WEATHER OR NOT

WEATHERMAN'S RESOLUTION: In '52, I resolve to please all Lejeune tastes. If the climate doesn't cooperate, can I HELP? Personally, I like variety. I've had Chicago chills, Boston baked breezes, Kansas City cold creeps, Texas torridity, Philadelphia frigidities, Mississippi monsoons, Louisiana languor, Paul squalls, Tuscon toasters, Ohio's ice floa, Salt Lake's hot-lakes, Three Rivers shivers, etc. But let's not just talk about the weather, let's have some. Never let it be said that a weatherman snowed the troops.

Customary Fanfare On Tap Here

The customary fanfare accorded each New Year starts tonight when the clocks strike 0000 here. Dances, dinner parties, Broadway "woodville" acts, noisemakers, paper hats, and an out-of-season carnival highlight the gay plans for the arrival. The camp chapels will be scenes of appropriate liturgical ceremonies, thus marking the religious aspects of the occasion.

The Staff Non-Commissioned Officers' Club has made elaborate plans. About 600 of its members will see the old year out while being entertained by Bubbles Becker and a ten-piece orchestra. Becker, back to Camp Lejeune for his tenth appearance, will also bring along his five-act floorshow.

At the Staff Club dress will be either informal or semi-formal. The fun begins at 2000 and will last "until." There will be no reservations, guests being admitted on a "first come, first served" basis. All five general officers serving at the camp have accepted invitations from the club's Board of Governors and their arrival will be one of the high spots of the evening.

The largest gathering of revelers — some 2000 Marines and guests — will gather at Marston Pavilion to dance to the music of Freddie King's band. Festivities begin at 2100 and will last through the first hour of the New Year in the beautifully decorated pavilion.

The Midway Park Association will sponsor a dance at the Community House. A six-piece orchestra from Wilmington will play from 2100 till 0100. The customary noisemakers and odd-shaped hats will be distributed and refreshments will be served throughout the night. Tickets to the dance are \$5 and attendance is limited to 100. Dress should not be too much of a problem since the Dance Committee has announced, come in "whatever you have to wear."

The Recreation Hall at Trailer Park will witness an informal celebration for members of that community. There is no prescribed "uniform of the evening" here and dancing will be to juke-box melodies.

The USO in Jacksonville had its main New Year's Dance on the December 26 with a band from Kingston and numerous hostesses from Wilmington. However, Marines will still be able to tear up their 1951 calendars in a gala atmosphere. The interior of the clubhouse will be decorated to resemble a carnival—booths will house innocent games of chance and the

To Launch Polio Drive This Week

The stage was set today as Camp Lejeune prepared to launch one of its biggest offensives of the new year — the 1952 "March of Dimes" campaign.

Headed by Col. W. W. Davidson, Camp Disbursing Officer, a camp wide organization embracing every unit stationed here will officially open the fund-raising drive with a "kick off" meeting at the Camp theatre Wednesday at 8:45 a.m. The campaign will continue through January 31.

Last year Camp Lejeune posted an enviable mark in the annual drive for funds to fight polio. Contributions totaled \$41,375 in 1951 and Col. Davidson is hopeful that total will be surpassed this year.

Col. Davidson said every effort will be made to reach all Marine and civilian personnel and their dependents during the 1952 campaign. He stressed the critical need for funds by the National Foundation for Infantile Paralysis in its fight against the dread disease.

The campaign formally opens on Wednesday but the Officers' Mess will jump the gun on most other organizations joining in the drive. Voluntary contributions will be sought tonight at the New Year's Eve party there.

Organizational leaders for the March of Dimes drive are: Lt. Col. A. T. Castagna, MarDiv; Maj. William P. Vaughan, Force Troops; Lt. Charles G. Cooper, H & S Bn., Marine Barracks; Capt. Frank A. Murray, Depot of Supplies; Mr. Burlon Lamm, camp civilian employees; Lt. Cmdr. Shelley L. Lewis, Naval Hospital; Lt. L. F. Pottebaum, Supply Schools Bn.; Mr. Howard E. Aman, Miss I. Rowe, and Miss Mary D. Summerell, Camp Schools; CWO G. A. Schroeder, Court House Bay Area; Lt. Robert Schwartz, Rifle Range; Mr. Aron D. Wheelis, Midway Park; CWO L. P. Wallace; T-Sgt. W. M. Stewart, Staff NCO Club; Lt. Edward Abele, Special Services activities; Mrs. Dorothy Kachmar, Marine Corps Exchange; Maj. J. J. Tooley, Peterfield Point; Lt. (USN) T. E. Wolfe, Field Medical Research Laboratory; Lt. (JG) Forest Jones, Camp Dispensary; Mrs. R. L. Hamby, Midway Park Women's Club; and Mrs. B. A. Bartyzel, Staff NCO Wives' Club.

Almar Details Release Plan For February

General provisions for release of eligible reservists during February, 1952, are disclosed in newly-released Almar 57.

Subject to completion of a minimum of 12 months service current tour extended active duty, enlisted reservists to be released during period 1-29 Feb, 1952, are those in priority one assigned to active duty prior to March 1, 1951; those in priority two assigned active duty prior to Aug. 16, 1950.

Reserve Officers eligible for release during February 1952 are those in priorities one and three assigned extended active duty prior to Oct. 1, 1950, and those in priority two assigned to active duty prior to Aug. 29, 1950.

All reserve Officers in priority three assigned to active duty prior to Mar. 1, 1951, and priority four assigned active duty prior to Nov. 1, 1950, who desire retention on active duty, should submit requests not later than Jan. 31, 1952.

For the second year in a row Service Company, H&S Bn., 2nd Combat Service Group, has won the Division award for the best Christmas decoration in the area. Maj. Gen. Ray A. Robinson, Camp Commander, said, "It is getting to be a habit but one that takes a lot of talent and ingenuity." Colonel R. T. Neal H&S Bn. Co., hopes the habit continues.

At the award presentation in 2nd Combat Service Group Headquarters Thursday the principal engineers of the project received the award from General Robinson. They are: Master Sgt. Trevor L. McCabe, who represented 1st. Lt. Lee H. Taylor, originator of the decoration, Staff Sgt. Charles W. Allen and Staff Sgt. Joseph A. Test.

The display is a comically, complicated gadget entitled "Santa's Workshop" and produces something akin to amazement in the viewer. Central characters in the "workshop" are three dwarfs with a caricature of Master Sgt. Blaylock of Service Company, all of which revolve around the inside and have flashing red noses as they reach the door. Rudolph the "RNR" waits patiently outside the house with his nose also blinking red. The Seasons Greetings are electrically coordinated and sent in lights from the roof.

..In 1952 I Resolve To..

What's Your New Year's Resolution? Make Any Last Year? Keep 'Em? How Long?

CPL. J. RADYKA, GD. CO. 2ND ENG. BN.—Resolved, to become a good husband. I can't think of anything else I can do. I haven't suffered any recent losses but you never can tell. It is a bad habit anyway so it will be a good thing to stop. I made the same resolution last year so it's bound to work one of these years.

CPL. WILLIAM E. ROWE, H&S CO. 1ST BN. 2ND MAR.—The best resolution I can think of is to stop gambling. I haven't suffered any recent losses but you never can tell. It is a bad habit anyway so it will be a good thing to stop. I made the same resolution last year so it's bound to work one of these years.

CPL. RUDOLPH D. ROOKARD, 2ND COM. GRP.—This year in the interests of my wife and family I will try to make a better husband. Of course I'm not a bad one now but there's always room for improvement. Last year I resolved to quit drinking and kept the resolution all year.

LT. VERONICA GRUEBER, USNH—I never make New Year's resolutions because I always break them if I do. It seems better to not make them and do good than to make and break them. Now that I think of it I would like to keep up with my correspondence. Last year was the same so I'll just do my best.

LT. JAMES L. BROWN, USNH—Resolve to cut down smoking and drinking and get in good physical shape. Made essentially the same resolution last year but it was highly ineffectual. I may get into the FMF which in all possibility will aid me in keeping my resolution.

CPO SPICER C. JACKSON, EPIDEMIC DISEASE CONTROL UNIT—When the hunting season is over I resolve to quit hunting, which should be to my benefit as well as the game. Resolved last year to go South for the winter as it was cold up North—North Korea that is! The hunting was too good there. No game wardens either.

SSGT. KENNETH W. NICHTER, SER. CO. M.B.—Will try to quit smoking this year but it's one of those half-hearted resolutions and I can't guarantee it. I haven't done anything out of the way to warrant a big change so I didn't worry about anything last year. Hoping for a leave this year and may have occasion for a resolution when it's over.

SGT. CARROLL W. SCHWERDT, 1ST BN. A BTY. 10TH MAR.—To quit imbibing the night before a working day as it is so hard on the system. That's my resolution for this year. I made one last year to quit altogether but that is too much of a good thing and also pretty hard on one. Either way you can't go too wrong.

HM3 RICHARD E. GRELEWICZ, HQ. CO. H&S BN.—Now that I think of it I'll try and get to bed earlier and write more letters. Had nothing to worry about last year but have a baby on the way now and will have to be good anyway. It's not too hard when you have some responsibilities to keep you on the straight and narrow.

PFC. JEAN RANDALL, W. CO.—To go on a diet is my resolution and I keep it somehow. I've been eating too many of the fattening foods in the messhall. Complaints about the food, it's just too good. I didn't make any resolutions last year as there didn't seem to be any occasion for them. I probably would keep them if I had.

CPL. LOUIS W. JESS / D CO. 2ND ENG. BN.—One resolution to the point will be to quit driving fast going home on weekends. I see and read about a lot of them and they get me down. Seems like there are more here than any place I've been. I want to be in one piece when I get out in January and will make up this year for the resolutions I didn't make last year.

S/SGT RAYMOND A. DAIL, FIELD MED. SER. SCH.—Will try to keep a few resolutions this year. To be a good father is the most important. Kept the same resolution pretty well last year. As you get older it's easier to improve. If you are not going to keep your resolutions you shouldn't make them. It's hard sometimes but best in the long run.

CPL. CHARLES E. LAPORT, SER. CO. 2ND ENG.—My New Year's resolution is to stop drinking, get married and settle down. This is my first stateside New Year's in four years and I think the Marine Corps is a great outfit. Last year in Korea I didn't make any resolutions except to warm up which was what everyone had uppermost in his mind.

PFC WILLIAM R. OLIVER, FOOD SER. CO.—So far I haven't done anything to be ashamed of. To quit playing cards seems to be a good idea though—financially speaking that is. I was going to school at home in Ashville, Ohio last year and didn't have any bad habits so never made any resolutions.

SGT. JOE POWELL, SUPPLY SCH. BN.—Unconsciously I made a few resolutions but I can't afford to do anything untoward anyway as I'm a married man with a happy home. Mostly I want to get back to my old job as soon as this one is done. First things first is a good resolution anytime.

ALL SMILES and clutching his "happy pistol", cowboy-clad "Butch" listens to Master Sergeant R. Foust following the Xmas party at Mess Hall Nine for children of the Oddfellows Orphanage in Goldsboro. Fifty kiddies were entertained here with movies, chow, skits and gags.

CPL. RALPH L. SHEW, H&S CO. 1ST BN. 8TH MAR.—For 1952 I resolve not to sign any more papers as every time I do something happens. So much has happened to me since I signed my name to that last paper that I can't remember if I made any resolutions last year.

CPL. LYNTON B. SHARP, 2ND AMTRACS—To get married and be truthful to my girl since we are going steady is my resolution for this year. For fifty one I quit drinking but will give the credit to my girl as she has a steady influence on me.

PETERSON—ALL SEVEN SAME NAME—Participants in christening ceremonies at the Protestant Chapel are, left to right in civvies, husbands and brothers: Lt. E. W. Abbot Peterson, Jr., the would-be-father, by personal choice, but really no relation (Official USMC Photo).

PFC VIRGINIA W.M. CO.—I have resolutions, to answer the letters I get and to be a better Marine as long as I'm in the Corps. Resolved last year not to get married but didn't keep the resolution. At times it's easy to forget New Year's resolutions, don't you think?

New Course Set For Expectant Mothers
The second series of six classes for expectant Mothers to be held each Monday at 1:30 p.m. will begin Jan. 7. They will be held at the Family Hospital by the Navy Relief Nurse, Mrs. William Wentworth.
The first class was graduated on last 19 November. There's still time to enroll in this next class. Telephone 5633 or send your name into the Navy Relief Society office so you'll be expected!

COST PROGRAM
At the direction of Secretary of the Army Frank Pace Jr., a concerted, continuing program of cost consciousness indoctrination through all phases of the soldier's life has been instituted in the Army. The program concentrates on supply economy, an emphasis due to the Army's increasing size and operation costs and their impact on the national economy.

DETAILS OF HOUSING POLICY

The Commandant of the Marine Corps has released what will be a new policy in on and off-station housing. Action upon it has been taken at Camp Lejeune and will affect Marines and civilians living in Midway Park and Trailer Park. Below, verbatim, is GEN. C. B. CATES' LETTER on the situation. It is followed by the action to be taken by this command.

1. Reference (a) is quoted herewith for the information of all personnel at Camp Lejeune:

From: Commandant of the Marine Corps
To: Distribution List
Subject: Allocation of rental housing

1. Considerable quantities of rental housing, both on and off-station have been, or are being built for the benefit of personnel at many Marine Corps stations. Besides controlling the rental list for on-station housing, Commanders, by agreement with landlords, have succeeded in many instances in obtaining control of off-station rental lists. Station Commanders have allocated available controlled housing according to the requirements of local situations.

2. In furtherance of this type of allocation, it is directed as a matter of policy, in order to satisfy as much as possible the needs of the ranks, that the lower rental housing be allocated to the groups of military and civilian personnel with the lower income, and that each allocation consider the "group ability" to pay prevailing gross rental for each type of housing.

3. Past allocation have rarely taken into consideration the needs of personnel in the lower four pay-grades. It is considered that as controlled "high rental" housing (such as Title VIII housing) becomes available, staff non-commissioned officers, warrant officers, commissioned officers and well-paid civilians should be moved out of "low rental" housing (such as trailers and Lanham Act housing) and offered "high rental" housing. If such housing is refused, personnel should be denied eligibility for access to controlled units.

4. The specific allocation should be determined by station Commanders according to the relative supply and "ability to pay" at each station.

5. While it is recognized that many individuals will plead "hardship" under the terms of this policy, it must be remembered that many marines not eligible for controlled "low-cost" housing under present allocations are suffering from high rents and sub-standard conditions.

6. In compliance with the Commandant's above quoted directive, effective immediately the rental housing at Camp Lejeune will be allocated as follows:

- A. Enlisted Personnel—(1) Enlisted personnel of the rank of Sergeant and below (including corresponding ranks of other Services attached) will be assigned to units at Pine Grove Trailer Park and Midway Park. (2) Enlisted personnel of Staff rank (including corresponding ranks of other Services attached) will be assigned to units at Tarawa Terrace and to New River apartments within their quota.
- B. CWO, WOs—Warrant Officers (including Commissioned Warrant and corresponding ranks of other Services attached) will be assigned within their quota, to units at Tarawa Terrace.
- C. Officers—Commissioned officers will be assigned to specifically designated officers' units at Tarawa Terrace and to New River Apartments within their quota.
- D. Civilians—Civilian employees of Camp activities will be furnished housing at New River Apartments. Civilians employed in priority positions earning a gross income of less than \$3,900.00 per year will be assigned units at Midway Park. Civilians employed in priority positions earning a gross income of \$3,900.00 or more per year will be assigned units at Tarawa Terrace.

7. The assignment of units at Piney Green is not affected by this memorandum, and the present policies will continue in effect.

8. All personnel who in accordance with the above are ineligible for their present housing should contact the Housing Office, Building No. 1, regarding the availability of units within the project for which they are eligible.

9. Staff Non-Commissioned Officers (corresponding ranks of other Services) in occupancy at Trailer Park are informed that they should immediately file an application for Tarawa Terrace in the event they have not previously done so. Personnel in this category who fail to file an application within 15 days, or who, upon notification that a unit is available, refuse to accept, will be required to vacate Trailer Park within 15 days.

10. Officers, Warrant Officers, Staff NCOs and civilians no longer eligible for Midway Park will not, at this time, be forced to transfer to other housing. In keeping with the intent and purpose of the Commandant's directive and the policy established by this memorandum, those affected are requested to avail themselves of the housing allocated to them, and thus make way for those less able to pay the higher rentals. Only by such cooperation can the policy of "relative supply and ability to pay" be successful at Camp Lejeune.

11. In the event personnel are to be transferred, discharged or released from active duty within the next 90 days, no action need be taken prior to separation. Occupants of Trailer Park who are to be separated within the next 90 days must inform the Housing Officer, Building No. 1, of this fact.—W. S. FELLERS, Brigadier General, U. S. Marine Corps, Commanding.

GEN. ROBINSON'S STATEMENT

Meanwhile, Major General Ray A. Robinson, Commanding Camp Lejeune said, "The shortage of housing at Camp Lejeune has long been of great concern to me. Inadequate housing and the high rents charged for available civilian accommodations has brought much criticism from all ranks.

To correct this condition, new units have been built and a sizable construction program is now underway. The basis for the construction of new housing is primarily to provide accommodations for personnel of the upper pay grades, with the specific allocation of available units based on "ability to pay".

In compliance with a directive from the Commandant of the Marine Corps and upon the recommendations of a Camp Housing Board, it is my intention to restrict the assignment of units at Midway to enlisted personnel of the lower pay grades. This decision is based on the general policy of assigning the lower-cost rental units to personnel in the lower income brackets.

To Staff non-commissioned Officers, Warrant Officers, Commissioned Officers, and Civilians:

Three Marines Win Medal Of Honor Posthumously

"For conspicuous gallantry" in Korea, involving the loss of their lives, three Marines have been awarded posthumously the Medal of Honor.

Paying the supreme sacrifice were 2nd Lt. Robert D. Reem, 26, of Elizabethtown, Penna.; SSgt. William G. Windrich, 29, of Carlsbad, Calif.; and Pfc Walter C. Monegan, Jr., 19, of Seattle, Wash.

Lieutenant Reem finished giving orders to his men for an attack as he deliberately threw himself on an enemy grenade to save those around him on November 6, 1950. Staff Sergeant Windrich, although wounded in the head by grenade fragments, helped beat off an enemy attack at Yudam-ni on December 1, 1950, then went back and rounded up volunteers to lead in recovering dead and wounded Marines. He set up a defensive position and beat off further attacks until he collapsed and died from loss of blood.

Private First Class Monegan was killed September 20, 1950, near Seoul, as he calmly stepped out into the heavy fire of an enemy tank-infantry attack and proceeded to methodically knock out the tanks at close range with his rockets. The enemy retreated.

What a Christmas! We just wish everybody in the world could have had one like it. Santa seemed to make it to everyone's house and Christmas morning, cowboy suits, tricycles and new baby dolls were proudly displayed. Christmas presents for the 2nd Armored, Amphibian Bn. were two new officers, Lt. Col. Maurice Goodpasture and Maj. Russell Hamlet. The Bn. officers and wives welcomed these two aboard with a dinner dance at C. H. B. last Thursday.

The Maj. Frank Churchville's had a triple celebration last Friday night. It was the Major's birthday, Christmas was their anniversary and son Russell was home on leave from the Navy. Harry Cohen did the chow and it was really a feast.

Lt. Col. J. D. Wiggins, who has overseas orders, and Mrs. Wiggins, have been feted by many friends. Col. and Mrs. R. D. Strickler entertained at dinner for them last Friday. Lt. Col. and Mrs. F. X. Beamer had a get-together for them Christmas Eve and Lt. Col. and Mrs. Claude Sanders had them over Christmas afternoon. Sunday before Christmas the Wiggins themselves—amid packing boxes, etc. (the packers arrived the 27th)—held open house from 4 to 7. After Christmas Col. and Mrs. A. C. Shofner and Lt. Col. and Mrs. Walter Cuenin entertained them in successive nights Wednesday and Thursday.

The Maj. Steve Cibik pitched a Christmas celebration Saturday before Christmas—cocktails from 6 until... Guests of Maj. and Mrs. T. D. Stockwell Christmas night were mighty glad to sit down with a glass of eggnog after exerting themselves over trains, trucks and erector sets all day.

Sunday before Christmas, from 6 to 8, Miss May Cresswell of State College, Mississippi, was honored with an "at home" party by her brother and sister-in-law, Brig. Gen. and Mrs. L. B. Cresswell in their quarters. Miss Mia Cresswell number 2 of the three daughters received guests with her parents... Capt. and Mrs. C. B. Gal-lowsay held open house from 8 to 10 the same evening.

Newcomers on the base, Lt. Col. and Mrs. J. D. McBride, entertained with cocktails Saturday from 6 to 8 p.m.... Teen-agers threw a lot of sand on the floor of the Junior Clubhouse, stuck some driftwood around, put some candles in bottles, got out their best rags and tatters and had a terrific shipwreck party last Wednesday evening.

Christmas Eve Col. and Mrs. J. A. White had a number of guests to await Santa before Christmas services at the Chapels... Up on Cmdr. P. A. Webster's roof there is a life-size Santa chopping a h'o'e in the roof to get in. Guess he had so much he couldn't squeeze down the chimney, for in addition to Barbara, Tom, and Jeanie there were new pups to supply. Night after Christmas the Websters hosted a cocktail party... Lt. Col. and Mrs. Warren Sivertsen topped Christmas off with an informal party in their quarters Thursday night.

Christmas visitors on the post included Mr. and Mrs. Skillen of Waco, Tex. at Col. W. F. Pricketts, Mr. and Mrs. Williams of Parris Island at Lt. Col. C. A. Rovettas, Mr. and Mrs. R. A. Wachtler of Long Island, N. Y., with the Major John Quinns. These were all enjoying grandchildren as were Mr. and Mrs. Sutton of Kingston (with J. M. Joyner).

Shall we now get on to New Year's? Col. and Mrs. P. M. Rixey are entertaining this evening and Lt. Col. and Mrs. P. S. Treitel and Lt. Col. and Mrs. J. M. Joyner are, too. Space is running short—so continued next year, may it be a good one for all.

The old year fades out tonight and a spanking baby, emblematic of 1952, steps in. During the next year as in the previous three, the Officer's Wives of Camp Lejeune will continue to plan interesting programs, shows, hobby-lore and help the machinery of the various drives of worthy organizations. For example, during 1951 the Wives Club donated cards and magazines to bed-ridden personnel at the Naval Hospital; furnished material for sale at the Opportunity Shop; solicited helpers for Navy Relief; donated blood whenever the call came; helped with refreshments at the Blood Center; contributed hot plates and dishes to the Junior Club; sent a pair of radios to the Hospital Red Cross. That's only some of their work. Also, they presented the monodrama of Peggy Farmer, set up the lovely Xmas Tea and pieced together the svelte Fall Fashion Show. And let's not forget the Wives sponsor such activities as the Camp Nursery School and the baby sitting service. All officers' wives are welcome to join because it's of interest to all of us... The O'Wives of the Eighth Marines and Second Eng. Bn. meet Thursday, Jan. 3 at 1:00 p.m. for lunch at the Club's River Room. After a brief business confab they will play bridge and canast. The nursery will be open. Make your reservations by calling the Mesdames S. Jenks, B. L. McCormick, R. Heinsohn or T. Hickey.

By the way, Mrs. Walter Chapel reports that girls of the Eight Marines and the Second Eng. Bn. will present on Jan. 9, Imre Kovacs, author of "Red Runs the Danube." The writer is one of the nation's best speakers and authorities on Central European affairs. Now an American citizen, Kovacs was born in Yugoslavia, attended Yale and the Julliard School of Music in this country. His lecture, dealing on his book, will be heard in the Camp School Auditorium at 1:30 PM. At 3 PM, the group, chaired by Mrs. J. M. Masters, will serve tea in the River Room of the O'Club. Decorations are under the supervision of Mrs. Brunett. Mrs. Joyner heads the Tea Committee. The Nursery will be open to enable wives to attend the talk and tea.

Second Signal Wives Plan Meeting

Lejeune's 1951 Sports Record Impressive

Camp Lists 137 Wins, 33 Losses In 6 Varsity Sports

Phil Cohen's Lejeune basketball club gets first crack at 1952's athletic victories, and sports fans here would gladly settle for a repetition of 1951, insofar as winning seasons are concerned.

The first athletic event is one that should attract a lot of basketball fans to Goettge Memorial Field House Thursday evening — opposition to be provided by Mitchell Air Force Base from New York.

The Fliers recently dropped an 11-point decision to GCNY, so indications are that the visitors, about whom nothing otherwise is known, will seriously threaten the 6-1 record compiled by the local cagers.

Saturday night, the Lejeune lads play at Quantico as the first stop on a road tour. Next Monday night, Fort Belvoir hosts for the local gyrenes, Camp Pickett is the Tuesday night stop, and Fort Lee the final visit on the Virginia tour Wednesday night.

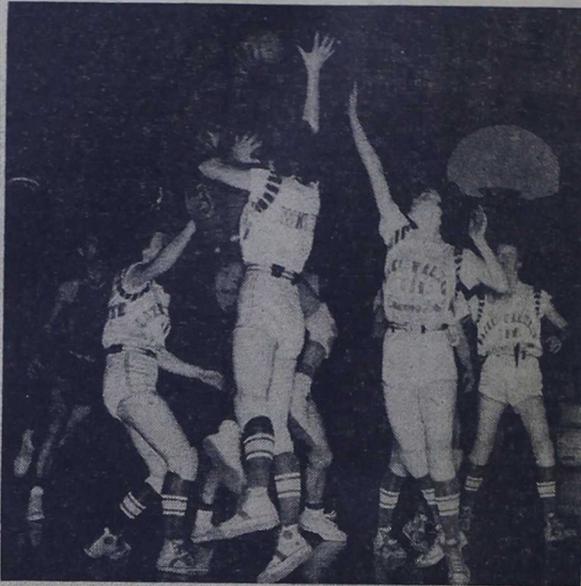

The 1951 record that the basketball team is out to do its share to beat is an impressive one from an overall standpoint. Six varsity

sports in which schedules were played wound up with 137 Lejeune victories during the year, with 33 setbacks, and a single deadlock—in football.

The 1951 record by sports:

| Team | W | L | Pct. |
|-----------------------|-----|----|-------|
| Baseball | 70 | 17 | .805 |
| Boxing | 3 | 0 | 1.000 |
| Wrestling | 5 | 2 | .713 |
| Football | 7 | 4* | .636 |
| Basketball ('50-'51) | 36 | 7 | .837 |
| Basketball (Dec. '51) | 6 | 1 | .857 |
| Track | 7 | 2 | .778 |
| | 137 | 33 | .801 |

* Also a tie.

WOMAN-TO-MAN-DEFENSE—With all that pulchritude about him, it's no wonder Smitty Smith, Lejeune ball-handling expert, is up in the air. This bit of action was snapped during the late stages of the contest between Lejeune and the Arkansas Travelers. Phyllis White goes up, too, in an attempt to stop Smitty's shot. Others in six are Milton Brackmann, extreme left; Francis Garroute, behind Smitty; Dorothy Jones, right foreground and Georgia Mullens, right rear (Official USMC Photo).

CLEM DOANE (left) AND Milt Brackmann (right) are two newcomers to the varsity basketball squad who have been showing well in recent games. Doane, a 6-3, 180-pounder from Covington, Ind., played at Eastern Illinois State College. Another Hoosier, Brackmann played at Valparaiso University. His home is at Fort Wayne.

Camp, San Diego Gridders Dominate All-Marine Squad

Three Camp Lejeune gridders and a like number from San Diego dominated the All-Marine football team named by LEATHERNECK magazine in their recently-released January issue after a poll of Marine sports writers.

End Paul Sweezy, tackle Frank Letteri, and quarterback

Russ Picton were first team selections, guard Wit Bacauskas and halfback Ed Romankowski made the second team, and end John Schuetzner, guard John Dempsey, center Ken Schoff, and back George Greco were among the honorable mentions.

In addition to the Lejeune and Diego trios, twosomes from Quantico and Parris Island, and a single Camp Pendleton operative were accorded first team berths.

The first team:

4500 Cage See Dolls Scrap-Happy

Anyone who believes the weaker sex to be frail and unskilled in basketball learned otherwise at the Lejeune Field House Dec. 10. The dolls from Arkansas, pushed, tripped, and edged at the Lejeune basket. It was all in fun though Marines, exhibiting a dash of trionics, squeaked through 57 to 55 victory.

Some 4,500 fans attended the exhibition-type ball, the dolls from Arkansas were in the field to attract the hard when fans ordinarily would be in the bleachers. The Lejeune team's defense, Lejeune woke up late before the end of the game, passing attack — but the dolls were not on the pressure they wanted to, coasted with ease.

Ray Woltazek and Jack counted fielders to save the game. In the first overtime period 53-53 deadlock withstood. But the second produced by Nichols and Joe Fater t Hazel's single two-pointers.

Camp Gains 67-0 Victory Over Force Troops

The longest football season in Camp Lejeune's eight-year grid history ended nearly six months after it started with the Cigar Bowl game in Tampa, Fla., Saturday night.

Results of the game were not yet available when this special New Year's issue of the GLOBE went to press.

In their final appearance on the camp gridiron, December 22, the varsity eleven primed for the Cigar Bowl appearance with a 67-0 victory over the Force Troops All-Stars.

Hold Temporarily
The Force Troopers held the varsity to a 6-0 edge through the first 24 minutes of the game, but their stubborn defenses tired to permit nine touchdowns in the last 36 minutes.

Late in the first quarter, Ed Johnson's pass interception set up the first Lejeune touchdown, scored by Bobby Gault from one yard out.

Early in the second period, Al Hoisington's pass from the Troops' 36 to Elliott Artis carried to the Lejeune 8, but the losers' only serious threat of the day was stifled by Ed Romankowski's interception in the end zone.

Late in the second period, Russ Picton passed to Romankowski for 13 yards and the second TD, then Jim Bond plunged over from the one to make it 20-0 at the half.

The dam broke then. Bob Gault scored his second TD from the one five plays after Hal Brooks blocked Ed Fogo's Force Troops punt. Gault rounded left end from the nine for his third touchdown, and John Herbst crashed left guard from the one for third period scores.

Four more tallies were added in the last period through a variety of means. John Siefrelling passed to Paul Sweezy for 22 yards, and to Bob Goodfellow for three, Jim Enzinger passed to Herbst for 22 yards, and Paul Woodard sprinted 19 yards with an interception for the scores.

The statistics:

| LEJEUNE | FORCE TROOPS | |
|---------|------------------------|-----|
| 16 | First Downs | 3 |
| 181 | Net Yards Rushing | -17 |
| 166 | Net Yards Passing | 72 |
| 27 | Forwards Attempted | 23 |
| 14 | Forwards Completed | 3 |
| 2 | Interceptions | 5 |
| 162 | Yards Inter. Ret. | 39 |
| 0 | Yards Kickoff Returns | 149 |
| 61 | Yards Punt Returns | 5 |
| 10 | Yards Fumbles Returned | 9 |
| 28 | Average Punt Distance | 38 |
| 2 | Fumbles | 5 |
| 3 | Own Fumbles Recovered | 2 |
| 145 | Yards Lost Penalties | 25 |

INTERCEPTION—Lejeune Halfback Ed Romankowski intercepts an Al Hoisington pass and returns it from the Force Troops 47 to the 32. Six plays later Halfback Jim Bond went over from the one. Frank Letteri converted as half ended Lejeune 24-0 (Official USMC Photo).

WOMEN GOLFERS

A new golf association for the ladies has been formed at Camp Lejeune, and will be open to all service personnel, servicemen's wives and dependents.

The first meeting will be held at the Lejeune golf course on January 16, at 0930. All those interested are requested to call Mrs. Sherbondy at 6201, or Jacksonville 8-655.

FIELD HOUSE FUN—Bearded Santa weaves spell-binding influence over 14 tots who crowded him into a corner to learn who their he'd remember them "the night before Xmas." Minutes later Santa kept part of his promise by distributing more than 1,500 toy play sets, candy, etc. He said the remainder would come within 2 hours (Official USMC Photo).

Marine basketball looks like a repeat performance. Last winter, the Leatherneck floor title went to and — although the "Boots" split their six games at Lejeune. The South Carolinians are back en masse, forcements, a fact which should make them virtual-

Quantico's Marines have won five games in a row after taking a decisive licking from little St. Francis College at Loretto, Pa. A potent challenger for the All-Marine crown, notwithstanding Parris Island, the Marine Corps Schools cagers also have a LaSalle touch. Their outstanding performer in early season games has been Jimmy Phelan, an All-American at LaSalle College — Philadelphia's contributor to Marine basketball. Smoky Stovall, a member of the Lejeune quint last winter, is a member of the squad.

Most significant of the Virginians' recent exploits was a 71-66 victory over Sampson Air Force Base, a future Lejeune opponent, with a seven-game winning streak and an 87.9 scoring average. Sampson, incidentally, tallied over 100 points three times in their early games.

Lejeune plays at Quantico Thursday, and the two teams collide here January 22. Sampson is met at the Fliers' lair, February 28.

Job Outlook Good, VA Office Reports

Current job outlooks in the fields of accounting, pharmacy, printing and publishing, and forge shops are described as being good for the next several years, according to Paul Crayton, Officer in Charge of the Veterans Administration's New Bern Office.

For the next year, job prospects in the electrical appliance field are reported not favorable, because of scarce metals shortage.

DENTIST SHORTAGE

The urgent need of additional Navy dental officers continues as result of unproportionate increase in the total number of Navy personnel.

Chief reason for this personnel increase is the current lowering of standards for enlistment and induction. To combat the situation, efforts are being made to make all dental officers available as much as possible for practician dental work.

ENLIST NON-CITIZENS

English - speaking non-citizens who have declared their intention to become citizens or who are in this country on permanent residence visas may be accepted for enlistment in the Marine Corps, the "Army Navy Air Force Register" reports. Headquarters Marine Corps has advised recruiting officers that each such case must have the Commandant's approval before enlistment.

MOUNTAINS OF MAIL are beginning to dwindle as the season's onslaught has reached its peak at the camp post office. But the clerks still work from early morning until late at night. At times last week, they often threw 500 bags or more daily.

Let's Not Get Personal, Please

KOREA — Corporal Joseph P. Harris of Gonzales, Tex., believes Communist artillerymen have a grudge against him.

Here's why: The corporal, 1st MarDiv., arrived here in February and battled through seven months of fighting unscathed. Then, in two weeks, he was injured three — each time by enemy artillery.

"It got so I knew all the medical corpsmen down at the aid station," observed Cpl. Harris as he trudged back to the lines a third time, "I'm beginning to think the Reds have something against me personally."

Stretching Things Too Far for Scot

EDINBURGH, Scotland — A Scotsman dropped his divorce suit today because he said that he couldn't afford to spend (\$350 pounds) \$980 to bring his wife from Mississippi to defend the action.

The Scot, a retired Marine captain, John Roderick McDonald, filed the suit three weeks ago. Then his wife, Anna, of Ocean Springs, Miss., notified the court she wanted an opportunity to defend the action. The court decided that the husband should pay the \$980 for expenses for her trip.

Today McDonald told the court to forget it.

GEN. ROBINSON'S STATEMENT CONT. FROM PAGE 3

sioned Warrant Officers and Officers residing in Midway Park, Gen. Robinson explained, "In keeping with this policy, it is my desire that should avail yourself of the more adequate housing at Tarawa Terrace (or, if preferred, the New River Apartments) in keeping with your unit and by so doing, release your present unit for assignment to personnel in the lower income bracket.

It is not my immediate intention to force any personnel to leave Midway Park but to appeal to your sense of "fair play" and request that you, at your own accord, make way for those less able to pay higher rentals. In the event that you will be transferred, discharged or released from active duty within the next ninety (90) days, you remain in Midway Park until separated.

You are requested to contact the Housing Office in Building No. 1 regarding the availability of units at Tarawa Terrace (or, if preferred, New River Apartments) and move to these units when made available to you.

At the same time, Staff-non-commissioned officers at Trailer Camp were informed by the General, "To effect this policy as soon as possible you are directed to immediately contact the Housing Office in Building No. 1 to ascertain your position on the waiting list for Tarawa Terrace (or, if preferred, New River Apartments) or to file an application the same in the event you have not done so. If you fail to make application or upon notification that a unit is available, refuse to accept, you will normally be required to vacate your present unit at Trailer Camp within (15) days.

In the event that you will be transferred, discharged or released from active duty within the next (90) days, you may remain in Midway Park until separated and no further application will be required. The Housing Office in Building No. 1 should be notified of your estimated separation date.

General Robinson concluded by stating to aforementioned Staff-NCO's, Warrant Officers and Commissioned Officers: "I am sure that you will find the new units at Tarawa Terrace (or, if preferred, New River Apartments) more adequate to your family's needs and more commensurate with your military rank and position."

In detailing the new housing policy and how it affects civilian status of priority and non-priority rating living in Midway Park, Gen. Robinson said:

To correct this condition, new units have been built and a sizeable construction program is now underway. The basis for the construction of new housing is primarily to provide accommodations for personnel above the low income bracket, with the specific allocation of available units based on "ability to pay."

He went on to say to priority-rated civilians at Midway Park, "In compliance with a directive from the Commandant of the Marine Corps and upon the recommendations of the Camp Housing Board, it is my intention to restrict the assignment of units at Midway Park to enlisted personnel of the lower pay grades and civilian employees in priority positions with a gross income of less than \$3,900.00 per year. This decision is based on the general policy of assigning the lower-cost rental units to personnel in the lower-income bracket.

In keeping with this policy, it is my desire that you, as a civilian employee in a priority position, should avail yourself of the more adequate housing at Tarawa Terrace (or, if preferred, New River Apartments) in keeping with your income and position. By so doing, you will release your present unit for assignment to personnel in the lower income bracket.

It is not my immediate intention to force any personnel to move from Midway Park but to appeal to your sense of "fair play" and request that you, at your own accord, make way for those less able to pay the higher rentals.

You are requested to contact the Housing Office in Building No. 1 regarding the availability of units at Tarawa Terrace (or, if preferred, New River Apartments) and move to these units when made available to you.

To non-priority civilians at Midway Park, he said, "In compliance with a directive from the Commandant of the Marine Corps and upon the recommendations of the Camp Housing Board, it is my intention to restrict the assignment of units at Midway Park to certain low income civilian employees in priority positions. This decision is based on the general policy of assigning the lower-cost rental units to personnel in the lower-income brackets.

In keeping with this policy, it is my desire that you should avail yourself of the adequate civilian housing at New River Apartments. By so doing, you will release your present unit for assignment to personnel in the lower income brackets.

It is not my immediate intention to force any personnel to move from Midway Park but to appeal to your sense of "fair play" and request that you, at your own accord, make way for those whose pay prohibits the payment of higher rentals.

You are requested to contact the Housing Office in Building No. 1 regarding the availability of units at New River Apartments and move to these units when made available to you.

I am sure that you will find the new units at New River Apartments more adequate to your family's needs and more commensurate to your income and position."
