A composite image showing military personnel in camouflage uniforms performing maintenance on a ship. In the foreground, a soldier in camouflage and sunglasses works on a large, complex piece of machinery, possibly a fuel pump or engine component. In the background, another soldier in camouflage is bent over, working on a large pipe that is leaking water. The scene is set on the deck of a ship, with various pipes, valves, and equipment visible. The overall tone is professional and focused.

Operations Management

3 E 6 X 1

A composite image featuring firefighters in full protective gear on the left, using a hose to spray water. On the right, a close-up of a firefighter's face is shown next to a large, intense fire. The background shows a fire truck and a red car. The entire scene is overlaid with a semi-transparent dark layer where the text is placed.

Fire Protection

3 E 7 X 1

The background image shows a large, powerful explosion with a massive fireball and thick black smoke rising into a clear blue sky. In the foreground, an EOD technician in a full protective suit and helmet is kneeling on the left, operating a remote-controlled vehicle (RCV) mounted on a tripod. Another technician in a similar suit is standing in the center-right, facing away from the camera. In the lower right, two more personnel in military uniforms are working on equipment on the ground. A military vehicle is partially visible on the far right edge. The overall scene is set in a dry, open field.

Explosive Ordnance Disposal

3 E 8 X 1

A composite image showing emergency responders in various hazardous environments. In the foreground, a hand uses a black marker to draw on a circular diagram on a clipboard. The background features several individuals in full-body protective suits: two in white suits with respirators, one in a yellow suit with green boots, and others in red suits. A large, dark, cylindrical object, possibly a pipe or container, is visible on the right side. The overall scene suggests a complex emergency response operation.
