Summer Brings People Together to Celebrate

The Soldiers, civilians, and families of the 93d SIG BDE HQ's all came together earlier this week to participate in our summer Organization Day! Between cornhole, card games, dunk tank shenanigans and many other activities, Lightning Warriors were able to take a break from the daily grind to enjoy each other's company and competitive spirit!

### Soldiers and Civilians of 114th SIG BN Hold a Golf Scramble

Soldiers and civilians of 114th SIG BN spent the day team building and enjoying the great weather with some friendly competition. The event helped to bring members of the Battalion together to strengthen bonds while also boosting morale.

NETWORK ENTERPRISE TECHNOLOGY COMMAND

Knowledgement Management Course Held at Greely Hall

Knowledge Management Representative Course (KMRC) is designed to equip individuals with effective KM practices and activities within their organizations. The course taught participants how to identify knowledge gaps, assess the effectiveness of KM efforts, and contribute to successful KM in areas such as knowledge brokering, advocacy, and support.

ARNORTH GC3T Team Supports TF-51 During an Emergency Deployment Readiness Exercise (EDRE)

The event focused on testing processes and procedures. It provided overall command and control of the QRF/RRF during a homeland defense scenario. It took place in California at the Military Ocean Terminal Concord to replicate a forward deployed location in an austere environment.

2d SIG BDE Holds a Excellence Always Ceremony

Recognizing employee achievements is vital for fostering a positive and motivating work environment. Celebrating accomplishments not only boosts morale but also encourages continued excellence and dedication. Acknowledging the hard work and contributions of our team members is essential to our collective success and growth. Let's continue to value and appreciate the remarkable efforts of each individual in our organization.

311th SIG CMD Implements Video-Based Training Tool

311th Deputy Commanding Officer, COL Tonri Brown, and CW5 David Majcher qualified with a pistol on the EST 2000 ahead of the 311th's upcoming qualification ranges. The EST 2000 is a video-based training tool that allows soldiers to practice with a firearm without using ammunition.

RCC-K Promotes Fellowship with an Independence Day Theme

The Guardians held a monthly potluck and hailed new members to the family. During the event, they also presented some awards and special recognition and had a great meal and fellowship afterwards.

RCC-C Repatches to NETCOM in a Ceremony

The US Army adopted military patches in 1881 with the establishment of individual regiments and is associated with pride and bravery. With RCC-C's repatching from ARCYBER to NETCOM, they become a direct member of the NETCOM global team. The repatching ceremony was held at Greely Hall Auditorium on Friday, 30 June with LTC Victor Yinh officiating.
