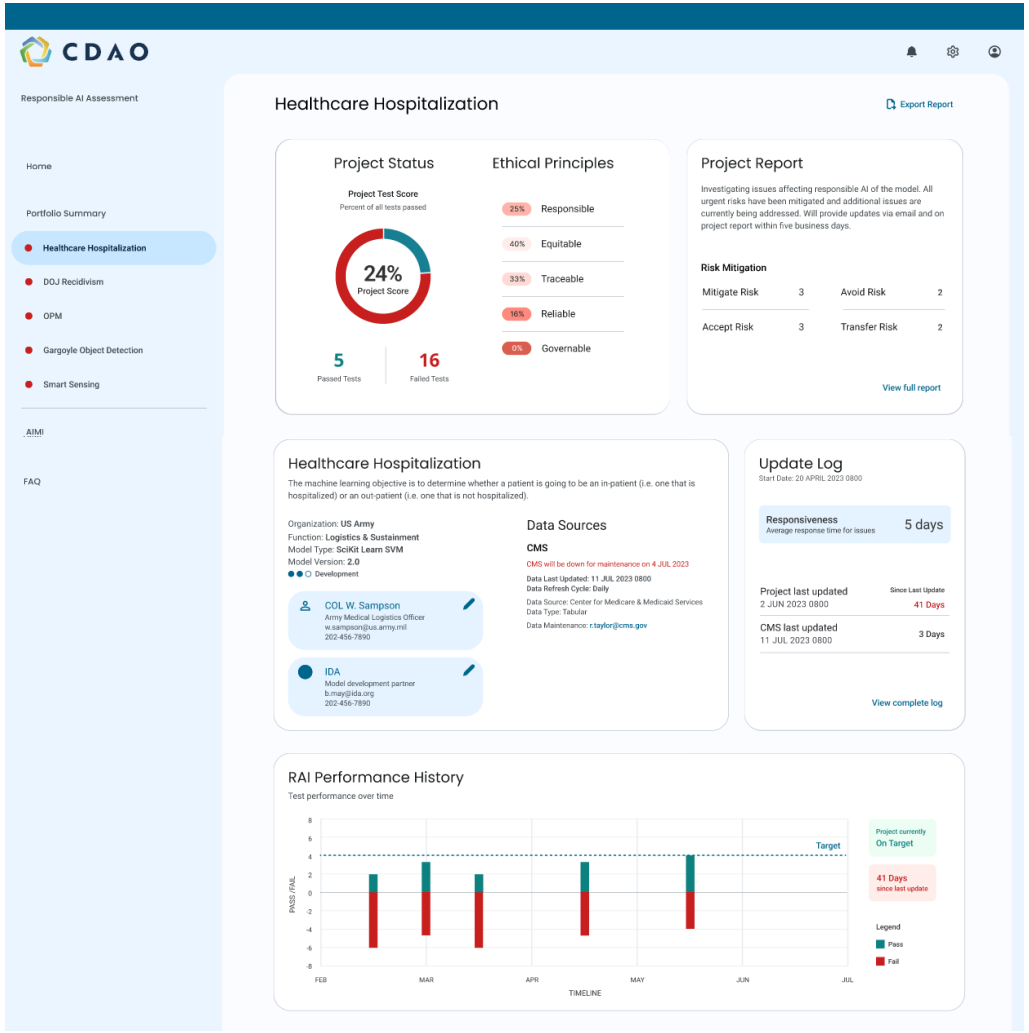
Responsible AI Dashboard

Summary: RA Executive Dashboard

Deloitte.



The RAI Executive Dashboard is a custom application to visualize the RAI risks for a model or portfolio of models across DOD agencies. The design helps to understand underperformance in each RAI principle and assist in identifying mitigating actions. The initial application is currently in MVP Prototype development

Project Timeline

Phase 2: MVP Prototype (Aug 23 – Present)

Phase 1: Wireframing (Apr-Jul 23)

Phase 0: Experiment (Nov 21 – Apr 22)
