Accelerating CJADC2 through Experimentation

Col Matt “Nomad” Strohmeyer

GIDE and CJADC2 Experimentation Director, CDAO

**CLEARED
For Open Publication**

Feb 21, 2024

Department of Defense
OFFICE OF PREPUBLICATION AND SECURITY REVIEW

We often *lack the imagination* to see the urgency of the threat...

Risk as an evil to be avoided...

...or an opportunity to be exploited?

Combined Joint All-Domain Command and Control (CJADC2)

*...a way of warfighting to create
decision advantage for the Joint Force*

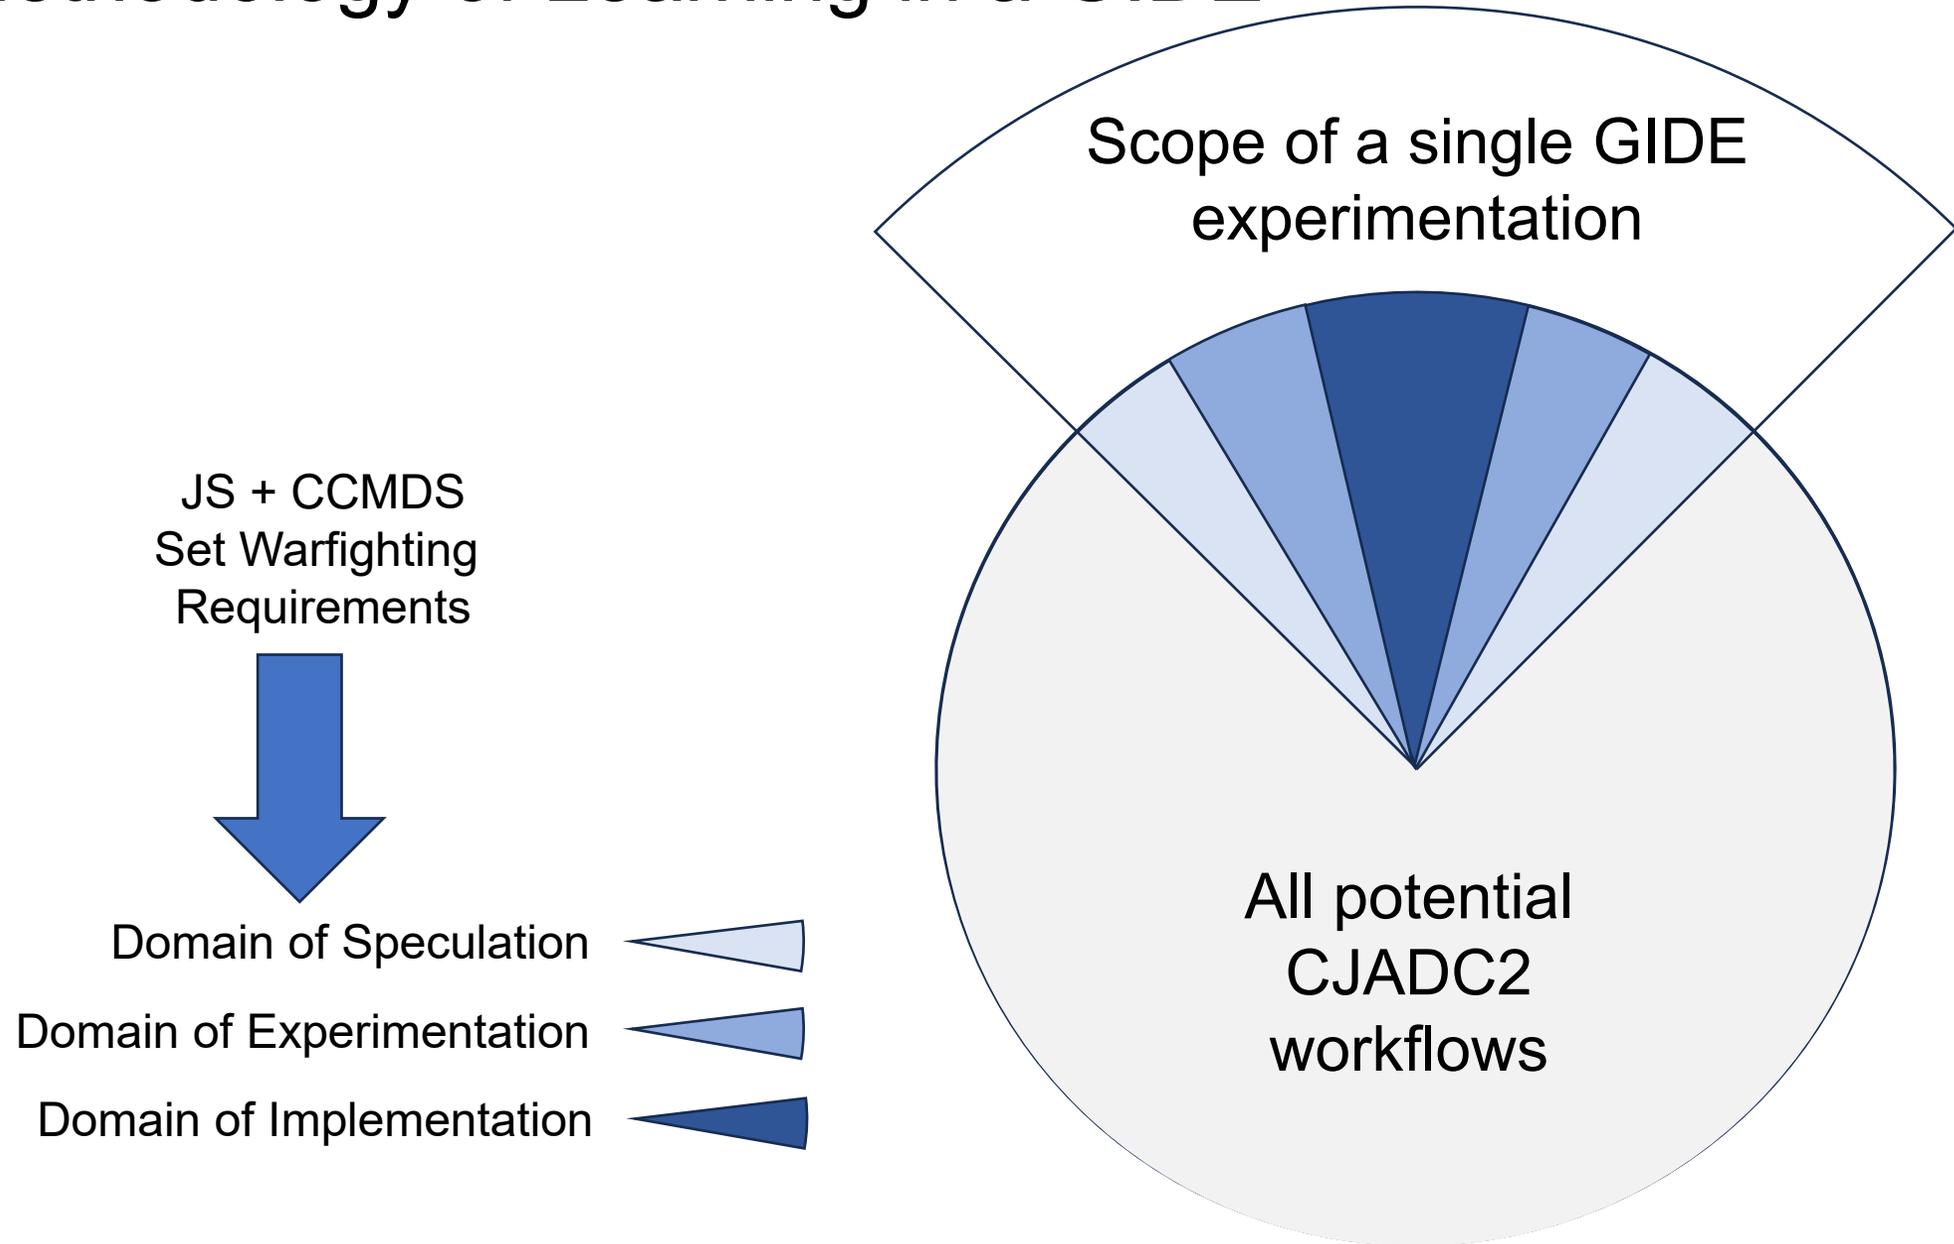

Global Information Dominance Experiments (GIDE)

***Rapid, failure-seeking Department-level
experiments to learn and field CJADC2 capabilities***

Live data – operational networks – real-world threats

Methodology of Learning in a GIDE

Methodology of Learning across a year of GIDE

- Domain of Speculation 
- Domain of Experimentation 
- Domain of Implementation
