. C. C. Ward and Lt. and Mrs. C. T. Walters last Thursday in the Paradise Room of the Officers' Mess. Guests enjoyed cocktails and buffet supper served in an atmosphere of Christmas. Maj. Rollins and Lt. Walters will soon leave for Korea and Capt. Ward is being transferred to ANGLICO. Lt. and Mrs. E. F. Hertling left Saturday for Chicago where Mrs. Hertling will remain while her husband is in Korea.

Fort Eustis, House Of David Providing Rugged Cage Foes

The Camp Lejeune varsity basketball team has saved two of its toughest games in December till the last.

On December 16, the Leathernecks are scheduled to meet the Fort Eustis Wheels, and on December 21, they finish out the 1952 season with a court tussle against the bearded clowns of the House of David. Both games will be played on the Marines' home floor at the Goettge Memorial Field House.

The Wheels are rumored to be loaded with talent, and the game should be one of the highlights of the Marines' season.

The Lejeune quint lost two in a row at the beginning of the season and then roared back against Campbell College and coasted over the DesLant Destroyers to a record of two losses and two wins thus far.

The opening game loss was to Wake Forest by 79 to 63, on December 3. The next night, the Marines dropped an 86 to 78 decision to a highly regarded Mitchel Air Force base team.

On December 6, the Leathernecks drubbed a scrappy quint from Campbell College, 97 to 61. Marine guard Leroy Smith set a new Goettge Field House scoring record in the process.

Smith is high-scorer for the Marines with a 128-point total for a per-game average of 32 points.

No definite starting line-up has been settled on as far as the Marines are concerned, but the most likely one is the "Mighty Mites" combo of Bob Ruoff at center, Joe DeGilio and Hershah McConathy at forwards, and the guards, Ray Chakey and Stan Weber.

The other starting line-up in the two platoon system used by the Marines consists of either Joe Schindler or Vin Gallagher at the left forward position, George Leiby at right forward, Bob Jarm or Bob Ruoff at center, and Guido "Dippie" Carosi and Leroy Smith at the guard posts.

Carosi, one of the most popular Leathernecks with the fans, is the team's second-high scorer, with a four-game total of 43 points. "Dippie" plays a fancy game on the floor, and compensates for his 5-foot, 8 1/2-inch shortness by bounding high in the air to gather in rebounds.

Smith Buckets 36 In 79-66 Conquest Of DesLant Cagers

Leroy Smith once again proved to be too much for the opposition as he led his team mates to a 79 to 66 basketball victory over the Destroyers of DesLant from Norfolk, Va., at Goettge Memorial Field House Monday night.

Lejeune took an early lead in the tussle and never relinquished it, although the Destroyers continually threatened to upset Marine plans.

The Navy men came within four points of the Leathernecks at one time during the battle, but the average margin throughout was about 10 points.

Smith, in addition to scoring 36 markers, played one of his best floor games so far this season. Using fancy passes and some fancy dribbling, the fast guard set up plays and gathered rebounds with the dependability of a well-trained bird dog.

Leroy's 36-point total for the night gives him 128 markers for the season.

Outstanding on defense and offense for the Leathernecks were Conrad Gaskin, speedy forward, and Bob Jarm, who started the game at center.

High scorer for DesLant was the center, Bill Bear, who tallied 13 points for the evening. George Pemberton, who scored a total of 16, played an outstanding game at the guard position and dumped in 8 free-throws out of 11 for a 72% average from the foul line.

Lejeune led 21 to 17 in the first quarter, 43 to 37 at the half and finally pulled away to their winning margin of 79 to 66.

Ancients believed that the first to bring the Christmas holly into the house, either husband or wife, would be the one to rule the household during the ensuing year.

LEROY SMITH

HOLDER OF THE NEW FIELD HOUSE SCORING RECORD!

LAST SATURDAY NIGHT, SMITH SCORED 37 POINTS AGAINST CAMPBELL COLLEGE, SHATTERING LAST SEASON'S HIGH OF 33 POINTS SET BY JACK NICHOLS.....

Sixth Marines Still Unbeaten In Division Basketball Play

Placing three of five starters among the league's high scorers, the 6th Marines remained the lone unbeaten quintet in Division intramural basketball competition after last week's play.

The Sixth, sporting a 7-0 slate, dumped the previously undefeated Tenth, 89-62, plunging 55 points through the hoop in the closing half after trailing midway in the contest, 37-33.

High Scorers Dick Stetter, Floyd Janny and Al Richardson, second, third, and fourth league scorers, contributed 19, 16, and 15 points respectively to the victory, but Al Flora was high man with 20 points on seven goals and six fouls.

Engineers, despite Barnes' 24 point output, couldn't corral the Sixth's wild-scoring technique. Stetter poured 13 into the hoop, Flora 15, and Janny 14, to lead the 83-61 win.

The pacemakers wound up the week by swamping Second Marines, 80-40. Stetter led the cage parade with 26. Richardson followed him with 20.

Headquarters matched the front-runners game for game during the week to move into a third place tie with Service.

Thirteen points off Motor Transport's mark midway in the second half, Headquarters rallied to a one point, 69-68, deficit. With seconds remaining Brady bucketed a foul to send the contest into overtime. Bob Maddox caged another free throw for the 70-69 win.

Up Percentage Service moved from a .500 record to a .666 percentage on the brilliant play of Smith and Wertz. The Service hoopsters felled Shore Party, 76-65, and 8th Marines, 65-62.

Miller of Headquarters and Smith of Service have ripped the cords for 125 points in six games. Miller has clicked for 52 field goals and 31 fouls. Smith has racked up 60 field goals and 15 free throws.

Stetter, second with 115, Janny, third with 106, and Richardson, fourth with 102 counters are the main cogs in the 6th Marine juggernaut.

WM Court Record Upped To 3-1 With Cherry Point Win

Tuesday night the Lejeune Woman Marine team met Cherry Point's WM's on their own court and chalked up another win, 71-49. This brings the Lejeune team standing to three wins and one loss.

Burbage, right forward, was high scorer for Lejeune with 24 points. Galloway accounted for 27 points on the Cherry Point WM's team.

Cherry Point's girls have won three, lost three in the six games they have played to date.

WM Cagers Sporting 2-1 Season Mark

Camp Lejeune's Woman Marine Basketball team started the season off by winning two out of the three home games they have played to date.

WAAF's from Pope Air Force Base lost to the WM's by five points in the season's first game. Final score was 21-16, with Ruth Decker, left forward, being high scorer for the Lady Leathernecks.

When members of the Campbell College team played the Lejeune Women Marines Saturday night it was a different story. The college team took the lead in the first quarter and continued building to a margin of 20 points, the final score standing at 29-49.

Ira "Tennessee" Kitts, center forward, now in her second season with the WM team, was high scorer with 21 points. In the third quarter Lejeune's girls paced the Campbell College team score for score.

Monday night Camp Pickett's Chargerets were defeated by Lejeune's WM's in a fast moving game ending in a score 64-35. Scoring was close until the WM's moved into the lead in the last half.

The first quarter score stood 14-11, and at the half 27-25, WM's favor. When the third quarter ended they had gained a lead of 24 points when the WAC team failed to score.

MAJ. GEN. HENRY D. LINSKOTT tosses up the first center jump of the season in the opening game between Wake Forest and Camp Lejeune. Vying for the ball are Marine center Carl Glocke (7) and Wake Forest center Dickie Hemrie (24). To the left of the circle is Wake Forest forward Ray Lipstas (23) and on the right is Lejeune forward Bob Jarm (8). (Official USMC Photo.)

Camp Rebounds From Loss To Mitchel, Sinks Campbell

Cagers Drop Inaugural To Wake Forest

An alert Wake Forest basketball team capitalized on Camp Lejeune opening game bobbles and came away with a 79 to 63 victory over the Marines here Wednesday night of last week at Goettge Memorial Field House.

Taking the lead at the beginning of the game, the Deacons were never hard-pressed until the dying minutes, when the score was narrowed to a five-point spread.

Romping away with scoring honors for the night were Leroy Smith of Camp Lejeune and Dickie Hemrie of Wake Forest, each bucketing 23 points.

Other Totals Next in line with high-point totals were Ray Lipstas of the Deacons, with 15. "Dippie" Carosi, Lejeune, 14, and Al DePorter of Wake Forest, 13.

Defensively, Wake Forest gathered in slightly more rebounds than Lejeune, but was able to convert more of them after clearing down court.

In the statistics department, the shooting percentage was fairly even, with both teams averaging close to .450. The Deacons had a slight edge in this field, accounted for mostly by the accuracy of Dickie Hemrie.

PI Versus Jackson

Parris Island's eleven faced Fort Jackson Saturday in the first annual American Legion Benefit Game at Savannah's (Ga.) Grayson Stadium. The Recruit Depot squad will enter the contest as a ten-point underdog, by virtue of its 31-21 loss to the soldiers November 22.

STAR SOARS—Leroy Smith (26), the Leathernecks' high scorer so far in the season with 92 points for 3 games, soars high to convert another tally for the Lejeune quintet in its losing effort against Mitchel Air Force Base Thursday night. The four Bombers surrounding the Lejeune guard are, L-R, Kenneth Harvey (35) guard, Loran Smith (35) also a guard, Ed Hefeltinger (4) center and Cecil Jones, the Bombers' center and high scorer for the Force men with 25 points against Lejeune (Official USMC Photo.)

The Camp Lejeune basketball team lost its second straight Thursday when they dropped 86 to 78 decision to the Force from Mitchel Field.

On Saturday evening Leatherneck quintet reversed losing trend by defeating a classed Campbell College 97 to 61.

Record Broken In Saturday night's win Lejeune's star guard, Leroy Smith, set a new Goettge Memorial Field House record for points in a game. Smith broke Jack Nichols' 33-point scoring record of last season by a total tally of 37 points for the contest.

Helping the Air Force to capitalize on the Marines was the accurate free shooting of center Cecil Jones who dumped in 13 points, 16 tries from the foul-line and average of .800.

Tight Game The game was fast and all the way, with the lead changing hands every few minutes and outcome undecided until the final moments in the conflict.

Starting five for Lejeune the Mitchel game consisted of the "Mighty Mites": Bob Jarm at center, Joe DeGilio and Stan Weber at forwards, and the guards, Ray Chakey and Stan Weber.

This five, averaging slightly over six feet in height, led the Bombers 23 to 17 when the game was tied.

Half-time lead was 40 to 30 in favor of the Marines.

It was a different story Saturday night when the Camp Lejeune Camels came to Field House to play the Bombers.

Defense Fails The game was slow, with the zone drawn up by the Camels a futile effort to stop the scoring of Lejeune.

Feature event of the evening was the high scoring of Leroy Smith who now has a total of 92 points in three games.

Cherry Point Five Down Camp Quint In 91-83 Fracas

Feeling the effects of a tight schedule of five games in five days, Camp Lejeune dropped to 83 basketball fracos to a Cherry Point combo at the Field home court Tuesday night.

The teams were rated even, the Pointers were hot.

The contest was decided in the opening five minutes, when Cherry Point five drew out a 10 point lead. The Flyers were headed after this, although Lejeune, behind 16 markers at the point in the game, came within one field goal of the opposition only to fall behind again when the Flyers' John Spanbauer caught and dumped in three baskets in a row.

Leroy Smith accounted for 36 Lejeune's markers, while Joe DeGilio, who had a fine night on the floor, stealing the ball and handing it well on offense, came through with 14 tallies for the losing cause.

On the SIDELINE

by SGT. STEVE GERSTEL

lose, this 1952-53 basketball club is going to be an exciting one. They proved that in two losing efforts, against Wake Mitchell AFB last week. Especially colorful are the "Mighty Mites"—Bob Ruoff, Ray Joe DiGilio, Hersh McConathy, and Stan Weber. Normalizing, all five of them would be considered fairly tall, but as basketball goes, they're small.

"Mitey" Start

st Mitchel, the "Mighty Mites" started the game, and scrapped through a period and a half. When they left Lejeune was leading, and the "Mites" were responsible for the Marines 1-36, at halftime. The five Chakey is the best scrapper. He was all over the jacking off rebounds under both baskets, and bedeviling the other side.

Stick To It

ances are they'll continue as a unit throughout the season, even better as they go along. Surprisingly enough, the smallest man on the squad, Guido Carosi who stands 5'8 1/2", doesn't play with the "Mites." He does his start with the first stringers. Yet in both games he is of ball.

Lots Of Color

dually, he is the most colorful of the lot, partly because of and partly because he is a deft shot, especially on the one-on-one around the circle. He completely won over the crowd in the first game against the Forest Demons, bucketing 14 points. His high-point total shows the fact that he is probably one of the best ball-fakers, and passers on the team.

Sure Shot

ability to hit consistently in a sense contributed to the two losses. There was a tendency for the other four, with the exception of Chakey, to feed the ball to Smitty constantly. When they were in, Carl Glocke, Conrad Gaskin, Bob Jarm, Lebbay, and Jack Anderson rarely shot, and when the game was in its last stages, they let Smitty do all the shooting.

Valuable Height

Forest's Dickie Hemric proved the value of having that big man by scoring 28 points, the majority of them on taps and layups. There's a strong possibility that this situation will be remedied.

Force Troops Cage Teams Battered In Intramural Competition

90AAA, Amtruck, 8th Bn., and Combat Service Troop emerged undefeated in the first week of the 1952-53 intramural basketball season. The first game was played Monday night.

neties, a long time com- with a strong athletic appear to have finally hit the spot. The Gunmen, by the performances of others, Ron and Rich and lanky center Josh have come up with a that is making Force troops take notice. They turned back 8th L. 76-43, Amtrak 71-39, and the Gunmen 59-45, they being the biggest since figured as one of the top five.

San Diego Sailors Down Recruit Depot

San Diego's Naval Training Center battered its way to a 27-21 victory over the San Diego Marine Corps Recruit Depot recently to snare the West Coast service football crown. The triumph gave the Bluejackets the right to meet the Bolling Air Force Base for the national service championship. December 20 in the Poinsettia Bowl.

AFPS Names CL's Frasier To Service All-Star Grid Team

Harrison Frasier, Lejeune's star defensive end, was selected for the Armed Forces Press Service All-Star team recently.

Frasier was the only Lejeune player selected from among service players all over the nation.

The team, made up of a defensive platoon and offensive platoon, included 11 Army men, six Marines, four Navy men and one Airman.

Leading the total vote were Al

FRASIER

Dorow, the talented quarterback of the Bolling Air Force Base Generals and Iv Holdash, former University of North Carolina All-American, now playing with Fort Eustis.

Pugs Open Season Against Fort Bragg Friday Night Here

The Camp Lejeune leather-slippers have their first match of the season on Friday, December 12, when they slug it out with a strong coalition of boxers from Fort Bragg, N. C.

Captain Glenn E. McComas, Lejeune boxing coach, has announced a 10-bout card.

One former Olympic team member and a national AAU semi-finalist are on the slate for Lejeune, although the team is not yet well balanced in all weights, according to Coach McComas.

"We need additional strength in the bantamweight (119 pounds top weight), middleweight (165-pound top) and the light heavy-weight (178 pounds) classes," Captain McComas said today.

Tryouts in these weights would be welcomed by the coach, and interested persons should contact Camp Special Services or Captain McComas.

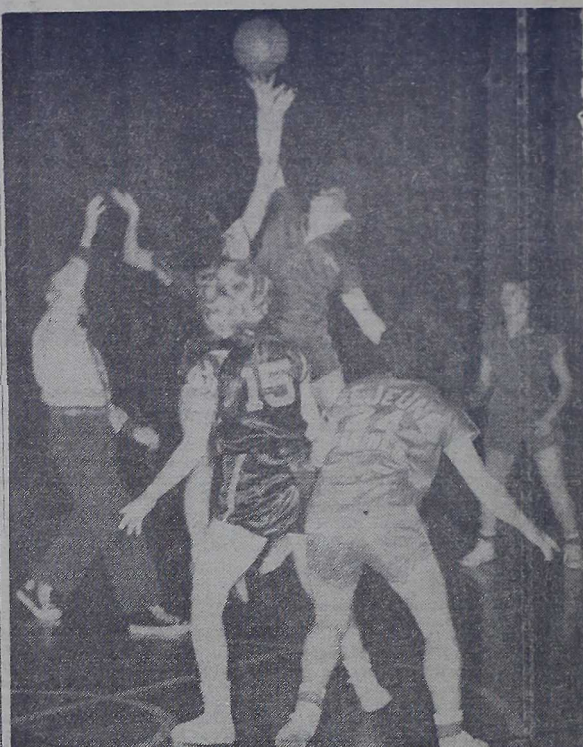

Top Lejeune fighters in Monday's bouts are Aubrey House, 1951 heavyweight semi-finalist in the National AAU tournament; Al Hood, 1951 Atlantic Fleet middleweight champion and runner-up for the United States Olympic team in 1952;

Julius Griffith, 1948 welterweight alternate on the Olympic team and termed by Coach McComas as one of his most outstanding boxers; Emmanuel Britt, 1952 Atlantic Fleet Middleweight Champion and said to be much improved this year.

San Diego Recruit Depot Takes 1952 Grid Championship

San Diego's Marine Corps Recruit depot has been declared the 1952 All-Marine Corps football champion.

The "Boots" were handed the title when Parris Island beat Camp Lejeune Thanksgiving Day. San Diego had defeated Parris Island, 21-12, in the "Boot Bowl" game earlier in the season. Camp Lejeune previously overran Quantico and Cherry Point, and Lejeune's defeat by P.I. gave San Diego the

TIP-OFF JUMP—Center forwards, Matthews, Campbell College and Kitts, Lejeune Woman Marines, jump for the flip in the game Saturday night. The college team defeated the WM's 29-49 (Official USMC Photo).

Hook AND Lie-mes

By CPL. TED YATES

There have been 119 hunting fatalities in the Camp Lejeune woodlands since the deer season opened October 18. Thirteen fatalities occurred last week end alone.

High Average

But not a hunter has been injured. A safety record that the heavy-horned bucks that roam Camp Lejeune would like to emulate. So far this season 106 big bucks have buckled to blasts of buckshot, an average of about 25 deer for each of the four hunts that have taken to the woods this year.

Last Saturday, in a special hunt launched in the Paradise Point area to discourage the deer there from grazing on the gardens, 13 bucks were bagged. Total killed; 119.

And again this Saturday hunters will assemble across the base before the dawns early light starts to show in the east for the fifth scheduled hunt.

Two Hunts To Go

Seven parties of about 30 shooters each, and guides, will take to the seven large areas reserved for hunting, and expectations are riding high. With a deer herd estimated at 3000, there are still plenty of Virginia white tails left to buck up the nimrod's spirit.

Only two hunts remain in the deer department after Saturday. One on the 20th and another on the 27th of this month. Shooting enthusiasts who haven't had a crack at a shoot so far this season may be able to find a berth on one of the remaining hunts by calling the Camp Provost Marshal's office for information.

Although the deer season here is nearing its end, squirrel, dove, turkey, and duck shooting are just coming into their own.

If you want to take advantage of the camp's vast supply of game in these departments, check with the provost marshal on what areas will be open for hunting on the days you want to shoot. Then purchase a hunting license at the camp exchange, learn the hunting laws, buy your ammunition, and if you need, check a shotgun out from your unit special services. Then it's up to you. There is no shooting here with rifles. This is done as a safety precaution.

If you don't think that there are any turkeys here, take a glance at the goose gobbler to the left. Killed by TSgt. Tom Grace, 2nd Amphib Recon. Co., I.T., the fowl was felled by a fine shot here last week, at the season's opening, and there are plenty more where he came from. A wild turkey, besides being a great game bird endowed with a keen sense of self preservation, will gladden any Christmas or New Year's table with little damage to the budget.

Those Fish

They are called sea trout, and Marine, they are still feeding hard all along the coast. Demons for artificial lures, trout will also take to shrimp fished from a cork about two feet under the surface of the water.

Striped bass fishing continues good in the fresh waters of the coast, such as the Neuse, Pamlico, Pungo, Alligator and White Oak rivers. Puppy drums are cruising the brine from Ocracoke to the tip of Cape Fear. Also a large run of small channel bass are terrorizing baits fished in the brackish waters of the Wilmington-Southport area.

Surf fishermen are still having a time with the stripers and channel bass along the coast. The wielders of the long wands claim this to be an exceptional season. Even beginners are making good catches.

Also, the charred boat department is doing a nice business in the king mackerel, bonita, and amberjack departments off Morehead City and Swansboro.

Ceremonies At Naval Hospital Mark Graduation Of New Gray Lady Class

Twenty-one new Gray Ladies received graduation certificates from Maj. Gen. Henry D. Linscott, camp commander, Wednesday, Dec. 3 at a ceremony in the Naval Hospital Auditorium.

Commenting on the Gray Ladies' services, the general complimented the organization on its many unselfish activities for the good of Lejeune personnel.

Among the guests present were Brig. Gen. William S. Fellers, deputy camp commander, Mrs. William S. Fellers, chairman of Lejeune's Red Cross Auxiliary, Mrs. George W. Gawthrop, secretary of the Onslow County Red Cross Chapter, and J. B. Carroll, chairman of the Onslow County Red Cross. Carroll voiced a word of welcome to the lady volunteers on behalf of the National Red Cross.

Pins denoting one year Gray Lady service were presented by Gen. Linscott to Mrs. Anna Hall Day, Mrs. Elena Lawler, Mrs. Blanche Paterson, Mrs. Helen Shuford, Mrs. Franca Wilcox, and Mrs. Dorothy Willy.

Capt. C. R. Wilcox, medical officer in command of the hospital, officially accepted the ladies as volunteer workers. He expressed gratitude on behalf of the patients for the service's work.

The class's training program was directed by Miss Shirley McLallen, Red Cross Field Director for the hospital. Mrs. J. F. McClanahan, chairman of the Gray Lady Service, directed the graduation ceremonies and introduced the speakers.

Music for the program was furnished by a unit of the 2d Division band directed by CWO Richard Slattery. A reception for the graduates in the Red Cross Patients' Recreation Lounge followed the ceremony.

YULE SHOW

A Christmas program sponsored by the 2nd Amphibian Tractor Bn. will be presented Tuesday at the Courthouse Bay Theater from 7:30-8:30 p.m.

Included in the evening's format will be singing, slides on the Nativity, and musical instrument solos.

'Tennessee' Kitts, Sure-Shot Cager, Sparks WM Squad

Captain of the Woman Marine Basketball team, Pfc. Ira "Tennessee" Kitts, has started her second season of service ball by retaining the record she made last year as team high scorer.

In the three games played to date, Tennessee, center forward, scored 21 points against Campbell College and walked away with 29 points from Camp Pickett's WAC team.

Last year the five feet six inch center played right forward, but was moved to her present position by coach Alan Perlmutter. "Captain Kitts directs the offense and does her share of rebounding. She is an aggressive player and an excellent shooter," Perlmutter stated.

When last season ended the Lejeune team standing was 10 wins and 10 losses. Then co-captain of the forwards, Kitts chalked up 321 points and expects to top that mark this year.

The Lady Leatherneck, police and property sergeant of Bks. 63, lettered in basketball three years at the Washburn, Tenn., High School, prior to entering the Marine Corps.

This Week's Movie Review

(4 Bells: EXCELLENT; 3 Bells: VERY GOOD; 2 Bells: GOOD; 1 Bell: FAIR)

MEET ME AT THE FAIR
In this musical drama starring Dan Dailey and Diana Lynn, the story builds up around a run-away orphan, and his efforts to join a one-wagon medicine show.

TALES OF HOFFMAN (4 Bells)
"Tales of Hoffman" is a spectacle in the real sense of the word, for rarely has the screen been filled with more overpowering color, music and ballet. The picture has practically no spoken dialogue, and is a rather faithful translation of the Offenbach work. Excellent entertainment for those who like opera and ballet.

THE RING (3 Bells)
"The Ring" starring Gerald Mohr and Rita Moreno, is a truly off-beat boxing picture, played effectively against the background of Mexican life in Los Angeles.

ABOVE AND BEYOND
Robert Taylor portrays one of the U. S. Air Force, was the first atomic bomb on Earth, and the story concerns the tension which almost upset the test.

FLAT TOP
Starring Sterling Hayden and Paul Douglas, the story of a man and his fight for survival.

THE RED HEAD FROM MOOREHEAD
Combines the talents of Marlon Brando and Alex Nicol, in this Technicolor picture.

I DON'T CARE
The life story of Eva Tanguay, Gaynor playing the famous star of the pre-World War era.

THE THIEF OF VENICEThe story concerns the unscrupulous machinations of the Grand Inquisitor from the ruling Doge.

BLACKBEARD THE PIRATE
Robert Newton, Linda Daryll, and Paul Christian, handle the Technicolor adventure on the high seas.

ANDROcles AND THE LION
George Bernard Shaw's little Greek tailor who befriended the lion.

NEVER WAVE AT DEATH
Rosalind Russell, Paul Douglas, and Charles Bronson combine their talents to start to happen when Miss Wilson, an ex-chorus girl, through basic training.

CHRISTMAS BELLE—A shining light on any Christmas tree would be the tingling appearance of actress Virginia Gibson. Not only does this shapely Miss look right at home in her nest of pine needles, but she would be guaranteed to ring a bell on Christmas morning if you found her in your sock.

Salty Ranks

UH, OH, HAZEL! HERE COMES CAPTAIN TRENCH! DOES ONE SALUTE WHILE ROLLER SKATING?
GOSH, SALTY, I DON'T KNOW!

WELL, WHEN IN DOUBT—GOOD EVENING, SIR!

LOOK OUT FOR THE WINDOW, SAL!

I'LL HAVE TO LOOK THAT ONE UP IN THE REGULATIONS!
HE SAID "CARRY ON!"
SKATING
CRASH
